City Council's Meeting Brief

Tahoka City Council held a brief regular meeting Monday night, declining to adopt two proposed resolutions related to new state taxes on gasoline and a national energy policy, and voting to pay current bills.

Present were Mayor Jim Solomon, City Manager Carl Reynolds and councilmen Wayne Tekell, Leonard Dunn, Dayton Parker, and Dalton Wood.

Plans for attending the annual convention of Texas Municipal League in Houston this weekend were discussed, and Police Chief Gary Morrison gave a report on police department activities for the month of September.

Community Chorus To Begin Practice

Monday, Oct. 13 from 7 to 8:30 p.m. at First United Methodist Church, the annual Community Christmas Chorus will practice for the first time. Directing the chorus will be Tony McGowen, Tahoka's school band director and choral director of First United Methodist Church.

The chorus will be working on "Celebrate the King", a new Christmas celebration by John W. Peterson.

A nursery will be provided by First United Methodist. All interested people are urged to come and participate in the Community Christmas Chorus.

Farm Bureau Sets Annual Convention

Lynn County Farm Bureau has scheduled their annual county convention this year for Thursday, Oct. 9, at 7 p.m., in the Tahoka school cafeteria. A barbecue meal will be served.

Guest speaker for the convention will be Vernie Glasson, who is in charge of public affairs for Texas Farm Bureau. All members and their families are invited to attend.

WOODWORK BY DALTON

CRAWLING around under a house and trying to figure out why the water was all gushing out under the house instead of coming out of faucets inside the building, I remembered why plumbers are paid well for the things they do.

Whenever we tell a plumber to fix something wrong with our water lines, sewer lines or broken hot water heaters, we often are shocked by the bill we have to pay. That may be partly because we are not the ones who have to do the work. Before we fuss too much over the repair bill, we ought to crawl around in the mud and crud for an hour or two and try to fix it ourselves. The plumber's price gets better every minute.

I hope my plumber friends don't take this as a mandate to stick it to me good on my next plumbing job.

There was a story about a doctor who called a plumber in the middle of the night. The physician's heater broke and water was pouring all over the house. The plumber told him to throw two aspirins in it and

call him in the morning.

IN THE MAIL this week came a big ripoff attempt from a company called American Marketing Industries. It was a letter with "registered number" and big red letters at the top saying "Final and Only Notice" and worded in such a way as to lead the reader to believe he or she has won something big and valuable.

"I am pleased to inform you that you are hereby authorized to claim a brand new 5-person Bass King fishing boat with outboard motor... from our product distribution center. This correspondence will serve as official notification of your selection." It goes on to say you need to contact them immediately, or they may be forced to make an alternative selection.

I didn't answer it, but I noticed it never says you have won anything. What it says is that you may go claim this boat, and what it doesn't say is that when you do, you'll pay the usual price for it.

Money Bag Stolen From Tahoka Store

Tahoka police investigated a theft on Wednesday, Oct. 1 at the Fina Ince-Tant-Stop convenience store. Store manager Beulah Nieman reported to police while she was at the back of the store, someone had stolen a green money bag containing \$437.16 in cash from under the counter. Lynn County Crime Line is offering a \$250 reward for information leading to the arrest and conviction of persons involved in this crime.

Police are currently investigating an aggravated assault. A stabbing incident that occurred in the 1800 block of North 3rd on Friday involved a 26-year-old female who was reportedly attacked by another 21-year-old female of Tahoka resulting from a domestic disturbance.

Police arrested a 26-year-old Tahoka man for DWI and also a passenger was arrested for public intoxication during the past week. Police also arrested a Tahoka man on a warrant for assault by causing bodily injuries.

Police investigated a criminal mischief incident at the Texaco Service Station on Monday at approximately 2:30 a.m. whereby

officers reported a glass panel had been removed from a garage door and an air compressor had been left running. Nothing was reported missing.

Police investigated an accident on Sunday at the 2000 block of South 1st that involved a 1985 Ford driven by Rhonda Nance of Tahoka and a 1981 Pontiac driven by Pedro Guterrez of Tahoka. No injuries were reported.

Police also assisted a man who had a court order for visitation rights, but had been refused by the mother to see his children.

A more detailed report on a burglary of a trailer home at Wilson between Sept. 26-28 was available this week. From the home of Kelly Livingston were taken items valued at a total of more than \$600, including two guns, a pocket watch, knife and luggage. Crime Line, 998-5145, has offered a \$300 reward in the case.

In jail during the week were four persons, including one each for driving while intoxicated, public intoxication, public intoxication plus traffic offense, and assault.

Bulldogs Looking For Win

The Tahoka Bulldogs, shut out for the second straight week and winless in five games this season, are slightly favored this week over Ralls as these two teams put their winless streaks on the line at Kelley field.

Ralls, blanked by Spur 21-0 last Friday, has scored just 12 points this season. Tahoka has scored 27, and put no points on the scoreboard last Friday at Morton as the Indians rolled to a 33-0 victory.

Tahoka made just 4 first downs and 86 yards total offense, but should find the Ralls defense a bit easier to penetrate.

Morton scored twice in the first period Friday, first on an 18-yard pass to Jerry Joyce, and again on a 2-yard run by Anthony Hawkins. A run for 2 points made it 14-0 at the end of the first quarter.

In the second, Hawkins raced 66 yards to score and it was 20-0 at halftime.

Morton scored two touchdowns in the third period

LEARNING ABOUT THE HEART — Kindergarten students at Tahoka were presented a Treasure Chest kit of information about heart disease and how the heart works, presented last week by Ray Don Box, Lynn County Heart Assn. chairman, and Susan Tipton, county program director. Other county kindergarten classes also are to receive the kits. The pupils, from left, are Gregory Resendez, Tara Bailey, Debbie Garcia, LaToya Scott, Leslie Rodriguez and Anna Hernandez, and in front are Marlon Womack and Justin Porter. (LYNN COUNTY NEWS PHOTO)

Crop Conditions Varied In County

Seemingly endless rainfall and violent storms, including large hail which have plagued Lynn County farms and all citizens for

months now have left cotton crops in a wide range of development ranging from wiped-out to very promising in Lynn County.

Some farmers in the New Home and Wilson vicinities have lost all their crops to hail, the worst round of which pounded around Wilson last week, obliterating some good cotton and cracking some auto windshields of persons driving in the area during the storms.

Some crops which have not been hailed on are showing lots of bolls on the stalks and other are showing lots of stalk and almost no bolls, longtime agriculture observers say.

Meanwhile rains have totaled 27.4 inches at the Texas Highway Department facilities in Tahoka so far this year, all since the last part of May. This compares with just under 14 inches for the entire year of 1985 measured at the Highway Dept.

Many areas of the county have had more rain than the totals reported in Tahoka.

Several farm-to-market roads in the county have been closed, and although most were open by early this week, water remained over the roads in many places.

OUT OF THE WOODS

By Juanell (Wood) Jones

THE FIRST THING my husband said to me when I told him I was going to Dallas to visit my sister, was "Don't spend any money shopping." And like a good little wife, I agreed. So when I flew to Dallas last Friday night I packed all my stuff into a little duffel bag, assuring myself that I couldn't buy anything if I didn't have a bag to bring it home in. And I took my tennis racquet so we could get a little outdoor exercise instead of walking the shopping malls.

It was a good theory, anyway. And it might have worked, except that nature was against us. It rained all weekend in 'Big D' and what else can you do when it rains, except go shopping? So my sister and I took an umbrella and hit all the stores that said "Sale" in big letters on their windows. Boy, did we have a good time!

I didn't exactly break my promise, either — I didn't spend any money ... I used my credit cards instead. He didn't say anything about not using those, did he?

Anyway, I thought I would admit my sins right away, so I decked myself out in a new outfit for my plane trip home, sure that this would be a good clue for my husband. When he picked me up at the airport, I gave him a dazzling smile, said "Hi, honey," and waited for the inevitable. "Did you go

shopping" routine.

Well, we talked about the plane trip, and the weather, and how was my sister, and everything except what I thought was obvious. He never mentioned it. So I said to myself, "Far be it from me to bring it up if he's not even going to notice."

Several hours later that evening when I was unpacking my bag (which by the way, was so jammed full I had to sit on it to get the zipper undone), I pulled out a couple of shopping bags that had the name of the store printed on the sides. He perked up right away, looked at me suspiciously, and said, "You went shopping, didn't you?"

I grinned and said, "Yes, honey, didn't you notice?" He looked at me again and said, "Well, uh ... is that new?"

Well no, not exactly, I had owned it for an entire day. But I didn't say that. I said, "Yes, dear, don't you like it?" Rather sheepishly he said, "Yeah, I thought it looked kind of different," which I interpreted to mean "Honey, you look great!"

All in all, I thought the weekend turned out rather well — I enjoyed visiting my sister, did some shopping, and I even stuck to my diet. And when I got home I didn't have to explain my shopping spree to my husband. What more could a female ask for?

Area Community Leaders Set Economic Meet

Government and business leaders of communities from four states will gather at an "economic summit" Oct. 14 to discuss strategies to overcome the oil and gas slump and the continuing struggle of many segments of agriculture.

Leaders active in economic development from 55 communities in Texas, New Mexico, Oklahoma and Kansas have been invited to the "summit" at Southwestern Public Service Company's (SPS) Tolk Station power plant near Muleshoe.

The program is being sponsored by SPS for communities within its service territory. SPS serves much of eastern and southeastern New Mexico, the south plains and Panhandle of Texas, the Oklahoma Panhandle and southwestern Kansas.

"Those areas have many things in common," said Bert Ballengee, SPS chairman and chief executive officer. "In varying degrees, the energy and agriculture situations are hurting them. For example, in July the overall unemployment rate for the territory we serve was 8.4 per cent; the national average was 7 per cent. Traditionally, this part of the country has enjoyed unemployment rates well below the national average."

Economic diversification--the development of a variety of industries to provide jobs and

economic growth--is a goal many communities are working toward, Ballengee said.

The summit will be a means of getting communities together to share ideas and focus efforts, Ballengee said.

A key point of the summit will be a discussion of a "target industry" study to be conducted and completed by late January, 1987. The study will identify the industries most likely to use the attributes of this region.

JOBS: Under Bill Clements, 946,300 new jobs were created in Texas -- one out of every four in America.

Under Mark White, a record 846,000 Texans have lost their jobs -- one out of every ten unemployed Americans is a Texan.

ECONOMIC GROWTH: Because of his business background, Clements made our business climate #2 in America and helped create 160,000 new businesses. Because he's a professional politician, White let the Texas business climate slip to #18 in America. 4,892 businesses failed in Texas last year.

Dear Mr. Wood,
I have always considered myself to be a thinking Democrat.

In 1982 I helped host Linda White when she came to Tahoka in behalf of Mark White's candidacy for Governor. At that time he made a lot of promises—he has kept very few. I wish to speak to only one area. Education—The action taken by our present head of Texas Government caused the lowest morale ever seen in public schools in any state. The paper work and lost motion now required by teachers in Texas is an impediment to progress in teaching school.

Bill Clements has a solid record in education and is the best man to continue the progress made while he was Governor.

Mark White tries to grab the headlines with his glowing rhetoric on education, Bill Clements is the man who pushed through the first comprehensive education reforms in more than 60 years.

The Clements "back to basics" education reforms helped move

Texas education systems forward. Any progress now being made can be attributed directly to Bill Clements.

The biggest mistake White made was the teacher competency tests. This controversy surrounding teacher competency tests in House Bill 72 is a perfect illustration of the different approach of Clements and White. Bill Clements passed a competency test rule that required graduating college students majoring in education to take uniform examinations to insure they mastered their area. These tests were first given in May 1985 without any criticism or controversy. This was much like any examination given before an individual enters a profession. A law student must pass a bar exam. A medical student must pass a series of Medical exams. The Clements method concurred with this - An education student must pass a standard test before certification. His method did not require tests of certified teachers.

The Mark White method was to force teachers with 10 or 15 years of teaching experience to take a test on threat of being forced out of their profession. I do not know if Mark White knows or even cares but a one time test is certainly no criteria of a person's ability to teach school. During my 37 years of school work I knew many teachers who could score high on a test but were not good teachers and at the same time I knew many others who had difficulty on tests and were not outstanding students but they had a love and desire to do a good job and were excellent teachers. Using Mark White guidelines, many of our Tahoka graduates would not have gotten into the college of their choice, just because they did not score high on a test. Fortunately we were able to get waivers on most of them and most did very well after entering college and in the world of work. Think before you vote - do you want more of this?

Thanks,
Melvin Burks
P.S. Both my teacher daughters and my teacher-coach son-in-law passed the test, therefore this is not sour grapes.

October Is Range Management Month

October 1986 has been designated as Range Management Month by Texas Governor Mark White.

Gov. White signed a proclamation on Sept. 18 which noted that "properly managed rangelands protect watersheds, re-

charge aquifers and reduce sediment, ensuring water quality for both rural and urban users..."

"Properly managed rangelands will enhance, for future generations, stable environment." Mosely said. "It will also yield a stable economic base."

For more information on range land and management as well as brush and weed control, contact the Soil Conservation Service at Tahoka, 998-4622.

INCOMPLETE — Tahoka's Mike McDonald is unable to hang onto this pass in the game against Morton last week.

David Gatzki

Graveside services for David L. Gatzki, 31, of Slaton were held at 10 a.m. Friday, Oct. 3, in Green Memorial Cemetery in Wilson with the Rev. Landrum Medlock officiating.

Burial followed in Green Memorial Cemetery.

He died Wednesday morning at his residence.

He was born in Post and formerly lived in Gordon and Slaton. He attended schools in Wilson and Southland. He was a parts man for a gin supply house.

Survivors include his mother, Paula F. Gatzki of Slaton; his grandmother, Willie Mae Gatzki of Slaton; and two brothers, Mark of Lubbock and Dan of New Home.

William Davies

Services for William E. "Lefty" Davies, 80, of Abilene were held at 2 p.m. Tuesday at First Baptist Church in Post with the Rev. Steve McMeans officiating.

Burial was in Terrace Cemetery.

He died at 9:20 a.m. Sunday in Garza Memorial Hospital following a brief illness.

He was born in Southland and lived in Post many years before moving to Abilene. He married Ruby Harrison on Feb. 20, 1936, in Post. He served in the U.S.

Navy in World War II. He was a carpenter.

Survivors include his wife; a son, Wendell Davies of Amarillo; two daughters, Jerilyn Cook of Irving and Molly Davies of Abilene; a brother, Clarence of El Cajon, Calif.; and a grandson.

Jack Meador

Services for Jack Meador, 75, of Lamesa were held at 11 a.m. Saturday in Second Baptist Church with the Rev. Clifton Igo, pastor, officiating.

Burial was in Lamesa Memorial Park.

He died at 7:45 a.m. Thursday, Oct. 2, in St. Mary's Hospital, Lubbock, after a lengthy illness.

He was born in Midland and had lived in Lamesa for 60 years. He married Bobbie Barr on Nov. 13, 1950, in Lovington, N.M. He was a bail bondsman.

Survivors include his wife; two sons, David and Ronnie, both of Lamesa; two daughters, Frances Cozart of Lamesa and Jackie Hahn of Sterling City; five sisters, Zella Taylor of Tahoka, Ola Harris, Frances Porter and Evelyn O'Keefe, all of San Antonio, and Bobbie Howley of Austin; and 10 grandchildren.

Fifth Quarter Set At FBC

Friday night, immediately following the Tahoka-Ralls football game, there will be a Fifth Quarter Fellowship at First Baptist Church for all high school

SPS Proposes 'Clean Coal' Power Plant

Southwestern Public Service Company (SPS) announced this week it is proposing to convert a natural gas-fueled power plant unit near Amarillo to a coal-fueled unit that would save millions of dollars for its customers, while demonstrating for the nation an environmentally superior way to burn the most economical coals.

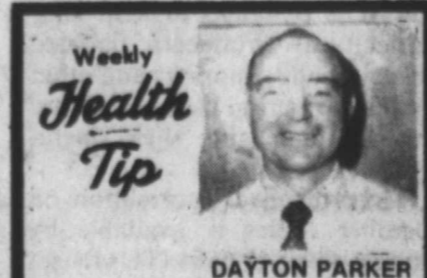

It is expected the repowering of Nichols Station unit 3 could save SPS customers \$178 million during the 20-year life of the converted unit, through reduced fuel costs, said W.R. "Bill" Esler, SPS president and chief operating officer.

Writing Competition Open To Students

A writing competition is now being staged in conjunction with the 200th anniversary celebration of the U.S. Constitution next year. The competition is open to all high school students in grades 9-12 during the 1986-87 school year, and to those 14-18 not enrolled in college.

Three winners will be selected from each state with first place winners receiving \$1,000; second place, \$500 and third place, \$250.

First place winners will receive an all expense-paid, round trip to Washington, D.C. where the na-

Devotional
 By Rev. Hazel House

book of Jesus my Savior and Lord, and I praise God for guarding and preserving the writings of the Bible for us to this day. The more I learn of the Bible, its unity, its history, its coming down through the ages, the more I am astonished and firm in my conviction that it is truly God's Holy Word. So, in the Bible as the Holy Spirit interprets, I find guidance, comfort, counsel, and challenge; and words of God's love that speak to my heart and compels me to do something in response.

SCRIPTURE:
 St. Matthew 17:9-12
 The Acts 17: 22-34
 The Bible: (1) What it is; (2) What it means to me; (3) How I use it in my preaching.

(1) The Bible is the Word of God. It is the sacred book of the Christian religion. It is a book wherein God reveals Himself, thus the main content of the Bible is God's confrontation of men. The Bible is a book, yet it is a collection of books, or a library of 66 books bound together within the same covers.

There are two divisions of the Bible: the Old Testament which has 39 books, and the New Testament which has 27. It took many writers and more than a thousand years to write the Bible. It is not an end in itself, not a textbook of secular learning, but it is the Infallible Word of God.

(2) I love and treasure the Bible. It is the absolute authority in my life when attested by the Holy Spirit's prompting; it is God's Word to me in the revelation of Himself. It is truly a lamp unto my feet, and a light unto my path. I read the Bible prayerfully, gratefully, reverently, and expectantly. The Bible, also, is the record

(3) In my preaching, the Bible is the first book which I use. In preparation as I read, when a thought or a need comes to my mind which causes me to meditate and pray, soon the Living Word in and with me claims my whole being. And I find in the Bible words from God appropriate to meet the need and by which I can express the thoughts in witness for Him. Now I have the Word to proclaim!

I read the Bible for study, for doctrine, for knowledge and understanding, but mostly I read for revelation of God and to learn what He is saying to me, and to the church, the people of God. Thus, I find the way I am to go and witness in telling the Good News to the world.

I hope I shall never attempt to preach without using the Bible — in reading, quote and illustration. For the object of preaching is to proclaim the Gospel, God's Holy Word, that men might hear and be saved. Without God's Word, both the printed and living Word, interpreted by the Holy Spirit, there is no preaching.

O'Donnell Homecoming Slated Oct. 10

O'Donnell Homecoming will be held Friday, Oct. 10. Pregame activities begin at 2:45 p.m. with a parade through O'Donnell, ending at the high school gym for a pep rally at 3:30 p.m. The FFA will sponsor a barbecue supper at the ag building beginning at 5:30 p.m. and the football game with Meadow starts at 7:30.

A reception for all classes will be held immediately following the game in the high school commons area. The homecoming banquet will be Saturday at 6 p.m. in the school cafeteria and will honor classes of 1936 and 1961.

Several class parties have been

scheduled for Friday and Saturday nights:

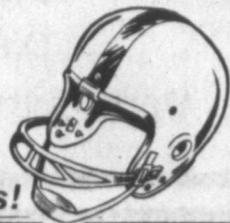

Friday: Class of 1956 will meet at Freddy James home after the game; Class of 1970 meets at Sammie Middleton home; class of 1971 at the Tahoka Country Club; class of 1976 at the Jackie Stidham home.

Saturday: Class of 1951 and friends meet at the Kenneth Pearson home after the banquet; class of 1936, the Sammie Middleton home; class of 1956 meets at the community center from 12:30 p.m. till banquet and after banquet; class of 1961, Billy Russ home after banquet; class of 1966, Harold Bessire home.

WILSON NEWS

Justin Goldsmith, infant son of Mr. and Mrs. Roger Goldsmith, will be the guest of honor at a baby shower Saturday afternoon, Oct. 22, from 3 to 4 p.m. in the Educational Building of First Baptist Church, Wilson. Friends are invited to attend.

The Mustang fans braved the weather Friday to watch the Mustangs defeat Frenship junior varsity and the downpour didn't dampen the spirits of the cheerleaders as they cheered the Mustangs on to victory.

The Mustangs will meet Sunday there at 7:30 Friday. The junior high Mustangs play Klondike there Thursday evening.

School pictures were taken Tuesday as students were preparing for their first six-week tests.

Many of the WHS senior and junior students attended the college night Monday at the Civic Center auditorium in Lubbock.

Sue and Charlie Whisner of Hobbs, N.M. visited over the weekend with her mother, Mrs. Lorian Crowson.

Dawn Shipley, Michael, Misti and Christi spent the weekend in Lubbock with her brother, Billy Phillips, and his family.

Members of the First Baptist Church held a workday at the church Saturday and really improved things. There is a nice change in the landscaping.

Stanley Young TOMI SUBJECTS FOR OCTOBER

Updates on government programs, agricultural exports, the 50/92 provision on crop acres, crop production, milk production, the peanut situation, cattle on feed, livestock slaughter and grain stocks will highlight the TOMI program for October.

"TOMI" is the Telephone Outlook and Market Information program of the Texas Agricultural Extension Service, The Texas A&M University System.

Information provided by TOMI is designed to help keep agricultural producers updated on commodity markets and other vital information useful in planning and managing their operations.

More detailed information on October topics is available by dialing 409/845-8664 (TOMI) according to this schedule:

- Oct. 10-13, Considerations of the 50/92 participation, Larry Lippke.
- Oct. 14-16, Crop Production, Ed Smith.
- Oct. 17-20 - Milk Production, Bud Schwart.
- Oct. 21-23 - Peanut Situation, Johnny Feagan.
- Oct. 24-27, Cattle on Feed, Ernie Davis.
- Oct. 28-30, Livestock Slaughter and Cold Storage, Ernie Davis.
- Oct. 31-Nov. 3, Grain Stocks, Ed Smith.

Messages for TOMI are prepared by Extension Service economists who provide the latest information available to aid producers in making decisions.

IT TAKES KNOWLEDGE TO TREAT THE SICK

Despite great advances in medical knowledge, there are still some people who depend on old-fashioned self-treatments. Some let persons with no drug or medical training advise them what medicines to take.

When door-to-door peddlers or mail order opportunists presume to tell you what to take when you are sick—be wise. In order to treat sickness a diagnosis of the cause is needed. No one but a physician has this knowledge.

To The Voters Of Lynn County, Tahoka, Tx.

Dear Friends:

The Committee to elect Bobby Cox as Sheriff of Lynn County, an Independent candidate, is pleased to present the various qualifications of this candidate.

Bobby Cox is a farmer and has lived in Lynn County all of his adult life. He and his wife, the former Sandra Singleton, have two sons, Blake, an attorney, and Brent, a farmer, and two grandchildren. Although he is only 46 years old, Bobby Cox has a maturity that would be of great benefit in the position of County Sheriff.

As a Deputy Sheriff, serving under Carl C. Spears for four years and under Norvell "Booger" Redwine for two years, he is knowledgeable about the duties of that office, and he has remained very active in his own community with his efforts on behalf of the Ambulance Service in O'Donnell. Both he and his wife Sandy have been trained for service with the O'Donnell Ambulance Service and are continually up-dating their medical knowledge for this purpose.

His doctor has given him a clean bill of health, and being a County Sheriff and living in O'Donnell, which is not the County seat, might be considered a deterrent, but in reviewing the place of residence of former County Sheriffs, we find that more than half of them did not live in Tahoka.

Cox is a landowner and a taxpayer, and a very good business man with an excellent credit rating. An information committee consisting of Bernice Phipps, 998-5157 (after six o'clock), Jean Dorman, 998-4945, and Bobby Cox, 1-428-5763, will be glad to answer any questions the voter may have. Thank you.

GET OUT AND VOTE!!

The Committee to elect Bobby Cox, Lynn County Sheriff, Independent Candidate

TAX REFORM MEASURES OUTLINED—The tax reform bill awaiting President Reagan's signature will impact farmers as well as all Americans, says an economist with the Texas Agricultural Extension Service. General provisions include reduced tax rates, increased personal exemptions, elimination of income averaging and the two-earner married couple deduction, elimination of state and local sales taxes as itemized deductions, and elimination of IRA contributions as deductions. Also, eliminated will be investment tax credit and exclusion of long-term capitol gains.

Application Deadline For LVN Course Near

Application deadline is Oct. 16 for the spring 1987 semester of the Texas Tech University Health Sciences Center School of Nursing. The school will accept licensed vocational nurses (LVN) only for this semester.

Leopards Stun Silvertown 48-22

Running back Darrell Paul ran for three touchdowns and caught a 27-yard pass for another as the New Home Leopards mauled the Silvertown Owls, 48-22, in a six-man showdown Friday night at Leopard field.

The Leopards remained undefeated in District 1-A six-man with the win, while the Owls dropped to a 2-1 in league play.

In a game featuring several momentum shifts, it was the hard-running Paul and a stiff New Home defense that spelled the difference. The Leopards gave up only 141 yards to the Owls, none through the air, while Paul, a 5-8, 180-pound sophomore carried the ball 18 times for 97 yards as well as hauling in quarterback Lloyd Caballero's 27-yard touchdown strike in the third quarter.

Despite New Home's decided edge in total yards, 394 to 141,

the Leopards trailed 16-12 late in the first half. Silvertown had taken advantage of a pair of New Home miscues to score twice in less than two minutes in the second quarter.

Halfback Neal Edwards capped a 58-yard drive, after a short kick by the Leopards, with a 10-yard TD scamper with 9:54 remaining in the half. On New Home's second play after the ensuing kickoff, Silvertown recovered a Leopard fumble at New Home's three-yard line. Two plays later, Edwards scored his second touchdown of the night with a 2-yard plunge, spotting the Owls to a 16-6 advantage.

It was a Silvertown error that resulted in New Home's next score, however, as Leopard defensive back Chuck Smith stepped in front of Corey Robertson's pass and scooted 30 yards before being hauled down at the

Owl five. Paul slanted off tackle on second and goal to pull New Home within four with five minutes remaining in the half.

New Home scored again when Caballero hit Leo Torres with a 1-yard pass with barely over a minute left before intermission. The Leopard drive was aided by a 20-yard halfback pass from Jimmy Wyatt to Brad Morrow, setting New Home up at the Silvertown one-yard line.

Silvertown put themselves behind to stay when Edwards mishandled Leo Torres kickoff. The Leopards recovered at the Owl 16 after a pair of runs by Wyatt, Paul plunged over to paydirt. Garcia's kick gave New Home a 26-16 lead at the half.

The third quarter remained scoreless until Paul snagged Caballero's touchdown strike with 30 seconds left in the period.

New Home added a pair of late touchdowns, one a 7-yard TD toss from reserve quarterback

Coby James to Carey Rudd, and another James touchdown toss, this time a 46-yard effort to Robbi Nieman.

Silvertown freshman Frank Lowrey scored on a 50-yard romp with less than a minute remaining.

"Our defense played a whale of a game," said New Home Coach George Deck. "I was especially proud of Tyrone Watkins, Jimmy Wyatt, Darrell Paul, Brad Morrow, Jerry Speckman, Chuck Smith, Leo Torres, and Manuel DeLeon."

The Leopards will take on Three Way this Friday night at 7:30 p.m. Three Way is also undefeated in district play.
