Author Will Be Speaker At C-C Meet Tuesday

Mike D. Senter of Lubbock, author of *Pride of the South Plains*, will speak at Tuesday noon at the quarterly meeting of Tahoka Chamber of Commerce at First United Methodist Church Fellowship Hall.

Senter, reared on a farm west of Plainview, is a graduate of Plainview High School and Texas Tech, where he earned a BA degree in telecommunications. He is in sales and advertising, and also has been involved in Toastmasters International and barbershop quartet singing.

Chamber directors discussed the upcoming quarterly meeting at the directors monthly meeting Tuesday in Pioneer Museum. It was noted that next Tuesday's meal would be served at \$5 per plate by the Chamberettes. Anyone may attend.

Chamber Vice President Weldon Self reported that several prospective new members have been contacted, and at least three have agreed to join the chamber.

Self was named to the program committee for next year's chamber banquet. Donna Raindl will be in charge of decorations, Glenda Williams will be ticket chairperson and Chloe Jan Wells will take care of food and serving arrangements.

Binie White was welcomed as a new board member, appointed to replace director Ken Holt, who resigned upon moving to Snyder.

SWIM IN U.S. WATERS — Five foreign students visiting in the Joe Hays home in Tahoka last Thursday had time to enjoy a swim at the family's pool. The group is in Texas as part of a student exchange program sponsored by Rotary Club, and one of them, Gerd Rollinger, seated, rear, center, has been staying with the Hays family. Four are from Austria and one from Italy. From left they are Ute Lill, Kurt Purkhart, Gerd Rollinger, Ermanno Decker from Italy, and Susi Meyer.

Thefts, Chase Keep Tahoka Police Busy

Tahoka police were busy during the past week investigating three thefts, a high-speed chase in pursuit of a motorcyclist and an incident involving gunshots.

Andy Dunlap of 2029 Main reported to police on Wednesday, July 28 that someone had stolen two tool boxes from his pickup

while parked at his residence. Value was set at \$300.

On Saturday, Elisa Hancock of 2322 N. 2nd reported someone had stolen two wire hubcaps off her vehicle while parked at her residence. Value was set at \$240.

Dewayne McNeely of 1721 N. 4th reported that someone had ripped the right mirror off his 1977 Ford Thunderbird. Value was set at \$155.

Police investigated a shooting incident during the week at South 2nd and Ave. F that involved a domestic dispute. No injuries were reported.

Police arrested a Tahoka man for evading arrest and issued the suspect five citations including three for running stop signs and one each for speeding (60 mph in a 30 mph) and no driver's license. The suspect was apprehended by officers after the suspect attempted to elude the police on a Yamaha 750 motorcycle.

He was placed under arrest and was given a one-year probated sentence and was fined \$360.

Tickets issued during the past week include one each for exhibition of acceleration and one for exhibition of acceleration and

suspended driver's license.

A 25-year-old Lamesa man was fined \$500 plus court costs of \$68 after pleading guilty of a charge of theft of pistol from the home of Tommy Woolam in O'Donnell on Aug. 1. County Judge J.F. Brandon also assessed a 2-year prison term, probated. The suspect was arrested by Dawson County officers and brought to Lynn County jail.

Also in jail during the week were one person each for evading arrest and traffic violation, driving while license suspended, public intoxication and public intoxication plus resisting arrest.

Summer Cooking School For Children Scheduled

Eva Kennedy, SPS Home Economist, will present a cooking school for children on Thursday, Aug. 8 in the SPS Reddy Room in Tahoka.

The program will begin at 10 a.m. and last approximately one hour. She will be demonstrating several appliances including microwave and electric skillet.

Everyone attending will receive a cookbook and get to taste all the recipes prepared that day.

Local Youth Attend Rotary Camp RYLA

Three 17-year-old Lynn County youth recently returned from a five-day encampment at Camp RYLA in the Rocky Mountains of New Mexico.

Phillip Furlow, son of Bobby Mac and Brenda Furlow of O'Donnell; Tadd Knight, son of Taylor and Patricia Knight of Tahoka; and Trey Teaff, son of Sandra Teaff of Tahoka, all attended the camp sponsored by the Rotary Club.

Scholarship awardees are selected by Rotary Clubs in District 573 on their leadership abilities, scholastic achievements, school government, athletics, church activities, and other organizations.

The concept of RYLA is to provide a challenging atmosphere for young men to debate ideas and learn of the blessings and responsibilities of being a citizen of a free society. Approximately 150 young men attended the camp.

ATTEND ROTARY CLUB — These three Lynn County youth recently returned from a 5-day encampment at Camp RYLA in New Mexico. Tadd Knight, left and Trey Teaff, center, both from Tahoka, and Phillip Furlow of O'Donnell were selected by Rotary Clubs in District 573 to attend the camp.

Council Hears Report On Police Activities

Tahoka City councilmen Monday heard a report from Police Chief Gary Morrison on activities of the police department during the month of July.

The chief reported that 16 tickets were issued for traffic violations, and that 22 warning tickets were given. The officers also made one arrest for driving while intoxicated, investigated two business burglaries, two thefts, five cases of criminal mischief, seven vehicle accidents, 14 family disturbances, five civil disturbances, and gave out several tickets for littering with beer cans or beverage containers.

All councilmen were present for Monday night's meeting, at which Mayor Jim Solomon presided.

V.F. Jones was reappointed as the city's representative to the Canadian River Municipal Water Authority, and City Manager Carl Reynolds was authorized to borrow money to operate on until tax payments start in October. It was noted that the city's fiscal year will for the first time begin in October.

Councilmen discussed changing traffic regulations in the vicinity of the schools, but took no action, pending some kind of recommendation from the school board.

Son Of Tahoka Couple Pastor Of New Church

Rev. James Martin, son of Mr. and Mrs. J.D. Martin of Tahoka, is pastor of the new Christ United Methodist Church in Amarillo, which had its first service Sunday morning in an elementary school in that city.

The church will be constructed later on 45th Ave. in Amarillo, near Soncy Road. Seven acres of land were purchased by the Northwest Texas Methodist Conference for the site.

Martin served at Forest Hill United Methodist Church for three years until his appointment in June to Christ UMC. He has office space in Amarillo's St. Stephen's Methodist Church for the time being.

Martin said he envisions the new church as "a service-oriented organization. Eventually, when we build that building, we're going to want it to be built according to our program. Our program will be missions and community, state, nation, world — a witness to the world."

He said he expects the church to grow quickly.

ed, with lengthy discussion on the financial picture for both the coming year and in the future.

Present at the three-hour meeting were Reynolds, Solomon, and councilmen Richard White, Nicky Summitt, Jim Thomas and Dalton Wood.

Hwy. Dept. Employees Get Awards

Ten Tahoka employees of the State Department of Highways and Public Transportation have been honored for their safe operation of state owned vehicles.

Collectively, the 10 employees have driven a total of 68 years without an accident.

The group is among 407 Highway Department employees from the 17-county Lubbock District who have been honored this year for safe driving, or for years of service with the department.

"Our department employees set a fine example for motorists we encounter during the work day", said William M. Pope, District Engineer. "It is significant when our highway employees receive these awards because they are exposed to a lot more than the average driver, often operating large vehicles under inclement weather or other hazardous driving conditions."

Highway employees in Tahoka who received safe driving Awards are: Roy Jolly 20 years, Dewey Engle 11, Meguill Montemayor 8, Gerald Drager 8, William Brockman 7, George Dozier 6, Raymond Smith 3, R. V. Long 2, Paschal Chamblee 2, and Michael Quisenberry 1.

Equipment operators William Angerer and Jose Tijerino were given awards for their safe operation of heavy equipment. Angerer has operated the equipment nine years without an accident, while Tijerino has gone five years without an accident.

Angerer was also given a 15 year service pen marking his length of service to the department.

"We are really proud of our employees in Tahoka," said Pope. "For their long time commitment to providing Texans with the best highway system for the money, and for the safe way in which they do their job."

Blood Drive Set Here Monday

United Blood Services will be in Tahoka Monday, Aug. 12 for a blood drive from 4 until 8 p.m. in the Fellowship Hall of the First United Methodist Church.

The drive is sponsored by the Hospital Auxiliary.

Field Day Set At Halfway Sept. 10

The Texas Agricultural Experiment Station located at Halfway will host a Field Day on Tuesday, Sept. 10, beginning at 1 p.m.

Highlights and topics to be featured will include agronomic cropping systems, weed research, irrigation systems and techniques, and cotton genetics. In addition, specialists will be centrally located and available for discussions of specific problems. Displays and exhibits will also be featured for public viewing.

Wilson Lions Club meets the first and third Thursday of each month, at 8 p.m. in the Wilson School cafeteria.

Harvest Festival Committee To Meet

The Harvest Festival Committee will meet Thursday, Aug. 15 at 7:30 p.m. in the SPS Reddy Room. All members are urged to attend and discuss plans for this year's Harvest Festival.

WOODWORK

READING SOME tips about the best ways to do things and still have a healthy back, I soon came to the conclusion that the writer of those tips just doesn't understand the situation.

He tells us how to lift things without hurting our backs, and how to sleep and some other things that no doubt are helpful, but then he says this: When sitting, "keep knees slightly higher than hips by placing feet on a low stool..." and he says the same thing about driving a vehicle: "Move car seat forward and sit with knees higher than hips."

Obviously this guy has never seen me. The only way I can get my knees higher than my hips is to stand on my head. And driving a car in that position is pretty scary.

A YOUNG BUSINESS WOMAN was doing so well that she opened a new branch office and a friend decided to send a floral arrangement for the grand opening.

When he went to the opening, he was appalled to see his wreath bearing the inscription "Rest In Peace."

Angry, he complained to the florist, who apologized profusely, then added: "Look at it

this way — somewhere a man was buried under a wreath today that said "Good Luck in Your New Location."

I READ THIS someplace last week: A little girl was standing on the clubhouse verandah with her mother and they were watching a golfer swing repeatedly and angrily several times without moving the ball. Finally the golfer paused to get his breath and glared down at the ball. Said the little girl to her mother: "I think it's dead, mommy. He has stopped beating it."

Physicals For Football Set Here Saturday

All Tahoka young men in grades 9 through 12 who are interested in playing football this coming season are asked to be at Dr. Richard Wright's office at 2 p.m. Saturday (Aug. 10) for physicals. Coach A.D. Shaver said this week.

Shaver emphasized that any players who do not make the Saturday appointment will have to pay for their own physicals; if they are there for the physicals Saturday the examination is free to the students.

Tahoka Women Attend Seminar

Vicki Summitt and Brenda Thomas of Tahoka, independent beauty consultants for Mary Kay Cosmetics, have just returned home from three days of intensive sales and product training in Dallas as a participant in Mary Kay's 1985 national seminar.

More than 30,000 independent beauty consultants and sales directors were in Dallas between July 22-Aug. 3 to attend one of four consecutive three-day meetings.

To enable Mrs. Summitt, who joined Mary Kay in October

1984, and Mrs. Thomas, who joined in March 1985, to build their Mary Kay businesses in the months ahead, dozens of specialized classes were held each day in product knowledge, color awareness, sales training, business management, goal setting and other valuable tools for business success.

During the four meetings, the company distributed more than a million dollars in fur coats and jackets, luxury vacations, shopping sprees and gold and diamond jewelry.

OUT OF THE WOODS

By Juanell (Wood) Jones

Okay, so cows don't sit down. They lie down, so I've been told numerous times this week. I learned that it is impossible for cows to sit because the joints in their hind legs work the opposite direc-

tion from their front legs. See what one can learn when one admits ignorance?

Maybe I should try to write about something I know about, but that could be a very limited column. I know about my family, but writing about one's own family in the newspaper business is taboo. It's just not done, because then everybody would want to write about their family. And even though my family is, of course, brilliant and outstanding, I'll restrain myself.

I could write about a recent trip, as I recall Dad's column has touched on this subject occasionally. We went on a camping trip in Tererro, New Mexico (near Santa Fe) with some friends and had a good time in spite of some evening rain showers. We decided there are about five times as many stars over New Mexico than there are over Texas ... or maybe I should say that the few stars we can see from the backyard of our house here in Tahoka.

The two best things about camping out are the stars, and breakfast in the morning. I don't normally eat breakfast, but in the mountains I can easily put away several eggs and a pound of bacon, then go hiking for a couple of hours and be ready for lunch.

This trip was no exception, and after gobbling up huge breakfasts, the guys went off on their fishing expeditions, and the females hiked and lounged around camp, anticipating the fish our husbands bragged they could catch for our evening meal. This time all they brought back were hard-luck stories and smelly tennis shoes. "The fish just weren't biting," they said. Sure, guys.

Now, about fishing. That's another subject I'll have to admit ignorance on. This (along with the cows) is also Dad's fault. He is not now, nor has he ever been, a fisherman, so he couldn't pass along any helpful knowledge.

I know that fish like worms, grasshoppers, and salmon eggs, none of which I enjoy baiting a hook with. If I can get past that part, then I have to "cast the line." Now here's where I get into trouble. When I was about 10 years old, our family went fishing in a rowboat on some lake. Dad cast out his line, but he didn't hook into a fish ... he hooked my sister's thumb who happened to be sitting with her back to him, casting the other direction. That was the last time I recall either Dad or my sister fishing, and since then I have been leery of fishing if I'm anywhere near "hooking" distance of anybody else.

Anyway, I didn't fish on this trip. All I caught was a bump on the head, which I got when I jumped "into" a rock instead of over it while hiking.

This sounds like a good subject, but I think I'll save hiking for another time. It's just amazing the number of topics I don't know much about...

RICKY PAUL MOCZYGEMBA and KATHY GAYLE COOK Couple Announces Engagement

Mr. and Mrs. Bobby Cook of Tahoka announce the engagement and approaching marriage of their daughter, Kathy Gayle, to Ricky Paul Moczygemba, son of Mr. and Mrs. Leroy Moczygemba of Lubbock. The couple plan to be married in the First Baptist Church in Tahoka at 6 p.m. on August 24.

Miss Cook is a 1985 graduate of Tahoka High School and is employed at Dayton Parker Pharmacy. Moczygemba is a 1983 graduate of Wilson High School and is employed by Valton Stephens.

Look Who's New

Mr. and Mrs. Steve Roberts of Rochester, N.Y. announce the birth of their daughter, Nicole Michelle, on July 28, 1985. She weighed 6 lbs. 15 oz.

Grandparents are Mr. and Mrs. James Roberts of Tahoka.

Jeffrey, Mark and Ruben Jr. wish to announce the birth of their sister, Destiny Marie, weighing 8 lbs. 6 oz. born at 10:30 a.m. Monday, July 29, 1985 at Lubbock General Hospital.

Parents are Mr. and Mrs. Ruben Manriquez of Tahoka. Grandparents are Mr. and Mrs. John Antu and Mr. and Mrs. Domingo Manriquez, all of Tahoka.

The Alamo, which you may remember, was so called because it stood in a grove of cotton-wood trees, called Alamo in Spanish.

MR. AND MRS. FAUSTINO BERMUDEZ (nee Monica Hernandez)
Couple Exchange Wedding Vows
In New Mexico Ceremony June 29

Monica L. Hernandez, daughter of Mr. and Mrs. Ronald Russell, became the bride of Faustino Bermudez, son of Mr. and Mrs. Joe A. Bermudez of Los Lunas, N.M. on June 29, 1985 in the First Presbyterian Church in Los Lunas.

The Rev. Bob Tedro, pastor, performed the double-ring ceremony at 3 p.m. Miss Kay Lennon was soloist.

Given in marriage by her parents, the bride wore a floor-length gown fashioned with high neckline and puffed sleeves. Her veil of net was caught to a wreath of flowers.

Miss Valerie Cordova was maid of honor for her sister. Manuel Bermudez was best man for his brother. Miss Amanda Bermudez was bridesmaid for her sister-in-law, and Alfonso Ramirez was groomsman for his cousin Faustino.

Deborah Russell was flower girl for her sister. The usher was Albert Ramirez for his cousin Faustino.

After the ceremony, a reception was held in the Knights of Columbus Hall, Belen, N.M.

On their return from a Caribbean cruise, the couple will reside in Albuquerque, N.M.

The bride was graduated from Los Lunas High School in 1985. Bermudez is a 1984 graduate of Los Lunas High School.

Bermudez is the grandson of Faustino Bermudez of Tahoka and Manuela Bermudez of Los Lunas, N.M. He is also the grandson of Manuel and the late Selia Chapa, also of Los Lunas.

Mister Rogers Program
Designed For Pre-Schoolers

A week of Mister Rogers' Neighborhood programs, devoted to preparing young children for their first day of school, will be shown on Aug. 19-23, on the Public Broadcasting Service (PBS), KTXT-TV in Lubbock. Exact times have not been announced.

The five Monday-through-Friday Mister Rogers' episodes are designed to help preschoolers with their first days of school — an anxious, sometimes frightening experience for many children.

The five programs explore the concerns children have about school — what their teacher and new classmates will be like, how much they will have to know

before they get to school, and who will take care of them there.

During the week, Emmy Award-winning host-creator-producer Fred Rogers takes a ride on a school bus and visits a real school. Along with a kindergarten teacher and a first-grade teacher, he tours the school's classrooms, kitchen, and bathrooms. "Children need to see that many things in school are a lot like home," Rogers explains.

He also talks about what might happen during a typical school day. Rogers emphasizes that "you don't have to know your letters and numbers when you first go to school. School is a place where children learn about

such things."

Rogers reminisces about his own first school days and reassures children that "starting school is an important part of growing — and can be a fun part of growing, too."

KTXT also will broadcast the National Geographic Specials, at 7 p.m. on Aug. 21, Aug. 28, and Sept. 4. The Aug. 21 program will be Land of the Tiger, a look into the tiger's hidden world, "revealing the great cat in situa-

tions never before filmed or even observed," according to station officials.

The Aug. 28 program will be Miraculous Machines, about robots that can serve a meal and do jobs too dangerous for humans, and computers that can create art or help a paraplegic to walk.

Love Those Trains is the subject of the Sept. 4 TV program, a nostalgic journey into the world of trains.

Fina Honors High School Football
Players Who Earn Good Grades

DALLAS—Fina Oil and Chemical Company (Fina) and Gov. Mark White recently announced a program in which Fina will award \$1,000 college scholarships to 11 Texas scholar/athletes who combine football prowess with outstanding schoolwork. Winners will be named to the first annual Fina Texas Academic All-State Football Team.

One of the 11 — judged by a Blue Ribbon Panel to best combine football skills with academic achievement, leadership qualities and participation in other school and community activities — will be named the Fina Academic All-State Athlete of the Year. The 11 team members, along with their parents and coaches, will be announced in March and honored at a dinner in Dallas next June.

"The most important challenge facing Texas today is the improvement of public education," said Paul Meek, chairman and chief executive officer of Fina. "The outstanding scholastic achievements of high school football players in Texas deserve recognition. Many high school football players are already leaders in school and community activities."

"Let's recognize the positive achievements and quit emphasizing the lack of scholastic accomplishments among football players."

Any senior playing high school football in Texas is eligible for nomination and will receive a certificate and letter of commendation.

HIGH LIVING
 Hardening of the arteries is the result of high living, says Dr. John Houston, Dir. of Cardiology, Milwaukee City Hospital. Other civilizations are less susceptible to the disease because they burn up more energy thru exercise and physical work. Dr. Houston blamed animal fats, smoking and alcohol along with lack of proper exercise. The natural effect of cigarette nicotine is to contract the arteries. Alcohol increases the appetite, encouraging overeating, a direct cause of cardio-vascular diseases, he said.

GEORGE WALTER FRENCH

Crime Stoppers

LA PORTE, Texas — George Walter French can't say that the criminal justice system hasn't given him a chance to turn his life around.

French, who will turn 51 years of age on August 15, 1985, has been in and out of prison most of his adult life.

Law enforcement officials cite the fact that he has been arrested 31 times and has a total of 10 convictions on charges ranging from burglary, larceny, forgery and fraud. Out of those 10 convictions, he has been sent to the Texas Dept. of Corrections just twice.

His latest conviction occurred in 1978, when he was sentenced to 20 years in TDC for felony theft over \$10,000. He was paroled in January 1985, after serving about one-third of his sentence.

Now he is in hot water with the law once again.

French is wanted on a warrant out of Harris County for burglary of a building.

Detectives with the La Porte Police Dept. say that on April 19 someone broke into Thermal Industrial Insulation and took about 50 company checks, a check writer and a typewriter. Several of the stolen checks were then passed in Harris County.

On April 24, George French's son, Michael, and Kerry Lee Hodge were arrested by the Pasadena Police Dept. for possession of dangerous drugs. However, George French and two unidentified white females escaped a police dragnet and fled to Beaumont, Texas, where at least one more stolen company check was cashed.

This week French has been selected for the Texas Most Wanted list. A \$1,000 reward is being offered for information leading to his capture. French is described as a white male, 6-3, 220 pounds, with curly red hair and brown eyes. He is missing the tip of his left index finger.

Detectives say French was last seen driving a 1980 blue Chevrolet Malibu four-door, with Texas license plates VFG-634. They warn that French might be armed with a .410-gauge shotgun and has said he will not go back to prison.

Anyone with information about French's whereabouts is asked to call the Texas Crime Stoppers Advisory Council toll-free at 1-800-252-8477 or their local Crime Stoppers program.

In all cases, callers do not have to reveal their identities. Texas Most Wanted is a cooperative program between the Department of Public Safety and Texas Crime Stoppers.

By Florence Davies — Call 924-7479

Mrs. Don Sharp, Eric and Mrs. Minnie Fewell of Ropesville were in Canyon Sunday, July 28 for the annual Bertz family reunion.

Mrs. Jo Spikes of Lubbock visited here with us Thursday.

Wayman Smith was dismissed from Methodist Hospital Thursday and is doing real well at home.

Britt and Holley McClung of Austin are here with their grandparents, Mr. and Mrs. Leroy Nettles.

Joe D. Unfred took their granddaughter, Angelique to El Paso Tuesday to catch a plane for her home in El Cajon, Calif. Joe had dinner with M.C. Ball in El Paso.

Mrs. David Terry of Portales, N.M. and her granddaughter, Jennifer Terry, came Saturday to return her mother, Mrs. Noreen Gray to her home in Albuquerque, N.M. Noreen had been here with her sister-in-law, Alice Smith while Wayman was in the hospital.

Mrs. Bobby (Donna Smith)

Beavers is in St. Paul's Hospital in Dallas where she is having back surgery this Monday.

Mr. and Mrs. Jimmie Erickson and the twins Jarrod and Lindsey spent last weekend here with her parents, Mr. and Mrs. Hiram Sharp.

Congratulations to Mr. and Mrs. Rudy Garcia on the birth of a son, Michael Jon, born at 9:15 a.m. Saturday, Aug. 3, 1985 in the Community Hospital. He weighed 7 lbs. 10 oz. and has a big brother, 4-year-old Joey. Grandparents are Mr. and Mrs. Keck of Albuquerque, N.M. and Mr. and Mrs. Lupe Garcia of Shallowater.

Mrs. Catherine Keck of Albuquerque, N.M. came July 3 and was here with her daughter,

Kathy Garcia and family until Saturday. Mr. Keck came Friday and they left Saturday afternoon going to San Antonio to celebrate their 30th wedding anniversary.

Don, Gloria, Tommie and Renay McBrayer were in Mesquite Thursday until Sunday. Don's father, Robert A. McBrayer, died Thursday and funeral services were Saturday, Aug. 2. Survivors include his wife, one son, Don, two daughters, two brothers, four sisters and 10 grandchildren.

Melda Jacobs' step-father, Loyd Murray of Petersburg, was able to return to his home Friday, and her grandmother, Mrs. Viola Tipton, was moved to the Heritage Nursing Home in Plainview Friday. They both entered St. Mary's Hospital early in June.

Other relatives also attended, including Mr. and Mrs. Tom Henry of Collinsville.

JULIE MILLER, Supervisor for House of Lloyd, returns from a week of training and recreation in Hawaii.

Julie Miller Returns From Hawaii Trip

Julie Miller, Supervisor for House of Lloyd, Inc., the National toy and gift merchandiser based near Kansas City, Missouri, has just returned from a week of training in Hawaii.

Mrs. Miller, along with 250 other Supervisors, employees and spouses were flown to Maui to participate in a variety of training seminars, discuss company programs and preview the 1985 product line. It was a week full of the traditions of Hawaii, including native food, music and dress, and tours of the surrounding islands and Pearl Harbor.

House of Lloyd began in 1946 in a two car garage. Today, they are housed in a 500,000 square foot office and warehouse complex and had sales of over \$100 million in 1984, making House of Lloyd the world's largest toy and gift party company.

Mrs. Miller will be hiring sales personnel in this area over the next two months and training them for the fall season.

Persons interested in a position with House of Lloyd should contact Mrs. Miller at 806-287-1359 or write P.O. Box 74, Whiteface, TX 79379.

STUDIES SHOW LOWER SEAFOOD CHOLESTEROL LEVELS — "Latest data from the National Marine Fisheries Services shows that cholesterol accounts for only about 40 percent of the total sterols contained in some shellfish," reports Texas A&M University Agricultural Extension Service seafood specialist Annette Reddell Hegen. "The rest are plant sterols from algae that the shellfish consumes." The research studies place oysters, clams and scallops at between 40-50 milligrams of cholesterol per 3 1/2 ounce serving. These figures compare favorably with cholesterol levels in most fish, Hegen says, and fish is a food often recommended for cholesterol-restricted diets.

WILSON NEWS

Pam Bishop celebrated her 15th birthday July 26 with a slumber party for her girlfriends. They also went shopping in the mall.

Mrs. Jewel Phillips of New Deal and her sister-in-law, Callie, of Sulphur Springs, visited one day last week with Mrs. Clara Phillips.

Mr. and Mrs. Jay Havard, Chris and Nan, of Natchez, Miss. had lunch Monday with Mr. and Mrs. Ray Crispin and Jayson. The Havard family was enroute home after a trip to Phoenix,

Ariz., where Mrs. Havard visited her father, Clifford Crowson.

Guests August 2 for a birthday celebration honoring Mrs. Jackie Bishop were Mrs. Audrey Bishop of Slaton, Mrs. Gertrude Gindorf, Jennifer Ross, Mr. and Mrs. Tony Bishop and Mr. and Mrs. Les Howell of Lubbock, and Mr. and Mrs. Billy Bishop and Pam Bishop. The group had dinner at the Santa Fe Restaurant, and birthday cake at the Howell's home.

Mr. and Mrs. Richard Thomas of Louisiana have been visiting family members in the area this week. They attended the 50th wedding anniversary of Mr. Thomas' parents in Slaton, and visited with her mother, Mrs. Geneva Crowson, in Lubbock. Accompanying them were their two sons, Michael and Phil, along with Phil's family.

Weekend visitors of Mrs. Margaret Morton included Mr. and Mrs. Dickie Marriott, Leslie and Ronnie, of Mesquite, Mr. and Mrs. Steve Donaldson, Kerri and Kristi of Lubbock, Mrs. Lucille Marriott of Slaton, and Mr. and Mrs. Don Morton and family. The group celebrated Mrs. Shirley Marriott's birthday.

Mr. and Mrs. Charlie Whisner of Clayton, N.M. and Ms. Brenda Lee and children, of Loraine, visited over the weekend with Mrs. Lorain Crowson. Other guests Sunday included Mrs. Pam Bartley, Ashley and Elizabeth, of Levelland.

The Barry Poth family has returned home after three weeks of schooling and visiting.

Jayson Bartley returned home Sunday from a visit with his father, Floyd Bartley, in Waxahachie and his uncle and family, Mr. and Mrs. Thurman Bartley in Lake Dallas.

Weekend visitors of Mr. and Mrs. Curtis Monk were her children, Mrs. Dawn Shipley and Michael of Snyder, and Mr. and Mrs. Billy Phillips, Casey, Jana and Renee' of Lubbock.

Wilson Women Attend Convention

The American Lutheran Church Women and Lutheran Church of America Women met in a joint Convention at TLC in Seguin, Texas, July 19-21. This was the first ever joint ALC-LCA convention and paves the way for the church merger which is proposed for 1988.

Attending the convention from Wilson were Carolyn Klaus, Onita Steinhauser, Wanda Stegemoeller and Linda Wilke. Linda Wilke of St. John Lutheran in Wilson was elected to the So. District ALCW office of Secretary for Education. The So. Dist. is comprised of the states of Texas, Arkansas and Louisiana.

Part of the office requirements will be attending the National Training Seminars and leading training seminars at the District level. Linda will also represent the So. Dist. ALCW at various area functions.

VEGETABLE MYTH

It's a myth that processed vegetables have fewer nutrients than fresh vegetables that have been cooked, according to Del Monte Corp. Canning and freezing seals in nutrients, while fresh vegetables lose nutrients during shipping and cooking. The key to optimum nutrition in vegetables is correct preparation.

Annual Boys Ranch Rodeo Set Labor Day Weekend

The forty-first annual Boys Ranch Rodeo will be held over the Labor Day weekend with up to 10,000 people expected for the two performances. Nearly 250 of the Ranch's boys will be riding calves, steers, bulls, bareback broncs, along with area riding clubs that will participate in the grand entry. It is a rodeo for all of the boys and those who do not compete as contestants will be selling barbecue beef plates, soft drinks and snow cones, or working at the many jobs required for a successful rodeo.

The boys will be competing for belt buckles and for the titles of Junior and Senior All—Around Cowboys. Specialty acts will include a wild steer race, FFA project parade, calf scramble and barrel races with five and six year-old boys riding stick horses. Among the spectators will be many of the Ranch graduates who are expected to return for their annual reunion. Over 3,000 boys have called the Ranch home since 1939 and some travel long distances to attend the rodeo and for a meeting of the Boys Ranch Alumni Association.

A new addition to the rodeo arena this year is an expanded, covered reserved bleacher section with seats priced at \$3.50. Reserved box seats are \$4.50, general admission \$2.50 and children 6 — 12 are admitted for \$1.00. Barbecue beff plates will be prepared by the boys and sold for \$3.50 at noon each day. Rodeo action begins at 2:30 p.m. September 1st and 2nd.

The Boys Ranch Rodeo is the only one of its kind in the nation with boys of all ages riding professional rodeo stock under R.C.A. rules. Further information and reservations are available by calling 806-372-2341, or by writing P.O. Box 1890, Amarillo, Texas 79174.

HARVEST-AID PROGRAM FOR COTTON

Harvest aid compounds can help cotton farmers harvest their crop early and get better quality lint, says a cotton specialist with the Texas Agricultural Extension Service, The Texas A&M University System. With stripper harvesting, a harvest-aid program can cut ginning costs and improve grades by first dropping the leaves with a defoliant such as DEF, Folex or DROPP and then applying arsenic acid, sodium chlorate or paraquat. Apply a defoliant when at least 65 percent of the bolls are open, or use a desiccant when bolls are 75 to 80 percent open. Adding Methyl Parathion to a tank mix with the defoliant or desiccant will help control late-migrating boll weevils.

Calorie counting? When a recipe calls for cream, sweet or sour, substitute plain unflavored yogurt. It adds protein, calcium and B vitamins instead of excess fat.

LESS SUGAR, MORE SWEETENERS — U.S. Department of Agriculture figures show that the per-capita consumption of sweeteners is going up, even though the consumption of sugar is going down, says Texas A&M University Agricultural Extension Service nutritionist Dr. Alice Hunt. Since these sweeteners have about the same calories as sugar, weight-conscious consumers should watch their intake of sweeteners such as high fructose corn syrup, sucrose, dextrose and maltose in processed foods.

Cotton Today

Cotton Use Rises Again—U.S. textile mills increased their use of cotton again in June, going to seasonally adjusted annual rate of 5.63 million bales, according to the National Cotton Council. The June rate presents one percent growth over May's revised rate of 5.58 million bales. This practically assured projected 5.3 million bales of 1984/85 crop year and leads to speculation that use might reach 5.4, the Council notes.

On cotton systems spindles cotton's share of fiber consumption was 63.0%, up slightly over may's revised 62.9%. Cotton's share in June 1984 was 59.2%. This suggests continuing consumer preference for cotton and cotton-rich blend fabrics. Total fiber use in June was 25.59 million bales, a two percent growth over may's revised rate of 25.11 million bales, and 11.5% above June 1984 rate.

Cotton Leadership Class Named: Participants in the 1985-86 Cotton Leadership Program sponsored by The Cotton Foundation have been announced by G.C. Cortwright, Jr., Rolling Fork, Mississippi, cotton producer and chairman of an industrywide National Cotton Council selection committee.

Aim of the program, funded by a grant to the Foundation by the Agricultural Chemicals Department of DuPont, is to help the participants prepare for leadership roles. They will receive training in the areas of government and public affairs, organizational policy development, research and market development, and communications.

Sessions are scheduled in Washington, D.C.; New York City; Memphis, Tenn.; and various locations across the Cotton Belt for a total of some 30 days.

The first session is set for September 8-13 in Memphis, Tenn., in conjunction with the National Cotton Council Board of Director's meeting.

In addition to Cortwright, members of the selection committee are Norris C. Blackburn, warehouseman, Memphis; W.D. Lawson, III, merchant, Gastonia, NC; Lon Mann, ginner, mariana, Ark.; Herman Propst, producer, Anson, TX; William E. Reid, Manufacturer, New Pres-

ton, Conn.; James H. Sanford, producer, Prattville, Ala.; Edward Breihan, cooperative, Lubbock, TX; J. Clyde Wilson, producer, Litchfield Park, Ariz.; and G.B. Brewer, crusher, Fresno, CA.

Three Fugitives Nabbed Through Crime Stoppers

Three fugitives — two of whom were on the Texas Most Wanted list — were arrested recently as a result of tips received by Crime Stoppers programs, Gov. Mark White and Texas Crime Stoppers Advisory Council officials announced. Today, 130 local Crime Stoppers programs operate in Texas. The Texas Most Wanted Program began in January of this year as a cooperative effort between the Dept. of Public Safety and Texas Crime Stoppers. The Most Wanted list is sent to 590 newspapers and 76 television stations throughout the state as well as the local Crime Stoppers programs.

"These programs have proven to be very effective throughout the state," Gov. White said. "Not only are they providing useful information to local law enforcement agencies, but they also encourage the involvement of local citizens in making their communities safer places in which to live."

George Duran Trejo and Servando Trejo Duran, Jr., brothers who were named to the Texas Most Wanted list June 8, were arrested by the Hidalgo County Sheriff's Office near Donna, Texas. William Ronald Caudill, wanted for forgery in Travis County, was arrested in Kentucky.

Trejo and Duran were wanted on murder warrants in connection with the Dec. 15, 1984, killing of Eusebio Gomez in Baytown, Texas, said Greg MacAleese, Texas Crime Stoppers Advisory Council program coordinator.

Law enforcement officials credited the capture of the pair to a Crime Stoppers tip received after the two were featured in June as Texas Most Wanted fugitives.

Duran and Trejo are being held without bond in the Hidalgo County Jail.

MacAleese said a total of \$2,000 in rewards was offered by the Texas Most Wanted Program for the arrests of Duran and Trejo. With the arrest of Duran and Trejo, seven Most Wanted fugitives are now in custody.

Caudill, 34, was arrested July 17 by Kentucky State Police troopers following a high speed chase near Demossville, less than two hours after the Texas Crime Stoppers Advisory Council received a tip where he was hiding.

WESTERN COTTON CONFAB
All that is important to the cotton industry in the western states will be discussed at the 1985 Western Cotton Production Conference August 20-22 in Fresno, CA. Major discussions will deal with the world cotton supply and outlook, status of the 1985 farm bill, Cotton Board research and promotion programs, seedling disease control, nightshade control, cotton in 30-inch rows and farm safety. Special sessions will feature insect control with a tour of the San Joaquin Valley and a University of California field station. The conference is a joint effort of the Southwest five state Cotton Growers Association and the cooperative Extension services of Arizona, California, New Mexico, Oklahoma and Texas.

READ LABELS FOR SWEETENERS — Consumers may be developing a false sense of security about reducing sugar in their diets, says a Texas A&M University Agricultural Extension Service Nutritionist. "More people are reading food labels to see if sugar is listed among the top three ingredients," says Dr. Alice Hunt. "They tend to see these as high-sugar products, and avoid them." But food manufacturers now use many other forms of sweeteners besides sugar, such as corn syrup, high fructose corn syrup, honey, molasses, sucrose, dextrose and maltose. "So consumers need to recognize all forms of sweeteners when they are listed on labels," says the nutritionist.
