Webb Named County Chair For Bush

Doyle Webb of Tahoka was named as the Lynn County Chairman of the Texas George Bush for President Campaign.

Tom Loeffler, co-chairman of the campaign, said Webb will help coordinate campaign events in the county through the November election.

"We know this will be a hotly contested race, but with the strong network we are creating in Texas and with creative leaders like Doyle, I know George Bush will be our next president," Loeffler said.

Penny Butler, also a co-chairman of the campaign, said the more than 160 county chairmen in the campaign will work closely with regional Bush officials and with the headquarters office in Austin.

"Our goal is to create the strongest grassroots network this state has ever seen," Butler said. "We have the people, the issues and the candidate that it will take to win the all-important election."

THS Cheerleaders To Have Supper

The High School Cheerleaders will have a pancake supper on Friday, Sept. 16, 1988 from 6:00-8:00 p.m. in the school cafeteria.

The cost is \$3.00 per person.

Chamber of Commerce Arts and Crafts Show

The Tahoka Chamber of Commerce is having an Arts and Crafts Show and Sale on Oct. 29. Please call the chamber office for reservations.

NHS To Sponsor BBQ Supper Friday, Sept. 23

The National Honor Society Club of Tahoka will sponsor a BBQ supper on Friday, Sept. 23, 1988 from 5:00 p.m. til 7:00 p.m. at the School Cafeteria before the Homecoming Game against Ralls.

Admission will be \$5.00 for adults and \$2.50 for children 12 and under. The meal will include Brisket, beans, potato salad, watermelon and tea.

Everyone come out and support the NHS Club.

Dogfight To Follow Last Week's Tie Game

By DALTON WOOD

It's not as good as a win, but kissing your sister is more satisfying than losing, so Tahoka fans were not in too bad a mood after a 13-13 tie with Cooper at Woodrow last Friday night.

The tie was made possible by some good defense by the Bulldogs, including grabbing up 4 Cooper fumbles, blocking a punt which Michael Isbell returned 30 yards for a touchdown, and some good passing, especially the combination of Ramiro Rodriguez to Thomas Glisson.

Tahoka now has one win and a tie in two outings, and will host a Dog of a different color this week as the Class AAA Coahoma Bulldogs come to town.

The first quarter was scoreless and featured a weird roughing-the-kicker call against Tahoka after the snap from center bounced on the ground, some good defensive work, especially by Ronnie Dunn, Ricky Saldana and Shannon Clift and fumble recovered on the Tahoka 32 to stop a Pirate Drive.

Tahoka had a punt blocked to set up Cooper at the Dog 33 in the second, but Tahoka held, only to have the Pirates punt out of bounds on the 1. After Tahoka couldn't move, the Bulldog punt was returned to Tahoka's 27.

From there Cooper drove to a score, with Lindsey Farmer running 3 yards and Chris Beene kicking the point to make it 7-0 with 6:36 left in the half.

Later in the quarter, after Saldana and Chris Jurden hit the Cooper quarterback for losses, the Pirates tried to punt, only to have it blocked, and Isbell grabbed it and raced into the end zone. Rodriguez kicked the extra point to make it 7-7 at halftime.

Midway of the third, Cooper scored on a 49-yard pass play from QB Trace Bailey to Cody Hatley, but the extra point attempt was wide. Tim Young intercepted a pass for Tahoka in the third to stop another drive.

Tahoka threatened later in the period after Rodriguez hit Chris Jurden for 15 yards and Glisson for 20, but the Pirates held at the 1 early in the fourth.

HOW 'BOUT A KISS, HONEY? — Would you like to kiss this pig? The 4-H clubs of Lynn County are supporting the American Cancer Society Kiss-A-Pig competition, with the candidate for the club raising the least amount of money for ACS given the dubious honor of 'swine kissing' at the Lynn County Harvest Festival. The 'honorees' are hoping it won't be this pig, anyway. Tahoka 4-H Club has elected Jim Solomon, Mayor of Tahoka to represent their club, O'Donnell 4-H chose their town's mayor, David Smith, and Wilson 4-H members will be represented by the Wilson School Principal, Randy Moczygmba. One of these three men will be the lucky 'pig-kisser' at the Harvest Festival, and all are hoping their 4-H clubs will raise lots of funds to donate to the ACS. (LYNN COUNTY NEWS SWINE PHOTO)

City Tax Rate Gets 2-Cent Hike

Tahoka City Council voted unanimously Monday night to increase the city tax rate by approximately 2-cents per \$100 valuation. The current tax rate is 45-cents per \$100 valuation, and council members voted to raise the rate to 47.4-cents per \$100 valuation.

This is the first city tax increase since 1982, and Tahoka Mayor Jim Solomon noted that "even with this increase, this figure is still only about one-half of the tax rate of comparable cities on the South Plains." The tax increase equates to about one-third of one percent per year.

In actual dollars, this 2-cent tax hike will increase city taxes on a \$50,000 home by approximately \$12 per year, according to the mayor.

In other action, council members discussed the 1988-89 budget for the City of Tahoka,

and approved the purchase of a 1985 Oldsmobile from McCord Motor Co. for the city.

"I think the City Council, Barry Pittman and his staff are doing an excellent job of balancing our budget and still provide the municipal services our citizens deserve," said Solomon.

"Our new 5-year plan will incorporate this tax rate to help provide funding for our larger capital needs such as a fire truck and street seal coating," he added. "This financial commitment to our town will help stabilize our economic base for the future."

"I also wish to express my gratitude to those citizens such as our fire department, Chamber of Commerce and Chamberettes, civic clubs and various church groups who give their time and energy for the betterment of our community," the mayor concluded.

Kiss-A-Pig Fundraiser Slated At Harvest Festival

Who will have the honor of kissing a pig at the Lynn County Harvest Festival on Sept. 24? There are three people vying for this dubious honor: David Smith, Mayor of O'Donnell; Randy Moczygmba, Wilson School Principal; and Jim Solomon, Mayor of Tahoka.

What is this all about? The 4-H clubs of Lynn County have gotten together to support the American Cancer Society Kiss-A-Pig competition. Each club has picked a "pig candidate" for the competition and whichever club raises the least amount will give their candidate the pig kissing honors at the Harvest Festival.

Wilson 4-H'ers are conducting a door-to-door collection campaign and will have a table set up at the Wilson-Dawson football game on Friday night, Sept. 16 for donations. Also, donations may be made at the Wilson State Bank, The Cotton Boll, the Green Building, or Wilson Co-Op Gin, or by contacting any Wilson 4-H member, or Connie Donald (628-6445) or Sherri Gickhorn (628-6469).

O'Donnell 4-H'ers have already sponsored a free car wash and collected pledges, and have begun a door-to-door campaign to raise funds. A donation bucket is also at the O'Donnell city office.

In Tahoka, 4-H members are also conducting a door-to-door campaign, or donations may be made at Thriftway, First National Bank, the Dairy Queen or The Sweet Shop. Any civic clubs or organizations wishing to make

a donation should contact a 4-H member, Mary Belew (998-4046), or Lendi Jordan (998-5377).

Jim Solomon, the nominated 'pig-kisser' for Tahoka, has also issued a challenge to David Smith, O'Donnell mayor. "If Tahoka can double the amount of money raised by O'Donnell, I'll kiss the pig anyway," said Solomon, laughing as he issued the challenge. "Of course, he's got to kiss the pig first," he added.

"Several of the candidates have already raised a fair amount of money for the event," said Annis Brown, Lynn County Agent, Home Economics. "It looks like it's going to be a lot of fun and it's helping out a good cause at the same time. The money will help fund cancer research, provide education and will actually help cancer patients here in Lynn County."

"Most people don't realize that the American Cancer Society can provide wheelchairs, hospital beds and other equipment to cancer patients," said Sherry Rooker, District 3 Lay Director of the American Cancer Society. "It is one way we directly help people in Lynn County. For information on available services please call the Lubbock office at 794-5808."

To donate for your favorite candidate or to lend a helping hand to a candidate (who probably would rather not kiss a pig), call Annis Brown at 998-4650, or contact a 4-H club member in your community.

HARVEST FESTIVAL PRINCESS CONTESTANTS — Tahoka girls in grades Kindergarten through sixth are competing for the honor of Harvest Festival Princess by selling tickets for a chance to win two free bicycles or a Texas Tech weekend. The candidates are, back row from left, Freedom Strickland, Michelle Quisenberry and Melissa Resendez, all 4th graders; Tracie Cole and Marisa Martin, 5th graders; and Jamie Riojas, 6th grader. Front row from left are Sarah Curry and Mandy Bertriaux, 2nd graders; Jennifer Dotson and Sheila Martin, 3rd graders; Victoria DeLeon and Martha Resendez, 2nd graders; and Lindsey Summitt, 1st grader. The candidate who sells the most tickets will be named Princess at the Harvest Festival on Sept. 24. (LYNN COUNTY NEWS PHOTO)

HARVEST FESTIVAL QUEEN CANDIDATES — These Tahoka High School girls are vying for the title of 1988 Harvest Festival Queen, and are busy selling tickets for a chance to win a trip to Puerto Vallarta, Mexico. The candidates and their sponsors are, top row, left to right: Kathy Davis, Rotary; Chelle Thomas, Senior Class; Stephanie Isbell, Junior Class; Jay Jay Wiseman, Sophomore Class; Christy Huffaker, Freshman Class; and Misti Lobban, Freshman Class. Front row, left to right, are Angie Alvarez, Junior Class; Connie Parker, Junior Class; Rochelle Reid, Senior Class; Kim Ingle, Speech Class; Jodi Williams, Freshman Class; Wendy Harvick, Senior Class; and Bridget Miller, Sophomore Class. The girls will receive points for ticket sales, interviews, and judging at the Harvest Festival on Sept. 24. (LYNN COUNTY NEWS PHOTO)

Rape Prevention Program Set Here Tuesday Night

The Lynn County Hospital Auxiliary and the county Sheriff's Dept. are co-sponsoring a program entitled "Rape Prevention and Intervention" at 7:30 p.m. Tuesday, Sept. 20, in the Lyntegar meeting room.

The program will be presented by Billy Timms, Chief Deputy of Garza county, and will be 1 1/2 to 2 hours long with some time allowed for questions from the audience. Everyone is invited to attend.

Coordinators Melba Thomas and Cliff Laws stress that this program is for children old enough to be unsupervised, perhaps for the first time this school year, to teens, mothers and grandmothers. It is a safety program with information that can make it possible to protect yourself or your child if caught in a compromising situation, and is presented in a way to be appropriate for all.

Timms has had intensive training in the prevention and intervention of rape and works closely with the Rape Crisis Center in

Lubbock. His sensitivity and concern for all young people and women of all ages comes through in the presentation.

Adventure Club Offered At Methodist Church

Adventure Club has begun at First United Methodist Church of Tahoka for children ages kindergarten through sixth grade. Children will meet each Wednesday from 3 to 5 p.m.

The Methodist church van will pick up children at school each week at 3 p.m. and will be parked at Tubb Elementary. Parents should pick up children at the church at 5 p.m.

Director of Adventure Club is Marilyn Ramsey, wife of pastor Larry Ramsey. Each week the children will experience songfest, Bible discovery, small group study, activities and snacks.

If more information is needed, call the church office at 998-4909.

People believe if a fly lands on your nose, somebody has something to tell you.

KELLIE RYAN and CHAD FORD
Couple Announce Engagement

Mr. and Mrs. Claude Ryan of Brady announce the approaching marriage of their daughter, Kellie Marie Ryan, to Kelly Chad Ford, son of Don and Lonette Smith of New Home and Nick and Sandy Ford of Denver City. The couple will exchange wedding vows on Jan. 7, 1989 at 5:30 p.m. in the New Home Baptist Church.

Kellie is a 1986 graduate of Brady High School and is a junior at Texas Tech University in Lubbock. Chad is a 1985 graduate of New Home High School and a 1987 graduate of Western Texas College in Snyder. The couple will reside in New Home where Chad is engaged in farming.

Church Of Christ To Present Film Series Here

Tahoka Church of Christ, 2320 Lockwood St., will begin presenting a film series entitled "The Heart of The Fighter," beginning next Wednesday, Sept. 21. The films will be shown at 7:30 p.m. on Wednesdays for 12 weeks, except for Nov. 16.

All are invited to the church to view these films. According to Doug Hall, evangelist for the Tahoka Church of Christ, "If you view the first one, you shall desire to see the entire series. Let the experience be yours."

The first film in the series is entitled "Heart Quickening" -- be fully alive! The films are described as "basic training for courageous, everyday life by a Christian man named Landon Saunders." Saunders weaves in stories from his own childhood with through provoking quotations to bring important Biblical principles to life.

Grassland Church Hosts Guests Speaker

Paul and Thelma Say, will be the guest speaker at a missionary meeting at the Grassland Church of the Nazarene. The Missionary

Rally will be Sunday, Sept. 18 at 6 p.m.

The Says are missionaries to the Dominican Republic, now on furlough in the United States. They served as missionaries to Argentina from 1962 to 1978 when they were transferred to the Dominican Republic.

Fund Set Up For Local Couple

A fund has been set up at First National Bank of Tahoka to defray medical costs not covered by insurance for Delores and Joe Webb from Tahoka. He has cancer.

Anyone wishing to donate may do so at the bank or by sending it to the High School principal Charles Cate, Box 1230, Tahoka, Tx.

The Tahoka Garden Club will meet at 9:30 a.m. on Tuesday, Sept. 20 in the home of Louisa Smith, 1829 N. 4th. The program subjects will include fun with native plants-growing, landscape and design.

Burglary, Accident Investigated In County

Lynn County Sheriff's deputies were called to investigate a reported burglary in progress at O'Donnell High School band hall on Sunday. Upon arrival, authorities arrested a 26-year-old male on charges for burglary of a building and application to revoke probation/burglary. The subject was booked and jailed in Lynn County jail.

Herman Freeman reported to Lynn County Sheriff's office that his John Deere 4240 tractor had been tampered with, and possibly sand had been poured into the engine oil while parked three miles north of Hwy. 380 and Hwy. 2956 on a county road. Damage was reported to exceed \$750. Lynn County Crime Line, 998-5145, has offered a \$500 reward for information leading to the arrest and conviction of persons responsible for this crime.

Police investigated an accident on Tuesday at the intersection of South 3rd and Ave. J that involved a 1985 Chevrolet driven by Autumn Renee Martin of Tahoka and a 1984 Ford pickup driven by Francisco Alvarez of Tahoka. Miss Martin was reported to have received minor injuries in the accident.

Persons jailed during the past week include one each for speeding, speeding and failure to appear, DWI second offense and unlawfully carrying a weapon, burglary of a building and application to revoke probation/burglary, and one person jailed for theft-judgement and sentence.

Police also answered one family disturbance call during the past week.

Dogfight

(continued from page 1)

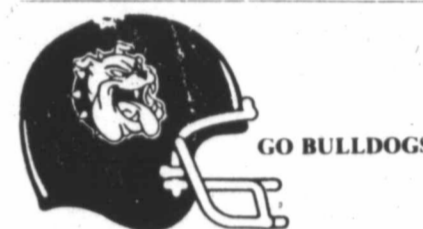

Rodriguez hit Glisson with a nice pass for 22 yards and a touchdown, but Rodriguez' extra point try was blocked to leave the game tied at 13 with 6:36 left.

Cooper then had a 70-yard touchdown run called back because of holding, then drove very deep toward the goal, only to fumble the ball across the goal line for a Bulldog recovery which gave the Blue the ball out at the 20.

Neither team was able to do much after that, and the game ended 13-13.

Rodriguez hit on 5 of 13 passes for 68 yards. Charles Jurden gained 21 yards on 8 carries.

Salute to Service Craftsmen

Customers buy products knowing about the fragile life coming from even normal use. That fact has led to making work for many craftsmen in our community along with labor installation.

Good craftsmen are in demand for the simple reason they volunteer to do their work right.

A farmer in the middle of crop harvest appreciates the service coming from having parts on hand as well as a willingness to get his equipment running promptly.

In recent years, service craftsmen on their own have taken their activity to the source of the problem. This on-the-site service is an added dimension to excellence in the field.

Making "house calls" has its limits. While a plumber doesn't mind helping out when a water pipe ruptures, he will frown when awakened in the middle of the night about a leaking faucet.

There is no nicer feeling than in getting a balky machine back to purring through the use of a craftsman's trained mind and hands. Their efforts to accommodate on short notice is one of life's real pleasures.

Cooperative service people keep our community in good tune and we appreciate the excellent work.

**Commissioners
Discuss County
Food Bank**

Lynn County Commissioner's Court met in regular session Monday, Sept. 12 in the County Judge's office in the courthouse at Tahoka.

Mrs. Debbie Vickers appeared before the group to represent the Lynn County Food Bank, and discussion was held on whether to keep the facilities open. No decision was made.

Commissioners paid \$6,777 for workman's compensation, and discussed the audit and approved payment to Love, Hays and Musick. The group also approved spending \$100 to \$150 to buy school clothes for a foster child.

No bids were received for a pickup for Prec. 2.

A budget hearing was held at 11 a.m. and the proposed 1989 budget was approved. Commissioners set the county tax rate at 26-cents, the same as last year's rate.

Two visitors attended the meeting, newly-elected commissioners Bobby Cox and Jerry Gerner, who have not yet officially taken office. Judge J.F. Brandon and all commissioners, except Bart Anderson, were present for the meeting.

MR. AND MRS. CARL STONE

Couple To Celebrate 50th Anniversary

Mr. and Mrs. Carl A. Stone of Wilson will celebrate their 50th wedding anniversary with a reception on Saturday, Sept. 17, from 3 to 5 p.m. in the First Baptist Church fellowship hall in Wilson.

Hosts for the event will be their children, Mary Henderson of Wilson, Bobby Stone of Marble Falls, and Ricky Stone of Dallas.

The former Violet Hardt and Stone were married Sept. 17, 1938 at New Lynn, Texas.

**Annual Juried
Show Slated**

Caprock Photographers of Post will have their fourth annual juried show at the Algerita Art Center Oct. 27 through Oct. 30. The judge will be Chuck DeHaan of Graford, Tx.

Entries from the public are encouraged. Entry fee will be \$4.00 per photograph. Entries will be taken from 8 a.m. to 8 p.m., Thursday, Oct. 27, and until noon on Friday, Oct. 28.

The show will be open for free viewing on Saturday, Oct. 29 from 9 a.m. til 6 p.m. and on Sunday, Oct. 30 from 1 p.m. til 6 p.m.

**Tahoka Pioneer Museum
Is "Special Endeavor"**

By MABEL GURLEY

Scarcely a decade ago an old gas station, in a state of dramatic disarray, was taken over by a group of enthusiastic, diligent citizens. Ultimately it has become the Tahoka Pioneer Museum.

Many laborious hours were spent reconstructing and transforming a building which will preserve our heritage through pictures, items, and archives which might otherwise be lost or forgotten.

Much of the original building is composed of cubicles depicting early day bedroom, kitchen, schoolroom, blacksmith shop, etc., with related items in each, donated by families either used or inherited.

Acquired items became so numerous that soon additional space was needed to display acquisitions. When money was available, obtained from memorials, membership dues and donations, a large room was added, illuminated with sky-lights, the focal point being a beautiful mural painting of Tahoka Lake by our local artist, Bill Craig.

Several visitors from foreign countries, as well as numbers of visitors from practically all the United States, have registered at and seemingly enjoyed the Museum. Ironically, a couple from New Hampshire, descendants of Enos L. Seeds, Lynn County's first postmaster, came by seeking information. Mr. Seeds was postmaster in 1890 at Grassland, and was credited with naming that community. He later moved to Pennsylvania, where he was involved in bridge and ship building. Among items that have been sent as a result of the couple's visit is a picture of a fifty foot yacht named "Tahoka."

A family from Germany drove down one hot summer day, exploring West Texas. They had just arrived in Lubbock, where the husband was employed by Texas Instruments. After spending an apparently interested two hours scanning the Museum, they asked "Where is Guthrie Lake? The children would like to go swimming." We solemnly replied, "It has just dried up." Obviously, Tahoka and Lynn

County are indeed on the map.

Recently two new show cases have been acquired, compliments of Belton Howell, our centenarian ex-citizen who now resides in Odessa. It seems interest prevails, regardless of age or locale. One of the cases displays military memorabilia, surrounded by patriotic items, including World War I uniforms, a "WAC" uniform from World War II, newspapers describing the bombing of Pearl Harbor, and other papers proclaiming the end of the war...So many remembrances!

Alternating of exhibits and improvements are continuous. Do come by and relive old memories, or else experience the reality that life was not always push buttons and computers. The Museum is yours, so enjoy and support it! P.S. This endeavor might suggest that perhaps other abandoned buildings, if not remodeled, might be masked on the exterior in some manner that would upgrade the appearance of our town.

**Maid Of Cotton
Applications Taken**

Applications for the 1989 South Plains Maid of Cotton are now being accepted until 5 p.m. Sept. 29, 1988.

Applications available at the Lubbock Chamber of Commerce, 14th street and Ave K.

Further information may be obtained by calling the Lubbock Chamber of Commerce at 763-4666.

**Aerobics Offered
At Baptist Church**

Low-impact aerobics will be offered on Monday and Friday mornings in the fellowship hall of the First Baptist Church of Tahoka, according to Pam Paris, instructor.

Any interested women are invited to come exercise to music at approximately 8:15 a.m. til 9:00 a.m. A short devotional will also be presented during the class.

**Texas Excellence
Awards Available
For Top Seniors**

Top Texas high school seniors are eligible for \$16,000, four-year Texas Excellence Awards for Scholarship and Leadership sponsored by The Ex-Students' Association of The University of Texas at Austin.

In addition to the top awards, \$8000, four-year Awards of Distinction and \$1000, one-year Awards of Recognition will be awarded to other finalists.

Applicants must be in the top five per cent of their class and demonstrate leadership ability in the classroom and/or extra-curricular activities. Applications for the Texas Excellence Awards will be available from high school counselors by mid-September with a Nov. 1 application deadline.

For additional information, contact The Ex-Students' Association, P.O. Box 7278, Austin, TX 78713, or call (512) 471-3822.

DAYTON PARKER

DO IT NATURALLY
Overuse of laxatives among the elderly is serious because it causes the intestinal walls to leak a lot of body fluids, which wash away in watery stools. Evacuated with the stools are essential minerals, such as calcium, which in older people are not readily replaced. This tends to aggravate the bone loss, called osteoporosis, among the elderly. We can best regular our bowel movements with a proper diet of salads, fruit, bran and whole grain cereals, plus fruit and vegetable juices.

Mr. Will Harris was in St. Mary's Hospital Sunday through Thursday for test and treatment. He was able to attend both morning and evening services in the New Home Baptist Church.

Dot and Jerry McNeely were in Breckenridge, Friday through Wednesday with friends, Sam and Anna Jo Carter.

Jean Ray is reported in slightly improved conditioned in Lubbock General Hospital. She entered the hospital Tuesday.

Tamra Taylor of Lubbock, was the honoree at a dinner in the Sizzlin Sirloin, Friday, celebrating her birthday. Others present were her mother Delores Taylor, her grandmother Ida Mae Edwards, and aunts Evelyn Maddison and Charlene Kieth.

Dodney and Leah Overman and sons of Albany were here last week with his mother, Ruby Overman. On Saturday, they attended the Texas Tech game in Lubbock with Randy and Eddie.

Sue Oliver was here Friday and Saturday. She has been on vacation and visited in Ft. Worth, Hillsboro, Ira and Snyder.

Ida Mae Edwards had minor surgery on her right leg Tuesday.

Mrs. Sherman (Beatrice) Inman of Muleshoe, is again a patient in Methodist Hospital.

The warm weather and sunshine has been great the past week. After the heavy rains in early September, the sunshine was welcomed. Joe D. Unfred received 4 1/2 inches of rain, and about 2 1/2 inches in other parts of the community.

Miss Unfred won first place

in the walk test Western Arabian Horse Show in Abilene the past weekend.

The New Home Baptist Youth would like to invite everyone to come to their Bake Sale and Garage Sale on the Church yard, this Saturday, Sept. 17 from 1:00-5:00 p.m.

Remember the Antique Auction Sale on Saturday, Sept. 17 in New Home-Florence Davies.

OUT OF THE WOODS

By Juanell (Wood) Jones

I DON'T KNOW about you, but here recently I've begun to think that driving to (or out of) Dallas may be a heck of lot safer than flying. I know it's a boring six-hour drive, but hey, you can get there with the back end of your car still attached to the front end, if you know what I mean.

Oh, I've heard all the statistics about how flying is safer than driving, but front-page news items about plane crashes sure grab your attention, don't they? If you happened to see one of the Dallas newspapers the morning after the Delta crash, you were treated to a half-page picture of the downed airliner, followed by an entire section devoted to reporting of the story.

Normally, flying doesn't make me nervous. It's just the take-off and landing part that gives me the 'willies.' I mean it's so noisy, and the air pressure changes, and you're flung back into your seat, and it's just not a soothing experience, generally speaking. You don't get these side-effects when you're riding in a

car (unless the driver is a teenager or my brother).

I have an uncle, my dad's brother, who has been an airline pilot for years, and he's never had an accident... unless you count the time he was flying a small propeller-engine plane he owned that he landed in a tree. Perfect landing. It's what he was aiming for. He jumped out and walked away (or so I'm told). This is the same plane my dad told me he was flying in ("joy-riding") when they were young and following the road below them at the best speed the plane could manage, when a Cadillac passed them easily.

Where was I? Oh, anyway, I guess I'll still fly because it's convenient and fast, and I'll just have to try not to think about plane crashes.

Actually, I'm waiting for the day when scientists will invent small individual super-duper speedy (but inexpensive) helicopters like the ones on the Saturday morning cartoon, "The Jetsons." I used to watch. I definitely want one of those.

And what would really be terrific is one of those body-transmitter stations to get to places in a real hurry. You know, like Star Trek... "Beam me up, Scotty," and that type of thing. Why, if I had one of those, I might get my kids to school on time, and just think how easy it would be to get in and out of Jones Stadium for a Texas Tech football game.

Yeah, I'm ready for space age speed-travel for ordinary tax-paying consumers. I don't want to fly to the moon, but it would be nice to beam over to Paris for a quick shopping trip.

Cheers!

In these days of heightened awareness of alcohol abuse, the funny drunk is becoming less funny all the time. People who drink socially are becoming more aware of the limits of how much they can handle.

Gary Wimbish, toxicologist at Texas College of Osteopathic Medicine, has two tips for these drinkers: Don't drink on an emp-

ty stomach and be sure you pace yourself.

If you drink, you should eat to delay the absorption of alcohol into your system. High-carbohydrate foods like potatoes, spaghetti and bread do that best.

The average person can consume a drink an hour without becoming impaired. Dr. Wimbish warns that your judgment is the first thing affected by alcohol. You may not be able to drive a car safely even when you think you can.

Summer can bring its own drinking hazards, too. Dr. Wimbish reminds us not to drink beer to replace body fluids on a hot day. It won't work, and it will make you feel awful.

Coffee, Tea or Caffeine-Free?

The latest news in the world of caffeine isn't good for heavy coffee drinkers.

If you drink nine or more cups a day, you are twice as likely to have heart disease as people who drink one or fewer, says Michael Clearfield, chairman of internal medicine at Texas College of Osteopathic Medicine.

Caffeine contributes to irregular heart beats and to high blood cholesterol levels. It also can dilate the larger airways that leads into the lungs; asthma patients should be careful of combining their medication with caffeine. And coffee or tea drunk during a meal--or immediately before or after--can reduce iron absorption.

Dr. Clearfield thinks we should look at caffeine as a drug because it is psychologically addicting. Many of us don't function until we've had that first cup of coffee in the morning.

But if it's just the coffee or tea taste you want, try one of the caffeine-free varieties. Maybe you can trick yourself into waking up without caffeine.

Leopards Crush Grady, 44-14

NEW HOME — Darrell Paul rambled for 172 yards on 17 carries, including touchdown runs of 43 and 37 yards, as unbeaten New Home raced past Grady 44-14 Friday night.

The Leopards put the game out of reach with a 23-point second quarter and a 15-point third quarter to raise their record to 2-0. It was the season-opener for Grady.

Paul's touchdown runs came in the first half as New Home jumped out to a 29-0 halftime lead. Paul also recovered two fumbles and hauled in two passes for 2-point conversions. Gaylon Paul scored two second-quarter touchdowns for the Leopards, one on a 15-yard pass from Coby James and other on a 1-yard pass from James with 1 second remaining in the first half.

James scored on a 1-yard run in the third quarter.

Grady's scores came on a 24-yard pass from Scott Glaze to Scott Terrell in the third quarter and a 2-yard, fourth-quarter pass from Glaze to Tim Stone.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED

CONSTITUTIONAL AMENDMENTS

GENERAL ELECTION
NOVEMBER 8, 1988

PROPOSITION NO. 1 ON THE BALLOT

Senate Joint Resolution 8 proposes a constitutional amendment providing that when the federal government reimburses the state for expenditures of state funds dedicated to acquiring rights-of-way and for constructing, maintaining, and policing public roadways, such federal funds must also be used for those purposes.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment and/or clarification providing that federal reimbursement of state highway dedicated funds are themselves dedicated for the purpose of acquiring rights-of-way and constructing, maintaining, and policing public roadways."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 2 proposes a constitutional amendment to establish an economic stabilization fund in the state treasury. The fund would consist of one half of the unencumbered balance of general revenues at the end of a biennium and three fourths of the difference between the net oil and gas production taxes received in a fiscal year and the net oil and gas production taxes received in the 1987 fiscal year. During any fiscal biennium, the amount in the economic stabilization fund could not exceed 10% of the total deposited in general revenue in the preceding biennium.

The state comptroller and the state treasurer could decide to trans-

fer monies from the fund into the general revenue fund to alleviate a temporary cash shortage in general revenue. The legislature could make appropriations from the fund on approval by a three fifths vote of each house to make up the difference between anticipated general revenue and appropriations. On approval of two thirds of the members of each house of the legislature, the legislature could appropriate monies from the fund for any purpose.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment establishing an economic stabilization fund in the state treasury to be used to offset unforeseen shortfalls in revenue."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 5 proposes a constitutional amendment that establishes the Texas growth fund. All investments of the Texas growth fund must be directly related to furthering economic growth and employment opportunities in Texas. At least 50 percent of the fund must be invested in equity and/or debt security for the initial construction, expansion, or modernization of business or industrial facilities in Texas. Not more than ten percent of the fund may be invested in venture capital investments. Of the funds available for venture capital investments, not more than 25 percent may be invested unilaterally, and the remaining investments must be matched at least equally by funds from other sources. The Texas

growth fund will be managed by a board of trustees consisting of four members appointed by the Governor and one member from and elected by the membership of each of the following: The Board of Regents of the University of Texas System; The Board of Regents of the Texas A&M System; The Board of Trustees of the Teacher's Retirement System of Texas; The Board of Trustees of the Employee's Retirement System of Texas; and the State Board of Education. The trustees may set the investment policy of the fund, enter into investment contracts, and take any action necessary for the creation, administration, and protection of the fund. The amendment authorizes the Board of Regents of the University of Texas System and the State Board of Education, in managing the permanent university fund and the permanent school fund, to acquire, exchange, sell, supervise, manage, or retain any kind of investment, including investments in the Texas growth fund. The fund will be phased out after the tenth anniversary of its creation, but the Legislature may create a second growth fund by a two thirds vote of each house.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to provide for the investment of the permanent university fund, the permanent school fund, and public employee retirement systems in the Texas growth fund created by the amendment, which will directly create, retain, and expand job opportunity and economic growth in Texas."

Etos son los informes explanatorios sobre las enmiendas propuestas a la constitucion que apareceran en la boleta el dia 8 de noviembre de 1988. The Junior Girl Scouts and Brownies held their first meeting on Thursday, Sept. 8. One group of Brownies met at the school with Serena Mankins. Patricia Holder furnished refreshments for the seven girls of Troop 323. The girls worked on the Sports and Game badge. They were asked to do different things on their bikes at home in order to finish the badge. They also made Wilson Mustangs pins using shrink art and ribbons. They voted to set dues at 50¢ each meeting.

TECHNICAL SERVICES LABORATORY — Texas cotton growers and ginners were introduced to the operations of the textile services laboratory on their recent tour of Cotton Incorporated's Research Center in Raleigh, N.C. Roy Hale (left) of Cotton Incorporated, explained the laboratory's functions to (from left) Tommy Harris, Don Archer, Norma Archer and Virginia Harris, all of Lamesa, and Buddy Vineyard and Bobby Furlow of Tahoka. The tour was sponsored by Paymaster Oil Mills and the Cotton Board, which administers the producer-funded Cotton Research and Promotion Program conducted by Cotton Incorporated.

The Junior girls met at the First Baptist Church. There were 12 girls at the meeting and one was absent. Jamie Raley furnished refreshments. Jamie Mankins held the flag while Lillie Castillo led the pledge and GS Promise. Kim Martin and Belinda Flores led the songs. The girls decorated their GS folders and wrote their names on the new troop flag. They worked on the "Decisions" unit in their handbook. Afterwards, they worked on some basketball drills.

All Girl Scout Troops meet on the 2nd and 4th Thursdays.

The Band Booster Club had an organizational meeting on Thursday, Sept. 8. Officers elected were: President- Sheri Gicklhorn; Vice President- Darla Earwood; and Secretary/Treasurer- Sharon Isham. The group will again host the Band Booster Band which will play at the Nov. 11 game and will sponsor a dinner prior to the game. Refreshments will be offered after the Oct. 21 game in the cafeteria, with donations being accepted at the door. Mr.

A Visit With Your County Agent

By Brett Cypert, CEA-Ag.

The Lynn County farm tour will be Sept. 21 at 1:30 p.m., starting at the courthouse in Tahoka. This tour will be co-sponsored by the Extension Service and SCS personnel. It will include five stops throughout the afternoon containing various topics. The Extension personnel will discuss cotton insects, soil fertility plots, and harvest-aid chemicals. The SCS personnel will include stops on Conservation compliance and CRP establishment. Also included will be some insight on strength and new germ varieties. This will be a good time to see and analyze some cotton plots. If you have any questions, please call me at the office at 998-4650.

Woody addressed the group and discussed his plans for the band and some of their activities for the year. Their first special event will be marching in the South Plains Fair Parade at 11 a.m. on Sept. 24. The Band Boosters will meet the 2nd Thursday of each month at 7:30 p.m. in the Band Hall.

The WOW's (Women of Wilson) will have a meeting on Monday, Sept. 19, at 7 p.m. in the Home Economics building. This meeting will be on flower arranging. Silk flowers will be available at the meeting for purchase for anyone desiring to make an arrangement to keep or ladies may bring silk flowers with them to the meeting. Everyone should bring a basket or container for her own arrangement. All ladies of Wilson are invited to take part in this activity. The club is under the direction of Annie Lowrie, Home Economics teacher at Wilson High School.

All ladies of the community are invited to come and attend a baby shower in honor of Nathaniel Shane Lowrie, infant son of Anne and Shane Lowrie. Nathaniel was born on Sept. 2. The Shower will be from 2-4 at the home of Mrs. David Williams. Other hostesses are Ronda Sams, Ann Davidson and Sheri Gicklhorn.

The first PTO (Parent-Teacher's Organization) meeting will be held Monday, Sept. 20 at 7 p.m. in the school auditorium. This will be a "Meet The Teachers" night and all parents of elementary children are encouraged to be there. After the meeting, the elementary building will be open and the teachers will be there to open their rooms and meet the parents. Afterwards, refreshments will be served in the cafeteria.

Slow Cooker Safety

How safe is food prepared in a slow cooker? If it's done properly, slow cooking is safe. The potential problem in using a cooker is the time it takes the pot to heat to bacteria-killing temperatures, which is generally about two hours.

For tasty- and safe- slow cooked dishes, remember these precautions:

- * Keep perishable foods refrigerated until you're ready to use them. Refrigeration prevents rapidly reproducing bacteria from getting a head start in the two hour danger period.
- * Don't use frozen meat or poultry. It takes longer for frozen foods to reach bacteria-killing temperatures. Using frozen meat or poultry can also result in undercooking since the cooking times given in most recipes are based on thawed ingredients.
- * Don't overload the cooker. Portions of meat or vegetables rising above the cooking area won't fully cook. Also, when too much food is stuffed into the pot, it will take longer to cook it thoroughly. Since overloading can delay cooking and make thorough cooking uncertain, it raises the chance of bacterial growth.
- * Don't use a cooker for large cuts of meat, like a roast. Even after the pot reaches temperature hot enough to destroy bacteria on the roast's outside, it'll take longer for these temperatures to penetrate to the center of the roast. As a result, it may be undercooked.
- * Don't use a slow cooker to heat leftovers. They need to be reheated at a high temperature to kill bacteria. Reheating leftovers in the cooker spells danger because the pot doesn't heat fast enough.

Lobster Skin No Fun

We've all done it. You're swimming or sailing or gardening, and you just forget about the sun. But when you take off your clothes, there it is...Lobster City.

If it's just a little sunburn, you can soothe it with cool-water compresses, says Texas College of Osteopathic Medicine dermatologist Dr. Goetz. Many people have adverse reactions to the ingredient that deadens the pain.

The dermatologist says you need to see a doctor if the burn is keeping you from functioning normally, if the home remedies don't help or if the burn produces many blisters. There are half a million cases of skin cancer a year in the United States; don't be one of them.

Garcia Field Goal Gives Mustangs Win

IRA (Special) - Ruben Garcia booted a game-winning 22-yard field goal with only six seconds remaining in the contest Friday night to ignite the Wilson Mustangs to a thrilling 46-44 come-from-behind victory over the Ira Bulldogs.

Wilson, now 2-0 on the season, trailed 36-28 heading into the final quarter before Garcia - who finished with 184 yards rushing on 38 carries - guided the Mustangs back. Garcia dashed into the end zone from 25 yards out early in the fourth quarter and booted the extra point to knot the game at 36-36.

Eagles Edge LCHS, 12-6

O'DONNELL (Special) — Jessie Perez, who finished with 102 yards rushing on 23 carries, scored on a 13-yard jaunt in the fourth quarter Friday night to lead the O'Donnell Eagles to a hard-fought 12-6 win over the Lubbock Christian High Eagles.

Lubbock Christian, which dropped to 1-1 on the season, jumped out to an early 6-0 lead in the first quarter when Reagan Crossnoe tossed a 28-yard scoring pass to Steven Crockett. The extra point failed.

O'Donnell tied the game at 6-6 just one minute later in the quarter when Charles Sanchez, who ran for 96 yards on 20 carries, scored from 3 yards out. The point after touchdown failed, and the game was tied 6-6 at the end of the first quarter.

Both defenses buckled down in the second and third quarters, and the game remained deadlocked at 6-6 heading into the final quarter. O'Donnell, however, managed the fourth-quarter touchdown run to capture its first win of the season against one loss.

The Lubbock Christian Eagles were limited to only five first downs and 78 yards in total offense for the game. O'Donnell amassed 16 first downs and 232 yards of offense — including 220 yards by land and 12 yards passing.

Navy Seaman Ramiro Campos, son of Filemon Campos of Wilson, Tex., has completed recruit training at Recruit Training Center, San Diego, Calif.

During Campos's eight-week training cycle, he studied general military subjects designed to prepare him for further academic and on-the-job training in one of the Navy's 85 basic fields.

Campos's studies included seamanship, close order drill, Naval history and first aid. Personnel who complete this course of instruction are eligible for three hours of college credit in Physical Education and Hygiene.

A 1985 graduate of Wilson High School, he joined the Navy in July 1987.

Although we have thousands of different medicines in our prescription laboratory, our reference books list many thousands more. Yet, rarely do we not have in stock the medicines physicians, even those in distant cities, prescribe.

By reading drug and medical journals and staying right up-to-date we know those medicines that are being called for most often. And leading drug manufacturers send us a supply of each new drug as soon as it is released for safe public use.

Office Education Courses To Be Offered At THS

Along with the state-mandated curriculum changes came an entirely new image for the co-curricular club. Business Professional of America, replacing Office Education Association, provides opportunities for recognition of individual members and chapters for their involvement in a variety of programs. Members learn how to work effectively with others, to serve their community and school, to compete in regional and state contests and to develop a respect for business and office occupations through participation in a variety of professional activities.

The Office Administration I students are Angie Alvarez, Michelle Bertreux, Jennifer

Starting with the 1988-89 school year, Tahoka High School has updated its office education curriculum to meet the new state requirements. Office Administration, the new academic course for junior and senior students, replaced Vocational Office Education. Through the use of a stimulated office environment created by instructor Barbara Jaquess, this new course offers advanced concepts and skills which are necessary for a general office position. Special emphasis is placed on keyboarding, record management, communications, operation of office machines and the electronic production of business documents. The main objectives of the Office Administration curriculum is to prepare students for successful office employment.

Bingham, Angela Draper, Carolyn House, LaShunda Hughes, Alice Longoria, Jacque Mitchell, Mary Mulanax, Annabell Perez and Cecilia Ruiz. These students are in class for 2 consecutive hours each day in order to develop their business skills and abilities.

The Office Administration II students are Leasa Chandler, Dena Engle, Elizabeth Hernandez, Esmeralda Longoria, Autumn Martin, Becky Mendoza, Rochelle Reid, Shannon Roberts, Chelle Thomas and LaDonna Tillman. This 1-hour class stresses word processing, data base, spread sheets and desk-top publishing along with legal and medical units of study. All required classroom will be completed with the use of computers, memory typewriters and calculators.

Mrs. Barbara Jaquess, instructor with the Tahoka I.S.D. for 17 years, state, "The new changes are exciting as well as challenging for an instructor! With the specialized curriculum and our excellent classroom equipment, my primary goal is to train these students for a successful and productive future following their graduation. I would like for the graduates of Tahoka's Office Administration classes to be among the best trained in the state."

News From ... Tahoka Pioneer Museum

Additional displays have been prepared in two new display cases that were presented to the Tahoka Pioneer Museum by Belton Howell, early pioneer. Preparations to be open for Homecoming and the Fall Festival were discussed at the meeting of the Tahoka Pioneer Museum Board of Directors on Sept. 12, 1988 at the noon hour, and Board Members will cooperate with Howard Maddera and Community Action in the renovation of the Keltner Hotel. This building will be used, in part, for a headquarters for Community Action, and funding for the renovation will come through that organization.

Madeline Hegi reported that field trips by classes from area schools are being scheduled and various other groups are planning to include the Museum in their schedules.

The Guest Register during the summer months indicates that visitors from many points in the United States and the World have been visiting our town. Arkansas, California, Colorado, Illinois, Kentucky, Massachusetts, Missouri, Kansas, New Mexico, North Dakota, Ohio, Oregon, Oklahoma and many points in Texas, as well as Trujillo, Peru.

Members of the Board of Directors attending the meeting were Mabel Gurley, Lottie Jo Walker, Audo Norman, Madeline Hegi, Mary Louder, Meldon Leslie, Winston Wharton, K.R. Durham, Melvin Burks and Mildred Abbe. Absent were Jim Solomon, Bill Craig, Weesie Carroll, James Roberts and Carl Reynolds.

BLUE ANGELS — The U.S. Navy's Blue Angels Flight Demonstration Team will be the featured aerial performers during Reese AFB's annual Commander's Day Open House Sunday, Oct. 16. (U.S. Navy photo)

Blue Angels To Fly At Reese Oct. 16

Col. Mark H. Lillard III, commander of Reese Air Force Base's 64th Flying Training Wing has designated Sunday, Oct. 16 as "Commanders Day" Open House.

The base in Lubbock will be open to the public from 10 a.m. to 5 p.m.

The featured flying attraction will be the U.S. Navy's Blue Angels Flight Demonstration team. They will be making their first visit to Reese in 20 years and will be flying their A/F-18 Hornet jet fighters.

More than 30 aircraft from all the military services will be on static (ground) display on the flightline when the gates open. The display will include fighters, bombers, reconnaissance, transports, helicopters and training aircraft.

A number of the latest military aircraft are expected to fly-by and give a demonstration of their flying maneuver capabilities. Reese's T-37 and T-38 training jets will fly-by in formation prior to the Blue Angels show.

A number of exhibits and displays will be available for viewing. The Reese fire department will show the capability of their crash-rescue trucks and demonstrate a simulated extraction from a disabled aircraft. The Reese Honor Guard Drill Team and Color Guard will perform throughout the day.

There will be plenty of food, drink and parking available.

The Reese AFB appearance will mark the only Blue Angels flight demonstration in the West Texas, Oklahoma, New Mexico area between now and the end of their 1988 show season in November.

School Notes

By GAYLON GASSIOT
Tahoka Elementary Principal

A Special Word To Parents Of Elementary Age Children
Most problems which children have in school center around the failure of the student to do a homework assignment.

Teachers expect the work which is assigned to be done on time. Parents are urged to ask their children if they have homework assignments. In cases where they have not completed the work in the classroom, then the assignment should be done in the evenings at home. If parents find that the child has already completed the work, ask to see it and ask some questions about it to see if the child understands the assignment.

Parents are urged to help with homework by doing the following:

(1) Show an interest in school work and ask to see assignments they have turned in.

(2) When homework is to be done, turn off the TV so your child can concentrate.

(3) Provide a good work area with good light, a desk if possible, or table, the right materials, and the room to be as quiet as possible.

(4) As a family, agree on a regularly scheduled "homework time" during the school week.

If your child does not have any homework for that night, you can talk to him about what he did that day in school and go over the ideas which the teacher discussed.

Parents are also urged to talk to their children about the importance of doing homework at home and being as accurate as possible with their answers for the assignment. The parents need to be sure to see that the child develops the habit of doing homework on a regular basis. This will help insure that the child

will get the most out of his school learning in the classroom. Encourage your children to think about the things he learned in the classroom at home so that doing homework seem to be the natural thing to do.

Good Attendance Is The Key To Success

As the 1988-89 school year looms ahead for Tahoka ISD elementary students, parents or guardians should be reminded that the state requires good attendance as the main ingredient for a successful school experience.

A successful school experience is the basis for doing well in life, regardless what the individual chooses to do.

Tahoka ISD Elementary School officials urge families to make a concentrated effort for students to maintain perfect attendance.

Mexico Trip, Bicycles, Tech Weekend Among Give-Aways At Harvest Festival

The 13th annual Lynn County Harvest Festival will again feature a Mexico trip, two bicycles and a Texas Tech weekend in the prize drawings this year.

Harvest Festival Queen candidates are selling \$1 tickets for a chance to win a trip for two to Puerto Vallarta, Mexico. The trip includes four days and three nights lodging (meals not included) and air fare, with the winner setting the departure dates.

The drawing will be held the day of the Festival, on Saturday, Sept. 24. Tickets may be purchased from any Queen candidate. They are: Kathy Davis, Chelle Thomas, Stephanie Isbell, Jay Jay Wiseman, Christy Huffaker, Misti Lobban, Angie Alvarez, Connie Parker, Rochelle Reid, Kim Ingle, Jodi Williams, Wendy Harvick and Bridget Miller, all Tahoka High School students. To qualify for the finals in the Queen competition, each candidate must sell at least 100 tickets. The girls will also receive points for personal interviews

and judging at the Harvest Festival.

Harvest Festival Princess contestants are selling tickets for chances to win a Texas Tech weekend, which includes two tickets for the Tech-Texas football game on Oct. 29 and lodging at the Holiday Inn Civic Center in Lubbock. Two bicycles will also be given away from drawings from the Princess tickets. Both the Tech and bicycle tickets are being sold for 50-cents each.

Girls in Kindergarten through sixth grade may compete for the Princess title. This year's candidates are Freedom Strickland, Michelle Quisenberry, Melissa Resendez, Tracie Cole, Marisa Martin, Jamie Riojas, Sarah Curry, Mandy Bertreux, Jennifer Dotson, Sheila Martin, Victoria DeLeon, Martha Resendez, and Lindsey Summitt. The candidate who sells the most tickets will be named Princess at the Harvest Festival on Sept. 24.

Money raised by ticket sales in the Queen/Princess contests is used to purchase the prizes offered and for Festival expenses.

Nadine Dunlap, Harvest Festival Committee chairman, states, "The Harvest Festival is strictly non-profit. Funds left after expenditures is donated to worthy causes in the county, as voted upon by the committee."

In addition to the hourly merchants drawings at the Festival, a bubblegum toss at the Friday night Homecoming football game will offer the winner a \$50 cash prize. Harvest Festival Committee representatives will toss bubblegum to the stadium crowd, and those receiving a number in the wrapper may enter in the drawing. "You must bring your number to the Harvest Festival and enter it in the drawing," says Mrs. Dunlap, chairman. "Only one entry per person is allowed, and you must be 18 or older to win."

Homecoming Parade

The Homecoming Parade will be held on Friday, Sept. 23, in conjunction with the Harvest Festival. Parade floats may have a Homecoming or Harvest Festival theme. Any community organization, club, group or individual who wishes to participate in the parade should contact Miss Molly Helmlinger, Counselor and Student Council Sponsor, at Tahoka High School at 998-4538 (7:30 a.m.-4:00 p.m.).

"I hope that we can have as much involvement as we did last year. We had 28 entries and it was fantastic," said Miss Helmlinger. "However, I need to know what the entries are by Wednesday, Sept. 21. I will then notify the persons or groups involved on Thursday exactly where their entry will be placed in the parade line," she added.

Elementary students are encouraged to decorate their bicycles and ride them in the parade as a unit. Permission forms for those elementary students participating will be sent home from school on Tuesday, Sept. 20. The forms should be returned to Mrs. Charo in the main office by Thursday, Sept. 22.

The parade will start at approximately 2:45 p.m. and will travel through downtown Tahoka to the square, where a

city-wide pep rally will be conducted.

County Fair

The festival will once again feature the Arts and Crafts Fair from 10 a.m. until 4 p.m. Saturday, Sept. 24. Entries will be accepted from 8 a.m. until 1 p.m. Thursday, Sept. 22, at the former Heritage Furniture building on the west side of the square. Judging will be that afternoon.

All county citizens are invited to participate in the fair. For more information, contact Judy Sanders, 998-5427, or Charlsie Tekell, 998-5336.

Booths

Anyone may reserve a spot for a booth at the Harvest Festival on a first-come, first-serve basis. The committee makes an effort not to duplicate items offered in booths. Booth spaces are 12'x12' and may be rented for \$15 by calling Debbie Vickers, chairman, at 998-5397. Deadline for renting a space is Sept. 20. Food, games, crafts, etc. may be offered at booths.

Entertainment

A country and western band who has played before at the Harvest Festival will once again play for this year's crowd. The Wooden Nickel, a band from Lubbock, will entertain throughout the day and play for the street dance from 8 a.m. until midnight at the courthouse square. Tahoka Rotary Club will sell sausage on a stick during the street dance.

Games

Janet Harvick is the Festival chairman for children's games this year. A Sneaker Contest will offer something new for children, with ribbons presented for Dirtiest, Wildest, Hole-iest, and Smallest sneakers.

Children are encouraged to enter their pets in the Pet Show. Prizes will be offered for Biggest, Smallest, Cutest and Best Dressed pet. A stuffed animal contest will also be held, with prizes for the Biggest, Most Unusual, Most Loved, and Smallest stuffed critter.

For the younger set, Stick Horse races will be held. Youngsters may bring their own stick horse if they have one, or one will be provided at the Festival.

Frog and Turtle Races will be sponsored by the Tahoka 4-H Club. Prizes will be offered for the Speediest, Most Decorated, and much more. There is no age limit in this contest.

All games are for children through age 13, unless otherwise stated, and ribbons will be presented for the first six places. The games will begin at 10 a.m. at the Harvest Festival.

For more information, contact Janet Harvick, chairman, at 998-5380.

PWP SYSTEM 14 PERSONAL WORD PROCESSOR

SMITH CORONA

The Smith Corona PWP System 14 and Smith Corona computer-compatible electronic typewriter become a complete personal word processor that is affordable, versatile and easy to learn. It performs every function you need for everyday writing, editing and printing. You can store your text, recall it, edit it and print it. PWP can also automatically merge a standard letter with a list of names and addresses via its Mailing List/Merge feature. The electronic typewriter can be also used without the word processor, for typing needs without the use of the word processor.

Come In, View The System, Operate It Yourself
... It's On Display In Our Office!

We're Offering The Complete System For Only **\$799**

- Price Includes:
- Electronic Typewriter
 - Monitor and Menu
 - Module and Tutorial Disk
 - Command Keypad

PWP has a built-in working memory of over 64,000 characters (about 32 pages of double spaced text), plus external storage via 3 1/2-inch MicroDisk. Each MicroDisk allows storage of 163,000 characters. Storage memory is really unlimited with the purchase of additional disks.

The familiar features on a Smith Corona electronic typewriter are integrated into the word processing system through a single connecting cable. That includes WordEraser and single character correction, automatic centering and return, and underscoring; and with the Spell-Right Electronic Dictionary, the PWP will even proofread your text! Performance of any function begins with a choice of one of the nine functions shown on the menu.

(The PWP System 14 and Smith Corona Typewriters may be purchased together or separately. The PWP System 14 is compatible with several models of Smith Corona electronic typewriters.)

Letter To Editor

A special thanks to the Tahoka Volunteer Fire Department and their effort in the successful fish fry that was held for the benefit of the Lynn County Ambulance Fund. The fish was great, and the fellowship enjoyed by all was great!

It is good to know that when the need arises, Tahoka Fire Dept. and Lynn County E.M.S. can bond their skills together to better serve the community.
