COTTON TIME--This cotton east of Tahoka is typical of fields throughout the county as bolls are opening--slowly, say farmers. Gins were operating in the county this week, and harvesting is underway, although most growers were hoping for a few more days of warm dry weather before a killing freeze. (LYNN COUNTY NEWS PHOTO)

Lynn County Backs Victors

Residents of Lynn County mostly voted for the candidates who won in states and national races Tuesday, going for Republican candidates in the presidential and U.S. Senate races, but voting Democratic in the state senate race, where John Montford carried the county over challenger Sol Thomas by 2075 to 459.

A good turnout of 2665 votes

was recorded in the county, with the Reagan-Bush ticket getting 1,617 votes to 1,009 for Mondale-Ferraro.

Phil Gramm, a Democrat turned Republican, carried Lynn County also as he won the U.S. Senate seat over Democrat Lloyd Doggett statewide. In Lynn County he had a small margin of 1446 to 1167 for Doggett.

In all the other contested statewide races on the Lynn County ballot, residents of the county voted for the Democratic candidates.

The county voted for all amendments on the ballot except No. 6, relating to insurance contracts, and No. 8, to allow higher daily pay for legislators.

County officials elected without opposition on the ballot, all Democrats, were County Atty. Jimmy Wright, Sheriff Stanley Krause, Tax Collector George McCracken, Pct. 1 Commissioner Eldon Gattis, Pct. 3 Commissioner Bart Anderson, and J.T. Miller, elected to the unexpired term as commissioner of Pct. 4.

County vote totals on all races, excluding the amendments are listed on page 8.

Terry Sholer Is Millionaire Winner

Terry Sholer of Tahoka was the winner of the "Millionaire For A Day Contest" sponsored by Tahoka Chamberettes, receiving a check for \$250, which is the approximate amount of one day's interest from a million dollars.

Sholer purchased a Lynn County Millionaire Game which made him eligible for the drawing held Wednesday, Oct. 31. The contest was a promotion for the Millionaire Game, which is played similar to the rules of Monopoly. The board game features Tahoka and Lynn County merchants and is still available for purchase from several merchants or any Chamberette.

Two Burglaries Are Spotlights

Two burglaries of homes in the county were reported last week, and Crime Line is offering \$300 rewards for information on either of them.

The home of Ricky Yowell, 1810 14th St. in Wilson was burglarized between 6 p.m. and 10:20 p.m. Tuesday, Oct. 30, with a Radio Shack TRS-80 color computer II and an RCA 21-inch color TV stolen, plus some clothing items.

The home of Sam Vega, 9 miles west and a mile north of Tahoka, was burglarized between 9 a.m. and 5:20 p.m. Saturday, and four shotguns were stolen.

Tahoka police received more "heavy breathing" calls that several women reported they received during Monday afternoon.

THS Band Wins Excellent Rating

The Tahoka High School Band has competed in two marching contests this season. The first, Tech Marching Festival, was a huge success. The band captured the "runner-up trophy in the all-around competition with a rating of excellent.

At the U.I.L. contest, they were given a Division II, which is also defined as excellent.

WOODWORK

BY DALTON

SOMETIMES we are inclined to think that the whole world is going crazy, with the weirdos slowly taking over.

The assassination of Indira Gandhi recently and the bloodbath that followed are good examples. After the murder by a couple of people called Sikhs (actually you can call anyone who does that sort of thing a sick), thousands of Sikhs in that country were killed by people enraged over the assassination.

We can understand the rage, but not the murders of people who didn't do it.

Anyway, this assassination and the acts of terrorism we read about daily in various parts of the world--kidnappings, murders and mobs burning things--are all barometers of a sick society in which people are turning to violence anytime someone disagrees with them, especially politically.

Hecklers of political speakers are in the same category, although they aren't quite so violent. What they're saying when they disrupt a political speech is that "we don't agree with you, and we don't think anyone else has a right to hear what you are saying." This is entirely wrong. Any political speaker has the right to be heard by the curious and by his supporters, and those who don't agree should simply stay away. The people who tried to shout down talks by Mondale, Ferraro, Bush and Reagan all should have been thrown in jail.

Actually, I guess the entire world isn't sick; maybe just a third. Another third is the good people. The final third of the world is under construction. We decided that on a recent trip which included several large cities and several major highways. Everywhere you drive in the world, you gotta try to go between yellow

barrels without knocking them down.

"REBATE: R-e-b-a-t-e," spelled the boy.

"That's correct," said the teacher. "What does it mean?"

"That's when you have to put a new worm on the hook for your sister."

...
KNOTHOLES: I detest the Washington Redskins, but I do sort of admire John Riggins. He's over 35 and still plenty tough, and I like what he said when they mentioned to him he now is fifth on the all-time rushing list in the NFL: "They don't give any medals for fifth place."... Santa Claus will come to Tahoka along with the moonlight sale by local businesses on Nov. 30... And next year's Tahoka Chamber of Commerce speaker will be Dirk West, but we're not going to announce that just yet... The local temperature and weather critter on our TV said Monday night that the high for the day was 137 and the low had been 40 below zero. No wonder so many people have colds.

Remodeling Of City Hall Is Considered

Preliminary sketches of floor plans and elevations for possible

remodeling of city hall were viewed by Tahoka City Council members Monday night.

Architect Dean Rogers presented drawings of the project, which would convert the present fire truck area to a public meeting room, and give the council a larger meeting room. The remodeling would be done only if and when a new fire department building is constructed.

Two representatives of General Telephone Company appeared before the council. Spokesman O.J. Hearn of Brownfield told the group that plans for expansion of the Tahoka office system which had been announced earlier now have been deferred. He explained that it would be more feasible to construct a new computerized, electronic system in Tahoka than to expand present facilities. He also mentioned that the Wilson office would be converted ahead of the Tahoka office.

Telephone company officials blamed the recent deregulation of telephone systems for the changes in plans.

All city council members were present, plus Mayor Meldon Leslie and City Manager Carl Reynolds.

Also discussed were a problem involving placement of a mobile home in the city and a change in designation of a tax collector for the city. Dovie Miller was appointed tax collector, although actual payment of city taxes still will be at the city hall.

Farm Photo In Magazine Is Identified

A photograph taken of a Lynn County farm, showing a John Deere tractor and a few out-buildings and a windmill in the background and published in the September issue of National Geographic has been identified as having been taken on the Lyndol Askew farm four miles west of O'Donnell on the Lynn-Dawson County line.

Askew said he had heard someone mention several weeks ago that a Lynn County farm picture had been published in the National Geographic, but had not seen a copy and had no idea the farm was his own.

He said he discovered the picture in the September copy of NG which he was looking at in a doctor's office in Lovington, N.M. Saturday.

Askew said he never had been contacted by the magazine staff and they took the picture without his knowing it, "probably in March of 1983, since the tractor has a treflan rig on it, and 1983 was the last time we used that tractor for that purpose."

The color photograph, as excellent as all National Geographic photos, shows the tractor surrounded by sand after a wind-storm, and was used in connection with an article on soil.

Askew said he was writing the magazine to see if he can obtain copies of the photograph.

Julie Patterson - Michael James Aten Exchange Wedding Vows in Grassland

Julie Delin Patterson and Michael James Aten were united in marriage Saturday, Oct. 30, at Grassland Community Church of the Nazarene with Rev. Bob Ferguson, pastor, assisted by Rev. Tom Moore, officiating the double ring ceremony.

Parents of the couple are Mr. and Mrs. Joe Patterson of Tahoka and Mr. and Mrs. James Aten of Grassland.

Presented in marriage by her father, the bride wore a gown of white silk organza lavishly trimmed in Chantilly lace. The Queen Anne neckline featured a stand-up ruffle of silk organza. The bodice was styled with an empire waistline and was overlaid with appliques of the Chantilly lace and seed pearls.

The full sleeves were of Chantilly lace ending in fitted cuffs and narrow ruffles of organza. The full skirt featured rows of Chantilly lace and ruffled organza which formed a cascade in

the back and swept into a full chapel train.

To complete her ensemble, the bride wore a fingertip veil of illusion. The cap, covered in Chantilly lace, was adorned with clusters of seed pearls. A silk flower with pearl loops accented one side of the cap. The double layer of illusion was finished with an edge of matching Chantilly lace.

The bride carried a cascading arrangement of blue rose buds and miniature carnations accented with baby's breath and lily of the valley and streamers of blue lace and white satin ribbon.

Cara Monk of Tahoka was maid of honor. Bridesmaids were Deanna Stanley of Grassland and Tracy Draper of Tahoka.

The bride's attendants wore formal length gowns of polyester satin, each a different shade of blue.

Jennifer Patterson, sister of the bride, was flower girl.

Serving the groom as best man was Wayne Crotwell of Tahoka. Groomsmen were Gary Carter of Odessa and Joe Don Nevill of Tahoka.

Candlelighters were Joe Dell Patterson and Jim Patterson, brothers of the bride.

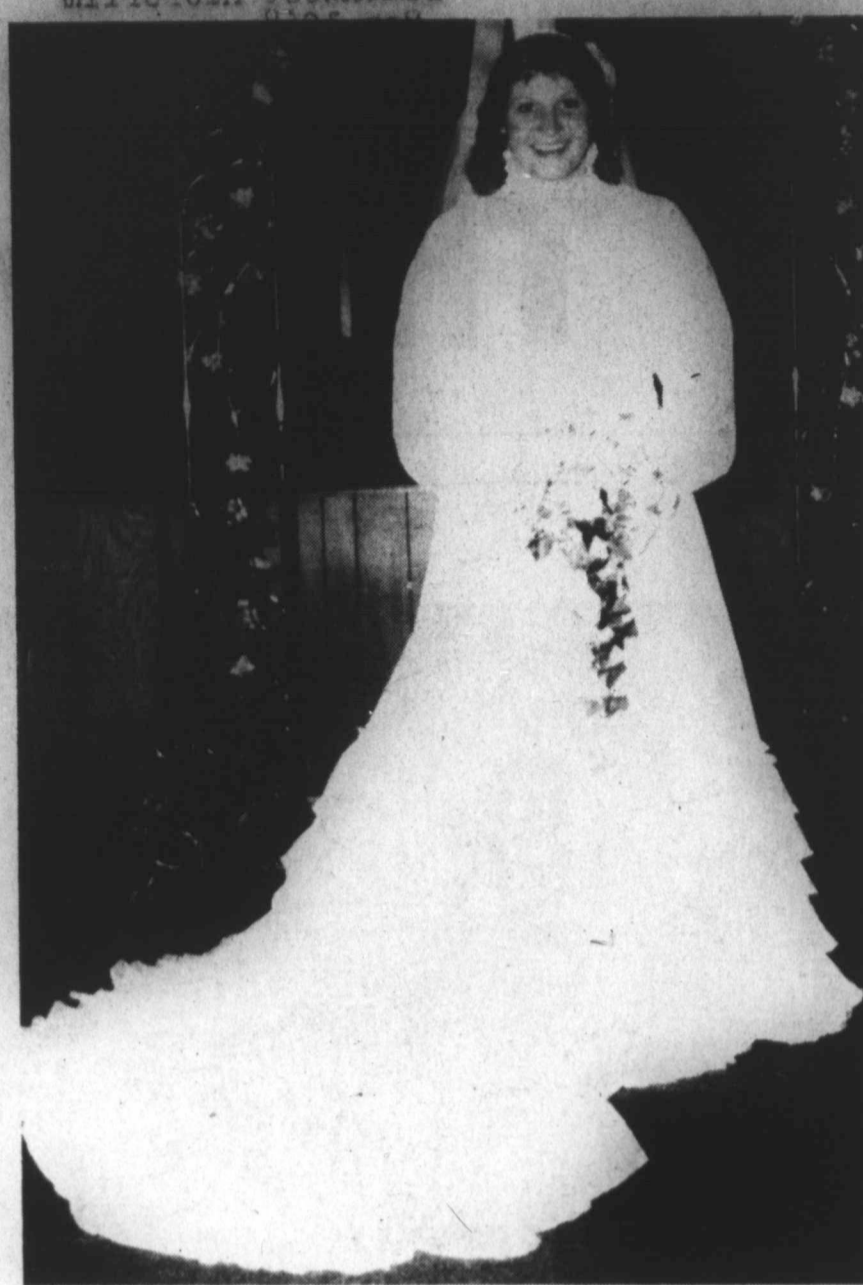

Ushers were Bill Aten, cousin of the groom, and Joe Dell Patterson and Jim Patterson, brothers of the bride.

Traditional wedding music was played by Mrs. Jane Terry of Graham.

Brenda McCleskey of Grassland and Joe Dell Patterson sang "My Treasure" and Lee Ann Hodges of Post sang "Our Love In Christ."

Following the ceremony a reception was held in the Graham Community Center.

The couple will live near Grassland.

Diana Riojas Is New Care Center Administrator

Diana Riojas, formerly Activity Director of the Tahoka Care Center, 1829 South 7th, became the administrator on Sept. 1. She assumed duties after the retirement of Lois Bishop who had been administrator for more than eight years. Mrs. Bishop had trained Diane, who completed the Texas State Department of Human Resources required course to become a licensed administrator two years ago. She is still continuing her formal college education through South Plains College and has completed the necessary internship and continuing education seminars to stay current with the standards, techniques, and needs for caring for persons at the Tahoka Care Center.

Patricia Childress replaced Diane as the Director of Activities in September and is coordinating the activities available to the residents. She expresses the center's deep appreciation for all the volunteers who have made their time and talents available.

The Tahoka Care Center provides a sensitive, concerned staff with many years of experience working together to the benefit of its residents. The center diligently adheres to the strict standards applied by the Texas State Department of Human Resources and the Texas State Department of Health.

The Tahoka Care Center has always been locally owned and is leased for operating to M.S.C. Associates, Lubbock, Texas, a non-profit foundation. For the past several months, extensive refurbishments have been done. All residents rooms have been redecorated, new drapes acquired, new cabinets installed in kitchen, heating units replaced, new storage facilities acquired, improvements completed in smoke detection and fire alarm systems, closed circuit TV system installed for monitoring residents halls, and a new telephone system installed.

The center presently has a few spaces available for those who wish to have and need personal and interested care. Diane and her staff invite inquiries concerning their services and invite visits. She will continue to administer the Tahoka Care Center in the same conscientious and excellent fashion that Lois Bishop established and maintained.

HI THERE--This lovely lady was one of the attractions at the Halloween Carnival in Keltner Hotel last Wednesday. We're not sure of her identity, but we think she sells seed and feed.

WILSON NEWS

BY MARGRET CRISPIN

The "Red Letter Edition", a Christian musical group, will present a musical program Saturday, Nov. 10, at 6 p.m. at St. John's Lutheran Church sponsored by the Luther League. The evening will close with fellowship and refreshments. Everyone is invited to attend.

The Wilson Volunteer Fire Department will sponsor their annual Turkey Dinner on Dec. 9 in the Wilson School Cafeteria. Serving hours will be 11:30 a.m.

to 1:30 p.m. Adult admission will be \$4 and children under 12, \$2.

In a meeting Monday night, firemen expressed their appreciation to the Wilson Lions Club, who donated \$500 to the department toward the purchase of air packs, which cost approximately \$513 each. More donations are needed and can be accepted by the City Secretary, or any member of the fire department. The air pack allows the firemen to breathe in smoke-

filled areas.

Kathy Burns, 8, of Floydada, spent the weekend in Wilson with her grandmother, Mrs. Hazel Walker.

Michael Shipley of Snyder, is spending the week visiting his grandmother, Mrs. Curtis Monk.

Mr. and Mrs. James Lee and family of Loraine, and Mr. and Mrs. Charles Whisner of Artesia, spent the weekend visiting with Mrs. Lorain Crowson and family.

Mrs. Alpha Rhoads is a patient in Slaton Mercy Hospital.

Edgar Ahrens has been a patient at Lubbock Methodist Hospital where he underwent surgery last week.

Newman Bartley is recuperating at his home from a broken arm suffered a few weeks ago.

Mrs. Fannie Ballentine has been hospitalized for a week at Lubbock Methodist Hospital where she has been undergoing treatment.

The Mustang Booster Club meets each Tuesday night at 7:30 p.m. in the school cafeteria. Everyone is invited to attend the meetings.

The first basketball scrimmage is scheduled for Nov. 12, when the high school girls meet Smyer Regular basketball schedule begins Nov. 19, as WHS meets Wellman there, followed WHS at Tahoka on Nov. 20. Four games are scheduled each night, but boys' games will not be played if the WHS football team is in the playoff games.

Mr. and Mrs. Mitch Bartley, Ashley and Beth spent Thursday night with Mr. and Mrs. Ray Crispin and Jayson.

The Wilson FHA sponsored a hayride and trick or treat party for the community children on Halloween night with 36 children attending. Ray and Barbara Ehlers furnished the pickup and trailer.

Thanks to all the residents of Wilson for the treats for the kids.

Football Is A Family Affair In Wilson

Wilson's football team this year can be labeled a family affair for a number of reasons--how about 20? There are a total of 20 relatives playing on Wilson's football teams. Some think figuring out soap operas are confusing, just try sorting out the relatives that walk on the gridiron in a Mustang uniform.

Arnold Hernandez is a cousin to Johnny Guzman, who is a cousin to Michael Guzman who is a brother to Lupe Guzman. Then Brandon Wright has big brother Bryan Wright. Scott Gatzki and Mike Gatzki are a brother combination while Ruben Villarreal and Robert Villarreal are cousins. The Burtchs, Chris and Mark are brothers while Paul Ehlers, Craig Wuen-sche, and Brent Breiger are all cousins. The Bednarz boys, Bryan, Justin, and Jeffrey are all brothers, however, the Vacas, Adam and Abram are identical twins.

All in all there are six sets of brothers and eight sets of cousins. A person might conclude that for some people football runs in their blood.

Eagles Blank Wilson To Gain Title Share

Defense again was the key for the O'Donnell Eagles last Friday as Coach Odis Summers' high fliers shut out Wilson 12-0 to give O'Donnell a cinch for a tie for the District 7-A North Zone championship.

The Eagles, now 3-0 in league play and 6-2 for the season, can win the title outright this week by beating Klondike, but even a loss might not keep them out of the playoffs.

If Klondike, now 2-1 in district, should beat O'Donnell, and if Wilson, 2-1, should beat Ropesville, then Klondike, Wilson and O'Donnell would wind up in a three-way tie for the district, since Wilson beat Klondike earlier. This probably would mean a coin flip to decide which two teams get into the playoffs.

If O'Donnell and Wilson both win Friday, then Wilson will claim the second playoff spot. If Klondike wins and Wilson loses, the Mustangs would be out of it.

If O'Donnell wins district outright, they will get another shot at Forsan, one of the two teams to beat the Eagles this season. Forsan won 20-6 early this year in a non-district game.

O'Donnell's win over Wilson Friday guaranteed the Eagles a share of the championship, the first time in 46 years for O'Donnell, which last won district in football in 1938.

O'Donnell scored on the first play of the second quarter when Quarterback Kyle Summers faked a handoff to tailback Jay Edwards, then kept the ball and ran 22 yards for a touchdown.

Wilson end Adam Vaca blocked David Olvera's extra point attempt.

The scoring drive featured a 27-yard pass from Summers to Bruce Allaire.

Both Wilson and O'Donnell threatened to score in the second quarter, but turnovers hurt both teams.

In the third period, Edwards escaped on a 47-yard touchdown run from scrimmage. A running try for two points failed.

For Wilson, Greg Spears completed 8 of 23 passes for 73 yards, and Mark Burtch caught four of them for 32.

Edwards gained 104 yards in 20 carries for the Eagles, and Summers had 49 in just 4 carries.

On defense for O'Donnell, 175-pound senior defensive end Jerry Miller had a top game with 11 tackles, seven of them unassisted and intercepted one pass. Defensive tackle Mitch Pearce, a 6-1 senior weighing 295 pounds, was in on 6 tackles and recovered a fumble. Kenneth Burns, the other defensive end, had 5 tackles, 4 of them unassisted.

Former County Resident Invents Litter-Getter

A litter retrieving machine now being marketed by a Dallas company is the invention of a former Wilson area resident, Joe Moore.

Moore, who now lives in Abilene, is the son of T.F. "Tom" Moore, who for about four years farmed and rented the H.B. Crosby place four miles west of Wilson and a mile east of Wayside. Moore said his parents, Tom and Ella Moore, reared 18 children, including three sets of twins; "I am one of the middle set," he added.

The litter retrieving machine, called Roadrunner, was invented by Moore in 1974. He said he has spent 10 years perfecting it. "This machine has an operating speed of 7 miles per hour and will pick up anything that it can run over."

The machine weighs 7,000 pounds. Bottles, boxes, cans, cups, tire rubber and other solid waste materials are wedged between finger-like prongs, then scraped off by specially designed rake assembly. Bulk litter is picked up by a drum assembly, and the litter basket can be hydraulically dumped into a litter truck or at a landfill.

FARM ECONOMY IN BAD SHAPE--Texas' farm economy has gone downhill steadily in the past few years, and farmers have found themselves in the worst economic squeeze since the Great Depression, says an economist with the Texas Agricultural Extension Service, Texas A&M University System. The adjusted farm income for inflation nationwide in 1983 was

the lowest since the bleak years of 1932-33. Net farm income in Texas this year will be only about half of what it was in 1979. This financial dilemma stems largely from depressed crop and livestock prices, steady increases in costs, adverse weather conditions and high real interest rates that increase costs and strengthen the dollar against foreign currencies.

AG FINANCE SEMINARS--Four seminars on agricultural financing are slated for different locations in Texas in the coming weeks. Sessions on "Agricultural Financing Planning for 1985" will be Nov. 13 at the Coliseum in Snyder, Nov. 14 at the Hilton Inn in Amarillo, Nov. 28 at Navarro Junior College in Corsicana and Dec. 5 at the Silver Wings Ballroom in El Campo. Discussions will deal with the outlook for various commodities, the 1985 farm bill merchandising credit, computers in agriculture and the annual tax checkup.

it is actually unsafe to drink, she says. But microwave heating of pasteurized milk when it is eight to eleven days old reduces the bacteria which cause the off-taste. Because microwave heating uses fairly low temperatures, the milk is not left with a "boiled taste. Most importantly, microwave heating does not destroy any of the important nutrients in milk either, she emphasizes.

The temperature of the earth's interior increases by one degree every 60 feet down.

SOYBEAN PRICES UNDER PRESSURE--A large soybean crop across the United States plus an increase in world oilseed production will keep soybean prices under pressure in the months ahead, notes an economist with the Texas Agricultural Extension Service, Texas A&M University System. Nationwide, the soybean crop stands at 68 million acres, up 30 percent from last year. The Texas crop is pegged at 450,000 acres, down 10,000 acres from 1983. World soybean production will be up 17 percent from a year ago while total oilseed production is expected to increase 13 percent. Farmers should see an average price for beans between \$5.75 and \$6.50 per bushel.

PEANUT YIELDS DOWN BUT MARKET GOOD--Texas peanut growers planted a larger crop this year, but yields will likely be down due to the season-long drought. Nationally, peanut acreage also is up 10 percent, indicating a strong contract market for additional peanuts (those produced in addition to the government's quota system), notes an economist with the Texas Agricultural Extension Service, Texas A&M University System. Contracts had to be signed by last April 1 and most were for more than \$400 per ton. More peanuts also were planted outside of the government allotment program for export only. Both exports and domestic food use of peanuts should increase in the year ahead.

MICROWAVE HEATING EXTENDS MILK FRESHNESS--Consumers can use their microwave ovens to restore fresh taste to week-old milk without affecting its nutritional value, says a food and nutrition specialist. Researchers at Cornell University have tested microwave heating as a way to kill the souring bacteria that develop in milk, reports Dr. Dymple Cooksey. Their tests show that a two-minute treatment at 2450 MHz reduces the bacteria in a cup of 10-day old milk to the level present in fresh milk. Milk may develop an off-flavor long before

Morton Game Last Chance For Dogs

The Tahoka Bulldogs have just one last chance this week to salvage something from a disastrous season, and to do it, they will have to play the entire game the way they sometimes play for a quarter or a half. The Dogs have some talent but have never played a full game without the fumbles, interceptions, penalties and mental breakdowns on defense that keep them from winning.

Last week the Bulldogs played very well for most of the game, and had a good chance to beat Shallowater right up to the middle of the last quarter, but finally went down 27-14 in the ninth loss of the season.

This week, the task is even tougher, as playoff-bound Morton, 7-2 for the year, brings a speedy team to Tahoka for the final regular-season game. Last week Morton lost by a couple of touchdowns to Seagraves in the district showdown, but the Indians have second place cinched.

Shallowater scored in the first quarter last Friday after recovering a fumbled punt at the Tahoka 21. Fabian Revilla ran 3 yards for a TD two plays after the recovery, and QB Greg Cowart kicked the point.

Still in the first quarter, Tahoka punt returner Johnny Morin fumbled another punt and Shallowater recovered at the Tahoka 9. The Bulldogs put up a stiff defense, however, and the Mustangs had to settle for a 26-yard field goal by Cowart,

which made it 10-0 at the end of the first.

In the second quarter, Tahoka put together a good drive, featuring successive passes of 15 and 12 yards from QB Trey Teaff to Halfback Jerry Alvarado. This paid off in a touchdown by Daron Norwood, who struggled across from a yard out on fourth down. Morin kicked the point, and Tahoka was behind 10-7 midway of the second quarter.

Shallowater had 12 men on the field when Norwood scored and also on the next play, the extra point kick, but the officials never noticed.

Cowart kicked another field goal, this one 32 yards, for Shallowater to make it 13-7, then drove for a touchdown, Revilla scoring from the one, just before halftime, to make it 20-7 in the middle of the game.

Tahoka got another drive going in the third period after Norwood intercepted a pass, with a 19-yard run by Norwood sparking the drive. Morin scored on a 7-yard run, and then kicked the point to make it 20-14, which was how the third period ended.

Cowart put the game away for the Mustangs with a 35-yard touchdown run midway of the fourth quarter.

Alvarado led Bulldog runners with 57 yards on 14 carries; Morin had 49 on 13 carries, and Norwood 33 on 9 trips.

On defense, senior end Vince

Caswell had his best game yet, leading all tacklers and playing aggressively, including one tackle of a Shallowater runner for a 10-yard loss. Randy Taylor, Andrew Chapa, Sean Todd and Kevin Bailey also did well.

Discovery Toys Demonstration Is Planned

A demonstration of Discovery Toys will be held at the home of Jerri Beth McKibben, 2316 N. 3rd tonight (Thursday), Nov. 8 at 7 p.m.

Profits from the special demonstration will be donated to the Jaime Newsom Fund.

Discovery Toys is an educational service that helps people find toys and games to stimulate, challenge and enhance the growth of a child.

Turkeywalk Scheduled Saturday

Area walkers are expected to participate in the Turkeywalk event in Tahoka Saturday, with participants hoping to raise public awareness about the benefits of walking while raising funds to benefit the American Heart Association in Texas.

Event participants walk as many miles as they want. Prior to the event they recruit sponsors who make pledges based on the number of miles the participant completes. After the event participants collect the pledges to turn in to a local American Heart Association representative.

"The Lynn County division of the Heart Association urges everyone to take part in this worthwhile project," said chairman Linda Tyler. Anyone wanting to take part or make a pledge in support of a Turkeywalk participant is urged to call 998-4511 or 998-4084 or come to the Mini-Park on Saturday from 10 a.m. to 2 p.m.

Free Exercise Class Begins

A exercise class will be held at the First United Methodist Church Fellowship Hall beginning Friday, Nov. 9. The classes will be held each Tuesday and Friday mornings from 9:30 to 10:30.

A nursery will be provided at a nominal fee. For more information call 998-5172.

GAMMILL AND MURPHY

Gammill And Murphy Will Entertain at 5th Quarter

Immediately following the Tahoka/Morton football game Friday night, the widely acclaimed singing duo of Gammill and Murphy will entertain at the Fifth Quarter Fellowship at First Baptist Church in Tahoka. All high school and junior high students are invited to come, eat and listen.

Bill Gammill and Russ Murphy, both of Lubbock, have sung together for the past three and one-half years, during which time they have averaged performing 150-200 times per year and traveled 50,000 miles per year. They have sung overseas twice and are scheduled to go back to Italy in June of 1985. Gammill and Murphy have recorded one album, "Starting From Scratch" and their second one will be released this spring. Their music covers a wide variety that will appeal to youth, from junior high to college age.

In addition to their own concerts, Gammill and Murphy have appeared with Tim Shep-

pard, David Meese, The Cruse Family, Wayne Watson, Carman, Bob Lilly, Roger Staubach, Dawson McAllister and many more.

According to Carroll Rhodes, Minister of Music and Youth at First Baptist, this will be the "best" fifth quarter held this year.

New Home Wins Again, 54-14

The New Home Leopards tumbled Midland Christian 54-14 Saturday night in a six-man football game which brought the New Home record up to 5 wins and 2 losses for the season.

Robert Poer caught four passes for 131 yards, including three touchdowns, two from Kyle James and one from Lloyd Caballero. Jimmy Wyatt scored on runs of 35 and 20 yards and Danny Ibarra ran 41 yards to score.

Pesticide Rules Hearing Planned

The Texas Dept. of Agriculture has scheduled hearings on controversial proposals for pesticide regulations in the state, Lynn County Farm Bureau President Leland White said this week. The hearings will be at the Civic Center in Lubbock on Nov. 15, 2 p.m.

The proposals announced Oct. 19 by the TDA were attacked last week as "unreasonable and unworkable" by S.M. True of Plainview, president of the Texas Farm Bureau.

White urged all interested persons to attend the hearings in Lubbock Nov. 15.

One of the most misused words in the language is the word "love."

Post Art Guild will sponsor a

A HOUSEHOLD

INTERNATIONAL COMPANY

LUBBOCK, Friday, November 2, 1984

Plains Cotton Growers, Inc. of Lubbock October 31 joined a host of other organizations and individuals denouncing new pesticide application regulations proposed by the Texas Department of Agriculture.

The occasion was a two-day hearing in Austin of the Texas House Committee on Agriculture and Livestock. While the committee itself took no formal position for or against the proposal, committee chairman Robert Saunders of La Grange and several committee members were among the most vocal critics of what they deemed improper procedures followed by TDA in writing the controversial regulations.

The regulations set up notification, field posting, re-entry period and protective clothing standards designed to protect farm workers and the general public from "unreasonable risk to human health."

PCG, which had been active in trying to get changes in the regulations prior to their announcement, filed a statement with the committee declaring the proposed rules "at best ill-conceived and premature." The 50-man PCG board adopted a strong resolution against the regulations as now written at a meeting October 24.

"They (the regulations) have been written without the scientific data necessary to demonstrate either a need for them or that their adoption will accomplish

their stated objective," the PCG statement said.

Moreover, PCG continued, "only a token effort if any effort has been made to avoid the obvious potential for harassment of agricultural producers and the disruption of the state's agricultural economy."

Another PCG objection contended that no real attempt was made to eliminate the vagueness of language and conflicts with labeling requirements and/or pending federal regulations, "both of which virtually assure the confusion of all concerned and eventually the involvement of the courts."

PCG requested the committee's help in preventing adoption of the regulations, and failing that, in getting the rules rescinded in the next session of the Texas Legislature.

At the conclusion of the hearings, Chairman Saunders said "I think we have shown some changes should be made" and announced his intention to appoint a committee of people "who really know what the situation is" to work with Agriculture Commissioner Jim Hightower's office.

TDA has announced a public hearing to be held at the Lubbock Memorial Civic Center at 2:00 p.m. November 15. TDA hearings are also scheduled in Austin and San Juan.

THS Students In Upward Bound Program

Fourteen Tahoka High School juniors recently applied to the Texas Tech Upward Bound program according to Miss Molly Helmlinger, Counselor.

The Texas Tech Upward Bound program consists of two major components: the academic year program and the summer residential program. During both components, students receive academic instruction, tutoring and counseling services, and may participate in a variety of social and cultural activities.

The academic year program consists of 24-27 academic sessions held on the Tech campus. These meetings are scheduled on Saturdays from 9 a.m. to 12:30 p.m. Instruction is provided in mathematics, reading and writing skills, and in skills which enhance personal development.

The summer program provides an opportunity for enrolled students to live in Texas Tech residence halls for one summer session (6 weeks). These students must be enrolled in Texas Tech as freshmen and may earn up to six hours of college credit during the summer program. Juniors in high school attend academic classes taught by Upward Bound instructors.

THS juniors that applied to Project Upward Bound were: James Aldous, Janet Anderson, Jeff Forsythe, Scott Isbell, Tadd Knight, Doug Lawson, David Perez, Kirk Pierce, David Raindl, Shannon Simpson, Christy Smith, Connie Spruiell, Trey Teaff, Patricia Zuniga.

Cotton Harvesting Remains Slow

High Plains skies cleared last weekend. Harvesting resumed where sandy soils dried quickly. High humidity and heavy dew restricted most harvesting to afternoon hours, according to Mack Bennett, Area Director for USDA's Marketing Services Office at Lubbock.

Growers sold some early ginnings during down time. Small mixed lots of mostly grades 21, 42 and 52, staples 30-32, mike 35-49 sold at around 900 to 1,275 points over 1984 Commodity Credit loan rates. Trading remained slow due to the light amount available, Bennett said.

Rains and threats of rain in the Mississippi Delta states pushed prices upward for the short supplies available across the entire cotton belt.

Gins paid growers \$85 to \$110 per ton for cottonseed, mostly \$90.

USDA's Marketing Service Office at Lubbock classed 6,5000 samples during the week ended Nov. 1. This brought the seasons total to 21,300 and compares with 58,000 classed by the same date last year.

Predominant grades during the week were grade 41 at 12 percent followed by grade 42 at 39 percent and grade 52 at 19 percent. About one percent was reduced one grade because of prep and 8 percent for bark.

The week's predominant staples were staple 32 at 23 per-

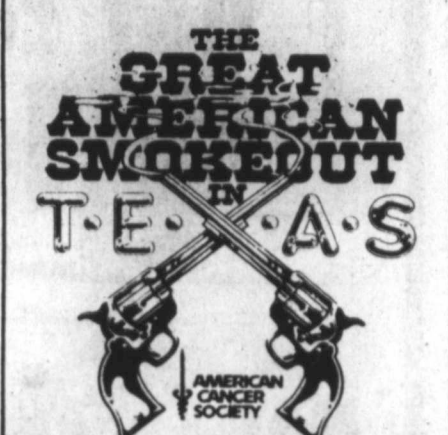

cent, staple 33 was 24 percent, staple 34 was 23 percent. The week's average staple length was 32.9 thirty-seconds of an inch.

Mike 35-49 amounted to 44 percent, 33-34 was 19 percent, 30-32 accounted for 21 percent while 27-29 was 12 percent. The average was 34 for the week.

Tutorial Program Changes Times

The tutorial program at Tahoka High School is changing the times of the sessions somewhat so as to meet the needs of a greater number of students.

Math and Science sessions will meet: Monday--3:45 to 4:30 p.m. Wednesday--7:25 to 8:10 a.m. English and Social Studies sessions will meet: Tuesday--3:45 to 4:30 p.m. Thursday--7:25 to 8:10 a.m.

Mrs. Burr (Beulah) Morrow died Friday afternoon at their home near Ashgrove, Missouri after a sudden illness. Funeral services were held at 2 p.m. Monday, Nov. 5, in the United Congregation Church in Ashgrove.

Survivors include her husband, one son Wendell Morrow of New Home; two daughters, Rebecca Ueckert of Ballenger and Carolyn

Lochmann of Ashgrove; six grandchildren and three step grandchildren; four sisters, Addie Jane Hays and Velma Link of Idalou, Grace Heck of Plainview and Louise Hancock of Corsicana. A sister, Tincy, and a brother, E.E. Hancock, preceded her in death.

After learning of his mother's

death, Wendell and Peggy accompanied by Ronald Wyatt and Craig Ewing, drove to Ashgrove. Beulah lived in the New Home community with her parents, the late Mr. and Mrs. Fern Hancock and family. After her marriage to Mr. Morrow, they continued to live here until they moved to their ranch near Ashgrove in 1962.

One of her oil paintings that she presented to the New Home Baptist Church still hangs in a prominent place in the church auditorium.

Mr. and Mrs. Joe Lewis returned home from Houston Saturday where Joe received

radiation treatment at M.D. Anderson Hospital. Kay and her family met them at the airport. Steve, Deborah and Chase visited with them Sunday. Merne returned to her teaching duties with the fourth grade in the New Home school this Monday morning.

At the Mission banquet in the Highland Baptist Church in Lubbock, Oct. 23, Mrs. Edwin Nettles of Lakeview was presented the United States Department of Education Special Recognition award for outstanding service of time and talent for 22 years service in Literacy work.

Rev. Irving E. Looney of Lubbock preached the morning and evening services in the New Home Baptist Church Sunday. Mrs. Looney accompanied him here. Special music Sunday morning was by LeShae Kieth and Tara Timmons. Rev. John Martin of Lubbock was a visitor in the morning service.

Rhoda Villarreal of New Home and Bob Levtzow of Billings, Montana were married at 3 p.m. Thursday, Nov. 1, in Tahoka. They are at home on the Blakney farm.

Delores Taylor, Tracy and Tamara of Lubbock visited here Sunday with her mother, Ida Mae Edwards.

New Home News
Mr. and Mrs. V.P. Haley entertained with a Halloween, Mexican food, 42 party in their home Wednesday evening. Those attending were: Mr. and Mrs. Loyd Nunley, Mr. and Mrs. Bobby Fillingim, Mr. and Mrs. Harold Reynolds, Mr. and Mrs. E.M. Rudd and Donnie Morris.

Mr. and Mrs. Bill Smith, Kelly and Michiel vacationed nine days in Colorado. They visited with Bill's uncle, B.T. Smith, and family in Colorado Springs before returning Tuesday.

Mr. and Mrs. Bob Taylor and children, Brock and Carla of Follett, spent the weekend here with Mr. and Mrs. John Edwards. They were in Lubbock visiting their daughter, Robbie, student at TT.

Mr. and Mrs. Leroy Nettles were in Austin a week with the grandchildren, Britt and Holly, while their parents were attending the Baptist State Convention in Dallas.
