## New Legislation Affects Rural Texas

Legislation vital to the rural areas of Texas were approved before the legislature adjourned June 1. The financial stability of small school districts was maintained by the Appropriations Committee retaining a minimum aid provision. The law states that no school district shall receive less state aid per student in average daily attendance for foundation personnel than it received the previous school year.

"With rapid changes in property values that impact small school districts tremendously, this provision allows sound funding for public education in rural-oriented counties," said Rep. Bill Healy, a member of the Legislative Budget Board.

Rural areas of the state have been hardest hit by funding problems to maintain county roads and bridges. Additional funds were needed because inflationary costs of maintenance have continued. To cope with the situation, the Legislature has passed legislation that will raise \$29 million for the Lateral Road Fund by an across-the-board license tag fee hike for all vehicles in the state. The legislation goes into effect on July 1, 1982.

Agriculture products have long been exempted from ad valorem taxation, with the exception of livestock and poultry. Legislation passed this session calls for a constitutional amendment election that asks voters to approve allowing for the exemption and thereby making for more uniformity in determining taxable income and property for farmers and ranchers.

To preserve the traditional practice of buying and selling gasoline on a temperature-adjusted basis, the Legislature enacted a law that will make it an offense to refuse to make sales of a motor fuel without an allowance for temperature adjustment for shipments of gasoline over 5,000 gallons.

Healy said, "The significance of the legislation is that because motor fuel evaporates at a high rate at warmer temperatures, this bill will assure that service station owners and operators do not have to pay for evaporated gasoline. This will be particularly helpful to our operators in out-of-the-way rural areas that require long hauls of motor fuels. Consumers, by not having evaporation costs passed on to them, will likewise benefit from temperature-corrected sale of gasoline."

Rural counties have often found it difficult to provide adequate juvenile probation services through local funding. A new law will pave the way for up-dated, equitable juvenile probation services throughout the state. The legislation renames the Adult Probation Commission the Texas Probation Commission and makes it responsible for juvenile as well as adult probation services.

No longer will a county have to provide funding for indigent counsel in a capital case. Legislation passed provides that the court will certify the amount to be paid to the court-appointed counsel by the Comptroller from state funds. Such cases have been an added financial burden to rural counties who have insufficient local funds for lengthy capital cases.

Concurrent Jurisdiction will be given over misdemeanor matters which will assist counties which do not have County Judges that are attorneys. This was done at the request of the County Judges of the 50th Judicial District.

### Tell Chamber Date Of Events

Organizations who have functions planned in Tahoka at any time in the future are asked to list the dates of those functions with the Tahoka Chamber of Commerce office, phone 998-4761, it was requested this week.

"This will help us know what is scheduled, and also will help prevent conflicts by groups planning significant community events," said C-C President Frank Barrow.

Chamber secretary Betsy Adams should be notified of the dates of such events, and anyone planning an event should check with the chamber office to see if any other activities are scheduled on the proposed date.

## Tahoka Methodists Get New Minister

Gene Wisdom, who has been associate pastor of St. Stephen United Methodist Church in Amarillo, has been named pastor of Tahoka First United Methodist Church and will move here this week to begin his new assignment.

Prior to his appointment to St. Stephen Church, Rev. Wisdom served as pastor of Vega Methodist Church for three years.

Members of the Tahoka church will welcome the Wisdom family with a covered dish luncheon and a pounding after Sunday night's

service, with the welcome expected to begin about 7:30 p.m. in the Fellowship Hall of the church. Wesleyan Circle will host that event.

The minister is 33 years old and a graduate of Perkins School of Theology, a part of Southern Methodist University in Dallas.

Gene and Ellen Wisdom will celebrate their 14th wedding anniversary this month. They have a daughter, Michelle, 9. Both Wisdoms are from Lake Charles, La., where they attended high school together. Their families still reside there.

**GENE WISDOM**  
The new Tahoka minister lists as his hobbies golf, tennis and skiing. Mrs. Wisdom enjoys reading, sewing and gardening. Michelle plays violin "and hopes to raise a Cocker Spaniel puppy this summer."

Rev. Wisdom also will serve on the Annual Conference Commission of Equitable Salary and the Work Area on Missions, where he has held office for the past four years.

Rev. Wisdom will preach at both services Sunday.

## Museum To Be Open All Day As Old Settlers Meet Here

The Board of Directors of the Tahoka Pioneer Museum are planning an open house Saturday, June 20, to coincide with Old Settler's Day. There will be no formal program as was held last year but instead will feature this year the paintings and bronze and molded sculpture of local artist Bill Craig. These will be on display at the museum from 9 a.m. to 5 p.m.

There is no charge for this showing and refreshments will be served. A great deal of work by many people has made the museum possible and the directors hope that everyone will visit the museum, not only to see the progress made in the

museum but to see some of Bill's work.

The board, at their regular monthly meeting, voted to again open the museum on Sunday afternoons from 2 to 5 p.m. beginning this Sunday, June 14. Memberships to the museum are \$10 per couple or household, and annual dues are \$5 per couple or household. Life memberships can be obtained for \$100. This money is used to maintain the present museum and for its future expansion.

The majority of the articles on display at the museum are from Lynn County and reflect the heritage of the county. A great deal of planning has been done to make this

museum unique and not the general run of museums. The directors invite everyone to take this opportunity to visit the museum on June 20.

Plans for the Old Settlers Reunion itself are all set, according to Horace Rogers, president of the Lynn County Old Settlers Assn., who said all committees and workers have been named for the annual event, expected to attract more than 300 persons to the activities at Tahoka School Cafeteria June 20.

No formal program is planned, with time to be devoted to visiting and eating the noon meal. Recognition of several persons will be the highlight of the day's activities.

### WOODWORK

by dalton

SOMEBODY in the office the other day asked me how to spell bouganvilla. "How about b-o-u-g-a-i-n-v-i-l-l-a?" I retorted. But he could tell by my expression that I didn't seem too sure. Another guy standing around, who was the cause of the whole thing because he wanted to put the word in an ad, I discovered later, said he didn't think it had any eyes in it that close to the front. Or maybe he said I's.

"Do you even know what it is?" he asked me. "Sure," I replied. "It's some new kind of Oldsmobile."

Anyway, he was positive he knew how to spell it, and I was pretty sure I had seen the word somewhere spelled another way, but it was his money, so we put it in the paper the way he had it, after first asking around the office and confirming that none of the women knew either. We didn't ask our teenage employe. She probably would have said something like "Is that where you go boogeying around the village?" One of the women looked in the dictionary and said she couldn't find it.

I suggested that he advertise roses, because we could all spell that one, and nobody except a bunch of flower nuts would know a booginville if they saw one. But he was insistent.

As it turns out, none of us spelled it correctly, and it was in the dictionary all the time. The correct spelling is bougainvillea, or an acceptable alternate is bougainvillaea, neither of which I expect to remember by the time it comes up again, if ever.

Webster says the thing is named after L.A. de Bougainville, a French explorer (who got lost, I guess, in the woods). It is described as "a woody tropical vine having flowers with large, showy purple or red bracts."

Good grief. After that I had to look up "bracts," and I learned a bract is "a modified leaf, usually small and scalelike, growing at the end of a flower or on its stalk." Why didn't they just say leaves in the first place?

AFTER A tough day at school, two teachers were discussing their hectic occupation over coffee in the faculty lounge. Said one: "If there's anything to this business of reincarnation, I'd like to come back as a childhood disease."

## Blood Drive Set June 15

A Blood Drive will be held Monday, June 15, from 4 to 8 p.m. in the fellowship hall of the First United Methodist Church in Tahoka.

Anyone between the ages of 17 and 66 are generally accepted as blood donors.

The current requirement for blood in this area is more than 1900 units of blood per month.

## Planter Is Donated To Museum

A one-row, one-horsepower, walking planter with planter box and changeable plates for grain or corn and a spike wheel to pull cotton out of the box has been donated to the Tahoka Pioneer Museum by F.C. and Tommie (Milliken) Williamson of Carlsbad, N.M.

When restoring this planter, the wooden shanks came from Borden Davis Hardware Store in Tahoka at a cost of 95 cents each.

This planter was used in Eastland Co., Texas in the early 1900s by the Frank Williamson family.

## Several Thefts Investigated Here

Several thefts and one accident were investigated by the Tahoka Police Dept. during the past week.

C.W. Roberts reported someone tried to break into the coin machine at the car wash.

On June 2, Tom Cloe reported three oil drums stolen from the Texaco station.

Last Sunday night, a Western Auto lawn mower was stolen from Andy Dunlap at 2029 N. Main and in a similar incident, a White's 3hp mower was stolen from Danny Stancell last Monday at 1917 N. 2nd.

The Tejada Cafe reported last Thursday that someone broke in and stole a Montgomery Wards microwave oven valued at \$350.

## Faster Contact On Road Conditions Pondered

Lynn County Commissioners did a lot of discussing but only a moderate amount of official action was taken on several items considered at Monday's regular meeting of the group in the courthouse at Tahoka.

The group discussed the possibility of equipping at county expense one highway department vehicle with a radio which could put the sheriff's department in direct contact with the state agency in times of highway flooding or other traffic problems related to weather. Also discussed was a reported problem involving 4-H organization at O'Donnell and some aspects of a preliminary budget for the next year.

County Judge Melvin Burks pointed out to the commissioners, all of whom were present, that more lateral road money will be received this year than was expected, and also that the county should receive about \$23,000 more in revenue sharing money next year than had been expected.

### Longer Look Due

The commissioners did not

get into the budget discussion very far, but plans to give it a longer work session at the next meeting June 22.

Rex Childress was approved as night jailer and Joe Childress as part time jailer, and the resignation of deputy Carlos McCleskey was approved.

After considerable discussion, the commissioners voted to increase the amount of liability insurance on the sheriff's cars and extension service pickups. The Clint Walker Agency's low bid on the coverage was accepted.

It was voted to renew memberships in the Texas Good Roads Assn. and Water, Inc.

**Different Frequencies**  
Regarding the possibility of the county equipping a highway department vehicle with a radio, Sheriff Stanley Krause explained that the THD radios were not on a frequency which could be reached by the SO, nor could

one of the THD radios be modified to receive the county transmissions. He said equipping just one state vehicle with such a radio would allow the sheriff's department to contact them immediately when the state needs to be notified quickly of a bad highway situation such as the one which occurred near O'Donnell last week when flood waters covered U.S. 87 and made it impassable for a time. The one state vehicle so equipped then could notify any of the other state personnel on their own frequency.

No action was taken on the proposal pending a look into the possibility of trading some unused radio equipment in on one such radio.

District Extension Agent Bill Gunter of Lubbock met with the commissioners to discuss the needs of the 4-H program at O'Donnell and County Extension office activities.

MRS. WHITNEY WILLIAMS nee DEANYA WOOD

### Wood - Williams Exchange Double Ring Vows

Miss Deanya Wood and John Whitney Williams exchanged wedding vows in a double-ring candlelight ceremony at 7 p.m. Saturday, June 6. The Rev. Jimmy Turner of College Heights Baptist Church of Big Spring officiated with the Rev. Don Cass of First Baptist Church of Tahoka assisting. Vows were repeated in front of a triple rainbow of brass candelabra centered to the back of the altar and brass candle trees on each side of the altar. All candelabras were decorated with greenery. An arrangement of white gladiolas, blue iris and blue agapantha centered the rainbow of paradise tapers.

The bride is the daughter of Mr. and Mrs. Hilton Wood of Tahoka. Parents of the groom are Mr. and Mrs. Bobby Williams of Seagraves.

Mrs. Clay Bennett of Tahoka presented traditional wedding music as the guests arrived and accompanied Mrs. Vivian McAfee as she sang "That's the Way" and Mrs. Patti Cloe as she sang "A Wedding Prayer", and both as they sang "Wedding Song".

Presented in marriage by her father, the bride wore a formal length gown of white chiffonilla fashioned with a Queen Anne neckline edged with venise lace and full length bishop sleeves with petal point cuffs. From the empire bodice flowed an A-line skirt that cascaded into a chapel length train. Horizontal bands of lace accented the skirt and train. The headpiece was a bandeau of venise lace holding a walking length veil of illusion, edges with venise lace. The veil was designed by the bride and her mother.

The bride carried a crescent bouquet of orchids, stephanotis, daisies, and baby's breath with satin streamers. She also carried her mother's small Bible, which she had carried in her wedding. The bride's shoe held a 1959 penny. She wore a wide gold wedding band which was over 100 years old and had

belonged to her great-great-aunt, along with a gold bracelet which belonged to the groom's aunt. She also wore a blue garter.

Attending the bride as matron of honor was her mother, Gearld-Deane Wood. Bridesmaids were Mrs. Karen Evans of Lubbock and Miss Teal Corley of Tahoka. They wore formal length gowns of blue lustreglo. The bodices featured V-necklines and the pleated A-line skirts featured wide cummerbuns at the waistline of the same fabric. They carried nosegays of carnations, daisies and baby's breath.

Aaron Thompson of Seagraves served as best man, with Joseph Williams, brother of the groom, and Mike Hoover of Seagraves serving as groomsmen.

Ushers were Kevyn Wood of Tahoka, brother of the bride, and Sid Williams of Pearsal.

Miss Jataun Williams, sister of the groom, attended the guest book.

Following the wedding ceremony, guests were invited to the area outside Fellowship Hall to enjoy snacks prior to the reception. The reception soon followed in Fellowship Hall. Serving at the bride's table were Kim Beth Moore, cousin of the bride of O'Donnell, Kim Bass of Tahoka, and Kay Faulkenberry of Floydada.

Serving at the groom's table were Kathy Edlin of Lubbock and Lana Reed of Floydada. Assisting the bride with flowers and other decorations was her uncle, Tim Tippitt of Lubbock. Other members of the houseparty were Mrs. Joanne Hammonds, Mrs. Minnie Lou Ash, Mrs. Carolyn Boydston, Mrs. Wanita Kelley, Mrs. Mary Lou Bass, Carla Ash, Mrs. Pam Miller, Mrs. Mildred Abbe, all of Tahoka and Mrs. Rilda Moore, aunt of the bride of O'Donnell.

The bride is a 1978 graduate of Tahoka High School and attends Texas Tech University as a senior in Consumer Science. The groom is a 1978 graduate of Seagraves High School and is a senior agricultural student at Tarleton State University. The couple will reside in Stephenville.

Special guests attending were Mr. and Mrs. J.T. Tippitt of Tahoka and Mrs. Horace E. Wood of O'Donnell, grandparents of the bride, Mrs. Pheme Cade Robbins, great-grandmother of the bride and J.H. Robbins, both of Tahoka. Also attending were Mrs. Bertha Williams and Mrs. Bernice Shepherd of Tahoka, grandmothers of the groom.

Courtesies The bride was honored with a miscellaneous shower May 2, in the First United Methodist Church parlor in Seagraves. Another miscellaneous shower was given May 16 in the home of Mrs. Lyndell Wood of Tahoka. A spice and rice bag shower was given by Mrs. Karen Evans of Lubbock, in her home May 30. The bride was given a bachelorette party and shower June 4 in the home of Kay Faulkenberry in Lubbock.

The couple was honored at a rehearsal dinner Friday night, June 5, hosted by Mr. and Mrs. John Shepherd of Seminole, uncle and aunt of the groom. Assisting were Mr. and Mrs. Bobby Williams of Seagraves, Mrs. Beth Chapman of Brownfield, Jataun Williams of Seagraves, and Mrs. Bernice Shepherd of Tahoka.

### MRS. HAROLD EUGENE RIBBLE nee STARRLYN KNOX Starrlyn Knox - Harold Ribble Wed In Double Ring Ceremony

Starrlyn Kynn Knox and Harold Eugene Ribble were united in marriage during a double ring ceremony held Friday, June 5, in the First United Methodist Church of Tahoka with the Rev. Phil McClendon of Amherst officiating and assisted by Jayson Knox, brother of the bride.

Parents of the couple are Mr. and Mrs. Leighton Knox Jr. of Tahoka and Mr. and Mrs. H.D. Ribble of Brownfield.

The couple exchanged vows before a background of arched candelabrum. Flanking the candelabrum were two spiral candelabras, all were designed by the bride and built by her father.

Serving as candlelighters were Lisa Carter of Tahoka and Shana Haynes of Lubbock. They wore floor length dresses of apricot organza. Mrs. Margaret Carter and Mrs. Betty Green, both of Tahoka, provided the music for the special wedding selections.

Paulyne Eaker, grandmother of the bride sang "Whither Thou Goest" as a duet with Mrs. Vivian McAfee followed by Mrs. McAfee singing "The Twelve of Never" accompanied by her husband, Mark. She also sang "We've Only Just Begun", theme from "Ice Castles" and "Evergreen". Denise Ehlers sang "The Rose" and "If". Jerry Beth McKibben sang "Color My World", "Time in a Bottle" and "God, A Woman, and A Man".

The Methodist Joy Ringers added "The Lord's Prayer" and a special wedding selection on the hand bells.

The bride, presented in marriage by her parents, wore a formal length gown fashioned of white English net. The fitted bodice featured a high Victorian neckline edged with Chantilly lace and flowing into a sheer yoke of brussels lace adorned with miniature seed pearls and sequins. A deep Chantilly lace ruffle encircled the shoulders. The long, tapered sleeves ended in two rows of ruffled lace at the wrists and

Special guests at the wedding ceremony, included Mr. and Mrs. John T. Eaker of Ira and Mr. and Mrs. Leighton Knox Sr. of Tahoka, grandparents of the bride; and Mr. and Mrs. Carlton Ribble of Crowell and Mr. and Mrs. J.B. Murphey of Quannah, grandparents of the groom.

Callie Robinson assisted the guests in registering before the ceremony.

Reception A reception was held in the fellowship hall of the church immediately following the ceremony.

Shana Haynes and Lisa Carter distributed the bell-shaped rice bags to the guests.

Assisting at the bride's table were Pam Witt, Penny Witt, Mrs. Marla Jones and Rajecnia House, all of Tahoka.

Serving at the groom's table were Mrs. Sheryl Cox of Lubbock, sister of the groom, and Kathleen Harben of Brownfield.

Following their wedding trip, the couple will make their home in Brownfield.

Bridal Courtesies

The bridal courtesies for the couple included a bridal shower given in the home of Mrs. J.P. Lawson, a lingerie shower given in the home of Mrs. Guy Witt, and an ice cream supper given by the bride's parents.

The groom's parents also hosted a rehearsal dinner.

### 4-H Folk Dance Set For June 23

The County Wide 4-H folk dance will be held on June 23, 8 p.m., at the Lynn County Showbarn in Tahoka. This is a family activity and is open to anyone interested in sharing and having fun with their families.

Come and bring your family and friends.

### Shower Honors Miss Stringer

A shower honoring Miss Suzi Stringer, bride-elect of Ken Turner, was held Saturday morning, June 6th, in the home of Mrs. Skiles Thomas. Special guests for the occasion were Mrs. Charles Stringer, Jan Stringer, and Mrs. Amazele Mathews, mother, sister, and grandmother of the bride-elect and Mrs. Kenneth Turner, Mrs. Kerry Hurst of Sudan, and Mrs. L.S. Turner, mother, sister, and grandmother of the groom.

Refreshments were served to approximately fifty guests from a table featuring a centerpiece of fresh pineapple and strawberries and a silver coffee and punch service. Serving at the table were Miss Denise White and Miss Barbara Owen. Serving at the guest register was Miss Melonie McNeely. The hostess gift was a kitchen center.

The couple plan a July 18 wedding at the First Baptist Church in Tahoka.

**PRaise THE LORD**

By LENDA WOOD

A businessman became very ill and unable to work for several months. As he was recovering and gradually able to return to limited work, his boss was not very understanding regarding his ability to produce. It seems that this particular boss had plenty of material possessions and didn't really need to be too concerned about adding any more to them. Nevertheless, he was impatient, and didn't really care about the needs of his employee.

The man who had been ill really needed to feel that he was worth something to his job and family.

As I was thinking about this situation, it dawned on me what the scripture meant regarding the time when Jesus healed the man called Legion. When Jesus cast all the demons out of Legion, they entered 2,000 swine and the swine ran violently down a steep place and into the sea and were destroyed. The people of the area, although they realized a man had been totally healed and in his right mind, wanted Jesus to leave their country.

I don't understand, either, why 2,000 pigs had to be destroyed. But I do understand that Jesus caused a man to be made whole. It seems that the people were more interested in material possessions than they were in the wholeness of a man.

**DID YOU KNOW...**

...that Christians in the New Testament were given a command saying: "If anyone will not work, neither let him eat."? II Thessalonians 3:7-12 says, "For you yourselves know how you ought to follow our example, because we did not act in an undisciplined manner among you, nor did we eat anyone's bread without paying for it, but with labor and hardship we kept working night and day so that we might not be a burden to any of you; not because we do not have the right to this, but in order to offer ourselves as a model for you, that you might follow our example. For even when we were with you, we used to give you this order: if anyone will not work, neither let him eat. For we hear that some among you are leading an undisciplined life, doing no work at all, but acting like busybodies. Now such persons we command and exhort in the Lord Jesus Christ to work in quiet fashion and eat their own bread."

This lesson of working or going hungry is a lesson that all men, even of our nation, should learn. God has never blessed those who are not willing to work.

DONALD DAWES

Notice what God reveals in Proverbs 6:6-11: "Go to the ant, O sluggard, observe her ways and be wise, which, having no chief, officer or ruler, prepares her food in the summer, and gathers her provisions in the harvest. How long will you lie down, O sluggard? When will you rise from your sleep? 'A little sleep, a little slumber, a little folding of the hands to rest' - and your poverty will come in like a vagabond, and your need like an armed man."

How long will we fail to work, both with our hands, and with our spirits? Will we work as the ant and prepare for food in this life and joy in the life to come?

### WHS Students Elected To Girls Boys State

The Wilson School faculty has chosen Tonda Klaus and Ricky Stone to represent Wilson at the State Seminars this summer. Sponsored by the American Legion and paid for by Wilson State Bank, these students will learn about Texas governmental procedures. The students were honored with a banquet before beginning their trip. The runners-up for these awards were Billy Bishop and Ginger Kimbrell. Tonda, daughter of Donald and Carolyn Klaus, will be a senior at Wilson High School. She has attended Wilson schools for 11 years and plans to attend Texas Tech or Angelo State. Her major is undecided.

Ricky, son of Carl and Violet Stone, will also be a senior at WHS and has attended Wilson schools for 11 years. He plans to attend college and major in business.

#### COOKING FROZEN MEATS

Cooking "frozen-solid" meats avoids lengthy thawing time -- but it does take longer than cooking non-frozen meats.

Allow for the extra cooking time, so you'll have a tasty product and you can still save lots of valuable hours.

Extra cooking time for frozen meats depends on the size, shape and thickness of the meat. For example, large frozen roasts may take up to 1 1/2 times as long to cook as unfrozen roasts of the same size. On the other hand, remember that smaller roasts will need more extra time PER POUND than larger roasts (but not more total time).

Frozen steaks and chops take up to 1 1/2 times as long to broil. Place them at least 4 inches from the heat source to prevent overbrowning.

#### Potato Casserole

- 2 pounds frozen hash browns
- 1/2 cup melted margarine
- 1 teaspoon salt
- 1/2 teaspoon pepper
- 2 Tablespoons dried onion
- 1 can - cream of chicken soup
- 1 pint sour cream
- 2 cups grated American cheese

Saute potatoes in melted butter. Add other ingredients and mix well. Bake at 350 degrees for 45 min. to 1 hr.

#### HINTS:

Nonfat dry milk contains half the calories of whole milk and costs less too.

When you go shopping, make a list beforehand. You are less likely to buy items you don't need.

Fix dripping hot water faucets. One drop a second will waste 200 gallons a month that took money and energy to heat.

Use granulated sugar as a powdered sugar substitute by grinding it finely in a blender.

Turn a single earring--when the other one is lost-- into a fashionable stickpin by gluing onto the end of a T-pin.

Keep a new powder puff in your flour canister for dusting cake pans.

Keep a small cellophane bag handy when mixing dough in case the phone or doorbell rings. Slip hand in sack and save cleaning a mess later.

#### STATEMENT OF INTENT TO CHANGE RATES

General Telephone Company of the Southwest, in accordance with the Rules of the Public Utility Commission of Texas, hereby gives notice of the Company's intent to implement a new schedule of rates in Texas effective October 1, 1981.

On April 28, 1981, the Public Utility Commission of Texas issued its order in Docket 3690, creating a separate Docket 3861 to consider the impact and effect of the accounting changes ordered by the Federal Communications Commission (CC Docket 79-105).

The Federal Communications Commission has changed the method of accounting for inside wiring costs associated with the one-time station connection, move, or change activity. The new rate schedule will increase the Company's gross annual revenue derived from local service by no more than three percent.

The schedule of rates and charges is available for inspection at each Company business office in the State of Texas.

By PAT GREEN  
Lynn County Farm Bureau

In a Buy-and-Sell Agreement involving life insurance purchased on the lives of partners or stockholders to fund an agreement to purchase that portion of the business, are the proceeds taxable as included in the insured's estate?

If proceeds of the agreement policy are not payable to the insured's estate, and the insured has no incidents of ownership in the policies or his life, the proceeds are not includable in the gross estate and, therefore, not taxable. The value of his partnership interest or the corporate stock which he holds is includable in his estate, however, and is subject to Federal estate taxes. Incidents of ownership would be precluded by a provision in the agreement prohibiting the insured from surrendering or borrowing on the policy or changing the beneficiary.

**CONTOUR FARMING** is being done by most of the farmers in Lynn County who have terraces on their steeper land. The terrace systems are designed to hold most of our annual rainfall and to provide a guide for laying off rows on the contour. Where there are no terraces to serve as a guide, the land owner or operator should ask for assistance from the Soil Conservation Service (SCS) to help him layout a system of contour rows.

Another practice that is being used with contour farming is furrow diking. The diker makes small pits and dams between rows which helps to hold more water. This practice works best with level or contoured rows. For more information contact your local SCS office in Tahoka.

### A Visit With Your County Agent

By Stanley Young

#### REPLANTING HAIL DAMAGED COTTON

A large storm accompanied by heavy washing rains and hail recently hit portions of Lynn County causing heavy damage to cotton.

Many farmers in these hard-hit areas are now faced with the unpleasant task of replanting their crop, realizing that planting in June usually means less than average yields even with normal growing conditions for the remainder of the growing

season. Their most important decisions now is which cotton varieties to use and what cultural practices might be applied that will hasten the maturity of the crop, Stanley Young, Lynn County Extension Agent said.

Producers should consider varieties that fall into the early or possibly early-medium ranges.

Any practices that encourage earliness in late planted cotton. Earliness can be

achieved by replanting cotton on "double rows" or some narrow row pattern other than the standard 40 inch row width. Of course, this will require arrangement for harvesting with a broadcast stripper. But generally, planting in double or narrow row patterns tends to hasten maturity. A few days gained in earliness can be important in late planted cotton.

As for planting rates in late planted cotton, remember that germination and emergence will be enhanced by warm, moist soil conditions. Generally, seeding rates of 15 to 18 lbs. of good quality seed per acre—or 5 to 6 seed per foot of drill—should be adequate for optimum stands. For double row cotton 20 to 25 lbs. of seed per acre (3 to 4 seed per foot of drill) is usually sufficient.

Residues of preemergence herbicides can be a problem in replanting especially in sandier soils, the agent cautioned. Caparol, Lasso and Darmex can be leached downward by rainfall and cause seedling injury in replanted cotton. Normally, this problem can be avoided by replanting in the furrows (not in the original bed). The preplant incorporated herbicides are not a problem in replanting to cotton.

Later decisions concerning irrigation must also be considered after late cotton is up and growing. Because the yield potential for late planted cotton is reduced, fields having adequate moisture at replanting may not require additional summer irrigation. In fact, yields of late cotton can be reduced by too much water. Keep in mind that when yield potential is down the need for water and fertilizer is reduced, the Extension agent said.

Growers in the fringe areas of these storms also face a tough decision: should they try to save the existing stand or replant? All too frequently, this critical decision is made the day following the storm when the extent of damage appears much worse than it actually is. Keep in mind that the cotton plant has a remarkable capacity to recover from almost any adversity. It's important to wait two or three days and then critically evaluate the type and extent of injury.

Rejuvenate dried-up mascara by holding the tube under hot water for two or three minutes, advises Nancy Brown a clothing specialist on the home economics staff of the Texas Agricultural Extension Service.

## COTTON TODAY

**COTTON FEES OKAYED:** House and Senate Agriculture Committees have approved a proposal to shift the financial burden for cotton classing and warehouse inspection from government to industry.

Cotton industry representatives, through the National Cotton Council, worked with members of Congress to devise amendments to ease burdens posed by the proposal. One amendment would establish a ceiling on the total amount that could be collected in any year.

Other amendments would: (1) direct the Agriculture Secretary to seek economies in the programs so that fees can be set at levels low enough to save the programs; (2) direct the Secretary to consult with industry representatives on operation of the programs for ways to reduce costs; and (3) provide that standard form boxes be sold at full cost, thereby relieving any cost of this program from being borne by the user-fee charge.

**HEARING SET ON REPORTS:** The U.S. Department of Agriculture will hold a hearing June 23-24 in Washington, D.C., to discuss priorities of and possible cuts in its economics and statistics programs for 1982 and 1983.

USDA's statistical program will be discussed the first day while the next day's topic will be its economic analysis and research work. Services include crop production, supply-demand, and outlook reports for cotton and other crops.

### Tahoka Cub Scouts Attend Fun Day

Cub Scouts from Tahoka Pack 782 attended fun day activities at Camp Post Saturday, June 6.

127 boys from the Quanah Parker District attended. The Tahoka scouts attending were: Dallas Williams, Zane Edwards, Aaron Miller, Charles Hager, Valentine DeLeon, Billy Wright, Timothy Young, Paul Glisson, Corey McCleskey and leaders Glenda Williams and Gail Jackson.

The group placed second for their building of a game. Dallas Williams won a third place ribbon in wood carving.

## Lynn To Be In State Rep. Heatly's District

The House of Representatives has approved a plan to redraw legislative districts which puts Borden, Dawson, Howard and Lynn Counties in the district currently served by Rep. W.S. "Bill" Heatly, Democrat of Paducah, who is presently the Dean of the House of Representatives. This new district will be No. 150 and will also include Cottle, Dickens, Foard, Garza, Kent, King, Knox, Stonewall and Wilbarger Counties.

Rep. Heatly has been a member of the House of Representatives since 1955 and has served as a member of the Appropriations Committee since 1956. He served as Chairman of that Committee for 12 years, from 1959 to 1971. He has been a member of the Legislative Council and a member of the Legislative Budget Board for a record number of 22 years.

During the current Legislative Session, Rep. Heatly sponsored in the House, the Lateral Road Fund Bill which re-established this fund to the counties. This appropriation was vetoed by Gov. Clements in 1979. As a result of this bill, Lynn County will receive \$96,426 this year and approximately \$32,142 each year thereafter, according to Heatly.

Heatly also co-sponsored with Rep. Bill Haley of Center a bill that allows counties to keep additional money from vehicle license fees in the Road and Bridge Fund which he said would bring at least \$90,457 more to Lynn County a year.

Heatly is also known as a staunch opponent of the Peveto Bill which revised the property tax codes, and throughout his career in the House, has opposed efforts to raise school taxes.

Heatly is married and has three married sons and nine grandchildren. He graduated from Decatur Baptist College, and received a B.A. Degree and a L.L.B. Degree from Baylor University in 1936. He has lived in Paducah since 1946 and has

BILL HEATLY

served in the following capacities there: City Attorney, Executive Board of N.W. Texas Area Boy Scouts, President of the Lions Club, Member of Pythias Lodge, 33rd Degree Scottish Rite Mason, charter member of Chamber of Commerce and Board of Directors. #### Congressional Comment

A four-year omnibus Farm Bill has been formally voted out of the House Agriculture Committee that, if passed by this Congress, is in many ways unacceptable to U.S. farmers and ranchers.

I have personally fought many of the proposals in that bill throughout the drafting process and, having failed to revise some of the more unacceptable elements, will introduce an amendment calling for the expiration of the legislation at the end of the 1982 crop year.

The Farm Bill, as approved by the Committee, does not address the current problem facing agriculture and that is profitability in the marketplace. We must have programs that will enable the farmer to receive a reasonable profit on his investments. The question that I have continued to raise is why we should continue the same programs that have placed our farmers in such critical financial conditions. We need to look at alternatives that will address this problem in a more favorable and realistic fashion.

As a farmer, I know and realize that we cannot continue to operate as we have in the past if we are to survive. We cannot produce at an unprofitable level indefinitely. We must have agriculture prices on a paying basis if we are to continue to have a plentiful supply of food and fiber.

As a Congressman, I just don't believe that we have done our best for the farmers of this country through this legislation and in calling for the unusual one-year bill I hope that we can at least "cut our losses" to the greatest extent possible.

I strongly favor a permanent change from the traditional practice of drafting new agricultural legislation in the opening days of a new administration and a new Congress.

The first few weeks of a new

### Grain Sorghum Board Slates Election

Grain Sorghum producers in a 29-county area of the Texas High Plains will elect four members to the Texas Grain Sorghum Producers Board on Sept. 15.

Terms of four current board members expire at that time. They are K.B. Parrish of Springlake; Larry Witten of Olton; Ralph Mabry of Lubbock; and C.P. Smith of Hale Center. All incumbents are eligible for re-election to the 6-year, non-salaried position as long as they are bona fide grain sorghum producers.

Any person in the 29-county TGSPB area who produces grain sorghum and is subject

new administration usually takes several weeks or months to get personnel on board and even longer to determine specific policy goals.

Due to the requirements of the Congressional Budget Act, we find ourselves in the position of writing four-year legislation before anyone has a good idea of what direction they want to go.

I believe that by passing a one-year bill this session and a four-year bill next year, Congress can give the legislation the careful consideration it deserves.

#### 4-H CLOTHING PROJECTS FORM DUE JUNE 12

Forms for completing the 4-H Clothing project are due at the Extension Office on Friday, June 12.

**NOTICE CHANGES--** Garments will be judged and modeled at noon on June 15 at Lynn County Pioneer Club, Tahoka. Having this at noon will help out concerning the schedules of the Pioneer Club.

MRS. SAMMY PRIDMORE nee KIMBERLEE PEBSWORTH

**Pebsworth - Pridmore  
United In Marriage May 30**

Kimberlee Dianne Pebsworth and Sammy Dan Pridmore exchanged vows at 7 p.m. Saturday, May 30 in the First Baptist Church of Tahoka. The Rev. Leo Cole of Loop First Baptist Church performed the double ring ceremony in front of an altar decorated by blue and white carnation floral arrangements, flanked by two seven-point candelabras entwined with lemon-leaf and plumosis fern greenery. A memory candle was lighted at the conclusion of the ceremony by the couple.

Parents of the bride are Mr. and Mrs. Jerry Pebsworth of Tahoka. Parents of the groom are Mr. and Mrs. Sam Pridmore of New Home. Given in marriage by her father, the bride wore a formal length gown of white Chantilly lace over taffeta, featuring a fitted bodice, dotted with seed pearls. The

dress featured a scalloped neckline and short cropped sleeves edged with lace. The full gathered skirt was complemented with a bustle of three large roses of self fabric. Her long gloves of Chantilly lace came to points at the wrist. She wore a picture hat trimmed with Venice lace and seed pearls. The crown of the hat was encircled with a white illusion band.

She carried a cascade bouquet of feathered blue and white carnations, stephanitis and baby's breath with lace streamers.

Mrs. Clay Bennett of Tahoka presented traditional wedding music and accompanied soloist Mrs. Patti Cloe.

Attending the bride as maid of honor was her sister, Tammy Pebsworth of Tahoka. Miss Paige Pridmore, sister of the groom, served as

bridesmaid. They wore gowns of baby blue silk organza with scooped necklines with sheer bell sleeves and matching blue picture hats.

Tim Pridmore of Lubbock, cousin of the groom, served as candlelighter.

Sam Pridmore, father of the groom, served as best man and Steve Renfro of Tahoka was groomsmen.

Ushers were Kent Pebsworth, brother of the bride and Tim Pridmore, cousin of the groom.

Melanie Terry attended the guest book while Ann Marie Midcaff passed out rice bags to the guests.

A reception immediately followed the ceremony.

Serving at the bride's table were Lani Brown and Marci Miller, both of Tahoka. Pam Krause and Perry Dunlap of Tahoka served at the groom's table.

The bride is a graduate of Tahoka High School. The groom is a graduate of New Home High School and is employed by Sam Pridmore and Son Aerial Spraying.

After a wedding trip to various parts of Colorado, the couple will reside in Tahoka.

**Courtesies**

The rehearsal dinner was held at 8 p.m. on Friday, May 29 at Dardonnell's in Lubbock. The dinner was hosted by Mr. and Mrs. Sam Pridmore, parents of the groom.

**Miss Lambert  
Wins Crown**

Michelle Lambert of Hobbs, N.M., eight-year-old granddaughter of Mr. and Mrs. O.H. Warren of Tahoka, won a crown for Most Photogenic and in Talent and Modeling in Abernathy's Imperial Miss Pageant.

Michelle is runner-up in the State Regal Miss Contest held in Carlsbad, N.M. She was one of the top five finalists in IMTA Model of the Year in Baton Rouge, La. She will compete in Internationals For Regal in Amarillo June 14-16.

### Little League Results

Major League teams, Taylor Tractor and Parker Pharmacy opened the Little League season here on Monday, May 25. The first game was really a high scoring game with Taylor Tractor winning over Parker 23-20.

Juan Garcia and Jimmy Wyatt both hit homeruns helping to make the win for Taylor. Others scoring runs for Taylor were Ronnie Dunn, Mike Ramirez, Ken Guinn, T.C. Spruiell, Kurt Bryan, Dale Stephens, and Mike Censerous.

Parker runs were made by Randy Constantos, Donna Hopson, Gerald Antu, Loyd Cabellero, Bobby Joe Patterson, Ricky Williams, Shawn Ballard, Todd Ballard, James Antu and Tony Gonzales.

On June 1, rain caused the game between Taylor Tractor and First National Bank to be called in the second inning with a tie score.

#### Minor League

In Minor League play New Home Co-Op won over Wade Implement 17-3 on May 26. Cory Ballard hit a home run to help boost New Home's score. Others scoring runs for New Home were Jay Johnston, Joey Stone, Michael Tipton, Jon Stone, Coby James, Justin Haley and Daniel Rogers.

Wade's scores were made by Jay Forsythe, Lous Garcia and Zane Edwards.

On June 2, the game be-

## Students Improve Scores On Basic Skills

Tahoka students in the ninth and fifth grades scored considerably higher on their Texas Assessment of Basic Skills (TABS) tests this year over the scores made by last year's group in the first tests taken.

This year the third graders took the test for the first time also.

Ninth graders upped their total scores in the mathematics objectives section from the 70 percentile in 1980 to 73 in 1981. In

tween Robert Harvick Insurance and Wade Implement was a close one. Robert Harvick Insurance came out the winner with a score of 8-7. Scoring runs for Robert Harvick were Kevin Hood, John Montemayor, and Dino DeLeon.

Wade's scores were run in by Paul Glisson, Zane Edwards, Louis Garcia, George Cantu and Aaron Miller.

On June 4, Wade Implement fell again to New Home Co-Op by a score of 8-5. Making the runs for New Home were Coby James, Jon Stone, Jay Johnston, Joey Stone, and Michael Tipton.

Scoring the runs for Wade were George Cantu, Chris Carter, Louis Garcia, Zane Edwards and J.P. Stice.

These were the only scheduled games played. Other games were postponed because of bad weather.

reading, the increase was from 57 to 62 this year, and in writing objectives, from 72 to 78. In writing sample, the jump was to 87 percentile this year from 61 the previous year.

Fifth graders vastly improved their scores from the previous year's results. The Tahoka group, for example, nearly doubled the score in mathematics, from a 44 percentile in 1980 to 82 this year.

TABS is a program for basic skills improvement that includes an annual assessment of student achievement in reading, writing, and mathematics. TABS was administered to all students in the 3rd, 5th, and 9th grades.

The exit level tests were administered to 9th graders, as specified in the Texas Education Code, so that students might have three additional years to correct achievement deficiencies. The law provides that all

ninth grade students not demonstrating mastery of minimum exit level competencies "...shall be given the opportunity to retake the assessment instrument each year the assessment instrument is administered." At Tahoka High School, any 10th grade student who did not master any one area of competency was given the test again this year.

Tahoka I.S.D. is using TABS results from the exit level testing (all 9th graders and some 10th graders) and other testing at the 5th and 3rd grade levels to diagnose district needs, to plan for teacher in-service, and to strengthen the school's academic program.

A public hearing of these test results will be held at the regularly scheduled board meeting on June 11 at 7:30 p.m. for any parent or concerned individual who wishes to attend.

## "Drive Safely" Urges Bell

The Memorial Day weekend marks the end of school and the beginning of the long summer vacation driving season. Summer vacations increase the number of vehicles on our highways.

Major C.W. Bell, Regional Commander of the Texas

James Walker and aunts, Tonna and Vonna.

+++

**BIG ENOUGH TO KEEP**--Mrs. C.G. Eades and John Edwards are shown here displaying their 30 lb. catfish which they recently caught on a fishing trip to Lake Stamford. They also caught another large one weighing 25 lbs.

Dept. of Public Safety, said, "Countless lives are lost each year because of drivers' disregard for their own safety or the safety of others. Carelessness, speed and the drinking driver account for a high percent of all traffic deaths."

The 55 MPH speed limit originally was instigated to conserve fuel, which it has done; but an even greater asset has been saving of lives and the reduction of serious injuries in traffic accidents. Increasing your speed from 45 mph to 60 MPH doubles your probability of being killed if you are involved in an accident; going from 60 MPH to 70 MPH doubles it again. That little extra speed could cost your life.

Major Bell stated, "The

## County Bond Sales Reported

Sales of Series EE and HH United States Savings Bonds in Lynn County were reported by County Bond Chairman F.B. Hegi to be \$2,039. Sales for the first month period totaled \$2,039 for 2% of the 1981 goal of \$95,000.

best way to keep your vacation safe and accident-free is to keep your speed down, wear your seat belt, obey traffic laws and above all, do not drink and drive. Your safety and the safety of all your passengers is in your hands."

# Dollars Spent At Home Keep Bouncing Back...

When you spend a dollar in the "big city" or order from somebody's catalog... that dollar is gone forever.

But...when you spend it in our home town... it keeps on bouncing around the whole community...and finally a good share of it comes back to you.

For example: Let's say you buy a dress at a local dress shop. The dress shop uses your money to buy a new air-conditioner. The heating man in turn buys a new television set.

The t-v dealer buys some insurance. The insurance man spends it at a local food store, and the grocer spends it for food products, many of which are raised on nearby farms.

You're a farmer...so part of your dollar comes bouncing back.

Keep part of the dollars you spend... SHOP AT HOME!
