Eagles Win, Head For Regional Battles

The O'Donnell Eagles boys basketball team used a first-quarter margin of 14-9 to beat Fort Hancock in an area playoff game at Crane Tuesday night, and advanced to the 8-team regional tournament at South Plains College in Levelland this weekend.

Now 22-8 for the year, the Eagles were led by 30 points by Ronnie Rios as they moved into the Class A regional tournament, winner of which will go to the state tournament. O'Donnell won Tuesday night's game 62-59.

The Eagles will play Lorenzo at 3 p.m. Friday in first-round play at Texan Dome. Lorenzo beat Sudan 74-70 Tuesday.

CHIEF WISE OWL has come through with flying colors, mostly brown.

The chief sent me an Indian blanket, which he says he has personally blessed, as part of his responsibility as medicine man for the Drowning Creek Reservation in North Carolina.

Some of you may recall that the chief was mentioned in this column a few weeks ago, when he offered to trade a personally blessed blanket for advertising, in which he is seeking other customers who will send him \$39 for their own personally blessed blankets.

The ad, which appears somewhere in this edition, says the blanket is a \$150 value, which I sort of doubt, but I would leave it up to whoever buys one to decide if it is worth \$39. Chief Wise Owl does say that the money also is sort of a donation, because it goes to help the needy members of the tribe.

His advertising does not say that the blanket is made by Indians, only that it is designed by Indians. It is not handmade; it is a printed design on a manufactured blanket. However, it is pretty, and if having it around brings the owner riches, power and warm feet in front of the TV set, it could be of great value.

The day I received mine, I also got a sore throat and a water bill for \$175 (on a house at Lake Brownwood where the water pipes burst and ran 58,000 gallons of water down the street and into the basin, raising the level of the lake at that end considerably). However, perhaps I have not given the blanket a true test, since I have not yet unfolded it all the way or used it. Maybe when I put it on, good things will happen.

Maybe I can put it over my head, to keepum wigwam.

WE NOW ARE in March, which is supposed to come in like a lion and all that stuff, and which usually is pretty windy in these parts, but probably no more so than April. March also is a month for St. Patrick's Day, the first day of Spring, and this year is also has Palm Sunday, Good Friday and Easter Sunday.

March also has its ides, right in the middle, and one of Shakespeare's characters warned that we (or somebody) should "beware the ides of March." It has been many years since I read any Shakespeare, but it vaguely seems like that line was from Julius Caesar, perhaps by Julius himself. So I don't really remember who was telling whom to beware of the ides, which was March 15 on the ancient Roman calendar. I do recall that the quote was mentioned frequently back when income taxes were due on March 15 every year.

Anyway, if I see any ides, I will be careful. Hide from the ides.

STOLEN AND WRECKED - This 1984 Chevrolet van overturned and came to rest right side up just north of Tahoka Tuesday morning. The driver was treated and then released from the hospital and jailed, as the van was reported stolen in Midland earlier that day. (LYNN COUNTY NEWS PHOTO)

Cable System Changes Hands; New Channels To Be Added

Subscribers to Signet Cablevision in Tahoka got the good and bad news this week as they received a letter from Tele-Media Company, a part of a large group of associated systems operating in 18 states, advising that this company now has acquired the franchise for cable television in Tahoka.

The good news was that the basic cable will include five additional channels, starting in April. The bad news was that the basic cable rate

would be increased from \$12 per month to \$15.95. However, premium channels HBO, The Movie Channel and The Disney Channel will have no monthly rate increase at this time, according to the letter from Tele-Media. Also, the company for a short time is offering a free connection when adding any service to a subscriber's present level of service.

All of the current cable channels will continue as before, on the same channels they now are available. In addition, Channel 11, now vacant, will be QVC, a home shopping channel. The other four channels being added will be at the top end, cable channels 23-26. Channel 23 will be the Discovery Channel, an educational channel. Channel 24 will be Nickelodeon, a variety channel. Channel 25 will be the USA network, a sports and variety channel, and Channel 26 will be TNT, the Turner Network Television.

The O'Donnell system will get four channels it has not had, company officials said, including QVC, the Nashville network, USA and TNT. Wilson will get WGN, which it has not had, with no increase in the rates.

Leopards Win Two, Head For Regional

By BRAD WALKER

Texas Tech Journalism Student
The New Home Leopards pulled away from Whitharral with a tremendous 30-point second quarter effort Tuesday night, winning the area playoff game at Meadow 76-46 and advancing to the Class A regional tournament at Levelland this weekend.

The Leopards, now 28-2 for the season, will play Klondike in the first round at Texan Dome, South Plains College, at 8:30 p.m. Friday. Klondike, 20-12 for the season, beat Anthony 65-46 in Carlsbad, NM, Tuesday night.

Against Whitharral, Gaylon Paul scored 25 points, Darrell Paul had 17 and Coby James 14 points. New Home led 13-8 after the first period, but scored 30 points in the second to take a 43-20 halftime lead and were never in serious trouble after that. Senior Carey Rudd had three 3-point shots.

In New Home's bi-district win last Friday, the Leopards got all the points they needed midway through the second period in destroying Loop 95-38.

New Home simply outmanned the Longhorns, who finished their season at 9-18, but Leopard coach Jeff Faubion said he saw some things he hopes his team will continue throughout the playoffs.

"Our guards came out and shot with a lot of confidence and that's going to be important," Faubion said. New Home jumped out to a 23-0 lead before Heath Allen scored

Two Brownfield Youths Killed As Car Overturns

Two 19-year-old Brownfield residents were killed early Tuesday as the car in which they and one other young man were riding overturned about a mile east of U.S. 87 on FM 211.

The victims were Lewis Leonel Garcia and David Garza. Anthony Robles, 18, also of Brownfield, remained in critical condition Wednesday in Lubbock General Hospital with injuries suffered in the wreck.

Investigating Dept. of Public Safety officers said the three were in an eastbound 1978 Chevrolet which failed to negotiate a curve. The car hit a north ditch and rolled five times, ejecting the occupants.

Lynn County Justice of the Peace John Armes pronounced the two victims dead at the scene at 4:22 a.m.

Services for Garcia will be at 2 p.m. Friday in St. Anthony Catholic Church, Brownfield, with the Rev. John Casey officiating. Burial will be in Brownfield Cemetery under direction of Brownfield Funeral Home.

Garcia was born in Lamesa and moved to Brownfield in 1984. He graduated from Union High School in 1987 and was a student at South Plains College in Levelland. He was a member of St. Anthony Catholic Church.

Survivors include his parents, Leonel and Lucy Garcia of Brownfield; a brother, Roger; three sisters, Cindy, Jessica and Teresa Brasita; paternal grandparents Juan and Maria Garcia, all of Brownfield; and his maternal grandmother, Lola Tovar of Mexico.

Services for Garza were pending.

DPS officers investigated another one-vehicle rollover 1.7 miles north of Tahoka on U.S. 87 at mid-morning Tuesday. Robert Farias, 22, who was listed as an escapee from a halfway house at Odessa was driving a 1984 Chevrolet van owned by Schlumberger oilwell service company and which had been stolen earlier Tuesday in Midland, according to the DPS officers. The van, headed north on

U.S. 87, overturned and crossed the median and skidded upside down across the southbound lanes, then wound up right side up on the west side shoulder.

Farias was treated at Lynn County Hospital for injuries, then released from the hospital and placed in jail, awaiting transfer to the Texas Dept. of Corrections, officers said.

In other police activity during the week, two men were arrested and charged with burglary of a vehicle near Wilson, a vehicle accident and a burglary were reported in the city of Tahoka, and Wilson High School was burglarized.

David Ray Arguello, 21, and Eddie Manuel Machado, 18, both of Slaton, were arrested last Wednesday in Slaton shortly after a number of farm equipment parts were stolen from a pickup owned by A.A. Rinne, when the pickup was parked at the Rinne farm five miles east of Wilson on FM 211. Twenty-one pieces of used farm equipment parts were found in possession of the suspects, according to Lynn County sheriff's office reports, and returned to the owner.

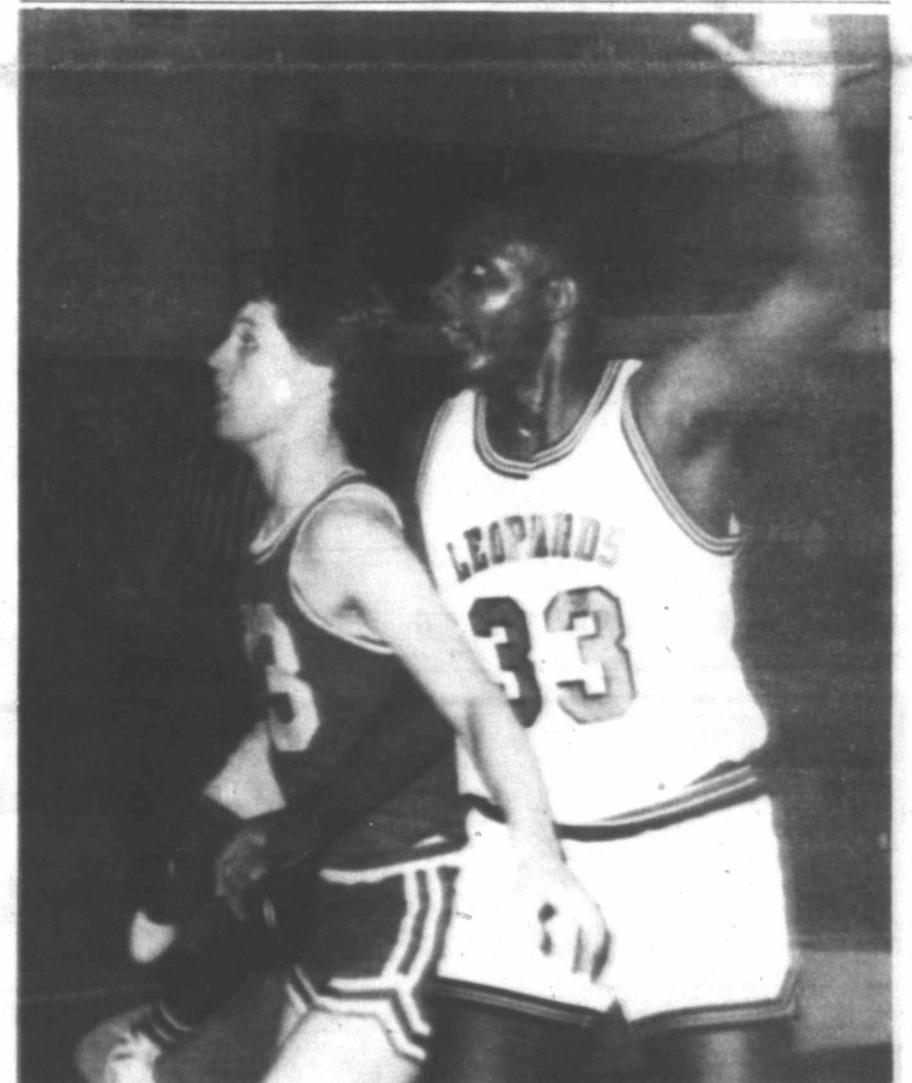

Bond of \$5000 each was set for the two men by Justice of the Peace H.W. Edwards. Arguello posted bond; Machado remained in jail Wednesday.

Wilson High School was reported burglarized about 4 a.m. Monday, and an Emerson TV set and Emerson VCR were stolen from the teachers' lounge. They were valued at \$498.

Paul Garcia of 2208 Ave. P reported to Tahoka police on Monday that his residence had been burglarized between 7:30 a.m. and 5:45 p.m., with items stolen including a Sharp VCR, a Nintendo game and \$70 cash. Total value of the missing items was listed as \$520. Entry reportedly was gained through a south side window.

Tahoka Police Dept. Saturday investigated an accident at Lockwood and Ave. L involving a 1978 Oldsmobile driven by Thurman Solsbery of Lubbock and a 1988 Chevrolet Suburban driven by Harold G. Franklin of Tahoka. Solsbery reportedly suffered minor cuts and bruises, but was not hospitalized. No other injuries were reported.

In jail during the week were the two for burglary of a vehicle, the driver of the van stolen in Midland, and one person each for speeding, application to revoke probation plus driving while license suspended, driving while intoxicated plus no liability insurance, and one person charged with the following offenses: no liability insurance, subsequent offense, speeding and five counts of outstanding traffic warrants.

"GIVE ME THE BALL" - Senior Leopard Gaylon Paul works for position under the basket against Heath Allen of Loop during Friday night's 95-38 New Home win over the Longhorns in Brownfield in class I-A boys playoffs. (LYNN COUNTY NEWS PHOTO)

LEOPARD WALL - The New Home Leopards held Loop to just 38 points in Friday night's boys class I-A win over Loop in Brownfield. The Leopards advanced to the next round of area playoffs against Whitharral. Players from New Home include Henry Caballero (21), Grady Thompson (55), Carey Rudd (44) and Juan Munoz (11). State Treasurer Reports \$60 Million In Lost Funds

State Treasurer Ann W. Richards said Monday that more than 110,000 Texans have \$60 million in lost or forgotten money coming to them this year. The 110,000 are named in the 1989 version of the Texas Treasury Unclaimed Money Fund List which will be published statewide on Sunday, March 5 in 19 newspapers. Several names listed from Lynn County are included, and are listed below.

"Each year we try to locate as many people as we can and return this money to them," Mrs. Richards said. "Last year about \$22 million was given back to rightful owners." All listed accounts, other than those from safe deposit boxes, are worth at least \$50 with the largest account worth more than \$177,000. All safe deposit boxes are listed regardless of the value of the contents. Generally, accounts on the list are from checking and saving accounts, utility deposits, oil royalties, and corporate stocks. Most accounts must be dormant from three to five years before they are turned over the state. "There is no set time to make a claim on these accounts," Treasurer Richards said. "Money turned over to the State Treasury can be claimed at any time in the future by the original owner or his or her heirs."

Persons who find their names on the list can call the Texas State Treasury on its toll-free telephone line at 1-800-654-3463 or they can write the State Treasury at P.O. Box 17728, Austin, Texas 78745. The toll free line opens at noon on March 5. From Lynn County, the following were listed:
 O'Donnell-Gilliam Oil Company, Ben Hill, Harold H. Sides and JR Smith.
 Wilson-Sammy Joe Pridmore, Bert L. Rigby, HB Rinne and Doyle W. Talkmitt.
 Tahoka-R. Benavidez, Jesus Chavarria, Edward T. Cloe, Willie C. Degrate, JW Dwight, Mrs. II Gattis, Cecelia Greathouse, EL Hagood, WC Huffaker Jr., Elbert E. King, Lupe Moya Jr., Martin Rivera, Roland Thompson, DL Van Dyke, Billie F. White and John Thomas Witt.

Work Day Set At T-Bar Golf Course

A workday has been scheduled at T-Bar golf course for Saturday, March 4, beginning at 9 a.m. All members are encouraged to come help "spruce up" the course, and bring chainsaws, ladders and rakes. Young and old, and ladies, too, are invited to help. The golf course will be closed to golfers all day that Saturday.

Look Who's New

John and Lisa Hawthorne are proud to announce the birth of their son, Josh Tanner. He was born Feb. 18, 1989. He weighed 9 lbs. and was 21-1/2 inches long. Josh has an older brother, Tyler. Grandparents are Mr. and Mrs. Martin Hawthorne and Mr. and Mrs. Jimmy Huckabey, all of Tahoka.

The Tahoka Garden Club met Feb. 21 in the home of Esta Mae Kidwell, with Teddie B. Kelly serving as co-hostess. Thirteen members were in attendance. President Clifford Tankersley presided. Each member answered the roll call, with the name of their favorite Annual Plant. The program "Growing Annuals and Perennial" presented by Lahru Tippit. Louise Smith was elected delegate to represent the club at District Spring Convention on March 6 and 7 in the Holiday Inn Civic Center, Lubbock. Alternate delegate, Lahru Tippit. Patterns and fabric were selected for the flower quilt that will be made by members. All club members are reminded to bring their trash or treasure items to the home of Clifford Tankersley, Louise Smith or Lahru Tippit.

Meeting Set March 5 For Families Interested In Youth Exchange Program

An informational meeting for Lubbock residents interested in hosting an international high school student will be held March 5 from 2:30-4 p.m. at the Gardens and Arts Center located at 4215 University Avenue. Nearly 4,000 international students from 26 countries will arrive in the United States in August to live with host families through Youth For Understanding (YTU) International Exchange. YFU carefully matches host families and exchange students through an in-depth research and interview process. Single parents with at least

one child living at home as well as married couples with or without children are eligible to be host parents. Area representatives will be available at the meeting to answer questions concerning the YFU American Overseas program for high school students and the Sports For Understanding program for high school amateur athletes. For questions concerning the YFU information meeting, call Linda Filippone at (806) 792-8497.

Tahokans Listed Among TTU Honor Students

More than 1,000 students at Texas Tech University received degrees in fall 1987 commencement exercises. Degree recipients included: Jana Hammonds, Science Education Degree, daughter of Mr. and Mrs. Edgar Hammonds; Jeffrey Jennings, Master of Business Administration, son of Mr. and Mrs. Phil Jennings; and Pamela Patterson, Bachelor of Business Administration, daughter of Jo Carol, all of Tahoka. More than 2,000 Texas Tech University students qualified for the academic honors lists at the end of the 1988 fall semester. Students making the honor rolls included the following: Terry Lance Kieth, Agricultural Education on President's List (all A's), son of Mr. and Mrs. Freddie Kieth of New Home; Paul Alan Ehlers, Agricultural Economics, Dean's List, son of Mr. and Mrs. Ray Ehlers of Wilson; David Wallace Teaff, Accounting, President's List, son of Sandra Teaff; Debra Anne Webb, Elementary Education, President's List, wife of Steven A. Webb; Mary Catherine Ham Box, Biology, Dean's List, wife of Ray Don Box; Michele Ann Thompson, Education undecided, Dean's List; Jacqui D'Lynn Lockaby, Agricultural Education, Dean's List, daughter of Mr. and Mrs. Dan Lockaby, Bobby Jack Martin, Accounting, Dean's List, husband of Suetie Martin; Joe Dell Patterson, Family Studies, Dean's List, son of Mr. and Mrs. Joe Patterson; and Jody Woodard, Agricultural Economics, Dean's List, son of Mr. and Mrs. Jimmy Woodard, all of Tahoka.

Dried Fruit: Snacker's Delight
 Mother Nature made fruits sweet, juicy, and tempting. Then she improved on a good thing by invented drying. And in the drying process, her fruit just got sweeter and sweeter. She probably dried her first fruit on a tree under hot, tropical sunshine. Today's food processors still use the sun-drying technique, but now they also use forced hot air. Either way, the process of drying fruit reduces the fruit's water content from 80 percent to between 15 and 35 percent. As a result, everything else left behind is concentrated. Mother Nature was good to fruit. She gave it vitamins, minerals and plenty of fiber. She made fruit low in fat and cholesterol free. However, dried fruit may contain as much as 70 percent sugar by weight, or more than many cookies and as much as some candies. As a result, you get a fair number of calories along with your minerals. Some modern processors have also added sulfite preservatives to light colored fruit, such as apples, peaches, pears, apricots, and golden raisins, to keep them from turning brown. Asthmatics and other sulfite-sensitive people should be sure to be dried fruit they are eating is sulfite free. The Food and Drug Administration requires that dried fruit which contains sulfites be clearly marked. Since dried fruits are among the most heavily sulfited foods on the market today, it is important to check. On the whole through, dried fruits are a delicious way to satisfy a sweet tooth and gain some great nutritional bonuses. Just eat them in moderation.

AGRICULTURAL MILESTONES

ABOUT 5 BILLION pounds of sausage-type (franks and bologna) products, with a 30 percent average fat content, are produced annually in the U.S.

Such fat contributes greatly to the total caloric intake, which can lead to obesity, now called the most common form of malnutrition in the Western nations of the world.

Evidence shows that individuals who are 20 percent to 30 percent overweight are three times as likely to die from diabetes as a person of normal weight, while those 40 percent overweight are twice as likely to die from coronary artery disease, as are those of normal weight.

Meat scientists with the Texas Agricultural Experiment Station have succeeded in substituting vegetable protein for nearly 60 percent of the animal fat in quite palatable franks, for example.

If adopted widely by the meat industry, this technology has the potential of removing nearly 150 million pounds of fat from the American diet each year.

TODAY'S BUYER of feed or fertilizer in Texas is confident that the contents in the bag will match the contents listing on the bag. It wasn't always this way. At the turn of the century, claims of the value of both feed and fertilizer offered for sale were frequently at wide variance with their true value.

A part of this was ignorance but much of it was fraud. To protect consumers, the Texas Legislature passed a law in 1899 governing the sale of fertilizers and poisonous insecticides in the State, and made the Professor of Chemistry of the Agricultural and Mechanical College (Agricultural Experiment Station Chemist) responsible for fixing a valuation for both fertilizers and poisons.

In 1905, another law was passed adding concentrated commercial feeds to the consumer goods that must be tested and supervised for quality assurance by Experiment Station staff.

The Experiment Station Director was made responsible for supervision, with the State Chemist, a member of the Experiment Station staff, responsible for testing and enforcement.

Today, the Station Director is still responsible for quality control of feeds and fertilizer, whether it is a box of birdseed or a boxcar load of feed, a package of fertilizer for African violets or a trainload of fertilizer for thousands of acres.

However, the regulation of the sale and use of poisonous insecticides was transferred to the State Department of Agriculture in the 1940s while the State Chemist's laboratories continued to analyze samples of insecticides for the Department for another 30 years.

Tidbits From New Home

By Rhonda Timmons (924-7577) and Georgia Clem (924-7781)

There will be a 4-H meeting on March 7 at 4 p.m. in the homemaking building at New Home. This organization is open to all youth in the third grade (9 years old) up to 19 years old. This will be an organizational meeting for members to sign up and learn more about 4-H. Parents are urged to attend. Refreshments will be served. Susan Zant and Lydia Hernandez will be club managers. Club meetings will be once a month. Next month 4-H members will start public speaking projects. Summer camp will be at Lake Brownwood. Electric camp will be in New Mexico near Cloudcroft and leadership lab will be at South Plains College in Levelland.

Two names were omitted last

week concerning the results of the San Antonio Stock Show. Jason Gandy placed 10th with his Chester and the hamp belonging to Travis Smith and shown by Jason Gandy placed 11th.

On Friday, Feb. 24 the Leopards traveled to Brownfield to play Loop for the Bi-District title. Our boys defeated Loop 95-38 and brought home the trophy. Gaylon Paul was high point with 24 tallies, Henry Caballero scored 15, Coby James scored 13, Darrell Paul had 12 and Carey Rudd scored 11 points.

Recipe of the Week
By CAROLYN ASKEW
Green Bean and Broccoli Salad
1 package of frozen green beans (cooked and drained)
1 package of chopped broccoli (cooked and drained)
1 can of water chestnuts (chopped)
1 can of artichoke hearts
Combine all ingredients and chill several hours. Before serving, add ranch dressing and shredded cheese and toss together.

Final Deficiency Payment Announced For 1988 Crop

The U.S. Department of Agriculture announced this week that eligible upland cotton producers will receive final deficiency payments of \$725 million for the 1988 crop in February.

"Payments will be based on a rate of 19.40 cents per pound. Producers that participated in the 1988 Upland Cotton Program may have received an advance payment of 6.4 cents per pound leaving a balance of 13 cents per pound to be paid in cash. Producers who did not receive an advance will receive the entire payment at this time," according to Terry Harman, Texas State Executive Director of the Agricultural Stabilization and Conservation Service.

The 1988 deficiency payment rate is the difference between the national established target price of 75.9 cents per pound and the higher of the national average market price received by producers of upland cotton during the 1988 calendar year, or the loan rate for Strict Low Middling 1-1/16 inch cotton, micronaire 3.5-4.9, at average U.S. locations.

The 1988 calendar year national average market price is 56.50 cents per pound. Since this is above the loan rate of 51.80 cents per pound, the deficiency payment rate is the difference between the target price and the 1988 calendar year national average market price.

NEW HOME JUNIOR HIGH CHEERLEADERS - For 1988-89 are (center) Rebecca Lisemby, (first row, left to right) Amber Gatzki, Selma Armijo, (top row, left to right) Kauy Turner and Kara Askew. Junie Kreger is their sponsor and Jenni Gast has worked diligently with this group teaching them routines. Cheerleading tryouts for the next school year will be held this spring.

Goodness Gracious It's Good

Quick Bread Loaves—Delicious Anytime

Why is it that quick bread loaves and breakfast go together in many minds? It's really quite the contrary.

Quick bread loaves are delicious when buttered and toasted for breakfast, there's no doubt about that. But try slicing and wrapping bread for a lunch box treat or spread slices with butter or cream cheese for party sandwiches.

Quick bread loaves also make thoughtful gifts.

For best results when preparing quick bread loaves, keep the following points in mind:

- **Pans**—Bake in recommended size loaf pan for a full high loaf with an appetizing split down the middle of the top. If using a glass pan, reduce oven temperature by 25° F.
- **Storing**—Quick bread loaves usually taste and slice better the day after baking. Cool, wrap tightly and store in a cool place overnight. They also freeze well.
- **Slicing**—For even slices, use a bread knife with a serrated edge. Cut with a gentle sawing motion.

Sour Cream Coffee Loaf is a moist, rich loaf delicious for breakfast and perfect for company brunch. Wrap this loaf in paper and dainty ribbons and present to the hostess of your next

ladies' gathering. It will be a most welcome surprise.

- Sour Cream Coffee Loaf**
1/2 cup (1 stick) butter or margarine, softened
1 1/4 cups sugar
3 eggs
1 container (8 ounces) dairy sour cream
1 teaspoon grated lemon peel
2 cups sifted Martha White Self-Rising Flour
1/2 cup chopped pecans
3 tablespoons brown sugar
1 teaspoon cinnamon

Preheat oven to 350° F. Grease and flour a 9x5x3-inch loaf pan. Cream butter and sugar together until light and fluffy. Add eggs one at a time, beating well after each addition. Fold in sour cream and lemon peel. Fold flour into creamed mixture. Do not beat. Spoon half of batter into prepared pan. Combine pecans, brown sugar and cinnamon; sprinkle over batter. Spoon remaining batter over topping. Bake 55 to 60 minutes or until toothpick inserted in center comes out clean. Cool in pan 10 minutes. Remove from pan and cool on wire rack. Makes one loaf.

For more quick bread loaves recipes, write for "Linda's Loaves" at the Martha White Kitchen, P.O. Box 58, Dept. 8B-4, Nashville, TN 37202.

County Farmers Face Drier Soil Moisture Levels

Soil moisture monitoring results released by the High Plains Under-ground Water Conservation District No. 1 indicate Lynn County producers will have to apply from four to eight inches of water to wet the five-foot root zone soil profile to field capacity for the 1989 growing season. Field capacity for most soils within the High Plains Water District is about 7.8 to 9.8 inches of plant-available water in the upper five feet of the root zone profile.

The water district's figures are only for the north part of the county, as the district boundary ends on a line south of New Home and Wilson, but north of Tahoka.

"People may think that the recent rainfall and drizzle have wet the soil and eased the dry conditions. Unfortunately, it has not done enough," said USDA scientist Mike Risinger of Lubbock, "the are has not had any significant rainfall since September 1988, and soil moisture deficits have increased each day since then. At best, the rainfall may have brought us to the soil conditions we had in November when we began the soil

moisture monitoring survey."

A lack of significant rainfall and a relatively late freeze allowing continued fall plant growth combined to produce unusually dry moisture conditions across the 15-county Water District service area, says Risinger.

The western half of Lynn County lying within the High Plains Under-ground Water Conservation District No. 1 service area needs from six to eight inches of water to fill the soil moisture profile to field capacity. The northeast corner of the county is another area needing six to eight inches of soil moisture. There is a Y-shaped area that encompasses U.S. Highway 87, the City of Wilson and FM 212 which will require four to six inches of soil moisture. A small area of either side of U.S. Highway 87 at the Lubbock and Lynn County lines requires two to four inches of moisture as well.

Risinger notes that soil moisture levels at planting time have been good indicators of potential crop yield. If the five-foot soil profile is at or near field capacity before planting, producers can generally expect

good crop yields. However, if the soil is dry at planting time, crop yields will be lower.

Risinger urges producers to check their own individual soil moisture conditions before pre-plant irrigation. "The Water District maps indicate general trends across the service area and should not be used to predict exact soil moisture conditions on any given farm," he says.

Producers can determine soil moisture conditions by using soil auger to collect samples at each one-foot interval in the plant root zone. Samples should be taken at several locations within the field to determine the soil moisture.

Agriculture News

The U.S. Department of Agriculture has released a ten-year update of the National Conservation Program, designed to guide USDA soil and water conservation activities through 1997.

Eual Davis, district conservationist for the Soil Conservation Service at Tahoka, said the program was developed in response to the Resources Conservation Act of 1977 to guide USDA's conservation activities.

"Top priorities will be reducing erosion on highly erodible cropland and protecting water quality and quantity," Davis said. "Other major goals will be strengthening the partnership between state and local agencies and groups, and increasing the consistency of USDA programs."

The news update, titled, "A National Program for Soil and Water Conservation: the 1988-97 Update is the first since 1982.

News From ...

Extension Agent Brett Cypert

Lynn County Extension Office

Crop Insurance Signup Time At Hand

Producers in Lynn County were reminded this week that the deadline for applying for multiple peril crop insurance (mpci) is fast approaching.

Deadlines range from Feb. 15 in far South Texas to April 15 for North and Northwest Texas, said Brett Cypert, county agent with the Texas Agricultural Extension Service. Exceptions to the deadlines may occur as some growers strive to meet mpci requirements as a condition to receive benefits under the Disaster Assistance Act of 1988.

Improvements in the prices of a number crop and livestock commodities should not distract producers from planning for unexpected production shortfalls such as occurred in many areas in 1988 due to drought conditions. That's where crop insurance comes in, said Cypert.

Actual Production History (APH) is the cornerstone of the mpci program. Under APH coverage, insurance protection is based on the grower's proven performance, Cypert said. In numerous cases, the premium cost per dollar of insurance coverage is less for high yields within the county. Policy emphasis has been toward obtaining accurate APH yields while striving to make data gathering and recording processes easier for both growers and insurance agents to use.

Provisions of the mpci program for 1989 are essentially un-

changed from last year. However, several factors are expected to result in greater signup this year, Cypert said.

With the memory of limited rainfall in 1988 still fresh in mind, growers are taking a close look at mpci coverage. Agricultural lenders generally believe that mpci is an effective risk management tool. Thirdly, the Disaster Assistance Act will require some growers to insure 1989 plantings to qualify for disaster benefits.

Because of disaster assistance legislation, ASCS program crops plus soybeans are insurable wherever they grown in Texas. These crops include wheat, barley, oats, corn, grain, sorghum, rice and cotton (upland and extra long staples). In those counties that do not have a rate table for the crop, the producer-applicant should have his crop insurance agent request that a premium rate be issued by the underwriting office, Cypert said.

What aspects of the Disaster Assistance Act would require a grower to insure crops in 1989?

First, a producer's actual crop yield must be less than 35 percent of expected production (a loss of more than 65 percent). In addition, the county ASCS committee must determine that crop insurance is available in the county for the crop.

Once these two factors are deter-

mined, the producer must agree to obtain multiple peril crop insurance for the applicable 1989 crop. This is necessary to qualify for and receive disaster payments or deficiency payment forgiveness.

Remember that the local county ASCS office determines eligibility and administers the disaster assistance provisions, with signup ending March 31, said Cypert. Producers seeking specific information concerning their individual situations should contact their local ASCS office.

Senior Citizens Menu

March 6-10

Monday: Tacos, acorn squash, beans, onions, cookies, milk.

Tuesday: Chicken fried steak, gravy, mashed potatoes, spinach, roll, fruit cocktail, milk.

Wednesday: Red beans and beef, broccoli, salad, onion, cornbread, apple cobbler, milk.

Thursday: Meatloaf, potatoes, carrots, roll, orange half, orange juice, milk.

Friday: Turkey and dressing, gravy, sweet potatoes, Italian vegetables, cranberry sauce, roll, pear half, milk.

Obituaries

Archie McNeely

Services for Archie McNeely, 84, of Tahoka were held at 2:30 p.m. Saturday, Feb. 25, 1989 in First United Methodist Church with the Rev. Larry Ramsey, pastor, officiating. Burial was in Tahoka Cemetery under direction of White Funeral Home.

He died at 12:15 p.m. Thursday, Feb. 23, in Tahoka Care Center after an illness.

He was born on June 24, 1904 in Wellington and moved to Lynn County in 1916. He married Goldie Gray on Aug. 25, 1928, in Tahoka. He was a retired custom harvester.

Survivors include his wife; a daughter, Carla Minor of Mansfield; three sons, Douglas of Fort Worth, Gainer of Brownfield and DeWayne of Tahoka; a brother, Bill of New Home; and five grandchildren.

Hattie Bartley

Services for Hattie Bartley, 83, of Tahoka were held at 10 a.m. Saturday, Feb. 25, 1989 in First Baptist Church with the Dr. Danny Curry, pastor, officiating.

The Rev. Gene Hawkins of Lubbock Baptist Missionary Association, assisted.

Burial was in Brownfield's Terry County Cemetery under direction of White Funeral Home.

She died at 10 a.m. Wednesday, Feb. 22, in Lubbock's St. Mary's Hospital after an illness.

She was born on July 29, 1905. She moved from Loraine to Lynn County and attended school in New Lynn. She married L.N. Bartley on Dec. 24, 1923, in Lynn County. He died in 1969. She was a member of Southcrest Baptist Church in Lubbock. Two sons, Melvin and Leon, preceded her in death.

Survivors include a daughter, Helen Fielder of Lubbock; three sons, Arnold of Escalon, Calif., Earl of Slaton and Roswell "Rusty" of Andrews; four sisters, Lela Cashion and Edna Pollock, both of Hollister, Calif., Goldie Gray of San Saba and Marlin of Lubbock; 20 grandchildren; 40 great-grandchildren; and five great-great-grandchildren.

Grandsons will be pallbearers and honorary pallbearers.

J. W. Barnett

Services for J.W. "Tiny" Barnett, 56, of New Home were held at 10 a.m. Monday, Feb. 27, 1989 in First United Methodist Church with the Rev. Rick Wolfe, pastor, officiating.

Burial was in Lubbock's Resthaven Memorial Park under direction of White Funeral Home of Tahoka.

He died at 5 p.m. Thursday, Feb. 23, in Lubbock's St. Mary's Hospital

after a brief illness.

He was born on Sept. 13, 1932 in Chattanooga, Okla., and moved to Lynn County in 1942. He attended New Home schools and Draughton's Business College in Lubbock. He married Patsy Sue Norred on July 25, 1957. He farmed in the New Home area and was a member of First United Methodist Church.

Survivors include his wife; two daughters, Pamela Harmonson of Lubbock and Brenda Barnett of Corpus Christi; a son, Russel of New Home; his parents, Mr. and Mrs. J.A. Barnett of Lubbock; two sisters, Ada Marie Glenn of Shallowater and Cynthia Ann Webb of Lubbock; and three grandchildren.

Pallbearers were Jimmie Kieth, Jerry McNeely, Glenn Kreger, Hiram Sharp, Bobby Clem, John Edwards, Alton Bailey and Sid Burrow.

The family suggest memorials to First United Methodist Church in New Home.

Kenneth Cawthron

Services for Kenneth Ray Cawthron, 48, of Commerce were held at 2 p.m. Friday, Feb. 24, 1989 in First Baptist Church with the Dr. Danny Curry, pastor, officiating.

Burial was in Tahoka Cemetery under direction of White Funeral Home.

He died at 10 a.m. Wednesday, Feb. 22, in Commerce's Citizens Hospital after a brief illness.

He was born on Dec. 24, 1940 in Lamesa and attended school in Tahoka. He later attended police certification school. He had farmed in Lynn County and was a former member of the Tahoka police department. He later worked for the state Department of Public Safety for East Texas State University. He was a member of First Baptist Church.

Survivors include a daughter, Sonya Cawthron of Tahoka; his mother, Mary Lou Cawthron of Lubbock; two sisters, Winona Jones of Lubbock and Sybil Ragan of Mesquite; a brother, E.T. Jr. of Lubbock; and a granddaughter, Tarycka. Pallbearers were Robbie Robinson, Jerry Pebsworth, Carlos McCleskey, Joe Rodriguez, Jack Miller and Benny White.

Honorary pallbearers were members of the East Texas State University security police and the Commerce police department.

Myrtle I. Lovelady

Services for Myrtle I. Lovelady, 92, of Rensselaer, Indiana were held at 1 p.m. Saturday, Feb. 25, 1989 in Jackson Funeral Chapel in Rensselaer.

Burial was in Memory Gardens in Rensselaer.

89TH BIRTHDAY PARTY - A surprise birthday party honored Lillian Young of Post on Feb. 26, hosted by her three daughters, their husbands and a granddaughter. They were Sue and Bill Baker of Slaton, Skeet and Henry Kindrick of Pearland, Charlotte and Richard Stice and Debra Stice, all of Lubbock. Mrs. Young was born Feb. 28, 1900. She and her husband, the late Charley A. Young, farmed in the New Lynn Community until 1959, when they moved to Post.

She died at 7:15 a.m. Thursday, Feb. 23, in Jasper County Hospital.

She was born on Dec. 3, 1896 in Montague, Texas. She was previously from Muleshoe and Tahoka. She married Frank Lovelady on Nov. 19, 1914 in Davidson, Okla. He died on June 12, 1952. She was a hotel restaurant manager, retiring at the age of 82. She was a Baptist, member of Pythian Sisters and Rebekah Lodge No. 1004 in Tahoka.

A son and two daughters preceded her in death.

Survivors include one daughter, Mrs. Donald Pullins of Rensselaer, Indiana; one sister, Mrs. Jennings McDougall of Dallas; 8 grandchildren; 23 great-grandchildren; 5 great-great-grandchildren.

Cotton Trading Over TELCOT Sets Record

Cotton trading over the TELCOT cotton marketing system set a single-day record today of 385,599 bales, far exceeding the previous one-day record of 86,421 bales set in June, 1986.

The previous record was broken during the first hour and 20 minutes of trading this morning and sales averaged approximately 50,000 bales per hour throughout the day.

TELCOT officials offered no explanation for the sudden surge in buyers' interest in Texas and Oklahoma cotton citing a lack of recent developments or news about major export sales. For the week ending Feb. 16 total bales sold over TELCOT were 63,727.

TELCOT, an electronic cotton marketing system introduced in 1975, is available to Texas and Oklahoma cotton producers through their local gins. At present, more than 200 gins in the two-state area and over 35 cotton buyers from Alabama and California subscribe to the service. Today's record volume of trading would not have been possible without the TELCOT system.

Tax Rebates Down For February

State Comptroller Bob Bullock on Monday sent a late Christmas present to Texas cities, counties and MTAs by way of checks totaling nearly \$225 million in local sales tax allocations. February's checks represent taxes collected by monthly filers in December and reported to the Comptroller's office by Jan. 20. Also included in this month's allocation are sales tax collections reported by quarterly and yearly filers.

The City of O'Donnell received payment in the amount of \$3,264.50, down 10.76 percent from the same period of the prior year. The 1989 payments to date to the City of O'Donnell have been \$3,264.50, which is a -5.94 percent from 1988's payments of \$3,470.70. In Wilson, payment received was \$894.58, down -25.18 percent, 1989 payment to date was \$94.58, a -49.16 percent increase from 1988's payments of \$1,759.72; in Tahoka payment this period was \$9,491.25, compare to last year, \$11,096.10 an -14.46 percent change, 1989 payments to date \$12,972.23, 1988 payment to date \$13,346.21 a -2.80 percent change.

DPS Schedules Entrance Exams

Safety (DPS) has announced that beginning on March 1, 1989, they will be giving entrance examinations and physical agility tests every Monday and Wednesday, year round instead of only during a short period just before an announced recruit school, according to Major V.J. Cawthon, Regional Commander for this area.

Major Cawthon said, "Even though a date for a recruit school has not been determined, we will begin testing all year long. This change in testing periods, will allow the applicant to take the test, more so, at his convenience and will allow the DPS ample time to conduct the background investigations and hold the interview boards."

Testing will begin at 8 a.m. on each Monday and Wednesday, except days that fall on state holidays. The tests will take most of the day to complete. Tests will be given at the Amarillo, Wichita Falls and Lubbock Department of Public Safety offices. The application must be completed and all basic requirements must be met prior to taking the entrance exams. Employment qualifications and application forms may be picked up at the above mentioned offices or by contacting your local

THS Tennis Team Top Idalou, 8-1

Tahoka varsity boys and girls tennis team beat Idalou 8-1 Tuesday in a dual match held at Idalou. In boys doubles, Mark Vega and Ramiro Rodriguez won 8-0, T.C. Spruill and Chuck Cates won 8-3, Chris Jurden and Albert Mendoza won 8-4, Chris Carter and Aaron Miller lost 4-8. Trey Nance was an 8-4 winner in singles.

All three girls doubles team had easy 8-0 wins consisting of Connie Parker-Kim Ingle, Jennie Wells-Lana Parker and Candice Bailey-Christy Huffaker. Tahoka's next dual match is scheduled at Lamesa on Monday and on March 10-11 the team will compete at the Brownfield tournament.

Major Cawthon stated, "The DPS is actively recruiting qualified minorities and females. For an exciting and rewarding career in law enforcement, come by and see us."

Tax Tips

Here are some pointers to help get your refund sooner.

- Use the peel-off label and pre-addressed return envelope.
- Double-check your math.
- Use the correct tax table.
- Sign and date your return.

Procrastination Celebrated

National Procrastination Week - "to promote the benefits of relaxing by putting off until tomorrow everything that needn't be done today" - is scheduled for the first week of March but will be delayed until March 5-11. Procrastination Week is in its 15th year. It is sponsored by the Procrastinators' Club of America, an organization with 6,500 members worldwide and, according to its president, Les Waas, "millions more who haven't gotten around to joining yet."

Waas has been "acting" president ever since the organization's founding in 1956. As soon as a time can be arranged, the group will meet and a new president elected. Until that time, Waas said, "The members of this club will continue to plan more activities for the coming years."

Your HEALTH TIP

CONTACT LENSES

Since 1972, ophthalmologists have known that wearing soft contact lenses carries the risk of eye infection. Today, 23 million people wear contact lenses. At last, studies are underway to determine the risk factors associated with infection. Until results are known, ophthalmologists suggest that people leave the lenses in no longer than a week, rather than a full month, as labelling instructions now suggest.

SIGNS LETTER OF INTENT - Jeffrey Bednarz signed a letter of intent to play football for Eastern New Mexico as a defensive back. The Honorable Mention All State Quarterback led the Wilson Mustangs in a 9-2 season this year. Looking on are Coach Rex Bilby, Jeff's father, Tommy, and Wilson Superintendent David Williams.

The Wilson News

By PAM WILLIAMS - (806) 628-6330

Wilson PTO officers met on Monday, Feb. 13. Plans for the concession stand at the Scout Pinewood Derby on March 11 were discussed. Some of the classes will be asked to donate brownies and rice crispie bars, while other classes will be asked to donate \$1 to cover cost of other concessions. Notes will be sent home next week with more information. A report was heard by the nominating committee chairman on proposed officers for 1989-90. These will be presented at the April 10 meeting. The next officers meeting will be March 5.

Mrs. Pat Campbell and Gladys Comer hosted a special gathering at their home on Tuesday, Feb. 14. Mr. Alvino Ancira accompanied himself with his guitar and sang several Christian songs to the 12 ladies present. He incorporated his testimony into the music. The meeting closed with everyone present joining in singing the chorus of one of Mr. Ancira's songs.

On Wednesday, Feb. 15, 13 children enjoyed a Valentine's

party at Children's Choir. The children sang several songs and then enjoyed cake and punch. On March 5, the children's choir will be singing at the Slaton Nursing Home. This spring, they are planning to present the musical "Down By The Creek-Bank."

The Webelos met on Thursday, Feb. 16 at the First Baptist Church. Refreshments were provided by David Jones and Jeremy Raley. The boys did a good turn by helping to clean the fellowship hall. They received their prizes from the popcorn sale. The annual Blue and Gold Awards Banquet will be held on March 2 at the school cafeteria. Families of the Scouts are encouraged to attend and see the badges the boys have earned during the year. The Scouts will meet after school on March 2 because of the banquet. They do need to have their Pinewood Derby cars completed and they need to bring them to the Blue and Gold Banquet.

The Wilson I.S.D. board of trustees met in regular session Monday, Feb. 13. Malinda Isham, an FHA member, presented a talk on what the FHA has done and plans to do this year.

The board heard a report from the superintendent, David Williams, concerning the cut in state funding. The district will receive a \$97,000 cut in state funds due to a decrease in enrollment and average daily atten-

dance for this year. Wilson I.S.D. loses 25 students to transfer each year. This loss would make up the differences in state funding. Superintendent Williams also discussed with the board the change in funding procedures of the federal vocational funds.

The terms of Woody Follis, James Wuensche, and Robert Abbe, Jr. expire this year. Deadline for getting on the ballot is March 22.

The contracts of Ted Dockery, elementary principal, and Randy Moczygmba, high school principal, were extended for one year.

Brent Brieger, son of Mr. and Mrs. Lenroe Brieger, was presented a Smith Corona Memory typewriter Friday morning during an assembly. Brent, a senior, won the prize for an essay he had written on the illness he had battled and overcome during the summer of 1987.

In the Six-Man newsletter this month, several Wilsonites were recognized for their accomplishments in six-man football. The Wilson Mustangs as a team led the state in team offense, averaging 435.2 yards per game; their defense placed seventh statewide, giving up 252.5 yards per game.

Wilson running backs, Ruben Garcia and Michael Guzman, were ranked in the tops in the state in several categories. Ruben ranked 10th in number of tackles (145); seventh in fumble recoveries (6); fifth in rushing yardage (1,760); eighth in total offense (2,103); second in total points scores (270). Michael was recognized for second in total rushing yardage (1,852) and tenth in total offense (2,080).

Jeff Bednarz, quarterback of the Wilson team, was named to the All-State Football Team. Jeff on defense led the state in interceptions, picking off 9 for the season.

This was a proper cap of a fine season for the Wilson Mustang's first year in six-man football.

Boy Scout Troop No. 755 met Thursday, Feb. 23. Refreshments were provided by Scout leader, Sheir Gickhorn. After the Pledge and Scout oath, the boys began working on their citizenship "community" Gadge. This is one of the requirements the boys need to earn to receive their Tenderfoot rank.

The San Antonio Stock Show proved to be a lot of fun and hard work for four Wilson 4-H'ers. Cody Donald, Eva Gickhorn, Jason Marshall and Brandi Gickhorn. These kids worked very hard getting their animals ready to show with the help of their parents, Mr. Brett Cypert, and Mr. Billy Davis. Brandi

Gickhorn's middleweight Yorkshire barrow placed 5th and was placed in the sale. We are proud of these 4-H'ers and their accomplishments.

Public School Week will be observed during the week of March 6-10 in the Wilson Schools. Parents and friends of the school are invited to have lunch with their child on Thursday, March 9, and visit their child's campus after the lunch hour. Adult lunches are \$2.50. The menu for that day will be turkey and dressing with all the trimmings. If you plan to eat at school, please call the principal's office by 9 a.m. on March 9.

On Monday, Feb. 20, the Junior Class and Drama Class presented a dinner theatre. The Juniors served enchiladas, Spanish rice, refried beans, and sopapillas. Afterwards, the Drama Class performed their One-Act Contest play.

On Tuesday, Feb. 21, the Seniors squeaked by the High School Faculty in a basketball match. Representing the faculty were Angie Crenshaw, Ann Lowrie, Shane Lewis, Jack Woody, Jackie Woody, Bruce Hirt, Susan Davis and Randy Moczygmba. They looked good, but several three point shots by the Seniors were hard to beat! At halftime, the fifth and sixth graders competed in a short match. The Slaton Somies also did an excellent performance during halftime.

The Junior Girl Scouts met Thursday, Feb. 23 at the First Baptist Church. Hope Flores led the pledge. Heather Nelson led the songs. Lillie Castillo provided refreshments. The girls made ornaments from beads that were ironed and melted together. They received their cookies to begin delivering. All the troops have extra cookies for sale.

The Cub Scout, Webelo, and Boy Scout Blue and Gold Banquet will be this Thursday, March 2 at 7 p.m. at the school cafeteria. A chili supper will be served with donations accepted at the door. All the Scouts will receive badges and pins for the achievements they have made this past year. The Pinewood Derby cars will also be on display with a practice race following the banquet. All Scouts and their families are encouraged to attend the banquet. The Pinewood Derby will be Saturday, March 11 at the High School Gym.

Wilson School Menu

MARCH 6-10 BREAKFAST

- Monday: Cherry cutie pie, apple juice, milk.
- Tuesday: Cheesetoast, diced pears, milk.
- Wednesday: Cinnamon toast, applesauce, milk.
- Thursday: Donuts, pineapple tidbits, milk.
- Friday: Waffles with butter and syrup, grapefruit juice, milk.

LUNCH

- Monday: Ravioli casserole, black-eyed peas, fried okra, cornbread, peach crisp, milk.
- Tuesday: Sausage with gravy, potatoes, salad, hot rolls, applesauce, milk.
- Wednesday: Hot dogs with chili, French fries, pork and beans, cherry cake, milk.
- Thursday: Turkey and dressing, cranberry sauce, English peas, hot rolls, peach half, milk.
- Friday: Fish with tarter sauce, macaroni and cheese, green beans, hot rolls, fruit cocktail, milk.

File Early

If you file your tax return, early, you'll be more relaxed and less likely to make errors. If you've got a refund coming, you'll probably get it faster.

"SHALIACH" TO PERFORM - Lutheran Bible Institute in California's ministry team, "Shaliach" will be in concert tonight (Thursday) at 7:30 p.m. at St. John Lutheran Church in Wilson. The concert is free of charge and open to the public.

'Shaliach' To Perform In Wilson March 2

Lutheran Bible Institute in California's ministry team, "Shaliach" will be in concert March 2, 1989 at 7:30 p.m. at St. John Lutheran Church, Wilson, Texas.

"Shaliach" is Hebrew for "Sent One" and underscores the emphasis of the team to minister within the Lutheran Church through music, testimony, drama and Bible Study. Specializing in creative youth programs, the group has coordinated youth over-nights, concerts, camps and Vacation Bible Schools. The 1988-89 team is comprised of nine LBIC alumni, the team members come from Norway, Japan and the United States and are on an 11 month tour of the United States. This team is preparing to end their ministry with one month tour in Norway. Shaliach's music ministry is available on two tapes, "Magnify," with a worship and praise theme, and "New Life," a performance tape with a decidedly international flavor.

Lutheran Bible Institute, located in Anaheim, Calif., offers an intensive two-year program in Biblical Studies, Youth Ministry, Congregational Ministry and Hispanic Ministry.

Tonite's concert is free of charge and open to the public. All ages are invited for an evening of celebration and inspiration.

If You Won't Take Advice You Can't Be Helped

You have heard of people who don't visit a physician until they have to be carried to one. They fear they may hear unpleasant news.

But usually, when they finally get medical aid, sickness has so ravaged their body that a cure is difficult. Be wise. Don't wait. Get help quickly.

"A GREAT MANY PEOPLE ENTRUST US with their prescriptions, health needs and other pharmacy products. We consider this trust a privilege and a duty. May we be your personal family pharmacy?"

Hooray for our
TEACHERS

Linda Huffaker
Third Grade

Linda Huffaker's best moments of teaching at Tahoka Elementary are the times when "students give me hugs and students come back to visit after having been out of my room several years." She has taught third grade at Tahoka ISD for 7 years, and has lived in Tahoka 20 years. She believes self esteem plays a major role in being successful in school and in later life, so she teaches third grade skills with a strong emphasis on developing self confidence.

Linda is married to Gerald Huffaker, an attorney and farmer, and they have two children, Tiffany, 16, a sophomore, and Christy, 14, a freshman. She enjoys cooking and collecting recipes, reading, learning about computers, and walking. She is a member of the First United Methodist Church of Tahoka.

Linda grew up in Throckmorton and attended school there before attending Texas Tech University and receiving her B.S. in Home Economics Education and endorsement in Elementary Education. She was a Lynn County Extension Agent in Home Economics for 5-1/2 years. She enjoys Texas Tech athletic events and says she goes to all home football and basketball games.

1629 South 7th 998-4148 Tahoka, Texas

1 cup (about 6 ounces) semisweet chocolate chips

Preheat oven to 350 F. In a small bowl, combine flour and soda. In a large bowl, cream together until fluffy the butter, sugars and vanilla. Whisk in egg. Stir in cocoa and milk. Fold in flour mixture, walnuts and chocolate chips.

Drop batter by rounded teaspoonfuls onto non-stick baking sheets. Bake about 12 minutes. Cool about five minutes before removing cookies from sheets.

This recipe comes from *The Search for the Perfect Chocolate Chip Cookie* by Gwen Steege (Storey Publishing, 1988), a collection of more than 100 chocolate chip cookie recipes.

Card Of Thanks

Thank you so much for the many acts of kindness shown us during the loss of our loved one. The memorials to the Ambulance Fund, Heart Association, and Children's Home, the beautiful flowers, cards, food, but most of all for the prayers and concern. May God bless each of you.

The Dale Zant Family
9-1tp

To our many friends we want to say Thank You for your prayers, flowers, calls, food, memorials, cards and words of comfort in the loss of our loved one. A special Thank You to Dr. Darryl Curry for officiating a fine service; to Mr. and Mrs. Carroll Rhodes for the beautiful music; to White Funeral Home for directing a lovely service; to the pallbearers for their concern and support; and to Donna and Robbie Roberson for their help and concern. Thank you and God bless you.

Kenneth R. Cawthron Family

BANANA CHOCOLATE CREAM PIE

2 packages (3-1/2 oz. each) chocolate pudding and pie filling mix (not instant)
2 cups milk
2 ounces unsweetened chocolate, melted
2 firm, large Dole Bananas, peeled, sliced
1 cup whipping cream, whipped

Chocolate Cookie Crust

2 cups chocolate wafer crumbs
1/2 cup butter or margarine, melted

Combine pudding mix with milk in a saucepan. Follow package directions for preparing pie filling. Stir in melted chocolate. Remove from heat. Cool. Alternately layer pudding and bananas into prepared Chocolate Cookie Crust. Chill. Garnish with whipped cream and banana slices. Makes 1 (8 or 9-inch) pie.

CRUST: Combine chocolate wafer crumbs and melted butter. Blend well. Press evenly over bottom and sides of 8 or 9-inch pie pan. Chill.
