Two THS Students In All-Region Band

Two Tahoka High School band students earned positions in the All-Region Band at auditions held in Shallowater last Saturday. Vince Caswell was selected in the trumpet section and Katie Hays was named for the second year in a row to the mallet percussion section. These students competed with students from 17 area schools for positions in the 96 member band. The All-Region Band will be heard in concert Jan. 28 in the Monterey High School Auditorium in Lubbock under the direction of Leslie Ross of Saginaw.

Jimmy B. Wright Is Candidate For County Attorney

Jimmy B. Wright, Lynn County Attorney, announced that he is a candidate for re-election to the office of County Attorney and made the following statement to the Lynn County News: "I appreciate the support that I have received from the citizens of Lynn County during my first term in office and I welcome the opportunity to continue to serve the citizens of this county. I would appreciate your support in the May Democratic Primary."

Sheriff Will Seek Re-Election

Sheriff Stanley Krause announced this week that he would be a candidate for re-election to that office which he has served for one term. "I do want to continue to serve the public and do the best I can for the residents of Lynn County, but I also want to say that I enjoy my job," Krause said. "Lynn County's rate of clearing crimes since I took office in January, 1981, has been 27 per cent above the national average," Krause added. "I will be grateful for any support I receive in the Democratic Primary in May."

ACE REID

Cartoonist Ace Reid To Be C-C Speaker

Famed Cowboy Cartoonist Ace Reid of Kerrville will be principal speaker at the annual banquet of Tahoka Chamber of Commerce March 6 in the Tahoka High School cafeteria. Tickets to the banquet, priced at \$7 per plate, are now being sold by chamber of commerce board members and through the C-C office, located in the Wharton Building on Main St., phone 998-4761.

Reid has long been renowned for his drawings of worn-out cowboys and beat-up pickup trucks. He has customers in several foreign countries and recently sold his first set of cartoons to a publication in Australia.

His cartoons appear each week in the Lynn County News in the advertisements of the Wilson State Bank. He does his work in his studio which straddles a spring-fed creek about five miles northwest of Kerrville. Reid grew up in Wichita County in North Texas, where his folks had operated a ranch since 1912. He started drawing cartoons who now is Jake for the Navy during World War II. After Reid got out of the service, "I put a hat on him and let his whiskers grow. And he's still in a jam."

Reid later began drawing cartoons

for a living, working for the West Texas Livestock Weekly and later for the Houston Harte, publisher and founder of the San Angelo Standard Times. Cowpokes is now published in 500 magazines and newspapers around the world.

Krueger Visits Tahoka, Gets Short Endorsement

U.S. Senate candidate Bob Krueger was in Tahoka and Lubbock Friday to speak to the Texas Farmers Union Convention and to receive the endorsement of former state Sen. E.L. Short of Tahoka.

Krueger made preservation of the family farm the cornerstone of his four-part agricultural policy which he said could rectify "the tragic economic burdens placed on today's farmers and better utilize our nation's productive capacity."

Krueger's plan included a call for government policies "that would provide full parity for the American farmer and a loan program for all commodities that meets the cost of production." After the Lubbock speech, Krueger and Short embarked on a

five-city tour of Short's old state senate district, with stops in Tahoka, Lamesa, Andrews, Seminole and Brownfield. At each stop, Short outlined the reasons why he supports the New Braunfels Democrat in his bid for the U.S. Senate.

"Bob Krueger is the person for the job," Short said, "his image internationally, nationally and of course state-wide makes him the most qualified candidate in the race." Short also praised Krueger's record on issues of importance "to people like me -- farmers and small businessmen."

Burglars Do Reruns On Two Businesses

Two businesses which have been burglarized recently in Lynn County were burglarized again last week. One was Grassland Butane and the other was, ho hum, the New Home Phillips 66 Station.

The Tuesday night, Jan. 10, burglary of the station in New Home was the seventh time it had been burglarized in a year. Taken this time were 65 cartons of cigarettes, 30 cans of Copenhagen and Skoal. With damage to a door, the loss was estimated at \$615.

Grassland Butane was burglarized Sunday, with tools valued at more than \$400 stolen. Included were some Thorsen brand wrenches and Schrade-Walden knives, plus other tools.

On Friday sheriff's deputies arrested a 26-year-old Post woman who was charged with theft by taking the purse of Mrs. Robert Mock, Rt. 2, Post, on Dec. 29. The women remained in jail this week in lieu of \$2,500 bond set by County Judge

J.F. Brandon.

In jail during the week also was one person for driving while intoxicated.

Thefts At School

Tahoka I.S.D. reported to police on Monday that a Mexican male, approximately 5'11" with gray hair on the sides had walked into an unattended classroom at Tubb Elementary and had stolen a ladies wallet. The man was noticed by two school secretaries just before noon hanging around inside the school and the man had also reportedly stolen a wallet from North Elementary.

The secretaries chased the man outside of the school grounds, but he got away and drove off. One wallet was later recovered by Tahoka police. The articles in it were all recovered except the money--less than ten dollars. The other wallet not recovered belongs to Annette Masek Ellison of Lubbock. It contained several credit cards and her personal checkbook.

Wade Tire Co., at 1229 Lockwood, was burglarized during the past weekend. Four tires were reportedly missing and two large

plate glass windows were broken out on the north side of the building where entry was made.

One Tahoka resident reported to police on Sunday that he saw three or four white high school age boys attempting to steal his firewood.

Accidents Listed

Police investigated several accidents during the past week due to severe weather conditions including one accident on Sunday morning at the intersection of N. 6th and Ave. L that involved a 1979 Chevrolet pickup driven by William Roger Warren of Tahoka and a 1979 Pontiac 4-door driven by Wilton Payne of Tahoka. No injuries were reported.

Also on Tuesday, a 1982 Toyota driven by Helen M. Sawyer of Ontario, Canada was involved in an accident with Eva Lynn Anchondo, of Tahoka, driver of a 1982 Ford. No injuries were reported.

Police also investigated several family disturbance calls during the past week and also issued one ticket for no driver's license and one ticket for driving on the wrong side of the road.

WOODWORK

BY DALTON

CLEANING out one of the drawers in my filing cabinet the other day I came across an envelope marked "newspaper clippings" and sure enough, that's what was in it. But I don't know where they came from, and some of the clippings were a bit puzzling.

For example, there was a clipping, not dated, from some unknown newspaper, about the decommissioning of the Navy destroyer tender USS Everglades.

There's a clipping about Cathy Wilson, a Petersburg High School senior, about how she was a cheerleader and basketball superstar. An attached note said she was the granddaughter of Mr. and Mrs. M.L. Thomas of Grassland, so I can understand that one. I also know Cathy; she coached Slaton girls to a couple of state basketball championships when we lived there, and later she coached the Wayland College Flying Queens.

The longest clipping, and a very interesting one, was of a column printed in the Lamesa Daily Reporter on Feb. 21, 1954, by a

Ben Moore Sr. The column referred to the late Jodie Nevill, who was the father of Everton Nevill of Tahoka. Mostly it was about things which happened in the early 1900s in Lynn County, for example:

"The Tahoka telephone exchange was located in the upper story of the town's first little drugstore, located about the middle of the present street, before its opening, due north of the court house. The building and drugs were owned and operated by the late Dr. S.H. Windham, who was shot to death by one of his hands, suddenly gone berserk at the Windham ranch, northwest of Lamesa, some years ago."

There was a lot more, too long to reprint here, but we may reprint it inside the paper sometime soon, because many older readers will recognize the names and incidents from those recollections.

SOMEONE SAID recently that computers are getting more like people all the time: "They say they can do everything but think."

Chamber Hears BBB Official

"You just don't get something for nothing, and often you may get nothing for something," Allen Bligh of the Lubbock Better Business Bureau told Tahoka Chamber of Commerce members and guests at the quarterly meeting Tuesday noon in First Methodist Church.

Bligh told the crowd of about 55 persons about some common scams being used in this area to cheat people out of their money. He mentioned insurance and home improvement frauds as common, and recommended that people always check at home first, so they'll know who they are dealing with.

"It's not true that items brought in larger towns are always better deals than you can get right in your own town" he commented. He touched on telephone solicitations, fraudulent or misleading advertising, and junk-mail pitches.

Never make out a check to an individual and never pay cash unless you get a receipt, he warned. He also said a person should never pay for a job before it is finished. "If they say they need some money before the job is finished, beware."

Bligh was introduced by John Krey, C-C President Charlie Louder presided. The meal was furnished by the Tahoka Chamberettes.

School Board Extends Pact of Superintendent

Trustees of the Tahoka Independent School District last Thursday night voted to extend the contract of Supt. Jim Coulston for two more years, took no action on a request for a policy change in penalties for student use of alcohol and drugs and voted to continue to tax vehicles in

1984. Coulston's contract was extended through 1986 at state base plus \$11,4000 per year.

Parents of some of the five young men who drew three-day suspensions last year for drinking prior to a basketball game were present

Thursday to request the change considered too harsh for first offenders. They had requested that a change in the rules be made retroactive but the board took no action on the matter.

All board members were present as were all administrators. Student Council President Kimberly McMillian and SC representatives Patricia Davis and Cloey Chancy presented information on a new Student Council project called smile, which concerns alcohol and drug abuse. The board adopted a resolution commending the council for its action.

Business manager Loretta Tekell reported a balance in all funds totaling \$603,920 on Dec. 31. She also said tax collections on that date totaled \$483,032 and were 62.6 per cent complete. At the same time the previous year, collections were at 40.5 per cent. Public Schools Week was set for March 5-9.

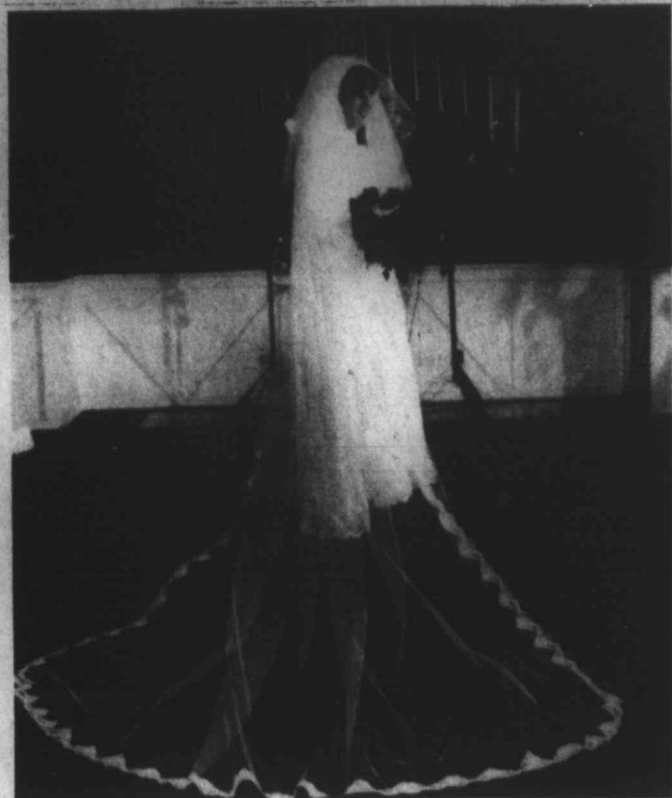

It was noted that filing date for the April 7 school trustee election would be from Feb. 6 through March 7.

It was voted to change the February meeting date to Feb. 14. Also discussed were a farmer's software demonstration scheduled Jan. 30 and computer demonstrations on Feb. 9.

Approved as substitute teachers were Mrs. Jacky Henry, Carroll Rhodes and Starlynn Knox Ribble.

CHAMBER OF COMMERCE SPEAKER--Allen Bligh, left, with the Lubbock Better Business Bureau, was guest speaker at the Chamber's quarterly meeting Tuesday. Shown with Bligh is George McCracken, a chamber director. (LYNN COUNTY NEWS PHOTO)

MRS. CARLTON HARVICK nee Carolyn Ball

Carolyn Ball - Carlton Harvick Exchange Wedding Vows

Carolyn Minyon Ball and Carlton Joe Harvick exchanged double ring vows at 1:30 p.m. Dec. 17 in the Grand Ave. Baptist Church in Gainsville with Dr. Ralph Hogue and Rev. Varl Ball officiating. Parents of the couple are Rev. and Mrs. Varl Ball of Preston, Missouri and Mr. and Mrs. Joe E. Harvick of Gainsville, formerly of Tahoka. The bride, given in marriage by her father, wore a white gown featuring a fitted bodice of English net with a high neckline, leg-o-mutton sleeves of Alençon lace. The A-line taffeta skirt was overlaid with Alençon lace motifs.

Her cathedral length veil was made for her by Phillis Aston of sheer bridal illusion. She carried a bouquet of red roses. Maid of honor was Joyce Lynn Turner of Sedalia, Mo. Matron of honor was Martha Means of Fort Worth. Bridesmaids were Kyle Ball of Springfield, Crisly Harvick of Gainsville, sister-in-law of the groom. They wore off-shoulder burgandy colored dresses and carried two long-stemmed white roses. Best man was Eugene Brown of Tahoka. Groomsmen were Mike Outlaw of College Station, Kent

Harvick and Kevin Harvick, both of Gainsville, brothers of the groom. Candelighters were Tony Ball, brother of the bride, and Clint Rhodes. Charlene Anderson, pianist, accompanied Bob Matthews of Fort Worth, soloist, and Jeanne Wheeler of Denton and Cheryl Clavin of Dallas, who sang a duet. Ushers were Tony Ball and Clint Rhodes. Kandy Rhodes registered the guests.

A reception was held in the fellowship hall of the church following the ceremony. Assisting with the reception was Sharon Roberts of Fort Worth and Kandy Rhodes of Gainsville.

The bride is a graduate of Hermitage High School and received a Bachelors Degree from Southwestern Baptist College and a Masters Degree from Southwestern Baptist Theological Seminary in Fort Worth. She is presently employed at Sears in Fort Worth. The groom is a graduate of Tahoka High School and Texas A&M University. He is employed by Maddox Power Equipment in Carrollton. The couple will reside in Fort Worth.

Letter to The Editor

Dear Editor:

We enjoy the Lynn County News very much, it is one of the means we keep up with the people and happenings in Lynn County.

I almost memorize each week's paper and I read with great sorrow of the passing of old friends. I had known Frank Hill since he first came to Lynn County, and always admired him as a man and a friend. Bos. Edwards was a first cousin and Lenora Street was my first school teacher, she boarded in our home and became a member of our family through love and appreciation.

I have worked in several states but never found an area where the people were as friendly and nice as the South Plains and eastern New Mexico.

Keep the Lynn County News coming!

Sincerely,
G.W. Hickerson

Burial was in Tahoka Cemetery.

She died at 4 a.m. Wednesday at West Texas Hospital after an illness.

The Stonewall County native married J.B. Walker in 1904 in Aspermont. They moved to Tahoka in 1905 and to Lubbock in 1937. He died in 1961.

She was a member of First Baptist Church in Lubbock.

Survivors include two sons, Clint of Tahoka and Neill of Lovington, N.M.; two daughters, Mary Flee-ner of New Braunfels and Polly Smith of Concord, N.H.; 19 grandchildren and a great-grandson. Grandsons will be pallbearers.

CANNED FOODS THAT FROZE ARE SAFE

A decrease in quality or texture may be noticeable in canned foods which were stored in garages or sheds during December's freezing temperatures, says Dr. Alice Hunt, a foods and nutrition specialist. If you haven't already, check stored foods now for broken seals and cracks in jars or bulging cans, she says. These foods will not be safe to eat and should be discarded. Rust formed from condensation on the outside of cans poses no danger, says Hunt, although you may want to wipe up any remaining moisture to prevent further rusting.

The first traffic light in the U.S. was installed in Cleveland, Ohio, at the intersection of Euclid Ave. and E. 10th St., on August 5, 1914.

Scanning Social Security

By BOOTH H. ROBBINS

Several recent changes in Social Security are effective in January 1984. You should be aware of what they are.

***Benefit increase**—If you receive Social Security or supplemental security income (SSI) benefits, your monthly payments will increase 3.5 percent effective with the January check. The maximum Social Security retirement benefit generally payable is now \$734 a month for a person 65 in 1983. And the maximum Federal SSI payment is \$314 for an individual and \$472 for a couple.

***Payroll tax increase**—If you are an employee, the Social Security tax rate you pay this year will be the same as in 1983—6.7 percent, even though your employer will pay 7 percent. This is because of a one-time 0.3 percent tax credit you will get.

***Self-employment tax increase**—If you are self-employed, your Social Security tax rate for 1984 will be 100 percent of the combined employee-employer rate (14 percent), rather than at a rate that was roughly 70 percent of the total. But you will receive a self-employment tax credit of 2.7 percent of your self-employment income for 1984 (as well as a 1.3 percent credit for 1985, and a 2.0 percent credit for 1986-89).

***Coverage for Federal and nonprofit organization employees**—If you are newly hired by the Federal Government in 1984 or later, or if you work for a nonprofit organization, you are covered by Social Security. And if you are a nonprofit employee 55 or older first covered in 1984, you will need fewer work credits than normal to be insured for retirement or survivors benefits.

***Improvements for disabled widow (er)s**—If you are a disabled widow or widower who started getting checks on your deceased spouse's Social Security record before age 60, your payments may be slightly increased in January (in addition to the regular benefit increase).

And if you remarry, your benefits can continue. (This provision also applies to divorced surviving spouses.)

***Taxation of benefits**—If you get Social Security benefits and have substantial other income in addition to your benefits, up to one-half of the benefits may be subject to Federal income tax starting with 1984. Only about one in ten people are affected by this provision.

For more information about these changes, contact any Social Security Office. If you need more

specific guidance concerning possible taxation of benefits, get in touch with the Internal Revenue Service.

WINTER SKIN SURVIVAL

Cold temperatures, harsh winds and overheated buildings can rob skin of the moisture that keeps it smooth and healthy. To avoid rough, dry skin, here's some winter-proofing advice to keep in mind.

Prevention of moisture loss begins with the cleansing process, which when done properly can help retain the skin's natural protective oils. Many dermatologists recommend washing with a mild, moisturizing cleanser such as DOVE Beauty Bar to keep skin looking and feeling its best.

SPOTLIGHT ON BUSINESS: McCord's Has Served Area Many Years

JEANNE AND H.B. MC CORD

Tahoka Chamber of Commerce sponsors a program of recognition of business people in the city who are Chamber members. Periodically, a story written by a Lynn County News staff member will spotlight a new or established business or person. Sixth of a series puts the spotlight on McCord Motor Co.

BY DEAN BARTLEY

McCord Oil Co., located at 1716 North Main, joins the rank of only a few businesses in Tahoka which have the distinction of serving area patrons for more than 50 years.

"Our business was 52 years old last March," stated H.B. McCord Jr.

"My dad, H.B. Sr. (better known as Bascom) and my mother, Estelle, opened the Phillips Wholesale and Retail oil business on the northeast corner of the Brownfield Highway and main street (presently Bains' Army Surplus) March 31, 1931. Five years later he moved the business across the highway south where it remained for 42 years; however the garage at the east end was added in 1946 and the show room to the south in 1956."

After being in the wholesale and retail oil business for seven years the Pontiac car dealership was added, bringing into existence another entity, the McCord Motor Co. The Pontiac emblem has been a constant trademark throughout the years.

Joins Air Force

H.B. stated, "I graduated from Tahoka High School in 1945, attended Texas A&M for one year, then joined the U.S. Air Force where I served for three years. During this time I met Jeanne Powell in St. Louis and we were married on Christmas Eve in 1949. We came back to

Tahoka and in 1951 I graduated from Texas Tech with a Business Management Degree. At that time I became a steady partner in the business."

In 1955 the McCord Motor Co. started selling boats and Evinrude boat motors. This was during the time Lake Thomas, near Snyder, was built but after the water level of the lake dropped and its popularity declined, that part of the business was discontinued.

The business remained much the same for the next several years. After the death of his father, in 1972, H.B. has managed the business with the help of Jeanne who became a "full time" partner.

Moved In 1978

On June 1, 1978, they purchased the Wharton Motor Co. and moved to the present location. They assumed the Buick, Oldsmobile and GMC truck dealerships to add to their current Pontiac dealership. McCord might easily boast about the experience his employees have. Mary Teaff has been secretary and bookkeeper over 38 years. Other employees have accumulated as many as 15-40 years experience before and during employment for McCord Motor.

The number of persons employed are: sales, four; service department, five; "make ready" department on new and used cars, two; and parts, two.

While maintaining his business, H.B. has performed many services for the community. He served as Mayor Pro-Tem and as city councilman for 16 years; Lynn County Polio Chairman, 9 years; Chamber of Commerce director and president, First Baptist Church trustee, Rotary president; Little League president; Scoutmaster for Boy Scouts,

Distribution Points For Emergency Food Assistance Listed

Distribution points for the Emergency Food Assistance Program were released recently. Points for Tahoka are: First Methodist Church for all living west of Ave. J and North of Lockwood; St. Jude Catholic Church- S. 4th and Ave. M; Community Action Center; Senior Citizens Center for people 60 years and older.

New Home residents will go to the City Hall. Wilson residents may go to the City Hall.

The home of Stella Pierce will be the distribution point in Draw.

In O'Donnell the points are St. Pius X Catholic Church, the O'Donnell Clinic or the Senior Citizens Center, for people 60 years or older.

Dates and times for distribution will be announced later. Each family must pick up their own allotment.

Anyone with questions should call the Texas Dept. of Human Resources in Tahoka, 998-4552.

NEWS OF SAFETY

A recent survey revealed some cold facts about cold weather accidents. The typical ones involve an ice-covered walkway where someone has made an ineffective attempt at removing ice by chopping it up and shoveling it away. These accidents were serious enough, 85 percent of the time, to result in broken bones or other injuries requiring hospital visits.

Fortunately, there are steps you can take to take the slip out of your steps.

The basics, according to the National Safety Council, involve clearing steps, walks and driveways of snow. After shoveling, don't attempt to chop up the thin undercoating of ice. This does not completely eliminate the hazards; rather, use a fast-acting de-icing agent.

The agent considered most effective is calcium chloride pellets. Used by highway road crews for more than 40 years, calcium chloride pellets will break an ice bond in approximately half the time it takes the

same amount of rock salt. At temperatures below

People are less likely to slip on icy walks if calcium chloride pellets are used.

20°F, calcium chloride reacts in minutes, while rock salt is virtually ineffective. Calcium chloride pellets are available under a variety of brand names.

If you do find yourself walking on an icy area, take short steps, with your knees bent, your weight towards the ball of your foot and with your hands at waist level, your arms slightly forward. If you feel yourself falling, bend your knees, tuck your arms close to your body and try to slide after you hit the ground rather than falling flat.

COTTON TODAY

Agriculture Research Lagging: "In many respects, our public agriculture system is going through a mid-life crisis," Rep. George E. Brown Jr., (D-Calif.), a member of the House Agriculture Committee, warned at the recent Beltwide Cotton Production - mechanization conference in Atlanta.

"A very basic question is now on the minds of many people -- how can scientific progress be stimulated and most efficiently harnessed for the benefit of farmers and ranchers, the natural environment, and consumers? This is a key question, and I assure you that no one has yet convincingly staked a claim to the answer," Brown added.

William B. Dunvant Jr., Memphis, Tenn., chairman of Dunavant Enterprises, and Richard H. Courtney, Bank of America, voiced economic optimism during the meeting. Dunavant said the future for U.S. cotton producers is much brighter than at anytime in the last 30 months. He predicted an increase in cotton exports due to dependability of

the U.S. as a supplier. Courtney said the economic recovery will continue in 1984 with agriculture benefitting from improved demand, although "real high interest rates will continue to have a pervasive effect on the economy."

More than a thousand cotton industry leaders, researchers, extension workers, and private and company representatives registered for four-day research and educational meeting. It was sponsored by the National Cotton Council in cooperation with other groups.

RICKY WILLIAMS IS NEW MEMBER OF ANGUS ASSN.

Ricky Don Williams of Tahoka is a new junior member of the American Angus Assn. according to Dick Spader, executive vice-president of the national organization.

Junior members of the association are eligible to register cattle in the American Angus Assn. and take part in Association sponsored shows and other national and regional events.

A Visit With Your County Agent

By Stanley Young

SPD Program Offers Farmers Help On Decision

Information to help crop and livestock producers in Lynn County reduce costs and plan for profit in 1984 will be presented during the annual meeting of the South Plains Development Program, Jan. 24, in Lubbock.

"It's more vital than ever that our farmers have the latest information on economic conditions affecting agriculture," Stanley M. Young, County Extension Agent, said. "This day-long program will bring them up to date on the economic outlook, national farm policies and programs, and export prospects, as well as give them specific information to help make production decisions for cotton, feed grains and livestock."

The program will begin at 9:15 a.m. at the KoKo Palace, 50th St. at Ave. Q in Lubbock. A registration fee of \$7.50 will include lunch.

Young said leading agricultural economists and commodity specialists with the Texas Agricultural Extension Service will present the program.

Dr. Carl G. Anderson, economist and cotton marketing specialist from College Station, will analyze the current economic situation and its implications for South Plains producers. National policies and the 1984 farm program will be examined by Dr. Mickey Paggi, economist and specialist in marketing, from College Station.

Those attending the meeting will receive information sheets which will help them incorporate the 1984 federal farm program into their own operation.

The current situation, outlook and implications for producers of cotton, feed grains and livestock also will be explained.

A panel of bankers, farmers and Extension specialists will discuss whether South Plains producers should plant fencerow to fencerow in 1984.

"This program will provide timely information needed not only by farmers, but by agribusiness firms and anyone involved in agriculture," the county agent said. He urged anyone interested in attending to advise his office this week so meal arrangement can be made.

The SPC program is a coordinated regional effort of individuals, associations, businesses and agencies to promote economic development in agriculture and improved family life in 21 counties. It is sponsored by the Extension Service, working through county Extension program building committees and special SPC task forces which identify educational needs and coordinates education activities.

Tax News

The State Property Tax Board (SPTB) reminds those who move mobile homes, both within the state and from out of state, that they are required to report all mobile home moves to the county appraisal districts in Texas in which the moves take place.

The reports are used to place mobile homes on the property tax rolls of local taxing jurisdictions. According to SPTB data, 285,743 mobile homes were on the tax rolls in 1982, with an appraised value of \$2,530,290,904.

Requirements for reporting movement of mobile homes are spelled out in the Texas Property Tax Code in Chapter 21. The law requires that any person moving a mobile home in Texas file a report of the movement and pay a \$10 filing fee.

Mobile home movers are liable for a penalty of up to \$200 for knowingly failing or refusing to report the movement of a mobile home.

The report and filing fee must be turned in to the chief appraiser of the county appraisal district in which the move begins, as well as to the chief appraiser of the district in which the move ends.

If the move originates out of state, the report and filing fee must be turned in to the chief appraiser of the district in which the move ends. The report must be filed before the day on which the move begins.

Filing fees are deposited in the general funds of the counties. Some mobile home transporters based outside the state may face a delay in shipment if held up until a report can be

Baked Goods To Be Included In Stock Show

The Lynn County Stock Show will be held Jan. 25-28 at the stock show barn in Tahoka. Again this year there will be a baked goods division. Any boy or girl regularly enrolled as a Lynn County 4-H member, FFA or FHA Chapter member and supervised by County Agents, Agricultural or Home Economics teachers is eligible to enter. The entrant must be 9 and under 19 years of age as of Jan. 27, 1983 and enrolled

in public school but not already completed secondary education.

The baked goods division will be held Friday, Jan. 27, but all entry cards and entry fees must be brought to the County Agent's office in Tahoka on Monday, Jan. 23, by 5 p.m.

The baked goods must be brought to the show barn on Friday, Jan. 27, between 11:30 and 1 p.m. Judging will begin at 1:30 p.m. and goods will be available for public viewing at 3 p.m. After the barrow show, the baked goods will go on sale. The money received will go to the organization from which the participant entered. Winners will receive awards and prize money.

There are five categories to enter: cakes, pies, cookies, yeast bread, and quick breads. Entry fee is \$1 per entry.

For more rules and information call the County Agent's office, 998-4650 or Nancy Franklin, 645-8436.

BABY DAY OBSERVED AT FIRST BAPTIST—Dedication Service was a part of the morning worship hour last Sunday at Tahoka First Baptist Church. The dedication time was for the parents of recent "newborns" of the congregation with seven couples participating. Each baby was presented a New Testament and both parents and congregation responded to the pastor's challenge toward a proper rearing of the children. A ladies quartet sang "Jesus Lover of the Children." Those participating in the service were: Top photo, (l to r), Ted, Laura and Kyle Grier Wiley; Mark, Charlsie and Brandi Lane' Tekell; Math, Linda and Kalah Rene' Bartley and Eddie, Alecia and Brandon Reid Hancock. NEW HOME FFA NEWS
The New Home Community Stock Show will be held Jan. 20-21. Judging begins at 10 a.m. Saturday, Jan. 21. Concession by the New Home FFA.

Jean Ray and Peggy Morrow drove to Ardmore, Okla. last weekend to take Jean's mother, Mrs. Fuller, home.

Mrs. Sharee Nettles was the honoree at a pink and blue shower Saturday afternoon, Jan. 14, in the home of Judy Fillingim. Hostesses were G.G. Fillingim, Teresa Armes, Judy Fillingim, Georgia Clem, Fernie Fillingim and Shelia Fillingim. Hostess gift was a stroller. Pink and blue thumb print cookies, cake and punch were served.

The car occupied by Robert and Donna White of Meadow was in collision with a pickup driven

by Chano Bustamante of New Home Thursday afternoon. Mrs. White was taken by ambulance to Methodist Hospital for treatment. The couple were coming to New Home to see their daughter, Leslie, play basketball in the junior high game between Meadow and New Home.

Mrs. Craig Ewing was taken to the emergency room in Methodist Hospital Sunday afternoon for treatment of a virus. Two-year-old Heather is also ill with the virus.

Winston's sisters, Jo Spikes and Olive King of Lubbock visited with us Sunday afternoon.

Ray Van and Lana Banks of Springlake spent the weekend here with her parents, Mr. and Mrs. Freddie Kieth and family.

Gary May of Idalou is in ICU Methodist Hospital.

He was injured Friday in an accident with his saddle horse.

Mrs. Loyd Nunley and Mrs. V. P. Haley visited with their children and grandchildren Jan. 5-10. Thelma visited Benny, Kay and John Loyd in San Antonio and Havah was with Cindy, Vic and Holly in Austin.

Mr. and Mrs. Leroy Nettles went to Eastland Saturday, Jan. 7, and spent the night with her brother Preston McWhorter, and family. Going on to Austin they stayed several days with Von, Ken and Britt.

Ann and Wayland Walton and their grandchildren, Kathy and Richard Hanks of Snyder, were here with us Saturday morning.

Mrs. Inez Estrada was re-admitted to West Texas Hospital Jan. 4 for treatment and possibly surgery. She is in room 336.

Mr. and Mrs. Sonny Hitt returned home Sunday after two weeks in Para-

dise Point at Lake Buchanan visiting relatives and friends.

Dorothy and Sheree Bruton and Vonna and Tonna Walker were in Lubbock Sunday for summer market for the Lady Bug.

New Mexico, SPS Eye Pipeline Using CO2

New Mexico Governor Toney Anaya has announced a joint study by the State of New Mexico, Southwestern Public Service Company (SPS) and Perma Resources Corp. on the technical feasibility and the social and economic impacts of a coal-slurry pipeline using a liquid carbon dioxide (CO2).

The study will examine a possible pipeline from the coal regions of Raton, N.M., to a planned SPS power plant northeast of Lubbock, said Gov. Anaya.

Perma is involved in the acquisition of Kaiser Steel Corp., which holds over 600 million tons of coal reserves near Raton, and Perma owns coal reserves in southern Colorado.

"A barrier to the development of Raton coal is the lack of economical transportation," Anaya said. "If this problem cannot be solved, SPS will be forced to turn to coal sources in southern Colorado. The system would be the first ever to use CO2. Existing pipelines in other parts of the nation transport a slurry of powdered coal and water. The water then is separated from the coal at the end of the pipeline.

Normally a gas, CO2 becomes a liquid under pressure. It is plentiful in underground reserves in New Mexico. It is in demand by oil companies, which pump it into wells to force up more oil than otherwise would be recovered.

Area Men In Service

Marie L. Cardona, daughter of Anthony T. Devito of Paramus, N.J. has been promoted in the U.S. Army to the rank of staff sergeant. Cardona is a personnel specialist in Alexandria, VA, with the U.S. Army Military Personnel Center. Her husband, Army Sgt. 1st Class Paul V. Cardona Jr., is the son of Paul and Susie V. Cardona of Route 2, O'Donnell.

Defects enables the March of Dimes to fight against birth defects, which strike more than 250,000 babies each year, according to Mrs. Childress. These funds are spent in Region X for support of the Medical Service Grants, Medical Research Grants, Professional and Public Health Education and Community Service projects, she says.

Stuco Update
 BY SHAWN STOTTS

Tahoka Student Council was elected TASC District V secretary treasurer at the District Convention held Jan. 4 at South Plains College. Other newly elected schools are Lubbock- Monterey, president; Denver City, vice president; and Abernathy parliamentarian. Any school in District V, regardless of size, can campaign for an office.

The Council has designated Jan. 30 through Feb. 3 as Alcohol Awareness Week. This is a State TASC project labeled Student-Myth and Information Learning Experiences (SMILE). Projects, including a symposium of special speakers, are being formulated at this time.

The penny collection for the Christmas projects brought a total of \$198.74. This money was put to use by buying clothes for eight children in three families. Other Christmas projects also were successfully concluded, including Toys for Tots, can goods drive, and the donation of turkeys to the senior citizens. The senior citizens invited the Council to eat with them at their Thanksgiving dinner.

Student of the Week
 During the month of November several students were recognized as Students of the Week. They were selected by the Student Council.

Sarah Garcia, senior, was recognized for her personality and her friendly attitude toward other students.

Carlene Murray was chosen for her cooperation with her teachers in class. She is a junior.

Doug Lawson, sophomore, was selected for his outgoing attitude in school.

Cody Smith was elected for his hard work in class. Cody is in the seventh grade.

BRING BACK THE CHALLENGE.

Sometimes what you miss most from your service experience is the challenge to your physical and mental ability. A good way to renew that is in the Army Reserve, one weekend a month (usually two 8-hour days) and two weeks summer training a year. For instance, an E-5 with four years experience can earn \$1,922 a year to start. Accept the challenge. Call your Army Reserve representatives in the Yellow Pages under "Recruiting".

CAKE MIXES VARY IN COST AND CALORIES. Not all cake mixes are created equal in cost or calories, says a Texas A&M University Agricultural Extension Service foods and nutrition specialist. The addition of extra eggs and oil to some mixes increases the calories as well as the cost of the cake. The specialist suggests that consumers make it a habit to read the labels on mixes, since nutritional differences among cakes are surprisingly large. The fat content of various cake mixes ranges from four to fourteen grams for one twelfth of the cake; the calories from 180 to 300 per slice; and the sodium from 270 to 375 milligrams per slice. In general, angel food cake and white cake mixes, made without egg yolks, are lower in fat and calories, and cake mixes that require additional oil or shortening are higher. The good news for chocolate lovers is that chocolate cake mixes are not significantly higher in fat or calories than other flavors.

CARD OF THANKS

We wish to thank everyone for the kindness, help and concern at the death of our loved one; for the prayers, flowers, memorials, food and cards. Also for all the prayers and concern during her illness. We deeply appreciate these kindnesses.
The Family of Gertrude Murray 3-1tc

I want to take this means to thank everyone who did so much for me during my 5 week stay in the hospital. Words cannot express how much I appreciate the farmers who stripped my cotton, shredded my stalks, saw after my cattle and those that offered to do anything they could to help. I want to say thanks also for cards, flowers, phone calls, visits and prayers.
May God bless each of you.
