IT COULD only happen in West Texas... 85 degrees on Sunday, light snow on Tuesday with the lightest of freezes that night, then a bright sun and temperatures going back up on Wednesday.

Not that it's really so unusual to have a snow flurry on the last day of Oct., but it did make quite a contrast to look out across the court house square and see roses in full bloom with snow whipping in between them!

That is if you can really classify what fell as snow. Although it looked like the real thing as it fell, it seemed to be more like "thick" rain when it hit. Aren't you glad to live in West Texas where each day's weather is a surprise. It would be much fun to live in a place where you knew ahead of time just what to expect!

HOW ABOUT this time change, does it have you confused again too?

It seemed sort of strange Monday evening to see it pitch dark outside and not even 7 o'clock yet!

Made me wonder if it really got dark at 7 p.m. back when we were in "normal" time before!

I was just about to get adjusted to DST and now that we're back on CST, it now seems strange. Whoever thought up the scheme in the first place must of had "bats in his belfry!"

RUSSIAN SCHOOL Teacher: "Who were the first human beings?"

Young Ivan: "Adam and Eve."

Teacher: "What was their nationality?"

Ivan: "Russian!"

Teacher: "Correct again! How did you know that?"

Ivan: "They had no house to live in, no clothes to wear, and only one apple between them... and they called it Paradise!"

HOMEcoming QUEEN - Miss Melanie Leverett (third from left) was crowned as 1967 Tahoka High School Queen Friday night preceding the Tahoka-Seagraves football game. Attendants to the Queen include (from left to right) Suzanne Warren, Lexi Adams, and Sheila Tankersley. (News Photo)

Melanie Leverett Crowned As THS Homecoming Queen

Miss Melanie Leverett, 16-year old daughter of Mr. and Mrs. T. E. Leverett, 2400 N. 4th, was crowned as 1967 Tahoka High School Homecoming Queen Friday night in ceremonies preceding the Bulldog-Seagraves football game. Escorted by Tri-Captain Gary Brooks, Miss Leverett was crowned by Tri-Captain John Tyler and received the traditional kiss from Brooks. Candidates for the honor who served as attendants for the homecoming queen were Lexi Adams, daughter of Mr. and Mrs. Lester Adams, Sheila Tankersley, daughter of Mr. and Mrs. H. R. Tankersley, and Suzanne Warren, daughter of Mr. and Mrs. R. L. Warren. Miss Adams, the Senior representative, was escorted by Tri-Captain Cliff Thomas, and Miss Tankersley, Sophomore, by Buzz Owens. Miss Warren the Freshman candidate, was escorted by Doyle Schneider. All four candidate received bouquets of flowers presented by Roger Locke and Richard White. The coronation proceedings took place at the center of a heart formed on the football field by the Tahoka High School Band. Following the coronation, the queen and attendants were driven around the field in a convertible, then watched the game from the automobile which was parked in a place of honor on the Tahoka sidelines. Miss Leverett, a Junior student, is a member of the National Honor Society, FHA and Spanish Club, also serving as class favorite and a class officer. She plays basketball, was a cheerleader her Sophomore year and FFA sweetheart her freshman year.

Hospital, General Election Absentee Vote Ends Tuesday

Deadline for casting absentee ballots, in the November 11 General Election and the Lynn County Hospital District Election is 5 p.m. Tuesday, November 7.

Cotton Harvest Gains Momentum

Cotton harvesting continued to gain momentum on the South Plains during the past week, according to W. K. Palmer, in charge of the Lubbock Cotton Classing Office of the USDA. The USDA Classing Offices at Lubbock, Brownfield and Lamesa classed 16,500 samples during the week ending Friday, October 27th. Through October 27th, the Lubbock Office had classed a total of 12,100 samples, the Brownfield Office 10,900 and the Lamesa Office 2,600. This brought the total classed this season at the three offices to 25,600. Through October 27th last year the three offices had classed a total of 11,600 samples. Approximately three-fourths of the cotton classed at the Lubbock Classing Office last week was in the White grades and the remaining one-fourth in the Light Spotted grades. Strict Middling made up only one per cent of all cotton classed at Lubbock last week. Middling 37 per cent, Strict Low Middling 37 per cent, Middling Light Spotted 17 per cent and Strict Middling Light Spotted 6 per cent. Average staple length and micronaire declined as the percentage of stripped cotton increased. Staple length averaged 33.6 thirty seconds, or between 1.1/32 and 1.1/16. Approximately one-half of the cotton classed at Lubbock during the week started 11/16 and longer, but the percentage of inch and shorter cotton increased considerably as strippers began operations. Micronaire continued very close during the noon hour. As of Tuesday morning 17 absentee ballots had been cast in the Hospital District Election and 12 in the General Election. Although the two elections are being conducted on separate ballots, they are being held in conjunction with the same polling places, same time period and same day as a convenience to county voters. Separate election judges and clerks will serve in each election. Even though the elections are being held together, there is a difference in qualification of voters for the two. In the hospital election, only qualified voters who are listed on the county's tax roll may vote, while any duly qualified, registered voter may cast his ballot in the general election. In the hospital election, voters will be faced with two propositions. The first asks whether the voter is for or against the creation of a Lynn County Hospital District providing for the levy of a tax not to exceed 75c on the \$100 valuation and the second asks the same question concerning issuance of \$365,000 in bonds. In the general election, voters will have six proposed state constitutional amendments to decide upon.

Homecoming At New Home To Be Held On Friday

Final Approval Given Grassland Water Loan

A \$35,000.00 insured association loan to a group of 22 farm and rural families in Lynn County, to develop a water distribution system and storage facilities has been approved by the Farmers Home Administration, reports Bill Stewart, County Supervisor. The loan will enable the Grassland Water Supply Corporation to provide a dependable, safe water supply for the residents involved. Construction of the project will provide 600 man-days of labor for various types of skilled laborers and other day laborers. Some 15 (estimated) people will be employed in the construction of the water system. The system will be capable of delivering 10,000 gallons a day when completed. Stewart reports that rural... Homecoming Highlights Listed, C. A. Short Is Program Speaker

C. A. Short, Lubbock, a member of the honored class of 1947, was the principal speaker Friday afternoon at the annual Tahoka High School Homecoming program held in the school auditorium. As a highlight of the program, special recognition was given Mrs. Marcus Edwards and Mrs. JoAnn (Curry) Kukulka. Mrs. Edwards, a member of the Class of 1913, represented the earliest class in attendance while Mrs. Kukulka had traveled the greatest distance to attend the homecoming. A member of the Class of 1958, Mrs. Kukulka is a resident of Elmira, N.Y. Each received free passes to the Tahoka-Seagraves football game. Introduced by Joe Harvick, president of the Ex-Student Association, and also a member of the Class of '47, Short spoke on "Changes," naming many of the transitions which have occurred since his high school days. Short an employee of Southwestern Bell Telephone, participated in athletics in high school, was a paratrooper in the Korean war and is a pilot and sky diver. He is an accomplished "self-taught" musician and once had his own television show on a Lubbock station. In listing the changes of the past twenty years, Short pointed out that students of today are much more "mobile" than in '47 when autos were "kind of scarce and used '41s sold for as much as when they were new." Also noting the transition from radio to television, Short added that "everyone knows what the movies were like then... They've been on TV late-shows for years." Noting the difference in music, Short humorously commented that "then it was the swing, now it's the jerk, tomorrow it's the chiropractor." Returning to a serious vein, Short took a look into the future, commenting that he expected a tremendous change in communications and transportation in the next twenty years, adding that he believed television sets would become completely portable as radios are today. Also predicting rapid growth in commercial aviation, Short declined to comment on anything of the future, adding that with what people are wearing today, only a "first class idiot" would try to guess 20 years in the future. Commenting, "I never want to go back to the times I was reared in, with the depression and everything," Short listed remembrance of these "hard times" as a possible reason for why "we spoil our kids today." As a special word to the high school students, Short concluded with "Finish what you've started, finish high school... plan now what you want to be and above all, be a good citizen." Entertainment for the program was provided by the Tahoka High School Band which played three selections. Also on the program were Cliff Thomas, Student Council president, and Richard White, president of the Senior Class. Activities held during the afternoon following the program included a parade and pep rally downtown and a

Tahoka Travels To O'Donnell Friday

Tahoka's Bulldogs make their final road trip of the 1967 season Friday night, meeting county rival O'Donnell in a tilt which will begin at 7:30 p.m. The Eagles, winless in eight outings this season, are in the midst of another losing string, now having dropped 15 consecutive ballgames, carrying back into the 1966 campaign. But, despite their record, the Eagles have some talented players and according to observers, "should have won couple of the games they've played this year." Losses for the Eagles of new head coach Jeff Bearden, have included five shutouts, 48-0 by Plains, 35-0 by Sudan, 44-0 by Seagraves, 16-0 by

Misfortune For Local Family

Mrs. Douglas (Willie Ann) Haynes of Houston, daughter of Mr. and Mrs. Lee Shockley of New Home, and her family, certainly have had their share of bad luck recently. About two weeks ago, Willie had her purse stolen from her car when she stopped at the scene of a wreck. In the purse were her keys, gloves, credit cards, money, watch and a tear gas gun which she had been advised to carry for protection. Since her keys were in the purse, they had the locks changed on the doors. But, this week Willie was gone from the house about 45 minutes and returning found the door from the garage to the living room broken open and two TV's, a stereo, a full piggy bank, several guns and many other items gone. A truck or trailer had been driven into the garage and loaded.

Let Purina Range Chow Blocks... Turn those Stalks into Pounds

A lot of farmers run feeder calves in their stalk fields. But stalks and "down" corn don't provide the balanced nutrition the calves need to maintain their weight and condition.

Cattlemen are fast finding out that the easiest way to supply this nutrition is to feed protein-fortified Purina Range Chow Blocks. And here's why cattlemen go for Range Chow Blocks:

- Easy to handle—each block weighs 33 1/2 lbs.
- Saves time—feed about once a week.
- Highly palatable—cattle like them and eat them easily.
- Weather resistant—should hold together in all kinds of weather.
- Easy to store—long storage life, so order now for all winter.
- Gives equal chance to all cattle—smaller and timid cattle aren't crowded out.

Why deny your cattle the nutritional supplements they'll need while running in stalk fields. Call us right away and place your order for Purina Range Chow Blocks. They'll help keep your stock in good shape until you start 'em on full feed. And remember, if your cattle go into the feedlot heavier, they're bound to come out faster.

LOW COST PRODUCTION...
 the reason more cattlemen feed PURINA

Bill Griffin, County Agent, Says....

Norwin, a new variety of winter hardy oats, has been developed by the Texas Agricultural Experiment Station.

This is good news to farmers and livestock producers in the High and Rolling Plains areas of the state where Norwin has performed commendably in trial tests.

Under irrigation at Bushland, average yields for a three year period were 115.1 bushels per acre compared to 108.3 bushels for Cimarron and 98.4 for Bronco. Norwin was also the highest yielding variety over a four-year period in dryland trials at Chillicothe, averaging 26.4 bushels compared to Cimarron with 24.4 bushels and Wintok with 21.2 bushels.

Norwin produces forage for winter pasture rather quickly after seeding due to its erect growing seedlings. The new variety topped all others in forage production at Bushland and Chillicothe locations, its test weight is equal to the present commercial varieties of oats in the Rolling and High Plains.

Although an early variety, Norwin headed four days later than Cimarron and at about the same time as New Nortex. It produces relatively short plants with moderately strong straw, averaging 28 inches in height at Bushland under irrigation. This compares to 31 for New Nortex and 35 for Bronco.

Norwin is about as winter-hardy as Cimarron and Bronco but much more so than New Nortex. Although the new variety is susceptible to both leaf (crown) and stem rust of oats, conditions in the plains area will probably allow it to escape damage most seasons because of its earliness.

Seed for this new winter-hardy variety may be obtained from the Foundation Seed Section, Texas Agricultural Experiment Station, College Station. Registered and certified seed may be obtained from growers and commercial seedmen after the 1967 harvest.

BY BILL SALTER

After shutting out Seagraves for three full quarters, Tahoka's Bulldogs fell prey to a "big play" final stanza which saw the Eagles put two touchdowns on the board to escape with a narrow 13-10 win, spoiling an otherwise perfect THS homecoming.

Ranked first in statewide Class A polls, Seagraves left the game with more than a few feathers ruffled after the Bulldog offense and defense combined to completely dominate the statistics through the first three periods.

Taking the victory on the basis of a 63-yard scoring bomb which, in fact, was the Eagles' only pass completion of the night, Seagraves still had to fight off a stubborn Bulldog passing attack in the closing moments of the game which came close to marching Tahoka in for a final go-ahead tally.

With the win, the Eagles advanced their season record to 8-0 and are now crowned with at least a tie for the 5-A crown which they defend. Only Coahoma remains on the Seagraves conference slate.

The loss marked the second straight week the Bulldogs have had victory within their grasp only to have last-minute rallies give their opponents victories by the slimmest of margins. And, that margin (only five points) has eliminated the Bulldogs from the 5-A title picture.

But, from a minute-and-a-half deep into the first quarter until the beginning of the final period, Tahoka apparently had the game tuned in on their channel.

Starting from their own 20 yard line after the opening kick bounced into the end zone, Seagraves surrendered the ball back to the Bulldogs on their second play from scrimmage as Billy Curry pounced on an Eagle fumble at their 19-yard line.

Five plays later, including a 15-yard holding penalty to wipe out a gain to the Eagle six-yard line, the Bulldogs settled for a field goal as Cliff Thomas split the uprights from the 20-yard line with Charlie Brown holding.

Line of scrimmage for the boot was the Seagraves 14-yard stripe.

With 10:31 showing on the clock, Thomas boomed the ball into the end zone for the second time of the night, giving Seagraves another change from their 20.

But, with a 3-point margin to protect, Tahoka defenders combined to make the going tough for the Eagles who were never allowed across the middle field strip in the first half.

And, tough going it was as the Bulldogs continually cracked down upon the high-flying Seagraves offense which had scored 221 points going into the game. Limiting the Eagles to three first downs in the first half and only 66 yards in total offense.

After the ball swapped hands three times, Tahoka found themselves back in possession on their own 26-yard line just before the start of the second quarter.

From that point, the Bulldogs cracked off 61 yards in 17 small chunks, including one Seagraves penalty for a personal foul, before being halted at the Eagle 13.

At that spot, facing fourth down and nine yards needed after a reverse play was stopped for a four-yard loss, the Bulldogs tried their second field goal of the night.

appeared to be heading directly on target, only to spin off to the left, narrowly missing the uprights.

Three exchanges later, after the Bulldogs had stopped Seagraves cold for the fourth and fifth times of the night, Tahoka mounted another drive which carried 31 yards before being ended by the halftime gun.

Statistics at the end of two quarters showed Tahoka had run 37 offensive plays compared to 20 for Seagraves (not counting punt or penalty plays for either team.)

And, Tahoka had racked up seven first downs while allowing the Eagles only three and had penetrated the Seagraves 20-yard line twice without allowing their opponents to cross the 50-yard line.

Total yardage for the first half included 109 (87 rushing, 22 passing) for Tahoka and 66 steps for Seagraves.

And, after the intermission, the trend was picked up in the same general pattern for the third quarter, but changed as the game entered the final period.

In the third quarter, Tahoka was unable to move after receiving the opening kickoff, Thomas punting out to the Seagraves 15-yard line.

On the Eagles second play from scrimmage in the half, fans received somewhat of a preview of things to come in the fourth quarter as Seagraves, for the first time in the game, spring a member of their much publicized backfield.

Slamming through the right side of his line, 200-pound Senior Fullback Mike Bagley raced 49 yards to the Tahoka 32 before being overhauled from behind by Charlie Brown.

Pickup up six yards on their first two attempts from that point, the Eagles were penalized for illegal procedure on third down, then fumbled away three more yards on the down replay.

Gambling on fourth down and needing 12 yards, Quarterback Jerry Hoover's pass was picked off at the Tahoka four-yard line on a leaping grab by the Bulldogs' John Tyler.

Despite the fact that the Bulldogs would have been 30 yards further up field had the pass been allowed to fall incomplete, fans who were pointing out that fact soon found that it made little difference.

Tahoka marched out of the hole to their own 29-yard line in seven plays, then stood the crowd on their feet with a spectacular 71-yard scoring effort from Thomas.

On second down needing seven yards, Thomas headed around his right end on a sweep, cut back to the left to take advantage of a couple of timely blocks and upon shedding two would-be tacklers, burst into the clear.

Winning the race on a diagonal path to the southeast corner of the field, Thomas sped across the goal line, then kicked the extra point which gave Tahoka a 10-0 edge with 3:39 remaining in the quarter.

After the kickoff, Seagraves tried three plays, one going for another illegal procedure penalty, before Tyler snatched his second Eagle aerial of the evening.

But, despite the opportunity, Tahoka still lacked a yard on fourth down from the Seagraves 48, Thomas punting to the Eagles' 19-yard stripe.

jaunt just before the quarter changed, Seagraves first found the scoreboard with 10:25 remaining in the game after a fourth down gamble paid off.

Needing three from the Tahoka 43, Seagraves got six instead, then seven, both by Bagley, before Halfback Dean Allen ripped off 28 yards around his right end for the score.

Allen's running attempt for a combined effort from the right side of Tahoka's defense line, leaving the Bulldogs with a sufficient 10-6 advantage, providing nothing out-of-the-ordinary happened.

But, from then on, the cards fell only in the direction of Seagraves.

After the kick, Tahoka picked up one first down, but a gain lacked a single yard on fourth down on their second series, punting out from their own 46 to give Seagraves possession from their own 20 after the kick carried out of the end zone.

After three plays, one a penalty, Seagraves needed nine yards for a first, Allen picking up 11 yards to give the Eagles a fresh start as the Bulldog defense failed to hold in perhaps the most critical play of the game.

Two plays later, Quarterback Billy Flemmons executed a perfect fake into the line, causing Bulldog pass defenders to commit themselves towards the line of scrimmage, only to have Flemmons toss an one-the-dot aerial to Allen who zig-zagged down the west sidelines for 63 yards and the winning touchdown.

Dick Webb kicked the extra point to send the tally to 13-10 with 5:03 left on the clock.

Then, kicking off for Seagraves, Webb's first boot rolled out of bounds on the Tahoka 29, the Bulldogs choosing to have him try again.

Also short, the kick was fielded at the Bulldog 41 by a Tahoka player, a fumbled resulting in the process with Seagraves' Dalton Taylor coming up with the ball, denying Tahoka the excellent field position which would have resulted.

Determined to get the ball back, Tahoka proceeded to do just that with the help of a 15-yard penalty and heads-up defensive play which thwarted a fourth-down Seagraves gamble.

Taking over on their own 32-yard line with less than three minutes to play, Tahoka went to the air, Tyler hitting Chris Roberts for a nine-yard gain on their down to move the ball

to the 36 after a five-yard penalty and an incomplete.

Needing six yards for a first and facing fourth down, Tyler called on Roberts again, hitting the Senior End with a 10-yard strike which he came up with despite having to snatch the ball from the hands of a Seagraves defender as the two fought for possession.

An incomplete fell on first down before Tyler connected with Brown for a gain just shy of ten yards, then hit Roberts on a two-yard pass for a first down at the Seagraves 42-yard line.

From that point, two passing attempts went incomplete before Thomas snagged an aerial from Tyler good for seven yards, setting up fourth down needing three from the Seagraves 35.

Fading as if to pass, Tyler hoped to catch the Seagraves defense napping as he handed off 46—Thomas on the draw, only to see the Senior halfback swarmed by a host of red jerseys for a three-yard loss, ending the drive and writing the finish to the game as the supposedly number one team in the state was content to run out the clock by falling on the ball, happy to escape by the "skin of their teeth."

Leading all rushers in the game was Cliff Thomas with 149 yards on 22 carries, plus adding 29 yards on two pass receptions. The game marked the cracking of the 1,000 yards rushing barrier for the Senior halfback who now has totted 1,073 yards on 165 carries for a 6.5 average.

Number two ballcarrier for Tahoka was Larry Arnold with 52 yards on 14 attempts.

Leading Seagraves in rushing was Mike Bagley with 148 yards on 22 carries, followed by Dean Allen with 82 yards on 14 attempts, plus the 63-yard pass.

Commenting on the game, Head Coach Jerry Taylor, said, "I think the Bulldogs played their hearts out and gave all they had, this is all you can ask. There was good over all effort on the part of every member of the team, we are proud of them all."

Garden Club Flower Show Held Here Last Thursday

The Tahoka Garden Club marked completion of another successful Fall Flower Show last Thursday, the 17th annual event being praised as one of the best in recent years.

With a general theme of "This Is My Country," the show drew an attendance of more than 100 persons who viewed the entries in two divisions, floral arrangement and horticulture, all on display at the Lyntegar Board Room.

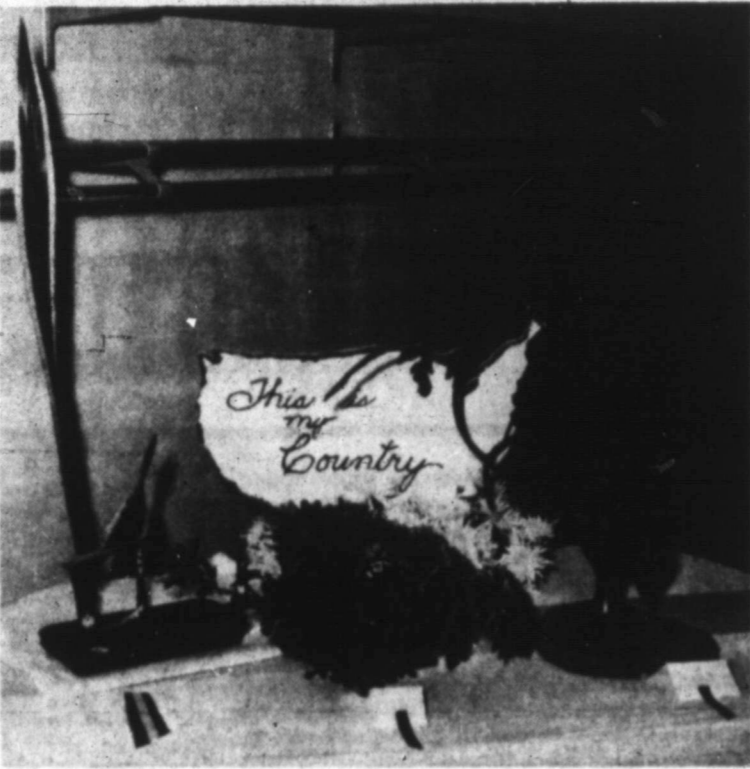

Overall winner in the arrangements division was Mrs. R. M. Stephens, Rt. 1, Tahoka, who received the "tri-color" award. To qualify for the award, an entrant must win three blue ribbons in the show.

Mrs. Stephens, who won four blue ribbons, received the tri-color honor on the basis of an entry entitled "Columbus Sailed," depicting a ship at sea.

Receiving the gold ribbon for the best entry in the horticulture division was Mrs. O. A. Crotwell, Tahoka, who exhibited a prize dahlia.

General chairman of the show was Mrs. Natt Park, with Mrs. R. M. Stewart designing and making the attractive posters which separated the floral arrangements division. Mrs. H. R. Tankersley is president of the local club.

Blue ribbon winners in the contest, listed by their respective division were:

Rebekah Lodge Plans Mexican Food Supper

By Leona Waldrip

At the regular meeting of Tahoka Rebekah Lodge on Tuesday night, sixteen members were present, Noble Grand, Evelyn Burr, presided and it was decided to sponsor a Mexican Food Supper on Friday, November 10th at the Community Center.

Doors will be open at 5 p.m., and serving will continue until game time. The public is invited to eat with the Rebekah's on that night and then attend the last home football game. Tickets are \$1 for adults and 50¢ for children under 12 years old, and may be obtained from any member. All food served will be "home-made".

Odd-fellows and Rebekah's recently bought the old "Church of Christ" building just east of the Applewhite building. It will be remodeled for a lodge hall. Proceeds from the supper will go into the building fund. Next regular meeting will be November 14 at 7:30 p.m.

Clara Autry Will Marry

Mr. and Mrs. G. L. Autry announce the engagement of their daughter, Clara Jean, to Charles D. Shaw, son of Mr. and Mrs. Edgar Shaw, O'Donnell. Wedding plans have been made for Friday, Nov. 3, at 8 p.m. in Berry Flat Baptist Church, five miles south of Draw. Rev. Raymond J. Walker, Post will officiate at the double ring ceremony.

All friends are invited to attend the wedding and reception that will follow in the church fellowship hall.

Couple Plan December Vows

Mr. and Mrs. Royce E. Ball, 4411 32nd St., Lubbock, have announced the engagement of their daughter, Miss Carole Yvonne White, to Garland Booser, Jr., son of Garland Booser, Sr., and the late Mrs. Booser, of Shallowater.

The couple plans to marry December 22 in the First Baptist Church of Shallowater.

Miss White is a graduate of Slaton High School and attended Texas Tech. She is employed by Texas Farm Bureau Insurance Co. Booser is a graduate of Wolforth High School and is a senior student at Tech.

Rainbow Girls Are Reminded Of Events

Mrs. Walton Terry, Rainbow Mother Advisor, lists the following reminders for local Rainbow girls:

Monday, Nov. 6 - Be at Methodist Church Fellowship Hall at 5 p.m., don't forget to bring a salad.

Ann Davis, CHDA Says:

Want to save money on laundry days? Do you want longer life from garments to save pennies on clothing? As a part of Consumer Education Week, Nov. 6-10, Mrs. Ann Davis, CHDA, and Mrs. Xie Collins, Southwestern Public Service Home Advisor, will present a program on laundry practices Nov. 8, at 10 a.m. at Lyntegar Meeting Room.

New fabrics, fabric softeners, water conditioners, detergents, soaps and bleaches will be emphasized. Water temperature plays an important part in caring wash and wear and synthetic fibers and instructions on temperature will be included.

Many a house wife looks at her clean wash to find if it is yellowed or grayed or stained remained in the fabric. Causes and cures will be discussed. Each woman is asked to bring an article which has been bleached Mrs. Collins will test the fabric to see if bleach remained in after the rinse cycle. Bleach often causes holes to wear in the fabric prematurely. All homemakers in the county are invited to attend the meeting.

Total college expenses are climbing and part of this may be found in the coed's closet. A recent survey said a woman's wardrobe costs from \$200 to \$500. Incoming freshmen buy more than upperclassmen.

It's an old wives' tale that meat should be thawed before cooking. You can cook frozen or thawed meats with equally good results according to your county agent. But a reminder: a large frozen roast may take as much as one and one-half times as long to cook as a thawed-out cut of the same weight and shape.

Don't dry clean your electric blanket—the fluids can damage the insulation on the electric wiring. Follow the laundering directions that come with the blanket. They usually suggest short wash, rinse and spin cycles. Don't dry the blanket in a dryer, says your county agent.

Take you long to use ice cream? It will keep longer in your home freezer if you wrap the ordinary waxed cardboard cartons in heavy aluminum foil.

Today's girl will find life very different from that of her grandmother and even her mother. When today's grandmothers were born about 1900, the life expectancy of a baby girl was 48 years.

In 1920, only 20 percent of 17-year-old girls graduated from high school. In 1965, 74 percent of that age girls graduated from high school.

The average woman worker in 1920 was single and 26 years old. Today's average woman worker is married and 41 years old.

Swinson, Rudd Announce Nuptial Date

Mr. and Mrs. F. R. Swinson of Rt. 5, Tahoka, have announced the engagement and approaching marriage of their daughter, Rebecca June Swinson, to Don B. Rudd, son of Mr. and Mrs. E. M. Rudd of Rt. 1 Wilson.

The couple plan to marry January 6th in the Lakeview Baptist Church in Lakeview. Miss Swinson is a 1966 graduate of New Home High School and a 1967 graduate of Jessie Lee's Hair Design. She is employed at Jessie Lee's College Avenue. Don B. Rudd is a 1965 graduate of New Home High School and is employed at Bowler's Butane, Inc. in New Home.

O'Donnell FHA Tasting Supper Is Slated Nov. 3

O'Donnell FHA Girls will sponsor a "Tasting Supper" November 3, at the O'Donnell School Cafeteria starting at 5:30 prior to the ballgame between the Eagles and the Bulldogs.

Everyone is invited to attend. Tickets will be sold at the door and will be \$1.25 for adults and 75¢ for students and pre-school children.

Births

Mr. and Mrs. Charlie McAden, Austin, are the parents of a son born at 2 a.m., October 29, weighing 8 lb. and 2 oz. Grandparents are Mr. and Mrs. W. T. Kidwell, Tahoka and Mrs. McAden, Austin. Greatparents are Mr. and Mrs. O. L. Kidwell and Mrs. Ethel Rogers, all of Tahoka.

Mr. and Mrs. Acundo Hira-cheta, Tahoka, are the parents of a daughter born at 10:09 a.m., October 29, in Methodist Hospital, weighing 7 lb. and 7 oz.

Residents Ask For Cleanup Of Tahoka

October 30, 1967
Editor of The Lynn County News
Tahoka, Texas
Dear Sir:
We would like to call something to the attention of the Citizens of Tahoka. Why can't we clean up our town where we can be proud of it?
We have abandoned houses, buildings and vacant lots that have weeds and litter as high as five and six feet. Some have not had any weeds cut on them for ten years or more.
These abandoned buildings and overgrown lots are fire and health hazards. This is a disgrace to our town. Where is our pride?
Have you taken a good look at our town lately? We believe that if you will take the time to look around, you will agree it is time we cleaned up our town.
Maybe then we can say we are proud to live in Tahoka, the

"cleanest town on the South Plains."
Yours truly,
Mr. and Mrs. O. B. Corley, Mr. and Mrs. Gale Hartman, Mrs. Dovie Isbell, Mr. and Mrs. Royce Bevers, Mr. and Mrs. Rubin Gandy, Mr. and Mrs. Grady Herrin, Mr. and Mrs. H. L. Duckett, Mr. and Mrs. Orville Havens, Jerry Slover, Mr. and Mrs. Edgar Roberts, Mr. and Mrs. Bill Sticke, Mr. and Mrs. J. E. Redwine, Mr. and Mrs. Bert Stevens, Mr. and Mrs. Dub Gurley, Mr. and Mrs. Winford Craig, Mr. and Mrs. Willis McNeil, Carroll Best, Mr. and Mrs. Travis Inman, Mr. and Mrs. Duwaski, Mr. and Mrs. Lonnice Isbell, Mr. and Mrs. Hilton Wood, Mr. and Mrs. Ed Hamilton, Sherry Tiley, Shirley Sappington, David Cowart, Mr. and Mrs. Albert Curry, Mr. and Mrs. M. G. Ehlers, Mary Shearer, Sandra Behrend, Mr. and Mrs. M. R. McDonald, Mr. and Mrs. John Guthrie, Mr. and Mrs. E. R. Bertreux, Mr. and Mrs. J. L. Kizziar, Mr. and Mrs. Jerry Knight, Mr. and Mrs. P. G. Parker, Mr. and Mrs. M. M. Hall, Mr. and Mrs. L. D. Harston, Dalton Morgan, Mrs. Elmer Lindsey, Mr. and Mrs. A. G. Cawthorn, Mr. and Mrs. Ramon Montemayor, Wendell Inman.

Savings Bond Total Listed

According to a report received from F. B. (Pete) Hegi, Chairman of the Lynn County Savings Bond Committee, September sales of United States Savings Bonds in the county totaled \$3,111. The January-September 1967 sales in this county totaled \$59,957 and this is 37 per cent of the 1967 goal of \$160,000.
Sales in Texas for the first nine months of 1967 totaled \$24,317,427. Of this amount \$12,375,256 were purchased during September. The 1967 goal for Texas is \$181.3 million and 69 per cent of the goal has been achieved.
Over the Nation, the sale of the new Savings Notes available only to regular buyers of Series E Savings Bonds totaled \$11.7 million in September bringing the cumulative total to \$26.7 million since May, 1967.

BECKY JACOBS

Becky Jacobs Is Honored At BHS

Becky Jacobs, 14, formerly of Tahoka, has been selected by her freshman class at Bovina High School as its "best all-around girl."
An all-around girl and boy from each high school class is featured in the school annual.

HOMECOMING

(CONT. FROM PG. 1)
ed by the Senior Class Mothers.
A highlight Thursday night was the annual homecoming bonfire which drew a large crowd with cheerleaders on hand to conduct a brief pep rally.
Big event of the homecoming was the Seagraves-Tahoka football game Friday night which drew a near capacity crowd estimated at well over 2,000 persons.
Following the ballgame, an ex-students reception was held at the Lyntegar Board Room with a record number in attendance.
During the business session conducted at the reception, new officers of the Tahoka Ex-Students Association were elected.
New president is Finis Botkin, who will be assisted by Lura Mae Hancock, vice president; Mrs. James (Joy) Brookshire, secretary; and Mrs. T. E. (Laquita) Leverett, reporter.
Members of the honored Class of 1947 who were present at the reception and for homecoming were H. R. Tankersley Jr., C. A. Short Jr., Joe Harvick, Donal Akin, Faye (Johnson) Leverett, Francis (Jolly) Leverett, Bill Dorman, James Barrington, Dolores (Nowlin) Webb and Rilda Beth Wood.

Lamesa Attorney Speaks Thursday At Rotary Club

Stansell Clement, Lamesa attorney, was guest speaker at Tahoka Rotary Club Thursday and told of the organization, operation, and purposes of Interact Clubs, for which he is chairman for Northwest Texas.
These clubs are for high school boys, are sponsored by Rotary Clubs, and are designed to develop leadership citizenship, individual and community responsibility, and better international understanding.
Clement said there now are 38 Interact Clubs in Texas high schools, 600 in the world with 25,000 members, and interest seems to be growing in the movement.
Pete Hegi was in charge of the program and introduced the speaker.
Maurice Small presided in the absence of the president and the vice president, Harold Reynolds and Garland Thornton, respectively, who were attending a Rotary conference.
Roy B. Howard of Crosbyton has been here this week visiting his sisters, Mrs. Harley Henderson and Mrs. Frank Hill.

Clement said there now are 38 Interact Clubs in Texas high schools, 600 in the world with 25,000 members, and interest seems to be growing in the movement.
Pete Hegi was in charge of the program and introduced the speaker.

LETTERS TO THE EDITOR

Dear Editor:
I would like to urge the voters of Lynn County to go to the polls and vote for our county hospital on November 11. Let's keep our tax money in Lynn County.
First, we need a hospital for Lynn County because a very patient we send from this county to some other county or city takes money out of our county and helps other cities and counties.
Second, if we get a hospital here, it will not only help the ones who need hospital care, but will help our business places.
Yes, it will raise our taxes some, but, I for one, would rather keep our money in Lynn County than send it to some other county in order to give the people of Lynn County the hospital care they need.
So, let's get on the ball and get a Lynn County Hospital and keep our taxes in Lynn County. (Name Withheld At Writers Request)
Billy Wallace, who was here last week for Homecoming, is teaching science in Magdalena, N. M., high school. He is a graduate of West Texas State.

Fertilizer Meets To Be Held In November

Some of the top authorities in the field of education and research will discuss soil fertility and fertilizers at a Fertilizer Dealers Short Course to be conducted on the South Plains during November and December.
According to County Agricultural Agent Bill Griffin, information on fertilizer needs for the area and pertinent fertilizer research findings will be presented.
Featured speakers at the short course include Dr. Eugene A. Coleman, associate professor of agronomy, Texas Technological College; Dr. Arthur Onken, assistant professor of soils and fertility at the South Plains Research and Extension Center; and John Box and Jim Valentine, agronomist and area soil chemist, respectively, with the Texas Agricultural Extension Service.
Coleman will discuss nitrogen's role in crop production while Onken's presentation will center around phosphorus response and the reactions of phosphate materials in West Texas soils.
Information on soil-plant-water relationships as they affect production and response from fertilizer will be provided by Box.
Valentine's comments will concern how to diagnose nutrient deficiencies and a rundown of the secondary and micronutrient situation.
Schedule for the series of two meetings is as follows: Dimmitt, High School Cafeteria, November 13, 7; Plainview, Alcové Restaurant, November 14, 2; Levelland, Chat and Chew Cafe, November 16, 30; Lamesa, Forrest Park Community Center, November 17 and December 1.
Initial meetings at each location will begin at 7:30 p.m. with the second meeting starting at 6:30 p.m.
Griffin encourages all fertilizer dealers, agency personnel, County Program Building Committee members, producers and other interested individuals to attend the short course at the nearest location.
Registration fee is \$5, adds Griffin, and will be collected at the first meeting. The fee includes a notebook of the proceedings and a dinner at the final meeting.

Schedule for the series of two meetings is as follows: Dimmitt, High School Cafeteria, November 13, 7; Plainview, Alcové Restaurant, November 14, 2; Levelland, Chat and Chew Cafe, November 16, 30; Lamesa, Forrest Park Community Center, November 17 and December 1.

Attention To Bulldog Parents

Local Men

Return From Hunting Trip

Jimmy Bragg, Edward Pool, David Massey, D. L. Miller, Printice Brasher and friend from Brownfield returned home Thursday, after spending about 10 days hunting at Lake City, Colorado.

They reported the hunting to be very good, as there was about 1 1/2 feet of snow on the ground. The six men killed 5 deer.

Roy White, Willis McNeil, Carroll Best, and Royce Bevers returned home Saturday after spending nine days hunting in Pagosa Springs, Colo. Rosco Tredway, Seminole, former Tahoka resident and two friends met the group there. They reported the hunting to be very poor as White was the only one to kill a deer. The weather was very dry there.

SCHOOL MENU

The Tahoka School menu for next week is as follows:

Monday- Pinto beans with pork, rice with cheese sauce, mixed greens, carrots and raisin salad, cornbread, peanut butter cookies, milk and butter.
Tuesday- Meatloaf with ketchup, buttered potatoes, buttered carrots, sun-glow salad, raisins, rolls, milk and butter.

Wednesday- Turkey and dressing, giblet gravy, English peas, cranberry sauce, biscuits, pineapple upside-down cake, milk and butter.
Thursday- Texas hash with cheese, green beans, cream potatoes, cabbage salad, chocolate pudding, milk and butter.

Friday- Cheeseburger, onions, lettuce and pickles, baked potatoes, raisin cake, milk and butter.

Monthly Meeting Slated For PTA

"Youth Responsibilities for a Better Neighborhood" will be the subject of a panel discussion to be presented at the November meeting of the Tahoka PTA on Tuesday, November 7, 1967, in the school cafeteria at 7:30 o'clock.

Mr. James Hollars, Music and Education Director of the Tahoka First Baptist Church will be the moderator and the panel will be comprised of a representative group of adults and young people. Mr. Hollars has worked with young people and has an understanding and awareness of their problems. He also has a quick wit and will have a ready answer for questions that may be submitted.

Child care will be provided and refreshments will be served immediately after the meeting. Y'all come!
