

School Extends Principal's Pact

Contracts of administrators in the Tahoka school system were approved by the school board last Thursday night, as the board conducted one of its shortest meetings ever, about an hour and 25 minutes.

Tom Cooper, junior high and senior high principal, was given a one-year extension on his two-year contract to 1985, at state salary base plus \$6,900.

The same contract terms were given to Clifton Gardner, elementary principal, base plus \$5,900; and to A.D. Shaver, athletic director and assistant principal in the secondary schools, base plus \$10,000.

The trustee election was set for April 2 in the school cafeteria, in conjunction with the city and hospital district elections.

Voters will ballot on terms due to expire for Bettye Green and Joe Hays, both of whom have already filed for re-election, and on the now-vacant seat which was resigned

recently by Joe Brooks. All are three-year terms. A teachers in-service day was set for Feb. 28, a Monday, when students will not go to classes.

New Road Graders Bought By County

Lynn County Commissioners voted Monday to approve purchase of two new maintainers for roads in precincts 2 and 1, provided the bids opened and discussed Monday met with approval of the commissioners of those precincts.

Boyd Barnes, commissioner of Precinct 2, decided on the bid submitted by West Texas Equipment Co., to supply a new Caterpillar maintainer at a net price of \$78,405, allowing for a trade-in of a 1972 Gallion grader which Barnes said was facing major expensive repairs.

Barnes has one other maintainer, a 1980 John Deere which is in good condition, but he said he could not

keep the roads up in his precinct with only one good piece of heavy equipment. The 1972 model will make the down payment on the new machine, a 150-HP grader, he told the other commissioners, with no payment due until next year.

"I have to do this to fulfill my obligations to the people in my precinct," he said.

Eldon Gattis, commissioner of Precinct 1, also was authorized to trade in an older grader on a new one, and he also chose a Caterpillar, not making the decision until after Monday's meeting. The trade-in difference on the Precinct 1 machine is \$50,655. Gattis will get a 125-horsepower maintainer.

WOODWORK BY DALTON

LAST SATURDAY as I stepped out into the backyard with a big sack of garbage (my wife said she'd fix no more meals until I carried out the trash), I saw a strange sight in the sky.

It was no flying saucer, but a couple of parachutes settling closer to the ground out by the Tahoka airport, which is west of our home about a mile or so. I watched for a few minutes, and then there was a couple more parachutes.

"I better go get my gun," I told the dogs. "Looks like the Russians or Iranians or somebody is coming in."

I couldn't find my Saturday night special, so I grabbed a camera instead (one local politician claims I've done more damage with that than anyone ever did with a gun). Sure enough, the people landing on our airport were friendly. They were, in fact, just folks from places like Lubbock, Muleshoe and Clovis, all members of a sky-diving group called the "High Plains Drifters."

When one of them told me that, I looked up to see if the people coming down were playing guitars as they landed, because that sure sounded like a country western band to me.

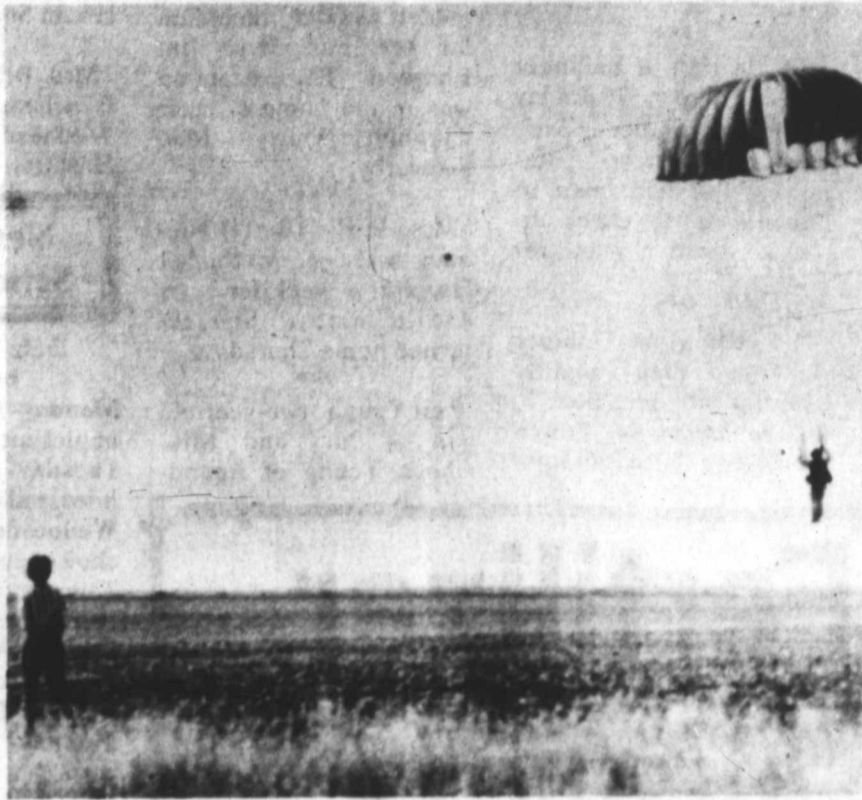

There were quite a few of these

people whose idea of weekend fun is to jump out of airplanes. Other than that, they seemed pretty normal. They plan to meet at Tahoka airport every Saturday and Sunday that the weather is good enough to do some more jumping.

They have certified and qualified instructors who will teach beginners to jump. Four persons made their first jumps last weekend, and one guy suggested I could do a better story if I'd go up and jump. I considered suggesting a place for him to go jump, but instead I just politely declined. I can write good stories only when I am calm and clean.

The people who do the skydiving, including those who are just starting, say it is a great experience. A Lubbock man named Jim Torrence, for example, said after making his first jump, "It's great! There is dead silence, and a really nice view of everything." (Yeah, I can imagine my whole life passing before my eyes).

Seriously, the folks who take part in skydiving are completely sold on it as a safe, exhilarating recreational activity. Anyone who is interested may go out there and watch, or take part. But do I want to do it? Chute no.

ALMOST DOWN—The skydiver at left is almost down to the ground as one of his (or her) friends waits at Tahoka airport. At right Mitch Laabs of Clovis, one of the skydiving instructors, checks the foot harness of a student hanging from a training device. (LYNN COUNTY NEWS PHOTO)

Skydivers Drift East

By DALTON WOOD

The High Plains Drifters, a skydiving club which had its beginning in Clovis a few years ago, has drifted in the direction of the prevailing winds, first to Muleshoe and now to Tahoka.

Although the club of parachuting enthusiasts has no formal organization, several persons have kept the group going, and the organization does have a plane, which is fairly important for any activity which starts out about 7,000 feet in the air.

The members, from West Texas and New Mexico, practice jumping every weekend the weather permits, and for a time did their jumping over the Clovis area. Later, the group started meeting at Muleshoe, accord-

ing to Gary Parker of Muleshoe, one of the group's leaders. Last weekend the group met for the first time at the T-Bar Airport in Tahoka, and plans to continue meeting there every weekend the weather is okay.

Because of the location of the Tahoka airport and the surrounding terrain, the High Plains group considers it an ideal place to practice.

Both men and women (mostly in their 20s) jump regularly, and one girl at the airport Saturday said she has made more than 125 jumps. Ten students were given training last weekend, and four of these made their first jumps ever, all successful and all quite happy about it.

Jumping from about 2800 feet (as compared to about 7,000 or more for

the experienced jumpers), the beginners were not so accurate in finding their landing spots, but all were close. The Cessa 206 took them up to a spot southwest of the airport and they came down from there.

"Anyone interested is invited to come on out and we'll teach you how to skydive," said Parker. He and others, including instructor Mitch Laabs of Clovis, are members of the U.S. Parachute Assn. (USPA), which sets standards and guidelines for the activity.

Airman E4 Laabs, originally from Pennsylvania, has been jumping since 1978. He was busy Saturday showing students how to check out all procedures, their equipment, and how to touch ground without getting hurt—a student was doing practice falls onto the ground from a platform about eight feet high.

Persons in the Lubbock area desiring more information about the skydiving group are invited to call Tom Lord, 794-2776, or Chip Shaw, 796-2991, both Lubbock numbers. Anyone in the Clovis area may call Laabs in Clovis at 762-7348 in the evenings.

Anyone wanting to learn skydiving must, of course, sign a disclaimer of liability, but mishaps are rare, according to the group's leaders. The 206 takes off with a pilot and six jumpers, the skydivers jump, and the plane comes down after another load; a simple routine, but a great fun, say the enthusiasts.

Understandably, the skydivers pay careful attention to packing their chutes, and to the correct procedures for leaving the plane, getting the chutes open and touching down.

Two Lubbock men, Jim Torrence and Mike Boren, made their first jumps Saturday, and both were excited about it. Torrence admitted being nervous, but said "I wasn't pushed out—I jumped, and it's great!"—a sentiment echoed by Boren.

These new jumpers obviously already have adapted the philosophy of the veteran skydiving enthusiasts, who figure that everything which comes down should go back up, as soon as possible.

Officials Investigate Numerous Burglaries

Tahoka police and Lynn County Sheriff's officials were snowed under with crimes during the past week including investigations of home burglaries, vandalism, an aggravated assault, thefts, and numerous disturbance calls.

On Friday, Tahoka Sheriff's Department and Police Dept. investigated the house burglary of Robert Harvick located on FM 400 between Tahoka and Wilson. Missing were: one Colt 38 Special pistol valued at \$396.50, one 15" color television set valued at \$625, one Zenith AM/FM radio valued at \$85, a four drawer jewelry music box valued at \$750, a Canon AE-1 35MM camera valued at \$432.36, and 25 silver dollars, which totaled over \$2300. This happened between the hours of 8:30 and 1:00 p.m. and entry was made through the front door. Suspects are currently being sought, as it is believed they have committed crimes from Plainview to San Antonio.

On Monday, the Star Lite Drive-In located at 1612 North 5th reported their business was burglarized, however, nothing was found missing. Earlier during the week they had reported to police officers that van-

dals had thrown rocks through one of their windows.

Also on Friday night, Ince Oil Company (Fina) was burglarized. A piece of asphalt was thrown through a window on the north side. Missing were six bottles of Dr. Pepper and one gas pump hose valued at \$38.

On Saturday, the sheriff's office investigated an assault of a New Home woman, Martha Silva Valderas, by Maria Mendez of New Home. Valdez was cut with a pocket knife on her left hand, left leg and right arm. She was taken to Lynn County Hospital and was treated for knife wounds. Mendez was charged for aggravated assault and was posted a \$1500 bond.

Also on Saturday, the residence of Edmund Maeker of Wilson was burglarized. Entry was gained by using a garden hose to pry open the back door. Missing were one 17" Curtis-Mathis color TV, a Sharp-Carousel microwave oven, and a Polaroid SX-11 camera. Suspects also ransacked all closets and rooms.

Another burglary occurred on Saturday night at the home of Noe Castillo located at Gordon FM 212 and FM 2282. The house was ransacked after entry was made by cut-

ting a storm screen door. No items were reported missing.

During the weekend, Wilson High School was burglarized. Items missing include 11 Texas Instrument calculators valued at \$19 each and \$125 cash. Suspects entered the building through a heating duct, and a pry bar was used to open two doors in the principal's office. Also damaged were one window, two doors and two filing cabinets.

Bobby Cox of O'Donnell reported items missing from a farm tractor which was located near the Well's community that included an AM-FM 8-track radio, two speakers, one fiberglass hammer, and wrenches that valued approximately \$615.

The home of W.G. Mathis was also burglarized on Saturday night which was located southeast of Tahoka. The front door was pruned open and kicked in. Items taken included a Sharp-Carousel microwave oven, stereo, a 410 Winchester Model 12 pump shotgun, a Sunlight instamatic camera, a portable cassette tape player, eight-piece serving stainless steel knife and fork set, one jewelry box with assorted jewelry, assorted clothes and family pictures.

C.G. Schneider reported that his barn, located about 10 miles northeast of Wilson was burglarized Sunday morning. Items taken were one Black & Decker jigsaw valued at \$149, a 3/4" Chicago Newmatic air impact wrench valued at \$380, a set of Victor oxygen and acetylene gauges and approximately 25-ft. hose and a cutter torch valued at \$415.

Crime Line will offer a \$500 reward to anyone who has information on any of the above mentioned crimes that will lead to arrest and conviction.

All three burglaries mentioned in last week's paper, those of the Wagon Wheel Restaurant, the Lady Bug and the U.S. Post Office have been cleared by Lynn County Sheriff's Office. One juvenile was

taken into custody and turned over to Lynn County juvenile authorities after a detention hearing pending a final hearing. This arrest also cleared the theft of a 1970 Pontiac.

Also during the past week, O'Donnell and Lynn Co. Sheriff's departments arrested a suspect and issued a warrant on an accomplice involving four forged accounts in Lynn County. This arrest led to clearing a number of other forgery cases in Lamesa, Midland, Odessa and Seminole. This suspect is presently being held in Lynn County jail. Bond has been posted at \$12,500.

Lynn Co. Sheriff's department and Tahoka Police department also responded to numerous civil and

Juan Garcia and Shelley Martin were crowned Valentine King and Queen of the fifth grade on Monday morning. They were elected by secret ballot by class members, and were crowned by THS basketball king and queen Tracy Bryson and Julie Patterson. The Valentine royalty reigned for the day. They were presented a rose and a box of candy. Crowns were made by Lori Taylor, Connie Parker and Tabatha Miller.

Fifth grade English classes had a guest speaker Thursday, Feb. 10. Mrs. Madeline Hegi spoke to the classes about "Good Manners, and Setting Goals In Life". The class presidents, Tracie Scott, Abraham Vega and Arron

Miller introduced Mrs. Hegi to each class.

Congratulations to Nan Adams on the arrival of a granddaughter, Priscilla Leigh, born Feb. 14 to Betsy and Jim Adams.

Ms. Earthman's science classes have been studying water life and were shown samples of sea life by Mrs. Griffing, high school science teacher.

The sixth grade social studies classes finished their Spain-Portugal contest Monday. The students researched the origins of our states and cities to find which of them came from Spain.

The winners were: 1st, Stephanie Womack and Donna Rodriguez; 2nd, Bebo Willis; 3rd, Rusty Lawson. They were treated with candy and a signed poster of the Maines Brothers.

Obituaries

Carroll Best

Services for Odis Carroll Best, 41, of Phoenix, Ariz. were held at 2:30 p.m. Tuesday, Feb. 15, in First Baptist Church of Tahoka with the Rev. George Ray, pastor, officiating.

Burial was in Peaceful Gardens Cemetery in Woodrow under direction of White Funeral Home of Tahoka.

He died at his residence at 7 p.m. Friday after a

lengthy illness.

Best was born April 19, 1941, in Wilson and attended Tahoka schools and Texas Tech University. He married Nona Decker in 1982 at Las Vegas, Nev.

Survivors include his wife; his mother and stepfather, Florine and George McCracken of Tahoka; two stepdaughters, Tina Bovine and Julie Decker of Phoenix, Ariz.; three stepsons, Thomas Hays of Austin, Gregory Hays of Hobbs, N.M. and George Bovine of Tucson, Ariz.; a sister, Gloria Hargrave of Lubbock; and four stepgrandchildren. Pallbearers were Bill Biddy, Bill Horvath, John Ed Redwine, Thomas Hays, Gregg Hays and Doug Hargrave.

Funeral services were held at 2:30 p.m. Wednesday, Feb. 16, at First United Methodist Church of O'Donnell with the Rev. Mike Hinton, pastor, officiating.

Burial was in O'Donnell Cemetery under direction of White Funeral Home of Tahoka.

Mrs. Petty died at 6 p.m. Monday at Brownfield Regional Medical Center after an illness.

She was born in Mills County on April 10, 1888. She attended school in Mills County and married James Oscar Petty there Dec. 8, 1908. They moved to Dawson County from Mills County in 1924. She was a Methodist. She was preceded in death by her husband and two sons.

Survivors include two daughters, Cleo Fariss of Goldwaither and Earlene Cook of Tahoka; three sons, Burgess Lee Petty of Brownfield, Glen O'Donnell and J.L. of Amarillo; two sisters, Eunice Morris of Brady and Ester Booker of Dallas; 22 grandchildren; 53 great-grandchildren; and two great-great-grandchildren.

Grandsons served as pallbearers.

Burglaries

(Continued from page 1)

domestic disturbances and juvenile related calls.

Jailed during the past week were one for disorderly conduct, one for forgery and passing checks, and one for aggravated assault.

Curtis Whitley, owner of NAPA, reported to police that \$114.50 cash had been stolen from his desk at his place of business on Monday.

Sam Ashcraft reported to police that three Uniroyal tires on his pickup had been cut, which was believed to have happened on Feb. 10. Damage was estimated \$398.

Charles Victor Schniers of Slaton reported to Tahoka police that his car had been burglarized in the parking lot of First United Methodist Church while he was attending a funeral on Jan. 27. Taken from the front seat was a brown ladies coat valued at \$100.

Last Tuesday, Jim Adams of Tahoka reported to police that someone had stolen a Husky 4 HP air compressor from his pickup that was parked at the 1400 block of N. 3rd.

COTTON TODAY

A NATIONAL COTTON COUNCIL SERVICE

Supply/Demand Stress: National Cotton Council President Ed Breihan recently stressed that the surest way to restore cotton industry profitability is to work "with unremitting energy" to get supply and demand back into better balance.

Speaking at the Council's annual meeting in Phoenix, Breihan said the industry must work both to reduce supply and increase demand, not just one or the other.

"We have to sell, sell, sell with all our might," he said. "We have to push domestic and overseas promotions, technical services, export cre-

dit, payment-in-kind, enhancement of PL-480, and anything else we can think of to hold or increase our market share while we work stocks down."

Despite cotton's currently difficult situation, Breihan said the cotton industry has some promising things going for it now that it didn't have at this time last year.

Among those cited were: (1) sharply lower inflation and interest rates, (2) improved cotton consumptions here and abroad, (3) a larger share of the domestic market, and (4) stronger government programs to bolster income and markets.

Breihan completed his term as Council president at the annual meeting and moved to chairman of the board.

Export Sales Reported: Cotton export sales during the week ended Feb. 3 increased a net of 75,900 running bales, according to the U.S. Department of Agriculture. Major buyers were South Korea, 18,600 and Japan, 16,500.

Purchases brought the season's total sales commitments to 3,860,600 bales. Export shipments of 104,300 bales were

New glaucoma drug eliminates side effects

Medical researchers at Texas A&M University have successfully used a mirror image of a popular glaucoma drug to develop a new treatment that apparently eliminates dangerous side effects. The new drug is D-timolol. Its structure is an exact mirror image of L-timolol, an agent first marketed under the trade name Timoptic.

Glaucoma is caused by a buildup of pressure in the chambers of the eye and primarily affects persons over age 40. People can develop the ailment as young as age 20, said Dr. George C. Y. Chiou, head of medical pharmacology. Untreated, the pressure deadens the optic nerve end and causes blindness.

Timolol inhibits formation of aqueous humor, a transparent liquid contained in the chambers of the eye, and reduces intraocular pressure, said Chiou. But large scale clinical studies have revealed that L-timolol eye drops can cause cardiovascular disturbances in patients with a history of asthma or bronchitis.

According to the researchers, D-timolol does not appear to cause such side effects. It has the beneficial agents of its cousin, but not the problems.

reported during the week, according to the National Cotton Council.

Fuel-efficient tractors are goal of Texas A&M engineers

COLLEGE STATION — Texas A&M University agricultural engineers are developing an automated tractor system that could tell a farmer when to slow down or even shift gears to conserve fuel.

The research conducted by Texas A&M's Agricultural Engineering Department is part of an effort to help farmers improve energy efficiency, reduce their costs and lower consumers' grocery bills.

The researchers are connecting a complex network of sensors to a tractor for measuring such things as fuel flow, forward travel speed and the amount of power that's being produced.

Girl Scout Cookie Sale Ends Soon

The Tahoka Girl Scout cookie sale will end this weekend. The girls still have lots of cookies left, and a spokesman said they will have to pay for what they don't sell from their earnings.

There will be tables set up around town Saturday for those who would like to have more cookies.

Santa Fe Gives Depot To Museum

The Atchison Topeka and Santa Fe Railroad is giving the Tahoka depot, built in 1910, to the city for use by Tahoka Pioneer Museum. Mayor Meldon Leslie was notified of the decision by G. P. Valentine, Amarillo general manager.

Tahoka station, along with most other depots over the area, are being closed and shipments handled through a central office at Lubbock. C.E. Boles, Tahoka station agent, has been transferred to the Lubbock Region Freight Office as of Feb. 1.

Official transfer of the depot building is to be made soon, Leslie was informed. The museum board plans to move the building to the east side of lots just north of the museum building facing

Ave. J, and connect it with the present building.

Dr. K.R. Durham, museum board chairman, recently met with the Pythian Sisters, who occupy and have improved the old WOW Hall, now owned by the City, and assured them they could continue to use the facility but that some adjustments would have to be made in order to get the Santa Fe depot on the lots. Plans have been proposed to cut off part of the WOW building front, add a room to the west or north, or to slide the WOW building west a few feet.

Monday noon, Mrs. Helen Ellis and Mrs. Helen Farr met with the museum board and reported the Pythian Sisters will co-operate with the remodeling plan on being

assured everything will be done by the city and museum to preserve their lease and meeting place facilities. The museum board assured them this would be done. Rumors had been rampant, erroneously, that their meeting place might be rendered useless.

The museum board has set a membership meeting for June, a date to coincide with the annual Lynn County Pioneer Reunion. At that time four new directors of the museum board are to be elected. Mrs. Auda Norman, Mrs. Clint Walker and Leslie were appointed as a nomination committee to name potential museum directors.

Winston C. Wharton and Bill Craig were appointed to make plans for moving the depot building. Only

stipulation by Santa Fe is that the depot be moved from its present site and the site cleared.

The present museum building now is just about filled to capacity with exhibits.

Museum memberships for this year are now due for the current year, and interested people are asked to send in their \$10 membership dues soon. Several life memberships at \$100 each have been received recently and several families have made \$500 donations for inclusion on the "Honored Pioneers" plaque, and one donation of \$2,500 has been made for museum improvement.

Moving the depot and remodeling the former

WOW hall will entail considerable expense.

Incidentally, Belton Howell has been instrumental in the town getting possession of the building from WOW.

In other action Monday, the museum board granted an application to Jesse James to farm the 28 city lots given in extreme north Tahoka last year by Mrs. H.C. Yelverton of Lubbock.

The museum is proving to be an asset to Tahoka in preserving local heritage since many travelers stop here to visit it, as well as Lynn county citizens and school children.

At Monday's museum board meeting, Leslie, Wharton and Mrs. "Pete" Hegi furnished the meal.

Lubbock through the Interlibrary Loan System. I understand that we will be able to continue borrowing books from Lubbock, but after this year, the film service will have to be discontinued because we will no longer belong to the West Texas Library System since we were unable to meet the financial requirements. Also the fund for new books will be cut off because of the same reason. We are hoping that sometime in the future we might be reinstated.

The new films for this month have arrived and will be available for use until March 10. They are the following: Anatole and the Piano; Animal Movie; The Deer and the Forest; Ears of King Midas; Echoes; Ecology of the Prairie; Hurry, Hurry; Interlude; Jeffries-Johnson 1910; The Little Engine That Could; Magic Bow; The Magic Well; The Many Faces of Mexico; My Main Man; Nobody's Victim; Raptors, Birds of Prey; Solar Energy. To Capture the Sun and Tide; The Tell-Tale Heart; The Terrible Two and Trusting Threes; and Twelve Dancing Princesses. We also have a few filmstrips if anyone wants to use them.

If any of you are in need of the 1982 Federal Income Tax Form 1040, just come by the library and I will be happy to give you one. We have a whole box full that was sent to us. In working on the annual report for the library, I discovered that we had circulated 106 films this past year with 13,161 people viewing them. Also, we were able to borrow 83 books from

Hospital Auxiliary News

The Lynn County Hospital Auxiliary met Monday, Feb. 7, in the dining room at the hospital with nine members and Mr. Brooks present.

The main purpose of the meeting was the planning for the annual Fun and Food Festival which was set for April 16 from 3 to 9 p.m. in the Lynn County Show Barn.

Committees were appointed with Grace Huffaker and Nadine Dunlap to serve as co-chairpersons.

The Auxiliary sponsored Blood Drive was also on Feb. 7 at the Methodist Church Fellowship Hall

Senior Citizens MENU

Monday-Beef stew w vegetables, squash casserole, tossed salad w dressing, cornbread, butter, apricot cobbler, milk

Tuesday- Barbecue chicken, sweet potatoes, pinto beans, onions, pickles, roll, butter, fruit jello w topping, milk

Thursday- Liver and onions, golden carrots, tossed salad w dressing, roll, butter, chocolate cake, milk

Friday- Chicken fried steak, cream gravy, mashed potatoes, turnips & greens, cornbread, butter, banana pudding, milk with a good response. The Auxiliary welcomes new members.

Basketball Roundup

By SHAWN STOTTS

The varsity boys ended their basketball season on a good note as they defeated Frenship and Roosevelt in their last week of play. The Bulldogs slipped by Frenship 49-48. The Cooper Pirates upset our boys 44-52.

The varsity boys went into overtime against the Roosevelt Eagles and came out victorious. Trey Teaff made the basket that put the Bulldogs in the lead and Tony Garcia made the two free throws that assured the win. The final score was Tahoka 39,

Roosevelt 36.

The varsity boys defeated Frenship after a tough game 49-48. Leading scorer for the boys was Tracy Bryson with 17 points. Tony Garcia was next in line with 12 points, Otis Pendleton scored 10 points, Steve Pierce scored 6 points, and Trey Teaff scored 4 points.

The Bulldogs were defeated by Cooper in a make up game 44-52. Otis Pendleton and Tracy Bryson led the team with 18 points each, Trey Teaff scored 8 points, and Tony Garcia and Harvey Hallmark scored 3 and 2 points respectively.

In their last game of the season the Roosevelt Eagles took the Varsity boys into overtime only to come out defeated. Tracy Bryson led the team to their last victory with 18 points, Tony Garcia with 7 points, and Trey Teaff with 6 points. The final score of the ballgame was 39-36. They ended their season in fourth place.

Varsity Girls

The varsity girls had an extremely good season this

year under the coaching of Ben Blair. In their last week of play the girls took on Frenship and beat them but lost to first place Cooper.

Julie Patterson led the girls as they showed their stuff against Frenship, with 14 points. Lela Bailey hit 9 points for the night and Kimberly McMillan and Cynthia Payton hit 4 points each.

The Dogettes were defeated by the Lady Pirates of Cooper 35-58. Lela Bailey was high point for the varsity girls with 11 points. Also scoring were Julie Patterson with 9 points, Cynthia Payton and Kim McMillan with 4 points each, Rhonda Nance, Melanie Terry and Cara Monk with 2 each, and Patricia Payton with 1 point.

Lela Bailey was second in rebounding and fourth in scoring for the girls in Tahoka's district.

JV Girls

The girls played only one game their last week and it was against Frenship. The girls were defeated 24-48. Lena McKibben was the leading scorer with 11 points. Cloey Chancy scored 6 points, Kelli Huckabey scored 4 points, Sandra Castellon made 2 points and Deedie Daniell 1.

City-County Library News

By LENNIE COX

We are getting new books in the library quite steadily now since the West Texas Library System affords us some money for non-fiction books and the Read-Along program provided us some for fiction books. Also we have had quite a few donations recently. Just last week, we received five or six donations from various sources. We really appreciate any contributions given to the library.

If any of you are in need of the 1982 Federal Income Tax Form 1040, just come by the library and I will be happy to give you one. We have a whole box full that was sent to us.

In working on the annual report for the library, I discovered that we had circulated 106 films this past year with 13,161 people viewing them. Also, we were able to borrow 83 books from

Payment-In-Kind Program: PIK offers several options for additional reduction in acreage. Payment for additional reduction will be in the commodities reduced and not direct payments. Some of the options available are:

1. No Participation - No loan, deficiency, or diversion payment.
2. Participate in the reduction of 20% of the Base Acreage Reduction Program. The commodities participating will be eligible for CCC loan, deficiency payments on planted acreage, and diversion payments, if applicable.
3. Participate in the 10% to 30% PIK. In addition to the 20%, you agree to reduce an acreage equal to between 10% and 30% of the base. The Conservation Use Acreage (CUA) would be equal to 20% of the base plus the acreage agreed to in the PIK. Additional reduction in planted acres will reduce the required CUA. The commodities reduced because of the PIK agreement would be received at the rate of 80% of your

1983 yield for cotton and grain sorghum and 95% for wheat. The acreage would be the amount agreed to in the 10% to 30% range. The commodities actually produced after the reduction was made would be eligible for loan, deficiency payments on plant acreage and diversion payments could be received.

4. Whole Base Bid. You can bid a percent of your yield you would accept to devote your whole base to conservation use acreage. The maximum bid acceptable is 80% of your yield for cotton and grain sorghum and 95% for wheat. If your bid is accepted, you would plant no acreage of that commodity on that farm number. You would receive that commodity at the percent of yield you bid on your whole base for cotton, 95% of your base for wheat, and 90% of your base for grain sorghum. You would then have an acreage of eligible land equal to your base devoted to conservation use acreage.

Your sealed bid will be opened and accepted or

Cotton Harvest Resumes

Sandy soils in southern and central High Plains counties dried enough to support equipment - by mid-week said Mack Bennett, Area Director at USDA's Marketing Service Office at Lubbock. Some modulated seed cotton moved to gins and some harvesting resumed. Ginners in northern counties, where soils are tighter, reported that many of their growers may not be able to move equipment until after March 1. Bennett continued.

During the harvest lull, growers continued to analyze the PIK program announced in late January. Several merchants offered to forward contract these PIK bales at 45 cents per pound, basis grade 42, staple 32, mike 35 - 49 with 1983 Commodity Credit loan premiums and discounts. Several thousand bales were rejected on March 18, 1983. Bids will be accepted in the order of lowest bid first. In case of tie bids, the earliest date the bid was made will be accepted first. Bids will be accepted until the maximum number of reduced acres is reached.

Sign Up March 11: If you want to participate in any of the programs in 1983 you must complete the sign-up process by March 11, 1983. You are required to obtain all required signatures of producers and owners before your sign-up is completed. Signatures of other owners or producers on bid contracts can be returned later but not after March 17, 1983. If all signatures are not received by March 17, 1983, your bid will be invalid. All PIK contracts are binding as of March 11, and cannot be changed after that date.

and bales have been contracted at these terms.

Growers sold some 1982-crop cotton at around 100 to 250 points over 1982 CCC loan. These mixed lots were mostly grades 42 and higher, staples 30-32, mike 35-49.

Wet weather has slowed ginning of High Plains cotton considerably. Bennett explained. Lubbock's Marketing Services Office classed about 6,400 samples during the week ended Feb. 10 compared to the peak of 85,000 classed during the week ended Dec. 9. The season's total stood at 657,000 on Feb. 10 and compares with 2,245,000 classed by the same date last year.

Predominant grades were grade 52 at 36 percent, grade 42 was 19 percent and grade accounted for 17 percent. About 51 percent was reduced one grade because of bark and 10 percent for grass.

Predominant staples were staple 30 at 29 percent, staple 31 amounted to 35 percent and staple 32 was 15 percent for an average of 31.0 thirty-seconds of an inch.

Mike 35-49 was 76 percent, 33-34 amounted to eight percent, 30-32 was eight percent, 27-29 was four percent while 26 or below accounted for three percent for an average of 38 during the week.

The 1982 U.S. Cotton crop (lint and seed) was valued at 3.7 billion dollars. U.S. upland Cotton ginnings prior to Feb. 1 this season totaled 11,204,788 running bales.

THURSDAY BRIDGE WINNERS

Thursday afternoon duplicate bridge played at T-Bar Country Club Feb. 10. Winners were:

First, Jean Dorman and Auda Norman; second, Mildred LeMond and Vinita Hamilton; third, Mabel Gurley and Velta Gaignat.

SPOTLIGHT ON BUSINESS:

New Accountant Likes It Here

(Tahoka Chamber of Commerce is beginning a new program of recognition of business people in the city who are chamber members. Periodically, a story written by a Lynn County News staff member will spotlight a new or established business or person. The first of the series puts the spotlight on Fred Curran.)

By MELODY DAWES

One of the new businessmen in town is Fred Curran employed by the accounting firm of Love, Hays and Schaffner.

Curran grew up in Wichita Falls, where he also attended Midwestern State University and graduated with a degree in accounting.

Soon after graduating he worked as an accountant for a law firm in Austin and then in a public accounting firm in Austin. He then moved to Dallas where he spent the last four years as a controller of a Real Estate office.

Curran's wife, Sue, grew up in Aledo, Texas, and they have a three-year-old girl, Ashley. The Currans are also expecting a second child in September.

Joe Hays acquired the

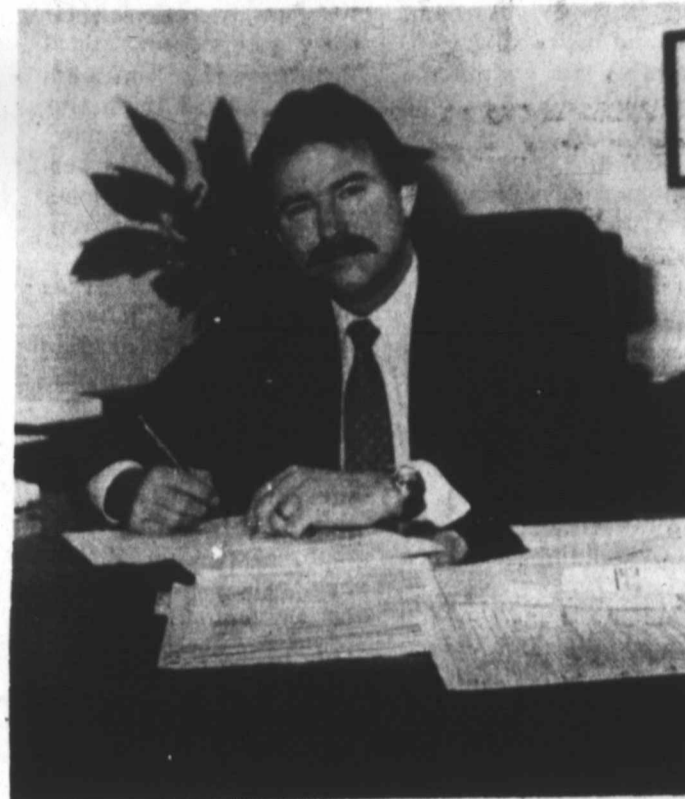

There was lots of hand clapping, toe tapping, smiles and laughter at our regular first Monday night singing. Everyone had a great time as Dalton Wood, Don Dawes and Art Ratzleff of Slaton entertained us. We really appreciate these men taking time from busy schedules to "spread some sunshine" our way. Our thanks also to the Church of Christ youngsters for sharing their musical talents with us. We always love to have the kids here. Thanks to Melody Dawes for bringing and leading the children as they sang.

We really appreciate Clint Walker, also, for his most entertaining after lunch talk on Monday. He spoke of the "days past" in Lynn County and told humorous stories of some of the older citizens.

The legal aid group will be here at 12:30 on Feb. 28. They will answer legal questions you might have, so, have your questions ready. If you wish a private consultation, that can also be arranged.

For all of you who will be setting check up days with your doctor, please try to schedule your checkup for the second Monday or fourth Friday of each month. The van will be going to Lubbock for checkups on Feb. 25, March 14 and March 25. Try to make your appointment between 10 a.m. and 1:30 p.m.

Exercises are at 10 a.m. each week day. Each Monday we have games until 5 p.m. and until 3 p.m. all other days. We also appreciate all volunteer quilters.

FRED CURRAN

us into their circles."

The Curran family attends the First Methodist Church and he is a member of Rotary. They are especially thankful to be living in a town the size of Tahoka where they can be involved in community affairs.

Curran became a Certified Public Accountant in July of 1975 and is a member of the Texas Society of CPA's and the American Institute of CPA's. Curran's future plans are to make Tahoka his home, stay with the firm and maybe eventually become a partner.

He stated that they "welcome anyone needing tax advice or financial advice to come in and talk to anyone in the office." The offices of Love, Hays and Schaffner are located at 1525 S. 2nd and he can be reached at 998-4971.

services of Curran approximately six months ago as his own business was expanding. Curran has a variety of responsibilities including doing city, county and school district audits, business and corporation audits and, of course, individual tax returns.

Curran is especially busy right now as the firm is in the middle of "tax season". March 1 is the deadline for farmers to file returns and of course April 15 is the deadline for everyone else to have his taxes ready.

Curran and his family enjoy living in Tahoka and have noticed that

"everybody has been super friendly and invited

Area Men In Service

Navy Utilitiesman 2nd Class Walter L. Hardt, son of Warren Hardt Jr. of Tahoka, is serving with a unit which was recently presented the U.S. Atlantic Fleet Best of Type/Battle Efficiency "E" award by the Chief of Naval Operations.

He is a member of Naval Mobile Construction Battalion (NMCB) 133, Gulfport, Miss.

The award recognized the organization as the best Naval construction Battalion in the Atlantic Fleet for the 1982 fiscal year. NMCB-133 is one of our Naval Mobile Construction Battalions that comprise the Atlantic Construction Force. The three other NMCBs were also in contention for the award.

Brownfield C-C Banquet Rescheduled

The annual Brownfield Chamber of Commerce Banquet will be held Saturday, Feb. 19, at 7 p.m. in the Brownfield High School Dining Commons located at 701 North Fir. The theme is "Cajun Humor." Guest speaker will be Justin WAYSON, widely acclaimed as one of America's foremost humorists.

SPC Plans Financial Aid Workshop

South Plains College will host a Financial Aid Workshop Thursday, Feb. 17, (today) for high school seniors who are planning to attend college this fall and who may be looking for ways to finance their education.

The workshop will begin at 7:30 p.m. in the Student Assistance Center on the third floor of the College Library. Area high school seniors and parents interested in obtaining information about financial aid programs are invited to attend.

Carriker Opposes Tax Withholding

State Representative Steve Carriker has filed a resolution for action by the House of Representatives which would put the State of Texas on record as opposing the Reagan Administration's proposal to withhold ten percent of a saver's earnings as an income tax advance payment. The resolution, which Carriker authored, calls on Congress to reverse the new policy.

"This withholding proposal is patently unfair. It is an administrative burden on banks, thrifts, and even small farmer cooperatives," commented Carriker. "I'm afraid that the red-tape involved in getting money back from the IRS will cause many small savers, especially elderly people, to forfeit money to the Federal Government that they don't owe," he added.
