Bids Sought On County Car

Lynn County commissioners agreed to seek bids on a new vehicle for the sheriff's department after Sheriff Jack Miller appeared before the commissioners at the group's regular meeting Monday and explained the need for a new unit. Bids will be opened on June 12.

The group gave permission to District Clerk Joy Laws and County Clerk C.W. Roberts to attend a state conference of clerks in June.

Judge J.F. Brandon was named as the county's representative on a board including representatives of several area counties seeking to promote continued railroad service by Santa Fe on spur lines, including the one through Tahoka and Wilson going to Lamesa. The board meets with SPAG officials.

Clean-Up Week Slated

We will be having Memorial Day clean-up week, May 29-June 3, at the Grassland Cemetery. Also we would appreciate any donations to help keep it clean.

ASSIST O'DONNELL EMS—Lynn County Hospital Auxiliary donated \$1500 of proceeds from the recent Fun and Food Festival and Auction to the O'Donnell EMS for repair of the ambulance. Presenting the check are Auxiliary President Thalia Burks, left, and Festival Chairman Nadine Dunlap, right. Accepting for the EMS are Sandy Cox, second from left, and Sharon Gass.

O'Donnell, New Home Classes Graduate First

O'Donnell High School's 25 seniors will graduate tonight (Thursday), the first of four schools in Lynn County to send their graduates across the stage for diplomas. One other county school, New Home, will have commencement exercises during the next week. New Home will graduate nine seniors in ceremonies next Wednesday night, May 31.

Deborah Mecalco is valedictorian of O'Donnell High School and Ronnie Rios is salutatorian. For New Home, Carey Rudd is valedictorian and Todd Ballard is salutatorian.

OHS commencement exercises will begin at 8 p.m. today in the school auditorium. Invocation will be by Rebecca Pyron and Mrs. Cheryl Clopton will play the processional as seniors march in. A slide show prepared by Mrs. Donna Hopkins and the seniors will relive the school years of the 1989 class. Special music will be by Brandi Russ, Robin Moore, April Vestal and Deborah Mecalco. Rev. Elmer Ward, Methodist minister, is speaker for graduation.

Principal Glenn Hopkins will present the class, and Supt. Dale Read and School Board President Kenneth Eaker will present diplomas. Aaron Furlow will give the benediction.

On Monday, the Tom and Janice Hoskins Scholarships in the memory of Jessie Clayton were awarded to Deborah Mecalco and Ronald Rios. Deborah, wife of Bernie Mecalco and the daughter of Mr. and Mrs. Martin Casarez, will graduate with highest honors. She will attend Texas Tech this fall with a major in elementary education. Rios, salutatorian, is the son of Mr. and Mrs. Sam Rios. He plans to attend the University of Texas with a major in chemical engineering.

Tom and Janice Hoskins are both graduates of OHS and Texas Tech. Each year they award the scholarships to the valedictorian and salutatorian in the memory of Jessie Clayton, who was very active in the community and in her church. She was one of the leaders in promoting the new school system in O'Donnell. The scholarships are for \$2220 and \$1800.

Carey Rudd, son of Mr. and Mrs. Marlow Rudd, is valedictorian of the Class of 1989 at New Home High School, with a lifetime grade average

of 88.22. He plans to attend Texas Tech this fall.

Salutatorian for NHHS is Todd Ballard, son of Mr. and Mrs. Bob Ballard, with an average of 86.5. He has enrolled at Tarleton State.

New Home's commencement will begin at 8 p.m. next Wednesday. Baccalaureate services will be at 8 p.m. Sunday in New Home Baptist Church.

Baccalaureate services for Wilson seniors and for Tahoka seniors will also be at 8 p.m. Sunday in the auditoriums of the two high schools.

Tahoka's baccalaureate will feature a sermon by Rev. Larry Ramsey of First United Methodist Church and special music by the First Baptist Church youth choir.

Pictures and information on each of the O'Donnell seniors are being published in this issue of the News. Photos and data on seniors in Wilson and New Home and Tahoka will be published next week, sponsored by businesses and individuals who especially want to congratulate the graduates of each school.

Awards Program Honors THS Students

Outstanding students in a wide range of activities including academics and athletics were honored Friday at the annual awards day program and scholarship presentations at Tahoka High School assembly.

Seniors Chuck Cate, son of Mr. and Mrs. Charles Cate, and Jackie Jo Hays, daughter of Mr. and Mrs. Joe Hays, were named Best All-Around Boy and Girl, chosen by the high school faculty. All students who have maintained an A overall average since their freshman year are listed on the Who's Who ballot. Criteria used by faculty members to choose the honorees include academics, extra-curricular activities

and community and public service.

Cate has been a star basketball player who ended last season ranked first in Class AA schools on the South Plains in rebounding and fourth in scoring. He is an honor student who has been in One-Act Play four years, a regional qualifier in tennis and persuasive speaking this year, has excelled in number sense and journalism in UIL competition. He has been named "Most Versatile" by his classmates and has served as sports editor of *The Growl* and *Kennel*.

This is the second year for Miss Hays to be Best All-Around Girl, having won the honor as a junior.

This year she won the state Class AA championship in UIL Ready Writing after making her second trip to the state meet. She also competed in literary criticism at state this year. Valedictorian of this year's graduating class, she has been chosen by her classmates as basketball queen, band sweetheart and "Most Likely to Succeed." She played basketball four years and has been in one-act play contests. She was drum major for the Bulldog Band and will compete at the state level next month in solo contests. For four years she has been a class officer and in the Student Council, which she served as president this year.

Cate has a four-year scholarship to McMurry College and plans to major in mathematics. Jackie Jo plans to major in journalism at the University of Texas in Austin.

Other students named to Who's Who are seniors Kathy Davis, Tony Pena, Rochelle Reid and Mark Vega. Juniors named to Who's Who are Amy Holland and Timothy Young.

Miss Hays and T.C. Spruiell were chosen by their classmates as Mr. and Miss THS, a presentation also made Friday at assembly.

Spruiell has been active in football, basketball and tennis, in which he was a regional qualifier this year. A member of Speech Club and FFA, he also was named "Most Unpredictable" by his classmates.

Maria Gee, representing the local chapter of Texas State Teachers Assn., presented Miss Hays with a scholarship at the program, as several scholarships were presented.

First United Methodist Church

presented a four-year McMurry scholarship to Cate and also \$1000 scholarships to Doyle Willis, Wendi and Lendi Jordan, Kathy Davis and Jennifer Saldana.

Debbie Vickers presented the Phebe K. Warner Study Club Scholarships to Wendi Jordan and Cate. Miss Jordan received the Lady Dobbins Stewart Scholarship and Cate the Maurice Bray Scholarship.

Rotary Club President Greg Henley awarded the Rotary Club scholarship to Wendi Jordan.

Special recognition certificates and medals were handed out to many other outstanding individuals in the awards program.

Former superintendent Clifton Gardner presented the Masonic Lodge Lamar Award to Rochelle Reid. The Principal's Leadership Award was presented to Jackie Jo Hays by Charles Cate. Counselor Molly Heimlinger announced that Miss Hays and Cate were named U.S. Army Reserve National Scholar/Athletes and that Tony Pena and Mark Vega were National Hispanic Scholars.

UIL scholar awards were presented to Miss Hays, Vega, Pena, Cate, Miss Saldana, the Jordan twins, Miss Davis, Miss Reid and Rachelle Thomas.

Mrs. Lee Ann Bartolino's Geometry I award went to Trey Nance, Physics I to Wendi Jordan, Trigonometry I to Vega, Pre-Calculus to Miss Saldana, Consumer Math I to Alice Longoria and Informal General

ABOUT A MONTH AGO, State Comptroller Bob Bullock estimated that another \$210 million would be available for state funding needs in the 1990-91 budget because he had underestimated the economic recovery of the state and there would be that much more in sales taxes than originally estimated.

He further confused the issue by saying such things as there now will be 3.8 billion more funds available than there were for the 88-89 budget, and that the additional \$2.2 billion available as compared to earlier estimates was partly due to "legislative action" and partly due in reduction of reserves (by \$416 million) for lawsuits.

In other words, the state is not figuring on losing too much in judgments on lawsuits. The \$1.54 billion resulting from "legislative action" probably means they sent all the hucaps, VCRs and firearms they could locate in Travis County.

(Actually he said later that "legislative action" referred to transfers of special funds into the general fund and "various bookkeeping procedures.")

Personally I have a hard time understanding millions of dollars, much less billions. I can comprehend about how much money a thousand dollars is, and even have a pretty good idea of what it takes to make \$10,000. Incidentally, nowhere in the six or seven pages of Bullock's report did I see how much the entire budget is supposed to be. Probably about a trillion zillion dollars.

Some group called the National Center for Policy Analysis stated earlier in May that they had conducted a study and learned that Texas wastes "at least \$6 billion a year on pork barrel programs." It said Texas could save \$600 million a year by cutting the number of non-teaching employes in Texas colleges to the average for colleges around the country.

I'd be happy to see the state save \$6 billion a year if it would save me any money, but that much money is beyond my comprehension. To me, anything past a hundred thousand is just "a bunch." Six billion dollars is probably more than my house payment and all my credit card accounts added together.

Burglars Strike Tahoka Business

Jennings of Tahoka, 1930 Lockwood, was reported burglarized Sunday or early Monday morning as burglars entered the business by breaking out a plate glass window valued at \$200, and took merchandise and cash and checks valued at more than a thousand dollars.

Reported stolen were several pairs of Wrangler jeans valued at \$300, a First National Bank bag containing checks and cash totaling about \$350, nine belt buckles with "Tahoka" insignia valued at \$350 and six tie tacks valued at \$80. Exit from the building was gained by unlocking a rear door from the inside.

Tahoka Police Dept. also investigated an aggravated assault reported at Tahoka High School Friday where a 16-year-old black male reportedly stabbed a 19-year-old Mexican-

American student. The victim was transported from Lynn County Hospital to Lubbock General Hospital for treatment of a severe cut to the arm. Police took the suspect to Lynn County sheriff's office, where juvenile probation officers then transported the suspect to the detention center in Lubbock.

A 19-year-old Tahoka woman was arrested by police during the last week on charges of felony theft of a ring valued at \$7700, reportedly stolen from the home of Harold Franklin on N. 2nd St. about two weeks ago. Mary Lou Gutierrez pleaded guilty before District Judge George Hansard this week and was sentenced to 10 years in prison, probated, and also fined \$500.

cers that his car had been burglarized Sunday after he left it two miles south of Slaton on FM 400 and walked back to town to get help for a flat tire. Stolen from the vehicle were a Sony radio, speakers and cassettes.

Booked into county jail during the week were eight persons on the following charges: public intoxication, no drivers license plus failure to appear, issuance of bad check, public intoxication plus disorderly conduct, application to revoke probation on a charge of driving while intoxicated, DWI subsequent offense plus driving while license suspended, DWI, and theft over \$750 and under \$20,000.

Farm Workers Settle Claims Against Farmers

A group of farm workers have settled their wage claims against O'Donnell farmers Ben and Bennie W. Edwards for \$2,000. The farm workers hoed cotton in the O'Donnell area last summer. The workers claimed that while working for the Edwards, they were paid less than the federal and state minimum wage of \$3.35 an hour. This settlement means that the farm workers agree, in return for the \$2,000, not to sue the Edwards over their claim for wages. "This settlement avoided long, drawn out, expensive litigation," said Milo Mungard, a staff attorney with Texas Rural Legal Aid. "No one ever wants that. It's hoped other farmers and crew leaders in the O'Donnell area will be this fair minded when resolving their labor disputes."

American Heart Association Honors Memorial Chairmen

With Memorial Day approaching, minds and hearts often turn to those we remember who have touched our lives. This time is also an opportunity for the American Heart Association to recognize and thank the dedicated volunteers who often work behind the scenes to carry out the Memorial program in their respective South Plains counties. The efforts of these individuals ensure that memorial donations are handled appropriately and contribute to the long-term success of the Heart memorial program. The responsibilities of the Memorial Chairman include accepting and depositing donations, sending acknowledgement cards to families, and returning receipts to donors. In many cases, the Memorial Chairman is the most active representative of the American Heart Association.

Jo Beth Renfro is Memorial Chairman in Lynn County. She continues to support the American Heart Association, and her volunteer work is truly appreciated by the association. For more information about the American Heart Association's memorial program in your county, call the Heart office in Lubbock at 792-6394.

SPS, Union Sponsor 'Kid Care' Program

Southwestern Public Service Company (SPS) and the International Brotherhood of Electrical Workers (IBEW) Local #602 have implemented a community-watch program designed to assist children who are lost, hurt or feeling threatened.

Through the "Kid Care" program, a child needing assistance can go to any utility truck bearing the distinctive SPS logo. These vehicles are equipped with radios allowing SPS employees to contact a company dispatcher with a request for help.

The dispatcher, in turn, notifies the appropriate medical or law-enforcement agency, and the SPS employee remains at the site until help arrives. The police or other authorities will handle the situation reported by the child. SPS employees have been instructed only to relay requests for help.

"I think there's a natural inclination to try to help a kid in trouble," said Clayton White, business manager for IBEW Local #602. "We're just asking our people to remember that they're utility workers, not policemen or paramedics, and they should let the authorities handle any Kid Care situation that comes up."

Johnston To Preside Over AMBUCS

Dennis Johnston, a 1975 graduate of Tahoka High School, and son of Rudy and Betty Johnston, formerly of Tahoka, has been elected President of the Lubbock Downtown Chapter of American Business Clubs.

Its members known as AMBUCS are a civic organization who represents the highest standards of excellence in the promotion of betterment and benevolence.

The national project is "Scholarships for Therapists". In addition each chapter adopts a major civic project, locally being the annual ABC Rodeo. Each year thousands of dollars are donated to the Tri-Branch of the Boys Clubs of Lubbock.

Johnston's duties will include supervision of all club meetings, its members, committees and Board of Governors, and will also work closely with the 1990 ABC Rodeo Chairman to produce another successful and profitable rodeo.

Dennis is a sales representative for Alderson Cadillac-BMW in Lubbock.

CareLink Symposium Held In Lubbock

CareLink, the air ambulance service of Methodist and Lubbock General Hospitals, conducted the first annual CareLink EMS Symposium on April 8, in connection with CareLink birthday celebration. Keynote speaker was Paul Pepe, M.D. Associate Professor of Surgery at the Baylor College of Medicine, Medical Director of the Houston EMS, and President of the National Association of Emergency Medical Services Physicians.

CareLink EMS Appreciation Awards were given to recognize the many outstanding health-care professionals in the region involved with the prehospital care whose efforts often go unnoticed. Billie Tomlinson, (co-winner) of Tahoka, was awarded the "EMS Director of the Year".

R **SELF MEDICATION IS A POTENTIAL DANGER**

Even physicians are far from agreement about the practice of self-medication. If everyone went to their doctors at every sign of illness it would be impossible for the medical profession to handle the deluge of patients that would descend upon them. The more seriously ill would suffer most for there would not be enough of the time needed for them.

But, self medication must be carried out wisely. One good rule is... if certain symptoms keep returning, it is time to have your doctor find the cause. When we notice a customer is often buying a particular non-prescription remedy, we will always suggest that they should see their doctor.

Andy Smith Inducted Into Trapshoot Hall Of Fame

Andy Smith, this year's Texas Trapshooters Association Hall of Fame inductee, has distinguished himself quite well with his shooting ability. The induction date will be June 10, 1989 in San Antonio. Andy is from Lubbock, originally from New Home and is the son of Billy Ray and Norman Smith. Grandparents are Adrian and Babe Evans. In addition, he is always one of the first to step forward when help is needed either on a zone or state level. Andy currently serves as President of Zone 1 as an ATA Alternate Delegate.

Andy ran his first 100 straight singles in 1976 and his first 200 straight the following year. There have been numerous 100 and 200 straights since that time. Andy has three 100 straights from the 27 yard line. One of those 100's from the 27 yard line came at the 1985 Spring Grand American preliminary Molson Handicap. Another was in 1982 for the Non-resident Champion at the Oklahoma State Shoot.

Four titles have been earned at the Midwestern Grand and 10 trophies were won from 1981 through 1988 in Southwestern Zone events. Andy was 1988 Non-resident Doubles Champion at the 1988 California State Shoot with a 99.

Andy was Class A runnerup in the Clay Target Championship at the 1981 Grand American. Other Grand American titles are AA Class Singles runnerup in 1984 and Preliminary Doubles Champion in 1988 with 100 straight.

Andy has placed on the Texas State First Team several times with some of the more recent years being 1988, 1987, 1986 and 1983. Several times he has been on the second state team.

Andy has earned some 16 Texas State Shoot titles since 1981 and has been awarded eight TTA Zone trophies. Some of his most notable accomplishments at recent Texas State Shoots are:
1987—Texas State Handicap Champion; 1982—Texas State Singles Champion; 1988—Run-

nerup-Texas State Doubles Champion; 1988—Texas State High Overall Champion; 1987—Texas State High All-Around Champion; 1987—Tatum Memorial Handicap Champion; 1986—Houston Gun

Club Handicap Champion; 1985—Amarillo Gun Club Handicap Champion; 1982—Class AA Doubles Champion; 1981—Class A, and High Overall Champion. Andy made the ATA All-American Second Team in 1983, 1987, and 1988. He has shot over 50,000 singles targets.

Hooray for our TEACHERS

Diane Lynne Andrews
4th Grade Teacher

Diane Lynne Andrews teaches fourth grade at Tahoka Elementary School. She lives in Lubbock with her husband Richard Andrews, who is in his senior year in Electrical Engineering Technology at Texas Tech. This is Diane's first year with Tahoka school system, and she says "Everyone here—faculty and parents—have been so friendly and helpful." She says she hasn't had any worst moments at Tahoka school, and hopes not!

Her teaching philosophy is "to give students as many learning experiences as I can and teach them that it is up to them to try as hard as they can to do good, and take the responsibility in what they do."

Diane's hobbies include reading and singing, and during the summers she manages a swimming pool in Lubbock. She was raised in Midland and graduated from Texas Tech in 1986 with a B.S. in Education.

Call 998-4533 for appointment

According to the American Cancer Society, one out of ten women will develop breast cancer sometime in her lifetime. It is currently estimated that over

37,000 women die each year as a result of breast cancer. Ninety percent of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50 percent five year survival rate. A woman who is diagnosed as having breast cancer by mammography, before a lump can be felt, has a 97% five year survival rate and a 90% 10 year survival rate. (The cost is only \$55.00) A mammogram can detect a cancer this small, even before it can be felt.

**At last.
Something farmers
can control.**

You can't control prices, the weather or your banker. But you can do something about your health insurance costs.

Communicating for Agriculture understands how hard it is for farmers to buy health coverage. That's why we came up with our own health insurance plan for our members.

Our plan helps our members control their health insurance costs through a cash deductible concept - no matter how many claims they file. It's available only to CA members.

Take control of your health care costs.

DURA-SHIELD

NEW SHIELD'S ANSWER TO MODERN DAY ROOFING PROBLEMS!
THE SYSTEM: After proper preparation of the existing roof, a superior strength polyester mat is sandwiched between layers of emulsified asphalt to provide a lightweight, tough, long-lasting, roof system with an energy efficient heat repelling surface.

FEATURES:

- Superior strength, yet lighter weight!
- Excellent resistance to heat and water - even ponded water!
- Remains pliable and ductible, less susceptible to cracking, allgatoring, and oxidizing, actually improves with age!
- Allows vapor - but NOT water to pass through!
- No fire, odor or toxicity hazard!
- Mat is non-organic - not susceptible to rot!
- Considerable savings in cost over conventional re-roofing!

I would like to thank everyone who has sent cards, letters and flowers to me while I have been here in the hospital at Baylor. It has been nice hearing from all of you.

I would also like to thank all of our friends, family and all the churches for your prayers and concern for all of us during this time. We appreciate it so much.

We appreciate the telephone calls that have come from our family and from Lyntegar while Dwayne and I were here in the hospital. The money that was taken up by the Lyntegar employees was appreciated so much also.

All of the patients here at Baylor feel like we are a family also. We have all been through the same thing and it makes you concerned about each other.

Thank you all for everything you have done. God Bless each of you.

Love, Joann and Dwayne McNeeley

DAYTON PARKER

MANGANESE

Basketball player Bill Walton had broken bones that would not heal. Blood studies showed zero levels of manganese for Walton, who was then a vegetarian. His doctor, Paul Salmon of U. of Cal., San Diego, noted in other tests that women with osteoporosis (weak bones) had manganese levels 75% lower than women with stronger, healthier bones. Dietary manganese is found in wheat bran, blueberries, nuts, whole grains, legumes, peanut butter - also in meats.
