Fumbles Mar Good Effort By Bulldogs

BY DALTON WOOD

The Tahoka Bulldogs' new offense worked well in the season opener here against Plains last Friday, but the Dogs laid the ball on the ground for the Cowboys to recover five times and that was about one more, time than the team could overcome. Plains used a sputtering passing attack to outscore the Bulldogs 27-21, breaking a 21-21

tie in the third period.

All in all, the Bulldogs turned the ball over seven times, counting two interceptions, and Plains had just one interception and lost one fumble, and this was the main difference between two teams which both moved the ball pretty well.

This week Tahoka starts a three-game road trip, going to Hale Center to play an Owl team

which was whopped 43-0 by a good New Deal team last Friday. New Deal's quarterback threw six TD passes in that game.

Plains kicked off last Friday night's game, and Tahoka fumbled the runback at the Dog 20. After two incomplete passes, Plains scored as little Michael Diaz scooted 20 yards. Quarterback Shane McMinn kicked the point and Tahoka was behind 7-0 with just 23 seconds gone in the game.

Later in the first period, the Bulldogs appeared to be holding Plains well when McMinn hit End Jeff Ashburn on a 57-yard play which would have scored had Mike Ramirez not caught up with him at the 15. A couple of plays later Diaz scored from the 13 and McMinn again kicked to make it 14-0.

It was then that the Tahoka offense came to life, driving 60 yards to score with QB Ramiro Rodriguez passing 6 yards into the end zone to flanker James Antu for the score. George Morin kicked the point and the score at the end of a busy first quarter was 14-7, Plains.

Early in the second, Tahoka missed a chance to score. Antu took a pitchout and ran 24 yards to the Cowboys' 15, but after John Aldous ran for 4, Rodriguez' pass was intercepted, giving Plains the ball on their own 8. Bulldog guard Danny Calvillo trapped Diaz for a 4-yard loss, and Plains had to kick, with the punt going only out to the 22. Runs by Rodriguez Fullback Rusty Jennings, and Aldous set up Tahoka at the 7, from where Rodriguez struggled in for a TD. Morin's kick tied the game at 14 with 4:50 left in the half.

The Bulldogs then had the same defensive trouble as in nearly every game last year--allowing their opponent to score just before the end of the half. Plains hit passes of 13 and 20 to the Tahoka 19 with 42 seconds left, then McMinn passed 15 yards to Doug Green for a score with only 20 seconds left, adding the point to make it 21-14. Rodriguez hit Aldous on a nice pass play for 47 yards, but no score, just as the half ended.

In the third, Tahoka came right back to tie the game with Aldous running 10, Antu 18 and then Aldous going 24 for the touchdown. Morin again kicked and the score was 21-21 midway of the third.

McMinn hit Scott Lowrey with a 9-yard scoring pass later in the third, and an attempted pass for 2 points fell incomplete, so it was 27-21 at that point.

Morin recovered a fumble at the Tahoka 15 to stop one Plains drive in the fourth, then the Dogs put on a great drive which ended not so great. Jennings ran 39 yards to the Plains 46, Aldous ran 11 more, then Rodriguez made 14 to a first at the Plains 25. Jennings ran 11, then 6, and Tahoka had a second and goal at the Plains 2. But the Dogs missed the handoff on the next play and Plains recovered at the 1.

Plains was soon forced to punt, and Tahoka again moved to the visitors' 19, but another fumble stopped this final threat by the Bulldogs.

Valuable Tools Are Stolen In Burglary

Mechanic's tools valued at more than \$5000 were taken by burglars who broke into the shop area of McCord Motor Company late Saturday night or early Sunday morning.

The tools were owned by the mechanics, with Kim Byrd losing most of the tools, and some owned by Alton Kelly also were stolen. Engine parts from a customer's vehicle also were stolen.

Crime Line, 998-5145, has offered a \$500 reward for information on this burglary or on the burglary of Lynco Automotive the same night. Lynco was in the process of checking inventory to see what, if anything, was missing. In each instance, entry was gained by breaking a window at the back of the business.

Crime Line has offered a \$300 reward in the burglary of a farm house owned by John Mann, located about 19 miles northwest of Tahoka. Between Aug. 29-31, someone took a 4-inch black and white Panasonic TV set from the house. Left at the scene was a 1976 Yamaha motorcycle which had been stolen from a Lubbock man who later was given possession of the property.

In jail during the week were one person each for the following offenses: disorderly conduct, speeding, public intoxication, no drivers license or inspection certificate, plus failure to appear on earlier charges of no drivers license or proof of insurance, no liability insurance, and one for speeding, no seat belt worn, no insurance and violating a promise to appear.

OUT OF THE WOODS

By Juanell (Wood) Jones

THE GRADUATING CLASS of 2000 ... That's the year my son will (if all goes according to plan) receive his high school diploma. He will also have the distinction of being in the first graduating class of the 21st century. Pretty amazing, isn't it?

Okay, I guess you will have figured out that we have a son who has entered the hallowed halls of education ... kindergarten class. Are we proud? Of course we are. By now he has completed a full week of classes, and he hasn't broken anything (that we know of), has made a new friend, found out he can eat whatever he wants to in the lunchroom because mommy isn't there to make him eat yukky vegetables, and discovered that school is a fun place to be.

Well, hallelujah. On the other hand, he has discovered that he has to sit still sometimes (this is a tough one), can talk only when allowed, and they don't get to watch cartoons in the morning (you can't have everything!).

I'm important, now, too. I got to go to my very first parents' meeting, thank you very much. I had to take a test, too. The children had all drawn self portraits during the week, and the teacher displayed these drawings with the names hidden. We, the

parents, were "tested" to see if we could pick out the one that our own talented child had drawn. I flunked. I hope our son does better on his tests than his smart mother.

Well, what can you expect? I never went to kindergarten. These days, kids learn things in kindergarten that I seem to recall learning in first and second grade. What the first and second graders do now, I have no idea ... trigonometry maybe, or calculus.

Why, by the time he graduates in the year 2000, he'll be smarter than ... uh, well ... than me. And he may travel to school in a jet-copter that uses recycled cow manure for fuel, and when he lets out for school holidays we'll probably fly to the moon for a couple of days vacation.

ALL YOU GALS who started the summer with some wild idea of trimming your tummy, but can still pinch-an-inch (at least) of skin in the waistline (if you can still find it), don't despair! There's still hope. Aerobics classes are being offered in town, so let go of your triple-decker ice cream cone and grab your tennies for some serious sweating. I plan to be there too -- I'll be the one with the red face, gasping for air in the very back corner. No pain, no gain, right? No fair.

A BLOOMING MIRACLE? — Sylvester Simms, N. 4th and U.S. 87 west access road, discovered this week that his cherry tree, which already has produced cherries this year, is blooming again, a very rare occurrence for September. "I've been around 84 years and never seen anything like this," Simms commented. His left hand frames one of the many white blooms. (LYNN COUNTY NEWS PHOTO)

ed out 280 yards on the ground, and with 95 more passing, the Bulldogs had an impressive 375 yards to 327 for Plains.

Jennings carried the ball 14 times for an even 100 yards; Rodriguez gained 57 in 9 carries; Aldous gained 90 yards in 13 efforts and Antu had 45 in just four carries. And tackle Morin had an 8-yard average, gaining 8 yards after catching a Tahoka back's fumble in midair.

Farm Bureau Meeting Set

The Lynn-Garza Farm Bureau meeting will be held tonight (Thursday) at 7 p.m. in the Tahoka School Cafeteria. State President S.M. True will be guest speaker.

All members are urged to attend. A meal will be served.

Crime Line Offers \$500 Reward ...

For information leading to the conviction of persons responsible for either of two burglaries in the city of Tahoka Saturday night or early Sunday, Sept. 6. Tools valued at more than \$5000 were stolen from the shop of McCord Motor Co. and it has not been determined what items were taken from Lynco Automotive. In each instance, entry was gained by breaking a window at the back of the building.

\$300 Reward ...

For information leading to the clearing of a burglary of a farm house 19 miles northwest of Tahoka between Aug. 29 and Aug. 31. Stolen was a 4-inch Panasonic TV set. Left at the scene was a motorcycle which had been stolen in Lubbock. Owner of the TV set is John Mann.

MOVING ALONG — Rusty Jennings is carrying the ball here for Tahoka, with some help from his friends, who include John Aldous (21) and Ronnie Dunn (74). Jennings gained 100 yards in the game, but Tahoka lost the opener. (LYNN COUNTY NEWS PHOTO)

JOHN DRAWS A CROWD — Tahoka running back John Aldous (21) gets the attention of several Plains Cowboys in the opening game of the season here Friday. The Tahoka player in right foreground is probably Joseph House, with Ronnie Dunn (74) behind him, and Mark Vega is 63. Plains won the game 27-21. (LYNN COUNTY NEWS PHOTO by David Chapas)

Grassland Hobby Club Has Meeting

The Grassland Hobby Club met Sept. 3 in the Grassland Community Center with 13 present.

The meeting opened by Sandra Laws, president. Prayer was given by Ruth Mathis. Minutes were then read by Faye Melton.

In the business meeting, it was discussed about having a dinner in November for the community and charging \$2.50 a plate and then have a recipe exchange with each bringing their favorite recipe.

The program was given by Loucile Stewart who showed Christmas gifts to purchase.

MR. AND MRS. OLAN LONG

Couple To Celebrate 50th Anniversary

Mr. and Mrs. Olan Long, residents of Grassland since 1941, will be honored with a family dinner Sunday, Sept. 13.

Long and the former Marie Anderson were married Sept. 11, 1937 in Decatur. Long farmed until his retirement in 1983. They have one daughter, Helen Gandy of Post and four sons, James, Joby, Dan and Van, all of Tahoka.

Hostess was Lorene Gerner and Ruth Mathis.

Door prize was won by Syble Workman.

Program On AIDS Slated Sept. 15

Dr. Arnold Isaacson and his staff from the Texas Department of Health Region II office in Lubbock, will present factual information regarding AIDS and its transmission to the community at large. The meeting will be held Tuesday, Sept. 15, at 7:30 p.m. in the Tahoka school cafeteria, 2122 North 3rd.

Misconception of the transmission of AIDS will be discussed. AIDS affects men, women, children, young and old. The public must be aware that people in all walks of life can be infected by the AIDS virus and it is not a disease that affects strictly the homosexual community.

Emphasis will be put on the importance of "getting back to the basics of life", to prevent contact of the dreaded AIDS virus. Dr. Isaacson will give the latest facts and figures available and welcomes questions and comments.

The public is invited and encouraged to attend this educational meeting.

The Tahoka Garden Club will meet Tuesday, Sept. 15, in the home of Jewel Smith, 2012 North 8th, with Loucile Stewart as co-hostess.

Georgia Booker, Zone Chairman, will give the program on "The Value of Cooperation of Active Spirit and Action by action of Garden Clubs of National Council."

Fines For City Traffic Violations Are Increased

The State of Texas has mandated two requirements which have resulted in the City of Tahoka increasing the amount of fines levied for some traffic violations.

City officials said the state now requires an additional \$75 to be sent to Austin for each fine on failure to have proof of liability insurance or other proof of financial responsibility. This means, said City Judge Melvin Burks, that the fine for that offense now will be \$175, instead of the previous \$97 levy.

In the past when someone lays out a fine in jail, \$15 credit per day has been allowed. Now the state says the credit must be \$45 per day, so fines on certain offenses for which a violator may be taken to jail also have been increased by the city. Fines which have been \$63.50 but which now will be \$100 include those for the following offenses: disorderly conduct, public intoxication, consumption of alcohol in a public place, providing alcohol to a minor, simple assault, leaving the scene of an accident, and littering/destruction of private property.

C-C Arts, Crafts Show Slated

The Tahoka Chamber of Commerce Arts and Crafts Show will be held Saturday, Oct. 31, from 9 a.m. to 6 p.m.

Aerobics Classes To Begin Thursday

Low-impact aerobics and exercises will be offered in Tahoka to persons interested in improving overall health and physical condition. The classes will be held on Mondays, Tuesdays, and Thursdays from 5:30 until 6:30 p.m., with the first class beginning Thursday, Sept. 10 in the Fellowship Hall of the First United Methodist Church in Tahoka.

Pam Paris and Melonie Terry will be instructors for the class, offering a variety of exercises performed to popular music. Cost of each class is \$1 per person, and child care will be offered at the church for 50 cents per family.

"We want everybody and anybody who is interested in getting into shape and keeping in shape," said Mrs. Paris. "Aerobics are exercises specifically designed to strengthen circulation and respiration, and we will also be doing some floor exercises, stretching, etc."

There is no need for pre-registration for the class. The Methodist church is located at 1801 Ave. J.

DECISION MAKING

People who exercise regularly may be better decision-makers than those who don't, decided Prof. Garriel Salvendy of Purdue U. Persons involved in a 6-month fitness program made 60% fewer errors in forming strategies to arrive at complex decisions. The program, involving 40 men and women, age 27 to 66, included running, walking, track, and bicycling. Half of the group maintained their usual routine.

New Home News

Randy Overman was taken to the emergency room at Highland Hospital Wednesday evening. He received a bad burn on his left hand and arm in a trash fire at their home here.

JV Bulldogs Zap Plains 32-0

The Tahoka Bulldog Junior Varsity won the pre-season scrimmage at Anton and also defeated the Plains Cowboys here Thursday night, 32-0.

The running of halfbacks Kevin Hood and Joey Stone and full-back Johnny Bishop, plus the running and passing of quarterbacks Tim Young and Trey Nance played a big part in the Tahoka offense. Gerald Antu, linebacker, Rusty Lawson, defensive end, Ricky Saldana, tackle and Johnny Bishop, safety, along with others did an outstanding job on defense.

Kevin Hood rushed for 3 TD's and a 2 point conversion. Tim Young rushed for 1 yard. Wide receiver Paul Glisson scored on a pass from Trey Nance.

Dear John:

John Deere Answers Your Lawn and Garden Woes

Defrosted Roses

Dear John: What can I do to protect my roses from Jack Frost and Wilma Winter?

Dear Rosie the Rescuer: Bundle up your roses in a thick coat of mulch to shield them from the bitter months of winter. After the soil is completely frozen, pile up to 12 inches of mulch in a pyramid around the plant's stem. A thick mulch coat will protect your roses from catching their death of cold and will help prevent the repeated cycle of freeze and thaw from hurting them.

People who live in very cold areas should cover roses completely. To do this, pound stakes in the ground and wrap burlap or wire mesh around the stakes.

Good drainage is also necessary for roses to survive through winter. Without sufficient drainage, water will accumulate in the soil and freeze in the cold weather, causing ice damage to the roots.

To provide good drainage, be sure soil contains about one-third organic material, such as compost, peat moss or cow manure, when planting roses in the spring.

Dear John: It's almost time for my riding mower to take a win-

ter's nap. Any tips for a successful hibernation?

Dear Restful Rider: With a little fall preparation, your riding mower can be in tip-top condition in the spring. Before storing your riding mower for the winter, read the operator's manual for proper procedures. Warm up the engine and drain the crankcase oil. Replace it with clean oil of the type recommended for your machine. Empty the fuel system — tank and lines — to prevent deteriorating fuel from clogging the carburetor. Or add a fuel stabilizer.

To prevent corrosion during winter storage, "pickle" the engine. Remove the spark plug and pour one tablespoon of clean SAE 30 engine oil into the cylinder. Crank the engine twice to distribute the oil on the cylinder walls. Then replace the spark plug.

Remove and clean the battery and store it where it won't freeze. Clean the engine and mower parts. Touch up any scratches with paint to prevent rust.

Store the mower in a cool, dark, dry place — on blocks — to take weight off the tires.

Harold Garcia, pastor of the Oakwood Baptist Mission, remains in very serious condition in St. Mary's Hospital, Lubbock.

Bobby, Fernie and A.C. Fillingim Sr. went to Hico for his brother's, Robert and Ruth Fillingim, 60th wedding anniversary reception. All of their children, except one, were there and numerous relatives and friends. Robert and Ruth have the senior citizens band at Hico which has certainly been an added interest in their lives. Ruth is the band director and can play a great number of instruments. They really have a good time with their band and thoroughly enjoyed the party.

Rodney and Leah Overman and boys of Albany were here last weekend with his mother, Ruby Overman, and other relatives and friends.

Carol Pruitt and her parents, Abe and Jean Hester of Snyder, spent one-and-a-half weeks in the mountains near Antonita, Colorado.

Havah Haley had the thrill of renewing a childhood friendship with Jean Sanders of San Marcos. The girls started school together and were neighbors in the Muleshoe area until Havah moved away. They have a mutual cousin and kept in touch through her until 1942 when the three girls married and had their families. Havah and Jean and

not seen each other for 45 years until this summer. She spent several days in the Haley home.

Carey, 16, son of Marlow and Barbara Rudd, is in Highland Hospital where he had major knee surgery Friday to repair damage to his left knee. Carey, a junior, suffered the injury in a scrimmage game with Klondike Aug. 28. He is in room 213.

Billie Rudd and Lonette Smith were in Odessa Tuesday until Thursday with Billie's sister, Mrs. Odis Goforth. Odis is seriously ill in the Odessa Medical Center Hospital.

Visiting here recently with Herchel and Debbie Upchurch and children were Herchel's grandmother, Mrs. Dugan from Slaton, and Debbie's grandmother, Mrs. L.C. Allen of Lubbock. Other relatives were Troy and Bernice Allen and Margaret Mortel of Lawton, Okla., Vivian Carter of Duncan, Okla. and David and Kathryn

Hucks, Lubbock.

Ida Mae Edwards returned home Monday after several days in Carlsbad, N.M. with Evelyn and Howard Madison.

U.S. Magistrate J.Q. Warnick Jr. of Lubbock is reported in satisfactory condition in Methodist Hospital after double bypass surgery. His wife Loretta, who teaches special education in the New Home Schools has taken a short leave of absence.

Ray Van, Lana and Kendra Banks of Spring Lake were here over the weekend with her parents, Mr. and Mrs. Freddie Kieth and family.

Anyone knowing the whereabouts of the new large aluminum bean pot taken from the New Home Baptist Church after a dinner on May 4, should notify Mary Bess Edwards or return it to the church.

Sandy, Choy Young and child-

ren of Round Rock visited in Lubbock with his family and with her parents, Mr. and Mrs. Roy Blevens, over the weekend.

John and Melda Jacobs met their son, Clay of Snyder, in Post for dinner Sunday. Clay is employed at Anthony's in Snyder.

Guests in the Joe D. Unfred home during the weekend were Rev. and Mrs. James Ray Roach of Humble and David and Tricia Rogers of Fort Worth. Mrs. David (Celeste) Unfred of El Cajon, Calif. made a surprise visit to the area to attend the Roach family reunion in Clovis, N.M.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED

CONSTITUTIONAL AMENDMENTS

SPECIAL ELECTION
NOVEMBER 3, 1987

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 104 proposes a constitutional amendment to allow the legislature to provide a guarantee for the Texas grain warehouse self-insurance fund. The guarantee of the fund may not exceed \$5 million, and when the fund reaches \$5 million, the guarantee will cease. The proposed amendment will appear on the ballot as follows: "The constitutional amendment to provide for the surety of a grain warehouse fund to be established by the grain industry for the protection of farmers and depositors of grain in public warehouse facilities."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 60 proposes a constitutional amendment to permit rural fire prevention districts in counties with populations over 400,000 to levy a tax at a rate not to exceed six cents (\$.06) per \$100 property valuation for the district, if the voters of the district approve the tax. The proposed amendment will appear on the ballot as follows: "The constitutional amendment to raise the maximum property tax rate that may be adopted by certain rural fire prevention districts, but only if approved by the districts' residents."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 48 proposes a constitutional amendment to extend the school ad valorem tax exemption for elderly persons to the surviving spouse of a person receiving the exemption. If a surviving spouse is at least 55 years old at the time of death of the person receiving the exemption, ad valorem public school taxes could not be increased as long as the homestead remained the residence homestead of the surviving spouse. The proposed amendment will appear on the ballot as follows: "The constitutional amendment to limit school tax increases on the residence homestead of the surviving spouse of an elderly person if the surviving spouse is at least 55 years of age."

PROPOSITION NO. 4 ON THE BALLOT

House Joint Resolution 5 proposes a constitutional amendment to allow the legislature to create programs and make loans and grants of money for development and diversification of the economy, elimination of unemployment and underemployment, stimulation of agricultural innovation, promotion of agricultural enterprises, and development of transportation and commerce. Bonds or other obligations payable from ad valorem taxes must be approved by the voters in the political subdivision seeking such funding sources. The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to provide assistance to encourage economic development in the state."

PROPOSITION NO. 5 ON THE BALLOT

House Joint Resolution 65 proposes a constitutional amendment to permit the State Department of Highways and Public Transportation to contract with the Texas Turnpike Authority and to contribute money to the costs of turnpikes, toll roads and toll bridges of the Authority. The amendment would authorize the governing body of a county with a population over 400,000, a county adjoining such county, and any city or district located in or partially in such county to make agreements with the Texas Turnpike Authority and levy ad valorem taxes to pay part or all of the principal and interest on Turnpike Authority bonds and to pay maintenance and operating expenses of the Turnpike Authority, if the voters approve the tax. The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing agreements between the State Department of Highways and Public Transportation and the Texas Turnpike Authority and the governing bodies of counties with a population of more than 400,000, adjoining counties, and cities and districts located in those counties to aid turnpikes, toll roads, and toll bridges by guaranteeing bonds issued by the Texas Turnpike Authority."

PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 4 proposes a constitutional amendment to allow the legislature to establish three separate development funds. A Texas product development fund could be established to aid in the development and production of new or improved products in the state. The amendment would authorize the issuance of up to \$15 million of general obligation bonds to provide initial funding for the program. A Texas small business incubator fund could be established to foster and stimulate the development of small businesses in the state. Small businesses operating under the program would be exempt from ad valorem taxation. The amendment would authorize the issuance of up to \$10 million in general obligation bonds to provide initial funding for the program. A Texas agricultural fund could be established to promote the production, processing and marketing of agricultural products produced primarily in Texas by small Texas agricultural businesses. The amendment would authorize the issuance of general obligation bonds in the amount of \$100 million outstanding at one time to carry out the agricultural fund program. The legislature could require review and approval of the issuance of bonds and the use of bond proceeds. The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to provide for state financing of the development and production of Texas products and businesses."

PROPOSITION NO. 7 ON THE BALLOT

Senate Joint Resolution 55 proposes a constitutional amendment to authorize the legislature to provide for the issuance of \$400 million in general obligation bonds to be used for loans to local governments for acquisition, construction, repair, renovation, and equipment of public facilities or for grants to local governments for planning public facilities. The amendment would also permit the issuance of revenue bonds for the same purposes to be repaid from excess revenue from repayments of loans made under the amendment and from other revenues pledged to the retirement of revenue bonds. The amendment also authorizes the legislature to provide for review and approval of the issuance of the bonds and the use of the bond proceeds. The proposed amendment will appear on the ballot as follows: "The constitutional amendment providing for the issuance of general obligation bonds to finance certain local public facilities."

PROPOSITION NO. 8 ON THE BALLOT

Senate Joint Resolution 56 proposes a constitutional amendment to allow the legislature to authorize the issuance of up to \$500 million in general obligation bonds to be used to acquire, construct, and equip new correctional institutions and mental health and mental retardation institutions or to repair existing institutions. The amendment also authorizes the legislature to provide for review and approval of the issuance of the bonds and the projects to be financed by the bond proceeds. The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the issuance of general obligation bonds for projects relating to corrections institutions

and mental health and mental retardation facilities."

PROPOSITION NO. 9 ON THE BALLOT

Senate Joint Resolution 9 proposes a constitutional amendment to provide that a state legislator is eligible to serve in another state office even if the compensation of the office was increased during his legislative term or even if the appointment is made in whole or in part (including Senate confirmation) by the legislature. The legislator could not, however, receive the increased compensation approved during his legislative term.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to provide that a member of the legislature is eligible to be elected or appointed and to serve in a different state office but may not receive an increase in compensation granted to that office during the legislative term to which he was elected."

PROPOSITION NO. 10 ON THE BALLOT

Subsections (d) and (e) of Section 1 of Senate Joint Resolution 12 propose a constitutional amendment to allow the legislature to exempt from ad valorem taxation all tangible personal property except structures which are used as residential dwellings and property held or used for the production of income. This exemption would be in addition to the personal property homestead exemption already established by the constitution. If the legislature authorizes the exemption of additional personal property from taxation, under this amendment, local political subdivisions may pass resolutions providing for taxation of such property unless the property is exempt from ad valorem taxation under another law. The proposed amendment will appear on the ballot as follows: "The constitutional amendment to allow the legislature to exempt from ad valorem taxation certain personal property not held or used for the production of income."

PROPOSITION NO. 11 ON THE BALLOT

Section 1, Subsections (f) and (g) of Senate Joint Resolution 12 propose a constitutional amendment to exempt from ad valorem taxation goods, wares, merchandise, and ores other than oil, gas and petroleum products. These items would be exempt from taxation only if they originated outside the state and were located in the state for a period of 175 days or less for purposes of assembly, storage, manufacture, processing, or fabrication. Such property could be taxed by a county, school district, or municipality if the governing body of the political subdivision took official action to provide for the taxation of the items while they were located in the political subdivision. If the governing body of a political subdivision took official action to tax the items before January 1, 1988, the tax would be effective for the 1988 tax year. If the action were taken after January 1, 1988, and before April 1, 1988, the tax would become effective January 1, 1989. The proposed amendment will appear on the ballot as follows: "The constitutional amendment providing for the exemption from ad valorem taxation of certain property that is located in the state for only a temporary period of time."

PROPOSITION NO. 12 ON THE BALLOT

Senate Joint Resolution 35 proposes a constitutional amendment to allow a married couple to agree in writing that all or part of their community property will become the property of the surviving spouse if one spouse dies. The proposed amendment will appear on the ballot as follows: "The constitutional amendment permitting spouses to hold community property with right of survivorship."

PROPOSITION NO. 13 ON THE BALLOT

Senate Joint Resolution 27 proposes a constitutional amendment to authorize the creation of special districts to provide emergency services. The commissioners court in a county participating in a district could, upon approval of the voters, levy an ad

valorem tax of up to ten cents (\$.10) per \$100 valuation of the property located in the district. The proposed amendment will appear on the ballot as follows: "The constitutional amendment to allow for the creation and establishment, by law, of special districts to provide emergency services."

PROPOSITION NO. 14 ON THE BALLOT

Senate Joint Resolution 34 proposes a constitutional amendment to allow the state a limited right to appeal criminal cases. Under current law, only criminal defendants are allowed to appeal. This proposed amendment would allow the legislature to pass laws granting state prosecutors the right to appeal in limited circumstances. The proposed amendment will appear on the ballot as follows: "The constitutional amendment giving the state a limited right to appeal in criminal cases."

PROPOSITION NO. 15 ON THE BALLOT

House Joint Resolution 35 proposes a constitutional amendment to abolish the office of county treasurer in Gregg County and transfer to the county auditor or an elected official designated by the commissioners court. The amendment would also abolish the office of county treasurer in Fayette and Nueces counties if a majority of the voters in those counties vote in favor of the amendment. In Fayette County, the functions of the treasurer would be transferred to the county auditor or the officer succeeding to the auditor's functions. In Nueces County, the powers, duties, and functions of the treasurer would be transferred to the county clerk. The proposed amendment will appear on the ballot as follows: "The constitutional amendment to provide for the abolition of the office of county treasurer in Gregg, Fayette, and Nueces counties."

PROPOSITION NO. 16 ON THE BALLOT

Senate Joint Resolution 6 proposes a constitutional amendment to allow the commissioners court in a county with a population of more than 150,000 to establish more than one Justice of the Peace court in each Justice of the Peace precinct, i.e., to provide for the election of more than one Justice of the Peace in each Justice of the Peace precinct. The proposed amendment will appear on the ballot as follows: "The constitutional amendment providing that certain justice precincts may contain more than one justice of the peace court."

PROPOSITION NO. 17 ON THE BALLOT

Senate Joint Resolution 26 proposes a constitutional amendment to allow the legislature to define by law those municipal functions that are governmental and those that are proprietary. This authorization would apply to laws passed by the 70th Legislature, 1987, and by future legislatures in regular or special session. A municipality is liable for damages arising out of acts committed under its proprietary functions, but not its governmental functions. Definition of such functions by the legislature would clarify the liability of a municipality in civil lawsuits filed against it. The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to define for all purposes the governmental and proprietary functions of a municipality."

PROPOSITION NO. 18 ON THE BALLOT

House Joint Resolution 18 proposes a constitutional amendment to authorize the legislature to provide for the creation, operation, and financing of jail districts. Financing of a jail district could be accomplished through the issuance of bonds and other obligations, or by levy of an ad valorem tax on property located in the district if the qualified electors of a district approve an ad valorem tax or bonds secured by a property tax. The proposed amendment will appear on the ballot as follows: "The constitutional amendment relating to the creation, operation, and financing of jail districts."

PROPOSITION NO. 19 ON THE BALLOT

House Joint Resolution 88 proposes a constitutional amendment to authorize the issuance of \$500 million in general obligation bonds, the proceeds of which will be used to establish a superconducting super collider fund. The fund would be used to provide economic incentives for the superconducting super collider research facility, and the agency administering the fund would be authorized to grant land or property to the United States government for undertakings related to the facility. The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the issuance of general obligation bonds to fund undertakings related to a superconducting super collider research facility sponsored or authorized by the United States government, and to make appropriate grants for such undertakings."

PROPOSITION NO. 20 ON THE BALLOT

House Joint Resolution 96 proposes a constitutional amendment to allow the legislature to provide ad valorem tax relief for mobile offshore oil and gas well drilling equipment. The tax relief would be limited to equipment that is being stored while not in use in a county that is adjacent to the Gulf of Mexico or on a body of water that is adjacent to the Gulf of Mexico. The proposed amendment will appear on the ballot as follows: "The constitutional amendment to authorize the legislature to provide ad valorem tax relief for certain offshore drilling equipment that is not in use."

PROPOSITION NO. 21 ON THE BALLOT

Senate Joint Resolution 17 proposes a constitutional amendment to provide for legislative involvement in the executive branch of government by permitting the legislature to include the speaker of the house of representatives in the membership of an agency or committee that includes officers of the executive branch of government and performs executive functions. Under current law, the legislature is not allowed to exercise any powers in executive matters under Article II of the Texas Constitution, which provides for the "separation of powers" into three distinct departments. The proposed amendment will appear on the ballot as follows: "The constitutional amendment permitting the legislature to include the speaker of the house of representatives or the speaker's appointee in the membership of an executive agency or committee."

PROPOSITION NO. 22 ON THE BALLOT

Senate Joint Resolution 53 proposes a constitutional amendment to allow the legislature to limit the term of office of a gubernatorial appointee to a vacancy in a state or district office to a partial, temporary term if the appointment is made on or after November 1 of the last year of the governor's term and the governor is not reelected. Under this amendment, the legislature may provide that the tenure of such an appointee would end sooner than the term would normally expire. The proposed amendment will appear on the ballot as follows: "The constitutional amendment to limit the authority of a governor to fill vacancies in state and district offices during the end of the governor's term if the governor is not reelected."

PROPOSITION NO. 23 ON THE BALLOT

Senate Joint Resolution 54 proposes a constitutional amendment to authorize the Texas Water Development Board to issue an additional \$400 million in water development bonds. Of the \$400 million authorized, \$200 million would be designated for conservation and development of water resources, \$150 million would be designated for water quality enhancement, and \$50 million would be designated for flood control. The amendment also authorizes the legislature to provide for review and approval of the issuance of the bonds and the use of the bond proceeds. The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize the issuance of an additional \$400 million of Texas Water Development Bonds for water supply, water quality, and flood control purposes."

PROPOSITION NO. 24 ON THE BALLOT

House Joint Resolution 83 proposes a constitutional amendment to allow a county to use county equipment and personnel to perform work, without compensation, for another governmental entity if the commissioners court finds that the work will not interfere with the performance of county work and approves performance of the work. The governmental entity must be located wholly or partly in the county, and the governing body of the governmental entity must file a written work request with the commissioners court. The proposed amendment will appear on the ballot as follows: "The constitutional amendment to permit a county to perform work, without compensation, for another governmental entity."

PROPOSITION NO. 25 ON THE BALLOT

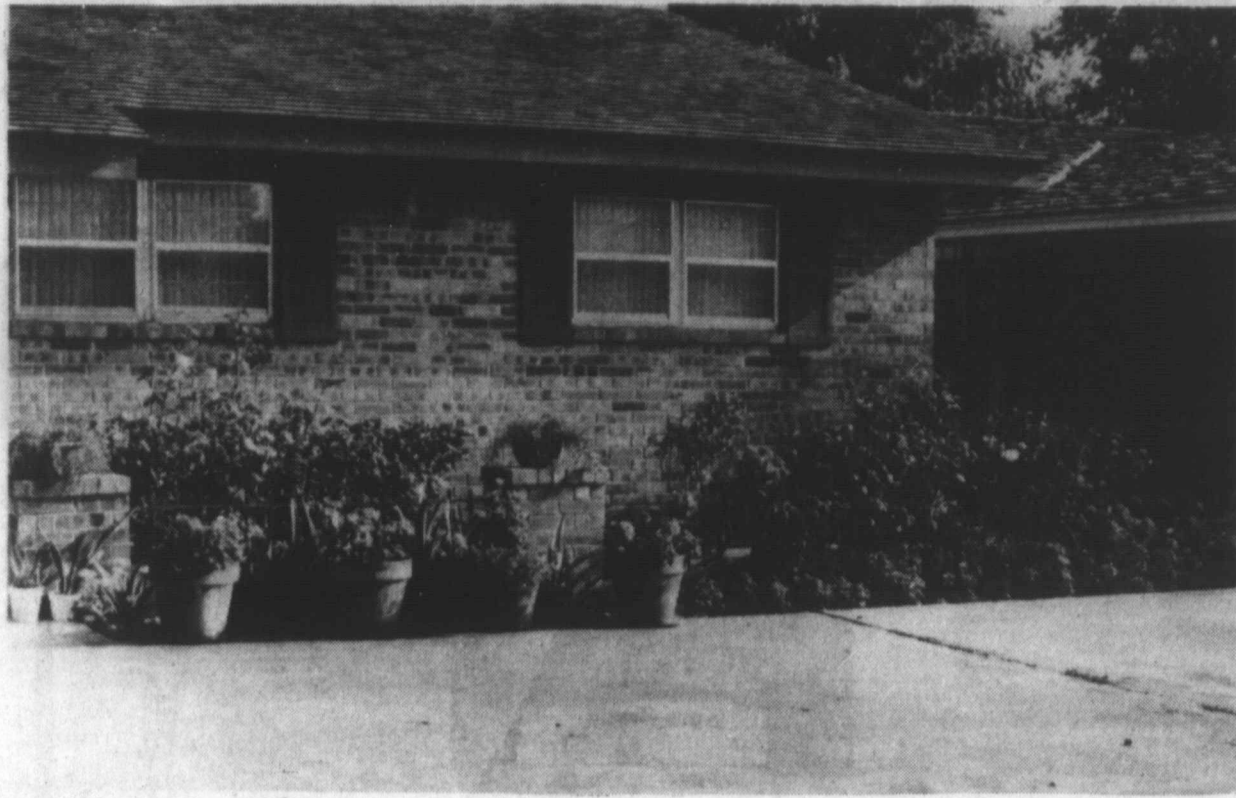

Senate Joint Resolution 5 proposes a constitutional amendment to allow the legislature to authorize Randall County to levy a tax for the benefit of the Amarillo Hospital District. Any such tax could be levied only on property located outside the City of Amarillo and outside the South Randall County Hospital District. The tax could not be more than 75¢ per \$100 property valuation and would be effective only upon approval by the voters in the area to be taxed. If the tax is authorized by the Legislature and approved by voters, the Amarillo Hospital District is to serve residents of part of Randall County. If a tax is levied under this provision, Randall County must repay the State for the cost of publication of this amendment. The proposed amendment also permits the legislature to authorize a hospital district to change its boundaries or jurisdiction if the district was created or authorized by a constitutional provision that includes a description of the boundaries or jurisdiction of the district. Any change in the boundaries or jurisdiction of such a hospital district would become effective only upon approval of the voters in the district. The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to permit the Amarillo Hospital District to serve certain residents of Randall County, to authorize Randall County to provide financial assistance to the district, and to authorize certain hospital districts to change their boundaries or jurisdiction with voter approval."

EXPLANATORY STATEMENT FOR STATEWIDE REFERENDUM NO. 1

Senate Bill 86 submits to the voters the question of whether the 15 members of the State Board of Education should be appointed instead of elected. If the proposition passes, the Governor will appoint a member of the board for each district, with the consent of the Senate. If the proposition fails, the members will be elected from these districts. The referendum will appear on the ballot as follows: "The State Board of Education shall be composed of members who are appointed from districts instead of elected, with equal representation throughout the State of Texas."

EXPLANATORY STATEMENT FOR STATEWIDE REFERENDUM NO. 2

The Texas Racing Act submits to the voters the question of whether pari-mutuel wagering should be legal in Texas on a county-by-county local option basis. If pari-mutuel wagering is adopted by the voters statewide, a county must also pass a separate proposition on pari-mutuel wagering at an election held in the county before any such wagering may be conducted in that county. The referendum will appear on the ballot as follows: "The legalization of pari-mutuel wagering under the Texas Racing Act on a county-by-county local option basis."

Leopards Subdue Stubborn Cats

The New Home Leopards outscratched the Wellman Wildcats 28-27 in New Home Friday night as the teams opened their six-man seasons.

Wellman scored first, but New Home came back with touchdown passes to Darrell Paul, 20 yards, and then 10 yards to Gaylon Paul. Coach George

Deck's team added a 1-point pass and 2-point kick to lead 15-6 at the end of the first.

In the second quarter, Wellman scored again, but New Home again responded, this time with a nifty 79-yard run by Darrell Paul, which put New Home on top 22-13 at that point.

Darrell Paul, who also had a remarkable total of 29 tackles, including 15 solo stops, was named the Player of the Week by Lubbock TV Channel 28. He is a 5-9,

185-pound junior.

This week the Leopards will play at Higgins at 3 p.m. Saturday.

Entries Needed For Homecoming Parade

Any community organization, club, group or individual wishing to participate in the 1987 Homecoming Parade should contact Molly Helmlinger, Counselor and Student Council Sponsor, at Tahoka High School, 998-4538 from 8 a.m. to 4 p.m.

Miss Helmlinger said, "I hope that we can have as much involvement as we did last year. It was just super to see all the floats, dressed up cars and tractors in the parade. We encourage elementary (K-6) students to decorate their bicycles and ride in the parade as a unit." Permission forms will be sent home through the school.

All entries for the parade should be made by Friday, Sept. 25.

The parade will start approximately 2:45 p.m. Oct. 2.

Wilson Bows To Buffs 23-0 In Opener

Petersburg's Buffaloes generated more offense than the Wilson Mustangs in the season opener for both teams last Friday, and came away with a 23-0 victory.

The Buffs went in at halftime leading 9-0 after Wilson could garner only two first downs in the first half. Although the Mustang defense held Petersburg to just 33 yards in the last half, the offense never got untracked, and four interceptions by the Buffs hurt.

Best move on offense for Coach Gary Lewis' charges was a 37-yard run by Ruben Garcia in the second period. For the game, Garcia gained 81 yards in 14 carries. Quarterback Greg Spears hit 7 of 21 passes, but had the four interceptions.

On defense for Wilson, Paul Ehlers had 14 tackles, Johnny Guzman 13 and Wes Earwood 10. Joseph Duenez intercepted one pass and Garcia recovered a fumble.

This week the Mustangs play their first game at home, playing host to a tough Sudan Hornet team which opened with a 42-8 walloping on Sundown.

The family of Mrs. Jurline "Granny" Payne would like to thank everyone for their kindness shown to us during the loss of our mother and grandmother. Thanks to Dr. Wright, the nurses at Lynn County Hospital, the ministers, the ladies at the churches, and to everyone for your prayers, visits, your support, food, flowers, money and cards.
This is one of those times that words cannot express the feeling that we have for one another. So, Thank You, May God bless each of you.

Tahoka Grocery Stores Join In AHA Food Festival

Thriftway and Summit Venture Foods will join more than 8,000 supermarkets nationwide celebrating the American Heart Association's national community nutrition awareness event--American Heart's Third Annual Food Festival.

Food Festival is scheduled for Sept. 13-19 and is designed to raise the public's awareness of nutrition and heart health. Lynn County 4-H members will be distributing "healthy heart" food samplings Wednesday, Sept. 16 from 4 to 6 p.m. Recipes and other nutritional information will also be available at both grocery stores.

"The grocery store is an excellent place for us to reach people, since it's the primary place the public makes decisions on food selections," said Gary Jones, President of the Lynn County Division of American Heart Assn.

"The AHA recommends a diet low in saturated fat, cholesterol and salt and limiting cholesterol intake to no more than 300 milligrams per day," Jones said. By making prudent choices in the food we eat, blood cholesterol levels can usually be controlled in otherwise healthy people.

Art Lessons By Dalhart Windberg Slated In Post

Texas artist, Dalhart Windberg, sponsored by the Caprock Cultural Association, will present a two-day demonstration in Post at the Post Community Center, 113 W. Main St. Friday Sept. 11 and Saturday, Sept. 12 beginning at 10 a.m. Cost of the two-day demonstration is \$50, or \$30 for one day only.

Windberg will be honored with a reception at the Post Community Center today (Thursday) beginning at 7 p.m. There will be a drawing during the evening for a signed, framed, artist's copy of a Windberg print. Cost for the reception is \$10 per person.

For further information or reservations for either the demonstration or the reception, call 806-495-4000.

I'm Marion Ross. And I was a basket case.

Every time I went to the store, I loaded my grocery basket with food that was high in fat and cholesterol. I knew what I was doing to my heart — but I wasn't ready to give up the foods I love most. Then I found out I didn't have to. If you'd like to learn some surprising things about cholesterol, plan a trip to your grocery store during the American Heart Food Festival September 13-19. As crazy as it sounds, it could change your life.
