School Board Okays Budget Amendment

Tahoka school board last Tuesday voted approval of \$52,546 in budget amendments to take care of expenses incurred which were not budgeted last summer. Work on the public address system at the football stadium, higher than anticipated cost of a new school bus and repairs to the gymnasium roof were the largest items in the list.

In the relatively short meeting—just under three hours—the board also took care of other mostly routine items. Bills were paid, the superintendent was authorized to publish legal notices as required, a contract with the Four County Special Education Cooperative was approved, a desk was sold, and Roxie Dunlap was added to the substitute teacher list.

Business manager Loretta Tekell reported a balance in all funds on Sept. 30 of \$996,897. She also reported that collections for the 1985 tax roll had reached \$55,882, or 6.7 per cent of the total roll.

All seven board members were present, including Bettye Green, Joe Hays, David Midkiff, J.E. Nance Jr., Robert Smith, Jim Wells and Nedra Young. Also present were principals Jerry Lancaster and A.D. Shaver.

No Pass-No Play Rule Hits Band, Junior High

The new school rule prohibiting students from taking part in extracurricular activities if they are not passing all subjects had the greatest effect in Tahoka ISD on the high school band and at the junior high level.

Eleven Bulldog band members among the formerly 61-member band were failing one or more subjects, and this left the band with 50 members, according to director Russell Fuller.

Tahoka's varsity football team lost one player. The junior varsity lost four, so still will have enough to play the season, it was reported. However, the 8th grade football team reportedly was down to 11 players, with eight who were not passing every subject and one suffering a broken wrist last week.

The 7th grade football team, also with 20 players on the roster, lost six of those to grades.

The suspension period for students failing one or more subjects is six weeks.

Dr. Duane Carter, Tahoka High School and junior high principal, said he had no figures on percentage of students who had failed one or more subjects in past years, but gave the opinion that the percentages this year probably are about the same as ever. In high school, 51 of 193 students, or 26 per cent, were failing one or more subjects when

six-weeks grades went out last week.

Dr. Carter also said that in junior high, 52 of 123 students were failing at least one subject, and this is 42 per cent.

A breakdown by grades showed only 4 of 35 seniors, or 11 per cent, in trouble, for the best record, and the worst was nearly half of all 7th graders, 30 of 61 students, or 49 per cent, failing a subject or more.

Twenty-four of 56 sophomores, 43 per cent, were failing at least one subject. For the 8th grade, the figures were 22 of 62 for 36 per cent.

No band members or varsity football players were lost at Wilson to the new rule; in fact, school officials reported that the

23 members of the varsity team averaged 90 or better. Of 76 students in high school, four failed at least one class, and of 39 in junior high, 12 were in trouble. The junior high football team, with 16 on the roster, lost 2 players.

At New Home, 9 of 53 students in high school failed at least one class, including one varsity football player. New Home has no band. Six players and a cheerleader were lost to the junior high football team. Overall, in grades 6-8, New Home junior high had 18 of 48 students failing one subject or more.

Only 9 of 109 O'Donnell High School students were failing a subject or more, and none of these were in band or on the varsity football team, school officials reported.

Bulldogs Lose 35-7, Head For New Deal

The Tahoka Bulldogs, shot down again by a leaky pass defense, will go to New Deal this week for what should be their best chance of winning a ball game among the three remaining games on the schedule.

New Deal lost 28-6 last week to Seagraves, a team which beat Tahoka 52-12, so the Lions will be favored.

Tahoka fell behind 14-0 Friday night at home as the Plains Cowboys scored a 64-yard pass play, Shane McMinn to Billy Curtis, and then Martin Bar-

rientes raced 48 yards for another TD in the first period.

Early in the second period, Tahoka scored on a drive which featured a 31-yard run by Johnny Morin and a 10-yard pass from QB Randy Taylor to End Tadd Knight, down to the Plains 27. From there, Nance ran 7 and then Morin went 9 and then 7 more to the 5. Two plays later, Nance fumbled near the goal line, but tackle Rusty Jennings fell on the ball in the end zone to score the touchdown. Morin kicked point and with 9:45 left in the half it was only 14-7, Plains.

The rest of the second period was a nightmare, however, as Curtis ran 70 yards to score, and then McMinn hit his brother Mickey for two more TDs on passes of 20 and 34 yards.

It was 35-7 at halftime and there were no scores in the second half. Tahoka never seriously threatened and five times tried to make first downs on fourth down, failing each time.

Plains drove to the Tahoka 4 for a first and goal early in the fourth quarter, but Tahoka held, with two good defensive plays made by Knight.

Morin gained 87 yards in 24 carries for Tahoka. Defensively, Knight and Doug Lawson did good work.

Daylight Time Ends Sunday

Daylight Savings Time ends at 2 a.m. Sunday, so when you go to bed Saturday night, run the clock back an hour. For example, if you go to bed at 10:30 p.m., just set the clock back to 9:30 p.m., and then stay up another hour, if you want to.

Montford Urges Voter Turnout

State Sen. John Montford of Lubbock, speaking to Tahoka Rotary Club last Thursday, discussed the upcoming vote on amendments to the Texas constitution and strongly urged all West Texans to make a special effort to vote for Amendments 1 and 2 to implement a water plan for the state.

Montford said some opposition to the water plan has been generated in south Texas, and emphasized that the water plan "is very important to West Texas."

\$100 was stolen from a closet at the Pioneer Club, Oct. 11.

Ralph Ramirez of O'Donnell reported his 1982 GMC pickup burglarized and a Pioneer radio-tape player stolen. The player was valued at \$250 and a broken window glass at \$180.

Thefts From Farm Equipment Reported

Thefts of mounting equipment and parts from cotton strippers on the yard of Taylor Tractor & Equipment Co. in Tahoka over a period of several months was discovered last week and reported to Tahoka Police Dept. Items including mostly nuts, bolts and other accessories valued at a total of \$5673 were reported missing.

A tailgate was stolen off a new GMC pickup at McCord Motor Co.'s lot sometime between Oct. 14 and Oct. 17, police were told. Last Friday a collision in the

1900-block of Main St. involved a 1981 Ford driven by Richard Torrez Maldonado of Tahoka and a 1980 Pontiac driven by Brandy Dustin Bailey, also of Tahoka. There were no injuries.

A 52-year-old Tahoka man was arrested Sunday and charged with transport of alcoholic beverages into a dry county, and six cases of beer were confiscated. The man paid a fine of \$63 before Justice of the Peace Ed Hamilton.

WOODWORK

BY DALTON

IN THE MAIL this week came a letter from an Amarillo cattle company, addressed to me personally, and since I know just a little less than nothing about the cattle business, I was curious to see what they could want. I opened it and read it, and it said that we are about to enter a major bull market. Now, before someone suggests that I ought to do real good in that market, they were talking about the real moo-type cattle.

(Do bulls moo? Well, cows do; maybe bulls just baw).

Anyway, this company wants me to feed cattle and they will provide professional consulting services, for a fee. They are suggesting that I could make a lot of money feeding cattle in the next 12 months.

I hope they are right in suggesting that feeding cattle will be profitable in the next year, because we have some folks around here in the business, and I'd like to see them do well. However, they need not worry about me going into

competition with them—on feeding cattle. I can't even remember to feed our dogs at the same time every day.

KNOTHOLES: A story in the Lubbock Avalanche-Journal reminds us again that some people can tell all about us by our handwriting, how we cross our T's, etc. This is pretty sneaky and is even more reason to type everything, or just use the phone...Kung Fu movies are the biggest waste of film yet, with all those people grunting and hollering and turning flips and supposedly knocking two people out at a time... When Nov. 5 comes, we West Texans all need to take time to go vote on the amendments, especially to vote for No. 1 and No. 2, which are needed to ensure a water plan. Reportedly there may be a heavy turnout against the measures downstate, where folks have the mistaken notion that West Texas is about to steal their water.

Project Upward Bound Offered To Juniors

High school juniors are being sought for the Project Upward Bound at Texas Tech University. The program offers intense sessions in Math, Reading, and Writing from 9 a.m. to 1 p.m. each Saturday morning on the Tech campus. It also offers classes in Personal and Career Development designed to help students decide on who they are and what they want to be.

During the first six weeks of summer, Upward Bound students actually live in the dormitories at Tech. Upon completion of the two year program, the Upward Bounders receive six hours of college credit in which they can transfer to the school of their choice. They also receive a six dollars stipend (allowance) to help cover the cost of gas etc. If the students does not maintain good attendance, and doesn't try, they do not get to continue in Upward Bound.

For more information call 742-3616 or come by 304 West Hall at Texas Tech University and ask for Shelia Lima or Eric Strong.

RUDD HONORED

State Rep. Jim Rudd, Brownfield, was honored in San Antonio recently for establishing a state health care plan for retired teachers. Rudd received an award from the Texas Association of School Boards (TASB) and the Texas Association of School Administrators (TASA) at their joint annual convention Sept. 29.

MRS. ALAN MARK MC NIEL nee Penny Lynn Smith
Penny Lynn Smith—Alan Mark McNeil Exchange Wedding Vows In Garland

Penny Lynn Smith and Alan Mark McNeil exchanged wedding vows Saturday evening, Oct. 19, in Temple Baptist Church, Garland. The minister, Bill Brewer, performed the double ring ceremony.

Parents of the couple are Mr. and Mrs. Charles L. Smith of Garland and Mr. and Mrs. Willis McNeil of Tahoka.

Mrs. Colleen Karr, organist, provided the traditional wedding processional and recessional. Debbie Yates sang "Sunrise, Sunset" and "The Lord's Prayer" accompanied by Mike Barnett at the piano.

Escorted by her father, the bride chose a formal gown of white sheer voile, over peau de soie. The fitted bodice featured a Queen Anne neckline and long sheer sleeves accented with lace. The long train featured rows of lace starting at a tee and extending to cover the entire back of the dress. She carried a bouquet of silk feathered carnations in shades of mauve and burgundy, accented with white and mauve silk and lace ribbon streamers tied in love knots.

Mrs. Pam Durrant served her sister as matron of honor. Bridesmaids were Amy Preston of Tahoka, sister of the groom, and Candy Wynn of Dallas. They wore floor length gowns of light mauve and carried bouquets of silk feathered carnations in shades of mauve and burgundy accented with matching streamers. They wore matching flower pieces in their hair.

The bride's nephew, Russell Durrant, was ringbearer. Ed Roberson of Katy served as best man. Groomsmen were David Howard and Joe Edwards both of Dallas.

Danny Preston of Tahoka, brother-in-law of the groom, and Kevin Lacey of Dallas were ushers and candle lighters.

A reception was held in the fellowship hall of the church following the ceremony.

The bride is a 1981 graduate of North Garland High School and is employed by Fina Oil and Chemical Co.

The bridegroom is a 1977 graduate of Tahoka High School and a 1981 graduate of Angelo State University. He is also employed by Fina Oil and

Chemical Co. The couple will live in Dallas following a wedding trip to Lake Tahoe.

Courtesies

A rehearsal dinner was hosted by the groom's parents Friday night at Gallagher's restaurant in Garland.

R. RORER DRUG
FOOLING AROUND IS USUALLY FOOLISH
 Especially when you don't feel well. That's when it makes no sense at all to fool around wasting time, trying to make excuses for not seeing—or at least phoning—your doctor. All too often, what may seem to be nothing more than just a "minor" stomach upset or a "mile" fever can actually be a signal that something is seriously wrong in your system.
 The penalties for neglecting such signals can include prolonged confinement at home, lost time (and wages) from work, hospitalizations, etc. But these penalties can usually be avoided if you will remember to resist "fooling around" and will instead, seek the advice of your doctor whenever you aren't feeling well.

New Home News

By Florence Davies — Call 924-7479

There will be a Halloween Carnival Saturday, Oct. 26, from 7 to 9:30 p.m. at the New Home School.

Mrs. and Mrs. Garland Peek spent Friday night in Plainview with their daughter and son-in-law, Melody and Ron Miller and daughters, Alessa and Amy.

Mrs. Thurl Swinson was in Methodist Hospital a week for tests. Her sister, Mrs. Bernice Castleberry of Lovington, N.M. was here with them several days.

Mr. and Mrs. Garland Peek and Mr. and Mrs. Gene Wilson of Plainview were in Houston last

week for funeral services for their brother, A.L. Armontrout. The Armontrout family lived in the New Home community many years before moving to Houston.

We met our niece, Mrs. Jerry (Donna Sue) Siegel of Apple Valley, Calif. at the airport in Lubbock Thursday evening and took her to Brownfield where she is spending a week with her mother, Mrs. J.W. Nelson. Donna had been in Houston attending the National Assistance League Convention. She is president of her community chapter. While in Houston she visited with her cousin, Mrs. Barbara (Inman) White.

After a planned camping trip to Floydada was rained out, 11 members of the RAs spent Friday night in the home of their counselor, Stacy Gill, and attended the brotherhood breakfast in the New Home Baptist Church Fellowship Hall Saturday morning. The boys presented a skit, 'Good News.'

Mrs. June Davis has moved from New Home to Lubbock. She is a secretary in the Lubbock State School. Her daughter, Patricia, and her husband Jeff, are moving into her farm home.

Will Barnett, 14, received a broken collar bone in football practice Friday at school.

Mrs. Juanita Zant remains in serious condition in ICU Methodist Hospital. Many out of town relatives and friends were here for funeral services for Oral Cates Zant. Sincere sympathy of the entire community is extended to the family.

Halloween Precautions Are Advised By TSA

The Texas Safety Association suggests sensible precautions to keep Halloween happy and safe for your children and home:

"When in doubt, throw it out," advises George Gustafson, Executive Vice President of TSA, when discussing Halloween treats. "If a food or candy item has no wrapping, or the covering is loose or torn, discard it. Wash and slice fruit before allowing your child to eat it. Concerned and considerate treat-givers might help by providing non-food items, such as pennies or nickels, snack food coupons or bright decals for the children's school binders," he adds.

Pre-plan the route, staying in familiar neighborhoods and only visiting homes that show the trick-or-treat signal of a lighted porch or yard.

An older teenager or adult should accompany young children on their journeys. Older children walking their route with friends need to thoroughly discuss safety rules with parents beforehand.

Set time limits for their travels. Costumes and masks should not restrict movement or eyesight, or trail on the ground. Face paint or normal make-up products can provide frightening effects while allowing freedom of sight. Use lots of light colors in costumes, or reflective tape, and pass out plenty of flashlights.

Make certain your yard, driveway, porch and sidewalks are free of obstructions if you are handing out treats to the tiny revelers. If you're driving, take extra care to watch for small ghostly pedestrians.

Eagles Drop Meadow 13-7

The O'Donnell Eagles stayed on top of Dist. 7-A last Friday, downing Meadow 13-7 on touchdowns by Bobby Sanchez and Arthur Ortiz.

The Eagles had 262 yards rushing to only 118 for Meadow, which managed a touchdown in the last quarter after O'Donnell already had a 13-point lead.

I want to say that it's a sad day for the people when the Governor and representatives claim the 6 article, freedom of choice, for themselves then in the same session pass a law that denies that the citizens of the same state do not have the right to that same constitutional article. Why?

We are talking about a national constitution article. If you want the seat belts then wear them. But let me have the same right that you take. One more freedom is gone if we let them get away with this. I received information that the majority voting for this were Democrats. Mr. Mark White being the chief one and he was the one that claimed this freedom of choice for the representatives. Rep. Blake is introducing legislation in the next session to repeal this so-called

law. He is from Nacogdoches, TX. Lets please wake up and vote for this freedom. They have not one shred of evidence or ever will have that proves that not wearing seat belts caused a wreck. This is your freedom and mine at stake, friend.

These representatives and governor are all under oath to uphold the constitution of the USA for everyone!

Thanks,
E.L. Autry
Rt. 5 Box 334
Tahoka, TX 79373

Rep. Blake says to write him, and give your views that you support him in this. His address is Rep. Ron Blake, P.O. Box 12068, Austin, TX 78711.

Watch For IRS Imposters

Persons posing as employees of the Internal Revenue Service occasionally attempt to harass taxpayers or to collect money for what the imposter claims are unpaid taxes, the IRS says. Generally, taxpayers who owe money to the IRS will receive a written notice before being contacted in person.

The IRS advises that taxpayers should request to see the credentials of any individual claiming to represent the IRS. Any IRS employee who makes contact with the public is required to carry distinctive identification and must show this when conducting official business.

Taxpayers can verify the validity of the credentials offered by contacting the nearest IRS office.

Weekly Health Tip

DAYTON PARKER

REGULARITY

Too many people believe that a daily laxative must be standard procedure in order to keep regular. An occasional skipped day or even two or three days should be no cause for alarm, states the California Medical Assn. They note that many laxatives produce undesirable side effects. Increase your bulk intake by eating more fresh raw fruits and vegetables. Drink plenty of liquids too — you can enjoy healthful regularity without laxatives.

NOTICE TO PARENTS

Parents of students and eligible students are hereby notified by the Tahoka Independent School District of their rights under the General Education Provisions Act, Title IV of Public Law 90-247 as amended.

INSPECTION AND REVIEW OF EDUCATION RECORDS

Parents of student or an eligible student have the right upon request to inspect and review the education records of the student, such request to be made at the principal's office of the school which the student attends or the last school which the student attended. This right includes the right to a response from the school to reasonable requests for explanations and interpretations of the records, and the right to obtain copies of the record when failure to supply copies would effectively prevent inspection and review. Copies of the record are also available upon request at the principal's office for a fee of ten cents per page.

AMENDMENT OF EDUCATION RECORDS

A parent of a student or an eligible student has the right to an opportunity to seek the correction of education records through a request to amend the records and a hearing. If the request to amend the record is denied, the parent or eligible student has the right to place a statement of explanation or disagreement in the record.

DISCLOSURE OF PERSONALLY IDENTIFIABLE INFORMATION FROM EDUCATION RECORDS

Personally identifiable information from the educational record of a student will not be disclosed without the prior written consent of the parent of a student or an eligible student, except in those instances described in Tahoka Independent School District Board Policy PL. This regulation specifies parent and eligible student rights in detail. Copies of Tahoka I.S.D. Board Policy PL are available from the school principal's office.

DIRECTORY INFORMATION

Directory information from the educational records of an attending student will be disclosed without prior written consent unless the parent of the student or the eligible student notifies the principal's office in writing within 30 days of the publication of this notice that such information is not to be designated directory information with respect to that student. Directory information is defined as the student's name, address, telephone number, parents' name, date and place of birth of the student, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received and most recent previous school attended by student.

RECORD OF DISCLOSURES

A record of disclosures of personally identifiable information from the education records of a student will be maintained and the parent of a student or an eligible student has a right to inspect that record. Exceptions to this rule are found in the Tahoka I.S.D. Board Policy PL.

COMPLAINTS

Parents of students and eligible students have the right to file complaints of alleged failures by this school district to comply with the requirements of the above Act and its regulations. Such complaints may be sent to the Family Educational Rights and Privacy Act Office (FERPA), Department of Education, 400 Maryland Ave., S.W., Washington, D.C. 20202.

NOTICIA A LOS PADRES

A Visit With Your County Agent

By Stanley Young

Homeowners can take steps to get their lawns in shape for next spring.

Weed, disease and insect control along with fall fertilization can help get lawns off to a fast start next year.

Chinch bugs, white grubs and armyworms must be controlled during late summer and fall. Insect damage weakens turf and allows weeds to invade the lawn. Timely applications of insecticides such as diazinon or chlorpyrifos (dursban) will control most lawn insect problems.

Fall fertilization maintains the lawn's green color and promotes early spring green-up. A dense, vigorous turf produced by proper fertilization also keeps winter weeds from invading lawns.

Young recommends applying a complete fertilizer with a 3-1-2, 4-1-2 or similar ratio of nitrogen, phosphorus and potash at a rate of 1 to 2 pounds of nitrogen per 1,000 square feet.

If winter weeds have been a problem in past years, apply a pre-emergence herbicide (chemical weed killer); for additional protection against weeds, materials containing atrazine, benefin, bensulide and dacthal provide pre-emergence control of many winter annual weeds. Some pre-emergence herbicides are available in formulations

with fertilizers, which simplifies application.

Young cautions homeowners to follow label instructions in regard to grass species and rates of application when using herbicides. Materials containing atrazine should not be used around trees and shrubs.

As far as disease control is concerned, Young suggests applying a fungicide on St. Augustine lawns to prevent damage from brown patch. Not only is brown patch unsightly, but weeds generally invade the lawn in disease-weakened areas. Also, spring recovery is delayed in areas damaged by brown patch.

Fungicides containing PCNB (Terraclor, Ortho Lawn Fungicide) benomyl (Benlate, Tersan 1991) or chlorothalonil (Daconil)

control brown patch when applied according to label instructions.

Young also recommends raising the mowing height in October to 2 1/2 or 3 inches for St. Augustine and 1 1/2 or 2 inches for bermuda lawns. The taller grass provides more cover and insulation for the growing points of the grass and reduces the chance for winterkill.

Another fall task for homeowners is to remove excess accumulations of grass clippings or tree leaves from the lawn. The excess debris from these sources increases thatch accumulation and creates a favorable habitat for insects and disease organisms.

St. Joseph's To Have Turkey Dinner Nov. 3

St. Joseph's Ladies Altar Society in Slaton will have their annual Turkey-German Sausage dinner Nov. 3 from 11 a.m. to 3 p.m.

The home and school assn. will sell German sausage starting at 11 a.m. on Sunday. If you are unable to purchase sausage on Sunday, it will be sold on Saturday from 9 to 12, at St. Joseph's Hall.

SCUBA, as in scuba-diving, stands for "Self-Contained Underwater Breathing Apparatus."

WHAT YOU SEED IS WHAT YOU GET!

We
WE GET BETTER COTTON, YOU GET A BETTER PRICE.

YOU PLANT You want a good cotton variety that sticks well in the boll, isn't easily wiped out by disease and fruits high off the ground. And when it comes time for stripping, you want a cotton that grades well, has good staple length and uniformity, and provides good turnout at the gin. Certified and Generation One Deltapine SR-383, both from Terra Seed Company, are just what you're looking for in stripper cotton. Generation One, from Terra Seed, is one year away from certified, yet has all the same properties of the SR-383 parent plant. For the past 3 years, farmers who planted our Deltapine SR-383, and sold it through an astute marketing program, have realized premiums of up to \$25 per bale, based on premium micronaire and strength. And for those of you who want a more economical seed, new Generation One helps take the hassle out of catching your own seed for replanting next season. No longer do you have to go through all the headaches of catching and delinting your seed when Terra Seed's Generation One is already done for you, and will be available at select seed prices in 1986.

YOU GET. When you plant Certified or Generation One Deltapine SR-383 from Terra Seed, you get the combination of superior fiber properties and high yield potential! You get an erect, compact plant with short fruiting branches and large to very large boll size, excellent tolerance to verticillium wilt and good tolerance to the fusarium wilt-rootknot nematode complex. Five year records show an average strength of 28 grams/tex, average staple of 33, average uniformity of 81.8, and premium micronaire. Plus you get a cotton with built in marketing advantages that has consistently sold well above the loan.

FOR PLANTING SEED, CALL YOUR TERRA SEED DEALER.
1-800-744-4592

WE WANT. Texas Cotton Marketing Corporation (TCMC) wants to buy your Deltapine SR-383 lint cotton produced from Certified and Generation One cottonseed. TCMC has provided textile mills the Texas Tech Research Center spinning results for several years in order to generate a premium market for SR-383. By sending HVI information and supplying sample loads for mill trials, mill buyers have discovered SR-383's benefits of high strength, high uniformity, and good mio. We need your SR-383 lint to supply the market TCMC has helped to develop. TCMC encourages you to block gin your SR-383 production thus assuring pure SR-383 lint cotton. You should contact your ginner concerning harvest and ginning arrangements needed for the 1985 crop. If you planted SR-383 this year, call your ginner or Texas Cotton Marketing Corporation for more information on premium markets for your 1985 production.

WE GET. When we buy your blocked Certified or Generation One SR-383 cotton, we get one of the finest stripper cotton fibers on the market today. We also get pure SR-383 which is of more value in our market, so in turn we are able to offer you the best price possible.

WE ALL WIN! You'll win with the high yield and storm resistant qualities of SR-383, plus you get the added benefit of having established markets through Texas Cotton Marketing Corporation. Pure and simple, premium markets demand premium quality.

More Rain Keeps Harvest Slow

More rain fell on already saturated High Plains cotton fields this week, according to Mack Bennett, Area Director for USDA's Marketing Service Offices at Lubbock. Second growth has been reported in some fields where harvest is still underway.

sprayed about mid-September. Growers had hoped to get a headstart on this season's harvest. Moderate to heavy rains have delayed harvesting since then, Bennett continued.

The USDA facility at Lubbock classed over 600 samples during the week ended Thursday, Oct. 17. This brought the season's total to 1500 and compares with about 3600 classed by the same date last year.

The week's predominant grades were grade 52 at 59 percent and grade 42 at 29 percent. About 2 percent was reduced one grade because of bark.

Predominant staples were staple 33 at 27 percent followed by staple 31 with 26 percent and staple 32 was 19 percent. The average was 31.9 thirty-seconds of an inch.

Micronaire 35-49 accounted for 78 percent and 33-34 was 14 percent. The average was 37.

HVI breaking strength averaged 25 grams per tex at Lubbock during the week.

No new-crop Texas cotton has been reported sold. High Plains growers sold some loan equities at \$5 to \$10 per bale, mostly \$5.

Gins paid growers \$42 to \$55 per ton for cottonseed, mostly \$49 to \$50, basis as is.

Meanwhile, in other parts of the cotton belt, growers sold new-crop ineligible for CCC loan at 100 to 300 points under loan rates.

SCRIPTURE

Isaiah 1:18; St. Mark 4:19
St. Luke 21:34; I Peter 5:6-7
"Come now, and let us reason together."

"Good morning, Mr. Smith, how are you?" I spoke to a patient in the hospital.

He answered, "I am so happy this morning. I begged Jesus to stay with me here (with hand over his heart) and He did; and I am so happy." He looked up at me with the radiant eyes of youth.

Mr. W.B. Smith is 94, and he lay in his hospital bed with the poise of true wisdom, and a peace which the world can hardly understand. Sometimes, when alone, he looked out the window apparently in quiet meditation.

As he talked to me of his love for Jesus, saying Jesus was his Friend, he also said, "God bless you", as he lovingly patted my hand, and my cup of blessing was filled to overflowing. I knew a joyous response had been awakened in me as my spirit witnessed humbly with his spirit that Jesus Christ is Lord and Saviour and ever-present Friend!

Are you happy in Jesus today? If you are not, I recommend the method which Mr. Smith used: pleading prayer and meditation. Also, reading of God's Holy Word, for therein is our inspiration and food and comfort and instruction, interpreted to us by the Holy Spirit.

May God have mercy on us, for so many who claim Jesus as their Saviour have lost the joy of His fellowship. Why? Because of being too busy going their own way. Think of this, for one can become so involved with the cares of this present world, working almost desperately for the things that perish (money, bread, and sleep!) that we do not give God a moment or a chance to live in us. He waits, and calls us, but we can go right on past Him, choosing our own desires and lesser things. Therefore one misses the friendship and companionship of Jesus, which brings the joy and delight and wonder and wisdom that daily restores the soul!

When we go our own way, instead of following Jesus, we miss the green pastures and the still waters, and His leadership in the paths of righteous living. Then we do not know Him well enough to trust Him without fear when we come into the shadow of death; for we have neglected to become aware of the sunshine and light of His power and His love before the testing time came. We are weak and anemic, too, for we have failed to eat at the table He has prepared for us.

Have you walked today where Jesus walked — or have you gone your own way with no response to His eternal love for you? Can you say with the same real and forceful joy of Mr. Smith that you are happy because you know Jesus is in your heart, with you today?

Have you accepted Jesus as your Saviour, knowing that He loves you enough to die to save you from your sins? Even though you are sinful, you are the one Jesus loves and wants for His own, to be with Him eternally. He died to save you and me from eternal death, that we might through accepting Him have eternal life.

"Jesus! O how sweet the Name,
"Jesus! Every day the same.
"Jesus! Let all saints proclaim.
"The precious Name of Jesus."
"Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved."

I am glad I did not miss seeing Mr. Smith, but I am even more glad that I have been spiritually "born again" so that I was able to know that his Friend Jesus also was my Friend, ever-loving, forgiving, almighty in power — my Lord and my God.

Do you know the joy of belonging to Jesus today? You can, if you will.
