## Saturday's Harvest Festival To Offer Fun, Food, Prizes

A wide variety of entertainment is expected to lure county residents to the 13th annual Lynn County Harvest Festival Saturday, an event which offers games, contests, and other activities all day long on the Tahoka square.

Drawings will be held on the hour for prizes donated by county merchants, and food, games and crafts booths will draw much interest.

The Harvest Festival Princess contest will be held at 1:30 p.m., followed by the drawings from Princess ticket sales for a Texas Tech weekend and two bicycles. For the bicycle giveaways, the winner must be present at the drawing.

The Kiss-A-Pig Contest, sponsored by the Lynn County 4-H clubs, will draw attention to center stage at 2 p.m. when the candidate for the club who raised the least amount of funds for the American Cancer Society will "kiss the pig." Three county 4-H clubs participated in the competi-

tion, and their candidates are: Tahoka 4-H, Mayor Jim Solomon; Wilson 4-H, Principal Randy Moczygemba; and O'Donnell 4-H, mayor David Smith.

The Harvest Festival Queen contest will begin at 2:15 p.m. The drawing for a Puerto Vallarta trip from Queen ticket sales will be held following the contest.

Barry Pittman, City Manager of Tahoka, will make a presentation at 1 p.m. concerning the new Nevills Cemetery at Tahoka.

Merchant drawings will begin at 11 a.m. and will be conducted hourly from the stage in the center of the courthouse lawn. The arts and crafts fair will be open from 10 a.m. until 4 p.m. in the old Anthony's building on the west side of the square. Sometime during the afternoon, the Harvest Festival Committee will have a drawing from the Friday night bubblegum toss, with \$50 cash going to the winner, who must be present and at least 18 years old.

The Wooden Nickel Band will entertain with country and western music during the day, and will play for the street dance from 8 p.m. until midnight. The dance is sponsored by Tahoka Rotary Club, who will open their sausage booth during that time.

Other scheduled activities will include children's games, beginning at 10 a.m. Kids may participate in a Sneaker Contest, Pet Show, Stuffed Animal Contest, Stick Horse Races, and Frog and Turtle Races. Participation and winner ribbons will be presented. School art will be on display at the Fair.

A list of booths and schedule of activities can be found

elsewhere in this paper.

Several merchants plan to offer special savings with weekend specials or sidewalk sales during the festival. They are Jennings of Tahoka, Tahoka Daisy, Genny's, Parker Pharmacy, The Cake Palace, Glenda's Sweet Shop, Apple Dumplin' Drive-In, and Imagination Unlimited (in front of Murray's Flowers).

Judges for the Harvest Festival Queen contest, sponsored by Tahoka Chamberettes, will be representatives of the Robert Spence Modeling School in Lubbock. The winner will receive a \$100 scholarship from Chamberettes. Queen contestants are Candace Bailey, Kathy Davis, Chelle Thomas, Stephanie Isbell, Jay Jay Wiseman, Christy Huffaker, Misti Lobban, Angie Alvarez, Connie Parker, Rochelle Reid, Kim Ingle, Jodi Williams, Wendy Harvick and Bridget Miller, all Tahoka High School students.

The Harvest Festival Princess will be determined by the number of tickets sold by princess contestants. The candidates are all Tahoka Elementary girls, in grades K-6th. Candidates are Freedom Strickland, Michelle Quisenberry, Marisa Martin, Jamie Riojas, Sarah Curry, Mandy Bertreaux, Jennifer Dotson, Sheila Martin, Victoria DeLeon, Martha Resendez and Lindsey Summit.

County Commissioners noted that this year the Courthouse will be open with restroom facilities available to the Harvest Festival crowd on Saturday.

## Half-Day Kindergarten Option Has Local Parents Concerned

By JUANELL JONES

Parents of Tahoka Kindergarten students met with Superintendent Dr. Duane Carter Tuesday evening at the school cafeteria to hear options and express opinions on over-crowding in Kindergarten rooms here.

Sixty-four students attended Tahoka Kindergarten classes on the first day of school this year, just two under the limit of 22 children per teacher in the three K-classes here. By Sept. 18, that number had increased to 71, necessitating two classes of 23 students, and one class of 24. Dr. Carter said that according to Texas state law, that's too many students in all three classes. HB-72 mandates no more than 22 students per teacher in grades K-4th in Texas.

Tahoka school officials have asked the state commissioner for a waiver allowing the semester to continue as it is now, but a change will have to be made by the spring school semester, according to Dr. Carter. School administrators are now considering

one of two options: (1) restructuring classes for half-day sessions, or (2) hiring another Kindergarten teacher for four full-day classes.

Half-day K-sessions would allow about 12 students per teacher in each session, with one group attending in the mornings, from 8-11 a.m., and going to lunch from 11 to 11:30 a.m. Afternoon session students would begin with lunch from 11:30 to 12, and then attend classes from 12-3 p.m. The lunch session would not be mandatory for K-students. Any students who ride the school bus would be required to attend the morning sessions, and a special bus session at 11:30 would take children home. Students would remain with the same teacher they now have.

With the other option, a new teacher would be sought to teach a fourth full-day K-session. About six students from each of the three present classes would be pulled from those classes and enrolled in the new class, according to Dr. Carter. School officials, he said, would ask

teachers which children would be best suited to adapt to this change, if it became necessary to add a new class.

"I will not recommend any type of program that I don't think is best for the kids," stressed Dr. Carter to a sizeable group of concerned parents. "We will work with the students and parents to try to make this change, whatever it may be, as smooth as possible for everyone," he added.

Working parents present at the meeting expressed concern with the half-day school session because of the interruption of their work schedules required to take and pick up children at school, and some expressed concern that some of the social interaction necessary for K-students would be cut out with the reduced schedule. Others asked whether special consideration would be given to those students diagnosed with learning disabilities, and Dr. Carter assured parents the school would work with parents to see that children requiring speech therapy or special education services would receive the added instruction.

Kindergarten teachers present at the meeting seemed to be in favor of either option, noting that "something needed to be done about the overcrowded classrooms."

Dr. Carter said he would present options to the school board and a decision would be made by the next regular session, which is

set for Oct. 13 at 7:30 p.m. Once an option is chosen, board members and school officials will decide whether to implement the change as soon as possible in the school system, or wait until the next semester begins in January.

Several parents at the Tuesday night meeting expressed strong views about instigating the change as soon as possible. One mother said, "Once you decide what to do, do it now," and received a round of applause from the group.

Regardless of the decision made for this school year, Dr. Carter said he would recommend to the school board that Tahoka ISD instigate half-day K-sessions for the 1989-90 school term. Elementary Principal Gaylon Gassiot told the group that more than half of Texas school systems used the shorter K-sessions, and "studies show this is a better program for youngsters."

The structure and direction of the K-program in Tahoka has been under discussion, said Dr. Carter, adding, "We may have too strong of an academic structure for Kindergarteners. These children need to concentrate on social skills, communication skills, learning to listen ... we may need a stronger focus on these skills than reading and writing."

Also, "a full day of classes makes for a long day for 5-year-olds," the superintendent said.

## Tahoka Loses Dogfight, 14-6

A strong defensive effort held Class AAA Coahoma to 159 total yards, but Tahoka's dogs were unable to pull off a last minute victory losing 14-6 at home last Friday night. With the loss, Tahoka drops to a one win, one tie and one loss record on the year.

With no scoring in the first quarter, Coahoma got a safety with 2:54 left after a bad snap sailed over punter Mike Ramirez' head and the ball went out of

Tahoka's end zone. Coahoma took a 2-0 lead and the score stood 2-0 at halftime.

Coahoma increased their lead with 2:18 remaining in the third period on a 17-yard pass play from quarterback Ronnie Ruiz to David Molina. The PAT no made it 8-0 Coahoma.

Coahoma made it 14-0 with 11:10 remaining in the fourth quarter from the same combination of Molina and Ruiz on a seven yard pass play for TD. Tahoka got on the board with 7:10 remaining in the game on a one-yard run for TD by quarterback Ramiro Rodriguez. The PAT no good made it 14-6, Coahoma.

Offensively for Tahoka, Rodriguez had 10 rushes for 55 yards and one TD and was 6-16 passing for 58 yards. Charles Jurden had 12 carries for 42 yards and also had three receptions for 42 yards. Cory McCleskey ran the ball four times for 38 yards and Shannon Clift had three rushes for 23 yards.

Tahoka's Homecoming will be Friday night at 7:30 p.m. as Ralls comes to town.

## OUT OF THE WOODS

By Juanell (Wood) Jones

CAN YOU BELIEVE what the fashion experts are telling us is "in" this fall? Remember those awful plaid pantsuits we wore (some of us did) 15 years ago? Well, the plaids are back. Of course, it's not in double knit, which is something to be thankful for, but the eye-catching pattern is in full force this season. One may find, if one looks in any clothing store, plaid jackets, skirts, shirts, pants, scarves, belts, sunglasses, socks and even sneakers.

Okay, plaid is useful to some extent. It's loud and catches the eye, and should be worn when pedaling your bicycle so motorists won't run into you. Never, ever wear a plaid swimsuit, unless of course you real-

ly want everyone's undivided attention.

Plaid jackets are okay if one is at least 5'9" with a willowy silhouette (that means a 23-inch waist, small hips, and legs at least twice as long as mine — in other words, a "blessed female"). Most of us normal females don't meet even one of those requirements. And plaid pants? Help, please! Most of these are boxy looking cuff-tipped trousers that, honestly now, don't even look good on the "blessed female."

If I have to choose something in a plaid, let me have a nice flowing skirt in reasonably subdued colors, preferably covered by a hip-length solid color jacket. Now

ladies, you think I jest? Put on your plaid skirt and look in the mirror. At the backside. You can't miss it. Even size 6 hips loom larger than life-size. And they keep "looming" when you

walk away, until eventually all someone sees as you leave their sight is this big, plaid blob undulating down the sidewalk.

So, I hereby protest to the fashion industry: You can't do this plaid-thing to us short and stout persons. It's cruel and inhumane. It's prejudiced. Who can I sue for this? And while I'm at it, which skinny fool can I sue for reviving the mini-skirt fashion? This means war... and it ain't over til the fat lady sings.

## Silver Wedding Anniversary Reception

Mr. and Mrs. Gayland C. James of New Home will be honored with a reception commemorating their Silver Anniversary on Sept. 25, 1988 in the Fellowship Hall of the New Home Baptist Church during the hours of 2:00 p.m. - 5:00 p.m. Sons of the couple, Coby and Kyle James, will host the occasion. Coby is a student at New Home High School and Kyle is attending Texas Tech.

The many friends and relatives of the couple are cordially invited to attend this special occasion. The former Marilyn Kay Bratcher of Lubbock and James were married in Lubbock on Sept. 27, 1963.

## "Lock 'Em Up" Booth Offered

Have you ever wanted to "lock up" your boss? Your wife or husband? Your coach?

Well, now you can have that chance at Saturday's Lynn County Harvest Festival at the Chamberette "Lock-In" Jail. You pay us any amount, tell us who you want to send to jail, and we'll lock 'em up for 15 minutes or until somebody matches your price to set them free.

Have some fun with your friends, pitch in together for a sizable fee to lock up your favorite teacher or coach. We'll make sure they "stay put" for at least 15 minutes, unless they want out badly enough to match your

fee, or somebody else pays us to release them.

### GO BULLDOGS

## PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED

## CONSTITUTIONAL AMENDMENTS

GENERAL ELECTION

NOVEMBER 8, 1988

### PROPOSITION NO. 1 ON THE BALLOT

Senate Joint Resolution 8 proposes a constitutional amendment providing that when the federal government reimburses the state for expenditures of state funds dedicated to acquiring rights-of-way and for constructing, maintaining, and policing public roadways, such federal funds must also be used for those purposes.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment and/or clarification providing that federal reimbursement of state highway dedicated funds are themselves dedicated for the purpose of acquiring rights-of-way and constructing, maintaining, and policing public roadways."

### PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 2 proposes a constitutional amendment to establish an economic stabilization fund in the state treasury. The fund would consist of one half of the unencumbered balance of general revenues at the end of a biennium and three fourths of the difference between the net oil and gas production taxes received in a fiscal year and the net oil and gas production taxes received in the 1987 fiscal year. During any fiscal biennium, the amount in the economic stabilization fund could not exceed 10% of the total deposited in general revenue in the preceding biennium. The state comptroller and the state treasurer could decide to trans-

fer monies from the fund into the general revenue fund to alleviate a temporary cash shortage in general revenue. The legislature could make appropriations from the fund on approval by a three fifths vote of each house to make up the difference between anticipated general revenue and appropriations. On approval of two thirds of the members of each house of the legislature, the legislature could appropriate monies from the fund for any purpose.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment establishing an economic stabilization fund in the state treasury to be used to offset unforeseen shortfalls in revenue."

### PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 5 proposes a constitutional amendment that establishes the Texas growth fund. All investments of the Texas growth fund must be directly related to furthering economic growth and employment opportunities in Texas. At least 50 percent of the fund must be invested in equity and/or debt security for the initial construction, expansion, or modernization of business or industrial facilities in Texas. Not more than ten percent of the fund may be invested in venture capital investments. Of the funds available for venture capital investments, not more than 25 percent may be invested unilaterally, and the remaining investments must be matched at least equally by funds from other sources. The Texas

growth fund will be managed by a board of trustees consisting of four members appointed by the Governor and one member from and elected by the membership of each of the following: The Board of Regents of the University of Texas System; The Board of Regents of the Texas A&M System; The Board of Trustees of the Teacher's Retirement System of Texas; The Board of Trustees of the Employee's Retirement System of Texas; and the State Board of Education. The trustees may set the investment policy of the fund, enter into investment contracts, and take any action necessary for the creation, administration, and protection of the fund. The amendment authorizes the Board of Regents of the University of Texas System and the State Board of Education, in managing the permanent university fund and the permanent school fund, to acquire, exchange, sell, supervise, manage, or retain any kind of investment, including investments in the Texas growth fund. The fund will be phased out after the tenth anniversary of its creation, but the Legislature may create a second growth fund by a two thirds vote of each house.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to provide for the investment of the permanent university fund, the permanent school fund, and public employee retirement systems in the Texas growth fund created by the amendment, which will directly create, retain, and expand job opportunity and economic growth in Texas."

WHAT IS THE COLOR OF YOUR LUNGS?

It may surprise you to learn that a child has pink lungs an adult gray or black lungs and the city dweller exposed to industrial smoke or fog has darker lungs than those who live in the country. The average person breathes about 18 times a minute, which totals about 25,000 times each day.

Therefore, it is most important to take good care of your lungs. Have you had your physician check your lungs lately? It is a wise precaution to avoid future trouble.

## New Office Administration Curriculum Offered At THS

Starting with the 1988-89 school year, Tahoka High School has updated its office education curriculum to meet the new state requirements. Office Administration, the new academic course for junior and senior students, replaced Vocational Office Education. Through the use of a stimulated office environment created by instructor Barbara Jaquess, this new course offers advanced concepts and skills which are necessary for a general office position. Special emphasis is placed on keyboarding, record management, communications, operation of office machines and the electronic production of business documents. The main objectives of the Office Administration curriculum is to prepare students for successful office employment.

Along with the state-mandated curriculum changes came an entirely new image for the co-curricular club. Business Professional of America, replacing Office Education Association, provides opportunities for recognition of individual members and chapters for their involve-

ment in a variety of programs. Members learn how to work effectively with others, to serve their community and school, to compete in regional and state contests and to develop a respect for business and office occupations through participation in a variety of professional activities.

The Office Administration I students are Angie Alvarez, Michelle Bertreaux, Jennifer Bingham, Angela Draper, Carolyn House, LaShunda Hughes, Alice Longoria, Jacque Mitchell, Mary Mulanax, Annabell Perez and Cecilia Ruiz. These students are in class for 2 consecutive hours each day in order to develop their business skills and abilities.

The Office Administration II students are Leasa Chandler, Dena Engle, Elizabeth Hernandez, Esmeralda Longoria, Autumn Martin, Becky Mendoza, Rochelle Reid, Shannon Roberts, Chelle Thomas and LaDonna Tillman. This 1-hour class stresses word processing, data base, spread sheets and desk-top publishing along with legal and medical units of study.

All required classroom will be completed with the use of computers, memory typewriters and calculators.

Mrs. Barbara Jaquess, instructor with the Tahoka I.S.D. for 17 years, state, "The new changes are exciting as well as challenging for an instructor! With the specialized curriculum and our excellent classroom equipment, my primary goal is to train these students for a successful and productive future following their graduation. I would like for the graduates of Tahoka's Office Administration classes to be among the best trained in the state."

### Business Professionals Of America Elect Officers For 1988-89

The Business Professionals of America recently elected officers for the 1988-89 school year. Miss Rochelle Reid will serve as president for both Office Administration I and II students.

Other officers for the Office Administration II class are: Esmeralda Longoria- Vice President; Becky Mendoza- Secretary; Autumn Martin- Treasurer; Shannon Roberts- Historian; and LaDonna Tillman- Parliamentarian.

The additional officers elected for the Office Administration I class are: Michelle Bertreaux- Vice President; LaShunda Hughes- Secretary; Angie Alvarez- Treasurer; Mary Mulanax- Historian; and Jackie Mitchell- Parliamentarian.

Under the guidance of Mrs. Barbara Jaquess, sponsor, Miss Reid will lead the other officers and members in an exciting year of activities planned to benefit the community and school as well as to develop professional activities for the group.

### Gilbert Brings More Than Rain And Water

Whenever a natural disaster strikes it brings out the best and the worst in man. There are thousands of people representing hundreds of organizations that are heading for the Texas coast to assist potential disaster victims. Then there are those racing south to hunt for victims in a less-humane sense. Better Business Bureaus along the coast are already reporting that hordes of itinerant building contractors and others are moving in to take advantage of the situation. The most unique scam to surface due to hurricane Gilbert is the "wind insurance" scam. Individuals representing themselves as being with legitimate casualty insurance companies are selling "wind" policies to the terrified residents. Of course, no legitimate insurance company could sell storm insurance after a storm has formed. These schemers simply take the money and disappear.

### Letter To The Editor

H.B. Howell  
409A East 57th Street

On Sunday, Sept. 11, 1988, I had a birthday party in the Community Room of the First National Bank in Tahoka.

It was really good to get to revisit with many friends.

At the age of 102 and having lived most of my life in Tahoka, it is really nice to be able to visit so many old friends.

I hope to see more of my friends soon that were unable to come to the party.

Yours Truly,  
H.B. Howell

### HYSTERECTOMY RISK

Each year over 300,000 women undergo surgical menopause, usually at an earlier age than natural. Surgical removal of a woman's ovaries prior to menopause abruptly cuts off her major source of estrogen, which is essential for adequate calcium absorption to maintain strong bones. Women who do not begin estrogen replacement therapy promptly are at very high risk for osteoporosis (weakened bones).

### Lynn County Harvest Festival Fair Rules

The Harvest Festival County Fair will be held Saturday, Sept. 24 from 10 a.m. to 4 p.m. Each division will be judged and a first, second and third place ribbon will be awarded. There is a single entry fee of 50-cents which allows each participant to enter as many times as he/she chooses. Entry blanks should be attached to each entry, and these will be placed in various businesses in town and in this newspaper. Divisions included in this year's Fair are:

**TEXTILE:** Includes needlepoint, crewel, bedspreads, wall hangings, children's clothing, women's clothing, men's clothing, embroidery, quilts.

**CROCHET, KNITTING, TATTING, WEAVING:** Entries may display afghans, baby items, hand weaving, knitted articles of all types and tatting.

**CULINARY:** This will include bread, cakes, decorated cakes, cookies, candies, canned fruit and vegetables, pickles, preserves, jellies. All canned products, including pickles and relishes must be exhibited in standard pint or quart glass jars. No mayonnaise or coffee jars accepted. All jars must be labeled as to contents. Rings must be left off jars and they must be sealed. These products will not be opened for judging. Paraffin will be accepted on jelly only.

**CRAFTS AND HOBBIES:** Holiday items, metal craft, woodcarving, ceramics, decoupage, dolls, macrame, leather craft, and misc.

**CHINA PAINTING:** Includes all hand painted china items.

**ART:** These items will include landscape, still life, pen and ink, tole painting and Norwegian rose making.

**ANTIQUES AND RELICS:** Cut glass, china, porcelain, ironstone, stoneware and crockery jars, depression glass, metals, jewelry, toys, and misc. items may be entered. There will be a special section for antique quilts.

**CREATIVE ART:** This will be shown by school students and will have been completed in the classroom (except Junior and Senior High students). All art entered should have a Harvest Festival or Homecoming Theme.

**PRODUCE:** This includes all produce items and also tallest cotton stalk and cotton stalk with most bolls. Sunflower and grain growers are also encouraged to show samples of their crop.

**PLANTS & FLOWER ARRANGEMENTS**

Plan now to enter something in the County Fair. For more information, contact Judy Sanders at 998-5427, or Charlie Tekell at 998-5336.

The Fair will be held at the former Heritage Furniture building on Ave. J (just south of Lynn County Extension Office), on west side of square in downtown Tahoka. Entries are due from 8 a.m. until 1 p.m. Thursday, Sept. 22. Judging will be that afternoon.

### Homeowners Should Begin Preparations Now To Control Winter Weed Crop

If you are among the numerous people who had a nice crop of winter weeds in your lawn last year, now is the time to begin preparations for control of these unwanted weeds.

Unwanted grasses are the most common winter weed problem occurring in area bermudagrass lawns, according to Dr. John Abernathy, weed and herbicide scientist and resident director of research at the Texas Agricultural Experiment Station in Lubbock.

Several pre-emergence herbicides are available to help control the weed problems. Abernathy says herbicides such as Surflan, Balan and Dacthal should be applied during the late fall or early spring before the weed seed can germinate. He reminds homeowners that these herbicides should be uniformly applied to the lawn and thoroughly watered into the sod.

"Surflan provides the best winter weeds control when it is applied to a healthy, well-covered bermudagrass lawn. This herbicide should last through the following summer," he says. If the bermudagrass has blank areas without grass runner cover, Abernathy says Surflan may inhibit runner growth.

Roundup is another herbicide which may be used to control winter weeds. Roundup should be applied postemergence to the weeds in late winter or early spring before the bermudagrass begins to turn green. If the bermudagrass has any green runners, Roundup can cause injury to them.

Other pre-emergence chemicals such as Atrazine and Simazine are labeled for use on bermudagrass in East and Central Texas. However, Abernathy advises against their use on the Texas High Plains. "Because of sandy soils with low organic matter and high pH values in this area, atrazine and simazine can cause serious injury to bermudagrass lawns," he notes.

Abernathy also reminds homeowners to exercise caution when using fertilizers that contain weed control materials. "It is very important to make accurate applications of the granular material since overlapping application area and high fertilizer application rates will result in severe injury to the bermudagrass," he explains.

### New Home News By FLORENCE DAVIES (806) 924-7479

Mrs. Harvin Smith of Lubbock and her daughter of Memphis, Tenn., visited with Flora Dell and Cleburn Nowlin last week.

Margaret Edwards and Bessie Strait were in Sweetwater Friday until Sunday with Sylvia and Frank McDonald. Shelley McDonald of Dallas was also there.

Varied amounts of rain have been reported. It rained about one inch here in town.

Jean Ray remains in serious condition in Lubbock General Hospital in Lubbock.

Mrs. Don Cowan of San Benito and her daughters, Carolyn Botkin of Tahoka and Deanna Burton of Virginia and their girls, Emily, Callie and Carlie arrived in Tahoka Thursday. Don stayed, as he was scheduled to referee a football game Friday night, and planned to come by plane Saturday but the hurricane, high winds and heavy rains caused by Hurricane Gilbert cancelled the football game and also all flights out. He plans to be here early in the week. Don reports the only damage done to their property in San Benito was broken limbs. A lot of damage was seen around town. Mary Ann and the girls were out with us Saturday. Also here were the Waltons of Snyder, Dan and Jane Cowan of Hillsboro, Sue Oliver of Odessa, the Freeman from Crosbyton, and Arthur Nelson of Odessa. Maria and Ann were in Lubbock Sunday for a wholesale flower design seminar.

One hundred and two people attended the A.A.L. Branch 2383 Annual Barbecue held Sept. 11 in Luther Foerster's barn for Carl Bontke, a member of St. Paul Lutheran Church in Plainview. Carl's house with all of its possessions was completely destroyed by fire. Carl then suffered a heart attack which was followed by triple by-pass surgery. He is now home, but recovery is slow. His children and members of the community are helping to work his farm.

### Tuesday Bridge

Winners of Duplicate Bridge on Tuesday, Sept. 13 were:

First, Al Postar and Beverly Winkler; Second, Gertie Lowe and Boots Walker.

Also winning were Fern Leslie and Catherine Barham, Betty Taylor and James McAllister, Roy LeMond and Bitsie Wells.

Hot vinegar can be used to remove decals and freshly dried paint from windows and cupboards.

### Phebe K. Warner Club News

The Phebe K. Warner Study Club met in the home of Mildred Abbe, with Lucille Smith serving as co-hostess, on Sept. 13, 1988. Twenty members and one guest were present. President Thalia Burks presided.

The guest of honor, Dora Alderson, President of Caprock District of Texas Federation of Women's Clubs presented the program.

Plans were made for the upcoming Harvest Festival. The club made a sizable contribution to the Kiss-A-Pig contest in support of the Mayor of Tahoka.

The club also voted to make a contribution to the Girltown Education Fund and to take an ad in the Tahoka High School Yearbook. Also approved by the club was a motion to co-host the October 1989 meeting of the Caprock District Board meeting in Post.

All ladies of the community are invited to come and go to a baby shower on Sunday, Sept. 25, from 2 to 4 p.m., in honor of Nathaniel Shane Lowrie, infant son of Annie and Shane Lowrie. The shower will be at the home of Mrs. David Williams.

Plans for the Homecoming Football game on Friday, Sept. 29 are underway. Activities begin Thursday, Sept. 29 with the Homecoming parade at 6:30. Participants need to line up at 6 p.m. at the baseball field. The parade will end at Mustang Stadium for a pep rally and bonfire. Any group wanting to enter the parade needs to call the high school by Friday, Sept. 23. Awards will be given for best entries. The Homecoming coronation will begin at 7 p.m. preceding the game.

The PTO officers met Monday, Sept. 12 to discuss plans for the year. Several suggestions for fund raisers were made and discussed. PTO plans to offer Mustang pencils for sale each Fri-

day in October. Memberships are available for \$1.00 per adult.

4-H held its first meeting on Tuesday, Sept. 13 in the cafeteria. Jamie Mankins, president, called the meeting to order. There were 31 members and 4 adults present. Jason Marshall led the pledge and Jamie Mankins led the motto. Mrs. Donna Snodgrass gave a program concerning MADD. Refreshments were served by Eva, Jason and Brandi Gicklhorn.

School Scout night was held Tuesday, Sept. 13 at the cafeteria. Representatives from each Scout group were on hand to answer questions and sign up Scout members. The Girl Scouts signed up 31 members, the Cub Scouts about 20 and the Boys Scouts had 4.

The Webelos and Boy Scouts had their first meeting on Thursday, Sept. 15. The Boy Scouts led the opening ceremony and some songs. After the opening, the groups divided to work on their badges. The Webelos learned the proper way to operate a CB and talked with some local people. David Savell explained the proper way to talk on a CB and some of

the signals used. Jeremy Raley and Jason Marshall provided refreshments.

**O'Donnell Stops Ralls 14-8**

By MICHAEL P. MANN  
Avalanche-Journal

In the waning seconds of the first half, O'Donnell head football coach Odis Summers was content to run out the clock.

Running back Jessie Perez wasn't.

Perez reeled off an 86-yard touchdown run with nine seconds remaining in the first half for what proved to be the difference in the Eagles' 14-8 win against Ralls at Jackrabbit Park Friday.

Summers was as surprised as anyone when Perez cut back against the grain on a sweep and sprinted to the end zone to give the 2-1 Eagles a 14-0 lead.

"We had no intention of breaking the ball," Summers said. "We were trying to run the clock out. We just wanted to get a first down and keep the ball. But anytime that lad touches the ball, that can happen."

Perez, who had the game-winning touchdown in last week's 12-7 win against Lubbock Chris-

tian and a 9-yard TD burst midway through the second quarter against Ralls, had other ideas.

The 14-point halftime edge was enough, as Ralls couldn't crack the end zone until the final 33 seconds of the game.

Perez finished with 139 yards on 14 carries.

Although the Jackrabbits were able to keep O'Donnell and Perez from scoring in the second half, the Ralls offense couldn't quite make up for Perez's second quarter-salvo, despite spending almost the entire fourth period in O'Donnell territory.

Ricky Gloria sacked Ralls quarterback Sven Appleton for an 11-yard loss on a fourth-down play with 3:11 remaining to stop one threat.

On the Jackrabbits' next possession, Appleton hooked up with Junior Castro for a 30-yard touchdown pass with 33 seconds to play. Appleton ran in the two-point conversion, cutting O'Donnell's lead to 14-8.

The Eagles regained possession of the ball when Brian James recovered Marty Martinez's on-side kick at the O'Donnell 39-yard line.

Summers came up with a trick play to spark the Eagles after they had marched to a third-down-and-1 at the Ralls 33-yard line.

Quarterback Richard Ramirez hit David Eaker with a short pass in the left flat. Eaker lateraled to Perez, who was streaking down the left sideline.

Perez was shoved out of bounds by Israel Reyna at the 11-yard line to complete the 22-yard play. After Charles San-

chez gained a pair of yards, Perez reversed around right end for the 9-yard touchdown with 6:02 left in the second period.

Ralls finished the game with eight fumbles, losing four.

**Local Sales Tax Up In September**

State Comptroller Bob Bullock said Monday that monthly payments to cities and counties that collect local sales tax were up again in September.

Bullock's office sent checks totaling \$67.8 million to 895 cities that collect local sales tax at either one or one and one-half percent.

Payments-to-date in O'Donnell was \$9,669.95 compare to last year \$7,633.30; Tahoka is \$48,912.31, last year it was \$42,961.42; In Wilson it was \$3,719.05, while last year it was \$3,570.26.

September's checks represent taxes collected by monthly filers in July and reported to the Comptroller's Office by Aug. 22.

Thank you for every expression of love and concern while I was in the hospital and since I've been home. We couldn't make it without friends. May God bless each of you.

Jessie and Charles McAuley and Family  
38-1tc

Our heartfelt thanks for the kindness shown to us in the loss of our loved one. We appreciated the beautiful flowers, memorials, cards and food so very much. A special thanks to the Tahoka Care Center and the Lynn County Hospital staff for the care and the concern shown. The lovely music, scriptures and words of encouragement at the funeral service were a source of comfort. We are deeply grateful for a loving and compassionate community.

### Home Economics Agent Annis Brown

Lynn County Extension Office

When a plain, untrimm, cotton blouse or a polyester garments are labeled "dry-clean only," it seems to defy common sense. Most consumers are well-aware that these are washable items.

But there is a reason for this direction. Federal Trade Commission laws require that manufacturers provide care labels after testing which are procedures safe for the garment. But they only need to give one method, even if others are safe.

As a result, many manufacturers choose the safest method, which is usually drycleaning, to put on the clothing label. This protects them against complaints and legal claims.

So what's the consumer to do? To avoid large drycleaning bills, you have to use your judgment. If the item is expensive, take it to your drycleaner and ask for advice. The cleaner may want to try wetcleaning, depending on the garment and the type of soil

and stains, or you may need to protect your investment by having it drycleaned each time.

If it's an everyday cotton, synthetic or blended garment, you may want to wash it using standard procedures for those fabrics. Or you could have it drycleaned when it's new and then switch to washing the garment as it gets older and you're less concerned about possible damage.
