## IN MULESHOE SKIES

### Bright Blue Light Reported In Area

Don't get excited because the man who reported it didn't. It might have been a flying saucer if an excited person saw it, but when D. L. Beran of 1510 42nd St., Lubbock, saw a blue light falling from the sky northeast of Muleshoe Saturday, January 14, it was just a blue light.

Beran and his son, Bill, were driving toward Muleshoe on Highway 84 when they both saw what they described to District Attorney Jack Young, as a brilliant blue light falling from an estimated altitude of 2,000 feet about 5 to 10 miles northeast of their location. The pair were about 6 miles out of Muleshoe at the time. Beran said the light burned out before hitting the ground.

In discussing the matter Beran and his son said they did not think it was anything like a flying saucer. Their reason for reporting the incident was that they thought it might possibly be a part of some missile project. Beran stated that he understood that things of this nature should be reported in case it might be a part of some government project.

District Attorney Jack Young said it might possibly have been a meteor but meteors usually burn red. Young stated that the occurrence would be investigated.

## POLICE AND SHERIFF'S REPORTS

Bailey County Sheriff's Department jailed one for breaking, one for drunk and litterbug, one for breaking and entering, one for drunk and litterbug, and one slepper last week. Lubbock picked up one man for the department on a theft for Bailey charge.

The City Police Department arrested and jailed one DWI, two for drunk, one traffic violation, and one for investigation last week.

Highway Patrol activity included the jailing of one DWI.

## Rites Conducted For W. J. Shaw

Funeral services for W. J. Shaw were conducted at 2 p.m., Sunday, Jan. 15, in the First Methodist Church of Muleshoe with the Rev. Tommy Gleaton, pastor, officiating. Burial was at Grady, N. M., under the direction of Singleton Funeral Home.

Shaw was 62 years old and a farmer in the West Camp community for the past five years. He moved to West Camp from Grady, N. M.

Survivors include: his wife, Mrs. Virgie Shaw; a daughter, Mrs. Dora Green, Muleshoe, a son, Eugene Shaw, also of Muleshoe; five sisters, Mrs. Elvis Day, Plainview; Mrs. Roy Hale, Wichita Falls; Mrs. Elsie Sykes and Mrs. Floyd Landis, both of Burk Burnett, and Mrs. Eugene Wilborn, Dallas; four brothers, Tom and Jim Shaw, both of Burk Burnett, Wade Shaw, Wichita Falls; A. J. Shaw, Randlett, Texas, and three grandchildren.

## Gammon To Head Water District

John Gammon, Lazbuddie was elected board president of the High Plains Underground Water Conservation District here Wednesday at a re-organizational meeting of directors in the district offices.

Gammon, the immediate past secretary-treasurer of the board, succeeds Elmer Blankenship, Wilson.

T. L. Sparkman, Jr., Hereford, was named vice president. He succeeds J. R. Belt, Lockney who was elected secretary-treasurer.

All new officers and Blankenship and Roy Hickman, board member from Morton were to present for the meeting.

The directors discussed the possibility of seeking legislation at this session of the Texas Legislature to give the district the authority to close abandoned water wells.

## Mrs. Kennedy Will Present Recital

The piano students of Mrs. E. H. Kennedy will give a recital in the Trinity Baptist Church Sunday, January 22. Grade school students will play at 2:30 p. m. Junior high school and high school pupils will play at 3:30 p. m.

The public is cordially invited to attend the recital.

Through the courtesy of Harvey Bass, Appliance and the Muleshoe Antenna Company the students of Muleshoe High School will witness the inauguration of the new President of the United States.

A colored television set will be placed in the high school auditorium, Friday, January 20 at 1:00 p. m. when the ceremony will begin. The public is invited to attend free of charge.

## Mullettes Win Over Abernathy, Mules Defeated

Friday, Jan. 13, Coach Powers and he Mules and Mullettes went to Abernathy, where the Mullettes won their second conference game of the season. The Mullettes scored 65 points to Abernathy's 58. High point girls for the Mullettes were Mary Ellen Wedel, who scored 28 points; Janie Sanders, who scored 21 points, and Janie Sanders, who scored 21 points.

Top rebounders for the Mullettes were Lynda Gillis, Brenda Melson and Janie Sanders.

High point girls for Abernathy were Sanders, with 22; Johnson, 20, and Owen, 15.

Abernathy boys beat the Mules with the final score, Abernathy 79, Muleshoe 57. High point boys for the Mules were Bob White with 16, Rodney Blackwood with 13, and Steve Leigon with 9 points.

GUEST SPEAKER at last Thursday's Chamber of Commerce banquet, Ben Wooten (left), talks with Lindal Murray (center), retiring president of the Chamber and Robert Alford, incoming president.

## Real Estate Club Projected

Real estate dealers of Muleshoe will gather tonight at the First National Bank community room for a further study of their plans to organize a real estate club here.

Some eight local brokers and salesmen met at Leigon's for lunch last Thursday for preliminary discussions.

A spokesman for the group said all brokers and salesmen are eligible, but that they hoped other professional people, including abstractors, bankers, etc., would affiliate.

## Black Buys Top Stock For Herd Improvement

Eugene Black, traveled to Paul's Valley, Okla. last week to attend the National Breed and Show Sale for Poland Chinas, to augment his breeding stock on his farm 10 miles west of Muleshoe.

Black calls his hog raising operation a family affair with his two oldest boys, Stanley and Clifford, helping out. The family has 10 registered brood sows and 3 registered boars.

Both Black and his wife Gladys entered judging contests while at the show. Black won fourth place in the Commercial Division and his wife won second place in the Womens Division.

One of the registered sows purchased by Black was the fourth place winner in the show however due to its breeding it sold for second place money-of \$375.

Mr. and Mrs. Black have four children, Stanley and Clifford, who are both 4-H members and Stephen, age 8 and Marilyn age 3.

## Accident Is Fatal To Local Farmer

William Joe Shaw, a 62-year-old Muleshoe area farmer was killed instantly near here Friday when a pickup and a station wagon collided at a rural intersection 8 miles west of Muleshoe.

Shaw was thrown from the pickup and was rushed to the hospital in Muleshoe by Singleton ambulance.

He was pronounced dead on arrival.

Mrs. Wilhite is being treated for shock and cuts and bruises. Shaw had lived in the West Camp community the past five years, moving there from Grady, N. M.

## BREAK-IN AT BULA AND MULESHOE

The Muleshoe Piggly Wiggly Store was broken into Wednesday night or Thursday morning. According to Sheriff's department spokesmen nothing was taken but nine locks were broken.

Another break in was discovered Thursday morning at a Bula business firm where four new tires were taken.

## Junior High P-TA Will Meet Monday

Junior high school PTA will meet in regular session Monday afternoon Jan. 23 at 4 o'clock in the junior high library. Some important business matters are to be taken up.

Hi! I'm Cosmic, from now on

## I'll Be Calling Shots On Weather For Muleshoe

A short little character walked into The Journal office and offered to take over the weather duties. He says he would take any blame for the weather that Muleshoe people do not like.

He calls himself "Cosmic."

Cosmic takes his weather rather seriously and, even though we might not like what he conjures up, we must not hurt his feelings, for the first few weeks anyway.

Here's how Cosmic sees things to be this week:

Date	Lo	Hi	Status
Jan. 20	30	70	chge.
Jan. 21	25	30	.10
Jan. 22	10	39	sun
Jan. 23	10	54	mild
Jan. 24	20	40	cool

Jan. 25 9 45 cool  
Jan. 26 12 57 mild  
Jan. 27 20 63 warm  
Jan. 28 28 50 cool  
Jan. 29 20 62 mild

According to cosmic January will end on the mild side. So far we have recorded only 9 readings in the teens for low morning readings. Although we have had no 70's Muleshoe has registered a 65 (January 17) for our 1961 maximum. The lowest so far has been 14 degrees on January 2 and 3.

Precipitation had not made its debut on the 1961 scene at press time Thursday. 01 Doc January would be below normal in the rainfall department. He still looks for a little, however. Las year at this time Muleshoe had measured 1.15 inches precipitation.

## CofC Banquet Tops Off Big Year Here

### Credit Union's Annual Meeting Set January 23

Annual meeting of the Muleshoe Federal Credit Union has been set for Monday night, Jan. 23 according to announcement of Connie Gupton, president. The meeting will begin at 7:30 in Leigon's dining room.

Included in the business to be transacted at this meeting will be the election of four members of the Board of Directors and three members of the credit committee.

Annual reports of officers and committeemen also will be heard. Now two years old, the organization has 100 members.

### Square Thru Club Elects New Officers

New officers for the Square Thru Dance Club were elected at a meeting of members held Saturday night. Chosen president was Warren Meeks; vice-president, Dub Stewart; secretary-treasurer, Marlene Martin, and reporter, Freda Foss.

Nine new couples have begun lessons sponsored by the club. The club meets each second and fourth Saturday night.

Muleshoe paid tribute Thursday, January 14, to its volunteer firemen and their wives as Muleshoe's "men and women of the year."

The recognition of the fire department was formally made at the annual banquet of the Muleshoe Chamber of Commerce in the Richland Hills School cafeteria.

Approximately 260 persons who attended the banquet also heard an address by Ben H. Wooten, chairman of the board of the First National Bank in Dallas.

The firemen and their wives were chosen for recognition because of the time they devote each year to protecting Muleshoe and area property. Their wives also assist them by telephoning the firemen to tell them where to report.

The 25 active members of the fire department conduct training sessions twice monthly. In addition to keeping abreast of fire fighting techniques, the

firemen also keep their equipment in top condition.

Although the firemen are business and professional men with whom fire fighting is merely a sideline and a civic duty, the firemen here have helped Muleshoe during the past four years to stay well below the loss ratio needed to give the city a top fire insurance rating.

The address of the evening by Ben Wooten was another highlight of the 11th annual banquet.

In discussing the complexities that face the nation today Wooten said, "The outlook for the next six months will not be too good". He also said "The gross national product will continue to decline, unemployment will continue to climb and prices will stay in an upswing."

"But for the last six months of 1961, we can expect an upswing", he said and went on to forecast a good last half of the year.

Wooten also cautioned the guests that "our real problems are not domestic ones."

"The Kennedy administration, he said, must face a severe test in both Laos and Cuba."

County Judge Glen Williams gave the invocation for the program, after which Carroll Pouncey, Chamber of Commerce manager, welcomed guests from out of town.

Some of the towns represented were Amarillo, Littlefield, Portales and Clovis, N. M.

Robert Alford formally took over the presidency of the C of C from Lindal Murray. Other new officers include Norman Thomas, vice president, and Roy Whit, treasurer. Retiring from the board of directors are Gil Lamb, Alex Williams, Lindal Murray and McCayle Reed.

Dinner music was provided by Sonia Bass. Special entertainment was by M. D. Shepherd and Logan Moon. Mr. and Mrs. W. Q. Casey, Mr. and Mrs. Roger Albertson and Mr. and Mrs. Horace Edwards made up the reception committee. Arrangements were by Mrs. Thurman White, Mrs. W. B. McSpadden and Mrs. Mary Reed.

## M'shoe Post Office Contract Awarded

A contract for the construction of a new post office building in Muleshoe has been awarded to the Willford Lumber Company, Athens, Texas. Postmaster Senn Slemmons announced today.

The Government holds an option on the property which will be conveyed to the successful bidder. The building will be owned by the builder and will be leased to the Post Office Department for a term of ten years, with four five-year renewal options.

Mr. Slemmons explained that private ownership of the building meant that the property would remain on local tax rolls.

"The leasing program also is responsible for Muleshoe getting the new building, because no funds are available for the construction of federal buildings," he said.

The new Muleshoe Post Office will have 4,564 square feet of floor space and will feature the new divided lobby with the open patron - service counter.

All equipment will be new.

## Buford Battin Will Speak At Revival

The Church of the Nazarene at 9th St. W., and Ave. C, in Muleshoe announces their revival services starting Sunday, Jan. 22-29. Services will start each evening at 7:30 with special singing.

Rev. Buford Battin of Lubbock is to be the guest speaker. He has had wide experience as a minister, having served as pastor in San Antonio and Dallas, Texas; in Roswell and Clovis, N. M., and Olympia, Wash. Rev. Battin has served the Church of the Nazarene a number of years as an evangelist across the United States and Canada. He is a graduate of Eastern New Mexico University. The Rev. Mr. Battin is a forceful minister of the Gospel and presents a clear exposition of the Scriptures in a very interesting manner.

The church joins the pastor, Rev. Lively Crawford, in extending to you and your friends a hearty welcome to attend each service at 7:30 p.m., January 22-29.

MEMBERS OF THE newly-formed Muleshoe Orbiters are shown above clustered around the trophies of individual members and teams. The large trophy nearest the go-kart is the team trophy won January 8 at Clovis, N. M. Racetrack. Members standing in back row (l to r): Billy Vinson, Aubrey Heathington, Jimmy Laux, Kay Harmon, and Jim Fowler. Second row standing (l to r) are: Richard Gordon, Bobbie Spurgeon, Alice Laux, Louise Pollock, and Polly Otwell. Third row standing (l to r) are: Dixie Fowler, Jerry Otwell and Narssia Otwell. ## Moral Behaviour Is Topic of P-TA Panel Discussion At Richland Hills

Moral Behavior was the program topic discussed by a panel of five persons at the regular meeting of the Richland Hills PTA on Monday, January 16 at 4:15 p. m. in the school cafeteria. Approximately 85 people attended.

Mrs. Ed Nickels was the panel moderator and introduced the program on "Moral Behavior - What Is It". Members of the panel were the R.E.V. Gene Welch, O. E. Lumsden, Mrs. Bob Jacobs, and Mrs. Ray Daniel. It was learned in the discussion that children are taught the proper moral behavior first from the parents and the home and then from the church and school. A good example is most important in teaching children right from wrong.

Mrs. Eugene Black presided over the business meeting which preceded the program. Mrs. Roland McCormick reported the Education for Family Living Committee is still working to

complete details on the Conversational Spanish Course.

Bill Bickel, chairman of the School Ground Improvement Committee, reported that plans are being made to start a program of school ground beautification very soon. Mrs. Owen Jones, membership chairman, reported that Miss Effie Childress' room was the attendance banner. Miss Childress room also had the largest percent of parents to join PTA, so her room was awarded five dollars for this achievement. Mrs. Jones also reported there are 242 members of Richland Hills PTA.

After the business meeting, Neal Dillman introduced Dr. Ray Santos, who gave an interesting and informative talk on the need for a health program in our schools. A complete program of immunization is necessary to prevent such epidemics of contagious diseases, such as small pox, diphtheria, whooping cough, and others.

Mrs. Black appointed a committee, composed of Mrs. Bob Kimbrough, chairman, Mrs. Clinton Peat and Mrs. Charles King, to work up a questionnaire to send to all parents to find out their opinion on a school health program.

## Shower Honors Mrs. Williams

A pink and blue gift coffee was given for Mrs. James D. Williams of Lubbock, Saturday, January 14 in the home of Mrs. Julian Lenua.

Mrs. Williams is the former Miss Dolores Wagnon of Muleshoe.

The Lenua home was decorated in a Spring Time motif with the gifts displayed beneath an artificial peach blossom tree and in a playpen which was a gift from the hostesses.

Hostesses were: Mrs. Dudley Malone, Mrs. Morris Douglass, Mrs. Howard Elliott, Mrs. Buck Wood and Mrs. Julian Lenua.

## Civic Affairs Group Meets

The Muleshoe Chamber of Commerce Civic Affairs Committee met at 4:30 p. m. on January 17 in the Chamber offices. Members present at the meeting were: Dr. A. J. Black, chairman, John Miller, Julian Wagnon and chamber manager Carroll Boney, J. E. McVicker, Lions Club president, visited with the committee.

The group discussed selling garbage cans and racks to householders by members of the LIONS Club.

The committee voted to ask the city to send out notices in advance of enforcement date the garbage can ordinance and to also ask them to rubber stamp all water bills with a warning prior to the date of enforcement of the ordinance.

The committee members decided to withhold planning of a cleanup campaign until after the garbage can campaign is underway.

## Jean Gillespie Is ESA Hostess

Jean Gillespie was hostess recently for the regular meeting of the Epsilon Sigma Alpha sorority.

Marjorie Precure presented a program entitled "Friendliness," which is the state and district theme for the year.

The Welfare committee reported that food and gifts were delivered to a needy family on Christmas Eve.

Vickie Young was elected the Muleshoe ESA representative to the District Beauty Queen contest.

Cake and coffee were served to everyone present.

## Berry Calls His Parents From Germany Jan. 17

Mrs. Tom Berry informed us that they had a telephone conversation Tuesday night with their son, Robert Allen Berry, who is a member of the United States Army band in Kitzinger, Germany.

Allen has been in the army since July of 1958, and has been in Germany since May of 1959. He plays French horn and trumpet in the band, which performs concerts for the officers in Germany; They also perform in many parades. And incidentally, Allen is a former member of the Muleshoe High School band here.

Mrs. Berry said her son reported seeing a lot of pretty country and he also said it's really cold over there now. Allen went to a nearby winter resort recently and tried his hand at snow skiing.

Mrs. Berry informed us that he has an Opel car, and when they can get off, Allen and two of his army buddies, along with a local German boy, do a lot of driving. The German boy goes along as an interpreter and guide, also.

Allen will arrive in New York City from Germany in May of this year, will be discharged, and will re-unite with his wife, who is living in Odessa, and will for the first time see his young son, Robert Allen Berry, Junior, who is 14 months old.

Mrs. Berry said that when she

## Mrs. Dearing New President of Club

Mrs. Lorraine Dearing has been elected president of the Rosary and Altar Society of the Immaculate Conception Catholic Church here in Muleshoe with Dolores Duncan to serve

as Secretary-Treasurer for the Catholic Ladies Auxiliary in 1961. The Altar-Rosary Society meets the second Tuesday of the month at 3 p.m., for the winter.

The Immaculate Conception Catholic Church will have a social Sunday, January 22, in the Ben Richardson American Legion Home here in Muleshoe, starting at 3 p.m., with Altar and Rosary Society in charge.

All the parishioners are welcome.

## Intalls New Members

The Muleshoe Lions Club held its regular meeting and installation of new members Wednesday, Jan. 18 at 12 noon at Leigon's Cafe.

Present for the installation were Deputy District Governor Smokey Hewett of Plainview and Zone Chairman George Redinger of Olton.

New members were: James Freeman, T. L. Timmons, Bill Jim St. Clair, Brents Davis, Myron Pool III, and Spud Thomas.

FOR FARMERS BETWEEN 18 AND 35

## Young Farmers To Organize In M'shoe

The young farmers of the area are to meet and organize a local young farmers chapter. The meeting is to be held in the agriculture building, Mulshoe High school, Monday Jan. 23, at 7:30 p. m.

Membership is open to anyone engaged in farming, full or part time, from 18 through 35 years of age.

Young Farmer work is an integral part of the Vocational Agriculture Program sponsored by the Texas Education Agency, Agriculture Education Division.

The state organization is "THE STATE ASSOCIATION OF YOUNG FARMERS OF TEXAS." The local chapter will receive a charter from the state association; therefore, it will become a member of the state association.

Johnny Stefla, past president of the state association says, "Young Farmer work offers something valuable that can't be bought in stores-information and skill development on new improved methods of agriculture production and marketing."

M. A. Browning of the Texas Education Agency says, "With farm and ranch operations becoming increasingly scientific, technical, and complex, Young Farmer educational programs become increasingly important."

Young Farmer work offers programs on local farm problems, Social and recreational activities, Rural leadership development, cooperation, and community service. Community farm, and home improvement. Selfgovernment by the officers and members.

So if you are between 18 and 35 years of age and farming why don't you come to this meeting and help to organize this local chapter.

**CHRISTIAN SCIENCE SERVICE**

What is Truth? is a vital question to be considered at Christian Science services Sunday.

Scriptural selections in the Lesson-Sermon on the subject of "Truth" will include this reassuring statement: "I will cry unto God most high, unto God that performeth all things for me. He shall send from heaven, and have me from the reproach of him that would swallow me up. God shall send forth his mercy and his truth" (Psalms 57:2, 3).

The importance of prayer in understanding Truth is emphasized in this citation to be read from "Science and Health with Key to the Scriptures" by Mary Eddy Baker (1:27-31:

"Prayer cannot change the unalterable Truth, nor can prayer alone give us an understanding of Truth; but prayer, coupled with a fervent habitual desire to know and do the will of God, will bring us into all Truth."

**1960 Crop Report For Sesame Harvest**

Texas Sesame Growers, Inc., the growers marketing organization with headquarters at Paris and Muleshoe, Texas, forecast that the available world supply of No. 1 Quality Sesame seed will remain relatively tight all next year and that present good prices can be maintained. In fact, 1961 is already shaping up to be a very excellent market year for Sesame seed.

In the Muleshoe area, Top Yield Honors went to Rudolf Jesko for a field of double row Sesame planted June 13-15. His 44 acres, located 3 miles west and 4 north of Muleshoe averaged 1,098 pounds per acre. Jesko's yield is very outstanding considering the late planting date. Rain and hail damage at harvest time probably prevented this field from producing 1,400 pounds per acre, or more.

South of Muleshoe in the semi-dryland area near Goodland, Baker Johnson's early Sesame turned in another outstanding performance. It produced 895 pounds per acre with only one light irrigation. The seed quality was excellent. There were many other good yields in the Muleshoe area.

Veteran Sesame grower Fred Carthel, who farms three miles north of Lockney, was the Nation's No. 1 grower this year. Carthel's 35 acre field of Margo Sesame, which he described as "Chin High and Mighty Pretty" yielded 1,220 pounds of clean seed per acre. At the expected price of \$10.25 per hundred pounds, his gross income from Sesame will be a pleasing \$125 per acre.

This is Fred Carthel's fourth consecutive Sesame crop. He made three good crops on his farm north of Farwell in previous years but admits this year's crop near Lockney is his best. Carthel attributes his good yield to a few key farming practices that any good farmer can duplicate. First among these is to plant early, just after cotton is planted in May; second, plant about 1 1/2 to 2 pounds of seed per acre; third, plant up on a little bed, like vegetables are planted, to help keep a stand in the spring; fourth, irrigate as

The March of Dimes is underway throughout the nation, and we hope our people here at home will not forget to contribute liberally to it. The National Foundation is still doing much for the alleviation of juvenile illnesses, in fact, more than it has ever done before, since it has adopted birth defects and rheumatoid arthritis and other diseases. Cary Joe Magness, chapter chairman and his workers are doing a lot of work individually and collectively in this interest and are due your financial support for their efforts, we believe.

We wish to compliment American Legion Posts who have made available to the public the showing of Operation Abolition, the film depicting actual scenes of the San Francisco Communist inspired youth movement against hearings of the Un-American Activities Committee last year. We all need to be alerted on the facts of Communist infiltration in our country while we can do something about it.

There is a bill to be presented in the Texas Legislature to change the handling of State Fuel Tax refunds. It would make them fileable annually on the same dates as the federal refund dates. Farm Bureau favors this bill.

Nine of the nineteen congressmen who endorsed the 1960 version of the Poage Farm Bill were defeated and will not be meeting this year. Farm Bureau opposed this bill.

We are not expecting any miraculous improvement in the farm program this year, or any other year. We do not believe that Farm Bureau will have an important part in correcting some of the mistakes of the past. We also believe that if you have constructive ideas your best place to see them put into action is through your Farm Bureau, the largest general farm organization in the world.

For those who may be confused, Farm Bureau membership consists only of those who have paid dues of \$10 or more within the current calendar year. Parmer County Farm Bureau sent to Waco five hundred memberships from the date of Jan. 1, '60 to Oct. 31, '60. Present paid membership is five hundred and forty.

**Oil Engineer Will Answer Questions**

Lloyd Young, a Southern Farm Supply oil engineer, will be in Muleshoe, Jan. 23, 24, and 25.

Young will be in the field to prove the benefits of his company's products. He will also be at the Muleshoe Co-op Farm Supply Store to demonstrate the benefits of his products.

If you have questions you would like to ask Young contact A. W. Kimbrel at the co-op store.

Coffee and donuts will be served at the store during Young's visit in Muleshoe.

A. W. Kimbrel, manager of the Muleshoe Co-op Farm Supply Store, would like to hold an oil meeting next week. Any interested farmers and heavy consumers of oil should contact Kimbrel so he can make the necessary arrangements.

**New Officers Named For Water District**

Residents of the High Plains Underground Water Conservation District have elected three District Directors and twenty-six County Committeemen.

In district-wide elections held January 10, voters in Director's Precinct Number 3, including Bailey, Castro, and Parmer County, re-elected John Gammon of Lazbuddie. Gammon ran unopposed, however, there was one write-in vote in the Dimmitt box for Morgan Dennis.

In Director's Precinct 1, Elmer Blankenship of Wilson was re-elected after a close race with Idalou farmer, Earl Weaver. The total vote was Blankenship, 269, Weaver, 247.

T. L. Sparkman, Jr., Hereford, was re-elected to the District board for Precinct 2. He also ran unopposed.

Two Committeemen in each of the thirteen counties comprising the water conservation

district were also elected by the voters.

Ralph Ethridge and Leldon Phillips tied for Committeeman for Precinct 2 in Bailey County. In Bailey County's Precinct 4 election, Lester Howard was elected committeeman.

The Directors were elected for two-year terms of office while the committeemen were elected for three-year terms.

The Board of Directors is a policy-making body which outlines the work program of the tax-supported water district. The County Committees issue well drilling permits and serve in an advisory capacity to the District's board and staff.

**VISITS MOTHER RECENTLY**

Mr. and Mrs. Gene Kistler of Rogers, Ark., visited in the home of his mother, Mrs. W. H. Kistler recently. They left Wednesday, Jan. 11, for an extended visit in California.

**Sewing Classes Begun At Hill Top School**

County Home Demonstration Agent Harriette Jackson began conducting sewing classes at Hill Top school last Monday, Jan. 16.

The class has enrolled 6 boys and 10 girls. It will continue until the end of the semester, but no credit is given toward graduation.

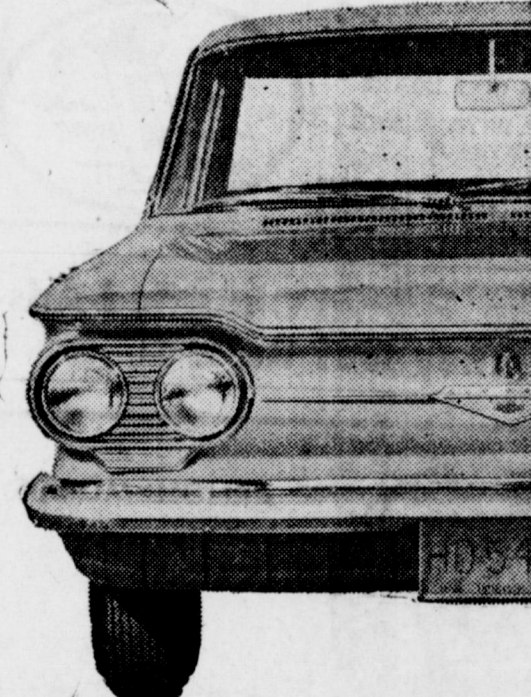

Miss Jackson said the school has no home economics department and any donation of materials or supplies would be welcome.

**COTTON GINNERS MEET**

Guy Nickels and Drew Watkins of Sudan are directors in the Texas Cotton Ginner's Association which is holding its 1961 meeting in Edinburg, Texas on January 22-24. The meeting is designed to complete programs and policies in research, labor, cotton production and safety in the cotton industry.

there are good reasons why **97% OF ALL COMMERCIAL LAUNDRIES USE GAS CLOTHES DRYERS**

Gas goes to work instantly, with no warm-up wait. Gas is faster by far, reducing drying time to a minimum. Its low heat, high air-flow principle makes short work of even difficult-to-dry shag rugs and bedspreads, yet is ever-so-gentle on even the daintiest synthetics. And as for economy, a Gas Dryer operates for about 1/9th the cost of the other kind. When Gas drying rates first with those who know, wouldn't it be best for your family, too?

### BABSON DECLARES

#### \$1.25 Minimum Wage Will Increase Unemployment

Babson Park, Mass., Jan. 19 — President Kennedy's proposed \$1.25 minimum wage would result in many employers reducing the number of their wage-workers. They must do so to avoid bankruptcy. But this is not the only dangerous result of such legislation, if passed.

**WAGE CHANGES AFFECT ALL GROUPS**  
 If this \$1.25 proposal could stop with those now getting less, it could have certain advantages. In addition to aiding several million deserving persons, it would come back to farmers and manufacturers in increased purchasing power. None of this increase would be saved. This could be all to the good, but such legislation could upset all wage scales.

**Wageworkers think more of prestige than they do of money.** Most people are proud by nature, and well they should be. Furthermore, workers who are now satisfied with \$1.25 per hour naturally would not like to see inexperienced workers raised 25 per cent without a corresponding raise for themselves and others more experienced. Hence, the proposed minimum wage could upset the entire wage scale for millions of workers with resulting price increases for foods and consumer goods and services. Unfortunately, Pres. Kennedy's economic advisors have never had a payroll to meet and are wholly ignorant of the intricate subject of wages and prices.

**UNFAIR TO MILLIONS OF SMALL STOREKEEPERS**  
 Eighty per cent of all shopkeepers employ only one or two clerks. These shops could be severely hurt as they are now barely making a living. Not only will most of them be obliged to put one of their clerks on half-time and thus reduce his or her "take-home pay" to 62½ cents per hour, but many of the small shops will feel obliged to close up and go out of business. President Kennedy's professors say — "Very well, there are already too many stores in every city and town." Such a statement is very misleading, as such salesmen and others who are now calling upon them will lose their jobs, the local newspaper will lose advertising, and more vacant stores will be seen on every business street.

**TO A CERTAIN EXTENT, THIS SAME PRINCIPLE APPLIES ALSO TO THE MERGER OF RAILROADS, BANKS, AND VARIOUS OTHER LARGE CONCERNS.** When the merger is announced, the statement is made that "no executive or other employee will be discharged." The policy of "no fire, but hire" will be adopted. This means that as employees die or become 65 they will not be replaced.

**FOREIGN COMPETITION CAUSING UNEMPLOYMENT**  
 Even today, with present wage scales, our wageworkers are "pricking themselves" out of work. Many manufacturers in our country are now suffering because of goods imported from Germany, Japan, and Italy, where wages are low and working hours long. As we Americans buy these imported goods, we are increasing unemployment here at home.

**Hence, any move to further increase our U. S. wage scales at this time will result in the importation of more foreign goods. This would cause more unemployment here at home. Fearing this \$1.25 minimum wage some corporations are already building factories in these foreign countries. Hence, I foresee that much more unemployment in this country is inevitable, whatever Congress does as to our wage scale.**

**AID FOR 'DEPRESSED AREAS' IS JUSTIFIED**  
 President Kennedy deserves support from Congress for his appeal for certain cities which are suffering from exceptionally large unemployment. These are areas which have depended too heavily on certain industry, such as hard coal, coarse textiles, and some farm crops. I am very sympathetic with the report of Senator Douglass on this subject.

**It is only fair that the entire country which is enjoying fair prosperity should be taxed to subsidize such unfortunate areas until they get back on their feet again. The money given them should, however, be used partly to develop new industries and not merely be distributed to the unemployment for temporary relief.**

### SAND HILLS PHILOSOPHER INFORMS

#### Laos It'll Have To Survive With Him Being Ignorant of Its Woes

Editor's note: The Sand Hills Philosopher on his Johnson grass farm discusses ignorance this week, something he may have first-hand knowledge of.

Dear editor:  
 I don't know about the rest of you, but there are too many countries in the world for me to keep up with.

**Just this morning I was talking with a man in town who considers himself pretty well informed and after asking me how I was getting along, he said, "Well, how does he situation in Laos look to you?"**  
 Laos? Thunder, how do I know what's happening in Laos when I don't even know what's happening in Lamb County?  
 By the time I half-keep up with what's happening in Bailey County, in Austin, in Washington, and on this Johnson grass farm, plus a few side-lights and headlines in Moscow, Cuba, and England and France and Germany once in a while, I just don't have any time left for all those other places, especially when at least half of what I learn about most of the places mentioned turns out to be unreliable anyway.

**I figure if I learned enough about all the countries that have been in the news lately, such as Algeria, Laos, Belgium, the Congo, Guatemala, etc., to know what was happening, I learned enough about them to know who was president of which and what side he was on, plus who was after his job, I wouldn't have time to do a bit of farming this year, and any time I get too busy to farm, I'm going to do it with something more interesting and satisfying than studying geography. I'd rather be too busy fishing to farm than too busy studying the Congo to farm. A man too lazy to find nothing better than Congolese politics to avoid plowing is pretty hard-pressed to know what to do with his time, and deserves to plow.**

**Lately, it started a Laubach literacy campaign, which swept over the place and neighborhood with a Bible team as follow-up.**

**What a blessing is the church in a needy world!**  
**PRAYER**  
 We thank Thee, O God, for all that Thy church has meant to us and to our community. We pray Thee to fill it with power needed to change and save communities of people from sin and sorrow, pain and ignorance. In Jesus' name, Amen.

**THOUGHT FOR THE DAY**

**This Is Birthday Week For Journal With Many Changes**  
 Like "Topsy" in the story book, The Journal will soon be "growing up" for this is another birthday. As many here know—and many do not know—the first newspaper for Muleshoe was not called The Journal.  
 For quite some time the "official" publication sailed under the name of "The Bailey County Bugle". A copy of Vol. I, No. 1 of the Bugle is in the Texas Tech Museum at Lubbock, given to Cecil Horn, head of the Journalism department, by the present editor. We received the copy from Arnold Morris and wanted very much to keep it, but Mr. Horne's argument in favor of the museum won.

Today we have before us a first copy of The Muleshoe Journal which was printed in Clovis by Mr. E. E. Hull. The masthead shows that one Levi Pressly was editor and Mr. Hull publisher. In this edition the local advertisers were Bailey County Elevator, C. D. Gorton and Son, R. L. Brown, Blackwater Valley State Bank, Leo Kropff, Muleshoe Abstract Co., J. Lud Taylor, E. R. Hart Lumber Co., Bailey County Abstract, R. B. Canfield, W. G. Panter, M. P. Smith, Muleshoe National Farm Loan, D. O. Smith, R. L. Faulkner and Co., Arnold Morris, White Front garage, Dr. A. R. Matthews, and Moeller Cafe.

**Today's Meditation**  
 Read Ephesians 1:15-23.  
 The church of the living God, the pillar and ground of the truth, (I Timothy 3:15).  
 Thirty-five years ago, Nazel El Nassara, meaning "Village of the Nazarenes", was poor, backward, and miserable. This village in Egypt had no schools, no social center, no means of help. It was utterly neglected by all.

**A true shining light—a small church, with a young devoted pastor—brought hope to that village and neighborhood. Vital preaching, praying, Bible-reading, and a teaching ministry awakened the community to meet its needs through the power of the living Christ.**  
 The village, now having 2,400 persons living in it, has become a dynamic center of useful service. It has given to Egypt more than one hundred pastors, doctors, chemists, teachers and engineers, plus scores of efficient businessmen and leading officials.

**Lately, it started a Laubach literacy campaign, which swept over the place and neighborhood with a Bible team as follow-up.**

## Lazbuddie News Letter

by Penny Grusenorf

Those having birthdays this week are: Sarah Solis, January 19, Johnnie Mitchell, January 19, Maudine Barnes, January 19, Jan Mitchell, January 21, and Dorothy Ward, January 31, and Dorothy Ward, January a very Happy Birthday.

The Lazbuddie Baptist church met last Monday for their mission study program. The title of their book was "Dreamer Commeth," which was the life story of Luther Wright. Those attending were: Mrs. Wesley, Barnes, E. E. Mason, L. B. Hambright, Carrie Withrow, keed, D n a Cargile, A. M. Bradley, Greene, Ira Wimberly, and Raymond Houston.

The Lazbuddie Baptist church completed a Study Course this past week at the church.

The Lazbuddie Boys and Girls played Nazareth boys and girls at Lazbuddie. This was the second conference game of the season and both Lazbuddie teams won. Both Lazbuddie teams lost their first game in the conference.

Peggy White, Farwell, spent Sunday afternoon visiting in the Jackie Brown home.

Doris Donaldson of Farwell spent Sunday in the Lee Mason home visiting with Brenda Mason.

Ronnie Ivy, son of Mr. and Mrs. Jimmy Ivy will enter West Texas State College this semester.

Jimmy Broadburs, son of Mr. and Mrs. Walter Broadhurst left this past weekend to go to Oklahoma City and live with his parents. He plans on attending Central High. Geraldine will continue college at Eastern New Mexico University the remainder of this year.

Jerald McGehee from Eastern Mexico University came home this weekend and brought him Tim Wisler of Roswell who is also attending ENMU.

Friday night after the basketball games at Lazbuddie, Coppeta Watkins, Patsy Morrow, Judy Brown and Penny Grusenorf went to Clovis to a movie. They then came home and spent the night with Penny Grusenorf.

The County 4-H Club met at the T. L. Gleason home Monday night.

The Lazbuddie Senior class will sponsor a bake sale Saturday at Clay's Corner and the Lazbuddie Grocery. We would like everyone to take off a week of baking and buy what you need from the Seniors. Thank you.

Rev. Earl Hord returned this past Wednesday, Jan. 11, from Fort Worth where he attended the Baptist Conference.

There was a small increase in the number in Sunday school Sunday morning.

January 23 through 27 is a date everyone should remember as it is the date for the "January Bible Study," at the First Baptist Church of Progress. Everyone is welcome. Come and bring some one with you.

Mr. and Mrs. J. R. Walker visited recently near Mt. Pleasant with their son and his family.

Sgt. and Mrs. Ronnie Dalby and children of Lubbock were weekend visitors in the home of her parents, Mr. and Mrs. J.R. Walker, Sr.

Capt. and Mrs. Nick Aspostale and son were Sunday guests in the home of her parents, Mr. and Mrs. W. T. Pugh.

The community wishes to extend their sympathy to the Shaw family. Mr. Shaw was killed this past week in a car accident. The funeral was held Sunday in the Methodist church in Muleshoe. Mr. Shaw was buried at the Grady, N. M. Cemetery.

Martin Kube visited last week with the M. O. Nigh's.

Mr. and Mrs. Eugene Black spent a few days in Pauls Valley, Okla., last week. Mrs. Johnnie Westbrook stayed with their children.

T. Haley had surgery recently in the hospital at Clovis. He is able to be up and around some at this writing.

The WSCS SubDistrict met at 9:45 on Jan. 17th. They held their regular meeting the 19th.

The Methodist Church will have a box supper on January 27.

Mr. and Mrs. Andy Dunlap went to Lubbock Monday.

Mrs. O. S. Richards is visiting in California with her brother, Mr. and Mrs. Lewis Guff and children of San Diego. She is also visiting her sister and family and other relatives in California.

The Methodist Layman's Banquet will be held Jan. 26.

## Riots Film To Be Shown At Schools

The legislative committee of the Muleshoe Chamber of Commerce met Monday, Jan. 16, at the chamber offices.

The committee voted to show a film on the San Francisco riots at Muleshoe High school, Lazbuddie high school and at Muleshoe Civic Clubs on Wednesday, Jan. 25.

A representative of the U. S. Chamber of Commerce, Bob Riley, met with the group.

Riley gave the group some idea of legislation scheduled to come up during this session in Washington and presented the USCC's views on the measures.

## Among the upcoming legislative measures that the USCC will support Riley named: expanded Social Security laws, medical aid to the aged, depressed areas bills, and urban renewal.

He also gave the group some pointers on how they could express their view points to members of the legislature.

The legislative committee is composed of Ray Carter, Harold Allison, Harmon Elliott, Gil Lamb, Jeff ePeler, Bill Wimberly and Oscar Allison.

## BIRTHDAY ON FRIDAY 19th

Little Miss Linda Middlebrooks was seven years old on Friday, Jan. 13, which was very lucky for her parents, Mr. and Mrs. Tootie Middlebrooks.

# FORD

## is beautifully built to go 30,000 miles between lubrications!

Imagine: no more chassis lubrications every 1,000 to 2,000 miles. Imagine, too, the savings! While other car owners pay up to \$45 for lube jobs during 30,000 miles, Ford owners will pay only about \$4 . . . and the job will take only about 20 minutes.

That's because of Ford's new sealed-in lubrication system. At your Ford Dealer's, the threaded metal plug protecting each lubrication point is removed, specially developed grease injected, and the plug put back. That's all there is to it for another 30,000 miles!

This is just one of Ford's many takes-care-of-itself features . . . all good reasons why this Ford should be the Ford in your future!

**HERE'S HOW THE '64 FORD TAKES CARE OF ITSELF**

Lubricates itself—You'll normally go 30,000 miles between chassis lubrications (which cost only about \$4.00 and take about 20 minutes) because Ford has replaced conventional grease fittings with a sealed-in lubrication system.

Cleans its own oil—You'll go 4,000 miles between oil changes because Ford's Full-Flow oil filter gives you filtration through fibers . . . trapping more dirt than any other type of filter made.

Adjusts its own brakes—New Truck Size brakes adjust themselves—automatically.

Guards its own muffler—Ford mufflers are double-wrapped and maintained to last three times as long as ordinary mufflers.

Protects its own body—All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing the body panels beneath the doors.

Takes care of its own finish—Just wash and clean Ford's new Diamond Luster Finish and it continues to glisten like new. It never needs waxing.

**Only FORD is beautifully built to take care of itself**
