"I wholly disapprove of what you say but will defend to the death your right to say it."—Voltaire

Volume 62

Tahoka, Lynn County, Texas, Friday, May 20, 1966

Number 34

County Will Remodel Former ASCS Building

Remodeling of the county building at the northwest corner of the square into a modernistic structure for use of the County Agent, Home Demonstration Agent, and Lynn County Library is being planned.

This is the old Security State Bank building which the county bought for the ASCS, abandoned by the latter a few months ago when W. T. Kidwell built them new quarters.

Exterior appearance will be drastically changed in a face-lifting job which will include covering up all windows and most of exterior walls with "marblecrete", closing two entrances and rebuilding the remaining two with aluminum and glass.

Interior will be completely refinished with new floors, lowered ceilings, new wall covering, office partitions, and central heating and air conditioning.

Front two-thirds of the building will contain an entrance foyer, offices for the two agents, a secretary, and a conference room, plus storage rooms.

The back one-third, with an entrance on the south, will be rebuilt for the expanding county library into a librarian's office and entrance, a reading room, and the large back room will be used to stack the 10,000 or more books now in cramped quarters of the Boy Scout Hut.

Mackler, Stephens & Sessions are the architects, and they estimate cost of the remodeling will run \$12,000 to \$13,000. Bids will be opened on the project May 31.

County Judge W. M. Mathis says about half the funds are on hand for the project and the remainder are in sight. Rent now being paid for the agents' offices will, in time, pay out the project.

Architect's drawings indicate the improvements will be a major asset to the appearance of downtown Tahoka.

Telephone Co-op Lets Big Contract

Two contracts have been let for construction of approximately 792 miles of buried plant to upgrade rural telephone service in exchanges served by Poka-Lambro, from eight-party to four-party service, according to W. D. Harmon, manager of Poka-Lambro Rural Telephone Cooperative, Inc.

The total of the two contracts is \$1,101,506.76. Successful bidders are Brooks Construction Company of Shawnee, Oklahoma, and Caldwell Construction Company of Caldwell.

Construction is expected to commence about December 1966, and the project should be completed about June 1967.

Poka-Lambro, with headquarters in Tahoka, now provides dial telephone service to approximately 2,500 members residing in Lynn, Garza, Dawson, Borden, Terry, Gaines, Yoakum, Martin and Hockley Counties.

Foster Dudgeon is Tech ROTC Grad

Foster E. Dudgeon, son of Mr. and Mrs. Rush Dudgeon, will be among the 11 graduating ROTC cadets from Texas Tech who will be awarded commissions as second lieutenants during ceremonies at 1:00 p. m. Saturday, May 28 in the Tech Union Coronado Room.

Brig. Gen. Frank B. Elliott, Director of Comptroller for the Strategic Air Command at Offutt Air Force Base, Neb., will speak at the ceremony.

SCHOOL TRANSFER DEADLINE NEAR

Tuesday, May 31, is the deadline for transferring school children from one district to another, states E. J. (Pete) Hewlett, county superintendent. All transfers must be made by June 1, 1966.

Negro Killed In Shooting Scrape

Ira D. White, 54, local colored farm laborer, was shot to death Sunday at about 4:00 a. m. at Jerry's Cafe in Northeast Tahoka as the culmination of an argument over a \$2.00 debt, officers said.

Clarence Wilson, 26, another colored man, was charged with murder early this week, states County Attorney Jerry D. Cain.

Police Chief Jack Miller, who arrested Wilson about an hour after the shooting, said Wilson is alleged to have shot White with a .32 calibre pistol. Wilson works on the Paul Kizer farm.

White's body was transferred by White Funeral Home Monday night to Waco, where funeral services were held Wednesday at 2:00 p. m. in Pleasant Oliver Baptist Church, followed by burial in Bosqueville Cemetery.

Ira D. White was born Nov. 30, 1911, and came here in Nov. 1963, from Grand Prairie. He and his wife, Catherine, were married in Tahoka on August 15, 1964. He was employed on the farm by J. C. Womack.

He is survived by his wife; one son, Rev. Ira D. White Jr., Waco; two sisters, Mrs. Lula Belle Gallo-way, Waco, and Mrs. Corine Freeman, Dallas; three brothers, V. O. White of Waco, T. C. White of Tahoka, and Marion Brown of Lott; and three grandchildren.

14 Pupils High In Band Event

Tahoka High School Band received 14 first division medals at the UIL solo and ensemble contests in Abilene Saturday, states Gary Hall, band director. This is the largest number of medals ever won by a Tahoka band in any event, it is believed.

Students receiving first division ratings were:

Ralph Brock, cornet solo class I; Woodwind quintet, first class, Debbie Wright, Elva Jo Edwards, Maria Bray, John Huffaker, and Carol Curry.

Clarinet solo, class II, Barbara Whorton.

Saxophone quartet, class II, Cathy Curry, Pat Young, Karen, Elliott, and Lucille Jenkins.

Trumpet trio, third class, David Rogers, Billy Birdwell, and Jimmy McCard.

The remainder of the band students, making the trip to Abilene received Division II (superior) ratings.

J. M. Wood Will Receive 4-H Club Leadership Award

J. M. (Jack) Wood will receive one of the two leadership awards from District II for work with 4-H club boys and girls at the annual 4-H Roundup at A&M, College Station, on June 8. The other award goes to a Hale county lady.

Mr. Wood, who farms north of O'Donnell, has had four children of his own, five now, in 4-H work, and he has for years helped with O'Donnell and Lynn County 4-H clubs. Mrs. Wood has also been active in 4-H leadership.

Two leadership awards are made in each district. They will be presented at the 4-H Roundup banquet on June 8, according to County Agent Bill Griffing.

MRS. DONALDSON IMPROVES FROM VERY LIGHT STROKE

Mrs. J. D. Donaldson Sr., who will be 92 next month, suffered a light stroke last week, was in the hospital at Lubbock a few days, but returned home Sunday and is up in her wheel chair.

Her daughter, Mrs. Aubrey Thomas, had started for home but returned on hearing of her mother's illness.

DICKIE TURNER

RANDY UNFRED

Randy Unfred, son of Mr. and Mrs. L. C. Unfred, is valedictorian of the 1966 graduating class at New Home High School with a grade average of 95.68. Dickie Turner, son of Mr. and Mrs. Dick Turner, is salutatorian with an average of 94.32.

Lynn Joins New Area Tuberculosis Association

Lynn county is a member of the newly-organized 23-county West Texas Tuberculosis Association formed at a meeting in Lubbock Saturday at 2:00 p. m. in First Christian Church.

The organization is an enlargement of the present Lubbock-Hale Association, and will carry out about the same functions over a territory including counties in a 125-mile radius of Lubbock with a population totaling 456,000. Financing of the Association's program will be principally by sale of Christmas seals, and headquarters will be in Lubbock where the Lubbock-Hale Association has built a headquarters building.

Officers elected Saturday were: Dr. John H. Selby, Lubbock, president; Rev. Andrew Jumpers, Lubbock, president-elect; Dr. John Dupre, Levelland, first vice president; Dr. S. M. Kennedy, Lubbock, second vice president; Mrs. L. E. Petty, Lamesa, secretary; and Craig McDonald, Ralls, treasurer.

A steering committee will meet again this Saturday at 3:30 p. m. to set up by-laws for the organization.

Those from Lynn county participating in the organization meeting were: County Judge and Mrs. W. M. Mathis, Mrs. Lillian McCord, Mrs. Jean Harvick, Mrs. Edward Bartley, Mrs. Wayne Tekell, and Mrs. Tommy Sterling.

Leaders Selected For Marching Band

Tahoka High School Band will be led during the 1966-67 school year by Maria Bray, who was selected this week as drum major. Assistant drum major will be Leslie Jones.

Head majorette will be Debbie Wright, while other twirlers will be Arlene Stephens, Barbara Whorton, Janice Renfro, Karen Glenn and Kathy Curry.

TYLER HAS ATTACK

Graham Tyler suffered a heart attack last Friday and is in Lubbock's Methodist Hospital. He is improving, but will remain in the hospital another two or three weeks.

BRAZIL IMPROVING

Woodrow Brazil is expecting to be released from Tahoka Hospital this week end after having been a patient there since May 2 when he suffered a heart attack.

LEDBETTER IMPROVING

W. A. Ledbetter, who has been in Veterans Hospital in Big Spring since May 4, is reported some better by his wife who visited him last Sunday and went back Thursday to see him.

Mrs. Jimmy Williams was a patient in Tahoka Hospital from Saturday until Wednesday receiving treatment for pneumonia.

Last US 87 Deeds Ready

County of Lynn is now negotiating for the remainder of the right-of-way along a mile and a half stretch north of Tahoka for the final four-mile connecting link to complete U.S. Highway 87 freeway through Tahoka.

All the right-of-way from the end of four-lane paving south of town to the city limits has been acquired and paid for, states County Judge W. M. Mathis.

All right-of-way in City of Tahoka has been bought and paid for except two tracts and funds are on deposit for payment of those, states City Administrator J. M. Uzzle. One of these parcels is still on appeal, and the other, involving \$325.00, is a case in which heirship is in question.

North of Tahoka, from the city limits to the present four-lane paving at the junction with Farm Road 400, deeds have been prepared, several have been signed, several other owners have agreed to sign, and six property owners have not come to an agreement on terms, Judge Mathis states.

Acquisition of right-of-way has been slowed somewhat by reimbursements from the State. However, Judge Mathis says, this is not now a problem. Although the process is slow, he says the final stages of acquiring the rights-of-way are now approaching.

Furthermore, the Judge says, sufficient funds are on hand to pay for the remaining right-of-way unless some unexpected expenses are encountered.

Mr. Uzzle told The News, the City not only had sufficient funds from the \$50,000 bond issue voted in 1958 for the right-of-way through town, but it has reduced this issue to \$15,000, which is expected to pay out in the next three years.

Texas Highway Department informs The News funds totaling about \$1,300,000 have been set aside for the project through Tahoka, and it hopes to let contracts late this year or early next year.

100 Students Will Graduate From County's Four Schools

One hundred students will receive diplomas of graduation from the four Lynn county high schools, three of which are holding final exercises tonight and the fourth on Monday night.

Tahoka will graduate about 45 seniors in exercises today, Friday, at 8:00 p. m. in the school auditorium.

Preceding presentation of diplomas, class honor students will give brief talks as a feature of the event.

Using "Paying Our Debts" as a theme, talks will be on "To Our Families" by Charlotte Warren; "To Our School" by John Huffaker, valedictorian; "To Our Community" by Stella Howle, salutatorian; "To Our Nation" by Ralph Brock; and "To God" by Mary Ellen Wyatt, salutatorian. Miss Howle and Miss Wyatt tied for salutatorian honors.

Wilson High will graduate 14 at the same hour, 8:00 p. m. Friday. Honor students are Sandra Koslan, valedictorian, and Jeanie Hewlett, salutatorian.

New Home exercises at 8:00 p. m. this Friday will have 15 graduating. Randy Unfred is valedictorian and Dickie Turner is the salutatorian.

O'Donnell, which will graduate 27, has a different schedule. The class sermon exercises will be this Sunday night, 8:00 o'clock, in the school auditorium when Rev. Robert Brown, Methodist pastor, will bring the message.

In commencement exercises Monday night at 8:00, when diplomas will be presented, there will be brief talks by Donny Seay, valedictorian; Clara Autry, salutatorian; and also by Dorman Keener from Lubbock Christian College.

Mike Coleman, 15, Dies In Wreck

Michael Alvis (Mike) Coleman, 15, of Wilson died at about 5:45 p. m. Friday in Methodist Hospital after having been critically injured in a one-car turnover at the curve just northwest of Wilson at 3:00 p. m. the same day.

A junior in Wilson High School, Mike had started to Methodist Hospital to visit his mother, Mrs. Luke Coleman, a patient there, who had just been told she would have to undergo surgery.

Mike's car failed to make the curve, rolled over, and threw him from the vehicle, according to Marvin Hagens, Texas Highway Patrolman.

Funeral services were held Sunday at 2:00 p. m. in First Methodist Church of Wilson with the pastor, Rev. Max Browning, and Rev. W. O. Rucker of Canyon Methodist Church, formerly of Wilson, officiating. Burial was in Green Memorial Cemetery at Wilson.

Mrs. Coleman was released from the hospital for funeral rites but was scheduled to undergo surgery for removal of a tumor adjoining her spine on Wednesday. The News was informed.

Mike was born and reared at Wilson and was a popular student in the school and his church.

He is survived by his parents, Mr. and Mrs. Luke Coleman, route 2, Wilson; one sister, Mrs. Sue Adams of Lubbock; and his maternal grandmother, Mrs. Ona Nelson of Clyde.

Help Keep Tahoka Clean!

WHITE ELEPHANT SALE CONTINUES THIS WEEK

Tahoka Garden Club's benefit "white elephant sale" will be open again this Friday and Saturday in the old ASCS building. However, cakes and pies will be sold only on Saturday.

The club has raised about \$240.00 from the sale for its land-scaping projects.

Board Approves Title I Teachers

Tahoka School Board at its meeting last week approved personnel for the Title I Federal summer education program for children "whose achievement is not up to grade level because of language barriers, reading difficulties, or physical or mental handicaps."

Tahoka has an allotment for 225 in this program to qualify for \$43,872 in funds for equipment and operation of the program from June 1 to July 31.

Approved as summer teachers were: Mrs. Ruth Walker and Mrs. Ann Whorton, reading; Mrs. Louise Wyatt and Mrs. Frances Dunagan, pre-school.

Resignations of three teachers were accepted, Miss Janice Parks and Mrs. Naxine Fox of South Elementary and Mrs. Shirley Butler of North Elementary.

Two new teachers were approved for elementary work. They are Mrs. Eva Berkley, B.S. McMurry College, and Mrs. Fred Graf, B.S. East Texas State University.

Robt. Abbe, tax collector, reported current collections at 98.25 percent, delinquent collections 1.7 percent, for a total of 97.95 percent collections.

Supt. Harold Reynolds presented various other reports, including enrollment and ADA. Average daily attendance through the fifth six-weeks period was 1,006.47, and attendance as of May 12 totaling 1,013.

Hootenanny Is This Saturday

Hootenanny time is here again—Saturday night at 7:30 o'clock at the Tahoka Community Center.

Western, country and popular music will be presented by area musicians for those who enjoy this type of entertainment. Another large crowd is expected for this month's event.

Mr. and Mrs. W. R. McNeely will be sponsors for Saturday night's program.

The Hootenanny is held in Tahoka each third Saturday night.

WARNING IS ISSUED ON WIRING WITHOUT PERMIT

City of Tahoka is warning citizens that wiring permits are required before doing electrical wiring in the city, followed up by an inspection.

Do-it-yourself wiring and that done by inexperienced people is presenting a danger to the owners and to others.

One person had a narrow escape from possible electrocution early this week when he touched a water meter carrying voltage from a wiring shortage caused by inexperienced installation.

Two Will Graduate At Abilene College

Abilene (Spl.) — Two Tahoka students, Buddy Chestnutt and Joyce Swinson, are candidates for the bachelor's degree at Abilene Christian College.

Commencement exercises are scheduled for 8:00 p. m. May 23 at the ACC stadium.

Chestnutt, son of Mr. and Mrs. G. H. Chestnutt, 2005 N. 7th, is a candidate for the Bachelor of Science degree in biology. He is a 1961 graduate of Tahoka High School.

Miss Swinson, daughter of Mr. and Mrs. J. T. Swinson, Route 4, is a candidate for the Bachelor of Science in Education degree. She is a 1962 graduate of New Home High School.

PANHANDLE MUTUAL HAIL
 The Wall Street of Stepladder Cotton Policies

ALL POLICIES are adjusted by the percentage or individual stalk counts — no plant population adjustment.
 ALL POLICIES are extended to December 15th expiration at NO additional cost.
 ALL POLICIES are reinsured with strong reinsurance companies.

Four stepladder cotton policies offered for a complete package:

FB-10 STEPLADDER

1. A true calendar date policy, regardless of age of cotton.
2. Full effect in Zone 1 June 7, Zone 2 June 11 & Zone 3 June 4.

FB-15 or "FORM C" STEPLADDER

1. This stepladder is most similar to the Farm Bureau's Stepladder.
2. Reduced only by amount paid and balance of insurance transferred.
3. Cash rate is 5% under any company offering this policy.

PANHANDLE SPECIAL STEPLADDER

1. This stepladder is governed by age of cotton and starting date.

FB-5 — ECONOMY STEPLADDER

1. This stepladder is a calendar date stepladder designed for late cotton and thrift — with a very low rate.

Talk to your PANHANDLE AGENT about this whole picture of this complete package of your stepladder cotton policies and the privilege and advantage of switching from one policy to another as farming conditions change.

Gordon-Southland News

(By Mrs. Edmund Wilke)

Once again it is time to say hello to you from your Southland reporter. As always, it has been a short week, just half enough days to get everything done that I should have gotten done. One thing I can say is this—I never have to sit around and think up something to do, because it is always right there, staring me in the face!

Mrs. Fred Melcher attended a Mother-Daughter Banquet on Friday, May 13, at the St. John's Lutheran Church in Wilson. She took as her guests her mother, Mrs. J. C. Henderson and her mother-in-law, Mrs. Jerry Melcher. Mrs. Rose Gindorf was awarded a long-stemmed rose for being the oldest mother there.

Guests in the home of Mr. and Mrs. Billy Lester this past week were Mrs. Robert Mason and Brenda, Mrs. Francis Williams and friend Wilma, Mrs. Bob Mason and Mr. and Mrs. Jim Doggett and children.

We would like to extend our deepest sympathies to Mr. and Mrs. Payton Crawford and family. Mr. Crawford's father, Mr. P. W. Crawford, passed away this past week and was buried in the Southland Cemetery on Saturday.

The 7th and 8th grades of the Southland School went on an all-day picnic at the Mackenzie Park in Lubbock on Saturday. They

rode the rides in the amusement park, played games, hiked, ate a picnic lunch at noon and then skated in the afternoon. They ended the day by going to the Carnation House. Twenty-four youngsters, one teacher and four mothers and one father attended. The adults that attended were Mrs. Betty Hall, teacher, Mrs. Evelyn Hill, Mrs. Cookie Winterrowd, Mrs. Doris Lester, Mrs. Tommie Wilke and Chris Gindorf.

Joe Neil Hargrove is here from Los Angeles, Calif., visiting with his parents, Mr. and Mrs. Jack Hargrove. He plans on being here for a couple of weeks. Also visiting Mrs. Hargrove is her mother, Mrs. Copeland, from Mesquite.

A. B. Dozier, my daddy, visited with us last Thursday. He was on his way to Lake Stamford to spend several weeks. Wish I could have crawled in and gone with him. I hear that the fish are really biting down there!

The Southland Juniors went to Carlsbad, N. M., last Saturday and spent the day. From what I hear, they had a wonderful trip.

Visiting with Mr. and Mrs. Herman Dabbs on Saturday afternoon were their daughter, Brenda and several of her girl friends from Tech. They were Marilyn Parker, Donna Miller, Susan Jones, Stephanie Koerbacker, Suzanne Sampson, Martha Wilke, Sandy Parsons, Ann Isaacs, Susan Boedecker. All of these girls are members of the Sigma Kappa Sorority. Mrs. Dabbs served them homemade ice cream and cake and they all enjoyed being out on the farm for an afternoon.

The Adult Bible Class of the Gordon Church of Christ visited in the home of Mr. and Mrs. Wes Donahoo on Monday morning after their Bible Class.

Rev. and Mrs. J. E. Peters from Shallowater visited on Sunday afternoon with Mr. and Mrs. Paul Winterrowd and children. Sunday

Stokes Graduates At Boys Ranch

Amarillo (Spl.)—Two former Tahoka boys who are now making their home at Cal Farley's Boys Ranch near Amarillo will take part in the school commencement exercises, Thursday and Friday, May 19th and 20th.

Emory Stokes, Jr., 17, will be among the 29 members of the senior class who will receive their high school diplomas on Friday. Emory has lived at the Ranch more than three years. He is active in the Ranch's year-round athletic program, and a member of the Ranch's vocational agriculture program.

Rocky Schooler Carter, 13, will be among the 40 boys who will be promoted from the 8th grade into high school, during the Thursday ceremony. Rocky has been a "Rancher" for almost five years. Last year, he was named the outstanding wrestler in the Ranch's intramural amateur wrestling tournament.

"We are very proud of both boys," said Ranch founder and president Cal Farley. "We will be sorry to see Emory leave the Ranch, but he is a fine young man who has earned the respect of all of us at the Ranch."

Farley established the Ranch in 1939 at the former cattle-trail town of Old Tascosa. Now in its 27th year, the Ranch has raised and cared for more than 2000 boys, providing them with a home much like the average American family.

At the present time 345 youngsters, ranging in age from four years to 18 are living at the Ranch.

DR. CARMACK HERE
Dr. Charles Carmack of San Bernardino, Calif., was here last week end visiting his brother, C. O. Carmack, and family.

night, Paul's cousin, Mr. and Mrs. W. N. Onstead from Lubbock visited with the Winterrowds.

I am sorry to report that Joan Gindorf fell while skating Sunday afternoon and broke her leg and is confined at Mercy Hospital at Slaton.

Your friends and neighbors would like to hear what you have been doing, so why don't you call your Southland reporter and give her your news? Call 996-2423.

ST. JOHN LUTHERAN CHURCH
Wilson, Texas
Rev. John W. Onda, Pastor
Divine Service 10:30 A.M.
Sunday School 9:15 A.M.
"For by grace you have been saved through faith; and this is not your own doing, it is the gift of God— not because of works lest any man should boast." Eph. 2:8-9.

Wilson Students Dorm Counselors

Seguin (Special)—Texas Lutheran College dormitory counselors for the 1966-67 school year have been named, according to an announcement from the Dean of Students Office.

Serving as dorm counselors are Janis Maeker and Valton Maeker, both of Wilson.

Counselors are student leaders in the dormitories who work with the residents in regard to interpretation of college life, personal problems, academic matters and future plans. Each counselor applicant is carefully selected by the college personnel staff. Desirable traits include experience in counseling, academic lead and ability, integrity, loyalty, concern for fellowman and personality.

Legal Notices

NOTICE OF EQUALIZATION

In obedience to the order of the Board of Equalization regularly convened and sitting, notice is hereby given that said Board of Equalization will be in session at its regular meeting place in the Courthouse in the town of Tahoka, Lynn County, Texas, at 9:00 o'clock A.M. on Tuesday, Wednesday, Thursday and Friday, the 7th, 8th, 9th and 10th of June and 10:00 o'clock A.M. Monday, the 27th day of June, 1966, for the purpose of determining, fixing and equalizing the value of any and all taxable property located in Lynn County, Texas, for taxable purposes for the year of 1966, and any and all persons interested or having business with said Board are hereby notified to be present.

C. W. Roberts, County Clerk, Lynn County, Texas, Lynn County, Tahoka, Texas, 9th day of May, 1966. 34-2tc.

INVITATION TO BID REMODELING OF LYNN COUNTY OFFICES TAHOKA, TEXAS

Sealed proposals addressed to Judge W. M. Mathis, County Commissioner's Court, Lynn County, Texas for the construction of the remodeling of offices for certain county officials in the building owned by the county across the street intersection at the north west corner of the courthouse square, Tahoka, Texas, will be received at the County Commissioner's Court, County Courthouse, Tahoka, Texas until 10:00 A.M. C.S.T., Tuesday, May 31, 1966. The proposals will then be opened and read publicly the same date and hour. Any bid received after closing time will be returned unopened.

The work consists of new partitions, finishing of new and existing interior surfaces, marblecrete application to a portion of the exterior, aluminum entrance, heating and cooling, and electrical work.

Proposal shall be for a single contract as described in the contract documents.

Contract documents may be obtained at the office of MAEKER STEPHENS-SESSIONS, Architects-Engineer, 1112 14th Street, Lubbock, Texas.

Each bidder shall submit with his Proposal A Certified or Cashier's Check upon a solvent bank, or a Bid Bond in an amount equal to 5% of his Base Bid, made payable to Judge W. M. Mathis, Lynn County Commissioner's Court, as a guarantee that, if awarded the Contract, the bidder will promptly enter into a Contract and execute such bonds and furnish such insurance certificates as may be required.

Information concerning any part of this proposed work may be obtained through the office of the Architects-Engineer.

The Owner reserves the right to reject any or all bids and to waive formalities and irregularities.

Lynn County Commissioners' Court, Tahoka, Texas, May 9, 1966. 33-2tc.

APSCO and SWINGLINE Staplers, at The News.

Political Announcements

The following authorize the News to announce that they are candidates for office subject to action of the Democratic Second (Run-off) Primary Election May 4, 1966:

For County Treasurer:
MRS. TEDDIE B. KELLEY
JESSIE JEWEL STEVENS.

For County Commissioner,
Erect 2:
WILLIS PENNINGTON
DORMAN L. GANDY

Highway Patrol Seeking Enlistees

A meeting for anyone interested in applying for employment in the Texas Dept. of Public Safety will be held at 8:00 p. m. Tuesday, May 24, in Brownfield at the Flame Room of the Pioneer Natural Gas Building.

A short film will be shown covering the training while at the academy and questions anyone may have will be answered.

At the present time there are 125 vacancies in the Highway Patrol: 16 vacancies in Drivers Licenses; nine in licenses and weight; three in motor vehicle inspections; and one in safety education.

Student patrolmen are paid \$375.00 per month while in school and \$400.00 starting the first of September.

All applications must be in by June 6, 1966.

HARVE SHANNON, AGE 80, DIES AT LAKE BUCHANAN

Harve Shannon, 80, known to a number of Lynn county people who visit Circle S Camp at Lake Buchanan and also by former Killen people, died Sunday in a Llano Rest Home. He was to be buried in Colorado, where he has ranch property.

Friends called Mrs. Zuella Thomas of Grassland Monday to notify local people of Mr. Shannon's death.

Ted Bartley Wins Tech Band Honor

Ted Bartley, son of Mr. and Mrs. Newman Bartley, route 1, Tahoka, received two honors at Texas Tech recently.

On May 1st, at the annual band banquet, Ted was elected secretary of the Big Red Band by the 300 Tech band members.

He is a member of Kappa Kappa Psi, national honorary band fraternity for college bandmen. He is presently pledging Phi Mu Alpha Sinfonia, national professional music fraternity. Ted was

named best pledge of the spring semester at the bi-annual OMA pledge recital May 12th. He plays clarinet in the concert band and is a music education major.

HILLHOUSE ATTENDS REUNION AT ODESSA

Mr. and Mrs. Otis Hillhouse attended a family reunion in Odessa Saturday and Sunday, where his mother lives.

This was the first time the three brothers and two sisters had been together with their mother in 22 years, Otis says.

WILSON NEWS

(By Mrs. Ted Melugin)

Graduation Week At Wilson

Thursday night, May 19 at 8:00 o'clock p. m. marks the time for Junior High graduation into High School. There are 23 students graduating in red robes and caps with white tassels. Salutatorian for the class is Betty Shaw, daughter of Mr. and Mrs. Charles Shaw Jr. of Wilson. Valedictorian for the class is Steve Meador, son of Mr. and Mrs. Weldon Meador, Rt. 2, Wilson.

Program:

Processional, Sharmyn Lumsden; invocation, Sheri Kamrath; salutatorian, Betty Shaw; Class song, "Climb Every Mountain"; Class history, Mary Mason; Class will, Sharmyn Lumsden; music, "Moon River"; valedictorian, Steve Meador; awarding elementary grades certificates, Mr. Owen Conner; awarding junior high certificates, Mr. Kenneth Baker; presentation of diplomas, Mr. Kenneth Baker; benediction, Janie Young; recessional, LaVern Maeker. Ushers, Troy Melugin, Nan Steen, Dennis Maeker, Linda Mears, Woody Pollis, Glenna Moore, Bruce Schuette, and Doris Holder.

Graduating class: Ronnie Anders, Steven Brieger, Joe Crews, Rafaela Flores, Florence Hernandez, Sheri Kamrath, Frank Lopez, Sharmyn Lumsden, LaVern Maeker, Mary Mason, Steve Meador, Rodney Mears, Diana Munoz, Alice Nava, Rhoda Ramby, Rosa Rivera, Betty Shaw, Don Steen, Dan Stone, Janis Talkmitt, Virginia Trevino, Ronald Warshaw, Janie Young.

High School Graduation

Friday night, May 20 at 8:00 o'clock, fourteen Seniors of WHS will graduate out of high school. The Seniors will graduate in light blue robes and caps with tassels. Sandra Koslan, daughter of Mr. and Mrs. Vernon Nolte, Rt. 2, Wilson, won the honor of representing her class with a grade point average of 92.44. Jeanie Hewlett, daughter of Mr. and Mrs. Harry Hewlett, Rt. 2, Wilson, was named salutatorian with a grade point average of 91.44. Gary Williamson was named high point average for the class. Sponsors for the class are John Alexander and Bobby Lee. Kenneth Baker, principal of high school, reports that 10 out of 14 plan to attend college.

School dismisses for summer vacation Friday, May 20th at 2:30 p. m.

Mother-Daughter Banquet

A Mother-Daughter banquet was held Friday, May 13 at 7:00 p. m. in the fellowship building of St. John's Lutheran Church in Wilson. The theme of "The Rainbow" was carried out in decorations for the occasion. The invocation was given by Mrs. Donald Klaus, the welcome address by Mrs. Victor Steinhauer and response by Mrs. Herbert Ehlers.

The Young Daughters Choir presented a number of musical selections. Recognition was given to mothers and guests. Long stemmed red roses were presented to Mrs. Hugo Maeker as being the mother of seven children and Mrs. Chris Gindorf I as being the oldest mother present. Guest speaker was Mrs. Andrew Mild, wife of the pastor of Shepard King Lutheran Church of Lubbock, who spoke on "The Rainbow".

At the close of the event everyone sang "Over The Rainbow".

Junior-Senior Banquet Held

The annual Junior-Senior Banquet was held Friday evening in the school cafeteria. It was of Oriental decorations and entitled "Sumfun Tea House", sponsored by the Junior class. Guests were the school faculty. The invocation was given by David Koslan; welcome address by Mike Ward; response by Gary Williamson; meal enjoyed. Entertainment was given by the Mustang Stage Band and Girl Singers of Lubbock Monterey high school. The class prophecy and class will was read by Lee Moore and Mike Ward. Benediction was by Jimmy Koenig.

Senior Class officers are: Ralph Valasquez, president; Gary Williamson, vice president; Marilyn Wuensche, secretary; Sandra Koslan, treasurer; Katherine Nolte, reporter; sponsors, John Alexander and Bobby Lee. Junior Class officers: David Koslan, president; J. B. Rackler, vice president; Lee Moore, secretary; Jimmy Koenig, treasurer; Kenneth Corley, reporter; sponsors, Eileen Merryman and Bobby Davis.

Head Cheerleader for WHS for 1966-67 will be Vicki Lane. Others are Elna Wuensche, Wanda Wuensche, Vicki Rhoads, Karen Swann. Alternate is Linda Mueller. Majorettes and drum major were selected Monday. Drum major is Lynda Melugin; head majorette is Gini Gatzki; others are Roni Ramby, Teresa Holder.

Sympathy

Our deepest sympathy to Mr. and Mrs. Luke Coleman and family in the loss of their beloved son, Mike. May the Lord bless and comfort them, is our prayer.

Band Students Receive Pins

The Band president, Mrs. Weldon Meador, presented the band pins for the year 1966 to the 7th and 8th graders. Those receiving pins in the Eighth grade were: Joe Crews, Don Steen, Rhoda Ramby, Sharmyn Lumsden, LaVern Maeker, Mary Mason, Steve Meador, Betty Shaw, Dan Stone, Janie Young. The Seventh graders who received pins were: Karen Hobbs, Susan Lane, Dennis Maeker, Wayland Peterson, Susan Sander, Richard Savell, Bruce Schuette, Nan Steen, Gwynna Moore, Brenda Kerbie, Starla Huffaker, Ofela Munzo, and Hejen Garcia. Sherry Kamrath, Janis Talkmitt, Beverly Rackler, Wayne Hatchel.

Birthday Party

A birthday party was given in the home of Mrs. Zollie Moore Thursday night honoring three Junior students, Lee Moore, Lawrence Stabeno and Mike Ward. All the Junior class of WHS were invited guests.

Mr. and Mrs. E. L. Blankenship enjoyed a visit recently from their daughter and husband, Mr. and Mrs. Joe A. Bryant of Garland. They also visited with Mr. Bryant's parents in Whitharrel, Mr. and Mrs. E. L. Bryant.

Mrs. Katie Nieman's visitors on Saturday were Mr. and Mrs. Willie Nieman of Lakeview, and Sunday afternoon Mr. and Mrs. Jake Mueller and Mrs. Nieman visited Mr. and Mrs. Charlie Shafner in Slaton.

Mr. and Mrs. George Williamson will be proud parents of two graduating seniors this year, their son Gary of WHS and daughter Jo Richardson, who is graduating from West Texas State University. The Williamsons are moving to Arizona May 23, where Mr. Williamson is engaged in farming. They have another daughter, Debra, a fifth grade student.

Mr. and Mrs. Ted Melugin, Terry, Lynda, and Troy enjoyed an outing at Buffalo Lakes Sunday evening with friends, Mike Walton, Janis Swint, Pat Robbins, Dave Lunsford, Gini Gatzki, Janis Moseley and Navyman Theron French, home on leave from Hawaii.

Mrs. Myrtle Caldwell of Clovis, N. M., visited with Mr. and Mrs. Roy Robinson last week end. Mrs. Robinson spent week before last with her daughter in Houston. Mrs. Jerry Don Evrage and family, while there she attended the funeral of an uncle, Robert Sims, in Crockett.

Mrs. Roy White was released from Tahoka Hospital Sunday after having undergone surgery the previous Wednesday.

Pony League Has Opening Ceremony

The drought is finally over as far as the Tahoka White Sox are concerned. The Sox beat the Braves last Friday night for the first-time since June of 1961 and they did it by a whopping score of 20-1. Larry Durham paved the way to victory with a stellar pitching performance that saw him strike out 13 batters in the 5 innings he pitched before the game was called because of the high score. James Sayles was the chief spark in the Sox offensive fireworks, scoring four times, and hitting three singles and a double. Joe Calvillo, Martin Warren, Robert Garza, Willie White, and Danny Martinez each contributed two hits. The Braves had only three baserunners during the game as the result of hits by Susano Perez and Johnny Martin, and a walk to Larry Ray Harris. Martin stole home for the only Brave tally.

In pre-game ceremonies, Thomas Jolly, winningest manager in Lynn County Pony League history, was presented a ball bearing the signatures of most of the players he had coached before "retiring" this year. Jolly led his teams to four league champion-

ships and coached the league all-star team four times during five years as the manager of the Braves.

Monday afternoon, the White Sox met their match as they lost a close 8-7 game to the Cooper Colts. The Tahokans lost a chance to tie the game in the last inning when a suicide squeeze play misfired. The batter missed the ball, making runner Robert Garza an easy out at the plate. The batter then struck out to end the game. James Sayles was the starting pitcher for the White Sox, but he was relieved in the second inning by Durham, who was the losing pitcher. Cliff Gardner with a triple, and Calvillo and Durham with two singles apiece led the hitters.

The White Sox next outing will be a home game against the New Home Eagles Saturday night at 8:00 o'clock.

CARD OF THANKS

I would like to take this opportunity to thank each and everyone that was so thoughtful of us, for the cards, visits, flowers and food during my stay in the hospital and since I have come home. May God bless each of you.—Mrs. Cecil Dorman.

Jackie Dale Redwine, 5-year-old son of Mr. and Mrs. Vernon Redwine, underwent a tonsillectomy in Tahoka Hospital Wednesday morning.

Mrs. Perdieu Thomas of Clovis, N. M., was here over the week end attending business and visiting relatives.

TAILWATER RETURNED

Water is money to the Farmer! It means increased production and increased profit! Gifford Hill-Western can design and install a Tailwater Return System that can make your water produce more profit from your farm. Check these advantages:

1. 20 to 25 percent increase in additional water for irrigation purposes.
2. Use of a large head of water to get water to end of rows quicker, providing more uniform moisture penetration.
3. Improved plant growth because of warmer water temperature. Cold ground water causes a temporary cooling of the soil and reduces rate of growth for a few days.
4. Prevents ponding at lower end of field which interferes with plant development.

... 4 good reasons to learn more about a tailwater return system for your farm. Your Gifford-Hill-Western Sales Engineer or Sales Office can help you put your tailwater to work. It's the cheapest water you can pump!

IS A PROFIT RETURN

Letters From News Readers

(The News welcomes letters from its readers on any current subject, not libelous, of course. All communications must be of reasonable length and must be signed. On request, the signature will not be printed. The Editor.)

Dear Editor:
I think you should mention the Tahoka Postoffice in the paper because of the wonderful manner in which they operate on special occasions, such as Mother's Day.

Mrs. Etta Lorene Reid and James Brookshire were good enough to call Mother Sunday morning to tell her that a package had come for her, and that James Brookshire would take it home with him if she would like to pick it up so she would have it for Mother's Day. It was one of the nicest things I have ever heard of, and I do think it would be appropriate if you would mention their extra-thoughtful deeds, as everyone seems to take the post office officials for granted.

Sincerely,
Mrs. Don (Barbara Thomas) Finley
3767 South Sherman
Englewood, Colorado.

Dear Editor and Staff:
Thank you for showing us through The News office and explaining how each machine operates.

"Norad" Defense System Explained

The purpose and function of North American Air Defense Command (NORAD) in protection of the U. S. against bomber attack was told Tahoka Rotarians Thursday by C. C. Scott of General Telephone in Brownfield.

Climaxing the program, Lt. Col. Donald Galvin talked to the club by telephone from NORAD headquarters in Colorado Springs, and answered questions of Rotarians.

Along with his talk, Mr. Scott showed pictures on the screen of the DEW line of 60 radar stations stretching from Alaska to Greenland and extensions across the Aleutians and also to Iceland; the Mid-Canada line, for giving second warnings; and the Sage System whose centers process data into electronic computers that direct fighter-interceptors and missiles to their targets.

Manned by 170,000 men and women of the U. S. Army, Navy and Air Force and the Royal Canadian Air Force, the system can give two hours advance notice of any sneak attack.

Radar screens track all air objects, even the 1041 satellites now in orbit, both enemy and friendly aircraft, ground to air missiles, either from Siberia or Cuba, and Soviet fishing vessels near our West Coast.

The U. S. has a formidable arsenal of weapons including fighter-interceptors like F-101 and CF-101 capable of 1200 mph, F-106 capable of 1500 mph, the super-sonic BOMARC missile, the Mach 2.5 and Nike Hercules, etc. to knock down enemy aircraft approaching.

Mr. Scott said the 1941 Japanese attack on Pearl Harbor would not have been a success if our communications system had not been inadequate.

In his talk by telephone, which, incidentally came in clear enough for an audience of about fifty to hear, Col. Galvin declared NORAD has two major problems. First, is defense against intercontinental ballistic missiles. The Nike Zeus and Nike X, in research and development, but not approved for production, offer hope for missile defense during this decade. Second, an improved manned interceptor, long-ranged and capable of 2,000 mph, is needed to intercept and destroy missile-carrying bombers. He said there is no defense against missiles, just run and hide when the 15 or 20-minute warning is given.

A Rotarian asked if NORAD had even seen a "flying saucer" on its radar screen which picks up even minute objects in space. The Colonel laughed and answered, "No, we haven't, but a lot of my friends have seen flying saucers."

"Pete" Hegl was in charge of the program and introduced the speaker.

Dr. Emil Prohl gave a brief report on the District Conference at Big Spring attended by several Rotarians, and passed out literature on the International Convention at Denver.

President Ross Smith welcomed Fred McGinty back from his trip to Europe.

Eugene Frenzel from Germany, a young man friend of the A. M. Brays, was a guest while en route to Salt Lake City. Mrs. Bray had met him on their trip to Europe and he had previously visited here.

PERRY FLIPPIN HOME, GOING INTO SERVICE

Perry Flippin arrived home Friday of last week after having enlisted in the Army. He will report for duty at Fort Knox on May 30.

For nearly a year, Perry has been news editor of the Booneville, Arkansas, Democrat. He is a journalism graduate of the University of Texas, and also attended Abilene Christian College.

CENTRAL NEWS

(By Mrs. R. L. Craig)
Central Baptist Church will have its monthly singing Sunday from 2:00 to 4:00 p. m. Everyone is invited to attend.

Sunday morning visitors at Central Church were Mrs. O. H. Hoover, Mrs. Lucille Walker, Mr. and Mrs. Charlie Ellis of Grassland, Earnest Vaughn from Albuquerque, N. M., and Mr. and Mrs. L. H. Mathis.

Mr. and Mrs. Dock Thornton visited his mother, Mrs. J. P. Carter at Ralls Wednesday. She has been sick for quite a while and we wish her a speedy recovery.

Mr. and Mrs. Wayland Craig and family of O'Donnell visited Saturday night with his parents, Mr. and Mrs. Charlie Craig.

Mr. and Mrs. Jurd Young and Vivian Craig visited Wednesday with Mrs. A. B. Bush.

Mr. and Mrs. L. S. Turner visited Sunday evening with Jurd and Artie Young.

Earnest Vaughn from Albuquerque, N. M. is here visiting old friends and attending business. Vaughn had a service station in Grassland many years before moving to Albuquerque.

Mr. and Mrs. Young went to Roby Monday and spent the night with Alpha Davis. Mrs. Young's sister, Maudie Dobs was there visiting from Lubbock and came home with the Youngs for a visit.

Mr. and Mrs. C. T. Ingle of Tahoka visited Sunday afternoon with their son and family, the Bill Ingles.

Mr. and Mrs. Dean Laws and family and Tommy Ingle and Mrs. Craig attended a baseball game in Post Saturday evening between the Dodgers and the Tigers. Clifford Laws plays on the Dodgers

HENRY'S BACK HOME FROM VISIT TO COAST

Mr. and Mrs. G. A. Henry returned home last week from Freeport, where they spent two weeks with their son-in-law and daughter, Mr. and Mrs. C. W. (Sue) Reynolds, and children. George says it rained every day and they didn't have a bit of luck fishing, but they did spoil the grandkids a bit. They were also witnesses to

the high tide two weeks ago which came in over the levees and covered a lot of low-lying grassland.

He also visited Jim Cunningham, formerly of here, in a rest home and reports he is doing fairly well and was tickled to see someone from Tahoka.

President Thomas Jefferson compiled a Bible for his own use.

Miss Bonnie Taylor And Lyndol Askew Married Saturday

Miss Bonnie Taylor and Lyndol Askew exchanged wedding vows Saturday, May 14, at 4:00 p. m. in the First Baptist Church in Oklahoma City, Okla.

Parents of the couple are Mr. and Mrs. Bob Taylor of Oklahoma City, and Mr. and Mrs. Bertice Askew of O'Donnell.

The bride, presented in marriage by her father, wore a formal-length gown overlaid with Chantilly lace which featured a chapel-length train. She wore a shoulder-length lace veil and carried a bouquet of white flowers.

Mrs. Mike Taylor, the bride's sister-in-law, was matron of honor. She was attired in a formal-length dress with cape of minty green. Her headpiece of tropicanna rosebuds held the veil and she carried a bouquet of tropicanna roses.

Best man was David Kersh of Olton. Following the wedding reception, the couple left for a wedding trip to Eufala Lakes in Oklahoma. The bride's travel ensemble was a pink suit.

Mrs. Askew is a graduate of Oklahoma City High School and is employed by a life insurance company. Her husband graduated in 1964 from O'Donnell High School and is presently attending the H. C. Lewis Electronics Technical Education Center in Oklahoma City. He is a member of the Marine Reserve.

Upon Askew's completion of

MISS SARAH THOMPSON

Miss Thompson Sets Date For Wedding

Mr. and Mrs. C. Floyd Thompson of O'Donnell announce the engagement and approaching marriage of their daughter, Sarah, to Mr. Billy Reece Masten, son of Mr. and Mrs. J. B. Masten Jr., 710 23rd St., Plainview.

Miss Thompson is a graduate of O'Donnell High School where she was a member of the National Honor Society, Student Council, was Personality Plus 1965, and listed in Who's Who. She is a student at Wayland Baptist College.

Mr. Masten graduated from Plainview High School and received a B.S. degree from Wayland Baptist College. He is a graduate assistant in the Physics Department at West Texas State University in Canyon where he is studying for a Master's Degree.

The wedding date is planned for August 15 at 8:00 p. m. in the First Baptist Church of O'Donnell.

Copeland-Petty Wedding Planned

Mr. and Mrs. C. L. Copeland of Tucumcari, N. M., have announced the engagement of their daughter, Miss Colleen Copeland, to Larry Petty, son of Mr. and Mrs. E. R. Petty of Wilson.

An August wedding is planned by the couple. Miss Copeland is a 1965 graduate of Tucumcari High School and is a freshman at West Texas State University.

The prospective bridegroom is a graduate of Wilson High School and is attending West Texas State University. He is a member of the Phi Delta Theta fraternity.

school in July, the couple will return to O'Donnell to make their home.

Society AND Clubs

Mrs. Tankersley Is Hostess For Garden Club's Luncheon

The Tahoka Garden Club held its last meeting of the year Tuesday, May 17th, in the form of a luncheon in the home of Mrs. Hubert Tankersley. The club prayer was given by Mrs. Garland Pennington. As president, Mrs. Tankersley presided over a short business session.

An archway of red roses and honey suckle beautified the sliding glass doors leading to the patio where the installation service was held. Wrought iron furniture, spring flowers in hanging baskets and potted geraniums decorated the patio tables and low brick wall.

From a wheel barrow of garden tools, the installing officer, Mrs. R. M. Stewart, gave to the incoming officers, one implement each, instructing them to use their tools to perform their official duties to the best of their abilities. The hoe was handed to Mrs. Harley Henderson, as corresponding secretary; the sharp-shooter was for Mrs. Guy Witt, the second vice president; the first vice president, Mrs. Emil Prohl was given a pick and Mrs. D. R. Proffit as incoming secretary-treasurer received the wheelbarrow. The president, Mrs. Tankersley, was handed a rake. The service ended by the members pledging their cooperation to the officers and the officers in unison gave their pledge to fulfill their respective duties to the best of their abilities.

Mrs. W. H. Kenley gave the invocation. The thirty members present and six guests enjoyed a delicious salad plate, seated at small tables placed throughout the den area. On each table there was a beautiful rose bud in a crystal vase.

Winner for the best arrangement of the day, titled "A Festival of Roses", was Mrs. Guy Witt. She received a pretty flower container as a prize. A surprise gift was presented Mrs. Lynn Seales when it was found she had the nearest birthday to the day of the luncheon.

The year's projects were reviewed and the meeting closed with a poem "The Reward" by Edgar A. Guest, read by Mrs. E. M. Stewart.

The guests included Mesdames Truett Smith, Claude Thomas, of Denver City, R. E. Appling, Grady Flowers of Lamesa, Maurice Bray, C. Skiles Thomas and Calloway Huffaker.

Senior MYF Elects Officers For Year

The Senior High Methodist Youth Fellowship of the First Methodist Church of Tahoka elected officers for the next year on Sunday evening, May 8.

Elected as president was Chloe Jan Huffaker; vice president, Marla Bray; secretary-treasurer, Jill Edwards; and publicity chairman, Bill Brock. The program area chairmen are as follows: Christian fellowship, Leah Short; Christian witness, Buz Owens; Christian citizenship, Barbara Whorton; Christian outreach, Patti Short; and Christian faith, Lacy Walker.

Rev. Aubrey White installed these officers during the morning worship Sunday, May 15. Sunday afternoon, at a meeting in Ropesville, Leah Short was installed as Christian faith chairman and Bill Brock as Christian outreach chairman for the Spearhead sub-district of the Methodist Youth Fellowship.

ART COURSES SET

Mrs. Juanice Robinson, art instructor of Post, will teach a beginner's art course at the Tahoka Community Center starting June 6 and ending June 29. Adults and teenagers are invited to enroll in the art class June 6, at 9:00 a. m. at the Community Center.

Lessons will be taught two and one-half hours each week on Monday, Tuesday and Wednesday. Payments of \$3.50 per lesson will be paid in advance, plus a small charge for the Community Center.

Further information may be obtained by calling Mrs. Calloway Huffaker.

Miss Lou Tomlinson Honored At Shower

Miss Louella Tomlinson, bride-elect of Johnny Rogers, was honored with a shower Saturday afternoon from 2:30 to 5:00 p. m. in the fellowship hall of Sweet Street Baptist Church.

The honoree's chosen colors of white and yellow were used in decorations. The serving table was covered with white and yellow and was centered with a bouquet of white and yellow roses. Cake, punch, mints and nuts were served the guests attending from Lamesa, Floydada, Plains, Canyon, Lubbock and Tahoka.

The hostess gift was an electric mixer.

Hostesses included Mmes. L. J. Wood, George Wright, Opal Drager, Glen Medlin, C. E. Birdwell, Travis Inman, Olen Pinkston, Grady Herrin, Billy Miller, Elton George and Danny Uzzle, and Miss Nancy Colard.

Miss Tomlinson and Rogers will marry at 7:30 p. m. June 10 in Sweet Street Baptist Church.

Two Senior Girls Dinner Honorees

Two graduating senior girls, Misses Charlotte Warren and Margaret Cruce, were honored at a western style supper, Tuesday, May 10, at the home of Mr. and Mrs. W. L. Littlepage.

Assisting with hostess duties were Mr. and Mrs. Harold Warren, Mr. and Mrs. Charles Reid, and Mr. and Mrs. Mike Reid.

Guests included Mr. and Mrs. Robert Warren, Mr. and Mrs. Elmer Sproles, Misses Nancy Parker, Voncell Grogan and Kay Warren.

The honorees were presented a gift from the hostesses.

TWIRLING LESSONS

Miss Arleta Robinson of Post will conduct a training class for twirlers in Tahoka beginning on June 6 and continuing through June 29. Classes will be held two hours Monday, Tuesday and Wednesday during the month of June. Payments of \$1.50 per lesson will be paid in advance. Registration will be June 6 at 9:00 a. m.

Miss Blevins Plans Marriage In July

Mr. and Mrs. Roy M. Blevins of route 4, Tahoka, have announced the engagement of their daughter, Miss Lynda Jo Blevins, to Jerry E. McNutt, son of Mrs. Doris L. Huntsman, 3020 45th St., Lubbock.

Miss Blevins is attending Lubbock Christian High School and Lubbock Christian College. McNutt is a 1960 graduate of Monterey High School and is employed by Baldrige Bakery.

July 31 is the wedding date chosen by the couple.

Mrs. Luttrell Hosts Draw H.D. Club

The Draw-Home Demonstration Club met recently in the home of Mrs. Dovie Luttrell.

Mrs. E. B. Gaither brought the program on Citizenship. This was the third and last program brought to the club ladies from the T.H.D.A. meeting last September. Thanks are extended all the delegates for their effort in bringing these programs.

Mrs. G. C. Watson gave the highlights on the district meeting held recently at Seminole.

Present for the meeting were Mmes. W. L. Rowe, G. C. Watson, Bula Adkins, Blanch Wells, Clyde Childress, Louis McKay, the hostess, and one new member, Mrs. Walter Florence.

THORNTON AT CONVENTION

Mr. and Mrs. Garland Thornton attended the State Bankers Convention in Austin the first of the week.

Former Citizen Is Buried Here

Mrs. A. M. (Lillie) Willingham, former Lynn county resident, passed away in Eastland Memorial Hospital Monday at 7:15 a. m. following a long illness.

Funeral services were held

TRUST IS MORE THAN A WORD HERE... IT IS OUR PROFESSION

To training, knowledge, experience... we add extra care. That's why your doctor trusts us always.

Tahoka Drug
"The Best of Everything"

Wednesday at 2:30 p. m. in White Funeral Home Chapel with Rev. Calvin Beech, pastor of Lazbuddie Baptist Church, and Rev. Bill Curry of Quitaque Baptist Church, officiating.

Burial was in Tahoka Cemetery under direction of White Funeral Home.

Mrs. Willingham was born March 18, 1879 in Lee county, Virginia, and was married to A. M. Willingham Sept. 11, 1900 in Decatur, Texas. They came to Lynn county in 1917 from Jack county, Texas. Mr. Willingham, a ginner, passed away in 1935. Following his death, Mrs. Willingham moved to Lazbuddie and then to Eastland, where she had been the past 16 months.

She was a member of the Lazbuddie Baptist Church.

Survivors include three daughters, Mrs. J. E. Williams, Lazbuddie, Mrs. Lola Mae Hudspeth, Rusk, and Mrs. Toy Ketter of San Diego, Calif.; two sons, John F. of Eastland and Lee of Sonoma, Calif.; one brother, Harrison Phipps of Trolwood, Ohio; one sister, Mrs. I. G. Levisay, Pennington Gap, Va.; 14 grandchildren, 35 great grandchildren, and five great-great grandchildren.

Palbearers were Wendell Saint, D. H. Bruster, Tom Carr, Charley Walton, A. P. Stephens and H. E. Huffaker.

Tahoka's ZIP Code is 79873.

Cubs And Giants Game Winners

The Cubs downed the Cards 8-0 and the Giants defeated the Yanks by a score of 4-1 in Little League action Thursday night.

In the Cubs-Cards game, Jeff Atwell was the winning pitcher and Satch Burleson was the losing hurler. Atwell also hit a home run for the Cubs.

In the Giants vs. Yanks game, Antonio Guterrez was the winning pitcher and Gary McCord was tagged with the loss. McCord had two singles for the Yanks and John Thomas had two singles for the Giants to lead their teams in the hitting department.

Vacation Bible School Next Week

A week of Vacation Bible School will be conducted at Sweet St. Baptist Church next week, May 23-27, states Rev. Shelby Bishop, pastor of the church.

Classes will be Monday through Friday from 8:00 to 11:00 a. m. for children from three years through 16 years of age. Teachers of the Bible school will be from the membership of the church, and Rev. Bishop will be principal of the school.

Preparation day will be Saturday, May 21 at 10:00 a. m. at the church. Commencement exercises will be Friday night, May 27, at 8:00 o'clock.

All youths of Tahoka from three through 16 years of age are urged to attend the daily Vacation Bible School.

"Skeet" Clem New District Manager

Vernon L. (Skeet) Clem, formerly of Tahoka and local manager since 1957 at Seagraves for Pioneer Natural Gas Co., has been promoted by the company to district manager with headquarters in Brownfield.

He succeeds Joe Price, who becomes district manager at Big Spring in a chain of advancements announced by President C. I. (Stony) Wall.

Clem was born in Lynn county July 19, 1925, was reared here, served in the U. S. Army 1944 to 1946, joined the gas company here October 1, 1946, and was moved to the Seagraves job in 1957. He is the son of C. A. Clem and brother of Cecil and "Slick" Clem and Mrs. Bob Connolly, all of Tahoka. His wife is the former Dolly Gatzki, daughter of Mr. and Mrs. Gus Gatzki of Wilson.

Rose Scott Huskey Tarleton Graduate

Stephenville (Spl.)—Rose Scott Huskey of Tahoka is a candidate for the Bachelor of Arts degree at Tarleton State College.

Commencement exercises will be held May 29 at 7:30 p. m. in front of the Tarleton Library.

Mrs. Huskey is a candidate for the Bachelor degree in Spanish. She is the daughter of Mr. and Mrs. Lemuel Scott, Route 1, Tahoka.

EDDIE HOWARD SERVING WHEELER CHURCH

Eddie Howard, son of Mr. and Mrs. Derwood Howard, has accepted the call of the First Baptist Church in Wheeler to serve this summer as the minister of music and youth.

Howard is a 1965 graduate of Tahoka High School and is this month completing his freshman year at Wayland Baptist College in Plainview.

RAY PRIESTS LEAVING

Highway Patrolman Ray Priest is being transferred to Jacksboro in the near future. Mr. and Mrs. Priest have been here three years, and she is a dental technician at the Durham-Brecheen Dental Clinic here.

Mrs. W. P. Anderson underwent major surgery last Friday in St. Mary's Hospital, Lubbock, is improving nicely, and may be released from the hospital this week end.

C. C. Markum received treatment for pneumonia in Tahoka Hospital Wednesday through Saturday of last week.

Theda Gandy was admitted to Tahoka Hospital Monday as a medical patient.

Dr. A. L. Thomas of Ennis spent several days here and in Post last week visiting relatives.

Tree Farming pays dividends. The Texas Forestry Association urges you to put your idle and lazy forest lands to work.

Reading Program Set For Summer

Tahoka Future Homemakers of America will sponsor the Texas State Library Reading Program again this summer, according to Mrs. Madeline Hegi, FHA sponsor. Children may begin signing up Wednesday, June 1, for the program.

Members of the FHA will be at the library beginning June 1 from 1:00 to 3:00 p. m. on Wednesday and Saturday afternoons to assist the librarian, Mrs. A. J. Kaddatz and help the children in selecting and checking out books.

Elementary school-age boys and girls who read 12 books of their choice and reading level during that time will receive a Texas Reading Club certificate.

The program will be carried out through the local Lynn county library and is open to all boys and girls of the area.

The State Library Reading Program will furnish logs for each member to keep a record of the books read at the library, Mrs. Hegi said, and will also furnish the certificates. FHA girls will assist members in selecting suitable books, as well as in keeping their logs up to date.

Purpose of the program is to improve the reading ability of school age children, to develop good reading habits, and to widen the scope of their knowledge.

Seniors Leaving Saturday On Trip

The local seniors observed the annual Senior Day Wednesday with activities in Lubbock. The graduates enjoyed ice skating, bowling, eating out, and the movie, "The Singing Nun."

The group will receive diplomas in ceremonies tonight and will depart for Galveston Saturday night by chartered bus. They will spend the first day in Houston where they will witness a baseball game in the Astro-Dome featuring the Astros and Philadelphia.

The youths, accompanied by several parents, will return Wednesday night.

Officers Elected By Band Boosters

New officers were elected by the Tahoka Band Boosters at a meeting in the band hall Tuesday night.

Mrs. Bryan Wright succeeds Mrs. Floyd Hudgens as president. Mrs. Charlie Jaquess was re-elected vice president, Mrs. Cap Whorton was elected secretary-treasurer replacing Mrs. Rogers Curry, and Mrs. Jimmy Dulin was re-elected reporter.

The ladies discussed plans for next year, as well as other business.

Two Draw Lake Is Being Restored

Two Draw Lake, a popular recreation spot thirty and more years ago, has a new dam and is reported to be filling with water.

Ervin Young and associates are developing the property as a private fishing and boating spot and are offering 115 cabin sites for lease.

"Buck" Thompson, caretaker, accompanied by Walter Josey and Jurd Young were here Wednesday, and Mr. Thompson said people of the area are invited to come over and see the project. When filled, the lake will be 35 feet deep at the dam and cover about 20 acres. A smaller lake above the main lake is filled and covered three acres.

Mrs. Lou Willless was admitted to Tahoka Hospital on Tuesday where she is a medical patient.

Denise Gandy was a medical patient in Tahoka Hospital Thursday through Saturday.

Mrs. L. H. Bain is a medical patient in Tahoka Hospital where she was admitted May 12.

Society & Club

Seniors Honored At Local Party

Mr. and Mrs. E. W. Patterson and son Rett were hosts to a hamburger supper for the Tahoka seniors and their sponsors Monday night at their home at 1621 North Third St.

About 45 were in attendance, including some of the parents that will accompany the graduates on their trip.

At the close of the party, B. L. Miller, president of the senior class, presented Mr. and Mrs. Bland Drapers an engraved plaque for the assistance the couple gave the class during the senior volleyball tournament.

Present for the occasion were Mr. and Mrs. E. L. Short, Mr. and Mrs. Charles Oliver, Mr. and Mrs. Joe Bob Billman, Mrs. Robert Warren, president of the Senior Parents Ass'n., and T. Hale.

Class sponsors are Mrs. Aubrey White and Miss Carol Snider.

Memorial Service At Pythian Sisters

The Pythian Sisters of Lynn Temple No. 45 met Tuesday evening with Ruth Benson, MEC, presiding.

Bertha Williams conducted a most impressive memorial service and was assisted by the following Past Chiefs: Thelma Oliver, Helen Ellis, Elsie Brooks, Bernice Carter, Pearl Carter, Gladys Cobb, and Dorothy Kidwell.

Plans to attend Grand Temple Convention of Texas to be held in Fort Worth were discussed and all members who can go are urged to do so.

Hostesses for the evening were Lura Mae Gaither, Helen Biggerstaff and Avis Buchanan.

Miss Nancy Parker Honored At Party

Miss Nancy Parker, Tahoka High School graduating senior, was honored with a graduation luncheon Saturday, May 14th, in the Gold Room at Hemphill Wells in Monterey Center in Lubbock.

Special guest was Mrs. O. R. Parker, mother of the honoree. Other guests were Misses: Charlotte Warren, Margaret Cruce, and Vonecil Grogan.

A hostess gift was presented to the honoree by the hostesses, Mrs. Willis Pennington and Mrs. Ray Adams.

An arrangement of floral nosegays was featured around a miniature graduate at the luncheon table. Satin streamers coming from the arrangement, bore the names of each guest.

WSCS Is Studying Book Of Kings

The WSCS met in the Methodist Church at 9:30 a. m. Monday and concluded the study of the book of Kings. The lesson was brought by Mrs. G. M. Stewart.

There will be a pledge service at 9:30 a. m. in the church Monday, May 23, when Mrs. A. C. Weaver will be in charge of the program.

Everyone is invited to attend this service.

BACK YARD PARTY

Paul Kenley, a graduating senior, and four of his friends who will also receive diplomas tonight, were honored at a back yard cook out Tuesday night at the home of Mr. and Mrs. Dub Kenley.

Attending the event were Rett Patterson, John Huffaker, Jimmy Billman and Ralph Brock.

RINNE-WARREN

Mr. and Mrs. H. B. Rinne of Wilson announce the engagement of their daughter, Miss Zetha Rinne, to A-3c Jerry K. Warren. Airman-Warren is the son of Mr. and Mrs. Charley R. Courtney of Nashville, Tenn.

Mrs. George McCracken underwent major surgery in Tahoka Hospital Monday.

Congratulations:

Mr. and Mrs. Allen Cason, 3024 22nd Street, Lubbock, on birth of a son, their first, at 9:43 p. m. Tuesday in Highland Hospital. He has been named Todd Allen. The mother is the former Miss Jackie Burnett. Grandparents are Mr. and Mrs. Al Burnett of Tahoka and Mr. and Mrs. W. I. Cason of Kingsland.

Mr. and Mrs. Geronimo Joe Fuentes, route 1, Wilson, on the birth of a son at 9:42 p. m. Friday, May 13, in Tahoka Hospital. He has been named Geronimo Joe Fuentes Jr. and weighed 6 pounds 10 ounces.

Mr. and Mrs. Charles Pergeson on birth of a girl at 2:51 a. m. Saturday, May 14, in Lamesa Medical Arts Hospital. She weighed 7 pounds 4 1/2 ounces and has been named Sheila Elaine. Sheila has two big sisters and one brother.

Miss Janie Florence Promoted by WACs

Miss Janie Florence, a 1965 graduate of Tahoka High School, and a member of the Women's Army Corps, called her grandparents, Mr. and Mrs. B. L. Parker, Sunday and told them she had been promoted to Private First Class.

PFC Florence is a typist clerk in the 5th Army Headquarters in Chicago and claims she enjoys the Army life and likes her job.

She entered the service in September 1965.

Jack Blakey was a medical patient in Tahoka Hospital Tuesday and Wednesday.

The father is employed by City of Tahoka. Mrs. Otto Zedlitz and Mrs. Mildred Mae Pergeson are the grandmothers.

To the Voters of Lynn County

May I thank each of you for your vote and influence in the May 7th election. I sincerely appreciate the support given me.

My thanks also to my opponent for his friendly attitude and clean campaign.

Improper Planning Leads To Waste of Water and Soil

Whereas Most of Rainwater Is Retained Here . . .

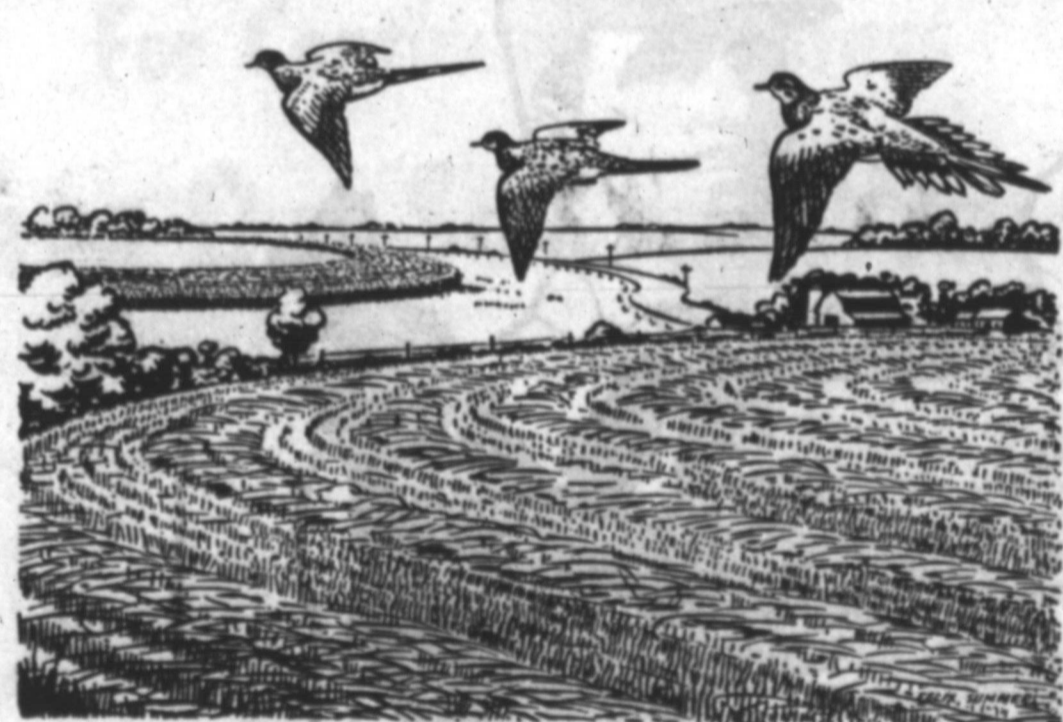

**4-H'ERS IMPROVE
THEIR NEIGHBORHOODS**

What do you see when you look at your community? Nearly 175,000 4-H boys and girls apparently saw room for improvement as they are now enrolled in the community beautification project. The

program which is only a year old, stresses leadership and responsibility while at the same time the community is being improved. Supervised by the Cooperative Extension Service, outstanding 4-H members, clubs and counties receive awards from The Sears-

Roebuck Foundation.

Use heavy cotton terry beach towels to make covers for children's pillows, chairs, or bunk beds. They're easy to wash, and new styles come in bright colors and whimsical prints.

Consider This Soil

- This soil is a living thing, yet it can be destroyed.
- This soil is a fruitful thing, yet it can become sterile.
- This soil is God's gift to mankind, given unto our stewardship, yet it can be despoiled and wasted.
- This soil produces crops and verdant grass and trees. It cannot be duplicated by chemistry or physics.
- It is the source of our nourishment; it provides the means of our protection.
- God has willed we can live with it; we cannot live without it . . . consider this soil, consider it well.

SECTION TWO
The Lynn County News

TAHOKA, TEXAS "Heart of the South Plains" FRIDAY, MAY 20, 1966

**District Has 1,000
Farmer Members**

The difference between the Lynn County Soil and Water Conservation District and the Soil Conservation Service is confusing to many people in the district. The District is a local self-governed organization set up under state law, as a county or school district is, to promote and carry out programs of soil and water conservation within its boundary. The district was organized in 1943.

There are about 1,000 landowners and operators that are members of this local district. These members elect a governing body of five men. They are presently Boyd Barnes, chairman; Harold Payne, vice chairman; and E. R. Blackney, Jiggs Swain, and Elmer Owens, members.

These men devote a great deal of their time, at their own expense, in working with and for other landowners on the needs and benefits of applying conservation. (Continued Back Page, Sec. 2)

**Conservation Of Natural Rainfall Is
Most Important To Lynn Farmers**

By Blake Lovelace
Work Unit Conservationist

Conservation of natural rainfall pays farmers more immediate dividends than any other conservation practice. Farmers were made very conscious of this in 1965 when principally two heavy rains made the cotton crop. Farms having the necessary conservation measures to hold the water on the land made generally one bale or more per acre. Often a neighboring farm which lost 50% or more of the rainfall in run off made one-half bale or less.

Methods used to hold water on the land are contoured rows, bordering ends of rows and terraces. Contoured rows are on the level so that each row will hold its own water up to the point it runs over the row. A number of dryland farmers have adopted an irrigated practice of placing a border at the end of the contoured rows to hold the rows full and not let water run out the ends.

Terraces are installed to hold the water at given intervals that rows are not able to hold. Breaking the flow of water also reduces the amount of washing and sheet erosion caused by heavy rains. Many farms have outside water coming across them. Unchecked, it normally does more damaged

than good. Systems designed to make beneficial use of this water are being installed on many farms. The best method of using this water is to divert it and to spread it out over a flat area on the farm by use of a large diversion type terrace. If a flat area is not available then grassed waterways can be established to carry the water to lakes where it may be used for irrigation.

**W. W. Hall Dies
At Littlefield**

W. W. Hall, 55, vocational agriculture teacher at New Home for 12 or 15 years back in the 1930's and 1940's, recently died of self-inflicted gunshot wounds at his home in Littlefield. The News is informed. He was buried May 10 at Littlefield.

Mr. Hall was well known over Lynn county, was very popular and a highly respected man. He had been vocational agriculture teacher at Littlefield the past 15 years.

He is survived by his wife; Joye; one daughter, Nancy; two brothers and one sister.

Medieval crusaders wore undergarments of quilted cotton under their chain mail armor.

The Eleventh Commandment

Thou shalt inherit the holy earth as a faithful steward, conserving its resources and productivity from generation to generation. Thou shalt protect thy fields from overgrazing by thy heads, so that thy descendants may have abundance forever. If any shall fail in this stewardship of the land, his fertile fields shall become sterile stones and gullies, and his descendants shall decrease and live in poverty or vanish from the face of the earth.

Walter C. Loudermilk

The Soil We Save Today—
We May Hand Down To
Future Generations!

Lynn County's Greatest Heritage Is . . .

The Good Earth

We must make every effort to preserve it . . . to improve it . . . for our children and their children. The economy of our county NOW depends upon good soil and water practices.

Teamwork on the part of businessmen, banks, farmers, landowners and our Agriculture Agencies can make a great difference in preserving the Good Earth and Life-Giving Water in this—the greatest farming area of the nation.

Our Future Depends on You — THE FARMER —
and Soil and Water.

MESQUITE CONTROL—Cass Edwards of T-Bar Ranch had 10,000 acres of mesquite poisoned in 1964, and as a result has had good grass recover over the area. If conditions are favorable, he expects to spray another 8,000 acres this year.

O'Donnell Couple Get \$1865 Check As S. S. Surprise

How would you suddenly like to receive a check for \$1865.00 which you did not expect?

Mr. and Mrs. Jennings B. Waller, Route 4, O'Donnell recently had such an experience. Gerald L. Schantz, Field Representative from the Lubbock Social Security Office delivered a Social Security check for \$1865.00 to them a few days ago.

In early February, 1966, Mr. Waller contacted Mr. Schantz on one of his regular trips to Tahoka to apply for Medicare benefits. In the process of developing his application it was noticed that Mr. Waller made less than \$1200.00 net in his farming operation in 1965. Since he was over 65 during all months of 1965, he was eligible for Social Security checks for 11 months of 1965. (The law will allow payments only 12 months before the month application is made.) Since Mrs. Waller was over 62 years of age she could also receive benefits, as a wife, for the same months at a reduced rate.

Although payment was made to them for 11 months for 1965, no payments are being made to them for 1966 until the amount of earnings for 1966 are determined at the end of the year. The law has now been changed, so that a person may net as much as \$1500.00 a year and still receive all benefits for that year. Even if earnings are more than \$1500.00, a person loses only \$1.00 in benefits for every \$2.00 he earns between \$1500.00 and \$2700.00 and \$1.00 for each \$1.00 over \$2700.00.

Although Social Security records are confidential, Mr. and Mrs. Waller have consented to the release of this information. It is being publicized only because it is felt there are other similar cases in this area where similar circumstances exist.

Mr. and Mrs. Waller have lived in Lynn County for almost 60 years and have lived on the farm they now live on since 1932. He farms about 320 acres with only part of it irrigated, so they have weathered numerous droughts over the years. They have two children and four grandchildren.

Mr. and Mrs. Waller considered the problem of what to do with the check, but the problem really didn't seem to worry them too much! Most of the money will go into savings, but Mrs. Waller hoped that some of it could be used to improve the house!

Putting a cover on diverted acres may be one method of preserving and protecting your land for generations to come.

FRAN McLAURIN

Fran McLaurin Is District Winner In Conservation Essay

Fran McLaurin, daughter of Mrs. Beatrice McLaurin of O'Donnell, has received a beautiful trophy for her second place essay in The High Plains area on the theme "Conservation—The Key to Plenty".

Miss McLaurin was also second place winner in the local essay contest sponsored by the Lynn County Soil and Water Conservation District.

Her essay was submitted to the Fort Worth Press where she won second in the High Plains area of 51 counties and about 10,000 essays.

She was honored and received her trophy at a Fort Worth Press Awards Banquet at Hereford Tuesday night, May 17.

Bonded cottons come with underlinings already attached.

Artists' canvas is usually made of cotton.

Boyd Barnes Is 'Sold' On Soil

By Boyd Barnes, Chairman Lynn County SWCP

Everywhere upon this good earth, others like me are looking at their land, planning how to use it, how to make it yield the most and the best at harvest time.

Others like me who are lovers and owners of land are considering the same problems, asking the same questions, dreaming the same dreams.

We have a deep sense of responsibilities, we landowners and landworkers. The earth is our treasure, but not only ours. In a sense we use it for the benefit of the entire human race. Hungry children never develop into healthy creative human beings. Starving men create riots and revolutions; thus the full use of the land is essential, not only for peace and prosperity, but also for life itself. What shall we do? The responsibility of the landowner and landworker alike, for the use of the land is great indeed. Are we meeting this responsibility?

First, we must reclaim the acreage that has lost its fertility either through erosion, over-grazing, flood, or simply through bad farming practices. This can be done by scientific management of soil and water.

The soil and water conservation district is an organization of Lynn County, its directors are farmers of Lynn County. The sole purpose of this organization is to help and assist the farmers of this district in any way possible, and you as landowners and landworkers need to help meet your responsibility to this nation of ours.

The first patent for a mechanical cotton picking device was granted in 1850.

Abraham Lincoln died in a small brick house opposite Ford's Theatre on Tenth Street in Washington, D.C. Ginger Rogers won a Charleston contest in Fort Worth, and there entered upon the career that led to movie stardom.

WATER

Is our most precious resource, and how we use it makes all the difference between success and failure. Uncontrolled, it can dump a nation into the ocean. Controlled through conservation measures, it can produce bountiful crops.

BUT—

Here on the Plains we do not always have rainfall in sufficient quantities at the right time, and that's where we come in.

Even irrigation water is precious, though, and every day we are impressed with the importance of making every drop of underground water go as far as it will.

Adequate Cover On Diverted Acres Highly Recommended

By Wallace Dove
 Lynn County ASCS

It is recommended that all farmers give consideration to putting a cover on their diverted acres under the 1966 Cotton and/or Feed Grain Programs. Adequate cover will make the soil more porous (acceptable to rain), lessen run-off, reduce erosion, especially the blowing away of soils brought on by high winds. If at a later date the cover is shredded or plowed under it adds valuable nutrients back to the soil in the form of a humus.

Native grasses, cowpeas, black-eyed peas, guar, Mung beans, forage sorghums, etc., might be one of the covers selected. If a farmer is in the feed grain program, then he cannot plant maize or hegari as a cover crop. Guar might be selected since the seed runs approximately \$8.25 per hundred

and 6-8 pounds of seed per acre usually give adequate cover. If guar is used, it must be certified by farmer that it will not be used for harvest prior to October 1, or a reduction in payment will be made.

Other farmers may use sudan and a few red top cane; but regardless of what type of cover is used, remember nothing can be harvested off the diverted acres unless a farmer is planting a substitute crop. The diverted acres may be grazed after November 1, 1966.

The main thing to remember is that the soil is your livelihood, if you are a farmer. If you mistreat the land, then eventually it will deteriorate to the point that it will not return a profit for the person who works it. You owe it to yourself, your farm, and future generations to protect the soil

Local Farmer Says Parallel Terraces Pay Off For Him

By Joe Brooks
Pres. Tahoka Young Farmers
Parallel Terraces are the most practical for farmers in Lynn County on dryland farms. They

are the most complete system that the Soil Conservation Service has devised to date. Terraces are important for soil erosion and for control of the water that falls on

the land.
Many farmers are against standard terraces because of the difficulty in farming them. Parallel level terraces eliminate most point rows and short rows. They are constructed on 24 row multiples to fit 4, 6, or 8 row equipment.

In my system, constructed this year, all terraces were constructed from the bottom side eliminating the top channel. By eliminating the top channel, the water will back up over more rows above the terraces. This also helps to shape the area between the terraces to spread water more evenly over the land. All of the terraces have closed ends which helps each terrace to hold its own water.
Last year my land lady and I spent \$2500.00 to drill and equip two irrigation wells. One was a 2-inch and the other was a 3-inch well. They enabled me to water 25 acres which made 1 1/4 bales of cotton per acre. This year I put in two diversions and two sets of parallel terraces on 425 acres, which was a total of approximately 50,000 feet of terraces. At only 8 rows per terrace channel, this equals 28 acres of land which is capable of producing the same yield per acre as did the irrigated acreage in a normal rainfall year. On the flatter land each terrace will back water from channel to channel.

By entering into the Great Plains Conservation Program through Soil Conservation Service my landlady and I were able to construct these terraces for a total cost of \$705.00 each. The total cost of construction was \$4700.00. Our share was 30% of the actual cost. The GPCP paid the balance of the cost which was 70%.

We expect to receive more dividends in the future from the \$1410.00 we invested this year than the \$2500.00 we invested for irrigation last year. I personally get tired of changing water seven days a week and not showing any real progress, when two good rains will water more land with parallel terraces.

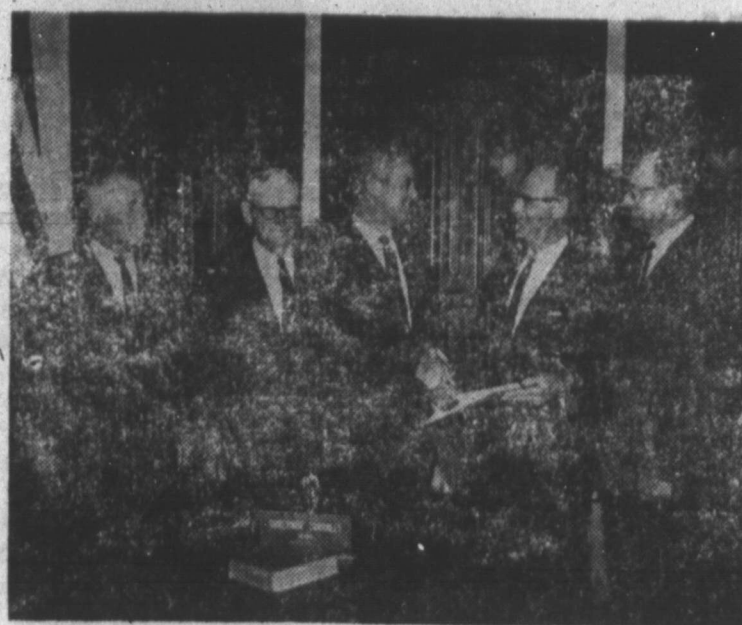

"IF HE IS SO BLAMED MODERN, HOW COME HE STILL FARMS UP AND DOWN HILL?"

We are proud of Lynn County's modern Farming Methods, and this Soil Stewardship Week, May 22-29 we congratulate our farmer friends on your initiative in saving our soil and water.

Soil Stewardship

By Bill Griffin, County Agent
Throughout the history of time man has been moving to new frontiers in search of new, more productive land and freedom from hunger and strife. Today new frontiers do not exist and the productive land now available continues to diminish from erosion and the expansion of roads and cities necessary to our mode of living.

More and more Americans are beginning to realize that the security and future of democracy depends on our water, soil, forests, and grasslands. For one basic cause of the spread of Communism is hunger. Hungry people seek first for food, then for security. They even sacrifice personal liberty if they are made to believe that any proposed scheme will offer food and protection.

During our own life span we know of the erosion and depletion of some soils in the deep south and in the eastern part of our own State. Not too many years ago we were near the dust bowl that took millions of dollars to reclaim. We were reminded often when dust storms occurred.

Have you ever heard a man say that I am not interested in soil conservation because my land will take care of me as long as I live? This kind of person has forgotten that he is custodian of the land for a very short period of time. In any area of living, it is a bad situation if the older generation does not bequeath to its children something richer and something better. Some things can be corrected in a short time. This is not so with soil and water. The mistakes and wrongs committed today against these precious natural resources will take hundreds of years to correct and in others lost forever. The richness of our soil will be reflected in the prosperity, the wealth, and spirit of tomorrow's people. It has truly been said that the soil is God's Greatest Material.

STOCK POND ON FRED MCGINTY PLACE

F. McGinty Has Big Stock Pond

A number of cooperators over the district are stocking farm ponds with fish. A good pond that is properly stocked will supply fishing for a number of years, says Donald Reed of the local Soil Conservation Service Office. Overstocked fish ponds produce small stunted fish just as overgrazed ranges yield poor quality cattle.

A pond must be properly managed to maintain a balanced fish population and good fishing. The pond should be at least 1/4 of a surface area or larger with a minimum depth of 8 feet over at least 25% of the area. An effort should be made to control silt. Grass established on shoreline slopes and watershed immediately surrounding pond will greatly reduce erosion. Also no other fish should be present in pond at the time of stocking.

If a pond to be stocked has some undesirable features it is advisable not to request fish until pond is ready to be stocked. A pond with desirable features, properly stocked and managed, can be expected to produce good fishing for a number of years, says Reed.

For more information on stocking fishponds contact your local office of the Soil Conservation Service or County Agent.

"The Earth Is The Lord's"

By Rev. Aubrey White, First Methodist Church

The week of May 22-29 is designated as "Soil Stewardship Week." The purpose, as I understand it, is to call to our immediate attention the urgent need for every American to renew his or her effort to assist in the preservation of our precious soil and water.

Someone has said: "Our very existence on earth depends upon the eighteen inches of top-soil." The vital truth of this becomes increasingly more evident with the passing of each year.

Our bulging super-markets and the evidence of present plenty have a way of dulling the sharp edge of urgency in the call for us to be very alarmed about soil and water conservation.

I feel that we have a moral responsibility to join with every group that seeks to preserve our God-given land and water values. God has provided, in the beginning of creation, sufficient soil and water for man to be well cared for and fed; He has not provided enough for man to waste and use in a selfish manner. God has called every person to be a good steward of the vast natural resources of the earth. When we act as if the land belonged to us, rather than in the position as a steward, we are prone to become a wastrel.

The Hebrew law required that the land lay fallow every seventh year. This was partly in order for the land to rest and rebuild itself. This also served as a means of reducing surplus production. Whenever Man has violated God's Law in any area he has suffered as the result of it. The misuse and waste of soil and water is a direct violation of God's Law and therefore becomes sin.

When God finally calls each person before His place of judgment and the record of each person shall be reviewed, the greatest and most prevailing sins will be those of persons that wasted their energies and abilities; those that have wasted their God-given talents and have failed to act as a good steward of the resources of the good earth.

Aubrey White.

All Life Is Dependent Upon

6 Inches Of Earth

The land we live on is covered by six inches of rich top soil. Without it, all life would cease, and Nature's bountiful gifts of water, woodland and farmland would become wasteland!

But we can protect our soil from wind and water erosion, and make it more productive by proper management.

Livestock Survey Cards Sent Out

Acting Postmaster Charles Townes reminds rural patrons of the Tahoka Post Office to be on the lookout for June Livestock Survey cards. Next week, mail carriers will leave survey cards in a sample of boxes along their routes.

"USDA bases livestock and poultry estimates on replies to this survey," Mr. Townes explains. "It is important for everyone who gets a card to fill it out and return it to the carrier. This way, USDA gets a representative sample of the area's livestock and poultry holdings."

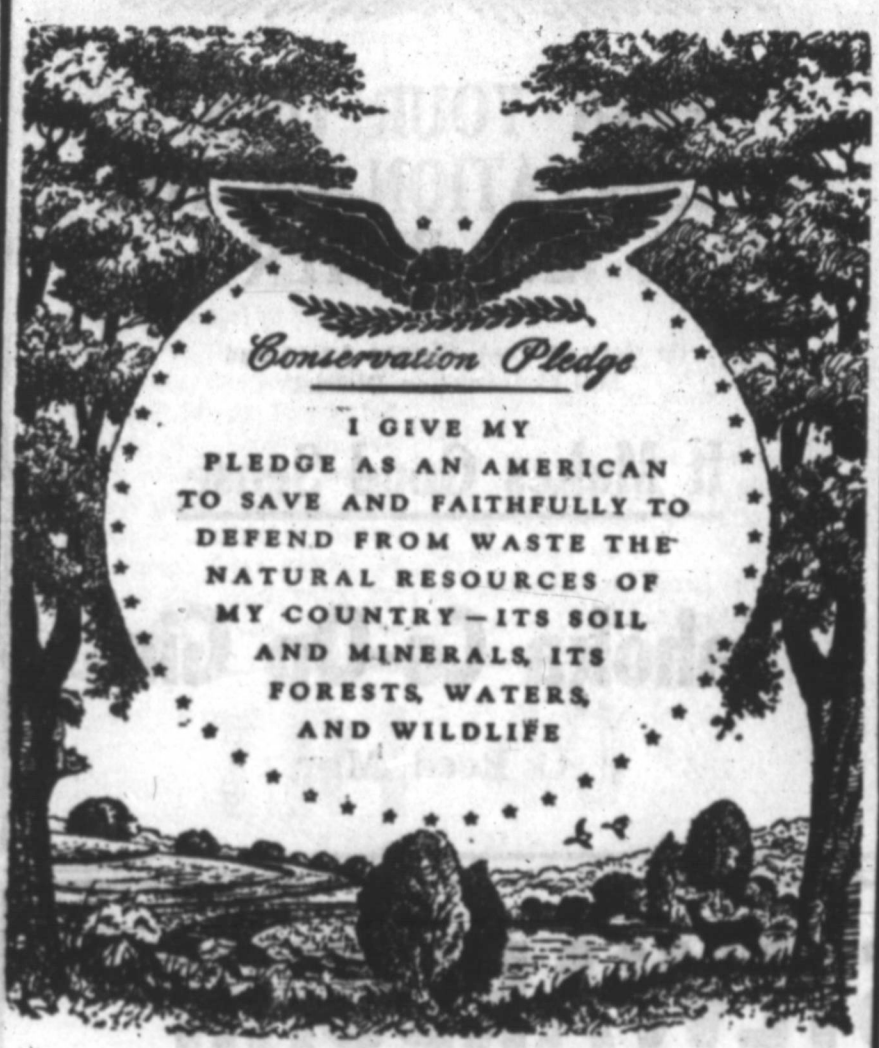

Carriers assisting with the survey are: Eldon Carroll, Route 1; A. C. Weaver, Route 2; D. C. Carroll, Route 3; Clyde Ashcraft, Route 4; and Jess Gurley, Route 5.

Survey cards will be forwarded to Cary D. Palmer, State Agricultural Statistician, in Austin. After adding and analyzing these cards, USDA statisticians are able to estimate the State's milk production, calf and pig crops, lamb and wool crops, and the number of hens and pullets.

Information from this survey will guide livestock and poultry producers in making important business decisions," Mr. Townes concludes.

Cotton's uses range from aprons to airplane covers.

Columbus found cotton growing in the Bahamas.

To SAVE THE SOIL Is To Save The Future!

Plains Cotton Growers, Inc.

Works with ASCS, The Extension Service and Others to Encourage the Best in Soil and Water Conservation.

Another Way that Membership in Plains Cotton Growers, Inc. is a Farmer Investment in the Future of High Plains Farming.

The Soil Is Our Very Future—

Soil Is The Very Basis of Life!

Your Cooperative provides you with savings in several ways, but saving of our soil and water should be of a concern to all of us—farmer, businessman, housewife, wage earner—for soil and water are the two elements on which our area must depend first if we are to survive.
