More Meat Is Stolen At Wilson

A Wilson woman who reported losing some chicken legs and other meat items in a burglary two weeks ago told sheriff's officers that she had been burglarized again Friday night, with more meat items and other foodstuffs the only thing missing. Sabina Tedder told officers the burglars had entered her home on Houston Street through a bathroom window.

Among items missing were hamburger, corn dogs, roast, ham and canned goods. Total value of the stolen articles was listed at \$200.

Randy Morris of Lubbock reported to Lynn County Sheriff's Dept. that his 1982 Ford pickup had been burglarized on U.S. 84 in Lynn County over the weekend. Stolen were a JVC stereo cassette player, Pioneer and Sony speakers, a spare tire, and the license plate.

Tahoka Police Dept. investigated a burglary of a habitation on Monday at the home of Jose Manuel Garcia, 1300 S. 3rd. Reported missing were a Zenith VCR valued at \$300 and four rented tapes from Mullins TV in Lubbock, valued at \$40.

Police arrested a 24-year-old Tahoka man for public intoxication on Saturday and took him to the county jail to be booked, but while the jailer was busy booking another subject, the man escaped. Officers later found the subject walking down Ave. L and he was again taken to the jail and booked for public intoxication plus escape.

Also jailed during the week were two persons for driving while intoxicated and one each for theft by check, disorderly conduct, public intoxication plus possession of marijuana under two ounces, and public intoxication.

SCHOLARSHIP PRESENTED—Ann Roberts, left, president of Tahoka Chamberettes, presents a check for \$100 to Chelle Thomas, who was the 1988 Harvest Festival Queen. Chamberettes present the annual scholarship to the queen when she begins her college education. Miss Thomas is a pre-nursing student at Texas Tech University, and is the daughter of Edwin and Tommy Sue Pebsworth of Tahoka.

County Harvest Festival Plans Taking Shape

Plans are taking shape for the annual Lynn County Harvest Festival, scheduled this year for Saturday, Oct. 7, following Tahoka's Friday night Homecoming football game. Booths will once again be arranged on the county courthouse lawn with various games and food offered. Cal Huffaker will be this year's emcee for the festival.

The festival committee, chaired by Nadine Dunlap and J.D. House, has appointed Kandy Jay booth chairman, and booth space will be available on a first-come basis. Call Mrs. Jay at 924-7314 or Nadine Dunlap at 998-5135 to reserve booth space. Charlie Tekell is chairman of the Lynn County Fair, and she may be

called at 998-5336. Fair rules and the entry blank are printed elsewhere in this edition.

Lynn County Harvest Festival Queen and Princess contestants will soon be selling chances to win a free bicycle, a Texas Tech weekend, and a trip for two to Puerto Vallarta, Mexico, and area merchants will be asked to donate prizes for the hourly merchant drawings during the festival.

Members of the Tahoka Junior Class will also be selling tickets for the Cow Patty Bingo event to be held during this year's Harvest Festival. These tickets are \$10 each and the winner will receive a \$300 meat gift certificate.

Several Tahoka class reunions will be held the weekend of Oct. 6-7, and organizers of these reunions are asked to give information on these to the Lynn County News, in order that a schedule may be printed the week of homecoming.

County Gets Heavy Rain

Adding nearly another half inch which was recorded Monday and .16 of an inch Tuesday, Tahoka has had about two and a half inches of rain in three days, and more rain was in the forecast for Wednesday.

Total rainfall for the year to date as of Tuesday was 14.64 inches, according to U.S. Weather Service figures.

Bulldogs Hoping To Do Better In Home Opener

With opposing defenders or yellow flags arriving about the same time as Tahoka's running backs and quarterback got the ball last Friday night, the Bulldogs were unable to do much against the rugged defense of the Plains Cowboys and went down 32-2 in the season opener at Plains.

Players and Coach Joe Paradis were disappointed in the first game results. "They just blocked and tackled better than we did," said Paradis. However, the team worked out hard this week and hopes to show a lot of improvement when Class AAA Cooper comes to Tahoka at 8 p.m. Friday. Cooper opened with a 26-14 win over Morton. Former Tahoka

head coach Ted Wiley is a member of the Cooper coaching staff.

Against Plains, Tahoka gained just 49 yards rushing, and lost 36 of this on quarterback sacks, so had a net of 13 yards on the ground. The Bulldogs did throw for 67 yards, but the only score of the game for Tahoka was when Michael Isbell wrestled the ball away from a Plains back trying to run for two extra points in the second period and then Isbell ran 97 yards for the two points. Recent rule changes allow the defensive team to score on an extra point attempt if an interception or fumble return goes the distance.

Plains scored on its first possession,

on a 13-yard pass to Shawn Boot. Plains second drive was halted when Tahoka's David Lee recovered a fumble at the Tahoka 9. Mario Medina scored from the 1 for Plains later, and Plains scored again on the last play of the half as Monte Pierce ran 4 yards. On the 2-point conversion try, Isbell grabbed the ball away and took off for Tahoka's 2 points.

Plains scored touchdowns in each of the last two quarters to make it 32-2. The Bulldogs were mired in their own end of the field for most of the last half, and had several gains canceled by penalties.

WHOA, NOW—Dallas Williams (62) wrestles Plains quarterback Monte Pierce to the ground in first-game action at Plains Friday. Other Tahoka players here include Cruz Rivas (61), Michael Isbell (1), Mike Morin (74) and Albert Mendoza (32). Plains won the game 32-2.

THE OCTOBER ISSUE of *Esquire* includes an article about Bill Moyers, the Texan who is well-known for his "Bill Moyers' Journal" on television, although I have to admit I never have watched one of them. Moyers, who once worked for Lyndon Johnson and who is an ordained Baptist minister, was himself the subject of a story in *Esquire* by another writer, David Zurawik.

The author of the story went on a trip through East Texas with Moyers and then wrote his story which basically depicts Moyers as a common, down-to-earth Texan, with a lot of smarts.

I never met Bill Moyers, although I did meet his brother, James, who was a fellow journalism student at North Texas State when I was there. Like another NTSU journalism student I went to classes with, Kenneth May of the Lubbock Avalanche-Journal, James Moyers later died of cancer.

Moyers is from Marshall, and the story talks about some stops in places like Diboll, where Moyers ordered a belt-buster from the Dairy Queen, a roadside cafe in Shelby County and a Baptist Church in Wilmer.

It also tells about how he did special programs for CBS, and once turned down an offer to return to the network for \$20,000 a week.

Obviously, Moyers has made more money with his journalism talents than most of the rest of us who write things. Neither CBS nor anyone else has offered me \$20,000 a week lately. When they do, look for this space to be blank in the next issue.

RECENT pictures from a space vehicle have provided more information about the rings around Saturn, showing that they go all the way around the planet. I don't know if this has any bearing of proof or denial of the theory of one astrophysicist who travels a lot by commercial airlines, and who says he has developed a theory to explain the rings around Saturn. They are composed, he says, of lost airline luggage.

Trinity Bible Studies Launched Here

A program of disciplined Bible study for laymen, emphasizing "knowing what the Bible says as a basis for what it means" begins Sept. 17, at the First United Methodist Church in Tahoka at 6:30 p.m.

"We believe the time is right for a systematic and thorough Bible study for our churches," said Dr. Frank Warden, author of the new program. "There are excellent studies now, but these are usually of books or portions of the Bible. We are seeking a Biblical point of view. For more than five years we have studied the methods of offering this kind of perspective on the whole Bible, and Trinity Bible Studies is the result."

The plan of the course looks toward ten semesters, each ten weeks in length. The first two are Surveys of the Old and New Testaments, followed by depth studies of every section of the Bible.

Not intended as "mere devotional or occasional" materials, these studies call for a disciplined commitment.

The student is expected to attend weekly classes, complete daily assignments and prepare for examinations. However, the approach is neither heavy or scholastic.

"Unique visual learning aids, cartoons and memory techniques make the Bible come alive. Visual aids are scattered throughout the Bible. We believe those used in Trinity Bible Studies are in good taste, and they will fix the important personalities and events in the mind," says Larry E. Ramsey, pastor of the Tahoka UMC.

The course will be taught Rev. Ramsey. He has taught this course in Rotan and Crosbyton. Pastor Ramsey has also taught biblical studies at Frank Phillips College in Borger, Texas.

The course begins Sept. 17 and is open to any interested person. The registration fee of \$10 covers the notebook and materials. For more information call the church office at 998-4503.

Football Talents Continue Over Three Generations

The grandson of a former Tahoka High School running back was the subject of an article in the Brenham newspaper recently, in which writer Bruce White lauded the place-kicking abilities of Brenham junior Jarvis Van Dyke.

Van Dyke kicked six field goals out of 10 attempts last year as a sophomore, said the story, and this season hopes to set new marks, including a goal of breaking the school record of 52 yards for the longest field goal.

Van Dyke is the grandson of Jim Van Dyke, who played for the Tahoka Bulldogs in 1935. His great-grandmother, Bess Van Dyke, still lives in Tahoka. Van Dyke's father, Eddie, was an all-state football player for San Antonio Edison in 1957, and his older sister, Heather, was all-state in track for Brenham and now runs track for Baylor.

Jarvis told White he started kicking in the eighth grade. He hit from 47 in a pre-season scrimmage and has hit from 60 yards out once in summer practice.

His grandmother is Nelda Van Dyke of Brenham.

Mustangs Suffer From Turnovers

The Wilson Mustangs had too many turnovers and lost 34-16 in the season opener at Klondike last Friday night, but hope to get things going better this week as they play their first home game, against Ira, which also lost last week, 25-6 to Lazbuddie.

Coach Rex Bilby's Mustangs played tough on defense against Klondike, allowing only 9 yards rushing, but Klondike scored on a long interception return and went on to win the game.

Klondike scored on the first play of the game with a 52-yard pass play and kicked the two-pointer. But Wilson's James Munoz returned the ensuing kickoff 78 yards for a touchdown and then also ran for one extra point to leave the Mustangs behind 8-7. A little later lineman Richard Frausto of Wilson hit the Cougar quarterback and caused a fumble in the Klondike end zone, recovered by Klondike for a Wilson safety. This put Wilson up 9-8.

Just before the half Wilson drove to the Cougar 10, but Klondike's Corbett Foster intercepted and ran 78 yards to put the Cougars ahead 14-9 at halftime.

Munoz suffered a shoulder separation and was out for most of the second half, but did return in the fourth period to run 78 yards for a Wilson touchdown. However, Klondike scored 20 points in the last half. Coach Bilby said Munoz probably will play some this week.

Joyce says her worst moment in school was while on a trip to Joyland with her 1986 sixth grade class when "I got extremely sick." She fondly remembers the time when her class honored her and the other two sixth grade teachers with a surprise thank you party at the end of her second year of teaching.

Joyce enjoys reading Christian literature and spending time with her "grandbabies". Farmers Invited To Meeting On Loan Servicing

Lynn County farmers with loans from the Farmers Home Administration are invited to a meeting on Sept. 26, on how FmHA's computer program is used in considering loan servicing options such as rescheduling and write-downs, FmHA County Supervisor, Curtis Barlow said.

The meeting will be at 1 p.m. at Levelland at the Hockley County Fair Grounds located 1 mile west on FM 300 from intersection FM 300 and US 385.

Mr. Barlow said the meeting is particularly important for FmHA borrowers behind in their payments and those having difficulty with their loans.

"We will go over all the options available to those borrowers and explain how to go about finding one that will keep them in operation," Mr. Barlow said. "We will be putting emphasis on the Debt and Loan Restructuring (DALRS) computer program that was developed just for this purpose."

Mr. Barlow said DALRS does many mathematical calculations quickly and in a number of combinations in helping in the analysis of farm financial plans.

"If a restructuring plan exists that will keep the borrower on the farm, DALRS will find that plan, and that plan will minimize the cost of debt restructuring," he said.

DALRS was developed as a tool to help debt restructuring authorized by the Agricultural Credit Act of 1987. FmHA farm borrowers who are behind in their payments should, by all means, try to attend this meeting.

Band Boosters To Have Meeting

The Tahoka Band Boosters will have their first meeting of the year Monday night, Sept. 18, at 7 p.m. in the THS band hall. Plans for the year, including band trips, contests, and programs, and the band boosters concession stand and booth at the Harvest Festival will be discussed. All parents of band students and anyone interested in supporting the Tahoka band program are invited to attend. Stephen Morgan is director for the Tahoka I.S.D. bands.

A note of Thanks for something good...

For several years, a non-denominational Sunday School class has been offered each Sunday morning, 9:30 to 10:30, out in plenty of time to allow participants to attend the church services of their choice.

This is a good class, taught by Truett Smith and Vernon Jones, and I just want to say thanks to these fine Bible teachers and to First National Bank for use of their community room by the class.

Anyone and everyone is welcome to attend, and informal attire is fine.

NOSE DROPS CAN GET CONTAMINATED
Nose drops are helpful in the treatment of adults and children. Most physicians prescribe them. When you get them from your pharmacy they are pure and potent. But as soon as you take out and use the dropper, it is exposed to virulent germs which may enter the bottle, multiply and cause a severe infection. Removal of the protective cap of the spray bottles permits these germs to collect at the top to infect you.
To avoid this, cleanse the dropper and top of the bottle with alcohol before replacing it. Examine partly used nose drops and if the contents become cloudy, or a sediment develops, don't use them. It may be dangerous.
"A GREAT MANY PEOPLE ENTRUST US with their prescriptions, health needs and other pharmacy products. We consider this trust a privilege and a duty. May we be your personal family pharmacist?"

MINERALS

Minerals not only give structure to bones and teeth, they are also essential for alert nerve and muscle reaction. Minerals maintain the acid-base balance and fluid-electrolyte balance throughout the body. Calcium and phosphorus together form calcium-phosphate in the bones, but vitamin D is required to absorb and utilize the calcium. Balance is the key word for overall vitamin-mineral health.
