"AND IN ALL THINGS, GIVE THANKS" - The family of Sammy Pridmore of Tahoka is thankful to have him home in time for the Thanksgiving holiday this week. Pridmore recently returned home after spending 43 days in a Lubbock hospital following an accident when he fell from a utility pole while working, causing damage to his left shoulder, upper arm, wrist, elbow, several cracked ribs and vertebrae and a crushed pelvis. He said, "My feet never touched the floor for the first 40 days." He is shown here with his wife, Dee Dee, daughter La'Shea, and twin sons Josh (left) and Jerid. "I never knew how much I would miss Tahoka," Pridmore said of his stay in the hospital. "I'm very thankful for all my family and friends here, and appreciate all the concern and support they have given me."

Moonlight Madness Sale Set Here Next Friday

Santa Claus is on his way and will be at the eighth annual Moonlight Madness Sale, Friday, Dec. 1, from 6-9 p.m., in Tahoka.

Fifteen businesses participating in the annual Christmas shopping sale sponsored by the Tahoka Chamber of Commerce will offer merchandise at reduced prices during the three hour sale and will have drawings for free gifts and turkeys.

Persons who register for the free gifts must do so during the three hour sale and merchants have requested that all registrants be at least 18 and that no name be entered in a box more than one time. No purchase is necessary to register.

Something new offered at this year's event will be free rides in an Amish surrey owned by John and Mary Bess Edwards of New Home. Young children wanting to ride in the surrey must be accompanied by a parent.

The three-seated surrey is a reproduction of a vintage Amish surrey which the Edwards purchased this summer at an Amish sale in Topeka, Ind. It will be pulled around the square by a four year-old Belgian Draft Horse named "John" after his owner because "he has red hair and freckles, too!" Mary Bess Edwards said.

This surrey will be featured in a Gebo's television commercial which will be aired between Thanksgiving and Christmas, and will be making

appearances at the Kingsgate Shopping Center in Lubbock before Christmas, Edwards said.

Also featured at the Moonlight Madness Sale will be the singing quartet of the Sweet Adelines, "From the Heart"; members include Brenda Thomas, formerly of Tahoka, Drew Foster, Gayle Settle and Bobbie Jensen, all of Lubbock. They will be singing Christmas carols from 7:30-8 p.m. at the triangle.

Santa Claus will make his rounds to all of the stores and then will be at the Memorial Triangle at the square along with Mrs. Claus and the Chamberettes who will be serving free hot drinks.

Santa's Mailbox will be on the

triangle for children to send their letters to the North Pole via the Santa Express.

The Christmas lights and new decorations will be lit for the first time of the season on the courthouse lawn, according to Chamberettes. Several trees, wreaths and the new nativity scene will be lit for display.

Businesses which plan to be open for the sale are Glenda's Sweet Shop & Cafe, Balloons & Flowers, Dayton Parker Pharmacy, The Mirror, The Tahoka Daisy, Tahoka Flowers, Thriftway, Furniture Ole', Jennings of Tahoka, Aunt Becky's Place, Tahoka Drug, Perry's, Hand Me Down Shoppe, The Cake Palace and the Lynn County News.

New Burglaries, Thefts Reported During Week

Tahoka Police Dept. and Lynn County Sheriff's Dept. investigated more burglaries, thefts and vehicle accidents during the last week, and several defendants in felony cases were sentenced Monday by District Judge George Hansard upon the defendants' pleas of guilty.

Last Thursday Alfredo Rosales, 1125 Ave. J, reported his home burglarized the previous Monday, with about \$40 worth of groceries missing.

A 27-year-old Tahoka man was treated at Lynn County Hospital for a head injury after an altercation at a gin in the city Friday. Two other

persons were questioned in the incident, but no charges were filed.

On Monday at the intersection of N. 7th and Ave. M a collision involved a 1984 Mercury driven by Judy Katherine Erickson of Tahoka and a 1982 Buick driven by Amber Melissa Carter of Tahoka and owned by McCord Motor Co. No injuries were listed.

Sometime over the weekend two vehicles parked at the N. 6th St. residence of Bennie Nance were damaged by vandals, apparently using a rock. One was a 1989 Ford van owned by South Plains Community Action, and the other was a 1988 Ford owned by Rhonda Nance.

Wayside Gin, U.S. and FM 211, was burglarized Nov. 13. Stolen from the office were two small ice boxes valued at \$240. Damage to doors was estimated at \$450.

Ebb Crawford, O'Donnell, reported a tool box and tools stolen off his tractor Nov. 14 at a location near Redwine church.

The residence of Tom Burt, about 7 miles northwest of U.S. 87 and FM 211, was reportedly burglarized last Friday or Saturday. Stolen were a Realistic VCR, jam box and .22 rifle.

THE PREACHER at a church which I attend fairly regularly mentioned last Sunday that he once made a list of things to be thankful for, and I think that's a good idea that some of the rest of us could follow up on (ending a sentence with not one, but two prepositions).

How active I am in my church may be open to debate, but I am there frequently, and never mind that the choir has threatened to dedicate a song to me called *Standing on the Premises*. Good marks for attendance are better than no marks at all.

Anyway, making a list of things we can be thankful for should help us to get the right perspective for Thanksgiving coming up this week. Among the things that I am thankful for:

1. I am glad I am not president of anything at the moment. I have been president of several organizations, most of which are no longer operating (proof that I did my part).
2. I am glad I am not a turkey (at least not the feathered kind).
3. It's gratifying that I have to write only one column a week.
4. I'm thankful that I am in pretty good health, and that medical science is not *positive* that high cholesterol counts will help kill you.
5. Most of all, I'm thankful that some people love me no matter how lousy I am, and that there are people I count as good friends.

These things, especially that last one, make us rich, and we all ought to be thankful and cheerful and we ought to take time to tell those we love that we do love them.

The New Home Leopards will play Lazbuddie 7:30 p.m. Friday at Smyer in Regional 6-Man Playoffs

ANYBODY WANT TO RIDE IN A SURREY? - John and Mary Bess Edwards of New Home will be bringing their three-seated white and red surrey and Belgian Draft horse to Tahoka for Moonlight Madness, scheduled Friday, Dec. 1. The Edwards will give free rides around the square at the annual Christmas shopping event, from 6-9 p.m.

Phebe K. Warner Club News

Phebe K. Warner Club met on Nov. 14, in the home of Bennie Carter with Mary Belew serving as co-hostess. President, Thalia Burks, presided and there were seventeen members and one guest present.

Molly Helmlinger, Tahoka Elementary School Principal, presented a most informative program on Vanguard Trends in Education. She explained the trends of mentoring-cooperation of a veteran teacher with a new teacher. She stated there is a growing trend toward involving local staff in school policy setting and toward more parent involvement in education. She noted an increased

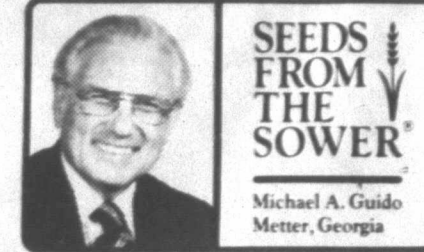

effort toward individualization of the curriculum and no assigning of grades. Ms. Helmlinger said that standardized testing certainly is here to stay and that there is now great emphasis on teaching students to function in the world.

Announcement was made about the Christmas dinner and program which is to be at Waldrop's Well on Dec. 12. The meeting adjourned with the repetition of the club collect.

Ricky and Marita Hall of Tahoka are parents of a daughter, Bailey Ann, born on Friday, Nov. 17, 1989 at 12:58 a.m. She weighed 8 lbs. 15 ozs. and was 21 inches long.

Grandparents are Pat Hall and Tim and Teresa Devine, all of Tahoka.

SEEDS FROM THE SOWER
Michael A. Guido
Metter, Georgia

The royal court was grumbly, not grateful. It disturbed the king, and he decided to teach them a lesson.

He invited them to a feast. While eating, in came a beggar by prearrangement. Finding a seat at the king's table, he gorged himself with the food, and left without giving thanks.

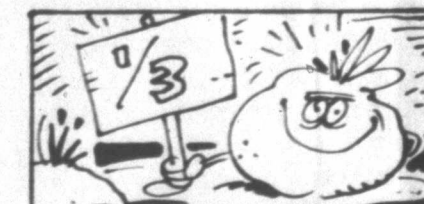

Angrily, the guests asked to punish him. But the king said, "That beggar has done only once to an earthly king what each of you do three times a day to God."

A person without gratitude is a bird without song, a night without day, a tree without root, a bloom without fruit.

Heed the word of the Lord: "In everything give thanks."

Cantaloupe, honeydew, casaba, Persian and Odessa are all varieties of the muskmelon. Their differences are the result of cultivation in different regions of the world.

Tomatoes, a member of the poisonous nightshade family, are quite a new food for man. A hundred years ago they were not much used. Today, tomatoes are third in rank among vegetables consumed in this country.

TRACYE SCOTT Tracye Scott Named Queen

Tracye Scott was named Miami Homecoming Queen for 1989, by popular vote of the student body on Friday, Nov. 3. Tracye is the daughter of Kenneth and Lacey Scott, formerly of Tahoka. Tracye, a senior, is also a cheerleader, Student Council secretary, F.F.A. secretary, senior class officer and class favorite. She was escorted by Clay Mercer, formerly of Silverton. He was named Homecoming King.

Tracye plans on attending Texas Tech or Oklahoma State University.

Saving For Retirement

Q. My husband and I are both 40. So far, we have saved \$50,000 toward retirement and are earning pensions that will pay us \$10,700 a year. We would like to retire at age 60 with an annual retirement income of \$42,000. What do we have to save to generate such an income?

A: Since your average life expectancy now, at age 40, is another 37 years, you will have to accumulate a nest egg worth \$605,000 by the time you retire in the year 2009. Assuming Social Security benefits will increase at four percent per year and the return on your investments will be seven percent annually, you will need to save \$440 each month until retirement. That \$440 each month along with your \$50,000 in savings, pension and Social Security benefits will give you the \$42,000 a year income you want for retirement.

Club To Sponsor Annual Community Christmas Greeting

It is time again to be thinking about the annual Community Christmas Greeting. As many people in the community are aware, it is the custom of Phebe K. Warner Club to sponsor this greeting which will appear in the Christmas issue of the Lynn County News.

It is an opportunity for persons in the area to greet one another at Christmas by contributing their Christmas card money to the Lady Dobbins Stewart and Maurice Bray Scholarships. These funds have helped approximately 27 young people in the Tahoka area to further their education. Everyone is invited to take part in this.

Contributions may be left with any teller at First National Bank, or call Bennie Carter at 998-5070 or other members of Phebe K. Warner Club to have your contribution picked up. The deadline is Dec. 15.

Discover New Crafts

How do craftspeople who work with fiber, but live far from cities with an array of yarn and fabric stores, find such supplies as Angora fiber, raw wool fleece, silk cocoons, Alaskan musk-ox fiber, English chamois leather, water-proof fabrics, knitting machine or lacemaking tools? *The Fabric & Fiber Sourcebook: Your one-and-only mail-order guide.* The Taunton Press, Newtown, Conn., offers the answer, telling where to order thousands of supplies from the commonest to the most exotic.

Michael Scott, editor of *The Crafts Report*, the magazine that tracks the crafts industry said, "The quantity and quality of information gathered for this sourcebook is awesome... fabric and fiber people will revel in this overflowing fountain of knowledge about available resources."

Fiber artists find this encyclopedia reference book so useful because it gives paragraph descriptions of each mail-order supplier, including discount schedules, catalog prices, complete addresses and phone numbers. Fascinating fiber facts and lore are included as well.

Author Bobbi McRae, herself a fiber artist, says, "This book should be about discovery. Whatever you decide to do, be daring. Fibers and fabrics are warm and sensuous. They feel good to touch and take on a life of their own. But beware—this stuff is habit forming!"

Burglaries ...

(continued from page 1)
Saturday that a storage building about five miles southeast of Wilson had been burglarized. Stolen were welding equipment and 12 duck decoys.

Two Tahoka young men were sentenced to five years in prison each, probated, and ordered to pay restitution, on pleas of guilty of burglary of T-Bar Country Club. They are Thomas Glisson, 19, and Kirk Pearce, 21.

Simon Ruelas, 34, of Plainview, had his probation revoked and was ordered to serve six years in prison on a burglary charge in Lynn County.

Clifford Donnell Sims, 26, and Nathaniel Elder, 39, both of Tahoka, were each sentenced to five years in prison on a charge of forgery.

A 25-year-old Tahoka man was ordered to serve six months in Lynn County jail on a charge of contempt of court after failure to pay child support.

In jail during the week were one person each for driving while intoxicated, theft by check, application to revoke probation on DWI, and judgement and sentencing on unauthorized use of a motor vehicle.

Dec. 1-2 — Christmas Candlelight Posada, McAllen. Choir concerts, town bands, folk dancers and other entertainers and the arrival of Santa Claus by fire truck merrily ring in this seventh annual event in Archer Park. Hundreds of twinkling lights along with forty booths representing various nonprofit organizations will decorate the park. Traditional Christmas foods, arts and crafts, and holiday novelties will be sold. The Posada (Spanish for procession) represents Mary and Joseph's search for lodging. For more information, contact the Chamber of Commerce, P.O. Box 790, McAllen 78502 (512-682-2871).

Dec. 1-3 — Christmas Candlelight Tour, Jefferson. Take a nostalgic tour of historic homes and buildings with old-fashioned Christmas decorations. Featured are two recently restored Greek Revival homes of the 1800s—a mansion and a salt box design cottage. Also included are a Catholic Convent and The Playhouse (originally a Jewish Synagogue). Carolers, handbells, choir concerts and brightly lit shops enhance the holiday spirit. More information from Jefferson Historic Foundation, Box 632, Jefferson 75657 (214-665-2879 or 8390).

WE LOVE OUR TEACHERS
Kathy Druessedow
First Grade Teacher
Kathy Druessedow, first grade teacher at Tahoka Elementary School, says "recess duty when I was nine months pregnant" was her worst moments at school. Her best moment, she says, was when her students showed off what they had learned during her maternity leave.
This is Kathy's first year to teach at Tahoka. She is married to Jay Druessedow, a highway patrolman, and they live in Tahoka with their daughter, 2-month-old Kindace Erin. Kathy enjoys reading, cross-stitch, and painting on wood in her spare time. She is a member of St. John Lutheran Church in Wilson.
"Not all students can learn by the way I teach," she says. "I have to teach the way individual students learn. All students can learn when taught to their learning style," she explains. "I love teaching children. It is wonderful when their faces light up with knowledge," she adds.
Kathy was raised in Fort Worth and Rockport, Tx. She attended school in Rockport. She received her B.S. in 1984 and her Masters in Special Ed. in 1986 at Texas Tech. Before coming to Tahoka, she was a resource teacher at Haynes Elementary in Lubbock for four years.

Hornets Sting Eagles, 43-0

O'Donnell could tally only 138 yards against a stingy Hornets defense as Sudan shut-out the Eagles 43-0 in a first-round District 1-1A play-off game Friday night at Littlefield.

Sudan's Kyle Maxfield took the opening kickoff and returned it 59 yards to set up the Hornets first score—a three-yard pass from Maxfield to Joe Gonzales, who rushed for 122 yards and scored four touchdowns on the night for Sudan.

Sudan lead 29-0 at halftime and two Gonzales' scores in the third quarter gave the Hornets a 43-0 lead. The Eagles put a good drive to-

gether late in the third quarter including a 9-yard pass from quarterback Melvin Eaker to Gilbert Gonzales that gave O'Donnell a first down at the Hornet 11-yard line. The Eagles worked down to the Sudan five yard line and on a fourth and four situation, Jacob Lowe was tackled after he apparently slipped while trying to make his cut to the endzone.

Sudan celebrated their seventh consecutive shut-out and improved to 11-0 on the year.

Jerry Cagle lead the Eagles with 30 yards rushing on seven carries and Gonzales caught 4 passes for 42 yards.

Junior High Play Wins Contest

For the second year in a row, the junior high UIL contest One Act Play brought home first place. "Sagebrush," Tahoka's first place play, was a "rip-roarin' western" according to Leah Taylor, director.

The District 4A junior high contest was held Tuesday, Nov. 14, at Seagraves.

Five Tahoka junior high actors received honors while the other schools had only two or three students recognized for individual honors.

Seventh graders Wesley Solomon and Drew Stone were named to the prestigious All-Star Cast. There are only eight performers named to the All-Star Cast. Greg Smith and Lisa Martin were named to Honorable Mention All-Star Cast, as was, 8th grader Renae Williams.

A Luxury Cruise in the Grand Tradition

In the grand tradition of ocean liner travel of the 20's, 30's and 60's, The Norway will be sailing with the famous name of the French Line's "France" once again. The December 1989 cruise conjures up images of glamorous past voyages with names such as Chaplin, Fairbanks, Pickford, Dali and Grant on the guest book.

The one glorious Caribbean cruise, billed as the "Epicurean Feast of the Century," will boast a corps of 37 famous European chefs and musicians on board, along with VIP's and a few lucky travelers.

Compagnie Generale Maritime French Line supported this nostalgic recreation of past times by requesting memorabilia from antique dealers, and travel agents, editors and buffs. Harvey Ardan, author of "Normandie: Her Life and Times," will be on board with others presenting authentic artifacts from the period.

If you have personal knowledge of travel aboard French Line vessels or have mementos of cruises, please write to CGM Communications, 3015 Glendale Boulevard, Suite 200, Los Angeles, California 90039.

USDA Announces 1990 Upland Cotton Program Provisions

Secretary of Agriculture Clayton Yeutter today announced a 12.5 percent acreage reduction and other provisions of the 1990 upland cotton program.

Yeutter said, "The program I am announcing today strikes a balance between the needs of the marketplace, budget considerations, and producer concerns about surpluses."

—The established target price will be 72.9 cents per pound.

—The loan level will be 50.27 cents per pound for the base quality of upland cotton, Strict Low Middling (SLM), 1-1/16 inch, micronaire 3.5 through 4.9, at average U.S. location.

—Plan B of the marketing loan program will be implemented. Under Plan B, 1990 crop cotton pledged as collateral for a price support loan may be repaid at the lower of the adjusted world price (AWP) or the loan level.

The AWP is determined for the base quality. It will be adjusted on the basis of quality and location using the 1990-crop price support program schedules of premiums and discounts for grade and staple, discounts for micronaire, location differentials and any coarse count adjustments in effect for the week in which the loan repayment occurs. The AWP for any quality will not be established at less than 5 cents per pound.

When loan collateral is redeemed

with cash during the first 10 months of the loan term and the AWP is below the loan rate (50.27 cents per pound) for the base quality, the U.S. Department of Agriculture's Commodity Credit Corporation will not require payment of any interest and will pay all of the warehouse charges. When the AWP is above the base loan rate, CCC will not require the payment of that portion of the accrued interest and will pay that portion of the accrued warehouse charges determined necessary to permit the loan collateral to be redeemed with cash at the AWP.

If a price support loan is extended for 8 months, the producer will be required to pay interest and warehouse storage charges on cash loan repayments during the loan extension period regardless of the level of the AWP. As in 1989, if the loan collateral is forfeited to the CCC, the producer will be required to pay CCC all costs associated with the storage of the forfeited cotton, beginning with the first month of the loan extension and a handling fee of \$1 per bale on the forfeited cotton.

Other provisions include:
—A paid land diversion program will not be implemented.
—Loan deficiency cash payments

will be made to eligible producers who agree to forego loan eligibility if the loan repayment rate is less than the announced loan level. The payment rate will equal the difference

between the loan level and the loan repayment rate. Producers may elect to forego loan eligibility and receive loan deficiency payments on a bale-by-bale basis.

—A recourse loan program for upland seed cotton will be available. —An inventory reduction program will not be implemented.

Yeutter reserved the right to initiate cost reduction options as provided in Section 1009 of the Food Security Act of 1985.

Common program provisions which apply to the 1990 wheat, feed grains, upland cotton, extra long staple cotton and rice programs were announced Aug. 7.

Dawson County Pecan Show Set

Dawson County's 9th Annual Pecan Show and Pecan Food Show will be held Nov. 30 and Dec. 1 in the Reddy Room of the TU Electric building at 709 N. 1st in Lamesa. Eddie Brown is the chairman for this year's Pecan Show.

Pecan growers from Dawson County and any adjacent county should save the best nuts from this year's crop for the show. Any grower in the area may enter a sample of 42 nuts from each variety he grows. Growers may enter only one county contest.

Nuts should be selected that are free of insect and disease damage. They should be uniform in size and shell color. Nuts should be cleaned but not altered in shape or color. Any alternation of pecans by marking, filing or excessive polishing will disqualify the entry.

Pecan entries must be from this year's crop and must have been raised in Dawson County or any of the adjacent counties. Competition will be divided into three categories: Commercial Division, Classic Division, and Native Division.

Entries in the pecan show should be delivered to the TU Electric Reddy Room on Thursday, Nov. 30, between 11:30 a.m. and 5 p.m. The pecans should be in a paper sack with the name of the grower, the address, telephone number, and the pecan variety, if known. Anyone that does not know the variety of his or her pecans is still urged to enter, since variety can be determined by this

year's judge, Earnest Kiker, CEA-AG, from Midland.

The food show is divided into six divisions: appetizers and snacks, breads, pies, cakes, cookies, and candies. Pecans used in the foods can be from a variety of sources, since they are not required to be home grown. Entries in the food show will be taken at the TU Electric building, from 8 to 9:30 a.m., on Friday, Dec. 1.

Plaques will be awarded to the champions of the pecan show and the food show. Ribbons will be awarded for first, second, and third places.

Judging in both categories will take place from 9:30 a.m. to noon on Friday, Dec. 1, with all entries on view for the general public from 1 to 4 p.m. that day.

Adequate Health Care Coverage

Health care costs have risen faster than the average rate of inflation. As a result, affordable health care is out of the reach of some segments of the population.

At present, 37 million Americans are not covered by health insurance. Of these, about two-thirds or 24.3 million are workers and their dependents. The remaining one-third or 12.8 million are non-workers and their dependents. For these Americans, high out-of-pocket health care costs can lead to financial hardship.

Even for those with adequate health care insurance policies, costs are increasing. Benefits have been reduced in many cases in an effort to hold down costs. At the same time, premiums are increasing an average of 20 to 30 percent a year.

Many studies have documented the impacts. A 1986 study by the Robert Wood Johnson Foundation estimated that 14 million Americans don't visit the doctor because they "can't afford it." One-fourth of women of child-bearing age have no maternity coverage. The U.S. mortality rate for newborns now ranks 19th among industrialized nations.

A new study by the Institute of Health Policy Studies at the University of California in San Francisco has found that one-fourth of young adults (ages 19-24) have no health insurance coverage. Young adults in the South and West were less likely to have some type of coverage.

In the California survey, 60 percent of those young adults without health insurance indicated they could not afford it. They often work at low-paying jobs where employers may not offer insurance benefits. And young adults may not perceive health insurance to be an important priority in their budget, so they may overlook its importance.

Even though young adults tend to enjoy good health, insuring against the hardships caused by accidental injury or illness makes good financial sense. Parents should be aware that most policies do not cover children after they reach the age of 18.

As young adults seek employment, they need to consider what benefits, especially health insurance, are provided. They need to compare the benefits package as carefully as they do the salary offer. Young adults need to be on the lookout for lower cost group insurance when employee-sponsored plans are not available. They need to understand the need for health insurance coverage and how to analyze the adequacy of coverage. Above all, young adults need to adopt healthy lifestyles that will reduce their need for health care assistance.

Back during the Gay Nineties, folks in Shiner felt that a town just wasn't civilized unless it had an opera house. So in 1895, Shiner's opera house was built by William Wendland and Louis Wagner. The opera house remained a popular gathering point for many years. A community theater group now makes it home there. Besides being the "cleanest little city in Texas," (and if you ever drive through you'll agree) Shiner is home to the Spoetzl Brewery, the third smallest brewery in the country.

According to legend, many, many years ago, when Indian tribes roamed this land, honored Indian warriors helped the Great Spirit paint the sunset across the sky. One particular Indian warrior wasn't pleased with the colors of the sunset, so the Great Spirit gave an Indian Paintbrush to that warrior. After the warrior used the paintbrush to paint the sunset, it was tossed down onto the ground.

Your Just Desserts

Classic Pecan Pie

- 3 eggs, slightly beaten
- 1 cup sugar
- 1 cup Karo light or dark corn syrup
- 1 tablespoon butter or margarine, melted
- 1 teaspoon vanilla
- 1 unbaked (9-inch) pie shell

In medium bowl stir eggs, sugar, corn syrup, margarine and vanilla until well blended. Stir in pecans. Pour into pie shell. Bake in 350° oven 50 to 55 minutes or until knife inserted halfway between center and edge comes out clean. Cool on rack. Makes 8 servings.

Chocolate Pecan Pie: Reduce sugar to 1/3 cup. Melt 4 squares (1 oz each) semisweet chocolate with margarine.

Kentucky Bourbon Pecan Pie: Add up to 2 Tbsps bourbon to filling mixture.

TIPS

- If desired, turn pecans rounded-side up and arrange decoratively.
- Prepare pecan pie in advance. To store, cool thoroughly and cover with foil or plastic wrap. Keep up to two days at room temperature, up to one week in the refrigerator or up to three weeks in the freezer.

MISCARRIAGES

Can electric blankets and electrically-heated water beds, which expose their users to a low-frequency electromagnetic field for hours at a time, result in miscarriages or low birth weights? Researchers at the U. of Colorado Medical School, Denver, studied 1200 users and nonusers of electrically-heated beds and found the annual miscarriage rate was higher among women who slept in such heated beds - and their miscarriages usually occurred during winter months. Was it the heat, or the electricity? Further investigation is indicated.

The Wilson ISD Board of Trustees met Monday night, Nov. 13, for the regular monthly meeting. The Board heard a financial report from Norman Clements, CPA. The audit report was approved. A resignation from board member Jerry Dickson was accepted. The purchase of a new school bus was discussed. Curtis Wilke was appointed as the district's representative on the Lynn County Appraisal Board. After discussion, the board voted to discontinue the taxing of personal automobiles. Wilson ISD has been the only school district in the Appraisal District to tax automobiles. The board reviewed the Wilson ISD Mission Statement and Goals.

Mark your calendars for the County Christmas Fun Fair to be held at the Wilson School on Saturday, Dec. 9. There will be a Festive Foods demonstration by the SPS representative and several craft workshops. This will be sponsored by the FHA and Women of Wilson. More details later.

The Wilson Elementary PTO held its second monthly meeting on Monday, Nov. 13. Nan Wied, President, reported on the recent T-shirt sale. She also reported the PTO had purchased a VCR and television for the elementary building. She thanked those who had participated in the garage sale. Future plans include selling a Wilson PTO cookbook in the spring, sponsoring a Book Fair in May, giving prize money for a classroom "Christmas Decorating" contest, and providing a teacher luncheon on Jan. 15, which is a workday for teachers.

Donna Fields introduced Gilbert

Herrera, Chaplain for the Lubbock County Jail, who was in charge of the program. He introduced the five inmates from the jail who are participating in a program of outreach to communities to try and help young people say "no" to drugs, alcohol, and crime. All five of the inmates repeatedly reminded parents to take time for their children and to make their families their number one priority. They felt like their parents had been more involved in their jobs or other activities and not in the children. All the drug addicts said they had started out by drinking beer in their early teens. Mr. Herrera stressed especially that fathers should take the lead in the home in setting a good example and being involved in family life.

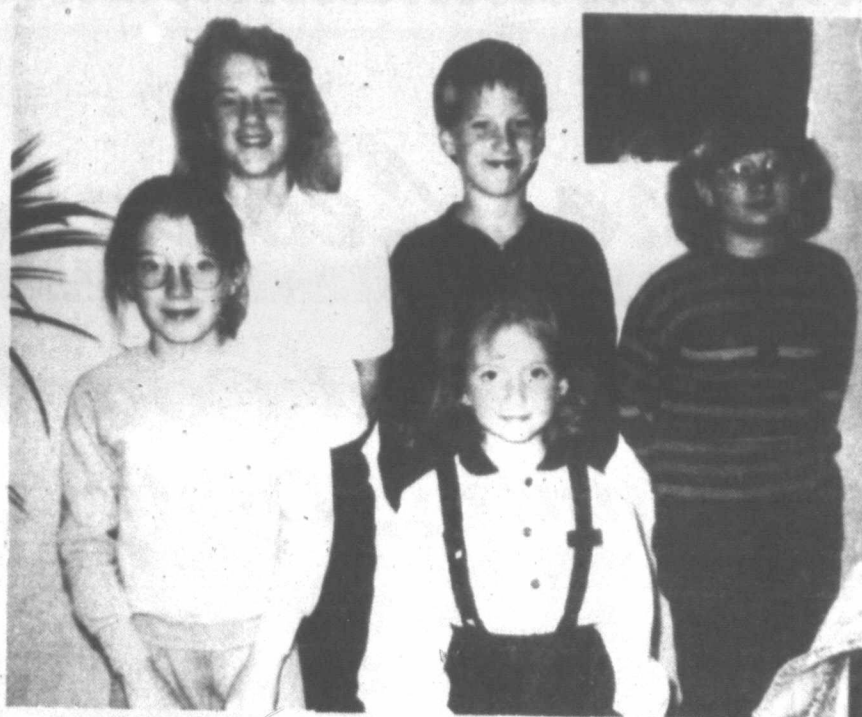

The fifth grade won the room count percentage with nine parents present. Kindergarten had six parents present, 1st grade had five, 2nd grade had 6, 3rd grade had 5, 4th grade had 3, and 6th grade had no parents present.

The next night meeting will be Feb. 12.

The Junior High basketball team will be playing at Southland on Monday, Nov. 27 beginning at 5 p.m. The high school teams will play at Ropes on Tuesday, Nov. 28 beginning at 6:30.

St. John's Lutheran Church "Young At Heart" group will meet at 11:30 a.m. on Nov. 30 for a pot luck luncheon. The meat, bread and drinks will be furnished.

Sales Tax Rebates To Cities Increase

State Comptroller Bob Bullock said Friday that October's sales tax rebates to cities and counties continue to tell the story of an economy that's steadily growing.

Bullock said that October's city rebates statewide are up almost 11 percent from October 1988, and year-to-date payments to cities are up an average of 9.5 percent.

In O'Donnell payment prior year was \$824.90, % change -100.00%, 1989 payments to date \$10,332.86, 1988 payments to date \$10,494.85, % change -1.54%; In Tahoka net payment was \$3,390.79, comparable payment prior year \$3,269.08, % change 3.72%, 1989 payment to date \$52,100.16, 1988 payment to date \$52,181.39, % change -0.16%; In Wilson, net payment was \$602.89, 1989 payments to date \$4,592.87, 1988 payments to date \$3,719.05, % change 23.50%.

The Rio Grande Valley in far South Texas is famous for its numerous scenic "resacas" or waterways that trace the former paths of the Rio Grande. Resacas are usually found adjacent to residential areas and are lined with palm trees, flowering shrubs, cacti and other sub-tropical foliage. Some of the best examples of resacas can be found in the town of San Benito, also known as the "Resaca City." Tourism Division, TX Dept. of Commerce photo.

The art of quilting, still popular today, has been practiced for thousands of years. Soldiers of the Middle Ages wore quilted coats and hoods under their armor.

Corn Dogs— An Old-Fashioned Treat

Corn dogs with a light, crisp, golden brown coating evoke thoughts of baseball games and state fairs.

Serve them for dinner before the big game with barbecue baked beans and tangy slaw. Corn Dogs are also the perfect party treat. Be sure to set out plenty of mustard and ketchup.

Old-Fashioned Corn Dogs

- Vegetable oil or shortening for deep frying
- 1 cup Martha White Self-Rising Flour
 - 1/2 cup Martha White Self-Rising Corn Meal Mix
 - 1/2 cup milk
 - 1 egg, lightly beaten
 - 2 tablespoons vegetable oil
 - Wooden skewers (optional)
 - 1 pound (16 ounces) wieners, at room temperature
 - Mustard and Ketchup (optional)

In large saucepan or electric fryer, heat 2 to 3 inches of oil over medium-high heat to 375°F. Stir together flour and corn meal

in mixing bowl. Add milk, egg and 2 tablespoons oil; stir until smooth. Set batter aside for 10 minutes. Insert skewers into wieners. Dip wieners into batter. Carefully drop corn dogs into hot oil. Fry until golden brown and floating on top. Drain on paper towels. Serve hot with mustard and ketchup, if desired. Makes 8 to 10 corn dogs.

Tips for perfect corn dogs:

- Sticks for corn dogs are available at craft stores, but you don't have to have them.
- Oil must be 375°F to assure the lightest, crispiest corn dogs.
- Serve hot for best flavor.
- Allow wieners to come to room temperature before dipping into batter. The batter will adhere better during frying.

Varsity Cage Teams 1-1 After Wins Over Wilson

Compiled From Growl Staff Reports
Tahoka's varsity boys and girls basketball teams evened their records in the young season by beating Wilson teams last week in the openers for Wilson. Bulldog teams had opened the season by losing games to Class AAA Roosevelt, a team they were scheduled to play again Tuesday night.

With just five practice sessions, Tahoka's boys lost to Roosevelt 85-37, but the Bulldogs came back to beat Wilson last Friday night in a close, double-overtime contest, 55-53.

In that game, Trey Nance had 13 points, Brandon Cate 12, Mike Burleson 11. Cate's free throws at the end of the second overtime won the game for Tahoka.

Others on the Bulldog varsity include Bruce Burleson, Joe Clyde Hays, Timothy Young, Joey Stone, Bryan Patterson and Aaron McCleskey.

Coach Hulon Kirkland is optimistic that the team will show steady improvement as the season progresses. He said he plans to incorporate a fast break "run and gun" of-

fense. "We'll be much more disciplined than in the past. We'll take the fast break if it's there, but if not, we'll play the half-court game and try for the good shots."

Coach Steve Qualls' girls team lost to Roosevelt 47-33, but junior Chasity Hood scored 19 points and the team showed lots of spirit and promise in the opener.

The Lady Bulldogs outshot and out-rebounded the Wilson Mustangs for a 53-36 victory with what Coach Qualls described as a slow start, but "defensively we had a super second

half. We came out more determined and more focused on what we wanted."

Hood had 22 points and 19 rebounds in the Wilson game, and sophomore Lana Parker and junior Terri Solomon were effective with outside shooting. Parker had 10 points and Solomon 6. Seniors Kim Ingle and Lanae Monk were also complimented by the coach for good offensive work.

The junior varsity girls teams played close, but lost 43-40 to the visiting Roosevelt JV girls on Nov. 14. Myra Williams scored 15 points for Tahoka, and Lucy Gassiot had 10. Four of the JV girls will making the trip to Reunion Arena in Dallas for the game in December against Alba-Golden. They are Jay Jay Wiseman, Marla Wright, Myra Williams and Nickie Harvick.

Tadd Knight, Jacqui Lockaby Assist With National FFA Meats Contest

Tadd Knight, a senior Ag. Education major at Texas Tech University, and Jacqui Lockaby, senior Ag. Communications major at TTU (both graduates of Tahoka High School), recently served as Assistant Superintendents of the National FFA Meats Contest. This contest is held in conjunction with the 62nd National FFA Convention in Kansas City, Missouri. As a member of the Meats Contest Committee, Knight and Miss Lockaby assisted with the monitoring of contest activities, obtaining materials, scoring an evaluation session and the annual awards breakfast.

The Meats Contest is one of 12 national agricultural contests spon-

sored annually by the National FFA Organization as part of the convention. This year 38 teams tested their knowledge in grading carcasses, placing cuts of meat and identifying the various retail cuts of beef, pork and lamb. They yield and quality graded 20 beef carcasses. The contest is one of many educational activities at the national convention in which FFA members put into practice the lessons taught in the vocational agriculture/agribusiness classroom. The contest sponsors, Geo. A. Hormel and Co., and Oscar Mayer Foods Corporation provide funds for travel, contest administration, an awards breakfast and trophies and medals for winning teams and high scoring individuals.

Fruit Juice May Be Culprit

When their toddlers suffer a bout of diarrhea, many parents encourage them to drink extra juice to replace lost fluids and calories. Yet, certain fruit juices, notably apple and pear, apparently make diarrhea more severe in some children.

When pediatricians at Connecticut's Hartford Hospital eliminated apple juice from the diets of five youngsters suffering from chronic diarrhea, the problem ceased in all cases. The same results were achieved more recently in another group of toddlers treated at the same facility. Diarrhea symptoms stopped completely in half of the group after fruit juice was withdrawn from their eating regimens.

According to pediatrician Dr. Jeffrey S. Hyams, Connecticut's Hartford Hospital, parents should not be misled into thinking fruit juice is not suitable for healthy children. It is. Still, when an otherwise healthy child has diarrhea, it's not unreasonable to try limiting juice in the child's diet for a few days.

Why are apple and pear juices often more troublesome than other juices when it comes to diarrhea? Doctors suspect it's because they contain a large amount of sorbitol, a form of sugar known as a sugar alcohol that is not tolerated well by some children and adults alike.

Teas—A Good Hot Beverage Choice

Green, oolong and black teas differ in color, aroma and flavor but not nutritionally.

When loose tea leaves are brewed, the caffeine content averages about 40 mg a cup, less than half the caffeine in a cup of coffee. (Actually, a pound of tea contains more caffeine than a pound of coffee, but less tea is used per cup. You get about 200 cups per pound of tea and only about 40 cups per pound of coffee.) Hint: brewing loose leaves can keep caffeine down even further; a tea bag generally used more caffeine-containing leaves per cup.

In addition, tea may contain fluoride, which helps fight tooth decay.

Furthermore, tea has compounds called bioflavonoids (or tannins). Russians scientists believe that bioflavonoids are as important as vitamin C in maintaining the integrity of connective tissue, particularly blood vessels. Dr. S. Margen, professor of public health nutrition at the University of California at Berkeley, feels that there is not enough scientific evidence to prove that bioflavonoids in teas are beneficial.

Brewed tea seems a good choice as a hot beverage, said County Extension Agent Annis Godfrey. In addition to relatively low caffeine, some fluoride and those debatable bioflavonoids, let's not forget the pleasure of its subtle flavors.
