High Winds Cause Damage In Tahoka

A heavy thunderstorm which moved across the area Tuesday night around 7:15 produced heavy winds, causing damage to trees, windows and homes in Tahoka. Residents reported broken windows, broken tree limbs, roof damage, at least one

report of a cinder block fence blown down, and Buelah Hubbard at 1525 S. 2nd Street reported the wind blew her carport down and carried it across the street.

A National Weather Service spokesman said the damage

probably was caused by straight-line winds - strong winds that move out of clouds straight down to the ground. However, Rex Childress, a chief deputy with the Lynn County sheriff's department, said he thought the damage was caused by a small tornado.

Soon following the evening storm, residents reported seeing officials from the sheriff's department and highway depart-

ment out clearing debris from the streets. The Tahoka Volunteer Fire Department also helped clear debris, and checked on several elderly people known to live alone, after checking to assess damage at the nursing home here.

Police Chief Ray Woodall noted that most damage was reported east of Ave. M. in Tahoka. Residents reported scattered debris, television cable damage

and one report of a mobile home that was turned upside-down located just off the access road on U.S. 87. Several roofs were blown off buildings, cars were knocked about, and the steeple on the roof of the Penecostal Church was reported to have blown down. Several signs around town were damaged by the high winds, and storage houses and other small buildings were reported to have received

damage. Unofficial reports said the area received about .9 inch of rain, in addition to 1.7 inches of rain received over the last weekend.

Stenholm To Speak In Tahoka Tuesday

Congressman Charles W. Stenholm will conduct several public meetings in Lynn County on Tuesday, Sept. 1.

The 17th District Congressman, now serving his fifth term in the nation's capitol, will give a brief update on the current legislative situation as of the August recess. A question and answer session will also highlight each meeting.

Stenholm will begin his area tour with a 9 a.m. meeting at the Co-op Gin in New Home. After his hour-long visit there, he will be at the Greene Museum at Wilson from 10:30 to 11:30 a.m.

He will speak at a noon luncheon in Tahoka at the Methodist Church. Tahoka Chamberettes will serve a spaghetti dinner for \$4 plate.

The area Representative will then go to the Wayland Taylor John Deere house in O'Donnell beginning at 2 p.m.

All area residents are urged to attend any or all of the gatherings.

Meet The Bulldogs Scheduled Tonight

Tonight (Thursday) at 7 p.m. at the football field, the 1987-88 Tahoka Bulldog coaches, football teams and cheerleaders will be introduced.

All parents are asked to bring either homemade ice cream or cookies.

OUT OF THE WOODS

By Juanell (Wood) Jones

WELL FOLKS, summer is almost officially over. According to the calendar, Fall begins on Sept. 23. But if you ask any school-age child or teacher, summer is over next week when school begins.

So, if you were planning to do something this summer and have not yet accomplished the feat, now is the time to do it. Here's a list of some of the things my husband and I thought we could get accomplished this summer:

- *Paint the trim on the house. (Well, hallelujah, we have painted almost all of the trim, except for one corner on the north side of the house that is too tall for our ladder to reach, even if the painter is 6'3" tall and standing on the almost-top rung. This painter — my husband — has promised me he will finish the trim when the roof is no longer too hot to lay prone on so he can reach over the top to paint.)

- We began our painting project with a big bang ... actually a big plop. We hadn't brushed more than a few strokes of paint onto a window awning when my well-coordinated husband tipped a fourth of a gallon of paint over onto the once-beautiful white siding of the house. He muttered unprintable words while our children pointed and giggled and I made a mad dash for the water hose. It cleaned up rather nicely, if one likes dingy white siding.

- *Fix the holes in the patio roof (not yet accomplished). There are big gaping holes in three of six corrugated plastic roofing sheets — why not wait til all six are in need of repair?

- *Set up the tent in the back yard so father and son can camp out one night. (The father is waiting for cooler

nights, and the son is waiting for the father.)

- *Finish the dog house that my husband began construction on last summer. (This is one doozy of a dog house, folks, with at least a year of thought and planning going into the making.) At last report, the doggy mansion still needs a roof, but the front panel over the door has a nicely painted red and white abstract design on it.

- *Do spring cleaning ... I know, I'm already a season late, but I still haven't gotten "in the mood" for such a project, and I just don't want to tackle all those messy closets and jam-packed drawers until I really feel "called" to it.

- *Save money for a vacation. (We went ahead and took the vacation, we just forgot to save money for it. Sound familiar?)

- *Bake brownies. You think maybe I forgot to bake brownies this summer? No, no ... I just want some more, and tonight would be a good night to bake them — you know, to celebrate the end of summer, or the beginning of school, the end of a work day, etc.

- *Get into shape ... again.

THE TAHOKA BULLDOGS may also try a wishbone offense this year ... Okay, I guess I'll have to take the blame for the misleading headline on the front page of last week's issue. How was I to know there was no such thing as a wishbone defense? I'm just a dumb girl (as I've been told several times this week).

The editor was not too pleased with the mistake ... I guess he should have raised a daughter who knows more about football. It's really all his fault...

Burglaries, Arson Investigated

Police investigated an attempted burglary reported at Bartley Grain & Fertilizer on Tuesday as person(s) unknown had tried to pry open a front door. No entry was gained or other damage reported.

Fish Fry Set Here Saturday

The annual Tahoka Volunteer Firemen's fish fry is scheduled for this Saturday, Aug. 29, at 6 p.m. at the Tahoka mini-park.

The group will serve fish, fries, slaw, hush puppies and a drink for \$4.50 each plate.

School Begins Tuesday Morning

Students attending school at Tahoka I.S.D. will resume classes at 8 a.m. Tuesday, Sept. 1. Students registered early this week and teachers began in-service days in preparation for the school term.

Classes will dismiss at 3:30 p.m. Buses will run at regularly scheduled times.

burglaries on Tuesday including Witt Butane who reported that their business was ransacked and some money was reported stolen. Entry was gained by kicking open a front door. The Texico station, located on U.S. 87 and Highway 380 was reported burglarized on Tuesday as entry was gained by removing a panel on an overhead door. Reported missing was two boxes of Hershey candy bars and an NCR cash register was completely destroyed. Lynn County Crime Line has offered a \$500 reward for information leading to the arrest and conviction of person(s) responsible for these incidents.

Police investigated an arson attempt early Sunday morning in the 1700 block of South 7th as someone had tried to set a house on fire with a plastic oil can filled with kerosene that was apparently planted due to a family disturbance. Police and Tahoka Fire Department continue their investigation of this incident.

Lynn County Sheriff's officials investigated a burglary reported by Gary Tedder of Rt. 1, Wilson on Monday. He reported that his residence, located six miles north of Highway 380 on FM

1054, was burglarized sometime between 8 and 9:30 a.m. It was reported that person(s) ransacked a bedroom and reported missing was a Glenfield semi-automatic .22 cal rifle valued at \$80. Crime Line is also offering a \$500 reward for the arrest and conviction of persons responsible for this crime.

The Lynn County News reported on Monday that someone had broken a 4'x8' plate glass window during the weekend. Apparently a beer bottle was thrown against the window, causing approximately \$220 damage.

Persons jailed in Lynn County Jail during the past week include four persons for public intoxication, two for theft by check and one person each for driving while license suspended, DWI 2nd offense; no drivers license and no insurance, second offense, one person for assault, worthless check and one person jailed for public intoxication; failure to appear and unrestrained driver.

The Varsity Bulldog team will scrimmage Ropes there at 6 p.m. Friday.

FIRE DESTROYS MOBILE HOME — Lynn County fire fighters were called for duty on Friday at approximately 11:30 a.m. to put out this mobile home fire, located about two miles east of New Home on FM 211. The mobile home, at the Roger Blakney farm, was badly damaged and everything inside was destroyed by the fire. (LYNN COUNTY NEWS PHOTO)

MRS. JEFFREY PHILIP TINNELL nee NANCY KAY LOUDER

Louder-Tinnell Vows Exchanged In Double Ring Ceremony Here

Nancy Kay Louder and Jeffrey Philip Tinnell were united in marriage Saturday, Aug. 22, 1987, at 2 p.m. The double ring ceremony was performed by Rev. Gene Wisdom, assisted by Rev. Jerry Smith, uncle of the groom, in the home of Mr. and Mrs. Charles Louder of Tahoka, parents of the bride.

Parents of the groom are Mrs. Martha Tinnell of El Paso and Robert W. Tinnell of El Paso.

The ceremony was performed before the fireplace decorated with candelabra, greenery and lilac flowers.

Southern Bush, cousin of the bride, played traditional wedding music and accompanied Rhonda Nolte as she sang the "Wedding Song".

Given in marriage by her father, the bride chose a gown by Alfred Angelo which featured a wedding band collar adorned with re-embroidered schiffli lace, sequins and pearls. The yoke of the dress was bordered with alencon lace fashioned in a grape leaf pattern studded with pearls. The same grape leaf lace edged the full length tapered sleeves as well as the hemline.

Her shoulder-length veil of illusion fell from a crown of flowers and pearls. She wore a pearl and diamond drop necklace which had belonged to her late grandmother, Mrs. Jack Fenton. She carried a cascade bouquet of lilac and white roses atop a new testament carried by her mother in her wedding.

Melissa Louder, sister-in-law of the bride, was matron of honor. She wore a dress of lilac satin underdress, strapless with a full skirt and a white crystal chiffon overlay designed with a jeweled neck and short sleeves edged in re-embroidered lace. The full gathered chiffon skirt flowed softly to a tea length. She carried a nosegay of spring flowers with matching flowers in her hair.

Glen Bernard of Colorado Springs, Colo. was best man. Ushers were Sam Louder, brother of the bride, and Chris and Rob Tinnell, brothers of the groom.

Presiding at the guest book was Ingrid Tinnell, sister of the groom.

4-H Play Day Set

Lynn County 4-H members who participate in the Horse Project will be in competition Saturday, Aug. 29, beginning at 9 a.m. at the rodeo arena in Tahoka.

Steve Graham, Extension agent of Lubbock, will be the judge for the event. Horse project members will compete in performance events such as showmanship, western pleasure, and western horsemanship. The timed events will include barrels, pole bending, stakes, and flags. There will also be a goat tying event.

The members invite the public to observe them in action as they complete their horse project activity for the summer.

A reception followed the ceremony. Serving were Cathy Davis, Cathy Luck, and Sharon Ernst, all of Lubbock.

Honored guests were Jack Fenton of Tahoka, grandfather of the bride, and Betty Jasperson of El Paso, grandmother of the groom.

Following a wedding trip to San Francisco, the couple will live in Lubbock.

The bride is a graduate of New Home High School and attended Texas Tech University. She is employed by First Republic Mortgage. The groom is a graduate of El Paso High School and Texas Tech University. He is employed by the Lubbock Avalanche-Journal.

The Tahoka Garden Club will have its annual backyard and ice cream supper for families and guests on Thursday, Aug. 27, at 8 p.m. at the home of Jewel Smith, 2012 North 8th.

After refreshments are served there will be a slide presentation by Lennie Blackwell of her recent trip to Alaska.

Field Day Planned At TAEX Research Facility At Halfway
TAHOKA--Research which can help Lynn County farmers reduce fertilizer costs and make more effective use through application methods, as well as the latest scientific information on crop production and the control of weeds will be featured during the 78th annual field day of the Texas Agricultural Experiment Station at Lubbock/Halfway on Sept. 8, County Extension Agent Stanley M. Young reports.

The TAES/High Plains Research Facility at Halfway, 14 miles west of Plainview on U.S. Hwy. 70, is host this year. Young said. The annual program alternates between the Lubbock center and its Halfway site, he explained. Tours will begin at 1 p.m. and conclude at 5 p.m.

Five major displays are planned on the motorized tours of the research plots and facilities. Doug Nesmith, research associate in soil fertility and field day chairman, said these will feature reports and demonstrations on types of cotton developed for new farming systems, effects of climate and soil types on grapes, effects of conservation tillage cropping systems on crop yields and weed control, adaption of chemigation to center pivots, and the amounts and methods of fertilizer application for maximum benefits.

The Texas Forest Service will present red oak trees to 250 landowners who take the field tours.

School Board Calls Special Session

A special meeting of the Board of Trustees of the Tahoka ISD was held Thursday, Aug. 20 at 7:30 p.m. in the board room to offer James Johnson a contract as assistant football coach, on a one year probationary contract.

In other action the board hired Gwen Cate as Elementary Library aide for the 1987-88 school year and Myrna Weaver as general office aide.

The board also accepted the bid from Caprock Highway Construction Co. to redo and pave the high school gym parking lot at the set bid of \$12,909.75.

Thalia Burks was named delegate to the TASB assembly and Billy Davis as alternate.

Board members present at the meeting were Billy Davis, Joe Hays, Terry Harvick and Robert Smith. Absent were Thalia Burks, Nedra Young and Mike Huffaker.

The meeting was adjourned at 9 p.m.

O'Donnell Eagles Return Nine Starters Offensively

The O'Donnell Eagles posted a 7-2 record and barely missed the playoffs last year in District 3-1A, but good experience and more depth could put the Eagles back on top if everything goes right.

"When we missed the playoffs last year, we probably had the best team we've ever had," O'Donnell coach Odis Summers said. "We should be better this year because we have nearly everybody back. The experience alone should make us better."

Whether or not O'Donnell's ship comes in this year will depend on if the Eagles can find an offense to complement its defense.

O'Donnell returns six starters on a defensive unit that was the district's stingiest last season, yielding only 63 points.

Among the defensive returnees are senior tackle Ryan Gass, junior noseguard Ricky Gloria, senior end Arthur Ortiz, junior linebacker Richard Ramirez and senior linebacker Kelly Sanders, a

first-team all-district selection a year ago.

Senior strong safety Charles Sanchez is the lone returning starter in the secondary, but he should receive help from senior James Fleming at free safety, senior Daniel Santos and junior Jessie Perez at the corner-back spots.

O'Donnell returns nine starters on an offense that accounted for 204 points a year ago, but the key for the Eagles will be finding an adequate replacement for all-district receiver Cody Crouch.

Crouch was forced to move recently when his father Kenneth Crouch took the job as superintendent of the Jim Ned School District.

Ramirez is expected to step in and become the starting quarterback after serving in a backup capacity at the position last season.

CALL 998-4533 FOR APPOINTMENT

According to the American Cancer Society, one out of ten women in the United States will develop breast cancer sometime in her lifetime. It is currently estimated that over 37,000 women die each year as the result of breast cancer.

Ninety percent of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50 percent five year survival rate. A woman who is diagnosed as having breast cancer by mammography, before a lump can be felt, has a 97% five year survival rate and a 90% 10-year survival rate.

A mammogram can detect a cancer this small, even before it can be felt.

Appointments can be made by calling 998-4533. The Mobile Breast Cancer Detection Unit will

be in Tahoka on Tuesday, September 1, 1987.

The American Cancer Society has established guidelines for mammography in asymptomatic women. (Women who have no symptoms of disease). Those guidelines have been adopted by the American Academy of Family Physicians, American College of Obstetricians and Gynecologists, and The American College of Radiology. Those guidelines are:

I. 35-40 years of age - One baseline mammogram.

II. 40-50 years of age - A mammogram every 1-2 years depending on breast type and risk factor.

III. 50 years of age and over - An annual physical examination and annual mammogram.

IV. Asymptomatic women under 50 years of age with significant high risk factors should be ex-

amined at appropriate intervals. These risk factors include previous breast cancer and family history of cancer.

V. A symptomatic woman should have a mammogram at any age when she experiences a mass, nipple discharge, skin changes or unexplained breast pain.

A screening mammogram is an x-ray of the breast using extremely low dosages of radiation (usually comparable to dental x-rays) and is designed to find very early cancers.

A female technologist who is highly trained in mammography will perform the examination.

The charge for the screening mammogram is \$50.00. The Unit accepts cash, check, Visa, MasterCard and American Express.

Leopards Returning Loads Of Experience

The New Home Leopards, under head coach George Deck, are returning eight starters among 11 lettermen and are confident that they can continue winning football games, but Deck added that "We are not taking any team lightly because anything can happen in six-man football. There are a number of teams this year that can do some damage, so we plan to be prepared for each

and every opponent." The Leopards are coming off an 8-3 season and their first-ever appearance in the state football playoffs. After finishing second in District 1-A, New Home dropped a close 44-40 bi-district decision to Guthrie. But that loss hardly dampened the Leopards' enthusiasm for football. "It really couldn't have had anything but a positive effect on

these kids," Deck said. "They've been down for so long — it's finally turned around, and they're now beginning to believe in themselves."

"They can do it (continue to win)," he said. "It all depends on attitude and discipline. We've got material — some real good material."

The Leopards return the bulk of the squad that ranked No. 11 among area six-man teams on offense (327.1 yards per game).

Leading the way is senior quarterback Lloyd Caballero, who passed for 916 yards and 14 touchdowns in 1986.

"Lloyd Caballero is my see-eye dog out there on the football field," Deck said. "He has a heck of a mind for the game and he's in it all the time."

Other returning offensive starters are explosive junior running back Darrell Paul, bruising 195-pound senior running back Leo Torres and senior end Manuel DeLeon.

Paul, Torres and DeLeon are two-way starters, returning on defense at linebacker, end and end, respectively, and are joined by dominating veteran nose guard Tyrone Watkins.

Senior Robbi Nieman is a probable two-way starter, at end and linebacker, and junior Jerry Speckman may start at both center and linebacker.

Junior Carey Rudd is a leading candidate to fill a linebacker slot, while sophomore Coby James is a favorite at safety. Gaylon Paul, a

6-3, 195-pound junior and Darrell's brother, will give the Leopards needed size.

The Leopards have been ranked high in preseason polls, including sixth by Texas Football magazine.

"We're certainly not letting those headlines go to our heads," Deck said.

Ed and Tina Sharp and boys of Alpine were in Tahoka last weekend with her parents, Mr. and Mrs. Charlie Stice.

Carlton and Joyce Davies of Amarillo visited here Saturday.

David, Judy, Jayson and Josh Gandy spent the weekend in Big Spring with his sister, Nelma Gandy. Nelma and Gerry Ritchie and Chad of Colorado City were also visiting there.

The mobile home at the Roger Blakney farm east of New Home was badly damaged by fire about 11 a.m. Friday. The occupants, the Blakney twins, Lorna and Rhoda lost everything in the fire. The Tahoka and New Home fire departments were at the scene.

Emil Raindl remains in ICU Methodist Hospital.

Mr. and Mrs. D.B. Morris were in Lubbock Saturday for funeral services for her uncle, Charles E. (Shorty) Currey in the Oakwood Baptist Church with Rev. Wilburn Coffman officiating. Burial was in the City of Lubbock Cemetery.

Currey, 87, died at 10:20 a.m. Wednesday in Methodist Hospital after a lengthy illness. Survivors include a son, Wallace Dean Jones of Anaheim, Calif.; four sisters, four grandchildren and six great-grandchildren.

The family received word that Wallace died at 3 a.m. Sunday.

Havah Haley visited with the Dennis Haley family in Hondo several days last week.

Stony, Christene and Caleb Gill moved this week to Sweetwater where he is with the Production Credit Co.

Ruby, Randy and Eddie Overman spent five days in Albuquerque, N.M. with Carolyn Wright and family. Randy and Eddie went to Santa Fe, Taos, Red River and Eagle Nest, sightseeing.

Bessie Strain was honored on her 93rd birthday Aug. 20. Family members visiting were Thelma Ruth and Pat Chapman of Borger and their families; the Ken Chapmans of Kempola Uganda; John and Cindy Chapman, Christopher and Tommy of Lake Villa, Ill.; Cheryl and Jim Swafford, Jamie and Kevin; Sylvia McDonold of Sweetwater; Bea Byrd of Electra; Minnie Lee Boyd of Colorado City. The celebration was in the home of Margaret Edwards.

Bessie's friends surprised her with a little party on Wednesday morning at the Lady Bug Beauty Shop. Punch, cake, nuts and cookies were served.

Mr. and Mrs. J.A. Evans and Mr. and Mrs. Roy Blevens accompanied about 90 members of the Senior Citizens Bowling Club in Lubbock to the state bowling tournament in Amarillo Saturday and Sunday. The group went by chartered busses.

1 3/10 inch of rain was measured here in New Home Sunday, from 2 1/2 to near 3 inches was received in the Lakeview, Petty communities.

Jean Ray entered St. Mary's Hospital for treatment of pneumonia.

WHAT IS A PRESCRIPTION?

It looks like an ordinary piece of paper with writing you can't read, to get medicines that sometimes seem expensive.

Actually, a prescription is a passport to better health. Physicians study many years to be able to write one. Pharmacists study many years to learn how to compound them. Drug firms usually spend millions to perfect the drugs in them. The relatively few dollars all this knowledge costs can save you sickness-time and sometimes your life.

"A GREAT MANY PEOPLE ENTRUST US with their prescriptions, health needs and other pharmacy products. We consider this trust a privilege and a duty. May we be your personal family pharmacy?"

Mustangs Optimistic; Must Stay Healthy

Mustang Coach Gary Lewis has told his players this season that "if they know someone who might want to play football, tell them to come out." That's very sound advice, since the Mustangs will probably have no more than 16 players on their roster.

Too many teams sold the Mustangs short last year when they had limited numbers and all coach Gary Lewis' team did was walk away with the District 3-1A championship enroute to a 9-2 finish.

"It could be a pretty good season for us, but again, we've got to stay healthy — moreso in our circumstance than any team in our district. I'd say 16 players are the most we'll have out this

year and we just can't afford to lose a soul."

Of last year's 18 lettermen, 14 of those that helped fashion a 5-0 league mark greet Lewis again this year.

"We've got 10 seniors and they can all play," Lewis said. "We've just got to get our young kids to step forward in a hurry. We don't have the dominant running back like we did last year in (Justin) Bednarz. You just don't replace a 1,400-yard rusher overnight."

Which is why Lewis thinks defense will be the Mustangs' forte.

The eight returning defensive starters include Greg Spears, Ruben Garcia, Wes Earwood,

Paul Ehlers, Chad Joy, Johnny Guzman, Craig Wuensche and Jesse Mendez. Each of those players, with the exception of Mendez, is also a holdover from the 1986 Wilson offensive unit. Wuensche, a 6-2, 240-pound senior, could be the best of the bunch. Also beefing up the line is 5-11, 205-pound senior Paul Ehlers.

Offensively, the Mustang offense will center around all-district quarterback Spears.

Wilson Independent School District Lunch Policy

The Wilson Independent School serves nutritious meals every school day. Students may buy lunch for 90 cents or \$1.00 and breakfast for 50 cents.

Children from families whose income falls within the level shown on the attached scale are eligible for either free or reduced-price meals priced at 40 cents for lunch and 30 cents for breakfast.

To apply for free or reduced-price meals, please fill out this application as soon as possible, sign it, and return it to the school. Please answer all questions on the form. An application which does not contain the following information cannot be processed by the school: (1) the total household income must be listed by the amount received by each household member receiving income and the type of income it is (such as wages, child support, etc.) OR your food stamp case number if your household is on food stamps, (2) names of all household members, (3) social security numbers of all household members 21 years old or older or the word "NONE" for any household member who does not have a social security number, and (4) the signature of an adult household member.

VERIFICATION: The information on the application may be checked by the school or other officials at any time during the school year.

REPORTING CHANGES: If your child is approved for meal benefits, you must tell the school when your household income increases by more than \$50 per month (\$600 per year) or when your household size decreases.

REAPPLICATION: You may apply for benefits at any time during the school year. If you are not eligible now but have a decrease in household income, become unemployed, or have an increase in family size, fill out an application at that time.

FOSTER CHILDREN: If you have foster children living with you, they may be eligible for these benefits. If you wish to apply for these benefits for them, please contact the school and they will help you complete the application.

NONDISCRIMINATION: Children who receive free or reduced-price meal benefits are treated the same as children who pay for meals. In the operation of child feeding programs, no child will be discriminated against because of race, sex, color, national origin, age, or handicap. If you believe you have been discriminated against, write immediately to the Secretary of Agriculture, Washington, D.C. 20250.

FAIR HEARING: If you do not agree with the school's decision on your application or the result of verification, you may wish to discuss it with the school. You also have the right to a fair hearing. This can be done by calling or writing the following official: Mr. Gary Williams PO Box 9, Wilson, Texas 79381. Telephone: 628-6271

CONFIDENTIALITY: The information you provide will be treated confidentially and will be used only for eligibility determinations and verification of data.

HELP WITH APPLICATION: If you have any questions or need help in filling out the application form, please contact Ted Dockery or Randy Moczygamba at school. You will be notified when the application is approved or denied.

Dear John: John Deere Answers Your Lawn and Garden Woes

Lawn Food—Fad or Fact?

Dear John: It seems to me grass ought to be able to grow naturally. Why does a lawn need fertilizer?

Dear Nature Boy: Like domesticated animals, lawns won't survive without special care. The grass we have in our yards is not like Nature's lawn that grows in the wild. The grass plants in our yards are special varieties developed for characteristics that enhance the beauty or utility of our home landscape. The grass in our yards grows closer together and is mowed frequently, so it needs to have a regular supply of food.

A fall feeding is especially important because grass plants need extra nutrients to help them survive the winter.

Fertilizing will make a lawn thicker and greener. A dense, thick lawn makes it difficult for weeds to grow, since they have to compete with the grass for space, air and sunlight before they sprout. And a healthy, fertilized lawn is also less susceptible to pests and disease.

Dear John: I love geraniums, but they're so expensive to buy every year. Is there a way to save money on these beauties?

Dear Cost Cutter: To end a love/hate relationship with geraniums, you can grow the flowers from seed next year and save a

lot of money. Geranium seeds have a tough outer surface, so they need to be cracked or softened to germinate. If the seeds aren't already cracked when you buy them, soak them for 24 hours in warm water before planting.

Plant the seeds under greenhouse conditions between mid-January and early February—12 to 16 weeks before the set-out date.

It takes about two or three weeks at an 80 degree F. soil temperature for geranium seeds to germinate. After germination, plant the seeds in a six-pack container—one seed per compartment. The seedlings should be moved to larger containers later in the spring, before being transplanted into a garden or window box.

Dear John: What's the difference between a bulb and a corm?

Dear Cormfused: There are two major differences between a bulb and a corm. A corm has a bud at its tip and dies after reproduction at the end of one flowering season. Gladioluses and crocuses grow from corms. A bulb, on the other hand, contains an entire flower in embryonic form and continues to live and blossom season after season. Daffodils and tulips are two examples of bulbs.
