TAHOKA, LYNN COUNTY, TEXAS, THURSDAY, JUNE 16, 1983

12 PAGES IN ONE SECTION

### Meat Stolen From Store At O'Donnell

A quantity of meat valued at a total of \$233 was reported stolen from Bryant Grocery in O'Donnell Saturday night. Owner Perry Bryant said some of the stolen meat was Shurfine products.

Lynn County Crime Line posted a \$300 reward for information regarding the burglary of the grocery. Crime Line is 998-5145.

In jail during the week were two persons arrested for driving while intoxicated and one each for reckless conduct, criminal mischief, DWI plus resisting arrest, disorderly conduct and aggravated assault.

On Saturday, June 11, two Tahoka law enforcement officers arrested a Tahoka man at his residence on a felony warrant for aggravated assault. He was transported to Lynn County sheriff's office where he was booked and jailed.

Two accidents were investigated during the past week. One accident occurred at Flanigan's Texaco where a 1982 Mercury driven by Michael Wayne Burleson of Tahoka had

struck a gasoline pump. Damage was estimated at \$250. Also on Sunday, a 1977 Dodge pickup driven by Ricky Don Meeks of Tahoka and a 1981 Chevrolet driven by Emilio Ramon Chavarria of Wilson were involved in an accident at 1700 Main in Highway 87 and N. 1st. No injuries were reported.

A Tahoka resident reported to police on Saturday night that some people were gathered at the Thrift-Mart parking lot and were yelling and playing loud music and this was keeping them awake. Also on Saturday night, Tahoka Care Center reported that a fight had broken out in front of their building and wanted it stopped.

Police answered a prowler call from a Tahoka resident who reported on June 8 that someone had knocked on her bedroom window and then ran away.

On Monday, a Tahoka resident complained to police that her girl had been chased by a large red Doberman while she was riding her bicycle.

### Tahoka Rodeo Begins Tonight

The Tahoka Rodeo begins tonight (Thursday) with a performance at 8 p.m. Charlie Thompson of C-T Rodeo Company will provide the rodeo stock.

A parade has been set for 5 p.m. Saturday. All participants should be at the vacant lot south of the post office by 4 p.m. to line up.

A rodeo dance will be held Saturday night from 10 p.m. to 1 a.m. at the Tahoka Show Barn featuring Hoyle Nix and the West Texas Cowboys.

According to Nadine Dunlap, chairperson for the queen and princess contest, tickets for the saddle drawing will be available from the contestants all week and at the rodeo Thursday and Friday nights. The drawing will be held Saturday night, you need not be present to win.

Mike Braddock and crew have been working to repair and paint at the rodeo grounds.

The Tahoka Chamberettes will be selling frito pie, hot dogs, cokes and popcorn at the rodeo concession stand each night. Proceeds will go to the rodeo.

The Chamberettes will sell homemade ice cream during the rodeo parade Saturday on the north side of the Lynn County News. Proceeds will go to the Chamberettes.

### Show Barn Outside Lighting Approved

Installation of outside lights at each end of the Lynn County Show Barn was authorized by the Commissioners Court in the regular meeting Monday.

Sheriff Stanley Krause had advised the court earlier that the lighting would help to avert vandalism.

County Judge J.F. Brandon presided over the meeting, with permission being granted to remove a wall in the treasurer's office to make more room.

The group voted to pay the City of Tahoka \$8,380.44 for the revenue sharing fund for the county's annual share of operating the city landfill.

In other matters the commissioners approved payment of dues of \$50 per year to Texas Good Roads Transportation Assn.; annual membership dues of \$25 to Water Inc. and payment of \$6,185.51 to Lynn County Appraisal District for the county's portion of the operational expense.

Also, permission was given for the

County Clerk and District Clerk to attend a clerk's conference in Amarillo June 22-24.

The audit report by Love, Hays and Schaffner for 1982 was accepted and repair on the sheriff's parking lot was approved.

### June 13-18 Is Clean-up Week

June 13-18 has been designated as Clean-up Week in Tahoka. Chamber Manager Winston Wharton urges everyone to do their part in picking up trash and cleaning up during this week. Tahokans are urged to share the load in cleaning up the city by picking up trash and placing anything you want hauled off next to the nearest dumpster in the alley. City Manager Carl Reynolds asked that citizens not call the city for trash pickup as the city crews will cover each alley during the week of June 20-25.

Saturday, June 25, is designated for the Old Settlers Reunion and this clean-up activity should make this a more memorable event for out of town guests to realize that citizens of Tahoka are proud of their town.

## Delinquent Taxes Face Stiff Penalty

Persons who have not paid their 1982 taxes to the Tahoka Independent School District will face a stiff penalty of 33 per cent added to the taxes starting July 1, school board members were advised at a meeting of the board Tuesday night.

Supt. Jim Coulston and Business Manager Loretta Tekell noted that the penalty for delinquent taxes goes to 18 per cent July 1, and also that on that date, the school districts add another 15 per cent to pay the 15 per cent collection fee which attorneys get starting on that date. "To avoid that additional 15 per cent penalty, everyone should pay his 1982 taxes by June 30," Mrs. Tekell said. The

taxes are paid at the Lynn County Appraisal District office on Ave. J in Tahoka, which also takes payment of county taxes.

Mrs. Tekell told the board that tax collections for the year were at 89.4 per cent, compared to 92 per cent at the same time last year.

School board members also were pleased by the reports on the Tahoka students' scores on the Texas Assessment of Basic Skills (TABS) tests. Coulston told the group that Tahoka students tested in the program were far above the statewide average in 10 of the 11 skill areas tested.

Tests were administered in the third, fifth and ninth grades for the last three years and the percentage of classes mastering reading, writing and mathematics has increased in most areas. "We're at 80 per cent mastery in all areas except two — and the level in those two was 79 per cent," the superintendent said.

Complete results and breakdowns of scores by grades are available at the school office. Individual scores also are available, but only to parents of the individuals involved.

It was voted to extend the school day by 55 minutes starting this fall, with seven periods of classes per day planned. School officials are still working on the scheduling, but school is expected to begin about 8:20 a.m. and turn out about 3:45, although the elementary school day may be shorter, Coulston said.

The minimum competency policy was extended to junior high for the coming school year, and in the following year will go through the senior class, meaning that when this takes place, those graduating must

have demonstrated a minimum proficiency in reading, writing and math.

High school correspondence courses now may be taken by students other than seniors, but no more than two courses may be taken by correspondence, the board decided Tuesday.

Stricter enforcement of existing state laws regarding booster immunization shots was authorized by the board.

The board accepted the resignation of Bill Montgomery as junior high history teacher and assistant

coach. He will take an assistant coaching job at Slaton. Mrs. Montgomery reportedly will continue to teach at Tahoka.

Pam Vaughn, junior high science teacher for six years, also has resigned.

Hired to fill Montgomery's duties was Ted Wiley, 33, who has been at Clarendon. He is married and is a Texas Tech graduate.

Average daily attendance for Tahoka schools in the year just ended was down by 40.5 students from the previous year, Coulston told the board.

### Lynn County Pioneer Reunion Set June 25

The Annual Lynn County Pioneer Reunion will be held Saturday, June 25, at the Tahoka school cafeteria. Registration will begin at 10 a.m. and tickets for the barbecue luncheon will be \$2.50.

The awards program will follow lunch and new officers for the coming year will be elected.

BATTER UP—Little League season is underway with games being played on Monday, Tuesday, Thursday and Friday nights. (LYNN COUNTY NEWS PHOTO)

BRENDA CARTER - RONNIE ROBERTS

**Carter - Roberts Announce Engagement**

Mr. and Mrs. Robert Carter of Cheyenne, Wyo. announce the engagement and approaching marriage of their daughter, Brenda, to Ronnie Roberts, son of Mr. and Mrs. Ronald Roberts of Tahoka.

The couple plan to be married June 18 in the St. George Temple in St. George, Utah. A reception will be held in Tahoka on Saturday, June 25, at the First National Bank Party Room at 7 p.m. All friends and relatives of the couple are invited to the reception.

Brenda attended school in Cheyenne, Wyo. and is currently working in Denver, Colorado.

Ronnie is a 1981 graduate of Tahoka High School. He served a two-year mission for the Church of Jesus Christ of Latter Day Saints in the Colorado Denver Mission and is currently working for Varsity Contractors of Denver.

**Gov. White Declares June 1 Green Thumb Day**

Governor Mark White designated June 1 as Green Thumb/Senior Texans Employment Program Day in the state.

Texas Farmers Union has sponsored the Green Thumb program in Texas since 1970. The largest and oldest federally-funded senior employment program, Green Thumb has more than 17,000 enrollees nationwide, including 1,059 in 108 Texas counties.

Green Thumb workers in Lynn County are Loraine Crowson, Enicacio Rodriguez and Delgado Matias of Wilson; Thomas Curry, Audrey Akin, Annie Belle Stice and Lydia Knight of Tahoka; Lois Haire and Beecher Brandon of O'Donnell.

MRS. TIMOTHY RUSSELL nee Sharla Short

**Sharla Short - Tim Russell Exchange Vows In Austin**

Sharla Rene' Short and Timothy Paul Russell exchanged double ring wedding vows Saturday, June 11, at 7:30 p.m. in St. David's Episcopal Church in Austin with Rev. Steve Whitfield officiating.

Parents of the couple are Linda Bilberry Short of Midland and Harry Lee Short of Tahoka and Mr. and Mrs. Joel Tracy Russell of Austin.

The formal ceremony was performed in the sanctuary of St. David's. Decorations consisted of candelabra with greenery and white satin bows and sterling silver roses.

The bride, given in marriage by her father, wore a candlelight gown with a full cathedral length train. The bodice, sleeves and scalloped hem were trimmed in antique pearls and lace. The matching veil followed the hemline of the dress. She carried a prayer book covered with a cascade of sterling silver roses.

The maid of honor, Salena Short, sister of the

bride, and bridesmaid, Susan Middleton, wore full length pleated gowns in dusty rose and carried clutch bouquets of sterling silver roses and baby's breath.

The groom's brother, Mark Russell, served as best man with Jimmy Blanton as groomsman.

A reception followed in Sumnors Hall at the church.

Special guest was the grandmother of the bride, Mrs. Lena Short of Tahoka. Others attended from South Dakota, Minnesota, Wyoming, New York and Texas.

After a wedding trip to Cancun, Mexico, the couple will reside in Lubbock where they both attend Texas Tech University.

Sharla is a 1980 graduate of Monahans High School and is currently working toward a BS in biology. She is president of Kappa Mu Epsilon, a member of Phi Kappa Phi and Alpha Lambda Delta honor societies, and the dean's list. She is employed as a research assistant at Tech.

Tim is a 1975 graduate of Anderson High School in Austin and is currently working toward a bachelor of architecture. He is a member of the Tech band and is employed as a travel consultant in Lubbock.

**Courtesies**

A rehearsal dinner was given by Mr. and Mrs. Joel Russel in Austin. The couple was honored with a bridal shower in the home of Jewel Smith in Tahoka and a get-acquainted party and shower in the home of Mrs. Betty Miller in Austin.

MR. AND MRS. JAMES STONE

**James Stones To Celebrate 50th Wedding Anniversary**

Mr. and Mrs. James Stone of Post will celebrate their 50th wedding anniversary with a reception from 3 to 5 p.m. Sunday, June 19, in the First National Bank at Post. The former Mary Stanley and Stone were married June 17, 1933. The couple resided in Lynn County until 1943. All friends of the couple are invited to attend.

store was set up for the children. A contribution was made by the family to the Wilson Cemetery where Ollie Riddle is

buried. The reunion honors Vivian Riddle who is now 90 years old.

**Riddle Family Reunion Held**

The family of Vivian Riddle and the late Ollie Riddle met May 28-29 at the Pioneer Park in Lamesa for their 14th annual reunion. Their five children were present along with a host of grandchildren and great-grandchildren. Ninety-five guests registered.

The Riddle cookbooks were ready and everyone was excited about all the good recipes.

Sunday morning a short devotional was held by Tom Williams.

To cover costs of the reunion an auction was held with Tommy Cooper as auctioneer. Everyone brought someone to auction off and a country

**Cooking Hints**

To cut Bleu or Roquefort cheese without crumbling, use a piece of dental floss or heavy thread. (To prevent cooked cheese from becoming stringy use low temperatures and avoid overcooking.) Add cheese in small pieces or shreds to casseroles for quick, even melting.

Firm cheese will freeze well if tightly wrapped in small amounts. Thaw in refrigerator to prevent crumbling. Save leftover bits of cheese by freezing and using later to blend with cream for spreads and dips. Betty Crocker's Kitchen Secrets is a Random House publication, available at book and department stores.

Flower clocks that tell the approximate time of day can be made by planting flowers that open and close at certain hours, such as four o'clocks.

Munoz. Sponsor is Mrs. Hedy Bufe.

**New Home News**

By Florence Davies — Call 924-7479

Funeral services are pending for Fred White of Ft. Morgan, Colorado. White, 86, died Saturday afternoon after a long illness. Survivors include his wife, Helen; one daughter, Anita Massengale of Ft. Morgan; one son, Joe Dale of Ft. Hood; three sisters, Grace Estes of Mesa, Ariz., Dell Thomas of Pasadena and Louise Bledsoe of Lubbock; three

brothers, Wallace White of Lake Brownwood, Bill of New Home and Elzie (Razz) of Hemet, Calif. Carolyn Williford, who was here eight days with her sister, Scooter Sharp, and Don, returned to her home in Irving Sunday. Carolyn works with Living magazine in Dallas.

Mr. and Mrs. Dennis Haley and children of

Hondo spent the weekend here with their Parents, Mr. and Mrs. V.P. Haley. Justin and Jenny are staying two weeks with their grandparents.

Amy Blackmon of Lubbock is spending some time here with her grandmother, Mrs. Shine Barnett.

Our brother, E.M. (Jack) Inman remains in very serious condition in Cogdell Memorial Hospital in Snyder.

Sylvia and Frank McDonold of Sweetwater were here Friday and Saturday with their parents, the J.B. Edwards, and grandmother Bessie, to celebrate Boswell's birthday Saturday.

News is brief this week as we were out of town the weekend. An early Father's Day gift to Winston from Dan and Jane took us both to Dallas. Jane and Connie met us at the airport and we drove to Italy, Tex. where Dan and Charles Denton joined us and we enjoyed a few hours at the Italian Festival held there. We then went to their ranch home near Peoria to spend the night and Sunday. Connie graduated in May from Durango, Colorado High School and

will attend Western State College in Gunnison, Colo. majoring in social studies. Cheryl Brown and Danny of Dallas also had dinner with us Saturday evening. The new Aquilla Lake is under construction near Peoria.

The storm that struck Saturday afternoon did a great amount of damage in our community. We were very fortunate here, only minor damage to our garden, lots of fruit knocked off, other report broken glass and damaged roofs. Many reports of very bad damage to homes and crops in different areas.

Sandy Young and sons left this Monday morning by plane for their home in Round Rock. They were here eight days with her parents, Mr. and Mrs. Roy Blevins.

Visitors in our home at different times last week were: Olive King, Lawton Okla.; Willie Mae Martin, Hart's Camp; Frances and Grady King of Muleshoe; and Jim Spikes of Lubbock.

Mr. and Mrs. John Edwards, Mr. and Mrs. Freddie Kieth and Lance, Ray Van and Lana of Earth, Tracy and Tamra Taylor and Elizabeth Eubanks of Lubbock at-

tended the Edwards family reunion in Weatherford over the weekend. 50 attended.

**THREE LAKES SETS REUNION**

The Three Lakes reunion will be Saturday, June 25, immediately after the Old Settler Reunion at the First United Methodist Church in Tahoka.

**Celebration Honors 4-H**

The South Plains 4-H 75th Anniversary Celebration was held June 11 at the Panhandle-South Plains Fair Grounds. Lynn County 4-H'ers, leaders and parents received recognition as the largest number from one county attending. Approximately 65 from Lynn County participated in the day and night activities. Agents Stanley Young and Harriett Pierce helped out with the activities. The Junior Share the Fun group from Lynn County participated in the entertainment part of the event.

4-H'ers participated in the egg roll with Trey Nance of Tahoka winning third place; horse shoes (Harold Sanders, O'Donnell 4-H leader was on the first place winning team), and in the World's Longest Balloon String contest. Tahoka 4-H was also recognized as being the oldest club from Lynn County, formed in 1926. A time capsule was buried with Lynn County 4-H contributing a box containing programs, pictures and slides, yearbooks and newsarticles of 4-H events. A Lynn County 4-H cap was also placed in the capsule which will be opened during the 100th year celebration.

**Texas Electric Service Asks Rate Increase**

Texas Electric Service Company filed a request for a 16.1 percent system-wide increase in revenues on June 9.

The request was filed with cities served by Texas Electric and with the Public Utility Commission in Austin. It would provide an additional \$195 million in revenues.

"We have worked hard through the years to give our customers reliable service at the lowest reasonable costs," said Jimmie Jones, TESCO manager in O'Donnell.

Inflation in the three years since TESCO's last rate increase has had a dramatic impact on the company's operating costs, with the Consumer Price index having increased by 22 percent nationwide.

"Because of this inflation, and because of interest costs that have to be paid on money borrowed for our construction program, we can no longer postpone asking for a rate increase," Jones said.

Tradition associates pearls with tears and opals with bad luck.

"Many of the millions of dollars that Americans spend on diet books, plans and products are a waste of money," says Marilyn Haggard, foods and nutrition specialist. According to Haggard, there are scientific studies showing that any of these popular diets are successful in the long run for most people. The best way to reduce is with a nutritionally balanced diet, moderation of eating habits, increased physical activity and the establishment of good eating habits, which will result in gradual weight loss, she says.

Although nutritionists, physicians and health educators recommend a balanced diet, popular diet plans often encourage and unbalanced intake of foods, says Marilyn Haggard, a foods and nutri-

tion specialist. For example, some diet plans claim that carbohydrates are harmful and recommend eliminating them from the diet. Yet omitting the carbohydrates found in cereals and breads could cause a lack of thiamine, niacin and iron necessary for good health. Other diet plans advocate over-consumption of particular food groups like protein or fruit, which cannot provide a variety of necessary nutrients, says Haggard. A nutritionally balanced diet which results in a one-to-three pound weight loss per week is optimal for long-term weight reduction, says the specialist.

Tack a pair of spoons close together on a wall to make a broom or tennis-racket holder.

**Unclaimed Property Collections Increase**

State Treasurer Ann Richards stated that unclaimed property collections in Texas are running more than \$2.5 million ahead of last year, a 51 percent increase.

Richards said receipts in the unclaimed property program through the end of May were just short of \$8 million, compared to \$5.2 million for the same nine-month period in Fiscal 1982.

Richards explained that Texas law provides for property that has been unclaimed or abandoned for seven years to be turned over to the state treasurer. She noted that Texas holds the funds until claimed by the rightful owner or the heirs. In the meantime, the money goes into the state's general revenues and the Available School Fund.

Types of property covered under the law include dormant checking and savings accounts; uncashed money orders, cashiers checks and travelers checks; unclaimed insurance benefits, corporate dividends, mineral royalties and security deposits; unredeemed gift certificates, abandoned safe deposit boxes, abandoned brokerage accounts, unused escrow accounts, and many other types of property.

"The unclaimed property program we're running at the Treasury has two important benefits to Texans," Richards said. "First, it represents a sizeable source of income to the state and helps pay for vital state programs like education, law enforcement and transportation."

Anyone with questions about the Treasury's unclaimed property program should write the The Unclaimed Property Division, Texas State Treasury, P.O. Box 12608, Capitol Station, Austin, Texas 78711.

**Obituaries**

**Charlie M. Mason**

Services for Charlie M. Mason, 68, of Tahoka, were held at 3 p.m. Saturday, June 11, at the Assembly of God Church with Rev. Perry Shuffield, pastor, officiating. Burial was in Tahoka Cemetery under direction of White Funeral Home. Mason died in the Veterans Hospital in Big Springs Thursday, June 9, after an extended illness. He was born April 22, 1915 in Oklahoma and came to Lynn County in the early 1930s from Rush

Springs, Okla. He was a retired auto and tractor mechanic and a veteran of World War II, serving in the South Pacific. He married Wanda Faye Wilkins June 21, 1941 in Tahoka. He was a member of the Assembly of God Church.

Survivors include two daughters, Theresa Walker of Lubbock and Glenda Whitley of Tahoka; four sisters, Norene Wyatt of Brownfield, Paulene Henderson of Whiteface, Ophelia Roberts of Amarillo and Marie Hedge of Shawnee, Okla.; and six grandchildren.

Pallbearers were Arlie McNeely, Martin Edwards, Jack Miller, Clinton Gandy, D.R. Adamson and Leslie Paris.

**Highways Deteriorating**

Some 812 miles of highways in the State Department of Highways and Public Transportation's Lubbock District Five, need rehabilitation, while an additional 1500 miles need reconstruction according to Lubbock District Engineer Ben Alley.

"We are faced with a highway system that is deteriorating faster than we can maintain and rebuild it," Alley said.

"Many of our highways are rapidly approaching, or have even exceeded, their design life," he added. "Our once great highway system is in trouble today. As a result of a severe decline in highway funding, coupled with inflated costs, our aging

highways have fallen into disrepair."

Alley pointed out that some 14,000 lane miles or 8 percent of the state's highways need rehabilitation each year and nearly 4,000 more lane miles need reconstruction.

**Express Mail Next Day Delivery Now Available**

The Tahoka Post Office now has an early mail out for Express Mail, Next Day Delivery. Letters, business documents, small parcels and packages not weighing more than 70 pounds may be mailed at 3:30 p.m. for a next day delivery. Another Express mail out after 3:30 p.m. is available but does not cover the area as the 3:30 service does.

**JERRY PAUL DAVIS DAVIS TO PERFORM IN "TEXAS"**

Jerry Paul Davis will perform as Thad Wright in this year's production of "Texas" in the Palo Duro Canyon State Park. He is a student at West Texas State University in Canyon.

Davis is the son of Mr. and Mrs. Lynn Davis of Odessa, grandson of Mrs. Carl Williams and nephew of Mr. and Mrs. Richard Williams and Mr. and Mrs. Shorty Williams, all of Tahoka.

**Blood Center Aids Community**

United Blood Services is a part of a system of 20 non-profit community blood centers which supply the blood needed by over 800 hospitals throughout the United States. The Lubbock center serves a 22 county area and 33 hospitals on the South Plains and Eastern New Mexico. Current requirements are approximately 2000 units of blood per month.

The community blood center collects blood either at the blood center at 415 Ave. R or at a mobile blood drive which may be set up in your community. Mobile drives may be arranged simply by calling the blood center, 763-0428. The mobile units are staffed by trained personnel and the necessary equipment is furnished.

## Area Group Back From British Isles

A group of 10 persons returned Sunday night from a 16-day tour of the British Isles sponsored by the Lynn County News and led by Dalton and Lenda Wood.

The group traveled with a British guide and Irish bus driver, with no other travelers on the bus, touring places in England, Wales, Ireland and Scotland.

It was cool and often drizzling, but overall the weather was cooperative and the group got really wet only once, while going

from the home of Sir Walter Scott at Abbotsford to the bus, where most had left their raincoats and hats.

The tour stayed in hotels in London, Bristol, Waterford, Killarney, Dublin, Chester, Edinburgh, Harrogate and Stratford-on-Avon. Overall, the bus traveled 1,637 miles. There was also ferry transportation and non-stop flights to and from London and Houston.

## PUBLIC NOTICE

Texas Electric Service Company, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of its intent to revise its Tariff for Electric Service in areas served by the company, effective July 14, 1983, or as soon thereafter as permitted by law.

The changes include a general rate increase and will result in a 16.1 percent increase in the adjusted gross revenue of the company.

A complete copy of the Tariff for Electric Service, as revised, is on file with the Public Utility Commission at Austin, Texas, and with each affected municipality. Copies also are available for inspection in each of the company's public business offices.

TEXAS ELECTRIC SERVICE COMPANY

## City-County Library News

By LENNIE COX

We have one more week left for our book sale, so if you would still like to buy some of the children's books like the ones we already have on our shelves, or old, old books, dating back to the early 1900s, then we would love for you to come in any day that we are open and browse around. You can buy any book for 25 cents that is on sale. Library hours are 8 a.m. to 5 p.m. Mondays and Wednesdays

and from 1 to 5 p.m. on Thursdays.

At the same time that we are selling books, we are getting in a lot of new ones. Just to name a few, which are non-fictional as well as fiction are the following: How to Trace Your Family History by Bill Linder; The Copperdust Hills by Richard Clarke; Life with Jackie by Irving Mansfield; Prize Stories—the O. Henry Awards 1983 by William Abrahams; I Remember Love by Mollie Hardwick; Christine by Stephen King; Overcoming Arthritis and Other

Rheumatic Diseases by Max Warmbrand; I Can Read Spanish by Penrose Colyer; How to Draw Comics by Stan Lee; Seven Keys to Texas by T.R. Fehrenbach; Dear Stranger by Catherine Kidwell and the Windhaven paperback books.

If we do not have the book that you want in our library, we can usually get it from Lubbock for you, so we hope you will avail yourself of the opportunity to read good books which cost you nothing except a trip to the library.

The major appliances in a lakefront cabin, travel trailer or Gulf Coast condominium may only be used a few weeks or months of the year. "When these appliances need repairs, some owners feel that four years of seasonal usage should constitute less than one year's worth of warranty coverage," says Nancy Granovsky, a fami-

ly resource management specialist. "But the manufacturers think differently," she adds. Consumers should be aware of what their appliance warranties cover and for how long. "Consumers should be especially aware that coverage is stated for a specific period of time and not how much you use the appliance," cautions Granovsky.

"Most consumers can save money by purchasing their own telephones," says Bonnie Piernot, a family resource management specialist. Consumers have had the option of buying their own phones since 1968. Although 25 million people acquired leased phones last year, only 5 million purchased them. One reason for the lack of purchases, says Piernot, is that few people realize they are paying rental fees on their phones. That cost is included in the monthly service charges and seldom listed as a separate item. "Consumers who do nothing more than buy a

## Free Clinics Available

Community Hospital in Lubbock will sponsor free clinics at the hospital, 5301 University Ave. Appointments must be made by calling 795-9301, extension 113.

Tuesday, June 21, from 1 to 3 p.m. a lung screening clinic will be held.

Tuesday, June 21, at 7 p.m. a lecture on Neurostimulation will be given by Dr. Baruch Rosen.

Wednesday, June 22, from 1 to 3 p.m. an EKG screening clinic will be held.

Blood pressure checks continue every Wednesday 1 to 3 p.m. in the lobby of Community Hospital. No reservations are required for this.

# 10 YEAR NO SWEAT WARRANTY

*If Air Conditioning doesn't have it here it probably doesn't have it.*

### Gas Air Conditioning Has It!

No other air conditioner has a warranty like a gas air conditioner because no other air conditioner is built like a gas air conditioner.

Gas air conditioning has fewer moving parts and no compressor to wear out or break down. This means less wear and tear and lower maintenance costs.

That's why gas air conditioning is so dependable and why it has a warranty that's twice as long as other types of units... a full 10 years!

Find out more about the air conditioning that's backed by the best warranty available. Call Energas today for a free cooling survey and cost estimate. There's no obligation.

**Remember, all air conditioning was not created equal. And we have the paper to prove it!**

Manufacturer's limited warranty covers all defects in materials and workmanship on the sealed refrigeration unit for ten years from the date of installation of the air conditioner when it is installed in a single family residence. All other parts are warranted for one year from date of installation.

## ENERGAS

*Your Future Is First*

Because it is first, we at First National Bank of Tahoka think choosing a bank is a very important decision. It is not a decision you make without some careful thought and evaluation, and in today's uncertain economic conditions, that is a good idea.

and secrets have in common? Well, it's still a secret to many riders that the safest and most effective way to learn to ride is through an approved motorcycle rider education course.

A rider education course teaches new riders about the motorcycle and how it operates, proper braking techniques, appropriate riding apparel, as well as basic riding techniques which are crucial for the novice rider.

The Motorcycle Safety Foundation offers a nationwide toll-free number, 800-441-7676, where interested riders can call for the phone number of the motorcycle course in their area. Delaware residents call collect, 302-429-8226.

If rider accidents are to decrease, everyone must get the secret out: motorcycle rider education is the best way to learn to ride.

### Cotton Today

**Cotton's Customers Counted:** Cotton has counted its customers again, and apparel, not surprisingly, leads the major end uses again. Traditional top-consuming men's and boy's trousers and shorts account for 706,000 bales.

These and other facts of fiber consumption -- and competition -- are presented in the 1983 edition of Cotton Counts Its Customers published by

the National Cotton Council. This year's edition reports revised data for 1980 and 1981, as well as preliminary 1982 information, on major textile end-use products made in this country.

Of the three major textile end-use categories, cotton's total consumption in 1982 was devoted 56 percent to apparel, 31 percent to home furnishings, and 13 percent to industrial uses.

Apparel's increased importance is shown by its growth from 1972's 47 percent of consumption to its 56 percent level in the 1982 tabulation.

Total textile consumption in America-produced items declined an estimated 10 percent in 1982. Because apparel generally tolerates recession better than many other goods, the Council's senior market analyst James Howell said, "It is not surprising that five of the top 10 cotton end use markets are apparel items."

He added, "The importance of knit fabrics to cotton also rose in 1982, accounting for 39 percent of the cotton consumed in apparel and 23 percent of total consumption. The year before, knits accounted for 37 percent of cotton consumed and 22 percent of total consumption."

### Parkinson's Disease and You

How To Adjust To Home Living

Some 90 percent of all people with Parkinson's disease—a disabling disorder of the central nervous system—are able to live at home with their families. Here are some tips to help make that adjustment more comfortable:

- Arrange the house to minimize the danger of falls. Remove loose scatter rugs and all doormats. Sharp pointed furniture should be moved so the patient will not stumble and be injured by it.

- The patient's motor problems allow only one function at a time. This calls for family understand-

### WILSON NEWS

### Letters to the Editor

Letters to the editor do not necessarily express the views of this newspaper. All correspondence must be signed, and in good taste before it will be published, and the name of the writer must be published also. Letters to the editor may not be more than two double-spaced typewritten pages.

Dear Editor,

Enclosed is a check for \$11 to renew our subscription to the Lynn County News. It's always good to get the "hometown paper" each week, it is like a long letter from home.

I am also sending you a clipping from "The Daily Record" from Lebanon, Missouri, published by Dalton Wright. I am

wondering if all "Dalton Ws" are editors or publishers. Who knows, you both may look alike, act alike and surely have much in common being in the newspaper business.

Our daughter, Phyllis Estep, lives in Lebanon and takes the "Daily Record," then after reading it, passes it on to us, so it is read and re-read many times. I don't know

anyone here in the "Ozarks of Missouri" to pass the "Lynn County News" on to, that has lived or is interested in Texas except our two children, wish I did, for Lynn County is such a nice place to be from. I still have a few relatives and family living there.

I am the former Leona Lewis from New Home and would enjoy hearing from anyone back there who cares to write me. I began school at New Home and went all my school years there in New Home, graduating from high school in 1944.

My name and address is as follows:

Mrs. Leona Estep  
Rt. 1, Box 106B  
Hartsville, Mo. 65667

### Department Of Water Resources Slates Hearings

The executive director of the Texas Dept. of Water Resources, Charles E. Nemir, will conduct eight public hearings to receive public comments from citizens, government officials, and interest groups and organizations on the Department's draft planning report, "Water for Texas: Planning for the Future." Hearings will begin Tuesday, June 21, in Longview, and end on July 26 in Baytown.

In addition to Longview and Baytown, regional hearings will be held in Dallas, June 28; McAllen, July 7; Lubbock, July 12; Abilene, July 14; El Paso, July 19 and Austin, July 21.

Interested citizens and public groups are urged to attend one or more of the hearings or submit written comments on the draft planning report.

By FRANCINE GREEN

The wind and sand can't keep our Thursday night scramble away-First place winners were H.B. McCord, Suetta Martin, Billy Davis and Nicky Summitt; second, Willis McNeil, Lynda Martin, Leta Warren and Bobby Stone; third, Lawrence Harvick, Joy Bragg, Novis Curry and Sam Ashcraft.

We have a point system this year and you get one point for just showing up. The person with the most points at the end of the season will win a trophy, so all of you who haven't come out yet still have a chance.

Don't forget the Member-Guest Tournament coming up June 24, 25, 26. Sign up at the proshop.

Come To The Rodeo!

If You Are Interested In Becoming A Part Of The Lynn County Chapter Of M.A.D.D. Mothers Against Drunk Driving Contact: Susan Duncan 998-4842

A common myth today is that Social Security is just a retirement program. And many people feel that if they were allowed to invest their Social Security taxes, they would have a much greater nest egg at retirement.

This view of Social Security is a narrow one. It overlooks several important facts:

Comprehensive package of protection--Social Security is much more than a retirement program. It also pays monthly disability and survivor checks to people of all ages. And Medicare health insurance is available to most people 65 or older, to many long-term disabled beneficiaries under 65, and insured workers and family members if they have permanent kidney failure.

Many dependents are eligible--Benefits can be paid to a wide range of dependents and survivors. And Social Security protection is earned quickly--as little as 18 months of work credits are needed for example, for surviving children to get checks.

Coverage moves with you--Today most jobs and self-employment are covered by Social Security.

### ASC News

Secretary of Agriculture John R. Block said it will be necessary to require wheat producers who do not have sufficient quantities of wheat pledged as price support loan collateral to meet their payment-in-kind requirements to obtain loans on their 1983 crop production.

Producers who have no 1983 crop wheat planted for harvest or who do not have sufficient wheat planted for harvest to meet their PIK requirements will receive payment-in-kind from other wheat in Commodity Credit Corporation inventory, he said.

Block said all producers who signed a contract to participate in the 1983 PIK program agreed to obtain a loan on their 1983 production for PIK purposes to satisfy program needs if required by CCC. USDA decided to exercise this option after determining there is an insufficient

quantity of wheat currently available to CCC to meet PIK needs.

CCC has developed special provisions to permit producers to use their 1983 wheat production for PIK purposes even though they do not have warehouse or on-farm storage available. Block said. The producer must certify to the local county office of USDA's Agricultural Stabilization and Conservation Service that the required quantity was harvested from an eligible farm and has not been sold prior to the certification.

The producer can obtain the loan, redeem the loan collateral and sell it to CCC. The producer then will be eligible to immediately receive the payment in-kind from CCC inventory. However, these producers will not receive the proceeds of the sale of the wheat to CCC until their PIK availability date.

Block said. Producers with eligible 1983 crop wheat stored in an approved structure on the farm or in a warehouse covered by a uniform grain storage agreement may receive a regular price support loan for the wheat and earn storage payments for up to five months beginning on the PIK availability date.

### Hockley County Senior Citizens Slate Tour

### SOUTHERN FARM BUREAU LIFE INSURANCE COMPANY

OFFERS A NEW SINGLE PREMIUM DEFERRED ANNUITY WITH LONG TERM INTEREST

CURRENT INTEREST RATE: 10 1/2% GUARANTEED INTEREST RATE: 3 1/2%  
MINIMUM PREMIUM - \$20,000

#### WITHDRAWAL FEATURES

Although there are surrender charges for the first 10 contract years (10% the first year graded down 1% per year through year 10), there are times when a surrender charge will not apply.

\*THE CURRENT INTEREST RATE IS GUARANTEED FOR ONE YEAR FROM DATE OF ISSUE. HOWEVER, SHOULD THE INTEREST RATE EVER FALL BELOW THE INITIAL INTEREST RATE CREDITED ON DATE OF ISSUE, YOU MAY WITHDRAW YOUR POLICY VALUE WITH NO SURRENDER CHARGE.

\*AFTER THE FIRST CONTRACT YEAR YOU MAY WITHDRAW UP TO 10% OF YOUR POLICY VALUE EACH YEAR WITH NO SURRENDER CHARGE.

\*ABSOLUTELY NO SURRENDER CHARGE 11th YEAR AND THEREAFTER.

#### DEFERRED ANNUITY VS. SAVINGS ACCOUNT

According to Company interpretation of the Internal Revenue Code, taxes must be paid each year on earnings in a traditional SAVINGS ACCOUNT even if they are not withdrawn. Taxes on the earnings in a DEFERRED ANNUITY are not payable until they are actually withdrawn.

The table below shows the interest rate you must earn in a traditional savings account just to EQUAL the dollars you could accumulate through Southern Farm Bureau Life's Deferred Annuity.

To equal accumulation of DEFERRED ANNUITY interest rate of:	30% Bracket	40% Bracket	50% Bracket
8%	11%	13%	16%
10%	14%	16%	20%
12%	17%	20%	24%

\*Interest rate for illustrative purposes only.

YOUR ANNUITY CAN PROVIDE YOU WITH GUARANTEED RETIREMENT INCOME FOR THE REST OF YOUR LIFE! CONTACT YOUR LOCAL FARM BUREAU OFFICE FOR MORE INFORMATION.

## A Visit With Your County Agent

By Stanley Young

### Dealing With Tomato Problems.

Tomatoes are the number one garden vegetable in Texas, but they also cause a lot of headaches for gardeners.

Stanley M. Young, county agent, reviews some of the common tomato problems, along with their

causes and cures:  
 \*Young plants dying soon after planting. This is often the result of fertilizer burn or damping off disease. Thoroughly mix fertilizer into soil and treat seed for diseases. Avoid overwatering.  
 \*Stunted, yellowing plants. Low soil fertility,

poor soil drainage, shallow or compacted soil, insects or diseases, and nematodes are among the causes. Fertilize and work the soil well and control insects and diseases.

\*Stunted, purple colored plants. Low temperatures and a lack of phosphorous cause this problem. Plant at recommended times to avoid temperature damage and add phosphorous fertilizer.

\*Spots, molds, and darkened areas on leaves and stems. These could be caused by many things. If a disease is present, identify it and spray or dust. If there is a chemical burn, use only the recommended chemical at the recommended rate. To avoid a fertilizer burn, keep fertilizer off plant leaves.

\*Wilting plants. Common causes are dry soil, overly wet soil, nematodes and diseases. Cures include watering, providing good drainage, and controlling diseases and nematodes.

\*Weak, spindly plants. Check for too much shade, too much water, plants too thick or too much nitrogen.

\*Failure to set fruit. Temperature extremes, too much nitrogen, insects and cloudy weather are some of the culprits. Plant at the recommended time, control pests and avoid excess fertilization.

\*Tomato leaf curl. Heavy pruning in hot weather as well and insects or diseases cause this problem.

\*Blossom-end rot. Low soil calcium and too much as well as not enough moisture are causes. Add calcium-containing material, water regularly and improve drainage.

\*Misshapen tomatoes or catfacing. Cool weather during blooming is the usual cause, so avoid planting too early.

\*Abnormal leaves and growth. 2-4-D weed killer and virus diseases could be at fault. Remove affected plants to prevent spreading diseases and use care with weed killers to avoid spray drift.

### Blossom-End Rot Common In Tomatoes.

It's virtually impossible to grow a crop of tomatoes without having to deal with blossom-end rot.

Blossom-end rot, which also affects a few other crops such as peppers and watermelons, is associated with a deficiency of calcium as well as excessive water loss.

Although blossom-end rot may occur anywhere on the fruit, it generally appears at the blossom end or bottom. It can occur at almost any time during the development of the fruit.

Blossom-end rot generally begins with the appearance of small, irregularly shaped, water soaked areas near the base of the fruit. The area darkens and eventually can become leathery, wrinkled and deteriorated.

Visual symptoms associated with blossom-end rot are often the result of a condition which may have occurred several days or even weeks prior to the symptoms. The disorder must be prevented, not just treated after it appears.

Blossom-end rot often occurs when plants suffer from water stress—either too much or not enough—or when drying winds increase water loss from the foliage.

Whenever these conditions occur, plants will lose more water to the atmosphere than they can absorb through the roots. This results in water loss from the plant and the fruit, resulting in a slight drying of the blossom end or the bottom of the fruit. As these cells die, a blackened area appears.

Maintaining uniform soil moisture will help prevent blossom-end rot.

Well-drained soil and a good mulching program will help keep the soil from becoming waterlogged while reducing loss of water available to the plant during dry periods. A uniform and consistent watering program is also important.

It's best to remove fruit damaged by blossom-end rot so top quality fruit can develop.

SHORTY'S BODY SHOP: Bottom row, David Cook, Chris Carter, Joey Barrientez, Steve Rangel. Top row, Albert Mendoza, Alvin Hatchett, Mike Morin, Tim Barrow. Coaches- Shorty Rangel and Andrew Chaps.

and Margaret Kutch, both of Lamesa; fourth, Mabel Gurley and Mildred LeMond.

### TUESDAY BRIDGE

The winners of Tuesday night bridge, June 7, were: First, Mildred LeMond and Auda Norman; second, Gertrude Lowe and Kathleen Barton, both of Brownfield; third, Carol Maule and Fern Leslie; fourth, Catherine Barham and Marjorie Peltier; fifth, Vivian Bryoles and Ruth McLaughlin, both of Lamesa.

### THS Cheerleaders Swimming Party Slated June 24

The THS varsity cheerleaders will host a swimming party Friday, June 24, from 7 to 11 p.m. Admission will be \$1 per person with homemade treats available.

The Veterans Administration has guaranteed its 11 millionth GI home loan. It went to a Vietnam veteran from Illinois. Since 1944, the program has been expanded to include manufactured homes and lots and grants for certain disabled veterans.
