TAHOKA, LYNN COUNTY, TEXAS, THURSDAY, NOVEMBER 21, 1985

10 PAGES IN ONE SECTION PLUS INSERT

## High School Open House Set Monday

Tahoka Junior-Senior High School will hold an open house for all members of the community from 7 to 8 p.m. Monday.

The entire school will be open. Parents and visitors may travel freely through the school, or if they wish, a Student Council guide will be assigned to aid them. The principal, school guidance counselor, and all junior high and high school teachers will be present for any questions or inquiries.

Anyone with questions concerning open house may contact the high school at 998-4538.

**WRECK INJURES FOUR**--Four persons were injured last Monday as the vehicles shown in these two pictures collided at Ave. L and Lockwood in Tahoka. In the car above were Alecia Hancock and her two-year-old son, and in the Pontiac below were Mr. and Mrs. Irvin Dunagan. Dunagan remained hospitalized Wednesday, but the other three had been released. The Hancock car came to a stop in the front yard of Rev. George Ray's home, the First Baptist Church parsonage, smashing a pot just outside the house. (LYNN COUNTY NEWS PHOTO)

## Four Persons Hurt As Autos Collide

Tahoka police investigated several accidents during the past week, two of which were at the same intersection approximately three hours apart.

A major accident occurred on Thursday, Nov. 14, at Lockwood and Ave. L that involved a 1983 Oldsmobile driven by Alecia Hancock of Tahoka and a late model Pontiac driven by Irvin Dunagan of Tahoka. According to reports, the two vehicles collided, which caused the Dunagan vehicle to collide with a Pepsi truck parked on Thriftway parking lot. Four people were injured in the mishap, including Alecia Hancock and her two-year old son Blandon, they were treated

and released from Lynn County Hospital. Mrs. Dunagan was released on Monday while Irvin Dunagan remains hospitalized with a broken clavicle and rib injuries.

Another accident at Lockwood and Ave. L involved a 1968 Mercury driven by Joe Rodriguez and a 1984 Dodge van driven by Isidro Valdez of Tahoka. No injuries were reported.

Because of several accidents that have occurred at Lockwood and Ave. L, police urge all drivers to slow down and drive with caution due to heavy traffic from Allsup's and Thriftway shoppers.

Police investigated a hit and run accident on Saturday, Nov. 9, that involved a legally parked late model GMC pickup owned by Kent Elliott of Tahoka. The vehicle was parked at Thriftway parking lot and an unknown vehicle left the scene.

Another hit and run accident occurred on Monday at Dayton Parker Pharmacy that involved a 1979 Thunderbird owned by Joe Leal of Lubbock as an unknown party had left the scene.

## Early Paper Next Week

Because of the Thanksgiving holiday, next week's paper will be published a day earlier than usual, so all copy for the next edition should be in the office by 9 a.m. Tuesday.

The Lynn County News will be closed Thursday and Friday.

which is 41.8 per cent of the total roll.

Fees for the use of Gardner gym were increased to \$20 for 2½ hours of use. The board also accepted the bid of Clifford Tindell on a surplus school bus, \$826 for the 1975 model.

President Hays advised the board of a letter from Brownfield ISD Supt. Don Hendley commending Dr. Duane Carter and others from Tahoka who assisted when the Brownfield school bus carrying cheerleaders was involved in a collision in Tahoka.

Sheriff's deputies investigated a report of criminal mischief at O'Donnell. Between Friday and Tuesday someone broke the plexiglas out of a key pump box owned by Lamesa Butane, located behind Allsup's in O'Donnell. Damage was estimated at \$300. Crime Line has offered a \$200 reward in the case.

In jail during the week were one person each for burglary of a habitation, DWI second offense, violation of probation, public intoxication and disorderly conduct.

**LOTS OF WALKING** — Jhonnette Havens, left, chairperson for the Turkeywalk which raised money for the Heart Association in Tahoka last Saturday, is shown with two participants who made the most miles, Odette Morin, a high school student, who led the field with 20 miles, and Mrs. John (Ma) Hill, 78, who left most younger participants gasping as she walked 15 miles. The 28 walkers had a total of 130 miles; total amount of proceeds was not determined by Wednesday; participants recruited sponsors prior to the event who made pledges based on the number of miles the participant completed. Each walker who turns in \$25 or more will receive a T-shirt and the top eight will also receive a turkey furnished by Thriftway and Summitt Venture Foods. (LYNN COUNTY NEWS PHOTO)

**GOIN' NOWHERE FAST** — Chad Joy (67) is in on a tackle for the Wilson Mustangs as other players in on the play include Richard Nolte (91), Timmy Riojas (45), Paul Ehlers (68), Ruben Garcia (40) and Craig Wuensche (75). Roscoe remains in the playoffs with a 47-0 win over Wilson.

**Crime LINE** 998-5145  
**Crime Line Offers \$200 Reward ...**

## Audit Of Finances For School Approved

Tahoka school finances looked a lot better on paper at the end of August than they did at the same time in 1984, thanks to a large transfusion of funds from the state to take care of new state-mandated programs in the public schools.

Becky Lusk, representing the accounting firm of Bolinger, Segars, Gilbert & Moss of Lubbock, presented the annual audit of school finances to the board last Thursday night, and the audit was unanimously approved by the board.

The report showed more than a million dollars in income above the previous year, and also showed a fund balance at the end of the school year of \$1,161,169, compared to

\$375,195 on Aug. 31, 1984. Noting that the school's finances are in very good shape, school board members indicated a hope that this will mean the school can operate for a long time without having to increase taxes, although some costs of implementing new programs still must be faced in the next year or two.

Present at last week's meeting were Joe Hays, David Midkiff, J.E. Nance Jr., Robert Smith, Jim Wells and Nedra Young, with member Bettye Green absent.

Business manager Loretta Tekell reported that as of Oct. 31, a total of \$321,134 had been collected on the 1985 tax roll.

## Top Americanism Speaker To Be At Chamber Banquet

Mrs. Merle Nelson Anthony of Wichita Falls, described as "the kind of speaker who makes you proud to be an American," will be speaker for the annual Tahoka Chamber of Commerce banquet next March 14.

"Some chambers of commerce in this area have stopped having speakers at their annual banquets," said Dalton Wood, president of the chamber, "and we had decided to do that, too, until we heard from someone who has heard Mrs. Anthony that she was available, and that she is really a top quality speaker."

Mrs. Anthony may speak on the Texas Sesquicentennial; she has spoken on the topic to members of at least one statewide organization.

Holder of numerous awards for activities related to Americanism, Mrs. Anthony is a teacher of history, literature and humanities at Wichita Falls High School, and has taught citizenship-immigrant classes at Midwestern University for many years. She also teaches a Bible Class at Floral Heights United Methodist Church. The banquet next March is to

MY BIRTHDAY is not quite here yet, but already I have received several greetings from insurance companies. It seems that everybody in the world is in the insurance businesses, from Texaco and J.C. Penney through American Express and Zeppo's Corner Grocery. And they all want to sell me something really and truly great, designed personally for my own situation.

What the letters say, although to get the full message you have to read between the lines a bit is:

"Happy Birthday, Dalton A. Wood (it's always that way, because your name is put in by a computer). You are about to reach the age at which your insurance premiums will go out of sight, so you'd better take advantage of the lower rates within the next month. Remember, this policy will pay you a bunch of money while you lay at death's edge in the hospital, which is pretty likely as soon as you have your birthday next month."

As one gets older, he may get fewer greeting cards on his birthday, because there aren't as many people around to remember it as there once were, but the insurance companies never forget.

SPEAKING of how folks are always getting letters from computers of companies trying to sell us something, we got a good one not long ago. The computer, programmed to insert the prospect's full name into the sales pitch the first time and then insert "Mr." plus the last name on subse-

quent references, did this: The letter was addressed to "The Lynn County News", and then it started out this way: "Dear Mr. News,"

COMPUTERS AND ROBOTS that will do almost anything, trips to the moon and voice-controlled typewriters all pose no problems to our scientific masterminds, but society still has to put up with flat-top roofs that leak, commodes that won't flush properly and the common cold. Right now it's the season for the latter, and those of us who don't already have a cold are apprehensively waiting for one.

All around me friends, fellow workers, and acquaintances are falling with colds, so it's just a matter of time before I get zapped. And I do so detest the lousy way I feel when I have a cold. And it seems that when I do get one, it stays with me for a month or more.

What can one do when he or she feels a cold coming on? Well, I've heard that you should get lots of rest, drink lots of liquids, and some say massive doses of Vitamin C will help prevent a cold in the first place. If you go running to the doctor before you even begin to feel too bad, you likely will get a prescription for an anti-biotic, probably the same one you got last time you had a cold.

To avoid catching a cold in the first place, you need to isolate yourself from people in the winter. Like maybe you could be manager of a motel on Three Mile Island.

### THS Juniors Take Tests

BEN O. WILKE

### Ben O. Wilke To Be Honored On Birthday

A reception will be held in honor of Ben O. Wilke's 80th birthday Sunday, Nov. 24, from 2 to 4 p.m. in the St. John Lutheran Church Educational Building in Wilson. The reception will be hosted by his sons, Mr. and Mrs. Curtis Wilke and Mr. and Mrs. Carlton Wilke and grandchildren.

Everyone is invited to attend.

"The crisis of yesterday is the joke of tomorrow."  
H.G. Wells

Thirty-six Tahoka High School juniors took the Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test, also known as the PSAT/NMSQT, Tuesday, Oct. 22.

"Students take the PSAT/NMSQT for several reasons," said Miss Molly Helmlinger, Director of Guidance and Counseling at Tahoka High School. "The PSAT/NMSQT is the qualifying exam for students wishing to participate in competitions of the National Merit Scholarship Corporation. Students can also find out, by their scores on the test, how they rank among their peers in other parts of the country."

The test also provides an opportunity to become familiar with types of questions similar to those on the Scholastic Aptitude Test, which many college-bound students take. In addition, the test is the first step in qualifying for the National Hispanic Scholar Awards Program and the National Achievement Scholarship Program for Outstanding Negro Students.

MONICA VIVIAL and ANDY MAEKER

### Couple Plans December Wedding

Mary Vivial and James Vivial of Lubbock announce the engagement and approaching marriage of their daughter, Monica Denise, to John Andrew Lynn Maeker, son of Mr. and Mrs. Lynn Maeker, of near New Home.

The couple plans to be married Dec. 6, 1985 at Blessed Sacrament Catholic Church in Wilson.

The Tahoka Garden Club met Nov. 14 for their Thanksgiving luncheon at the First Baptist Church. Lennie Blackwell showed slides on the beauty spots of South America.

Mrs. Florene McCracken and Mrs. H.R. Tankersley won artistic display for their best decorated table.

The next meeting will be held in the home of Esta Mae Kidwell on Dec. 17 with the theme, "God's Gift."

**DON'T LET THE CHILDREN BURN** (Part 1)--One-fourth of the victims of home fires in this nation are children under 14 years of age, and that emphasizes the need to teach youngsters what to do in case of a fire. A home fire drill can help children survive a fire, points out a safety engineer with the Texas Agricultural Extension Service, The Texas A&M University System. Parents and their children can practice a number of different fire drills to survive a home fire. The first of these is called "Meet the Fire Chief" in which the entire family gets together to make escape plans.

### Dallas Mothers' Club donates cookbook profits to Texas A&M library

COLLEGE STATION — A little hullabaloo in the kitchen never hurt anyone.

With recipes like President Ronald Reagan's Favorite Macaroni and Cheese and Vice President George Bush's Lemon Bars, this particular hullabaloo can keep even novice chefs piddlin' in the kitchen for hours.

"Hullabaloo in the Kitchen" is a cookbook published by the Dallas A&M Mothers' Club that's already underwritten a \$25,000 President's Endowed Scholarship at Texas A&M University and will bring \$25,000 from additional sales to support the university's Sterling C. Evans Library.

Beginning in 1922 and now 432 members strong, the Dallas club is the first and largest of the Federation of Texas A&M University Mothers' Clubs.

Last year (July 1984 - July 1985) the federation donated more than \$122,000 in support of Texas A&M programs like the Ross Volunteers, Aggie Band, Student Y, programs of the Memorial Student Center, Off Campus Aggies, the Residence Halls Association and other service organizations. Of the total amount, more than \$35,000 was raised and contributed by the Dallas club, which also contributed 2,909 cookies out of the 34,908 homemade munchies provided by the various clubs to feed hungry workers during the annual bonfire construction.

"The cookbook has been one of our big money-makers," said Bonnie Leisler, former president of the club, indicating that all 7,000 books from the first printing have been sold in the last 18 months. Sales from the second printing of 7,000 will be used to support the library, she said.

The library will use the \$25,000 gift to purchase Texas materials, all of which will contain a special bookplate with the Dallas club's emblem.

**FISH FARMING CONFERENCE**--Dealing with increased demand and production will be the focus of some of the discussions at the annual Texas Fish Farming Conference and Fish Farmers of Texas Convention Jan. 29-30 at Texas A&M University. The conference also will feature a special workshop for new and prospective catfish farmers as well as discussions on the latest developments in fish culture, says a fish disease specialist with the Texas Agricultural Extension Service. Key discussions will be on redfish aquaculture, groundwater in aquaculture, handling and processing of aquaculture products, assessing pond condition, pest control in aquaculture, marketing alternatives and advertising, and pond fertilization.

"He who does not know the force of words cannot know men." Confucius

### Look Who's New

Lt. J.G. and Patti Kilpatrick and big sister, Erin, announce the birth of Lance Allan, born in Norfolk, VA, Nov. 6, 1985. He weighed 6 lbs. 6 ozs. and was 20 1/2 inches long.

Grandparents are Mr. and Mrs. E.L. Short of Tahoka and Mr. and Mrs. W.M. Kilpatrick Jr. of Memphis, Texas.

Great-grandparents are Mrs. C.E. Short of Tahoka and Mr. and Mrs. Bill Kilpatrick of Memphis, Tex.

Merle is currently serving as communications officer aboard the USS Detroit in Norfolk.

### Arts & Crafts Festival Planned

An Arts & Crafts Festival will be held Saturday, Nov. 23, from 10 a.m. to 6 p.m. at Abernathy Community Center.

Paintings, Ceramics and other crafts will be available. Foods, such as pecans, turkeys, and baked goods will also be sold.

### Tuesday Bridge

The winners at Tuesday night duplicate bridge Nov. 12 were:

North-South players: first, Ken Wilson and Bill Swart; second, Evelyn Anderson and Auda Norman; third, Lottie Jo Walker and Roy LeMond.

East-West players: first, Genny Park and Charles Brown; second, Maxine Edwards and Fern Leslie; third, Carol Maule and James McAllister.

**COST OF WATER FOR THANKSGIVING FEAST**--Imagine paying \$426.74 for this year's Thanksgiving feast for a family of eight. And that's just for the cost of the water needed to produce that feast. It takes a lot of water to put food on the table, says an agricultural engineer with the Texas Agricultural Extension Service, who cites figures from the Freshwater Society, a water conservation organization, regarding the amount of water needed to produce a Thanksgiving Day feast--42,674 gallons. That's enough water to fill a 30 by 50 foot swimming pool, and at just one cent a gallon, it would cost \$426.74.

### Ronald B. Roberts Named To Outstanding Young Men Of America

Ronald Brooks Roberts of Cheyenne, WY, son of Mr. and Mrs. Ronald Roberts of Tahoka, has been selected for inclusion in the 1985 edition of Outstanding Young Men of America.

These men were selected from nominations received from senators, congressmen, governors, mayors, state legislators, university and college presidents and deans as well as various civic groups.

### Phebe K. Warner Study Club Meets

Phebe K. Warner Study Club met Nov. 12 in the home of Beuna Hagood with Mildred LeMond as co-hostess.

The group enjoyed a delightful play "Bluebeard had a Wife", presented by four junior high school students- Jenny Wells, Tiffany Huffaker, Terri Solomon and Tim Barrow, who did an excellent job portraying their characters. The director of the play was Leta Pierce and other helpers were Chris Carter, Kim Ingle and Jay Jay Wiseman.

Bettye Green, Grace Huffaker and Lois White attended fall board meeting and shower at Girlstown Nov. 2. Many useful items were carried.

The following nominating committee was appointed by Lois White: Mildred Abbe, Madeline Hegi, and Dorothy Kenley. A committee was also appointed to nominate a woman of the year; Zuma McWhirter, Louise Smith and Bennie Carter.

The Chamberettes will serve the Christmas dinner Dec. 10 for the club at the Methodist Church.

### Senior Citizens Menu

Nov. 25-29, 1985

**Monday**- Chicken fried steak, cream gravy, mashed potatoes, tossed salad, roll, butter, fruit cobbler, milk

**Tuesday**- Enchiladas, Spanish rice, green beans, sliced onions, hot roll, butter, milk

**Wednesday**- Ham, macaroni & cheese, buttered carrots, cabbage, pepper slaw, roll, butter, milk

**Thursday**- Closed for Thanksgiving

**Friday**- Fish, potatoes, buttered broccoli, tossed salad, roll, butter, cookie, milk

# Roscoe Dominates Wilson 47-0 In District 7-1A Playoff Clash

Plowboy quarterback Matt Denman hit on seven of 13 passes for 128 yards and ran option plays like he had been at it for years as Roscoe, the runner-up in 7-1 South Zone scored on its first possession and on eight of its next 11 possessions thereafter to give Wilson a 47-0 whipping at Mustang Stadium Friday night.

"They gave us a good ol' country whipping," Wilson coach Gary Lewis said after watching his squad get pum-

meled 47-0 by the Plowboys in a District 7-1A zone playoff clash Friday night at Mustang Stadium. "We couldn't stop them. They just kept rolling."

"The key to the game was (Roscoe quarterback) Matt Denman. He's as good a Class A ball player as I've ever seen. He did a great job running the option."

Denman held the Wilson linebackers at bay with his passing, completing the first five throws he attempted, and when he didn't feel like airing the ball

out, he was running and pitching out on the option like he had been doing it all his life.

"That was the best game we've played in two years as far as carrying out our game plan," Roscoe coach Troy Kennedy said. "Our game plan was to run the option offense, which we hadn't done too well in the last two weeks."

Denman got the Plowboys moving on a 21-yard jaunt on the fourth play of the game, giving Roscoe a first at the Wilson 40 after being faced with fourth and 3 at the Roscoe 39. One play later, Denman dropped back and whipped a 40-yard strike to senior flanker Patrick Sanchez for the Plowboys first score.

Senior Jeff Althof split the uprights on his extra-point try, and Roscoe had a 7-0 lead with 9:40 still remaining in the first quarter.

Wilson marched to the Roscoe 33 on the ensuing possession, before the drive was halted when Lee McFaul fell on Ruben Garcia's fumble on the Roscoe 49. The Plowboys then covered the remaining 51 yards in 12 plays, with Denman capping the drive with a 5-yard touchdown toss to Sanchez, which the receiver juggled a bit before hauling it in the right corner of the end zone.

Althof successfully added the extra point, increasing Roscoe's advantage to 14-0 with 11:54 left to play in the second quarter.

Despite trailing Roscoe by 14 points, Wilson sustained its biggest blow five plays into its next possession when junior tailback Justin Bednarz, the area's leading scorer and rusher, re-injured a knee that has been hampering his play for most of the season.

Bednarz was hit hard after a short 5-yard gain, and he was forced to leave the game.

"That really hurt us," Lewis said of the injury to Bednarz. "We fought injuries all year, and it finally overtook us."

PLOWED UNDER — An unidentified Plowboy draws a lot of attention from Wilson defender Richard Nolte (91) along with Craig Wuensche (75) and Mark Burtch (24) in Friday night's game as Roscoe dominated with a 47-0 victory.

## Wilson, O'Donnell Players Named To All-Star Unit

Wilson and O'Donnell had 18 of the 33 players named to the District 7A north zone all-star team this week, with Ropesville, Meadow and Klondike players making up the balance of the squad.

Wilson had 12 spots to dominate the selections. Named to the first team offense were Tackle Craig Wuensche, Guard Chad Joy, Center Paul Ehlers, End Richard Nolte, kicker Justin Bednarz and running backs Bednarz and Ruben Garcia. On defense were linemen Wuensche and Ehlers, Bednarz at linebacker, Joy at end and Mark Burtch in the secondary.

For O'Donnell, players on the first team offense were Guard Phillip Furlow, wide receiver Cody Crouch and Quarterback Kyle Summers. Eagles on the defensive first team are Willie Villarreal in the line, End Brian Snellgrove and Summers in the secondary.

Honorable mention players from Wilson included Jayson Bartley, Edward Zamora and Timmy Riojas on offense and Riojas, Johnny Guzman and Nolte on defense.

## WILSON NEWS

The Wilson varsity and JV boys and girls will play Meadow at Wilson Friday beginning at 4 p.m.

Mrs. Jay Ross will be guest of honor at a pink and blue shower, Friday, Nov. 22, from 7 to 8:30 p.m. in the First National Bank party room in Tahoka. Friends are invited to attend.

Debbie Daniell, bride-elect of Dean McCarty, will be honored with a bridal shower on Saturday, Nov. 30, from 10 to 11 a.m. in the home of Mrs. Janice Lee in Wilson. Gift selections are available at Anthony's in Slaton, Dillard's in Lubbock, and Whitaker Hardware in Tahoka. Friends are invited to attend.

Mrs. Tracy Chaney and Changing of Junction City, Kansas arrived Monday for a two week visit with family and friends.

The Wilson Volunteer Firemen will have their annual turkey dinner Sunday, Dec. 8. Make plans to attend and support your

A heavy dew is actually the portent of good weather. On cloudless nights the earth loses its heat more rapidly, and a heavier dew results.

## Give Someone A Calendar With Their Own Pictures On It!

For an unusual gift this Christmas, one which will be appreciated all year long, why not give a couple a very personalized 1986 calendar, with enlarged photos from their own album of snapshots, a different one featured each month of the year.

For example, if Mom and Dad went to Colorado last winter, you might want a color photo they made at the time enlarged for the month of January or February.

**Whatever you want on the calendar, you must bring in COLOR NEGATIVES, not prints. Negatives should be 35mm.**

A CALENDAR WITH 8x10 PICTURES, SUITABLE FOR FRAMING AFTER THE YEAR IS OVER, COSTS **\$38<sup>50</sup>**

FOR 5x7 SIZE, THE PRICE IS **\$29<sup>50</sup>**

(See a sample of the 8x10 size at The Lynn County News)

Swipe the negatives when your loved ones aren't looking, and bring them to us, so they'll have a great and unusual gift this Christmas!

## New Home News

By Florence Davies  
Call 924-7479

Joe and Gordia Unfred of Lubbock celebrated their 67th wedding anniversary Saturday evening at home with immediate family members present.

Mrs. Rita (Bates) McLean and her husband of North Fork, California were in New Home Friday. She was the daughter of Dick and Rita (Todd) Bates and

niece of Mother (Harvey) Bates and Van Bates, deceased. Her grandfather, Oliver Todd, lived one mile west of New Home and Mr. and Mrs. Harvey (Mother) Bates lived two miles south of New Home. They all left New Home in the late thirties. Rita was born in Tahoka April 1923, and visited here often with her grandparents and uncles. She was looking for someone who knows the whereabouts of her cousin, daughter of Harvey Allen Bates. Mrs. Harvey (Grace) Bates taught school in New Home in the 1920s. Mrs. McLean's address is 23567 Road, North Fork, CA 93643.

Mrs. Garner White's brother, J.N. Freeman, is in the hospital in San Antonio and is scheduled for open heart surgery Wednesday.

A revival meeting will be held in the New Home Baptist Church Friday, Saturday and Sunday, Nov. 22-24, at 7 nightly and 11 a.m. Sunday with Evangelist

Dave Stanley of Eules. Music evangelist is Jim Fullingim of Petersburg. Everyone is invited to attend.

Mrs. Juanita Zant is slowly improving in St. Mary's Rehabilitation Center.

### School Of Nursing Accepting Applications

The School of Vocational Nursing in Brownfield is now accepting applications for the new class.

The 12-month program will entitle participants to their LVN license.

For more information, contact Dr. Little at Brownfield's Medical Center. Call (806) 637-3551.

When female elephants fight, it is said, they usually try to bite off each other's tail.

## New Home Ends Year With 60-15 Win Over Eagles

Running back Leo Torres ran back two kickoff returns for touchdowns and caught one pass for 52-yards for another TD as the New Home Leopards mauled the Midland Christian Eagles 60-15 in New Home Friday, Nov. 15.

Arthur Silva also had a good game with five carries for 68 yards and two TDs and he caught four receptions for 47 yards and was also credited with a safety for the Leopards.

J.T. Hayse caught two passes for 16 yards and two for two TDs and also scored on two PATs. Chuck Smith caught a 6-yard TD pass from quarterback Lloyd Cavellero and Jim Wyatt scored on a 9-yard run for TD and Darrel Paul was credited for an extra point on offense.

Defensively for New Home, Robbie Nieman led the team with 10 solo tackles and four assisted tackles followed by Silva with nine tackles and Fritz Speckman with six tackles. Tyron Watkins was credited with two interceptions, Silva had two fumble recoveries and Hayse had one interception and one fumble recovery for New Home.

The Leopards finished the year with a 7-3 mark.

**BORROWING FOR CHRISTMAS**--In many households a large purchase of a major appliance, television or furniture is made each year as a Christmas gift for the whole family. Before deciding to make this type of purchase on credit, family economist expert Nancy Granovsky suggests that consumers consider the cost of the loan. She says you can find the total cost of any loan by multiplying the number of payments by the amount of each payment, then subtracting the purchase price. This resulting figure will be the cost of the credit. "The longer the loan, the more it will cost," explains the specialist. "Your monthly payment may be smaller, but the total amount you pay back in finance charges will be more."

### Turning trash into energy is subject of book from Texas A&M Press

**COLLEGE STATION**—A new book which documents how to turn biomass, such as hog manure and gin trash, into fuel has been published by the Texas A&M University Press.

Second in the Texas Engineering Experiment Station (TEES) Monograph Series, "Biomass Energy: A Monograph," reviews the status of biomass as an alternative energy source, with particular emphasis on The Texas A&M University System (TAMUS) energy research programs.

Biomass energy involves a broad range of feedstocks, including forest products, grains, oilseeds, residues, algae and animal manure, which can be transformed into energy through a dozen or more conversion processes. The millions of tons of biomass potentially available for fuel could provide up to 6 or 7 percent of the nation's energy needs, the editors indicate in their concluding remarks.

But if the current prices of fossil fuels such as petroleum, natural gas and coal prevail, biomass energy will not displace major quantities of fossil fuels in the next 10-20 years, as most biomass fuels are not economically viable under the current price structure.

The mail roads in early England were higher because earth was thrown from the side ditches toward the center. They were called "highways." Smaller private roads became known as "byways."

**COFFEE...CANCER?**  
Why the sudden association of coffee with pancreatic cancer? Coffee has been with us for centuries, whereas decaffeinated coffee has only been produced a few decades. Decaffeinated coffee is made by extracting the caffeine from coffee with a chemical solvent, traces of which may remain. It is more likely that this trace chemical in decaffeinated coffee is responsible for the increased association with pancreatic cancer, than is regular coffee itself.

Your better health is our concern

### New Home FFA Attends Contest

The New Home FFA Chapter attended the Mesa District FFA Leadership Contest in Lamesa on Monday, Nov. 11. The three teams competing were:

Farm Radio consisting of Shawn Ballard, Chuck Smith, Jim Wyatt and J.T. Hayse. Radio script was on 'Computers in Agriculture.' The team placed seventh in District.

The senior chapter conducting team was made up of La Shea Kieth, Lloyd Caballero, Manuel DeLeon, Leo Torres, Key Thompson, Robbi Nieman and Jeff Tanney. This team placed fourth.

The Greenhand quiz team consisted of Crystal Ford, Carey Rudd, Jerry Speckman and Darrell Paul. They placed second in District and qualified to compete at the Area II Leadership contest in Big Spring Saturday, Nov. 23.

**FINANCING CHRISTMAS GIFTS ON CREDIT**--During the holiday season many of us overindulge in food, drink -- and credit. Family economics specialist Nancy Granovsky says consumers should ask themselves whether they need to use credit, which is really borrowing money for a price. The answer to use is "Yes" says Texas A&M University Agricultural Extension Service home economist, if you have a good reason and can repay your debt in a reasonable length of time. "Using a credit card to pay for Christmas gifts can be convenient and cost relatively little if you pay the bill within 30 days," Granovsky explains. "But when you have to carry the debt beyond 30 days, you will be paying 16-18 percent interest, depending on your credit card."

Lynn County Merchants Appreciate Your Business

### New Home School Menu

Nov. 25-27, 1985

#### BREAKFAST

**Monday**- Waffles, syrup, pineapple juice, milk

**Tuesday**- Cold cereal, raisins, milk

**Wednesday**- Apricot or apple strudel, diced pears, milk

**Thursday-Friday** Thanksgiving Holidays

#### LUNCH

## Cotton Farmers Urged To Check Moisture Content Of Seed For 1986 Planting

Cotton harvesting is moving into full swing from San Angelo and Big Spring northward across the South Plains. The crop is reported to be stripping and ginning well, says a cotton specialist with the Texas Agricultural Extension Service.

But he cautioned producers who are catching seed for planting next season to check their moisture carefully before taking it to the delinters.

"There have been reports of problems with seed that is to be delinted and used as planting seed," said Dr. James R. Supak, Extension cotton agronomist. In many instances, the seed moisture content is still too high, he explained.

Supak noted that to avoid damage during delinting, the seed moisture content must be below 10 percent, preferably 7 to 8 percent. "They've been getting quite a bit in the 12 to 15 percent seed moisture range, and that's too high for delinting," he added.

The high moisture content can cause the seed to go through a natural heating process which damages seed quality during storage in modules, or it can result in damage to the seed dur-

ing the delinting process, he said.

The Extension specialist said a good way to check seed moisture, if the field is ready to strip, is to walk through the field and bite down on seeds collected from various parts of the field. "If you hear the seed coat crack when you bite it, the seeds are dry enough to be processed. If the seed is soft and just mashes down without a distinct crack, the moisture content is still too high," he said.

Also, most delinting plant operators have moisture meters and are willing to check the moisture content of seed cotton in the module or even before harvest as a customer service.

If you want the seed for planting and it is still too moist; the best thing is to delay harvest for a few more days, Supak advised.

"We do have a hard freeze in the weather forecast," he said. That, followed by a few days of open, dry weather, should finish the drying process, he noted.

"We think this (high seed moisture) is just a short term problem," Supak said. "We are in that time when the fiber and bur are dry enough to harvest but the seed is still too green to process."

**TERRACES HELP--Terraces, both standard type and parallels, have been proven as a valuable tool to catch and hold the rain, according to an SCS official. Lynn County is known across Texas as a county which builds a lot of terraces each year. Cost share money is available for construction through the ASCS Office and the SCS under their GPCP Program. "The signs of severe water erosion are everywhere. So, today, contact the SCS, County Agent, ASCS Office, or Conservation District and find out how you can take care of your rainfall," said an SCS official.**

### A Visit With Your County Agent

By Stanley Young

The time to do something about reducing income tax burdens is now and not after the end of the tax year, says Stanley Young, county agent with the Texas Agricultural Extension Service, The Texas A&M University System.

He offers a number of timely tax management tips and reminders.

1. Pay cash wages to your children for farm work actually done by them and deduct as a farm business expense. The wages should be reasonable and for specific jobs. Wages paid to children by parents are not

subject to social security tax until the child reaches age 21.

2. Give income-producing property, such as land, cattle and machinery to children and let them report income from their work and capital. Family partnerships and farm corporations through stock transfers are sometimes used to do this. It is another way to spread family income over the lower tax brackets.

3. If you are age 63-64, postpone income to age 65 to take advantage of the double exemption. Persons approaching retirement, however, may want to maintain income as near as possible to the maximum for social security in these years.

4. Do not hold breeding stock used for production of market livestock too long. By selling sows after only one or a few litters, a higher percentage of hog sales will qualify for capital gain treatment over a period of years and reduce taxes.

5. Buy machinery and equipment in years of high income and take advantage of accelerated cost recovery, and possibly of the expensing option.

6. If you are selling timber, be sure to handle the sale so the gain can be reported as a capital gain.

7. Plan personal deductions. Some medical expenses or contributions that are normally spread over two years can be paid in one year and itemized as deductions. In the next year, the zero bracket amount (the old standard deduction) may be taken if higher than the total of actual itemized deductions. Be sure to choose the larger of the two.

8. Avoid wide fluctuations in income from one year to the next so you have enough income each year to take advantage of personal deductions and exemptions.

9. Installment sales of property can be used to spread income over a period of years and thus avoid high income in one year.

10. Check for loss years in the past. Is there an unused net operating loss deduction? If so, file an amended return and obtain a refund on taxes paid in the past.

11. Be sure to claim the investment credit on all items that qualify.

12. To insure a record of all income and expenses, have a checking account in which to deposit all receipts and to pay all bills.

13. Be sure that CCC loans are not counted as income twice (in one year when borrowed and next year when crop is sold). Farmers can elect to report the loan as income in the year the loan is received or wait until the grain is either reclaimed and sold or forfeited to report the income.

14. If you are using the cash

method, deduct cost of purchased livestock that was lost, stolen or that died during the year.

15. If you are using the accrual method, deduct all purchases of livestock. Make a livestock number check to see that the total number purchased and born plus the beginning inventory equals the total number sold, died and butchered plus the ending inventory.

16. Deduct as many auto, utilities, telephone and other expenses as actually used in the farm business (half is not enough in many cases). Make certain this use is well documented.

17. Keep records to insure deduction of easily overlooked items such as farm magazines, farm organization dues, bank service charges, business trips, portion of dwelling used for farm business, household supplies used for farm help and cash outlay to board hired workers.

18. Itemize on bank deposit slips all gifts, borrowing and related actions so that they will not be considered taxable income.

19. Keep records of all medical, dental and hospital bills, including premiums for accident and health insurance.

20. Establish a charge account at a hardware store, elevator or other places where considerable business is done during the year. Pay account by check upon receipt of monthly statements. This prevents omitting many small items which might otherwise be paid by cash.

21. Keep exact records of date of purchase, cost and date of sale on all items purchased for resale.

22. Pay bills by check whenever possible. Record all cash expenditures at once in an account book. Always get receipts for farm expenses paid by cash. Obtain a bank statement each month and check it against the farm account book.

23. Do not include in income any indemnity for diseased animals if payment has been or will be used to buy like or similar animals within two years.

24. Do not report capital gains on the sale of your dwelling as income if you plan within two years to buy and occupy another dwelling that will cost as much or more than the selling price of your present dwelling. In addition, if you are 55 or older, you may choose to take a once-in-a-lifetime exclusion of up to \$125,000 of the gain on the sale of your personal dwelling, even though you don't reinvest in another house.

25. Remember that if you have income subject to tax, every dollar of cost not deducted will result in unnecessary income taxes.

## Cotton Classing Committee Formed

The Plains Cotton Growers named Darrell Merrick of Lamesa as chairman of the Lamesa Classing Office Committee. The committee is made up of cotton producers and will meet periodically with the director of each USDA classing office during the season. Don Lewallen is area director of the Lamesa Cotton Classing Office.

The committee is made up of producers from the counties that the Lamesa office serves: Andrews, Borden, Dawson, Gaines, Howard, Lea, N.M.; Lynn, Martin, Midland, Pecos, Terry, Upton and Yoakum.

Representing the producers from Lynn County is David M. Smith of O'Donnell.

An American naturalist once reported a mockingbird in South Carolina that imitated the songs of 32 different kinds of birds in ten minutes.

## Devotional

By Rev. Hazel House

### SCRIPTURE:

Psalm 106:1-4

"Praise Ye the Lord; O give thanks unto the Lord for He is good; for His mercy endures forever."

Who can utter the mighty acts of the Lord? Who can show forth all His praise? ... Blessed are they that keep judgment, and he that does righteousness at all times.

Remember me, O Lord, with the favor that you bear unto your people: O, visit me with the favor that you bear with thy salvation.

In II Timothy 4:7-8, Paul said "I have fought a good fight, I have finished my course, I have kept the faith." "Henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous judge, shall give me at that day; and not to me only, but unto all them also that love His appearing."

I hope that each one of us will be able to say this, with Paul, at the end of our physical life. For this is the aim of life lived in fellowship with Christ — to be able to say at the end, "I have kept the faith." Remember that Jesus said in Matthew 24:13, "He that shall endure unto the end, the same shall be saved."

So it is the one who keeps the faith in Christ, the one who endures to the end that is saved. To "joyfully endure" in this present world — which is a good life, looking toward the joy that will be ours forever in Jesus Christ. These are the ones who have eternal life!

The psalmist, in the scriptures read, gives us a short resume of God working in and through Israel, and how far short Israel was from keeping God's law, even to keeping their trust in Him. Yet God loved them because they were His and even so He loves us. And when Israel wandered away from God, Moses stood in the gap, by his action saying "Here I am, Lord, don't destroy these, your people." How we need Christians who will stand in the gap, holding on to God whose love will never let them go, even in a testing time.

How strong is my faith and yours in God, and what is faith anyway?

Something that is made up of belief — belief in God, the Father, the Son, sent to save us, and the Holy Spirit sent to comfort, guide and sustain us all the way home. But faith is even more than that; it begins with belief, but it is trusting in the person of Christ, not just trusting, but entrusting ourselves to Christ, holding back no part of our lives, but giving our total selves to Him, the one who died on the cross in our place for our sins, that we might have life. God himself took the initiative, knowing we just could not of our human selves have faith; so faith to believe in Christ is a real miracle, a gift coming down from God to man. Even the faith to believe and accept Christ is a gift from God. But faith is made up of belief, trust and obedience, the mind, the heart, the action, under any and all circumstances. It is Christ who saves you! Believe it, and live accordingly. Our faith is founded only in the person of Christ.

Paul said it well in Galatians: "We are all children of God by faith in Christ Jesus" — and right here we are on level ground, just as we are at the foot of the cross — all one and the same in Christ. For God is no respecter of persons. It is the righteousness of Christ that God sees when He looks at us who have accepted Him by faith. He sees Christ's righteousness which all have, just as God saw Moses' righteousness. In Christ, there is neither Jew nor Greek, slave or free man, neither male nor female — just persons, one and the same in Christ. Then Paul reminds us of the promise in Christ — that we are heirs to the kingdom if we belong to Christ! Do you know this today?

### Dawson Pecan Show Set

The Dawson County Annual Pecan Show, along with the Pecan Food Show has been scheduled for Dec. 5, in the Reddy Room of the Texas Electric Service Company building in Lamesa.

Pecan entries must be from this year's crop and must have been raised in Dawson County or any of the adjacent counties. Competition will be divided into three divisions; inshell variety, native and shelling variety.

Entries in the pecan show should be delivered to the Texas Electric Reddy Room on Dec. 4

between 11:30 a.m. and 5:30 p.m.

Entries in the food show should be taken to Texas Electric from 8 to 10 a.m. on Dec. 5. All food items should be placed on a paper plate and covered with plastic wrap.

There are many underground streams in the Sahara Desert where, by digging through the sand, a desert angler can obtain fresh water fish.

**YOUNG WALKERS HELP**--These two boys were among the youngest of the 28 walkers who did their thing for the heart fund last Saturday. Ray Newsom, right, and Michael Castellon walked five miles each. (LYNN COUNTY NEWS PHOTO)

### Impulse buying, mobility leads to pet abandonment among college students

COLLEGE STATION — Pets can make going off to college easier, but the ritual may involve too much impulse buying and irresponsible ownership by students, says a Texas A&M University authority on the bond between humans and animals.

For students leaving home for the first time, pets represent stability and give young people the benefit of a relationship that is uncritical and loving, said Dr. William McCulloch, director of the Center for Comparative Medicine and professor of veterinary public health.

"It's a very positive experience, and in some cases the students' home contained pets, so it's a natural transition.

Kids need them," said McCulloch, who chairs a national professional committee studying the pet-human bond.

But too much impulse buying and the mobile nature of college students at the end of the school year usually leads to an increase in abandoned pets, many of which must be destroyed at local animal shelters, he said.

Local shelter authorities estimate the number of abandoned animals may double in May and June, the time when many students and faculty leave town or move.

McCulloch said studies done elsewhere suggest that pets obtained for free have an average "keep" time of 17 months, compared to an average of 36 months for pets costing \$100 or more. Even so, dogs, cats, birds and reptiles may live for a dozen years or more.

McCulloch is one of several area veterinarians who volunteer their time to euthanize abandoned or unwanted pets.

## Obituaries

### Don Jenkins

Services for Don H. Jenkins, 55, of Brownfield were held at 10:30 a.m. Saturday Nov. 16, at the Church of Christ with Bob Reynolds, minister, officiating, assisted by Ken Young, a minister from Austin.

Burial was in Terry County Memorial Cemetery.

Jenkins died at 7:50 p.m. Wednesday at the Rolling Plains Hospital in Sweetwater after a lengthy illness.

He was born in Tahoka. He married Peggy Graves on Dec. 9, 1955, in Brownfield. He served in the U.S. Army during the Korean War. He was a member of the Church of Christ.

Survivors include his wife; two sons, Kendall of Arlington and Robin of Brownfield; five sisters, Ivy Sedberry of Sweetwater, Polly Midland of Lamesa, Becky Romine of O'Donnell, Sylvia Watley of San Angelo and Nora Autry of Tahoka; two brothers, Gus of Lovington, N.M., and Raymond of Brownfield; and two grandsons.

### Bonnie Ash

Services for Bonnie Ash, 57, of Throckmorton were held at 2 p.m. Saturday, Nov. 16, at First Baptist Church with the Rev. Wayne Sheppard, pastor, officiating.

Burial was in Throckmorton Cemetery.

Mrs. Ash died Thursday at Throckmorton hospital after a lengthy illness.

She was a life-long resident of Throckmorton County. She married J.W. Ash on April 12, 1946. She was a dietary supervisor at the Throckmorton General Hospital.

Survivors include her husband; two sons, Danny of Graham and Floy of O'Donnell; two daughters, Mickie Morse of Breckenridge and Sheree Yarberry of Throckmorton; her mother, Olga Johnson of Elbert; a sister, Flo Quida Hammond of Grand Prairie; and six grandchildren.

### Thelma Swope

Services for Thelma Swope, 77, formerly of Wilson, were held at 2 p.m. Tuesday, Nov. 19, at Wilson First United Methodist Church with the Rev. Lynnwood Harrison of Merkel officiating.

Burial was in Green Memorial Cemetery.

She died Sunday in Lubbock Hospital after a lengthy illness.

She was born in Haskell County and moved to Wilson in 1908. She married Chester Swope on Feb. 19, 1932, in New Mexico. She was a Methodist.

Survivors include her husband; a son, Jerry of Wilson; a daughter, Marsa Dean Porter of Lubbock; two brothers, Grover Coleman and Luke Coleman, both of Lubbock; a sister, Essie Savell of Wilson; and five grandchildren.

### Marye Goad

Graveside services for Marye A. Goad, 88, of Lubbock were held at 1 p.m. Monday, Nov. 18, in Resthaven Memorial Park with the Rev. J. Ralph Grant of Lubbock officiating.

She died Friday in St. Mary's Hospital after a brief illness.

She was born in Tahoka. She was a nurse for nine years. She was a resident of Lubbock since 1948. She was a Baptist and member of Grace Sunday School class. She married Floyd Goad May 7, 1938, in Tahoka.

Survivors include her husband; a son, Bob of Fort Worth; a daughter, Susan Imke of Lubbock; her mother, Rescola St. Clair of Weatherford; two brothers, Frank St. Clair of Lamesa and Scott St. Clair of Oklahoma City, Okla.; four grandchildren; and two great-grandchildren.

### Leukotriene B4 may aid understanding of chronic inflammation

COLLEGE STATION — Substances associated with the body's response to injury change the ability of small blood vessels to keep proteins and other large molecules from leaking into surrounding tissue spaces during inflammation, says a Texas A&M University scientist.

One of the substances, leukotriene B4, may be relevant in understanding chronic inflammatory diseases such as arthritis, gout and ulcerative colitis, said Dr. Ruth E. Lewis.

Inflammation — usually marked by redness, heat, the presence of white blood cells and swelling — is a normal response to tissue injury, but can result in disease if unchecked, said Lewis.

Leukotriene B4 contributes to vascular leakage by wooing white blood cells across vessel walls, said Lewis, a researcher studying the substance as she examines how inflammatory agents and changes in blood vessel permeability are linked at the cellular level.

**SAVE 50%!!** Flashing arrow signs \$279!! Lighted, non-arrow \$259. Unlighted \$209. (Free letters!) See locally. 1-800-423-0163. (Also LED sign sale!!) 47-1tp

**EARN \$4.87 HR.** We need assistance in evaluating and responding to daily work reports submitted by our agents throughout the state. No experience necessary; Paid to complete training. Work at home. For information send self-addressed, stamped envelope 9 1/2 inches long to: AWGA, Dept. E, Box 49204, Atlanta, GA 30359. 47-1tp

**YOU CAN SKIP THIS**

You can skip right by this little message if—and only if—you can give a "yes" answer to each of the following two questions: (1) Have you had a thorough medical check-up in the last 12 months? (2) Have you had a thorough dental check-up in the last six months?

If your reply was "no" to either or both of these questions, you should make an appointment to get the examinations you've missed. Taking proper care of your health is a responsibility that is too important to be neglected. So don't try to invent any reasons for putting these things off any longer. Call your doctor and/or dentist today.

"A GREAT MANY PEOPLE ENTRUST US with their prescriptions, health needs and other pharmacy products. We consider this trust a privilege and a duty. May we be your personal family pharmacy?"

**JUNIOR HIGH PLAY PEOPLE** — Tahoka Junior High's one-act play, "Bluebeard Had A Wife" was presented in competition at Plains Nov. 9 and several TJHS representatives won honors. Tiffany Huffaker, seated second from right, was named best actress in all the competition, which was won by Plains and Seagraves, with Tahoka's play as alternate. From left, seated, are cast members Terri Solomon, Jennie Wells, Tiffany and Tim Barrow. Standing are director Leta Pierce and crew members Kim Ingle, Jay Jay Wiseman and Chris Carter. Tim Barrow was named to the all-star cast, and Jennie received honorable mention. (LYNN COUNTY NEWS PHOTO)

**OUT OF THE WOODS**

By Juanell (Wood) Jones

I'D LIKE TO KNOW why most of the movies made about twins show one as sweet and innocent and the other as a psychopathic manic depressive murderous loony-tune? As one-half of a set of twins, I deeply resent that ... I'm sure my sister is not *that* bad! She has her faults, I know, but to my knowledge she has never tried to manipulate anyone (except for the time she made me sneak a quarter out of Mom's purse so we could get some candy out of a vending machine).

We are not identical, so we never got to play tricks on anybody, or trade classes in school, or anything sneaky like that. I did at times, however, know what she was thinking. I knew she thought it was funny the first time I fell off my bicycle after we took the training wheels off.

And there were several occasions when the same thought struck us both at the same time ... we always got a chocolate chip cookie urge together, and as a united front, we usually convinced Mom that she really did want to bake cookies for us. We liked to eat the cookie dough when she got it all mixed together, but she only allowed us one spoonful apiece. We'd hunt around the kitchen til we

found the biggest spoons, and then gripe at each other that "you got more on your spoon than I did." I wonder if Mom recalls those times with as much fondness as we do?

As we got older, I realized that maybe I did get more on my spoon than she did. she was always skinnier than me. If I ever get another twin, I think I'll let her have the big spoon.

We used to dress alike when we were younger, but as we grew older we decided that was "kiddie stuff" and wouldn't have anything just alike. Now, she lives in Dallas and I don't get to see her very often. But when I do, I like to go through her closets and see what the new "Big D" fashions are ... Gee, I wish all my clothes were just like hers.

**City-County Library News**

The Christmas film packet has arrived; "Feliz Navidad" and "The Nutcracker" will be available until Dec. 10; after that date "Luke: Nativity" and "Night Before Christmas" will be available.

New books in the library are: "You Can Fool All Of The People All The Time" by Art Buchwald; "Texas" by James A. Michener; "The Two Mrs. Greenilles" by Dominick Dunne; "On The Road With Charles Kuralt" by Kuralt; "To See Your Face Again" Eugenia Price; "Secrets Of Harry Bright" Joseph Wambough; "Lucky" Jackie Collins; "A Maggot" John Fowles; "Immigrants Daughter" Howard Fast; "Only One Woof" James Herriot; "Leonie" Elizabeth Adler; "Palm Beach" Pat Booth; "Charles and Diana" Ralph G. Martin; "Secrets" Danielle Steel; "Shoot Low Boys, They're Riding Shetland Ponies" Lewis Grizzard; "Han-Andersen" Robert Mathias; "Death Is a Lonely Business" Ray Bradbury.

There are 1,678,815 Smiths in the United States.

**Damp Weather Slows Harvest**

Fog and generally damp weather covered the Texas Plains most of this week. Harvesting slowed sharply. Several gins caught up quickly, because backlogs of seed cotton were small. Others continued to operate from modules, said Mack Bennett, Area Director, for USDA's Marketing Services Office at Lubbock. Open weather returned Friday.

USDA's Lubbock office classed 94,400 samples during the week ended Thursday, Nov. 14. This brought the season's total to 133,000 and compares with 116,000 classed by the same date last year, Bennett continued.

The week's predominant grades were grade 42 at 50 percent and grade 52 was 39 percent. About 18 percent was reduced because of bark.

Predominant staples were staple 31 at 33 percent followed by staple 32 at 28 percent and staple 33 was 17 percent. The average was 31.8 thirty-seconds of an inch.

Micronaire 35-49 was 73 percent, 33-34 was 14 percent and 30-32 was 10 percent for an average of 37.

HVI breaking strength averaged 24.7 grams per tex at Lubbock

during the week ended Thursday.

Growers sold some 1984 crop loan equities at \$5 to \$10 per bale, mostly \$5. Light volumes of 1985 crop of mostly grades 42 and 52, staples 31 and 32, mike 35-49 brought growers 100 to 200 points over loan.

Gins paid growers \$46 to \$80 per ton for cottonseed, mostly \$55 to \$56. The average was \$60.

USDA's Crop Reporting Board estimated U.S. cotton production for this season at 13.875 million 480 pound bales. The estimate was based on crop conditions Nov. 1 and was up 233,000 bales from a month earlier. The Texas crop reporting district number 1 (covering the Texas High Plains) was estimated at 2.275 million, up 185,000 bales.

**FREEZER MEAT "BARGAINS" MAY NOT SAVE MONEY**-- Well advertised "bargains" on freezer meats may not save you any money, says a Texas A&M University Agricultural Extension Specialist. When buying meat in quantity for a freezer, price alone doesn't tell the story, says nutritionist Marilyn Haggard. A 300-pound carcass at 49 cents a pound will cost \$147. But you can lose one-third or more in cutting and trimming. So the 200 pounds of meat actually cost 73½ cents per pound, she says.
