VETERAN'S DAY

Tahoka Ends Season at Plains This Friday Night

Tahoka Bulldogs wind up a successful season tonight at 7:30 o'clock at Plains when they battle the Cowboys for a tie with Seagraves as District 5-A champions. The Bulldogs now have an 8-1 season record and a 2-1 Conference record.

Seagraves has defeated both Plains and Tahoka, and will represent the district in play-offs regardless of the outcome of tonight's game, although the Eagles were humiliated by Coahoma last Friday 24 to 8. Tahoka romped over O'Donnell 52 to 7, and Plains took a non-conference game over Springlake 20 to 0.

Coach Don Smith's Bulldogs have the best record they have had in many years, having won successively over Lorenzo 45-0, Crosbyton 26-0, Idalou 27-0, Slaton 20-14, Post 6-3, Kress 8-6, and Coahoma 18-7 before dropping the big one to Seagraves 12-18, and then taking O'Donnell.

Plains defeated Ropes 42-0, lost to Sundown 25-28, won over Fairwell 39-19 and Bovina 13-8, then fell to Sudan 0-21, took Coahoma 23-8, then lost to Seagraves in a squeaker 21-22, and snowed under O'Donnell 63-0.

But, Coach Rip Sewell's Cowboys have shown great improvement, Tahoka scouts say, and now have a good offense going. In fact, Coach Robert Ryan says Plains is probably as good right now as any team Tahoka has met.

Coaches think the Bulldogs will be ready for Plains. If they can win this one, they would share the title with Seagraves, although Seagraves will advance in the play-offs.

Cliff Thomas, out since early in the Kress game, is still out of the line-up, of course, and Larry Arnold, who did a good job last Friday, underwent an emergency appendectomy Sunday night and will be out also. Jim Adams, second string end, is out with a broken finger received in the O'Donnell game. There are other minor injuries, but the Bulldogs will be in good shape unless the virus epidemic hits some more of the

Martins' Grandson Gets Dad's Kidney In Rare Operation

Jimmy Martin of Levelland, grandson of Mr. and Mrs. Lee Martin of Tahoka, has had both kidneys removed, lived with an artificial kidney for a while. On Monday of this week, his father, Gordon Martin, also of Levelland, gave his son one of his kidneys in a rare kidney transplant operation.

The operations were performed at Medical Center in Salt Lake City, Utah, a branch of Mayo Bros. Clinic.

Jimmy, a former Texas Tech student, married and the father of a six-months old child, had been under treatment for some time in Lubbock, and was given little hopes of recovery. Seven weeks ago he was flown to Salt Lake City, and two weeks ago both kidneys were removed and he was kept alive until Monday's transplant by artificial kidneys, when the father gave up one of his kidneys in hope of saving his son.

Monday night, Mr. Lee Martin was informed the operation was a success, and both his son and grandson were doing fine.

SENATOR JOHN TOWER

Marla Bray Makes Fine Showing In Teenage Contest

Although Marla Bray failed to win any of the awards in the Miss Teenage America contest last Saturday night, she did receive some wonderful training and experiences, and Tahoka received publicity on nation-wide CBS television.

Marla was introduced along with the 64 candidates, and she was also to be seen in the background through much of the hour and a half program.

She is happy to have been one of the group, enjoyed every minute of the rush of events, feels she was rewarded, and thinks those selected as finalists were tops.

Accompanied by her mother, Mrs. A. M. Bray, she returned to Tahoka almost exhausted and was simply concerned with catching up in her school work.

"Tahoka and Lynn county is a winner even if Marla didn't win, and she's still a gracious, wholesome, talented girl in whom we all can take pride as being one of us," was the sum of a statement by one local citizen, with which most people will agree.

Religious Census Is Planned Here

A religious census of the Tahoka area was planned for January at a meeting of all church preachers here on Monday.

Survey work has been set to begin January 8, 1967, and will be a combined effort of all churches.

One of the ministers told the News they were a bit shocked to realize at their meeting that nearly 3,000 citizens of Tahoka went to no church service last Sunday.

FINNEY RETURNS HOME

C. Edmund Finney, local photographer, returned home Wednesday from Houston, where he has been taking treatments at the M. D. Anderson Hospital.

Mrs. Finney and Mr. and Mrs. Curtis Stevens went to Houston last Thursday to visit with C. Edmund, and returned home Sunday.

Mr. Finney will return to the Houston hospital November 28 to undergo surgery.

Voters in Lynn county and over the nation served notice in the general election Tuesday they are obviously none too pleased with President Johnson's Great Society program.

But, Lynn county was one of the few in this area that gave Attorney General Waggoner Carr a slim majority in the Democrat's effort to unseat Republican John Tower as U. S. Senator. With 1701 votes cast, the county gave Carr 871 and Tower 761 votes.

Wednesday morning, Tower's state-wide vote was continuing to mount and the margin to widen.

Across the nation, there were Republican gains in Governorships, Senate and House races, and Texas elected two Republican Congressmen, George Bush from a Houston district and Bob Price in the Amarillo district, and some other races were close.

Statewide, all the proposed Constitutional Amendments were carrying except No. 4, the one increasing length of term for conservation district officers.

In Lynn county, voters turned down four of the Amendments.

Also in Lynn county, approximately 250 voters cast a straight Republican ticket down through State Treasurer, as far as Republican nominees went.

Three precincts, Wilson, Gordon, and Absentee, gave Tower a majority.

Following was the vote for U.S. Senator by precincts in Lynn county:

	Carr	Tower
1. South Tahoka	104	78
2. Wilson	98	132
3. O'Donnell	156	130
4. New Home	100	56
5. Draw	31	26
6. North Tahoka	199	151
7. Grassland	18	14
8. Gordon	27	28
9. West Tahoka	80	67
10. Newmoore	16	7
11. Lakeview	24	42
12. Absentees	18	30

Total 871 761
(James Barker Holland-2 votes)
Following was the vote for other state officers, the Democratic candidate named first, the Republican next:
Governor, John Connally 1199, T. E. Kennerly 248.
Attorney General, Crawford C. Martin 1333, Robb Stewart 274.
Commissioner of Agriculture, John C. White, 1305, Jack Garrett 306.
General Land Office, Jerry Sadler 1343, Albert Fay 277.

New Home Man Winner Of Car

Gaylord Armontrout, 24, of New Home and Lubbock, ticket agent for Braniff International at Lubbock Municipal Airport, was delivered the new 1967 Ford Mustang he recently won from Braniff. The presentation was made through Wayne Waters Ford of Tahoka Monday at 4:00 p. m.

Gaylord's name was the third drawn of 7,000 company employees at an October 17 banquet in Dallas when \$300,000 in prizes were given by Braniff, including 50 Mustangs, 250 color TV sets and 550 black and white TV sets.

Braniff president Harding, L. Lawrence said the prize drawing at a company banquet in Dallas was to reward employees for their "outstanding service" during a six-week interruption in the service of five other airlines because Gaylord is the son of Mr. and Mrs. Charles Armontrout of New Home and is a graduate of the New Home schools.

He returned home last March from service in the Army at Frankfurt, Germany, and went to work for Braniff in June.

Why the United Fund?

United Fund was organized in order to cut down on the number of financial drives, and reduce the constant pestering of citizens for contributions. Before UF, volunteer workers, who gave their time free of charge to make a canvass for funds to keep worth-while institutions in operation, were being worked to death on repeated drives during the year.

The four organizations supported in the local United Fund Drive are Boy Scouts, Girl Scouts, Red Cross and Salvation Army.

Instead of giving what they normally would give on four separate drives, businesses and townspeople, last year, averaged giving the normal amount for two drives.

In order to spread the expense (especially to businessmen) over a period of time we have a draft authorization below, which we would appreciate your filling in the amount of your donation, the name of your bank and whether you want the draft monthly or quarterly. The first drafts will not be drawn until January 1967. If you prefer, though, you may send a check for the entire amount.

Our drive does not officially begin until November 28th but if you will mail in your draft authorization or check now it would certainly eliminate lots of leg work later on.

WILSON NEWS

(By Mrs. Ted Melugin)

WHS Queen, Beau Crowned
Vicki Lane, junior student and daughter of Mr. and Mrs. Bill Lane, is the 1966 football queen. David Koslan, senior and son of Mr. and Mrs. Monroe Koslan, was named the pep squad beau at Friday night's homecoming activities. Runners-up were Karen Swann and Wanda Wuensche, and J. B. Rackler and Jimmy Koenig, all seniors.

The Queen and Beau were crowned before the Amberst-Wilson game in which the Mustangs were winners over the Bulldogs by a score of 13-12.

Thursday a parade was led by the Mustang Band in down town Wilson, kicking off the week end of homecoming activities. A pep rally was held in the gym with each football player standing in the spot light as Coach Davis made introductions. The bonfire was set ablaze before a large number of on-lookers.

Friday afternoon, another pep rally was held prior to school dismissal. Beginning at 5:30, a supper was enjoyed by exes of WHS in the school cafeteria. The class of 1966 was honored. Coffee and doughnuts were enjoyed following the game.

B-Team Plays
Thursday, the B-team played Post early in the afternoon, losing 14-8, while the Junior High team played its final game of the season, winning 20-0 over Ropesville. The Junior High team displayed some fine team work this season under the direction of Coach Mickey Rundell. They lost only three out of seven games. The B team plays its final game Nov. 10 at Idalou. The Wilson Mustangs have two more games this season, Nov. 11 at Whiteface and Nov. 18 at Ropesville. Game time is 7:30 p. m.

FTA District Meeting
Saturday the FTA held its district meeting in Lubbock. Several attended from Wilson.

Enjoys Halloween Party
Stan Meador entertained in his home Monday, Oct. 31, with a Halloween party. Twenty friends attended decked out in costumes, and enjoyed games and refreshments.

Last Tuesday, Mrs. Ted Melugin was surprised with a visit from

her nephew, Ray Hacker and Mr. and Mrs. Larry White and Juanita of Clovis, N. M.

Memorial Left For WHS
The 1967 Seniors donated a beautiful chrome Victory Bell at the game Friday night, to be left as a memorial from their class to the school. Miss Christi McCormick made the presentation of the bell, erected on blue frame and wheels. The bell will be taken to all games and will ring out as touchdowns are made.

Sympathy is extended to Mrs. Pearl Davidson in the loss of her brother last week.

Demonstration Club News
Friday, Nov. 4, the Wilson Home Demonstration Club met in the education building of St. John's Lutheran Church with Mrs. Tillie Krause as hostess.

The program was on "How to Watch Your Weight," given by Mrs. J. H. Dodson, school nurse from the Topp Club of Slaton.

Mrs. W. C. Maeker was a guest at the meeting.

A party is being planned for the month of December.

On Nov. 9, a county-wide meeting was held in Tahoka Lyntegar building at 2:00 p. m. with Lois Greathouse giving the program on Christmas lighting, indoor and outdoor decorations, showing slides. Pat Park also demonstrated the making of Christmas candles. Several ladies from Wilson attended.

On November 15, a county-wide luncheon will be given in the Lyntegar building in Tahoka.

Baptist WMU Visits Slaton
Several ladies of the Baptist W.M.U. visited the Slaton Convalescent Home Monday, taking fresh fruits as gifts. This was their community project for the month of November.

Mr. and Mrs. Hugo Maeker's visitors Sunday were Mr. and Mrs. Larry Maeker and Jeff of Crosbyton, Mr. and Mrs. Wilburn Maeker and children, Orville Maeker and three children, Mr.

Final Joint Of Pipeline Is Laid

About fifty people from several interested towns attended brief ceremonies held two miles west of Wilson Wednesday of last week when the last 32-foot joint of pipe in the 322-mile Canadian River Municipal Water Authority aqueduct was laid.

H. B. McCord Sr., Tahoka mayor when the project was started in 1961 and now this member town's director in the Authority, and Clint Walker, a former mayor and also director, were among those present from Tahoka and Walker made a brief talk.

Other speakers were from Lubbock, the Bureau of Reclamation, and R. H. Fulton Co., contractor. C. O. (Spike) Crane, project engineer with the Bureau of Reclamation, said the \$84 million CRMWA dam and aqueduct system is being completed a year ahead of schedule at \$14 less than original estimates and at a saving of \$1 million in interest alone.

Crane said water will flow to Lubbock by the first of the year, and to Slaton, Tahoka, O'Donnell, Lamesa, Levelland, and Brownfield by next spring, with water deliveries promised not later than January, 1968.

Bob Drago of R. H. Fulton & Co., which has southern area construction headquarters in Tahoka, spoke for his firm. Minor "clean-up" work will not be completed by Fulton until about January.

Tuesday of last week, Mayor Meldon Leslie and Aldermen Alton Cain and H. B. McCord Jr. attended the dedication ceremonies at Lake Meredith on the Canadian River northeast of Amarillo when the speaker was Stuart Udall, Secretary of the Interior.

Dess Chappelle, resident engineer of the Bureau of Reclamation, informs The News that the regulating tank in northwest Tahoka, which controls flow of water to O'Donnell and Lamesa, is just about complete.

Contract was recently let for Tahoka's intake reservoir and connecting pipeline.

and Mrs. Werner Klaus, and Mr. and Mrs. Herbert Ehlers.

New Producer
A new pump has been erected at the Ahrens-Heck oil location one-fourth mile northeast of Wilson.

New Arrival
Mr. and Mrs. Mac Mahurin are the proud grandparents of a baby girl born Nov. 1 in Lubbock to Jimmy and Susan Mahurin, named Penny Suzette. The dad is in Viet Nam serving his country in the Army. His tour of duty will be up in April, when he will return to see his first-born for the first time. Congratulations to Jimmy and Susan.

Birdwells Stranded In Snowstorm, Have Hectic Experience

C. E. Birdwell and daughter, Mrs. Bobby (Carolyn) Tomlinson, experienced some hectic hours in the storm that raked through a number of northern states last week.

The two had gone to Dearborn, Michigan, to pick up a new car which the Tomlinsons had ordered while stationed with the Air Force in France. They left Tahoka Nov. 1 at 12:30 a. m., making the trip by bus.

After getting the car in Dearborn and starting home, snow fell constantly all the way to Indianapolis, Ind. Many motorists were stranded at Lewisburg, Ohio, among them being the local duo.

Fifteen inches of snow was on the ground and residents of that town said it was the worse storm in 52 years in that area.

Mr. Birdwell stated that he and Carolyn were treated with great hospitality while waiting for the storm to subside and for the roads to be opened. A gentleman opened a coffee shop for several motorists, kept the establishment open the entire night, and two men gave up their beds so that Birdwell and a soldier just returned from Vietnam, and Carolyn and the soldier's wife could get a night's rest. A number of people found shelter at farm homes.

C. E. praised the people of Lewisburg for their generosity but said upon their return to Tahoka, "the local water tower never looked better in my life." He also remarked that his Texas-type hat really made the heads turn in the northern country.

PRIDMORE AT HOME

Lt. Ted Pridmore, physician serving in the U.S. Navy, arrived home last Friday for about two weeks at home. His wife had met him on the West Coast last week when he returned from duty in the Pacific.

Texas produced 9 percent of the world oil in 1965, 12 percent in 1960, 22 percent in 1950.

Cotton Research Meeting Called

Cotton producers in this section of Texas have a special invitation to attend an educational meeting dealing with the 1966 Cotton Research and Promotion Act.

County Agricultural Agent Bill Griffin said the meeting would be held on November 15, beginning at 2:00 p. m., in the Plains Cotton Cooperative Oil Mill Board room, 2109 Ave. A. He added that a team of specialists from the headquarters staff of the Texas Agricultural Extension Service, Texas A&M University, would be on hand to explain in detail and answer questions on all phases of the legislation. He emphasized the meeting would be strictly educational and both pros and cons, as established from four regional hearings and the legislation itself, would be discussed.

Because of the importance of the legislation and the possible effects upon cotton production, Griffin said he was hopeful that cotton growers would attend the meeting in large numbers. Mark your calendar now and be present for this important session, he advised.

Cottonseed meal is rich in nitrogen, phosphorus, and potash.

DISCUSSING SEARCH FOR PEACE

ROME, Italy—Edward M. Lindsey (right) President of Lions International, explains the world wide service organization's "Search for Peace" project to Pope Paul VI in a 25-minute private audience held in Vatican City.

The Pope, who himself is very active in promoting World Peace, had words of high praise for the 800,000 Lions around the world for their efforts in getting Youth interested in thinking and writing about peace.

Youth between the ages of 14 to 22 in 135 countries of the Free World are urged by Lions International to write an essay on the theme: "Peace is Attainable" for a \$25,000 first prize, offered by Lions International.

Mrs. Lindsey is in center (left) and the Right Reverend Monsignor Paul Marcineus, who translated for the Holy Father during the meeting held in the papal private chambers, is center (right).

GRASSLAND NEWS

(By Mrs. O. H. Hoover)

The cotton gins at Grassland are busy most of the time. Won't be long before they will be going full blast. I just talked to Mr. Tew, manager of Farmers Co-op, and he said they had 237 bales, and the Producers Co-op about the same.

Mrs. C. B. King and Lou Ann took Mrs. King's sister home last Wednesday. She had been here about three weeks visiting.

Mrs. Billie Inklebarger is in the Methodist Hospital at Lubbock for treatment. We wish for her a speedy recovery.

Mr. and Mrs. J. F. Moore drove to Hereford Saturday to visit an aunt who is very ill.

Mr. and Mrs. H. E. Huffaker have gone to Colorado to visit their children.

Mr. and Mrs. W. M. Dubose of Brownfield visited their sister and husband, the W. G. McCleskeys, Saturday.

Kelley and Dean Laws' aunt, Nina Laws Johnson, passed away from a stroke Saturday night. She and her father, mother and family lived west of Grassland in the early days here.

She had lived with her family in Hobbs, N. M., for some time. Mrs. Cardie Laws, the Kelly Laws family, and the Dean Laws family attended funeral services for her at 10:30 a. m. Tuesday in the First Baptist Church in Hobbs.

Mr. and Mrs. Tom Murray and Mr. and Mrs. W. G. McCleskey spent the evening with Uncle Mac and Aunt Nora Richey Saturday.

Mrs. Amos Gerner visited the Bishop Mathis' and the David Boyd's one night last week. The Leman Mathis' were also visitors.

Mrs. Gerner visited Ruby Claiborn and Peggy Friday night.

Mrs. Gerner also visited Laura and Carol in Lubbock Tuesday evening. (How that girl does get around!)

Mr. and Mrs. Rusty Dean visited the Willie Daniels in Post Sunday. Bobby Dean came back to Post for the Homecoming game. (Aren't you glad we beat 'em?)

Mrs. Dovie Luttrell drove the W. T. Luttrells to church at Draw as Mrs. Luttrell's eyes still won't allow her to drive. Draw welcomes you, Dovie; come again!

Mr. Guy LeMond of Snyder had lunch Sunday with his sister, Mrs. A. Z. Sewell, and visited his brother's family in Grassland Sunday afternoon.

Mrs. A. Z. Sewell, Martha McKay, Mrs. Mattie Jackson and Mrs. Wells attended the Bible study in Grassland Sunday night. It's real good. Why don't you try coming?

Mrs. A. Z. Sewell attended singing at Berry Flat Sunday afternoon.

Mrs. Reed and children came to Sunday School and church Sunday at Draw. Mr. Reed is a ginner at Draw gin. We welcome them.

Mrs. Long and Mrs. Grace Thomas visited in the Carl Greer home one day last week. Mr. and Mrs. N. O. Townsen came Sunday.

Mr. and Mrs. Gary McGrew and little daughter Tammi were luncheon guests and spent the day Sunday with their grandmother and uncle, Mrs. Edith Inklebarger and J. W. Inklebarger. Gary is enroute to Greenland, where he will be for some time. He belongs to a helicopter rescue squad.

Our hearts were made sad by the death of one of our pioneer citizens, J. W. Warrick of Lubbock. He and family lived west of the Methodist Church in Grassland for many years. He and his wife raised their children there—Bernece, J. C. and Eula Mae. Mrs. C. B. King lives there now. He has been ill for quite some time. We extend our deepest sympathy to his loved ones. A large number of folk from Grassland attended the funeral services at the First Church of the Nazarene in Lubbock Monday at 2 p. m.

The Grassland community ladies prepared and served supper in the fellowship hall of the Methodist Church. It was a lovely meal, and they appreciated it very much. The family wanted me to tell all of you how much they thanked you all, each and every one, who had a part. May God watch over and bless the family of this good man.

Old Folks First In Mix-Up Bowling

The Old Folks kept their first place position in the New Home Mixup League as they collected four games from the Fairlanes Saturday night. Foy Todd led the winners with a 196 game and 563 series. Leading the Fairlanes was Wayne Price who rolled a nice 201 game and 582 series.

The Sometimes also won four games as they bowled the Aces. Bill Smith did some fine bowling for the Sometimes as he had a 211 game and 579 series. Gaylon Tekell led the losers with a 173 game and 479 series.

Dave Airhart and L. F. Taylor led the Rollin' Stones three games past the Nightowls. Dave had high game of 177 and L. F. collected high series of 468. Garland Peek paced the Nightowls with a fine 208 game and 510 series.

About one-half of annual cotton consumption goes into the production of clothing. Attend The Ballgame Friday!

Gordon-Southland News

(By Mrs. Edmund Wilke)

Greetings to each of you from "this neck of the woods." Sorry we weren't in the paper last week, but I was out at House, New Mexico, visiting with my Dad. My sister came down from Farmington, New Mexico, and we had a very nice visit.

Mr. and Mrs. Otto Klaus spent a week recently visiting relatives and friends in Bay City, Sealy, Elgin and Taylor. They want especially to celebrate the 92nd birthday of Mrs. Klaus' uncle, Mr. Herman Michaelis. This aged gentleman is very alert and keeps up with all the World News. Mr. and Mrs. Klaus visited with a brother, Edmund Michaelis and family in Sealy and spent one afternoon sight seeing in Houston.

The Southland Cub Scout Den No. 9 is preparing a Christmas box and they are going to send it to Manuel Cardenas, who is stationed in Viet Nam. There will be cards, cakes, candy and cookies in the box. Manuel has two little brothers in this Cub Scout Den. Mrs. Max Chaffin gave her daughter Kelly a birthday party on Sunday afternoon. Kelly was nine years old.

Word has been received here that Mr. T. R. (Pete) McRae of Amarillo passed away in October. Mr. and Mrs. McRae owned and ran the Gordon Store for many years and have many friends in this community. Two weeks after Mr. McRae passed away, his brother-in-law, Walter Lincum, passed away.

Mr. Ed Denton's cousin, Paul Buchanan from Dublin, visited in the Denton home on Sunday. Mr. Buchanan is 86 years old.

AYER-WAY CLEANERS NEWLY REMODELED BUILDING

Ayer-Way Open House Saturday In Remodeled Plant

Gravel Ayer is holding open house Saturday in his newly remodeled Ayer-Way Cleaner plant, now located in the building he bought on the south side of the square from J. W. Jaques. He invites all people to come by and inspect his improvements.

There will be door prizes and refreshments Saturday afternoon. The building has been completely remodeled with a new front, paneled walls on the interior, and Mr. Ayer has installed some new equipment, a unique new heat ventilation system, and has other new features, plus plenty of parking space. The firm moved from the west side of the square to the new location on Sept. 1.

Gravel has owned the shop 16 years, but had worked for Terry Thompson in the shop five years before buying the business in 1938.

Mr. Ayer and two of his employees, Mrs. Ima Lou Raindi and Mrs. Joy Thomas, have a total of 62 years experience in the clothes cleaning business.

boys as it did some this last week end.

Plains offensive backfield is composed of Joe Beal, 145, junior quarterback; Ricky Elmore, 175, senior fullback, who is rugged up the middle; and at halfback, Greg Jones, 150-pound junior who is quick and carries the ball a lot, and Alton Raines, 165, a senior, who does some of the passing.

The line is anchored by Mokey McCrary, 175, junior, at center; the guards are Bill Taylor, junior, and Jerry Lowrey, senior, each weighing 180; tackles are Dan Fields, 193, junior, and N. C. Clanhahan, 229, senior; and the ends are Carlton Wilkins, 170, senior, and Mike DeVries, 175, a junior.

Also defensive specialists include Joe Pierce, 140; Steve Simpson, 135; Milton Romans, 142; and Ronnie Cowart, 140. These boys are small but react quickly and are tough.

Coaches declared this could be one of the top games of the year, and the Bulldogs will have to put out everything they have to contain the Plains offensive.

New Home Sets Hospital Meeting

A community-wide meeting will be held at New Home Community Center Friday night, Nov. 18, at 7:00 p.m. to discuss the possibility of organizing a hospital district in Lynn county.

All interested persons are urged to attend.

B-Team Playing Plains Thursday

Tahoka B-team football boys will play the Plains B-team there this Thursday night.

This is the final game for the B-team boys.

NOTICE OF APPRECIATION

The parents and Cub Scouts of Pack 782 send a hearty thanks to the public for patronizing the Cub Scout carnival and making it a real success. Thanks also to the businessmen and the Men's Downtown Bible Class for their contributions.

Hospital . . .

(Cont'd. from Front Page)
\$200,000 by the Federal government under the Hill-Burton Act.

This amount, the committee is assured by authorities, would build a very modern 20-bed hospital, complete with the most modern laboratory and operating room and other equipment.

Tahoka has been virtually assured a high priority for a Hill-Burton grant, Thornton said, although funds are limited.

A hospital district could include the whole county or any segment thereof, but most feasible is one covering the entire county, for one reason, to get more doctors and to render a broader service.

Such a hospital would be open to any reputable physician or surgeon, but offices would not be furnished the doctors.

Joe Smith of Lubbock, representing an investment banker firm, was present and explained how hospital districts are legally established and gave some estimates on the cost to taxpayers.

Cost of building a \$425,000 hospital, with the local people paying \$225,000 of the cost, allowing for a possible loss the first two or three years was figured by Smith. With Lynn county's \$17,760,000 county valuation, which is figured at about 20 percent actual value, a 19 cent tax rate would be necessary, which would cost about \$3.60 per quarter section of land per year.

Following the presentation, a poll of those present was taken, and 25 voted in favor of the hospital proposal, two voted against, and one "don't know."

But, the group seemed unanimous in favor of presenting more information in meetings of citizens at O'Donnell, Wilson, New Home, and possibly other communities.

Most of those present were from Tahoka and area, but O'Donnell, Wilson, and New Home were also represented.

SCOUT PACK MEETING

Pack 782 will have their monthly pack meeting at the Community Center Thursday night, Nov. 17, at 7:30 p. m. All Cub Scouts and their families are urged to come and the public is invited.

Mrs. Peggy Beckum arranged the affair.

A "Friends of the Library" project is being planned with Robert Abbe as organization chairman, and contributions of \$1.00 up will be sought from interested citizens.

Wes Owen and Frakk Hill serve with him on the committee.

Mr. Owen named two other new committees, one to weed out obsolete books and to recommend means of disposal of these books not needed, headed by Mrs. G. M. Stewart, Mrs. Elvin Ray Moore of O'Donnell, and Bill Bradley, local high school English teacher.

The other committee is to set up the Dewey Decimal System in listing and classifying books. Mrs. Harold Green is the chairman, and named to help her are Mrs. K. R. Durham, Mrs. N. E. Wood, Mrs. A. J. Kaddatz, Mrs. Johnny Wells, Mrs. C. B. Nowlin of New Home, Mrs. Verda Brown of O'Donnell, and Mrs. Eddie Nichols of Wilson.

Mrs. Stewart announced the recent Texas Clubwoman, monthly publication of Texas Federated Clubs, carried a half-page story about the new Lynn County Library.

The library has more than 10,000 books on its shelves, and is adding more all the time, but proposes to dispose of some not needed or considered unfit for further use.

Bulldogs Defeat O'Donnell Eagles

Tahoka Bulldogs overcame the game but inept O'Donnell Eagles here Friday night 52 to 7 in a contest more rugged than the score indicates. Although in complete charge all the way, the Eagles made a battle of the game much of the way in spite of being unable to move the ball against the rugged Tahoka defense.

In fact, Tahoka's defense was so rugged that the visitors were allowed only two first downs until the fourth quarter, while the Bulldog offense piled up 28 first downs in the game.

FB Mike Chandler found himself offensively as he rushed for 135 yards in 20 carries, but it was HB Doyle Schneider who was the Tahoka star as he scored four touchdowns and kicked four conversions for 28 points, rushed for 26 yards net, and caught six passes for 147 yards.

Although the Eagles couldn't move consistently on offense, they were plenty rugged in spots on defense, and Tahoka fans had praise for defensive play of Randy Jackson, Eddie Joe Moore, Wayne Clayton, Ronnie Barnes, and Joe Lopez, who out-ran Tahoka defenders for the Eagles' only score.

For Tahoka, Tommy Kidwell, Mike Chandler, Gary Brooks, and others stood out on defense. Coach Don Smith used all the eligible players he had in uniform, and Sophomore Quarterback Charley Brown relieved Mitchell Williams in the third quarter and the Bulldogs scored four times under his generalship.

The game was marred by penalties, Tahoka drawing 115 yards and O'Donnell 95, but most of them were for holding, clipping, and piling on, and none were for unsportsmanlike conduct.

Tahoka Scores Early

Chris Roberts brought the opening kickoff to the 41, Chandler made 8, Williams hit Schneider on passes of 17 and 7 yards, ran once with the ball himself for 12 yards, then O'Donnell defense got tough when Tahoka was on the 4 with a first down, Williams passed 3 yards to Schneider for the TD. Schneider place-kicked with John Tyler holding. Score 7-0.

Neither team could move consistently until late in the first quarter, then Tahoka moved from its 43 for another score, the big plays being an end-around run by

Roberts, a 15-yard run by Chandler, then the final 5 by Chandler at right guard for the score. Schneider kicked. Score 14-0.

O'Donnell Scores

Lopez almost got away on the kickoff bringing the ball to his 44, but the Eagles bogged down and Ronny Barnes got off an unfortunate 8-yard punt, his only poor one of the night.

Tahoka moved to the O'Donnell 34, but then the Eagles' Danny Brewer intercepted a Tahoka pass and ran it to the Tahoka 47. A penalty and a loss put the Eagles back on their own 26. QB Steve Gary hit Lopez with a 21 yard pass, but it was fourth down and long yardage. Tahoka was charged 15 for roughing the kicker, Barnes, and the ball moved to the Tahoka 38.

Now, still fourth-down, Barnes faded to pass, was rushed, and tossed a short one to Lopez at about the line of scrimmage, and Lopez out-ran Tahoka defenders down the west sideline to score standing up. Lopez kicked. Score 14-7.

Score 21-7 At Half

Chandler, Williams and Tyler moved the ball to the O'Donnell 25, but Dannie Brewer recovered a Tahoka fumble on the 25. The Eagles couldn't move, Barnes punted 40 yards to the Tahoka 36.

From here, Tyler, Chandler, and Schneider moved down the field, Chandler going off tackle 4 yards to score, and Schneider again converted. Score 21-7.

Before the half, the Eagles lost the ball on fumble, but with time running out, Tahoka returned the favor by losing the ball on a pass interception.

Eagles Still In Game

Opening the second half, the Eagles fooled the Bulldogs on a Ken Vestal-Ron Barnes handoff that carried to the Tahoka 37, and the Eagles seemed to be back in business. But, Richard White nounced on an Eagle fumble on the 35. Then two plays later, Moore nabbed a Tahoka bobble, and Eagle fans had new hopes until hit with a 15-yard penalty, and Barnes kicked to the Tahoka 17.

Tahoka was penalized back to the 12, then Mitch tossed a long pass, hauled in by Schneider, who then raced goalward until tackled on the O'Donnell 2, an 86-yard pass play. Again, the Eagle defense got tough and threw the Bulldogs back 11 yards on two running plays and two incomplete passes.

Score Once In Third

FB Gary Evans ran 9 yards, Lopez for 2, then John Tyler intercepted an Eagle pass on the 35, added 17 on an end run to set up the TD, and four plays later took

New Home Plays Meadow Today

New Home Leopards close out the 1966 football season tonight at 7:30 when the Meadow Bronchos come to town.

The Leopards lost at Cooper 26 to 14 last Friday night when it was just too much Eddie Hickman, the Pirate halfback who ran for two touchdowns and passed for two more.

New Home was in the game, though, down to the fourth quarter. The Leopards scored first on a dive by HB Dennis McCullough and QB Johnny Armes passed to End Mike Fillingim for the two-point conversion. Cooper tied it up in the second quarter on Hickman's 23-yard scamper and he ran the conversion to make the score 8-8 at halftime.

Then, Cooper went ahead on a pass to Halfback Ronnie Schaffner, and New Home bounced back to even the score at 14-14 on Wayne Fillingim's buck from two yards out.

The Leopard's couldn't contain the Pirates, though, as Hickman passed to Charles Betancourt for one score and ran 41 yards for another.

O'Donnell Eagles Play Coahoma

O'Donnell Eagles close out the season tonight at home when they play the Coahoma Bulldogs, a team that knocked Seagraves out of a perfect Conference 5-A season last Friday.

The Eagles have had a losing season, but have done better than two previous years by winning two games this year, over Ropesville 26 to 0 and Lorenzo 6 to 0.

Coaches Jerry D. Brown, Glenn Hopkins, and John Dickerson will have a good nucleus of boys returning next year including nine juniors, nine sophomores, and eight freshmen from this year's squad.

Wilson Upsets Amherst Team

Wilson's battling Mustangs staged a comeback Friday night to please a homecoming crowd at Amherst by upsetting the strong Amherst Bulldogs 13 to 12 and virtually knocking them out of contention with Sundown Roughnecks for the 2-B District title. This was the last home game for Wilson.

The Mustangs can now finish with a fine season, although loser of two conference games to Sundown and Meadow, by taking Whiteface there tonight and Ropesville there Nov. 18.

Amherst, undefeated in conference play until Friday night, took a 12-0 first half lead. In the first quarter, HB Leon Hardwick ran 22 yards to score, and again in the second quarter he went 12 yards to the goal. But running tries for conversion failed.

Wilson bounced back early in the third period, when QB Johnny Scott hit HB Dennis Verkamp with a pass and Dennis went all the way—74 yards—to score, and Mike Ward made good on the conversion place kick.

After driving to the Amherst 5 in the fourth quarter, Scott again passed to Verkamp to score, and that was the ball game.

Saleh Speaker at O'Donnell YF Meet

John Saleh, O'Donnell attorney, was the guest speaker at the regular meeting of O'Donnell Young Farmers Thursday night.

Mr. Saleh explained the amendments to the constitution of the State of Texas which are to be voted on in the November 8th election.

Eleven members and the chapter advisor, James Reed, attended the meeting. One new member, Steve Stevens, joined the organization.

This November 11, Veteran's Day, may we all remember: "No one was ever honored for what he received; honor is the reward for what he gave."

Cass Edwards of Fort Worth and T-Bar Ranch is one of the directors of the Miss Teenage America organization. He says he was really proud of Marla Bray in the contest pageant Saturday night, as he and wife were present and felt a little more than usual personal pride that a Tahoka girl so creditably represented this part of Texas.

Cass tells of hearing an interview Sunday in Dallas with Al Capp, who draws the "Lil' Abner" comic strip. The questioner asked Al Capp if he was a Liberal or a Conservative, and Capp's answer went something like this: "I used to think I was a Liberal, but the Liberals deserted me. The Liberals protested the right to use a three-letter word (God) in school; then, on the other hand, protested for the right to use four-letter words (filth) anywhere."

Of all people, it had to be Senator Ralph Yarborough who censured the U. S. Department of Interior, Bureau of Reclamation, for sending out franked (free postage) invitations to the recent dedication ceremonies of Sanford Dam and Lake Meredith. Here at The News, and at every other newspaper, television and radio station in Texas there comes each week a number of franked publicity blurbs extolling the virtues of Senator Yarborough. Sunday, we received two such free postage letters, and Monday we received a third, and there'll be more later in the week. If anyone in America should stop abusing his franking privilege, it should be our G-r-e-a-t liberal Senator from Texas.

We've been eatin' high on the hog again. B. L. Davis of O'Donnell brought us a quart of that unsurpassed Big Bend honey from Brewster county, Roy Nettles brought us some more tomatoes and also brought us a mess of fine turnips. Thanks a lot, folks. It sure is nice to have such friends.

We had a letter from Happy Smith, down at Bluffton, on Buchanan Lake, and he sent the following clipping from the First Assembly of God Church in Galveston regarding Joyce's sister, Mrs. J. C. Burget, 4920 Austin Dr., Galveston, known by Tahoka old-timers as Ruby Kettner Hatchett:

Our sister is one of our oldest members and a very hard worker. She is the "Chief fund raiser" in the W.M.C. Always selling articles to have finances to promote the work of the Lord. She's "mother" to many missionaries. Her daughter, Evelyn Hatchett, missionary to Penang, died several years ago on the field. What a glorious contribution this dear mother made to this world. Our love to this grand old lady (who can out work any of us younger ladies). We know God has a special place for her in His kingdom.

Fred Mathews, the old Grassland boy now living in Oregon, recently wrote us: "I was plowing yesterday on the farm and three beautiful cock pheasants walked close by not more than twenty feet. They were leading two pheasant hens. I stopped and they pos-

Inflation Has Always Led to Disaster, World History Shows, Speaker Says

"Inflation," the causes of this malady and the cure, was the subject of a talk at Tahoka Rotary Club Thursday by Bob Brummel of Lubbock Southern division manager of Southwestern Public Service Co.

The speaker declared this is one of the most important problems facing our nation today, and he cited the end result there has always been in other nations, France being the outstanding example in 1780 to 1790.

Inflation invariably is caused by politicians who value votes, personal advancement, and power more than fiscal responsibility. Inflation uncontrolled invariably leads to a take-off such as that by Napoleon in France and still later by Hitler in Germany. Other examples include Cuba, Brazil, and Bolivia.

He illustrated how inflation and the shrinking of the value of the dollar wipes out savings, pensions, insurance and the value of investments.

One example is on U.S. Savings Bonds. A bond bought 14 years ago for \$75.00 now matures for \$112.40, but in this time the dollar has shrunk to 70 cents of the comparable value, and this bond cashed in now is worth only \$78.68 in purchasing power. But, now income tax has to be paid on the interest profit, and the bond buyer actually gets back less in purchasing power than the original \$75.00 he invested.

Our acknowledged National debt exceeds \$300 billion, but according to the late Senator Byrd, other Federal obligations run the

ed for me. It is amazing the beautiful different colors they have. As for that matter, I am not in the least interested in killing them any more than the full grown doe I saw in front of the house the other morning. Recent fires and some migration is the cause."

debt to a total of \$1.25 trillion. Our debt is enough to buy every family in America a \$21,000 home and have enough left to put two \$3,000 automobiles in front of each of these homes.

"Who is to blame?" he asks for this financial irresponsibility. The speaker declares Congress is directly responsible because it is the body that has the power to appropriate, to enact legislation, prodded by the Executive branch primarily interested in buying votes.

He quoted Norman Thomas, a life-long Socialist, as saying the American public would never accept the entire Socialist program at the same time, but is gullible enough to buy little chunks one at a time such as Welfare programs, Social Security, Medicare Poverty programs, etc. until we finally become a real Socialistic state.

He declared the Federal government right now runs 19,000 businesses, all in competition to private business, such fields as manufacturing, recreation, printing, light and power etc.

"When an individual goes broke, he takes bankruptcy; when a government goes broke, it invariably changes the form of government," the speaker declared in closing.

Grocer Gives Causes Of "Too High Food Prices"

W. T. Kidwell, local food store owner, says he will be the first to agree with the charge that food prices are too high, but he presents the following statement which should be of interest to the public:

These past few months grocery prices have accelerated at an unprecedented rate. This fast rise in prices has resulted in boycotting of Food Stores and threats of boycott throughout the Nation.

It is truly unfortunate that such action has to take place against Food Stores, when the basic reason for price increases is not the fault of the Retail Food Industry, but goes much deeper.

May we ask your indulgence for a few minutes in order for us to try to give you the facts—such as we know them and tell you what has caused this "Crisis".

Frankly, in our opinion, the basis for much of this started many years ago when we, the citizens of the United States, assumed the role of Free-World Protector and Benefactor. This role, which was bi-partisan and assumed in good faith, resulted in the United States playing "Santa Claus" throughout the World. This "give-away" had no initial repercussions, because of heavy surpluses and Government subsidies. But, now, in 1966, the effect has made itself known.

Our wheat surpluses are at an "all-time" low. The Law of Supply and Demand has begun to make itself felt! Flour prices have advanced rapidly, resulting in price increases in everything that contains flour: i.e. bread, bread products, cereals, cake mixes, frozen breads and cake products, etc.

Corn surpluses have diminished. This has resulted in increased prices in every food product using corn—starches, margarines, canned corn, shortening, cereals and scores of other food products. This shortage also affects the price of meat, as that industry depends on corn to fatten pork, beef and poultry for market.

Dairy Farms are closing by the hundreds. These closings were triggered by high feed costs, high labor costs and high profits derived from selling during these prosperous times. Too, the lure of high wages and short hours in City employment, caused many

people to exodus from the long hours and low pay. These conditions shortened the milk supply, resulting in increased prices, not only on whole milk, but on all related products that use powdered milk and, of course, all dairy products such as cheese and butter.

Eggs have increased in price because of Government purchases for the Armed Services. This price increase is justified, because of demand, but again, it has resulted in price increases in many products that use whole and dried eggs as an ingredient.

Vegetables and fruit costs have advanced rapidly because of labor costs. Two years ago our Government enacted the "Bracero Law", which restricted the importing of foreign labor to harvest the vegetable and fruit crops. This resulted in increased harvesting cost and food waste, because of lack of labor to harvest when the crops were ready. Bracero labor had always been available at peak harvest time. Again, the Law of Supply and Demand took effect—prices rose due to shortage and increased labor costs.

Pork prices have risen rapidly since last year. The reason for this increase in price is the short pig crop in 1965, so far, in 1966. Also, corn, used for feeding, has added to the cost of raising pork. The pig farmer is a victim of circumstances and necessarily requires more money per pound, if he is to continue in business. Naturally, the consumer must pay the increased price.

Just today, October 21, 1966, the following statement was made by Mr. Carl Schumann, Head of the American Farm Bureau:

"They are going to send a Mrs. Peterson around the Country, to encourage housewives to boycott Food, on the assumption, of course, that food is the cause of inflation, when it is the other way around. This is a device to try to take the attention away from the real cause of inflation and high food prices, not the Administration and its policies of deficit spending and wild spending programs that have driven prices of food and other products up."

The cost of fires in the United States exceeded \$1.76 billion last year, National Fire Protection Association figures show.

Bulldogs Win . . .

(Continued from Page 1, Sec. 2) a Williams pitch-out and went 6 yards at left end to score. Schneider kicked, and Tahoka led 28-7.

Third play after the kickoff, Tyler again intercepted an Eagle pass, and Coach Smith now sent in his other reserves, Charley Brown at quarterback, Larry Arnold, Freshmen Tim Walker and David Rogers, Jim Adams, Michael Glenn, and others saw action the rest of the way.

Jolly crashed to throw Gary for a 10 yard loss, then Michael Glenn intercepted an Eagle pass on the opening play of the fourth quarter on about the Eagle 20 and ran to the 14. Arnold made 8, then 1, Schneider, who had no replacement eligible at his halfback post went the last 5 for the TD. Score 34-7.

Lineman Intercepts

Soon after the kickoff, Kidwell intercepted an Eagle pass, but the

reserves couldn't move, punted, neither could O'Donnell. Tim Walker brought the punt to mid-field, Brown hit Tyler with a 22-yard pass, and on an exchange of big penalties, Tahoka was on the Eagle 27. Here Brown hit Schneider on a 27-yard scoring pass. Score 40-7.

Now the snake-bit Eagles lost another fumble, covered by Brooks on the Eagle 38. Brown faded to pass, couldn't find a receiver, kept, and ran 22 yards to the Eagle 16. Two passes were incompletes, then Brown threw to End Thurman on the 7, and some way Gerald scrambled out of the tacklers arms and rambled over the goal line—and Tahoka fans were happy to see Wayne get in the scoring column. Score 46-7.

Eagle Drive Backfires

Starting from the kickoff on their own 35, O'Donnell now put on its only sustained drive with Evans, Ewing, Gary and Brewer carrying, a 16-yard pass complete to Vestal, and the Eagles were on

the Tahoka 36 when a fourth down pass was intercepted by Schneider on his own 22, and he ran all the way, 78 yards, for the final Tahoka TD. Score, 52-7.

After the kick-off, Jolly covered an O'Donnell fumble, Brown went 11 yards up the middle on a keeper and kept on the next to run out the clock on the Eagles 18.

The unfortunate Eagles lost the ball on four fumbles and four interceptions. Tahoka boys said the Eagles hit hard much of the time and were tougher than the score indicates.

All Boys Played

Coach Smith used all 21 boys in uniform liberally, although three or four starters had to go all the way. Tahoka had four boys ineligible and two out with injuries, Cliff Thomas and Dewayne Schuknecht.

Jerry Jolly led in tackles with 16, Tommy Kidwell had 12, Richard White 8, Tim Walker 7; Gary Brooks, Randy White and Wayne

Thurman 6 each; John Tyler and Mike Chandler 5 each; Milton Edwards, Michael Glenn, Larry Arnold and Jim Adams 4 each; Joel Inklebarger and Chris Roberts 3 each; Mitchell Williams, Billy Curry, Jody Edwards, and David Rogers 2 each; and Doyle Schneider 1.

Jim Adams received a broken finger that will keep him out of play this week.

POST GAME RECEIPTS

Receipts from the Tahoka-Post junior high games last week totaled \$68.50, according to Principal Clifton Gardner.

16.7 MILLION-BALE CARRYOVER BRINGS COTTON FARMERS Lowest Acreage Since 1872

Expanded Research & Promotion Is Only Answer, Farmers Say

Faced with an all-time record carryover and the lowest acreage in almost 100 years, cotton farmers have originated a plan to prevent further cuts and build back both acreage and incomes. It springs from a simple but inescapable fact: **MORE COTTON MUST BE USED.**

There is one way, and only one, to do it—a far greater program of research and promotion. These are the same tools the synthetics have used to take cotton's markets. They are the ones cotton must use to win them back.

Plan Originated by Growers; Will Be Run by Growers

Under the plan, farmers across the Belt will vote on establishing a uniform assessment of \$1.00 per bale for expanded research and promotion. Hard and sound thinking by growers has gone into this plan. All projects must be initiated by grower trustees elected by cotton producer organizations. Equal assurance of farmer direction and control is given in other provisions. Any individual farmer who does not want to participate can get his money back.

We Compliment Cotton Farmers On Their Self-Help Plan

This farmer self-help plan to achieve greater markets, acreage, and profits is drawing praise from the nation's press. Thousands of cotton growers and 61 cotton organizations endorse it. So do we.

We recognize that cotton is the economic lifeblood of our business and our community. We are happy to offer any assistance we can give our farmer friends as they work for approval of the plan in the referendum.

We Wholeheartedly Endorse Your Plan for GREATER MARKETS, ACREAGE, PROFITS
