"I wholly disapprove of what you say but will defend to the death your right to say it."—Voltaire

Volume 62

Tahoka, Lynn County, Texas, Friday, September 16, 1966

Number 51

Serving Tahoka
and Lynn County
Since 1903!

Library Board Size Increased

Six new board members, approved by the Commissioners Court, were inducted by the Lynn County Library board at its monthly meeting held Tuesday afternoon in the new quarters in the remodeled county building.

The new board members are Mrs. Pearl Davidson of Wilson, Mrs. Roger Blakney of New Home, Mrs. Warren Smith of O'Donnell, Wes Owen, Binie White, and Mrs. Harold Green, all of Tahoka.

Other board members include Garland Thornton, Mrs. G. M. Stewart, Mrs. Madeline Hegi, Mrs. Gladys Stokes, Robert Abbe, and Frank Hill, all of Tahoka; Dan Cook of Wilson, Mrs. Guy Bradley of O'Donnell, and Mrs. N. B. Hancock of New Home.

Garland Thornton, board president, outlined to the group progress the past year in updating the library and some of the plans for the future.

He appointed a nominating committee composed of Mrs. Stewart, Mrs. Hegi, and Mrs. Stokes to present a new slate of officers at the next meeting of the second Tuesday in October at 5:00 p. m., when a new president, vice president, secretary, and treasurer are to be elected.

The group voted special thanks to the Commissioners Court for the fine new quarters, to the City of Tahoka for help in the past, and to others who had a hand in the moving process.

Plans for adding new books and extending more service to people over the county are in the making.

O. E. Eubank Rites Saturday

O. E. Eubank, 61, well known Tahoka farmer, died at 1:20 a. m. Thursday in Houston. He had been in ill health several years, and had gone to Houston a month ago for treatment at M. D. Anderson Memorial Hospital.

Funeral services will be held Saturday at 2:30 p. m. in First Baptist Church of Tahoka with Rev. Joe Webb of Brownwood and Rev. Phillip Goodrum of Ropesville, both former pastors of Sweet Street Baptist Church, officiating. Burial will follow in Tahoka Cemetery under direction of White Funeral Home.

The body is expected to arrive here Friday morning.

Ollie E. Eubank was born in Tennessee August 8, 1905, and moved to Johnson county, Texas, early in life. He was married to Mrs. Mildred Nowlin in 1952 at Grandview, and the couple moved to Tahoka soon afterward. They built a modern brick home on the farm six miles east of Tahoka.

He was an active member of the Baptist Church, and was a member of Tahoka Rotary Club several years.

Survivors include his wife; the children, Thomas Dean Nowlin, Santa Rosa, Calif., and Mrs. Joe Webb of Brownwood; seven grand-children; two sisters, Mrs. Allene Dawson of Waxahachie and Mrs. Ida Lou Taylor of Houston; three brothers, Herman Eubank of Waxahachie, Marvin Eubank of Kleberg, and Obie Eubank of Maypearl.

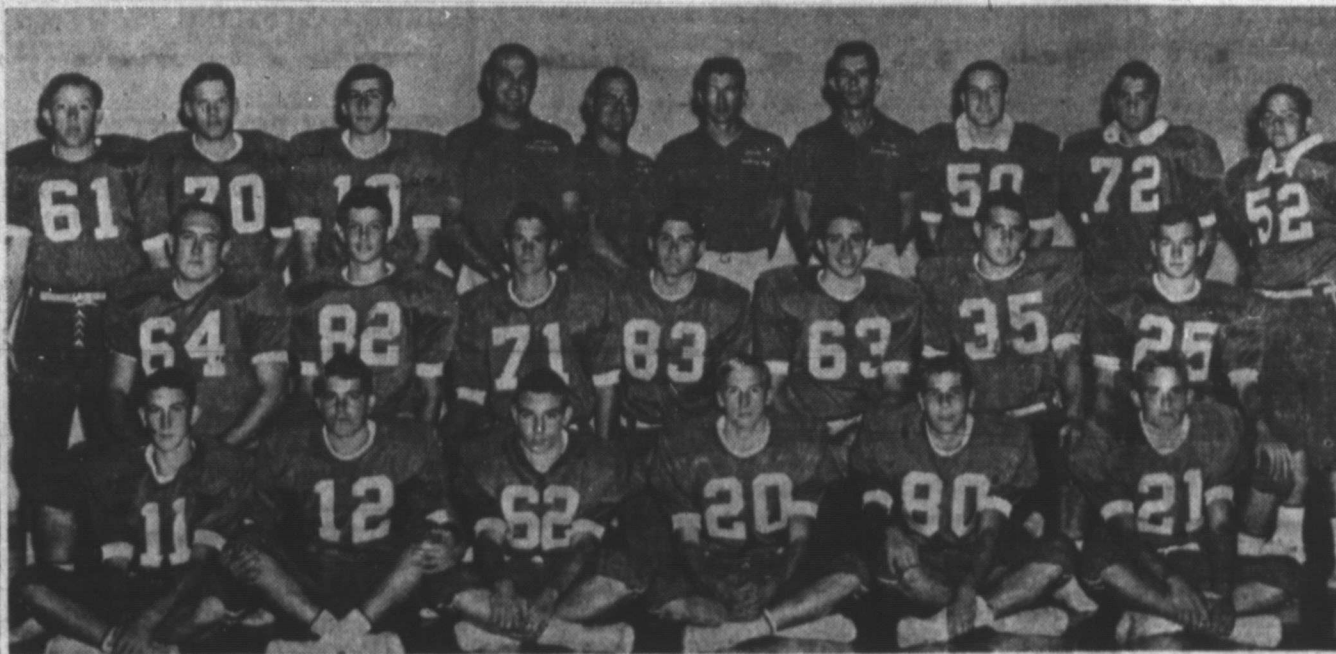

Serving as pallbearers will be Rex, Ronnie, Eldredge, Herman Jr., and Max Eubank, Bob Taylor, Ed Dawson, Marlin Hawthorne, and E. R. Morris.

Fire damaged or destroyed 41, 700 U. S. store building last year.

Wilson Revival Begins Sunday

The First Baptist Church of Wilson will begin a series of meetings on Sept. 18 which will continue through Sunday, Sept. 25. Bro. Paul Nelson, pastor of First Baptist Church of Meadow, will be the evangelist, and Bro. James Hollars, minister of music and youth in First Baptist Church of Tahoka, will be leading the singing. The morning services will begin at 10:30. The evening services will begin with choir practice and prayer meeting at 7:30, followed by the congregational service at 8:00.

Benny Hagan, pastor at Wilson, says "The purpose of these meetings is two-fold. First, through worship in singing, preaching, praying and fellowship, we hope to be so aware of the presence of the Living Christ that our lives shall be challenged and transformed to do His will in every area of our living. And, second, that the simple and dynamic gospel of Christ which will be preached will draw all unsaved to the Saviour. We would be glad to have any of you worship with us."

Booster Club Seeks Members

Bulldog Booster Club has a large turnout for its meeting Tuesday night in Community Center following the junior games, and membership chairman Jimmy Bragg reported 182 members signed at that time.

Coach Don Smith showed films of the Lorenzo game and discussed the game and progress.

Coach Robert Ryan gave the scouting report on the Lockney-Crosbyton game.

Membership goal of the club is 300. Last year there were 217 members, and all funds raised were used to buy a whirlpool bath, blazers for basketball and football boys, and other equipment.

At the meeting, the club voted to buy a new victory bell, and considered the cost of enlarging the press box to give extra room for game photographers, buying or leasing an extra camera, and paying a scout to cover scouting duties.

Officers are Mr. and Mrs. W. T. Kidwell, president; Mr. and Mrs. Mitchell Williams, vice president; Mr. and Mrs. Robert Edwards, treasurer; and Mr. and Mrs. Jarrell Thurman, secretary.

Next meeting will be Monday, 7:30 p. m. in Community Center. All fans are invited to attend, join the Boosters, and help the Bulldogs.

HAS SURGERY

Tom Hale underwent surgery on his right ankle Wednesday in Lubbock's Methodist Hospital, according to a daughter, Mrs. Roy Stephens. Mr. Hale had also had surgery on the ankle two weeks ago.

More than 7,000 schools and colleges were destroyed or damaged by fire in the U. S. last year.

Tahoka-Crosbyton Game Here Today

Fresh from a 45-0 whitewash of the Lorenzo Hornets, Tahoka Bulldogs open their home football season tonight, Friday, at 8:00 p. m., on revamped Kelley Field against the always tough Crosbyton Chiefs.

Coach Don Smith and his assistants have been working with the boys this week trying to iron out flaws and weaknesses.

Naturally, they were highly pleased with the showing at Lorenzo, but the coaches are quick to point out the Bulldogs simply got the jump on the Hornets and really may not be that much better than were their opponents.

Coach Smith, however, hopes he can keep up the boys' spirit and aggressive attitude on both of offense and defense. Although 46 boys are out for football, all but about 13 are young or inexperienced and must yet prove their mettle. He said he may again suit up as many as 25 boys for tonight's game.

From here on, the Bulldogs have a very tough schedule and will have to be up for every game.

The Bulldog team was given some added depth this week when Mike Chandler, 170-pound senior, reported for workouts. He will probably be seeing action at end and fullback.

Although Crosbyton lost to Lockney Longhorns 9 to 19 last Friday, all Tahoka knows that when former local coach Deane

(Continued on Back Page)

Sgt. Hal Alexander Home From Vietnam

Sgt. Hal P. Alexander arrived home Friday from Vietnam and left Thursday for Fort Polk, La., where he is assigned to duty. He is a son of Mrs. R. Riley.

Sgt. Alexander says conditions are not quite like the impressions given State-side citizens. Most of the people in Vietnam sincerely want peace, freedom, and democracy. The troubles aired by news correspondents are not as bad as pictured. He thinks it necessary that we stop the spread of Communism right now in Asia. However, warfare in the jungles is a very difficult thing for Americans or anyone else, because, for one thing, the Communists are hard to determine from loyal South Vietnamese.

COMPLETE NEW HOME

Mr. and Mrs. B. B. Street have moved into their new brick home on North First. Blanton's family pioneered in Scurry and Borden counties, and Mrs. Street's family, the Rodgers, were also early settlers. Mr. and Mrs. Street first moved to O'Donnell in 1910, lived in Tahoka once, and now have returned here since retiring.

About 52,600 industrial plants were hit by fire in the U. S. last year.

Benefit Party At New Home Tonight

The New Home Quarterback Club is sponsoring a benefit card and "42" party tonight, Friday, in the school cafeteria, announces L. H. Nettles.

Proceeds from the event, which gets underway at 8:00 p. m., will be used for purchasing several items the New Home squad is in need of. Admission to the party is \$1.00 per person and refreshments will be free.

All neighboring towns are invited to the event for a night of fun and fellowship.

New Home team is idle tonight and will begin conference play Sept. 23.

State HD Meet Begins Wednesday

The Fortieth Annual Convention of the Texas Home Demonstration Association will be held at the Robert Driscoll Hotel in Corpus Christi next week, with the first session beginning the morning of September 21.

Club members who have been longed since THDA was organized in 1926 will be honored.

Two chartered buses will be going from this district, and will leave Lubbock at 5:00 a. m., September 20.

Attending from Lynn County will be Mmes. Leland White, Willie Nieman, Benny Ross, Guy Witt, Roy Poer and Wilmer Smith. Mrs. White is a member of the state recreation committee and will assist in conducting the state workshop.

Industrial Development Is Launched By SWPC

Southwestern Public Service Company is embarking on an expanded industrial development program, it has been announced by W. L. Pearson, vice president and industrial manager for the electric company.

Larry S. Milner, who has been an industrial development consultant with the Texas Industrial Commission, will become manager of industrial development at Southwestern Public Service, Pearson said.

Pearson also announced that an industrial development seminar for the company's managers will be held at the Southwest Service Center in Amarillo on September 22nd.

Milner, who is a native of Brownwood, has been with the Texas Industrial Commission since 1964. Prior to that time, he was

\$7.5 Million Crop Program Checks Will Boost Economy

Berl Huffman Speaker As Teachers Honored

Nearly 200 people attended the annual Rotary-Teacher banquet Monday night in the school cafeteria when Berl Huffman, humorist, grass-roots philosopher, and Freshman football coach at Texas Tech, made a plea for return to basic principles in education.

The meeting is held each year to honor school teachers and other personnel, and Harold Roberts, Rotary Club president, served as master of ceremonies.

Four teachers were singled out for special honor when James F. Roberts, school board chairman, presented service awards to Mrs. Rhoda Roberts for 20 years service as a teacher; V. P. Carter, 20 years; Mrs. Lennie Cox, 10 years; and Mrs. Jimmie Wyatt, five years. Roberts announced this award presentation is expected to be made an annual event of the banquet.

Supt. Harold Reynolds introduced the central office personnel, Principal Floyd Tubbs expressed thanks to the club from the faculty and introduced North Elementary teachers; Principal Clifton Gardner, High School and Junior High; and Principal J. B. Howell, South Elementary.

After dishing out some humor and philosophy, Coach Huffman got right into the meat of his talk by declaring he had been in the teaching business a long time, had taken a lot of courses in education and psychology. "But, from observation, I'll take the I WILL over the IQ any day."

He said representatives of big industry who come to Tech looking for young men and women are more interested in this "I will" (Continued on Back Page)

New Home School Budget Adopted

The New Home school board met Tuesday, Sept. 6, and adopted a budget of \$269,576.00 for the 1966-67 school year, announces Supt. W. S. Talley.

The budget hearing will be held Tuesday, Oct. 4, at 7:30 p. m. Money was also accepted from the Federal Government for Title I PL 89-10 in the amount of \$6,795.00.

Members of the board also approved the employment of Mrs. Lucy Miller to teach a section of the first grade.

Supt. Talley states that 477 students are now enrolled in the New Home schools.

Rain Thursday Harm To Crops

Tahoka received .95 inch of rainfall in a hard shower Thursday morning, about the last thing farmers want at this point as too much rain is now delaying maturation of crops and halting harvest of milo.

Also, County Agent Bill Griffin reports, the extended rains and cool, damp and cloudy weather are causing rust and verticillium wilt and many bolls to turn black and fall to mature in cotton.

Thursday's rain was presumed to be general over the area. Rainfall for September has totaled 2.21 inches in Tahoka, and 4.43 inches were measured in August.

Williams Test Is Dry Hole

C. R. Walbert of Oklahoma City et al this week declared the No. 1 Carl Williams wildcat Sprayberry oil test on the Carl Williams farm a dry hole and abandoned the venture at 5,031 feet.

The test was five miles south of Tahoka, 770 feet from the south and west lines of Section 2, Block 8, EL&RR survey.

W. Ridley Wheeler Estate has announced location for No. 1 Callie Lumsden, 5,000-ft. Glorieta test just outside the east city limits of Wilson and east of the new Miriam Green discovery. Location is 4,607 feet from the north and 5,911 feet from the west lines of League 4, Wilson County School Land survey.

Bicycle Riders Warned To Keep Off Of Sidewalks

Some of the local merchants are beginning to complain of the many youngsters who are riding bicycles on the downtown sidewalks, states Jack Miller, chief of police.

Just this week, a youngster fell against a large plate glass window, but luckily the glass did not break. Incidents such as this could cause serious injury as well as be expensive.

Tahoka's young citizens are reminded not to ride their bikes on the walks in town and to be "courteous as well as careful at the wheel."

O'Donnell Farm Sale Is Saturday

O'Donnell Young Farmers chapter is conducting a community farm sale on Saturday, Oct. 8, according to Tommy Gardhire.

Anyone who wishes to consign supplies or equipment should get in contact with one of the following Young Farmers: Tommy Gardhire, Harold Sanders, Harold Hohn, Freddy James or Jim Mac Burkett.

Those desiring to consign items should do so within the next week.

Commission rates are 5% above \$100.00 and 10% below \$100.00.

BARTLEY IN RACES

Floyd Bartley of Wilson placed Saturday evening in races at Arena Park Raceway, Lubbock, with a second place and two third places. He was racing in the coupe division in a car owned by Eakin-Bishop of Wilson. The coupe will run again this evening with Jack Bishop as the driver.

Government price support and diversion payment checks totaling about \$7.5 million dollars are being mailed Lynn county farmers by the local ASCS office, states Wallace Dove, office manager. These payments should make a big impact on the county's economy at this time.

However, Mr. Dove says farmers to be patient as all can not be mailed at once because of long, tedious details of figuring each farm. He hopes to have most checks in the mail before October 1.

"As soon as humanly possible," Dove says, "We will mail out checks totaling \$6,083,567.03 on the cotton program and \$1,483,520.49 on the feed grain program for a total of \$7,567,087.52."

Advance payments made earlier this year totaled \$991,729.31 on the cotton program and \$266,076.73 on feed grain.

Payments on cotton price support and acreage diversion on 1439 farms this year will average \$4,916.81 per farm. Feed grain diversion and price support payments on 1288 farms will average \$1,151.80 per farm. This totals an average of \$6,068.61 per farm cotton and feed grain, which really is not a true average but gives a picture of the amount of money being paid out.

Cotton Payments Explained
Local ASCS office records show that the 1439 farms participating in the cotton program had 118,000 acres eligible for payment. Average yield is 402 pounds per acre, and the support price for compliance is 9.42 cents per pound of lint cotton, or \$37.87 per acre, or a grand total of \$4,468,660 in price support payments.

In turn, farmers diverted 61,754 acres of cotton land, for which they are being paid 10.5 cents per pound for the 402 pounds per acre they would theoretically would have raised, or \$42.21 per acre, or \$2,606,636.34 for diversion payments on the total of 61,754 acres in the county.

These two payments total \$7,075,296.34, of which \$991,729.31 has already been advanced earlier this year, leaving \$6,083,567.03 to be paid the farmers now.

Milo Payments Large

With 1288 farms participating, there are 68,513 acres of milo eligible for payments at \$14.42 per acre, or \$987,957.46 in diversion payments. Price support on 96,658 acres at \$7.72 per acre brings in a total of \$761,639.76. Thus, the diversion and price support payments total \$1,749,597.22, of which \$266,076.73 was made in advance payments earlier this year, leaving \$1,483,520.49 in feed grain payments to be made now. Grand total of cotton and feed grain payments being made this year is \$8,824,893.56.

Patience Requested

Mr. Dove requests: "Your consideration in giving us time to figure these payments will help us to check the payments for accuracy, and in turn the office will be able to treat you, the farmer, more fairly and in the long run this will permit us to give you better service."

This is a lot of money, Lynn has a lot of contracts involved, and Dove says the ASCS office is trying its best to check every way for accuracy so there will be no mix-up in checks or records.

Warren Smith, head of the sanitation department for the City of Tahoka, twisted an ankle while on the job Monday morning and will be off the job for a few more days.

Miss Barda, Rotary Student Guest. Tells of Italy, Impressions of U. S.

Miss Claudia Barda, 23, from Milano, Italy, who has been spending the summer here under a program sponsored by Tahoka Rotary Club in cooperation with the Experiment in International Living, a non-profit organization, was the speaker at the local club last Thursday.

She leaves this week end for New York and then home. She is the 12th foreign student visitor the club has brought to Tahoka in as many years.

She is a graduate of Law School of Milano University and will now work 18 months in a law office before setting civil law practice.

In her talk, she told of her own country, her travels, and some of her impressions.

Milano, in northern Italy, is an industrial city of two million people, close to the Alps and is very cold in winter.

Her father is in the import-export business, her mother a housekeeper, and she has a sister 21 years of age.

Unlike American universities, the school there is scattered over town, classes are scattered, and much is left up to the student to gain knowledge but then must prove himself or herself in rigid examinations. She revealed she had also studied nearly six months in Cambridge University in England and in another college in Holland.

Because she likes people and likes to "get the feel" of other nationalities, she said she had traveled France, Yugoslavia, Belgium, Greece, Turkey, Israel, and Libya.

She was surprised to see so many cars in the American cities, but said people in her country liked to walk a lot, by choice as well as necessity, and there were

greater crowds in down town areas.

By attending a court session, she found our courts much more informal than those in Italy, where jurists wear gowns and there is much formality.

Young people of Italy do not have nearly so much freedom. There are not too many young marriages, as most young people do not marry before about 23. One reason, she thinks, is divorces in Italy are not permitted, almost, largely because Italy is predominantly Catholic and the Catholic Church has not in the past recognized divorces. She thinks Italian young people, therefore, give more thought beforehand to marriage.

She was especially impressed by the largeness of our country. Traveling across it, she said, made her "feel so little". She was also impressed with the large size of Texas men.

She expressed appreciation for the opportunity to visit the U. S., Texas, and Tahoka and gave special thanks to the Rotarian families with whom she had lived.

Harold Green, in charge of the program, introduced Miss Barda.

Following her talk, a gift was presented her by the club president, Harold Roberts.

Student guests for the month, Mitchell Williams and Milton Edwards, were introduced by the club sweetheart, Marla Bray.

J. O. Garlington Buried Tuesday

J. O. Garlington, 77, of Lubbock and formerly of Littlefield, who died Saturday in Baptist-Giatric Hospital in San Angelo, once had a grocery store in Tahoka in the Knight building and had the Piggly Wiggly franchise for a while.

The store closed out in about 1940. Mr. Garlington had a number of acquaintances here.

Funeral services were held Tuesday at 10:00 a. m. in Lubbock First Methodist Church.

If the children run out of things to do on rainy days, arrange a painting session. Give them food coloring and cotton-tipped swabs, and let them color newspaper pictures or decorate brown paper bags.

WILSON NEWS

Mustangs Win First Game

The Mustangs hosted the Lazbuddie Longhorns in their first game Friday winning 27-0. They will play on home field against Jayton this Friday night.

A flag raising ceremony was performed preceding the game. The 1966 Wilson Seniors donated a new flag pole to the school, which is located at the south end of the field. The Band played the National Anthem as the flag was raised in the ceremony. The 1966 Seniors donating the flag pole are: Sandra Koslan, Jeanie Hewlett, Katherine Nolte, Mike Riney, Vicki Young, Ralph Velasquez, David Tucker, Marilyn Wuensche, Carolyn Clary, Gary Williamson, Jerry Moczygamba, Diane Martin, Carol Talkmitt and Donald Holder.

Floyd Heck was the announcer at the ballgame, and stated the 1966 Seniors would be remembered at each game, as the flag is raised. The Mustang Band gave a fine performance at halftime, led by Drum Major Lynda Melugin, head majorette Gini Gatzki, Roni Ramby and Theresa Holder. Band director is Coy Cook.

Junior High Football Games
 Sept. 22—Sundown there, 5:30.
 Oct. 6—Cooper there, 7:00.
 Oct. 13—Meadow here, 7:00.
 Oct. 20—O'Donnell here, 5:30.
 Oct. 27—New Home here, 7:30.
 Nov. 3—Ropesville here, 7:00.
 The Junior High band will march in two games this year.

Enrollment For Wilson
 Kenneth Baker, principal of WHS reports that a total of 409 students are enrolled for this school year. There are 241 in Elementary grades, 72 students enrolled in Junior High and 96 students in High School.

Get-Acquainted Dinner
 Tuesday, Sept. 6, the school board and faculty of Wilson Schools enjoyed a get-acquainted steak dinner at the school cafeteria.

Sunday visitors in Mrs. Katie Nieman's home were Mr. and Mrs. Frank Schneider, Mrs. E. W. Gindorf of Post, Mrs. Fred Steinhauer and Mrs. Willie Neinst of Littlefield.

Mr. and Mrs. Ted Melugin, Lynda and Troy travelled to Canyon, Sunday afternoon to accompany their son, Terry, who is attending college at West Texas State.

Pat Campbell was dismissed from Lubbock Methodist Hospital Wednesday of last week after undergoing surgery.

New Arrival
 Congratulations to Mr. and Mrs. Coy (Carolyn) Rinne, Rt. 2, Wilson, upon birth of an 8 lb. son, Darrin Douglas, born Sept. 9th in Slaton Mercy Hospital. Maternal grandparents are Mr. and Mrs. Juel Bradshaw of Slaton. Paternal grandparents are Mr. and Mrs. Meeks Rinne of Wilson.

Mrs. Ted Melugin and Mrs. Mae Melugin of Slaton visited Mrs. Coy Rinne and new son, Darrin, in Slaton Mercy Hospital Friday afternoon. The new baby is the first great-grandson of Mrs. Mae Melugin.

Enrollment At St. Paul's
 Robert Esch is new principal of St. Paul Lutheran School in Wilson. He formerly taught school in Herkimer, Kansas, and now teaches grades 4 through 7. Nancy Wuensche is teacher of grades 1 through 3 at the school. Mr. and Mrs. Carl Bielefeldt and children moved in mid-July to Houston. Mr. Bielefeldt was formerly the principal of St. Paul School.

A total of 39 students are enrolled at St. Paul's Lutheran School for this year.

Reunion in Oklahoma

Mr. and Mrs. Floyd Wilson and Linda attended the Thornton family reunion near McAlester, Okla. in Robbers Cave State Park, the week end of Sept. 4th. Over one hundred relatives attended during the Labor Day week end.

Wilson HD Club News
 The Wilson Home Demonstration Club renewed its meetings after the summer holidays, Friday, when they met in the home of Mrs. David Peterson. The new county home demonstration agent, Ann Duncan, met with the club for the first time. A general discussion of the upcoming programs was held. Refreshments were served to members attending. The club meets the first Friday of each month.

David Peterson, local owner of Peterson's plumbing and appliance shop, left Saturday morning to attend a refrigeration school in Pomona, Calif. Bill Fellers, engineer of Morrison Supply in Lubbock, and Jack Parks of Slaton Sheet and Metal accompanied him. They will attend classes from 8 until 4:30 p. m. each day, returning home Sunday, Sept. 18.

MYF District Meeting
 The MYF district meeting will take place in Brownfield Sept. 17. The theme of the program will be, "As The World Turns." Sack lunches and soft drinks will be served to a large group of young people and counselors from throughout the area.

QB Club Has First Meeting
 The newly organized Quarterback Club met for the first time Monday night at 8:00 in the school cafeteria. Films of the first football game were shown and coffee and doughnuts served at the meeting. Anyone wishing to join the club may do so for \$5.00 per family or \$2.50 for individual. Mr. and Mrs. Milton Wied are presidents of the Quarterback Club and Mr. and Mrs. Jerry Don Ross, vice presidents.

Community Calendars
 Remember to send your order in to the school or give it to a WHS senior student for your Community Birthday Calendar. 50c per calendar or 25c for birthday or anniversary listed.

Texas crude oil produced in 1965 was valued at almost three billion dollars.

Mustang Club Meets

The Mustang Club met Monday night at 7:30 in the school cafeteria. It was decided upon to have a Mexican supper Oct. 7th before the Cooper game. A food committee was set up and time of the meal will be listed in this column later.

Also chairmen and concession stand workers were selected for this school year for the football games. Chairmen are Mrs. Olen Crews for High School football, Mrs. Monroe Talkmitt for Jr. High football, Mrs. Russell Moore for High School basketball, and Mrs. Glynn Moore for Junior High basketball.

The concession stand workers will be contacted by the above chairmen. Any voluntary workers will be appreciated. The next Mustang Club meeting will be Friday at 9:00 a. m. Sept. 30th in the high school auditorium. All Mustang mothers are requested to be present.

Concession stand workers for Friday, Sept. 16 at the Wilson-Jayton game are as follows: Mr. and Mrs. Dale Zant, Mr. and Mrs. Russell Moore, Mr. and Mrs. S. H. Verkamp, Mr. and Mrs. Jiggs Swann, and Mr. and Mrs. Leroy Scott.—Reported by Mrs. E. C. Stabeno, sec-treas. of the Mustang Club.

Maekers Attend Reunion
 Mr. and Mrs. Hugo Maeker attended the Maeker reunion at Shiner, Texas the week end of Sept. 11th. Mr. and Mrs. Walter Maeker, Valton Maeker and Mr. and Mrs. R. J. Maeker also attended. Hugo Maeker's cousin, Laura Doehme of San Antonio returned with them for a week's visit.

Miss Berta Hill of Seguin and Mrs. Myrtle Rochelle of Lubbock were here Saturday visiting Mr. and Mrs. Frank Hill.

The cost of fires in the United States exceeded \$1.76 billion last year, National Fire Protection Association figures show.

Fire damaged or destroyed 41,700 U. S. store buildings last year.

Young Farmer Meet At Snyder

Tahoka, New Home and O'Donnell Young Farmers and Young Homemakers will attend the Area II fifth annual convention and awards banquet along with about 400 other young farm people in Snyder this Saturday, Sept. 17.

Senator John Tower will be the principal speaker at the afternoon session, and Rev. Leon Hill of Amarillo, noted humorist, will be the main speaker at the awards banquet Saturday night.

Several Lynn county young people will appear on the program of the meeting, and Lyntegar Electric is one of the commercial firms sponsoring awards.

Jimmy Williams of Tahoka is Area II vice president of the Young Farmers, and R. L. Dulin of New Home is the publicity chairman.

Mrs. Gala Hohn of O'Donnell will present the outstanding Homemaking Chapter award, and Mrs. Lena Williams of Tahoka will present the Homemaking publicity awards.

Jimmy Williams of Tahoka will present the Outstanding Young Farmer New Chapter award, and R. L. Dulin of New Home will present the Young Farmer publicity awards.

Joe Brooks is president of the Tahoka Young Farmer Chapter, and V. F. Carter and Lester Adams are advisors; R. L. Dulin heads the New Home Chapter, and W. R. Ballard is the advisor; and James Reed, vocational agriculture teacher, is president of O'Donnell Chapter.

More than 7,000 schools and colleges were destroyed or damaged by fire in the U. S. last year.

Wilson Bowling Trophies Given

The Wilson Couples Bowling League completed summer play last week and gathered Saturday evening to receive awards.

League president Floyd Wilson and secretary Linda Clary presented trophies to the following teams:

First team, Steinhauser and Steinhauser; second team, Cooks and Crowson; third team, Weaver and Crowson.

First series, Alexander and Follis; second series, Henderson and Slone; third series, Weaver and Crowson.

First high game, Swann and Scott; second high game, Lamb and Henderson; third high game, Clary and Heck.

Individual trophies were won by: Sam Kirbie and Violet Stone, first high series; John Alexander and Linda Clary, second high series; and Bob Lamb and Linda Slone, third high series.

First high game, Gary Houchin and Violet Stone; second high game, Alfred Clary and Pearl Gickhorn; third high game, Oscar Follis and Sue Weaver.

Best sportsmanship trophy went to Team 5, Mr. and Mrs. Virgil Henderson and Mr. and Mrs. Robert Lamb.

Plaques were presented to Margaret Bartley and B. W. Hobbs as most improved bowlers.

Crying towels were presented to the lowest scratch bowlers, Melvin and Shirley Menzel, and the last place team, the Clarence Churches and Zolzie Moores.

Venita Hobbs was cited as the person who enjoyed the league most.

A drawing was held for door prizes and winners were:

Bowling bag, Houchins and Menzels; bowling shoes, Sam Crowson and V. Steinhauser; bowling ball, Robert Lamb.

New officers elected for next year's league include: president, Robert Lamb; vice president, John Henderson; secretary-treasurer, Linda Clary.

Following the business session the league had an ice cream party in the school gymnasium.

Mrs. Stark Gets Nurse's Diploma

Mrs. Jack (Mary Ann) Stark of Seagraves received her school diploma and nurse pin with seven other graduating nurses from the Yoakum County Hospital School of Vocational Nursing Thursday night in commencement rites in the Denver City First Baptist Church.

Mrs. Stark successfully completed a year-long intensive training course which included actual nursing experience in the wards of the Yoakum County Hospital. The graduating class and their instructor, Mrs. Bonny Heath, RN, were also honored with a surprise luncheon party given Thursday noon, at the Club Cafe in Denver City.

Mrs. Stark is the daughter of Mr. and Mrs. Hubert Tankersley.

JERRY PERKINS HERE

Miss Jerry Perkins of 511 Chesterfield Dr., Apt. 9C, Nashville, Tenn., returned to her home last Thursday following a week's visit here with her parents, Mr. and Mrs. P. L. Perkins. Jerry is a graduate of Howard Payne College in Brownwood and is employed by the Southern Baptist Sunday School Board in Nashville.

About one-half of annual cotton consumption goes into the production of clothing.

Local People Hear Freeman

About 50 or 60 Lynn county people attended the annual field day of High Plains Research Foundation at Halfway, west of Plainview, Thursday of last week. Viewed scores of experimental crops, new farm equipment, heard a talk by Secretary of Agriculture Orville L. Freeman, and enjoyed a barbecue supper.

Forty people rode a chartered bus to and from Tahoka furnished by First National Bank, and others went by car.

Several reported they were favorably impressed by Mr. Freeman's talk and were encouraged into believing he is trying to do some things that will help South Plains agriculture.

Freeman stressed a goal of full parity of income for farmers with their city cousins by 1970.

He also cited expanding markets for feed-grain both domestic and foreign and the reduction of milo surpluses. Although "unproved but promising," he said there are hopes the program will reduce cotton stocks and improve the picture for this staple as it has for grain sorghums.

Rep. George Mahon, who was scheduled to be present also, was unavoidably detained in Washington.

"Pete" Hegl, bank president, says the day was much more enjoyable than last year because of pleasant cloudy weather and an absence of dust. Trailers were used to haul the 8,000 visitors on inspection tours over the 312-acre farm.

Social Security Numbers Needed At ASCS Office

If the ASCS county office asks you what your Social Security number is, please don't think you are being singled out for special attention, cautions Wayman Smith, chairman, Agricultural Stabilization and Conservation County Committee. The number is needed by the Internal Revenue for identification purposes in connection with farm program payments.

Many farmers have already filed Form 3435-A with the county office, listing their social security or employer identification number. Requests for the information were mailed last fall to each known producer who receives program payments. Producers who receive direct program payments and who have not yet filed the form, however, are asked to forward the information to the county office by Oct. 1, 1967.

For 1966, ASCS must report to the Internal Revenue Service any sight draft payments of \$600 or more under direct payment programs. This includes the Agricultural Conservation Program; the feed grain, wheat, and cotton programs; the wool incentive payment program; and others.

And, beginning January 1, 1967, and each year thereafter, all such sight draft payments made to producers under these programs, will be reported to IRS without regard to the amount. Producers will be advised annually of the program payment reported to IRS, beginning with payments made in 1967.

Identifying numbers are already being used in payment-reports which banks and other paying agencies make to IRS, as required under the Internal Revenue Code. Any questions about this matter should be taken up with the ASC County Committee.

Cottonseed meal is rich in nitrogen, phosphorus, and potash.

Something pretty for the tourists! An attractive new counter display invites travelers to "Discover Texas" by taking a postcard, and mailing it for a free, colorful packet of Texas travel literature. Potential Texas travelers will receive the Texas Highway Department's complete packet of travel information, including the latest Official State Highway Map, Texas Calendar of Events, State Parks Guide, and an impressive 32-page color brochure. The counter display, with a supply of postcards, is available free from the Texas Highway Department in Austin.

Gordon-Southland News

(By Mrs. Edmund Wilke)

Mr. and Mrs. Harlan Basinger spent a week recently in the home of his parents, Mr. and Mrs. W. A. Basinger. Also visiting in the Basinger home were Mr. and Mrs. Don Basinger from Petersburg, Mr. and Mrs. Clyde McGinley from Kingsland, and Mr. and Mrs. Tony Basinger and children. Mrs. McGinley is the mother of Mrs. Harlan Basinger.

Mr. and Mrs. Herbert Dunn received very good news recently. Their son, E. L., who has been with Uncle Sam's service for the past four years, received his discharge on September 10th at Blytheville, Arkansas. E. L. is going to continue to live in Blytheville and will be working with an Architectural firm.

Jackie Dunn and Larry McNeely went to New Orleans recently, and report that they had a wonderful and interesting week.

Larry McNeely, who works with the Santa Fe Railway has been transferred to Ft. Worth.

This community is fixing to lose a family that has lived here a long, long time. Mr. and Mrs. R. L. Haliburton are planning on moving to Dennison sometime in the near future. We sure do hate to lose the Haliburtons, because they have always been such wonderful friends and neighbors.

Mrs. Loyd Hagens was confined to Highland Hospital in Lubbock for several days. She is at home now and we hope that all goes well.

The Pleasant Valley Home Demonstration Club will meet this Thursday and I will have their news for you next week.

The "Distortions" will play on Thursday night at the Slaton Farmer-Merchant Presentation Dinner. Good luck boys!

The members of the Pleasant Valley Baptist Church gave their pastor, Brother Joe Green, a going-away dinner on Sunday. Bro. Green has resigned and Sunday was his last Sunday at Pleasant Valley. The members presented him with a beautiful white bedspread.

Visitors in the home of Mr. and Mrs. Carl Payton last week were Mr. and Mrs. W. H. Belcher from Lemitar, New Mexico. They are the parents of Mrs. Payton. Also visiting were Mr. and Mrs. Bruce Payton, Judy and Bill, from Bayfield, Colorado. Mr. and Mrs. Bruce Payton also visited with Mr. and Mrs. J. W. Payton. Mrs. Carl Payton will be leaving sometime soon to fly to Rhode Island to visit with her daughter, Linda, and husband.

Mr. and Mrs. James Mason and Mike attended the football game on Friday night at O'Donnell. After the game they visited in the home of Mr. and Mrs. Jack Webb.

Mr. and Mrs. Floyd Foerster and children and Mr. and Mrs. Junior Becker and boys were Sunday dinner guests in the home of Mr. and Mrs. Willie Becker.

Speaking of football games: Last Friday night Southland went to Bula to play and we came out the winners, 60 to 0! Making the touchdowns for Southland were Jackie Abshire 2, Dennis McGehee 2, Larry Lockridge 1, David Dabbs 1, Stanley Abshire 1, and Raul Salinas 1. Making the extra

points were: Bill Bevers, Joe Basinger, David Dabbs, Habier Salinas, Jackie Abshire and Dennis McGehee. The crowd went wild when two of the freshmen, Larry Lockridge and Stanley Abshire made touchdowns. It was a good way for Southland to start off the season. Let's hope that we can keep it up!

Edmund and Yours Truly visited in the home of Mr. and Mrs. Alvin Becker on Sunday. See you next week, that is, if you call me your news.

Mike Curry In Naval Training

San Diego — Seaman Recruit Dewey M. Curry, USN, son of Mrs. Elnoora Curry of Tahoka, is undergoing nine weeks of basic training at the Naval Training Center here.

He is receiving instructions in Naval customs, courtesies and organization, ordnance and gunnery, seamanship, damage control, first aid, swimming and survival, shipboard drills and sentry duty.

A program of physical fitness, military drill and inspections keeps the recruits mentally and physically alert during their training.

His Navy classification tests will determine whether he will be assigned to a school, shore station or ship after his graduation.

Visitors in the home of Mrs. Corine Izard last week were Mr. and Mrs. Harry Coleman of New Albany, Miss. Mrs. Izard returned home just recently from spending three weeks in San Antonio with Mrs. Ruth Pennington and children.

Mission Meeting Is At Levelland

A Fall Mission Study Conference of the Brownfield District of the Methodist Church will be held Monday night, September 19, at the First Methodist Church in Levelland. The meeting will begin at 6:00 p. m. and will be the first of its kind in West Texas.

A change has been made in securing information for special studies of the Methodist Church, and at the conference detailed information will be given for the studies, "Affluence and Poverty" and "Christian Being and Doing."

Persons to attend from each local church in the district will be the pastor, members of the Commission on Missions, the secretary of Missionary Education of the W.S.C.S., two representatives from the Commission on Education, the charge lay leader, and all other persons who will be helping conduct the studies.

Representatives will be going from the O'Donnell, Draw, Grassland, Tahoka, Wilson and New Home churches of this area.

Visitors Attend Rebekah Lodge

Visitors from Lamesa, Brownfield and Lubbock attended a regular session of Tahoka Rebekah Lodge No. 209 on Tuesday night. Twenty-two members were present.

Noble Grand Dale Singleton presided and balloting was conducted on one application for membership. Initiation will be next meeting night, Sept. 27, at 7:30 p. m.

A birthday gift is to be mailed this week to Glen Greer of the Orphan's Home at Corsicana. Glen was adopted by the lodge about four years ago and will be 13 years old Sept. 22.

Bro. Ed Hamilton entertained the meeting by showing slides taken during his recent trip to the Holy Land and other points in Europe.

A salad supper was served to about 50 persons at the close of the meeting.—Reporter.

HOOD COUNTY REUNION

The Annual Reunion of Hood County residents and former residents, will be held at the Bar-B-Q Party House in Mackenzie State Park, Lubbock, Sunday, Sept. 25. All are invited to bring a basket lunch and enjoy the day meeting old friends. There will be a gift for the eldest person attending, and one for the person coming from the greatest distance. We hope to see you there.

Mr. and Mrs. Pat Campbell's visitors recently in Wilson were Mr. and Mrs. T. V. Dougherty and Sandra from California and Mr. and Mrs. Loyd Kirtley and Bruce of Austin.

Pesticide Use Warning Given

The wise use of pesticides inside your home is your personal responsibility says County Home Demonstration Agent Ann Duncan.

Pesticide products designed for use in the home are not automatically safe, it's how you handle them that makes their use safe or unsafe in your home, says Miss Duncan.

Keep home-type pesticides in locked safe storage before and after their use. These pesticide products—and other potentially poisonous products—can be dangerous unless they are safely locked away.

When actually using pesticides inside the house, be sure to read the label first, and understand all of the information. Use only the amount called for on the label. Provide adequate ventilation. Don't let the children help. Keep them away from where you are mixing or using a pesticide. Put the family pets outside while you are spraying and take their food and water dishes with them. Remove birds, bird cages, aquariums and fish bowls.

Take everything out of the dish cabinets, shelves and cupboards before you spray. Wait until the spray dries and then cover the shelves with clean paper or foil before you put things back. Never allow pesticides to get on food, dishes, pots or pans. Never spray the insides of a refrigerator or oven.

Some pesticides are flammable, so never smoke while using them and never spray them near a pilot light or a gas appliance.

If you should spill a pesticide, stop immediately and wash it off your skin with soap and water. Don't breathe the fumes or dust particles for any length of time.

LET US WORRY ABOUT YOUR OFFICE PROBLEMS

Most unsettled, disturbing office conditions that cause unnecessary "office nerves" are traceable to inaccurate filing, inability to find what has been filed, poor utilization of available space, and inadequate or antiquated equipment and supplies. While we do not claim to solve all your business problems, we can aid and serve you in achieving . . .

- Accurate Filing
- Quick Finding
- Better Layout
- Increased Efficiency

We carry a complete line of GLOBE-WERNICKE office aids that are designed to bring greater efficiency to any office—large or small. Visit our store—see these items—you are under no obligation.

GRASSLAND NEWS

(By Mrs. O. H. Hoover)
It was real foggy and cool early Monday but cleared off. How glad we all were to see the sunshine. Tractors and hoe hands are sure going to town on these weeds. The rain was great, but now the sunshine is fine—so count your blessings.

Mrs. Victor Hudman of Post visited Mrs. Hoover Saturday and got some Iris plants and some Bermuda Lilly bulbs. Anyone wanting some fine Iris come and get them as I am having them plowed up. I can't care for them any more. Better call me first so I will be home.

Mr. and Mrs. W. M. Dubose of Brownfield visited the W. G. McCleskeys Saturday.

Miss Susan Logan (Miss Texas) is Mr. McCleskey's cousin. Ain't that something.

Loy Lawson of Bryan came by on his way home from Colorado and visited his mother, Mrs. Spears in the rest home in Tahoka. Incidentally, Mrs. Spears is quite some improved.

Mrs. Tom Murray, Mrs. Lucy Cunningham, and Mrs. W. G. McCleskey visited in the Lavoey Nursing Home Sunday afternoon. They also visited Mrs. Stice, Mrs. A. E. Riley's mother, and helped her celebrate her birthday, and then visited with Mrs. Wilson.

Mrs. Knox's daughter, Mrs. Cowan and three children from Petersburg, Fla., are visiting here. Janette McCleskey was ill and missed church and Sunday School Sunday. Hurry and get well—you were greatly missed.

Mr. and Mrs. Leonard Gribble had lunch with the H. E. Huffakers Sunday.

Mr. and Mrs. C. O. McCleskey and Karen Laws drove up to Bethany, Okla. to visit Delbert McCleskey who is attending college there.

Mr. and Mrs. J. F. Moore had lunch Sunday with Uncle Mac and Aunt Nora Ritchey.

Mr. and Mrs. Hubert Webb of Colorado Springs visited her parents, the H. E. Huffakers last week.

Mr. and Mrs. Elmer Rash visited the Kelly Laws Sunday afternoon.

Arlie Moore spent the week end in Lubbock with his sister and brother-in-law, Mr. and Mrs. Tom Crutchfield.

Mr. and Mrs. C. A. Walker visited their daughter and family Sunday, the Bill Moores of Seagraves.

J. W. Warrick is still very ill. His daughter, Mrs. Grabbie, told me Sunday morning, he has been

ill a long time. We hope he is better real soon.

Mr. and Mrs. Gus Porterfield, Roy LeMond and Mrs. Hoover attended the quarterly conference in Wilson Methodist Church Sunday night.

Jerry Gerner and Bennie Stanley of Dennison spent the week end in Lubbock with some friends, Derl Mason and Jerry Turner. Bennie was on leave and visited his parents in Post, and Jerry.

Mr. and Mrs. W. C. Bush visited the Jim Boren family in Lubbock Sunday.

Mrs. Amos Gerner visited with Ruby Claborn and her mother, Mrs. O. F. Haley Friday.

Johnny Kuykendall is home from boot camp on a short leave and visited in the Gerner home Saturday night.

Lee Mason has just returned home from a trip to Vancouver, British Columbia, Lucky man.

Mrs. W. C. Bush, Mrs. Burny Frances, and Mrs. Thurman Frances spent the weekend with Mr. and Mrs. Benny George and Donna and attended the outdoor theatre in Palo Duro Canyon.

Mr. and Mrs. W. G. McCleskey went to Patrelo in Erath county to a reunion. Mr. McCleskey's sister from Grove, Okla., met them there. While they were there, Mrs. McCleskey's cousin got killed in a car wreck and Mr. McCleskey's cousin was run over by a car. So the visit was rather sad for them. However, while driving around sightseeing they saw an orchard that had been turned into a pasture and in it was a pear tree with beautiful ripe pears. So after obtaining permission, Mrs. McCleskey gathered some and is she ever enjoying them.

Rev. and Mrs. Yeats of Grassland took a trip last week up in the mountains of New Mexico. They visited Artesia, Cloudcroft, and various other places. They report a very nice vacation.

Uncle Mac Ritchey called me one day this week and told me he and Aunt Nora would celebrate their 61st wedding anniversary Sept. 14. He is 84 and she is 77, and Uncle Mac still leads song services some at the Church of the Nazarene in Grassland.

Mr. and Mrs. O. C. Harrison went to Lubbock Sunday to help their little grandson, Chip Parks, celebrate his birthday.

Mr. and Mrs. Cleveland Short of Ingram visited his brother, the C. E. Shorts of Grassland over the week end.

Mrs. Lula Busby of Dallas is here visiting relatives and friends and looking after her farming interests.

Mrs. Roy LeMond and Mrs. Gus Porterfield attended an executive meeting of the Brownfield District of the WSCS in Levelland last Friday.

Mr. and Mrs. Clyde Childress and children went to Brownwood over the Labor Day weekend for a reunion of the Childress brothers and sisters.

Mrs. A. Z. Sewell attended church services with friends Sunday night at Berry Flat.

Guy LeMond had lunch with his sister, Mrs. A. Z. Sewell Sunday. The two visited their brother, Rev. Claude LeMond in Roscoe, pastor of the Methodist Church there. They stopped on their way home and visited a former pastor, the Rev. Claude Nixon.

There will be a community working day at Grassland Cemetery Thursday, Sept. 22, from 8:30 until 12 o'clock noon. Everyone that can come and bring hoes and shovels. Let's clean up the resting place of our loved ones.

Central News

(By Mrs. R. L. Craig)

Cemetery Working

There will be a community Cemetery Working at Grassland Cemetery next Thursday, Sept. 22, beginning at 8:00 a. m. Everyone come and bring your hoes and rakes.

Rev. Frankie Jones from Lubbock will preach at Central Baptist Church Sunday morning at 11:00 a. m. We invite everyone to attend. Frankie's wife is the former Barbara Ruth Roberts, who lived in Grassland many years before her marriage. He is the son of Mr. and Mrs. H. P. Jones of Tahoka.

Walter and Addie Josey visited one night last week with Jurd and Artie Young.

Mr. and Mrs. R. A. Weatherby from Lamesa spent Saturday night and Sunday with their daughter and son-in-law, the Dean Laws family.

Richard Proctor and wife and Mr. and Mrs. Lambert Proctor from Crosbyton visited Sunday afternoon with the R. L. Craigs. Other visitors were Robert and Patsy Craig and family. They brought us some real nice watermelons, one weighed 80 pounds and another 60 pounds.

Opal Ray of Post visited Saturday evening with Mrs. J. B. Ray. Opal took her mother-in-law home with her to spend the weekend. Johnny, Opal and family, and Mrs. Ray attended church Sunday morning at Muleshoe after which the Rays and Mrs. W. R. Greer and Irene Richey from Slaton went to Arch, N. M. and attended a reunion.

Victor and Vera Lindsey from Jal, N. M., spent last week with her sister and brother-in-law, Mr. and Mrs. Charlie Craig. The Lindsey's son, Stephen, was dismissed from Methodist Hospital in Lubbock and was brought to the home of his aunt and uncle, Charlie and Vivian Craig to spend a few days before being taken home. His parents will also visit here this week.

I think Mrs. A. C. Surman of Post has made a good suggestion on joining counties in the marker for Moor's Draw, named for the famed buffalo hunter, J. Wright Moor. He was a great man. I will never forget the white buffalo hide Moor had and the many hunting knives, different kinds of arrowheads, and old-time cowboy spurs. So many memories of Moor when I read in the news about him. I was born and raised in Scurry county—there used to be lots of wild antelope. Another oldtimer, Boze Scrivner, who lived near Dermott, raised cattle, and I have seen antelope eat with his cattle on the ranch.

Mrs. J. T. Whitley, who helps Mrs. Carl Greer with her household, says Carl is about the same. I think we should give Mr. Greer many thanks for the good work he has done in taking care of the Grassland Cemetery so many years, and the good deeds he has done for the people of our community.

Ruth Young of Lubbock came down Tuesday morning and took Jurd and Artie Young home with her. Jurd will undergo surgery in a Lubbock hospital in a few days. Carolyn Carroll from El Centro, Calif., is here visiting her sister, Artie.

Mr. and Mrs. A. B. Bush attended the Delta county reunion held at Lubbock Sunday in Mackenzie Party House. They enjoyed the day visiting old friends.

William and Ruth Young from Lubbock visited his parents, the Jurd Youngs last Tuesday night. Chester Gray went with his mother, Mrs. Elmer Gray to the Houston hospital.

Our phone has been out of order. Please call news to 794-2246.

Dwelling fires cost U. S. homeowners more than \$300,000,000 yearly, National Fire Protection Association figures show. More than a half-million homes are damaged or destroyed each year.

Advertising doesn't cost, it pays.

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

The State of Nevada is the locale of one of the strangest maneuvers yet concocted by the National Labor Relations Board.

Recently in Reno a newly formed union carried on a drive to organize the employees in the gambling casino of one of the hotels.

The union certified to the NLRB that they had sufficient signatures to call for an election.

The casino's attorney filed a subpoena C. W. Harder on NLRB records to ascertain if this allegation were true. The regional office of NLRB sent two attorneys into Reno, one to oppose the subpoena, the other to preside as hearing officer.

It is not too difficult to see that under such circumstances, the subpoena was denied.

But while this may seem quite strange, it is perhaps not nearly as strange as the NLRB claiming jurisdiction in what is solely a state concern.

As everyone knows, Nevada stands alone in operating gambling casinos. The element of interstate commerce, that handy tool often used for Federal interference in the affairs of a state, is strangely missing. As a matter of fact, since around 1946 the shipment of slot machines, a prominent item in Nevada, across state lines is forbidden by Federal law.

Yet, the NLRB claims jurisdiction of the employee-employer relations in Nevada's National Federation of Independent Business.

gambling casinos even though in any other state the presence of slot machines, dice tables, roulette wheels, et al, would bring the law enforcement people swooping down in a hurry.

Now to make the matter even more strange, if such is possible, is the fact that some time ago the National Labor Relations Board ruled it did not have any authority over employer-employee relations at race tracks, including restaurant and food concessions.

This is really puzzling, because horse racing does cross over state lines. The bangtalls that race in New Jersey and New York, also go by plane, train and truck to the meets in Florida, Illinois, Washington, California, other places.

But a Los Vegas or Reno crap table does not move over the state line, mainly because if it did, it would be confiscated, yet this equipment, in the eyes of the NLRB puts the casinos in interstate commerce while gambling that depends on nags that roam over state lines and all over the country going from track to track does not put race tracks under the interstate commerce classification.

Now, perhaps to a horse, this sort of thing makes horse sense. But to people, it is just one more indication that bureaucrats are inclined to seize all the power they can, legally or not. In Nevada there seems no question that the National Labor Relations Board is throwing down some loaded dice. In the old West, practitioners of loaded dice or marked decks were not considered prime life insurance risks.

VISIT IN OKLAHOMA

Mr. and Mrs. J. B. Oliver, accompanied by his two sisters from Big Spring, visited last week end with their only brother in Duncan, Okla., to help him celebrate his birthday.

Cotton calico, hincint, gingham, madras, and muslin all came from India originally.

Lynn County Soil Conservation District News

E. R. BLAKNEY HAROLD PAYNE
ELMER OWENS BOYD BARNES
JIGGS SWANN

The time of year is at hand when towns people as well as farmers should be giving thought to winterizing their land, no matter how large or small the area, says Blake E. Lovelace, Work Unit Conservationist with the Soil Conservation Service.

The good moisture gives every one a chance to put a growing cover on bare land to protect it this winter.

Vacant lots in town with poor cover can be seeded to winter annual crops such as rye, wheat and barley to keep from blowing this winter. Also winter grazes such as ryegrass and bluegrass and winter clovers may be planted. These winter crops should be planted as soon as possible, for best results but may be planted up to about November 1st.

When ginning season starts cotton burs are always good to use for areas not covered.

Even flower beds, with perennial plants, shrubs, gardens and orchards can be helped by a little winterizing treatment. Lovelace says. Mulching with cotton burs, grass clippings, etc., are good here. A mulch on the soil surface during the winter helps keep ground from freezing as deep by covering it, and by holding in soil moisture. Dry soil always freezes deeper than wet soil. Also a mulch helps moisture penetration, makes soil easier to work next spring, and provides plant food to growing plants next year.

If something green and growing is wanted in these small areas during the winter the small type winter clovers are pretty.

Batik-printing is an ancient way to print cottons with melted wax and dye.

MRS. RONALD C. COWAN
(nee Miss Jodie Raindl)

Miss Jodi Raindl Married In Waco

Miss Jodie Raindl and Ronald C. Cowan were married recently in the Crestview Church of Christ in Waco with Minister Ralph Starling officiating.

The bride is the daughter of Mrs. L. A. Back of 1924 Northcrest Drive in Waco and Joe Raindl of Tahoka, and Mr. and Mrs. J. B. Oliver of Tahoka are her grandparents. The bridegroom is the son of Mrs. Ruth Cowan of Waco and Carl Cowan of Midlothian.

The bride is a graduate of Richfield High School and attended Lubbock Christian College, and the bridegroom is a graduate of University High School. Both are employed at Providence Hospital, where he is an oxygen therapist and she is a cunit secretary. Their home is at 1814 Seneca in Waco.

Miss Morris Will Marry In October

Mr. and Mrs. D. B. Morris, route 1, Wilson, announce the engagement and approaching marriage of their daughter, Glendia, to Bobby Sparkman, son of Rev. and Mrs. R. L. Sparkman, 1315 52nd Street, Lubbock.

The couple will take vows October 14 in the Berean Baptist Church in Lubbock.

All friends and relatives are invited to attend.

Attend The Ballgame Friday!

Garden Club Will Open New Year At Meeting Monday

Tahoka Garden Club will hold its first meeting of the new year next Monday from 9:30 a. m. to 2:00 p. m. in the Lytlepar meeting room. There will be a salad luncheon at noon.

The first meeting will be a training school on flower growing and flower arranging.

Arrangements featuring "September Song" theme, with emphasis on original containers, will be shown by Misses Robert Abbe, Charles Brookshire, J. T. Brice, H. P. Caviness, and Gaimin Cobb.

The program will include the message from the president, Mrs. Hubert Tankersley, preview of the yearbook by Mrs. Emil Pruhil, demonstrations by Mrs. Nann Park and Flower Show schedule interpretation by Mrs. Garland Pennington.

Hostesses will be Mrs. W. S. Taylor and Mrs. J. T. Brice.

Miss Sandra Herrin And Terry Bryan Set Wedding Date

Mr. and Mrs. Grady L. Herrin of Tahoka announce the engagement and approaching marriage of their daughter, Miss Sandra Denise Herrin, to Terry L. Bryan, son of Mrs. Vivian Bryan of Siloam Springs, Ark.

The bride-elect is a 1965 graduate of Tahoka High School and attended Draughton's Business College in Lubbock. Presently she is employed by the United Fund, Inc., of Lubbock.

Bryan also is a graduate of Tahoka High and attended John Brown University of Siloam Springs, Ark. He is employed by Lubbock Water, Power and Light Company.

The couple plan to marry October 14 in Sweet Street Baptist Church at 8:00 p. m. All friends of the couple are cordially invited.

THURSDAY BRIDGE

Winners in the Thursday duplicate bridge play at T-Bar Country Club were: first, Mrs. L. C. Haney and Mrs. Frank Hill; and second, Mrs. Jack Fenton and Mrs. Ed Hamilton.

Cottonseed meal is rich in nitrogen, phosphorus, and potash.

MRS. ALTON LEE TERRY (nee Miss Sylvia Ann Mathus)

Alton Lee Terry And Sylvia Ann Mathus Were Married Friday In Church Rites

Miss Sylvia Ann Mathus and Alton Lee Terry, resided in Tahoka, were united in marriage Friday at 8:00 p. m. in the First Christian Church of Lubbock. Dr. Duffley Strain, the pastor, officiated the double ring ceremony.

Mr. and Mrs. R. Clyde Mathus, 3630 29th St., are parents of the bride. Mr. and Mrs. Charles Lee Terry of Tahoka are parents of the bridegroom.

Mrs. Victor H. Bond of Columbus, Ohio, served as matron of honor for her sister, Jimmy Lippe was best man.

Don Mathus seated guests. Brett Bond of Columbus carried rings.

Mrs. Keith McCarty was organist and accompanied Mrs. Bill Davis, soloist.

The bride wore a sheath gown of georgette over tulle as she was given in marriage by her father. The gown's empire bodice was encircled with beaded pearls, and the bodice featured long sleeves and a scoop neckline. A waltz panel flowed to the hemline.

Her headpiece of a double bow enhanced with seed pearls held a shoulder-length veil of net. She carried a bouquet of frenched carnation atop a Bible.

Mrs. Bond wore a floor-length gown of emerald green designed with an A-line skirt. The empire waistline was accented with a self bow, and the bodice was made with elbow-length sleeves and scoop neckline. A train fell to the hemline. She carried a long stem red rose.

The couple greeted guests in the Garden Room of the church, before a wedding trip to Colorado.

They will reside at 3530 22nd St. The bride is employed as a pediatric nurse at Methodist Hospital. She is a 1963 graduate of Monterey High School, attended South Plains College, Levelland, and is a graduate of the Methodist Hospital School of Nursing. Terry is employed by Cagle Bros. Furniture. He was graduated from Tahoka High School in 1961 and served in the United States armed forces until 1964.

CARD OF THANKS

We extend sincere thanks to our friends for the flowers, prayers, visits, and every expression of concern during my stay in the hospital and since coming home. Kindness of so many friends makes us feel very humble.—Pat Campbell.

Andrews Lady Is Guest Speaker At Local Study Club

Mrs. E. F. Seay, Andrews, State President of the Texas Federation of Women's Clubs, was guest speaker at Phoebe K. Warner Club meeting Saturday. Among several other guests was Mrs. Bill W. Dicks, O'Donnell, secretary of Texas Federation.

Mrs. Seay, who was introduced by Mrs. Harold Green, stressed a continuity of purpose in a world of change in her talk on "A Challenge of Tomorrow." She placed emphasis on education, both for adults and youth, and on community service.

Mrs. Seay urged all citizens to influence legislators to pass stronger laws on drug distribution and to require driver education for all our young people and "re-training" for adults. The need for more highway patrolmen to insure traffic safety was pointed out.

Club members were urged to continue to work for peace and to make available more scholarships for young people and in every way possible to discourage dropouts because education is a necessity—not a luxury.

Community improvement program again will be emphasized. The course of study chosen for the year by club president, Mrs. N. M. Wyatt, is "Peaks and Pinacles."

New yearbooks were presented by Mrs. Peggy Beckum, program chairman. The programs emphasize education, patriotism and community improvement.

Hostesses for the Federated Day Brunch were Mrs. Fred B. Big and Mrs. Peggy Beckum.

Bulldog Family Supper After Game

Members of the Tahoka Building squad will be feted with the usual family supper in the school cafeteria tonight, Friday, following the Tahoka-Crosbyton game states Mrs. Mitchell Williams.

Acting as hostesses this week will be Misses Clifton Hamilton, chairman, Ray Adams, Minnie Sayles, J. E. (Red) Brown, Turner Rogers, H. B. McCord Jr., James Walker, Charles Wilson, and Locke.

About one-half of annual cotton consumption goes into the production of clothing.

The Lynn County News, Tahoka, Texas Friday, September 16, 1966

Radene Turner Has 223 Game, 559 Series

The Livestocks captured four games from the Gullies and Gays in the New Home Olympics league action Saturday night. Virgil Bailey led the way for the winners with a 178 game and 502 series. Jodie Halford led the losers with a 179 game and 496 series.

Also winning four games were the Night Owls who rolled over the Rollin' Stones. Helen Lee Peak starred for the winners with a 187 game and 488 series. David Airhart paced the losers with a 166 game and 430 series.

Taking three games from the Fairlines were the Old Folks. Leading the Old Folks were Adrian Evans with a 182 game and 522 series. Wayne Price took honors for the losers with a 188 game and 486 series.

The Aces took three games from

the Sometimes and were led with Sre Tokell's 229 game and 538 series. Radene Turner had a good night as she turned in a fine 223 game and whopping 559 series for the losers.

Almost 80 per cent of all dwelling fires start in living rooms or kitchens, according to National Fire Protection Association.

Beware of Promoters Selling... Pre-Financed Funeral Plans!

Since some high-pressure salesmen are selling pre-arranged and pre-financed funeral plans in this area, we join Better Business Bureau in warning YOU, our Lynn county friends, to BEWARE AND INVESTIGATE.

When you sign a contract and make advance payments, you may not be able to alter burial plans to meet changing conditions, you can not be certain the service will be what you would like, or the preparation and casket what you would want. You can not be sure the firm will be permanent or able to carry out its contract 5, 10, 20 years from now. Some of these contracts provide the seller may cancel the contract any time you are more than 30 days in arrears on payments.

IF YOU DESIRE A PRE-ARRANGED FUNERAL— White Funeral Home of Tahoka offers a plan guaranteeing you 100% on your investment—not just 90% as promised by these high-pressure salesmen. Your payments will be deposited in First National Bank in trust, and all interest on such deposits will be credited to YOU! And, we have no salesmen and NO COMMISSIONS TO PAY!

You will get FULL VALUE plus interest on our Pre-Arranged, Pre-Financed Funeral Plan, and you will have every opportunity to alter plans or get your money, plus interest, returned to you if desired. (Ten years interest on \$1,000 at 4 percent is \$400.00. Under our plan, you get this \$400.00.)

DON'T BE HIGH-PRESSURED! DON'T MAKE A HASTY DECISION!

Before you risk your savings to promoters, please feel free to consult with us at your home—

Garza Dedicates Marker Sunday

Official Texas Historical Marker for "The Garza Points" being placed on the Gail Highway, 15 miles south of Post, will be dedicated at 4:00 p. m. Sunday, Sept. 18, according to John Ben Shepherd of Odessa, president of the Texas State Historical Survey Committee.

The marker is cast aluminum with Swedish steel effect 18x28 inches in size, and is being erected by "State Matching Funds."

Mrs. A. C. Surman of Post, chairman of Garza County Historical Survey Committee, announces the following wording for the marker:

"Garza Points—Thin, triangular arrow points, 2 to 4 centimeters long, of fine workmanship, with central basal notch and deeply serrated edges. Discovered and named here, Site 41GR40, an archeological highway salvage dug in 1959 by South Plains Archeological Society.

"With these fine, thin arrow points, left near 6 hearths for cooking, were found 238 stone and bone artifacts: Awls, wold teeth pendants, tubular bone beads, chipped stone knives, scrapers, drills, choppers and 3 types of arrow points. The Garza People, roving hunters, lived here before 1500 A. D. (1965)"

Mrs. Surman says this is the 11th historical marker erected in Garza county. Others include: Postex Cotton Mill, Verbena community church, old Post Sanitarium, C. W. Post home, old Llano Ranch site, Llano Estacado marker, Cemetery gate post, marker honoring first Garza County officers, old Presbyterian Church, and the restored Centennial marker.

Other markers are one honoring C. W. Post, founder of the town, and the statue of C. W. Post; and three more have been approved. OS Ranch marker, Home of first county judge, and first oil well in county.

The marking of local historic sites and landmarks as well as early pioneers is a part of the

Golf Tourney Starting Sunday

Annual club tournament of T-Bar Country Club will begin this Sunday and be concluded Sunday evening, Sept. 25, announces Walton Terry, tournament chairman. Mrs. Jean McCord is the women's chairman.

All qualifying scores in both men's and women's divisions must be turned in by 6:00 p. m. this Sunday, Sept. 18, and medal play will also be held along with qualifying rounds.

Following the finals on Sept. 25, there will be a supper at which trophies will be presented the medalists and also first, second and consolation in each flight.

Club members only are eligible for this tournament.

Mrs. G. B. Tomlinson was to return home the latter part of this week from McPherson, Kans., where she has been two weeks with her mother who has been seriously ill. She was accompanied on the trip by Mrs. Jimmy Bragg, the latter having returned home last week with her husband.

Mrs. O. D. (Faye) Pierce of Houston arrived last week end to visit her mother, Mrs. Pearl Brown, and to take her back to Houston for a visit.

five-year program of the Texas State Historical Survey Committee whose program is described as "RAMPS" which means, Recordation, Appreciation, Marking, Preservation, and Surveys of Texas History. The RAMPS program envisions the erection of 5,000 historic markers under the sponsorship of the state, counties, cities, civic groups and individuals.

All state erected markers will appear in official tourist guides and directories to help stimulate tourist trade and historical appreciation as well as to acquaint the citizens of the county with their unique historical heritage.

The public is invited to attend the dedication of this marker, Mrs. Surman stated.

TAHOKA CHEER LEADERS this year are: (top) Jill Edwards, senior, head cheerleader; (standing) Brenda Foster, junior, and Leah Short, senior; (kneeling) Shella Tankersley, freshman, and Melanie Leverett, sophomore.

Football...

(Continued from Front Page) Wright brings his team to Tahoka that they come to play ball and will be seeking to avenge last year's 19-13 defeat at the hands of the Bulldogs.

Wright has changed to the I formation, expects to have more deception and a better passing attack. He thinks he has found a strong passing attack QB Lance Morris to End-Halfback Tommy Hawkes. He has Jimmy Flournoy, speedy halfback who ran all the way from kickoff against Tahoka last year.

Probable Chief backfield starters, offensively, are: Lance Morris, 170, junior letterman, at quarterback; Robert Barrett, 190, junior letterman, fullback; and at halfback, Larry McDowell, 140, senior letterman, Jimmy Flournoy, 150, senior letterman, or Joe Buck, 165, junior letterman. Flournoy received a cut chin in a recent scrimmage, but is expected to start.

Crosbyton offensive linemen are: Wynne Robinson, 210, senior letterman, at center; Ronnie Fowler, 160, junior, and Robin Anderson, 165, senior, both lettermen, at guards; Charles McDougle, 216, junior letterman, and Lionel Moreno, 160, junior, the only non-letterman starter; and Randy Holman, 190, junior, and Tommy Hawkes, 143, senior, both lettermen, at ends.

Coaches Smith and Jim Littlefield expect to go with the same offensive starters they used at Lorenzo.

Backfield: Mitch Williams, 165, senior letterman, quarterback; Doyle Schneider, 152, junior squadman, wingback; Cliff Thomas, 185, junior letterman, halfback; and Larry Arnold, 166, sophomore squadman, fullback.

Offensive line: Gary Brooks, 180, junior letterman, center; Richard White, 180, junior letterman, and Milton Edwards, 215, senior letterman, at guards; Tommy Kidwell, 183, senior letterman, and Jody Edwards, 175, sophomore letterman, tackles; and Chris Roberts, 150, junior letterman, and Wayne Thurman, 160, senior letterman, ends.

Also seeing action will be Joel Inklebarger, 185, sophomore letterman; John Tyler, 132, junior letterman; Charlie Brown, 150, sophomore quarterback, and others including Jerry Jolly, David Shuknecht, Billy Curry, Buz Owens, and probably several others.

This will be the first game in the remodeled stadium. East stands have been moved back, the playing field resodded, a new chain link retaining fence extending out from the bleachers to keep fans off the playing field, and a new concessions stand.

Some Cars May Park In Stadium

Tahoka football fans who wish to park their cars inside Kelley Field for Friday's game may do so today, Friday, beginning at 4:00 p. m., according to Clifton Gardner, principal of high school. Cars this season will be parked at the north and south end zones only, and not on the east and west sides as has been the custom in the past. The east home stands have been moved back and a track included in the stadium, taking up a great deal of space.

Approximately 40 cars can be parked on the two end zones.

Teachers...

(Continued from Front Page) than an IQ rating. "The little old kid who will try is the one who gets there," not necessarily the brilliant kid.

One industrialist told him when he looks over a college graduate's transcript he might overlook an "F" grade, but he wouldn't hire those with "W's" because they are the ones who quit when the going gets rough.

Recalling days of his youth at Meadows Chapel, near Grapevine, he said his dad was head of the school board and his stock question of teacher applicants was "Can you keep order?" He said his dad didn't know much about education, but if he were president of the New York City school board today he couldn't ask a more important question. This is important: "Can a teacher guide? Can he teach discipline? Does he have the courage to teach right from wrong?"

"No one is educated if he doesn't know what's right and what's wrong."

"Mediocre men with courage and character stand like giants among geniuses," he hammered home.

He told of sitting on a panel with some distinguished scientists, one of whom remarked it was now possible to make a human brain, although such a mechanical device would be as large as the Empire State building. But, the scientist declared, the brain would be virtually useless because it wouldn't know right from wrong.

Just because someone else does something, it is not right; 10 million people doing a thing don't make it right.

"We've got to return to the Golden Rule and the Ten Commandments," Huffman declared.

Rev. Hugh Daniel gave the invocation, and Dr. K. R. Durham led the group singing. The meal was catered by Al Smith with help from lunchroom personnel and the FHA girls. Table decorations were by wives of Rotarians.

HOOTENNANY TIME

Junior High In Games With Plains

Tahoka Eighth Grade tied Plains 6-6 and the Seventh Grade lost 0-12 in games played here Tuesday night.

Considering the fact the local boys had had only limited workouts, Coach Don Smith thought they looked fairly good.

In the Eighth Grade game, tied 6-6, Cliff Gardner scored for Tahoka on an end sweep from his quarterback position. Among the boys looking good in the game were Larry Durham, Robert Montemayor, and the Garza boy.

Among those making good showings in the Seventh Grade game were Jeff Atwell and Ladd Roberts.

WILSON GROUP WILL HAVE CAR WASH

(By Mrs. Ted Melugin) The St. Paul Lutheran League of Wilson will sponsor a car wash Saturday, Sept. 17, from 8:30 a. m. until 12:00 noon. Charge will be \$1.00 per car. The car wash will be held on the parking lot of St. Paul Lutheran Church.

PAT CAMPBELL HOME

Pat Campbell, Wilson postmaster who recently underwent emergency surgery in Lubbock, is at home and improving but says he will not be able to go back to work for some time.

Industry...

(Continued from Front Page) staff and with the seminar and other activities that we are planning, is to provide for each community some additional manpower, informed manpower, to help it in its industrial development program," Pearson said.

Among the speakers at the September 22nd seminar will be Jack G. Springer, executive vice president of the West Texas Chamber of Commerce; James A. Covell, economic development consultant for the General Telephone Company of the Southwest; Harry W. Clark, executive director of the

Texas Industrial Commission and Roger K. Owen, area development manager for Southwestern Public Service Company. Milner will be the master of ceremonies for the program and also a speaker.

Attending the seminar from Tahoka will be Harold Roberts.

TOMLINSON AT RANGER

Gary Tomlinson, spring graduate of Tahoka High School, began classes at Ranger Jr. College Wednesday. He went to Ranger August 31 when football workouts began and recently received a partial separation to his left shoulder, and has been assigned a manager of the team for this season.

Bulldogs Run Past Lorenzo 45 To 0

Tahoka Bulldogs won a resounding 45-0 victory over the Hornets of District 4-A at Lorenzo Friday night to open the 1966 football season for both teams.

The Bulldogs scored once in the first period, exploded in the second quarter for 32 points, then coasted in to victory during the second half with reserves playing most of the time. All 25 boys on the traveling squad saw considerable action, and eight boys got on the scoreboard.

This week's home opener with Crosbyton Chiefs here is expected to be much tougher as Coach Deane Wright's boys are always a serious threat.

Bulldog defense was outstanding in the game, as the starters held Lorenzo to minus-five yards rushing and two yards passing the first half, and in the whole game the Hornets could manage only six-plus yards rushing and 35 passing. The Hornets were held to five first downs, two of these on penalties against Tahoka, and two others in the last 30 seconds of the game on passes.

However, the game was not as easy as it sounds. Lorenzo, itself, had some vicious tackling, and Donnie Kuehler, 175-pound fullback, is about as tough a runner as the Bulldogs will meet.

The Bulldogs were just out to win, and win they did in convincing manner as a team effort. If there were any Bulldog stars, the fans would probably pick out Tommy Kidwell for vicious blocks and tackles, and little John "Jitterbug" Tyler for his sensational runs of 35, 41, and 57 yards plus reception of a 28-yard touch down pass.

Bulldog Offense Potent
Lorenzo received the opening kickoff, couldn't move, and the Bulldogs took over on their own 44, and Tahoka scored in seven plays. HB Cliff Thomas lived up to his reputation as one of the hardest runners on the South Plains by rolling for 41 of those yards, FB Larry "Goober" Arnold, playing his first varsity game made ten. Thomas scored from six yards out on a pitchout by QB Mitch Williams, who ran a

Tahoka	Lorenzo

2 for 30.5 Punt, avg.	8 for 25

fine game. Tommy Kidwell threw a block on two men to help Thomas into the end zone. Conversion failed on a bad pass from center.

Lorenzo lost four yards on three running plays, punted, but then held the Bulldogs, couldn't move themselves, punted again. John Tyler took the ball on his own 28, cut to the right and weaved his way down the east sideline 35 yards to the Lorenzo 37. The quarter ended as HB Doyle Schneider drove for a first down on the Lorenzo 27.

Bulldogs Run Wild
First play of the second quarter, on a keeper, Mitch went to the right, cut to the left and showed some fancy broken field running as he went 27 yards for Tahoka's second TD. Thomas ran left end for the 2-point conversion. Score, 14-0.

After the kick-off, Bulldog Chris Roberts nailed Kuehler for a 5-yard loss, Kidwell then covered a fumble on the Lorenzo 4-yard line. But, on the next play, Tahoka lost the ball on a fumble of its own, the only Tahoka bobble of the game, on the Lorenzo 6. The Hornets made 5 yards in three plays, but QB Darrell Cole's punt went only 12 yards, and Tahoka was back in business on the Lorenzo 28. One play to score as Williams fell back to pass, saw John Tyler on the goal line, and threw him a perfect strike and John jumped up and down in the end zone with glee. "Goober" ran the conversion. Score, 22-0.

On the kick-off, Lorenzo's Negro player Robert Jones nearly got away on a run to his 40, but three Lorenzo plays lost 12 yards. (Continued Back Page, Sec. 2)

The Lynn County News

TAHOKA, TEXAS "Heart of the South Plains" FRIDAY, SEPTEMBER 16, 1966

FAIR WEATHER AHEAD! AND FUN FOR YOUNG AT FFA CHILDREN'S BARNYARD

All the animals will be there—and so will the youngsters who like to get a close-up look at all types of animals and their youngsters. Time and place will be the 1966 State Fair of Texas, Oct. 8-23 in Dallas, at the Future Farmers of America Children's Barnyard, located in the big red tent adjacent to the Livestock Coliseum.

Wilson Meets Jayton Tonight

As expected, Wilson Mustangs served notice Friday night they will be a District 2-B contender by trouncing Lazbuddie Longhorns 27-0. Tonight, Wilson entertains the usually tough Jayton Jaybirds.

Jayton lost to Rule 20-6 Friday, but led 6-0 until the fourth period when Rule scored twice on 40- and 68-yard runs and a 24-yard pass. But, the Mustangs appeared potent Friday as HB Dennis Verkamp went 12 yards in the first quarter, then in the second scored on a 40-yard pass play from QB Johnny Scott and later plunged over from the one for a third counter. On the last, he also took a pass from Scott for the conversion and a 20-0 halftime lead.

The second half, Wilson coasted in to the victory scoring only once, on a 10-yard pass play Scott to HB Gary Crews. Mike Ward kicked the conversion.

Coach Bobby Davis gave Linebacker Kenneth Corley and middle guard Lupe Guzman praise for outstanding defensive work.

New Home Loses Meadow Drops O'Donnell 14 to 6

New Home Leopards have an open date tonight to prepare for their Conference 2-B opener at Whiteface next Friday night.

The Leopards had a game scheduled with Roosevelt B for tonight, but this game has been canceled.

Since there are eight teams in the new district, every game from here on will be a conference game.

The Leopards lost their opener at Class A New Deal Friday night 28 to 6 score when the Lions jumped into a 14-0 first quarter lead and made it 20-0 in the second period.

New Home's touchdown came in the third period on a 5-yard run by Wayne Fillingim, but the attempted conversion failed. New Deal scored again in the period for the final score.

New Home had one or two other scoring chances but could not get across the goal line.

Fans say the boys looked fairly good, but this is virtually a sophomore team and shows great promise for the future.

O'Donnell Eagles, not satisfied with a 14-6 loss to Meadow Bronchos last Friday, will be trying again this Friday to get on the victory trail when they entertain the Ropesville boys, a team overpowered by Plains last week 42-0.

Coach Jerry Don Brown thinks his Eagles will win some ball games if they can keep their courage up.

Last Friday, the Lynn county boys whipped Meadow every way but on the scoreboard—they just couldn't score. The Eagles ran up 111 yards rushing and 110 yards passing for 221 yards rushing to 160 yards offense for Meadow, but the Bronchos won 14-6.

The Bronchos Tim Melcher went 15 yards up the middle in the first quarter, and Roy Cato passed to Loyd Jordan for an 8-0 lead. In the second, O'Donnell scored from 1-yard out on a buck by Bobby Ewing, and a pass for conversion failed. Meadow scored again in the third on a 19-yard run by Terry Jones.

The Eagles threatened other times but the Bronchos stopped each drive. However, the O'Donnell passing and running games both showed promise of better days.

FRIDAY'S SCORES

- (Including teams Lynn county schools will meet.)

Wilson Students Enter Concordia

Austin (Spl.)—The Office of Admissions at Concordia College, Austin, has announced that the following young people from the Wilson area have been accepted as students for the coming school year:

Katherine Marie Nolte, daughter of Mr. and Mrs. Felix R. Nolte of Route One, Wilson, will enroll as a teacher training student. Miss Nolte graduated from the Wilson High School in May, 1966.

Marilyn Marie Wuensche, daughter of Mr. and Mrs. Wilbert Wuensche of Route One, Wilson, will enroll as a freshman liberal arts student. Miss Wuensche graduated from the Wilson High School in May, 1966.

Mr. and Mrs. Marvin Pierce and family moved to Ropesville about a month ago where he is city marshal. The family lived on route 2, Tahoka, in the Draw area.

Field Day Next Tuesday At Research And Extension Center Near Lubbock

Lynn County farmers and businessmen will have an outstanding opportunity to sharpen their management skills and learn about expected advances in agricultural technology at the South Plains Research and Extension Center field day set for Tuesday, September 20, according to County Agent Bill Griffin.

The major agricultural event will be held from 1:00 to 5:00 p. m. at the Texas A&M research installation located eight miles north of Lubbock. It is open to the public.

Much of the material to be discussed during the field day can be used by local farmers in making immediate management decisions, Griffin said.

Scientists plan to give special emphasis to results they have obtained with herbicides in cotton, grain sorghum and soybeans.

Some of the topics to be covered include application methods, rates, and incorporation, according to the agent.

The precision on-the-bed planter, which was developed at the Center and is being tested at several locations on the South Plains, will be on display and discussed at a plot planted with the rig.

Griffin, who will serve as one of the tour guides at the agricultural event, said local farmers may be particularly interested in some of the water conservation trials at the South Plains Research and Extension Center.

Scientists there are testing an array of different planting patterns, land forming systems and irrigation schemes. They have come up with some well-founded data on methods of stretching limited irrigation water, he said.

Greenhouse and laboratory displays will also offer a special educational opportunity for producers to learn to identify plant diseases and other plant abnormalities in cotton diseases in the (Continued Back Page, Sec. 2)

The U. S. Supreme Court has leaned over so far backward to protect "freedom" that enforcement of law, protection of officers and the public is greatly endangered. This is not just our personal opinion, but that of many laymen, officers, lawyers, and even strongly hinted at by FBI Director J. Edgar Hoover in several recent statements.

Among others, the Supreme Court has ruled that if any suspect "is alone and indicates in any manner that he does not wish to be interrogated, the police may not question him."

Deputy Sheriff O. D. Woody of Wilson brought The News a clipping from "Southwestern Law" magazine the other day which points up how ridiculous this ruling could become by citing a fictitious conversation between a shifty-eyed character and a police sergeant. The Character walks into the police station, tells the Sergeant he has just heisted the bank, but the Sergeant has no evidence, can not question the robber, and suggests he come back later with his attorney. Whereon, the Character walks out the door with, 'S'long, sucker. Be seein' ya in court some o' these days.' Maybe?

Our Administration is doing a lot of hollering for a "right to work" law. How about a "right to hire and fire" law?

Also, why not shut off Unemployment Compensation to the able-bodied man who won't work? There's a pretty considerable number of people right here in Tahoka who work a while and live on Unemployment Compensation awhile. Here at The News, we contacted a pretty well qualified man to do some painting. He couldn't do the work, because "I'm on my Unemployment Compensation, now."

Craig Leslie, we think, is one of our finer young men who has a chance to go somewhere. He's recently returned from Washington, D. C., to re-enter college after spending the summer working for the State Department. Although he says he was "just a summer flunkie," he received a lot of valuable experience, saw a bit of how our government works, heard a few speeches by men high in government, and visited with Congressman George Mahon several times. He wasn't too highly impressed by some phases of life in the Nation's capitol, however.

Cap Whorton sent us a copy of his old home paper. The Albany News, which we note was established in 1879 and claims to be the "oldest journalistic venture west of the Brazos." In a "Memory Lane" column from The Frontier Echo, we presume of old Fort Griffin, of Oct. 20, 1876, there are numerous interesting items. In an editorial, the editor complains about the postal service. "A registered package from Montague, June 13, to Jacksboro, to here arrived Oct. 13, just four months coming 50 miles."

Here's another item: "Sunday last at Merchants cattle ranch in Clay county, two men, one named Bean, the other man's name unknown, has a difficulty about a pipe to settle the matter they resorted to the pistol. Each man fired one shot and two men fell dead."

"Skip" Taylor says Blair Cherry, famed Amarillo High and University of Texas coach who died Saturday, played baseball at Tahoka in 1925. That was the last year "Skip" managed a fine Tahoka ball club and also pitched a little. The Printer personally knew Blair a long, long time, since his TCU days. Blair once camped at our house while recruiting Max Minor to play at U. of T. After two years at Texas, Max went on to West Point, where he was blocking back for Davis and Blanchard and received Army's most valuable player award his senior year. He was a great fellow as well as a great football coach and leader of boys.

Mrs. L. F. (Pat) Jacobs, daughter of The Printer and Mae, is the new news editor of The Bovina Blade, published by Dolph Moten, and local people may be interested in the following from her column

Attend The Ballgame Friday!

"Scoopin' Around," which she started recently:

Scoopin' Around

By Pat Jacobs

Coming to work on The Blade this week can be compared to putting on a well-worn pair of old shoes and forgetting one has feet. Newspapering is a way of life to anyone who happens to get "printer's ink" under his fingernails, and a typewriter is his primary tool.

A small town newspaper is the finest kind—for many reasons. First of all, it has heart. It cares what happens to you, the reader and citizen. Its heart beats for the community it supports and which, in turn, supports its weekly pages.

This brings to mind an essay familiar to most editors titled "I Am Your Home-Town Newspaper." In its original form, the article is a real tear-jerker. Not having it handy, it cannot be quoted verbatim, but this is the gist:

I am your home-town newspaper. When you arrive in the world I proclaim the event for all to read. I follow you through your "growing up" years and report the broken arms, the parties and disappointments, and even the time you made the honor roll in the sixth grade.

Then you enter high school and your glories are many. They all appear on my pages, the touchdowns you made, the letters you won, and your scholastic achievements that made you the best in the class. Your graduation is embedded in history within my records, and I follow you to college to report your many accomplishments there.

One day you walk down an aisle with a bride on your arm and the story appears with pomp and picture. My columns later proudly announce the arrival of your first son, and the wheels of

time begin to revolve again. The success of your adult years, your civic enthusiasm and church activities, your many endeavors are all in print for friends to read and say, "I knew him when—"

Then finally, I am among those who pay you a final tribute and shed a tear that you are gone. I will especially miss you, for I have shared your happiness and sorrow from the cradle to the grave.

I am your friend. I am your home-town newspaper.

Creed of An American
Dean Alfange, noted educator, lawyer, soldier and author, wrote the following which we feel is worth reprinting:

I do not choose to be a common man.

It is my right to be uncommon—if I can.

I seek opportunity and not security.

I do not wish to be a kept citizen, humbled and dulled by having the state look after me.

I want to take a calculated risk, to dream and to build, to fail and to succeed.

I refuse to barter incentive for a dole.

I prefer the challenges of life to the guaranteed existence, the thrill of fulfillment to the stale calm of Utopia.

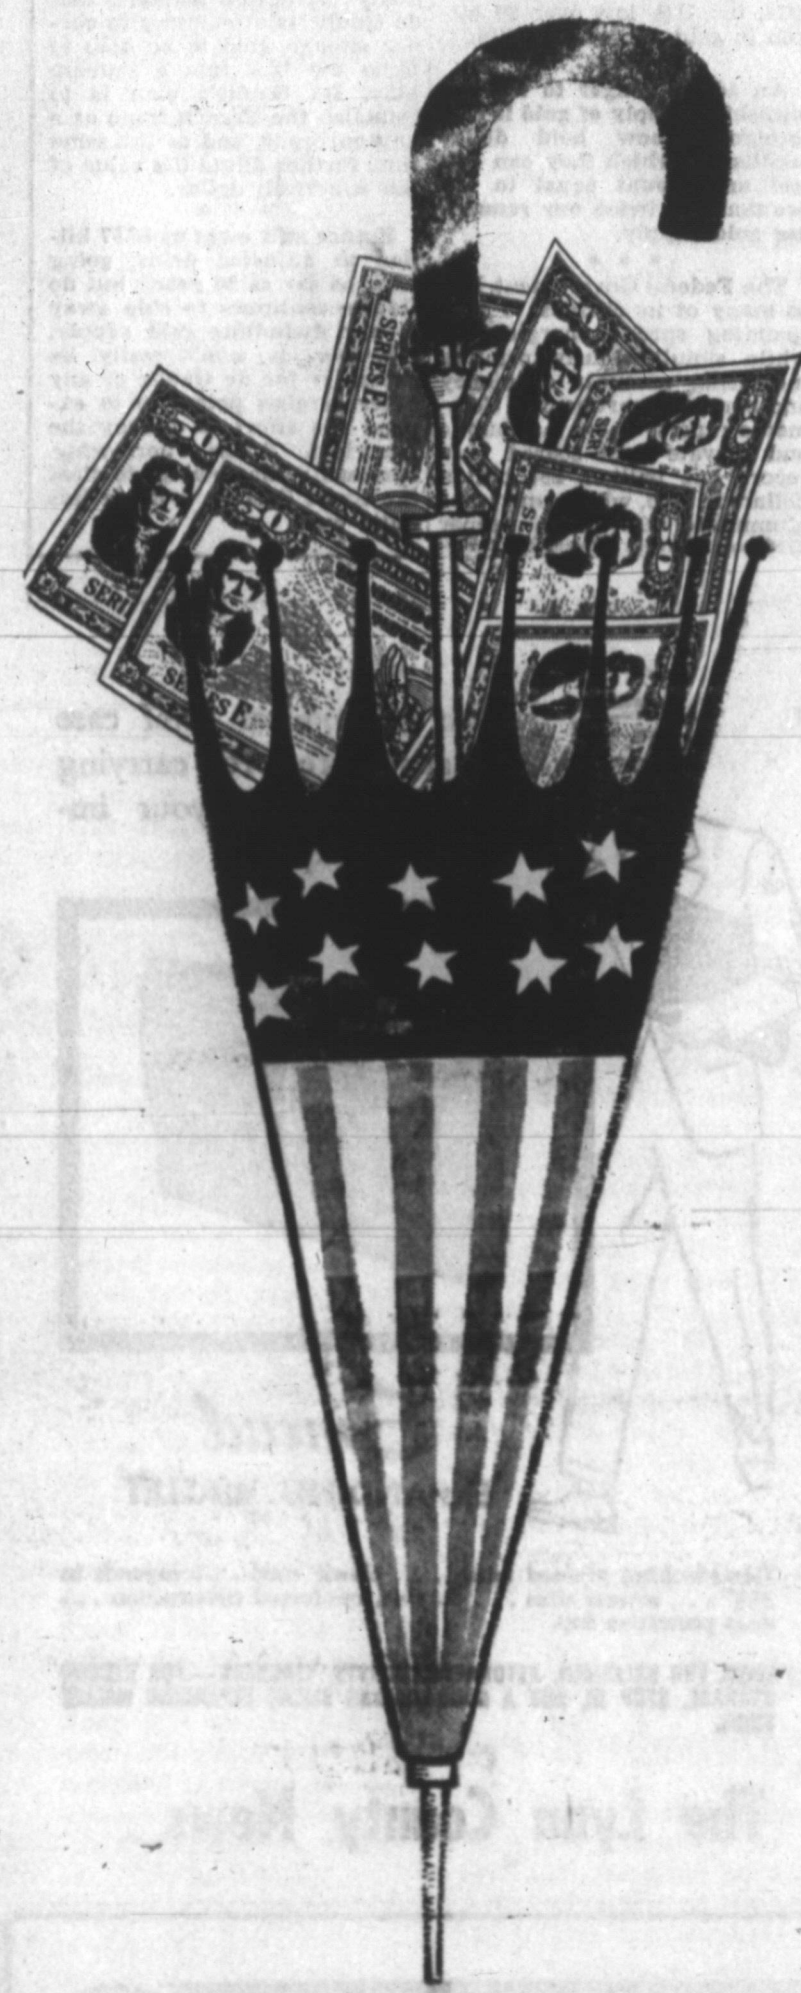

I will not trade freedom for beneficence nor my dignity for a handout.

It is my heritage to think and act for myself, enjoy the benefit of my creations and to face the world and boldly say, "This I have done."

All this is what it means to be an American.

Fire killed about 12,000 people in the United States last year, according to National Fire Protection Association figures. Nearly 30 per cent of the victims were children.

More than 6,500 people last year were victims of fires in their own homes, National Fire Protection Association figures indicate.

how to save
for a rainy day and
help your country now

Someday, sometime, you may have an emergency which will affect the future of your family. It will be comforting to you to know that you have a fund standing by to help you meet that emergency.

Your money in United States Savings Bonds grows steadily to help you provide for college, a new home, an unexpected illness. And as the money grows, your country uses it to help protect our freedom . . . and back our men in Vietnam.

Americans are holding over \$49 billion in Savings Bonds—for rainy days, and sunny days, too. Why not join them? Start buying Bonds now, and see if you don't feel pretty good about the whole thing.

It's easy to buy Savings Bonds on the Payroll Plan where you work. A \$50 Bond costs \$37.50, a \$25 Bond \$18.75, and you can buy them in installments for a few dollars a week. Or buy them outright at any bank. No charge for the service.

NOW—Savings Bonds Pay 4.15%!
Interest on new E and H Bonds you purchase has been raised to 4.15%. E Bonds mature faster, too—now in just 7 years. Your old Bonds will earn more, too. Savings Bonds are better to buy, and hold, than ever.

Buy U.S. Savings Bonds

The U. S. Government does not pay for this advertising. The Treasury Department thanks The Advertising Council and this newspaper for their patriotic support.

WASHINGTON AND
"SMALL BUSINESS"
By C. WILSON HARDER

U.S. Federal Reserve Board Chairman William McChesney Martin recently stated: "In 1933 an increase in the price of gold was recommended in order to fight deflation. Now it is recommended to fight inflation. Can there be worse confusion!"

President Franklin Roosevelt devalued the dollar in January, 1934, by changing the rate of redemption from \$20.67 to \$35. In paper money for an ounce of U.S. Treasury gold. From this time on, C.W. Harder it has become illegal for Americans to obtain gold, which is only accessible to foreigners.

The U.S. gold reserve reached its height in 1949, and today the supply is the lowest in 28 years. In the period from 1949 through 1964, the U.S. lost over \$9 billion in gold, or roughly 37%.

An added danger to this diminishing supply of gold is that foreigners now hold dollar credits for which they can collect an amount equal to approximately twice our remaining gold supply.

The Federal Government, like so many of its citizens, is on a spending spree—charging it, while simultaneously printing increasing amounts of money and bonds. Department of Commerce reports show that public and private debt soared to a record one trillion, 267 billion dollars in 1965, when Americans plummeted \$93 billion deeper

in debt. This is an increase of \$633 billion in debts since World War II, and in addition to the war debt.

Government borrowing to pay off domestic Great Society bills further threatens the value of the dollar, and foreign give-aways have been eroding the gold reserve through the annual outpouring of dollars around the globe.

Through 1963, some 103 billion, 916 million dollars have been given away as foreign aid. There is little hope of being repaid the billions donated to the political leaders of nations around the world.

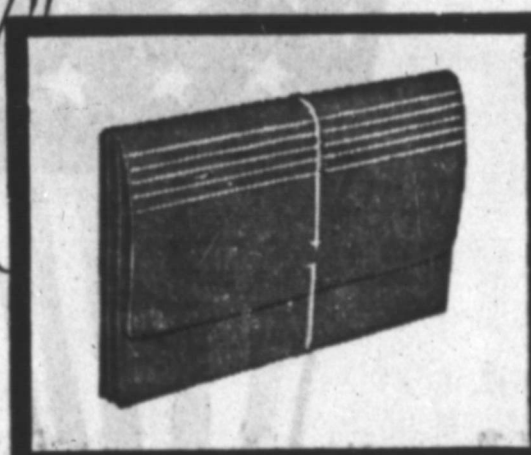

President de Gaulle's chief French financial adviser, Jacques Rueff, announced recently that the U.S. should double its gold price to \$70, an ounce, and thus once more devalue the dollar.

It is the studied opinion of many European bankers that de Gaulle is attempting to corner enough gold to be able to force the U.S. into a squeeze play. De Gaulle's plan is to establish the French franc as a key currency, and at the same time further dilute the value of the American dollar.

France still owes us \$6.57 billion in adjusted debts, going back as far as 26 years, but de Gaulle continues to chip away at our dwindling gold supply. However, it won't really be necessary for de Gaulle or any other foreign potentate to expend the effort to destroy the American dollar—borrowing, borrowing, borrowing, to float the Great Society, is doing this quite well.

An economical brief case that's perfect for carrying and protecting your important papers.

Bulldogs Win ...

(Continued from Page 1, Sec. 2) and a hard-luck punt went only six yards.

With Soph Charlie Brown getting experience at quarterback, Tahoka moved in for another score in seven plays with "Goober" Arnold carrying for 15 and 5, and then three yards off right tackle to score. Brown passed to Roberts for the conversion. Score, 30-0.

First play after the kickoff, with the reserves in the game, Willie Ewings, Tahoka's 131-pound Colored boy, intercepted on the Lorenzo 40. Arnold was thrown for a one-yard loss, then "Jitterbug" John took off around left end, cut to the right, took advantage of blockers, and danced through the entire Hornet team to the goal line 41 yards away. FB Jerry Jolly, also seeing his first varsity competition, ran the conversion. Score, 38-0.

Following the kickoff, Tahoka drew a 15-yard penalty to give Lorenzo its first first down of the ball game as the half ended.

Close Out Scoring
Receiving the second half kickoff, Schneider ran the ball to the 47, then Tahoka moved to the final score in nine plays with Thomas, Arnold, and Williams carrying to the 4, from which point Schneider carried in for the score. This time, Thomas place-kicked to make the final score 45-0.

Mostly it was the reserves the rest of the game for Tahoka and they did a very capable job.

On holding the Hornets, who punted 32 yards to the Tahoka 23, John Tyler gathered in the pigskin there and put on one of the most sensational broken-field runs one will ever see for 57 yards, cutting, twisting, taking advantage of down-field blocks, until finally hauled in on Lorenzo 20.

HB Tim Walker made 4, Jolly 2, Walker lost 3, then Charlie Brown hit Tyler on a 9-yard pass at the Lorenzo 8, but Tahoka bogged down on the 11 early in the fourth.

During the last quarter, Tahoka had the ball twice. Once the backfield combination of Brown, Tyler, Jolly, and Walker moved 12 yards, then 9, but a penalty forced them to give up the ball as a fourth down pass to End Jim Adams was incomplete. Here, Lorenzo got past midfield its only time in the ball game, during the final two minutes, moving to the Tahoka 37, then completing two passes of 9 and 10 yards to the Tahoka 18 as time ran out.

Jody Edwards, Kidwell, and Joel Inklebarger were in the Hornet backfield all night, Chris Roberts, Wayne Thurman, Richard White, Gary Brooks and hard-working, hole-plugging Milton Edwards were all great on both offense and defense. The Schuknecht boys, David and Dewayne, showed great promise, as did

Field Day ...

(Continued from Page 1, Sec. 2) ities. With the threatening incountry, these displays can be most profitable in showing how to detect problems before they seriously reduce yields.

Basic research is receiving increasing attention at the Texas A&M Center as the scientists attempt to gather data that will be of importance to the economy of the area in the future, he said.

Agricultural-meteorology is one of the basic research projects that will be discussed during the field tour. This information will help producers better understand some of the management recommenda-

Billy Curry, Randy White, Michael Glenn, David Rogers, Buz Owens, Willie Ewings, Jim Adams, Jerry Jolly and Tim Walker.

Help keep Tahoka clean!

COLEMAN HENDERSONS MOVING TO SAGINAW

Mr. and Mrs. Coleman Henderson are planning on moving to Saginaw, just outside Fort Worth, about the first of the month.

He is being transferred there by the Texas Highway Department for which he has been working about two years.

Cotton and grain sorghum breeding work will also be discussed during the tour, Griffin said.

Other items of interest at the field day will include a display of machinery, and a chance to look at projects on soybeans, castors, vegetables, underground irrigation, narrow-row cotton, and fertilization.

A single-row mechanical picker can harvest about 1200 pounds of cotton an hour.

REV. MCCLUNG WRITES

Dear Frank:
We're still enjoying The Lynn County News. It's like a letter from home every week.

Temperature here was down to 33 degrees yesterday morning (Sept. 8). Everything above 8,000-foot level has had hard freeze. Aspens are turning and it's getting to be "colorful Colorado"—real pretty.
Bow hunting season is open, and

we've seen some nice deer brought in.

It's nice here but we still miss West Texas.

Paul McClung, 207 Poncha Blvd., Salida, Colo. 81201.
(Ed. Note: Rev. McClung is former Baptist pastor at New Home.)

diagnose your heating system
you may go to Mexico City

Visit beautiful Mexico City... travel by air... three nights and two days at a famous Mexico City hotel... plus \$100 for your expenses... that's the prize for some lucky entrant and his or her spouse.

HERE'S ALL YOU DO...
Simply check the appropriate blocks in the official entry form below, then take or mail your entry to any Reddy Kilowatt Recommended Electric Heating Dealer or Public Service office. A drawing will be held shortly after October 31, 1966 and the winner will be notified regarding travel arrangements.

ELIGIBILITY
Southwestern Public Service Company customers, who own their own homes and are 21 or married, are invited to enter—one entry per person.
Entries must be received not later than 5 P.M., October 31, 1966.

OFFICIAL ENTRY

HOW DOES YOUR HEATING SYSTEM RATE?

Check its overall performance and efficiency with this easy quiz...

Does your present heating system fail to provide enough heat in severe weather?	YES	NO
Is it a problem to keep certain rooms as warm as others?	<input type="checkbox"/>	<input type="checkbox"/>
Are certain rooms in your home drafty?	<input type="checkbox"/>	<input type="checkbox"/>
Are you uncomfortable near windows and outside walls in cold weather?	<input type="checkbox"/>	<input type="checkbox"/>
Are your floors cold during the winter?	<input type="checkbox"/>	<input type="checkbox"/>
Could your home use more insulation in walls, ceilings or floors?	<input type="checkbox"/>	<input type="checkbox"/>
Is there a blast of hot air when heat first comes on?	<input type="checkbox"/>	<input type="checkbox"/>
Do you ever hear a roar or rumble in the system?	<input type="checkbox"/>	<input type="checkbox"/>
Do you have just one thermostat for the entire house?	<input type="checkbox"/>	<input type="checkbox"/>
Do you frequently readjust the thermostat for more comfort?	<input type="checkbox"/>	<input type="checkbox"/>
Do members of your family disagree on the proper thermostat setting?	<input type="checkbox"/>	<input type="checkbox"/>
Is your heating system noisy?	<input type="checkbox"/>	<input type="checkbox"/>
Is the air in your house too dry?	<input type="checkbox"/>	<input type="checkbox"/>
Do you consider your present heating system	clean?	<input type="checkbox"/>
	safe?	<input type="checkbox"/>
	modern?	<input type="checkbox"/>

WHILE SHE READS THE NEWS... YOU CAN BET...

She reads the Ads

According to the U. S. Bureau of Advertising, ADVERTISING ranks first with women, over all other newspaper content, for interest and readership! Women actually read ads in preference to anything else in the newspaper. (For that matter, ads rank third with men for readership!) And reading the newspaper is a favorite habit with American women.

So, if you have a product to sell—display it in an ad in your local newspaper. If it's for the home, write it to the housewife's point of view. For, more than anyone else, she'll read it. And, more than anyone else, she's the one who does the buying for the family!

Mrs. Housewife is your NUMBER 1 Prospective Customer... and she LIKES to read newspaper ads.
