

**PATROL CAR SMASHED** — This DPS patrol car which had been driven to the scene of an accident on U.S. 87 south of Tahoka last Friday morning was crushed by an 18-wheeler which jackknifed as it came upon the scene of the earlier accident. There were no serious injuries in either wreck; DPS troopers Larry Duncan and Mark Dawson leaped out of the way when they saw what was about to happen. The second trailer of the truck-tractor rig came off, flipped and did the damage to the parked patrol car. Driver of the truck was not identified; driver of the first truck which had overturned on the wet highway was identified as Donnie Bertreux of Midland. (LYNN COUNTY NEWS PHOTO)

## Dogs Lose District Opener, Await Plains

The Tahoka Bulldogs gave Seagraves a pretty good tussle for the first half at Seagraves last Friday, but a second-half collapse on defense gave the favored Eagles a good margin and the host team won the district opener 52-12.

Seagraves scored with about a minute left in the first quarter to go ahead 7-0. To that point, Tahoka's defense had been tough, but the TD was set up by a long pass play. Midway of the second period, Seagraves scored again, and then added another TD with just seconds left in the first half to lead 21-0.

The Eagles scored twice more in the third, the first one coming on an 80-yard return of the second half kickoff. But Tahoka, trailing 34-0, came back with a brief flurry of its own late in the third. After Scott Isbell blocked a punt at Seagraves 14, Tahoka was unable to score in four downs and lost the ball. But Seagraves fumbled and Tahoka recovered on the 8. Two plays later Todd Nance got into the end zone on a 2-yard run. A pass for points was no good and it was 34-6.

After the Tahoka kickoff, Seagraves fumbled again and

Tahoka recovered on the 11. Tony Gonzales, who has not run all that much this season, then scored on a 10-yard run, with just 33 seconds left in the third. Again Tahoka could add no extra points, but had cut the margin to 34-12.

Good things did not continue in the fourth period, however, and Seagraves scored three times in the last quarter, failing to get any extra points on any of the TDs.

This week the Bulldogs will host Plains in another district game. The Cowboys last week lost to Shallowater.

Johnny Morin gained 59 yards in 23 carries for Tahoka, and Nance gained 53 yards in 16 carries. On defense, Doug Lawson was a top performer, counted in on 20 tackles.

ting sun. Then you can see this fine web all over the grass. If the sun isn't shining, you can't see it. Even then you can see it better standing on your head looking west, or at least from a ground-level view.

I called a couple of my neighbors and asked if they had seen any webs covering their grass. None had, and one remarked (lacking, I thought) that she couldn't see any on my grass, either. Another said he hadn't noticed any webs because he's afraid to get too close to the grass, especially in his back yard, which he said has grown up so high there may be lions and tigers and possibly giant spiders in it.

Actually I got the impression that all of them were questioning whether there was a thread of truth in my web story. But the webs are there, honest. It's just that they are invisible, you see...

## County Faces Problems Of New Voting Booths

Lynn County, along with all other Texas counties, must provide voting booths for elections after the first of the year, and county commissioners discussed the problem at their meeting Monday.

County Clerk C.W. Roberts advised the group that the county will need possibly as many as 36 voting booths. At least two must be provided for each voting precinct, and there are 13 in the county, he said. Also, booths must be provided for each group of registered voters in a precinct totaling 150, meaning that a precinct with 200 voters, for example, would need two booths, and one with 310 voters would need three booths.

Cost of providing the booths, required by law next year for the sake of privacy in voting, has not been estimated.

Commissioners also were advised by County Judge J.F. Brandon that the Texas Historical Commission has approved plans for renovation of the courthouse. He also noted that bids on the proposed renovation, which includes installation of an elevator in the courthouse, were to be opened Wednesday afternoon.

Payments to Dawson County for this county's share of district court operational costs were approved, totaling \$9,141. Also approved was a contract with the Lubbock County Youth Center, totaling \$4197 for a year's

allotment of a half a bed per day.

Texas Assn. of Counties was granted a request for \$250 for the county's portion of expenses in a lawsuit involving jail standards filed downstate, but one which would affect all counties. Dues to SPAG for one year, \$430, and to the National Assn. of Counties for \$265 were approved.

The court was advised of the

resignation of Larry Hagood as the county's representative to the Lynn County Appraisal board. Hagood also represented the City of Tahoka.

Precinct 3 was authorized to seek bids on a new pickup, and the sheriff's office was authorized to seek bids on a new patrol car.

All commissioners were present.

**ARMADILLO COUNTRY?** — Armadillos are rare in this region, but one was caught at the Richard Williams residence on N. 4th St. in Tahoka last week. Here the varmint is held by Toby Gass, left, and Dallas Williams. The creature was not long in captivity as he chewed through a plastic laundry basket prison and escaped later. (LYNN COUNTY NEWS PHOTO)

## New Home Man In Fatal Accident

Services are pending at White Funeral Home in Tahoka for Oral Cates Zant, 54, of New Home. He died Tuesday night from injuries received in an auto accident about 8:15 p.m. Monday in a collision between a car and a pickup truck in the Slide community south of Lubbock.

His wife, Juanita, 55, is listed in serious condition at Methodist Hospital.

The driver of the other vehicle, Jorge Araiza, 25, of Brownfield and passenger Jaime Gonzales, 23, of Chihuahua, Mexico, both remained in serious condition in Lubbock General Hospital Tuesday night.

Zant was driving a 1976 Oldsmobile south on FM 1730 and Araiza was driving a 1984 Ford pickup truck west on FM 41. The vehicles collided in the intersection of the two highways, according to the Department of Public Safety.

There is not a traffic light at the intersection, but there are stop signs on FM 41, according to the DPS report.

## Burglaries, Thefts Are Investigated

Lonnie Rogers of the Pink Panther reported to Tahoka police on Tuesday that someone had broken into the business and had stolen \$260 cash between the hours of 1 a.m. and 2 a.m. on Oct. 15. Entry was gained by using a hack-saw to cut off a chain on the south door.

Odessa Paynes of 2324 Ave. E reported to police on Sunday that while she was shopping at Thriftway, she had left her black pleated clutch purse in her car and when she returned at approximately 2:30 p.m. the purse was missing. Contents reported missing included \$886

in cash and a gold and diamond dinner ring valued at \$695. No witnesses have been located at press time and this investigation continues. Crime Line, 998-5145, has offered a \$200 reward for information leading to clearing of the case.

Police arrested a Tahoka man on Sunday for driving while intoxicated and carrying a prohibited weapon. He was transported to Lynn County jail and booked.

The stolen bicycle that was recovered by TPD last week has been claimed by the owner after proper proof was met this week.

Police chief Gary Morrison stated "There are several unpaid traffic citations on file and we would like to inform these people who have overlooked paying their fines that warrants will be issued for their arrest by next week if action is not taken."

Jesus Sartuche Garcia, 33, of Cotulla pleaded guilty Tuesday before District Judge George Hansard of a charge of felony driving while intoxicated. He was assessed a five-year prison term, probated, and fined \$1000.

Crime Line is also offering rewards of \$300 each in two burglaries reported in the county during the week. Burglars apparently interested in food and entertainment stole 35 pounds of meat from a freezer and also took a 12-string guitar from the home of Valentine Alonzo a mile east of New Home on FM 211 Sunday. The missing items were valued at \$190.

The other burglary was at the home of Elmer Blankenship, 1.5

(See **BURGLARIES**, page 2)

## WOODWORK

BY DALTON

I REALLY LIKE submarine sandwiches, but the periscopes keep messing up my fillings. Wait a minute: What I meant to say was that while I was in Lubbock the other day, I decided to go into Mazio's for a submarine sandwich, because I really like the way they fix them. And I had one of those embarrassing moments.

The girl who took my order gave me a number and handed me a medium-sized drink. I took drink and number to one of those little two-person booths they have a couple of rows of and sipped on my drink while waiting for the sandwich. Gestation period on a ham and cheese sub sandwich is less than 10 minutes, and when they announced my number, I had drank about half of that Coke. I went up to the counter, got my sandwich, returned to the table and had eaten two or three bites before I noticed my drink was missing. It just wasn't there any more. I had seen the manager out busing tables, so I figured that when I got up to get my order, he thought someone had finished and picked up the remainder of the drink and cleaned the table.

So I went back up front and explained to the girl what had happened. She apologized and gave me another drink. I went back to the table and my sandwich was gone. But the drink I had originally was back on the table. "Your sandwich is over here," the girl said, pointing to another table in the same position in another row. Yeah. The first time I had gone back to the wrong table.

Anyway, I now had two drinks, a sandwich and a red face. I finished and left in a hurry before some of the employees came and volunteered to help me find the door.

\*\*\*

A GIANT SPIDER is prowling the neighborhood in the north part of Tahoka. This monster, estimated by those who have seen its web, must be at least a foot or two tall. Nobody has seen this creature, so it apparently is invisible. His web also is invisible, except to a privileged few who have viewed it under just the right circumstances.

I am one of those who have seen a web, covering my entire front yard. But it can only be seen at 6 p.m. in the evening, looking west into the set-

## Sales Tax Rebate For County Told

State Comptroller Bob Bullock sent checks totaling \$56.6 million in local sales tax to the 1,010 cities that levy the one-percent city tax.

October checks represent taxes collected on sales made in August and reported to the Comptroller by Sept. 20.

O'Donnell's net payment this period was \$696.40; comparable

payment prior year-\$539.75; 1985 payments to date-\$10,308.61. Tahoka's net payment was \$3,937.00; comparable payment prior year-\$3,813.27; 1985 payments to date-\$51,734.78. Wilson's net payment this period was 00; comparable payment prior year-00; 1985 payments to date-\$3,271.26.

## Phebe K. Warner Study Club Meets

Phebe K. Warner Study Club met Oct. 8 in the home of Mrs. Virgil Carter with Mrs. Robert Warren as co-hostess.

The members present enjoyed a program presented by five outstanding 4-H Club members. Nadine Dunlap, leader, explained that it was National 4-H Week and told of many valuable lessons, experiences and opportunities presented to the young people who participate.

Patricia Davis mentioned skills learned in a clothing project and the importance of record books kept by members.

Jason Spence told of his project with horses. He has been a good representative both in local, district and state contests.

Jody Woodard said he and Luke Dunlap attended the Texas 4-H Congress on the Texas Tech University campus and learned valuable lessons on how our congress works.

Cody Smith is gaining technical and practical knowledge and experience in agriculture with his project in farming. These young people learn moral and social values, how to be a good sport and have a goal to make best better.

Luke Dunlap reported on the Youth Development program which is for youth age 1-19. They study new skills, technical and social change, citizenship, food and nutrition program, choice and care of clothing. They attend

Teen Leadership lab at Levelland.

This was an excellent program, very well presented and it really did make us wish we could turn back the clock and join a 4-H Club.

Club members gave a shower for Girls' Town.

Next meeting will be Oct. 22 in the home of Grace Huffaker.

The Tahoka Garden Club met Tuesday in the museum. The program was on Rock Gardens and Wild Flowers by Bill Bond of Brownfield. Lahrué Tippit showed the flower display.

The next meeting will be a Thanksgiving luncheon Thursday, Nov. 14, at First Baptist Church. Program will be a slide review of Beauty Spots of South America.

MR. AND MRS. ALVIN KAATZ

## Mr. and Mrs. Alvin Kaatz To Celebrate Golden Wedding Anniversary Saturday

Mr. and Mrs. Alvin Kaatz of Slaton will celebrate their 50th anniversary Saturday, Oct. 19, with a reception from 3 to 5 p.m. at St. Joseph Catholic Hall in Slaton. Hosting the event will be their children and grandchildren.

Kaatz and the former Evelyn Behrend were married Oct. 20, 1935, in Wilson.

Friends of the family are invited to attend. Your presence will be their only gift.

# House-Passed Farm Bill Is Praised, Condemned

After three weeks of lengthy bi-partisan debate, the U.S. House of Representatives passed a five-year farm bill by a roll call vote of 282-141. Congressman Charles Stenholm indicated approval of the bill and the Texas Farmers Union condemned it.

The House version of the 1985 Farm Bill provides that for five crops, beginning in 1986, market prices of major crops will be made more competitive by authority to link loan rates more closely to market conditions. The major crops include wheat, cotton, corn and rice.

A system of target prices would be retained. These target prices

would not be cut from current levels for the 1986 and 1987 crop years. The bill also would allow 5 per cent target price reductions for 1988; 1989 and 1990 crops, but these cuts could not take effect unless farmers' costs first declined by the same amount.

"Obviously, the bill does not please everybody," said Congressman Charles Stenholm (D-Texas). "No farm bill ever does that, and there are still some important steps ahead before we get a final Congressional product. But this bill goes a long way in helping efficient farmers survive today's hard times while staying within the bounds of fiscal responsibility."

The Stamford Congressman said, "The House Ag Committee produced a bill which lays down a program preserving the basic income protection which farmers need in these dangerous times while taking steps toward making the market prices of American products more competitive in world markets."

Texas Farmers Union president Joe Rankin condemned the action of the House on the farm bill. The House killed a committee bill, sponsored by Rep. Berkley W. Bedell (D-Iowa) that called for a referendum among wheat and feed grain farmers to cutting production as a means of boosting domestic prices and reducing surpluses.

"The farm policy makers in Washington had the opportunity to relieve the financial crunch facing the family farmer and they blew it," said Rankin. "Now farmers may not even be able to

turn to their lending sources for relief because of the pending failure of the Farm Credit System. We're not going to support a bail out of the Farm Credit System without a 1985 Farm Bill that provides for improved agricultural income. It seems Congress would rather bail out farm banks down the road than to lend a helping hand now to the farm families that put food on their tables."

The bill, known as H.R. 2100, reauthorizes and in some cases revises federal farm credit and rural development programs. It also extends the Food Stamp Program for five years; the Temporary Food Assistance Program (commodities) is reauthorized for two years.

## Burglaries ...

(continued from page 1)

miles east of Wilson on FM 211, also Sunday. A window was broken out to gain entry. It was not immediately determined what was missing, since the family was out of town, but it appeared the home had been ransacked.

In jail during the week were two persons on charges of public intoxication, and one each for burglary of a habitation, DWI second offense and carrying a weapon, attachment for child support and assault causing bodily injury.

## Community Christmas Chorus Practice Begins

Last Monday night at First Baptist Church, the Community Christmas Chorus started practicing on the Christmas musical "His Love...Reaching" by Ron Huff and Bill and Gloria Gaither. Rehearsals will be held each Monday night from 7-8:15 p.m. at First Baptist and a nursery will be provided.

According to director Carroll Rhodes there was a good beginning turnout but there are still plenty of empty chairs to be filled. Men are especially needed.

Happy Birthday JACKIE

## New Home News

By Florence Davies — Call 924-7479

Jarrell and Sandy Rial and children, Chris, Julie and Jennifer Layne of Benton, Ark. arrived here Friday morning to visit friends and attend the Texas Tech-Arkansas ball game Saturday night. Chris visited with former school mates in Lubbock. He is a 10th grade student in the Bryant School and plays tight end on the football team. Julie and Jennifer are eighth grade students in the Arkansas Baptist school system. Jarrell is director of store operations and Sandy is administrative assistant franchise services with TCBY. A large number of friends met for fellowship with the Rials Friday evening in the Wagon Wheel Restaurant. They attended morning worship services in the New Home Baptist Church. After dinner in Lubbock with the Joe D. Unfred family they left for their home.

Rodney and Leah Overman and boys spent the weekend here with his mother, Mrs. Ruby Overman.

Over six inches of rain was measured here in New Home and more reported in some areas.

Mrs. David Burkhalter of Lubbock is in the St. Mary's Hospital where she had surgery Thursday. She is a former school teacher in the New Home school.

Mr. and Mrs. Ronnie Morris and Kembra of Edmonson visited here Sunday with his father, Donnie Morris, and Marjie. They attended morning services in the New Home Baptist Church.

Myrtle Crumley of Austin spent the weekend here with Bro. Ron and Debbie Walker.

Mrs. Weldon McClintock and

Shirley were in Fort Worth visiting Kerri, Chuck and Jered Vick Thursday until Sunday. They helped Jered celebrate his first birthday.

Mrs. Jean Ray, Mrs. Wendell Morrow and Craig Ewing were in Ardmore Thursday and Friday for Mrs. Ewing's funeral.

Bob and Arlene Bridges of Corpus Christi visited with Jean Ray enroute to Sudan to attend funeral services for Bernice Nix Miller. Alene is a sister of Mrs. Mattie Ewing.

## Brownfield Plans Harvest Festival

The 1985 Harvest Festival in Brownfield will be held Saturday, Oct. 19, beginning with a parade at 10 a.m. A fiddler's contest will be held again this year.

The Harvest Festival Queen will be crowned at 7:30 p.m. and the grand prize, a \$750 shopping spree in Brownfield, will be given away.

The Terry County Fair is open to the public Friday, Oct. 18, from 1-7 p.m. and on Saturday, Oct. 19, from 11 a.m. to 6 p.m. Everyone is invited to attend.

## Tuesday Bridge

The winners of Tuesday night duplicate bridge Oct. 8, were: first, Mildred LeMond and Fern Leslie; second, Mabel Gurley and Valdene Thompson; third, Eunice Hunter and Klydie Scud-day; fourth, Betty Taylor and Ruby Miller.

## Texas Vehicles Must Have Two License Plates

Some states require only that a vehicle have a rear license plate, but Texas law requires both front and rear plates.

The fine for not having both plates on your vehicle can range as high as \$200 according to Department of Public Safety Major V.J. Cawthon, Regional Commander of Lubbock.

The DPS considers compliance with this law important, since it enables law enforcement officers to more easily identify your vehicle if they are attempting to locate you in case of emergency. Having both plates on a vehicle also will make it easier to locate if it has been stolen, Major Cawthon said.

If a person only has one plate, a new set of plates must be obtained from the local office of the county tax assessor-collector. The fee for a new set is \$5.30. To get the new set of plates, the old single plate must be surrendered.

## MERVYN'S OPENING FRIDAY

Balloons, clowns, and a country-western jazz band will be part of the activities when the new Mervyn's store opens at South Plains Mall in Lubbock, Friday. The store will have a grand opening sale starting Friday.

**HEART ASSN. OFFICERS** — Officers of the Lynn County Heart Assn. have been named for the year. From left, standing, are Becky Henley, secretary; Carol Miller, program chairman; and Carroll Rhodes, board member. Seated from left are Linda Tyler, president; Mary Davis, board member; and Weldon Self, publicity chairman. Not shown are Jean Meeks, treasurer and John Brooks, president-elect.

## Leopards Tame Elks 52-27

Coach George Deck's New Home Leopards continued their winning ways in Cotton Center Friday night with a 52-27 victory as New Home quarterback Lloyd Caballero was 10 of 21 passing for four touchdowns and 159 yards. Chuck Smith caught three of those TDs on 12, 50 and 23 yards for a total of 99 yards.

Arthur Silva caught five passes for 62 yards and one TD. Leo Torres had 14 carries for 154 yards and three TDs including runs of 2, 35 and 63 yards. Darrel Paul had 14 carries for 97 yards on the night. Jim Wyatt also kicked four extra points for the Leopards.

Defensively for New Home, Paul recovered two fumbles and blocked one punt; Silva also had two fumble recoveries and one in-

terception and Smith had one interception for the Leopards. Wyatt, Tyrone Watkins and Fritz Speckman also had good defensive games, stated Coach Deck.

New Home improved its overall record to 4-2 and have an open date this week. The Leopard's next game will be Friday, Oct. 25, at 7 p.m. at Smyer.

## Crime Rate Has Increased In 1985

The crime rate and number of major crimes reported in Texas during the first half of 1985 increased, according to statistics furnished by the Texas Department of Public Safety.

"Compared to the first six months of 1984, the crime rate for the first half of 1985 was up eight per cent to 3,111.7 crimes per hundred thousand population," said Colonel Jim Adams, DPS director. "The number of major index crimes reported for the same period was 497,524, an increase of almost 10 per cent."

All major crime categories showed increases in the number of offenses reported.

Rape led the four violent crime categories, increasing 13.8 per cent. Aggravated assault, murder and robbery were up 9.6 per cent, 8.7 per cent and 3.1 per cent respectively.

"Motor vehicle thefts rose 12.4 per cent," Adams pointed out. "Burglarly increased 8.3 per cent and theft was up 10.6 per cent."

Of the total index crimes reported, 21 per cent were cleared by arrests in the first half of 1985. The value of property stolen during the commission of the index crimes was estimated at over \$85 million dollars, with

approximately 230 million dollars in stolen property recovered by police.

"Two Texas law enforcement officers were killed in the line of duty by criminal action in the first six months of this year," Adams said. "Two officers lost their lives in duty-related accidents."

The DPS also said a total of 1,733 assaults on officers were reported.

DWI arrests in the first half of 1985 were up 2.6 per cent, totaling 68,717. Drug arrests increased 14.4 per cent to 31,913.

The crime statistics were derived from reports submitted by 790 law enforcement agencies in the state.

## Bulldog Jackets To Be Sold

The Bulldog jackets ordered by the booster club that have not been picked up will be sold at the Plains football game, Oct. 19.

GO GET 'EM LEOPARDS!

## City-County Library News

Shirley Draper, librarian, reminds schools and churches that the films from the West Texas Library System are now available with new films arriving each month.

New books received are: 1985 Consumer Buying Guide; Brain Child by John Saul; Ronnie and Nancy - A Very Special Love Story by Bill Adler; Backroads of Texas by Ed Syers; Elvis and Me

by Pricilla Presley; Nut-Cracker: Money, Madness and Murder by Shana Alexander; Fletch Won by Gregory McDonald; The Alchemist by Kenneth Goudard; Too Much Too Soon by Jacqueline Briskin; Confessional by Jack Higgins; The Human Animal by Phil Donahue; The Road to Paradise Island by Victoria Holt; Three From Galilee by Marjorie Holmes; Jealousy by Nancy Friday.

## Cancer Patients Offered Services

Recently, the Lynn County Unit of the American Cancer Society appointed Ann Davidson of Wilson chairperson of the Service and Rehabilitation Committee. Through Miss Davidson, the society will continue to offer cancer patients a wide range of services and materials for the home, from beds to bandages to transportation to treatment centers. These are available locally and from the district office in Lubbock.

Anyone needing such services or materials, or who knows of someone else who needs them, may contact Miss Davidson at 628-2641, or at Box 174, Wilson, TX 79381.

**IMPORTANCE OF TEXAS VEGETABLES**--Vegetables add substantially to the Texas economy, with a gross income of \$456,387,000 in 1984 from some 211,300 acres. Onions are the leading crop, accounting for 20 percent of all vegetable income. Cabbage is second in value while white potatoes rank third followed by canteloupes, watermelons, carrots and bell peppers. Sweet potatoes, broccoli, spinach, honeydew melons, cucumbers, lettuce and tomatoes.

## Weekly Health Tip

DAYTON PARKER

### KICK THE HABIT

If you want to kick the smoking habit, chew and enjoy sunflower seeds—the ideal substitute for smoking, because the seeds have a comparable effect on smokers as tobacco, without the metabolic unrest. Sunflower seeds provide brain energy, stimulate the various glands, and help ease allergic reactions. Their oils are calming to the nerves and their high quality B-complex vitamins are beneficial. Pop a handful of sunflower seeds when you feel the urge to smoke.

### GIFT Seminar Set In Lubbock Oct. 19

Science and math teachers derived by Education Service Center Region 17 (Lubbock) interested in the GTE Foundation Growth Initiatives for Teachers (GIFT) fellowship program can get more details at an area seminar beginning at 9 a.m. Saturday, Oct. 19, in Annex Room 2, Central Office, 1628 19th St. in Lubbock.

The GIFT program provides opportunities for school enrichment and professional development to secondary school mathematics and science

teachers. Teachers in both public and accredited non-profit private schools are eligible.

GIFT offers a school enrichment grant of \$2,500 each to the mathematics and science teachers which must be matched by an additional \$2,500 each from the school or community; a personal development grant of up to \$2,500 each for study, field work or in-service training; and an opportunity for each teacher to participate in an all expense paid seminar with GTE scientists, managers and human resource experts to address real-world needs in mathematics and science education.

## ★ POSTAL JOBS ★

### CLERK & CARRIER POSITIONS

(\$9.48/hr to start)

Special announcement for all candidates planning to sign up for the Clerk-Carrier Examination at the Lubbock Post Office as well as many other Post Offices in the 793 and 794 Zip Code Areas when it is announced. [Last given in 1983 — and since it won't be offered again for at least 3 years, don't miss out!]

**4-HOUR WORKSHOP**  
Score 95-100% or Your Tuition is Refunded!

NOW is the time to prepare. The pressure is on to score as high as possible to get the job. Career Postal Workers will now earn a starting salary of \$18,532 plus benefits — with an accelerated step increase plan; men and women, regardless of age, are eligible. The first step toward a postal service career is getting your name onto the "Register of Eligibles," which is accomplished by passing this Exam. To be one of the first hired, you need to get one of the higher scores! And to be hired at all during the next three years, you will need to score at least 95%.

This workshop is being offered now, prior to the formal announcement of the examination dates, to give you adequate time to prepare for the test. Many post offices begin testing within a week of the announcement which isn't enough time to prepare properly. By starting now, you'll be ready to attain high scores using our methods when the test is given.

Come to the workshop. If you don't feel, at the end of the course, that it will help you achieve a score of 95% or better, don't pay for the workshop! Furthermore, if your score is less than 95% on the official exam after using our techniques, we will immediately refund your tuition in full!

WANT TO RELOCATE? We are the publishers of *The Postal Alert*, the bi-weekly newsletter giving you postal exam dates nationwide. Only The Achievement Center provides this service. Learn how you can relocate to any area of the country you like.

- You are invited to bring your tape recorder to record the workshop for personal exam review.
- You may attend as many extra sessions of the workshop as you like (on a space available basis) without additional tuition charge.

**WORKSHOP TUITION** — \$40 (Includes guaranteed 4-hour Workshop, The Corey Guide to Postal Exams with 6 complete practice tests), a Sample Exam with Answers, Workshop Workbook, "12 Important Steps for Getting Hired into the U.S. Postal Service" Booklet. Follow-up consultation privileges, Achievement Award to high scorers and Practice Kit containing Six Additional Practice Exams with Answers, Memory Test Flash Cards, and "Simulated Exam" on cassette tape. Please bring two No. 2 pencils with you to the Workshop. ANNOUNCEMENT WITH SIGN-UP DATES MAILED TO YOUR HOME.

Seating is limited, pre-registration by phone is advised. Otherwise, you may register by arriving thirty minutes early. Tuition is payable at the door by cash, check, money order, MasterCard, VISA or American Express.

**CHOOSE 1 OF 4 WORKSHOPS**  
SAT., October 19th — 9 am-1 pm; 2 pm-6 pm  
SUN., October 20th — 9 am-1 pm; 2 pm-6 pm  
HOLIDAY INN CIVIC CENTER — LUBBOCK  
801 Avenue Q (Downtown Lubbock-adjacent to Civic Center)  
For Instant WORKSHOP RESERVATIONS  
Call Today — TOLL FREE 1-800-233-2545, Ext. 5394-A

CAN'T ATTEND? For the Postal Exam Workshop on cassette tapes, workbooks, and all workshop materials mentioned above — with same full money back guarantee — send \$40 plus \$2.00 for shipping and handling! Send Orders to: The Achievement Center, 688 Union Street, Dept. 5394-A, Manchester, NH 03104. Charge Card orders will be shipped within 48 hours by phoning toll-free 1-800-233-2545, Ext. 5394-A. (Add \$4 for UPS 2-day "blue label" service or \$6 for Federal Express guaranteed 1-2 day delivery.)

## Obituaries

### V. Arkie Wright

Services for V. Arkie Wright, 84, of Levelland were held at 2 p.m. Tuesday, Oct. 15, at College Ave. Baptist Church with the Rev. Gordon Renshaw, pastor, officiating.

Burial was in City of Levelland Cemetery.

He died at 3:30 p.m. Sunday in Lubbock General Hospital after an illness.

He was born in Comanche and moved to Levelland in 1924 from Anson. He was a retired farmer. He married Gladys Bates on Oct. 4, 1920, in Anson. He was a member of College Ave. Baptist Church.

Survivors include his wife; a daughter, Mrs. Wayne (Mona) Waters of Levelland; two sons, James "Son" and Harley, both of Levelland; two sisters, Tressie Richardson of Fort Worth and Mammie Jones of O'Donnell; five grandchildren and 11 great-grandchildren.

### Maximino Lopez

Services for Maximino Lopez, 95, were held at 10 a.m. Tuesday, Oct. 15, in St. Pius X Catholic Church in O'Donnell with the Rev. Howell officiating. Burial was in O'Donnell Cemetery.

He died at 8:50 a.m. Sunday in Lamesa Nursing Center after a lengthy illness.

He was born Aug. 12, 1890, in Mexico. He moved to Lynn County in 1937. He married Nativida Rangel in 1913.

He is survived by three sons, Manuel Lopez and Joe Lopez of O'Donnell and Bonnie Lopez of Fort Worth; eight grandchildren and three great-grandchildren.

### Mattie Ewing

Graveside services for Mattie Ewing, 87, of Ardmore, Okla. were held at 11 a.m. Friday, Oct. 11, at Rose Hill Cemetery with the Rev. John R. Kuhlman officiating.

She died at midnight Tuesday at Elmbrook Nursing Home after an illness.

Mrs. Ewing lived in Oklahoma City most of her life and frequently had visited in the New Home area of Lynn County.

Survivors include a daughter, Vivian Acree of Ardmore; a brother, Joe Miller of Sulphur, La.; three sisters, Alene Bridges Jewel Carlton, both of Corpus Christi and Ida Belle Fowler of Burnet; and five grandchildren.

A son, W.C. Ewing of New Home, died in 1973.

### St. Joseph's To Have Turkey Dinner Nov. 3

St. Joseph's Ladies Altar Society in Slaton will have their annual Turkey-German Sausage dinner Nov. 3 from 11 a.m. to 3 p.m.

The home and school assn. will sell German sausage starting at 11 a.m. on Sunday. If you are unable to purchase sausage on Sunday, it will be sold on Saturday from 9 to 12, at St. Joseph's Hall.

**MONTH'S TOP YARD** — The home of I.C. Dorman, 1828 N. 3rd, has been judged Yard of the Month in Tahoka by Tahoka Garden Club.

### Earlier Harvest Stalls

Heavy rains stalled early harvesting on the Texas High Plains. Growers in southern and eastern counties had used harvest-aid chemicals hoping to get better-than-average grades before weather could affect their seed cotton, according to Mack Bennett, Area Director for USDA's Marketing Services Office at Lubbock.

The Lubbock facility had classed 891 bales for the season through Thursday, Oct. 10. The season's predominant grades were grade 52 at 47 percent followed by grade 42 at 21 percent. Less than one-half of one percent was reduced one grade because of bark.

Predominant staples were staple 32 at 35 percent, staple 33 amounted to 27 percent and staple 31 was 24 percent. The average was 32.05 thirty-seconds of an inch.

Micronaire 34-49 accounted for 56 percent, 33-34 was 19 percent, and 30-32 amounted to 21 percent. The average was 35.

HVI breaking strength averaged 24.9 grams per tex for the season at Lubbock.

None of this season's early ginnings had been reported as sold.

Gins paid growers \$40 to \$50 per ton for cottonseed, basis as is.

USDA's Crop Reporting Board announced Thursday that the estimated 1985-crop production will amount to 13.67 million 480 pound bales.

## FORGET IT AND IGNORE IT!!

This is the wisest rule to follow whenever a well-meaning friend or relative—who does not have a medical degree—offers you some "advice" on how to treat an illness without having to bother calling a doctor. Such advice is almost always incorrect, even though it is offered with the best of intentions.

By heeding a friend's "medical advice" and not going to a doctor, you could lose much valuable time in getting the proper treatment for your condition. Today's doctors spend many years in medical school and in internships before they become qualified to practice medicine. And unless your friend has had identical training and experience, you should forget and ignore his advice and contact a doctor instead.

"A GREAT MANY PEOPLE ENTRUST US with their prescriptions, health needs and other pharmacy products. We consider this trust a privilege and a duty. May we be your personal family pharmacy?"

## A Visit With Your County Agent

By  
Stanley  
Young

Tick population can increase dramatically with wet fall weather, causing inconvenience and health hazards for homeowners and pets.

Ticks are biting, blood-sucking parasites, and their bites may become inflamed and infected due to toxic secretions, points out Stanley Young, county agent with the Texas Agricultural Extension Service, The Texas A&M University System. Tick paralysis, tularemia and Rocky Mountain Spotted Fever may be transmitted through tick bites.

Brown dog, American dog and Lone Star ticks are the most common in Texas home landscapes. Brown dog ticks are reddish-brown while American dog ticks are yellowish-brown when unfed and slate gray when engorged. The brown dog tick rarely occurs in rural areas; instead, it hides in crevices around buildings. American dog ticks are most often found along roads and trails. The Lone Star tick has a characteristic white spot on its back and is commonly referred to as a spot backed tick.

A female tick may lay several thousand eggs, beginning a two-to-four-month life cycle. Remaining stages—six legged larva (seed tick) and eight-legged nymph and adult — generally develop on separate host animals. After each feeding the tick drops off the host and temporarily hides until the next developmental stage.

Regardless of the species, control is basically the same for all ticks. Heavy infestations in the home may require treatment by a professional pest control operator. Spot treatments with household sprays containing

diazinon, chlorpyrifos (Dursban), Baygon, resmethrin or Vapona will provide excellent control of light infestation.

Outside the home where vegetation is thick, use 5 percent carbaryl (Sevin) dust at 20-25 pounds per acre. Increase the rate as vegetation thickens. If using a spray, mix five tablespoons of 25 percent diazinon emulsifiable concentrate (EC) in one gallon of water. Apply one gallon of spray per 1,000 square feet of treated area.

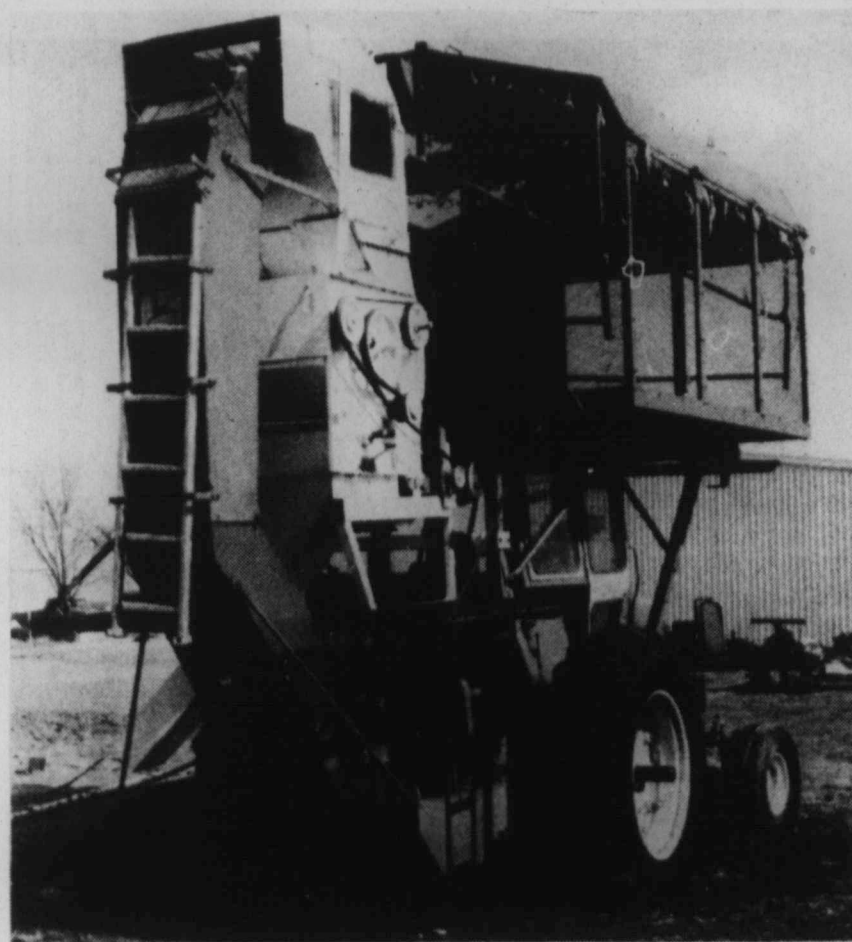

Chlorpyrifos (Dursban) is also suggested for tick control. Apply 1.5 ounces of material per 1,000 square feet of treated area. When spraying, pay particular attention to roadsides, animal trails, paths and pet resting areas. Retreatment may be necessary if tick populations continue to be observed.

As with any pesticide, always read the label on the container for application instructions, cautions Young. Properly store any unused portion of the insecticide under lock and key to prevent accidental child poisoning.

Most species of ticks can't survive in cleared areas where they are exposed to excessive sunlight and predators. So, keeping areas clear of debris is important in tick control.

Hikers and campers may want to use tick repellent materials on their jacket cuffs and on the bottoms of their trousers. Also, Young recommends tucking trousers into the tops of socks or boots. Tightly buttoned sleeves also will aid in physical protection from ticks.

Pet owners should examine their animals frequently. Light infestations can be controlled by

**COTTON BURR EXTRACTORS**--Here are some advantages to cotton burr extractors: Gin cost per bale is less; turnout is increased; burrs stay in field to improve soil; often improves grade of cotton. Arguments against the burr extractor: Slows me down; Newer models do not. But, if they do, what's the hurry. Benefits greatly outweigh the speed. Extractors choke up; If your cotton is too green or too wet to go through the extractor, you don't need to be in the field. (Photo by SCS)

rubbing carbaryl (Sevin) dust into the pet's hair. Also, treat the animal's sleeping quarters every week until ticks are controlled.

If a tick becomes attached to the skin, remove it with a slow, steady pull. Be careful not to break off its mouthparts. A drop of chloroform, isopropyl alcohol, ether, acetone or fingernail polish remover rubbed over the tick may help to remove it. This will reduce the tick's oxygen supply so that the pest can be removed a half-hour later with less damage to the skin.

Always apply an antiseptic to tick bites. If your hands touched the tick, wash them thoroughly with soap and water to reduce the risk of spreading the disease.

### Harvest Aid Decisions Face Cotton Farmers

Recent cold, wet weather across the High Plains caused heavy damage to cotton leaf tissue and essentially eliminated prospects for further fiber

development. As a result, cotton producers must decide whether to terminate the crop with harvest-aid chemicals or wait for a killing freeze to desiccate and condition the crop for harvesting, advises a cotton specialist with the Texas Agricultural Extension Service.

Applying harvest-aid chemicals adds an expense that many producers would rather avoid, noted Dr. James Supak, the Extension specialist. However, it is quite possible that a killing freeze may not occur for another three to five weeks, he warned. "Additional exposure of open cotton to weather elements could result in weight and quality losses that would more than offset the savings incurred by not applying harvest-aid chemicals. A recent analysis by Dr. Jackie Smith, Extension economist and farm management specialist, indicates that yield and quality losses can easily result in losses of \$4-5 per bale each week," he noted.

Although the cotton plants were heavily damaged by the extreme weather conditions, the plants are still alive and capable of carrying out certain functions, Supak said. At this time, the most important of these involves the natural dehydration (hardening) of the bolls. This process will eliminate the possibility of extensive freeze damage (formation of ice crystals within the boll that eventually result in rotting of the boll) and enable the bolls to open normally, Supak said.

Desiccants will be needed to dry and condition plant materials for harvest. These chemicals can be applied once the boll hydration process is essentially completed Supak said. He recommended that the use of desiccants be delayed until 75-80 percent or more of the bolls are open and the remaining bolls are essentially mature.

"Generally, bolls are mature when they are too hard to be dented when squeezed between thumb and fingers, too hard to slice with a sharp knife and when the seed coat becomes light brown in color," he explained.

Desiccants which are approved for use on cotton are paraquat and arsenic acid. These can be used alone or can be tank mixed with accelerate, the Extension Specialist said. Recommended use rates for these chemicals are 1-2 pints paraquat plus 1-2 pints Accelerate per acre; and a tank mix of 1.5 pints arsenic acid plus 1.5 pints Accelerate per acre. For best results, desiccants

## Proper Modules Provide Boon To Cotton Farmers, Gins

The development and rapid acceptance of the module builder is a vast improvement over the conventional cotton trailer for gathering and storing the harvested crop and provides potential benefits for both producers and ginners, says a cotton specialist with the Texas Agricultural Extension Service. But the system has to be used properly, he cautioned.

Properly used, modulating systems complete the mechanization of seed cotton handling from the stalk to the bale, said Dr. James R. Supak, the Extension specialist. They help maintain the quantity and quality of the seed cotton, increase efficiency of handling and ultimately reduce costs, he explained.

"These factors play an important role in determining the profitability of cotton production and ginning on the Texas High Plains," he said.

Supak stressed several considerations to help producers gain maximum benefit from their modulating systems.

The first is to make sure the plants are properly dried, either by a killing frost or use of desiccants, so that the cotton in the modules has only 8 to 12 percent moisture and less than four percent green leaf.

"Since the harvest season on the Plains is normally characterized by dry weather, many modules aren't covered with tarpaulins," the cotton agronomist said. Snow or rain on uncovered modules can endanger a larger volume of cotton than any given gin can handle before the moisture damages the lint and seed, he warned.

"For this reason, it is now recommended that all modules be tarped," he noted.

To prevent moisture from rain or snow from penetrating the module, seed cotton has to be compressed uniformly during the modulating, he said. He recom

should be applied when winds are relatively calm, temperatures are in the 70s or higher and 3-5 days of open, mild weather can be expected.

mended placing the last dump of cotton in the middle of the module to form a slightly rounded top that will permit better drainage of rain or snow.

Extra compaction is needed at the ends of the module to reduce losses during transport, the Extension specialist said. "Forming a good module frequently takes more time than the machine operator is allowed when two or more strippers are assigned to a single module builder," he added.

Location and positioning of modules also is important. Modules should be on prepared sites that allow water to drain away from them and which are accessible to the truck-transporter.

Positioning with respect to existing roadways and adjacent modules should be in accordance with insurance requirements.

A north to south orientation of modules is generally preferred, as this reduces the amount of snow accumulations around the modules.

### Bass Tournament Planned Nov. 2

Buffalo Springs Lake will hold the first Open Bass Fishing Tournament Saturday, Nov. 2, with \$3,000 cash and merchandise prizes to be given away.

Tournament prizes include \$1,000 and a trophy to first place, \$500 to second place, \$250 third place, and a choice of table prizes for fourth-tenth places. The Lake will mark a bass which will be worth \$1000, and will be awarding \$50 to the person who catches the largest bass.

Contestants may register and receive tags at the Buffalo Springs Lake party house beginning at 6 a.m. Saturday, Nov. 2, they may also pre-register at the entrance gate Friday, Nov. 1, from 12 to 8 p.m. Fishing hours will be from 7 a.m. to 4 p.m. on the day of the event. For more information call 747-3353.

**OEA OFFICERS** — New officers of the OEA chapter at Tahoka High School were installed in annual ceremonies Monday at First Baptist Church. Back row, from left, are Connie Spruelli, treasurer; Marissa Roberts, Terri Tillman, Brenda Norwood, president; Jan Stringer, parliamentarian; and Barbara Jaquess, sponsor. In front are Sharla Miller, historian; Patricia Zuniga, vice president; Mary Calvillo, secretary; Julie Meeks and Shun McGruder.

## Jr. High Mustangs Lose 39-24 To Amherst Bulldogs

The Amherst Junior High football team played Wilson Saturday, Oct. 5, at 11 a.m. Amherst won 39-24.

In the first minute of play, Wilson fumbled and Kory Young recovered the ball very quickly. Charles Schovajsa carried the ball several times to get to the 2 yard line. With only 2 minutes into the game, Steve Price scored from the six yard line to make the score 6-0. Our strong defense continued to hold Wilson and they fumbled again. This time Steve Price recovered the ball.

Things were going very much in our favor and with 4:40 left in the first quarter, Charles Schovajsa scored a TD on a 20 yard run to make the score 12-0 in Amherst's favor. Again Wilson fumbled and we recovered. Charles Schovajsa again scored a TD on another run making the score 19-0. Charles Schovajsa got an interception on the 30 yard line but Amherst didn't score on this drive. The strong defense held Wilson until only 25 seconds were left in the first quarter when Wilson scored a TD on a 10 yard run. First

quarter score was Amherst 19, Wilson 6.

Beginning the second quarter, Charles Schovajsa and Steve Price carried the ball with C. Schovajsa scoring a TD. Wilson decides to play ball and with 2:19 left in the first half, Wilson scored a TD. The PAT attempt failed. Halftime score was Amherst 25-Wilson 12.

In the third quarter Schovajsa ran for a TD. Until the end of the third quarter neither team could get much going.

Early in the fourth quarter, Wilson scored a TD but it was called back because of a penalty. With 3:09 left in the ballgame, Schovajsa scored a TD and Steve Price made the PAT. Wilson scored again with 1:31 left in the ballgame making the score Amherst 39-Wilson 24. Charles Schovajsa ran for a TD but it was called back due to a penalty.

## WILSON NEWS

The WHS Cheerleaders want to thank everyone who helped with the Mexican supper Friday night, as well as all the people who attended. The proceeds will go toward the cheerleaders expenses on their trip to Nashville in December.

Cheerleaders are Christi Slone, Tammy Riojas, Trisha Houchin, Julie Poth and Patricia Benavidez.

### Powder Puff Game Set

A new set of cheerleaders will lead the cheers Thursday night at Wilson for the Powder Puff football game.

The senior and freshmen girls will play the junior and sophomore girls in a contest to begin about 7 p.m. (or immediately following the junior high game with New Home).

Senior and junior boys will coach the teams, while freshmen and sophomores will provide cheerleaders and pep squad.

As a money-making project of the junior class, the concession stand will be open with lots of food. A cake auction will be held at halftime.

"Powder-puff mums" have been sold by the junior class with many of the fans purchasing mums for their favorites.

Roy Isham has been released from Lubbock General Hospital and is recuperating at home from injuries he sustained in an auto accident last week.

Mrs. Sue Whisner of Hobbs, N.M. visited last weekend with Mrs. Lorain Crowson. Saturday they visited in Levelland with Mr. and Mrs. Mitch Bartley, Ashley, Beth and Colt.

Mr. and Mrs. Curtis Monk spent the weekend in Snyder visiting Mr. and Mrs. John Shipley and Michael. Michael came home with them for a visit.

There will be no high school football game for Wilson this week. The team expects to attend the O'Donnell game.

The Booster Club will not meet Tuesday.

The Band Boosters have a meeting planned for Thursday, Oct. 24, at 8 p.m. in the band hall. For more information contact Mrs. Pat Schneider, booster president.

The Wilson FHA Club is making plans for a Spook House on Halloween.

## 7th & 8th Grade Football Results

The Tahoka seventh grade football team played Seagraves Thursday and won 20-0. The first touchdown was made by Joey Stone. Luis Garcia and Trey Nance also made TDs. Nance also made two extra points.

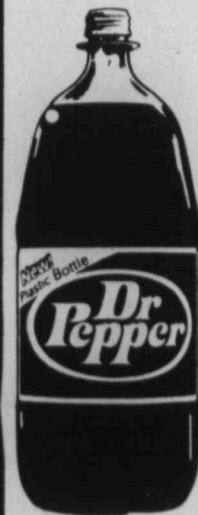

The eighth grade also played Seagraves but lost 26-6. Kevin Hood made the only touchdown for Tahoka.
