New Automobiles On Display Today

New 1967 lines of automobiles are on display at local dealerships, and many people began inspecting the new models Thursday.

Showing of the new models always is of great interest to many people, and this year's showing is no exception.

Alphabetically, the following Tahoka dealers are playing host to people of the area in showing the new models:

McCord Motor Company is showing the new line of wide-track '67 Pontiacs in a variety of styles and also the Tempest line, a total of 35 models available. McCords also handle International Pick-Ups.

Wayne Waters Ford has the new Ford models on display, which line includes the Mustang, Falcon, Fairlane, and Thunderbird. Waters is also dealer for Ford Trucks in all sizes.

Wharton Motor, Inc., has three major lines on display, Oldsmobile, Buick, and GMC trucks, each in a variety of models. He has been Olds dealer many years, and last year added the popular Buick to his line of GM products.

All the automobile manufacturers are featuring new safety devices in their product this year.

Local automobile dealers invite the public to view their products and give them a chance on the next purchase.

Mrs. Lela Green Dies Saturday

Mrs. Lela Mae Green, 70, member of one of the first families to settle in Lynn county, died Saturday at 7:35 p. m. in Methodist Hospital following an illness of nine days with a heart ailment. She had lived at 1224 15th in Lubbock the past 12 years.

Funeral services were held Monday in an Amarillo funeral home, and burial was in that city.

Born at Salado, Bell county, on Jan. 14, 1896, the daughter of Mr. and Mrs. W. M. Kuykendall, she came to Lynn county with her parents in 1900. She attended school first at T-Bar, later at Tahoka and graduated from Tahoka High School in 1913 or 1914.

She was married here on Feb. 14, 1915, to Roy L. Green, who preceded her in death. They lived on a farm near present Wellman, and she was baptized by the Baptist Church in a stock tank at Gomez, also in Terry county.

Mr. Green farmed, cowboied, followed rodeos, and finally became a photographer about 1926, and he and his wife followed this trade for many years at Wichita Falls, Hobbs, N. M., and finally at Amarillo. She moved to Lubbock following her husband's death.

Her father, Wm. Kuykendall, was among the first settlers here, except for the ranchmen, and hauled the first load of lumber from Big Spring in 1903 for the first Lynn county courthouse. Mrs. Green visited here frequently, called Tahoka "home," and at the time of her death owned her late mother's place in the north edge of town.

She is survived by one son, Roy W. Green, 615 East Corbett, Hobbs, N. M.; and one daughter, Mrs. W. W. (Christine) Rives, 2623 Linda Drive, Amarillo; two brothers, W. M. (Bill) Kuykendall of Clifton and S. K. Kuykendall of Fort Worth; three sisters, Mrs. Gladys Moore of El Paso, Mrs. Grady (Ethel) Beard of Portales, N. M., and Mrs. Lonnie (Tula) Taylor of Fort Worth; two grandchildren, and three great grandchildren.

New Oil Test Starts At Wilson

One test has been abandoned as a dry hole and another started at the north outskirts of Wilson in the Miriam Green (Glorieta) field.

W. Ridley Wheeler Estate No. 1 Callie Lumsden test just outside the city limits turned out a failure, but the rig has been moved across the highway west and is now drilling a 5,000-foot test designated the No. 1 Ahrens-Heck.

Location is 4,504 feet from the north and 5,999 feet from the west lines of League 4, Wilson County School Land survey.

Vote Registration Starting Monday

No longer will Texas citizens pay poll taxes as a qualification for voting in national, state, or local elections.

But, all citizens eligible must now register between October 1, 1966, and no later than January 31, 1967, in order to vote in any election during the coming year.

Registration is free and may be done by mail on securing a prescribed form at the office of the County Tax Assessor and Collector, George McCracken. Registrant must sign his name to the blank, together with necessary information as to age, residence, etc.

Other qualifications for voting remain the same as under the old poll tax system. A voter must have lived in the state at least one year, in the county at least six months.

In Lynn county, a county not having a city of 10,000 or more people, average citizens do not have to register. This means a person over 60 years of age on January 1, 1965, does not have to register to vote next year.

Mr. McCracken suggests that citizens register to vote when they begin paying property taxes during October.

Holy Land Pictures At Baptist Church

Rev. Jim Turner states that everyone interested is invited to Sunday evening's service.

City Seeks Bids On Moving Of Water And Sewer Lines For New Highway

City of Tahoka will receive bids prior to 3:00 p. m. October 17 for construction of water lines under the site of the new US 87 4-lane highway right-of-way at the north outskirts and a sewer line change at the south edge of town on the same highway.

State of Texas will participate in cost of both the water and sewer lines.

Moving the water mains, which come from the water field north of town will require 770 linear feet of 8-inch and 1200 feet of 10-inch line.

Earlier, moving of the sewer line which goes from the city to the disposal plant was anticipated as a major and costly problem. However, City and Highway Department engineers cooperated in designing a plan which will not necessitate a lift station.

The sewer main line will be moved to follow the highway right-of-way some distance to the southwest of the present crossing and then proceed back to the present main line on the south and east.

This will require, however, 1350 linear feet of 10-inch VCP line, 300 feet of 10-inch cast iron line, 14- and 16-inch steel casing, six manholes, and other fixtures.

Local Lady Hurt In Robbery Attempt Near Fair Grounds

Mrs. Everton Nevill's left arm was broken at the elbow Monday at about 11:00 p. m. when two Negro youths attempted robbery as she and her daughter, Mrs. R. W. (Sheryl) New, and baby were leaving the Panhandle-South Plains Fair grounds. She underwent surgery on the arm Tuesday afternoon in West Texas Hospital.

Mr. and Mrs. Nevill and son Joe Don and Mr. and Mrs. New and baby, who live in Lubbock, had gone to the fair in two separate cars, the two men and the boy in one car and the two ladies and the baby in the other, and the ladies had parked their car on the south side of the street in the 100-block of East Broadway.

While en route to the car, the two Negroes ran up and grabbed Mrs. Nevill's purse, which she had on her left arm, and in doing so threw her to the ground, broke the purse strap, and started running. Mrs. New, carrying her baby, screamed for help and started after the boys. Some white youths joined the chase, and the Negroes threw the purse down, but the Negroes escaped.

Doctors pinned the broken elbow back but fear she may not have full use of the arm for a long time.

Tickets will be sold at the door and the public is invited to attend.

LATIN KINDERGARTEN OPENING OCTOBER 3

Kindergarten class for Latin-American children under school age and at least five years old will open at Getsemani Baptist Mission on Monday, Oct. 3, according to Rev. Sidney Pistone, pastor of the church.

The class will be from 8:30 a. m. to 11:30 a. m. Monday through Friday, and Mrs. Martha Pistone will be the teacher. A fee of \$4.00 per month will be charged those attending kindergarten.

SENIOR CHILI SUPPER

A chili supper is being sponsored by the Tahoka Senior Parents Saturday, Oct. 8, from 5:30 to 8:30 p. m. at Lyntegar, announces Mrs. W. T. Kidwell. Chili, beans and salad will be served.

Tickets are \$1.00 for adults and 50 cents for children through 12 years of age.

County Valuations Increase, Rate Is Reduced To \$1.20

Lynn county tax valuations for state and county purposes have been materially increased, from \$11,810,962 to \$17,106,006, a jump of \$6,295,034, but the county tax rate has been decreased from \$1.90 per \$100 valuation to \$1.20 per \$100 states George McCracken, county tax assessor and collector.

Some taxpayers will have a reduction, but many others will be paying more taxes, all as a result of the re-evaluation study made last year by a firm of experts, McMorris & Co. of Amarillo, under direction of the Lynn County Commissioners Court.

All property owners having a change were notified, and many of them appeared before the equalization board last spring.

However, State of Texas has raised its tax rate from 42 to 47 cents. Water District rate remains at five cents per \$100 valuation, and applies only to property in the north fourth of the county in the High Plains Underground Water District.

Valuations in Lynn county are based on approximately 20 percent of actual value.

In the past, for the most part, improvements have not been considered in valuation of farm land for tax purposes. Under the re-evaluation program, tax values are being more fairly adjusted by reason of values being set on farm improvements, as well as value of land, irrigated, dry, or pasture.

Since the readjustment of valuations, the county's potential tax take will actually be less, \$205,272.05, because of the reduction in rate from \$1.90 to \$1.20 per \$100 valuation, which reduction was made possible largely by reason of the paving bonds being paid off.

State of Texas' values have been increased from \$9,632,390 to \$14,243,708, less than the total county valuation because of homestead exemptions. The raise in the State rate from 42 to 47 cents will raise total State taxes in Lynn county from \$40,457.81 in 1965 to \$66,940.06 in 1966.

High Plains Underground Water District's tax take increases from \$1,596.24 to \$2,661.60 potential.

New Tahoka Brochures Published By SWPSC Aimed At New Industries

Delivery was made this week of the new Tahoka brochures printed for Southwestern Public Service Company as a part of its expanded industrial development program in cooperation with the local Chamber of Commerce.

The four-page brochure, printed in two colors on heavy offset paper and 9 1/2 by 12 inches in size, advertises Tahoka as "a friendly town in big West Texas."

Although of interest to local people, it is designed to answer many questions an industry or new business would want to know in seeking a location, states Harold Roberts, local SWPSC manager.

The very attractive front page includes some fine photography of such places as a residential street, the city hall and fire station, interior of a modern cotton gin, the roadside park north of town, and the tower of First Methodist Church.

Other pictures feature the high school, the bank, courthouse and swimming pool.

Principally, though, the brochure is a fact sheet, and contains information on location, population, climate, various government departments, public works, financial institutions, civic and fraternal organizations, educational facilities, transportation, churches, labor market, utilities available, etc.

Specially emphasized are tax rates and also the 500 acres of Tahoka city land northeast of town available for industrial development in proximity to railroad, highways, water, and utilities.

Bulldogs Play Slaton Today

Tahoka Bulldogs, winners in three starts, run up against a rugged foe this Friday at 8:00 p. m. when they tangle with the Class AA Tigers at Slaton.

Fans going to the game are advised to go a little earlier than usual, since Slaton is building a new stadium and all spectators must sit on the east side and seating space is a bit limited.

Coach Don Smith's boys came out of the Idalou Wildcat game, which they won 27 to 0, in fair physical shape except for bruises.

Three of four boys, one a starter, who missed last week will be back in uniform. They are Larry Arnold, starting fullback; David Schucknecht, defensive center; and Willie Ewings, a reserve who has been used some.

Tommy Kidwell and Richard White, injured slightly at Idalou, will be ready to go.

These and some other boys, such as Gary Brooks and Milton Edwards, played fine games at Idalou and are showing increased tenacity, Coach Smith says.

The Bulldogs have had fine offensive scoring threat with Mitchell Williams, quarterback, the sensational running Halfback Cliff Thomas, also half-carrying by Doyle Schneider, Arnold, John Tyler, and others, all behind an offensive line that has been doing a fine job, composed of Brooks, Kidwell, Milton Edwards, Jody Edwards, Richard White, Wayne Thurman, and Chris Roberts.

Defense has been capably handled by these boys with help from Mike Chandler, Schucknecht, Joel Inklebarger, and others.

Next week the Bulldogs play Post Antelope, a powerful Class AA team this year, returning to their schedule after an absence of four years.

Tahoka has won over Lorenzo 45 to 0, over Crosbyton 26 to 13, and over Idalou 27 to 0.

Slaton lost its opener to Petersburg 14 to 13, tied Idalou 0-0, but defeated Crosbyton 13-7.

The Tigers are big and rangy. Tahoka scouts say, very tough and are probably more rugged than Idalou. They have some good reserves. In fact, some of last year's lettermen are not even starters this year. They have some hard driving backs, offense is improv-

Louis Mueller Writes Of Trip

Louis Mueller of Seguin, well known at Wilson and by other people over the county, was up last week and left The News a very interesting detailed account of his recent 25-day trip to Canada and Alaska by plane. Below The News gives a very sketchy review taken from their detailed account of the trip.

Leaving San Antonio July 21, the guided tour party flew to Dallas and Denver, then went by train to Portland, where they stayed at the famed antique-furnished, gas-lit Hoyt Hotel. Then on to Seattle, from which they visited Mt. Rainier, Lake Washington, over the floating concrete bridge, visited log-pole yards,

Boeing Aircraft factory, Interpreter's Museum.

The Muellers observed that every sixth person own a boat and because so many go boating on Sunday, church services have been abandoned Sunday mornings and relegated to night and week-days. An upgrading program fits people for better jobs, but most unemployed are on relief as they do not want to work. . . . Electrical power is very cheap because of water power plants. . . . Rain is called "liquid sunshine."

Sunday three, hours, they flew by jet to Fairbanks, Alaska. Since "Pop" Mueller was used to getting up with the sun, he had to go back to bed because the sun rose

at 3:00 a. m.

Fairbanks, population 13,331 in 1960, is terminus of railroad and Alcan Highway, trade center of central Alaska, military bases, and has permafrost 14 feet below that thaws to only about four feet each year and there are foundation problems as cabins sink if an air pocket is not left. Cabins and homes were built only as family expanded, one room added as each child born, but many very expensive homes. There are "cemetery ice houses" in which to store bodies because they are unable to bury the dead during winter.

Gardens are beautiful, crops are short-stemmed barley, wheat and rye, cabbage grows to 40 or even 65 pounds per head, radishes to a pound and a half, potatoes to 5 or 10 pounds, and carrots "out of this world". There are 90 days in the growing season, nine months of snow up to 134 inches per year.

One may homestead land by living on property six months each year, three years and making about \$600 improvements each year. Timber in area is short, slow growing, because of cold winters. Dog teams are called "Mushers," special races are held in winter. They saw a dog-sled demonstration by Alaskan Huskies, part wolf, still used in back country in winter.

University of Alaska in Fairbanks has 4,000 students, main campus and six community colleges, museum displaying Eskimo and Indian artifacts, a cement tunnel 3,200 feet connects all 26 buildings for utilities, tuition free to Alaskans, \$300 to non-residents until you have been there a year. There are only two swimming pools in Alaska, one at University one at Elmendorf Army Base.

They saw site of proposed 1967 Centennial Exposition celebrating purchase of Alaska for 67 cents an acre from Russia 100 years ago, took tour on Sternwheeler Discovery on Tanana River, saw homesteader places, Indian camps, Aleuts are Eskimoes, who are forth-right, self-reliant, and friendly. Of the population, 85,000 Alaskans live in urban places, 140,400 in rural areas.

Alaskans mostly hunt and fish, and we saw hides of different animals stretched on houses, poles, etc. The moose is the chief wild animal used for food besides fish, and hide for clothing, bedding and even dog sleds.

In Fairbanks, milk is \$1.50 per half gallon, steak \$1.89 per pound. Coal and oil are used for heat. Electricity bill for a two bedroom home is \$75.00 per month, another \$70.00 if used for heat. Gasoline is 51 cents for regular, 56 cents for high octane. Parking meters have plug-ins for cars, which must have special gadgets to keep car in driving shape when weather gets 55 degrees below zero as one must keep oil warm, and have a heating pad for battery, and one must drive slowly or the axel or gear-shift will break.

They took a side trip to Mt. McKinley National Park, but the mountain, 20,300 feet high was obscured by rain. Another was on beautiful Seward highway to Iceberg Lake and Portage Glacier, Mt. Alyeska ski resort. (To be continued)

Mr. and Mrs. Ray Chancy of Artesia, N. M., were here last week end visiting his parents, Mr. and Mrs. Ted Chancy, and her sister, Mrs. Roger Bell, and other relatives and friends.

Texas' first oil well was 106 feet deep.

New Bible Study At First Baptist

The First Baptist Church will embark this Sunday on a "brand new" program of Bible study for adults and young people as it officially begins its new church year. The feature of the new program will be a chronological study of the Scriptures that is designed to teach people how to study the Bible and to give them a solid background of Bible knowledge on which to build.

Classes will be small and an informal atmosphere will be emphasized with the class members seated around a large table so that they may take notes and refer to the Bible, to maps, and to other "helps".

"This method of study has been used during the past year in both terms of our teacher training department and a special weekday ladies' Bible class and has proved to be very effective in giving our people an understanding of what the Bible is all about. Because of the enthusiastic response of these limited groups, we are expanding this type of teaching into use in our regular adult and young people's classes", stated James Holars, minister of music and education.

As preparation for their Sunday morning teaching assignments, all the teachers in these age groups will meet each week to study the material to be covered the following Sunday. Mrs. Harold Reynolds, associate superintendent in charge of teacher training, will direct the teachers in their study.

Anyone not attending a Sunday school already would be welcome to enroll in this nine month study and may join a class by being present this Sunday at 9:45 a. m.

Bulldogs Winners Over Idalou 27-0

Tahoka Bulldogs exploded for three touchdowns in the second period and one in the third Friday night to hand the District 4-A defending champs a 27 to 0 thrashing, but now must run up against a potentially tough Slaton Tiger team this Friday as the going gets rougher every week.

The game was much more rugged than the score indicates, and Idalou was doubtless the strongest team the Bulldogs have met, but the aggressive Bulldogs were out to win and win they did.

Although all the boys on the Bulldog team were heroes, again it was Cliff Thomas who made the headlines as he carried the ball 20 times for 232 yards, an average of 11.6 per carry, scored three touchdowns, one on an 87-yard run, kicked three conversions, and with 21 points ran his total scoring in three games to 50 points.

Really, it was not all Thomas, as QB Mitchell Williams did a fine job setting up the offensive plays; HB Doyle Schneider showed great driving power, and intercepted a pass, and turned in his finest game; John Tyler caught a pass for a TD and intercepted an Idalou pass on the goal line; and End Chris Roberts hauled in a long 52-yard pass to set up a score and also intercepted a pass.

Linemen were the keys to the victory, led by Tommy Kidwell, a star on both offense and defense, Milton Edwards, Jody Edwards, Richard White, Wayne Thurman, Roberts, Joel Inklebarger, and Mike Chandler had some fine key tackles, and others.

Wildcats Threaten

Idalou won the toss, Tahoka kicked off, and Bruce Mitchell ran from the 10 to the 25. Ronnie Rose made 5 on two carries, then QB

Durwood Vincent hit End Ronald DeBusk on a 23 yard pass, and the Wildcats were off on a drive it seemed Tahoka couldn't stop. In fact, it seemed they might run the Bulldogs clear out of the stadium.

With Larry Isom, Rose, and Jody Chance carrying, the Wildcats moved to the Tahoka 12, then the tide turned. On fourth down and 8 to go, Vincent threw a perfect pass to his left end, but out of nowhere came Tahoka's John Tyler to make a sensational interception on the 2 and run out for the 16.

Bulldogs On The Move

Two plays gained only three, a pass was incomplete, and Thomas punted 34 yards, but this time the Bulldog defense had gained its composure and stopped the Wildcats on the Tahoka 43, forced a punt—36 yards—allowed to die on the Tahoka 7.

Cool, calm, and determined, the Bulldogs now moved 93 yards in 13 plays for the first score. Thomas had 2, Williams went 11 on a keeper around right end, then Williams pitched out to Thomas who ran 29 yards, and Schneider powered through right guard for 11 to the Idalou 39 as the quarter ended.

By short gains from Tyler, Williams and Thomas, a 13-yard run up the middle by Schneider, and a recovered fumble thrown in, Thomas went the last 6 around left end to score. The ball was fumbled on the place kick but recovered, and Thomas made the kick good anyway. Score, 7-0.

Score Twice Quickly

Isom brought the kickoff from the 9 to the 42, but the Wildcats drew a clipping penalty to the 27. Rose made 5, and a pass was complete to End Johnny Petree on the Idalou 49 but Petree fumbled when tackled hard and Chandler recovered on the Tahoka 47. Two plays later, Thomas, on a pitch-out, went to the Idalou 16, but a tackler grabbed his face mask at the 26, from which point Idalou was penalized to the 14. Schneider went for 5, then Thomas bulled over the middle, ran

Sundown Wins At Wilson 8-0

Hard luck rode with the potent Wilson Mustangs Friday night when they lost to the also-rugged Sundown Roughnecks 8 to 0 in a tough defensive battle at Wilson. Sundown is the defending Class B district and regional champion.

Coach Bobby Davis' boys have an open date this week to prepare for Cooper, and Mustang fans, proud of their team's showing, declare Wilson should not be counted out—yet.

Only score of the game came in the second quarter. From its own 24-yard line, fourth down and 9 yard to go, the Mustangs decided to go for a first. But the ball was fumbled and Sundown took over. Pushed back to the 31 by penalties, QB Eddie Douglas rolled out, ran to about the 15, lateraled to Jimmie Ray Jackson, who was run out on the 4. Then Mickey Moran ran over for the TD, and Ronnie Popejoy ran the conversion.

Sundown had threatened early in the game but were stopped by a stout Wilson defense. Wilson got a drive started in the second that moved to the Sundown 8 before the Mustangs were stopped.

Dennis Verkamp, leading Plains scorer until this game, was throttled by Sundown defense, although Gary Crews turned in a good job rushing and QB Johnny Scott running the ball club and passing for 87 yards.

Sundown had 11 first downs, 192 yards rushing, none passing. Wilson had 9 first downs, 71 yards rushing and the 87 passing for a total of 158 yards offense. Two fumbles lost and a pass intercepted hurt the Mustangs.

B-Team Loses To Plains B 14 To 8

Tahoka-Post B game set Oct. 6 has been canceled and Tahoka coaches are trying to get a replacement for this date.

Last Thursday night, the B string dropped a 14-8 game here to the Plains B team Cowboys.

Plains scored in the first quarter and ran the conversion, and Tahoka came back in the second period to tie the game when Martin Warren scored for Tahoka on a keeper and Mike McDonald ran the conversion. Also turning in good runs were Doug Taylor and Bobby Martin.

period to tie the game when Martin Warren and Mike McDonald put the 8 points on the scoreboard. Also turning in good runs were Doug Taylor and Bobby Martin.

Later in the game, Plains scored again but failed on the conversion.

This was the first game for Tahoka B, and Coach Robert Ryan's boys showed their inexperience and have a lot of polishing up to do. The Plains team was larger and obviously more experienced.

Among others on the squad are Greg Thomas, Rex Hamilton, Steve Roberts, Michael Glenn, Jimmy McCord, Kent Powers, Steve Chancy, Max Bartley, Stephen Vaughn, Edward Smith, James Sayles, Ivory Joe White, Lupe Saldana, Rudy Fuentes, and DeWayne Schuknecht.

Anton Playing At New Home

New Home Leopards entertain a rugged ball team from Anton in a Class 2-B conference game tonight at 7:30 p. m., and Coach David Verner's young club hopes to stage an upset.

Anton defeated New Deal 6-0 while the Leopards lost to New Deal in their opener 28 to 6 when inexperience showed up.

At Whiteface Friday night, the

Leopards took an early first quarter lead when halfback Wayne Fillingim dashed 17 yards to score, but conversion failed.

In the second, the Antelopes resorted to a razzle dazzle play when QB Wayne Legen passed to HB Darrell Kitchens, who lateraled to FB Leo Pearson and the latter went 35 yards to score. Legen ran for the conversion to make the final score 8-6.

Pfc. Johnny Marett is now serving in Viet Nam in an Army Engineering outfit. He has been over there since June, and is scheduled to be in the war zone a year.

Rep. Albert W. Watson (SC-Dem.) reveals our government through National Science Foundation gave a grant of \$13,000 to Prof. Stephen Smale of University of California to travel in the Soviet Union. Promptly on arrival, Smale called a news conference in Moscow in which he denounced American participation in Vietnam as "horrible and brutal." You, Mr. Taxpayer, helped pay Prof. Smale's way to Moscow. He has long been known as pro-Communist and Un-American. How can we be so stupid if we don't have Communist sympathizers high in Government office?

Ford Foundation and United Auto Workers, according to U.S. News and World Report, have joined hands to pour \$4 million into "Citizens Crusade Against Poverty" for the purpose of organizing protest demonstrations. It's a sad commentary on our decaying code of morality when such organizations encourage violation of some laws to gain some objective they think right. Our politicians today do not have the guts to buck the minority, union, or so-called ultra-liberal groups. Oh, how badly we need some statesmen big enough to help set our thinking right on a national level!

Some where, some time, and not too far away, somebody in high office is going to have to call a halt to riots, insurrection, mob violence, murder, rape, unlawful assembly, throwing of Molotov cocktails, advocating overthrow of government—all in the name of "civil rights." Other citizens have rights, too, and if Washington doesn't wake up, the voters will—or our civilization is a goner!

Will Harris of New Home disputes the claim of Cap Whorton and the Albany News that the Shackelford county paper is the "oldest west of the Brazos", established in 1879. His old home town paper, The Cameron Herald, is published continuously since 1860 and is west of the Brazos. The editor writes a column headed "107" which will be changed to "108"

in about six months. Thanks for the paper, too, Mr. Will.

We griped here last week because Roy Appling, bragging about gathering mustang grapes on a recent visit to Milam county and failing to bring home the evidence. Well, he brought us that evidence Friday. There ain't nothing we like better and get less uv than Mustang jelly.

We've goofed again! We'll just shell down and admit that we completely forgot to write a story last week about Tahoka's Seventh and Eighth Grade football teams each winning over Plains there 8 to 0. Peggy Atwell, although smiling, didn't fail to get us told, too. Until you get in this reporting business, you'll never know how hard it is to please all the mamas and papas and fans and players and coaches. No, honestly, we have an easy time—we just sympathize with the sons on the teams and the coaches.

Speaking of mamas interested in football, Max Edwards saw five football games last week in four nights. How's that for a loyal Bulldog fan?

Ex-Bulldog Bill Chancy carried the chain or down marker in his 206th game Friday night. He's been on the sidelines as a minor official in three Tahoka bi-district games, against Littlefield, Stamford, and Anson, and says he hopes to be there in a Tahoka bi-district game this year. You may not know this, but most South Plains officials know and respect old Bill, and at least twice recently they have requested he carry the down marker in preference to some one designated they did not know.

Larry Howell, editorial staff writer in the Dallas News took a cue from this column one day last week and wrote the following:

"Proper Appearance
Frank Hill at the Lynn County News writes, "Hooray for Denver City!" in noting that the schools there have rigid standards on dress and grooming.

"Girls must wear dresses or skirts and blouses designed not to attract undue attention. Boys' clothes must be worn in keeping with those worn by gentlemen... and there will be no hair dyed unnatural color and no weird haircuts or hairdos..."

"School is for learning," Mr. Hill observes, "not for show-offs, weirdies, beatniks, glamor queens and the like. School is for educating young ladies and gentlemen in a wholesome environment." Mr. Hill's logic, of course, is as

The Lynn County News, Tahoka, Texas Friday, September 30, 1966

impeccable today as it was in yesterday. Mere exposure of a young maiden's ankle a few decades back may have attracted more undue attention than what is left uncovered by a miniskirt does today.

There was a time, too, when a young man was considered nearly naked if he had most of his hair sheared off in one of those GI cuts, although a rapid expansion in the number of GIs quickly changed that notion.

Look at a dollar bill, and you'll see there the Father of Our Country gazing nobly from under a powdered white wig, a frilly scarf about his neck. A young Carry Nation clad in black floor-length skirt and bonnet probably couldn't get past the front sidewalk of most schools today.

The same goes for a youngster who might try to wear a tuxedo to class. Never was there a sillier-looking wardrobe item. Yet it's all right to look like a penguin at a high-society blowout but against regulations to show up at school disguised as Prince Valiant.

The nudists claim they have the last word on this subject of proper attire, but their argument doesn't wear well.

LEMOND WRITES FROM TRIP AROUND WORLD

J. E. (Guy) LeMond of Snyder, on a trip around the world, writes from Formosa, 10,000 miles away from home, that he found Japan very beautiful, farms pretty. Formosa has 100 inches of rain a year.

He expects to be home by October 8th.

Lighting Facts Given Rotarians

"The Truth About Lighting" was the subject of a talk and demonstration at Tahoka Rotary Club Thursday noon by Loyd Thompson, lighting specialist of Southwestern Public Service Company. The speaker displayed many kinds of electric lights for many purposes, and his first illustration was the development of the light bulb from a replica of the first one invented by Thomas A. Edison down to the most popular and most efficient bulbs in use today. The most popular, however, he declared is not always the best, most efficient or the cheapest. For example, the most popular light for store buildings is a so-called daylight lamp, whereas the cool white light is much better. He staged demonstrations to prove his point.

Also, he pointed out the fluorescent light is less expensive than the incandescent light. He illustrated over-lighting, inadequate lighting and sufficient lighting and their effects. Various types of lights for special purposes were exhibited such as a very tiny bulb used by dentists and surgeons to high-powered sports field lights, show-case lights, flood lights, spot lights, horticultural lights to make plants grow indoors, and others.

Fred McGinty introduced the speaker. Harold Reynolds, presiding in the absence of Harold Roberts, announced the club will sponsor Marla Bray in the Texas Teen Age America contest, at which Texas "Junior Miss" will be selected on the basis of scholastics, poise and personality.

The club will have its Rotary Assembly on Wednesday evening, Oct. 6, 6:30 p. m. when Rotary

Idalou . . .

(Cont'd. from Page 1, Sec. 2) over a defender and went in to score from 9 yards out. Conversion failed on a bad pass from center, but with 5:02 left in the half Tahoka led 13-0.

After the kick-off, Idalou couldn't move as Tahoka's defense was now tough, Tahoka took over on its 31, two plays later drew a 15-yard personal foul penalty back to its 17, but now Tahoka moved quickly for 83 yards to its third score.

Williams hauled away and heaved a long pass to End Chris Roberts, who made a perfect grab and was on his way until overhauled from behind on the Idalou 31, a play good for 52 yards. Thomas made 4, Schneider 2, Thomas 7 to the Idalou 18. Williams faded to pass again. Here came Tyler across the middle, Williams threaded the needle to him on the 2, and Tyler stepped into the end zone for the third TD. Thomas' kick was perfect, and Tahoka led 20-0 at halftime.

Schneider Sets Up Score
Opening the second half, Tim Walker ran the kickoff out to the 21, but on the second play big Jody Chance intercepted a Tahoka pass on the Tahoka 36 to give the Wildcats another scoring chance.

Four plays later, after the Wildcats had moved to the Tahoka 23, Schneider intercepted a Wildcat pass on the Tahoka 10 to nullify the threat and set up the final Tahoka score. Schneider made 3 to the 13.

Then, Williams pitched out to Thomas on the right, Tommy Kidwell threw a key block that sent Thomas to midfield, then Jody Edwards came in for another key block, and Thomas was long-gone 87 yards for another Bulldog TD. Thomas kicked the conversion. Score 27-0 with 8:01 left on the scoreboard clock in the quarter.

Rest Anti-Climatic
That was the ball game, but there was a lot of rugged play left, some of it by Tahoka reserves.

After the kickoff Isom ran to the Tahoka 47, then made 10 yards, a pass was incomplete, Vincent lost 7, then Tahoka took over after the punt on its 20. Two plays gained 2, then Mitch faded to pass, receivers were covered, and he heaved a long one as far as he could throw, but Isom ran away back and made a sensational interception about the Idalou 40 and ran back to the Tahoka 40.

Three plays later, Vincent hit Rose on a 17-yard pass to the Tahoka 20. On fourth down at the 17, Gary Brooks caught Vincent for a 3-yard loss. Williams, Thom-

as, Schneider and Tyler moved all the way to the Idalou 36 before giving up the ball. Idalou had one short-lived drive in moving to the Tahoka 29.

Here, Chris Roberts made a fine pass interception on the 20 and ran to the Tahoka 25. With Charlie Brown now in at quarterback, Tim Walker, Mike Chandler, and others in, Brown completed a 12-yard pass to End Jim Adams which pleased the Tahoka crowd, but the Bulldogs bogged down at their 42, and Thomas in to kick got off one of his poorest punt efforts of only 16 yards with 33 seconds left. Idalou had time for only three pass tries, all failures.

Others Play Well
Although greatly overlooked by fans and headline writers, Tahoka's line was great as a unit. Milton Edwards and Richard White probably had their best games of the new year. Joel Inklebarger continued as a key man on defense, Freshmen David Rogers and Tim Walker added their bit, Sophomores Charlie Brown, Billy Curry, and Jim Adams and Junior Buz Owens all got some valuable experience, also.

Fans were especially pleased with the recovery effort, poise and aggressiveness of the entire squad, team spirit, and cooperation which held the opponents on defense and enabled the ball carriers to

go on offense. Idalou's big line was the toughest the Bulldogs have hit and featured Jim Taylor, David Bullock, Dale Layne, Robert Harris, Jerry Franklin, Bruce Mitchell, Terry Schmidt and others.
