TAHOKA, LYNN COUNTY, TEXAS • THURSDAY, AUGUST 31, 1989

8 PAGES IN ONE SECTION PLUS INSERT

"CAN WE GO HOME NOW?" - These Kindergarten students are ready to leave on the school bus that takes half-day students home at noon. School began Monday at Tahoka I.S.D., and for the little ones it can really be confusing. From left are Regina (who couldn't remember her last name), Kim Craig, Sarah Hawthorne, and J.D. Flores. (LYNN COUNTY NEWS PHOTO)

County Has Two Fatal Accidents In Two Months

Two fatal traffic accidents were recorded in Lynn County during June and July, according to a report from the Lubbock Highway Patrol District.

In Lynn County four persons were injured in June and three in July accidents.

Hospital Tax Raise Approved

An increase in the tax rate for Lynn County Hospital to a total of 20 cents per \$100 valuation was approved by members of the hospital board in a vote Tuesday evening. The increase is less than 3 cents over the previously established effective tax rate of 17.248 cents.

All board members except one were present Tuesday and all those present voted for the increase. Taxpayers in the county pay the hospital tax with their county taxes each year.

Hospital Administrator Louise Landers said there was some confusion among the public regarding the total tax rate. "Some persons seem to think the tax rate is 20 cents plus the published effective rate of 17.248 cents. We've heard people say the tax rate for the hospital is 37 cents, when actually it is 20 cents."

Under the new rate, a person owning a home in Lynn County valued at \$40,000 will pay \$11.01 more in taxes per year than they would have paid at the lower rate.

Present for Tuesday's vote were board members Leland White, Harold Barnett, Kenneth Eaker, Billy Tomlinson, Dale Zant, and Ann Wyatt. Absent was Joy Brookshire.

Stenholm Hears County Residents' Comments

U.S. Rep. Charles Stenholm listened to comments and answered questions on a variety of issues in which Congress is involved as he conducted "town hall type meetings" Tuesday in Tahoka, O'Donnell, New Home and Wilson.

In Tahoka, he fielded questions about veterans benefits, disaster payments to farmers, rural hospitals, catastrophic care for senior citizens and other issues.

Lynn County Hospital Administrator Louise Landers mentioned some of the major problems facing rural hospitals, including the much-publicized disparity in payments to rural hospitals as opposed to what Medicare pays urban hospitals. Some of the other problems she noted were the new minimum wage law, and the difficulty of getting registered nurses and family practice physicians to staff rural hospitals in the face of more lucrative offers by the larger facilities.

Stenholm agreed that these all are major problems for the smaller hospitals, and commented that "no community can develop without local health care...no business will want to locate in Tahoka if they have to drive to Lubbock for hospitals or doctors." He did say that the situation

for rural hospitals should be improved after Oct. 1 when a new measure providing for some relief goes into effect.

Farmer T.B. Mason told Stenholm that farmers need some financial assistance for terracing they have to do to comply with new conservation laws. The congressman answered that with a question of his own: "What part of the agricultural budget would you like to cut out to provide the money?"

Dr. Richard Wright, who owns a grape vineyard near New Home, mentioned the plight of grape growers left holding the bag when Teysha

Cellars winery shut down suddenly and could not honor contracts with area growers. He said the growers are considering formation of a cooperative, and received assurance from Stenholm that the congressman would support such a coop venture. Stenholm also took that opportunity to introduce Don Starr, "my agricultural troubleshooter."

On a question regarding the federal deficit, Stenholm said, "If we could get the public as aroused over the fiscal deficit as we did about the (congressional) pay raise, we might be on the way to doing something about it."

CONGRESSMAN VISITS—U.S. Rep. Charles Stenholm was in Tahoka Tuesday morning to meet with some of his constituents at Lyntegar Co-Op meeting room. Here he listens to E.A. Howle of Tahoka. Stenholm also had similar meetings at New Home, O'Donnell and Wilson. (LYNN COUNTY NEWS PHOTO)

Woodwork...

By Dalton

WITH SCHOOL starting at all levels from kindergarten to college this week, I struggled to remember what it was like to sit in a classroom for several hours while somebody smarter than I am tried (desperately, at times) to get me to learn something.

I do remember that I was always eager to get back into classes at the first of the semester, and just as eager to get out of them by the time the semester ended. I thought I was spending all my life in school, and I'm sure many of today's youngsters feel somewhat the same way. But they are wrong, because the public school term only lasts for 175 days or so each year. When I was in school, there were 365 days in a year, and if that has not been changed by federal decree or something, kids still go to school less than half a year.

There were some interesting comments on back-to-school things in the current issue of *Better Homes and Gardens*. For one thing, they reported on a survey in which 30 per cent of the youngsters surveyed said they would like to have pizza for lunch. So BH&G offers a recipe for a pizza sandwich, small enough to get in to a lunch bag, and supposedly good enough to make all the other kids jealous.

The same article has some suggested questions you are supposed to ask when the teacher notifies the parent of the need for a conference. (Some kids, I guess, are in school only a few hours before a conference is needed). Here are the suggested questions:

1. Do you put students into different groups for different subjects? Why is my child in a particular group?
2. What's my son/daughter's best subject? The worst?
3. Is my child working up to potential?
4. Does my child participate in class discussions and activities?
5. Are you sure you know which one of these kids is mine? Are we talking about the same child?

That last question came from me, not the magazine.

I NEED TO GET ME ONE OF THOSE: Gene Dow, publisher of the *Seminole Sentinel*, says he saw a hot new gift item at a meeting of Radio Shack dealers in Dallas recently. Newly introduced is an item called the "Refrigerator Pig." It's a little pink piggy you set inside the refrigerator, and every time the door is opened, a light sensor causes the pig to go "oink, oink." This is a reminder that you don't really need that Rocky Road ice cream, chocolate delight or half a pound of longhorn cheese.

TREY ON THE WAY—Coming up fast to try to stop this Denver City player from catching a pass is defender Trey Nance (9). The pass was incomplete in a scrimmage last Friday. (LYNN COUNTY NEWS PHOTO)

Parents Night Set Sept. 7

Molly Helmlinger, Principal of Tahoka Elementary School, encourages all parents of students in grades K-6 to attend Parents Night on Thursday, Sept. 7 from 7-8:15 p.m.

Parents should meet in the school cafeteria at 7 p.m. to hear Dr. Duane Carter, Superintendent, and Miss Helmlinger discuss campus policy, attendance, tutorials, etc. The remainder of the time will be spent in individual classrooms, where teachers will discuss classroom rules, consequences, rewards, etc.

"This would be a good opportunity to meet your child's superintendent, principal and staff," said Miss Helmlinger, "and I encourage all parents to attend. However, this is not a time for parent-teacher conferences or for lengthy discussions. These sessions can be arranged at a later time," she concluded.

Open House for the school will be held later on in the six-week period, the principal stated.

Tahoka To Take Part In Telethon For MDA

The Tahoka Pledge Center for the 24th annual Jerry Lewis Labor Day Telethon will be located at Jolly Time Video on Main St., it was announced this week. Peggy Jolly will serve as Pledge Center coordinator. She has been a volunteer for several years for the Muscular Dystrophy Assn. (MDA).

The Telethon will be broadcast live from Las Vegas on KLBK-TV in Lubbock. About 200 stations across the nation and several in Canada will air the event, which begins on Sunday, Sept. 3 at 8 p.m. and continues 22 hours through Labor Day, Sept. 4, at 6 p.m. All area pledge centers, including Tahoka, will close at midnight Sunday and reopen Monday at 10 a.m.

Hosting the area portion of the telethon will be KLBK news anchor Terry Graham, and Vickie Hutson, former KLBK co-anchor. Special guest emcees will be Chris Contre-

ras, Kathy King and Rick Gilbert. The Jerry Lewis Telethon is watched by approximately 90 million persons every year. The 1988 show raised more than \$41 million in pledges, a record for telethons, including \$143,000 from KLBK, of which Tahoka's pledges were a part.

The number to call in Tahoka for make pledges is 998-4616, said Mrs. Jolly. Anyone wishing to help with the bake sale in conjunction with the drive should bring items to the store by 11 a.m. Saturday, she said. Also, anyone wishing to organize children or adults to collect door-to-door may pick up kits at Jolly Time Video.

On Monday, starting at 10 a.m., Allsup's will have a car wash and candy apple sale to raise money for "Jerry's Kids." Donation for the car wash is requested at \$4 up.

Tahoka's pledge center raised \$839 in 1988, with 52 persons pledging.

Bulldogs, Abernathy To Scrimmage Friday

One thing the Tahoka Bulldogs learned for sure in last Friday night's scrimmage against Denver City was that the Mustangs are plenty good, and probably deserve their high pre-season ranking among Class AAA teams. But despite being bounced around pretty good by the big and talented visitors in the year's first scrimmage for each team, Tahoka found out some encouraging things about the new crop of Bulldogs.

"There were a few disappointments, but there were some very positive things which came out of the scrimmage," said new head coach Joe Paradis. He said he thought senior Paul Glisson, playing quarter-

back for the first time, demonstrated some leadership qualities and did a creditable job. He also said many other players had some good moments in the scrimmage. Tahoka never was able to score, while DC crossed the goal line five or six times.

This week, starting at 6:30 in Abernathy, the Bulldogs will scrimmage the Antelopes, also a good team, but in the same classification as Tahoka. The junior varsity teams will scrimmage first, followed by the varsities.

The Bulldog Booster Club will meet at 7:30 p.m. Tuesday, Sept. 5, in the high school library. All athletic boosters are urged to attend.

Style Show Slated At Noon Sept. 7

Tahoka Chamberettes are sponsoring a Fall Style Show from 12:00 noon until 1 p.m. Thursday, Sept. 7 in the Fellowship Hall of the First United Methodist Church in Tahoka. Admission is \$4 per person, which includes a lunch of ham, green beans, scalloped potatoes, jello salad, cake, tea and coffee.

Theme of the show will be "Remember the Nifty Fifties" and music and decorations will carry out this theme. Local women will model fashions from Tahoka Daisy, Jennings of Tahoka and The Mirror, and jewelry will be modeled from Parker Pharmacy and Jewelry.

"We invite all area women to attend the show," said Ann Roberts, President of Chamberettes. "It is always fun to see the new fashions and visit with friends at the same time," she concluded.

STYLE SHOW OUTFIT - JoElla Rash models this new fall outfit from Jennings of Tahoka which will be shown at the Style Show sponsored by Tahoka Chamberettes on Thursday, Sept. 7. The show will be held from 12:00-1:00 p.m. in the Fellowship Hall of the First United Methodist Church in Tahoka. Admission will be \$4, which will include lunch. (LYNN COUNTY NEWS PHOTO)

Tuesday Bridge

Duplicate bridge winners of the game played Aug. 22, at the T-Bar Country Club were: first place - Catherine Barham and Kathleen Barton; second place - Boots Walker and Eunice Hunter; third place - Auda Norman and Carol Maule.

HAPPY BIRTHDAY HECTOR
Love - Brenda & Baby

THANKS, SAY FIREMEN
Members of Tahoka Volunteer Fire Dept. this week expressed appreciation to all those who supported the firemen by attending the fish fry Saturday, and also to those who made donations and who helped in other ways.

When buying clothes, look inside the garment to see how it's made. Seams should be at least an inch wide and should be bound with stitching.

Senior Citizens Menu

Sept. 4-8, 1989

- Monday:** Chicken fried steak, gravy, mashed potatoes, spinach, roll, cherry cobbler, milk.
- Tuesday:** Chi ken N' Meadow, broccoli, salad, roll, watermelon, milk.
- Wednesday:** Meat loaf, gravy, potatoes, bread, tomatoes, apricot crisp, milk.
- Thursday:** Roast turkey, gravy, potatoes, green beans, cantaloupe, milk.
- Friday:** Baked fish, oven potatoes, mixed vegetables, pickles, cornbread, pudding, milk.

Chicken Legs Stolen In Wilson Burglary

A burglar who broke into a home at Wilson took about \$40 worth of meat, including 10 pounds of chicken legs, according to the owner of the home on Houston St., Sabida Tedder. The burglary occurred between Friday and Sunday.

Another unusual burglary reported during the week was a break-in at the office of the Dept. of Public Safety in the basement of the Lynn County courthouse. Nothing was reported missing, but the lock on an evidence file had been broken and files apparently gone through. The burglary occurred over the weekend.

Lonnie Rogers reported a burglary at 110 N. 5th, on Aug. 23. A door on the south side apparently had been kicked in and \$40 in bills was stolen, he told Tahoka police.

Police investigated an aggravated assault on a 26-year-old Tahoka man on Sunday. He had been in a fight with another Tahoka man in his late 30s, and the younger man apparently

was struck with a steel pipe on the head. No charges had been filed.

Last Thursday at 900 Ave. J a traffic accident was investigated, involving a 1975 Chrysler driven by Roger Dale Locke of Tahoka and a parked 1976 Ford pickup owned by Tomas Tijerina of Tahoka. No injuries were reported.

In jail during the last week were two persons for public intoxication plus disorderly conduct, one for public intoxication and one for driving while intoxicated plus no drivers license.

Older Citizens Events Set At Lake Brownwood

Events for "mature adults 55 and over" are scheduled for Tuesday through Friday of each week in October at the Texas 4-H Center on Lake Brownwood, with hundreds of participants expected in the Ninth Annual Octoberfest, according to Lynn County Extension Agent Annis Brown.

Dates for the sessions, with each event limited to the first 125 persons to sign up, are Oct. 3-6, 10-13, 17-20, 24-27, and 31-Nov. 3. Fee of \$89 per person includes food and lodging for the four days, and all the activities.

Featured educational programs and activities will include exploring insurance options, cooking demonstrations, new tax laws, floriculture "and more." There will be crafts and recreational activities.

"Hands-on experience" will be

Howell's 103rd Birthday To Be Celebrated Here

Henry Belton Howell will celebrate his 103rd birthday in Tahoka with family and friends. A reception will be held in the First National Bank Community room from 2 to 4 p.m. on Sept. 10. Belton was born Sept. 9 in Comanche County Texas. He moved to Lynn County in 1902 with his family. He married Birdie Walters on Nov. 28, 1915. They lived in Tahoka until they moved to Odessa to be near their son, Wade Howell.

Mr. Howell still makes frequent visits to Tahoka for business reasons and to see after his farm. "He would like to invite everybody to stop by the reception and have a good visit," his son said this week.

offered in oil painting, wind chime making, needlecrafts, antique restoration, country crafts, collectibles and other subjects. Boat rides and fishing on Lake Brownwood will be available, as will be swimming in the olympic-size pool at the center, lighted tennis courts, horseshoes, billiards, volleyball, shuffleboard, dominoes and card and table games. More information may be obtained by calling Miss Brown at 998-4650 in Tahoka.

Tahoka High Ex-Athletes Have Reunion At T-Bar

A reunion of former athletes of Tahoka High School during the years 1947-57 was held Saturday at T-Bar Country Club, with students, teachers and boosters of that era also invited.

A golf tournament drew about 30 men entries, and a salad luncheon was attended by 35 women. During the afternoon the women toured the Pioneer Museum and Tahoka High School.

In the evening a barbecue meal was attended by about 200 persons. The class of 1954 had 11 present and the class of 1956 had 12.

Former football coaches of that period, Bill Haralson and Bill Sharp, and former basketball coach Jake Jacobs were present. Also present were three members of the Bulldog Mothers Club which served meals to players, their dates and par-

ents after each football game. Present were Mrs. Truett Smith, Nina Slover and Mable Gurley.

Gordon Smith, senior in 1955, Jimmy Williams 1954, Lynn Carl Halamecek 1951 and Joe Don Minor 1947, gave some highlights of their football days. Minor received a scholarship to play for the University of Texas. Haralson also spoke of some of his players.

Willie Lee traveled the longest distance, from Brooklyn, NY. Smith preached Sunday at Tahoka First Baptist Church.

It was decided to have the reunion again in three years, 1992.

H.B. (Belton) Howell is going to be 103 Years Old!

You are invited to help him celebrate in the Community Room

4-H HORSE SHOW - Twenty-eight 4-H members from Tahoka, New Home and O'Donnell participated in the annual Lynn County 4-H Horse Show Saturday at the Tahoka Rodeo Arena.

Jenny Jay, Shiloh Braddock Have Horse Show Winners

Twenty-eight 4-H members from Tahoka, New Home and O'Donnell participated in the annual Lynn County 4-H Horse Show Saturday at the Tahoka Rodeo Arena.

Grand champion mare was exhibited by Jenny Jay with Lynsey Harmonson showing the reserve grand champion mare. Grand champion gelding was shown by Shiloh Braddock and the reserve grand champion by Kristy Franklin.

Events, judged by Steve Graham of Olton, included halter, showmanship at halter, western pleasure, horsemanship, western riding, stakes, poles, barrels and flags.

Ten 4-H members exhibited in the Pee Wee division for those age 7 and under. High point Pee Wee was Shiloh Braddock, with Kendall Barnett second. Others placing, in order, were Justin Longoria 3rd, Matthew Wells 4th, Tyler Franklin, Riley Barnett, John Michael Jay, Katie Schoppa, Klyssa Kellin and Lynsey Harmonson.

High point in the junior division for youngsters age 8-10 was Lee Rash, with April Braddock second. Others placing, in order, were Richie Franklin, Robin Martin, T.J. Thomas, Brad Ashbrook, Krystin Kellin and Jenny Jay.

Intermediates, age 11-13, had six participants. Winner was Lynna Rash, with Katy Huffaker second. Others placing were Lisa Martin, Clay Taylor, and a tie for 5th between Chris Montemayor and Darla Willis.

Casa Nueva Grapes Now Harvested

Harvesting of Dr. Richard Wright's Casa Nueva vineyard grapes was completed Tuesday morning, but the Tahoka physician who lost his grape market along with other South Plains growers when Teysa Cellars winery went under recently still had no market for the crop at that time.

"The grapes had to be picked, because they were ready," said Dr. Wright, adding that the crop was taken to the winery for storage, although the winery apparently will not operate unless someone steps in and buys the entire facility.

Dr. Wright said Tuesday that area grape producers are considering formation of a cooperative to market their crops.

He said his total crop was about the same as last year, although he lost about a fourth of this year's crop to hail in early June.

Teysa had contracted for Dr. Wright's grapes, but defaulted after a federal loan application was rejected.

Ice and ice chest
Drinking water
Trash bags
Seasonings, salt and pepper
Insect repellent
Rug or blanket

Food Safety
Be careful with perishable foods in hot weather. A cooler is a must whenever you picnic away from home.

- For even chilling, pack ice completely around foods. A good ratio is half ice and half food.
- Keep foods refrigerated until you are ready to go, so they will stay cooler longer.
- Take extra caution when toting foods containing mayonnaise, sour cream, meats and seafood.

Bar cookies are a great choice for a picnic. Transport them right in the pan or cut and packed in plastic bags.

Sea Island Bars
½ cup butter or margarine
½ cup sugar
½ cup firmly packed brown sugar
2 tablespoons water
1 cup sifted Martha White Self-Rising Flour

1 egg
1 teaspoon vanilla
½ cup chopped nuts
½ cup shredded coconut
1 package (6 ounces) semi-sweet chocolate pieces

Preheat oven to 350°F. Grease 9-inch square baking pan; set aside. Melt butter in 2-quart saucepan over very low heat. Remove from heat. Add sugars and water; blend well. Stir in flour. Add egg and vanilla; blend thoroughly. Add nuts, coconut, and chocolate; blend well. Pour into prepared pan. Bake 30 minutes. Cool in pan. Cut into bars. Makes 16 bars.

For more delicious cookie recipes, write to the Martha White Kitchen, P.O. Box 58, Dept. GGI, Nashville, TN 37202 and ask for "The Cookie Collection."

Zucchini Nut Bread
2 cups sifted Martha White All-Purpose Flour
1 cup sugar
1 tablespoon cinnamon
2 teaspoons baking powder
1 teaspoon salt
3 eggs
2 cups unpeeled grated zucchini (about 1 large)
¼ cup vegetable oil
1 tablespoon vanilla
1 cup chopped walnuts

Transportation Shows Many Changes Over Years

By MABEL GURLEY
There is no greater example of changing times than the revolution in transportation.

Our travel experience is very limited, compared with many, but going down that dirt road in a buggy behind a clopping horse, in relation to large commercial planes at 35,000 feet, carrying hundreds of passengers, represents quite a span of time and change for us.

Riding beside our grandmother in the buggy is recalled, remembering vividly the bright pink "China silk" veil worn over her hat, secured by hat pins having shiny, sparkling ends. Of other rides Grandmother wore a bonnet so wide that her vision was limited to the rear of the horse. This vision was sometimes accentuated by a term known today as "pollution."

Our first train ride from Stephenville to Post, Texas was overshadowed by the thrill of being met by an uncle in a Model T Ford, transporting us to our home-to-be in Tahoka. That black car with running boards, a canvas water bag hanging on the side, and honking bulb horns on either side of the front, frightened cows, horses and chickens enroute beyond belief. They ran like wild animals—squawking chickens and feathers were flying everywhere.

Farmers were said to be very indignant that such vehicles were allowed on the road. It was rumored that chickens were so frightened they ceased laying eggs for days.

A dray wagon used by Papa Mac and our brother Preston to haul grain to the depot offered us an occasional ride. The horses were named Ribbon and Dobbin, Ribbon being the brighter of the two—that mare knew when to "gee" or "haw" on command.

Skating to school was an arduous means of mobility, since there might be a block of sidewalk, then a half-mile with none. On and off with the skate key, undoing the leather straps, re-adjusting each time—seems pretty foolish now, but not to a kid with new skates.

The family's first car, a Ford purchased from Connolly Motor Company of Tahoka, was an exciting, wondrous \$900 investment. As a twelve year old, our father took us out on a country road and said, "Get under the wheel, pull down the spark, let out the clutch and drive." How important we felt! In later years, the invention of the "self starter" eliminated broken arms, ulcers and unsa-

Yea, Team! O'Donnell Eagles

Preheat oven to 325°F. Grease and flour a 9x5x3-inch loaf pan. Stir together flour, sugar, cinnamon, baking powder and salt in large mixing bowl. Beat eggs in separate bowl; stir in zucchini, oil and vanilla. Add zucchini mixture to dry ingredients, stirring just until blended. Fold in walnuts. Pour batter into prepared pan. Bake for 1 hour and 5 minutes or until toothpick inserted in center comes out clean. Cool in pan for 10 minutes. Remove from pan and cool on wire rack. For easier slicing, wrap loaf and store overnight in a cool place. Makes one loaf.

very remarks as it replaced the hand cranked vehicle.

A few rides behind our friend on his motorcycle while in high school—we failed to mention these at home. Roadsters with rumble seats were not too popular with parents either. It was about this stage in time that a friend came out from Abilene to impress us all with his convertible equipped with a radio! The first tune we heard on a car radio was "Goofus"—such beautiful lyrics!

Speeding wheels lost some of their glamour as a ride in a Piper Cub with an instructor became available. Soaring over Tahoka, Slaton, and the Caprock was magical—what a view it was looking down at roof tops and mesquite bushes! It seems such a short time ago that the approaching roar of an airplane would motivate the whole family to rush outside and crane our necks toward the sky until that "big bird" faded out of sight. Decades later as we watched a gigantic Concord lift off the runway for its speedy flight from Washington to London, it became a certainty that there was virtually no unattainable travel goal.

The first commercial flight taken was with our sister from Lubbock to Fort Worth to attend an uncle's funeral. We felt very sophisticated as the custom then was to wear hats, gloves, and our best Sunday suit when flying.

A trip via Amtrak to Washington D.C. proved to be most memorable to us. Viewing the countryside from atop the observation car made geography come to life. From the wheat fields of Kansas to the delightful Amish colonies in Pennsylvania,

traveling was never more leisurely and pleasant. There were lush green hills dotted with well kept red barns and white fences, then the recognizable Amish men with their black hats and beards driving their families in horse drawn buggies and wagons—it seemed history was being relived.

Pondering: Uncommon rides—The cable cars in San Francisco which, as the song says, "take you half-way to the stars"—then in contrast, the descending elevator in Carlsbad Cavern seeming to go to the center of the earth; that breath-taking cable transit trip skimming the top of the Sandia Mountains, then a toboggan slide down a snowy mountain slope; always pleasant memories of boating and trolling on clear blue lakes.

Things we wish we'd done: A river raft excursion down the Colorado— an air balloon trip—a pack mule ride down into the Grand Canyon....

Back to reality—Space missions have become almost commonplace to us today, due to television. Yet space travel will forever project an image of Neil Armstrong as he landed his craft on the moon and planted our flag on the Sea of Tranquility. Memory of that transmitted voice saying "That's one small step for a man, one giant step for mankind," still makes chills run up our spine. More than likely the next twenty years of space travel will be equally awesome. What a transition in travel in one life span!

The buggy ride becomes dimmer and dimmer....Flashback: Truthfully, our first mode of transportation was a stick horse made from Mama's old broom handle!

1989 O'DONNELL EAGLES - Back row: Stanley Selman, Monte Garrett, Joe Castillo, Melvin Eaker, Bryan James, Mike Greenlee, Chad Summers, Gilbert Gonzales and Jerry Cagel. Middle row: Chad Vaughn, Patrick Olivera, Raymond Quigana, Brad Snellgrove, Raymond Zepeda, Bryan Barnes, Renee Hernandez, Leroy Sanchez and Jacob Lowe. Front row: Chris Rosales, Robbye Hale, Arnellio Hernandez, Jerry Castro, Rodrigo Rodriguez, Gilbert Ramos and Mike Rodrigues.

(LYNN COUNTY NEWS PHOTO)

Eagles To Challenge For Playoff Spot

The O'Donnell Eagles hope to return to the playoffs for the fifth time in six years under head coach Odis Summers even though 14 lettermen graduated. "We've lost some people who played a lot of football for us for two years but we have nine starters returning that have good talent," Summers said.

No matter what happens, Summers doesn't expect to see a repeat of 1988, when Jesse Perez and Charles Sanchez, both 1988 graduates, combined for more than 2,000 rushing yards. They will be difficult to replace.

The Eagles will key on defense where they allowed only 189.9 yards per game last season. Four regulars return, led by second-team all-district tackle Chad Vaughn, a 5-foot-9, 225-pound senior.

Brad Snellgrove, who started at defensive end last year, will be moved to linebacker and Melvin Eaker is back at strong safety and LeRoy Sanchez will return at cornerback.

The Eagles will return four letter-

men on offense and Eaker will be tried at quarterback.

Jacob Lowe returns at running back, and tackles Brian James and Bryan Barnes are also back.

O'Donnell finished 9-2 overall last year and 6-0 in District 4-1A. They will play Rotan Sept. 8 at home at 8 p.m. for their season opener.

O'Donnell

Nickname: Eagles
Head coach: Odis Summers (Texas Tech)

Assistant coaches: Arnold Parker (Texas Tech), Steve Patridge (Wayland Baptist), Mike Reed (Texas Tech)

District: 4-1A
1988 records: 9-2 overall; 4-0 in District 4-1A (first place)

1988 post-season: lost to Sudan 25-15 in bi-district

Starters returning: QB-55 Melvin Eaker, 6-0, 178, Sr.; RB Jacob Lowe, 5-8, 173, Sr.; OT Brian James, 6-4, 165, Sr.; LB Brad Snellgrove, 5-11, 160, Sr.; DT Bryan Barnes, 6-0, 192, Sr.; DT Chad Vaughn, 5-9, 225, Sr.; CB LeRoy Sanchez, 5-8, 153, Sr.

Other lettermen: FB-NG Jerry Cagel, 5-10, 154, Jr.; RB-55 Chris Rosales, 5-5, 125, Jr.; OG-DE Mike Greenlee, 6-0, 151, Sr.; C-DE Raymond Zepeda, 5-10, 151, Sr.; OE-LB Gilbert Gonzales, 5-11, 202, Sr.

Newcomers: OE-CB Chad Summers, 5-11, 157, Jr.; OE-FS Monty Garrett, 5-10, 154, Jr.; RB-CB Rene Hernandez,

5-11, 158, So.; RB-LB Patrick Olivera, 5-9, 151, Jr.; RB-CB Mike Rodrigues, 5-7, 138, So.; G-LB Robbye Hale, 5-7, 150, So.; C-DE Gilbert Ramos, 5-4, 169, So.; OT-DT Rodrigo Rodriguez, 5-4, 190, Jr.; OT-DT Jerry Castro, 5-5, 182, Jr.; OT-DT Arnellio Hernandez, 5-6, 201, Jr.; OE-CB Ramon Quintana, 5-7, 138, Jr.; QB-FS Joe Castillo, 5-11, 154, Jr.; RB-DB Stanley Selman, 5-10, 152, Jr.

Outlook: The Eagles shouldn't be quite as powerful as they were a year ago, but don't look for them to be completely helpless. With nine starters returning, Summers has a solid nucleus to again challenge for a playoff spot. As a large Class 1A school, O'Donnell is also able to play a full junior varsity schedule, meaning the Eagles will be able to rebuild a little quicker.

Mustangs To Show New Faces In '89

Wilson head coach Rex Bilby will have to completely rebuild his team this year as only three starters return including lone senior Cody Means at quarterback.

Sophomores Michael Villarreal and Richard Frausto return at defensive tackle and linebacker.

Wilson went 9-2 overall in 1988 finishing second in District 3-A and lost to Lubbock in the area playoffs.

Despite the lack of experience, Means remains optimistic that the

Mustangs can return to the state playoffs.

"They talk about me being the only returning starter on offense, but in a lot of those games (last year), a lot of those other guys got to play when Wilson had a large lead," Means said. "They say we have just one senior and only two juniors, but when you look at the film, the guys we're counting on can play."

James Munoz and Frausto are the early leaders for spots in the backfield of head coach Rex Bilby's

ground-oriented I-formation attack. The key- and most thankless- position back there likely will be fullback.

"The main thing for our team would be to find a proven fullback," Means said. "If we get us a real tough fullback, we'll be OK."

Alfred Cantu and Michael Villarreal, both sophomores, are the leading candidates at end. Ricky Brown is the leader at center.

The Wilson News

By PAM WILLIAMS
(806) 628-6330

"Meet the Mustang" night was held last Thursday to introduce and honor the 1989 football team. The band and cheerleaders performed to get everyone ready for the new season. The Mustangs scrimmaged Loop here last Friday and will scrimmage Amherst there this Friday night. The regular season will begin on Sept. 8 at Klondike.

The Young at Heart Group will meet at St. John's this Thursday at 1 p.m. for their monthly afternoon of fun and fellowship.

School got off to a good start on Monday. There were 133 students in elementary and 95 in 7-12th grades who attended the first day of classes. We have several students new to Wilson this year. Monday, Sept. 4, will be a school holiday.

Here's Where to See Latest Medical Technology

The latest developments in bio-medical devices and human organ transplant technology are creatively shown in a new museum exhibit that will tour the United States.

The Science Museum of Minnesota in St. Paul has produced "Bionics & Transplants: The World of Replacement Medicine" to show new and old technology ranging from a myoelectric hand to an implantable heart pacemaker to an ultrasonic sensing device for the blind and examples of microsurgical repair of a hand.

Sponsored by Medtronic, Inc., the exhibit includes devices from scores of suppliers as well as video features and graphic displays.

After appearing in St. Paul during the summer of 1989, the exhibit will follow this schedule:

- Oct. Dec., 1989: Fort Worth (Texas) Museum of Science and Industry
- Feb. Apr., 1990: California Museum of Science and Industry, Los Angeles
- June-Sept., 1990: Museum of Science and Industry, Chicago, Ill.
- Oct. Dec., 1990: Franklin Institute, Philadelphia, Pa.
- Feb. Apr., 1991: Museum of Science, Boston, Mass.
- June-Sept., 1991: Center of Science and Industry, Columbus, Ohio
- Oct. 1991-Jan. 1992: Science Museums of Charlotte, N.C.

The highest city in the U.S. is Leadville, Colorado. It's nearly two miles above sea level in the Rocky Mountains.

The Amazon is too wide at many points for a person on one bank to see the opposite shore.

Dingy Clothes and Dishes Part Of Hard Water Woes

If clothes fresh from the washer still look dingy or if your bath soap just doesn't seem to lather well, you may have a hard water problem.

"Hard water interferes with almost every cleaning task from laundering and dishwashing to bathing and personal grooming," said Dr. Susan M. Quiring, a housing specialist with the Texas Agricultural Extension Service.

Hard water may be costing you money in other ways. For example, a New Mexico State University study in Las Cruces, measured energy consumption of six gas and electric water heaters for 5 to 15 years.

Half of the heaters used untreated hard water and half used softened water. The water heaters using the hard water consumed considerably more energy than the soft-water group, Quiring said.

Also, researchers removed from the water heaters using the untreated water. The soft-water group had from 1.09 to 4.27 pounds of sediment in the heaters. Sediment is a poor heat conductor and will reduce the efficiency and life of the water heater.

Although hard water is expensive, treatment methods should be considered carefully. A homeowner can purchase or rent a mechanical water

softening tank and connect it to the water supply line.

This equipment operates using ion exchange, that is, as the hard water passes through the softening material the calcium and magnesium ions attach to the softening beads and the sodium in the beads is released into the water to replace them.

"The softening material is then washed with a brine solution to re-charge so the process can continue," the specialist said. Most softeners are designed to do this automatically, either on a time schedule or on demand.

There are several types of water softeners available and prices range from \$400 to more than \$1,800. A reasonable price to pay for an installed unit is \$600 to \$800.

"Considerations should include the cost of the equipment and its installation, the warranty (usually about 10 years), the method and re-charging system the tank uses and the reputation of the dealer/installer," Quiring said.

Individuals with heart or circulatory problems or who are in low sodium diets may not want to soften water or they may want to soften only the hot water. Quiring suggests checking with a physician if one is in this category.

The first father and son to serve at the same time in the U.S. Senate were Henry Dodge of Wisconsin and his son, Augustus Caesar Dodge of Iowa. They served from 1848 to 1855.

TAHOKA DRUG

1610 Main Street Tahoka, Texas
We accept the following Prescription Drug Plans:

NOTICE OF PUBLIC HEARING ON TAX INCREASE

The City of Tahoka will hold a public hearing on a proposal to increase total tax revenues from properties on the tax roll in 1989 by 7.9%. Your individual taxes may increase at a greater or lesser rate or even decrease, depending on the change in the taxable value of all other property.

The public hearing will be held on September 11, 1989 at 7:00 p.m. at City Hall.

- FOR the proposal:** Dayton Parker
Wayne Tekell
Jimmy Huckabey
Carl Reynolds
Milt Uzzle
- AGAINST the proposal:** None
- PRESENT and not voting:** None
- ABSENT:** None

The following table compares taxes on an average home in the City of Tahoka last year to taxes proposed on the average home this year. Again, your individual taxes may be higher or lower, depending on the taxable value of your property.

	Last Year	This Year
Average home value	\$24,150.00	\$24,150.00
Tax rate	\$.474	\$.5117
Tax	\$114.48	\$123.57

Under this proposal taxes on the average home would increase by \$9.09 or 7.94% (percent) compared with last year's taxes.

Comparing tax rates without adjusting for changes in property value, the tax rate would increase by \$.0377 per \$100 of taxable value or 7.9% (percent) compared to last year's tax rate. These tax rate figures are not adjusted for changes in the taxable value of property.

TOUR RESEARCH FACILITIES - These cotton producers, sponsored by Texas Farm Bureau, recently toured Cotton Incorporated's research facilities in Raleigh, North Carolina. During the tour, they viewed sample home fashion cotton fabrics which were designed on the handloom in the background. These new 100-percent cotton designs help keep U.S. upland cotton vital in domestic and foreign marketplaces. Cotton Incorporated's manager of weaving operations, Doug Fain (far right) discusses weaving research implementation with tour participants (left to right) Rodney and Susan Schoppa of Lubbock, Roland and Wanda Keener of Welch, and Leland and Barbara White of New Home. Cotton Incorporated is funded by U.S. Upland cotton producers through per-bale assessments.

Success Strategies For Shopping With Coupons
 Coupons can offer a real bonus for grocery shoppers. They can also cause shoppers to waste their money and time.

Coupons entice some shoppers to purchase products that give more convenience than they need, products they don't ordinarily buy, products with less nutrition for the money spent, and more of a product than can be used in a reasonable time. Remember that manufacturers use coupons to introduce new products and build brand loyalty, and grocers offer coupons to attract your business to their store. Coupons are a legitimate form of advertising. But, they are not always the best value.

Here are some tips for successful shopping with coupons: Before you to the store, do your "homework". Study food advertisements and check your current food supplies. Shopping wisely with coupons requires a high level of price-consciousness in order to determine whether a product is a good buy or not. Make a shopping list of the things you need and select coupons for the products on your list.

Once you get to the store, don't buy a product simply because you have a coupon. Compare prices for the item, the item with a coupon, the store brand and the generic brand to determine which is the least expensive. Use the unit prices on the shelves to make this comparison.

Even with cent-off coupon, a generic or store brand will often be less expensive, although you may want to purchase the national brand for special occasion dishes.

Eliminate "junk" foods if their only value is for redeeming coupons. Just as with every other food purchase, read the nutritional labels on coupon items.

To make the most of coupons for products you need, combine coupons with store specials for additional savings. Also, if the store offers double or triple coupons you can usually save more by buying several small packages of the same item rather than one large package, if you have more than one coupon.

Finally, watch for errors at the checkout counter, even with the electronic scanning systems. Make sure you are charged with advertised price rather than the regular price on sale items, and that your coupon savings are accurately deducted from your total.

Tahoka School Menu

SEPT. 4-8
 BREAKFAST

- Tuesday: Pork sausage, hot biscuit, butter and jelly, grape juice, milk.
- Wednesday: Frosted flakes, 1/2 orange, milk.
- Thursday: Cheese rolls, pineapple tidbits, milk.

'Texas' Sets New Mark In Attendance

Texas closed its 24th season beneath the cliffs in Palo Duro Canyon on Saturday, Aug. 26, with a record attendance of more than 101,000 visitors, an average of 1,600 persons each night.

One official rainout and several nights of rain kept this season from becoming the largest in the history of the drama. The total is second only to the 1986 season when the musical drama welcomed 105,423 with no rainouts.

Highlights of the season included a *Good Morning America* taping which aired on ABC on July 11, and

a *Goof Morning Regis and Kathy Lee* segment which will appear nationwide this fall.

Delia Wilburn of Denison, TX was the two millionth visitor to *Texas* early in July. All four of the late Pulitzer Prize winning author Paul Green's children saw the musical drama in August, and Miss USA, Gretchen Polhemis, attended in July.

In 1989, 24 per cent of those attending were from a radius of 120 miles of Palo Duro Canyon. Fifty per cent of the visitors were from the rest of Texas, and another 26 per cent of the total were from out of state, including many from Europe.

NOTICE BIDDERS

Notice is hereby given that the Commissioner's Court of Lynn County will receive sealed bids, in the office of the County Judge, until 9:00 o'clock a.m. September 14, 1989, for the purchase of the following equipment:

One new Tandem powered motor grader meeting the following minimum specifications: Diesel engine with 150-180 variable net flywheel horsepower. Articulation main frame with indicator. ROPS high clearance enclosed cab with factory installed heater, air conditioner, and pressurizer, AM-FM radio. Front and rear window wipers with window washers, defroster fan, rear drawbar, direct drive power shift transmission with six (6) speeds forward and reverse, travel speed of approximately 25 MPH. Variable displacement hydraulic pump. Full Hydraulic controls on all implements with lock valves on all hydraulic circuits. 14 ft., chrome moldboard with hydraulic sideshift and tip controls. Min of four (4) front and one (1) rear headlight with directional signals. Adjustable deluxe seat. 24 volt electrical system. Low temperature starting system and Ether starting aid. 14.00x24 tires, 10 plies mounted on 16" rims. Heavy duty radiator. Differential lock and unlock. Scarifier V 11 Teeth. All items which are normally standard. Minimum operating weight of 30,000 lbs. Brakes on all four drive wheels with safety park brake.

Initial price and specification are only part of the criteria in the evaluation process of determining the best bid for Lynn County. Lynn County Precinct Three, requires a guaranteed minimum repurchase at the end of 60 months or anytime after delivery. All bids should include a thirty (30) months financing plan, and or (3) years. Full machine warranty, with a total cost bid. One bid will be with trade in, a Gallion A550 Motor Grader. One bid will be without trade in. Complete total cost bid specification are available from the County Judge office at the Lynn County Courthouse.

In addition to the above specification, the following factors will be considered in arriving at the bid selection:

1. Availability of parts and service.
2. Reputation of the bidder and product.
3. Adaptability of the equipment to any other accessory or equipment in the Lynn County inventory.
4. Any variation to these advertised specification must be so stated.

Lynn County reserves the right to accept or reject any or all bids, and to accept the bid considered the most advantageous to Lynn County.

By order of the Commissioners' Court of Lynn County, Texas.

/s/ J.E. Brandon, County Judge

Leopards Must Stay Healthy For Repeat Performance

New Home graduated six seniors who played a large part in the Leopards' drive to the state quarterfinals last year, but head coach Dickie Turner isn't worried because four offensive starters and two starters on defense are returning.

"We can't stand injuries," Turner said. "We're not deep because we only gained one freshman. We graduated six seniors but we had some kids backing them up that were good players."

One of those players is senior Coby James, who made 130 tackles last season and earned second-team all-state honors as a defensive back. As quarterback, James threw for 581 yards and 12 touchdowns last season.

"Pound for pound, he's probably the best player around," New Home coach Dickie Turner said. "Offensively, he throws the ball really well. As a safety, he seems to make all the right reads and is always in the right spot."

He'll be joined in the backfield by junior Scott Fillingim, a returning starter at fullback. Senior Grady Thompson, who started at left end last season, and sophomore Michael Caballero are the leading candidates to fill a void at tailback.

Junior Raymond Correa is a returning starter at center, and senior Armando Hernandez is the leading candidate to step in at the other end spot.

Fillingim, Thompson and Caballero are the leading candidates to fill voids at linebacker. Hernandez and Correa are expected to get the starting nods up front.

1989 SCHEDULE		
Sept. 8	at Borden County	7:30 p.m.

New Home News

Mr. and Mrs. Roy Blevens attended a bowling tournament in Fort Worth the weekend of Aug. 26.

Jean Ray was in Methodist Hospital for 3 days where she underwent minor surgery. Her test results were good.

Since several friends have said they would have come had they known Bessie Strain was having a birthday celebration, she wants everyone to know that we had only a family get together. The family all agreed that highlight of the day was being able to attend the morning worship at the New Home Methodist Church with their 95 year old loved one, who is a charter member of their church.

Class officer election took place on the 1st day of school and these are the results:

7th grade: Pres.- Gilbert Alonzo; V-President- Emeralda Vasquez; Sec.-Treas- Jason Gandy.
8th grade: Pres.- Amber Gatzki; V-President- Brody Moore; Sec./Treas.- Shannon Zant.
9th grade: Pres.- Kavy Turner; V-

Pres.- Diana Garza; Sec./Treas.- Chris Arzola.

10th grade: Pres.- Jeff Armes; V-President- Michael Caballero; Sec./Treas.- Teresa Caballero.

11th grade: Pres.- Henry Caballero; V-President- Thelma Armijo; Sec./Treas.- Scott Fillingim.

12th grade: Pres.- Jenni Gast; V-President- Micaela Ibarra; Sec./Treas.- Tobi Timmons.

Student Council- Pres.- Joe Solorzano; V. Pres.- Henry Caballero; Sec.- Lanny Zant; Treas.- Michael Caballero.

The Llano Estacado Driving Society had a weekend campout and Drive at the A Ranch, Northeast of Tahoka, this past weekend.

A steak supper was enjoyed by 55 club members and guests from Plainview, Lubbock, Ransom Canyon, Canyon, Levelland, Woodrow, Acuff and New Home.

There were 3 horse drawn vehicles and alot of horse back riders of all ages that enjoyed 2 days of the ranch country and there was alot of just good ole visiting.

The Driving Society meets the 2nd Thursday of every month at BW and Doris Phillips home in South Lubbock. It has about 15 families in membership.

Hub City Riverfest

Make plans now to attend the first annual "Hub City Riverfest" which will take place Labor Day, Sept. 4, at Buddy Holly Park from 10 a.m. to 8 p.m. There will be arts and crafts, a Guinness World Book of Records crawl-a-thon, battle of the bands, hot air balloons, a home-made ice cream "freeze-off" and plenty of games, entertainment, fun and food for the whole family. Proceeds raised will benefit local non-profit organizations serving Lubbock's children.

For more information, please call the City of Lubbock's Office of Information and Referral, 762-6411, extension 2282. Entrance is free.

Wayland Reinstates MBA Program

Wayland President Dr. Lanny Hall has announced the reinstatement of the master of business administration degree program, effective with the beginning of the fall semester Wednesday.

"Wayland is pleased to announce the reinstatement of the graduate program leading to the master's degree in business administration," said Hall. "There is a great demand in our area for the MBA program and we feel that many needs will be met through this program."

The degree program was put on hold two years ago as the university sought to strengthen a depleted Division of Business Faculty. Dr. Wallace L. Duvall, division chairman, has completed the staffing effort, adding four new professors with terminal degrees.

"We have a well-qualified faculty and the program has received the stamp of approval from the Commission on Colleges of the Southern Association of Colleges and Schools (SACS)," added Hall. SACS is the accrediting body for institutions of higher education in the southern United States.

Students enrolling in the 36-hour, non-thesis MBA program can specialize in management or health administration. Most classes are

conducted at night or on weekends to better fit the schedules of working adults seeking the degree to improve their potential for advancement.

"This is not a traditional program," said Duvall. "We are appealing to those students who are already working and want to get their MBA. The master's degree is essential for many persons entering management fields."

Classes will be offered in Plainview and Lubbock, with both the management and health administration specializations available on both campuses. In the management area, students can concentrate in accounting, business information systems, or management, while the health administration specialization is directed at hospital and nursing home administrators.

Students interested call (806) 296-5521.

One golf course in Africa includes in its ground rules a free drop for a ball that lands in a hippo footprint.

Obituaries

Lorene Glidewell

Services for Lorene C. Glidewell, 86, of O'Donnell were held at 2:30 p.m. Tuesday, Aug. 29, 1989 in First Baptist Church with the Rev. Ernie Waggoner, pastor, officiating.

Burial will be in O'Donnell Cemetery under direction of White Funeral Home of Tahoka.

She died at 11 a.m. Sunday, Aug. 27, in Medical Arts Hospital in Lamesa after an illness.

She was born in Waxahachie and moved to Lynn County in 1959 from Mangum, Okla. She married Ed Glidewell on Dec. 13, 1924, in Mangum. He died in 1985. She was a retired homemaker and a member of First Baptist Church.

Survivors include three daughters, Jimmie Knight Jones of O'Donnell, Ramona Knight of Seagraves and Peggy Hinton of Beaver, Okla.; a son, Robert of Hooker, Okla.; two sisters, Loella Ivy of Ozark, Ala., and Alma Reigel of Pratt, Kan.; a brother, Hershell Barnett of Heber Springs, Ark.; eight grandchildren; four step grandchildren; 14 great-grandchildren; and three step great-grandchildren.

Pallbearers were Eddie Knight, Bobby Knight, Jim Hamerschmidt, Bobby Mann, Bob Glidewell, Tommy Knight and Ken D. Jones.

Country Peddler Show Scheduled

What is described by promoters as "the country's leading folk art craftsmen" will be in Lubbock Sept. 22-24 to display their wares at the Country Peddler Show at Lubbock Memorial Civic Center.

Admission will be \$3.50 for adults, \$1.50 for children. Entertainment will be by the Sweet Songs String Band of Arlington, TX, featuring dulcimer and other folk instruments.

at a public meeting to be held on

September 7, 1989

in the Board Room at 8:00 p.m.

Hooray for our TEACHERS

Margaret Carter
5th Grade Teacher

Margaret S. Carter teaches 5th grade at Tahoka I.S.D., and has taught here for 11 years. She is married to Clayton (Ike) Carter, a farmer, and they live in Tahoka. They have two children, Lisa, 19, who is a sophomore at Texas Tech University, and Chris, 16, a junior at THS.

One of her fondest memories is "teaching with Mr. Jackson, a gentle, quiet man whom the students all loved," she says. "He played with them, joked with them, but they always respected him. Teachers as well as students loved and respected him." Margaret strives to help promote maximum growth and learning potential for each of her students. She says her worst moments in school are "appraisals."

She is a member of the First United Methodist Church in Tahoka where she is one of the church organists and sings in the choir, and also a member of the Joy Ringers, a handbell choir. She was Music Chairman of Delta Kappa Gamma, a professional teaching organization, and a member of the Wesleyan Circle at the Methodist Church.

Margaret was raised in Tahoka, and graduated from THS. In 1962, she earned a B.A. in History at Wayland Baptist University, and received her Masters in Elementary Education in 1982 from Texas Tech University.
