## Tahoka Chamber Banquet Scheduled For March 25

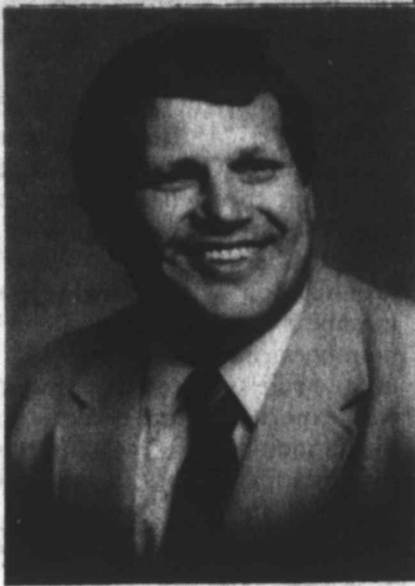

Jerry Kunkel, pastor of Trinity Methodist Church in Amarillo and a speaker at more than 500 different functions around the state, will be featured speaker for the annual banquet of Tahoka Chamber of Commerce Friday, March 25, at 7:30 p.m. in Tahoka School Cafeteria.

Tickets are priced at \$8.50 per plate in advance and \$9.50 at the door for the event. Tickets are available from any Chamber of Commerce director or at the chamber office on the west side

of the square, open in mornings only.

Other highlights of the annual banquet will include announcements of the Outstanding Man of the Year and Outstanding Woman of the Year. Anyone wishing to make nominations for either award should contact the chamber office at 998-4761 or fill out a nomination blank printed in this issue of the newspaper and mail or bring it to the chamber.

Kunkel, a graduate of Lamesa High School, attended the U.S. Naval Academy for two years and attended McMurry College before earning a masters degree in theology at SMU. In high school at Lamesa, he was all-state in football and track (shot put), and was all-American in shot put at the Naval Academy. He was drafted to play profes-

sional football by the New Orleans Saints but elected to enter the ministry instead. He has served churches in Buffalo Gap, Tye, Lucas, Lone Oak, St Paul (Amarillo) Petersburg and Trinity in Amarillo.

He and his wife, Kathy, have three daughters.

Bernice Phipps is president of the chamber of commerce.

## Sheriff, Commission Races In Spotlight

A two-man race for Lynn County Sheriff and contests for two Lynn County Commissioner jobs will command the most interest in the county Tuesday as voters cast ballots in primary elections.

Presidential preference votes in both the Democratic and Republican primaries are new on ballots here, but those national races will be of secondary interest to most of the voters. There are no county candidates running on the Republican ballot, so most voters as usual will go to the Democratic primary ballot, where nomination is the same as being elected at the county level.

presidential hopefuls, and a couple of those already have dropped out. Names on that ballot are Pat Robertson, Alexander Haig, George Bush, Bob Dole, Jack Kemp and Pete du Pont. There also are four candidates for the GOP nomination for senator from Texas, one of whom, Wes Gilbreath, campaigned in Tahoka.

The Democratic ballot includes a referendum on whether Texans should continue to elect their judges rather than change to a system of having them appointed by the Legislature.

On the Republican ballot will be a referendum as to whether voters favor or oppose establishing English as the official lan-

guage for the state and nation.

All Lynn County voters in the Republican primary will cast their ballots at the Wharton Building in Tahoka, on Main St. across from McCord Motor Co.

Democratic polling places are as follows, with the voting precinct number first, then the location: 1-courthouse; 2-Green Bldg. in Wilson; 3-O'Donnell High School; 4-New Home High School; 5-Draw Paymaster Gin; 6-Harvick Insurance Bldg.; 7-Grassland Community Center; 8-Hackberry Co-Op Gin; 9-Tahoka High School; 10-New Moore Community Bldg.; 11-Lakeview Baptist Church; 12-Chancy Service Station; 13-Poka-Lambro Bldg.

## Voters Still May Register For Runoff

Lynn County voters who failed to register to vote by the Feb. 7 deadline may not vote in the primary elections March 8, but still can register in time to vote in the runoff primary April 12. Lynn County tax assessor-collector George McCracken said this week.

Eligible voters may cast ballots in the runoff primary of their choice, and in the general election in November if they register to vote before midnight March 13, McCracken said.

## Burglars Hit Several Farms, Residences

Thefts of irrigation pipe and burglaries of rural homes and buildings headed the list of

crimes investigated during the last week by Lynn County Sheriff's Dept.

About \$2,000 worth of tools were stolen from a shop building owned by Jimmy Blankenship of Lubbock, a mile east of U.S. 87 on FM 211 during the night of Feb. 22. Crime Line has offered a \$500 reward in this case and two other burglaries, plus \$300 rewards in two theft cases.

The home of Scott McAllister, about 2 miles northwest of FM 1317 and FM 179 was burglarized Monday afternoon. Stolen were a 35mm camera, flash and telephoto lens, total value \$410.

Four or five joints of irrigation pipe owned by Jimmy McCullough were stolen 14 miles northwest of Tahoka Sunday. A New Home resident reported chasing, but losing two vehicles after the occupants were seen loading pipe.

Bryan Wright and Willy Shambeck had several hundred dollars worth of items stolen from a building 9 miles north of Tahoka on U.S. 87 sometime during the last two weeks. Among the items taken were rods and reels, life jackets, a boat fuel tank and a 3hp motor.

Dan Cook of Wilson reported about 40 joints of irrigation pipe and an electric welder stolen from his farm two miles east of Wilson on FM 211 between Feb. 22 and Feb. 24. The loss was valued at approximately \$1500.

Buster Phipps of Tahoka had a radio and wrenches stolen from a tractor parked west of Wells on FM 213 on Feb. 24. He also reported gasoline stolen from a tank on his farm Feb. 27.

A 1976 Ford 2½-ton truck was stolen from Woolam Gin in O'Donnell Feb. 25 and recovered three days later in Post, out of gas.

Police reported that the same footprints were found at Haney Gin and Louder Gin which were burglarized last week. Entry to

Incumbent Sheriff Clifford Laws, elected to fill out the unexpired term of resigned Sheriff Stanley Krause, is seeking election to a full term, and is being opposed by Jack Miller, longtime Tahoka Chief of Police before retiring from that job.

Also on the Democratic ballot are two contested races for Lynn County commissioner. Precinct 1 Commissioner Eldon Gattis is facing the challenge of Gerald (Jerry) Gerner for the nomination.

Five candidates are running for the nomination (and election) for commissioner of Precinct 3, which includes the south part of Tahoka and the south part of the county, including O'Donnell. With so many candidates, there is a strong possibility of a runoff in this race for the position now held by Bart Anderson, who is not seeking re-election. Seeking the nomination are Bobby Cox, Kenneth Eaker, John Chapa Jr., Bobby Knight and Don Blair.

If a runoff is necessary, it will be on April 12.

On the Democratic ballot for presidential preference in Texas are 11 names, including some candidates no longer considered in the race. The list includes Al Gore, David Duke, Michael Dukakis, Dick Gephardt, Norbert Dennerl Jr., W.A. Williams, Gary Hart, Jesse Jackson, Bruce Babbitt, Lyndon LaRouche Jr. and Paul Simon.

On the GOP ballot are six

Haney Gin was gained by prying open a door on the west side of the building. Office drawers were reported to have been gone through and ransacked. \$75 was reported stolen from a safe and damage to three doors was estimated at \$100. Entry to Louder Gin was gained through a south side window that had been broken out with a rock. Reported stolen were \$30 worth of change from a Coke machine and one Panasonic portable television valued at \$100. Damage to the window was valued at \$150.

## WOODWORK

By Dalton

SOMEBODY who was trying to push a certain brand of flour sent us a release suggesting what they said was a good way to fool yourself into thinking the weather was nice when it really is colder than any human ought to have to cope with.

Hopefully, those winter days are behind us now, but even if they aren't, I'm not sure the suggested plan is feasible. The release said "You don't have to wait until spring to have a picnic. The floor of your living room can become a picnic area with a little imagination and family and friends to join in on the fun."

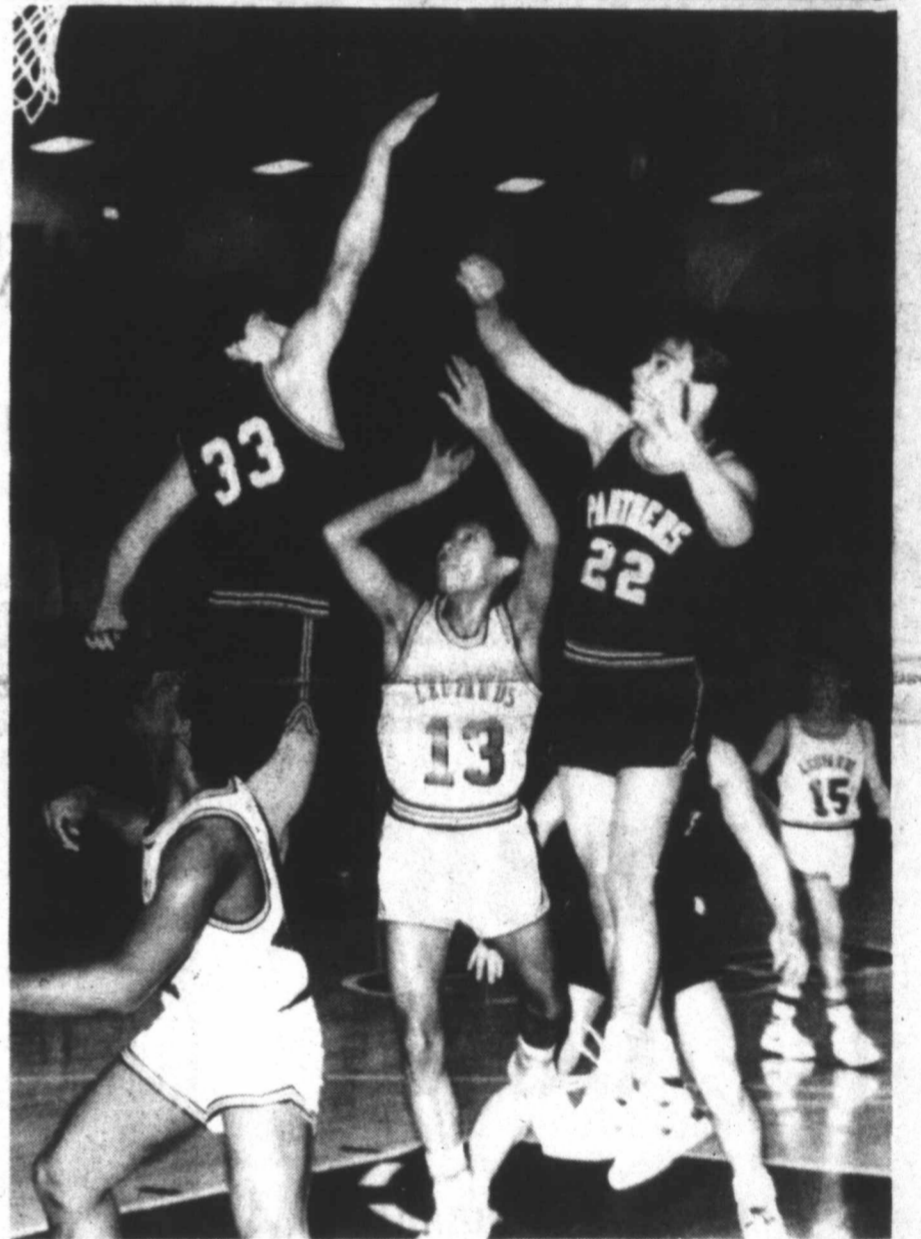

It goes on to suggest that you spread several blankets on the floor and have everyone eat on the floor, picnic-style. Use paper or plastic utensils, plates and cups. Pack a picnic basket, and store iced tea in an insulated cooler. And, it said, play summertime beach music on a tape player.

It didn't say so, but if you want to be that realistic, you should trap some flies and red ants in the summer and keep them alive until winter, then

turn them loose in the living room.

The whole idea sounds dumb to me, although I've been enjoying living room picnics for years, at all seasons. But not with others; it's a lot better if you do it by yourself, so your wife won't know you're eating all that stuff. Here's how it works: You wait until everyone else in the house has gone to bed. You turn on the TV. You fix a monstrous glass of ice water or Coke and place it on the floor near the couch, which you lean against when you sit on the floor. You fix three grilled cheese sandwiches, place them on the floor along with a package of potato chips and a can of Vienna sausages. You eat these while you're watching TV, and you only have to get up to take the plates and things to the trash and get a bowl of ice cream with chocolate syrup and nuts.

All this makes for a pleasant evening of television, even when the programs are lousy. And, as a current popular diet points out, the calories don't hurt you if nobody sees you eating them.

SHARON ERNST and WILLIAM HOLLAND

**Couple Announce Wedding Plans**

Sharon Ernst, daughter of the late B.R. and Helen Ernst of New Home, and William Holland, son of Margie Holland and the late William T. Holland II of Enid, Okla., announce their engagement. The couple plan to be married April 15, 1988 at St. John Lutheran Church in Wilson.

Miss Ernst is a graduate of New Home High School, South Plains College, Methodist Hospital School of Nursing, and West Texas State University. She is employed at St. Mary of the Plains Hospital in Lubbock. Holland is a graduate of Chisholm High School in Enid, Okla.; Oklahoma City Community College; and the University of Oklahoma. He is the Program Director and Chief Flight Nurse with Flight For Life at St. Mary of the Plains Hospital.

**Local DECA Students To Participate In Career Development Conference**

On March 3-5, several Marketing Education students from Tahoka High School will participate in the 42nd Annual Career Development Conference for the Distributive Education Clubs of America (DECA), Texas Association. The conference is scheduled for the Hyatt Regency Hotel at the Dallas-Fort Worth Airport.

In addition to business meetings, career workshops, and educational tours, students will be participating in curriculum-related competitive events which allow them to compare their knowledge and skills about various concepts in marketing, merchandising, and management, with those of students from over 500 high schools across the state. It is expected that approximately 2,000 DECA members and their advisors will take part in the conference.

Students recognized as state finalists at the Grand Awards Banquet on Saturday, Mar. 4, will earn the right to compete at

the National DECA Career Development Conference in Salt Lake City, Utah, on April 28-May 1, 1988.

According to the local chapter advisor, Joe Honeycutt, from Tahoka High School, the following students will be representing their chapter at the conference in the Hyatt Regency Hotel at the Dallas-Fort Worth Airport: Joseph House in the field of General Marketing, and Denise Brazil in the field of Quick Serve Restaurant. Audrey Gutierrez and Danny Calvillo will also represent their chapter as Voting Delegates.

DECA is a 41-year-old youth organization with over 16,000 members statewide and 200,000 members nationwide. DECA's unique role is to provide leadership experiences and recognition for its members as they prepare for dynamic careers in the field of marketing.

SUSAN ANNE MILLS and KEVIN DWAYNE SMITH

**Couple Announce Engagement**

The engagement of Susan Anne Mills and Kevin Dwayne Smith has been announced by the parents of the bride-elect, Mr. and Mrs. Lloyd D. Mills of Dumas.

The prospective groom is the son of Wayne D. Smith of Midland and the late Bonnie Hale Smith of Tahoka. He is the grandson of Mr. and Mrs. Warren Smith of Idalou and the late "T" and Connie Hale of Tahoka.

Miss Mills is a junior at West Texas State University, majoring in Elementary Education. Smith is a senior agriculture business major at WTSU.

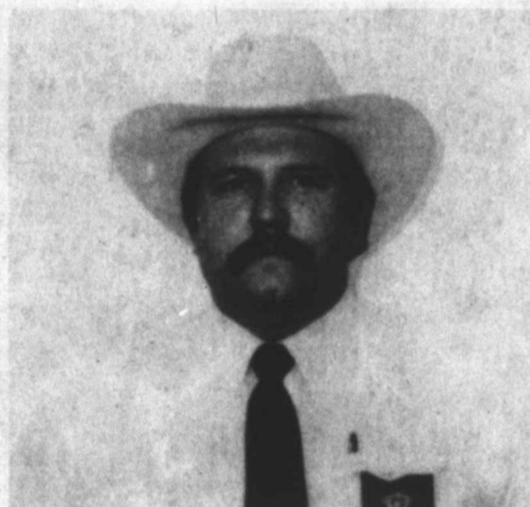

The couple plan to be married May 21, 1988 at the First Baptist Church in Dumas.

**Severe Weather Dangers Cited**

The week of Feb. 28 through March 5 has been designated Severe Weather Awareness Week in Texas, when citizens are urged to give their attention to the dangers of severe weather.

Lynn County, J.T. Miller is Emergency Weather Management Coordinator, and he urged all citizens to consider possible plans of action they would take in an emergency situation such as a tornado or severe thunderstorm.

**Kindergarten Registration Set**

Registration for children that will be entering kindergarten in September will be held Monday April 4 at 2:30 in the Tahoka School Cafeteria.

Parents need to bring the child's birth certificate, immunization record and social security number.

There will be a general meeting with all parents, administrators and kindergarten teachers at 2:30 followed by a time for each child's records to be completed.

This day will be for parents only. In May, there will be a morning for prospective Kindergartners to spend time at school to be better prepared for the fall. The date will be announced later.

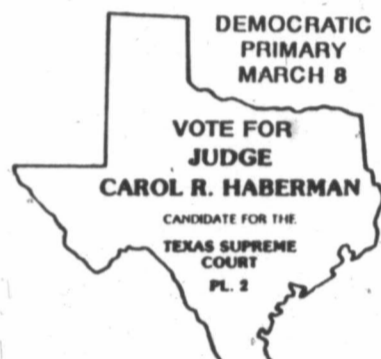

Children must be 5 on or before Sept. 1 to be eligible for fall Kindergarten.

**Fifth Grade Class Meeting**

5-1 held a monthly class meeting on Feb. 29. Some of our officers were absent so Conner Krey presided for the absence of Drew Stone. The treasurer's

report was read by Ricky Yancy. 5-1 now has \$17.00 from all of us who have paid our class dues. Ricky Yancy and a group of students recited a play called "Looking Back in History." Ricky Yancy played "George Washington." Lesley Davis did a role of "Clara Barton," Conner Krey portrayed himself as "Davy Crockett" and Annie Dunlap played as "Susan B. Anthony."

We will hold another class meeting in March.

Gives Statement As Precinct 3 Candidate for Lynn County Commissioner

As a veteran of many years in farming, law enforcement, President of O'Donnell Volunteer Emergency Medical Services, Inc., Director of Lynn County Hospital and maintainer operator for Dawson County Precinct 2, I strongly believe that I am well qualified for the position. I know the needs and problems our county faces and I am willing to do something about them.

I believe our Commissioners Court can play a critical role for Lynn County during the next few years. With my experience I believe I can make a difference for our county. Our county is now facing tough economic times but they can be overcome with experienced leadership.

It is with great humility that I ask the support of all citizens in Precinct 3 in seeking election Tuesday, March 8.

**Salute to Retired Workers**

Most senior citizens have the status of being retired, at least from career situations. Other than that, there are any number of our senior citizens leading very active existences, some claiming to be much more busy than when active as producers.

Craftsmen are especially easy to catch red handed as they go about fixing and mending things for others, usually without charge or at least minimum. Some even go to the trouble of setting up a small shop to take care of their particular activity.

There are any number of retired folks working on small engines, fixing small electrical items and doing plumbing chores like fixing faucets. In any neighborhood, there is at least one senior citizen fixit person only too glad to be of service to someone, especially other older individuals and those who can't afford high repair bills.

Most of the retirement work of the seniors is done behind the scenes. They don't want to appear to compete with still active craftsmen. The latter are generally happy to have retirees handle such small things and once in a while they will call on a senior to help them in a pinch.

The seniors are proving that being less young is no handicap to continuing an active pace. We endorse the work they are doing.

## 'Luxury Cruise' Becomes Panama Adventure For Tahoka Couple

Thalia and Melvin Burks of Tahoka reported this week that they "were certainly glad to get home" last Wednesday, Feb. 24, after being part of a cruise which put all passengers off in strife-torn Panama Feb. 21.

The Associated Press on Feb. 27 reported passengers telling of a mutinous crew, poor food and fistcuffs aboard ship "as their vacations became a seagoing nightmare."

For the Burks couple, the story began last October when Thalia went to San Antonio with the Tahoka School Board for a state meeting. Melvin went along and with time on his hands took the

opportunity to book a "Luxury Cruise" - 12 days aboard ship that would take them through the Panama Canal. (Melvin had gone through the Canal during World War II but Thalia had wanted to go for years.)

Their cruise was supposed to start on Jan. 9 but when the Burks returned from the Cotton Bowl game on Jan. 3, they had a letter that the cruise had been postponed because of problems with the ship. At that time the booking agent, Golden Cruise Tours of San Antonio, admitted having problems but assured the Burks that the tour would be re-booked and that their accom-

modations would be upgraded.

The 12-day cruise was rescheduled for Feb. 11 to leave from Acapulco, Mexico with stops in Guatamala, Costa Rica, passage through the Canal, Cartega, Columbia, Jamaica stops and debarkation at Cancun.

The Burks' accommodations were upgraded as promised. They were assigned a better cabin and a nicer hotel in Acapulco. In fact, everything went as promised until time to board the ship. The Burks left Dallas on Feb. 9 and spent two nights at the Hyatt Continental in Acapulco. They saw the cliff divers and many interesting sights, Thalia went parasailing and they had a wonderful time.

On Feb. 11 when they boarded the ship (MV Galaxy) there was no air conditioning and things were in complete disarray. The ship's captain called a meeting and announced that buses would take all passengers to the Delmar Acapulco Hotel for the night. He promised meal money for breakfast and lunch the following day and that a bus would return them to the ship at 2 p.m. the next day. No bus came, but at 4 p.m. the tour director came to the hotel. She said that only one-half of the air conditioning could be repaired and that only 60 passengers could be accommodated, and that those who wanted to go home could leave and get money refunded. (As far as the Burks know, no one has received any refund.) Over half of the passengers left the ship at that time.

The Burks' purpose of the trip was to go through the Panama Canal so they stayed aboard. Although the cruise director said that only 60 people could go, about 120 remained aboard.

When the Burks went back aboard ship on Feb. 12, Melvin got a cabin boy that he had talked with the previous day to show them a cabin that had air conditioning. Many passengers had no air conditioning in their cabins. The lounge and the dining area did have some air conditioning.

The ship left Acapulco on the night of Feb. 12 and headed to Guatamala. On the way there was mutiny on the ship, and a man threatened to kill the ship's captain. The first mate intervened and was stabbed in the back. Feeling in the crew was polarized. The ship docked in Guatamala and the passengers were taken on a nice bus tour of the Old City of Antigua. Next stop for the ship was Costa Rica where passengers were taken by train and bus to the Capital City. While passengers were off the ship about 45 members of the crew were fired. This included all the cooks and all but two of the waiters. A few people were hired in Costa Rica.

As the ship prepared to sail from Costa Rica, the Seaman's Labor Union, led by the Com-

munist wing, in support of the discharged crewmen held a very vocal rally on the dock and refused to permit anyone to let loose the lines that moored the ship to the dock. The ship's captain ordered the crew to cut the lines and headed toward the Panama Canal.

Several passengers had left the ship in Guatamala and more left in Costa Rica. The ship had been a day late leaving Acapulco and the engines were not performing sufficiently to maintain desired speed and it was evident that the ship would be three or four days late getting to Cancun. Some people left because of time commitments while others left in disgust.

The Burks stayed on as they were determined to get Thalia through the Panama Canal. By then, only 80 passengers remained aboard.

After leaving Costa Rica, one Casino card dealer went to the kitchen as head cook and a Jamaican boy came up from the engine room to be the Burks' waiter. Food and service were actually better than previously. On Saturday, Feb. 19, the ship finally went through the Panama Canal and Thalia said that she was thrilled.

On Saturday night the ship docked on the Atlantic side in Panama and the captain announced that the ship's engines were so bad that the cruise was ending there. At 6 p.m. on Sunday morning buses came and took all passengers to a nice hotel in Panama City. The Burks were apprehensive of the situation in Panama and did not leave the block where the hotel was located. At 1 p.m. that day a Panamanian travel agent came to the hotel and told passengers that a plane had been chartered to take them to Mexico City on Monday morning. He said a representative of Golden Cruise Tours would meet them there. The flight materialized as promised but no tour host was there to meet the passengers.

Since everyone had airline tickets from Cancun and not from Mexico City and everyone was on their own, there was quite a bit of unhappiness.

The Burks traded in their Mexican Airline tickets from Cancun to Dallas for American

Airline tickets to Dallas (they had to give \$98 extra). They could not get on a Monday flight so they went to the Mexico City Holiday Inn and made arrangements to take a tour of Mexico City on Tuesday. Though Mexico City was not supposed to be on their tour they saw the sights including the pyramids and made the best of the situation. They left Mexico City at 4 p.m. on Tuesday, Feb. 23, and arrived in Tahoka early Wednesday morning.

Texas Attorney General Jim

Mattox has filed suit on Golden Cruise Tours and two of its subsidiaries.

Though the cruise was certainly not what they thought they were getting, Thalia and Melvin are glad that they stayed on and went through the Canal as they would not want to go through the Panama Canal with conditions as they are in Panama now.

**TOOTHBRUSH BACTERIA**

Bacteria living in our toothbrushes may prolong throat and mouth infections, deduced an oral pathologist who compared bacteria on toothbrushes of 10 healthy people and 10 people with throat and mouth infections. The infections promptly cleared when they used new toothbrushes every few weeks. Not surprising, as toothbrushes are usually moist, kept in warm bathrooms, and food particles may be added with each brushing.

### Tahoka Donates Over \$1,140 To March Of Dimes

The March of Dimes Birth Defects Foundation would like to thank the residents of Tahoka, Texas for their generous contributions in the recent Mothers March campaign. Under the leadership of Debbie Vickers, Tahoka has once again exceeded its goal in collected funds. The total to date is over \$1,140.00!! Great job Tahoka!

Debbie devoted many hours to recruiting Block Marchers, distributing packets and retrieving them following the March. We sincerely thank her and all her volunteers for a job well done. With dedication and interest shown by this community the March of Dimes can move toward the goal of preventing birth defects.

The funds raised from the event will be used to continue research, education and public affairs programs aimed at the prevention of birth defects. The South Plains Division of the March of Dimes, along with Junior League of Lubbock, will sponsor a Parent Communication Seminar on March 3, 1988 in Lubbock. School counselors, nurses, youth pastors and other youth sponsors will be invited to participate in the training seminar. These "certified trainers" will then be able to go out into their communities to train parents in communication skills for discussing contemporary sub-

jects with their children. For more information about the seminar please contact Amie Hukill (March of Dimes) at 797-6771 or Judy Copeland (Junior League) at 742-2352.

Again we thank Tahoka for the generous support during this educational fundraiser. With such support we can soon insure that every baby is born healthy.

# Last-Quarter Sag Sinks New Home Cagers

Lynn County's last two basketball teams in the playoffs lost out last weekend as Wilson's girls were treated rudely by perennial state champion Nazareth and the New Home boys were outscored in the last quarter and lost to Whitharrel 63-56.

Gaylon Paul scored 18 points and Coby James and Darrell Paul 14 each and New Home had quarter leads of 15-10, 23-20 and 44-42 before being outscored 21-12 in the final period. Coach Jeff Faubion's team wound up a good season with a record of 21-7.

Nazareth, which won the tournament and another trip to the state finals, jumped off to a 12-1 lead over Wilson and the Swiftettes went on to win 71-28. Lori Schneider led Wilson with 13 points. The Lady Mustangs closed out a highly successful season with a record of 27-5.

# RE-ELECT CLIFFORD LAWS

SHERIFF, LYNN COUNTY  
MARCH 8, 1988

Since being elected Sheriff, November 10, 1986, I have made several changes within the Sheriff's Office, in the best interest of the Department and for the citizens of Lynn County. If re-elected I will continue to the best of my ability to serve all citizens of Lynn County in all capacities.

The past several weeks there has been misinformation of over-expenditures in the 1987 Sheriff's Office budget. The 1987 budget was adopted by the Commissioners Court in September 1986, prior to me taking office. Due to a Texas Commission on Jail Standards inspection, additional jailers and new jail lighting had to be implemented to meet state standards. Commissioners Court approved the hiring of 3 part time jailers and jail lighting.

The following is a comparison of the 1985, 1986 and 1987 Sheriff's Office budgets:

1985 AUDIT REPORT:	BUDGET	ACTUAL SPENT	DIFFERENCE
Sheriff	\$150,699.00	\$138,959.00	\$11,740.00
Communications	-0-	31,457.00	(31,457.00)
Jail	10,250.00	12,923.00	(2,673.00)
TOTALS:	\$160,949.00	\$183,339.00	\$ (22,390.00) Over Budget
1986 AUDIT REPORT:			
Sheriff	\$123,608.00	\$144,646.00	\$ (21,038.00)
Communications	57,592.00	63,837.00	(6,245.00)
Jail	21,150.00	21,199.00	(49.00)
TOTALS:	\$202,350.00	\$229,682.00	\$ (27,332.00) Over Budget

When I took office, November 10, 1986, the 1986 budget was already way over budget. I was the fourth Sheriff that year and inherited a big budget problem. I am responsible for the last 51 days of the 1986 budget, but not responsible for the rest of 1986 budget or any of 1985 budget.

The 1987 budget was amended in November 1987 with additional \$42,400.00. This amount was needed for salaries for the 3 part time jailers, which were hired February 1987, and 1 full time dispatcher/jailer hired August 1986 and other expenditures that was not in the original 1987 budget of \$191,565.00. The original 1987 budget, of which I had no input on, was adopted in September 1986. After the original 1987 budget was amended and then approved by Commissioners Court, I was then fully responsible for the 1987 budget.

1987 BUDGET REPORT:			
Sheriff	\$127,007.00	\$126,405.45	\$ 601.55
Communications	72,108.00	71,950.02	157.98
Jail	34,850.00	35,651.39	(801.39)
TOTALS:	\$233,965.00	\$234,006.86	\$ (41.86) Over Budget

This is not the 1987 audit report, but it is the end of 1987 budget report on file at the Court-house. The 1987 audit report is not completed yet, however the figures shown will not vary that much from the 1987 budget report.

The City of Tahoka pays a portion of the salaries and communication expenses for dispatching, handling phone calls and teletype messages for Tahoka Police Department. City of Tahoka and Lynn County entered into this agreement in mid-year of 1985. The money received from the City goes into the General Fund of the County, it does not go back into the Sheriff's Office budget.

These records are available for public inspection any time. I have strived to control all expenditures in my Department and will continue to do so.

Survivors include his wife; two sons, Joe D. and L.C., both of New Home; five grandchildren; and nine great-grandchildren.

Alexander the Great made his soldiers keep clean-shaven so the enemy couldn't grab them by their beards.

# Water Levels In Lynn Wells Highest Ever

Water levels in wells in Lynn County are currently at the highest point ever according to records kept by the Texas Water Development Board (TWDB). In January, staff from the TWDB measured water levels in 40 wells in the southern three-fourths of Lynn County. These wells draw water from the Ogallala and Cretaceous Formations that underlie much of the Southern High Plains of Texas.

One well with a record extending back to 1937 indicated the highest water level ever measured at that site. Four wells have measured water levels showing rises in excess of 20 feet between 1983-1987. The average rise in the water level over the past four years is 10 feet. All wells which were measured last year and this year show water-level rises, with the average being about six feet. Each one-foot of water level rise in Lynn County amounts to approximately 40,000 additional gallons of water under each acre of land surface.

The High Plains Underground Water Conservation District No. 1 measures the water levels in the north one-fourth of the county. The results of their

measurements will be published in the *Cross Section* later this year.

Water-level rises are mostly likely the result of a combination of factors including above average rainfall, a decrease in ground-water pumpage, and a decline in irrigated acreage. According to the Texas Water Development Board Report No. 288, *Evaluating the Ground-Water Resources of the High Plains of Texas*, most of the water in storage is located in the northern portion of the county.

"We at Farmers Union take very special pride in our affiliation with Green Thumb, which currently provides part-time employment and training for over 1,000 program enrollees in 129 Texas counties."

"Senior employment programs allow senior Texans to prove to employers that chronological age is the least important measure of a person's true worth," he added.

Texas Farmers Union Green Thumb places program enrollees age 55 and older with local non-profit organizations to provide needed manpower services in such areas as senior centers, day care and headstart programs, schools, public works, weatherization, libraries, and municipalities.

### Lynn County Cotton Producers To Elect PCG Director

Lynn County cotton producers and agribusinessmen will elect a Businessman Director to Plains Cotton Growers, Inc. at a 7:00 p.m. meeting on Thursday, March 10 in the First National Bank Conference Room, Tahoka.

Announcement of the election comes from Wayne Huffaker of Tahoka, Lynn County Producer Director to the 25-county cotton organization, and Joe D. Unfred of New Home, current Businessman Director.

Each of the counties in PCG territory has two directors, one a businessman and the other a cotton producer. They are elected on alternate years for two-year terms. Each is eligible for re-election every second year.

All producers and businessmen are invited to the meeting. However, under PCG By-laws, only current dues-paying members of PCG will be eligible to be elected a director or to vote in the election. This provision of the by-laws will be fully explained at the meeting.

A PCG staff member will conduct the election and review and answer questions about recent and planned PCG activities.

### Tornado Warning Test Slated Here

The city of Tahoka will conduct a Tornado siren warning test on Monday, March 7 at 12:00 noon-weather providing. The siren signal for a tornado will be a series of short warring sounds.

A marine catfish can taste with any part of its body.

### National Employ The Older Worker Week Proclaimed March 13-19

Each year National Employ the Older Worker Week is proclaimed to draw special attention to the growing and valuable resource of older workers. During the week of March 13-19, Green Thumb, a senior community service employment program, funded by the Department of Labor, encourages both public and private employers to join in acknowledging the important contribution of older workers.

Joe Rankin, President of Texas Farmers Union, which sponsors Green Thumb, invites employers "to utilize an abundance of talent, resourcefulness, and experience by hiring older Texans. Programs such as Green Thumb assist older workers in locating jobs both in the public and private sectors of rural Texas where employment opportunities and services are so greatly needed," continued Rankin.

### Information From Page 4, O'Donnell Index Press, March 2, 1988

The past several weeks there has been misinformation of over-expenditures in the 1987 Sheriff's office budget, the 1987 budget was adopted by the Commissioners Court in September 1986, prior to me taking office. Due to a Texas Commission on Jail Standards inspection, additional jailers and new jail lighting had to be implemented to meet state standards. Commissioners Court approved the hiring of 3 part time jailers and jail lighting.

The 1987 budget was amended in November 1987 with additional \$42,400.00. This amount was needed for salaries for the 3 part time jailers, which were hired February 1987 and 1 full time dispatcher/jailer hired August 1986 and other expenditures that was not in the original 1987 budget of \$191,565.00. The original 1987 budget, of which I had no input on, was adopted in September 1986. After the original 1987 budget was amended and then approved by Commissioners Court, I was fully responsible for the 1987 budget.

#### 1987 BUDGET REPORT:

	Budget	Actual Expenditure	Difference
Sheriff	\$127,007.00	\$126,405.45	\$ 601.55
Communication	72,108.00	71,950.02	157.98
Jail	34,850.00	35,651.39	[801.39]
Total	\$233,965.00	\$234,006.86	\$ [41.86] Over Budget

The above information was brought to your Commissioners Court's attention, because of this and other literature being passed around, we feel as your Court, we should present the following information that we believe to be true and correct. The source of the information is the original 1987 Budget and court records on file in the County Clerk's office since its adoption, and Commissioners Court records.

#### 1987 BUDGET 9/1986:

	Budget	Actual Expenditure	Difference
Sheriff	\$123,782.00	\$126,405.45	\$2,623.45
Communications	72,623.00	71,950.02	[672.98]
Jail	15,750.00	35,651.39	19,901.39
Total	\$212,155.00	\$234,006.86	\$21,851.86
Add-On Jailer/Dispatcher	11,340.00		
Add-On Jailer/Cooks, Part Time	16,600.00	Social Security Retirement Insurance 29,547.11	[1,785.89]
S.S., Insurance and Retirement	3,393.00		
Total	\$243,488.00	\$263,553.97	\$20,065.97 Over Budget

It is the hope of your Commissioners Court that the above information will satisfy everyone's interest concerning this matter. We would like this to bring about a desire from all for good solid county government.

what the elementary school is doing.

On Tuesday, March 8, the High School will be sponsoring a dinner theatre. The Junior Class is providing the meal and the entertainment will be the UIL One-Act Play directed by Judy Womack. Please contact the High School office for information on the time and cost of the dinner theatre.

Wilson ISD Board of Trustees called a school board election for Saturday, May 7. Two places are to be filled. The terms of board President Tommy Bednarz and also Ray Elhers expire this year. Interested persons may file in the superintendent's office for a position on the ballot. Filing deadline is March 23 at 5:00 p.m.

The Lions had a good turnout for their ham dinner on Sunday. They would like to thank everyone who helped support the dinner. Proceeds from the dinner will help to sponsor a breakfast for those attending the Easter Sunrise Service on April 3.

PTO officers will meet Thursday, March 3 (Today) in the board room of the elementary school. They will discuss the membership drive and plans for treating the class with the highest number of parents enrolled in PTO. They will also plan the first night meeting to be held March 21 at 7:00. A garage sale has been tentatively set for April 8 and 9 to help raise funds to be used in the elementary school.

**R IS A LOW PRICE MOST IMPORTANT?**

Not when someone is very sick and needs medicine. Then, you depend on a pharmacy like ours, where you get every possible service that can help you most.

It isn't difficult for any discounter to give you a less than needed price on a few of the fastest selling drugs. Part of the loss can be made up by also discounting service, the rest by high profit, unfamiliar-to-you products. We offer no "bait bargains", just honestly fair prices, always, on everything we supply.

"A GREAT MANY PEOPLE ENTRUST US with their prescriptions, health needs and other pharmacy products. We consider this trust a privilege and a duty. May bwe be your personal family pharmacy?"
