by DALTON

EXCEPT FOR lawn mowers and alarm clocks, the worst thing ever invented by man is the flat top roof on business buildings.

Flat top roofs were invented so that crooked itinerant roofers can come by, promise you they'll fix them, get some money and be gone forever. I have been suckered twice in the last three years.

The main feature about flat top roofs is that they leak, no matter who repairs them or replaces them, or whatever. Sometimes it takes longer than others for them to leak, but sooner or later when it rains it leaks into the building.

Some time ago I noticed buckets setting around inside an otherwise beautiful building occupied by a financial institution. I asked the main man there if he'd like me to take a picture of the buckets on the floor and run an ad suggesting that everyone save for a rainy day. He didn't think that was too funny.

I thought it was hilarious, until my own building started leaking again in about four places. I also have recently discovered leaks in

the roof of my home, leaks in another building I'm supposed to see after, leaks in three tires and one power steering unit, leaks in an ice-making unit and a leak in the gismo that's supposed to keep the commode from running all the time.

Some of these leaks have nothing to do with the impossible rains that we have been having this summer, but the most aggravating ones do. One would think that someone could come up with a roofing material that won't leak, even if it hails on it. Seems like a big sheet of hard plastic over the whole house would be better than 12 zillion little pieces of wood or some kind of composition stuff that curls up and dies when struck by a hailstone.

Primitive man had it pretty good, with a cave over his head which seldom if ever leaked. Modern man, supposed to be a lot smarter, has to put up with all these things that won't hold water (or air, or oil, or whatever).

I don't like being pessimistic, but I am convinced that things are every bit as bad as they leak.

Weird Wedding Is Set Tonight At Park

The identity of the so-called "bride" is more or less secret, but there will be a "wedding" of some sort at 8 p.m. today (Thursday) at Tahoka Mini Park, where it will cost onlookers a dollar to observe the strange ceremony sponsored by Tahoka Chamberettes.

With posters around town inviting people to "the weddin'" of Lula Mae Burksfield to J.A. McPeb's the event promises to be a fun affair with ridiculous costumes, comedy lines, and refreshments.

The Chamberettes will serve Cokes, ice cream, hot dogs and popcorn at 50 cents for each item, and there will be all local talent and entertainment featured in the ceremony.

HEADIN' FOR A WEDDIN'—Something borrowed, something blue and something yukky will be shown by the bride in a wedding ceremony at the Tahoka Mini-Park tonight. Here the bride tries on a garter. (LYNN COUNTY NEWS PHOTO)

EARN SCHOLARSHIP—Denise Ehlers, second from left, is presented a \$100 scholarship Tuesday from Tahoka Chamberettes President Dean Bartley for being Harvest Festival Queen last fall. Museum Displaying Many New Items

A number of added items of interest have been put on display recently at Tahoka Pioneer Museum.

Ten items have been contributed by Mrs. Lola Donaldson Thomas of McAllen and Dr. J.D. Donaldson of

Lubbock, whose parents, Mr. and Mrs. J.D. Donaldson, settled in Lynn County in May, 1902, a year before the county was organized.

These items include: A crock jar, a compute from a Santa Fe dining car, a Kerr jar, patented in 1916; a pitcher given Mrs. Donaldson by Mrs. S.N. McDaniel, a Daisy churn, and an ice pick.

Also, handed down from Ovid Donaldson, who died in June, 1927, following a swimming pool accident

State Truck Hit By Auto

Tahoka police investigated a two car accident on Sunday morning involving a 1977 Pontiac two door driven by Alfonso Romo Ruiz which hit a parked Texas Highway Dept. truck which was directing traffic on Highway 87. There were no injuries.

On Wednesday night, police were notified that the Tahoka laundry had been burglarized. Cash totaling \$85 was reported stolen from the storage room. There are no suspects in this burglary at this time.

Police also answered one call for popping firecrackers and two calls for family disturbances.

One citation was issued for no insurance liability.

The sheriff's office investigated a report of a burglary in Wilson. Mable Smith said tools valued at \$243 were stolen from a garage during the night Sunday.

James Long of Tahoka told officers Tuesday that two batteries and a radio, total value \$285, were stolen off a tractor parked on a farm seven miles east and a mile south of Tahoka.

A Mexican male was stabbed Saturday night at the O'Donnell Rodeo and was taken to Lubbock General Hospital where he remained a patient this week. An 18-year-old O'Donnell man was arrested, but no charges had been filed.

In jail during the last week were four persons for public intoxication and/or disorderly conduct, one for driving while intoxicated and failure to show proof of liability insurance, and one for investigation of attempted murder.

Area Farmers May Get Disaster Aid

In spite of the worst Lynn County crop loss in history from hail, rain and wind, possibly there will be some help to tide over a lot of farmers.

This was an assessment made in a talk at the Rotary Club last Thursday noon by Jimmy Woodard, ASCS of-

fice manager, and member of the Lynn County Emergency Disaster Board, along with Stanley Young, county agent; Eual Davis of Soil Conservation Service; and Jimmy Hopson of Farmers Home Administration.

Woodard said farmers probably will receive \$10 or \$11 million dollars in deficiency payments, compared to nearly \$9 million last year.

If the Disaster Program is approved by the Secretary of Agriculture, Lynn farmers may qualify for another \$7 or \$8 million.

Low interest loans also may be made available for some.

Because of the excessive cost of crop insurance, only a relatively few Lynn farmers will receive this benefit.

In the works is a proposal to make grain sorghum eligible for the reserve at a proposed \$4.36 rate.

Four major disastrous hails on June 6, 10, 18 and 28, plus washing rains and other hail covering smaller areas, and rains since have wiped out replanted cotton, maize and even some sunflowers.

Woodard originally estimated 85 percent of the cotton destroyed, much of it replanted and lost again to hail, rain, sand and wet weather seedling disease.

At the same time the Agriculture Department task force visited the Plains to assess damage, Woodard estimated the loss in this county from cotton at \$48 million, not to mention 20,000 acres of maize, damage to houses, farm buildings, terraces, and land—a total loss of at least \$55 million.

Ladd Roberts arranged the program and introduced the speaker.

WATER EVERYWHERE—This picture shows how the former cotton fields around Lynn County have turned into lakes. A trucker passing through Tahoka was overheard telling another trucker on his CB that "I ain't seen a thing back down the road except a couple of crazy farmers water skiing in a cotton patch."

Handling Hot Weather Better

There's not much anyone can do about the hot summer weather in Texas, but something certainly can be done about improving our work situation.

Working in hot, humid conditions not only causes discomfort but can also present safety and health hazards.

To help agricultural producers as well as others in such an environment,

the Extension Service has a publication available called "Coping with Hot Work Environments."

Body fatigue sets in sooner when an individual has to work in a hot environment, and performance also may suffer, depending on the job involved. In addition, certain safety problems are common, such as slippery, sweaty hands, dizziness and fogging glasses. Accidents are more frequent in the heat due to lowered physical performance and

mental alertness.

Among physical disorders that can result from working in a hot environment are heat stroke, heat exhaustion, heat cramps, fainting, heat rash and momentary or transient heat fatigue. Since most people can adjust to hot weather and hot environments, heat disorders most often occur among workers who have not been given time to adjust to working in the heat or among those who have been away from hot conditions for an extended time.

To reduce on-the-job heat stress that may lead to certain physical problems, these steps may help:

--temporarily make work easier.

--decrease the speed at which work is done.

--increase the frequency or length of rest periods.

Since many heat disorders are due to dehydration and loss of salt, Young emphasizes the importance of drinking plenty of water. Water intake during the workday must equal the amount of sweat. A worker may sweat away as much as three gallons of fluid during a hot workday.

Clothing is also a key factor in coping with a hot environment. Avoid tight, closely fit garments and synthetic fabrics which interfere with evaporation of sweat. Loosely fitted garments made of loosely

woven fabrics permit air movement close to the skin and enhance sweat evaporation, thus cooling the body.

Reducing heat in the workplace will often boost overall production by increasing work efficiency while decreasing fatigue and time needed for rest periods. Among things that will help from this standpoint are shielding or insulating equipment heat sources, using exhaust fans near heat-producing equipment, opening windows and using fans where possible to maximize air flow, and in general, providing well-ventilated work areas.

With hot weather at hand, Young encourages agricultural producers and others who must face hot conditions to consider the points outlined in "Coping with Hot Work Environments."

COTTON TODAY

EMERGENCY COUNCIL BEING FORMED: National Cotton Council President Ed Breihan has invited representatives of all farm organizations, financing institutions, and others in the storm-stricken areas of West Texas, Oklahoma, and New Mexico to join together in a special Agriculture Emergency Coordinating Council.

The new group will establish and maintain contact with government leaders at local, state, and federal levels to coordinate help for area farmers and farm-based businesses.

Meanwhile, a USDA task force which Secretary John Block sent to the region at the request of the Cotton Council president has returned to Washington. Its report is expected to be a factor in Block's decision on whether to utilize the 1981 farm law provision that authorizes him to make disaster payments to farmers under certain conditions. Breihan has strongly urged the payments, pointing out that the situation fully meets the conditions.

USDA TO PAY EXTENDED LOAN CHARGES: ASCS Administrator Everett Rank has notified the National Cotton Council that USDA will pay receiving charges and accrued storage for all cotton on which price-supported loans are extended. Payment will begin on the date the loan is extended. Previously warehousemen did not receive storage charges until cotton was redeemed or forfeited.

The Council requested USDA's action in support of the warehouse industry which was facing the necessity of increasing its charges because of acute

cash flow problems resulting from storing loan cotton over long periods of time. Council President Ed Breihan said USDA's action should be helpful to the entire industry, averting increased costs to producers and lessening the possibility of CCC taking ownership of cotton in storage.

EXPORT SHIPMENTS STEADY: Cotton exports totaled 118,300 running bales during the week ended June 24, bringing accumulated shipments to 5,765,500. Net new sales for 1981-82 delivery were reported at 11,300 running bales and for 1982-83 at 119,200.

Closer Supply/Demand Balance Seen: With 1982 crop prospects now much lower, the cotton supply and demand may return to a closer balance, according to the National Cotton Council.

A lower-than-expected planting report and the severe weather-damaged Southwestern crop have drastically changed the production outlook for the 1982 crop. A range of expectations for harvested acreage suggests production prospects of 9.5 to 10.5 million bales, according to the Council.

If the U.S. Department of Agriculture's current estimates of domestic and export offtake materialize in 1982-83 and the crop is between 9.5 and 10.5 million, the July, 1983,

carryover should be reduced to 3 to 4 million bales.

Loan Cotton Declines: Cotton in the Commodity Credit Corporation loan program declined by a net 54,441 running bales during the week ended June 30 as 1,321 new entries were reported along with repayments on 55,762. Loans remain outstanding on 4,095,785 of 6,080,122 bales that have entered the program in the 1981-82 season, the National Cotton Council reports.

Weddings

MRS. GREGORY SONGER nee Melanie Jacobs

Jacobs - Songer United In Marriage July 10

Melanie Johnna Jacobs and Gregory Clay Songer were united in marriage at 3 p.m. on July 10 in the New Home Baptist Church with the Rev. Jack Lee of First Baptist Church in Hart officiating.

Parents of the couple are Mr. and Mrs. John Jacobs of New Home and Mr. and Mrs. John Songer of Lubbock.

The bride, escorted to the altar by her father, wore a gown of white chantilly lace. The square neckline and wrist-length sleeves were accented by ruffles of matching lace. The full skirt with chapel train was bordered by layers of lace ruffles.

Her fingertip veil, also trimmed in chantilly lace, fell from a Juliet cap of pearl accented lace.

She carried a cascade bouquet of mixed flowers tied with ribbons in her chosen colors of orchid and purple.

For something old, she had tied into the streamers of her bouquet the wedding bands that her maternal grandparents exchanged at their wedding in 1933 and a plain gold wedding band worn by her great-great-grandmother over 100 years ago. Something new was her wedding gown and a single strand of pearls was something borrowed from the groom's mother. She wore the traditional blue garter as something blue.

Organist Shelia Fillingham played a prelude medley of the couple's favorite songs and accompanied Mrs. Julia Gill as she sang "The Wedding Song" and Hiram Sharp as he sang "God, A Woman and A Man". Mrs. Gill and Sharp also sang two duets, "A Wedding Prayer" and "God Bless Our Marriage."

Shelly Detrich, cousin of the bride, served as maid of honor. She wore a street-length peasant style dress of orchid quiana and carried a nosegay of mixed flowers.

Mark Kast of Lubbock was best man.

Ushers were Clay Jacobs, brother of the bride of New Home and Randy Songer, brother of the groom, and Randy Dietrich, cousin of the bride, both of Lubbock.

Candlelighters were Clay Jacobs and Randy Dietrich.

Following the ceremony, a reception was held in the church fellowship hall.

Lana Kleith, Kristi Maeker, and Jill Man-tooth served at the bride's table.

THEN and NOW

How the paths of Winston Churchill and an American town crossed is one of those unexpected turns history often takes.

Originally, in London...

THEN: In the spring of 1946 the world was returning to peacetime pursuits after six long years of war. In those days, Westminster College in Fulton, Missouri, held a series of lectures on topics of international concern.

Dr. Franc McCluer, then president of the college, invited former British Prime Minister Winston Churchill to come to speak. Churchill accepted the invitation to come to America, joining President Harry Truman in Washington, D.C., for the train ride to Fulton.

the church was transported piece by piece to America.

NOW: In 1961, Westminster College President Dr. Robert Davidson decided that moving a small, bomb-scarred church in London to Fulton, would be an ideal way to both commemorate Churchill's 1946 visit and replace the college's own decaying church. Each piece was numbered, so the church could be reconstructed exactly as famous architect Christopher Wren had designed it.

Today, the church is the site of interdenominational services and is used, because of its spectacular organ and favorable acoustics, as an arena for musical performances. Outside the transplanted church stands a statue of the great man who started it all, Winston Churchill.

CELERY RELISH

- 2 cups Heinz Distilled White Vinegar
- 1/4 cup water
- 1 1/4 cups granulated sugar
- 2 1/2 tablespoons pickling salt
- 2 1/2 tablespoons mustard seed
- 1/4 teaspoon ground turmeric
- 2 quarts sliced celery (about 2 pounds)
- 3 cups chopped onions
- 1 1/2 cups chopped green peppers
- 1 1/2 cups chopped sweet red peppers

Combine first 6 ingredients in saucepot; heat to boiling. Add vegetables; simmer 3 minutes. Continue simmering while quickly packing one clean, hot jar at a time. Fill to within 1/4 inch of top making sure vinegar solution covers vegetables. Cap each jar at once. Process 5 minutes in boiling-water bath. Makes 5 pints.

The first American newspapers appeared in Boston. One was the *New England Courant*, begun in 1721 by James Franklin, who employed his brother, Benjamin, in his shop.

If Air Conditioning doesn't have it here it probably doesn't have it.

Gas Air Conditioning Has It!

No other air conditioner has a warranty like a gas air conditioner because no other air conditioner is built like a gas air conditioner.

Gas air conditioning has fewer moving parts and no compressor to wear out or break down. This means less wear and tear and lower maintenance costs.

That's why gas air conditioning is so dependable and why it has a warranty that's twice as long as other types of units... a full 10 years!

Find out more about the air conditioning that's backed by the best warranty available. Call Energas today for a free cooling survey and cost estimate. There's no obligation.

Remember, all air conditioning was not created equal. And we have the paper to prove it!

Manufacturer's limited warranty covers all defects in materials and workmanship on the sealed refrigeration unit for ten years from the date of installation of the air conditioner when it is installed in a single family residence. All other parts are warranted for one year from date of installation.

Public Notice

Southwestern Bell, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the company's intent to implement a new schedule of telephone rates in Texas, effective July 27, 1982, unless otherwise determined by the Commission.

It is expected that the requested rate schedule will furnish a 13.4 percent increase in the company's intrastate revenues.

A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas, and with each affected municipality served by Southwestern Bell, and is available for inspection in each of the company's public business offices in Texas. The Commission staff has contended in the past that all rates are subject to change as a result of Southwestern Bell's rate application.

Notice to El Paso Area Customers

Effective January 1, 1982, Southwestern Bell adopted the Mountain States tariffs in effect for El Paso County. Southwestern Bell proposes to merge the separate El Paso tariffs with its tariffs applicable to the rest of Texas. The resulting new rate schedule is on file with the PUC and the El Paso area municipalities served by Southwestern Bell, and is available for inspection at our El Paso business office.

Notice to Customers of Other Telephone Companies

The filing includes, but is not limited to, proposals to increase rates for interexchange private line and foreign exchange (FX) service. Changes in such rates would also affect customers of other telephone companies because such companies provide interexchange private line and foreign exchange service in accordance with rates specified in Southwestern Bell's tariffs. While Southwestern Bell has proposed no increase in long distance rates, any change in those rates would also affect customers of other telephone companies.

Aviso Público

Southwestern Bell, en conformidad a las reglas del Public Utility Commission (Comisión de Servicios Públicos) de Texas, por la presente hace saber su intención de establecer un nuevo arancel para servicio de teléfono en Texas con vigencia a partir del 27 de julio, 1982, a menos que la Comisión haga otra determinación.

Se espera que el nuevo arancel que se ha solicitado rendirá un aumento de 13.4 por ciento en los ingresos intrastatales de la compañía.

Una copia completa del nuevo arancel se ha archivado en las oficinas del Public Utility Commission en Austin, Texas, al igual que en cada municipalidad afectada y servida por Southwestern Bell, y cada una de las oficinas de la compañía para negocios con el público en Texas tiene una copia para lectura pública. En el pasado, la Comisión ha sostenido que toda tarifa está sujeta a cambios que resulten de la manera en la cual Southwestern Bell aplique sus tarifas.

Aviso a Clientes en la Región de El Paso

Con vigencia a partir del 1o de enero de 1982, Southwestern Bell ha adoptado las tarifas de Mountain States efectivas en el condado de El Paso. Southwestern Bell propone unir las tarifas de El Paso con sus otras tarifas que se aplican al resto de Texas. El nuevo arancel que resulta de esta unión se ha archivado en la Comisión de Servicios Públicos (Public Utility Commission), al igual que en las municipalidades de la región de El Paso servidas por Southwestern Bell, y está disponible para inspección pública en nuestras oficinas de El Paso.

Aviso a los Clientes de Otras Compañías de Teléfono

El registro incluye, pero no se limita a, propuestas para aumentar las tarifas para servicio de línea privada entre centrales telefónicas (interexchange private line) y servicio de central telefónica extranjera (foreign exchange FX). Cambios en dichas tarifas de servicio también afectarían a clientes de otras compañías de teléfono porque dichas compañías proveen los servicios ya mencionados en conformidad a tarifas especificadas por Southwestern Bell. Aunque Southwestern Bell no ha propuesto un aumento en las tarifas para larga distancia, cualquier cambio en las mismas también afectaría a los clientes de otras compañías de teléfono.

O.L. Kidwell

Services for O.L. Kidwell, 97, of Tahoka were held Thursday, July 8, at 4 p.m. in First Baptist Church of Tahoka with the Rev. Don Cass of Lubbock officiating, assisted by the Rev. Gene Wisdom.

Burial was in Tahoka Cemetery under direction of White Funeral Home.

Kidwell died at 11 p.m. Tuesday in Tahoka Care

Center after a lengthy illness.

He was born April 11, 1885, in Mineral Wells and attended school at Redbud in Parker County and married Nanie Bell Newberry in 1905 in Mineral Wells. She died June 7, 1970. He was a merchant, having moved to Lynn County in 1941 from Rochester. He had been retired for several years.

Survivors include four

daughters, Leona Holden, Thelma McCAda and Dorothy, all of Tahoka, and Jeanette Schulz of Houston; a son, W.T. of Tahoka; five grandchildren; and 10 great-grandchildren.

Pallbearers were Joe Durham, Roger Williams, Pete Dorman, C.W. Burr, Roy Askew, and George McCracken.

Honorary pallbearers were Jack Fenton, Clint Sikes, Borden Davis, Ivan Cathcart, and C.J. Roseberry.

Homer Aldridge

Services for Homer Aldridge, 73, of Tahoka were held at 2 p.m. Thursday, July 8, at First Baptist Church in Tahoka with the Rev. Jim Pulliam officiating.

Burial was in Tahoka Cemetery under direction of White Funeral Home.

Aldridge died at 5:15 p.m. Tuesday in Lynn County Hospital after a brief illness.

He was born March 30, 1909 in Oklahoma and attended the T-Bar school in Lynn County and married Etta Pool in Plainview in 1930. They lived for several years in Clifton. She died Sept. 25, 1975,

and he moved back to Lynn County in 1981. He was a retired farmer.

Survivors include a daughter, Nema Miller of Tahoka; three sisters, Sylvia Waters of Meadow, Geniva Thompson of Riverside, Calif., and Wanda Barrier of Killeen; three brothers, Otis of Clifton, Thurman of Lake Whitney and Vernon of Waco; four grandchildren; and six great-grandchildren.

Pallbearers were Rayford Smith, Leslie Paris, Danny Paris, J.T. Miller, Earl Grider and Stanley Young.

Lonnie Floyd

Graveside services for Lonnie Ruth Floyd, 69, of Tahoka were held at 2 p.m. Tuesday, July 13, in Tahoka Cemetery with the Rev. R.P. Ward, interim pastor of the First Baptist Church in Tahoka, officiating.

Burial was under direction of White Funeral Home of Tahoka.

Mrs. Floyd died at 4:30 a.m. Monday in Tahoka Care Center after a lengthy illness.

She was born June 13, 1913 in Slaton and attended Tahoka schools. She married Wiley Floyd in 1945 in Snyder and moved

to Tahoka two weeks ago from Brownfield.

Survivors include a brother, G.C. Shaffer Jr. of Madisonville.

Pallbearers were Randy Erickson, Clay Bennett, Mike Lankford and Grady Lankford.

Cecil Levacy

Services for Cecil R. Levacy, 34, of Lamesa were held at 2 p.m. Sunday at Second Baptist Church in Lamesa with Rev. Clifton Igo, pastor, officiating.

Burial was in Tahoka Cemetery.

Levacy died of cancer Friday morning in Methodist Hospital in Lubbock.

He was a fireman and instructor of cardiopulmonary resuscitation in Lamesa, where he lived all his life. A member of Second Baptist Church, he married Karen Moore on June 25, 1971, in O'Donnell.

Survivors include his wife; a son, Christopher of Lamesa; two daughters, Kelli and Leatha, both of Andrews; his mother, Helen of Lamesa; a sister, Charlotte of Lamesa; and a brother, John Jr. of Lubbock.

Myrta Brown

Services for Myrta Brown, 75, of Lubbock were held Wednesday, June 30, at First Baptist Church in O'Donnell with Rev. Jack Maddox of Woodrow and Rev. Don Blackmon, pastor, officiating.

Burial was in O'Donnell Cemetery under direction of White Funeral Home of Tahoka.

Mrs. Brown died Wednesday night at Highland Hospital in Lubbock after a brief illness.

She was born in Garrison, Texas Jan. 11, 1907 and attended school in Garrison. She married Clarence A. Daniel Aug. 14, 1924, in New Boston, Texas. He died May 26, 1950. She married J.R. Brown March 30, 1953 in Carlsbad, N.M. She first came to Lynn County in 1924 from Annona. She and Mr. Brown had lived in Lubbock since 1969. She was a member of the Woodrow Baptist Church.

Survivors include her husband; a daughter, Jeannie Jackson of O'Donnell; three sisters, Bessie Weaver of Slaton, Effie Carney of Columbus, Ga., Essie Trumble of Wichita Kansas; five grandchildren and 8 great-grandchildren and several nieces and nephews.

A daughter, Myrtle Barnes, preceded her mother in death 16 years ago and a son, Bobby Daniel died 48 years ago at the age of two years.

Pallbearers were Randy Jackson, Bussy Barnes, Adolph Chapa, James Telchick, Alton Hurst and Bill Montgomery.

Grandsons will be pallbearers.

Manuela F. Moya

Mass for Manuela F. Moya, 74, of Tahoka will be at 4 p.m. today (Thursday) in St. Jude Catholic Church in Tahoka with the Rev. Rodney Howell, pastor, officiating.

Burial will be in Tahoka Cemetery under direction of White Funeral Home of Tahoka.

Mrs. Moya died in her residence Monday morning. County Judge Melvin Burks ruled the death was of natural causes.

She was born in Carnes City Oct. 7, 1907 and moved to Tahoka in 1972 from Houston. She married Juan Moya in 1923 in Nordhine. He died in 1964.

Survivors include two daughters, Gloria Garza of Rt. 5, Tahoka and Anita Leindo of Tahoka; seven sons, Manuel of Tahoka, Benny of Brownfield, Alex and Ernest, both of Houston, Daniel of Lake City, John of Navasota and Miguel; three sisters, Reyes Velasco and Santos Zavala, both of Houston, and Susana Rodriguez of Freeport; and several grandchildren.

County Roads In Bad Shape

Lynn County commissioners Monday discussed another bad aspect of the current monsoon season, the deterioration of many of the county's unpaved roads.

Commissioners and Judge Melvin Burks agreed that some funds need to be transferred from other sources, either general funds or revenue sharing, into precinct funds to pay for repairs of the roads. Many roads are washed out completely and virtually impassable. No transfer of monies was made Monday, however.

Another problem the rains have caused the county is the temporary loss of a front end loader in precinct 1. The loader was in a caliche pit in the northeast part of the county when all the rains started and has been partly under water, with workers unable to get the loader out.

Commissioners also talked Monday with Nancy Stockstill, juvenile probation officer in Dawson County, about the possibility of her working four days a month in Lynn County. Judge Burks has been serving as juvenile probation officer for Lynn.

PUBLIC NOTICE

INTENT TO CHANGE RATES

Notice is hereby given that LYNTGAR ELECTRIC COOPERATIVE, INC. (the "Utility") intends to change rates for electric utility service effective July 30, 1982 or as soon thereafter as permitted by law. The changes are applicable to all areas to which the Utility provides electric utility service. All classes of customers are affected by the proposed changes. The Utility expects that the proposed schedule of rates will furnish the Utility 11.53 per cent more in revenues than are furnished by the existing schedule of rates.

Implementation of the proposed changes is subject to approval by the appropriate regulatory authority. A statement of intent including the proposed revisions of tariff and schedules and a statement specifying in detail each proposed change, the effect the proposed change is expected to have on the revenues of the Utility and the classes and numbers of Utility consumers affected is on file with the Public Utility Commission of Texas, and the municipalities of Lamesa, Wilson, New Home, Meadow, Brownfield, Plains, Levelland and Sundown.

The Statement of Intent is available for public inspection at the general office of the Utility located at 1807 Main Street, Box 970, Tahoka, Texas 79737.

By Florence Davies — Call 924-7479

Mr. and Mrs. Barney Mayfield drove to Waco July 2 to visit their son, Rick and family. They all went to Kingsland for a three day outing and also visited in Austin before returning home Friday, July 9.

I accompanied my brother and sister-in-law, Sherman and Beatrice Inman of Muleshoe, to Snyder Wednesday to visit our brother, E.M. (Jack) Inman, who was ill in Cogdell Memorial Hospital. We had lunch at K-Bob's with the Waltons. Then drove to Lamesa to visit our sister, Mrs. M.M. (Cora) Shearer, in the Leisure Lodge Nursing Home. On returning to Tahoka, we visited with Travis and Sue Inman and Nora Bell and Luther Wood. Sue was a patient in the Lynn County Hospital Thursday until Tuesday. Jack has been moved from the hospital to Snyder Oaks Nursing Home.

Jimmie Hill of Lubbock is visiting here with her parents, Mr. and Mrs. Sonny Hitt. Another daughter, Debbie Moore and her daughters, Dasha and Meral of Idalou had lunch with them Saturday.

Bill Ueckert, who had heart surgery Friday, July 2, in Methodist Hospital in Lubbock, was able to return to his home in Ball-

ing Sunday.

Julio Hirecheta entered the Community Hospital Sunday, July 4, and had minor surgery on Wednesday. He returned home this Monday.

Ruby, Randy, Rodney and Leah Overman attended the third annual Viney family reunion in Haskell July 3-4. Others attended from Midlothian, Plano, Duncanville, George West, London, El Paso, Lubbock, Wilson and Haskell. Ruby's aunt, Eula Daniels, 75, was the oldest present and her great-granddaughter, Bambi LaDawn Kitchens, 5 months, was the youngest.

Le'Shea Kieth visited 10 days in Carlsbad with her aunt, Mrs. Howard Madison and family. She returned home Wednesday with Mrs. Clay Hughes who was visiting in Carlsbad with her daughters, Brenda Whiteaker and Marcia Rauch.

After major surgery in Methodist Hospital Friday, July 2, David McGuire, New Home Church of Christ minister, was dismissed and returned home Monday, July 5. He was able to preach both services Sunday.

Mr. and Mrs. John Edwards spent the weekend

at Lake Stamford.

Mrs. Stanley (Sherry) McNeely of Graham, Rt. 3, Post, entered Methodist Hospital Tuesday, July 6, for tests. 16-month-old Wendy is staying with her grandparents, Dot and Jerry.

Mr. and Mrs. Wayman Smith, Mr. and Mrs. Roy Best, Mr. and Mrs. Graham George, Mrs. Bobbie White and Ted were in New Deal Sunday for the annual Lea Vett family reunion.

The high wind that struck Sunday evening leveled the big steel sign recently put up at the New Home Co-Op Gin.

Only 1 3/8 inches of rain was measured here in New Home, but as much as 4 inches has been reported in other areas of the community. Some of our farmers are considering planting three minute oats. Think it's too late to plant rice.

Card Of Thanks
To the people of the New Home Community... Our hearts overflow with love and gratitude to our friends at New Home. Thank you so much for the silver tray and money

gift you gave us. We especially thank you for taking time to give us a fellowship and good-bye party. We know the times are very hard and you could have chosen not to, but, you took time and we thank you.

All of you at New Home mean a lot to us, and we are going to miss you. Life has a way of making changes for us, doesn't it? We want any of you to come see us if you are ever in or around Hondo. We will be back to visit you again. Again a special thanks to you.

In God's love,
The Hales, Dennis,
Carolyn, Perry, Justin

INSIGHT INTO EYESIGHT

David Gibson, O.D.
OPTOMETRIST

EYE INJURIES
Eye injuries can happen to anyone. Thousands of people are injured every year through freak accidents, carelessness, or from exposures to hazards on the job.

If you wear glasses, good quality impact-resistant lenses will give you as much protection as possible. Your glasses should be checked often to make sure the lenses fit firmly in the frame and have not been scratched. Loose-fitting or damaged glasses increase the danger of eye injuries.

Anyone exposed to unusual hazards in his work should wear safety goggles or some other kind of protective eye shield. The danger may not be

just from flying metal objects or chemical splashes. It can come from gases, vapors, and fumes, and just plain ordinary dust, if there's too much of it.

If you need safety eyewear it should be of the highest industrial quality to protect you from accidents.

You and your eyes deserve the best possible protection. Your optometrist can help you get it.

TOP SWIMMER—Nicole McAden, right, granddaughter of Mr. and Mrs. W.T. Kidwell of Tahoka, recently competed in the 1982 Outdoor Junior National Synchronized Swimming Championship at Southwestern University. The meet featured 200 top swimmers from across the nation. The event was second in the nation, only to the Senior Nationals held in Hawaii. Nicole, a strong swimmer, and a good musician has combined two talents into a precision and strength water sport that is gaining in popularity because of its position as the newest Olympic Sport. She intends to pursue her talents with hopes of a national trophy next year.

SPAG Sets Public Hearing

The South Plains Assn. of Governments (SPAG) has set an Aging Program Public Hearing for all senior citizens and related organizations to be held July 26, at 10 a.m. in the Senior Citizens Center, 103 Ave. I, in Post.

The program is to make available to all persons, the SPAG Aging Program's area plan for 1983.

Committee Eyes Teacher Shortages

A special legislative committee is preparing a proposal designed to relieve the drastic shortage of public school teachers facing the state by the end of the decade, Lt. Gov. Bill Hobby said.

Hobby, chairman of the Select Committee on Public Education, said that the proposal prepared by the Subcommittee on Educational Personnel will be submitted to the 68th Legislature that convenes in January. He said the proposal attacks four problem areas concerning the anticipated teacher shortage — salaries and benefits, recruitment, training programs and improved professional conditions.

TO THE CITIZENS OF TAHOKA:

Once again we have proven to ourselves if a few band together and work for a common goal, it can be accomplished. Such was evidenced in the rodeo that was held three weekends ago. Through the efforts of our friends and neighbors, we were able to give the rodeo new life and the grounds a look we can be proud of.

Through our civic endeavours we collected money to build new stands and rejuvenate the existing ones. It takes a town and its people to put on such an event. One group cannot stand alone and be expected to perform miracles. The rodeo should be a time of fun and celebration plus a time when we can show off our town and tell outsiders we are proud to live in Tahoka.

Those of you who feel the rodeo is a waste of time, can't see the positive aspects of any kind of community event. For example, eating establishments and various other businesses are helped due to the new

people who come into town for the parade and rodeo. It is the same thing with the Harvest Festival, fund raising for the heart monitor, etc. I hope this proves to the doubters good things can come out of having a rodeo in Tahoka.

Due to the smallness of space I could not possibly thank everyone who had a hand in helping put the

Rodeo on this year, but I sincerely hope you will accept this as a personal thank you for giving of time, money, materials, that were so desperately needed. I will never forget those of you that helped and I beg for your continued support of the rodeo and other civic events which can contribute to the overall welfare of our town.
