Tahoka-O'Donnell Game Here Today

Tahoka Bulldogs, disappointed by the 18-12 loss, their first of the season, to Seagraves there last Friday, must be ready to-night for the O'Donnell Eagles come to town for a 5-A Conference game at 7:30 o'clock.

Oldtime fans will remember other days when O'Donnell, in just such a situation, "snuck up on" the Bulldogs. O'Donnell fans have often said their season is a success if they can beat Tahoka.

Although the Eagles have won only one game, a 26-0 defeat of Ropesville, scouts report they are big, have some speed, and could spring a surprise. "If they are up, they can hurt you," says Assistant Coach Cecil Robinson.

Two former Tahokans coach the Eagles. Jerry Don Brown, a former assistant here, is head coach. Glenn "Moose" Hopkins, a former Tahoka player, is his assistant. "Moose" frankly says the Eagles will be out after Bulldog meat.

The Eagles have several good backs. Steve Gary, 154-pound senior is usually the quarterback, although Bobby Brown, 165, sophomore, also runs quarterback some and also plays left end. Both boys do punting. Joe Lopez, 165, senior halfback and fullback, is speedy and a dangerous runner. Bobby Ewing, 199, a junior, is a tackle who also runs powerfully at fullback on occasion. Gary Evans, 178 senior, is another power fullback. Other backs who will see action are Danny Brewer, 160, junior; Ronny Barnes, 145, senior; and Wayne Kieschnick, 175, sophomore; and Eddie Joe Moore, 155, senior.

The center is Rickey Arnold, 189, junior; guards, Billy Barnes, 145, senior; Wayne Clayton, 165, junior; and Jimmy Williams, 147, junior; tackles, Richard Mansell, 205, senior; Alan Barrett, 165, senior; Layne Birdwell, 223, sophomore; and Ewing; and ends are Kenneth Vestal, 154, senior, and Dwight Crawford, 165, senior.

Coach Don Smith expects to use about the same boys as in the past. Just because Plains beat the Eagles 63-0, the Bulldogs can't let up, Coach Smith says, for the Eagles probably had their minds on Tahoka last Friday.

New Home Has Homecoming

Mrs. Era Balch was crowned New Homes exes' homecoming queen during halftime activities at the New Home-Wilson football game Friday night. She was escorted by George Sealy and presented a bouquet by Karon Edwards.

Crowned the new homecoming queen for the New Home school was Sandy Newman, and runners-up were Rhonda Gill and Susan Hancock. The queen and her attendants were escorted by men from the honored classes of 1935 through 1938. Miss Newman was crowned by William Lee Shockley, president of the New Home Student Council.

About 125 attended the banquet preceding the game, according to Mrs. John Edwards. The next homecoming banquet will be held in 1968.

Joe D. Unfred was elected president of New Home exes at a coffee hour in the cafeteria following the game. Jim Bob Smith is the new vice president, and Mary Bess Edwards was re-elected secretary-treasurer.

Outgoing officers are Bernice Clem, president, and B. L. Ernst, vice president.

UNDERGOES EYE SURGERY

Mrs. W. T. Luttrell, who underwent surgery on her left eye for removal of a cataract, was able to come home from St. Mary's Hospital Friday and is reported doing fine.

Reddells Winners "Yard of Month"

Winners in the "Yard of the Month" contest for the month of October were Mr. and Mrs. W. A. Reddell, 2420 North Fourth, announces Mrs. D. R. Proffitt, secretary of Tahoka Garden Club, sponsoring organization.

The two honorable mentions were Mr. and Mrs. V. P. Carter, 2408 North First, and Mr. and Mrs. Blake Lovelace, 2410 North First.

Members of the local Garden Club hope to conduct the same type program next summer but hope to get an earlier start. The club expresses its appreciation to Eugene Munselle for his assistance in each month's judging.

Red bud trees will be awarded to the four winners in time for Arbor Day planting in January. Earlier winners were Mr. and Mrs. Sam Bartley, Mr. and Mrs. Harold Reynolds and Mr. and Mrs. Garland Pennington.

Schools Receive OK On Fire Inspection

Tahoka schools passed fire inspection with "flying colors" last week, states Johnny Raindi, fire marshal for the City of Tahoka.

Raindi said he found all buildings clean, no apparent fire hazards, fire extinguishers in good condition, and fire drills being conducted periodically in all three schools.

Mr. Raindi says custodians, teachers and administrators are all due commendation for being cooperative and fire-conscious.

Mrs. Bartley, 85, Buried Tuesday

Mrs. Susie Bartley, 85, a resident of New Lynn community 54 years, died at about 2:30 a. m. Saturday in Mercy Hospital at Slaton, where she had been a patient two weeks.

Mrs. Bartley, affectionately known as "Ma", first went to the hospital with pneumonia, then suffered a stroke a week before her death.

Funeral services were held at 2:30 p. m. on Tuesday in Sweet Street Baptist Church with Rev. Monte Robinson of Lamesa and Rev. Benny Hagen of Wilson officiating. Burial followed in Tahoka Cemetery under direction of the White Funeral Home.

Mrs. Bartley was born in Arkansas, Ark., on Nov. 21, 1880, and there fore would have been 86 later this month. After coming to Texas, she was married in Grayson county on Nov. 6, 1895, to the late J. I. (Shorty) Bartley, who passed away here in 1954. The couple moved to Lynn county in 1912, and had resided in the New Lynn area all the time. She was a member of the Baptist Church.

She is survived by six living children; two daughters, Mrs. Jewell Curry of 2808 First Place in Lubbock and Mrs. Allene Rouse of San Antonio; four sons, Willis of Burkburnett, Newman of New Lynn, T. C. of Oroville, Calif., and Sears of Wilson; one brother, Thurman Bailey of Fort Worth; 34 grandchildren, a number of great grandchildren, and several great, great grandchildren.

MRS. CALLAWAY ILL.

Mrs. Pearl Callaway of Abilene, widow of a pioneer Tahoka physician, Dr. E. E. Callaway, is critically ill in the Hendrix Memorial Hospital in Abilene, according to her nephew, Q. T. Brian. She can have no flower or company. She entered the hospital Thursday of last week.

MISS DIANE CORBELL

Miss Corbell In State Contest

Miss Diane Corbell of Lynn County will represent District 2 in the state finals of the 1966 Texas Farm Bureau queen contest Nov. 14 in Corpus Christi.

The 18-year-old daughter of Mr. and Mrs. Dwight Corbell of New Home was selected to represent this area during recent district eliminations.

At the state contest, which will be held in conjunction with the 33rd annual convention of the Texas Farm Bureau, Miss Corbell will compete with 12 other district winners for the state title. The winner will receive \$500 to cover expenses for herself and a matron escort to the American Farm Bureau Federation convention in December in Las Vegas.

In addition, all district queens will receive expense-paid trips to the state convention and will be given a gift by the Texas Farm Bureau.

Miss Corbell, now a freshman at Abilene Christian College, was very active during her high school days at New Home. She was football queen, a majorette, a cheerleader, and elected to Who's Who. In addition Miss Corbell was a class officer for three years, a member of Future Homemakers of America and on the Student Council.

The queen finalist's hobbies include flying, creating and fixing hair styles, cheerleading, and meeting new and different people. Miss Corbell is 5'2" tall, has blond hair and blue-green eyes.

New Child Welfare Worker Assigned

Miss Mary Dillard, 22, of Lubbock is Lynn county's new child welfare worker and is moving to Tahoka this week.

She graduated from Texas Tech last August and has just recently completed her training at Nacogdoches.

Miss Dillard is filling the vacancy recently left by Mrs. Jerry (Sandra) Cain, who moved several weeks ago with her husband to San Angelo.

Miss Marla Bray In Teenage Event

Miss Marla Bray, 17, Tahoka High School senior, has been in Dallas since last Saturday as a candidate in the week-long Miss Teenage America contests.

Word was received Thursday morning that Marla did not make the top seven semi-finalists.

Pageant finals will be Saturday night and will be telecast in color over CBS nationally from 9:00 to 10:30 p. m.

Miss Bray, with her mother, Mrs. A. M. Bray, left at 11:22 a. m. Saturday by plane from Lubbock Airport on the all-expense paid trip. A Tahoka delegation headed by Mayor Melton Leslie and Chamber of Commerce President Wayne Waters, saw the two ladies off. The C. of C. is helping with miscellaneous expenses.

The local girl was selected as one of the eight at-large candidates from over the nation, and there are 57 other candidates from various cities and states holding eliminations.

Miss Bray's talent presentation is a two-minute patriotic reading, "The Answer," written by Mrs. Charles Verner of Lubbock.

Along with the other girls, Marla was introduced at the Cowboy-Steeler football game Sunday, and has many numerous other appearances, a part of the week's show and contest.

Rev. Allen Attends Methodist Meeting

Rev. Joe Allen, Jr. of New Home represented his district at the annual meeting of the Methodist Home's Board of Commissioners in Waco.

Rev. Allen will have the key role in orienting Methodists of the Brownfield area as to the importance of the annual Christmas offering which will be made in Methodist churches throughout Texas and New Mexico in December.

Bishop W. Kenneth Pope addressed the 187 who attended the meeting in Waco last Wednesday and Thursday. He listed the Methodist Home's recent advances in the field of child-care and challenged Methodist laymen and ministries in Texas and New Mexico to do their parts to aid in the Home's continued program.

JACK WOOD IN ARMY AT EL PASO POST

Jack Wood, son of Mr. and Mrs. Horace Wood, left Oct. 19 for service in the Army and is stationed at Fort Bliss, El Paso, and already is platoon leader.

He told his mother he is enjoying his work, and Jerry Isham, son of C. A. Isham, and Billy Crane of O'Donnell, are in the same outfit. Also, Tommy Jones, son of Mr. and Mrs. H. P. Jones, is at Fort Bliss but Jack hasn't seen him.

Senate Race, Amendments Major Issues Up To Voters

Rutherford Will Close Store Here

Rutherford's, in business in Tahoka nearly 29 years, announces this week he is closing out his business and his entire stock of dry goods and clothing on sale.

R. W. (Randy) Rutherford and wife, Doris, have enjoyed success in business and are retiring voluntarily. They have not announced any plans for the future except that they expect to rest and take things easy for a while.

Whether or not some one else will succeed Rutherford's in this location is not known at this time. Mr. Rutherford is currently a member of the Tahoka City Council and has had a part in other civic affairs, and has worked over the years for the progress of the town and county.

Gustine Man Buys Tahoka Auto Supply

R. J. Stuteville of Gustine, Texas, has purchased Mrs. Jack Blakely's interest in Tahoka Auto Supply. Mr. Stuteville has been in the automobile business more than 20 years.

He and his wife will move to Tahoka next week where they have also bought Mrs. Blakely's home at 1800 North Eighth St. The Stutevilles are members of the Baptist Church, and he is also a Mason. The couple has three children, all married.

Wade Holland will remain with the firm. Mrs. Blakely moved to Lubbock last week but will continue to work until the new owners arrive.

Mr. and Mrs. A. A. Teinert, who have been down at Harlingen, request their paper to be changed back to Wilson, route 1, as they are coming back home this week.

Next Tuesday, November 8th, is the big day over the nation, and in Texas, when citizens go to the polls in the National general election.

In Texas, there is only one big race attracting interest, that for the office of U. S. Senator.

Senator John Tower, one of the few ever to be elected from Texas to a national office on the Republican ticket, is being opposed by Waggoner Carr, present Attorney General of Texas.

Carr is from Lubbock, served twice as Speaker of the House before being elected Attorney General. His wife is the former Ernestine Story of Tahoka, daughter of H. C. Story of Austin.

Tower is also a West Texan from Wichita Falls, says he became disenchanted with trend of the Democratic Party, ran as a Republican and was elected Senator six years ago.

Both have made vigorous campaigns over the state, and observers think the race may be close, although Texas is almost habitually in the Democratic column.

There are other Republicans on nominee list for seven state offices, and there are nine candidates nominated by the Constitution Party, and also one man for Governor on the Conservative Party, but there is no interest locally in any of them.

Also of major importance are 18 proposed amendments to the Texas Constitution to be voted upon. There's a brief summary of these proposals elsewhere in this issue. Most daily newspapers with much more space than The News have given detailed resumes of these amendments.

This year's ballot is the largest in size every used in Texas, at least in modern times. The ballot is 15x24 in ches in size, and required 204 pounds of paper to print Lynn county's required number.

Joe Unfreds Attend Meeting In Dallas

Mr. and Mrs. Joe D. Unfred of New Home last weekend attended the Gifford-Hill-Western "top ten" banquet and sales meeting in Dallas, and on Sunday saw the Cowboys whip the Pittsburgh Steelers in the Cotton Bowl.

Mack Mauldin of Spearman, former SCD office manager here, was honored at the banquet as the No. 2 salesman of the firm.

While the men were attending the sales meeting and visiting the cement mill on Saturday, the ladies were taken on a tour of the fabulous North Park Shopping Center.

The Lubbock delegation went down by bus on Friday, and returned Sunday night following the pro football game.

Post "Hootennany" Is Saturday Night

The city of Post is having a "hootennany" Saturday night, November 5 in the former postoffice building one-half block north of the old bank.

The musical event is being sponsored by the Post Jaycees, and the organization is extending an invitation to everyone to attend.

Mr. and Mrs. A. M. Cade returned home Friday from Brownwood Lake, where they spent seven weeks at their cabin.

Cotton Promotion Is Vital

Fifty farmers and businessmen attended a cotton research promotion meeting here Tuesday night. Farmers will vote on a proposal early in December to assess \$1.00 per bale to promote cotton.

Pete Brown of the National Cotton Council presented reasons for the promotion Act, answered a number of questions, and gave assurance that the Secretary of Agriculture will have less authority over this bill than he has over the Wool Growers' bill which has been such a success and has been very pleasing to wool producers.

L. C. Unfred is local county chairman, and A. B. Norman, Jr. is vice chairman of the promotion program.

All agree something must be done to move cotton into the market and into foreign trade. People are buying more textiles, but cotton has been losing ground. In 1965, Congress approved a

4-year cotton program designed to reduce the surplus and to make American cotton competitive in world markets.

With the loan near the world price, farm income is maintained by a system of supplemental payments as follows, using an example of 100 acres producing one bale per acre:

Diversion payment for reducing 35%, or 35 acres is 10.5 cents per pound, or \$52.50 per 500 pound bale, which comes to \$1,837.50 for 35 acres at a bale per acre.

Then, there is a production subsidy payment on the 65 acres planted of 9.42 cents per pound, or \$47.10 per acre, a total of \$3,061.50 on the entire 65 acres.

Thus, total payment would be \$4,899.00 (\$1,837.50 plus \$3,061.50).

On 65 bales produced, payment equals \$75.36 per bale.

If the 65 bales produced brought 21 cents middling one-

inch, they would sell for 500 times 65 bales, or \$6,825.00.

Total gross income from cotton sales and payments, \$11,724.00.

Payments are 42 percent of gross income.

The government is paying \$75.00 per bale to maintain farm income. Farmers will decide in a referendum if they are willing to invest \$1.00 per bale in a self-help program of research and promotion to help sell their cotton and reduce cost of production.

This week a series of ads. are starting in The News sponsored by a number of business, and farmers which present the program so that all may know what it is all about. "If you are interested in your own welfare—as tied directly to farming, then read them," states Joe D. Unfred, who is securing sponsors for this educational program.

Winners Listed In Flower Show Held Here Last Week

The Tahoka Garden Club held its annual flower show last Thursday, Oct. 27, in the home of Mr. and Mrs. Hubert Tankersley.

This was a placement show, thus being a little different from a regular flower show in that the arrangements are made for a specific place. The show was quite a success despite the fact that the freeze a few days ago had "nipped" some of the flowers.

Garden Club officers and the flower show committee hosted a luncheon at Al Smith's Cafeteria honoring the judges. These included Mesdames Joe Arrington, Fredda Hickman, and Odie Hood, all of Lubbock.

The horticulture show won by far the most blue ribbons. These and all other awards for horticulture are listed as follows:

Roses, blue ribbon: Mrs. Rena Mae Griffing, Mrs. John Witt; red ribbons: Mrs. G. H. Hines, Mrs. A. C. Weaver; white ribbon: Mrs. Beard; yellow ribbon: Mrs. Weaver.

Dahlias, blue ribbon: Mrs. G. H. Hines, Mrs. Myrtle Mathis, Mrs. Emil Prohl, Mrs. R. E. Appling; white ribbon: Mrs. Beard, Mrs. John Toler; yellow ribbon, Susan Thomas.

Asters and mums, blue ribbon: Mrs. Myrtle Mathis, Mrs. H. P. Caveness, Mrs. Weaver, Mrs. Hines, Mrs. L. C. Haney, Mrs. Sam Miller; red ribbon: Mrs. O. C. Roberts, Mrs. John Witt, Mrs. Haney; white ribbon: Mrs. G. H. Hines, yellow ribbon: Mrs. R. M. Stewart, Mrs. Weaver, Mrs. Hines and Mrs. Haney.

Ruffled petunias, blue ribbon: Mrs. Hines, Mrs. D. R. Proffitt, Mrs. Witt; red ribbon: Mrs. Hines, Mrs. Mathis; yellow ribbon: Mrs. Stewart.

Ornamental pepper, blue ribbon: Mrs. Hines, Mrs. Stewart, Mrs. Mathis, and Mrs. Appling.

Trees: Alton Cain won the tricolor, which is the highest award over all, on his persimmon. Blue ribbons were won on all others entered: fig, Mrs. Donaldson; pecan, Mrs. Leonard Crawford; juniper, Mrs. K. R. Durham; cypress, Mrs. Durham; umbrella plant, Mrs. Prohl; and Oregon fern, Mrs. Witt.

On the placement show, Mrs. Clarence Williams won tricolor, the award of merit, on her arrangement. Blue ribbons were won by Mrs. Harold Green, Mrs. Clarence Williams, Mrs. Stewart, Mrs. V. F. Jones, Mrs. Skiles Thomas, Mrs. G. B. Sherrod, Mrs. Prohl, Mrs. Weldon Martin, Mrs. Othell Meeks, Penny Witt in the children's division.

In the men's division, blue ribbons were won on two arrangements by Rev. Hugh Daniel. Hubert Tankersley won a red ribbon in this division.

Red ribbons were won by Mrs. Lynn Seales, Mrs. Stewart, Mrs. Hines, Mrs. Prohl, Mrs. Skip Taylor, Mrs. Clarence Williams, Mrs. Appling, Pam Witt won a red ribbon in the children's division.

White ribbons were won by Mrs. Martin, Mrs. Jack A. Robinson, Mrs. Jones, Mrs. Durham, Mrs. Clifton Hamilton, Mrs. Jack Brice, Mrs. Mitchell Williams, Mrs. W. H. Kenley.

Receiving yellow ribbons were Mrs. Nat Park, Mrs. Kenley, Mrs. Hamilton, Mrs. Roberts, Mrs. Hines, Mrs. Ed Stone, Mrs. Olive Martin, Mrs. Roy LeMond and Mrs. Proffitt.

Approximately 75 people registered between 4:00 and 8:30 o'clock Thursday.

TEXAS IS ON THE MOVE!

In virtually every field of endeavor, our state has made dramatic progress the past four years under the strong leadership of Governor John Connally. His administration's bold, yet sensible programs have helped provide new opportunity and a better way of life for all our people.

IMPROVED EDUCATION — Since 1963, state investment in higher education has doubled, and faculty salaries have increased 40%. State support of local public schools have increased 44% in four years, including a \$100-million teacher pay raise enacted in 1965. Technical and vocational training programs have been vastly increased; junior college enrollment doubled during the current bi-ennium. Special literacy programs for migrant workers and their children have been expanded. A college student loan fund of \$85 million has been established. And a special Governor's Committee on Public Education currently is studying all facets of elementary and secondary education.

WATER RESOURCES DEVELOPMENT — Long range planning and development have been given top priority. \$100 million in bonds have been issued for development of needed storage facilities; authorization has been granted to expand this program to \$200 million for the next two years.

CONCERN FOR THE AGED AND NEEDY — Since 1963, assistance to our elderly has been increased 27%. The Governor's Committee on Aging is continually working for the benefit of our senior citizens.

OUTDOOR RECREATION — More than \$2 million has been invested in improving ten of our most attractive state parks during the past two years to provide additional recreational facilities.

INDUSTRIAL EXPANSION — A record 855 new industrial plants have been established the past three years, moving Texas into second place in the nation in industrial expansion. Last year, more than 23,000 new jobs were created in manufacturing alone — the best year ever for the Texas labor force.

INCREASED TOURISM — More than 12 million tourists visited Texas last year, adding more than \$900 million to the state's economy, and creating 140,000 new jobs. The state's tourist advertising program has been sharply expanded.

MENTAL HEALTH AND MENTAL RETARDATION — New emphasis on prevention of mental illness and mental retardation has been achieved through establishment of new community centers, replacing the former practice of "warehousing" patients. Treatment for research into causes of mental disorders has doubled the past four years.

BETTER HIGHWAY TRANSPORTATION — Texas has more farm-to-market roads than any other state — more than 35,134 miles. We lead the nation in construction of interstate highways, at a cost 40% below the nation's average.

COMBAT AIR AND WATER POLLUTION — New legislation for public health, "The Clear Air Act of Texas," provides state action to combat air pollution. Similar vigorous action has been initiated to control pollution of Texas streams, bays and estuaries.

NEW CULTURAL GROWTH — The Fine Arts Commission was established in 1965 to nurture the cultural enrichment of Texas. The state's cultural heritage will be preserved and portrayed in the state's pavilion at HemisFair '68 in San Antonio.

BUSINESSLIKE ADMINISTRATION — With unprecedented teamwork, our state government has operated responsibly and efficiently. The Legislature has finished its work on time in each session. Following a pay-as-you-go policy, we have maintained a healthy surplus in the general revenue fund without curtailing essential services.

HEALTHY, GROWING ECONOMY — Business activity rose 11% last year, as Texas continues one of the brightest growth areas. Employment and income are at an all-time high, unemployment at an all-time low. Despite increased responsibilities, our state government costs only \$168.78 a year per citizen, fourth lowest in the nation. No broad-based tax has been enacted the past four years. Texas still has no personal income or payroll tax, no corporate income tax, and is one of few remaining states with a limited sales tax of 2%.

RE-ELECT SENATOR JOHN TOWER

He's proud to run on his own record, not on someone's coattails. He belongs to the people, not the politicians. He will not yield principle to pressure.

46 New Contracts Approved For Soil Conservation Work

The Great Plains Conservation Program is in full swing in the Lynn County Soil and Water Conservation District, says Fred Graff of the Soil Conservation Service. Local soil conservation members have developed and have had approved 46 new contracts from July 1st of this year up to the present date.

Work is underway at present on the W. W. Emerson farm, Ha-good farm, Carl Williams farm, and the Robbie Roberson farm where parallel terraces from one side are being constructed.

All of these farmers, plus many others, have entered into a GPCP contract through the SCS and are receiving 70% payment for the construction of these terraces, and

MIKE HUFFAKER ATTENDS SOUTH PLAINS COLLEGE

Mike is in his second year at South Plains and is majoring in agriculture.

cost share on other practices also.

Mapping for future construction of parallel terraces is underway on the Wayne Clayton, Wayne Carroll, Juanita Carpenter, Billy Gardenhire, J. W. Gardenhire, Cindy Jordan, R. C. Davis, Ira Vaughan, and other farms. All of these farmers entered into a three-year GPCP contract.

Last year 630,000 feet of parallel terraces were constructed in the District. Participants in the GPCP program have set up to construct over 2,500,000 ft. this season.

The Soil Conservation Service personnel are assisting farmers plan and construct parallel terraces on their farms.

GRASSLAND NEWS

Mrs. O. H. Hoover

The weather is still Indian Summer type, and isn't the cotton pretty and white. The frost hasn't been heavy enough yet to kill all the leaves. Some farmers are defoliating, but Jack Frost will come in force soon, I hope.

Mr. and Mrs. Alva Varner Jr. of Sundown spent the day Friday with Mrs. Hoover. They also visited Mrs. Edith Inklebarger in the afternoon. Alva is a son of the two ladies' late brother.

Mrs. Nina Belle Chapman of Plainview spent the weekend with her mother, Mrs. Hoover.

Mrs. Ray Henry and Miss Connie Pollock of Oklahoma City were guests of Mr. and Mrs. Gus Sherrill and Paula over the weekend.

Your reporter attended homecoming and rally day Sunday at the Church of the Nazarene in Grassland. After a good sermon and beautiful music, a bountiful lunch was spread.

There were people attending from all the surrounding small towns and from Lubbock. After lunch, the church had a prayer service and music furnished by Mrs. W. L. Gribble, her son, H. C. grandson, Rocky, J. F. Moore, Mrs. Neida Murray, and Mrs. W. G. McCleskey. Readings were given by the pastor's wife, Mrs. Rawlings, Miss Karen Laws, Miss Stella Huffaker and Mrs. McCleskey. Mr. and Mrs. J. F. Moore and the W. G. McCleskeys attended church services in Lubbock Sunday night.

The descendants of the late Mr. and Mrs. J. W. Norman held their annual reunion in the party house at Slaton Sunday. Ray and Dean Norman were hosts this year. Of course they had a bountiful lunch.

Attending were Mr. and Mrs. E. M. Norman, the Gerald Norman family, Jim Norman family, the Joe Flemings, Brownfield; the Ragan Reeds, Mr. and Mrs. Bob Norman, the Raymond Gerners, San Angelo; Charles Chandler family, Floydada; Darrell Ray Norman family, Lubbock; Noel Don family, Amarillo; A. L. Norman, Naomi and Cheri Lee, Mr. and Mrs. Dale Kinser and family, Floydada; Mr. and Mrs. Ray Sanga, Slaton; Mr. and Mrs. Howard Teaf, Post; Mr. and Mrs. A. B. Norman, Mr. and Mrs. Hugh Don Atchison, J. D. Norman, all of Levelland; Alton Norman and family, the Glen Normans, Post; W. H. Norman family, Tahoka; Mr. and Mrs. Richard Brooks and family, Tahoka; Mr. and Mrs. Earl Gregg, Abernathy; P. Gregg, Ropesville;

Mr. and Mrs. J. A. Warren and Miss Ora Mining, Slaton; Mr. and Mrs. Charles Pharr, Mr. and Mrs. Nellie Joe Wade and family, Hollis, Okla.; Mr. and Mrs. Gene Nunn and boys, Abernathy. In all there were 101 in attendance.

Mr. and Mrs. Amos Gerner, Edna Mason and Alene Brewer helped move the Rufus Gerner family to Spur Saturday. He will be employed by the Campbell Funeral Home there.

Mrs. O. F. Haley and Ruby Cla-born visited in the Gerner Home Friday afternoon. Sunday afternoon Larene Gerner took her mother, Mrs. O. F. Haley to visit in the R. W. Haley home. Mr. and Mrs. Charles Hyles and children were also visitors.

Raymond Gerner visited his brother, Amos Gerner Sunday morning.

Miss Gladys Fox was hospitalized last Thursday in the High-land Hospital in Lubbock. We wish for her better days real soon.

Mrs. Zuella Thomas kept her two small granddaughters for nearly two weeks while their mother was in Dallas with her father. He is better and the little girls are at home again.

Mrs. Billie Inklebarger is on the sick list at this time.

Carl Greer seems to have perked up some. He asked Mrs. Greer to take him out Sunday. It was a lovely warm day so they drove over to their son, Alton, and had lunch with he and Steve, then went on to N. O. Townsends north of Tahoka for a couple of hours. When they got back home Mrs. Nannie Greer of Slaton came and visited with them.

Mr. and Mrs. N. O. Townsend brought a picnic supper over to the Greers home one night last week.

Mrs. J. E. Sherrill's sister, daughter and granddaughter spent the weekend with her.

Mrs. Bea Brown of Brownfield was an over night guest of her parents Saturday night.

Larry Childress, who attends college in Levelland, was at home over the weekend.

Mr. and Mrs. C. L. Cook of Lubbock were Sunday luncheon guests of her mother, Mrs. A. Z. Sewell.

Mrs. Jean Holloway of Olney has gone home. She came and stayed with her mother, Mrs. Luttrell, during and while she was recuperating from an eye operation. Mrs. Luttrell is doing fine we are glad to report.

Weekend guests in the Gus and Jim Bob Porterfield's homes were Mrs. Pearl Pollock, Mr. and Mrs. Herman Pollack and Connie, Roy Henry, all of Oklahoma City. Sunday guests for lunch in the Gus Porterfield home were Mr. and Mrs. J. E. Sherrill, Mr. and Mrs. Gus Sherrill and Paula, Mr. and Mrs. Walter Mathis, Mrs. Georgia Cook, Jim, Janet, Don and Amy, Mr. and Mrs. Horace Odum of Littlefield, A. L. Porterfield, and Mrs. Bea Brown of Brownfield.

The same group had supper at the Paul Sherrill home in O'Donnell Saturday night.

Mrs. R. B. McCord of Tahoka visited her daughter, Mrs. Lena Short part of last week.

Monday 11 of the Draw-Grassland WSCS ladies were invited to Tahoka for a quiet day of prayer. Mrs. LeMond, Mrs. R. M. Stewart, Mrs. G. M. Stewart and Mrs. Gus Porterfield were morning speakers.

Following the speakers' programs, a noon meal was served.

Mrs. E. W. Patterson gave an organ prelude for the evening services. Mrs. Wilmer Smith and Mrs. C. C. Coffee were guest speakers. The theme was "These My Brethren". What a great inspiration the day was.

Miss Duncan Gives Draw Club Program

Draw Home Demonstration Club met in the home of Mrs. Clyde Childress recently with eight members, three visitors, and county home demonstration agent, Miss Ann Duncan, attending.

Club officers were elected, and plans were made to make canisters to fill with holiday goodies for the residents of LaVoy's Nursing Home.

Miss Duncan brought a program on colors which was very enjoyable.

Mrs. W. L. Rowe gave us some highlights on their trip which all enjoyed.

Highest cotton carryover in history!

Lowest cotton acreage since 1872!

The carryover has hit an all-time record 16.7 million bales. Our acreage is the smallest in almost 100 years. And we will have more cuts unless we get more cotton products used. Make no mistake—acreage follows consumption as night follows day. If we want to keep on growing cotton at a profit, we must sell more cotton.

The only answer... Cotton Research and Promotion

Expanded research and promotion are cotton's only hope. With these same two tools, producers of higher-priced synthetic fibers have taken a total market now equal to nearly 7 million bales of cotton. They have gained over 2 million bales in the last 2 years . . . and new plants are scheduled with capacity equal to another 3.5 million bales.

Growers also can use these tools effectively. Experience has proved it. The only problem is to get enough money to use them on a big enough scale.

New legislation makes that possible. It enables farmers to vote, in a Beltwide referendum, on establishing a uniform assessment of \$1.00 per bale for research and promotion. The law provides that individual farmers who

do not want to participate can have their assessments refunded.

Funds from uniform collection will attract other money—more than two times as much on the average.

This plan originated with farmers. Thousands of growers and 61 cotton organizations across the Belt have endorsed it—overwhelmingly.

All projects must be initiated by grower trustees elected by cotton farmer organizations. Other provisions give equal assurance of producer control.

We, the undersigned, strongly endorse and recommend this uniform collection plan for research and promotion. We urge you to join us in working and voting for its approval in the upcoming referendum.

THIS 30-SECOND TEST COULD CHANGE YOUR FUTURE

1. Are you willing to accept responsibility?
2. Are you a high school graduate?
3. Are you married?
4. Do you want to be in business for yourself?
5. Do you want to be able to organize your own time?
6. Do you want to be in a growing business?
7. Do you want to be associated with a world leader?
8. Do you enjoy meeting new people?
9. Have you reached the salary ceiling in your present job?

If your answers are yes, you may be interested in a lifetime career opportunity with one of the largest insurance companies in America.

If you are selected, you will be given complete on-the-job training in a program which is considered one of the best in the insurance industry. It includes field work, study courses, as well as formal schooling. Through this program, men without any prior experience have become some of State Farm's most successful agents.

In fact, this is one of the very few career opportunities where the right man can be almost certain of success.

Your income will depend entirely on your own efforts. After five or more years, average earnings of State Farm agents is nearly \$11,000. However, there is absolutely no salary ceiling. Many of our top agents are in the high five figure income bracket.

You would be representing one of America's largest insurance organizations . . . especially tailored to serve the automobile, life and fire insurance needs of the vast family insurance market.

Dr. Durham Speaker at Rotary Club 30th Anniversary Program Thursday

Tahoka Rotary Club's 30th anniversary was observed at the noon meeting last Thursday when Dr. K. R. Durham, one of the three charter members still in the club, gave a resume of the club's history.

Given special recognition were L. C. Haney and H. B. McCord Sr., also charter members, and Mrs. Coyle Collier, whose husband, the late Wynne Collier, was instrumental in forming the Tahoka Rotary Club.

Dr. Durham said Collier and Leonard Craft, now of Andrews, signed up 22 charter members, each of whom paid \$10.00 as initiation fee. The organizational meeting was held in Wynne's living room; and Mack Penn, then high school principal, was elected president, Collier was vice president, and Durham was secretary.

The "great depression" was in its last stages and things were looking much better, Durham said. Cotton was selling for 10 cents per pound instead of four cents. Land had gone back up to \$30 or \$35 per acre.

Organized in late October, first club meeting was held on Nov. 6, 1936, and the big charter night banquet was held on Nov. 12 in the building now occupied by Lankford Variety. Rotary members from many clubs over West Texas

attended, and several clubs had almost all their members present.

Post Rotary Club sponsored the new Tahoka Club, and Phil Boucher, then president of the Post club, presided at the meeting. Fred Wemple of Midland, district governor, was principal speaker, and Bernard Bryant of Stamford was also on the program.

The late Mrs. Jack Alley served the meal, and for this anniversary event Al Smith served the same menu of chicken and dressing, cranberry sauce, pineapple salad, English peas, mashed potatoes and pumpkin pie.

Dr. Durham related a few of the humorous events in connection with the club, and also a few of the landmarks.

He revealed the Rotary-Teacher banquet tradition was started in 1939 while Leonard Craft was club president. High school senior student guests started attending in the 1940's. In 1955, the club sponsored the first foreign student as summer guest, and has continued the practice 12 consecutive years. For many years, the club has had one or more special days for farmer guests.

But, most of all, the speaker said, Rotary has improved relations among businessmen, competitors, and the public image, and has made better citizens of many.

He listed the following presidents who have served the club:

- 1936-37, Mack L. Penn.
- 1937-38, Wynne Collier.
- 1938-39, Ray P. Weathers.
- 1939-40, L. F. Craft.
- 1940-41, Dr. K. R. Durham.
- 1941-42, Frank P. Hill.
- 1942-43, Truett Smith.
- 1943-44, W. T. Hanes.
- 1944-45, Fred McGinty.
- 1945-46, Dr. Jim Sinclair.
- 1946-47, L. C. Haney.
- 1947-48, Alton Cain.
- 1948-49, Vernon Brewer.
- 1949-50, Dr. Emil Prohl.
- 1950-51, Chas. B. Townes.
- 1951-52, Clint Walker.
- 1952-53, Tom L. Gill.
- 1953-54, Winston C. Wharton.
- 1954-55, Maurice Bray.
- 1955-56, Harold Green.
- 1956-57, Johnny Reasonover.
- 1957-58, W. E. (Happy) Smith.
- 1958-59, Otis Spears.
- 1959-60, Mitchell Williams.
- 1960-61, H. B. McCord Jr.
- 1961-62, Dr. C. Skiles Thomas.
- 1962-63, Calloway Huffaker.

Small Name Will Go Down In History, Maurice Is Elated

The small name will continue to go down in history, after all. J. M. (Maurice) Small and wife, Velta, had about given up hopes, after 16 years, for fear the end of the line had come.

Their son, Rev. George Maurice Small, an Episcopalian minister at Austin, and wife have three girls, ages six to 16.

Their son, Jimmy Dumas Small, a livestock feeding operation manager, and wife have two girls, ages six and seven.

But, for some time now there has been new hope, and on Monday at 2:15 p. m., a boy was born at Muleshoe to Jim and wife weighing six and a half pounds and named David Bryson.

The happy Tahoka grandparents were right there when the event occurred. But, strange as it seems, Maurice was a bit chagrined. The attending physician was an ex-Aggie—and Maurice has for years told Aggie jokes with great glee.

He has made the following statement to the press: "I hereby apologize to all Aggies for those jokes. I am sorry for what I've said or thought about A&M exes, (and some of the things I thought were worse than those I said.) But, a real doctor, not a veterinarian, who is an Aggie, brought me a grandson, and I hereby promise never to tell another Aggie joke so long as I live—I'm just that happy to get a grandson."

Mrs. Early of Midland is the other grandmother, and Mrs. D. B. English and Mrs. Geo. W. Small of Tahoka are great grandmothers.

HENRY DIXONS VISIT WITH MRS. CAVENESS

Mr. and Mrs. Henry Dixon of Akron, Ohio, have been visiting Mrs. Dixon's mother, Mrs. H. P. Caveness, and were leaving today for home accompanied by Mrs. Caveness, who will visit them a while. Mrs. Dixon is the former Jeanette Caveness.

JAKE JACOBS HERE

Jake Jacobs, who served as a coach and principal in the Tahoka Schools 18 1/2 years, and daughter Becky attended the Tahoka-Seagraves game last Friday night and then spent the week end here visiting Mr. and Mrs. Frank Hill and friends. He is high school principal at Bovina.

CARD OF THANKS

I wish to thank all my friends and relatives for being so nice to me while I was in the hospital, for all the cards and prayers. May God bless all of you.—Mrs. W. T. Luttrell. 1tc.

Southern Wells, who served as substitute sweetheart in the absence of Marla Bray, was also given special recognition. She is not only the granddaughter of a Rotarian, L. C. Haney, but her mother, Mrs. Johnny (Bitsy) Wells, was club sweetheart in 1944-45 when Fred McGinty was the club president.

Dr. Emil Prohl, who corresponds with most of the foreign students the club has brought to Tahoka, brought the club up to date on a number of them who are now married and have children.

Lubbock Lady Talks At P-TA Meeting, Telegram To Marla

The Tahoka P-TA met November 1 at 7:30 p.m. in the school cafeteria with Mrs. Robert Abbe, president, presiding.

Mrs. Maurice Huffaker reported on the telegram which was sent to Marla Bray, a contestant in the Miss Teenage America event in Dallas. The P-TA sponsored telegram contained over 500 names along with a message to Marla from the local organization.

Mrs. Marge Caldwell, speaker for the meeting, was then introduced by Mrs. Madeline Hegi. Mrs. Caldwell was accompanied to the meeting by her husband. She spent the day at the high school and praised the students, stating that they treated her very nice and with much respect.

To the parents Tuesday night, Mrs. Caldwell said that teenagers today need a challenge, too many are given everything and are not offered a challenge. In a poll taken of THS students, most said they want love and for their parents to say no and stick to it.

Some points brought out by the speaker were: children absorb most of their own home; 4,500 teenagers start smoking each day; young people are trying to attract attention; drinking is a major problem in junior and senior high schools; sex; adult delinquency. She said we need to be consistently Christian in teenagers' eyes.

Mrs. Caldwell warned parents to not close door to their children, but to be consistent in discipline and stick to it. Parents miss a chance for real confidence when they are in too much of a hurry to listen to him or her. She says our children want us to be frank so let's not hide our faces in the sand.

"Young people must have adults to follow. Give your children security. Don't lose communication with each other," were Mrs. Caldwell's closing words.

The fourth grade room of Mrs. Katrina Robinson won the room count by a very slight margin and will keep the Bulldog until the next meeting.

Officers Advanced By Pythian Sisters

The Pythian Sisters of Lynn Temple No. 45 met Tuesday evening for a business session. It was advancement night for the officers. Zella Taylor, the incoming Most Excellent Chief, presided and gave the first reading of her yearbook committees.

Twenty-five members were present to answer the annual roll call.

The contest for the Sweetheart of the Temple is underway with a round of parties. Candidates in the contest are Darlene Gurley and Elnora Curry. Voting was also started for the Outstanding Pythian Sister of 1966.

Three new members will be initiated Nov. 15, and Darlene asks that all members of the staff meet for practice Nov. 14 at 7:30 p.m.

Refreshments for the evening were furnished by Helen Biggerstaff, Imogene Lynch and Maurine McClellan. Dorothy Kidwell, press correspondent.

Baby Shower Given Mrs. Gayland James

Mrs. Gayland James of the New Home community was honored with a baby shower Tuesday morning from 10:00 to 11:30 o'clock in the home of Mrs. W. A. Nieman.

Colors of green and yellow were carried out in the decorations. A hanging centerpiece was featured in decorations and also carried the color scheme, as did the serving table.

There were 34 hostesses for the occasion, and guests included those from the New Home area and Lubbock.

Miss Vicki Hamilton of Denver, Colo., visited her parents, Mr. and Mrs. Ed Hamilton, last week end. Vicki is teaching in the Denver schools.

Cotton linters are very short fibers left after regular staple fibers have been removed.

Rev. Ossion Smith, pastor of Addison Methodist Church near Dallas, underwent emergency surgery Wednesday. He is the son of Mr. and Mrs. O. G. Smith, publishers of the O'Donnell Index-Press.

Warrens Observe 50th Anniversary

Mr. and Mrs. W. R. (Bill) Warren were honored Sunday in their home with a fiftieth wedding anniversary dinner.

Mr. and Mrs. Warren were married in Tahoka, Nov. 2, 1916.

All of their children and all of the grandchildren except two were here for the occasion. One grandson, Bill Warren, student at Baylor Medical School, telephoned his congratulations since he could not come. A granddaughter, Mrs. Bob Smith, could not attend as her husband was also taking exams at the Medical School in Salt Lake City, Utah.

Thirty-four members of the immediate family included: Mr. and Mrs. Lennis Baker and Janis, Lubbock; Mr. and Mrs. Herbert Hale, Peggy and Colleen, Ft. Collins, Colo.; Mr. and Mrs. Wayne Warren, Frances and Mike, Big Spring; Mr. and Mrs. Sid Pipkin, Sherry, Stanley, Scotty and Spencer, Clovis, N. M.; Mr. and Mrs. Robert Warren, Charlotte, Martin, Suzanne and Weldon; and Mr. and Mrs. Billy Jack Warren, Louis, Larry and Steve of Lubbock.

Other special guests were the brothers and two sisters of Mrs. Warren and their families. They included Mr. and Mrs. Claude Byrd of Waxahachi; Mr. and Mrs. George Denecke of Goldsmith, who is a niece of Mrs. Warren; Mr. and Mrs. Wallace White, Glenn White, Mr. and Mrs. Elmer Sproles and Eida, all of Tahoka. Bill Lark of Raton, N. M., and John Huffaker of Tahoka were also guests.

BROWNIE TROOP VISITS NURSING HOME PEOPLE

The Brownie Troop of Tahoka treated residents of LaVoy's Nursing Home Monday. The girls liked from the Brownie Hut to the home in colorful Halloween costumes.

They treated the guests with candy-filled paper cups and sang several songs. Twenty-two Brownies were present for the activity. Leaders are Mrs. C. W. Lamberon and Mrs. D. R. Adamson.

Rett Patterson and Jimmy Billman, students at Texas Tech, visited over the weekend in Ranger with Gary Tomlinson, who is attending Ranger Junior College.

New Home Junior Pep Squad Favorites

New Home's junior high pep squad had a pep rally last Thursday preceding the homecoming activities on Friday.

Carol Taylor was selected the pep squad favorite, according to the work she has done for the organization. Runners-up were Pattie Ratliff and Danna Corbell.

Football favorite is Jerry Newman, and runners-up are Jimmy Fillingim and Ricky Mayfield.

Miss Jean Brashear is the sponsor of the pep squad, and junior high coaches are George Pillier and Larry Edwards.

Doyle Pruitt, Junior High Principal, states the following students are officers for the junior high Student Council: Jerry Newman, president; Mike White, vice president; Gretta Corbell, secretary; Carol Taylor, treasurer; and Danna Corbell, historian.

Other members are Terry Nieman, Steve Lewis, Becky Franklin and Lisa Tucker. Lee Kinard is sponsor for the Student Council.

Cotton has a special affinity for vats dyes, the most color-fast dyes produced.

Junior Teams Win Game From Post

Tahoka Junior High teams closed out their football season here Tuesday night by taking two victories over Post teams.

Tahoka Eighth Grade won over Post Eighth 8 to 6. Larry Durham scored for Tahoka in the first quarter, then ran the conversion. Post scored later in the game but failed on the conversion try. The Junior Bulldogs, however, completely dominated play most of the way, with Durham and Robert Montemayor the top ball carriers.

Tahoka Seventh Grade won a hectic 26-0 victory. Jeff Atwell ran a punt back for one touch-down, and Edwin Pebsworth and Ladd Roberts ran for two TD's. Rayford Gage ran one conversion and Pebsworth the other. The other four points for Tahoka come on two safeties scored when Post ball carriers were stopped in their own end zone.

NEW OPERATOR AT NEWS

Larry Berry from Andrews is the new printer-Linotype operator at the News, going to work here Tuesday. He expects to move his family here soon. Mr. Berry is a nephew of Mrs. C. N. Woods.

Seagraves Takes Bulldogs 18 to 12

Seagraves Eagles, before a capacity Homecoming crowd in that town's stadium Friday night, rose up to hand the Tahoka Bulldogs their first 1966 defeat in another close, hard-fought game 18 to 12.

Regardless of outcome of future Conference 5-A games, Seagraves wins the right to represent the district in the play-offs, but the Bulldogs can still tie for the title if they can win over O'Donnell and Plains.

Tahoka is now 1-1 in conference play and 7-1 for the season. The Bulldogs, until Friday, had won 10 games in a row including wins over Stanton, O'Donnell and Seagraves at the toll end of last year.

Eagles Play Best Game

The Bulldogs battled the Eagles all the way, and had things been a wee bit different on several occasions they may have come through with victory. But, nothing is to be taken away from the Eagles, who presented the best offense Tahoka has met, and Coach A. D. Shaver told The News his boys played by far their best game of the year against Tahoka.

Tahoka, proud of its defense in previous games, could not consistently contain the Eagle power,

especially on off-tackle and end sweeps. Too, the Bulldogs failed to capitalize on two good scoring opportunities. Even then, local fans had plenty of reason to be proud of their battling Bulldogs.

Tahoka Scores First

Seagraves won the toss, chose to kick off, and Doyle Schneider brought the ball from the 15 to the 32, a long Mitchell Williams pass to Chris Roberts was incomplete, and two plays later Tahoka had to punt.

The Eagles took over on their 28, and HB Terry Cummings, the game's leading rusher, big FB Mike Bagley, and QB Clarence Law moved the ball upfield for two first downs to the Tahoka 47. Law lost 6, then Cummings punted 49 yards into the Tahoka end zone.

On the first play, Tahoka fumbled and Cummings recovered on the Tahoka 27, but the Bulldogs' tough defense stopped Bagley on a fourth down try at the T. 18.

Williams made 3, Mike Chandler 1, then a 17-yard pass to Roberts put the ball up to the 38. On the next play, Law intercepted a Tahoka pass on the S. 30.

But, on the next, Richard White hopped on a Seagraves fumble on their 45 to set up Tahoka's first TD. John Tyler went for 5 yards at left end, and Seagraves was penalized 15 yards for grabbing the face mask. Tyler made 1, Williams 8 at right end, and Chandler 8 at right tackle for a first down on the Seagraves 8 yard line. Then Chandler made 4, and next he hit at right tackle for the final

O'Donnell Loses To Plains 'Pokes

Plains Cowboys ran wild Friday night to score a lop-sided 63-0 5-A conference victory over the O'Donnell Eagles and dampen the spirit of the Lynn county school's homecoming.

Plains scored in every quarter as eight Cowboys got their names on the tally list. FB Ricky Elmore led the scoring with 15 points, one touchdown, a field goal and six extra-point place kicks. QB Lynn Rollins scored one TD and passed to End Carlton Wilkins for another. QB Joe Beal scored once, HB Joe Pierce twice, HB Joe Pierce once, and FB Bill Spencer once.

Coach Jerry Don Brown's young and inexperienced Eagles simply could not cope with the powerful Plains offense.

But, the Eagles have eight juniors, nine sophomores, and eight freshmen on this year's squad, and some of the 10 seniors have been unable to go all the way.

Among the homecoming ceremonies at the game was the crowning of the queen. The new homecoming queen is Jo Ella Askew, who was crowned by last year's queen, Katie Garrett.

The Eagles expect to do a lot better this week when they seek to upset the Tahoka Bulldogs here.

Crosbyton Wins In Close B-Team Game

Tahoka and O'Donnell B teams will play here next Thursday. Crosbyton B team nosed out Tahoka B team 14 to 12 in a game here Thursday night. The difference was on a two-point conversion by the visitors.

Tahoka scored twice, as well as Crosbyton, but failed on both conversion tries.

Martin Warren, freshman, was the quarterback, and Mike McDonald, sophomore fullback, was the outstanding ball carrier for the Tahoka team, and Mike scored both Tahoka touchdowns.

Cap Rows Tell of Extended Trip to New England States and Northeast

Mr. and Mrs. Cap Rowe have just returned from a long sight-seeing tour of the east, New England States and two provinces of Canada. They relate the following details of their trip:

We left Thursday, October 6, and visited at the J. C. Bailey Camp on the Sabine River at Carthage, Texas. From there we went on east and visited in Selma, Alabama and Gadsden; then north into the Smokey Mountains of Tennessee and mountains of Georgia and North Carolina. Rock City and Lookout Mountain are two complete towns spread across the big Lookout Mountain of Georgia and North Carolina. On a clear day you can see into seven states.

From there we went into Blue Ridge and Shenandoah mountains. We drove 136 miles across mountains just looking at the beautiful colors and the Great Shenandoah Valley from the Blue Ridge Parkway and the Skyline Drive. This is a big road across the mountains for the scenic view.

Then we crossed Pennsylvania into Vermont and New Hampshire, cut back across Vermont and into New York into the Champlain Islands in the big Lake Champlain and on into Quebec, Canada. We crossed the bridge at Rouse's Point and went to Montreal and headed northwest into Quebec and Ontario, Canada. While in Sudbury, Ontario, we saw the bare black mountains caused from Sulphur mines. Now they claim the tallest chimneys in the world—they are from 500 to 625 feet high. Eighty percent of the world's nickel comes from here as well as lots of other minerals.

We re-entered the States at Sault Ste. Marie and visited the Soo Locks and crossed the Mackinaw Bridge, the longest and tallest in the world. We came down through Michigan to Frankfort and made a five-hour trip across Lake Michigan to Manitowoc. We visited sights there several days

Wilson Mustangs Take New Home

Wilson Mustangs scored once in each quarter Friday night in whipping the New Home Leopards 30 to 0, the homecoming event for New Home ex-students.

Coach Bobby Davis' versatile Mustangs completely throttled the young and inexperienced Leopards of Coach David Verner as they scored once in each quarter.

QB Johnny Scott went six yards in the first quarter on a keeper-option and Mike Ward kicked the conversion. In the second, high-scoring HB Dennis Verkamp took a pitch-out in from three yards out, and then took a 2-point pass from Scott to make the score 15-0 at halftime.

In the second half, Scott ran 35 yards for one TD and then passed to End Gary Moore for the conversion. Final score was on a 7-yard run by HB Gary Crews. Ward kicked the conversion point.

Ropes 13, Anton 6.

New Home Playing Pirates At Cooper

New Home Leopards have a good chance to win one this Friday as they journey to Cooper to battle the Pirates at 7:30 p. m.

Both teams have had a pretty rough record playing more experienced teams, New Home having won one over Anton 8 to 6. Comparing scores, the two teams seem about equal. Wilson defeated Cooper 37-8 and New Home 21-0; Whiteface won over Cooper 21-0, over New Mome 8-6; Sundown over Cooper 51-8, over New Home 41-0.

The Leopards have a bunch of new boys coming on, more help on the coaching staff, and prospects are better for the future than most years in the past.

Summary Given of 16 Proposed Amendments

The News again presents the following very brief synopsis of the 16 proposed amendments to the Texas Constitution which will be voted on next Tuesday:

- Amendment No. 1** Provides that all land owned by natural persons and designated for agricultural use shall be assessed for all tax purposes on the consideration of only those factors relative to such agricultural use.
- Amendment No. 2** Would authorize creation of airport authorities composed of one or more counties.
- Amendment No. 3** Would withdraw Arlington State College from participating in the Permanent University Fund.
- Amendment No. 4** Increases the permissible term of office for directors of conservation and reclamation districts from two to six years and validating present statutory terms of office for such officials.
- Amendment No. 5** Would authorize the legislature to provide for a system of retirement, disability and death benefits for county officials and employees and others.
- Amendment No. 6** Provides for payment of assistance to survivors of law enforcement officers, custodial personnel of the Texas Department of Corrections and full-paid firemen.
- Amendment No. 7** Would repeal the Constitutional provision requiring a poll tax as a prerequisite to voting and requiring the Legislature to provide for annual registration of all voters.
- Amendment No. 8** Would authorize the Legislature to enact laws permitting persons to vote for state officers and for president and vice president of the United States without having to fulfill residence requirements to vote for other officers, as well as laws permitting former residents of the state, for a certain period, to vote absentee for president and vice president.
- Amendment No. 9** Increases to five the number of judges on the Texas Court of Criminal Appeals and lengthens the term of that court.
- Amendment No. 10** Provides that taxes or bonds previously voted in any independent school district or in any junior college district shall not be abrogated, cancelled or invalidated by any change in boundaries and authorizing the continuance of the levy after such change without further election.
- Amendment No. 11** Would authorize the issuance of an additional \$200,000,000 in bonds by the Texas Water Development Board upon two-thirds vote of the Legislature and expanding the uses to which money in the Texas Water Development Fund may be put.
- Amendment No. 12** Provides the method and manner for dissolution of hospital districts.
- Amendment No. 13** Would authorize the Legislature to provide for consolidating the functions of government within a county having 1,200,000 or more inhabitants and to provide for intergovernmental contracts between political subdivisions of the county.
- Amendment No. 14** Would allow members of the armed forces to vote in Texas upon satisfying the residence requirements applicable to Texans in general.
- Amendment No. 15** Authorizing the channeling of funds from private and federal sources through the state for use by privately owned or local agencies in establishing and equipping facilities to assist the handicapped in becoming gainfully employed.
- Amendment No. 16** Establishes the date on which newly-elected members of the Legislature qualify and take office.

The Printer's column is a bit abbreviated this week because The Printer had to print and had no time to explode in print—one reason for same you'll read below.

Rogers Curry, associated with The News the past five years, on Monday of this week took over operation of the Brownfield Shopper from Ralph Bynum, who established the paper.

However, he will continue to live here until January, as Mrs. Curry is secretary at First Baptist Church and she is remaining in this position until January 1. Mrs. Curry, Cathy and Doug expect to move to Brownfield at mid-term of school. The oldest son, Carroll, is a freshman in Tech and a member of the Texas Tech band.

The Currys are fine citizens, and The News regrets to see them leave, but the Brownfield paper gives him an opportunity to move up with his own business. Mrs. Curry was originally from Brownfield, and Rogers is also well acquainted there, having been associated with two different newspapers in that city. He was owner of the newspaper at Plains several years and was in the insurance business there prior to moving to Tahoka in 1961.

There are no finer folks than the Currys, and we predict they will do well.

LEMOND QUILTS CUSSING "SOCIALISTS" FOR PERIOD

The News recently published J. E. (Guy) LeMond's account of his trip around the world, but in doing so cut it down considerably in length because of lack of time and space.

One statement we left out which he wanted us to print was to the effect that he promised not to cuss for three weeks "against Socialism and our Great Society dictator who blackmailed Congress into passing all his vote-getting schemes that are against our American heritage and Constitution."

But, he writes, "I don't want to be classed as a regular cusser." Guy is a pioneer of Draw area of Lynn county, served as rural mail carrier here many years, transferred to Snyder, had a lucky break and got some oil, and the last 15 years he has done a lot of traveling over the U. S. and the world.

RIGGEST TECH SCORE

Two biggest scores in Texas Tech football history were attained by teams captained by men who will be inducted into Tech's Athletic Hall of Honor on Nov. 5th when the Raiders are hosts to Oklahoma State University, Winfield W. (Windy) Nicklaus of Amarillo led the 1925 team that posted a 120 victory over Wayland. Next biggest score was the 79-0 triumph over Trinity managed by the 1932 team, headed by Brig. Gen. Ross Ayers, now of Friona.

Sen. Spears Urges Defeat Senior Citizens Are Target Of Amendment 7

State Senator Franklin Spears of San Antonio has called on Texas voters to defeat Constitutional Amendment 7 at the polls Nov. 8.

The amendment, if passed, is supposed to repeal the poll tax, but actually it creates a confusing and misleading voter registration system.

SENATOR FRANKLIN SPEARS

Spears said he favors defeat of Proposition Seven because:

"1. It is no longer necessary to repeal the Texas poll tax. The courts have already done so.

"2. Proposition Seven is misleading because its language does not reflect what passage would actually mean."

Spears said passage of the amendment would mean:

"1. That all voters must register—even those over 65 [who] do not now have to register.

"2. That all voters must register each year—thus not allowing the Legislature the chance to decide whether registration should be annual, biennial or permanent."

"If Proposition 7 passes," said Spears, "Texas would be the only state in the nation with annual registration. Annual registration is bad because it has no protection against voting fraud. Re-registration by voting is far more preferable." Re-registration by voting is sometimes called permanent registration.

Under such a system, said Spears, "voter lists are available the year round and can thus be purged of those not qualified."

Also, he pointed out, no dead persons would be listed, nor can convicts or other ineligible voters—"because these names are automatically furnished to the voter registrar who removes them."

Persons who move from one county to another under permanent registration must re-register and are automatically removed in the county of their former residence.

"Finally," said Spears, "the cost of re-registration by voting is only one-tenth as costly as would be the system set up by Proposition Seven—25 cents per voter as opposed to 2.5 cents."

"The strongest democracies in the history of man are those where citizen participation is greatest," said Spears. He added: "Proposition 7 would drastically limit participation by people in their government."

"Texas is already low in citizenship participation—in the last two Presidential elections we ranked in the bottom seven of the 50 states in the percentage of eligible voters who actually voted."

"Under Proposition 7 the Legislature is given no chance to provide for greater participation."

Seagraves ...

(Continued from Page 1, Sec. 2) 4 yards and a touchdown. An attempted pass for conversion failed. Tahoka led 6-0 with 1:28 to go in the first quarter.

Seagraves Ties Score

After the kickoff and an exchange of punts in the second quarter, Seagraves marched 45 yards, with help of a 15-yard penalty on Tahoka, to score, the Eagles making 5 to 8 yards on five plays off tackle and on end runs, to the Tahoka 1. From there Cummings went the last yard for the TD. Bagley failed to run the conversion, and the score was tied 6-6 with 7:47 left in the half.

Tahoka now threatened again as Tyler brought the kickoff from the 11 to the 36, Williams made 4, Chandler 8, Tyler 2, Chandler 2, then Mitch passed to Tyler in the flat and John ran to the Seagraves 40. Williams carried to the 32 and Seagraves was charged 15 yards for piling on, and Tahoka had a penetration on the 17.

Chandler made 10 in two carries to the 7, Tyler went to the 4-yard line, but then Williams lost 2. Chandler hit right guard for 5 yards to the 1-yard line. It was fourth down, and on the next play Chandler was hit for a 4-yard loss and Seagraves took over on its own 5-yard line and moved to its 31 by halftime.

Seagraves Takes Lead

Tim Walker brought the kickoff to the 41 but Tahoka drew a 15-yard penalty back to the 26. On the next play Tyler got away on a 32-yard run to the Seagraves 42, Chandler 6, Tyler 6, Chandler 1, and Roberts caught a 16-yard pass to the S. 13. Two plays carried to the 10, a third down pass to Schneider was incomplete, and a fourth down pass to Thurman also failed.

Two Seagraves plays made only 5, then Law was nailed for a 11-yard loss to the 4. Tahoka seemed to have the Eagles in a hole, but Cummings got off a 61-yard punt over the heads of Tahoka receivers to the T. 35, which Tyler managed to retrieve and bring up to the 40.

Tahoka couldn't move, punted, but held the Eagles two downs on their 40, then here came that big third down play again with the Eagles completely fooling Tahoka, on Bagley's right end run for 12 yards, two plays later Cummings caught a 12-yard pass, then he ran for 17, and in three more plays Seagraves was on the Tahoka 18.

Here, Seagraves faked to the right, Cummings went away over to the left, and Law threw across field to him, and Cummings went over the goal unhindered for the TD with 1:17 left in the quarter. A pass was incomplete for conversion, but Seagraves led 12-6.

Eagles Score Again

Tahoka couldn't move, Inklebarger got off a 35 yard punt, run back to the 30. From here, with help of a 15-yard face-mask grabbing penalty on Tahoka, the Eagles moved 70 yards to score again, two more big third down end plays helping to move to the Tahoka 11. From here, Cummings raced around right end for the TD. Dennis McKenzie failed to run the conversion, but Seagraves now led 18-6 with 8:17 left in the game.

Tahoka Bounces Back

Roberts brought the kickoff to the 41, a pass to Schneider was good for 7, then Mitchell Williams, back to pass, appeared hemmed in, broke loose, raced upfield, broke out of a couple of more tackles and went 38 yards to the Seagraves 14. In three carries Chandler went to the 3-yard line, a pass was incomplete, Chandler carried to the 1-yard line, Williams was stopped for no gain, then Chandler bulled to about the 2-inch line on fourth down, but Seagraves drew a penalty, and Tahoka had another chance. This time, Chandler made it across the goal line for the TD. Schneider's place kick failed, but Tahoka had cut the margin to 18-12.

WASHINGTON AND "SMALL BUSINESS" By C. WILSON HARDER

The latest brain child of the Federal Government is a plan to set up a central "data bank" which would include complete information on every American, such as schooling, grades, personality traits, credit rating, income, employment, and other highly personal intelligence.

Rep. Cornelius Gallagher (D-N.J.), recently warned: "We're about to make a fundamental change in our C.W. Harder society. We've always had a philosophy of letting a man start anew if he makes a mistake. But computers don't forgive and don't forget."

"We're concerned about the school dropouts now. What about the computer rejects of tomorrow?"

Gallagher's special House subcommittee on invasion of privacy has scheduled hearings on the "Broad Implications" of the data bank, and considers it essential to know "who will have the power to push what computer buttons under what conditions."

"We cannot safely presume that all of this information will always be used by benevolent people for benevolent purposes."

Prof. Charles Reich of Yale University cautions that as time progresses, computer "perfected" information becomes more distant from its original, authentic source, and thus less reliable.

The great amount of testing going on in Federal agencies has prompted Sen. Sarvin (National Federation of Independent Business

(D.N.C.), chairman of the state subcommittee on constitutional rights, to decry, "The massive surrender of individual privacy to which the Government is subjecting its civil servants by use of various questionnaires and scientific instruments."

Martin Gross, author of "The Brain Watchers," recently told a subcommittee probing invasions of privacy that "During the more than 3 years I investigated personality testing in the nation, I was constantly amazed at the callous indifference of testers in seeking out the most sacred details of a person—including his sexual life, religion, political beliefs—as if it were necessary to eliminate human dignity in order to be employable in our country."

U.S. Budget Bureau spokesmen defend the "data bank" with assurances that the machines can be regulated so as not to divulge intimate details about citizens. Further, they insist, individual identity can be disguised by utilizing codes and statistics to gain information.

But since someone is needed to "teach" the computers, as well as to learn from them, and that "someone" would be a government official, the highly personal information would remain exposed and available to the Cyclops eye of Government.

It is difficult to escape the conclusion that in allowing Government to grow to gigantic stature, it has become a threat to the people.

A basic principle of free democracy is in reliance upon equitable laws rather than big government. The Federal plan to organize the "data bank" is but another encroachment upon individual rights.

However, Tahoka tried an on-side kick, was unable to cover and Seagraves took over on its own 48 and ran out the clock in seven plays while moving 30 yards to the Tahoka 22.

Whites Lead Defense

On defense, Richard White led in number of tackles and assists with a total of 19, and his brother Randy, a sophomore, was second with 16. Tommy Kidwell had 15, Chandler and Tyler 14 each, Thurman 14 also, Schneider 12, Jody Edwards and Milton Edwards 9 each, Roberts 8, Jerry Jolly 7, Gary Brooks 4, Inklebarger and Williams 2 each.

An He Alone

"So God has sent you two more little brothers, Sally," said the minister to the little girl.

"Yes," she replied, "and He knows where the money is coming from, too. I heard Daddy say so."

RE-ELECT SENATOR JOHN TOWER

Senator Tower is doing something about inflation. In six years serving Texas, he's supported cuts of more than \$58 billion from federal red-ink spending.

Rowe Trip ...

(Continued from Page 1, Sec. 2) and also drove to Kalmer, Wis., and saw the giant factory and town complete with homes and schools, all made up around this plant. It was going in full production after several years of strikes where friends and neighbors shot, beat and blew up homes, plants and had general destruction for over two years. Makes a person think.

We were also taken through a Ferry Morse experiment plant. Sure was interesting.

We headed home through Illinois, Missouri and Arkansas, driving through the Ozarks in Mississippi and Arkansas. We visited with the Johnny Kirkhams in Arkadelphia, Ark. one night and enjoyed a squirrel supper.

The two of us had a wonderful trip, saw lots of friends, and met lots more. While in a cafe at Barre, Vermont, a couple saw our car tags and came over. Both had lived in Lubbock. They were Monroe and Martha McCandless. Her brother, George Bartlett lives at Meadow.

We visited one of the seven natural wonders of the world, the natural bridge in Virginia. George Washington surveyed the bridge and has his initials and seal carved into the rock. Henry II crossed the bridge which is 215 feet high, 90 feet between the walls and 40 feet thick in the arch.

We have driven over 8,000 miles and into 22 states and the two provinces of Canada since Sept. 16. Before taking this last trip we

had visited our children Betsy and Oley and two boys in North Dakota.
