

Ashley Services Held On Monday

Funeral services were held at 2 p.m. Wednesday for Frank C. Ashley, 79, of Tahoka, who died Monday in Mercy Hospital at Slaton.

A former grocer and railroad employee in his native state of Kansas, Ashley moved to Lynn County in 1955.

Services were in the Sweet Street Baptist Church, Tahoka. Officiating was Rev. Boyce Evans, Lubbock, assisted by Rev. George A. Dale, also of Lubbock, and Rev. Shelby Bishop, pastor of the church.

Ashley was a member of the Baptist Church.

Burial was in Tahoka Cemetery under direction of White Funeral Home.

Survivors include his wife, Zetta (Riddle) Ashley; two daughters, Mrs. Marjorie Kahler of Wichita, Kansas, and Mrs. Billie Punkoney of Dallas; a son, W. J. Riddle of Dallas; two sisters, Mrs. Grace Elbo of Sterling, Kan., and Mrs. Mae Jones of Wichita, Kan.; four grandchildren and three great-grandchildren.

Hattie Bragg Services Held

Funeral services for Mrs. Hattie Bragg, San Marcos, were held Thursday, October 5, at 3:30 p.m. in the Pennington Funeral Home Chapel there.

Mrs. Bragg, 85, moved to San Marcos in 1932 from the Grassland Community. She was born Nov. 21, 1881, at Big Sandy, Texas.

She is survived by three sons, Cody of Tahoka, Vernon of San Marcos and Fale of Lockhart, and eleven grandchildren.

Senior Mothers Elect Officers

The Tahoka High School Senior mothers met in the home of Mrs. James Roberts, October 4, to elect officers for the following year. Elected were: Mrs. Wanda Foster, president; Mrs. Wilma Tyler, vice president; Mrs. Elsie Brooks, secretary-treasurer.

Plans were made to help the seniors with their money-making projects. The money will be used for the annual senior trip. They have several projects listed on their calendar.

The mothers voted to have charge of a supper, to be held before the homecoming football game, October 27. It will be held in the Community Center from 5 to 7 p.m.

Lexi Adams Honored By State Fair

Lexi Adams, Tahoka, was an honored guest last Friday night at the 21st Annual Honor Award Dinner sponsored by the State Fair of Texas, Dallas.

Miss Adams, state third vice-president of the Future Homemakers of America, was among 44 state FHA, FFA and 4-H officers who were honored at the banquet. She received a charm bracelet from the State Fair Association as did other girls officers.

On Saturday, Miss Adams and other state FHA officers served as hostesses at an FHA booth, the day being observed as "Rural Youth Day" at the fair.

At the honor dinner, held in the grand ballroom of the Statler Hilton Hotel, principal address was made by Dr. Grover E. Murray, president of Texas Technological College.

Making the trip and attending the banquet along with Miss Adams were her parents, Mr. and Mrs. Lester Adams, and Mrs. F. B. Hegl, FHA Chapter sponsor.

In addition to serving as a state officer, Miss Adams is also president of the Tahoka FHA Chapter, a member of the National Honor Society and editor of the annual.

Mrs. Smith In H. D. Meetings

Mrs. Wilmer Smith recently returned from a series of meetings connected with her work as president of the National Extension Homemakers Council.

Thirty-seven president of national voluntary women's organizations attended a meeting on Consumer Affairs called by Betty Furness at the White House Office Building. Many consumer problems were studied, but consumer credit buying and the inflated prices charged to low income families were found to be of major concern.

During the noon hour, the group met with the President in the Rose Garden of the White House.

Mrs. Smith then attended a meeting in Lansing, Michigan, where plans were made for hosting the international conference of the Associated Country Women of the World to be held at Michigan State University in September, 1968.

Birdwell Will Receive FFA's Highest Degree

Louis L. Birdwell Jr., O'Donnell, will be among forty-nine outstanding Future Farmers of America from Texas who will receive the highest award given by the FFA organization, the American Farmer Degree.

Birdwell will receive the degree during the 40th Annual National FFA Convention, October 11-13, in Kansas City, Mo. Only one out of each 1,000 members of the nationwide organization are annually eligible to receive the degree.

The convention is expected to attract almost 10,000 FFA members.

5-A Teams Post 3-2 Record In Friday's Games

District 5-A members posted a 3-2 slate over no conference foes last Friday in their next-to-last week before beginning district competition.

Front-running Sea graves, ranked number one in the state, had their biggest scare of the season, taking a slim 7-6 decision over unranked Farwell to preserve their unblemished record.

The other district team with a spotless record, Plains, scored a 28-12 victory over Sudan while Tahoka blanked Springlake, 34-0, to move back into the win column.

Big winner the previous week over a AA school, Coahoma was felled by Brady, another AA power, 36-14. Despite the outcome, the Bulldogs made a night of it, leading Brady by 14-12 at halftime.

O'Donnell dropped their game to Jal, N. M., 41-13.

SPECIAL TO HIGH PLAINS COTTON GROWERS

TRAIN LOAD SALE!

HESSTON BRUSH COTTON HARVESTERS

ATTENTION HIGH PLAINS COTTON GROWERS—Hesston dealers have got 'em... and they've got 'em by the TRAIN LOAD! That's right... the Hesston dealers in the High Plains area have purchased "lock-stock-and-barrel", an entire train load of Hesston Cotton Harvesters... at savings in many cases of as much as \$500 a machine which they're ready to pass right on to you! This means that you can save on self-propelled models, tractor-mounted basket models, as well as trailer models. They're all included in this special Train Load Sale. So go by and see your Hesston dealer today. Right now he has the Hesston Cotton Harvester in stock that will fit your exact need. And while you're saving money, you'll be harvesting all the quality you can grow... because QUALITY COTTON is what you get when you harvest with a Hesston!

SELF-PROPELLED SP-50
For the speed, efficiency and profit of once-over brush harvesting with outstanding capacity and ease of operation.

TRAILER MODEL 22-T
The economical way to get maximum yields of quality cotton in one trip over the field... and higher net profit too!

BASKET MODEL 24-B
Your tractor and one man become a complete harvest crew... with the same harvesting and cleaning methods as the big Hesston self-propelled models.

HARVEST HIGH-YIELD, HIGH-QUALITY COTTON WITH A HESSTON BRUSH COTTON HARVESTER!

"Gross returns per unit of harvested material were substantially and significantly greater (\$11 per bale unit) for the Hesston than for any other." This was the report from Oklahoma State University after comparative tests on the quality of cotton harvested by a Hesston with cotton harvested by strippers. It's a proven fact that Hesston brush-harvested cotton will grade higher than stripped cotton... and the reason is quite simple. The Hesston Cotton Harvester gently "brushes" the cotton from the plant. Its soft nylon and rubber brushes are highly flexible and allow a full 2 1/2 inch clearance for stalks and branches. On the other hand, solid roll strippers have virtually no clearance whatsoever as they tear and shred the stalks and branches that are wider than the narrow fixed opening between the stripping devices. Obviously, this results in more stick, bark, and trash being harvested with a stripper... which means more ginning is required... and in turn, a lower quality grade of cotton. BUT THIS IS THE YEAR FOR QUALITY COTTON... and you'll get it with a Hesston... PLUS the capability of harvesting in a variety of stalk sizes, excellent field efficiency, and superior green boll separation. You know that you want quality cotton... and your Hesston dealer can show you how to get it... with a HESSTON!

B-Team Whips O'Donnell By 40-14 Margin

For the second week in a row, Tahoka's B-Team put forty or more points on the scoreboard, downing O'Donnell last Thursday night, 40-14.

Taking a quick lead with 20 points in the first quarter, the locals piled up a 34-0 advantage through three full quarters, allowing the two O'Donnell touchdowns in the final period of play.

First tally came with Fullback Larry Durham going five yards after Gene Walker had recovered an O'Donnell fumble to set up the scoring opportunity. Jimmy McCord kicked the point after for his first of two conversions of the game.

Other first stanza scores included a seven-yard effort from Halfback Reggie Stark and a 12-yard run by Halfback Robert Montemayor.

Montemayor scored again in the second quarter on a 27-yard pass from Quarterback Martin. Warren accounted for all eight points of the third quarter, scoring first on a run of 17-yards, then adding the two extra points.

Stark closed out the Tahoka

scoring in the final quarter, racing 35-yards with a pass interception, to add his second touchdown of the night.

Defensive standouts for the B-Team Bulldogs included Dwayne Schuknecht, Gene Walker, Ronnie Schneider, and Jimmy McCord.

Tommy Rash, Freshman end, suffered a broken leg in the third quarter of the tilt, Rash, son of Mr. and Mrs. Elmer Rash, was taken to Slaton by private car, having the bone set there, according to reports.

Tonight (Thursday) the Tahoka B-Team will put their 3-1 record on the line against Slaton in a game here beginning at 7 p.m.

HOSPITAL

(CONT. FROM PG. 1)

Preliminary plans were the result of studying other hospitals, both new and old, throughout the area and that the design had proved to be "very functional" and was especially suited for expansion as the need arises.

The hospital would be of fireproof construction throughout and have year around air conditioning for comfort and safety.

Building Site would require

a minimum of three to five acres to allow for parking areas and expansion. No site has been selected or considered and will not be until after final approval of the district and bond. The hospital board added.

FINANCING PLAN
Under the financing plan developed by the hospital district's board of directors, the \$365,000 bond issue, if passed, would be spread over a 20-year payment period.

According to the board, studies in detail show that a 35c tax rate per \$100 assessed valuation, based on present Lynn County assessed property values, should be sufficient to meet the needs of building the hospital and providing maintenance expenses until the facility becomes self-supporting.

Under law, the hospital district must use Lynn County tax roll and assessed values as set by the Commissioners Court.

Lynn County taxes are presently based on 20 percent of the actual property value, meaning that a piece of property worth \$10,000 would show an assessed value on the tax rolls of \$2,000.

Applying the \$2,000 assessed valuation to the 35c per \$100 proposed tax rate, would reflect a \$7 per year hospital district tax.

An exact way to determine exactly how much per year in hospital district taxes would be paid is to look at county tax statements which were just recently mailed, multiplying the assessed valuation figure by the 35c rate.

For example, a three-bed room brick house, assessed on the tax roll at \$4,200 would draw a yearly tax of \$14.70 (35c times 42 equals \$14.70).

WHO MAY VOTE?
Only Lynn County residents who are listed on the county's tax rolls and who hold voter registration certificates for the year beginning February 1, 1967 and ending February 29, 1968, are eligible to vote in the election.

Six-months residents—in Lynn County is also required for prospective voters.

Polling sites in the election will exactly conform with those of the general election slated on the same day. A list of the eleven voting precincts and polling places is within the notice of election, printed elsewhere, in this edi-

tion. Absentee voting in the election will begin Monday, October 23, and will be conducted between the hours of 8 a.m. and 5 p.m. each weekday until the day of the election at the office of C. W. Roberts, County Clerk, at the Lynn County Courthouse.

Applications for voting absentee by mail will be available from Roberts.

TIME ELEMENT
Board members explained that should voters of the county approve the district and the bond issue, an application would be submitted before the May 31, 1968, deadline for the Hill-Burton funds.

Applications for the grants are taken only once per year and are administered by the State Department of Health, based on the need and other factors.

Then, in November or December, the district would be notified whether or not the Hill-Burton funds would be available, meaning that, if the grant was received, contracts could be let and construction started late in 1968 or early in 1969.

Allowing a year for construction, prospective opening of the hospital would be in January or February of 1970.

According to the board, a representative of the state board of health recently visited here, and although, of course, could make no commitments, expressed informally that chances for receiving the Hill-Burton money were excellent.

Any application for a Hill-Burton grant must be accompanied by an approved bond vote for one-half of the cost of the hospital and equipment before the application will be considered.

The grant will not share in the cost of the hospital site, but will match half the cost of the hospital and equipment. The money is in the form of a government grant and is not repaid by the hospital district although certain requirements must be met, most centering around specific building requirements to provide a hospital of excellent construction.

HOSPITAL OPERATION
Providing the hospital district is approved and the bond issue passed, the district becomes a separate municipality governed by the taxpayers of the district through a board of directors elected periodically by popular vote.

A professional administrator to oversee the hospital would be hired by the board of directors and would be directly responsible to the governing body.

USE MORE
(CONT. FROM PG. 1)
Cotton balls and other products of this type are used in our homes for facial cleansing, babies, sterile cotton and in our hospitals to consume thousands upon thousands of bales of cotton annually. If you picked up a brand, and took it for granted, as we did, that you were buying ordinary cotton balls, then look at the bottom, on the back of the bag and you will see that it may be some other fiber. The tragic part of this story is that this product does not need a good strength, micronaire, or long staple. It can be made of our own WEST TEXAS COTTON, The sheets, 50% Cotton, 50% synthetic, and cotton balls, are just 2 more examples of synthetics pushing hard into markets that cotton has always taken for granted. The housewives of Lynn County CAN do something about it. They can make those synthetic promotion dollars ineffective by refusing to buy these products, but we will have to watch those tags very carefully.

ges which may occur in 20-30 years, asking "Will it be a world fit for human beings to live in?" In answering her own question, Dr. Cobb said, "This depends on whether or not our youth learn to cherish something more important than material things."

Stressing a deep need for moral and religious values, Dr. Cobb added, "Our children will feel God if we live in the way God wants us to. We must set examples for them to follow in learning the true meaning of a moral and Christian life."

Mrs. Robert Abbe, PTA president, was in charge of the meeting with several items of business conducted and reports heard.

PTA yearbooks were distributed at the meeting by Mrs. Robert Ryan, who received thanks from the organization for her work in preparing the books.

Mrs. Ross Smith's first grade class won the "Bulldog" awarded the class having the largest number of parents present at the meeting.

In charge of supervising the pre-school children and the study room during the meeting were high school home economics students, FHA girls helping with the project were Mary Anne Woosley, Jeanne McDonald, Betty Trammel, Joan Connolly, Sherri Schneider, Nancy Tyler, Penny Parker, Debbie Bartley and Zenda Oliver.

Loan Approved For Grassland Water Project

Notification was received this week of final approval of a \$35,000 loan to Grassland Water Supply Corporation from the Farmers Home Administration.

The government loan will be issued to construct a domestic water supply system for the Grassland community and immediate area, and will serve 23 families upon completion.

According to A. L. Norman, president of the corporation, the water well for the project has already been drilled and approved by the state health department.

Contract for constructing the water system has been awarded to Drake and Clayton, a Springlake firm. Construction is expected to begin in the near future.

WHAT YOU SHOULD KNOW ABOUT YOUR PRESCRIPTION:

The investment behind it

Each year the drug industry invests millions of dollars in research to support the nearly 800 million prescriptions filled yearly by pharmacists throughout the country. This investment results in new "wonder drugs" which let us live our lives longer, healthier. Of the 275 million dollars invested last year more than 130 million dollars went for quality control research. Improved precision measuring and compounding instruments were developed to make even more certain you receive exactly what your doctor prescribes. And the investment also went for developing improved methods of production. As the methods of manufacturing improve, the price of the bulk drug decreases. This saving is passed on to you in lower prescription prices. The "gold pill" of yesterday is purchased today for a nominal amount. Thus, a conscientious, developing industry works to improve the service and quality of the pharmaceuticals you receive today and tomorrow.

For the highest pharmaceutical standards, low prices, consistent with quality and the personal attention you can always depend upon, bring your prescriptions to

Collective Farming Vs. Free Enterprise
 The Tahoka Young Farmers met Tuesday evening in Lynteg's Board Room for an election of officers and program. Officers elected at the business meeting include Mike Orr, president; Billy Davis, vice-president; Donald (Shorty) Williams, reporter and Garland Thornton, secretary-treasurer. An executive meeting will be held Monday, Oct. 16, at 8 p.m. in the agriculture building of the high school, when the program for the year will be planned.
 Sid Long, Gail High School agriculture teacher from Borden County, presented a program with slides of agricultural life in Eastern Europe. An outstanding point of the program showed the comparison between the free enterprise system that we have, and Communist-ruled collective farming. In Russia, each family on a collective farm is given 1.5 acres of land to raise their own food to use and to sell. This 1.5 acres per family amounts to only 3 per cent of the total farmland in Russia, but produces 30 per cent of the total food there. The other 97 per cent of land is in collective farming, and crops include vegetables, wheat, cotton, and pastures, much as we see in our own country. But, on their little 3 percent of land, the people produce a much larger percentage of the food than they do in working with the bigger collective farms. They work much harder for "me" than they do for "us."
 Only one breed of cattle was to be found, and was used for milking as well as for meat producing.
 Thirty-eight persons attended the meeting Tuesday.

FARM BUREAU
 (CONT. FROM PG. 1)
 attended this summer. During the business of the meeting, presided over by Unfred, the election was conducted and 13 resolutions were passed which will be sent on to the state convention in November.
 Moore, chairman of the membership committee, reported 915 members on the roll of the organization, adding that a Farm Bureau membership drive will begin Monday, October 16, with a kickoff breakfast slated for 7 a.m. at Tahoka Cafeteria.
 Also on the program was J. D. Atwell, Farm Bureau Insurance Agency manager. Present for the meeting was Miss Charlotte Warren, Lynn County Farm Bureau Queen.
 As an added attraction of the meeting, all-cotton door-prizes were awarded with A. L. White, Mrs. Jo Ann Adams, Tom Mason, Clarence Church, and Robert Warren as winners.

Soybeans Soon Will Be Ready For Harvesting
 Soybean in Lynn County are fast approaching maturity and will soon be ready for harvest. However, says County Agricultural Agent Bill Griffin, the moisture content of the beans should be checked closely before taking the combine into the field.
 Ideally, this moisture should be below 12 per cent, points out Griffin. At that time the beans are fully mature and the pods have not yet begun to shatter.
 If the beans are harvested at a higher moisture content, they will likely wrinkle on drying and will deteriorate rapidly in storage, explains the agent. In turn, if they are harvested after becoming too dry or harvest is delayed, serious losses will result from shattering.
 Griffin points out that when the moisture content of the beans is less than 10 percent at harvest time, they will be more susceptible to mechanical damage.
 The county agent further

SWCD Contractors Hold Meet Here
 A meeting of terrace contractors who work in the Lynn County Soil and Water Conservation District was held here Tuesday, October 10, at the local SCS office.
 Ben Day, agriculture engineer, Brownfield, started the program with a 15 minute slide talk on the value of parallel terraces built from one side.
 Beade Northcutt, civil engineer, Big Spring, discussed changes in specifications which will effect construction this coming terracing season.
 The work load planned this year and Work Unit Policy was discussed by Blake Lovelace of the local SCS office.
 Among contractors attending were Thad and Bob Smith, Wilson; Bill Gardenhire and Wayne Clayton, O'Donnell; Larry Hagood, Tahoka; Raymond Grimmett, Snyder; and Lyle Dugan, Brownfield.
 Mr. and Mrs. Jeral Durham and family visited Durhams mother, Mrs. Farris Durham while moving from Oklahoma to Brownfield.

PP&K Winners Get Trophies Here Saturday

Annual Punt, Pass and Kick competition was held Saturday afternoon at the Tahoka Football Field with top three winners in each of six age groups receiving trophies from Wayne Waters Ford.

The PP&K competition is annually sponsored by the Ford Motor Company through its dealerships, this year's local contest drawing 112 entries, a record number of boys to enter the competition.

First place winners, according to Earl Burris, director of the PP&K contest, will enter zone level competition Saturday, October 21, at 10 a.m. on the Texas Tech practice field, Lubbock.

Top three winners in each category are listed below in order of their placings:

EIGHT YEARS—Jay Kelley, Mike Harvick, and Britt Brooks.

NINE YEARS—Tommy Botkin, Ronald Talley, and Martin Anchocho, Jr.

TEN YEARS—Trent Leverett, David Brookshire, and Richard Lopez.

11 YEARS—Randy Gurley, Kent Payne and Gary Lewis.

12 YEARS—Weldon Warren, Terry McCord, and Jimmy Bailey.

13 YEARS—Jerry Davis and Lee Green.

The PP&K competition continues through various levels with first place winners advancing on to national championships held each year at halftime of the NFL Playoff Bowl at the Orange Bowl in Miami, Fla.

Assisting with the local competition were the Tahoka Jaycees who served free refreshments, members of the Tahoka coaching staff and other volunteer workers, all of whom were extended thanks by Burris in behalf of the local Ford dealership.

FACTS FROM FARM BUREAU
BY BILL WEDEMEYER

FARM PROGRAM PAYMENTS

According to various news releases, some of the people who supported the Agriculture Act of 1965 are becoming concerned over the fact that the program places economic incentive on reduced production. This can be illustrated best under the cotton program. One of our East Texas farmers offered to loan a 20 acre cotton allotment to one of his neighbors if he would plant it. The neighbor was not interested in planting the 20 acre allotment because he said there was no profit to be made in producing cotton as the profits come from government payments. In this particular case the owner of the allotment reported that his projected yield was about a bale per acre. He also reported that the government would pay him \$54 per acre for 7 acres of the 20 retired and \$59 an acre for 13 acres of the 20 planted. If the owner of the allotment had been successful in getting his neighbor to plant the allotment, he would have received \$378 on the 7 acres retired (7 times \$54) and \$767 on the 13 acres planted (13 times the \$59). These figures reveal that the 20 acre allotment would have paid \$1,145 or an average of \$57.25 per acre if he had complied with the program.

The Crop Reporting Board reported on September 1, 1967 an indicated lint yield per harvested acre for upland cotton of 460 lbs compared to last year's 1966 yield of 480 and a 1961-65 average of 491 lbs per acre. The U. S. total crop is reported at 8,185,000 bales down 147,000 bales from the August 1, 1967 estimate of 8,332,000 bales. As far as Texas is concerned, the 1967 indicated yield was 363 lbs compared to 385 a year ago and 363 lbs per acre for the 1961-65 average. The Texas crop is estimated at 2,800,000 bales on September 1, compared to 2,775,000 bales on August 1.

The job of the Secretary of Agriculture is now to determine what he can do under present laws to encourage producers of crops under the payment program to continue to produce. There is a provision of law

which has not been used but was placed there for just such an occasion. The following paragraph is a part of the Agriculture Act of 1949, Title IV, Sec. 401, Sub-section (c):

"Compliance by the producer with acreage allotments, production goals and marketing practices (including marketing quotas when authorized by law) prescribed by the Secretary, may be required as a condition of eligibility for price support. In administering any program for diverted acres the Secretary may make his regulations applicable on an appropriate geographical basis. Such regulations shall be administered (1) in semi-arid or other areas where good husbandry requires maintenance of a prudent feed reserve in such manner as to permit, to the extent so required by good husbandry, the production of forage crops for storage and subsequent use either on the farm or in feeding operations of the farm operator, and (2) in areas declared to be disaster areas by the President under Public Law 875, Eighty-first Congress, in such manner as will most quickly restore the normal pattern of their agriculture. (7 U.S.C. 1421(S)(c))"

Free Press Means Much

Newspaper Week! Oct. 8 to 14. Probably the most impressive way for the public to learn what newspapers mean in their daily lives would be to have no papers printed during Newspaper Week — but that is not practical.

The hometown paper is the living record of what happens in the thousands of communities across the land — marriages, births, deaths, social activity, politics, school news, legal notices, advertised products to inform customers, world news, everything that enables the U.S. citizen to be familiar with the latest devices and products by which he enjoys the highest living and information standards in the world.

But over and above these material blessings, a free press, which is the background of free speech, is the average man's guarantee of personal liberty, religious freedom and protection against political and judicial persecution.

Dictators are afraid of a free press, hence they have a controlled press. The people read what their rulers wish them to read.

Try imagining if you can, what it would be like to live in a country where an editor dared not print a letter criticizing the political party in power, and where an editor feared to express an adverse opinion.

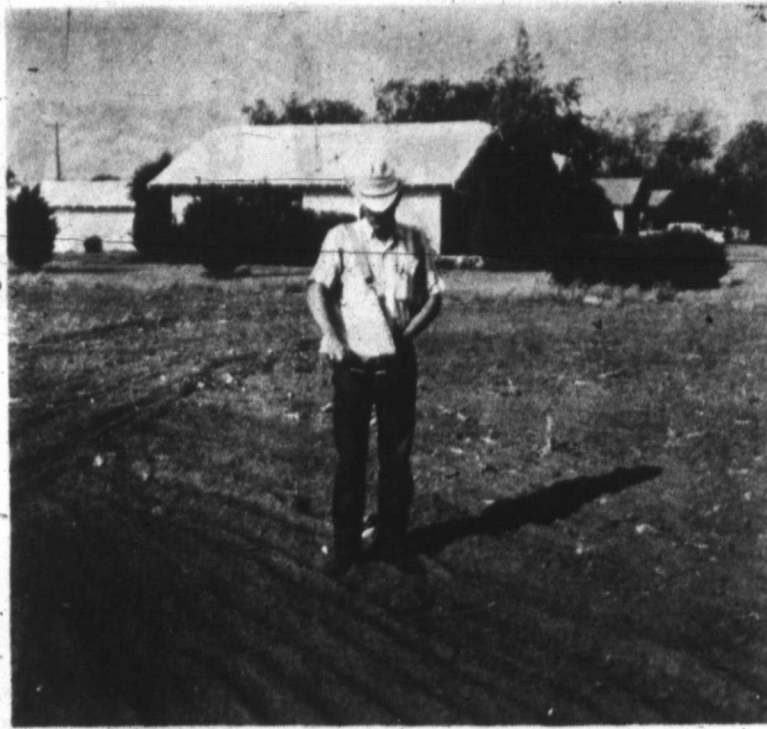

Think of what a free press really means to you — life, freedom from political oppression, liberty and the pursuit of happiness under our Constitution.

Sgt. Tejada Visits Here

Staff Sergeant Ismael Tejada, son of Mr. and Mrs. Manuel Tejada, Lamesa, recently visited his brother and sister-in-law, Mr. and Mrs. Rudy Tejada, Rt. 1, Tahoka.

Sgt. Tejada is home on leave prior to reporting for duty in Tan-Son Nui, AB, South Viet Nam. He is a veteran of 16 years in the Air Force, and serves as an administrative supervisor.

Sgt. Tejada is married to the former Elsa Salazar, daughter of Mr. and Mrs. Pete Salazar, Rt. C, Lamesa.

CONSERVATION PRACTICE—Loamuh Harston, Soil Conservation Technician, is shown drilling the lot by his home at South 2nd and M to rye. He is planting the winter cover crop to protect the soil from wind erosion. Fred Graff of the Local SCS Office stresses the need for each home owner to take steps toward planting some type of winter cover on their idle acreage in the city. This type of program would help beautify our city in the fall and winter months when each housewife is fighting dust. (SCS Photo)

BY BILL SALTER

After absorbing their first defeat of the season the previous week, Tahoka's Bulldogs roared back Friday night to trounce Springlake's Wolverines, 34-0, in what probably could be termed as their best overall showing of the 1967 season.

But, despite the good showing and pleasant outcome score-wise, a rash of injuries cropped up in the game and may prove to take much of the glitter from the victory.

Injured in varying degrees, full extent not known, were David Rogers, Doyle Schneider, Larry Arnold and John Tyler. Rogers and Schneider appeared to be the most seriously injured of the group, the other injuries not thought to be serious.

All the injuries were to knees except Schneider's. The Senior halfback sustained a back injury late in the fourth quarter.

In the game, Tahoka's Bulldogs tallied late in the first quarter for the only first half score, before putting a flood of points on the scoreboard after the intermission, with two TDs in each of the final quarters.

And, speaking of floods, the rain which had threatened to spoil the tilt suddenly stopped less than five minutes before kickoff with the clouds clearing away and the rain seeming to have little effect on the game,

although the field was admittedly damp and footing was somewhat unsteady in places.

After giving Springlake two opportunities to move the ball early in the first quarter, the Wolverines taking one first down on each possession before coming up short, Tahoka scored their single first half touchdown on an 84-yard march late in the stanza.

Starting from their 16-yard line, after forcing Springlake to punt to that point, the Bulldogs scored in 10 plays, John Tyler sneaking over from his quarterback slot from one yard out with 1:17 remaining in the quarter. Cliff Thomas kicked the point after for the 7-0 lead.

Big gainers in the drive were a 28-yard rampage by Larry Arnold, a 15-yard effort from Doyle Schneider, a 12-yard run by Tyler, and two runs in the 10-yard category from Thomas.

And, just as the Bulldog touchdown closed out the first half scoring, the end of the quarter all but closed out Springlake's offensive punch, Tahoka defenders allowing the Wolverines only two additional first downs in the game, despite having to defend against a "wild single-wing offense."

And, throughout the second quarter, except for the closing minutes, the Wolverines shut out all Tahoka thoughts of another sustained drive, each team successfully stopping the other to force five exchanges of possession throughout the period. A sustained drive began by the Bulldogs late in the quarter came to a halt with the half-time intermission.

During halftime, fathers of Tahoka varsity and b-team players received special recognition, the game being observed as the annual Dad's Night.

Springlake received the second half kickoff, but was stopped two yards shy of a first down through the first three plays, punting out to the Bulldog 36.

From that point, Tahoka put together their second long scoring drive, traveling the 64 yards in six plays after Schneider shook loose for a 34-yard jaunt around right end on the first play from scrimmage.

Thomas burst over the left side of his line for the final two yards and the six-pointer, then kicked the extra point for a 14-

0 Bulldog lead with 7:28 left in the quarter.

Arnold was shaken up on the scoring play and sat out the rest of the tilt.

Tri-captain Gary Brooks gobbled up a Springlake fumble at the Wolverine 28 only three plays after the kickoff to set up the next Bulldog touchdown.

With Arnold out, Tyler moved to fullback with Junior Quarterback Charlie Brown coming into the backfield to direct the drive.

The touchdown came on a one-yard plunge by Thomas, the Senior halfback missing the extra point kick to leave the tally at 20-0 with 43 seconds left in the quarter.

Keeping the 28-yard march alive was a 10-yard pickup on fourth down by Brown.

Thomas sailed the ensuing kickoff into the end zone, giving Springlake possession from their 20, but after a penalty and only short gains, third down found the Wolverines still at that same spot as the quarter changed.

Needing 10 yards, Springlake's Randy Washington had thoughts of a pass, meeting up with Joel Inklebarger instead, four yards deep in Wolverine territory. Inklebarger and his counterpart, Tackle Jody Edwards, were two of the brightest spots in the Tahoka defensive picture for the evening.

Facing fourth and 14 needed, Springlake punted to the mid-field stripe, Tyler hauling in the ball for a ten-yard return, then handing off to Thomas on first down for nine yards more.

On the next play, Tyler faded back to pass, found no receivers open, but plenty of Wolverine defenders hot on his heels.

From about ten yards deep in his own territory, Tyler began weaving in and out among the onrushing defenders, and finding a pathway open down the west sidelines, raced the remaining 31 yards to score with Thomas adding the extra point to advance the tally to 27-0.

With 10:32 left in the game, Tahoka kicked again to the Wolverines who, on the resulting series of downs, added their only first down of the second half, but were stopped three plays later with Gary Brooks maling Quarterback Steve Sanderson for a five-yard loss to force their seventh punt of the game.

Starting on their own 24 after the kick and a short runback, 10 plays were required for the Bulldogs to march the 76 yards to paydirt in their third drive of the night from farther than the mid-field stripe.

Schneider broke for 13 yards on the first play to begin the march, matched in equal distance three plays later by Thomas.

A five-yard pickup by Mike McDonald, six by Thomas and eight by Brown moved the pigskin to the Springlake 29.

From that point, Brown connected with Schneider on a pass good for 20 yards, but Schneider was injured on the play with a Wolverine defender penalized for a personal foul, a half-the-distance to the goal penalty forthcoming.

McDonald cracked off all the yards but one remaining, Thomas getting that one on the next play and then kicking the extra point to close out the scoring at the 8:31 point.

For the night, Bulldog rushers were extremely well-balanced in their yardage with Thomas gaining 113 yards on 18 totes, followed by Schneider with 110 yards and Arnold with 75, each carrying ten times. Schneider had an additional 22 yards on two pass receptions. Terry Bridge had 42 yards on 19 carries for Springlake.

Commenting on the game, head Bulldog grid coach Jerry Taylor said, "We were real well pleased with the second half, offensively and defensively, but were disappointed with our offense the first half. Jody Edwards did a fine job on defense for us the entire game and we thought Richard White looked good in the second half. We felt like Cliff Thomas did his usual fine job on defense and returned to his good running form. Overall, we were well pleased with the performance of all our backs."

Notice of Hospital District and Bond Election

THE STATE OF TEXAS
LYNN COUNTY HOSPITAL DISTRICT
COUNTY OF LYNN
TO ALL QUALIFIED PROPERTY TAXPAYING ELECTORS OF THE PROPOSED LYNN COUNTY HOSPITAL DISTRICT OF LYNN COUNTY, TEXAS:
TAKE NOTICE that an election will be held on the 11th day of November, 1967, in the proposed LYNN COUNTY HOSPITAL DISTRICT, in obedience to an order duly entered by the Temporary Board of Directors of said proposed Hospital District on the 5th day of October, 1967, on the propositions set forth in the attached copy of AN ORDER FOR HOSPITAL DISTRICT AND BOND ELECTION, said order being made a part of this notice for all intents and purposes.
THIS NOTICE OF ELECTION is issued and given by the undersigned pursuant to authority conferred by virtue of the attached order of the Temporary Board of Directors of the proposed LYNN COUNTY HOSPITAL DISTRICT and under authority of law.
WITNESS OUR HANDS, this 5th day of October, 1967.
/s/ W. G. Thornton, Jr.
President, Temporary Board of Directors Lynn County Hospital District

ATTEST:
/s/ W. T. Kidwell
Secretary, Temporary Board of Directors Lynn County Hospital District

AN ORDER FOR HOSPITAL DISTRICT AND BOND ELECTION
WHEREAS, the law providing for proceedings to create and establish the LYNN COUNTY HOSPITAL DISTRICT provides the Temporary Board of Directors may call an election on the proposition of whether the District shall be created and established and this Board now deems it necessary and advisable to call an election for the creation of the LYNN COUNTY HOSPITAL DISTRICT and the levy of a tax as hereinafter provided, and
WHEREAS, this Board has determined that a separate proposition should be submitted at the aforesaid election as to whether the Board of Directors of the District, in the event the same is created, should be authorized to issue bonds for the purposes hereinafter specified, therefore,
BE IT ORDERED BY THE TEMPORARY BOARD OF DIRECTORS OF LYNN COUNTY HOSPITAL DISTRICT:
THAT an election be held on the 11th day of November, 1967, which date is not less than thirty-five (35) nor more than sixty (60) days from the date of the adoption of this order, at which election the following propositions shall be submitted to the qualified property taxpayers electors of the proposed District, who own taxable property in said proposed District and who have duly rendered the same for taxation, for their action thereupon:

PROPOSITION NUMBER ONE
"SHALL the LYNN COUNTY HOSPITAL DISTRICT (with boundaries co-extensive with the boundaries of Lynn County, Texas) be created and established with authority to levy annual taxes at a rate not to exceed SEVENTY-FIVE CENTS (75¢) on the one hundred dollars' valuation of taxable property in said District for the purpose of meeting the requirements of the District's bonds, and its maintenance and operation expenses?"

PROPOSITION NUMBER TWO
"SHALL the Board of Directors of LYNN COUNTY HOSPITAL DISTRICT (in the event same is created) be authorized to issue THREE HUNDRED SIXTY FIVE THOUSAND DOLLARS (\$365,000) of bonds, to become due and payable serially or otherwise in such installments as may be fixed by the Board of Directors of said District, but not to exceed TWENTY-FIVE (25) YEARS from the date thereof; and to bear interest at a rate not to exceed SIX PER CENTUM (6%) per annum, payable annually, or semi-annually, for the purchase, construction, acquisition, repair or renovation of buildings and improvements, and equipping the same for hospital purposes, and for any or all of these purposes; and shall there be annually levied and collected on all taxable property in said District for the current year and each year thereafter, while said bonds or any of them or any interest thereon are outstanding, a tax sufficient to pay the annual interest and to create a sinking fund sufficient to pay the principal thereof at maturity, within the taxing limits authorized under Proposition Number One above?"

THAT SAID ELECTION shall be held under the provisions of the Constitution and laws of the State of Texas, particularly Section 9, Article IX of the Constitution and the Act providing for the creation of the LYNN COUNTY HOSPITAL DISTRICT, and all persons who are qualified property taxpayers electors of the area of the proposed Hospital District, who own taxable property in said proposed District and who have duly rendered the same for taxation, shall be entitled to vote at said election.
IT IS FURTHER ORDERED that the ballots for said election shall be prepared in sufficient number and in conformity with Chapter 6, V.A.T.C.S., Election Code, and printed on such ballots shall appear the following propositions:
PROPOSITION NUMBER ONE
THE CREATION OF LYNN COUNTY HOSPITAL DISTRICT PROVIDING FOR THE LEVY OF A TAX NOT TO EXCEED 75¢ ON THE \$100 VALUATION
PROPOSITION NUMBER TWO
THE ISSUANCE OF \$365,000 BONDS

The word "FOR" and beneath it the word "AGAINST" shall be made to appear to the left of each proposition. A square shall be printed on the left of each of the words "FOR" and "AGAINST" and each voter shall place an "X" in the square beside the statement indicating the way he wishes to vote.
That the polling places and officers of said election be respectively as follows:

Mustangs Face Showdown With Meadow In Homecoming Game

Wilson's Mustangs face what well may be the "showdown" of District 2-B Friday night when they tangle with the undefeated Meadow Bronchos in a 7:30 p.m. tilt at Wilson.
As an added attraction of the night, perhaps providing an incentive for the Mustangs, the game will mark the annual Wilson High School homecoming. A homecoming queen and best will be crowned and registration for exes will be conducted in the school cafeteria.
The Mustangs, figured to run at least third behind district favorites Meadow and Sundown, last year's champ, have already polished off the Roughnecks, 28-0, and bring an impressive 3-1 record into the game.
The Bronchos are rated tops in the area in Class B and last week downed Sundown, 29-6, while Wilson was whitewashing Cooper, 38-0.
In the Wilson-Cooper tilt, the Mustangs tallied 13 points in the first quarter, six in the second, nine in the third and seven in the fourth for a balanced game.
First touchdown in the game came on a 17-yard run by Quarterback Johnny Scott, his 20-yard pass to Gary Moore adding the second tally of the quarter.
In the second quarter, Gary Crews scored on a 12-yard run, the next points of the game added when Wilson defenders tackled a Pirate back in the end zone for a safety in the third quarter.
Crews added a four-yard touchdown run also in the third frame before Keith Weld took a 30-yard pass from Scott in the final quarter for the fifth Wilson tally.
Scott kicked the extra point after three of the five touchdowns.
All Wilson exes are urged to attend the homecoming Friday, lending their support to

the Mustangs as they make a bid for the District 2-B championship.
Leopard Club Pancake Meal Is October 20
There will be a Pancake Supper in New Home prepared by the Leopard Booster Club on Friday, October 20th. Serving will begin at 5 p.m. Prizes for "all you can eat" are \$1.25 (adults) and 75¢ (children under twelve). It is hoped a large number will take advantage of the opportunity to eat good food and support the Leopards at the same time.
Also, the Club is selling decals of the "New Home Leopards" to be put on all automobiles. Every booster's vehicle should have one. Buy as many as you need. They are very attractive and can be purchased from any Booster Club member at 50¢ per decal.
The next meeting of the Leopard Booster Club will be Monday, October 16, at the high school cafeteria. Everyone is cordially invited.

MRS. WAYNE BARBER

Cruce-Barber United In Marriage Saturday

Miss Margaret Cruce and Donald Wayne Barber were united in marriage Saturday evening at 7:30 in the Tahoka Church of Christ, Ralph Beistle, minister of Coahoma Church of Christ and former minister of Tahoka, officiated at the double ring vows.

The altar was decorated with an arch of pink mums and green foliage accented by two candelabra. Baskets of mums and votive candles flanked the altar, and the aisle was lined with candles.

The bride is the granddaughter of Mr. and Mrs. Elmer

Sproles, Tahoka, and Barber is the son of Mr. and Mrs. V. C. Barber, Midland.

Given in marriage by her grandfather, the bride wore a formal gown of candlelight satin with draped neckline and short sleeves. Lace motifs encrusted with pearls accented the center panel and the divided chapel-length train.

Her shoulder-length veil of silk illusion was attached to a headpiece of peau de soie and she carried a crescent bouquet of gardenias, atop a Bible, a gift that had been sent to her grandmother from Jerusalem, Elda Cruce, sister of the bride, was maid of honor. She wore a formal gown of azalea pink crepe, with empire waistline and matching jacket with wrist-length sleeves. She carried pink chrysanthemums surrounded by brown feathers in a crescent shape.

Kate Grotte, Dallas and Voncell Grogan, Tahoka were bridesmaids, and Mrs. Ricky Haley, Lubbock was bridesmatron. They were attired in brown crepe gowns fashioned like the maid of honor's. Their headpieces were of azalea pink illusion, held by pink crepe bows. Mike Peek, Monahan, served as best man, and groomsmen were Dick Grimes, Big Springs, nephew of the groom, Clint Burns, Silvertown, and Elbert Baashan, El Paso.

Jimmy Billman, John Huffaker, Ronnie Harris and Ricky Haley seated guests.

Following the ceremony, the couple lit a candle together, symbolizing that they had become one.

A reception followed in the Hospitality Room of Lyntegar Electric.

The bride's table was laid with white satin cloth, covered with white net and pink mums. The groom's table was laid with pink undercloth and brown overlay. A ring chocolate cake was served with coffee.

Members of the houseparty were Mrs. Richard Grimes, Mrs. Neal Bryant, Miss Charlotte Warren, Richard Grimes and Neal Bryant.

For travel, the bride chose a three piece suit of pink knit with brown accessories, and a gardenia corsage from her bouquet. After returning from a wedding trip to points in Old and New Mexico, the couple will make their home at 4416 Travis, Apt. 203, Dallas, Texas.

The bride is a graduate of Tahoka High School and Dallas Fashion Merchandising College. Barber is a graduate of Sul Ross College in Alpine, and is employed at the J. C. Penny Co. Regional Office in Dallas.

Mrs. Nancy Wilson and family moved to Cleburne, last week.

Mrs. Nellie Engle has returned home after visiting her son, Sammie Engle, Artesia, N. M. who underwent neck surgery.

Mrs. Verner Is Guest For PKW. Club

A Texas Day program was presented to members and guests of the Phebe K. Warner Club Tuesday, October 10, at the Fellowship Hall in the Methodist Church with Mrs. Carl Griffing, Mrs. Warren Embree and Mrs. Tom Gill serving as hostesses.

Mrs. Verner's talk, entitled "The West Texas Story," took the audience back through the history of the Plains. She told how the history of this area of West Texas applies to the progress of the area today.

Mrs. Harold Green led the group in singing "Texas, Our Texas," accompanied by Mrs. E. W. Patterson at the piano. The theme of early days in Texas was carried out in the decorations on the refreshment table.

Draper Family Meets Saturday

The children of the late Mr. and Mrs. I. M. Draper met at the Fred McGinty home, Tahoka, October 7, to commemorate the 50th anniversary of the arrival of the family in Lynn County.

Of nine children, six were present. Present were Tom Draper, Hereford; Mrs. John Dupre, Levelland; Mrs. Claudia Palmer, Vernon; Mrs. Welch Flippin, Mrs. Fred McGinty, and Howard Draper, all of Tahoka.

The Draper family moved to the county in 1917 from Williamson County, Texas.

Duplicate Bridge

T-Bar Duplicate Bridge Club has been opened to all people, men and women who enjoy the game of bridge, announces Mrs. D. W. Gaignat.

"We are trying to build up the club and interest in the game, and any non-member who plays bridge will find a welcome at the club each Tuesday night at 7:30 o'clock," Mrs. Gaignat states.

Fees are \$1.00 per person for non-members, 50 cents for members, and there is absolutely no gambling but a prize of a free game for first place winners. Funds raised go toward trophies and to improve the T-Bar Country Club.

DUPLICATE WINNERS

Winners in Duplicate Bridge play Tuesday night at T-Bar Country Club were: Mrs. Jess Gurley and Mrs. D. W. Gaignat, first; Miss Echo Milliken and Mrs. Winston Wharton, second; Mr. and Mrs. Harold Gregory of Lorenzo, third; Mrs. Frank Hill and Mrs. A. N. Norman, fourth.

Mr. and Mrs. Cecil Owen and family, Post, visited Mr. and Mrs. Monroe Stice and Mr. and Mrs. Larry Owen and girls.

Mr. and Mrs. Billy Hubbard and Miss Lorenza visited Mr. and Mrs. Dave Hubbard, last Sunday. Also visiting were Mr. and Mrs. Roy Jolly and family.

Births

SANDHILLS PHILOSOPHER

Broken Panes

Editor's note: The Sandhills Philosopher on his Johnsongrass farm has discovered a new problem but no answer, his letter this week reveals.

Dear editor: There are so many new crises turning up almost daily throughout the world, like hurricanes and floods and strikes and car wrecks and international squabbles and crime waves and abuse of the language like calling that zone in South Vietnam de-militarized when the greatest accumulation of firepower in the history of warfare is concentrated there and being used 24 hours a day, that there are times when I'm not sure I want to see a newspaper turn up out here on this Johnsongrass farm, but nonetheless a fresh north wind blew one in yesterday and sure enough it was up to standard.

According to it, school buildings this past summer throughout the country were subjected to record-breaking vandalism.

For example, in Chicago 90,645 windows were broken in school buildings, 36,525 were broken in Washington, 25,400 in Los Angeles, over 100,000 in New York, and untold thousands in smaller schools around the nation. Hardly a town or city escaped, and one estimate put the total over a million busted windows.

At the same time, this same paper reported that there is a definite shortage of good pitchers in both major league baseball divisions and it makes you wonder where the schools are falling short. Are they putting up buildings so close to the ground and so thick with windows a boy gets no aiming practice at all in throwing a rock through one?

You break out millions of windowpanes and not produce a single good pitcher, and you can see something is seriously wrong with the school system.

We didn't have one-tenth of one per cent as many windows broken out when we had one-teacher schools and we had lots better pitching. A boy had to make his aim count in those days. Nowadays any punk can break one.

I don't know what the answer to this problem is, but that doesn't embarrass me, I don't know what the answer is to any of the other problems. Nonetheless, a million broken windowpanes a year sure seems like a problem we could do without. It looks like one crisis leads to another. With winter coming on, where will we get enough pillows to stuff in that many broken panes?

Yours faithfully,
J. A.

A. Darrow, Army Biological Lab, Ft. Detrick, Maryland; Dr. Henry Pearson, U. S. Forest Service, Flagstaff, Arizona; and Dr. Don Hyder, Agricultural Research Service, Fort Collins, Colorado.

The conference is sponsored by the American Society of Range Management, Texas Section; Texas Tech; Texas A & M University; SCS; Texas Tech Chapter of Texas Section, ASRM; South Plains Chapter of the Soil Conservation Society of America; and West Texas and Lubbock Chambers of Commerce.

WATER, INC. NOTES
BY JAKE STREET

The response to Water, Inc. has been most favorable over the short time it has been in existence. Maybe not as much as we anticipated, but we do have approximately 800 members, a Board of Directors of 23 from Districts and 10 at large. Plus, 16 who serve as Advisory Directors.

A membership drive has not been made, but is next on the agenda. We should have 4,000 members, at least, if we are to serve as the 'voice of water' for our area. If you aren't a member, why not send your check to Water, Inc., Box 367, Lubbock? It would be a darn fine investment on your part, plus acknowledging the responsibility we all share in "Moving water west".

Of course, when you talk of membership, you have to understand why Water, Inc. is needed. First a few questions:

- 1) Who, for our area, can speak with authority to the various political subdivisions about participation in the State and Federal plans for water development?
- 2) Who is organized to provide the leadership in obtaining sources, means and costs, and to encourage joint cooperation of all concerned?
- 3) Who is to gather and compile the physical, social and economic data and statistics on our area that are needed to broaden, channel and even formulate to positive thinking on the part of government water agencies, representatives and private firms and/or individuals?

The answers are simple: Individuals, by themselves, cannot do the job. It can only be accomplished by an aggressive, coordinated, continuous, unified approach, by individuals joining together in a program to build a climate, in legislative halls and among the people, for future water supplies.

water, Inc. is the only organized group working for these above purposes. Realize that there are only a few of the many, many factors that are a challenge to us. And since no other means exist, Water, Inc. is vitally and urgently needed... and needs your influence, your support and your active participation.

To answer in one sentence the question of "Why Water, Inc.?"

Action today for water tomorrow.

Oct. Is PTA Membership Month

AUSTIN—Governor John Connally has proclaimed October PTA Membership Enrollment Month in Texas and has called on the citizens of the state to assist the organization with its current program, "Developing Our Neighborhoods."

The Governor noted that since the founding of the Texas branch of PTA in 1909, its aim "remains to promote the welfare of children and youth in home, school, church, and community."

More than 720 thousand Texans last year formed the membership of more than 2,700 PTA's in preschools, elementary, junior high, high, and special schools across the state. Texas PTA is the second largest state branch, after California.

With children returning to school in the fall, September and October are the busiest membership enrollment months for most PTA's serving as state president of the association is Mrs. L. L. Ledger of Coppas Cove.

Farm Bureau Insurance Agency Receives Top Honors At Meet

The Lynn County Farm Bureau Insurance Agency came home with a handful of honors October 3 after attending a statewide Farm Bureau Agents Meeting held in Austin.

Milton Evans, New Home, special agent, took honors as the top agent in the state during an annual two-month life insurance sales contest, writing \$535,000 worth of life policies during August and September.

The agency as a whole earned first place ranking from among the more than 200 Farm Bureau agencies in the state in the contest, the third straight year the county agency has won the top billing.

During the two months, Lynn County Farm Bureau agents, including Evans, Agency Manager J. D. Atwell, Billy Miller and B. J. Dunlap, wrote \$1,250,000 in life insurance policies.

Both Atwell and Miller along with Evans, were ranked in the top ten agents in the state for the life insurance sales contest. Atwell, Evans and Miller attended the three-day Austin meet held at the Villa Capri Hotel, more than 300 in attendance for the meeting.

The county agency has also won "Agency of the Month" honors six out of the eight months the award has been given this year.

W. C. Huffaker Sr., is a patient in the Methodist Hospital, Lubbock.

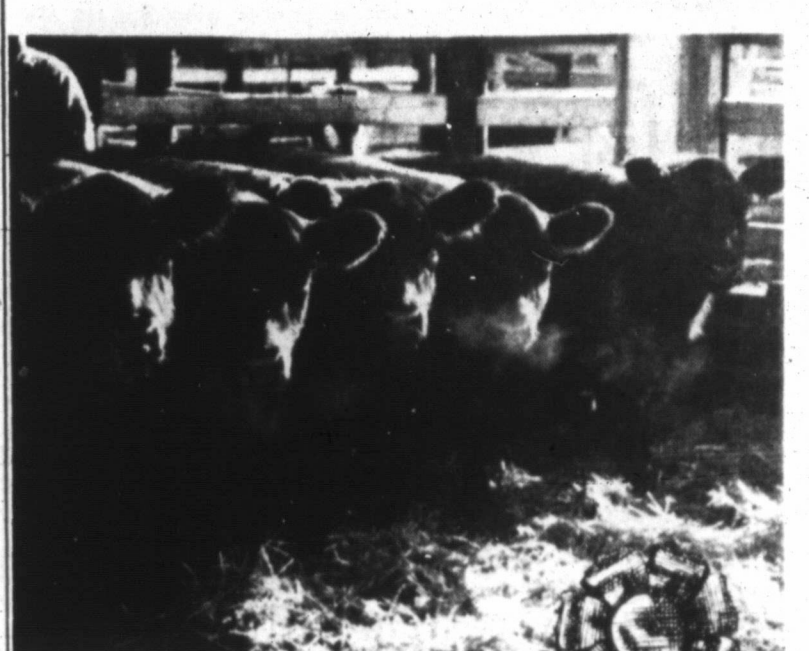

Thomas Curry left last Thursday for Houston where he entered the hospital for surgery.

Christmas Overseas Mail Rules

The following periods have been designated for mailing Christmas parcels to members of the Armed Forces overseas:

- (1) Surface Transport to October 16 - to November 11.
- (2) Space Available (SAM) October 21 to December 1.
- (3) Airmail - December 1 to December 11.

The term "Armed Forces Overseas" includes personnel of the Armed Forces, members of their families, and U. S. civilians employed overseas who receive their mail through an APO or FPO, New York, San Francisco, or Seattle.

PACKAGING - All articles should be packed in boxes of wood, metal, solid fiberboard, or strong double faced corrugated fiberboard. All fiberboard boxes should be securely wrapped in heavy paper which materially strengthens the package. Each box should be well tied with strong cord. Sufficient cushioning material should be used to prevent any rattling or loosening of articles within the package. Unless tightly filled, boxes are likely to be crushed. A slip showing list of contents, and the name and address of sender and addressee, should be enclosed in the parcel.

PROHIBITED ARTICLES - In addition to the articles normally prohibited in the mail, matches of all kinds and lighter fluid may not be mailed to overseas military addressees. Cigarettes, and other tobacco products, coffee, and various other items are prohibited in parcels addressed to some military post offices, but not to those in the Vietnam area. Inquire at post office for further information.

ADDRESSING - Addresses must be legible and complete, and should contain the five-digit APO number. Addresses should be printed on the parcel, itself, and not on glued labels stuck to the parcel. The glued labels have a tendency to come loose when wet.

SPACE AVAILABLE MAIL (SAM) - Parcels weighing not more than five pounds and measuring not more than 60 inches in length and girth combined addressed to military personnel overseas will be provided airtail service on a space available basis from the coastal point of embarkation of such mail.

Clint James Brown, 6, son of Mr. and Mrs. Lehman Brown, Slaton, received a broken leg Saturday at his home, when the Shetland pony he was riding fell with him, pinning the leg underneath. He is in room 556, Lubbock Methodist Hospital, and is expected to be there several weeks. He is the grandson of Mrs. Marvin Woods, Tahoka.

Other new books include: NIGHT FALLS ON THE CITY, by Sarah Gainham; THE CHOSEN, by Chaim Potok; THE PLOT, by Irving Wallace; WASHINGTON D. C., by Gore Vidal; EVERYTHING BUT MONEY, by Sam Levenson; THE KING OF THE CASTLE, by Victoria Holt; and THE LAST OF THE SADDLE TRAMPS.

Mr. and Mrs. A. O. King presented the book, COWBOYS AND CATTLEMEN, by Lela and Rufus Waltrip, to the library, in memory of Loyd Preston.

RANCH MANAGEMENT CONFERENCE SLATED FOR OCTOBER 13

LUBBOCK - The ranching industry will undergo a close scrutiny when ranch managers and authorities will convene in the business gather here for a Ranch Management Conference on Friday, October 13.

The day-long conference is scheduled to kick off at the Student Union Building on the Texas Tech campus with registration beginning at 8 a.m.

Theme for the event is "The Ranching Industry - Past, Present, and Future."

Purpose of the conference is to bring together ranchmen, technicians and others interested in an effort to help solve some of the problems facing today's ranching industry.

Highlighting the conference will be discussions on diversified ranching, Matador Land and Cattle Company, vertical integration, future of the cattle industry, livestock marketing and finance, economic outlook, ranching in Australia, chemical brush control, range animal nutrition and forage for beef production.

Presiding at the morning session will be A. H. Walker, state agricultural leader with the Texas Agricultural Extension Service. In charge of the afternoon portion will be Howard B. Passey, state soil conservationist in charge of rangeland conservation.

Some of the featured speakers at the conference will be Dr. William M. Pearce, executive vice president, Texas Tech; Dr. Gerald Thomas, dean of agriculture, Texas Tech; Jack Idol, manager, League Ranch, Benjamin; Dr. George Ellis, Jr., Coronado Cattle Company, Lubbock; and Don King, secretary and general manager, Texas and Southwestern Cattle Raisers Association, Fort Worth.

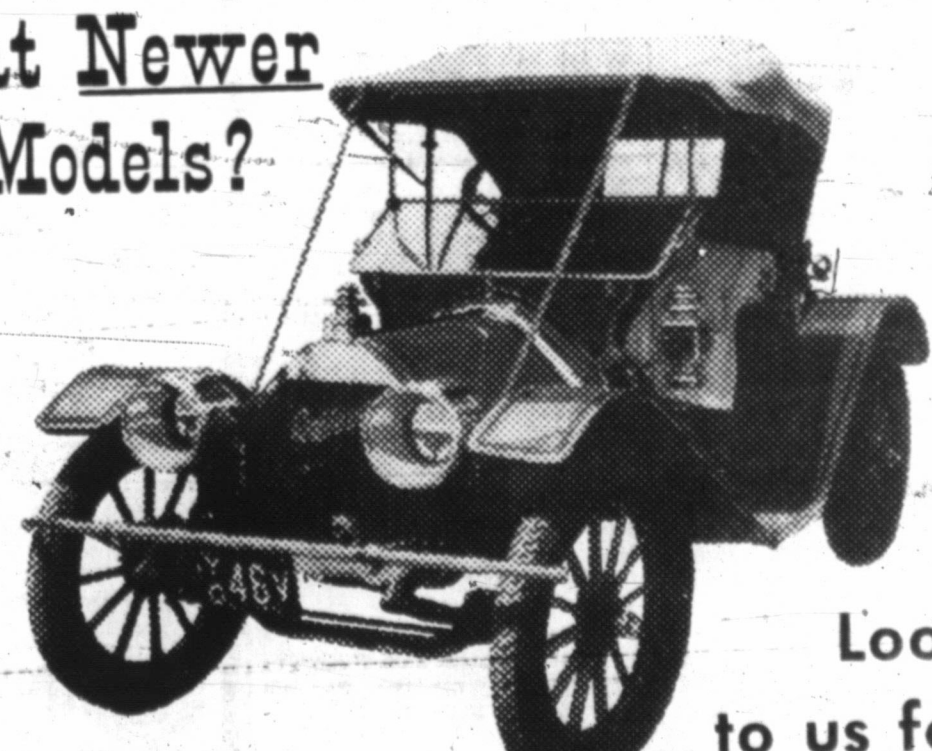

Also, A. J. Kemp, executive vice president, Texas Livestock Marketing Association, Fort Worth; Dr. Willard F. Williams, head, Department of Agricultural Economics, Texas Tech; Horace McQueen, farm editor, West Texas Television Network, Lubbock; Dr. Robert

Farm Bureau Resolutions

Listed below are resolutions favored by the Lynn-County Farm Bureau in their annual meeting held October 9. The resolutions will be passed on to the State Convention in November for further approval.

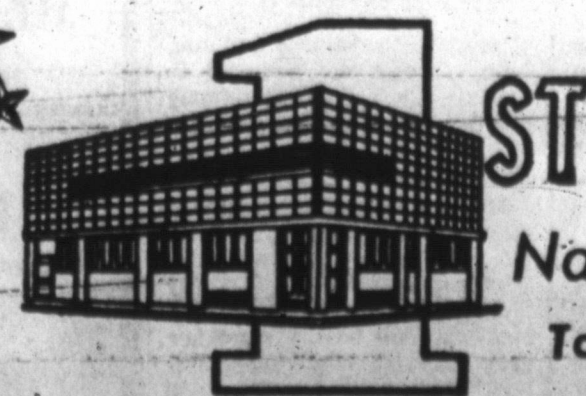

1. We favor leaving the cotton program the same as in 1966-67, but using the 1965 skiprow rule in determining the acreage planted.
2. We favor the minimum width for diverted acre plots be reduced from (1) chain, 20 rows, to a minimum of 6/10 chain, 12 rows, width.
3. We favor farmers measuring and plating crops on approved farm maps with A.S.C.S. office personnel calculating acreage and having a reasonable provision for adjustment by plow-up.
4. We favor stronger certified seed laws in Texas to assure producers of higher quality seed.
5. It has been indicated by state officials that the State of Texas will need increased revenue to meet future expenses. Of the various methods that could be used to raise this revenue, we favor increasing the sales tax to 3 percent.
6. We are opposed to a state income tax as a source of increasing state revenue.
7. We are opposed to Daylight Saving Time.
8. We favor supporting Water, Inc.
9. We oppose increasing postage rates on first class mail, but we favor increasing postage rates on third class mail so that it will be high enough to cover cost of handling.
10. We oppose appropriation of government money to be used in political campaigns. We also oppose any kind of check-off or government collection of money from taxpayers to be given to individuals or political parties for election campaign purposes.
11. We oppose salary increases to Civil Service Employees until the national budget is more nearly in balance.
12. We feel that excessive government spending is the primary cause of inflation. With the national debt and inflation reaching new records, the current policies continue to call for more money. In view of this, we recommend that foreign aid and War on Poverty programs be reduced.
13. We would like to see 1968 feed grain programs remain the same as 1967 programs.

WSCS Mission Study Program Held Last Week

The Woman's Society of Christian Service of the First Methodist Church met Tuesday, Wednesday, and Thursday afternoons in the church parlor for a mission study entitled, "Christ and the Faiths of Men," conducted by Mrs. N. S. Daniel, Merkel.

Mrs. Daniel, mother of Rev. Hugh Daniel, pastor of the church, is secretary of Missionary Education and Service of the Northwest Conference. In her lessons, Mrs. Daniel used symbols of the different religions of the world, scripture, reports from the class and a play which portrayed the problems of changing from one religion to another. Participating in the play were Mrs. Hugh Daniel, Mrs. A. M. Bray and Rev. Daniel.

Members of the Wilson, Draw and Grassland WSCS groups attended Thursday's study. Mrs. J. C. White, Albany, was a guest.

The next meeting of the WSCS will be October 30 at the church from 10:30 a.m. until 2 p.m. At the meeting, the local group and the Draw-Grassland WSCS will observe the "Call to Prayer and Self-Denial." Mrs. W. E. Cantrell, secretary of spiritual life, will be in charge of the program. All Tahoka women are invited to attend.

Revival Starts This Sunday At First Baptist

Revival Services will be underway October 15 through October 22 at the First Baptist Church, Tahoka.

Worship services will be held at 10:55 a.m. and 7:30 p.m. on the two Sundays of the revival with Monday through Saturday services at 7:30 p.m.

Conducting the revival will be Evangelist Richard Jackson pastor of the First Baptist Church, Sulphur Springs, Texas. Singer will be Bill Michael, Baptist Hour soloist.

Several special events will be held during the week-long revival with Jackson to speak at a school assembly in the Tahoka High School Auditorium on Wednesday at 10:39 a.m. and at the regular Rotary noon luncheon on Thursday.

Other special events include fellowships Sunday evening for the revival choir in the Urban Brown home, Thursday night for new members at the parsonage, and Tuesday evening for the entire church at the Fellowship Hall.

Wednesday is "Youth Folk Song" night and on Friday, the evening song service will be a sacred music concert. Junior Hot Dog Day will be observed at noon on Saturday.

Theme for the revival is "Preaching that challenges, music that inspires." Rev. Jimmy Turner, pastor of the church, has extended an invitation for everyone of the area to attend the revival services.

Othell Meeks, Tahoka, was taken to Medical Arts Hospital, Lamesa, Monday evening by White Funeral Home ambulance. Meeks was hospitalized there with a broken leg.

W. S. Jasper, New Home, was returned to Methodist Hospital, Lubbock, Saturday evening by White Funeral Home ambulance. Jasper had been allowed to return home from the hospital that morning after suffering an apparent stroke a week earlier, but became ill again and was rushed back to the hospital.

NEW HOME NEWS

BY MRS. F.E. DAVIES

(PETTY, LAKEVIEW, JOE STOKES)

Mr. Ed Fallis, an employee of the City of New Home, received a badly lacerated hand Wednesday while working on the air conditioner at City Hall.

Congratulations to Mr. and Mrs. Melvin C. Eakin of Escondido, Calif., on birth of a daughter, Jennifer Leigh, Sept. 26. She weighed 8 lbs, 5 ozs. The maternal grand parents are Mr. and Mrs. L. H. Taylor of New Home.

The New Home Homecoming Festivities will be Friday night Nov. 3. The game will be between New Home and Cooper.

The parents-teachers club met Thursday, Oct. 5 in the school cafeteria. A program was presented by the sixth grade girls, directed by Mrs. Lucy Miller. They sang songs in English and Spanish, that had been taught them by Mrs. Miller.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

A SENSE OF SECURITY

Money in a savings account? Money in a checking account? Money in your pocket? These all add up to a fine sense of security. But as everybody knows, the security of money can disappear. The stock market drops, expenses chew up your savings.

There's another kind of security that is not based on the fleeting, material treasures of life. It is the security needed when sickness strikes, a son or daughter disappoints us, or death takes a loved one. This security chases out doubt and fear. It enables us to go right on living day by day, certain that we will not walk alone. In fact, God has said that He will never leave us nor forsake us.

Discover for yourself this security! In your church you can find those eternal values if you trust in the security of Him who cannot fail.

HOME COMING

Tomorrow (Friday) marks the 1967 homecoming at Wilson. Tonight at 7:30 p.m. a pep rally will be held in the school gym, followed with the traditional bonfire. Prior to the pep rally, the band will march to the downtown area and back to the school gym, kicking off the events of the weekend.

Registration will be held Friday evening in the school cafeteria and refreshments will be served. Highlight of the homecoming will be crowning of a football queen and beau prior to the Wilson-Meadow game which begins at 7:30 p.m. Candidates for football queen are Vicki Lane, daughter of Mr. and Mrs. Jim Lane; and Elma and Karen Wuensche, daughters of Mr. and Mrs. Wilbert Wuensche. Elma and Vicki are seniors and Karen is a freshman. The football beaus names were not available at news time. The Wilson Mustangs won their game against Cooper Friday night 35-0. This gives them a 3-1 record for the year and 2-0 in conference games.

WEDDING

Miss Claudia Stoker and James Ray Chapman Jr. will be married at 2 p.m. Saturday in the First Baptist Church of Wilson. The bride - elect is the daughter of Mr. and Mrs. W. P. Stoker of Wilson. She was a 1964 graduate of WHS and is a junior speech and English major at Texas Tech.

The prospective bridegroom is the son of Mr. and Mrs. James Ray Chapman of Lubbock. He was graduated from Monterey High School, attended Texas Tech and is with the U. S. Navy, stationed at Key West, Fla.

Troy Melugin attended the youth rally and services at the Lubbock Broadway Church of Christ Saturday night. After services, approximately 1,000 persons walked to the Tech stadium to watch the football game between Texas Tech and Mississippi.

Mr. and Mrs. Hugo Maeker visited in Crosbyton Sunday with their son and family, Mr. and Mrs. Larry Maeker, Jeff and David. They enjoyed a birthday dinner for Larry.

Two weeks ago, Mr. and Mrs. Hugo Maeker visited in Tres Ritos, N.M., with her brother and wife, Mr. and Mrs. Adolph Nieman, and in Albuquerque, N.M., with Mr. and Mrs. Buddy Maeker and family.

JR. HIGH WINS
Last Thursday afternoon, the Wilson Junior High football boys scored in the last quarter of

will perform at half-time in Brownfield today at the football game between the freshmen of West Texas State University and the freshmen of ACC.

A SPC freshman student, Lynda Melugin, daughter of Mr. and Mrs. Ted Melugin, is a member of the SPC band and plays alto sax. This will be the first public appearance for both the Tex-Anns and the band. **WARSHAW PROMOTED**
Kenneth W. Warshaw, 20, son of Mr. and Mrs. Kenneth E. Warshaw, Rt. 2, Wilson, was promoted recently to Army Specialist 4 while serving with the 864th Engineer Battalion in Vietnam. Spec. Warshaw, a clerk in the battalion's company C near Nha Trang, entered the army in October, 1966, and was stationed at Ft. Leonard Wood, Mo., before arriving in Vietnam in March. He attended Wilson High School prior to entering the service.

Mr. and Mrs. Ted Melugin visited her mother, Mrs. Ellen Hacker, Sunday afternoon. Also visiting was Mrs. Joyce Penny, Michael, Andy and Dana of Lubbock.

Visitors Sunday in the Arnold Lehman home were his daughter and husband, Mr. and Mrs. Ed Finley of Lubbock.

The FFA students wish to thank everyone who helped with their magazine sales recently. A good turn-out was present for fellowship, "42", and a cake auction Saturday night in the school cafeteria. The event was sponsored by the band boosters.

AID VICTIMS
The First Baptist Church of Wilson has been collecting needed items for flood victims in South Texas. Items such as clothing, furniture, canned goods, etc., are being taken to Lubbock by Rev. Benny Hagan, pastor of the Wilson church.

COTTON CLUB
The Lynn County Cotton Promotion Club will meet at 2 p.m. Monday in the Tahoka Lyntegar building. The program will be on "Cotton For Christmas." Women of the community are invited to join the club. The fee is \$1 per year. A tour of Postex Mills is scheduled in the future.

LION GOVERNOR
Lion Governor Charles F. King of Lamesa made his official visit last Thursday with the Wilson Lions Club.

JR. HIGH WINS
Last Thursday afternoon, the Wilson Junior High football boys scored in the last quarter of

the game against Cooper, winning 8-0. They play in Brownfield today.

The "B" team really came "out from behind" in their game Thursday with Post. Post led with 14-0 at halftime, and in the last half, the B team made three touchdowns winning 22-14. Sonny Boles pushed over the goaline, making the first touchdown. Brad Moore made a nice play when he caught a pass in the end zone for the second touchdown. Bruce Schuette made a long run for the third touchdown. The team has an open date Thursday, with a 3-0 record this season.

STYLE SHOW
The Lynn County Women's Cotton Club will have five models in the All-Cotton Style Show Oct. 20 at the Koko Palace in Lubbock, presented by the Plains Cotton Growers. Registration begins at 10 a.m. Models are Dorothy Meador, Joyce Kahlich, Gini Gatzki, all of Wilson; Betsy Pridmore of New Home, and Sandra Brown of Tahoka. Cotton displays of various sorts will also be set up for viewing in the five-county show. Everyone is invited to attend.

IN CALIFORNIA
Mr. and Mrs. Charlie Lichey have returned home after a two weeks visit in San Diego and other parts of California. They visited a brother, Kurt Lichey in Riversdale, and their daughter, Mary Lou Bogus in Corpus Christi on their return trip. They reported that Walter Lichey underwent surgery Friday in Lubbock's Methodist Hospital.

GETS SILVER STAR
First Lt. David L. McInturff, husband of Beatrice Kiesel McInturff, has received the Silver Star Medal for actions as commanding officer of "D" Company in Vietnam. The action took place June 2 when Lt. McInturff's unit, First Battalion, Fifth Marine Regiment, killed 115 enemy soldiers during a search and destroy mission. The citation accompanying the medal read: "Despite the heavy concentration of fire and subsequent mortar attack he maintained control, fearlessly exposed himself directing and encouraging his men as they attacked for 12 hours." Beatrice is the daughter of Mrs. Selma Kiesel and she teaches school at Amherst.

WILSON COMMENTS
Mr. and Mrs. George Williamson of Arizona are visiting his mother, Mrs. H. R. Williamson, who is ill in Slaton Mercy Hospital.

C. W. Phillips is improving nicely at Slaton Mercy Hospital.

Homer Campbell Jr. and family of Plains were weekend guests of her parents, Mr. and Mrs. Ed Crowder.

Mr. and Mrs. Glenn A. Crowson, Commerce, were weekend visitors with his uncles, the Sam and Alfred Crowson families. The Glenn Crowsons were wed Friday evening in Commerce.

VOLLEYBALL TOURNAMENT
The Wilson Lions Club has set March 4-9 as the dates for their annual adults volleyball tournament. Please place this date on your calendar to avoid conflict in dates. Everyone will be invited to enter the contests. Address any inquiries to A. N. Crowson, Box 818, Wilson, or Glenn Mitchell, Wilson High School, Wilson.

GORDON-SOUTHLAND NEWS

Mrs. Edmund Wilke

Today is a beautiful fall day!...the kind that we farmers like to see. Southland had an inch of rain on Friday and quite a bit of wind. Kinda strung the long staple cotton up and down the rows, but it could have been a lot worse. At least we didn't have any hail.

DISCHARGED
Mr. and Mrs. Payton Crawford are two proud parents today! Their son, Webster, is now out of the service and he and his wife, Janet, are back home now. Welcome back to civilian life, Webster. Webster spent quite a long time over in Vietnam.

Mr. and Mrs. Cecil Stolle spent the week-end in Sweetwater with Mrs. Irmgard Bredemeyer. Mrs. Bredemeyer had spent several days here the first of the week.

J. H. Poinexter, father of Mrs. Robert Long, underwent surgery recently at the Mercy Hospital in Slaton. Mr. Poinexter is a former resident of Southland. He is back at his home in Lubbock now and doing real fine. Mr. and Mrs. Robert Long visited with him on Sunday.

Cathy Long spent Sunday in Slaton visiting with Carolyn Bignett.

Kelly Jo Myers, daughter of Mr. and Mrs. Jack Myers, visited with her parents over the week-end. Mr. and Mrs. Paul Winterrowd and children visited in Snyder Sunday with Mr. and Mrs. H. H. Buchanan. Paul and Mr. Buchanan were World War II buddies.

Karen Hagens, daughter of Mr. and Mrs. Loyd Hagens was a proud little "gal" when her cornbread won 3rd place at the Panhandle-South Plains Fair. Karen is a 4-H member and I think that perhaps this is her first year to enter anything at the Fair, so I think she did real good. Congratulations, Karen.

Gloria Cisneros, daughter of Mr. and Mrs. Alejo Cisneros, has moved to San Antonio where she will begin taking a "Beauty Course". The school lasts about six months. Gloria graduated from Southland High in May, 1967.

Mr. and Mrs. Robert Becker and children visited with Mr. and Mrs. Willie Becker and

BRIDAL SHOWER

A bridal shower, honoring Mrs. Sammie Wartes, was held Friday, October 6, in the home of Mrs. D. D. Pennell. Hostesses for the occasion were Mrs. Opal Pennell, Mrs. Ruby Ellis, Mrs. Mary Ellis, Mrs. Karen Gall Callaway, Mrs. Margie Pennell and Mrs. Lucille Myers. Purple dahlias, pink napkins and a lace cloth over pink carried out the bride's colors. Pink punch and cookies were served, with Mrs. Ruby Ellis pouring the punch. The hostesses presented the honoree with a bedspread.

Twenty - five guests called during the afternoon and the out-of-town guests were the honorees' mother and grandmother from Post. Mrs. Cecil Cummings from Lubbock, Mrs. Joyce Montgomery, Mrs. T. H. Basinger, Mrs. James Brooks and Mrs. Kenneth Davies all from Slaton, Mr. and Mrs. Wartes live in Lubbock.

Mrs. Harvey Louis Pennell is at present confined in West Texas Hospital in Lubbock. She may get to go home in a few days. Mr. and Mrs. Donald Pennell visited with her Sunday.

Mr. and Mrs. Herman Havis went to Roaring Springs during the week-end.

Kelly Jo Myers, daughter of Mr. and Mrs. Jack Myers, visited with her parents over the week-end.

Mr. and Mrs. Paul Winterrowd and children visited in Snyder Sunday with Mr. and Mrs. H. H. Buchanan. Paul and Mr. Buchanan were World War II buddies.

Gloria Cisneros, daughter of Mr. and Mrs. Alejo Cisneros, has moved to San Antonio where she will begin taking a "Beauty Course". The school lasts about six months. Gloria graduated from Southland High in May, 1967.

Mr. and Mrs. Robert Becker and children visited with Mr. and Mrs. Willie Becker and

hurt herself recently and was confined at home for a couple of weeks, but she was back in church yesterday.

Our daughter - in - law's, (Martha), grandfather passed away last week and was buried on Saturday at Lemeta, Tex. He was the father of Gilbert Blodgett of Post. May God be with this family in their sorrow.

Visitors in the home of Mrs. Nellie Mathis during the week-end were Mr. and Mrs. Walter Kellum from Slaton, Mr. and Mrs. Dee Hodge from Leveland and Mr. and Mrs. Delroy Odum and children from Post. Mrs. Ed Siewert fell and

Patsy Dunn from Texas Tech spent the week-end with her parents, Mr. and Mrs. M. A. Dunn.

Edmund, Sherri, Darrell, Larry and Yours Truly attended the Texas Tech - Mississippi game last Saturday night. Tech had a hard night and that disappointed me, but the band was wonderful and the big crowd was very exciting to me. I sure would like to go again sometime.

George Ellis, from Austin, son of Mr. and Mrs. Sam Ellis, flew to Lubbock on business Wednesday, and then he came on down to Southland and spent the night with his parents. George works with the O.E.O. in Austin.

There was a lot of hair-combing and primping this past week at the Southland School because the men came to take the school pictures. Can hardly wait to see some of them. The Pep Squad Cheerleaders went to Kertan Studios in Slaton Friday to make some pictures.

I received a long letter from Pat Gilliland this past week and she said to tell all you nice people "hello" and that she misses you very much. On Saturday I received the word that Pat's mother, Mrs. Leta Martin from Morton, had suffered a serious stroke, and wasn't doing too well. Also, Pat's oldest little girl, has the chicken-pox. Amendment Preview

Texans will decide the fact of six proposed amendments to the State Constitution in a special election to be held Saturday, Nov. 11.

The proposals are part of 20 proposals submitted by the 60th Legislature. The remainder will be put before voters in the general election of 1968.

Although the November election is still some time away it is not too early for voters to familiarize themselves with the issues involved. The following is a brief capsule of each of the six proposals.

Amendment No. 1 on the ballot proposes to authorize county commissioners to put all money in a single general fund, doing away with the present practice of keeping separate funds corresponding to tax levies for each of four constitutional purposes.

Amendment No. 2 would permit municipalities and other political subdivisions within a hospital district to participate in the establishment and operation of mental health, mental retardation and public health services. This responsibility is now exclusively within the jurisdiction of hospital districts.

Amendment No. 3 proposes a revival of the veterans' land program and authorizes issuance of \$200 million in state bonds for loans to veterans. This is a self-liquidating program and would not involve revenue raised by taxation.

Amendment No. 4 authorizes counties to pay medical, doctor and hospital bills of law enforcement officers for injuries suffered in line of duty and to continue salaries of injured officers during incapacitation.

Amendment No. 5 authorizes the Parks and Wildlife Department to issue and sell general obligation bonds in the amount of \$75 million to finance acquisition and development of land for parks and recreational areas. The plan is to use receipts from admission fees to state recreational facilities to service the bonds.

Amendment No. 6 permits non-elective state officers and employees to serve in other non-elective positions under state and Federal governments where no conflict of interest exists and where such service would prove beneficial to the State of Texas.

Masons To Hold Annual Meeting

The Lynn County area of the Dallas Scottish Rite Masons will hold its annual fall membership meeting Monday night, October 16th at Al Smith Cafeteria in Tahoka at 7 p.m., according to Charlie Beckham, County Chairman. The Scottish Rite is celebrating its 100th year anniversary and all members are urged to secure as many petitions as possible for the Fall Reunion to be held in Dallas October 30 and 31.

Speaker for the Tahoka affair will be J. Q. Warnick, Jr., attorney-at-law. He was born in Tahoka and attended Lubbock Public School. He graduated from Texas Tech in 1956 and received his law degree from University of Texas in 1959. Married, he has 3 children, is partner in the law firm of Anderson, Edwards and Warnick. He has been a 32nd degree mason for fifteen years.

Mr. Warnick has received the DeMolay Legion of Honor. Ralph S. Krebs, another Lynn County product, will be the Master of Ceremonies.

Mr. Beckham says all wives of 32nd degree and Master Masons are invited. Special guests will be Bryon Shotts 32nd KCCH and J. H. Galey 32nd degree KCCH.

Agronomy Meet Set October 26

The Texas Plant Food Educational Society and Agricultural Nitrogen Institute announces the Southern Great Plains Agronomy Symposium for Thursday, October 26, at West Texas State University, Canyon.

At the symposium, the latest information on nitrogen transformations in the soil, including fertilizer use and management, plus the importance of nutrient balance and the handling, application and use of ammonia will be presented by leading agronomic authorities.

All interested persons of the area are invited to attend. Advance registration is \$5, with \$6 charged to register at the conference. The registration fee includes the noon meal and a copy of the proceedings.

Persons wishing to attend should mail their registration fee, payable to Agronomy Symposium, before October 21 to Dr. Charles Smallwood, Agriculture Dept., WTSU, Canyon, or contact County Agent Bill Griffin for further information.

Tahoka Ladies Win In Golf

Several members of the T-Bar Ladies Golf Association attended a one-day tournament at the Littlefield Country Club on Tuesday, October 3rd.

A shotgun start was held at 9:30 for ladies from Littlefield, Olton, Clovis, N.M., Tahoka, Brownfield, and Meadowbrook Country Club. After 18 holes of play, a buffet lunch was served, and door prizes and trophies were awarded.

Winners from Tahoka were: "Class A Players"- Joe Belle Robinson and Maxine Edwards-Low Net.

"Class B Players"- Maxine Steele- Brownfield CC and Norman Thomas- second place, Fredda Townes and Glenda Dunagan- Low Net.

"Class C Players"- Jennie Halford and Wanda Gill- First place, Billie Carroll and Jackie Lisenby, Low Net.

Tahoka Resident Gets First Bale At Denver City

Cecil Clem, Tahoka, earned \$60 in gift certificates Friday, September 29, for producing the first bale of cotton in the Denver City area.

The 465 pound bale was ginned by Pleasant Hill Gin from 2,100 pounds of seed cotton, then delivered to Denver City to collect the prize awarded by that city's merchants.

Cotton variety was Paymaster 2-2 and was harvested from Clem's farm two miles west of the Pleasant Hill Gin.

Homecoming At O'Donnell Set On October 26

Homecoming is slated for Friday, October 20, at O'Donnell with the Class of 1942 to be honored. It has been announced.

A pep rally kicks off the activities at 3:30 p.m. in the school auditorium, followed by a banquet in the cafeteria. A reception will be held in the community center at 10 p.m., following the O'Donnell-Edan football game.

All O'Donnell cases are urged to attend the homecoming.
