Saturday's Harvest Festival To Offer Fun, Food, Prizes

A wide variety of entertainment is expected to lure county residents to the 15th annual Lynn County Harvest Festival Saturday, an event which offers games, contests, prize giveaways and other activities all day long on the Courthouse square in downtown Tahoka.

Drawings will be held on the hour for prizes donated by county merchants, and food, games and crafts booths will draw much interest.

Cow Patty Bingo, which was held at last year's festival, is sponsored this year by the Lynn County Jaycees and Tahoka Chamber of Commerce. Prizes of \$500 cash and \$100 cash will be given in this event.

Activities will kick off at 10 a.m. with a variety of children's games on the courthouse lawn, and the Arts and Crafts Fair will have items on display in the former Heritage Furniture building on the west side of the square. Booths will open at 10:00 also. Merchants Drawings will begin at 11:00.

The Harvest Festival Princess Contest will be held on the Band Stand at 1:15 p.m. There are several candidates, all Tahoka girls ranging in age from kindergarten through sixth grade, and the one who sells the most tickets will be named 1990 Princess. The girls are selling tickets to win two bicycles and a Texas Tech weekend. The Tech weekend includes two tickets for the Tech-Texas game on Nov. 3 and accommodations for two at a hotel in Lubbock.

The Queen Contest will be held at 2 p.m., and there are several Tahoka High School girls vying for this year's crown. They are selling tickets for a trip for two to Puerto Vallarta, Mexico and must sell at least 100 tickets each to qualify as finalists.

Sunday Dinner Set At Senior Citizens Oct. 14

Sunday dinner will be served at the Senior Citizens Center on Sunday, Oct. 14 from 11:30 a.m. to 1 p.m. The menu will include Fried Chicken, Cream Gravy, Mashed Potatoes, Biscuits, Butter, Green Beans, Cherry Cobbler, Tea or Milk. Cost is \$3.50 per plate. Everyone is invited to attend.

Booster Club To Meet

The Tahoka Bulldog Booster Club will meet at 7:30 p.m. Tuesday, Oct. 16, in the cafeteria to honor the seventh and eighth grade football teams and their parents. Refreshments will be served.

FOOTBALL QUEEN CANDIDATES - These Tahoka High School girls are candidates for 1990 Homecoming Football Queen, and the winner will be announced at halftime festivities during the Homecoming football game Friday night at Kelley Field. From left is Terri Solomon, a senior, freshman Mandy Miller, sophomore Leah DeLeon and junior Arnetta Hudgens. In years past, the queen was usually the senior nominee, but this year the varsity football boys will vote for a queen without regard to classification. (LYNN COUNTY NEWS PHOTO)

The girls are also judged on personal interviews conducted before the Harvest Festival, and on poise and presentation during the contest on stage. Judges from Robert Spence School of Modeling in Lubbock will determine the winner. Upon the Queen's graduation from high school, she will be presented a \$100 scholarship from Tahoka Chamberettes.

There will be activities for all ages to participate in, and women are invited to form teams and compete in the Slipper Kicking contest. Men are invited to participate in the Hairy Legs Contest.

Children of all ages will have an opportunity to listen to a "story-teller" under a tent on the courthouse lawn. Local "story-tellers" will be telling stories throughout the day. Also, children can participate in stick horse races, pet show, frog and turtle races, a Big Wheels race, and more.

The Albert Mendoza Band from Lubbock will entertain on stage during the day and for the Street Dance on the courthouse square from 8 p.m. until midnight. Tahoka Rotary Club, who sponsors the festival band each year, will sell sausage on a stick

during the Street Dance.

Several prize drawings, other than the hourly merchants drawings, will be held this year, including some for children. Check with Nadine Dunlap or Jay Dee House at the bandstand to register for these drawings.

A \$50 cash drawing will be held from those names registered from the bubblegum toss at the homecoming football game Friday night. Student Council members will toss bubblegum to the crowd in the stadium, and those who receive a wrapper with a number in it should bring that number to the band stand and register before noon Saturday. Only one number per person is allowed, and entrants must be over 18 to be eligible.

The American Cancer Society will have a ticket drawing to give away a shotgun or snake charmer, and the VFW Post 4336 will also have a drawing to give away a shotgun. The Lynn County Child Welfare division will have a drawing for a 13-inch color TV, with all proceeds to benefit children in Lynn County.

A complete list of booths and the day's schedule is printed elsewhere in this edition.

Outstanding 4-H Club Members Recognized

Jason Belew of Tahoka and Eva Gickhorn of Wilson were honored at the annual Lynn County 4-H banquet at Tahoka school cafeteria last Wednesday night as recipients of the Gold Star Award, highest award given at the county level for 4-H members.

The award was presented by Brett Cypert, county extension agent for agriculture, as the banquet also honored adult supporters and 4-H members who recorded achievements during the last year in a wide range of 4-H activities. The youngsters received medals for their accomplishments.

Winning the coveted "I Dare You" award was Carrie Taylor of Tahoka.

Adult leaders were recognized for the number of years of service to the organization, with Nancy Monk's 17 years and Billy Davis' 16 years topping the list.

Belew, Miss Taylor and Miss

Gickhorn received plaques. Also receiving plaques for special awards were Becky Moore of O'Donnell as the outstanding 4-H alumni who has continued to work with 4-H; Mike Braddock of Tahoka and Nancy Franklin of O'Donnell as the outstanding adult leaders for the last year; Trey Nance, 17, for best senior record book; Lynna Rash, 13, for best junior record book; Halee Hughes, 9, the Outstanding First Year award; and the Lynn County News, represented by Dalton and Lenda Wood, as the organization winning the Friend of 4-H award.

Belew also was master of ceremonies for the annual event. Nance, whose record book was a state winner, also was on the program to lead certain events, as were Brandi Barton, Lynna Rash, Carrie Taylor, Eva Gickhorn and adult leaders Cypert, Joel Inkleberger, Billy Davis and Clint Gardner.

I USE SCOTCH TAPE. I once drank a jigger of scotch. In grade school, I broke a window in the school, and got off scot-free. And I think I have some Scottish ancestry, but I doubt that I will attend the 10th annual Scottish gathering and Highland games in Lubbock Saturday, although it does sound like it might be fun. It's at the Lubbock Garden and Arts Center, and admission and participation are free.

There will be arts and crafts demonstrations, genealogical and clan booths, bagpipes and dancing and something called Ceilidh, which I'll get back to later.

There also will be, according to a release mailed to this newspaper, "athletic events for men, women, lads and lassies." Maybe they mean lasses; if not, bring your collie.

Among the events will be a "run through the rye," a "rolling pin toss" and a "parade of Tartans" (people with bad teeth?).

We went to Scotland once, along with some other folks from this area, and saw some tough-looking guys in kilts, some girl dancers and heard some bagpipes and other Scottish folk music, all very good, and tasted something called Haggis, very bad.

That word "Ceilidh" is pronounced "Kaylee", according to the release, which makes no attempt to explain how they get that out of it. I know a girl named Kaylee, and if she spelled it that way, they'd probably bar her from school. Or at least she'd have problems with that name deilidh.

Of course, people with real Scottish background often are hard to understand by others who speak a form of English. But I never suggested to any of those tough-looking guys in kilts in Edinburgh that they couldn't tawk plain. Nor did I mention to them that their legs were quite a sicht, since nicht made richt, in that instance.

THE MAN ON MAIN ST. says professionals are people who can do their job when they don't feel like it. Amateurs are people who can't do their job when they do feel like it.

**CHARLES THRASHER
O'Donnell FBC
Sets Revival**

The First Baptist Church, O'Donnell, will hold revival services Oct. 14-18. Charles Thrasher, minister of First Baptist Church O'Donnell, will be preaching the revival. Sonny Rios of Dallas will be the music evangelist. Theme for the revival is "Bind Us Together, Lord".

Revival services will begin on Sunday morning, Oct. 13, at 10:55. Evening services will begin at 7 p.m. Sunday through Thursday. Dr. Thrasher will be preaching these messages: Sunday morning, "What Is Salvation?"; Sunday evening, "Believe It Or Not"; Monday evening, "Blessed Assurance"; Tuesday evening, "Love Commanded"; Wednesday evening, "Dare To Be A Daniel"; Thursday evening, "Prodigal Son".

The adult Sunday School classes will host the noon meals at 11:45 Monday through Thursday.

Dr. Thrasher has recently moved to O'Donnell after almost 10 years as pastor at First Baptist Church, Levelland. He has been in the ministry since 1956 and received theological training at Southwestern Seminary in Fort Worth. He and his wife, Martha, have three children and three grandchildren.

Letter To Editor

I just wanted to comment on our Tahoka Varsity Football Team and how very proud I am of them. I don't believe I was ever more proud than I was this past Friday night with the game at Seagraves. I know the boys probably got frustrated and upset because they didn't score any points on the scoreboard, but they scored points with me. I wish they could have heard the positive comments from the stands and they would realize how proud we all were of them on the way they played against this team. They all gave more than 100 percent right up through the end and never gave up. I was proud of their team effort and togetherness and their willingness to give it all they had. I just want to say the Solomon family was proud to say we were from Tahoka and please keep up your spirit and determination because things are about to happen for the Bulldogs.

A Very Proud Bulldog Fan,
Andra Solomon

**THS 1945 Class
Sets Reunion**

The Class of 1945 reunion will be held at the Lyntegar Electric Cooperative meeting room. Registration will begin at 4 p.m. Friends and other ex-students are welcome.

On May 11, 1945, 56 seniors received diplomas. At that time it was believed to be the largest class in the history of the school. Fourteen members began school in the old Tahoka Ward building in 1934.

During the high school years many rural schools consolidated, causing many students from the communities of Draw, New Lynn, Grassland, T-Bar and Dixie to join the ranks at THS.

The diplomas for the class were signed by W.T. Hanes, supt.; Leo Jackson, principal; Truett Smith, president and Wynn Collier, secretary.

Class officers were: Jonny Wells, president; Nita Bragg, vice president; Jane Bosworth, secretary; Johnnie Mae Anderson, treasurer; A.L. Hodge, parliamentarian; Miss Snow Johnson and Miss Lucille Wright Ayer were class sponsors.

Due to the wartime conditions and shortages the class is the only class not to have a class picture. We did not have a trip and Senior Day was at the roadside park. Several students entered the armed services.

Ten members of the class are deceased.

**Class of 1975
Plans Meetings**

The THS Class of 1975 will meet after the parade on Friday and after the homecoming game at the silver barn just west of Spruiell Automotive on the corner of Highway 82 and 380. For more information, call Trent Leverett, 998-5172.

The Tahoka Garden Club will meet Tuesday, Oct. 16, in the home of Mildred Abbe. Co-hostess will be Lura Mae Gaither.

The program will be given by club members. A video on recycling Christmas trees will be shown.

The artistic display will be arranger's choice by Louise Smith and Jewel Smith.

Visitors are welcome to attend.

**Indians Surprise
Eagles 27-10**

The Plains' Cowboys turned three O'Donnell turnovers into three touchdowns to take a 27-10 win in the District 6-1A opener for both schools Friday at Cowboy Stadium. Senior defensive back Dan Rushing scored Plains' winning points at the 11:45 mark of the second quarter when returned an interception 25 yards untouched to the end zone.

Chris Chavez kicked the point after to put the Cowboys ahead 14-10.

The interception was the last O'Donnell pass caught all night. The Plains defense constantly pressured Eagle quarterback Joe Castillo, who

completed one of nine attempts. Castillo threw only one pass in the second half.

"We had worked on the pass and moved some people around to stop it," Plains coach Larry McMinn said. "We were pretty sure they would come out passing. They had two weeks to work in a new wrinkle."

Plains is 3-2 (1-0) on the season, while O'Donnell is 2-2 (0-1) following an open date.

The hard-hitting Cowboys caused O'Donnell running back Renee Hernandez to fumble near midfield midway through the third quarter, setting up Plains' third score.

Mario Medina, the game's leading rusher, with 124 yards, ran five times on the Cowboy's 10 play, 58 yard drive. Quarterback Monte Pierce fired a 10-yard touchdown pass to Dain' Guetersloh, and Chavez's extra point stretched the lead to 21-10.

Pierce sneaked 4 yards for the final points with 3:16 left in the game. The Cowboys needed just 13 yards on the march after recovering a fumbled punt.

The first quarter saw O'Donnell take advantage of two interceptions and go up 10-7.

The Eagles marched 59 yards in less than three minutes to set up Monty Garrett's 21-yard field goal and give O'Donnell a 3-0 lead early in the first quarter.

Plains went ahead 7-3 following the first Pierce-to-Guetersloh scoring strike.

O'Donnell's second interception put the ball on the Plains 15-yard line. Four plays later Hernandez scored from the 3.

Lyndol Askew Wins Contest

Lyndol Askew missed only two games in the Lynn County News football contest last week to claim the \$5 prize. J.T. Miller also missed two games, but lost in the tie-breaker score to come in second place.

Secret sponsor for the week was Ince Oil #9, which would have given Askew an additional \$10 if he had named that sponsor.

Football contest entries are due by 5 p.m. this Friday at the News Office.

"Moving here from England was a cultural shock, but it was more than offset by the charm and friendliness of the people."

"I had a private practice in London until we moved here 17 years ago. I had an opportunity to go to other parts of the country but, after a visit, selected this area. We were attracted by the small town life style and superb weather... especially when you compared it to England's. But, mainly, it was the people."

"They have a unique charm that results from their genuine friendliness. They made my wife and I feel very much at home."

"We plan to stay. I bought a vineyard, so now I really do have roots here."

Wellman Opens New Home 41-12

Wellman's Wade Rowden carried 19 times for 141 yards and the first two Wildcat touchdowns as the home team defeated the New Home Leopards 41-12.

Rowden scored on runs of 5 yards and 1 yard in the first quarter. Cody Harred connected with Jason Lusk on a 14-yard touchdown pass in the first quarter, and he threw a 21-yarder to Francisco Franco in the third quarter.

Franco also rushed for a 23 yard touchdown, and Balo Quinones scored a Wellman TD on a 1 yard run.

Both New Home touchdowns were in the fourth quarter. Blaine Fillingim scored on a 3-yard run and later threw a 28-yard touchdown pass to Troy Fillingim.

Wellman boosted its season mark to 4-1, and New Home's record fell to 0-5.

CRP Information Given By ASCS

Much has been written in recent weeks about CRP rental payments, much of it contradictory, depending on where it was published or who was being quoted. The facts are these:

OMB did sequester the CRP program for FY 1990 (as it did in FY 1990, when no reduction was ultimately necessary because of excess carryover funds).

Until the budget agreement was announced Sept. 30, the possibility of a reduction was very real. In fact, until legislation to implement the budget agreement is law, and finally FY 1991 appropriations are in place, full payment cannot be guaranteed.

Payments cannot be made on Oct. 1 because we must wait for the final CRP appropriation to be enacted. We anticipate that this may occur about Oct. 20. Following enactment, the law requires that the funds be appropriated by OMB. While no problems are anticipated, we must deal with these procedural hurdles.

ASCS regrets the necessary delay of these important payments and hopes to make 100 percent of payments due, possibly as early as Nov. 1.

LEADERSHIP AT WORK

MOVING IN—This Seagraves running back is about to get a bruise from Cruz (Rivas, No. 61) as Tahoka played good defense last Friday. Seagraves won the district contest, though, 21-0. (LYNN COUNTY NEWS PHOTO)

Dogs Need Bite Back For Chiefs

The Tahoka Bulldogs, playing well at times in every game, need their offensive bite back for the Crosbyton Chiefs, who will come to town for Tahoka's Homecoming football game Friday night.

Tahoka did a good job on defense, but could not generate much offense against Seagraves last Friday night as the Eagles won the district contest 21-0. "We had our chances," said Coach Joe Paradis, "but didn't take advantage of them."

Tahoka has been in every game this year except the Spur game, and should have a good chance to beat Crosbyton Friday night.

At Seagraves, Tahoka had the ball for 37 plays, while the Eagles ran 54 offensive plays. And the Bulldogs gained just 35 net yards in 18 rushing attempts, and completed 5 of 19 passing efforts for 69 yards.

Michael Jackson did have a 20-yard run for Tahoka, and the only other offensive sparks for Tahoka were passes of 23 yards to Mike Burleson and 30 yards to Brian Moore, both from QB Trey Nance.

Joey Stone again led Tahoka on defense, counted in on 12 tackles, followed closely by Michael Tipton with 10 tackles and Gary Smith with 9. Stone also blocked a punt, and Burleson intercepted two passes.

Seagraves scored on the Eagles' first play from scrimmage as half-back Tony Conde ran 55 yards. Conde also scored another touchdown in the third quarter on a 38-yard pass play. Seagraves, like Post, is unbeaten for the year.

Crosbyton is 2-2-1 for the year, losing last week to New Deal 14-8 after turning the ball over three times on interceptions and twice on fumbles.

Stone is the leading rusher for Tahoka through five games this season, gaining 165 yards in 47 attempts, an average of 3.5 per carry. Nance has completed 20 of 75 passes for 414 yards and four touchdowns so far this season. Daniel Garvin has caught 9 passes for 136 yards and two TDs. Stone has been in on 62 tackles, including 15 solo tackles, in five games. Nance has been in on 46, Tipton 41, Billy Wilborn 35, Garvin 33, Jay Forsythe 31 and Burleson and Cruz Rivas 30 each.

Tahoka School To Get Cash Award For Student Excellence

Tahoka Junior and Senior High School has been announced as a winner of a cash award totaling \$13,762 for significant gains in student performance on the state basic skills tests. The rewards from the governor's Educational Excellence Program were announced in Austin this week.

Making the trip to Austin to accept the cash award on Oct. 20 will be Charles Cate, principal of junior high and senior high, and Dr. Duane Carter, superintendent of schools. The presentation will be made in the

Texas House of Representatives, Cate said.

The school was notified some months ago that it was a candidate for a cash award because of the improvement in test scores recorded by students in junior high and senior high as compared to scores they had made earlier. Cate gave credit to the students and to the teachers for the improvement.

What the money will be used for has not yet been determined, but Cate said it is stipulated that it must be used "for educational purposes."

THS Class Of 1940 To Reunite After Half-Century

by JUANELL JONES and ANN ADAMS

(Editor's Note: This story was written by Juanell Jones from information compiled by Ann (A.P. Roberts) Adams, a graduate of the Tahoka Class of 1940. Photographs were gathered from many sources.)

There were 35 young men and women who graduated from Tahoka High School on May 17, 1940. Half a century later, in October 1990, 20 of them will have the opportunity to see each other again, some for the first time in 50 years - 15 members of the class are no longer living.

In May 1940, an advertisement in *The Lynn County News* offered congratulations to the new graduates, saying, "Are these the young people who will solve the perplexing problems that besiege a modern world? We think they are! At least we're sure they're going to try very hard. Youth, confidence, education and the willingness to tackle anything are all on their side... The road behind is marked with commendable achievements. The road ahead lies through the fog, veiled by a mysterious future, with visionary peaks gleaming indistinctly, challengingly, ahead

above the mists." Franklin D. Roosevelt was President of the United States in 1940. It was a time when America was on the road to recovery from the depression years; a time when television had been invented but most people had yet to see such modern technology; a time when radios brought the news and entertainment to most homes, and movies and the 5-cent jukebox claimed the hard-to-come-by money from teenagers. The "great entertainers" of the year were Bing Crosby, Bob Hope, Clark Gable, Myrna Loy, Ginger Rogers, Vivian Leigh, Guy Lombardo, and Glen Miller, to name a few.

Entertainment at home often consisted of visiting, games of croquet, pitching horse shoes, dominoes, singing, and games of children's imagination. Two very popular songs were "You Are My Sunshine" and "When You Wish Upon A Star".

The year of 1940 was also a time when America was on the brink of war, and the new high school graduates were reading newspapers with headlines such as "Hitler Lies Again," "Great Battle Raging on French-German Border," and "Poland Will Be Hitler's Next Victim." Looking back, one of those graduates said, "In our wildest imagination, did we dream of things such as penicillin, polio vaccine, credit cards, computers, television, microwave ovens, laser beams, robots or the atomic

age? Maybe not, but in Tahoka in 1940, we did dream of putting forth our best to maintain our free country where fairness, decency, caring, truth and peace prevailed in our way of thinking."

The significant others in the lives of those graduates, who were a generation older, feared that 1914 was about to be repeated, yet they allowed them to be carefree in 1940. Mildred (Cooper) Tesaro said of her 1940 class, "These people are the ones who had unconflicted fun in high school and college. We were not feeling under privileged or deprived because we lived in the days of the great depression," she said. "Our happiness was evident because we were busy with family, friends, church and school."

The economy of half a century ago was in extreme contrast to that in 1990. The average annual income in the United States was about \$2300, while now it is believed to be approximately \$35,000. A home built for \$4,000 then, would probably cost \$95,000 now. A new car cost less than \$1,000 in 1940, and a pair of shoes could be bought for \$1. In Tahoka, bacon was 19-cents a pound, dress material was 19-cents a yard, shirts were 79-cents, and apples or bananas were only a penny apiece.

People on the farm had milk cows and the town people had Tinsley Dairy to deliver quart bottles of milk daily. An article in the February 1940 issue of *The Lynn County News* said: "J.O. Tinsley, this week, sold his dairy cows and business to Noel Cooper, and then bought the Ed Evans Cafe on Main Street."

"Mr. Cooper moved the cows over to his place a little more than a half mile east of Tinsley's and will operate the dairy from that place."

"Mr. and Mrs. Tinsley will continue to reside in their present home a half-mile north of the city limits. They have been in dairy business for 11 years and have made a success of the business."

"They have changed the name of the cafe to 'Tinsley's Bulldog Cafe'."

Ann (A.P. Roberts) Adams said, "If crime was a problem in 1940, we were not aware of it. We didn't lock doors at our home." She also recalled that in town, Mr. Lee (Mabel Gurley's father) was night watchman. "He made the rounds on foot. Since cafes had curb service back then, young people often sat in cars while eating. Mr. Lee was known to come to the cars and tell the girls not to sit too close to the boys," she remembers.

There were three movie theaters in Tahoka then, *English, Ada,* and *Velta* owned by Velta Small Gaignat's parents. "They brought wonderful movies to Tahoka," said Mrs. Adams. "*Gone With The Wind* was probably the most 'rated' movie shown, since it did have some 'bad language'," she recalls.

Electricity was in town, but many of the farm homes used wind chargers for power for lights and radios. By the time the Class of 1940 were seniors in high school, work was started on 320 miles of electric line. Rural telephones were rare.

Teenagers in 1940 did not have cars to drive to school, like many teenagers in the 90's. "The parking lot at school was not crowded," said Mrs. Adams. "Only a very few cars were seen there, and those belonged to teachers. We rode a crowded school bus," said said. "The streets were not paved around school. It was when we were in high school that President Roosevelt promoted the WPA. The workers in this project paved some city streets with bricks."

In 1939, school enrollment was 345 in Ward elementary school in Tahoka, and 280 were enrolled in the high school. Dropouts occurred each year because some students had to go to work and some married. Married students did not go to school.

In their senior year, the class play, "Dust of the Earth" was presented by a talented cast including Max Minor, Lynette Tinsley, J.W. (Jake) Weathers, W.H. Fulkerson, Mildred Cooper, H.A. Maasen, Jr., Dea Parker, Eldon Gattis, and Doris Laverne. The "Grow!" staff consisted of H.A. as editor, C.W. as art editor, Max as business manager, and Mildred as society editor.

In the district meet, the one-act play was skillfully presented by H.A., W.H., Jean Simmons and Olga Taylor. Dan Daniels was champion in Golden Gloves boxing.

In Tahoka, baseball was a great summer sport. This provided fun and exercise for school athletes and friends. "We were fortunate to have a lighted football field," said Mrs. Adams. "This was accomplished in the fall of 1938 when 1500 were at the field dedication," she added.

"When we were juniors," said Mrs. Adams, "Coach Harlow said that our football boys were tired of being pushed around and that they

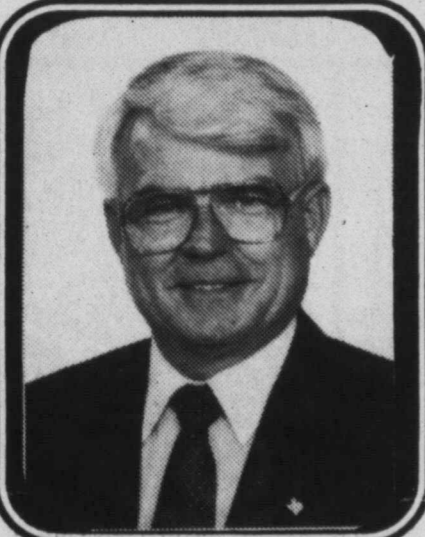

would do some pushing themselves. Indeed they did! From our class, H.A., Max, Alvin, J.W., Dea, and Carl Lane put forth great effort during the two seasons. Some of the teams they pushed over were Friendship, Cooper, Slaton, Levelland, Southland and Lubbock Cowhands."

When track season came, the Tahoka boys were expected to have the most points, and they often did.

After a memorable senior trip to Carlsbad Caverns and graduation, the class of 1940 scattered. Thirty-six percent of the members went to some school of higher learning. Most of the boys served in the armed forces. Fifteen class members have died since 1940.

Max Minor and Coach Bob Harlow when Max was a junior, 1938-39.

Max Minor

After graduating in May 1940 from Tahoka High School, I entered the University of Texas at Austin. I joined the Navy V-5 Flight Program in the fall of 1942 and continued as a student at U.T. through June 1943. My last six months on the campus at U.T. I served as Vice President of the Student Council, an elected position by the U.T. student body.

In July 1943, I left the University of Texas, having completed three years of academics toward a BA in Math, and entered the United States Military Academy, West Point, N.Y. While in attendance at USMA, I completed pilot training at Uvalde, Texas and Stewart Field, N.Y. and was commissioned on 4 June 1946.

In November 1946 after B-25 Aircraft Flight Training Course, I was assigned to Strategic Air Command at Carswell AFB, Ft. Worth, Texas, as pilot on B-29 Combat Aircrew. I served in the capacity of Pilot/Aircraft Commander of SAC Combat Crews until September 1957.

I flew B-29s, B-50s, B-36s, B-47s and B-57s during this assignment as combat crew member, interrupted by times to complete the Special Weapons Course at Sandia Base, N.M. (six months intensive nuclear engineering curriculum) and flight qualification schools for Navigator, Radar Operator, and Bombardier (15 months of classroom and flight instruction to enable me to qualify for aeronautical ratings in the three above mentioned flight crew specialties).

Prerequisite for Aircraft Commander/B-47 Aircraft in SAC was a quadruple aeronautical rating, i.e., pilot, navigator, radar operator, and bombardier. I flew as Aircraft Commander on B-47 Combat Crew from 1952-1956 while stationed at Barksdale AFB, La. I spent 20 months subsequent to the Barksdale assignment as Aircraft Commander/RB-57D, High Altitude Reconnaissance with duty station at Turner AFB, Georgia and Yokota AB, Japan.

In September 1957 I was assigned to the USAF Academy with duty station at West Point. The Detachment was made up of approximately 25 USAF officers and four USAF NCO's. My primary duty was to coordinate the USAF instruction given to West Point Cadets, both classroom type and tactical training. I also served as personal pilot for the Superintendent, USMA, and I was USAF advisor on the Superintendent's staff.

I entered Defense Language School, Washington, D.C. in June 1963, then on to Paris in June 1964. While in Paris, I was personal pilot for the American Ambassador to France in addition to my Air Attache duties.

I left Paris in June 1966 and returned to Washington, D.C. to enter The Industrial College of The Armed Forces. During the year that I attended ICAF, I earned a M.S. Degree in Business Administration (1967) at George Washington University in D.C.

I went to Viet Nam in January 1968 after 4 months of upgrade training. I flew an RB-57 tour of duty out of Tan Son Nhut and was Commander of the RB-57 Squadron. I logged over 580 hours of combat flying on 321 missions in 364 days in Viet Nam.

I spent my last six years in USAF in the Pentagon with Secretary of Defense Office and Headquarters USAF, Directorate of Plans.

Jean F. Edens, widow and long time resident of Houston, and I were married Oct. 6, 1985 in Sterling City, Tx. Jean has two children, and Max has two sons, a daughter, and one son who was shot down and killed in Viet Nam in 1972. The couple has nine grandchildren.

Max Minor Claimed By 1940 Classmates To Be Tahoka's All-Time Great Athlete

by ANN ADAMS

Max Minor will return to his alma mater and give words of encouragement to the Tahoka High School varsity football boys at the homecoming pep rally this Friday afternoon. Max was a graduate of the Tahoka Class of 1940, and accomplished many sports feats, both during high school and college.

Max lettered on the Tahoka Varsity team while he was a sophomore. During his junior and senior years, Co-Captain Minor gained numerous yards on the ground, completed many passes, and kicked extra points. He was truly spectacular on the football field, playing skillfully and encouraging team effort. He was invited to play on the Class A All-Star team game at Plainview.

Also, Max was continually a star at local, district and state track meets. He usually won in the 220-yard dash, 440-yard dash, low hurdles and broad jump.

Following is an abbreviated sports resume of Minor's accomplishments, beginning in 1938:

- All-America/High School Track, 1938-39-40.
- Texas H.S. 220 yard low hurdles winner, 1939.
- Texas H.S. 220 yard low hurdles and 220 yard dash winner, 1940 (New Texas HS record in low hurdles that still stands and tied National HS record in low hurdles that is still current).
- Halfback on Texas University freshman football team in 1940 - team was undefeated and unscored on.

- Ran 9.4 second 100 yard dash at dual meet in Texas A&M as a freshman.
- Varsity halfback on Texas U. football teams in 1941 and 1942. Played in Cotton Bowl in Jan. 1943 - Texas beat Georgia Tech 14-7. I scored a Texas touchdown.
- Was a member of Texas U. *Sprint Medley Relay World Record Holder* at Drake Relays in 1942. I ran the first of the 220 yard leg of the relay.
- Won Southwest Conference 100 yard and 220 yard dash championship in Spring 1943. Was high point man of the meet. Won 2nd in 220 yard hurdles, was on 440 yard relay that won first place.
- Won 60 yard dash indoors at Butler Relays in Indiana in 1942.
- Hold the 80 yard low hurdle record at West Point - set in 1944 indoors - still stands.
- Tied 60 yard low hurdles (indoor) record three times in one meet in N.Y. Madison Square Garden - Millrose Games 1944. Was voted Outstanding Performer in meet. Was 2nd in 60 yard dash and 2nd in broad jump.
- Held the USMA Indoor Broadjump record from 1944 to 1969.
- Was halfback on 1944 Army football team that was unbeaten and number one in the nation. Thirteen members of the team made All-America (we still played both ways then).
- Upon graduation from West Point, I was awarded the plaque given to the Outstanding Athlete of the Class of 1946.

Lynette (Tinsley) Davidson THS 1940

Lynette (Tinsley) Davidson

The Tinsleys owned the dairy in Tahoka 50 years ago, and Lynette (Tinsley) Davidson graduated from THS on May 17, 1940. "That day we declared our independence and set out into the world, having no idea what was ahead. War clouds were over us but we were too young and carefree to let that worry us. To our way of thinking, we were invincible and indestructible," recalls Lynette.

"All too soon we found out that wasn't true. December 7, 1941! One by one we heard of our classmates who died for our country. So many of them were away from home for the first time in their young lives; far away from home in places we were unfamiliar with; places where they died, often alone and without a doubt, afraid, and wondering why. So many of them never had a chance to live that full life that we all feel we are entitled to.

"I returned to Tahoka for the first time about a year ago to see the monument on the Courthouse Square with their names engraved and it was one of the most moving experiences of my life because so many names were there that I wasn't aware of," said Lynette.

"We give our heartfelt thanks and gratitude to those classmates and hope and pray that they rest in peace and that God found a special place for them. To those who served and survived, we also give our special thanks and gratitude. We are thankful that they returned to give others that special happiness that only they can give.

"There is also a special place for those of us who devoted years of waiting for someone to come home - or just

waiting for a letter to be assured that one was safe. We traveled from coast to coast and lived where we could. We had our happy times and our sad times. Survival means many different things to all of us.

"Those of us who lived and survived the war started over again, grateful and thankful that we had another chance. We were still young and full of dreams and we set out to make them come true.

"Thank the good Lord that He gave us the ability to look ahead, to put the past behind us, to look at each morning as a brand new beginning and determine to do our best.

"We dedicate this 50th reunion to those who died and also to those who survived," she said.

Lynette now resides in Lubbock, formerly of Fort Stockton where she worked in the bank. She was the first woman vice-president in the bank. She has one daughter and one grandson.

TOM OWENS
Lt. Gov. Candidate
Visits Tahoka

Tom Owens, a Midland management consultant and former oil and gas operator, was in Tahoka last week in his campaign for lieutenant governor on the Libertarian Party ticket. His name will be on the ballot of the Texas general election next month.

Owens said he favors "privatizing education," using a book and tuition voucher system instead of the current financing. "The vouchers could be used at any educational institution, public or private, or for home schooling."

He also said he favors cutting non-essential services provided by the state "to the core," and said "I believe that taxes take too much of the citizens' wealth."

Planning Meeting Set Oct. 22 For Support Group

A planning meeting to begin a support group for families of American military will be held Monday, Oct. 22 at 7:30 p.m. in the Fellowship Hall of the First United Methodist Church of Tahoka. The meeting will be led by Mrs. Janie Isbell, who is project chairman of the ribbon support program in Tahoka. The red, white and blue ribbons show support for American military in the Persian Gulf.

"This meeting is for anybody interested to attend," explains Mrs. Isbell. "We just want to see who might be interested in such a group, to support each other and our families who are with the military in all areas of the world, protecting the United States," she added.

Ribbons are still available to anyone who wants them, to tie on their front doors, trees, or wherever to show support for the military. Yellow ribbons show that a family member is in the military. These ribbons may be obtained, free of charge, at Tahoka Drug, where Mrs. Isbell is an employee.

Tahoka sixth graders are also showing their support, as they plan to tie ribbons on trees around the school sometime this week. They will have a short ceremony along with this activity, according to Mrs. Isbell.

One more name has been added to the list of local military. Stoney Conn Thomas from Denver City, grandson of Tiny Lee McNeely of Tahoka, is in the armed forces and is stationed in Korea.

The list of names is being kept by

Mrs. Isbell, of military personnel from Tahoka or military personnel who are members of families in Tahoka. These military personnel do not have to be stationed in the Persian Gulf to be on the list, as it is being kept for a general list of military persons from this area.

For more information on the support program, contact Mrs. Isbell.

Pioneer Museum To Be Open This Saturday

The Lynn County Pioneer Museum will be open to visitors from 10 a.m. until 4 p.m. this Saturday, Oct.

13 during the Lynn County Harvest Festival. The museum offers an opportunity for visitors to see artifacts of the past, and photographs of pioneers in Lynn County.

The "Tahoka Lake" mural in one corner of the museum also draws a lot of attention from visitors to the museum. The mural was painted by artist Bill Craig of Tahoka, and depicts a small band of Comanche Indians in the 1850's going about their daily tasks at their campsite near "Tahoko."

The name "Tahoko" (believed to mean fresh water) was given to Tahoka Lake long before the white man came. The fresh water springs along the west side provided water for not only the Comanches but also the Folsom people, Apaches, U.S. Cavalry, buffalo hunters, and ranchers.

In 1903 a city was established approximately 4 miles southwest of the lake and named "Tahoka." Today, the lake is located three miles north on FM 400 and one mile east. The lake site is approximately one-half mile wide and three miles long.

Public Notice

Southwestern Bell Telephone Company has filed an application with the Texas Public Utility Commission to introduce two experimental services called Call Forwarding - Busy Line and Call Forwarding - Don't Answer.

Call Forwarding - Busy Line and Call Forwarding - Don't Answer are optional call management services that will automatically forward a customer's incoming calls to a pre-designated number whenever that incoming call encounters a busy or don't answer condition. These services are for both business and residence customers. The company proposes that the services be available beginning November 19, 1990.

The monthly rates for Call Forwarding - Busy Line and Call Forwarding - Don't Answer are \$1.00 for residence customers and \$3.00 for business customers. The monthly rate for subscribing to both services is \$1.75 for residence customers and \$4.00 for business customers. During this experimental offering period the installation charges will be waived.

Call Forwarding - Busy Line and Call Forwarding - Don't Answer are expected to generate first-year revenues of approximately \$752,000.

Call Forwarding - Busy Line and Call Forwarding - Don't Answer will be offered on an experimental basis in selected areas throughout the state for 12 months. The availability of these services after that time will depend on Southwestern Bell's decision of whether to offer the services on a permanent basis.

Persons wishing to comment on these services should notify the commission by November 9, 1990. Requests for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757, or you may call the Public Utility Commission Public Information Office at (512) 458-0256 or (512) 458-0221, teletypewriter for the deaf.

Card Of Thanks

We, the family of Richard Wyatt, would like to express our heart-felt thanks to all our family and friends for all the love and concern shown us during the sickness and loss of our dear one. Thank you for all the prayers, the delicious food, beautiful flowers, plants and cards and loving phone calls. A special thanks to Dr. Wright and the Lynn County Hospital staff and to the members of the First Baptist Church, Church of Christ and Methodist Church at New Home for the delicious food prepared before the service.
Thanks to Brother Morris Pruitt and First Baptist church members for bringing tapes of the Sunday services to Richard so he could hear the Word of Our Lord for the past few years when he was unable to attend the services in person.
We deeply appreciate the beautiful message of comfort that Brother Morris Pruitt and Brother Jerry Roberts gave during the service of our loved one and to Dell Knight and Sherece Forbes for the beautiful music and songs.

Your HEALTH TIP

DAYTON PARKER

ASPIRIN vs STOMACH
Enteric-coated aspirin tablets caused less gastric and duodenal damage to the mucosa than buffered or plain aspirin, taken in doses as high as 4000 mg (12 tablets) a day. There were notably more mucosal lesions with plain and buffered aspirin than with the enteric-coated pills, which dissolve after passing thru the stomach and are absorbed from the intestinal tract. It takes a bit longer to work, but causes much less gastric discomfort or heartburn.
