Work Starts On New City In-Take Water Reservoir

Excavation work is underway in northwest Tahoka on the new \$49,994.98 take-point 150,000 gallon water reservoir, pump house, and chlorinator plant by Lampe Construction Co. to tie in the City with the Canadian River Municipal Water Authority aqueduct.

Pipe line are being laid to connect with the present city water mains and to the two overhead reservoirs.

This reservoir will give the city nearly a half million gallons of storage.

Tahoka's in-take reservoir is adjacent to the CRMWA reservoir which will help control flow of water by gravity from here to the cities of O'Donnell and Lamesa.

B. L. Parker Jr. In Research Job

B. L. Parker, reared at Tahoka, has been appointed Research and Planning Coordinator of the Governor's Council on Prevention of Mental Retardation. The News is informed by Dr. John J. Flannery, Medical Director and chairman, Austin State School.

In appointing Parker, Dr. Flannery said, "Appointing B. L. to this position gives me great pleasure. Since coming to our department, after serving as Sergeant-at-Arms in the Texas House of Representatives, he has distinguished himself in the field of research and development.

"He has developed a new type of restraint for patients whose violent actions call for protective restraint. The day of the medieval straitjacket is no more—through the efforts of Mr. Parker.

"Most important is his work on the first automatic bathing facility to be used in institutions. This one project alone will revolutionize the care of patients in institutions throughout the country. This facility will be operational late in 1967 and will certainly be a milestone in the care given patients in institutions. More efficient methods like this makes the taxpayers' dollar go further and do more.

"Last but not least, his thorough knowledge of various State agencies and their operations makes his appointment a vital addition to our staff.

Mr. Parker resides at 4501 So. First Street with his wife, Marcie, and young daughter, Marcellynn. He is a member of the St. Martin's Lutheran Church, where he teaches Sunday School and serves as an usher. Formerly of Tahoka, he is the son of Mr. and Mrs. B. L. Parker, Sr., of Tahoka.

Water Use In '66 At Record High

Tahoka's City Water Department pumped a total of 141,494,000 gallons of water from its wells during the past year, states Evon Wilson, water superintendent.

Although the margin was close at times, the City managed to keep up with use, although wells were pumped too heavily at times for their good.

This is getting close to the 153 million gallons contracted for by Tahoka from the Canadian River Municipal Water Authority.

Authority water is now almost to the Lubbock city limits and will be turned into the treatment plant northeast of Lubbock soon.

CRMWA expect to be able to deliver water to Tahoka by 1968.

Local Theatre Is Reopening Soon

Rose Theatre will be re-opened on Friday, Jan. 27, with Mr. and Mrs. Ronald Roberts as managers.

Mrs. Roberts says they are cleaning up the building, expect to schedule some first rate pictures as soon as they can get them, and plan to create a clean, wholesome place for family entertainment in a clean wholesome atmosphere at low admission prices.

She says they hope to make the show an entertainment place as a service to the community, and will cater to both teen-agers and adults. No disorderly conduct will be tolerated.

They hope to present two feature shows a week, one on Friday and Saturday nights and one Sunday matinee. Sunday and Monday nights, Wednesday will be Spanish night, when special Spanish features will be presented. Night shows will start at 8:30 p.m. Beginning in February, a free matinee will be shown on Saturday afternoon.

The new managers are planning a grand re-opening on Friday, Jan. 27, when the boxoffice will open at 8:00 p.m., and customers will register in the lobby for free door prizes. Five popcorn will be given on opening night.

Ronald Roberts was reared here and is employed at Hamilton's, where he will continue to work at his day-time job. His wife, Jane is from Selma, Ala., and has been here six years. They have three children, Ronnie 5, Donna 3, and Russell 10 months of age. They attend the Methodist Church, and Jane is a member of the Eastern Star.

They promise only first rate family pictures will be shown and ask the public's cooperation in helping furnish clean entertainment for the community.

REVIVAL AT UNITED PENTACOSTAL CHURCH

Revival meetings begin at the United Pentecostal Church this Sunday evening at 7 p.m. Evangelist will be E. R. Givins of Breckenridge. Special singing will be presented each night at the meetings. Glen Brown, pastor, invites the public to come and be a part of this great revival services.

MOVING TO PLAINS

Mr. and Mrs. Gaylon Tekell and children are moving to Plains and he will farm an 800-acre irrigated place southeast of that city. Mrs. Tekell has been with The News the past year.

North Dakota at one time passed an anti-smugg law.

Building Permits Below Normal

Building permits issued by the City of Tahoka during the past year of 1966 were the lowest the city has had in a number of years, possibly since the war.

Total amount of permits was \$150,300, J. M. Uzle, city administrator announces.

This included ten new homes, namely those of Roy Appling, Jerry Brown, M. F. Jones (2), W. O. Whorton, Juan Calvillo, L. A. Forsythe, W. T. Luttrell, B. B. Street, and Mrs. Eva Jo Berkeley.

Permits for additions or rebuilding were issued to Dr. K. R. Durham, C. E. Woodworth, Jack Jaquess, Robert Abbe, Dub Powers, W. H. Kenley, and Dale Singleton.

Only commercial permits were for rebuilding Tatum Bros. Elevators store and office building and for a small commercial building by W. B. Halford.

Since start of the new year, a permit has been issued to Elmer Owens for a large new frame and brick home, the first in the new Country Club Addition opened by O. C. Roberts at the west edge of town.

Cary Lee Shook Dies At Lubbock

Cary Lee Shook, 65, formerly of O'Donnell, died Friday at about 8:00 a.m. in St. Mary's Hospital in Lubbock from an apparent heart attack he suffered Thursday night. He lived at 3813 33rd street in Lubbock.

Services were held Sunday at 2:00 p.m. in First Methodist Church of O'Donnell with Rev. Bob Brown officiating, and burial followed in O'Donnell Cemetery.

A former employee of O'Donnell schools, he moved to Lubbock about three years ago and worked at Smyer. He was a member of the Methodist Church.

He is survived by his wife, one daughter, Mrs. Orba Lee Bethune of Idaho Falls, Idaho; four brothers, J. V. Shook of Bell Gardens, Calif., Jeff Shook of O'Donnell, Charlie Shook of Mount Vernon, Oregon, and Marvin Shook of Cumberland, Ohio; and one sister, Mrs. Dovie Kirkland, of Lubbock.

Increase Shown In O'Donnell Deposits

J. T. Forbes, president of O'Donnell's First National Bank, reports deposits on December 31 had reached a high mark of \$2,256,369.10 and total resources were \$2,642,309.30.

Deposits since January 1 have jumped at O'Donnell, as they have at most other banks over this area.

MRS. WILMER SMITH

New Home Lady Heads U. S. HD

Mrs. Wilmer Smith of New Home will leave Saturday for East Lansing, Michigan, to attend her first board meeting as president of the National Extension Homemakers Council and also the National Leadership Conference in Traffic Safety at Michigan State University January 17-19.

Mrs. Smith last year was elected president of the National Home Demonstration body after having served as treasurer of the body.

Also attending from Texas will be Mrs. Maynard of Coleman, president, and Mrs. Ray Jones of Rufugio, states safety chairman, both of the Texas Home Demonstration Association.

Ninety-three council members from over the nation are scheduled to attend the school, where the most current information on the new Federal Safety Legislation will be presented.

The Texas Council has actively supported traffic safety programs in Texas. Members recently undertook a "Partners in Law" project designed to develop better police-community relationships in the state. Mrs. Smith stated yesterday, "We no longer can continue to ignore and excuse the killing of more than 950 of our citizens each week on the highways."

Among the speakers will be Gov. George Romney of Michigan; Dr. Margaret Browne, Home Economics director of U. S. Dept. of Agriculture; and several national known figures in the field of communications, traffic safety, transportation, and law enforcement.

A grant of \$20,000 from the All-State Foundation was made to the National Extension Homemakers Council for the Conference.

This is the first such conference called by a nation's women's organization to acquaint the members with the citizen's role in implementing the new Highway Safety Act.

More Lynn Residents Enter Higher Income Brackets, Survey Indicates

Special to The News: New York.—The income gains that residents of Lynn County have chalked up in the last few years have carried many local families into new and higher brackets.

With the majority of people earning more than they did before, the upward movement has been almost general.

Families who had been in the \$4,000 to \$7,000 bracket may now be found in the \$7,000 to \$10,000 group. Their former spots have been occupied, in turn, by those who have moved up from the \$2,500 to \$4,000 category.

The facts and figures are brought out in a copyrighted study, made by Sales Management, to determine how the population is divided in terms of income brackets. Every section of the

Speaker Named For C-C Banquet

Speaker for the annual Farmer-Businessman banquet sponsored by Tahoka Chamber of Commerce will be another outstanding Southwestern humorist, Lee Herring, Vice president of Grand Prairie National Bank.

The banquet will be on Monday, February 27, in the Tahoka school cafeteria.

Final plans for winding up the year's program were made at a Chamber of Commerce board meeting Monday night when all but one of the 18 board members were present.

Wayne Waters, president this year, presided at the meeting.

Investigation was started on means and costs of securing new downtown Christmas decorations for next year.

Secretary J. M. Small presented a financial report, and the budget was reviewed.

Ballots were mailed this week to C. C. members for election of eight directors from a field of 14 nominees to serve on the board, and the board will elect the new president.

Nominated for new directors, or for re-election, are: J. A. Atwell, Clifton Clark, Irvin Dunagan, Warren Embree, Sam Edwards, R. H. Gibson, Frank Hill, Bob Haney, Dayton Parker, Herman Renfro, Ross Smith, Charles Townes, Johnny Wells, and Binie White.

Former Banker Dies At Snyder

Robert H. King, 78, former Tahoka banker and a retired rancher, died Sunday at 11:15 p.m. in a Snyder hospital.

Mr. King was vice president and cashier of the old Security State Bank from about 1925 until about 1930, when it was liquidated and customers paid off. The late Judge G. E. Lockhart was the president and major stockholder.

Mr. and Mrs. King and wife went from here to Borden county and later to Scurry county, where he ranched northwest of Snyder for many years.

He was a World War I veteran and an elder in the Presbyterian Church.

Funeral services were held on Tuesday in the First Presbyterian Church of Snyder, and burial was at Whitewright, Wednesday.

Survivors are his wife and three sisters, Mrs. Emery Christian and Mrs. Lou L. Phillips of Whitewright and Mrs. E. R. Johnson of Fort Worth.

A Frenchman, Nicolas Appert, is credited with discovering the process of canning foods at the beginning of the 19th century.

County Officials Get Salary Raise

Mayor, Two City Aldermen Will Be Elected In April

A mayor and two aldermen are to be elected by City of Tahoka this year in the election coming up the first Tuesday in April.

Terms of Mayor Meldon Leslie and Aldermen Jack Jaquess and H. B. McCord Jr. expire at this time.

Holdover members of the City Council are Alton Cain, W. T. Kidwell, and R. W. Rutherford.

Bulldogs Begin Conference Play

Tahoka Bulldog open their 5-A conference basketball season here tonight, playing the Coahoma boys and girls. B-team-boys play at 5:30 p. m., followed by the A girls and then the A boys games.

O'Donnell A and B boys and A girls come here for conference games next Tuesday night, and the Post A and B girls teams play here next Thursday night starting at 6:30 p. m.

Tuesday night, Tahoka split in games with Frenship at Wolf-ford.

Tahoka boys won 76 to 53. After a very close first half, the Bulldogs caught fire in the second half and won going away. The score by quarters was 13-15, 41-30, 52-39, and 79-53.

Mitchell Williams led Tahoka scoring with 37 points, although he missed many shots, and Cliff Thomas and Lewis Hise each had eight. Curry was high for Frenship with 20 points.

Tahoka lost the girls' game 43 to 63. Sue Woodall had 19 and Tresa Mason had 13 points for Tahoka. For Frenship, Townsend was high with 33 and Howard had 25 points.

Burglars Enter Lumber Firm

Burglars entered Higginbotham-Bartlett Co. office some time Sunday night, broke into a safe, and took \$104.14 in cash and \$316.17 in checks.

Police Chief Jack Miller said the burglar apparently gained entrance to the yard by climbing over a north gate, and broke the window glass of the north door to the office to get into the building. Footprints were found at the gate.

The safe's combination was not working and a hasp and padlock had been put on the door. The burglar pried off the lock and hasp to gain entrance to the safe.

Ed Williams, manager, said the person or persons evidently knew what they wanted and bothered nothing else in the store so far as he had been able to determine.

Plains Man Seeks Governor's Reprieve

Calloway Huffaker was in Austin Wednesday in behalf of L. E. Lemley, 60, a Plains farmer who was convicted on a second degree murder charge in Alabama in 1942, given a 20-year prison term, but walked away and has lived in Yoakum county many years.

Twenty-six Plains friends appeared as witnesses and asked that Lemley be granted immunity from returning to Alabama to serve the remainder of his term. The hearing was before Secretary of State John Hill, who will make a recommendation soon to Governor John Connally.

This represented a considerable increase over the proportion in that income position three years ago. At that time, based on a similar study, there were 42.5 percent with such earnings.

Salaries of all Lynn County officials, clerks, deputies, and precinct employees is being proposed by the Commissioners' Court following a study started last year.

Final action will be taken on the salary increase at a meeting of the Commissioners' Court on Monday, January 23, states the new County Judge, V. F. Jones.

Mr. Jones says the court had gathered information on salaries from many comparable area counties, and even with the raise here Lynn county salaries will still be below other counties of this area of comparable population.

The Court proposes to raise from \$5,400 to \$6,000 the salaries of the County Judge, County Attorney, County Clerk, Sheriff and Tax Assessor and Collector.

Salary of the County Treasurer will be set at \$4,800.

The District Clerk's salary is being raised to \$5,400, and he will also have an added duty as County Adult Probation Officer. W. M. Mathis, the new district clerk, has been appointed to the probation work to succeed A. M. Bray.

Salaries for county commissioners will be \$4,550 a year.

The Justices of the Peace at O'Donnell and Tahoka will become \$3,000 a year.

The County Superintendent's salary is set by the State and is paid by the State.

All clerks, deputies, and precinct employees will be raised \$25 to \$30 per month.

Library Friends Plan Campaign

The Friend of the Lynn County Library organization will meet in Tahoka Monday, Jan. 16, according to Ralph Beistle, president.

The meeting is being called, to finalize plans for its first membership drive.

Dr. Pat Brecheen, chairman of the Public Relations committee, will present plans his committee has prepared to present to the public as the aims and goals of the Friends organization.

Also, the membership committee, headed by Mrs. Leland White of New Home as chairman, will formulate its plans to contact interested agencies and organizations as well as individuals for membership in the Friends group.

The meeting will be held in the Council meeting room of the Tahoka City Hall at 5:00 p. m. Monday, Jan. 16.

New Officers For Methodist Men

Twenty-seven attended the Methodist Men meeting Wednesday night in Fellowship Hall of the Methodist Church when new officers were installed.

W. O. (Cap) Whorton is the new president, Garland Thornton becomes vice president, the secretary is Gail Hartman, and "Pete" Hegi remains the treasurer.

Rev. Hugh Daniel and M. L. McGehee presented a program of color slides from pictures taken by Daniel at Methodist summer camp in Colorado.

Dudley Martin and W. H. Eudy served the meal preceding the program.

She is a student in Texas Woman's University, Denton, and he is in South Plains College at Levelland, but both expect to transfer to Texas Tech at end of the current semester.

PTA Meeting Has Variety of Subjects

The Tahoka P.T.A. met at 7:30 p. m. Tuesday January 10, in the school cafeteria with Mrs. Robert Abbe, president presiding.

Rev. Shelby Bishop, Sweet St. Baptist Church pastor gave the invocation which was followed by the Pledge to the U.S. Flag.

The regular order of business was carried on in which Mrs. R. L. Warren, project chairman, presented some ideas to the membership. It was decided to have two projects. These will be announced later after Mrs. Warren selects a committee to work with her to seek further information about the projects planned.

The P.T.A. officers for the 1967-1968 school year will be elected in February and it was therefore necessary to elect a nominating committee. This committee will consist of Mrs. Grace Huffaker, Mr. Robert Edwards, Mrs. June Nevill, Mrs. Zuma McWhirter, and Mrs. Hugh Daniels.

Mrs. Abbe expressed gratitude to the membership for her trip to the State Convention in November. She told that many ideas were present and only one change was made in the legislation program which was discussed. This was in the article on narcotics & drugs, and LSD was added to this. She told that the "Cotton Bale" is the symbol for the 14th District and everyone wore this symbol at the convention from our area. All races were represented. Mrs. Annie Jackson is president of the P.T.A. of one of the predominately colored schools in Lubbock and was a speaker. She said "I have eight children at home and I'm having a beautiful time." She is reported to have been one of the most enjoyed speakers at the convention.

There will be a spring conference, April 4, 1967, in Brownfield, Texas. This is for all members. There will be workshops.

Mrs. Bray expressed "Thanks" to the P.T.A. for the telegram sponsored by them and sent to Marla during the "Miss Teen-Age America" contest. She was the only contestant receiving such a telegram. She also said how much those ladies who secured names for the telegram were appreciated. Mrs. Bray turned the program over to Mrs. Hegl who with Zuma McWhirter was responsible for it.

Mrs. Hegl introduced Mr. Floyd Tubb who was moderator for a panel of teachers and parents who discussed "Can Parents and Teachers Communicate?" The panel members were Junior Montemayor, Lester Adams, Mrs. Myrtle Mathis, Mrs. Anna Jo Carter, Mrs. Girta Callans, Bro. Ralph Beiste, Mrs. Grace Huffaker, and Robert Edwards.

"If a parent has a grievance with a teacher or the school, who should he talk to?" was the first question discussed. Other points were on report cards, punishment, standards for dress in school, homework, and should children have free time?

Mrs. Stewart, first grade, received the "Bulldog" for most parents present.

Mrs. G. W. Turner Has Children Home

Grandma G. W. Turner of New Home, had six of her nine children with her in a reunion Christmas Day.

Present were Henry Turner and son Randy of Hobbs, N.M., Virginia Turner and daughter Nancy of Brownfield, Woody Turner of the home, Leta Burlison and sons of Lubbock; Sue Hardin of Dallas,

Pauline Hitt of Wofforth, and grandchildren Ray Jr. and Georgia Ross of Wofforth.

Mr. and Mrs. A. L. Norman Grassland extend a cordial invitation to relatives and friends attend the wedding of their daughter, Cherri Lee, and A. Cook, January 20th at 6:30 p. m. in the First Baptist Church in Tahoka. Reception following in the Fellowship Hall.

GRASSLAND NEWS

by Mrs. O. H. Hoover
I really think someone left the gate open to the Polar regions. It sure has been, and still is so very cold. Much as we need moisture, I am truly glad there is no rain in this cold weather. So we again count our blessings.

Miss Rita Ann Richey, bride-lect of Bill Owens, was honored with a miscellaneous bridal shower Saturday afternoon in the home of Mrs. Kelly V. Laws. Refreshments of cookies, fruit punch nuts and mints were served from a table laid with a lace cloth, silver appointments and presided over by Miss Queda Murray. The centerpiece was a beautiful arrangement of flowers flanked by candles. The bride's chosen colors of blue and white were used. The guests were registered by Miss Karen Laws. There were 23 guests present. Hostesses were Mrs. Kelly Laws, Queda Murray, and Miss Karen Laws.

Mrs. E. A. Thomas entered the hospital Monday and underwent surgery on her eye Tuesday. Her daughter, Mrs. Lewis Arnold, of Texarkana is with her. So is her son, John Paul Lawson, and wife Carol. We wish for her the best of luck.

Congratulations to Mr. and Mrs. James Murray on the birth of a brand new daughter Sunday, January 8, weighing 5 lbs., 9 ounces

H. Hoover
They named her Crystal, Caroline. We wish for the mother and the daughter the very best.

We are having a coming out party for the little lady in the home of Mrs. W. L. Gribble on Jan. 17 in the afternoon. So, put on your best big and tucker and come.

Mr. and Mrs. H. E. Huffaker have gone to Brownwood to attend the funeral services of their daughter's father-in-law, Joe Webb.

Mr. and Mrs. C. W. Roberts, Mr. and Mrs. Darin White went to Florida to the Rural Telephone convention Jan. 7.

Lorene Gerner visited the Victor Kuykendall family Friday afternoon. She also attended the funeral service of Ray DeBusk in Slaton. It was a military service. J. M. Haley visited the Amos Gerners during the week.

Mrs. O. F. Haley is staying with the Gerners. She and Lorene visited Ruby Claborn Sunday afternoon.

R. W. Haley visited his mother Saturday. Laura spent the weekend at home.

Mr. and Mrs. Rusty Dean visited the Willie Daniels of Pleasant Valley Sunday afternoon.

Visitors for lunch Sunday in the W. L. Gribble home were Rev. and Mrs. Rawlings, Mr. and Mrs.

Navy Enlistments Are High In Area

Dallas, Texas, Jan. 3.—Captain J. E. Savage, U. S. Navy, the Director of Navy Recruiting in the Five State Area for the southwestern United States announced today that the Seventh Navy Recruiting Area had once again been awarded The Chief of Naval Personnel's Reenlistment Award for the highest attainment of reenlistments into the Navy within the United States. During the fiscal year 1966 Captain Savage advised that more than thirteen thousand recruits enlisted from the southwestern area. Captain Savage attributed this high enlistment and reenlistment rate to a strong sense of patriotism by our youth.

Captain Savage again emphasized the continued need for highly trained, well experienced ex-servicemen from all branches of the Armed Forces, within the Navy and highlighted many of the new benefits and challenging careers to which many ex-servicemen are now entitled upon reenlisting in or enlisting into the Navy.

Tom Murray and Thelma Gribble. Say, did you know we have a TV guitar player in our community? Rocky Gribble played on the Al Hayes program last Saturday at 1:30 p. m. on Channel 13, and will play again this coming Saturday. Maybe his dad, H. C. Gribble, will play also. Tune in for a treat.

Mrs. Lena Short visited Mrs. Hoover Monday afternoon. Huston and Lura Hoover of Littlefield visited his mother Sunday.

Cristy Moore's dad, Bill, flew her to Tahoka Airport Saturday. Her granddad, C. A. Walker, picked her up there and she spent till Sunday with C. A. and Lucille. Sunday evening, her dad picked her up and took her home. Nice arrangement, huh?

Mrs. Carrie Wall went to Dallas last week and stayed all night with her daughter, Maurine Rick. Maureen, Mrs. Wall and Valli Wall went from there to Greenville to attend the funeral service of Mrs. Carrie Wall's brother, Jester Head. Mrs. Valli Wall took her mother-in-law down there. They drove home in the storm but made it OK.

Mrs. Gus Porterfield's uncle, C. L. Shook, was buried in O'Donnell Cemetery Sunday. The Sherriks all attended the services.

Mr. and Mrs. Leslie Cook of Lubbock spent the day Sunday with her mother, Mrs. A. Z. Sewell.

Mrs. Clyde Childress spent the afternoon Monday with Mrs. Sewell.

Mrs. Nannie Greer and daughter Irene of Slaton visited in the Carl Greer home recently.

Mr. and Mrs. N. O. Townsend have returned from their California trip. They report a nice time. They spent Monday afternoon in the Greer home. Mr. Greer doesn't seem to improve much; remains about the same.

Mrs. Jonell McDonald and little daughter Lori of Selah, Washington, are here visiting her parents, the W. G. McCleskeys, the C. O. McCleskeys and other relatives. They plan to stay for some time.

The Bert McDonalds visited his Grandma Stice in Tahoka Sunday. Delbert McCleskey journeyed back to Bethony, Okla., to school Monday. Mrs. Rawlings went along to visit her sister in Oklahoma.

The W. L. Gribbles and the Bert McDonalds stopped in at the W. G. McCleskeys home Sunday night after church to visit with Jonell a while.

Dennis McDonald had lunch with Bradley Huffaker Sunday. See ya!

Traffic Safety Is Program Of Club

Phebe K. Warner Study Club met Tuesday afternoon in the home of Mrs. Truett Smith with 20 members and two guests present.

A program on traffic safety was presented by Clifton Gardner, high school principal, who gave a resume of the driver training program in the schools and also showed a film on safe driving entitled "See Yourself As Others See You."

Mrs. Harold Green's mother, Mrs. Richardson of Waco, was a guest.

The hostess served refreshments of coffee and cake.

Brownfield Holds C. of C. Banquet

Brownfield Chamber of Commerce will hold its annual banquet at 7:30 p.m. Jan. 19 in the National Guard Armory with Dr. Grover E. Murray, president of Texas Tech, as guest speaker.

General chairman of the banquet will be Vernon Clem. Bob Sewell, outgoing president of the Chamber, will serve as master of ceremonies and dinner music will be furnished by the Brownfield High School Choir, under the direction of Mrs. Tommy Dodson.

For the second consecutive year an award will be presented to the Outstanding man. This award is given only when the committee feels a citizen is worthy of such recognition. Dennis Q. Lilly received the award last year. Tickets are on sale at the Brownfield Chamber for \$3.00 each, according to Herschel Lowe, ticket sales chairman.

CONSTRUCTION STARTS ON NEW RESEARCH CENTER

Construction has started on the new \$225,000 headquarters addition at Texas A&M University's South Plains Research and Extension Center located eight miles north of Lubbock.

The improved facility will increase the center's office and lab space from 10,912 to 22,230 square feet, and is expected to result in improved research and education which will directly benefit the agricultural economy of the South Plains.

Completion of the addition is scheduled for June 1967.

CENTRAL NEWS

(By Mrs. R. L. Craig)

Well, the weather has been real cold. Lots of ice out our way the past few days. The New Year has come in with a bang. What a day Friday was! The dust storm made me think of the year 1953. High wind brought the weeds tumbling by. We are hoping we will not have bad sand storms like we did that year.

Mrs. C. C. Jones served a wonderful dinner in her home last Wednesday for her children and families. Other guests were Mr. and Mrs. Stephens from Post, and four of Cerretha's college girl friends.

Ruel and Mabel Smith visited a while Sunday afternoon in the home of Grandpa W. M. Davis.

Be sure and come to Sunday School and church Sunday morning. Try to make it 40 percent. All welcome at Central Baptist Church.

Those visiting in the home of Mr. and Mrs. S. B. Mathis and Grandmother Mathis during the holidays were Mrs. Elbert White and son Jerry from Vernon, Oran and Maude Ramsey of Tahoka, Mr. and Mrs. Hap Winkler of Post.

We are sorry to hear that Grandmother Mathis has been sick with a virus, but is feeling some better at this time. Also visiting the Mathis's were Mr. and Mrs. L. H. Mathis and Ruce and Mable Smith.

Lester Gray from Dallas, came up Sunday morning and spent the day with his parents, the Elmer Gray's. Sunday evening Lester took his parents to Lubbock and visited Cecil and Martha Gray and children and ate supper with them. Mrs. Elmer Gray will return to M. D. Anderson Hospital in Houston on Jan. 25 for another check-up. They have dismissed Elmer from that hospital. We hope they will be feeling better soon.

Rev. and Mrs. Joe Sarrett and son of Lubbock were Sunday dinner guests of Mr. and Mrs. Bob Norwan.

Mr. and Mrs. Winfred Craig and children of Tahoka visited Sunday afternoon with his parents, Charlie and Vivian Craig.

Eva Mason visited with her

mother, Mrs. J. B. Ray on Monday.

Jurd and Artie Young visited a while Monday evening with the R. L. Craig family, and brought some nice fruit cake. Thanks.

Mr. and Mrs. Alan Vooper and Ivy Young of Post visited last Thursday with their sister, Mrs. C. C. Jones.

Mr. and Mrs. Richard Ray and son from Lubbock visited Sunday in the home of her parents and ate lunch and attended Church services Sunday morning at Central Baptist Church. Visitors are always welcome.

Visitors in the Dean Laws family Sunday were Mr. and Mrs. Melvin Williams and David. Dinner guests were the Bill Ingle family and Mike Bradelock.

Mrs. Patsy Craig and children went to Littlefield last Saturday and spent New Years Day with her parents, Mr. and Mrs. Ted Shuks.

William and Ruth Young of Lubbock visited Sunday in the home of William's parents, Mr. and Mrs. Jurd Young. Afternoon visitors were Artie's sister, Theresa Thompson and Maudie Dobbs of Post.

Navy Recruiter Is Visitor In Tahoka

BM-2 S. M. Clayton III, reared at O'Donnell, was here Tuesday as a recruiter for the U.S. Navy, operating out of the Lubbock Recruiting Station, located in the Post Office building there.

He will be here each Tuesday between 10:00 a.m. and 1:00 p.m. and may be contacted at the local post office. He also visits Wilson and O'Donnell on the same day. Clayton is the son of Mr. and Mrs. Sumner N. Clayton, Jr., of O'Donnell, the grandson of Mr. and Mrs. S. M. Clayton, also of O'Donnell, and pioneer settlers in Tahoka. He is a great grandson of the late Mr. and Mrs. Harry C. Crie, owners and publishers of the Lynn County News from 1905 until 1918.

Clayton has been in the Navy for seven years and is making the

Durham Speaker At Rotary Club

"Our Changing World and Things to Come in '67" was the subject of Dr. K. R. Durham's humorous, tongue-in-cheek talk at Tahoka Rotary Club Thursday noon of last week.

Along with the fun, he mixed in some philosophy, facts, opinions and food for thought while at the same time admitting some of his predictions are a bit "far-out" but stated some will come true.

For example, he said prices would be up and so would mini-skirts, and more seriously—liquor figures in more than 50 percent of all automobile deaths.

E. L. Short was in charge of the program and introduced the speaker.

Warren Embree conducted the ceremony inducting Cleatus Phelan as a new member of the club.

Another new member by transfer is O. B. Russell of the Soil Conservation Service, who came here as a "senior active" member from Panhandle Rotary Club.

On behalf of the club, President Harold Roberts presented the club sweetheart, Maria Bray, a pendant watch as a Christmas gift.

LEVELLAND NEWSPAPER MAN DIES THURSDAY

Troy M. Morris, 67, former publisher of the Ropes Plainsman and mayor of Ropes and more recently editor of the Levelland Daily Sun, died Thursday night of last week.

He was well known by many Lynn county people.

Surviving him are a son, three daughters, 14 grandchildren, and two great grandchildren.

Nazarenes Forge Ahead In 1966

With notable gains in membership and stewardship, and completion of a missionary hospital in New Guinea, the Church of the Nazarene, with world offices in Kansas City, Mo., had an outstanding year in 1966.

The church had a net gain in membership of 2.19 percent to push a world membership total to 432,717. This is more than double the church membership 20 years ago which stood at 215,000 in 1946.

The annual statistical report by Dr. Edgar Johnson, the general secretary, showed per capita giving in 1966 had reached a record of \$179.70, an increase of \$11.37 over the previous high mark in 1965. The church leads all Protestant denominations with membership of over 100,000 in per capita giving.

The Sunday School enrollment has gained as a result of the "march to a million" campaign started in the fall of 1964 to a total of 925,652 persons.

Cotton has been used since pre-historic times.

The new Nazarene hospital near Banz, New Guinea, is scheduled to be dedicated in February of 1967. The Nazarene Missionary Society raised a total of \$215,477 toward the cost of the project.

The local Church of the Nazarene at Grassland has shown an even greater spirit of dedication that the national report shows. With 50 members reported to the District Assembly, they had paid in a total of \$14,009, or a per capita giving record of \$280 per member. However, we want to report that non-members have also made generous contributions that are included in this total. The report shows that slightly over 20 percent, a total of \$2894, has been paid out for "others," which includes payments to Missionary causes, both home and foreign, education, retirement benefits for older ministers and other causes not connected with local expense. Over \$5,000 has been aid on building indebtedness, bringing the indebtedness to less than \$6,000 on property estimated in value over \$40,000.

The local church has also given

some of its young people to full time service in the Lord's work. Mrs. Howard Conrad, the former Modena Murray, and Mrs. Kenneth Rogers, the former Wanda Murray, both daughters of Mr. and Mrs. T. J. Murray of Grassland, are serving with their husbands in foreign missionary service. The Conrads are missiona-

ries in Peru, presently on furlough while Howard is doing graduate work to qualify for the Masters Degree at Pasadena, California, and the Rogers are serving as preachers and teachers.

Rev. Bobbie Huffaker, son of Mr. and Mrs. H. E. Huffaker, is serving as a local pastor in Petersburg, Texas.

ROTUNDA, STATE CAPITOL Austin

When you visit the rotunda directly under the dome of the State Capitol in Austin—you can see Texas in the past, present and future.

On the stone floor are the seals of Spain, Mexico, France, the Republic of Texas, the Confederacy and the United States. On the walls hang portraits of all Texas heads of state—presidents of the Republic and governors since 1846.

Then, looking some 300 feet straight up, one has an uninterrupted view inside the great dome. You can dream what the future has in store for Texas, as you lift your eyes.

Memories make Texans proud of their heritage. The present, too, is a challenge to continue Texas' great role in the affairs of our Nation. We all want our children to have a secure and safe future.

U. S. SAVINGS BONDS STRENGTHEN AMERICA!

One way we can all contribute to a safe and secure America is through the purchase of U. S. Savings Bonds. Bond purchases help our Nation to become stronger financially and economically.

This means added strength for all.

ALVIE KNOWS A LOT OF ANSWERS

How long does it take to hatch an ostrich egg? . . . How many bachelors in Bolivia?? . . . How much blubber in a male whale?? Alvie knows these answers and a jillion others. Folks smile and agree that Alvie is a regular encyclopedia of "useless information" but they never question the accuracy of his peculiar knowledge. That's because everybody knows Alvie gets his "answers" by memorizing the little space-fillers we all see in our newspapers. And to all of us, what we see in our home-town newspaper is immediately acceptable and believable!

The same is particularly true of advertising. To put your advertising message before all the people . . . put it in your HOMETOWN NEWSPAPER!

The Great Plains Conservation Program is an important tool in developing a complete conservation system on farms in the Lynn County Soil and Water Conservation District says Fred Graft of the Soil Conservation Service. There were forty-four new contracts signed this year and many farmers have expressed their desire to sign up for next years program.

Through this program the farmer agrees to carry out a conservation cropping system on his land that will protect and maintain the soil in a productive condition. This normally includes high residue producing crops in rotation with cotton. They are needed to help maintain the organic matter of the soil and also serve as a means to catch and conserve water.

The Great Plains Conservation Program cost-shares on parallel terraces, waterways, diversions,

and many other practices needed to protect the soil from erosion and conserve natural rainfall on each individual farm.

Some of the projects now underway are parallel terracing on the Cleve Littlepage farm; Juanita Carpenter, Kenneth Huffaker, Charles Brookshire, Mrs. E. E. Callaway, Larry Hagood, Bill Gardenhire, J. W. Gardenhire, J. H. Huddleston, Charles Haire and Wayne Clayton farms. Some of the jobs that have been completed this year are located on the Carl Williams farm, R. C. Davis, Robbie Roberson, Joe Brooks, Clint Walker, and B. L. Thomas farm.

Bulldogs Place In Plains Play

Tahoka boys' basketball team won one game and lost two in the annual Plains Invitational Basketball tournament last week end, won by the host team, Plains, in the finals 53-50 over Lubbock Christian High School.

Tahoka lost for third place in the finals to Denver City Saturday 49 to 58. Mitchell Williams scored 23 points, and Lewis Hise was next with nine. For Denver City, Young and Harfield each had 15 points.

In the opening game Thursday night of last week, coach Robert Ryan's boys took a close 46-45 decision over the Morton Indians. Score by quarters were Tahoka 13-12, 22-17, 36-38, and 46-45. Williams had 20 points, Cliff Thomas 13, and for Morton Jim Willis had 19 to lead the scoring.

Friday night, Tahoka dropped a 72-58 game to Lubbock Christian High. Williams had 25 points and Mike Lankford 11 for Tahoka, while Keener led LCHS with 28 points.

Other teams in the tournament were Three-Way, Seagraves, and Sundown.

Williams was named to the all-tournament team.

Higher Income...

(Continued from Front Page) The rate of gain, 15.8 percent, was better than that of the United States as a whole, 10.0 percent, and the 13.7 percent in the West South Central States.

The study also shows the number of local households at various other income levels.

It lists 313 of them with net incomes of \$7,000 to \$10,000, 736 in the \$4,000 to \$7,000 bracket and 588 with net earnings between \$2,500 and \$4,000. The rest are in the over \$10,000 or under \$2,500 categories.

Hand in hand with the general improvement in family finances, locally and in other parts of the country, has been a rise in the cost of living. The gains have been out-pacing the price rises, however, so that there has been a net improvement in purchasing power.

New Varieties Of Texas Tomatoes

College Station, Jan 11.—Texas will see three new commercial-type tomatoes blooming in its fields this spring.

La Pinta, El Monte and Chico Grande will make their debut billed as tomatoes with firmness, pleasing taste, attractive color and good keeping qualities. They are resistant to disease and cracking, and under tests have produced double the yields of present types.

Foundation seed stocks were released early in 1966 to commercial seedmen. Seed are now available to growers for their spring crop.

The varieties were developed at the Lower Rio Grande Valley Research and Extension Centers by Paul Leeper, Texas Agricultural Experiment Station horticulturist. La Pinta and El Monte are mostly Valley-adapted, but Chico Grande is expected to do well throughout the state.

La Pinta cannot be successfully harvested until ripe, which should help live up the Valley's fresh tomato market. It has produced 10-18 tons per acre in field trials.

El Monte lends itself to processing or the fresh market because it can be harvested green, vine-ripe or ripe. It is not quite as large as La Pinta but is redder. Yields have ranged from 16.6 tons per acre in spring plantings to 20.2 in the fall.

Chico Grande is kin to Chico, also developed by Leeper and released in 1961. The new variety is a blocky pear shape and about twice as large as Chico, a factor which has lowered peeling costs in tests. Most of the fruit matures in a relatively short time, making it well adapted to machine harvesting.

There are an estimated 1.5 million migrant farm laborers in the United States.

Mother of March of Dimes Patient Teaches Child Braille as Precaution

"When the doctors told me my daughter was probably going blind, I determined to learn Braille and be her teacher. I wanted to cushion the shock of knowing she might lose her sight, and to try to share the experience with her."

Speaking is Mrs. Mary A. Fennell of Archer, Fla., mother of five-year-old Lucille, who has congenital glaucoma (hardening of the eyeballs). The attractive blonde and blue-eyed child is also the victim of another birth defect which consists of malformations of the lymph vessels throughout her body.

"I've been warned," Lucille's mother explains, "that if I make a mistake in her diet—such as using the wrong kind of flour in my pies—Lucille won't be with us very long."

Mrs. Fennell told of her efforts to learn Braille, and why, at the Birth Defects Center at the University of Florida School of Medicine at Gainesville. The Center is one of 77 supported by the March of Dimes across the nation.

At the suggestion of the Florida State Council for the Blind, Mrs. Fennell wrote to the Library of Congress for a book of Braille and teaching instructions. (Available at no cost for anyone declared legally blind.)

"I thought that was all there was to it," Mrs. Fennell says. "I figured I'd just do a little studying and soon I'd be teaching Lucille how to spell by 'feeling' the raised dots. How mistaken I was!"

A person who has normal sight encounters far more difficulty learning Braille than the non-sighted. The reason is that the sighted individual relies on the faculty of sight rather than that of touch.

Lucille will not wrestle with

LOSING HER EYESIGHT because of a birth defect which destroys the optic nerves, Lucille Fennell, Archer, Fla., is learning to read Braille with her mother's help.

anywhere near as much of a Braille problem as does her mother. The child's print vision is limited to letters one inch high, so that she will never read book and newspaper type and be confused by memories and associations of the printed letter or word.

Mrs. Fennell is helping Lucille memorize the "feel" of a few letters of the alphabet in raised-dot language, and to recognize how the "feel" sounds when spoken. Mother and child make a game of it. School authorities were so impressed with the child's progress that they permitted Lucille to enter regular kindergarten.

When she enters first grade and moves into a textbook-oriented world, such classic readers as "Dick and Jane" will be unintelligible to her in

conventional type. But her mother will translate such books onto sheets of "raised pinpricks," using a special Braille typewriter.

At the March of Dimes-supported Birth Defects Center, to which Lucille is taken for check-ups every few months, the specialists avoid an unqualified prediction: "But if pressure against her optic nerves increases, total blindness is almost certain to result."

Understandably, this is the kind of tragedy that many fathers and mothers find intolerable to face. But Mary Fennell is facing it, the doctors say, courageously and with intelligent compassion. They wish more parents, in similar unhappy circumstances, could summon the same fortitude and sense of realism.

Vegetable Meeting Set At Hereford

Anyone interested in vegetable production is urged to attend the fifth annual West Texas Vegetable Growers Conference Tuesday, Jan. 17 at the Bull Barn in Hereford.

County Agent Bill Griffin said the session is open to the public. The theme of this year's session will be "Cultural and Pathological Problems of Vegetable Production."

Six speakers will be featured on the program which will start at 9 a.m. and continue to about 4 p.m., the county agent said. Griffin said that among the

speakers would be Thomas Longbrake, Extension vegetable specialist serving the Lower Rio Grande Valley.

Longbrake will present two talks during the meeting.

In the morning session he will speak on "Cultural Practices in Vegetable Production" and in the afternoon he will discuss "Weed Control Practices in Vegetables."

Four other Texas A&M University researchers and Extension workers will be featured speakers at the meeting. They will discuss problems and control of diseases, insect and nematodes and the place of vegetables in the High Plains economy. A report on vegetable research

at Texas Tech will also be present during the vegetable conference.

Some canaries live 15 years or longer.

Juniors Winners Union Tourney

Tahoka's Eighth Grade boys' basketball team won the championship trophy in the Union, Terry county, Junior Tournament last week end, but the girls' team was defeated for the consolation bracket trophy by New Home girls.

Tahoka boys had won their opening game Tuesday night of last week over Meadow 56 to 12, while the girls lost the same day to Meadow girls 31 to 12 and went into the consolation bracket.

Friday Tahoka boys defeated Dawson 30 to 11 as Robert Garza led scoring with 10 points.

The boys played two games Saturday, advancing to the finals by a 41-to-34 win over New Home boys. Fillingim of New Home led scoring with 15 points, while for Tahoka, Garza had 13 points and Robert Montemayor 12.

In the finals Saturday night, the Junior Bulldogs had an easy time in romping to a 40 to 13 win over Union. Montemayor had 12 points, and for Union Jackson was high with seven points.

In consolation play, Tahoka girls advanced to the finals by winning over Union 22 to 12.

In the finals, New Home girls nosed out Tahoka 25 to 23.

Cecil Robinson coaches both the boys' and girls' Eighth Grade teams.

Juniors Win Four Over O'Donnell

Tahoka Junior High basketball teams of Coach Cecil Robinson won four games Monday night from O'Donnell teams.

The local Seventh Grade girls won 35 to 9, their fourth win and no defeats. Tommie Hale led Tahoka scoring with 16 points, and Tandy Barton was high for O'Donnell with five.

Seventh Grade boys won 44 to 13 as Edwin Pebsworth scored 17 point for Tahoka and Williams was high for O'Donnell with six.

Closest score was in the Eighth Grade girls game, won by Tahoka 22 to 16 with Janie Peng and Toni LeVerett each scoring seven points for the local girls, while Yarborough scored 10 of O'Donnell's points.

Tahoka Eighth Grade boys won 39 to 15, as Cliff Gardner was high for the locals with 11 points and Mensch for O'Donnell with five.

Edward Smith, Doug Taylor, Greg Thomas, and Ira Joe White. Jackets will be presented later to Coaches Don Smith, Jim Littlefield, Robert Ryan, and Cecil Robinson.

A special award, a plaque, was presented Miss Carol Snider, math teacher, who has made posters for display preceding each football and basketball game and has been instrumental in promoting school and team spirit.

The plaque reads: "Presented to Miss Carol Snider for your motivation and stimulation of school and community spirit through your talented and creative efforts in our behalf—Tahoka Athletes and Coaching Staff."

The 1966 Bulldogs had one of the most successful seasons in many years, losing only two of their games, to Seagraves and Plains, 5-A Conference teams.

Mix-Up Bowling League Results

Wayne Price set a new high series in the Mix-Up League Saturday night when he rolled a 616 series. He led the Fairlanes four games past the Rollin' Stones as he bowled games of 205, 227 and 184. L. F. Taylor's blind score of 151-453 was high for the losers.

Garland Peek and wife, Helen Lee, each had 500-plus series as they led the Nightwows four games past the Old Folks. Garland had high game of 187 and 519 series. Helen Lee had a 504 series. For the losers, Foy Todd had a fine 206 game and 515 series. Adrian Evans rolled the best series for the losers with 532.

The Sometimes collected three games from the Gutters and Guys with Della Halford being high for the losers with 171 game and 495 series. Radene Turner led the Sometimes with 187 game and a 484 series.

The Aces, with Loretta Tekell's 195 game and Gaylon Tekell's 495 series, won three games from the Liveoaks. Virgil Haley rolled high game of 160 for the losers, and his series of 462 was tied with A. C. Fillingim's blind series for high.

O'Donnell Young Farmers Meeting

O'Donnell Young Farmers held their regular meeting Thursday night, Jan. 5, in the Vocational Agriculture building, called to order by President Harold Sanders.

Mr. Hohn of Amarillo gave a report on PermaGuard and invited the Young Farmers to a demonstration on the Harold Hohn farm. Mr. Bobby Lee, vocational agriculture teacher at Tahoka, was introduced by Mr. Sanders, and he spoke on hogs as a supplemental income enterprise for farms in this area. A question and answer session followed Mr. Lee's speech.

Final plans for attending the State Young Farmer Convention in Corpus Christi July 12-14 were made.

Refreshments were served in the Home Economics department.

Mrs. Pearl Holloway of Hope, Ark., has been here since December 18, visiting her daughter, Mrs. Mitchell Williams, and family.

Dear Mr. Hill:

Returns from our annual Christmas Seal Campaign indicate we will be able to do a more effective job of education and case-finding in our West Texas area.

May we extend to you and your staff our sincere thanks for your cooperation in making known to the public our program and its needs.

Sincerely yours,

Mrs. Clifford E. Sharp, Executive Director, West Texas Tuberculosis Association.

VISIT SAN ANTONIO

Mr. and Mrs. W. S. (Skip) Taylor returned home Monday from a few days visit with Mrs. Taylor's mother and sisters in San Antonio.

Mr. and Mrs. Homer Dan Vaughn and Ty, age two, of Grand Prairie were recent visitors here with her parents, Mr. and Mrs. R. H. (Hick) Gibson, and in O'Donnell with his folks. Homer Dan is an industrial engineer with Ling-Temco-Vought.

PRINTER'S INKLINGS
 We read a little story in a trade publication the other day that sorted jarr'd the Printer for a minute—then, he realized just about everyone else's age has been the same or similar transformations because of technological advances in the rapidly changing world.

About the time World War I started in 1914, this writer started out as a printer's devil, a beginner, hand-spiking type under tutelage of the late L.G. Whitten, late publisher of the Navasota Examiner; when our dad bought the Roscoe Times. A good type-setter

could hand-set three galleys (columns) a day. We printed a four to six-page five-column paper on a Country Campbell printing press, powered by a cranky gasoline engine. The belt was changed over to run a small job press, but we pumped foot-power the big job press. Then, came electricity, and we thought we had really gone modern, for we had a motor to pull the presses and a few 10 to 20-watt light bulbs to work by at night. Advertising rates were 10, to 20 cents an inch, if our memory is correct, the subscription price \$1.00, and a half page advertisement almost brought a feeling of prosperity. The Printer worked summers, ran from school to work the other six months, and set type Saturdays and also nights, on occasion. About that time we got our first Model T car, and our buggy horse, old Leo, soon died, possibly of a broken heart. We had telephones and silent movies, pretty soon an oil cook stove but still used a bachelor heater for a long time. There was no radio or TV but we did have a piano and Victrola. To supplement income, we raised Dorniecker chickens, Jersey cows King Homer pigeons, and "New Zealand Red rabbits, hogs of unknown breeds, a garden and orchard.

For recreation, we hunted and roamed around the "breaks," twisted rabbits, trapped prairie dogs, swam in the creek or stock tank, jacks, mumblety-peg, wolf over the river, follow the leader, pitched washers and horse shoes, spun tops, wrestled, fought, and at school went out for football, basketball, baseball, and track. In spare time, we hoed cotton, picked cotton, headed maize, and even hired out as a farm hand. There never was enough hours in the day. We don't remember very many times hearing a kid say "there's nothing to do." Kids usually made something to do—if they had time.

Now we've come to the nuclear age, and contrast is too stupendous to contemplate. We don't have near all the latest equipment here at The News, but we counted up the other day and found we have 19 electric motors, and when the electricity goes off for five minutes we're simply stymied. We set by Linotype, set the display type on a Ludlow, run letterpress printing on an automatic press, photograph other

WASHINGTON AND "SMALL BUSINESS"
 C. WILSON HARDER

It appears that after many long years of giveaways, crassness and missionary work, America is still unpopular; if not hated, by many recipients of much of our generosity.

As far back as the 15th Century, the Florentine statesman, Machiavelli, cautioned future rulers to beware of the futility and naivete of trying to buy affection and loyalty.

For example, American taxpayers have spent billions for outright grants and loans to aid the economy of India, for the construction of vital industrial plants as well as for desperately needed shipments of grain.

In a recent uprising, 100,000 Indians stormed the New Delhi capital, setting the torch to 40 places of business and transportation. Their reason: the starving Indians were protesting a governmental decree permitting slaughter of sacred cows.

Other primitive pillages and burnings in provincial cities have been staged against such issues as the language employed in schools and legal exams, and objections to the site of a state-controlled (but not Indian-financed) steel mill.

Hostility by the Indian government initially stalled efforts by the American International Oil Co. to construct a desperate-

ly needed 60 million dollar fertilizer plant. The contention was that under their socialistic state, the government must manage the industry, regardless of the fact that it was private property.

A careful reappraisal of future grants might be in order. How ready are the natives of India for 20th Century self-government if mob violence is so constantly disruptive? And how deeply does the U.S. comprehend the culture and economy of India?

The scholarly writer, Henry Taylor, in his San Francisco Examiner column recently warned against the fallacy of attempting to understand Oriental mentality through Occidental logic. "They will revolt, and have revolted against famine, floods, or innumerable barriers, but the Oriental does not revolt against tyranny in the Western sense, there is not one significant instance of a revolt against tyranny in the entire ageless history of the Far East. And to the extent that we expect this in Vietnam or anywhere, we're simply exercising our persistent and dangerous habit of looking at the Orient through Western eyes."

"Respect, not the widespread money offering arms of America is what counts in Oriental diplomacy. Otherwise, when America's outpourings stop, we are likely to stand like the stunned ox waiting for the next blow of the sledge hammer."

A better investment of U.S. taxpayer's money might be in enrolling the bureaucrats for some history lessons.

jobs, and run them on an automatic offset press, have an automatic folder for small work, and have the finest metal saw built. It still takes a lot of doing to get out a newspaper, but the comparison of the old with the new is something. Now, they tell us you've got to go offset with your newspaper to be really hep!

A year or two ago, we heard a local high school kid try to explain to a bunch of Rotarians the workings of some electronic devices he had built. Another, demonstrated a rocket he built. We didn't understand a thing they said. But, for that matter, we still can't comprehend a hydraulic ram, or how sound is transmitted over a telephone wire through the air, let alone electricity, and atom-smashing, and computers, and television, to say nothing of 40-hour week, Social Security, Medicare, and a guaranteed income.

We guess we just belong to the castor oil, high-button shoe, straight-edge razor, wood stove, windmill, rub-board, maize-heading, hand-spiking days. But, we're still gonna try to stay up with the Jones. And, one of these days, we're gonna get our Government check and you young suckers can worry about all these new-fangled advances we're making.

We read in the papers that 4,000 people in the U.S. are now reaching the age 65 every day.

We're going to predict that Rep. Adam Clayton Powell gets little more than his hand slapped by Congress for his mis-deeds, maybe his committee chairmanship taken away. We'll wager Bobby Baker, "the last man I see at night and the first I see when I get up," is whitewashed sufficiently to keep the President's name out of things. Remember Walter Jenkins? He's said to be set up in a successful venture in Austin, now, result of "some wonderful help" from some one.

America's greatest need: Statesmen. Next greatest need: Integrity, honesty, and a sense of responsibility.

AGRICULTURE AND RURAL BUSINESS . . . BEDFELLOWS
 (By H. M. Baggerly, Editor, The Tullia Herald)

For almost 20 years, this newspaper has tried to drive home the fact that Tullia will live or die with agriculture. It has done this at times when merchants were asking, "Why should the government help the farmer, it doesn't help me?" It has done this when major farm groups were advocating measures which would cut agricultural income.

On almost every occasion when Swisher county farmers have had an opportunity to speak out at the ballot box, a majority of them have voted for "agricultural prosperity" which in reality is also "business prosperity" in Tullia, Kress and Happy. Almost every farm program designed to benefit agriculture has been given an affirmative vote at a time when the area daily papers and some farm groups were urging a negative vote and counties around us were voting no.

Swisher county farmers recently voted wisely when they approved a deduction of \$1 a bale to promote cotton in a world where synthetics are making serious inroads into the cotton market. All counties did not vote so intelligently. They listened to the wrong voices.

Certainly it is an accepted practice to set up advertising budgets to promote a product. And promotion dollars are based on a percentage of sales. Automobile manufacturers set aside so many dollars for every car sold to promote future sales of their cars. This isn't a voluntary thing. They don't ask every car dealer to spend so much for advertising if he so desires. They demand that he do so. They tolerate no riders. So why should cotton farmers, with a product much less popular than an automobile, be allowed to ride? Why should a few progressive cotton farmers have to carry the entire load while others ride? Grain sorghum producers also should be taxed to promote grain sorghum. It shouldn't be a voluntary proposition where only a few carry the burden.

Agriculture dollars are fewer in number this year due to the fact that the cotton harvest was less than usual as a result of rain at the wrong time, too little rain at the right time, hail, and an early freeze.

Feeling his drop in farm income almost before the farmer is the merchant.

Christmas buying has been off some this year due to the drop in cotton income. And the shouts of anguish are loud in town.

The point we would make it this . . . the time to utter shouts of anguish is when someone demands that Uncle Sam "turn the farmer loose" so that he can farm his land like he dadgum please!

Farmers with full stomachs have a habit of wanting "free-

dom" to "take their chances" and to plant "fence to fence." Invariably they always want this out loud at a time when crops are good and the price is high.

And many towns people join in the chorus. They imagine that high taxes are a direct result of farm subsidies. The problem of Swisher county residents isn't high taxes . . . it is low farm income, whatever the cause. Give us a healthy farm economy and we can afford to pay taxes.

Tullia school enrollment is off this year . . . all due to agriculture. This is just the beginning IF we listen to those who would wreck agriculture by "getting the government out of agriculture."

We're going to farm the land; all right. But the question is, will it be the family farmer or the corporate farmer? Already we had

a suggestion of corporate farming . . . and the cost is loss of population, a deterioration of the class of the population remaining, downgraded communities, dying communities in some instances.

Farmers and merchants alike had better get on the ball and work together in backing those organizations who would perpetuate the family farm, would back legislation insuring cost of production plus a modest profit which is nothing more than we guarantee business and labor.

Maybe our '67 Pontiac is breaking sales records because people don't want to wait until '68 for a copy.

Our engineers have become used to seeing their ideas show up on other cars. Two years later. And apparently so have a lot of car buyers. Because 1967 Pontiacs are selling faster than 1966 Pontiacs. And '66 was a record year.

When you think about it, why should you wait around for innovations like our disappearing windshield wipers? Or for imaginative options like our exclusive hood-mounted tach? Especially when you consider that our engineers wouldn't turn a Pontiac loose with anything less than a standard 400 cubic inch V-8. Or a Tempest with anything less than our revolutionary Overhead Cam Six. (Not to mention all those new safety features like GM's energy absorbing steering column and a dual master cylinder brake system with warning lamp.)

In short, our engineers seem to have done it again. They may even start asking for royalties on the copies.

Parcel Post Rates Changes Made In

A change is being made in parcel post regulations which means that use of ZIP Code will make it easier to mail packages after January 15.

New rates and a new system for identifying parcel post zones will go into effect on that date as provided in legislation signed by President Johnson on September 20, 1966.

Use of ZIP Code in the recipient's address will enable the sender or a mail clerk to quickly determine the proper zone, and thus the rate, for the package. The zones will be based on the distance a parcel travels between the 552 sectional centers in the country.

By consulting a simple chart, which is available at all post offices, the zone can be readily identified because the first three numbers of the ZIP Code represent the sectional center. This replaces a method in which a directory often had to be consulted to locate the proper zone for each of the nation's 33,000 post offices.

The rate increases will average about 10 cents a parcel.

The new rates will range from 40 cent for a three ounce parcel destined for local delivery to 60 cents for the same parcel to zone 3 (150 to 300 miles) to \$1.05 to zone 8 (over 1,800 miles). The new zoning method will also apply to air parcel post.

When the new zoning method goes into effect, all parcels mailed between post offices within the Lubbock sectional center will be charged at the first zone rate. There are 56 post offices within the Lubbock sectional center, including all Lynn county offices.

The new rate are expected to provide an additional \$74 million a year for the Post Office Department. The later size and weight increases will add another \$32 million a year. The additional revenue is to help keep the Department within 4 percent of costs on parcel post as the law requires.

Special School Has Christmas Party

This was the Lynn County Special School's tenth Christmas party. It was the merriest and most successful of them all. This was due to the help and contributions of the wonderful people of Lynn County and the four school districts, O'Donnell, New Home, Wilson and Tahoka.

We wish to thank everybody who helped us in any way. The following are some of the ones who helped our precious children to have this wonderful Christmas, and make them feel that they are loved, wanted, needed and accepted as other children.

W. W. Hagood family, St. John Lutheran Church, Wilson, Pythian Temple, Tahoka, Wilson Beauty Shop, New Home Home Demonstration Club, Mrs. D. S. Waldrip, The Charles Townes, The J. E. Brown's, The Fred McGinty's, Collier-Parker Pharmacy, and employees, Tahoka Garden Club, G. A. Girls, Wilson Baptist Church, Piggly Wiggly, No. 1, Mrs. E. O. Montgomery, Mrs. B. A. Young, Mrs. Jessie Russ, Mrs. L. B. Thompson, Mrs. Lovella Crain, Brownie Troop 202, Mrs. D. R. Adamson, leader; Brownie Troop 399, Mrs. Othell Meeks and mothers; New Home Baptist GA girls, Tahoka Chamber of Commerce, Tahoka Police Dept., Mrs. Kenneth Turner.

Mr. E. H. Conrad and Mr. Earl Burris furnished Santa Claus with a new suit and sleigh and directed him to the school.

The O'Donnell Entre Nous Club members were hostesses and furnished refreshments and served for the party.

They also brought many gifts and a generous check for the school's workshop and rhythm band instruments. Other financial contributions were received, too.

Thanks a million for helping us to feel that "we walk alone no more." You too are special now because you have helped our special children.

May God bless and keep you and yours.
—Mrs. Margaret Renfro, teacher, and children.

FESTUS AT FT. WORTH RODEO

Ken Curtis, better known to the thousands of "Gunsmoke" television fans as Festus Hoggan, will be the guest star of the 1967 Fort Worth Stock Show Rodeo, January 27 through February 5. Before becoming a continuing character on "Gunsmoke", in 1963, Curtis had wide experience in several show business fields. He has sung with several groups including the Tommy Dorsey Orchestra and the Sons of the Pioneers. Curtis has appeared in a number of feature films, including "The Alamo", "The Searchers", "How The West Was Won", "The Quiet Man", and "Cheyenne Autumn". Curtis starred in the syndicated TV series "Kipcord", and created the role of "Festus" during a one time guest appearance on "Gunsmoke" in 1962. Performing with Festus at the Fort Worth Rodeo will be the Frontiersmen and Janie, an outstanding Country and Western music group. Tickets for the 1967 Rodeo are available from the Southwestern Exposition and Fat Stock Show, P. O. Box 150, Fort Worth, Texas 76101.

ELECTRIC SERVICE DOLLAR

We've consistently s-t-r-e-t-c-h-e-d your electric service dollar to give you more!

Today, you pay less for an average kilowatt hour of electricity than you did in 1952. That's because you're using more, enabling us to use larger and more efficient generators. Through use of this more efficient equipment, we're able to offset the inflationary pressures that cause rising prices.

And, to continue to keep electricity costs low, without sacrificing dependability, we'll invest more than \$20 million in 1967, in new construction. Electricity is still the biggest bargain in your family budget.
