TAHOKA, LYNN COUNTY, TEXAS, JUNE 4, 1981

12 PAGES IN ONE SECTION PLUS INSERT

COOLING OFF--The weather has been warm lately and with the swimming pool now open in Tahoka, a lot of folks are finding a good location for cooling off, getting a tan and just playing. At left Mistle Cook, Kimberley McMillan and

Cloey Chaney are relaxing by the pool. In the center photo, Sarita Handy helps Danny Hart get into the water in a hurry, and at right Monty Witt is sprawled out by the board while Shannon Simpson stays close to the bank, but in the water. The pool is open for adult swimming only from noon to 1 p.m. Tuesday

through Saturday, and for everyone from 1 p.m. to 6 p.m. Tuesday through Sunday, said manager Leta Pierce. Admission is \$1 for adults and 75 cents for children under 6. Private parties may be arranged with Mrs. Pierce, 998-5303. LYNN COUNTY NEWS PHOTOS by Danette Phillips

Street Repair Bid Let; TV Rate Hike Delayed

BY RAY CAIN
The Tahoka City Council met this Monday and opened bids on the city street repairs. The council voted to award the contract to W.D. Turner Construction Co. of Lubbock. They submitted the low bid of \$53,800 and completion date of no later than Sept. 1, 1981.

Also on the agenda for the Monday evening meeting was considering the proposed rate increase for Beta Communications, operator of the cable television system in Tahoka. The council asked Jim Strange of Beta Communications if they approved

the proposed \$2 per month increase if this would provide Tahoka with another channel. Strange said that this increase would not be sufficient to assume another channel because of the increased cost of cable, hardware equipment and interest rates.

If Beta Communications was granted the \$2 rate increase at this time there is the likelihood of a request for another \$1 increase in six months to take care of an additional channel at that time, Strange said.

An alternate proposal made by Strange was to ask for a \$3

rate increase now, saying that would insure Tahoka of another channel, probably a sports channel, which would be on the air in approximately 60 days. This amount of increase would take care of the operating costs now and expense of the new channel, Strange said.

The council decided to take both proposals into consideration and said they would get back with Beta Communications at a later date. Some action on a rate increase proposal is anticipated at the council's July 6 meeting.

The community center was another topic of discussion at the council meeting. The problem is that during some of the functions which are held there, the building is too small to accommodate everyone safely. The council indicated it may limit the number of people at the center and would go on the recommendation of the fire marshal.

WOODWORK

by dalton

JUST ABOUT every place on the South Plains has had some good rainfall in the last week or two, and how beneficial it all will be depends upon who you ask.

Those who got a lot of rain and no hail are quite pleased with the crop outlook, and those who saw hail wipe out young cotton are facing the tedious and expensive task of replanting.

The sad thing about spring rains in this country is that we just don't seem to get rain anytime without getting some hail along with it, at least in a few spots. Hopefully most of the folks who farm will be able to escape serious hail losses and hopefully those who already have been hit will be able to salvage something good from this year's crop.

My wife's brother has been a property claims adjuster for the last 10 years and he recently quit doing this fulltime. However, he was called back into service to help adjusters after a major hailstorm in the Dallas-Grand Prairie region. He said it was the worst hail damage to homes he ever had adjusted or seen.

Some of the hailstones were described as being "grapefruit size" and judging from the damage, they may have been. He said the hail went through some roofs, through the decking and ceiling and struck the floors. He also said some cars actually had holes in the metal where the hailstones struck, and he noticed one badly damaged although it was inside a garage.

That kind of hail would not only wipe out crops, it would wipe out people, if any were caught out in it.

But for all of you who farm, I suggest you not worry about the threat of hail. Get hail insurance, if you can, but at any rate, worrying about the possibility of hail won't turn away a single stone, and remember that most of the things that people worry about never happen.

Farming is, of course, an uncertain occupation, but I have looked at the farming situation for many years and now have come up with what I consider

Two Burglaries Listed In City

Two burglaries were reported in the city of Tahoka this past week.

On Sunday night or early Monday morning a window was broken out at McCord Motor Co. Four quarts of oil and a battery from a truck were stolen.

Another burglary Monday night or Tuesday morning occurred at the AMS Blacksmith Shop in which thieves got away with three or four oxygen and acetylene bottles.

In nearby Dawson County two suspects were arrested in connection with a burglary at the residence of Ben Gilliam who lives about three miles south of O'Donnell.

The two suspects, Joe Ricardo Cantu of Lubbock and San Juan Garcia of Lamesa were chased by Lynn County Sheriff's deputies, the Highway Patrol and Dawson County Sheriff's deputies. The suspects were apprehended about 31 miles south of West Point on FM 179 Sunday night.

The suspects were charged with burglary and were returned to Dawson County.

a good formula for successful farming. Here's the way to do it:

First, of course, you acquire some good land (it's better to inherit it than to buy it). Then you learn everything you can about agriculture, from others who have been in it for years, by going to college if you can, and by reading a lot. Then you get some good seed, good equipment, and apply all the best farming principles you know. Then you strike oil.

It almost never rains out an oil well, so I figure this has to be the wisest thing you can do in the farming business.

LIGHTNING STRIKES--During the thunderstorm last Thursday evening lightning struck this tree at the Tubb elementary school in Tahoka. (LYNN COUNTY NEWS PHOTO)

Heavy Rains, Hail Hit O'Donnell Area

Storms which have persisted over the Lynn County region for the last several days continued to provide

both moisture and misery Tuesday as heavy rains accompanied by golfball-size hail put U.S. 87 south of O'Donnell under nearly four feet of water and also did some flood damage in that city.

More crops were destroyed in the O'Donnell area, and others in the county have been hailed out in recent days, adding to the expense of the upcoming crop year as some will have to replant.

The highway south of O'Donnell was closed for a time Tuesday, leaving about 25 motorists stranded until the water subsided about 8 p.m.

Lynn County Sheriff Stanley Krause who worked the flooded highway near O'Donnell said his five officers were aided by Dawson County officials in directing traffic around the flooded areas of U.S. 87.

Krause said there were no injuries but tow trucks from Tahoka and Lamesa as well as several private four-wheel drive vehicles were needed

to free motorists and their stranded vehicles.

Power lines around O'Donnell were downed. Hail damage to residences and crops was reported from about 15 miles west to 15 miles east of O'Donnell in a strip about four miles wide, north to south. In some areas hail was piled four inches deep and in drifts of up to 18

Tenants Moving Into New Housing Project

Tahoka's newest 24-unit housing project has been completed and tenants are now moving in, according to John Fisher, executive director of the Housing Authority of the City of Tahoka. This brings to 74 the number of public housing units in town.

The Federal-financed \$870,000 housing project is designed principally for low-income families, but the brick buildings will compare with many of the better homes in Tahoka.

Actually the project is built in two locations, a 16-unit group named Windham Heights near the west end of South First Street, and Pioneer Plaza, consisting of eight units, located on west South Third Street.

Construction of this latest project is designed to ease the demand for rent houses in Tahoka. As with previous similar housing projects here, this one is designed to pay out in time on a low-interest Federal loan.

The Windham Heights ranges from two bedroom apartments to four-bedroom

houses with carports and driveways. Pioneer Plaza has six one-bedroom units, and two "no bedroom" units. Two of the apartments are designed for handicapped people.

There have been a total of 65 applicants seeking approval for rent, but some have failed to qualify and some have withdrawn their applications. Several units are yet to be rented. Fisher says the street adjacent to the Windham group project has been paved.

Members of the Housing Authority are Horace Rogers, chairman, Eldon Gattis, W.H. Eudy, Attorney Harold Green, and Mrs. Mabel Gurley.

First projects of the Authority were the 14-unit brick houses erected in the 1960s, and more recently remodeled. These are the 6-unit Parkview Terrace on west South Seventh Street, the 4-unit Monterey Plaza in Southeast Tahoka, and the 4-unit Dunbar Homes in Northeast Tahoka.

Another, built later in the 1960s Golden Age Manor, consists of 12 units for people age 62 or older and permanently disabled, located on South Second west of the post office.

An entirely different project, available to anyone at moderate rent prices, is the 24-unit rent house project on North Seventh Street in

Northwest Tahoka, which originally was of 12 units and to which 12 more units were completed last year. This project was built, on a loan from Farmers Home Administration, by Tahoka Industrial Housing Association, of which Dwain Lusk is chairman and Jim Solomon is the manager.

Blood Drive Set June 15

A Blood Drive will be held Monday, June 15, from 4 to 8 p.m. in the fellowship hall of the First United Methodist Church in Tahoka.

Anyone between the ages of 17 and 66 are generally accepted as blood donors.

The current requirement for blood in this area is more than 1900 units of blood per month.

FROM THE ACEA'S DESK

By Brent Drennan

4-Hers GET HEAD START ON WHEELS

Getting a driver's license is a big step in the life of any teenager. And 4-H "wheels" can help make that step a lot easier to take, says Brent Drennan, county agent with the Texas Agricultural

Extension Service. The "Wheels" pre-driver education course is part of the National 4-H Automotive Program conducted by the Cooperative Extension Service and supported by The Firestone Tire & Rubber Co. Up to 12 Wheels sessions

give young people 14-16 intensive instruction in all aspects of driving except actual behind-the-wheel training. The course now reaches 43,000 youths annually.

"Wheels" participants learn about their responsibilities as drivers, how using the family car will affect their parents' insurance rates, and what makes an automobile run. Their instructors are community volunteers—businessmen, safety officials and mechanics. "Classrooms" may be garages, auto dealerships, tire centers, police stations or anywhere there is automotive action. Several states offer 4-H "Wheels" in the schools.

Practical and technical know-how are stressed in all 4-H automotive projects and activities. 4-H members learn-by-doing about highway safety, traffic and motor laws, basic auto maintenance, and the economics of buying and operating a car.

They also explore vocational opportunities in automotive engineering, design, assembly and sales.

Automotive program members can earn awards donated by Firestone and arranged by the National 4-H Council. Recognition includes eight national scholarships of \$1,000 each, an expense-paid trip to the National 4-H Congress in Chicago for one member per state, and four medals of honor in each county.

Up to 10 certificates per state are awarded to clubs or counties that report outstanding overall 4-H automotive programs. As many as two clubs or counties per state can win plaques of honor for outstanding automotive driving events. Winning clubs, counties and individuals are chosen by the Cooperative Extension Service.

Firestone also sponsors automotive safety and care events at the Western U.S.

4-H Engineering Event in Omaha, Neb. For the first time this year, top individuals in the automotive events will receive shares of stock in the company. More information on the 4-H automotive program and the "Wheels" course is available from the county Extension office.

VOLUNTEERS INSURE 4-H SUCCESS

Volunteers from all walks of life and all backgrounds contribute their valuable time to the 4-H and youth program of the Texas Agricultural Extension Service, thus insuring its success.

According to the National Center for Voluntary Action, one out of ever four adults volunteered for some type of volunteer service last year, spending an average of 22 mandays a year in volunteer work. More than one-third of volunteers served at least once a week.

The Texas 4-H and youth program reports that more

than 22,000 teen and adult volunteers served as 4-H group leaders last year. Based on the minimum wage, their three hours of volunteered time per week amounted to more than 14 million, points out Drennan, county 4-H program coordinator for the Extension Service.

How can volunteers be effectively recruited?

The potential volunteer needs to feel that he or she can do the job. Volunteer jobs should be within reach of a person's abilities and knowledge. The volunteer should also feel that no one else could accomplish the job as well, so the task should fit in easily with hobbies, talents or interest.

Sharing the personal satisfaction and benefits that come from rewarding volunteer work will insure the volunteer's continued success and confidence in the job.

Letter To Editor

Letters to the editor do not necessarily express the views of this newspaper. All correspondence must be signed, and in good taste before it will be published, and the name of the writer must be published also. Letters to the editor must not be more than two double-spaced typewritten pages.

To those of us willing to learn, Lennie Cox gave a great deal. Although a dangling participle has long since become indefinable to some of her former students, there are many of us who after two years of studying grammar and writing in her classroom developed a "feel" for the language. Not stopping to think of the debt we owe her, we write hundreds of sentences each year that are understood better by readers because of the knowledge she imparted. Her patience, impartiality and dedication will not soon be

forgotten. Many of us are truly indebted to the fine woman who was all the things a teacher should be.

With gratitude,
Staci (Short) Copelin

Methodist VBS Slated

The First Methodist Church will conduct its annual Vacation Bible School on June 8-12 during the hours of 9 to 11:30 a.m. the theme this year is "I Love Jesus, Jesus Loves Me."

The first five lessons are taken from the Gospel of Luke and depict five big events in Jesus' life: His birth, His visit with Zaccheus, His story of the Good Samaritan, His quieting a fierce storm, and His death and resurrection.

All children between the age of 3 years and 6th grade are welcome.

The funny bone got its name from the fact that the name for the bone running from the shoulder to the elbow is the humerus bone.

INSUR-MATION

By PAT GREEN
Lynn County Farm Bureau

With all the talk of government de-regulation, I realized that I am unaware of a federal regulatory agency which controls the insurance industry. Which one is it?

There isn't one. Insurance companies are regulated through individual state control. Because of the influence insurance companies have on the public welfare, state legislatures often enact laws which govern or direct the direction of insurance companies. The insurance commissioner has the most immediate control since it is his duty to see that laws and regulations are carried out and enforced. The insurance commissioner licenses companies to do business in that state, examines all companies and licenses their salesmen.

Our Community! It's a lot more than just a Bedroom!

Among the things that make our town such a fascinating place to live with its many advantages are (1) a fine mixture of wonderful people, and (2) the wide variety of good businesses.

Our local stores and service firms go to great lengths and expense to serve you and serve you well.

They're close by, so they can save you time and energy. They're competitive, so they can save you money. And, they're your neighbors, which means they work beside you on community projects, and the taxes they pay stay at home to help YOU and your family.

Their goal is to keep our town a wonderful place to live... and a great place to do business. And, they can use your help.

MRS. GREGORY D. SCOTT nee DEBRA ANN HAYNES

Debra Haynes-Gregory Scott Exchange Candlelight Vows

Miss Debra Ann Haynes and Gregory Don Scott were united in marriage in a candlelight formal double-ring ceremony in Lubbock at 7:30 p.m. Saturday, May 30. Officiating was the Rev. Hugh B. Daniel of Quanaah First United Methodist Church.

The bride is the daughter of Mr. and Mrs. Douglas Haynes of Lubbock. She is the granddaughter of the late

Mr. and Mrs. Lee M. Shockley Sr. Parents of the groom are Mr. and Mrs. Charles Scott of Lubbock. He is the grandson of Mr. and Mrs. H.J. Edwards of Slaton.

Given in marriage by her father, the bride wore a formal length gown of white knit chiffon and re-embroidered Alencon lace fashioned with a high neckline of scalloped lace with long slender sleeves that extended to a petal point. The natural waist molded bodice of lace over chiffon had a deep V-sheer see-through yolk accented with lace motifs and seed pearls.

From the bodice flowed an A-line skirt that cascaded into a long chapel length train. A band of scalloped Alencon lace formed the floor length skirt and train.

The headpiece was a Juliet cap of matching lace holding three tiers of illusions.

She carried a white bible with heirloom pearls arranged into her cascade bouquet of white butterfly and sweetheart roses, with baby's breath and jupsophelia. The pearls she carried were in her mother's wedding bouquet. The bride carried a new penny in her shoe given to her by her father.

Maid of honor was Trina Ann Heinrich of Slaton. Serving as bridesmaids were Rita McCoy and Michelle Smith of Lubbock and Diana Trimble of Abilene.

The bride's attendants wore formal length gowns of baby blue siesta jersey and silk chiffon. Each attendant wore a baby blue silk rose with

baby's breath in her hair, and carried cascade bouquets of miniature blue carnations, snowflake mums and jupsophelia.

Miss Lisa Rene' McCoy of Lubbock was flower girl. Miss Cherice Shockley of Lubbock, cousin of the bride, served as a candlelighter. They wore formal length dresses of blue silk organza. Also serving as candlelighter was Shane Shockley of Lubbock, cousin of the bride.

Ringbearer was Douglas Neal McCoy of Lubbock.

Serving the groom as best man was Wesley Timmons of Ropesville. Groomsman were Ricky Scott of Lubbock, brother of the groom, Bill Basson of Lubbock and Dan Killian of Lubbock. Ushers were Billy McCoy, Brian Scott, brother of the groom, both of Lubbock and Larry Beadle of Lubbock and Doug Hlavaty of Lubbock.

The wedding music for the ceremony was provided by organist Omega Hayhurst of Lubbock. Vocal selections were presented by Rev. Bill and Kathy Shockley, cousins of the bride, of Lubbock.

The reception followed the ceremony in the church parlor. Wedding selections were played during the reception by organist Omega Hayhurst.

Tiffany and Steven Ivy, of Lubbock, niece and nephew of the groom, each carried white lace baskets filled with blue illusion rice bags for the guests during the reception.

The bride is a 1976 graduate of Cooper High School and was a May graduate of Texas Tech University, receiving her degree in Clothing and Textiles.

Scott is a 1977 graduate of Cooper High School and attended Texas Tech University. He is owner of Diversified Metal Products in Lubbock.

After a wedding trip to Cozumel, Mexico, the couple will reside in Slaton.

Courtesies

The rehearsal dinner was held at 7 p.m. on Friday, May 29, at the Lubbock Club in Lubbock. The dinner was hosted by Mr. and Mrs. Charles Scott, parents of the groom.

MRS. TIMOTHY T. HAYASHI nee SHEREE' JERDEN

Jerden-Hayashi Repeat Vows May 23

Miss Sheree' Dean Jerden and Timothy Todd Hayashi exchanged wedding vows at 6 p.m. Saturday, May 23. The Rev. Jimmy Turner of Big Spring read the vows in front of an arched brass candelabra entwined with fern and English ivy and holding white cathedral tapers and flanked on either side by seven point candelabra. A brass unity candelabra was directly in front of the arched candelabra.

Parents of the bride are Mr. and Mrs. Jake Dunlap of Tahoka and Mr. Fred Jerden of Lubbock. Parents of the groom are Mr. and Mrs. Roger Hayashi of Arlington.

Mr. Gary White of Tahoka presented traditional wedding music as the guests arrived and the theme from "Love Story" was played as the candles were lit by Cody Smith and Luke Dunlap of Tahoka. Mr. Daron Norwood of Fort Worth accompanied himself as he sang "She Believes In Me," "What A Difference You've Made In My Life" and "I Love You Just The Way You Are." The handbell choir of First United Methodist Church, directed by Mrs. Betty Green, presented selections for the recessional.

The bride, given in marriage by her step father, chose a candlelight gown of poly organza and English net, embellished with Alencon lace motifs. The A-line skirt featured a front panel of Alencon lace motifs and tating to the hem line. The high rise bodice was fashioned with a high neckline, Alencon lace motifs and tating at the waist, long full sheer sleeves with lace motifs caught at the wrist with fitted cuffs. The dress was previously worn by the bride's aunt, Mrs. Jimmy Dailey.

The full cathedral train was caught at the back with an organza bow and was edged in Alencon lace motifs and tating with matching motifs scattered over the train. To

bridesmaids. They wore gowns of yellow, blue and mint green quana. They carried white baskets of spring flowers.

Ring bearer was Shane Cook of Lubbock, cousin of the bride. Miss Kandi Majors of Lubbock was flower girl. She wore a pink eyelet dress with satin ribbon trim.

Mr. Tommy Hayashi of Arlington, brother of the groom, served as best man.

Mr. Allan Foulks and Mr. Rodney Banks of Arlington served as groomsmen.

Ushers were Sach Dunlap of Tahoka and Jimmy Dailey of Lubbock, uncles of the bride and Jubal Dunlap of Tahoka, brother of the bride.

Mrs. Pam Paris attended the guest book.

A reception immediately followed the ceremony. Serving at the bride's table were Miss Robin Short of Canyon and Mrs. Carla Brown of Tahoka. Serving at the groom's table were Mrs. Anita Cook, Mrs. Jimmy Dailey of Lubbock and Mrs. Jim Aldridge of Olton, aunts of the bride. Other members of the houseparty were Mrs. Frances Chestnutt, Mrs. Dean Bartley, Mrs. Maribeth McKibben, Miss Sherry Tilley, Mrs. Thalia Burks, Mrs. Sharon Smith, Mrs. Virginia House of Tahoka and Mrs. Jane Majors of Lubbock.

The bride is a graduate of Tahoka High School and attended Bauder Fashion College in Arlington. The bridegroom attended Bowie High School in Arlington and is a senior accounting student at UT of Arlington.

The couple will be at home in Arlington. Special guests were Mrs. Roy Allsup of San Angelo, great-grandmother of the bride, Mrs. Sterling Jerden of Wolforth, and Mr. and Mrs. Fred Perry of Shal-

water, grandparents of the bride.

Courtesies

A western barbecue rehearsal dinner Friday night was hosted by the bride's parents and uncle, Sach Dunlap at I-Bar Country Club. Assisting with the hostess duties were: Mrs. Dean Bartley, Mrs. Frances Chestnutt, Mr. and Mrs. Robert Smith, Mrs. Betty Green, Mrs. Loretta Teakell, Mrs. Virginia House, Mrs. Maribeth McKibben and Steve Smith of Lubbock.

A bride's luncheon honoring Miss Sheree' Jerden was held Friday, May 22 at the home of the bride's aunt in Lubbock. Hostesses were Mrs. Anita Cook, aunt of the bride, and Mrs. Jake Dunlap, mother of the bride.

Guests were Perry Dunlap, sister of the bride, Mrs. Fred Perry of Shallowater, grandmother of the bride, Mrs. Jim Aldridge of Olton, and Mrs. Jimmy Dailey of Lubbock, aunts of the bride; Mrs. Venita Thomas and Miss Carole Wicks of Arlington.

Knox-Ribble To Be Married Friday, June 5

Starrlyn Knox and Harold Eugene Ribble will exchange their wedding vows Friday, June 5 at 8 p.m. in the First United Methodist Church of Tahoka with a reception immediately following the ceremony.

Parents of the couple are Mr. and Mrs. Leighton Knox Jr. of Tahoka and Mr. and Mrs. Harold D. Ribble of Brownfield.

Friends and relatives of the couple are invited to attend.

Pure Water. Pure Sense.

When it comes to something as essential to life as water, it makes sense that the purest is the better for you it's going to be. Right now there's no better way to assure yourself or your family of a purified drinking water supply than with a Pure Water home distillation system.

First, because only distillation effectively removes chemicals, minerals and bacteria from water, leaving you with virtually pure H₂O.

And second, because only Pure Water offers you a full line of safe, economical and easy-to-operate distillers. In fact, Pure Water's reputation for engineering excellence and reliability has made it the world's leading manufacturer of home distillation systems.

So if you're serious about safeguarding your family's drinking water supply, you're going to be better off with Pure Water. It's as simple—and as sensible—as that. Write today for complete details.

Please send me your free booklet on water quality along with complete information on Pure Water systems.

Wilson News

By Betty Bishop
Call 628-2352

Commencement exercises for Wilson High School's 24 graduating seniors were held Friday, May 29, before a large crowd in the school auditorium.

Flag bearers, Mike Burtch and Craig Johnson, gave the presentation of colors and Tamera Houchin the invocation. Kerrie Lee presented the

salutatory address, followed with the valedictory address by Donald Freitag.

High School principal, Gary Cox, presented special awards.

L.F. Jacobs, superintendent of schools, presented the class of 1981, before diplomas were given by school board president, Tommy Bednarz.

Paige Bishop read a poem, followed with the benediction by Sherri Steinhauser.

Tonda Klaus helped the graduates with the lighting of candles.

Processional and recessional piano music was played by Mrs. Onita Steinhauser.

Ushers for the program were junior students Tonya Houchin, Ginger Kimbrell, Ricky Stone and Billy Bishop.

Wilson 1981 graduates have been honored with several parties. On Monday, May 25, Donald Freitag, Tamera Houchin, Dawn Phillips, Paige Bishop, Randy Hall, Karen Stegemoeller, Tracy Bartley, and Tim Bednarz were hosts for a barbecue in the Gary Houchin barn. Following the meal, games were played, and old movies, made when the seniors were small, were shown.

Debbie Daniell was honored by her cousin, aunt and grandmother, D'Ann Phillips, Mrs. J.W. Phillips and Mrs. H.D. Daniell, with a picnic at the Tahoka Mini-Park on Tuesday, May 26. Shish-ke-bobs, ice cream and cake were served to girls from Debbie's senior class.

A swimming party on Thursday, May 28, was given by Sherri Steinhauser, Kerrie Lee, and Debbie Daniell at the Bobby Lee home. A picnic lunch of sandwiches, chips and cokes were served. Jay Ross honored Wilson graduates and their friends with a back yard party after graduation on Friday, May 29.

Graduation for Wilson's 25 eighth graders was May 28 in the High School Auditorium. The valedictorian was Lezli Smith with a grade point average of 94.31. Bryan Bednarz, salutatorian, graduated

with a GPA of 93.81. The invocation was by Maurice Viesca, welcome by Suzanne Schwertner, and benediction by Sonya Cawthron. Flag bearers were Bryan Wright and Curtis Moczyska. Seventh grade students chosen to usher were Lee Roberts, Timmy Riojas, Tammy Riojas, and Vicki Steinhauser.

OMITTED last week from the list of high school award winners were the Ag Chapter awards. Those receiving awards were: Ag. I, Salvador Ybarra; Ag. II, Tim Trotter; Ag. III, Robert Nolte; and Ag. IV, Jay Ross and Tim Bednarz.

Baptist VBS Set At Wilson

Bible school of the First Baptist Church at Wilson will begin Monday, June 8, and run through Friday, June 12. Classes are from 8:30 to 11:30 a.m. and are for children from three years of age through the 6th grade. Everyone is invited for the children's program and family night fellowship on Sunday evening at 7 p.m. on June 14. Cake and ice cream will be served.

Tim Bednarz Signs With TTU

Texas Tech track coach, Corky Oglesby, signed Wilson's Tim Bednarz as his second recruit last week. Bednarz won the 1A half mile in recent State High School Track Competition in Austin. He is the son of Tommy and Margaret Bednarz and a

Vivian Riddle Honored

The 13th annual Riddle Reunion was held at Pioneer Park Bldg. at Lamesa May 23 and 24. This was held for the purpose of honoring Mrs. Vivian Riddle of Tahoka.

Her four sons and daughter and their families meet there for a time of fun and fellowship each Memorial Day week-end.

Those present were Mr. and Mrs. T.R. Riddle of Tahoka, Mr. and Mrs. L.E. Riddle of Italy, Tex., Mr. and Mrs. H.L. Riddle of Garland, Mr. and Mrs. Virgil White of Houston, Mr. and Mrs. A.D. Riddle of Tahoka and Mr. and Mrs. R.L. Christopher of

Wilson. Grandchildren and other relatives were Mr. and Mrs. R.E. McFarland and family of Tahoka, Mr. and Mrs. Tommy Cooper and family of Carlsbad, N.M., Mr. and Mrs. Roy Riddle of Stephenville, Mr. and Mrs. Rex Server of San Angelo, Mark Coffey of Lamesa, Mr. and Mrs. Reggie Riddle and son of Garland, Mrs. Juddy Richardson and children of Garland, Mr. and Mrs. Dewey Riddle and family of Lubbock, Mr. and Mrs. Tom Williams and girls of Euless, Mr. and Mrs. Calistro Rodrigues and children of Colorado Springs, Colo., Mr. and Mrs. Tim Barta and girls of Lubbock, Mr. and Mrs. Darrell Bishop and boys of Corpus Christi, Sandra Christopher of Lubbock, Mr. and Mrs. Robert Christopher and family of Lubbock, Mr. and Mrs. E.W. Roe and girls of Sundown, Mr. and Mrs. Andy Higdon and family of Maryneal, Harold Light of Maryneal and the mother of Andy Higdon besides the honoree Mrs. Vivian Riddle.

The affair was enjoyed by everyone and it was voted to have it again next year.

Pythian Sisters

Lynn Temple has met regularly with only a slight decrease in attendance shown.

MEC Teddie B. Kelley presided at the May 19 meeting when plans for representatives who will attend Grand Temple in Fort Worth June 7, 8, 9, were finalized.

Program of the evening was the memorial service performed in memory of our deceased sisters and brothers. Bertha Williams was pianist pro-tem. Thirteen members were present.

Hospital Attacks Costs

Lynn County Hospital of Tahoka has joined other hospitals throughout Texas and the nation in attacking the rising costs of health care.

As a result of its commitment to a policy of cost effectiveness and restraint, the hospital has been awarded a 1981 Certificate of Participation by the Texas Voluntary Effort (TEV).

Mr. John M. Brooks, Administrator, Lynn County Hospital, accepted the Certificate on behalf of the hospital's governing board, medical staff and employees and stated that "Hospital costs have been increasing due to a number of factors. Most are beyond our control. Nevertheless, we will continue to aggressively contain the increase in our expenses while at the same time preserving the high standards of service we currently provide to our community."

The TEV is a program of the Texas Hospital Association, the Texas Medical Association, and the Texas Federation of Hospitals. Together they have trimmed the rise in health care costs to a level below that of the overall economy thereby saving the citizens of the State several hundred million dollars. Participants include hospitals, physicians, and nurses, and over 20 health, business, insurance and state government groups who have organized to effectively deal with the problem of rising health care costs.

Redwine is Graduate of WTC

John Rander (Kandy) Redwine of Tahoka was among the students graduating from Western Texas College in commencement exercises held May 21.

Dr. James Stewart, president of the University of Texas at Tyler, was commencement speaker.

Redwine received the Associate in Arts degree. He is the son of Mr. and Mrs. John Ed Redwine.

GAS GRILLING

... It will turn you into a cook-out connoisseur

PATIO KITCHEN

PK cast aluminum grills feature stainless steel burners — "Y" shaped for maximum heat distribution. Stainless steel for long trouble-free life, and heavy steel rod cool grates.

PK Delta 1
Only \$6.72 per month*

Single burner model with 270 sq. in. chromed steel cooking grid.
List price \$150.50
Less 20% 120.40
Plus installation 70.00
5% sales tax 190.40
CASH PRICE \$199.92
BUDGET PRICE \$241.92
Budget terms: no down payment, \$6.72 per month for 36 months.

PK Regent 1
Only \$8.71 per month*

Dual burner and controls let you use one-half or all of burner. 326 sq. in. cast iron cooking grid.
List price \$174.80
Less 20% 139.84
Plus installation 70.00
5% sales tax 174.80
CASH PRICE \$209.84
BUDGET PRICE \$251.84
Budget terms: no down payment, \$8.71 per month for 36 months.

Nothing beats the smoked flavored taste of something from the grill... and no grill can beat the fun, convenience and economy of a versatile gas grill.

Gas Grilling is versatile
You can sizzle a steak, grill a burger, smoke a ham, barbecue a bird, roast an ear, even bake a potato. You can cook many different foods a variety of ways, many at the same time on a versatile gas grill.

Gas Grilling is delicious
You get that great outdoor smoked flavor without the charcoal mess. No lighter fluid is needed and a gas grill requires very little cleanup. There's no wait either, because gas grills reach cooking temperature... fast.

Gas Grilling is economical
You can cook a full family meal for just pennies. Gas grilling costs less than a third of what it would cost on an electric grill and less than a tenth of the cost for charcoaling. A national survey proved it.

Gas Grilling is cooler
It keeps the heat out of the kitchen so your air conditioning won't have to work so hard. That's important during the summer... plus a gas grill is the perfect meal-maker for any season of the year.

And Gas Grilling is now 20% off
Buy now and you'll save 20%. The purchase price has been reduced 20% but only until August 1, 1981... and you have eight styles and sizes to choose from with all the features to make grilling fun, convenient and economical.

DUCANE

Ducane cast aluminum grills feature top-ported stainless steel burners, which last longer and save gas... and a unique cool grate designed to prevent flare-ups and grease collection at the bottom of the firebox. Some models have Rotis-A-Grill®, a separate vertical burner for roasting from behind the meat, and porcelainized-steel cooking grids.

The Challenger 800
Only \$8.57 per month*

Single burner model with 305 sq. in. nickel chrome plated grid.
List price \$216.00
Less 20% 172.80
Plus installation 70.00
5% sales tax 172.80
CASH PRICE \$242.80
BUDGET PRICE \$284.80
Budget terms: no down payment, \$8.57 per month for 36 months.

The Challenger 1500
Only \$12.27 per month*

Twin burners, dual controls... one for each side which saves gas when you don't need to use the total cooking surface. 405 sq. in. nickel-chrome plated grid.
List price \$347.00
Less 20% 277.60
Plus installation 70.00
5% sales tax 277.60
CASH PRICE \$347.60
BUDGET PRICE \$417.60
Budget terms: no down payment, \$12.27 per month for 36 months.

The Trophy 2000
Only \$14.89 per month*

Two burners... one with a 310 sq. in. porcelainized-steel cooking grid, the other a Rotis-A-Grill® vertical burner, rotating motor and spit, and electronic ignition.
List price \$440.00
Less 20% 352.00
Plus installation 70.00
5% sales tax 352.00
CASH PRICE \$422.00
BUDGET PRICE \$502.00
Budget terms: no down payment, \$14.89 per month for 36 months.

The Trophy 4000
Only \$21.92 per month*

All the features of The Trophy 2000 packaged in an elegant cart with large storage areas, redwood-stained side shell, heavy duty wheels, and connection hoses.
List price \$720.00
Less 20% 576.00
Plus installation 45.00
5% sales tax 576.00
CASH PRICE \$621.00
BUDGET PRICE \$741.00
Budget terms: no down payment, \$21.92 per month for 36 months.

JACUZZI JET CHEF

Jacuzzi Jet Chef cast aluminum grills feature Char-Brown enamel finish, rust-resistant porcelainized cast iron cooking grid, cast iron and nickel alloy burner, and heat indicator on lid.

Jet Chef 3010
Only \$10.07 per month*

Single burner and control with 340 sq. in. cooking surface.
List price \$269.00
Less 20% 215.20
Plus installation 70.00

MCCORD HONORED--H.B. McCord was given a plaque in honor of his 16 years service as mayor pro-tem of Tahoka. The award was given to him Monday night at the city council meeting by Mayor Meldon Leslie. McCord's years of service were from 1965 to 1981. (LYNN COUNTY NEWS PHOTO)

Thank You

I would like to express my appreciation to the citizens of Lynn County who recently contributed to a medical fund for a child who resides in Tahoka. I would especially like to thank Mrs. Glo Hayes and Mr. Jack Jacquess for their time and energy. It is nice to know that the people of this area can be counted on for emergency help when all other resources have been contacted and can not provide that help. Once again, thank you for helping one of our needy children.

Sincerely,
Teresa Mauldin

The Averaged Billing Plan From Southwestern Public Service.
"A PLAN FOR ALL SEASONS"

"My fixed income got a big break now that I'm on the Averaged Billing Plan."

"Averaged Billing makes it easier to make ends meet because it smooths out the highs and lows of your monthly electric bill. Like your friends, you can have it too. Depend on it to help ... just give me a call at SPS."

"I know just about how much my electric bill will be each month ... there are no more surprises."

We changed to Averaged Billing with one phone call to SPS. And now, our family budget is easier to plan."

Obituary

Newton Barham Sr.

Services for Newton M. Barham Sr., 86, of Brownfield were held at 2 p.m. Sunday at First Baptist Church in Brownfield with the Rev. Don Cass, pastor of First Baptist Church in Tahoka, officiating, assisted by the Rev. E.K. Sheperd, senior adult minister at First Baptist of Brownfield. Burial was in Brownfield Cemetery.

He died at 2:48 p.m. Friday at Brownfield Regional Medical Center after a lengthy illness.

The Philadelphia, Miss., native moved to Lynn County in 1919, following service in World War I. He married Dora Yeates Nov. 30, 1921, in Tahoka. They farmed in Lynn County until retiring and moving to Brownfield in 1960. He was a member of Tahoka Baptist Church and The American Legion.

Survivors include his wife; two daughters, Mrs. Jean Blackard of Clovis, N.M., and Mrs. Jo Curry of Hale Center; three sons, Bill of Tahoka, Newton M. Jr. of Brownfield and John of Austin; a sister, Mrs. Adele Lofton of Philadelphia, Miss.; a brother, Carroll of Bogalusa, La.; 16 grandchildren; and 13 great-grandchildren.

The family suggests memorials to the XYZ Club of Brownfield.

CAREER SALES OPPORTUNITY

Farm Bureau insurance is looking for a few good people to help sell and service established farm and ranch accounts in Lynn County. Our people average over \$20,000.00 their first year, and more each year thereafter. Three year training program. No travel. 160 hours of company paid classroom training.

If you are interested in hard work and a rewarding future, call for an interview.

"Helping You Change Things For The Better"

AROUND TOWN

By Leona Waldrip

The absence of this column last week was due to my being out of town for the Memorial Day weekend. Going to Amarillo on Saturday I did not return until Tuesday, too late to get the write-up in. I visited with my son's family there and also went to Pampa on Sunday for a visit in the home of grandson Royce Waldrip. Having only moved into his new "Solar Home" a month ago Royce gave us a grand tour, explaining as he went. It is the only home of its kind in Pampa. Others are being built.

+++
Louise Wyatt was hostess at the last meeting of Past Noble Grand Club on Thursday night. There were eight members present. Next meeting will be with Callie

Massey near O'Donnell on June 18.

+++
Rebekah Lodge met Tuesday night with seven members present. Ilene McMillan was hostess.

+++
Mrs. Teddie B. Kelley is visiting her sister in Baird this week.

+++
Visitors in my home on Wednesday were granddaughter Judy Littlefield and her two-year-old, Leslie, of Lubbock.

+++
Mrs. T.R. Riddle, Linda McFarland and children, Belinda, Julie and Rodney attended Graduation Exercises for Gary Hays, son of Bobby and Ginger Hays at Perryton Friday night.

Mr. and Mrs. David Martin, Miranda and Marisa and David's mother, Jo Ann Mock, just returned from Wilmore, Kentucky where James Martin graduated from Asbury Seminary. On the way to Kentucky, they went to Branson, Missouri where they saw "The Shepherd of the Hills" in an outdoor theater in the Ozark Mountains.

+++
Mable Morgan spent the Memorial Day weekend with her daughter in Muleshoe.

+++
Mrs. Rutha Tilley had her daughters from Waco, McGregor, Lubbock and O'Donnell all home for the weekend.

+++
Mrs. Audrey Akin has gone to Garland to spend a few days with her daughter and family. She will resume her duties at Lynn Co. Pioneer Club on June 15.

+++
A surprise visitor in the home of Ava Lichey on Monday was her cousin, Ellen Huckabey from Bangs near Brownwood. She is the former Ellen King and the family lived north of town at the old "Cross Roads" store and station, back in the 1930s.

COTTON TODAY

COTTON MEETING SET: The National Cotton Outlook Conference will be held June 9-10 at the Ramada Inn, Greenville, Miss. C. Everett Salyer, Corcoran, Calif., cotton producer and president of The Cotton Foundation, will preside at the opening session, and Frank B. Jones, Jr., Lubbock, Texas, producer, will head another.

Topics on the program will include: economic outlook for U.S. cotton. Gaylon Booker, National Cotton Council; outlook for cotton exports, Dewell R. Gandy, Dunavant Enterprises, Inc.; outlook, domestic mill cotton consumption, Lewis Morris, Cone Mills; developments in farm legislation, Frank M. Mitchener Jr., NCC president; programs to enhance aerial application efficiency, Farrell Higbee, National Agricultural Aviation Association; cotton organizations, Phillip

Burnett, Cotton Board; cotton dust situation, Phillip J. Wakelyn, NCC; energy availability and cost, Donald Lerch Jr., Donald Lerch & Co.; and outlook for farm machinery and dealer service, William Galbraith, National Farm and Power Equipment Dealers Association. The conference is sponsored by The Cotton Foundation in cooperation with NCC.

NOTICE OF EXPLANATION ON
FLOOD PLAINS AND WETLANDS
City of Tahoka
1612 Lockwood
Tahoka, Texas 79373
(806) 998-4211

TO ALL INTERESTED AGENCIES,
GROUPS AND PERSONS:

The City of Tahoka proposes to use Federal funds provided under Title I of the Housing and Urban Development Act of 1974, as amended, for the following projects in an area which is included in the 100-year flood plain:

CLEARANCE/DEMOLITION- This project is needed to remove all vacant dilapidated dwellings and other structures such as abandoned automobiles and appliances which have accumulated throughout the area. It is also needed to alter the neighborhood of overgrown lots, junk piles, and areas that are breeding grounds for rodents and areas that create a health hazard to the citizens.

CODE ENFORCEMENT- This project is required so that the City will have the administrative mechanism to plan, and enforce all local codes, standards and ordinances. These standards will act as a base for conservation of the existing housing stock or prevent further blight throughout sections of the area.

VOLUNTARY RELOCATION- Families will be voluntarily displaced under this project. Some of these may be located in the 100-year flood plain area of the Target Area. In such cases, relocation of the displaced occupants will be to sites located outside of the flood area. Removal of these dwellings from the flood plain will eliminate a current public safety hazard and therefore use of Federal funds for this effort in the flood plain is justified.

HOUSING REHABILITATION- This project is needed to insure the conservation of existing structures in the area. The rehabilitation of deteriorating dwellings will eliminate their blighting influences on this area. In such cases where a structure to be rehabilitated is located in the 100-year flood plain area of the target area, flood insurance will be obtained prior to start of any construction.

It is the City's finding that the proposed projects cannot be undertaken in any other location and, therefore, there is no practicable alternative to the proposed project. Failure to provide these improvements will result in the continued deterioration and blight of a low/moderate-income area of the City of Tahoka. It is the City's judgement that the continued viability of this low/moderate-income area outweighs consideration of Executive Order 11988.

A more detailed description of these projects and the FIA flood maps are available for citizen review at the Tahoka City Hall, 1612 Lockwood, between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday. Comments on these projects in relation to Executive Order 11988 will be considered until June 22, 1981. The Chief Executive Officer of the City of Tahoka is Meldon Leslie, Mayor.

**ROBERT HARVICK
Harvick Wins
Mexico Trip**

Robert L. Harvick of Tahoka agent for National Farm Life Insurance, was among the company's top insurance agents to qualify he and his wife for a vacation trip to Cancun, Mexico.

Harvick has been associated with the Fort Worth based company since 1980 and is the General Manager in the Tahoka area. He was honored the first of the year as one of the company's top five producers and also qualified for the elite Million Dollar Round Table for the fourth consecutive year.

Diaper Data

AROUND TOWN

By Leona Waldrip

The absence of this column last week was due to my being out of town for the Memorial Day weekend. Going to Amarillo on Saturday I did not return until Tuesday, too late to get the write-up in. I visited with my son's family there and also went to Pampa on Sunday for a visit in the home of grandson Royce Waldrip. Having only moved into his new "Solar Home" a month ago Royce gave us a grand tour, explaining as he went. It is the only home of it's kind in Pampa. Others are being built.

+++ Louise Wyatt was hostess at the last meeting of Past Noble Grand Club on Thursday night. There were eight members present. Next meeting will be with Callie

Massey near O'Donnell on June 18.

+++ Rebekah Lodge met Tuesday night with seven members present. Ilene McMillan was hostess.

+++ Mrs. Teddie B. Kelley is visiting her sister in Baird this week.

+++ Visitors in my home on Wednesday were granddaughter Judy Littlefield and her two-year-old, Leslie, of Lubbock.

+++ Mrs. T.R. Riddle, Linda McFarland and children, Belinda, Julie and Rodney attended Graduation Exercises for Gary Hays, son of Bobby and Ginger Hays at Perryton Friday night.

Mr. and Mrs. David Martin, Miranda and Marisa and David's mother, Jo Ann Mock, just returned from Wilmore, Kentucky where James Martin graduated from Asbury Seminary. On the way to Kentucky, they went to Branson, Missouri where they saw "The Shepherd of the Hills" in an outdoor theater in the Ozark Mountains.

+++ Mable Morgan spent the Memorial Day weekend with her daughter in Muleshoe.

+++ Mrs. Rutha Tilley had her daughters from Waco, McGregor, Lubbock and O'Donnell all home for the weekend.

+++ Mrs. Audrey Akin has gone to Garland to spend a few days with her daughter and family. She will resume her duties at Lynn Co. Pioneer Club on June 15.

+++ A surprise visitor in the home of Ava Lichey on Monday was her cousin, Ellen Huckabay from Bangs near Brownwood. She is the former Ellen King and the family lived north of town at the old "Cross Roads" store and station, back in the 1930s.

COTTON TODAY

COTTON MEETING SET: The National Cotton Outlook Conference will be held June 9-10 at the Ramada Inn, Greenville, Miss. C. Everette Salyer, Corcoran, Calif., cotton producer and president of The Cotton Foundation, will preside at the opening session, and Frank B. Jones, Jr., Lubbock, Texas, producer, will head another.

Topics on the program will include: economic outlook for U.S. cotton, Gaylon Booker, National Cotton Council; outlook for cotton exports, Dewell R. Gandy, Dunavant Enterprises, Inc.; outlook, domestic mill cotton consumption, Lewis Morris, Cone Mills; developments in farm legislation, Frank M. Mitchener Jr., NCC president; programs to enhance aerial application efficiency, Farrell Higbee, National Agricultural Aviation Association; cotton organizations, Phillip

Burnett, Cotton Board; cotton dust situation, Phillip J. Wakelyn, NCC; energy availability and cost, Donald Lerch Jr., Donald Lerch & Co.; and outlook for farm machinery and dealer service, William Galbraith, National Farm and Power Equipment Dealers Association.

The conference is sponsored by The Cotton Foundation in cooperation with NCC.

NOTICE OF EXPLANATION ON
FLOOD PLAINS AND WETLANDS
City of Tahoka
1612 Lockwood
Tahoka, Texas 79373
(806) 998-4211

TO ALL INTERESTED AGENCIES,
GROUPS AND PERSONS:

The City of Tahoka proposes to use Federal funds provided under Title I of the Housing and Urban Development Act of 1974, as amended, for the following projects in an area which is included in the 100-year flood plain:

CLEARANCE/DEMOLITION- This project is needed to remove all vacant dilapidated dwellings and other structures such as abandoned automobiles and appliances which have accumulated throughout the area. It is also needed to alter the neighborhood of overgrown lots, junk piles, and areas that are breeding grounds for rodents and areas that create a health hazard to the citizens.

CODE ENFORCEMENT- This project is required so that the City will have the administrative mechanism to plan, and enforce all local codes, standards and ordinances. These standards will act as a base for conservation of the existing housing stock or prevent further blight throughout sections of the area.

VOLUNTARY RELOCATION- Families will be voluntarily displaced under this project. Some of these may be located in the 100-year flood plain area of the Target Area. In such cases, relocation of the displaced occupants will be to sites located outside of the flood area. Removal of these dwellings from the flood plain will eliminate a current public safety hazard and therefore use of Federal funds for this effort in the flood plain is justified.

HOUSING REHABILITATION- This project is needed to insure the conservation of existing structures in the area. The rehabilitation of deteriorating dwellings will eliminate their blighting influences on this area. In such cases where a structure to be rehabilitated is located in the 100-year flood plain area of the target area, flood insurance will be obtained prior to start of any construction.

It is the City's finding that the proposed projects cannot be undertaken in any other location and, therefore, there is no practicable alternative to the proposed project. Failure to provide these improvements will result in the continued deterioration and blight of a low/moderate income area of the City of Tahoka. It is the City's judgement that the continued viability of this low/moderate income area outweighs consideration of Executive Order 11988.

A more detailed description of these projects and the FIA flood maps are available for citizen review at the Tahoka City Hall, 1612 Lockwood, between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday. Comments on these projects in relation to Executive Order 11988 will be considered until June 22, 1981. The Chief Executive Officer of the City of Tahoka is Meldon Leslie, Mayor.

**ROBERT HARVICK
Harvick Wins
Mexico Trip**

Robert L. Harvick of Tahoka agent for National Farm Life Insurance, was among the company's top insurance agents to qualify he and his wife for a vacation trip to Cancun, Mexico.

Harvick has been associated with the Fort Worth based company since 1980 and is the General Manager in the Tahoka area. He was honored the first of the year as one of the company's top five producers and also qualified for the elite Million Dollar Round Table for the fourth consecutive year.

Mr. and Mrs. Jose Garcia are the parents of a son, Josi Martin, born May 28, at Lubbock General Hospital. He weighed 8 lbs. 11 oz. and was 20 inches long.

Maternal grandparents are Mr. and Mrs. A.D. Robledo of Tahoka and paternal grandmother is Concepcion Garcia of San Miguel de Allende, Mexico.

Congratulations to Coye and Kurt McClesky on the birth of their first child, Kenny Lee, on May 24, in Lubbock's Methodist Hospital. He weighed 7 lbs. 3 oz.

Maternal grandmother is Claudia Cawman. Paternal grandparents are Jeanette McClesky of Tahoka and Carlos McClesky of Midland.

Great-grandparents are Fay Melton and Mr. and Mrs. C.O. McClesky of Grassland and Mr. and Mrs. Leighton Knox Sr. of Tahoka. Great-great-grandmother is Mrs. Ola Allen of Grassland.

Wymouth and Shirley Roberts of Tahoka are the parents of a daughter, Cristan Dianne, born May 22 at Methodist Hospital. She weighed 7 lbs. 13 oz. and was 21 inches long.

Grandparents are Mr. and Mrs. C.W. Roberts of Tahoka and Mr. and Mrs. Josh McCurdy of Granite, Okla.

New Home News

By Florence Davies
Call 924-7479

Rodney and Leah Overman and Randy Overman spent 10 days in Florida visiting Leah's parents and sightseeing. Main points of interest were John F. Kennedy Space Center and Disney World. Rodney and Leah left Saturday, May 30 for El Paso. Rodney has taken a position there with Peat-Merwick-Mitchell & Co., an accounting firm. Leah will attend the University of Texas.

Bobby White's sister-in-law, Ruby Depriest of West Cliff, Colo., and Ruby's brother and sister-in-law, Mr. and Mrs. Tim Oldham of

Portales visited her Sunday with Bobby and her family.

Two year old Tisha Askew of Brownfield spent the week here with her uncle and aunt. Mr. and Mrs. Eddie Askew and daughter. Her mother, Tresa Askew, came Sunday night to take Tisha home.

Mr. and Mrs. Clifton Clem and Mr. and Mrs. Carl Wadley spent last weekend in San Angelo with Mr. and Mrs. Arden Bailey and daughter. Lisa Clem accompanied them to San Angelo and visited her grandmother.

Mike Nunneley of Mangum, Okla., son-in-law of Jack and Katie Clements, is recovering nicely from surgery. He is home and expects to be back on his feet in a couple of weeks. The Clements returned home last week after spending some time with them.

Mr. and Mrs. Graham George were in Paducah Thursday for funeral services for Jim Boone. Services for Mr. Boone, 69, were in the Missionary Baptist Church at 11 a.m. Thursday with burial in the Garden of Memories Cemetery in Paducah.

Mrs. M.M. Shearer is in the Medical Arts Hospital in Lamesa suffering heart failure.

Boswell Edwards attended morning and evening services in the New Home Baptist Church Sunday, first time since his injury.

A little over two inches of rain was measured here in New Home the past week. With various amounts reported in the area. Some farmers crops were damaged by hail and are busy sandfighting.

In the absence of the interim pastor, Dr. J. Ralph Grant, Sunday, June 7, Chaplain of the Lubbock State School for the past twelve years will preach at the New Home Baptist Church. Dr. and Mrs. Grant are taking a week's vacation to New Mexico.

Gloria McCary and a friend, Marilyn, from Albuquerque, N.M. spent the weekend in Lubbock with Gloria's mother, Mary Ellen James. Visiting with them there for dinner Saturday evening were Gayland, Kay, Kyle, and Koby James and Wayland Lee James. Gloria and Marilyn left Sunday for Houston to visit Amber Crooks. Amber is in advertising with a sports magazine.

Mrs. Quincy Menchew remains in stable condition in room 142 Highland Hospital.

A parade this Monday morning heralds the beginning of the Vacation Bible School at the New Home Church of Christ from 9:30 to 11:30 June 1-5.

Dorothy and Sheree Bruton were in Lubbock Sunday buying for the Lady Bug at Fall market at South Plains Wholesale.

Mr. and Mrs. C.G. Eades and John and Mary Bess Edwards were at Lake Stamford over the weekend and brought back evidence that the fish were biting. They had one 30 lb. and one 25 lb. and several smaller ones.

The New Home 8th grade graduation was held Thursday, May 28. Robert Poer, valedictorian, gave the invocation and Kyle James, salutatorian, the benediction. Robert and Kyle each received trophies. Perfect attendance awards were pre-

Sherry Etheredge Says...

HURRY UPS FOR BUSY PEOPLE

BAKED POTATOES IN A HURRY--Boil them in salted water for about 10 minutes before popping into a very hot oven; Cut a thin slice from each end before popping into the oven; Insert a nail to shorten the baking time by 15 minutes.

CHOPPING ONIONS WITHOUT TEARS--You will shed less tears if you cut the root end of the onion off last; Freeze or refrigerate before chopping; Peel under cold running water; Or, periodically rinse hands under cold water while chopping.

ELIMINATING THE SPATTERING AND STICKING--When pan frying or sauteeing, always heat your pan before adding the butter or oil. Not even eggs stick with this method; Sprinkle a little salt into the frying pan to prevent spattering; Vinegar brought to a boil in a new frying pan will prevent foods from sticking; When frying, turn a metal colander upside

down over the skillet. This allows steam to escape, but keeps the fat from splattering; Meat loaf will not stick if you place a slice of bacon on the bottom of the pan; If muffins are sticking to the tin pan, place the hot pan on a wet towel. They will slide right out.

PREVENTING BOIL-OVERS--Add a lump of butter or a few teaspoons of cooking oil to the water; Rice, noodles or spaghetti will not boil over or stick together.

SOFTENING BUTTER--Grating a stick of butter softens it quickly; Soften by spreading by inverting a small heated pan over the butter dish for a while.

INSTANT WHITE SAUCE--Blend together 1 cup soft butter and 1 cup flour. Spread in an ice cube tray, chill well, cut into 16 cubes before storing in a plastic bag in the freezer. For medium-thick sauce, drop 1 cube into 1 cup milk and heat slowly, stirring as it thickens.

REMOVING THE CORN SILK--Dampen a paper towel or terry cloth and brush downward on the cob of corn. Every strand should come off.

GETTING THE CATS UP OUT OF THE BOTTLE--Insert a drinking straw, push it to the bottom of the bottle, and then remove. Enough air will be admitted to start an even flow.

HAMBURGERS IN A HURRY--Poke a hole in their centers when shaping. The center will cook quickly and when the hamburgers are done, the holes are gone.

PLEASE BE CAREFUL WITH PILLS

The elderly --people over 65-- make up 11 percent of the U.S. population, but they buy and take 25 percent of all prescription drugs.

Tuberculosis, which is found more often in older than in younger people, is a disease that can be cured by medicine, according to the American Lung Association of Texas. Constancy and consistency are required for proper drug-taking. Tuberculosis treatment demands the taking of medicine for months, sometimes years and this is where the problem begins.

One reason older people take more drugs is that they tend to have long-term illnesses. Rules for proper drug-taking, however, apply equally to the young and the elderly:

-- Follow precisely the amount and time schedule of drugs prescribed by your physician.

-- Never take drugs prescribed for a friend.

-- If you are seeing several physicians for different diseases, inform each one of all the drugs you are taking. Sometimes drugs fight one another and should not be taken together.

-- Promptly tell your doctor of any side effects.

-- You may find keeping a daily schedule of drugs prescribed and taken is helpful.

The American Lung Association of Texas, the Christmas Seal people can help with information about treatment for lung diseases of both the young and the elderly.

Class of 1971 Meeting Set

The class of 1971 of Tahoka High School will have a meeting to begin planning the 10 year class reunion. The meeting will be at 7:30 June 9, at the home of Mr. and Mrs. Randy Erickson, 1814 North 8th. All class members are urged to attend.

Tahoka Merchants Appreciate Your Business

UNMOLDING GELATIN--Rinse the mold pan in cold water and then coat with salad oil. Your mold will drop out easily and will have an appealing luster.

There were no sheep in America before 1540.

Major Medical that's worth a Million.

Time Insurance has just introduced a bold new major medical plan offering: \$1,000,000 in lifetime benefits per insured party. Payment of all covered charges both in and out of the hospital. Without schedules. A deductible you pay just once a year rather than with each medical occurrence. And the plan is area-rated so you don't pay for higher risk areas of the country. Call us for full details.

TIME INSURANCE COMPANY

Zero Turning Radius saves time and energy

How? It wipes out waste motion. Quick pivot turns keep you mowing every minute. Corners don't slow you down; it trims as you mow. A single turn trims close around landscape features that normally demand hand trim or expert mower maneuvers. Notice - with ZTR Mowbility, no back and forth, no clutch/brake/shift. DIXON owners report that mowing time is often cut in half!

The real test of mowbility is how it leaves your lawn.

Smooth, clean cut. Minimizes gouging and scalping. No windrowing or bunching, even in tall or dewy grass. Low center of gravity plus rear weight bias adds traction, helps protect turf. Leaves your lawn a green velvet carpet ... and leaves you mower time for yourself!

Phebe K. Warner Study Club Meets

Phebe K. Warner Study Club met at the lovely country home of Mrs. Martin Warren Saturday, May 16, for their final meeting of the club year. Mrs. Mildred Abbe and Mrs. Velma Carter were co-hostesses. Breakfast was served to the group at 8:30 a.m.

A poem entitled "Awareness" was read by Mrs. Leta Warren. Mrs. Sherry Etheredge sang "This Life". Mrs. Warren introduced Mrs. Don Workman of Lubbock who presented the program on Awareness.

The President, Jill Warren, presided over the meeting. It was announced that the Lady Dobbins Stewart Scholarship had been presented to Kim Havens and the Maurice Bray Scholarship was presented to Bryan Simpson at the awards program at Tahoka High School.

A yellow rose was presented to Mrs. Mildred Abbe for her work on Texas Heritage. Three delegates from Phebe K. Warner attended the TFWC State Convention at Abilene May 5-7.

Mrs. Betty Green was awarded the friendship quilt of which each square was made by a club member.

The meeting was adjourned with the unison reading of the "Collect".

NOTICE TO PUBLIC OF NO SIGNIFICANT EFFECT ON THE ENVIRONMENT AND NOTICE TO PUBLIC OF REQUEST FOR RELEASE OF FUNDS

City of Tahoka
1612 Lockwood
Tahoka, Texas 79373
(806) 998-4211

TO ALL INTERESTED AGENCIES, GROUPS AND PERSONS:

On or about June 23, 1981, the above-named City of Tahoka will request the U.S. Department of Housing and Urban Development to release Federal funds under Title I of the Housing and Community Development Act of 1974 (PL 93-383) as amended, for a 3-year Comprehensive program to be used for the following projects:

ACTIVITY	ESTIMATED COST
1.3 Voluntary Relocation	\$315,000
1.4 Clearance/Demolition	61,000
1.5 Street Improvements	717,500
1.6 Sewer Improvements	125,000
1.7 Water Improvements	71,500

All of the above referenced projects will be located in a target area located in southeast Tahoka. Bounded on the north by the City limits, on the east by Avenue B, on the south by South Tenth Street and on the west by the City limits.

It has been determined that such request for release of funds will not constitute an action significantly affecting the quality of the human environment and accordingly the above-named City of Tahoka has decided not to prepare an Environmental Impact Statement under the National Environmental Policy Act of 1969 (PL 91-190).

The Reasons for such decision not to prepare such Statement are as follows:

VOLUNTARY RELOCATION- Low/moderate income owner-occupants whose applications for housing rehabilitation grants are turned down due to the lack of feasibility, to rehabilitate their homes will be offered a relocation housing payment. The housing payments will be utilized by the homeowners to acquire a safe, sanitary, standard dwelling. This activity will provide decent housing and a suitable living environment for these relocated families. The effective benefits of a well developed relocation program far outweigh any temporary inconvenience to the relocated families.

WATER AND SEWER FACILITIES- Health and safety hazards currently exist due to inadequate fire protection and improper sewage disposal. The proposed project should eliminate those health and safety hazards. Construction activities will produce certain amounts of air and noise

pollution, however, the effects will be short term and low intensity.

CLEARANCE ACTIVITIES- Unoccupied and dilapidated structures, abandoned vehicles and uncleared overgrown lots in the project are creating serious threats to public health and safety and contribute to overall neighborhood blight. The project will seriously reduce this problem through a comprehensive program in the community. No major effects on environmental pollution or neighborhood development are expected.

PAVING/DRAINAGE- It is the major intent of the City of Tahoka to improve access for area residents within the neighborhood and into and out of their neighborhoods. Unpaved streets in the Target Areas create safety hazards and air pollution. The project will eliminate these problems. Minor grading and clearing will occur in regard to street improvements, but no long-term change in land characteristics will occur. Construction activities will produce certain amounts of very limited air and noise pollution over a short term. No major increases in traffic or auto exhaust pollution are expected.

An Environmental Review Record for the Multi-Year Program (1981-1983) respecting the within projects has been made by the above-named City of Tahoka which documents the environmental review of the projects and more fully sets forth the reasons why such Statement is not required. This Environmental Review Record is on file at the above address and is available for public examination and copying upon request in the office of the City Secretary between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday.

No further environmental review of such projects is proposed to be conducted prior to the request for release of Federal funds.

All interested agencies, groups and persons disagreeing with this decision are invited to submit written comments for consideration by the City of Tahoka, to the office of the undersigned. Such written comments should be received at 1612 Lockwood, Tahoka, Texas 79373 on or before July 13, 1981. All such comments so received will be considered and the City of Tahoka, will not request the release of Federal funds or take any administrative action on the within projects prior to the date specified in the preceding sentence.

The City of Tahoka will undertake the projects described above with Block Grant funds from the U.S. Department of Housing and Urban Development (HUD) under Title I of the Housing and Community Development Act of 1974. The City of Tahoka is certifying to HUD that the City of Tahoka and Meldon Leslie in his official capacity as Mayor consent to accept the jurisdiction of the Federal courts if an action is brought to enforce responsibilities in relation to environmental reviews, decision making and action; and that these responsibilities have been satisfied. The legal effect of the certification is that upon its approval the City of Tahoka may use the Block Grant funds and HUD will have satisfied its responsibilities under the National Environmental Policy Act of 1969. HUD will accept an objection to its approval only if it is on one of the following bases: (a) that the certification was not in fact executed by the certifying officer or other officer of applicant approved by HUD; or (b) that applicant's environmental review record for the project indicates omission of a required decision finding or step applicable to the project in the environmental review process. Objections must be prepared and submitted in accordance with the required procedure (24 CFR Part 58) and may be addressed to Community Development Department of Housing & Urban Development, 2001 Bryan Tower, Dallas, Texas 75201.

Objections to the release of funds on bases other than those stated above will not be considered by HUD. No objection received after July 13, 1981 will be considered by HUD. The Chief Executive Officer of the City of Tahoka is Meldon Leslie.

PUBLIC NOTICE

Notice is hereby given that the Board of Review (Equalization) of the Garza County Tax Appraisal District, (representing Garza County, Garza County Hospital District, City of Post, Post Independent School District, And Southland Independent School District) will meet June 16, 1981 from 9 a.m. until 12 noon in the Tax Appraisal Office, County Courthouse in Post, Texas, for the purpose of determining, fixing, and equalizing the value of all oil-gas interests, utilities, railroads, and some industrial businesses for the year beginning January 1, 1981. All persons having business with the board are invited to appear between the hours stated here.

The Board of Review (Equalization) will meet from time to time to consider other parts of the evaluation process. The public will be informed of the dates as they are established. By the order of the Board of Directors, Garza County Tax Appraisal District.

Jean M. Westfall, Chief Appraiser

Hints for HOMEMAKERS

According to the National Society to Prevent Blindness, an estimated 45 percent of the nearly one million Americans who today have vision impairments caused by eye injury, suffered the damage at home. This adds up to 120,000 Americans.

The National Society of Safety offers these precautionary measures to prevent potentially serious eye injuries in the home:

- Read package label
- When using spray type chemicals or cleansers, make sure the arrow on the nozzle is pointing away from you.
- Store harmful products away from children.
- Protect your eyes with safety goggles whenever possible, particularly

when you're using chemicals or power drills, lawn mow-

ers, edgers or chain saws.

- If household chemicals or battery acids come in contact with the eyes, immediately flush them with water continuously for at least 15 minutes, holding the eyelids open. Then seek medical attention without delay.

Tahoka Merchants Appreciate Your Business

Senior Citizens Menu

MONDAY- Sliced German Sausage, Baked beans, Stewed Tomatoes with Bread Cubes, Cornbread, Butter, Applesauce Cake, Milk
TUESDAY- Salisbury Steak w Gravy, Mashed Potatoes, Buttered Carrots, Rolls, Butter, Fruit, Milk

WEDNESDAY- Fried Chicken, Cream Gravy, Buttered Rice, Buttered Broccoli, Cornbread, Butter, Custard, Milk

Prevented Planting

June 10 is the final planting date for cotton and June 15 for grain sorghum. This means that to be eligible for disaster benefits you are required to plant or replant until the date given for each crop. You may plant after these dates. If you are prevented from planting for the full 30 days prior to the final date because of conditions beyond your control you should file your prevented planting. You have 15 days following each final date to make application here at this office. To be eligible for payment you must also be prevented from planting a later non-conserving crop. **Failed Cotton, Grain Sorghum, and Wheat** crops that fail and will not be planted back to that crop must be reported to this office before destroying evidence of the crop. Payments are figured as in past years at the

following rates: Cotton - .236/lb.; Grain Sorghum - 2.29 cwt.; and Wheat - 1.91/bu.

Com. Target Loan Disaster Rates Rates
Wheat bu. \$3.81 \$3.20 \$1.91
Corn bu. \$2.40 2.40 \$1.20
G.S. cwt \$4.55 \$4.07 \$2.29
Cotton lb. .7087 .5246 .236

Wheat Harvest To Begin
Producers who harvest wheat and have a low yield should remember to report the low yield to this office within 15 days of completing harvest. Producers who may want to prove their yield should turn in their production for use in future years. Remember to report failed wheat before destroying evidence of the crop.

Certification of Crops
To be eligible for disaster payments timely and accurate certification is important. August 1 is the final date to certify. If you have need of

Area Students On SPC Lists

A total of 383 students attending South Plains College have been named to the combined Dean and President's Honor Lists for the spring 1981 semester.

To be eligible for the President's Honor List, students must maintain a perfect 4.0 grade point average. Students on the Dean's Honor List must maintain a minimum 3.25 grade point average while enrolled in 12 or more semester hours.

Dana Poer of Route 4 Tahoka has been named to the Dean's List. Nickie Gatzki of Wilson has been named to the President's List and the Dean's List.

A measurement service you should make request early. The cost is \$16 per farm plus 20 cents per crop acre measured. We are taking these requests now. The tolerance on reported acres is the larger of 2 acres or 10% of the reported acres not to exceed 50 acres. This year you must certify irrigated and dryland grain sorghum separately and the tolerance will be applied individually.

New Interest Rates
The interest rate for all 1981 commodity loans will be 14 1/2%. This rate is variable and will be reviewed each Oct. 1 and April 1. The interest rate may be adjusted during the period the loans are outstanding.

The navel orange got its name from the fact that the depression it has at one end somewhat resembles a human navel.

A Visit With Your County Agent

By Stanley Young

PROTECT LEAVES FOR TOP VEGETABLES

Plant leaves provide a source of food used in the development of fruit. Thus it's important to protect foliage from diseases.

Although plant foliage is subject to attack from bacteria and fungi, losses from fungal organisms are by far the most common in this area. Fungicides to control diseases caused by fungi include: captan, folpet, zineb, sulfur, copper, maneb and other maneb combinations.

Two new fungicides being used in the area are benomyl and chlorothalonil. Since these are more specific in their actions, they will often out-perform older standard fungicides when used properly.

Bactericides are used to control bacterial diseases. Those most effective contain some form of copper or an antibiotic (streptomycin sulfate).

A list of commonly used pesticides for disease control and what they are effective against is available at the Extension office.

Combination products or those listed as general purpose materials, should be examined closely to make sure they contain a fungicide, if one is needed. Often general use products contain only an insecticide and thus would have no effect on any disease problems.

Traveling around the county, I have visited with numerous growers who pre-

fer to use a dust rather than a spray. In tests done in other areas, no difference can be demonstrated between a dust or spray application.

The secret of good disease control with either of the pesticide formulations is early detection of the disease, thorough pesticide coverage, and continual applications as long as weather conditions favor disease development. When using dusts, apply them in the evening to get better distribution of the pesticide over the leaf. Dusting when leaves are wet with dew can result in an uneven distribution since dust will be attracted to water droplets. Sprays can be applied at any time.

I often get questions in the office about the effect of rainfall on a spray or dust application. If leaves have dried for two or three hours after the application, little pesticide will be removed by rain. However, if foliage has not dried, then repeat spraying or dusting.

For a pesticide to be effective against a disease, it has to be on the leaf during the time when the pest is present and developing. For most diseases, that is during and immediately after rainfall or heavy dews. During periods when diseases are severe, it may be best to apply the pesticide before a predicted period of wet weather. This will protect foliage and fruit during this critical period.

The secret to disease control is to use the proper pesticide, apply it at the proper time, and continue applications as long as the weather favors disease development.

The first clock with a pendulum was invented by Christian Huygens of the Netherlands in 1656.

THEY'RE NOT PEACHES--Phil Jennings of Tahoka shows the size of his apricots, which regularly grow as large as peaches on the tree in his back yard. He said four of them weigh a pound, but the photographer, whose reward was four big ones, found they weighed a total of 20 ounces. Anyway, they are Texas-size and Lynn County-size.

(LYNN COUNTY NEWS PHOTO)

Softball Tournament Set June 12-14

There will be a softball tournament in Brownfield June 12, 13, 14. Entry fee is \$60 per-team, cash or money order. Deadline for entering is June 5.

There is a 14 team limit and each team will provide one game ball.

There will be ASA officials, full count and 55 minutes per game. If interested contact Cathy Sealey 539-2564 or Linda Mayfield 637-6173 or Jackie Worth 637-7769.

An ailurophile is a lover of cats -- the word comes from the Greek ailouros, meaning "cat," and philos, meaning "loving" or "fond of."
