TAHOKA'S MARCHING BAND will make its first public appearance of this year tonight, Friday, at the football game in Lorenzo. Marla Bray, center front, is the drum major; and twirlers, left to right, are Barbara Whorton, Arlene Stephens, Debbie Wright and Janice Renfro.

Good Turn-Out Tuesday For Annual Demonstration Tour

Lynn County Soil and Water Conservation District and Crop Demonstration Tour was held Tuesday morning. Bus left Tahoka at 8:30 and toured farms in the Wells-O'Donnell area.

A noon meal was served at O'Donnell for the 40 people who attended the tour.

Farms toured during the one-half day tour were as follows:

Carl Williams farm where the group looked at parallel terraces and a waterway designed to spread outside water into the terrace system.

Other stops on parallel terraces were on Dr. Emil Prohl farm which is farmed by Marshal Barton, and Larry Hagood farm. Parallel terraces looked at here were on flat ground as well as very steep land.

Cotton variety stops were made on Bertice Askew, Arlys Askew, and Howard Moore farms where the latest varieties of cotton were being grown dryland.

On the Harold Sanders farm a cropping system of two rows, sorghum and two rows Chinese red peas was looked at. Sanders has had good results on sorghum production and soil improvement from this system.

A stop was made on the Julian Pirtle farm to observe a diversion terrace designed to spread outside water over a flat area on the farm and also to look at cover planted on diverted acres for soil improvements.

The last stop was on Weed Control in dryland cotton and sorghum on the D. B. McMillan farm. The weed control was very impressive to the group and had proven economically feasible on the area treated.

The weed control test was carried out on the D. B. McMillan farm prior to the rains. Four acres were treated with Treflan, and as a result McMillan had to knife the field once, plow it with a cultivator once, and walked over hoeing twice for a total time of 2 hours and 15 minutes. In the untreated plot, he knifed twice, plowed with cultivator twice, and spent 22 hours and 40 minutes time hoeing. The untreated plot will have to be hoed and plowed since the rains.

Speakers on the theme, "Christ Calls for Unity," include Don Browning of Snyder, Mike Hubbard of Abilene, John Green of Abernathy, Steve Carrozzell of Littlefield, and Tex Williams of Lubbock.

Also, Jim McGuiggen from Belfast, Ireland, will speak on the subject of "Evolution."

Host minister is Eddie Swinney.

Two men lost in the apparent crash of a private plane in Lake Michigan, while in flight from Lubbock to Detroit, are still missing, but the body of one, Harold L. McInroe, 49, was washed ashore early this week.

Still missing are Cody C. Corbell, former Lynn county man reared at Gordon, and Jack L. Goodman, construction firm owner and pilot of the twin-engine Piper Aztec plane.

Memorial services are being held this Friday at 10:00 a. m. for Corbell and Goodman in Sunset Church of Christ in Lubbock.

Mrs. Arthur Adams is recuperating at her home following an accident in Ruidoso. While she and her husband were in the resort city, August 11, she fell and received a cracked pelvic bone.

Music Program Saturday Night

Those whom missed "The Sound of Patriotism," locally produced featuring Miss Jackie Burnett, will have an opportunity to see the film this Saturday at 7:30 p. m. in the First Baptist Church auditorium.

Miss Burnett, daughter of Mr. and Mrs. Al Burnett and now Mrs. Allen Cason of 5120 41st street, Lubbock, presented the program at the local school, before several civic groups and was such a hit that it was filmed and shown over Channel 13 television a year ago May 17.

Mrs. Stephen Thompson, then a teacher in the local schools, was largely responsible for preparing the script, musical arrangement was by Mrs. Harold Green, background music was by members of the First Baptist and First Methodist choirs, and Mrs. Mary Rumbow was the film producer.

There will be no charge for admission, and everyone in the county is welcome to attend the show, which many think is one of the most stirring of its type ever filmed in spite of the fact that it was produced by amateurs.

Youths of the area are invited to a meeting at New Home Church of Christ this Saturday from 2:00 to 9:00 p. m. which will feature seven prominent speakers, panel discussions, entertainment, and a barbecue supper.

Speakers on the theme, "Christ Calls for Unity," include Don Browning of Snyder, Mike Hubbard of Abilene, John Green of Abernathy, Steve Carrozzell of Littlefield, and Tex Williams of Lubbock.

Also, Jim McGuiggen from Belfast, Ireland, will speak on the subject of "Evolution."

University of Texas Permanent Fund received \$28,642,528 in petroleum lease rentals, bonuses and royalty in 1965; total since 1924, \$447,297,313.

First 1966 Cotton Ginned Tuesday

First bale of 1966 Lynn county cotton was unloaded on the First National Bank corner in Tahoka Tuesday night.

Elton Childress, who farms three miles east of Wells, was the producer, and the bale was ginned by Ardis Pace at Wells Co-op Gin.

For the first bale, Tahoka Chamber of Commerce gives a premium of \$100.00, and Secretary Maurice Small left a check at the bank the next morning for Mr. Childress.

Ginned at about 8:00 p. m. Tuesday, the load of hand pulled seed cotton weighed 2,400 pounds and produced 600 pounds of lint and 1,050 pounds of cottonseed.

Mr. Pace said the cotton was Stripper 31 variety and was pulled from four acres of land that was severely damaged by hail a week before.

New Home Child Takes Bus Ride, Cause Of Search

Four-year-old Karla Kinard, daughter of Mr. and Mrs. Lee Kinard of New Home, stirred up quite a turmoil in New Home last Friday afternoon.

The little lady accompanied her mother to a beauty shop which is just across the street from the school playground in New Home. She wandered across to the playground and when the bell sounded for dismissal of school just before 4:00 p. m., Karla did what most of the other boys and girls were doing, boarded a school bus, the one bound for Lakeview. With the absence of Karla, Mr. and Mrs. Kinard began a search which finally involved all the residents of New Home and one pilot in a spray plane.

Mrs. Bruce Stovall was talking on the phone later in the evening to a party from New Home when two little girls from down the road came in with Karla and told her that the little girl had "come down to visit for a while."

Mrs. Stovall, wife of Rev. Bruce Stovall, minister of the Lakeview Baptist Church and driver of the bus on which Karla had "hitchhiked" the ride, recognized the girl as the one who was missing in New Home and alerted the parents as to her whereabouts.

Mr. Kinard is a math teacher in the New Home schools and he and his wife also have two sons, Rodney, 11, and Randy, 8.

BACK TO YALE
Allen Cox is leaving today to return for his third year in Yale University.

Church of Christ Meeting Planned
The Tahoka Church of Christ begins a gospel meeting next Monday, September 12, which will continue through the Sunday services, September 18th.

The speaker for each service will be W. T. Hamilton, minister for the Garland Street Church of Christ in Plainview. Mr. Hamilton has served this Plainview church for about two years, prior to which he served as minister for the Downtown Church of Christ in Lamesa for about 10 years.

Widely known as an outstanding evangelist, Mr. Hamilton has preached the gospel in several states, and has also been a consistent speaker for college lectureships and teacher training activities. He may be remembered as the radio speaker for the many years he was in Lamesa, and still has regular speaking engagements on radio.

New Home Baptist Revival Next Week
The New Home Baptist Church will be engaged in a revival meeting next week, Sept. 11 through Sept. 18, announces Rev. Royce Calhoun, minister.

Rev. C. Bullard Jones will be the guest speaker. The evangelist is minister of the First Baptist Church in Ridge City and is a graduate of Louisiana Baptist College and New Orleans Baptist Theological Seminary.

Larry Edwards of New Home will lead the singing. Services will be held twice daily, at 7:45 a. m. and 7:30 o'clock each evening.

A cordial invitation is extended to everyone to attend the revival services.

Grassland Holding Nazarene Meeting
Evangelist Ray Davis will be preaching all next week, Monday through Sunday, Sept. 12-18, at Grassland Church of the Nazarene, evening services only at 7:30 o'clock.

Rev. Davis has been in full time evangelist work 12 years, and prior to that pastored churches in Oklahoma, Louisiana, Idaho, and Oregon.

Rev. E. A. Rawlings is the new pastor of the Grassland Church.

Rains Delaying Maturity Of Crops Over Most Of County

City Is Spraying Mosquito Horde

City of Tahoka is doing everything possible to control new hatches of mosquitoes and is having some success.

City workmen dusted the town Tuesday night of last week, again on Friday night, then a third time on Tuesday afternoon and night. Kerosene was also being applied to ponds and containers.

Two shredders were also put into service this week cutting weeds on vacant lots and along some streets and alleys.

The long rainy spell, water puddles, and lush growth of vegetation have contributed to make a climate for hatching out of vast numbers of mosquitoes.

Citizens can help the situation some by overturning water-filled cans and pouring a light application of kerosene in containers that can not be overturned and in ponds of water.

BERL HUFFMAN

Rotary-Teacher Banquet Monday

Tahoka Rotary Club's annual banquet for teachers, school officials, Rotary Anns, and wives of husbands of guests will be held next Monday at 7:30 p. m. in the school cafeteria.

Berl Huffman, popular Texas Tech coach, humorist, and "grass-roots philosopher," will be the principal speaker.

Huffman coaches Freshman football and Varsity baseball at Tech. Originally from Grapevine, he graduated from Trinity University in 1928, coached at White Deer, Lubbock High, joined the Tech staff in 1935, coached varsity basketball several years, and served in the Air Force 1942-46.

He went to New Mexico University as head coach in 1947, then left the coaching business to become secretary of Albuquerque Chamber of Commerce, then was executive director of the N. M. State Economic Development Commission, and finally was director of Industrial Development Corporation at Alamogordo before returning to Tech a few years ago.

Bill Griffin Gets 25-Year Award At State Meeting
Bill Griffin, county agent of Lynn county, was honored Thursday night at the Texas State Extension Service Conference at A&M, College Station, for 20 years of service.

He was presented a certificate by J. D. Prewitt, president of Alpha Zeta Chapter (Texas) of Epsilon Sigma Phi, national Extension society.

The citation reads: "Certificate of recognition to William G. Griffin for distinguished service to the people of Texas for valuable contributions toward the achievements in agriculture and home-making."

Mr. Griffin and the new home demonstration agent, Miss Ann Duncan, attended the conference.

MOVES INTO NEW HOME
Mr. and Mrs. L. A. Forsythe last week moved into their new red brick home at 2004 North Eighth. The new residence has three bedrooms, two baths, living room, den, and other modern features.

Football Captains Elected By Squad
Tahoka football squad has elected tri-captains for the current football season, Coach Don Smith announces.

They are Milton Edwards and Tommy Kidwell, both linemen, and Mitchell Williams, quarterback. Edwards was all-district and all-South Plains last year, and Kidwell received honorable mention on the all-district team. All three are seniors.

Texas has 45.6 percent of all U. S. oil reserves.

More rain this Wednesday and Thursday, showers and hail last Saturday have again slowed crop maturity and done some damage to Lynn crops.

Hail last Saturday afternoon badly damaged the crop of E. R. Blakney, three miles north of New Home, and several other crops in the area including the W. S. Jasper section, crops of A. W. Jobe, and others. Light hail "pecked up" other crops in the northwest part of the county.

In the rain Saturday, accompanied by high winds, Tahoka received .76 inch in a hard down-pour.

Wednesday afternoon, Tahoka received .25 inch, while some areas to the south received up to .8 inch. Thursday morning to 7:30 o'clock, light rain which started falling at 4:30 a. m. measured another .25 inch.

Areas south of town reported heavier fall. Also, north of town the rain was reported heavier, much of it from a hard shower before 8:00 a. m.

Cotton has been doing exceedingly well over most of the county, although some burned cotton was too far gone to respond fully to the late rains. With favorable conditions from here on out, some are predicting a bale average over the county. There are about 119,000 acres in cotton this year.

There have been some complaints of cotton bolls turning black from some disease or from too much wet weather.

Hail nearly two weeks ago wrecked several hundred acres of crops east and southeast of Draw, and a large area from O'Donnell north in a half-moon circle to two miles east of Wells and up to the T-Bar community and ending at the Fred McGinty section on the O'Donnell Highway.

Where dry enough, many farmers got started combining maize this past week, and all kinds of reports were coming in as to the turn-out.

Some early maize burned up weeks ago, and some of these fields have already been plowed. A lot of other early maize, however, responded to the August rain and is producing all the way from 300 to 3,000 pounds. Late maize should be excellent, unless too much rain prevents harvest.

This past week, some farmers were using lake pumps to take water out of fields with good standing feed crops.

All in all, the maize harvest is expected to be good, far better than had ever been anticipated.

A few declare clear income from their mill could exceed their cotton income this year.

Two New Teachers In Local Schools

Two new teachers have been approved for the Tahoka school system, announces Supt. Harold Reynolds.

Lewis Meier has been employed to teach two sections of chemistry. He is attending Texas Tech and is an engineering major.

Miss Betty Edler, a Tahoka High School graduate and the daughter of Mr. and Mrs. Gerald Edler, is the high school biology teacher and also teaches junior high history. She attended West Texas State University in Canyon.

CENTRAL NEWS

(By Mrs. R. L. Craig)

Labor Day most of the farmers in our community were working in their fields trying to get their crops cleaned out. Weeds are getting a head start after all the rain we've had. Mosquitoes are also real bad out our way.

Rev. Jess DeBord of Lubbock, who has been our pastor at Central Baptist Church for the past two years, has been called to a Baptist Church near Lamesa. He and his family moved to Lamesa last week. We invite everyone to attend Sunday School Sunday at 10:00 a. m.

Ruby Ray reports her father, H. D. Gartman, who has been in a Spur Hospital, is still not able to go home. He is reported to be about the same.

Mrs. J. E. Ramsey from Tahoka visited with her son and daughter-in-law, J. E. and Fay Ramsey Saturday.

Paul and Jerry York from Bryan visited her parents, Mr. and Mrs. J. H. Huddleston over the weekend. Jerry's mother, Montie, returned home Friday from the Medical Arts Hospital in Lamesa but is still having some trouble with her ear.

Laverne McCleskey visited with Mrs. Elmer Gray Thursday morning.

Lester Gray from Sundown visited his parents Thursday, the Elmer Grays. Crops are reported to be good around Sundown, but some hail fell out the Gray way Wednesday night.

Mary Lee Laws and children and Kathy Warren and children visited at Newmoore Friday with the A. W. Sniders.

Ruel and Mable Smith went to Plainview Friday and visited Mrs. H. A. Hood in the Heritage Nursing Home. Mrs. Hood's eyesight is falling and is able to be out of bed part of the time.

Mrs. Patsy Craig went to Lubbock Saturday and took her son, Joe, back to West Texas Hospital for a checkup. He has been having inner ear trouble.

Becky Ingle of Tahoka spent Saturday with Ruth Ingle. The two ladies canned blackeye peas. Charlie and Vivian Craig spent Wednesday night in Tahoka with their son-in-law, Mr. and Mrs. Winford Craig and family.

Clifford Laws visited his grandparents, Mr. and Mrs. R. A. Weatherby in Lamesa last week. He returned home Thursday to start to school.

Mr. and Mrs. A. B. Bush made a business trip to Hermleigh one day last week and reported crops down that way are better than they had been in several years.

Kathy Warren, Sheila and Pete from Cortez, Colo., visited from Tuesday until Saturday with her sister and family, the Dean Laws. Mary Lee took her sister to Lamesa Saturday where she will spend several days with her parents before returning to her home.

Mr. and Mrs. Shirley Young and children from Midland visited his parents, Mr. and Mrs. Jurd Young Sunday night and Monday. Jurd returned home Monday morning from Garza Memorial Hospital where he had been hospitalized since last Friday. We are hoping that he will be feeling lots better real soon.

Dorothy Craig, Cindy and Karen of Tahoka visited Sunday afternoon with the R. L. Craigs. Karen

spent Sunday night with her grandmother Craig and helped her hang window curtains, hoe weeds in the yard, and made some real nice chocolate drop cookies.

Those visiting in the home of Mrs. A. Pendleton in Tahoka over the Labor Day weekend were her son, Dee and wife, Mary Evelyn and children from Fort Worth and Mr. and Mrs. Sport Pendleton and Patti from Brownfield.

Those visiting with Charlie and Vivian Craig Sunday were Mr. and Mrs. Bubble Lindsey and family, Sterling, Colo.; Mrs. Patsy Mosley, Kermit; Mr. and Mrs. Bill Zackery and family, Mr. and Mrs. Victor Lindsey and family, all of Jal. N. M.; Mr. and Mrs. Winford Craig and children, Tahoka; and Mr. and Mrs. Wayland Craig and family from O'Donnell. They all fixed lunch and went to Mackenzie Park.

Sunday afternoon some of the folks went to Methodist Hospital and visited Stephens Lindsey who was seriously hurt in an accident at Jal recently. He was sent to Lubbock for special treatment and is reported to be better at this time. He is the son of Mr. and Mrs. Victor Lindsey.

Margie Young and daughter, Tammy, and son John from Midland visited a while Monday with Mrs. Craig.

Milard Gray from Granberry visited his brother and wife, Mr. and Mrs. Elmer Gray Saturday. Mrs. Gray left by plane Monday for Houston for a checkup. Elmer will stay with his daughter and son-in-law, Mr. and Mrs. R. E. Shedd in Post while his wife is away. Mrs. Gray has been hospitalized many times recently. May God bless her. We wish for her a speedy recovery and hope she's back home real soon.

Ivy Young from Post visited Saturday with her sister, Mrs. C. C. Jones.

Mrs. H. D. Daniell visited with Mrs. A. B. Bush a while Monday evening.

Mix-Up League Starts Fall Play

Members of the New Home Mix-ups began their fall league Saturday night at 8:00 o'clock at Oakwood Lanes in Lubbock. Eight teams are entered in competition.

The only team winning four games was the Sometimes. Billy Ray Smith had high game of 199 for the winners and Dick Turner had high series of 504. Jodie Halford led the losers, the Gutters and Guys, with a 166 game and 425 series.

The Old Pros collected three games from the Rolling Stones and were led by Wayne Price's 204 game and 552 series. L. F. Taylor led the Rolling Stones with a fine 176 game and 471 series.

Adrian Evans led the Old Folks three games past the Night Owls with a 186 game and 490 series. Helen Lee Peak put up a good fight for her team when she rolled a 189 game and 515 series.

Splitting two games each were the Aces and the Liveoaks. Loreta Tekell led the Aces with a 167 game and 466 series. A. C. Fillingim led the Liveoaks with a 163 game and series of 429.

Gerald Huffaker left Thursday for Texas University in Austin where he is studying law. He has been working at Rutherford's.

B. L. Parkers Have 50th Anniversary

Mr. and Mrs. B. L. Parker observed their 50th wedding anniversary Friday at their home here when all but two of their children, other relatives and friends, totaling 27, came in for an evening dinner.

The Parkers have lived in Lynn county 44 years, coming here from Lampasas in 1922.

He served as a peace officer at O'Donnell several years, was elected sheriff of Lynn county and served in this office 12 years, from 1930 to 1942. Until retiring last March 31, he had for 24 years been inspector in this area of West Texas for the Texas and Southwestern Cattleman's Association.

Four generations were present at the reunion.

Those present were: Mr. and Mrs. W. C. (Alice Jewel) Knox and daughter Judy of Post and daughter Janie of Chicago; Mr. and Mrs. Berry Fischer and two daughters of Lubbock; Mr. and Mrs. Dea Parker and two children of Brownfield; Mr. and Mrs. Pug Parker and two daughters of Tahoka and daughter Cynthia of Tahoka and daughter, Mrs. Kay Burkhardt and baby son of Oklahoma City; also boy friends of two girls, and friends, Mr. and Mrs. Walter Vaughn, who came up from Brownwood.

Homer Parker of Brownfield and B. L. Parker of Austin were unable to be present.

BRIDGE WINNERS

Winners in duplicate bridge Tuesday night at T-Bar Country Club were:

Mrs. Bill Lumsden and Mrs. D. W. Gagnat, first; Mrs. Jess Gurnley and Mrs. Maurice Small, second; Johnny Wells and Mrs. Frank Hill, third.

Parent-Teachers Association Holds First Meeting Of School Year, Plans Year's Work

The first regular meeting for the 1966-67 school year of the Tahoka P-TA was called to order at 7:30 p. m. Tuesday night by Mrs. Robert E. Abbe, president.

Rev. Jim Turner of the First Baptist Church gave the invocation. Mrs. Ralph Beistle read the minutes and this was followed by a treasurer's report by Robert Edwards.

Committee chairmen and officers were introduced by Mrs. Abbe. Each of these persons was given a tag to wear to identify them and their particular job, as were all the teachers present.

Chairmen are: telephone, Mrs. Elmer Owens; budget and finance, Robert Edwards; spiritual education, Mrs. Ivan McWhirter; child welfare and citizenship, Mrs. Othell Meeks; music, Mrs. Jim Littlefield; legislator, Mrs. Tommie Graves; safety and civil defense, Mrs. Sidney Pistone; membership, Mrs. Lionel Miller; hospitality, Mrs. Harold Reynolds; projects, Mrs. R. L. Warren; program, Mrs. A. M. Bray; health and mental health, Mrs. O. H. Warren; year book and publications, Mrs. J. D. Atwell; education for family living, Mrs. Martin White.

Officers are president, Mrs. Robert E. Abbe; first vice president, A. M. Bray; second vice president, Mrs. Maurice Bray; third vice president, Mrs. Alton Kelley; secretary, Mrs. Ralph Beistle; treasurer, Robert Edwards; parliamentarian, Mrs. Inez Jenkins; historian and publicity, Mrs. Hilton Wood.

Some recommendations were read for amending the by-laws which will be brought to a vote in October. These were: (1) Membership and dues be changed to \$1.50; (2) Concerning officers and that elections be changed from March to February.

The proposed budget was then presented. Some interesting recommendations were made by the executive board and these were voted on and passed. They suggested each room have a representative to promote interest in P-TA and keep everyone informed. Another motion was to provide sweets for the teachers during their coffee breaks. Last, there is to be a toy "Bulldog" awarded to the room having the most parents at the October P-TA meeting.

This "Bulldog" will be passed each following month to the room with most parents present at the meetings. The children should enjoy this as it will provide a spirit of competition and should be lots of fun for all classes.

Girls from Mrs. Hegl's classes kept the small children. If the need arises, another room may be kept open as a "study room" for children with homework. This will give older ones a chance to study while the small children play. Also all parents have an opportunity to attend these meetings.

Mrs. A. M. Bray was introduced, and she in turn introduced the speaker, Harold Reynolds, superintendent. She also urged all parents to attend the monthly P-TA meetings, both mothers and fathers. The meetings will be held to an hour and refreshments served after each meeting for those who wish to stay and visit. The programs planned promise to

be both interesting and constructive.

Mr. Reynolds took charge and gave "A Look Inside Our Schools". He explained what it takes to provide schooling for our children, and that our school is run by a board of education made up of seven men elected by the people in the district. He also gave some statistics and explained some parts of the federal program. The federal government is fast becoming a large part of our educational system and will probably become more so.

Mr. Reynolds told of some of the changes which have come about since 1964. (1) For instance, a speech and hearing unit for children with these defects makes it possible for them to receive therapy. (2) Also there has been added help for the educational mental retarded student in South Elementary. (3) In 1964, a Junior High program was organized and consists of seventh and eighth grades, and this particular unit has a developed mental reading program.

Following the program, Mr. Reynolds asked the principals of all three schools to introduce their teachers.

The next meeting of the P-TA will be the first Tuesday in October at 7:30 p. m. in the school cafeteria. The program will be an explanation of the new reading program and should be very interesting and worthwhile to every parent.

The O'Donnell Club Elects Officers

The O'Donnell Young Homemakers met Thursday night, Sept. 1, in the Home Economics dept. Sixteen of the members were present.

A most impressive installation of new officers opened the meeting. Mrs. Harold Sanders, retiring president installed the new officers, those being: Mrs. Jim Burkett, president; Mrs. Tommy Gardenhire, vice president; Mrs. David Franklin, secretary-treasurer; Mrs. Bobby Cox, reporter-historian; and Mrs. Harold Sanders, parliamentarian.

Mrs. Jim Burkett gave the inspirational talk for the meeting. It was reported that nineteen members had pre-registered for the area convention to be held in Snyder Sept. 17. Several of the members will present a talent act at the convention.

Plans were made to operate a concession booth at the upcoming Young Farmers farm sale to be held in October.

Mrs. Tommy Gardenhire reported that the first lesson of the Red Cross First Aid course is to be held Sept. 8 in the school cafeteria. Mr. Pat Patterson of Tahoka will conduct the course.

The meeting closed with the reading of the Young Homemakers creed. Refreshments of cookies, brownies, and cakes were served by Mrs. Bubs Allen and Mrs. Freddy James.

Movie At First Baptist Wednesday

"Man in the 5th Dimension" will be shown at the First Baptist Church Wednesday, Sept. 14, at 7:45 p. m. The feature was presented at the New York World's Fair when over a million saw the presentation at the Billy Graham Pavilion.

With Evangelist Billy Graham, the audience will embark on a breath-taking journey through the four-dimensional world of space and time into the realm of the fifth dimension, the dimension of the Spirit. It will be an unforgettable experience during which each person will encounter the living Christ and joining the unending procession of those who, in every generation and culture, have discovered the real meaning and purpose of life.

A second feature, "Copenhagen," will also be shown: the story of a city touched by the power of God.

A warm welcome is extended to everyone to see these two presentations by World Wide Pictures.

LABOR DAY VISITORS

- Tuesday—Viennas, kraut, English peas, sunflower salad, biscuits, butter, chocolate cake and milk.
- Wednesday—Meat loaf with catsup, buttered potatoes, buttered broccoli, tossed salad, rolls, butter, honey and milk.
- Thursday—Hamburgers, onions, lettuce, tomatoes, baked potato, cantaloupe, rice-coconut pudding and milk.
- Friday—Pinto beans with pork, buttered cabbage, pickled beets, cornbread, peach pie, butter and milk.

One-fourth of the gasoline tax is used for public education, the balance for roads.

Highway Patrol Reports On Dates

There were two traffic deaths in Lynn County as compared to the past three year average of six deaths, according to Sergeant A. E. Roberts of the Texas Highway Patrol for this area.

The Sergeant stated that 115 counties had more deaths in 1965 than the previous three year average. One hundred nineteen counties had less deaths in 1965 than the previous three year average. Twenty counties had the same number of deaths in 1965 as the previous three year average.

The largest increase in the number of deaths in 1965 over the previous three year average was 68 in Dallas County. The largest decrease in the number of deaths in 1965 from the previous three year average was 12 in McLennan County.

The 1965 death total for the state was 3,028, an increase of 22 deaths over the 1964 all time high of 3,006 deaths. The Sergeant added, "with this increase in traffic deaths, it is a challenge which every responsible citizen must accept to do his best to reduce the traffic deaths on our streets and highways."

Texas oil and gas dollars paid for 31 percent of the state cost of public education; 58 percent of state cost of teacher retirement, old-age assistance, blind assistance, and aid to dependent children in 1965.

District Deputy At Pythian Meet

The Pythian Sisters met Tuesday evening with Ruth Benson, MEC presiding. All officers were in their chairs.

Mrs. Eual Donovan, district deputy from Midland, made her official visit. Three other ladies from Midland were also present.

Plans for the up-coming District No. 10 Convention to be held at Midland on October 1st were discussed. Lynn Temple will take a degree staff.

Mrs. Ruth-Cullen, Grand Chief of Texas, will make an official visit in Midland Sept. 15 and in Big Spring Sept. 19. All members of Lynn Temple are invited to attend.

Refreshments were served to the 19 members and four visitors by Dixie Payne, Lucille Wright, Emma Halameck, Joy Lindy and Ruth Benson—Dorothy Kidwell, press correspondent.

Rebekahs Plan Friendship Night

A regular meeting of Tahoka Rebekah Lodge No. 209 will be held Tuesday night, Sept. 13 at 8:00 p. m.

Friendship night will be observed with visitors from the other lodges in the district expected to be present.

An interesting program has been planned and a salad supper will be served. All members are urged to attend and bring a covered dish. Important business concerning purchase of a lodge hall will be discussed also.—Leona Waldrip, reporter.

Debbie Wright In Twirling Festival

Miss Debbie Wright, daughter of Mr. and Mrs. Bryan Wright, is among the 38 girls from West Texas and eastern New Mexico who are competing for honors as sweetheart of the 13th annual West Texas Twirling Festival.

The twirling event is one of several attractions of the 49th annual Panhandle South Plains Fair, to be held in Lubbock Sept. 26-30.

The contestants, ranging in age from five to 17, are competing for the honor by photograph only. A sweetheart and four runners-up will be selected. Photographs have been mailed to Tennessee Ernie Ford, who will judge the contest. Winners will be named prior to the opening of the exposition, which will feature Ford and the Young American Singers in twice-daily appearances in Fair Park Coliseum.

Mrs. Kirk Pitts of Earth and Mrs. Jewell Kuykendall of Brownfield were here Wednesday visiting Mrs. Pitts' parents, Mr. and Mrs. B. R. Tate.

Student Council Plans Activities

Tahoka High School Student Council had its first meeting Friday of last week.

The body decided different members of the Student Council will give the welcome and invocation at each home football game.

The following game have been assigned to game: Crosbyton, Wendell Medlin and Lexi Adams; Post, Arlene Stephens and Mary Beth Kizer; Kress, Donna Riddle and Joe Jaquess; Coahoma, Sheila Tankersley and Karen Elliott; O'Donnell, selected from the best of the above.

JUNIOR CLASS DANCE

The Tahoka Junior Class parents are sponsoring a dance Saturday, Sept. 10, from 8:00 p. m. until 12:00 midnight at the Community Center. Music will be furnished by the Klan. Admission is \$1.00 and everyone is invited.

WILSON NEWS

(By Mrs. Ted Melugin)
New Coach At Wilson
 Supt. Leroy Scott reports that Mickey Rundell has accepted the position of Wilson Junior High Coach. He is a graduate of Farwell High School and attended Texas Tech.

Brown Home From Viet Nam
 Harlan Brown, son of Mr. and Mrs. Herman Brown, returned home last week after a year's duty in Viet Nam. He served with the intelligence forces near the Da Nang area while there. Wilsonites welcome Harlan home. He has a 30 day furlough, after which he will be stationed at Ft. Bragg.

Mustang Club Elects Officers
 Monday morning at 9:00, the Mustang Club met in the high school auditorium to elect new officers for this school year and to discuss business. Mrs. S. H. Verkamp was elected as president, and Mrs. E. G. Stabeno, secretary-treasurer. The next meeting of the club will be 30 minutes before the Quarterback Club on Monday, Sept. 12 at 7:30 p. m. at the high school. The election of chairmen for the concession stand workers will then be held. The schedule for the workers will be listed at a later date. Voluntary workers will take charge of the concession stand for the first two games.

The Mustangs scrimmaged at Ralls Friday night. The first game of the season will be Friday night at 7:30 p. m. against Lubbock in Wilson field. The Mustang Band will perform at half time.

New Club Organized
 A new club was organized last

Monday night, the Quarterback Club. Several couples met in the high school cafeteria to discuss and form the new club. The first meeting of the new club will be Monday at 8:00 p. m., Sept. 12, in the school cafeteria. Coffee and doughnuts will be served and films of the football games will be shown at each meeting. Anyone wishing to join the club on a strictly voluntary basis may do so with a \$5.00 fee for the family or \$2.50 for individuals. Anyone wishing to attend the first meeting is welcome. Newly elected officers of the Quarterback Club are: Mr. and Mrs. Milton Wied, presidents; Mr. and Mrs. Jerry Don Ross, vice presidents; Mr. and Mrs. Dale Zant, secretary-treasurers. Membership cards have been printed and may be picked up at the first meeting or at the residence of Mrs. Russell Moore.

Wilson students attended school on Labor Day, Sept. 5. They began school August 29 at both the public school and St. Paul Lutheran School.

Sunday visitors of Mrs. Anton Ahrens and Edgars were Mr. and Mrs. Henry Ahrens, Robert and Kathy of Cotton Center, Mr. and Mrs. Weldon Ahrens and James of Lubbock, Mrs. Bill Klos, Mrs. R. J. Schuette and Roxanne, Mr. and Mrs. Rueban Sander and Susan.

Postmaster Has Surgery
 Pat Campbell, postmaster at Wilson, underwent emergency surgery Tuesday, Aug. 30, in Methodist Hospital at Lubbock. Monday morning he was reported as doing real well.

Junior High Football boys are practicing for their first game which will be the last part of this month.

Newly Weds
 Congratulations to Mr. and Mrs. Delvin Wayne Behrend upon their recent marriage, near Pasadena, Texas, August 19. The bride is the former Ruby Lee Cline, daughter of Mr. and Mrs. Cline of Anahuac, Texas. The bridegroom is the son of Mr. and Mrs. R. E. Behrend of Wilson. They are making their home in Pasadena where the bridegroom is employed in a diamond chemical plant.

Mr. and Mrs. George Eakin have two grandchildren visiting with them, Bobby and Rhonda Eakin, children of Mr. and Mrs. Jimmy Eakin of Lubbock.

Mr. and Mrs. Ted Melugin, Lynn and Troy, Mrs. Mae Melugin and Marilyn Edwards enjoyed a watermelon feast at the Slaton Park, Sunday afternoon. Sunday night, a large group of young people and adults of Slaton Church of Christ, enjoyed recording spiritual songs that will be sent to Theron French, who is in Viet Nam. Donald Sikes was in charge of the program. Refreshments of homemade ice cream and cake was served to the group after the singing.

Sunday visitors in the home of Mr. and Mrs. Hub Young were: Mr. and Mrs. A. T. Adams of Tahoka; Mr. and Mrs. A. E. Hagen, Lubbock; Mr. and Mrs. Paul Durham and two granddaughters, Lubbock; Mr. and Mrs. Alvin Young, Post; and Mr. and Mrs. E. G. Thuet Jr. of Post.

Cap Rows Tell Vacation Trip

Mr. and Mrs. Cap Rowe have returned from Arkadelphia, Ark., after attending the 82nd camp meeting at Davidson Camp Ground. Following is an account of this year's experience in Arkansas:

The camp site includes 78 cabins around the tabernacle and there are from two to 15 people in each cabin. There are always several states represented—California, Arizona and Texas being the first three.

The Rowses feel they are "close to the Hebrews in walking on dry ground during the flood. There had been lots of rain. Then on Sunday morning rain began pouring, but Mr. and Mrs. Johnnie Kirkham and the Roy Houstons braved the rain and brought their dinner to the Rowe cabin. During the 11:00 o'clock service the water started coming in.

The camp ground is between two big creeks and there had been nine inches of rain in the Amity Hills—and the water had to go and it really came. The south creek was rising and spreading and campers began moving cars and some started out but met the north creek overflow. The water was from six inches to nearly waist deep in all but three or four cabins.

Boats came in and began taking folks out. A motor boat raced through the tabernacle isles. We and the Kirkhams decided to stay with the cabin. We were the lucky ones and had no water in our cabin. No one panicked—in fact, old and young were wading and swimming all over the ground.

Cap's nephew was one of the boys manning the boats and he came up and said, "Load in," so we did. The boat was pushed to the porch and then to a pickup away up the road—they pulled the boat close and we had not one wet foot. Of course, the Methodists said too many Baptists were camping.

In 82 years, this was the first time water got so high that people had to get out. A few people stayed, including the preachers, who used our cabin.

The preacher was Rev. Joe McClain from Mt. Ida and the singer, Paul Castle. Both were old Louisiana boys and were well-acquainted with our own local boy, Rev. John Sewell of Arcadia, La.

The water crested and went down during the night. Monday morning early people were cleaning and drying and all settled again. Almost everyone was at the 11:00 o'clock service that morning.

We came home Monday, August 29 and there were showers and heavy rains all the way. Upon our arrival home, we found that our farm had 7 1/2 inches during the last few days. So after a long hot summer, we have had showers of blessings again.

Miss Faye Rowe of Selma, Alabama came and visited the family too.

The value of Texas crude oil, natural gas and gas liquids in 1965 was \$4.2 billion.

WHILE SHE READS THE NEWS... YOU CAN BET...

She reads the Ads

According to the U. S. Bureau of Advertising, ADVERTISING ranks first with women, over all other newspaper content, for interest and readership! Women actually read ads in preference to anything else in the newspaper. (For that matter, ads rank third with men for readership!) And reading the newspaper is a favorite habit with American women.

So, if you have a product to sell—display it in an ad in your local newspaper. If it's for the home, write it to the housewife's point of view. For, more than anyone else, she'll read it. And, more than anyone else, she's the one who does the buying for the family!

Field Day Set At Area Station

Weed control, water conservation, cotton diseases and grain sorghum studies are some of the topics to receive special emphasis at the annual field day at the South Plains Research and Extension Center to be held Tuesday, September 20 from 1:00 to 5:00 p. m., according to Bill Griffin, County Agent.

The event, which is open to the public, traditionally, attracts a large crowd of farmers and businessmen to the experiment station. The South Plains Research and Extension Center is located eight miles north of Lubbock on U. S. 87.

Weed control reports will stress herbicide application, rates and incorporation methods, Griffin said. It is being included in this year's program because of the tremendous interest producers are showing for proper use of herbicides, he said.

A large greenhouse display is also planned for the event. The county agent believes this is one of the best educational opportunities of the field day because it gives producers a chance to learn the symptoms of various plant diseases and other plant problems.

Long staple stormproof cottons under development at the center will also be shown in the greenhouse displays.

The agent said other research projects that will be featured include soybeans, castors, vegetables, underground irrigation, narrow-row cotton, and fertilization.

Schedule Farm Acreage Survey

Postmaster Charles Townes announced today that Rural Mail Carriers will begin distributing 1966 Acreage Survey Cards to patrons on their routes about September 14.

The Post Office Department assists U.S.D.A. in making this survey each year. These reports, directly from farmers, are the basis for official estimates for Texas acreage of all crops harvested in 1966.

To be sure this community is well represented in the survey, the postmaster urges each patron receiving a card to fill it out and return it to his mailbox.

Rural mail carriers working on this project are: Eldon Carroll, Route One; A. C. Weaver, Route Two; D. C. Carroll, Route Three; Clyde Ashcraft, Route Four; Jess Gurley, Route Five.

TWO INJURED IN WRECK HERE MONDAY NIGHT

Jack Collier, son of Mrs. Coye Collier, and Donnicc, 5, daughter of Mr. and Mrs. Bob Haney, were injured Monday night about 8:30 when the Collier car rammed the rear of the Haney pick-up on North Main as Haney was stopped to make a left turn to his home.

Jack received a severe scalp laceration and had to have skin grafted back at Tahoka Clinic. In the car with Mr. Haney were his three children, and Donnicc received treatment at the Clinic for lacerations and spent the night in a Slaton hospital for observation. Both the car and pick-up were badly damaged.

Police Chief Jack Miller said that, in the heavy traffic at the time, Collier was possibly blinded by an oncoming car.

LEDBETTER BACK

W. R. Ledbetter of Wells, who recently went to Houston, accompanied by his sister, Miss Myrtle, for his third series of treatments, says the doctors this time gave him a "clean bill of health."

Texas produced 9 percent of the world oil in 1965, 12 percent in 1960, 22 percent in 1950.

New Lawn Grass Grows In Shade

College Station — Agricultural researchers have found a dark-green turfgrass that actually grows better in moderate shade than in the sunlight.

It's called "No Mow" and thrives in moderate shade, says Dr. George McBee, turf specialist at Texas A&M University.

Most lawn grasses do not grow well in shady areas such as under trees or along buildings, he says. In A&M tests, No Mow, a variety of Bermudagrass, grew better under low light levels than ordinary St. Augustine, Bermuda, Tifway and Bahiagrass.

Part of the reason it grows better under shady conditions, says McBee, is its short internodes. An internode is the distance between nodes or the joints in grass.

Ordinary grasses, with longer internodes, usually become spindly and weak under shade. But No Mow grows to just the right height and density under low light levels.

No Mow will not grow without some light, however, cautions McBee. It needs about 35 percent of the sunlight to do its best, he says. This means it grows well under trees, since some light filters through. It also grows well along shady sides of buildings, where the sun may shine for only a short time each day.

The grass offers possibilities for shopping centers that may want grass along malls or other indoor areas, says McBee. It could also be grown in parks or recreational areas where there's too much shade for ordinary grasses.

The grass was developed in Florida and it supposedly needs mowing less often than other grasses. However, in the shade, says McBee, it has to be mowed as often as any other grass.

Many nurseries have, or can get the No Mow grass, he says.

KENNETH THOMAS ILL

Kenneth Thomas became ill Sunday and was taken that afternoon to Lubbock's Methodist Hospital where tests were still being made Thursday morning. He is an employee of Lyntegar Electric.

Texas crude oil, produced in 1965, was valued at almost three billion dollars.

O'Donnell Player Dies Of Burns

Ollie Hunter Jr., 17, member of the O'Donnell football squad, died at about 6:30 a. m. Monday in a Lamesa hospital from burns received Saturday when a container of naphtha exploded while the youth was cleaning floors at his parents' home.

Hunter was a senior at O'Donnell, having transferred from Dunbar in Lubbock last year and was the 188-pound prospective starter at fullback on the football team this year for the Eagles.

Funeral services were set for 2:30 p. m. Thursday in Macedonia Baptist Church in O'Donnell with Rev. Albert Demerson of Lamesa officiating.

Survivors include his parents; his grandparents, Mr. and Mrs. W. H. Hunter of O'Donnell; four sisters, Mrs. Jo Beth Bell of Lubbock, Mrs. Lois Faye Boyd of O'Donnell, Velma and Celestine Hunter, all of the home; and one brother, Odell Hunter, also of the home.

SCS Election At Draw Sept. 20

The Texas State Soil and Water Conservation Board will conduct an election Tuesday, Sept. 20, from 8:00 a. m. until 7:00 p. m. at the Draw Store, according to County Agent Bill Griffin.

At that time a supervisor for Subdivision No. 3, Soil and Water District No. 119, will be elected for a five-year term.

Names on the ballot are Boyd Barnes, incumbent, Elbert Crawford and Julian Pirtle.

Area included in the election are Midway, Redwine, Draw and Joe Bailey school districts.

Wayne Waters Announces 1967 Fords Will Carry Additional Warranty

Wayne Waters, president of Wayne Waters Ford, Tahoka, Texas today announced that all purchasers of 1967 model Ford cars and light trucks will receive a 24-month or 24,000-mile basic vehicle warranty along with a 5-year or 50,000-mile warranty on the power train components, which include the engine, transmission, drive line and rear axle.

The new warranty, Mr. Waters said, is the best the industry has to offer and will be an important factor in backing up the superior performance which customers have come to expect from Ford cars and trucks.

The 24,000-mile warranty was pioneered by Ford Motor Company on the Lincoln Continental and was later extended to the entire vehicle line.

"Extension of this warranty on the power train components for 1967," Mr. Waters said, "is possible because of continued progress toward quality and reliability goals that year after year have enabled Ford dealers to be the leader in providing products requiring less and less maintenance."

Terms of the new warranty provide that for 24 months or for 24,000 miles on the entire vehicle, whichever comes first, and for 5 years or 50,000 miles on the power train, whichever comes first, free replacement, including related labor, will be made by authorized dealers of any part with a defect in workmanship or materials.

Tires and tubes are not covered by the warranty; appropriate adjustments will continue to be made by the tire people. Owners will remain responsible for normal power train and other maintenance operations, such as wheel, brake and clutch adjustments and engine tune-ups, and for routine replacement of such items as filters, spark plugs, ignition points, wiper blades, and brake and clutch linings. To maintain the power train warranty protection the owner need only present evidence to a Ford Dealer and obtain his certification, once every twelve months, that the minimum services required every six months or 6,000 miles have been performed. This means that the engine oil and oil filter have been replaced and the carburetor air cleaner and filter, crankcase oil filler breather cap, automatic transmission front intermediate bank, emission control system, lubricants and engine coolant have been serviced according to the recommended maintenance schedule of the vehicle in question.

The new warranty covers both the original owner and subsequent owners during the specified mileage and time periods.

Mr. Waters said that his dealership would introduce their new 1967 models to the public on Friday, September 30. (Adv.)

Beware of Promoters Selling... Pre-Financed Funeral Plans!

Since some high-pressure salesmen are selling pre-arranged and pre-financed funeral plans in this area, we join Better Business Bureau in warning YOU, our Lynn county friends, to BEWARE AND INVESTIGATE.

When you sign a contract and make advance payments, you may not be able to alter burial plans to meet changing conditions, you can not be certain the service will be what you would like, or the preparation and casket what you would want. You can not be sure the firm will be permanent or able to carry out its contract 5, 10, 30 years from now. Some of these contracts provide the seller may cancel the contract any time you are more than 30 days in arrears on payments.

IF YOU DESIRE A PRE-ARRANGED FUNERAL—
White Funeral Home of Tahoka offers a plan guaranteeing you 100% on your investment—not just 90% as promised by these high-pressure salesmen. Your payments will be deposited in First National Bank in trust, and all interest on such deposits will be credited to YOU! And, we have no salesmen and NO COMMISSIONS TO PAY!

You will get FULL VALUE plus interest on our Pre-Arranged, Pre-Financed Funeral Plan, and you will have every opportunity to alter plans or get your money, plus interest, returned to you if desired. (Ten years interest on \$1,000 at 4 percent is \$400.00. Under our plan, you get this \$400.00.)

Bulldogs Open '66 Season Tonight At Lorenzo

Tahoka Bulldogs open the 1966 football season tonight, Friday, at 8:00 o'clock at Lorenzo against the Hornets of District 4-A.

Many local fans, the Tahoka band and pep squad will follow the team, and the affair is expected to be an interesting one. Although Tahoka has 46 boys in training, about 25 of whom will be on the traveling squad, the team is so short on Junior and Senior boys that the coaches have had only limited scrimmage.

Coach Don Smith, however, is very pleased with the attitude and desire of his boys, and barring injuries to key players he hopes the Bulldogs can win more games than they lose again this year. The boys declare they are after the District 5-A championship.

In his first year here, last year, the Bulldogs won six, lost three and tied one.

This year, there are five Seniors, 11 Juniors, 17 Sophomores, and 12 Freshmen out for football. There are 11 lettermen returning, eight of whom were starters last year.

Eleven Lettermen

Lettermen are: Wayne Thurman, Chris Roberts, Tommy Kidwell, Jody Edwards, Joel Inklebarger, Milton Edwards, Richard White, Gary Brooks, Cliff Thomas, John Tyler, and Mitchell Williams.

Coach Smith, in his second year here, has more coaching help than the school has had in years. Jim Littlefield is back as his first assistant, and also helping with the coaching are Robert Ryan and Cecil Robinson. Ryan, who coached at O'Donnell last year, is from Hardin-Simmons and is also head basketball coach. Robinson, from McMurry College, is also coaching in Junior High.

Lorenzo Question Mark

Lorenzo has Doug Duncan, formerly at Wilson, as its new head coach. Doug has out the crying towel, but those who know him realize he is a hard taskmaster and can be depended on to have his team up for the game.

The Hornets had a so-so record last year, led by all-state quarterback Joe Reed, who was tops in everything on the football field. They had a 2-5-2 record, but one of the ties was the 34-34 game the Hornets played the district champions, Idalou.

Tahoka managed to nose out the Hornets 14-7 here last year, and Duncan hopes his running backs and a potentially good little quarterback, Darrell Cole, can lead the team to a revenge victory over the Bulldogs.

Line-Up For Game

Tahoka's probable starters in the line are: Wayne Thurman, 160, and Chris Roberts, 150, at ends; Jody Edwards, 175, and Tommy Kidwell, 183, at tackles; Milton Edwards, 215, and Richard White, 180, at guards; and Gary Brooks, 182, at center.

Starting backfield: Larry Arnold, 166, fullback; Cliff Thomas, 185, and Doyle Schneider, 182, at halfbacks; and Mitchell Williams, 165, at quarterback.

Also expected to see action are John Tyler, Charlie Brown, Jerry Jolly, David Schuknecht, Joel Inklebarger, Billy Curry, and others.

Lorenzo's possible line-up: Line: Buddy Reynold, 145, and Darrell, 155, ends; Raymond Griffin, 170, and Archie Webster, 165, tackles; Lonnie McHam, 170, and Ricky Kelsey, 150, guards; and Jerold Andres, 145, or Jerry Swetnam, 153, at center.

Backfield: David Condron, 150, fullback; Darrell Cole, 138, quarterback; and four boys are in the running for halfback, Randy Henry, 140, Eddie Pickard, 145, David McDaniel, 145, and Rene DeLeon, 145.

B Team Plays At O'Donnell Thursday

"B" team Bulldogs will open the season next Tuesday night at O'Donnell against the "B" team Eagles.

Coach Robert Ryan says 20 to 25 boys will go to O'Donnell for the game. Most of them are Freshmen and Sophomores, a little small, and have not had too much opportunity to work out as a unit but neither has the O'Donnell squad, either.

Coach Ryan is in his first year here. He is from Hawley, attended Hardin-Simmons, where he lettered in basketball, and has been coaching and teaching seven years, one year at Loraine, five at Ira, and one at O'Donnell before coming here. He teaches math in Junior High, and his wife, J'Lyn, is the new business department teacher.

Junior High schedule may be found on the football advertising page.

WILLIS TOP STUDENT

C. C. Willis, who last line-backed for Texas Tech in 1964, this past year went to school on The Borden Foundation scholarship for the senior agriculture student with the highest grades. He had a 3.589 score. 4.0 is tops.

Lazbuddie At Wilson Tonight

Wilson Mustangs open the season tonight, Friday, at 8:00, on the home field with the Lazbuddie Longhorns, who will be seeking to avenge a 12-0 defeat handed them by the Mustangs last year.

Coach Bobby Davis' Mustangs finished third in District 3-B last year, won six games and lost 4 over the season. This year, 3B and 2B have been rearranged and Wilson is in 2B and has eight conference games and two warm-up games.

Davis has 11 returning lettermen, seven of them starters last year, a bunch of eager squadmen, and prospects are good for a winning team. However, with the enlarged district the chips will be down every week after the Jayton game. Wilson opens the conference season with a tough one, Sundown Roughnecks on Sept. 23.

Among the probable starters are: Dennis Verkamp, Gary Crews, Johnny Scott, and Lupe Guzman in the backfield; Clinton Martin, Lenro Brieger, Kenneth Corley, Curtis Bishop, David Koslan, Leonard Zant, Mike Ward, Lee Moore, and Keith Wied, in the line.

Junior Games In Tahoka Tuesday

Seventh and Eighth Grade Junior High football teams kick-off an eight-game schedule here next Tuesday evening at 5:30 when they meet the Plains Junior Cowboys.

Cecil Robinson, the Junior High coach, says there are about 22 or 23 boys out for each Junior High team, and expects them to look pretty ragged Tuesday night because they only started workouts last Friday.

Full schedule is on the football advertising page.

Coach Robinson was reared at Hamlin, is a graduate of McMurry College, and this is his first year coaching. He teaches history in Junior High, and his wife, Katrina, is a new teacher in North Elementary.

TEAMS COMPARED

If you want to make comparisons between the 1965 Tech team and the 1966 team: The 1965 spring game statistics included a total of 311 rushing yards, 28 completions of 43 passes for 256 passing yards, 567 yards total offense, 45 points. The 1966 spring wind-up had 285 rushing yards, 20 of 53 passes complete for 230 yards, 34 points. Total offense this spring, 515 yards.

SHIPLEY CAUGHT 47

Jerry Shipley's total of 47 pass catches last season is the most ever snagged by a Texas Tech end in a single season. David Parks twice caught 32.

LT. COL. JOHN MAX MINOR

Lt. Col. Max Minor Takes Special Work In Army School

Washington, D.C. — Lieutenant Colonel John Max Minor, native of Tahoka, son of the late Mr. and Mrs. John Minor, has entered the Industrial College of the Armed Forces at Fort Lesley J. McNair in Washington.

Colonel Minor is one of 180 outstanding senior officers and key government officials enrolled in the intensive 10-month course operated under the direction of the Joint Chiefs of Staff. He will study management of logistic resources for national security.

The colonel, who entered the service in 1946, previously served as assistant air attache in Paris. He received his B. S. degree and commission upon graduation from the U. S. Military Academy in 1946.

A graduate of Tahoka High School, he also attended the University of Texas.

His wife, Anne, is the daughter of Mrs. G. A. Counts of 65 Sutton Place, El Paso.

Texas produced 9 percent of the world oil in 1965, 12 percent in 1960, 22 percent in 1950.

Texas has 6,031 oil producing firms.

Oil is produced in 204 Texas counties.

O'Donnell Eagles Playing Meadow

O'Donnell Eagles open the new football season tonight at 8:00, when they play host to the Meadow Broncos of District 2-B.

This year's Eagle squad is a bit young but has been looking very good in workouts, and even the coaches are enthusiastic about the prospects for O'Donnell getting back on the victory trail.

New head coach is Jerry Don Brown and his assistants are Glen (Moose) Hopkins and John Dickerson.

However, the Eagles are running up against a big, quick and agile club that has 17 lettermen returning from last year's 3-B district championship team that went to regional before losing to Sundown.

Probable starters for O'Donnell are: Bobby Brown and Kenneth Vestal at ends, Alan Barrett and Richard Mansell at tackles, Bill Barnes and Wayne Clayton at guards, Dwight Crawford at center, Steve Gary at quarterback, Gary Evans at fullback, and Eddie Moore, Danny Brewer, Gary Burton, or Joe Lopez at halfbacks.

Helen Bookman Elected National Meeting Delegate

Mrs. Helen Bookman of Tahoka attended the 15th annual conference of the Christian Methodist Episcopal Church in session at the St. Mark CME Church in Pampa last week.

The Tahoka lady was one of the three delegates elected to the conference to attend the International Conference of Women's Connectional Council at Oakland, Calif., in August, 1967.

Mrs. Bookman attended the entire conference in Pampa which began on Tuesday and continued through Sunday.

Average price for Texas crude oil in 1965 was \$2.96 per barrel.

New Home Opens At New Deal

New Home Leopards open 1966 non-conference play tonight at 8:00 at New Deal against the always tough Lions.

With new coaches, several new boys, and renewed enthusiasm, the Leopards expect to have a good season this year.

David Verner comes from Crosbyton as the new coach, and he has help from Don Macon, George Pflizer, and Larry Edwards.

Among the possible starters are Danny Nettles and Mike Fillingim at ends, Duane Wyatt and Ricky Zant at tackles, Billy Rodriguez and Jimmy Farr at guards, Donnie Todd at center, Johnny Armes or Stanley Gill at quarterback, Robbie Talley at fullback, and Ronnie Bruton and Wayne Fillingim at halfbacks. Several other boys will see action.

New Deal, now in Class A, has

a tight line averaging only 132 pounds, according to the coach, but there are four returning lettermen in the backfield. A number of boys quit the squad when New Deal moved up from 3-B to 4-A district, but some of these are reported to have returned to the squad last week.

Lady,
here's your problem.

It's the food you cook, not the the fuel you use, that soils your kitchen. But a modern GAS range can keep mess to a minimum. Closed-door broiling eliminates smoke. The "burner-with-a-brain" and 1001 temperature controls guard against cook-top burning and boilovers. So don't take potluck. Go GAS for clean, cool cooking.

The flame GAS MAKES THE BIG DIFFERENCE ... COSTS LESS, TOO!

If the TV boys and the sensationalists in the newspaper wire services would quit highlighting the marches, sit-ins, rioting, Vietnam protesters, and their rabid racial leaders seeking power and publicity, it wouldn't be long until a lot of our troubles could be solved.

Tahoka is fortunate to have some good Negro citizens. Naturally, they all want a better position in life. One local Colored lady told us recently that she doesn't believe there will ever be any great race trouble in Tahoka. Another told us she thinks this racial strife set the Negro race back at least 25 years in real acceptance of racial equality in the hearts of the people. First things, she says, our Negro citizens need more and better education and greater effort to build up themselves economically, more help and encouragement to children in the homes—all this, and a better understanding and encouragement from white citizens. We agree.

Not much of the greatness rubbed off on The Printer, but he has been lucky during his lifetime in rubbing up against some of the great or near-great. We have been reminded of this lately by the death of two people we considered great and by the retirement of another.

Dr. Horace W. Morelock died a few days ago at Alpine, Miss Annie I. Hibbetts passed away up at Amarillo, and Odus Mitchell announced his approaching retirement as head football coach at North Texas State.

You wouldn't know it from our writing, but The Printer majored in English and Education. Dr. Morelock was great as a scholar, a citizen, a teacher, and in other ways. We spent four years in his department and learned to appreciate him. He later became president at Sul Ross and is the "daddy" of Big Bend National Park.

The Printer, believe it or not, holds about a half dozen teacher's certificates, permanent elementary, permanent high school, etc., and Miss Annie I. Hibbetts who died Aug. 25 at age 90, helped us along the way, too. A native of Ireland, she taught at West Texas State much of her life. She, too, was a great lady, widely known as an educator, but best known by her many students for the help, encouragement and inspiration she gave them.

Odus Mitchell, also one of "Pete" Hegi's heroes, was our roommate for a year while we were both in college, and we'd have to list him as one of the great men we have known. He attended high school at Crosbyton with some of our "in-laws" and at Petersburg with Pete Hegi. He came to college with just a few dollars, ambition and a prayer. Our Uncle Joe and Aunt Ola, our "second dad and mother", with whom we lived and whom we know were among the greatest, heard "Mitch's" story and gave him room-rent free in the president's home. Mitch was one of the greatest athletes the Plains ever produced, but there were not fat athletic scholarships then. He worked for his board and spending money, took a full college course, mended his own

britches and socks at night, wood and won a wife. But, he also won 18 letters in athletics, reputed to be an all-time record in Texas, possibly the nation. All he did was letter four years each in football, basketball, track, baseball and added a couple in tennis. A natural, at 5'-11" and 175 pounds, he played in the first football game he ever saw, played center on the first great basketball team at West Texas and never met but one other athlete that could outjump him, set college records in the pole vault and high jump, could have made the big leagues as a short-stop or second baseman, and won several college tennis matches. He coached at Post, Childress, Slaton, Marshall, and Pampa before going to North Texas State 17 years ago. There was a big story in the Dallas News about Mitch the other day, part of which was carried by the wire services. But, they didn't say he was a MAN morally and spiritually.

Morelock and Hibbetts and Mitchell each received an education under the most difficult of circumstances. And, when we think of people like those, we feel a little sorry for the boy or girl who says, "I can't go to college; I don't have the money." Most great men and women never did "have the money" when they started out to reach a goal in life.

Moody Courier:
Small towns do not die from their own accord from a business standpoint. Such deaths or stagnation is due on the part of the business promoters (or lack, we should say) and individuals as a whole. In another town a business man was applauded by a customer who asked him why he didn't put out a few leaders in merchandise, that folks were going to larger points to trade. "Let 'em go," he said. "That's where they want to go anyway." They did.

Congresswoman Catherine May of Washington says, "The trouble with a little inflation is that it never stays little. Once it is accepted as a national way of life, it gets out of hand. Unless the federal government takes definite steps to contain it, it hurts those who can least afford to be hurt—people in a low income group and our older citizens who have to rely on a fixed income. The man who puts aside some money for a rainy day or for retirement, as an example, has found his savings lost 2 per cent of their purchasing power last year alone. If inflation continues at that rate for twenty years, one dollar in every three saved would simply vanish."

Uncle Zeb in Claude News:
The constitution guarantees the pursuit of happiness... but we have to catch up with it ourselves. Most folks can keep a secret.—It is the folks they tell it to that lets the cat out of the bag.
One measure of success in this

Dear Mr. Hill:
The Lynn County News was handed to me by Velma Jense, formerly Velma Huddleston-Gass. Needless to say, how pleased I was to get it, a long new letter! From it I learned of many acquaintances as well as good friends, Mrs. Alice Spears, Mrs. Lucian Walker, Cherri Norman, and others too numerous to mention of the Grassland area and the county.

Mrs. Euna Mae Horsley of Southland, formerly of Tahoka, a daughter of Mr. and Mrs. B. K. Cooley, was happy to see The News, also.

My subscription has expired, or soon will, but I would love to receive the weekly news.

Have been hospitalized since May 1966, but so far am improving. My stay here is indefinite.

Thanking you, I am, sincerely,

A. B. "RED" HENRY TELLS OF TRIP TO GULF COAST
Mr. and Mrs. A. B. "Red" Henry accompanied Mr. and Mrs. Eimer Rash and two children recently on a visit to San Benito, the Lower Rio Grande Valley, and the Gulf Coast, the first time "Red" had ever been south of Brady.

At San Benito, they visited Mrs. Henry's sister, Mrs. Mamie Evans, and also the Elwood Riley family, all formerly of here.

Mr. Henry says they took a long boat ride out on the Gulf and fished off Padre Island, quite an experience for a Plains "landlubber" who had never seen the Gulf before after 51 years in Lynn county and the rest of his life before that at Stephenville and Munday.

He was also impressed by the citrus orchards, which are very pretty this time of year, and the scenery along the road from Tahoka to San Benito. He says he's going back.

Gordon-Southland News

(By Mrs. Edmund Wilke)
Hi there! Back again this week trying to turn out a little news. Sorry to have missed last week, but the telephones were out here in Southland. By the way, my status has changed somewhat since the last time we chatted. I am now a mother-in-law. Our oldest son, Larry, was united in marriage on September 2nd. to a lovely girl, Martha Blodgett, of Post.

Speaking of marriages, we would like to extend our congratulations to the following young couples of this community that have gotten married this past week: Mr. and Mrs. Harvey Louis Pennell, Mr. and Mrs. Cecil Stolle, Mr. and Mrs. Jerry Donahoo, and Mr. and Mrs. Larry Wilke.

Mr. and Mrs. Willie Becker have been to Lake Stamford recently. Going to the lake with them were Mr. and Mrs. Gilbert Becker and children, Mr. and Mrs. Robert Becker and children, and Mr. and Mrs. Junior Becker and boys. The Becker's granddaughter, Terry Becker, returned home with them and stayed a few days. John Earl Blyth, grandson of Mr. and Mrs. Willie Becker, will be starting to the University of Missouri this week.

Mr. and Mrs. Dillard Dunn returned recently from a very nice visit with Mr. and Mrs. Winston Lester and children who live in Commerce. The Lesters are former residents of this community.

Mrs. Dean Horton from Abilene spent 10 days recently with Mrs. Alice Martin. Horton is the sister of the late Mr. Martin.

Mr. and Mrs. Clark Barton returned home on Sunday night from a week's trip to Laramie, Wyoming, where they visited with Mr. and Mrs. R. G. Evans.

Mr. and Mrs. Elmer Belk and children went to Levelland on Sunday to visit with his parents, Mr. and Mrs. E. L. Belk. Elmer's grandmother, Mrs. Fleenor from Carlsbad, N. M., was also visiting the Belks.

Mrs. Wes Donahoo is visiting in Lubbock with some of her grandchildren and her son, Louis.

Mrs. Pat Adamek and baby are visiting her parents this week in Lovington, N. M. They are Mr. and Mrs. W. E. Shelton.

Mr. and Mrs. Harold Wayne Donahoo and children have gone to California to visit for a while and if they like it out there, they may move.

Mrs. Opal Pennell went to the Colonial Rest Home in Lubbock on Thursday to visit with Mrs. Lee Fredrickson.

Clyde and Olive King visited in this community last week with Mr. and Mrs. D. D. Pennell and Mr. and Mrs. Lawrence H. King. Clyde has just recently returned from Korea.

Mrs. Susie Bradshaw was at the Baptist Church here in Southland yesterday, and everyone was glad to see her and talk with her. Her son and daughter-in-law have just recently returned to their home in California.

Mrs. Libby Stahl and children were week-end visitors in the home of her parents, Mr. and Mrs. Carl Wartes.

Mrs. P. W. Crawford moved her mother, Mrs. Moore, from the Slaton Mercy Hospital last Tuesday to the University Convalescent Center in Lubbock. She says that her mother seems to be very happy up there.

Trisha and Robin Crawford, granddaughters of Mr. and Mrs. P. W. Crawford had their tonsils out recently and are doing fine. These two girls are the daughters of Mr. and Mrs. James Crawford.

Miss Brenda Dabbs has moved to Irving where she will be teaching the 3rd grade in the Schultz Elementary School.

Mr. and Mrs. Cline Drake, Mr. and Mrs. H. D. Hallman and Mr. and Mrs. H. R. Dabbs attended "Journey to Eternity" in the Municipal Auditorium in Lubbock on Sunday night.

Captain Travis Dabbs has been sent to Dayton, Ohio, and is stationed at the Wright Patterson Air Force Base and is attending the Air Force Institute of Technology where he will receive his Masters degree next August. Mrs. Dabbs and children also moved to Dayton from Tucson, Arizona, where Travis was stationed for awhile.

Dr. Gerald Dabbs is with the Public Health Service at Lexington, Kentucky, and is in the U. S. Public Health Hospital there. This is a very large hospital, covering some 11,000 acres. Gerald will be there for the next two years. Mrs. Dabbs and the children are there with him.

This community is greatly saddened by the tragic accident that has probably taken the life of Mr. Cody Corbell. Cody lived in the community for many years as did his wife. I was told this morning

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

Throughout the land is heard the unbelieving and exasperated query of Mama Housewife when the Bureau of Labor Statistics announces that the consumer cost of living has only gone up one-half of a per cent, or some such similar rise.

"How come," they ask, "if the cost of living has only gone up that much that the pot roast I paid 79 cents a pound for three months ago is now 98 cents? How can you get a half per cent jump out of 19 cents more?"

What Mama Housewife does not know is that through a mathematical legerdemain only known to bureaucrats, the so-called consumer index of the cost of living does not actually reflect the true cost of living.

Some 200 different items and services are part of this index. Each item is weighted by some process known only to bureaucrats, as obviously the Almighty would have nothing to do with it, and this determines the cost.

Congressman Clarence Brown of Ohio recently threw some interesting light on this subject. He points out that between 1958 and 1964, the price of refrigerators in the consumer index increased \$237. But after the bureaucrats got through with their weird exercises in arithmetic, the consumer index actually showed that the cost of refrigerators had dropped 11 per cent.

Now the reasoning here is quite interesting. Even if the

consumer did have to pay out in cash \$237 for a refrigerator, it was actually costing 11 per cent less than the old one cost because the new model is self-defrosting and has more frozen food space.

And even though the prices of 1966 cars are up over the 1965 models, the same set of bureaucrats have determined they are actually 7/10ths of a per cent less in price because of added safety features.

And while Congressman Brown does not say so, presumably the Consumer Index will show that although people are having larger tax chunks taken out of their paychecks, they are actually paying less taxes because they are now supporting more bureaucrats.

But by arbitrarily reducing the price of items that are actually costing more in cash outlay, on the basis they are improved, the average is able to offset the higher cost for pork chops and thus establish that it actually is costing very little more to live. This is the greatest "con" game in history.

However, the Ohio solon points out that despite all this frantic juggling to make things appear they are just not so, in eight years the Consumer Index jumped from \$100 to \$112.

This, of course, as already indicated, is a grossly false figure. The true raise in the cost of living is something that would be difficult to figure, but all through the land Mama Housewife is becoming more and more skeptical of what the government tells her. She is wondering when those people ever push a shopping cart around the market.

Local Students Tell Of Recent Trip To Youth Meeting In Washington

Marla Bray and Richard White, winners of the eight-county Lyntegar area public speaking contest, told Rotarians of their "Government in Action Youth Tour" to Washington, D. C., at Tahoka Rotary Club last Thursday.

There were 85 Texans, including 12 chaperones, on the bus tour in June sponsored by the Rural Electric Cooperatives of Texas.

Following introductory remarks by Marla, the two gave a running account of the trip while color slides were shown on a screen.

Some of the highlights of the trip included, in addition to making new friends among other rural youth from over the state, attending the Grand Old Opera en route, a Congressional breakfast, a meeting with Senator Ralph Yarborough and Rep. George Mahon, hearing a talk from President Johnson, and participation in programs with other youth from over the nation.

On Youth Day, Richard revealed that Marla was the Texas team captain which won the panel discussion contest.

As pictures were shown, they described the places visited—Dallas at night, the buses and Texas delegation, the nation's capitol

building, Lincoln and Jefferson memorials, Washington monument, Mount Vernon, the Wax Museum, Arlington National Cemetery, President Kennedy's grave, Tomb of the Unknown Soldier, Iwo Jima monument, Archives Building, the White House, Supreme Court building, a cruise on the Potomac, Smithsonian Institute, Shrine of Immaculate Conception, and others.

They declared the trip a great inspiration causing them to reded-

icate themselves to be better Americans.

Harley Henderson, in charge of the program, introduced the speakers.

President Harold Roberts announced the upcoming Rotary Ann-Teacher banquet Monday night at 7:30 p. m. in the school cafeteria, to which all wives and wives or husbands of teachers and school officials are invited.

Garland Thornton invited Rotarians to ride the bus to the Halfway Experiment Farm meeting.

Senior boys Rotary guests for this month are Mitchell Williams and Milton Edwards.

AMERICAN FLAG?

Did you ever think you'd see the day when the American flag would have to be protected from Americans? Well, the day is here. How do you like it? that he used to have a service station here in Southland.

Was so sorry to hear that Mrs. Montie Huddleston is sick and has been in the Lamesa Hospital. She is at home now, and her daughter, Mrs. Jerry York from Bryan is with her.

Well—guess what? Southland won a football game last Friday night. It was just a practice (scrimmage) game with Whitharal, but we beat 30 to 6. We will be journeying to Bula this coming Friday night for our first real game of the season.

Friday night visitors in our home were Mr. and Mrs. Walter Wilke and Delores, and Mrs. Harley Wilke from Dimmitt, Mr. and Mrs. E. C. Stabeno, Lynn and Lawrence, and Mr. and Mrs. Marcus Wilke.

Edmund, Sherri, Darrell and Yours Truly attended the wedding of Cecil Stolle in Sweetwater on Saturday night. We also attended the wedding of Jerry Donahoo in Estelline on August 27th.

Hope to see you right here next week.
