Violence Involves Sisters

Three sisters were involved in a fight in Tahoka Tuesday night as a fourth sister looked on, and one of the group was treated for a broken finger and facial lacerations after the three each reportedly wielded a hoe, a rake and an aluminum baseball bat outside the home of one of the group in south Tahoka.

Tahoka Police Chief Jerry

Webster said no arrests were made, but that one of the group had indicated she would file charges against one of the others. The four are all in their 20s.

Lynn County officers were seeking a suspect in a forgery case here during the last week in which two \$50 checks were passed. The man on whom the checks were passed said they were stolen from his home.

In jail during the week were four persons for driving while intoxicated, one for no motor vehicle inspection sticker and one for public intoxication.

Asst. Principal Smith Resigns; Ronald Roberts Named AP

by JUANELL JONES

Tahoka High School science teacher Ronald Roberts was named Assistant Principal for Tahoka Junior/Senior High School after that position was left open by the resignation of Mike Smith this month. This and other action was taken by Tahoka I.S.D. Board of Trustees at their regular meeting held Thursday, July 11.

First order of business for the meeting was administering the oath of office to new board member J.E. Nance, Jr., who was appointed by the board to fill the vacancy left by Gary McCord until the next regular election. This brings the board to a full slate of seven trustees, who were all present for the meeting, along with Superintendent Dr. Duane Carter, High School Principal Charles Cate, Business Manager Loretta Tekell, and Ronald Roberts.

The board accepted the resignations of the 1990-91 Assistant Principal Mike Smith, Math teacher Lee Ann Bartolino, and teaching assistant Gloria Perez, all high school personnel.

To fill these vacancies, trustees approved the hiring of Ronald Roberts as Assistant Principal with a salary of \$28,500. Betty Stennett will be a high school science teacher to fill the vacancy left by Roberts, and Kimberley Rasmussen of Lubbock was approved for employment as a Math teacher at the high school.

Lisa Chapa was approved by trustees for office assistant at the high school, and Nancy Monk was okayed as Chapter I program teaching assistant at the high school. Cynthia Pauline Bartlett was hired as cafeteria manager for the school cafeteria.

All of the personnel employments

were approved by unanimous decisions of the seven board members.

In other action, the board approved the paying of bills and the reading of the minutes, and heard a financial report from Dr. Carter and Mrs. Tekell. Tax roll collections was at 95.6 per cent, according to Mrs. Tekell, who reported \$658,660.20 total taxes collected as of June 30.

The fiscal year ends Aug. 31, 1991.

Trustees accepted a bid from Love, Hays & Co. as auditors for the school, and accepted food, milk and bread contracts for the school cafeteria. Lunch ticket prices for teachers and auxiliary personnel were raised from \$1.50 to \$1.75 at the school cafeteria, with student lunch prices remaining \$1.25, the same as last year.

Dr. Carter discussed the new County Education District with board members, noting that the tax levy set by the CED will not be known until September and that other school districts are also "in the dark" when it comes to knowing what the local school tax rate will be set at.

A state-mandated CED special election has been set for Aug. 10 to decide the issues of personal property taxation and tax exemptions for the new taxing entity. Tahoka trustees named Dean Bartley as election judge, Maurice Huffaker as alternate judge, and C.W. Roberts as absentee judge for the election.

The discussion of district policies was postponed until the August meeting, so that new trustee J.E. Nance could preview the policies, as have the other board members.

The board went into executive session from 10:07 p.m. until 12:37 a.m., and adjourned at about 1:20 a.m.

City Delays Decision On Street Sweeper

Tahoka City Council members met Monday in a called session to look at bids for a new street sweeper for the city, and three bids were received.

Present to answer questions about their products were representatives of three companies, Brent Rudd of STM Equipment in Tyler, and Dan Richardson of Yellowhouse Machinery Co. in Lubbock and Chris Vestal of West Texas Equipment Co., Lubbock.

The council members decided to defer action on accepting any of the bids pending further study of the products offered.

All council members and Mayor Jim Solomon and City Administrator Barry Pitman were present.

AMID THE continuing emphasis on how Americans support and love the military personnel who served in Operation Desert Storm, highlighted by many fine tributes in recent Fourth of July celebrations, one little ugly blemish on the whole scene is growing bigger and uglier.

All of us supported the war against Iraq, the greatest show of unity among Americans for such an operation since World War II. But it becomes increasingly evident that our military leaders (and perhaps this should be President Bush's own responsibility) made a mistake by not doing away with Saddam Hussein in one way or another. At the very least, the war should have continued until he was out of power, either imprisoned or dead.

As it was, we left him in power and in so doing made him a hero to many Arabs, as the man who dared challenge the big bad American infidels and got away with it. And he apparently is building up forces and arms for another go at it, something which probably would not have happened if we had put him in prison or exile or several feet below the surface.

Let's hope we don't have to do it all over again soon.

KNOTHOLES in the Woodwork: Judging from the many comments I received after writing about the problems of trying to deal with our mortgage companies and insurance companies, lots of other folks have had similar difficulties. Several people had to tell me about their own frustrations in trying to talk with their companies or the company computers. One reader called from Dallas to inquire if the mortgage company I have had problems with (I didn't name them in the column) might possibly be Midland Mortgage Co. I told her it sure was, and learned that she also had had so much difficulty with that company that she finally had to get a lawyer to contact them. We still haven't got all our mess straightened out. . . . When I sat down to add an item to this column, I had an idea that I wanted to put on paper. But by the time I answered two phone calls, I couldn't remember what it was—a sure sign of maturity. . . . There has been some talk lately about year-round school. I see no reason why not; after all, we have year-round taxes and year-round professional basketball, baseball and football, and year-round wrestling and Gilligan's Island on TV. Of course, I don't have to go to school anymore. . . . I heard on the radio that President Bush commented on the attempt to discover if Zachary Taylor had been poisoned. Bush said he didn't think so, but he did hear that President Taylor's last words were "pass the broccoli."

ATTEND FFA CONVENTION—The 63rd annual convention of the FFA was held in El Paso July 9-12. Those attending from New Home included Scott Fillingim, Rebecca Lisemby, Blaine Fillingim, Kara Askew, Lanny Zant, Marla Rudd, Shane Thompson, Amy Williams, Jeff Armes, Shane Moore, Advisor Dale Schaffner, Sharla Schaffner and Barbara Rudd. ATTEND CONVENTION - Attending the FFA Convention in El Paso last week were Tahoka FFA members Jay Forsythe, Joey Stone, Michael Tipton, Jason Belew, advisor Denny Belew, and Heath Brewer. The first three boys received their Lone Star Farmer Degree in a Tuesday assembly. Also receiving the degree was Paul Harper, who was unable to attend the convention.

DARON NORWOOD, a 1985 graduate of Tahoka High School, recently signed a contract to record country songs.

Daron Norwood Making Mark In Country Music

Daron Norwood, a 1985 graduate of Tahoka High School, who had his own band in school here, recently signed with Warner Bros. in Atlanta, Ga. to make recordings, and was the subject of a feature article in the July 12 issue of *The Atlanta Journal-Constitution*.

Norwood is the son of Margaret Norwood and the grandson of Mr. and Mrs. J.T. Miller of Tahoka.

The story in the Atlanta newspaper was entitled "Country Up-and-Comer Puts His Lessons To Work" and parts of the article read as follows:

Pumped-up Daron Norwood celebrates his signing by Warner Bros. with a showcase featuring some original country songs tonight at the Buckboard Country Music Showcase in Smyrna.

Perhaps because of his excitement, Mr. Norwood seems immune to the pressure of being billed as "the next Travis Tritt." He even hopes to surprise producer Greg Brown and other Nashville insiders attending his 10 p.m. set.

"Everybody thinks I do ballads best, but I'm going to convince them I can do up-tempo songs, too," says Norwood, 25.

He was discovered—with help from Buckboard owner John Gallichio—earlier this year by Danny Davenport, Atlanta's Warner Bros. representative and the man who signed Tritt. Norwood

was living in Nashville and singing at a cement-floor roadhouse along Interstate 40 near the Tennessee-Georgia line when a relative gave Gallichio a demo tape.

Gallichio brought Norwood, an energetic performer with a strong voice, to Atlanta and paired him with the Buckboard house band, the Bandits. . . . Norwood has picked up as much watching national acts who've visited the popular club as from performing himself.

Norwood is looking forward to his first single release with Warner Bros. and indicated he will do whatever kind of song they want, ballad or otherwise.

"This is the dream I've dreamed for so long," he says, "and all I really want to do is sing."

Pool Party Scheduled This Saturday

There will be a Pool Party on Saturday, July 20 from 8-10 p.m. at the City Pool in Tahoka with all proceeds going toward a turf fund. Admission will be \$2 for anyone coming in, no matter what age.

With proceeds from the turf fund, outdoor turf will be purchased to place completely around the baby pool, and a strip several feet wide around the large pool. Chamberettes and other organizations will also donate money to the turf fund, so that with the funds raised from the pool party, the turf will be installed as soon as possible.

According to Pool Manager Linda Spruiell, this safety project is one that has been needed for quite some time. "I hope to raise quite a bit of money with the pool party, and then get the rest donated by interested organizations and citizens," she said. "Although the main need for the turf is for safety reasons, it will also make the pool look nicer," she added. "Everyone is invited to attend the pool party, and help make the pool a safer place to play," said Mrs. Spruiell.

The Wilson Junior High cheerleaders returned from cheerleading camp. They brought home a trophy, eight ribbons, and won the spirit stick every day. They had a good time and learned a lot. Those attending were the cheerleaders, Audra Young, Stephanie Riojas, Kim Martin, Jodi Wied, and Rosie Villarreal. Mrs. Carlton, Mrs. Mann and Mrs. Crenshaw-Rogers were sponsors.

Mrs. Carlton and her husband William have moved into one of the teacher houses. They are now living in the middle house facing the city park.

The library is open every Wednesday from 9 a.m. to 3 p.m. The general public is invited to come to the library during those hours.

Twenty-eight students have been taking private band lessons during the summer from Mr. Gregory.

Spiritual Soul Seekers will be performing at the Wilson City Park, Wilson on Friday night, August 2, beginning at 7 p.m.

There will be barbecue sandwiches, cakes, pies and drinks for sale with all proceeds going to the group to help with the purchase of a van. The singing group has performed for eight years in parts of Texas, Oklahoma and New Mexico spreading the love of Christ through song and witness.

Anyone wanting to make a donation to the group is asked to make checks payable to Bethel Missionary Baptist Church. Seating is limited so bring your lawn chairs or quilts and come out for a night of fun, food and fellowship.

The reason it's so difficult to make both ends meet is because someone is always moving the ends.

DAYTON PARKER

BACKACHE
Low back pain results in 217 million lost work days annually. Smoking is a factor. Nicotine constricts blood vessels, reducing the blood supply to back muscles and ligaments, allowing spinal discs to slip out of place. Vibrations from vehicles and power tools can contribute. Weak back muscles and heavy lifting are major causes, but with exercise to strengthen those muscles, many can overcome backache.
