RAMBLIN'

by brents davis

Rambler recently ran onto a statement issued by a prominent U. S. Church group, which in our opinion merits serious consideration on the part of every American.

According to United Press International, they view with grave concern a decaying trend toward conformity and call for a revival of individualism "before it is too late". They find that we have been faced by a frequent lack of truly responsible leadership both on the part of management and labor.

In attaining social welfare goals, they believe "pressures are growing for a constantly greater reliance on the collectivity rather than on the individual." They also believe that "An inordinate demand for benefits, most easily secured by the pressures of organization, has led an ever-growing number of our people to relinquish their rights and to abdicate their responsibilities. . . intensive socialization can achieve mass benefits but man and morality can be seriously hurt in the process."

This statement was aimed to parents, businessmen, labor leaders, and to government which has done much through a philosophy of welfare statism, to undermine individualism and personal responsibility.

If you will note inside this week's Journal on the Editorial Page is a report by C. L. Kay in his column "Spirit of America". Kay tells of specific questions asked of American youth regarding socialism and loss of individual freedom and their answers which reflect the environment in which we now live would astound any thinking American.

They have had so many small doses of socialism that they are unable to determine the difference between socialism and freedom. They are losing the initiative that made America great, they are falling prey to the superhighway with no bumps to impede their progress into oblivion.

Yet we cannot say it is their fault. It is the fault of every American who allows creeping socialistic measures to pass through our legislative branches without so much as a letter to their congressman or a small weak protest in any form. It is the fault of everyone who thinks his voice is too small to be heard in this vast nation and therefore refrains from speaking out in defense of the liberties and rights on which our country was founded.

In short it is your fault. Are you going to let it go on or will YOU do something about it?

Dr. Santos Speech To P-TA Discussed "Immunization"

Neal Dillman Supt. of Schools introduced Dr. Ray Santos at the regular meeting of the Mary DeShazo P-TA Monday, Jan. 9, at 7 p.m. in the cafeteria. Dr. Santos spoke on "Immunization for School Children".

He presented statistics on the mortality rate of diphtheria, whooping cough, and tetanus. Dr. Santos also discussed a plan for a school health program and stated that it would take twelve years to establish a good health program in the Muleshoe schools.

A committee was appointed by the president, Mrs. Frank Ellis, to send a questionnaire to the parents to find out their opinion on a school health program. The committee is composed of Mrs. S. M. Ehridge, chairman; Mrs. Charles Alsop, Mrs. Roy Wrinkle, and Billy Van Tries.

The recommendations approved by the members were that one cent per member be sent to the National Congress of Parents and Teachers as a gift for Founders Day and also a grand champion trophy be purchased by the association for the Science Fair to be held at the school.

The membership committee reported that 172 parents and teachers are members of the P-TA.

BILL WHALIN pays off in spite of being innocent of jay-walking last Saturday, Jan. 7. Whalin was one of many Muleshoe citizens apprehended by the Muleshoe High School Student Council for jay walking Saturday and he, like all the rest, paid off with a smile and protestation of innocence. The downtown area was flooded with watchful Student Council members and few shortcutters got away without paying their 25c fine. Dick Allison holds his greedy Student Council hand out to collect Whalin's fine while Jerry Gilbreath, another council member, looks on.

10 DAY OUTLOOK Sunny Days, Cold Nights Ahead

by Vern Foltz

Cold nights and sunny days are due in the week ahead. The prospects for rain are dimmer. There is a chance for just a trace of precipitation as cold blast grips West Plains Friday. No other moisture is foreseen for the remainder of the week. There will be a spell of cold air upon us this weekend, but Old Sol will be working overtime to keep the daytime hours pleasant. By the following weekend another cold-air mass will churn through Bailey County bearing cold temperatures and the potential for one inch of snow on January 20-21.

TEN DAY OUTLOOK			
Jan.	Lo	Hi	Status
13	9	30	Trace
14	5	42	Sun
15	0	46	Mild
16	11	50	Mild
17	15	55	Mild
18	20	58	Mild
19	22	50	Mild
20	19	45	Trace
21	10	25	Snw. po.
22	0	35	Sun

Muleshoe has received no precipitation to date in 1961. Last year at this time we had measured .18. Our average January precipitation is .51. Our pre-year outlook called for .40. So far this winter West Texas hasn't been rocked by such cold spells as we usually get and on the other hand we haven't had the mid-winter warm spells either. Just a happy medium. Some of this will be remedied soon.

Mrs. Haberer Will Present Book Review

Mrs. Russell Haberer will give a book review entitled "Love Is A Wild Assault" by Elithe Hamilton Kirkland Friday, a Jan. 20, at 8 p.m. in the First National Bank.

This review is sponsored by the Los Planos Study Club. Tickets will sell for \$1 each and the proceeds will go to the Girl Scouts.

Scores Required For College Admission Test Dates For Area Seniors Announced

CANYON, Jan. 11 (Special)— College aptitude tests will be given here at West Texas State College Feb. 25 for high school seniors of the area who expect to enter college following graduation.

Deadline for applications for the test is Feb. 4, when they must be received in Waco by the state director for the testing program. Applications must be sent to Alton Lee, registrar at Baylor University, who is state director.

Scores on the tests are now required for admission to West Texas State and more than 500 other colleges and universities. Students of the Panhandle area may take the test at WT, even though they plan to attend colleges elsewhere in the Southwest.

SCHOOL BOARD MEETING

School Census To Be Completed Soon

School census is underway and must be completed by February 1, 1961. The Muleshoe School Board, in their regular board meeting Monday, Jan. 9, asked the cooperation of all parents in signing census forms and returning them to the schools.

Other business included accepting \$314 insurance claim on damage to a pillar at the football field and discussed contract for servicing the school's clock system. No action was taken on the latter.

Rites Conducted For Mrs. Jones

Funeral services were conducted for Mrs. Iva Ray Jones last Monday, January 9, at 2 p.m. The service was held in the Lazbuddie Baptist Church under the direction of Rev. Bill Curry with interment in the Muleshoe Cemetery.

Mrs. Jones was born December 9, 1898 in Etowah, Tennessee. She was married to Robert L. Jones, Sr., June 6, 1920 in McMinn County, Tennessee. Mr. Jones preceded his wife in death.

Mrs. Jones resided in Muleshoe for 29 years. She was a member of the First Baptist Church and Order of Eastern Star.

She is survived by four children: R. L. Jones, Jr., Mrs. Dorothy Ray Harlan, and Miss William Edd Jones, all of Muleshoe and Jack E. Jones of Canyon, Texas.

Other survivors include one sister, Mrs. Irene Watkins of Muleshoe and three brothers: Dee Brown, Murrell Brown and Jackie Brown, all of Muleshoe. Mrs. Jones had seven grandchildren.

Active pallbearers were: O. D. Ray, Joe Mack, Wagnon, Jack Cox, Martin Oliver T. L. Cox, Martin Oliver, T. L. Glasscock and James Glaze.

New Meeting Place For Muleshoe Retailers

The Retail Merchants Association which previously met at Leigon's, held their first meeting at the Credit Bureau, 211 E. Ave. B, Tuesday morning, Jan. 10 at 10 a.m. All future meetings will be held at the Credit Bureau every two weeks.

C of C Approves Program of Work

Approval of the Muleshoe Chamber of Commerce "Program of Work" came at the regular directors meeting January 9.

The program presented by chamber president, Robert Alford, was prefaced by the statement that the best interests of the community can be served only by a complete plan of action.

Things on the docket for 1961 included the promotion of three major retail promotions and to continue the presentation of scholarship certificates. Continue to hold retailers coffee break meetings monthly and teachers welcome luncheon annually. To sponsor distributive education classes for adults and a Career Day for high school seniors. The Chamber will also sponsor a clean-up, paint-up, fix-up campaign.

Mrs. Donaldson Services Held

Funeral services for Mrs. Scott Donaldson, 54, of Plainview, formerly of Muleshoe, were conducted at 2 o'clock Saturday afternoon at the Tenth and Utica Street Church of Christ.

Bill Brown, Lubbock Church of Christ minister and Cline Paden, minister at the Tenth and Utica Street Church of Christ, officiated.

Mrs. Donaldson died Friday at the Plainview Hospital and Clinic. She resided at 1901 Smythe Street.

Graveside rites were conducted at 4:30 at the Bailey County Memorial Cemetery at Muleshoe. Pallbearers were E. E. Fox, P. E. Dever, Lewis Welch, Vannoy Tipton, S. C. Caldwell and Lewis Stewart.

Interment was beside the grave of Mrs. Donaldson's husband, Wood Funeral Home directed arrangements.

FARMERS UNION MEETING AT NEEDMORE

The Farmer's Union of Bailey County will hold a meeting Friday, January 20, at 7:30 p.m., at the Needmore community center.

President Alex Dickie, Jr., of Denton, will speak. His speech will be of vital importance to farmers of Bailey County.

All farmers of Bailey County are urged to attend and bring someone with them. There will be entertainment and refreshments will be served.

The group also plans to continue emphasis of four-laning US Highway 70-84 west and eliminate hazardous intersections in town.

The group approved a 25% increase in Chamber membership for 1961 also.

Plans were made to continue efforts to secure a new city park and at least one new industry for Muleshoe in the New Year.

Another point which was approved was to increase agricultural income by \$1 per acre per year and continue all efforts to secure adequate facilities for courthouse and jail functions.

The directors resolved to continue to work for good government and support the efforts of subscribers on the Maple telephone exchange to obtain EAS to Muleshoe.

Discussion included supporting any effort the city makes to correct drainage problems, particularly on Main Street. Also the need for better phone service in bad weather was discussed. They agreed that emphasis in 1961 should be applied to the road and "courthouse projects."

Muleshoe Co-op Growers To Meet

There will be a meeting Friday evening, January 13 at 7 o'clock in the District Court room of the Bailey County Courthouse for all who are interested in vegetables in this area including businessmen as well as growers.

Among items to be discussed is whether or not it is advisable to place potato equipment in the Co-operative shed. The Co-op must know the number of acres of potatoes, as well as other vegetables, that they may depend on.

The main point of interest to the Co-op is whether the interest in vegetables will justify operating the shed this year.

If you are interested in vegetable production please plan to attend this meeting if at all possible.

VISITORS IN DALE HOME

Mr. and Mrs. Earl Stewart of Erick, Okla., and Mr. and Mrs. Randall Stewart of Dalhart, spent Saturday night and Sunday in the home of R. D. Dale and family.

Pay Your Poll Tax And Vote In 1961

Bailey Countians have until January 31 to pay their poll taxes enabling them to vote in the 1961 elections.

Even though 1961 is an off-year, a major election will be held this year. This will be on April 4 when a special election will be held to fill the Senate seat vacated by Lyndon Johnson after a 12-year career in the Senate.

In the last special senatorial election in April, 1957, there were 23 candidates and it appears a similar crowded field will develop this year. There will be enough activity on the political front to give every voter his \$1.75 worth.

CORRECTION!

The Journal hastens to rectify an error in the paper last week. It was reported that the capital of the First National Bank here totals 20,000. A line-type zero had failed to fall. Everyone excepting Journal proof readers know that the capital of the bank is \$200,000.

Walter Chambliss Joins Damron Drug

A new addition at Damron Drug is Walter L. Chambliss. Chambliss is a registered Pharmacist.

He came to Muleshoe from Lubbock but calls his home San Angelo. He is a 1958 graduate of the University of Texas.

Chambliss and his wife, Frances are both living in Muleshoe now.

Sale Announced Hub Community

The Hub community will hold a sale January 19 from 10 a.m. until sunset at the Hub Community Center. Free coffee will be served and lunch will be served at 12 noon.

Everybody is welcome to come and bring any equipment that they may want to sell or buy. The sale will include farm, household, auto accessories, or any thing else that shows up.

There are always plenty of buyers on hand. Last year around 2,000 people showed up for the sale. The Hub community takes a small commission from everything sold to maintain their community center which is used for the benefit of everyone in the area.

POLICE REPORTS

Muleshoe City Police jailed one sleeper, four for drunk in public and one for illegal possession last week.

The State Highway Patrol placed two traffic violators in the Bailey County Jail. Sheriff's Department activity included the jailing of one drunk and one felony worthless check. The Sheriff's Department also carried one alcoholic to Wichita Falls and one psychotic to a Lubbock doctor. The Waxahachie Sheriff's Department picked up one man for Bailey on a car theft charge.

M'shoe Orbiters Hold Organizational Meet

Twenty-two Muleshoe go-kart fans got together at Spurgeon's Motor Machine last Monday, January 9 and organized a club to be known as the Orbiters.

The group set their meetings for each Monday night at 7 p.m., and took as their team colors green and yellow.

Officers elected were: J. D. Spurgeon, president; Kay Harmon, vice-president; Bobbie Spurgeon, secretary-treasurer; and Polly Otwell, reporter.

Anyone interested in go-karting is welcome at every meeting at Spurgeon's Motor Machine Shop.

The proposed \$50,000 road bond for Road District I-A was defeated 80 to 85 in the bond election held January 5.

The bond issue was defeated despite the fact that there would be no tax raise due to an estimated \$7,000 per year surplus of funds due to other bonds being retired.

Judge Glen Williams stated that this was one of the very rare instances in which additional bonds can be voted without requiring an increase in taxes. To issue the bonds would have required a two-thirds majority however the measure didn't even receive a simple majority.

A lack of interest was shown in the voting by the very light cast turnout. Only 165 votes were cast.

The Muleshoe box showed 25 for and 66 against. The West Camp ballots were 31 for and 19 against. Mays and Three-Way had no votes against the measure. Mays had 3 for and Three-Way had 21 for.

In addition to checking the ballots at their regular meeting January 9, the Commissioners Court fixed the terms for the County Justice Court for another year.

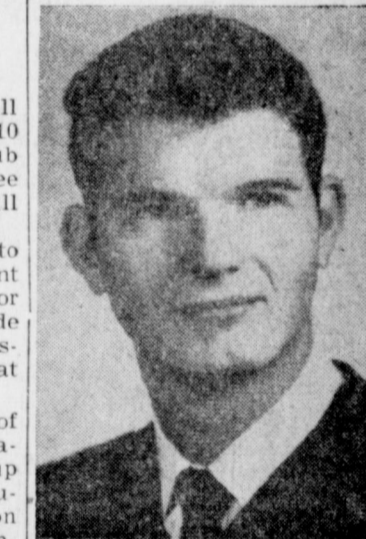

They also set salaries for County and precinct officials and employees at the same level as last year.

M'shoe Bandsmen Play In Concert

Approximately 100 members of the West Texas Honor Band will present a concert at Monterey High School Auditorium at 7:30 p.m. Saturday, January 14.

Members of the band are musicians who won All-State honors and those who rated in the regional all-star band.

Members from Muleshoe include: Ann Brooks, oboe; Jeanne Gray, B-flat clarinet; and Zona Millen, trumpet.

REV. JIMMY HENRY

Winter Revival Begins At Main Street Baptist

Sunday, January 15 will begin the winter revival effort at the Main Street Baptist church, located on the corner of Main Street and Ave. E, Muleshoe. Services will begin at 10 a.m., and 7:30 p.m. daily through January 22.

The Rev. Jimmy Henry will be the evangelist. He is the pastor of the Calvary Baptist Church of Fairfield, Texas, where he has led that church in the construction of a new church plant recently. He is a graduate of Jacksonville College, Baylor University, and the North American Theological Seminary which he attended with Gene W. Welch, the present pastor of the Main Street church here. Rev. Henry is the editor of the Youth Column of the Baptist Progress, a statewide religious paper. He is at present the Vice-president of the Baptist Missionary Association of Texas. An outstanding revivalist, he has preached revival messages in several states and many churches.

Mr. J. C. Shanks, music director of the church, will be in charge of the music for the services.

Everyone is invited to attend any and all of the services.

THIS VERY ATTRACTIVE GROUP of young women is the executive committee of the Mary DeShazo P-TA. They are, standing left to right: Mrs. Leon Blair, membership chairman; Mrs. Tootie Middlebrook, publicity chairman; Mrs. Ray Reeder, historian; Mrs. Jack Schuster, second vice-president, and Mrs. C. C. Taber, treasurer. Seated, left to right are: Mrs. Alex Williams, first vice-president; Mrs. Frank Ellis, president, and Mrs. Ernest Kerr, secretary.

News FOR Women

MR. AND MRS. IRA GRIFFITH

Mr. and Mrs. Griffith Celebrate Fifty Years of Marriage January 8

Mr. and Mrs. Ira Griffith celebrated their golden wedding anniversary with "open house" in the home of their daughter, Mr. and Mrs. Martin McGuire in the County Line Community, near Shallowater, Sunday, Jan. 8 from 2 to 5 p. m.

Mr. and Mrs. Griffith, the former Effie Winingham, were married in Rochester January 8, 1911 and lived there until 1922. In December 1922, they moved to the County Line Community where they still reside.

The guests were registered by Mrs. Martin McGuire. Approximately 100 people called during the hours. Many lovely gifts were presented to the couple.

The serving table was covered with an ecru lace cloth. The centerpiece was composed of large yellow mums accented with a huge "50" written in gold and flanked by crystal candelabra filled with white tapers sprayed with gold. The three tiered cake was topped with gold wedding bells with a miniature bride and groom standing beneath them. Golden nectar punch and coffee were served from the crystal and silver appointments.

F. C. Snitkers To Observe Their 55th Anniversary

Mr. and Mrs. F. C. Snitker of the Enoch community, Rt. 2, Morton, will observe their fifty-fifth wedding anniversary Jan. 10.

F. C. Snitker and Ada Clark were married January 10, 1906 at Cove, Ark., where both were born. In 1915 they moved to Oklahoma, and in 1920 to Vernon, Texas, where they lived until 1936. At that time they purchased a farm in Southern Bailey County, where they have made their home for the last twenty-five years.

Mr. and Mrs. Snitker have three children, one son, and two daughters. They are C. C. Snitker, whose farm joins his father's, Mrs. Geraldine Moore of Las Vegas, N. M., and Mrs. Dewey Johnson of Roswell, N. M. They also have five grandsons and one granddaughter and four great grandchildren. All their children grandchildren and great grandchildren were at the Snitker home for a family celebration at Christmas time.

Richard Moores Are Honored With Shower

Mr. and Mrs. Richard Moore of the Y. L. community were honored with a wedding shower in the home of Mr. and Mrs. Sam Cearley of Earth recently. Mrs. Moore is the former Patty McGeath of Earth.

NOTICE! TO PARENTS Of School Age Children

The school census is being taken during the month of January this year. All children who are six years old on or before Sept. 1, 1961, but will not be 18 or older on or before that same date should be counted in this census. It is very important that all children six to 18 years be counted in this census. The child should be counted even though he may not be in school and even though he or she may be married.

If you, as a parent, have not received and filled out a school census blank on or before January 21 you are being overlooked and should do one of the following:

1. Phone Supt. Neal Dillman at Phone No. 3-3890 or the School Tax Office, Phone No. 5100 and ask for a census blank.
2. Call in person at the School Tax Office and get a census blank and fill it out.

Remember, if your child will be six years old next Sept. 1st, he should be counted in the census now, even though he is not in school now. If he is six but not 18 or older on next Sept. 1, he should be counted now. All children from six to 18 should be counted. The 6-year-olds who start next September to school are the ones most often overlooked in the census. Failure to count them costs the school and taxpayers' extra money. Please help us not to overlook anyone.

Please read the census blank carefully, fill it out completely, and return it by your child next day to the teacher. Thank you.

On back side of Census Blank, please list all children in your family Under 6 Years of Age, giving month, day, and year of birth. This will give us more concrete information on long range school planning.

DON'T WAIT Till February 1st To Turn Your Blanks In — As That Will Be Too Late!

Mrs. Frank Griffiths Three Way News
The first meeting of 1961 for the Goodland Bible Study Club was in the home of Mrs. Geraldine Lowe Tuesday, Jan. 3. The meeting opened with chain prayers, each member joining hands around the room to form the chain.

Officers elected in the business meeting were: Mrs. Tommy Galt, president; Mrs. Louis Henderson, vice-president; and Mrs. Pete Tarlton, secretary-treasurer.

An attendance award was presented to Mrs. Galt for best attendance in 1960. She missed one meeting. The club meets the first and third Tuesdays of each month.

Chapters 17 and 18 of Exodus were studied. Refreshments were served to Mmes. L. W. Chapman, Pete Tarlton, Clint Everett, L. W. Sanderson, W. C. McCelvey, Tommy Galt, Leon Reeves, and Louis Henderson.

The next meeting will be in the home of Mrs. W. C. McCelvey January 17.

The high school basketball team defeated Pep last week in the first conference games.

Mr. and Mrs. Kenneth Paul of Portales, N. M., spent the weekend with her parents, Mr. and Mrs. Frank Griffith and accompanied them to the Golden Wedding Anniversary reception of Griffith's parents Sunday at Shallowater.

A slumber party honoring Miss Vickie Vickers was given Tuesday evening in the James Courtney home. Attending were Sandra Kenley, Pam Bounds, and Donna Furgeson. Miss Vickers, a house guest of Mary Ann Courtney, spent a week here. She returned to her home at Grand Prairie Saturday.

Students from the Three Way schools went to Muleshoe last week to get diphtheria shots. About 80 students were inoculated.

"Mailers, mailers everywhere!" says Linda Breese, of Columbus, Ohio, 1961 March of Dimes National Poster Child, as she "models" one of the contribution envelopes. Mailers are to be returned this month to local chapters of The National Foundation to support expanded health program in birth defects and arthritis, and continued work in polio. Linda is recovering from birth defects of an open spine and excess fluid on the brain.

Jimmie Kinser Visits Parents

PFC Jimmy Kinser, son of Mr. and Mrs. Noah Kinser, is at home on a 19 day leave. Kinser is stationed atop North Mountain with Army Battery "B", 4th Missile Battalion, 20 miles from Thule FFB, Thule, Greenland. He is in the communications section. Of the country and wildlife here, Kinser says there is only about 80 miles of land, beginning at North Star Bay and extending back to the Ice Cap. The soil is only a few feet in depth. Underneath it is ice. There is very little vegetation there. A few wild flowers, some native grass, and green moss grows for about 10 miles inland.

The wildlife consist of large rabbits, small fox, seals, walrus and snow birds.

The normal summer temperature stands around 50 degrees, while the average winter temperature is about 40 below zero. However, during a "Phase", which is a blowing Arctic snow storm, the thermometer falls as low as 70 below and the winds have been clocked at over 200 miles per hour. They also have what they call "White-Outs" that resemble our fogs here. Kinser said that the White-Outs can be seen coming for miles away and it looks like clouds rolling on the ground. Visibility is reduced to zero and they usually last 4 to 6 hours. These White-Outs occur as often as three times weekly.

PFC Kinser is to report to McGuire AFB at Trenton, N.J. on the 19th, to board a plane for Greenland, where he will be stationed until August.

U.S. SAVINGS BONDS ARE ON THE WAY TO DECEMBER RAMBLER BUYERS

39th Straight Record-Breaking Month Means Bonds for December Buyers of Ramblers and "Mets".

Now January Buyers Can Share, Too. Bonds are already on the way to the 34,324 customers who took delivery of new Ramblers in December (the 39th straight month in which Rambler sales set an all-time high over corresponding previous months). Metropolitan buyers also receive bonds. Both can share in future bond payments up to a cumulative total of \$125 (maturity value), as sales increase.

January Buyers Can Receive Bonds, Too.
American Motors' Customer Progress Sharing Program is retroactive and cumulative. If you take delivery of a new Rambler or Metropolitan this month, you can receive U.S. Savings Bonds, Series E, with maturity value of \$25 to \$125, as Rambler sales reach pre-set goals.

Join us in putting the spotlight on the necessity for sharing progress with ALL consumers if the whole nation is to prosper. Ask your neighbor about his Rambler. Then see your Rambler dealer for the best car buy and full details on how you can share Rambler's success.

Proclamation

For each of the past 11 years, Public Schools Week in Texas has been set aside as a special time to place increased emphasis on our educational system.

During this period, parents are encouraged to visit the public schools, and all citizens are urged through special programs to recognize the tremendous importance of our system of education. Our goal is to make Texas public schools the finest in the Nation, and to achieve this our citizens are urged to take an active interest in the school systems and to cooperate with their school boards, superintendents, principals, and teachers.

Never before in our history has there been a greater need for educated leadership. As we rush to train young people in science and technology to keep pace with world events, it is also important to remember that our public schools will furnish our leaders of tomorrow with the basic human, moral and spiritual foundations necessary for more advanced training and knowledge.

THEREFORE, I, as Governor of Texas, do hereby designate the period March 6 — March 10, 1961, as

\$155,000 Received By Bailey Veterans

More than \$155,000 was received by the Bailey County veterans, their dependents and survivors during 1960 according to a letter received this week by Joe D. Vaughn, Veterans County Service Officer, in Muleshoe, the information was contained in a letter from Mr. Charles L. Morris, executive director of the Veterans Affairs Commission at Austin.

According to Mr. Morris, the amount represented payments to veterans in the form of disability compensation and pension and training allowances; payments to widows, orphans, and dependent parents of deceased veterans. This amount was paid to Bailey County citizens through the efforts of various veterans organizations. There is only such organization in Bailey County (The American Legion) according to statement of Joe Vaughn.

In addition to the \$155,125, Bailey County veterans have also received hospital treatment outpatient treatment, American Legion Life Insurance and other benefits thru the efforts of these veterans organizations.

Mr. Vaughn points out that the Ben Richardson Post of the American Legion is the only veterans organization serving the Muleshoe area and that he recommends and urges all eligible veterans to become members of the American Legion, thus helping to assist these needy veterans and their dependents.

Student Council Active In 1961

Muleshoe High School has an up and coming Student Council organization this year according to interested observers.

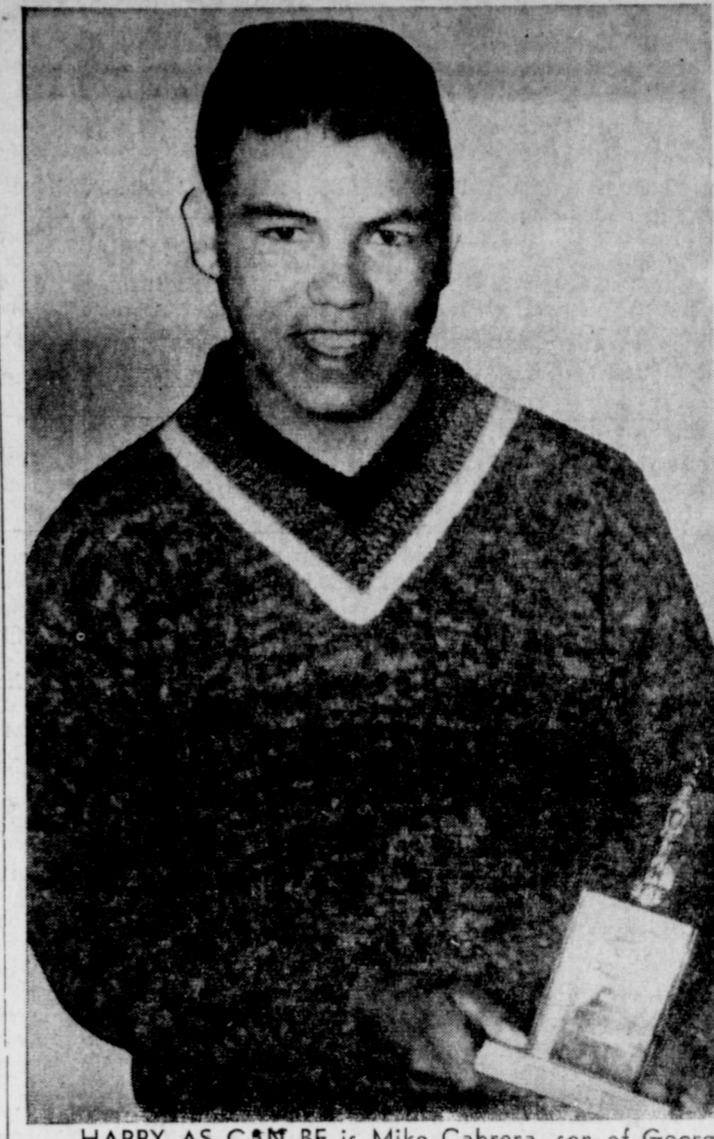

The group which recently purchased a photo-copy machine for the high school is now working on a student lounge. To raise money for the project council members staged a crack-down on jaywalkers Saturday, January 7. Each person caught jaywalking in the downtown area was fined 25c. Twenty dollars was raised for the purchase of drapes for the lounge in this way.

Members of the Student Council for 1960-61 are: Robert Garlington, president; Rodney Blackwood, vice-president; Dick Allison, Magann Lamb, Janie Sanders, Julia Hollis, secretary; Ronald A. Johnson, Davy Anderson, Jerry Gilbreath, Lola Harrell, Barry Lewis, Charlene Lindsey, Todd Will, Sandra Broyles, Jay Autry, Pat Thomson, Goldilau Goucher, Zona Milten, Sue Phipps and Sandra Taylor.

CORNELIUS (Bud) McMAHAN of Muleshoe, (right) is pictured receiving the first place road maintenance award for District Five. The award was presented by O. L. Crain, District Engineer. District Five includes 17 counties and in awarding the prize Crain stated that this indicated that McMahan's county was in the best condition of all 17 counties. McMahan has been with the department for approximately 21 years. Crain stated that Mr. McMahan was one of the department's best Maintenance Foremen.

MULESHOE STUDENTS VISITS CAVERNS
A group of Eastern New Mexico University geology students will visit the carlsbad area during the weekend (Jan. 7-8) under the direction of Dr. William E. King, associate professor in geology.

Members of the physical geology class making the trip include Gary and Janie Shankles from Muleshoe.

HAPPY AS CAN BE is Mike Cabrera, son of George Cabrera of Muleshoe. Mike is displaying the first place trophy he won in the High School Speech Club talent contest January 6 for his boogie woogie piano exhibition.

C of C Directors January Meeting

The Directors of the Muleshoe Chamber of Commerce held their January Board meeting on January 9 at 6 p.m.

The Chamber's new president Robert Alford announced that the agenda will be completed at each board meeting prior to opening the floor for general discussion of other topics.

The program of work for 1961 was read to the group by the president and discussed briefly before being unanimously accepted.

Treasurer Roy Whitt read the proposed budget for 1961 which was unanimously approved also.

Harmon Elliott and Bobby Airhart were appointed to the board of the Muleshoe Sugar Beet Growers Association.

Chamber manager Carroll Pouncey was rehired for 1961.

The Lazbuddie Farmers Union barbecue to be held January 19 at 7:30 was announced by Irvin St. Clair and several directors indicated they would represent Muleshoe.

The directors were urged to continue displaying the flag every day in Muleshoe.

MRS. SHAN RETURNS TO MAINE

HOME ON FURLOUGH

Bobby Black, son of Mr. and Mrs. Pete Black has recently returned to Fort Sill, Okla., after spending his Christmas furlough in Muleshoe with his family and friends.

Winners Named In Talent Show

The Muleshoe High School Speech Club Talent Show January 6, ran into last minute difficulties when Odus Echols, scheduled to appear, was unable to attend. Tiny Dennison and his band substituted for Echols. Dennison is a Grand Old Opry star.

In ensembles the first award went to the Strollers from Friona. Second place was won by the Muleshoe Stage Band and third by the Treble Teens also of Friona.

The contest was divided in two divisions. The first place award in the Junior Division was won by Jewellene Brackman.

In the Senior Division three awards were presented. First place went to Mike Cabrera, second was won by Jeanne Gray, and third by Maxine Copley.

Why settle for the inconvenience of an awkward "lift-up" gate?

Before you put hard-earned cash on the line for any compact wagon, just try this: open the tailgate. If it swings up, as shown at left, you could be in for some lumps and bumps on the head as your cargo rolls out. But Falcon's tailgate, with the built-in, roll-down window, swings down. That means easier loading—and 26.1 inches more cargo deck (with tailgate down) for carting those long loads—up to 31% more cargo area with tailgate up. No doubt about it. Falcon hauls more—and that's what you buy a compact wagon for!

Pay up to \$508 more? What for?
Only Falcon offers the just-right compact wagon!

<p>Just Right in Convenience! Check the current crop of compact wagons. You'll find they all fall short of Falcon's convenience. For instance, seven out of eleven don't give you a handy, swing-down tailgate with roll-down rear window on all models. There's attention paid even to the "little" conveniences, such as two arm rests, two sun visors, two coat hooks, all standard at no extra cost! And of course, you can have your choice of Ford or Fordor Falcon Wagons, too.</p>	<p>Just Right in Price! Cast an eye on that low price sticker and you realize what a sensational value the Falcon wagon really is! Imagine . . . up to \$508 less* than some compact wagons, not stripped but equipped the way most people want their wagon . . . including radio, heater, automatic transmission and deluxe trim. With all this that you save on Falcon's low price, you're still driving a dazzling new beauty, handsomer than ever inside and out.</p>	<p>Just Right in Economy! Of all compact wagons, Falcon's the economy champ! America's sweetest, savingest 6-cylinder engine takes you up to 30 miles per gallon on regular gasoline—4,000 miles between oil changes. And Falcon's sensible engineering makes for rock-bottom repair costs and lower maintenance, too. You save on tires, mufflers, every driving cost in the book. P.S. For an extra measure of performance, try Falcon's brisk, new 170 Special engine option.</p>

SAND HILLS PHILOSOPHER DICUSSES

Cuban Situation But Takes A Wait-and-See Attitude

Edito's note: The Sand Hills Philosopher on his Johnson grass farm looks at the Cuban situation this week, but does no more than look. Dear editor:
A man in town cornered me the other day after I'd finished drinking a cup of coffee and also right after I'd paid for it and said, "Say, you like to write letters about things, when you gonna write one on what to do about the Cuban situation?"
I told him I'd think about it. After thinking about it for a week, I have come to the conclusion that thinking about the Cuban situation, while it doesn't accomplish anything, is still about the only thing that can be done about it at the moment. It's sort of like watching a flood carry your fence down the creek. If some-

body had built a dam upstream years ago, maybe the fence wouldn't have washed out, but at the moment, the only thing left to do is to sit there and watch it float away.
A neighbor of mine was saying just this morning what a shame it is for President-Elect Kennedy to no more than get sworn in January 20 when he has to face up to the Cuban crisis. No time to lean back and get the feel of the Chief Executive's chair in the White House, no time to wander around the place and get used to the idea that he's now the President, has to work overtime the first day.
But I don't look at it that way. I have a notion that four years from now President Kennedy will review the situation and wish that all his problems

had been no worse than the Cuban situation. When a man applies for the job of President in these days, he's got to be equipped to thrive on one crisis after another, each new one probably worse than the old one.
Therefore, don't be looking to me for a solution to the Cuban situation. That's what the President is hired for.
I will add though that trying to solve the Cuban problem is like trying to stop a flood after it reaches your place. What you've got to solve first is the Russian problem. And before I can do that, I've got to solve the problem of this Johnson grass farm. This puts Russia a long way off on my list.
Yours faithfully,
J. A.

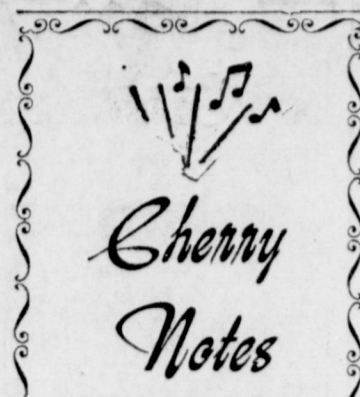

The Spirit of America

Lecturer, Journalist.

Since they do reflect the thinking of the people surveyed, it might do well for us to think of this as an age of... This seems to be an age of... which revealed the folk think seriously about the... made of 6,000 high school students by American Futures, think of the people surveyed... months ago, a survey was... lowing statistics
25 percent of the boys and 33 percent of the girls said the government should control basic industries; 56 per cent think the government should take away from the rich and give to the poor; 60 per cent favor governmental control over the press, television and radio; 60 per cent believe the profit motive can be eliminated and not hurt the American system; over 50 per cent think that most people are not capable of deciding for themselves, therefore the government should...
The question arises, Are the American people aware of the true meaning of the capitalistic of free-enterprise system? Is freedom as priceless now as it was in 1776, World War I, or World War II? Have we lost sight of the meaning of our two great documents, the Bill of Rights and the Constitution?
Are we conscious of the basic structure of our American way of life which has enabled us to become the leading nation in the world? Have we decided that the government is to be master of our people, rather than a servant?
This is an age of "give me".

When one applies for a job, the questions that usually come first are "What do you pay?" and "What are your fringe benefits?" Perhaps you remember some of the questions that were asked years ago, such as "I need work. Do you need a hand?"
School administrators are constantly plagued with the question, "Can you give me a scholarship?" and "Do you offer grants-in-aid?"
This is an age of suspicion and distrust. One gentleman recently said, "I don't trust anybody."
We are prone to judge quickly and severely. If a man talks against certain socialistic trends he is a radical. If he is patriotic "he is a flagwaver." If he advocates peace, "he is a communist." Isn't it possible for a man to take a stand because he is an American, because he is a man of principle? Thomas Jefferson, in his inaugural address, states:
"Every difference of opinion is not a difference of principle. We have called by different names brethren of the same principle. We are all Republicans, we are all Federalists..."
Jefferson was trying to say, "We are all Americans." This is the challenge that faces us today, the challenge of "living together in peace, proudly in dependence in spirit, firmly

united in nation." To meet the challenge before us, we must accept the concept of the pioneers. "The only truly freeman is the informed, enlightened man."

News about Business and Professional People

Have you thought about Friday being the 13th? We have. There are a lot of stories circulating around The Journal office.
We often think of superstition as something which belongs to past ages but it still lives.
It is difficult to say just what superstition really means. It might be called a belief, usually born of fear, which is contrary to reason and can not be proved by experience.
Many superstitions are harmless while others result in tragedies. Many are amusing while others are gruesome.
Strangest of all beliefs, usually found in Europe, Greece and Iceland, concerns "vampires". A vampire is supposed to be a corpse which leaves its grave in the night, sucks blood from the throats of the living while they sleep and returns to the grave at dawn. Some people still take this superstition seriously.
The belief in demons, hobgoblins and other spirits of the supernatural world still exists to some people. Similar to this is the belief in fairies and imps, who are supposed

Those visiting him Sunday from Muleshoe were Mr. and Mrs. Francis Gilbreath, Mr. and Mrs. T. L. Glasscock, Mr. and Mrs. Arlys Levedige and son, and Mr. and Mrs. John Dempster and son.
He is in Room 3.

to be tiny creatures, good and evil.
Certain persons are thought to be magicians, sorcerers, or witches. The Irish believe in a ghostly being called the banshee, whose wailing announces the approach of death.
People in some parts of the world believed that comets were a sign of divine anger and still think they predict famines, plagues of wars.
Dogs are supposed to sense coming death and feel the presence of invisible beings. The howling of a dog is considered a sign of approaching disaster.
A black cat crossing one's path is said to be unlucky and bring one year of ill fortune.
Another ancient belief was that somewhere a fountain of youth existed. It was while searching for this that Ponce de Leon discovered Florida.
The numbers three and seven have always been held to have a sacred meaning. They are looked upon as lucky. It is widely believed that the number 13 is unlucky. Many believers in "lucky" and "unlucky" days, Friday is commonly looked upon as an unlucky day. A Friday that falls on the 13th of any month is doubly so.

CHRISTIAN SCIENCE SERVICE

How true health and harmony are established will be brought out in the Lesson-Sermon entitled "Life" at Christian Science churches Sunday.
Included in the Bible readings is this statement from Deuteronomy (5:33): "Ye shall walk in all the ways which the Lord your God hath commanded you, that ye may live, and that it may be well with you, and that ye may prolong your days in the land which ye shall possess."
This passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will also be read: "Our proportionate admission of the claims of good or of evil determines the harmony of our existence, — our health, our longevity, and our Christianity" (167:7).

The Golden Text is taken from I John (5:11): "That the record, that God hath given to us eternal life, and this life is his Son."

MULESHOE REFUGEE MOST REWARDING BIRD WATCHING AREA

Muleshoe National Wildlife Refuge is an excellent area for bird watching according to Dr. Earl Sanders and Gordon Creel, of the Wayland Baptist College Biology faculty. The men listed the refuge as one of the most rewarding areas to be found for bird watchers and others interested in nature.
People in this area who are interested in bird watching are invited to contact Creel at the college.

BABSON GIVES

"Best Buys" Today

Babson Park, Mass., Jan. 12 —With the new Administration coming into office, the wise investor will play safe. If J. F. K. takes his father's advice, investors should have nothing to fear; but if he takes the advice of "wild eyed" college professors we may have much to fear.

IMPORTANCE OF SECURITY

Bonds of a company are always safer than the stocks of the same company; but stocks of some companies are safer than the bonds of other companies. Hence, readers cannot feel safe by just buying either stocks or bonds. Everything in the world is good and/or bad. No one rule will apply to all persons or to all classes of investments or real estate.

It is also wise to consider the relative prices of bonds before you buy them. The average price of good bonds has varied to yield between a high of 4 1/2% in 1960 and a low near 3% in 1946. This means that bonds were highest priced in 1946 and lowest in 1960. Hence, this is a good time to buy good bonds, although they are a little higher than a year ago. There are three different groups of bonds, arranged in the order of their safety, as follows:

DIFFERENT KINDS OF BONDS

1. U. S. Government Bonds. These are mostly held by banks. Although very safe, they do not yield very high interest; yet this interest is taxable for individuals. The short maturities yield the least; while the long maturities yield the most. If you want them as a reserve for "quick money", buy the short maturities; but if you want them for income, buy the long maturities.

2. Tax - exempt Municipal Bonds.

These are two kinds: (1) the fixed-interest municipals issued by cities, towns, counties, and states. I suggest that you avoid bonds of big cities. Buy the bonds of medium sized cities in the interior of the United States. The capital cities of interior states should be the safest of all, and carry a fair yield. All these are non-taxable for federal tax purposes. You can also buy (2) non-taxable "revenue bonds", but the interest on these is not guaranteed. Most turnpike bonds are in this latter class. So long as the turnpikes are used sufficiently, the "tolls" pay the interest; but if the tolls are not sufficient, full interest is not paid. This explains why turnpike revenue bonds yield higher than straight municipals.

3. Corporate Mortgage Bonds and Debentures.

Bonds of corporations are also of different kinds; but all are taxable as to interest. To readers of this column I recommend the mortgage bonds of public utility companies, such as the company to which you pay your light and power bill. The sale of electricity is constantly increasing and—though subject to rate regulation—these companies have a monopoly. They are also freest from union labor interference.
Most industrial bonds should be good provided they are not

subordinated to bank loans or other indebtedness. Income bonds may be good speculations following a drastic reorganization. Debenture bonds are unsecured and hence often not suitable for small investors, unless accompanied with attractive conversion privileges. The El Paso Natural Gas 5 1/4% due in 1977 are a favorite of mine; yielding about 4 1/2%. I do not like railroad bonds or bonds of manufacturing companies subject to competition.

IMPORTANCE OF DIVERSIFICATION AND PATIENCE

For 62 years my family has been helping investors to conserve their savings and secure reasonable capital gains. For 40 years I have been writing this weekly column. The great lesson which I have learned is the importance of diversification. Hence, why not buy some short-term government bonds to turn quickly into cash in an emergency; plus some public utility mortgage bonds for good income; plus some tax-free municipals to save income taxes; plus a few convertible bonds as a speculation?

Most important of all, train yourself to develop patience, the ability to wait for the big market moves in bonds, stocks, and real estate. Patience, diversification, and compound interest are the big necessities for making a fortune.

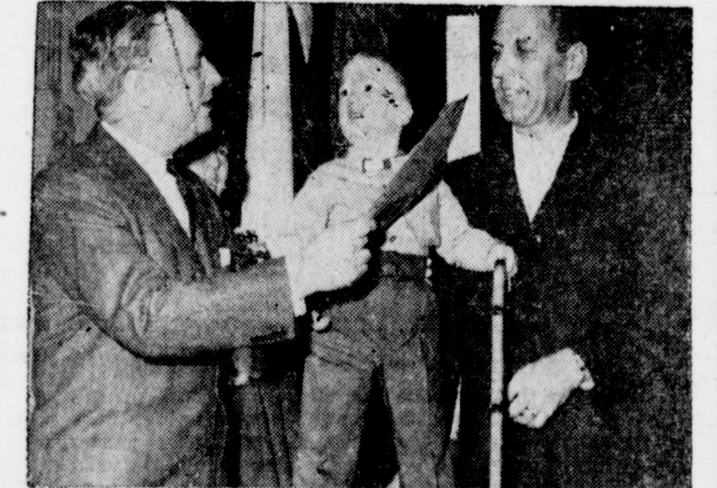

Attack Cripples Urged For January

More than a quarter of a million infants are born in the United States each year with serious birth defects. Arthritis is a leading cause of disability, and polio continues to be a major health problem in this country and in our State.
Governor Price Daniel in recognition of this fact and that the National Foundation, thru the March of Dimes, has maintained an effective program to prevent crippling diseases has proclaimed January, 1961, as the New March of Dimes Month. In his proclamation, Daniel

Earl Ladd, Bill Collins, and Pete Jones, visited in Lubbock Monday evening with Allen McGee, who is in a hospital there.

Mr. and Mrs. Ed Hupp, their son-in-law and daughter, Mr. and Mrs. C. E. Garth, accompanied by Melvin Pritchett, left last week for California. The Hupps, who have resided in Bailey County for several years, recently sold their irrigation farm in the Y. L. community. They will visit their son and daughter-in-law, Mr. and Mrs. Minard Hupp, who moved to California a few years ago. He is employed with the Douglas Aircraft Co.

A SMILE THROUGH ALL HIS HANDICAPS, little Jackie Swendon, 2, adds his smiling emphasis as Governor Price Daniel (left) presents a Proclamation to Ed Gardner of Midland, State Chairman for March of Dimes. Daniel designated January as New March of Dimes month, urging Texans to help erase polio, arthritis and crippling birth defects by supporting the March of Dimes campaign. Jackie, son of Mr. and Mrs. Carl Swendon of Round Rock, was born without legs or a right arm. The lad's mother (behind Daniel), lends her moral support to her smiling son at the ceremony in the Governor's office.

Thumb Says Clean Yard, Prune Trees

"If winter comes can spring be far behind . . .", thus sang the poet. And with these fine winter days we are having, plus the arrival of seed catalogs in the mail, many area gardeners and would-be gardeners are thinking about planting.

Right now is a good time to be spent in making some plans for your garden when the weather is right. A few hours in planning how to best utilize your space, or in consultation with your local garden-shop, will pay off in the kind of garden or landscape you have dreamed of.

Getting good quality shrubs and trees is important to you, and a reliable local nurseryman can be of much help in selecting plants that will live and do well for you. Also, if you purchase your plants locally, you can usually depend on replacements should something fail to live up to your expectations.

Warm dry days are perfect for that long overdue job of cleaning up your yard. Despite the so-called dormancy of winter, there's lots been going on in your yard, and a good cleaning will do much for your lawn and shrubbery.

Take an afternoon on a warm dry day and rake the dead grass away from the fences; clean out the debris that naturally accumulate in your flower beds. Carefully try your hand at pruning that tangled shrubby or overgrown tree.

Give some thought to the pruning of your roses now. Despite the cold nights, there is still some slight growth in roses in protected spots, so use caution in your pruning. You will want to clean up your roses so the tangled, unproductive canes will be eliminated, making your rose stronger, and thus, more attractive next spring.

A special short course in gardening and landscaping will be offered by Amarillo College, Amarillo, to begin Thursday evening February 2, if a minimum of fifteen students from the Golden Spread can be enrolled.

The twenty-four accelerated short courses will be taught over a period of twelve weeks, with classes meeting one night a week from 7:30 to 9:30 p.m. The course will be completed on Thursday, April 20.

Frank Elmore, holder of a Bachelor of Science degree in horticulture from the University of Arkansas and a Master's degree in the same field from Oklahoma State University, will serve as instructor for the course. Mr. Elmore, currently teaching in the Amarillo public school system has spent the greater part of his life in the Panhandle of Texas and is particularly aware of the problems facing gardeners in this area.

While much of the course will contain materials useable in any section of the country, the primary emphasis of the class study will be on problems peculiar to the Golden Spread area.

The materials to be covered in the twelve two-hour meetings will include: sources of

reliable information for amateur gardeners, botany studies, soils, grasses, clovers and fescues, substitutes for lawns, renovation and establishment of old lawns, lawn maintenance, control of weeds, control of plant diseases, control of insects, and the basic principles of landscaping.

The course is not offered for college credit but a certificate of attendance and completion will be issued to all who attend at least nine of the twelve meetings. Tuition for the course will be \$10.

Amateur gardeners who would like to attend should call or write Pat O'Keefe, Director of Community Services, Amarillo College, 22nd and Washington, Amarillo and/or be present for the organizational meeting Thursday evening, February 2, 7:30 p.m., in Room 6 of the Engineering building, Amarillo College, Amarillo.

Parmer County Farm Bureau News

Farm Bureau Directors held a good meeting Monday night, planning their program for 1961. Nearly all of them were present, and Charles Howell, a member of the legislative committee was also present. The directors always welcome members of the various committees and members at large to attend meetings any time. They are particularly interested in knowing what you think about the Farm Bureau Program, and are receptive to your ideas for improving it. Herman Gerie, your president, Donald Christian, Vice-President and membership chairman, along with chairmen of the community membership groups will be attending a meeting in Abilene the 24th of this month. This is a Statewide membership rally involving all county presidents and membership chairmen. These men earnestly request your membership and will be talking to you about it later this year.

Last week Roger Babson wrote what Farm Bureau has been saying for a long time, namely, "Let us face the facts—the union leaders in this country must shoulder the lion's share of the blame for unemployment increases. They have priced many goods out of their own foreign markets by pushing up production costs."

Here is something along the same line: On December 30, 1960, Secretary of Labor Mitchell informed Congress that a minimum wage for agriculture, in his opinion, was both feasible and desirable and need only apply to those large farms who hire most of the farm labor to be effective. He further states that he hopes Congress will act in this important area and provide adequate minimum wage protection for these millions of Americans who produce the food and fiber for this country.

Farm Bureau opposes the above on every level, local, state and national. Remember to file for gas tax refund if you haven't done so in the last few months.

MULESHOE ANTENNA CO.

107 EAST THIRD

Lazbuddie News Letter

by Penny Grusendorf

Jane and Jerry Bruns visited their aunt Tuesday night at Muleshoe. Their aunt is Zephia Zimmer.

The Lazbuddie Longhorns started their conference games Tuesday by playing Bovina. Each conference game will begin at 6:30 and not at 7:00 as originally planned.

Mr. and Mrs. A. M. Bradley went to Amarillo Monday to visit Frank Bryant in the VA Hospital. Mr. Bryant is still in critical condition.

The Lazbuddie boys' basketball team played Whitharrel

Saturday night in the finals of the Amherst Tournament. They won by three points and received first place trophy.

Mr. and Mrs. A. M. Bradley attended the Joe Clark funeral at Friona Saturday.

Sam Bradley is still at the bedside of the Frank Bryant family at the VA Hospital in Amarillo. They plan on going to Friona Saturday.

Those having birthdays this week are:

Mary Schumann, Jan. 10; Carolyn Holden, Jan. 13; Loy D. Rigby, Jan. 14; Evelyn K. Darling, Jan. 14; Larry Parker, Jan. 15; and Timmie Smith, Jan. 15. We wish all of these a very "Happy Birthday".

Beverly Smith celebrated her birthday last Thursday with a few girls spending the weekend with her. They were Coreta Watkins, Patsy Morrow, Eva Dan Ivy and Penny Grusendorf. All of these had a very

good time. Mrs. Linda Stegall and Sharon are here visiting with Mr. and Mrs. Bill Lancaster. They are visiting Bill Stegall, who is leaving to go to Australia for seven months.

Maple News

Miss Maudine Eubanks and Miss Shirley Reeves of Lubbock spent the weekend in the homes of their parents, Mr. and Mrs. Bill Eubanks and Mr. and Mrs. Leon Reeves.

Mr. and Mrs. Fred Brown of Dimmitt spent Monday in the home of their nephew and family, Mr. and Mrs. Oran Reeves.

Mr. and Mrs. Jim Simpson were in Lubbock Friday on

business. Mrs. Ted Simpson and Dan visited her parents, Mr. and Mrs. Clark in Shallowater Monday.

Mr. and Mrs. Guy Gattis went to Littlefield Sunday afternoon to be with his father, who is ill and in the hospital.

We are happy to have Mr. and Mrs. Jake Burkett and daughter move into our community. They are from Portales, N. M. They are moving where the W. C. Galvins lived and Mr. Burkett will operate the station that Mr. Galvyn has operated previously. Mr. and Mrs. W. C. Galvyn have moved to Portales.

Mr. and Mrs. Jim Pyburn visited Mr. and Mrs. Lawrence Taylor Friday night.
