

## City Sets Tax Rate Same As Last Year

The City of Tahoka Tuesday night adopted a budget for the coming year totaling \$879,495, slightly higher than last year, and set a tax rate exactly the same as it was, just over 54 cents per \$100 valuation.

Although the tax rate is the same as it has been, the rate of .54284 has to be treated as a 5.35-cent tax increase, since that amount has been used in the past to pay off a bond passed 10 years ago to sealcoat Tahoka's streets.

The bond was paid off this year, and city officials elected to keep the total tax rate and use the extra available money, about \$25,000 per year, to sealcoat some of the streets again. City officials said the streets badly need repairs to keep them from deteriorating further.

There will be an increase in water/sewer rates, however. The city council voted to go up \$1 on the base charge for water (from the present \$7 to a new figure of \$8) and to increase the price per gallon used over 3,000

gallons each month by 10 cents. Currently the water rate is \$7 up to 3,000 gallons and \$1.40 per 1,000 gallons used thereafter. Now the rate will be \$8 up to 3,000 gallons and \$1.50 per 1,000 gallons thereafter.

For customers outside the city limits, the base rate stays the same, but the price per 1,000 gallons after 3,000 goes up from \$1.55 to \$2.

No change was set on garbage collection fees, which were increased recently.

The city set a budget calling for expenditures of \$387,805 in the general fund, with projected revenue from taxes estimated at \$388,184. In the water and sewer department, income from these fees is estimated to be \$331,300, while the budget calls for spending \$331,190. In the sanitation department, both income and expenses are estimated to be \$160,500 during the next fiscal year.

City council members also voted approval of a plan for the city to apply for a Texas Community Develop-

## Board Sets Tentative Budget

Tahoka I.S.D. trustees, after meeting in several budget sessions throughout the past weeks, okayed a tentative budget Tuesday night to be presented to the public on Monday, Aug. 26 at a 7 p.m. public hearing in the Learning Resources Center in the elementary annex.

The public hearing must be held before trustees can okay the budget, which must be submitted to the state by Aug. 31.

The budget which will be presented Monday night is set lower than last year's school budget, in an effort by trustees to keep from raising local school taxes. The local tax rate will not be set until the County Education District sets its tax rate sometime in September.

Last year's school budget in the general fund was \$3,349,635, and this year's budget is around the \$3,215,000 mark, even taking into consideration the state-mandated teacher pay raises, which is \$1140 across the board for every certified person in the school district. Last year's budget included \$2,054,513 for teacher salaries in Tahoka I.S.D., and this year's budget shows nearly \$100,000 more in salary hikes, at \$2,152,854.

"Teacher salaries comprise about 76 percent of the school district's budget," said Dr. Duane Carter, Superintendent. "The salary hikes are not at the board's discretion - that's a state mandate that is a fixed number every year. Also higher this year is workmen's compensation fees, which nearly doubled from last year," he explained.

The budget was cut by reducing capital outlay and other areas in maintenance and operating.

Present at the budget meeting were trustees Delbert McCleskey, Clint Gardner, Greg Henley, J.E. Nance Jr., Mike Huffaker, and Juanell Jones, bookkeeper Loretta Tekell, Dr. Carter, high school principal Charles Cate, and elementary principal Molly Helmlinger.

Gardner also reported on the County Education District meeting Tuesday night, saying that the board approved a \$60,555 budget for administrative purposes for the CED, of which Tahoka will pay its share of \$781.00.

The CED also canvassed the votes from the Aug. 10 election, reporting that the personal property proposition failed, and that propositions two and three concerning homestead exemptions and elderly and disabled exemptions passed.

## Football Contest, Bulldog Booster Page To Start

The annual Tahoka Bulldog Football Booster Page in which businesses and individuals express their support for the Tahoka High School football team will start its 10-week run in *The Lynn County News* Sept. 5, just prior to the opening football game at Spur.

Most of the sponsors are businesses, but this year individuals may have their names included as Dog Backers by calling the newspaper at 998-4888 or by letting someone at the paper know they'd like to be included. Cost is \$6 per week to have your name listed, and each month the sponsors are billed for however many weeks the page ran that month.

The page will run for 10 weeks of regular season, and if the Bulldogs keep winning, it will be followed by four or five weeks of playoff games through the state championship.

Included on the Bulldog booster page will be a football contest, with a \$5 prize offered to the winner each week, and an additional \$10 prize if the winner has named the secret sponsor of the week.

NOT UNTIL they get their property tax bill in October (or possibly a little later this year) will the average person realize just what the Legislature has done to that segment of the population which pays all the city, county, hospital and school taxes.

The big blow will be the school taxes, and although newspapers and the boob tube have been talking for months about the "Robin Hood bill" and new county education districts (CEDs), poor old Joe Taxpayer won't really realize what has been done to him until he sees the bottom line on his tax bill.

What the legislators have done to us is this: They have created another bureaucracy with the power to tax everybody, supposedly to take from the rich school districts so that the poor ones can have more money. That's bad enough in theory, and in practice, it will be a lot worse.

For example: Taxpayers in the Wilson and Tahoka school districts are going to be amazed to learn that they are the rich folks, while Lubbock is the poor one. Both Wilson and Tahoka school districts are going to lose money, while Lubbock stands to gain some. In other words, our taxes are going to be increased so that Lubbock can have some of our money, while we actually will operate our own schools on less money than we have had. This is for the benefit of the same Lubbock school district which misplaced about a million dollars a few years ago and never did figure out where it went.

Another area publisher characterizes the school bill as one which puts all the money load on the taxpayers of both the rich and poor districts, so that the state will not have to send more money to the schools. In other words, it's a deal to make the state government look good while socking it to the local taxpayers and to the small businesses.

Couple all the school mess with the new state budget and the new taxes and fees, and what we have is an added burden on the middle class taxpayers which may put a lot of us under. When people get to the point that they simply can't pay any more taxes, then the taxes will go unpaid and government will break down.

What is really irritating is that everybody had a lobby down in Austin except the taxpayers of the state, the common citizen. Our elected state senator and representative are supposed to be working for us down there, but I'm not sure they did all that great.

The guy I appreciate is the representative from Dumas or Perryton, or wherever he is from, who was so mad about the new budget that he introduced a bill to make West Texas a separate state, with Amarillo as the capital. Bob Bullock suggested it was an asinine thing to do, but you have to agree with the Panhandle legislator who said, "We've been sending our money down to Austin for years to have it squandered away."

Anyway, there may be a taxpayers revolt when we all get our tax bills this fall. Certainly there will be some angry people.

ment Grant in the amount of \$162,920. If the grant is approved, the funds will be used for new sewage lift stations in the northeast and southeast parts of town, according to City Manager Barry Pittman.

The council voted to change the date of the regular September meeting to the second Monday in September.

## Firemen's Fish Fry Set This Saturday

The Annual Firemen's Fish Fry will be held Saturday, Aug. 24, from 6 to 9 p.m. at the Tahoka mini-park. A meal of fish, hush puppies, cole slaw, fries, and drink will be served for \$4.50 per plate.

Proceeds will be used for further training of volunteer firemen.

## Whiteface To Offer Test For Bulldogs

The Whiteface Antelopes will come to Tahoka Friday night to give the 1991 Bulldogs their first taste of competition against another team. This will be a controlled scrimmage starting at 6 p.m.

On offense, although the Bulldogs have a new coach, Tim Smith, the formations will be the same as last year, at least for now, according to Coach Smith. He plans to add new sets and assignments later.

Tahoka has several starters back from last year, and several other lettermen. The Bulldog Booster Club is urging all supporters of the team to turn out for the scrimmage Friday night.

The Dogs will go to Littlefield next Thursday night, Aug. 29, for a scrimmage against Bovina.

## Senior Citizens Dinner Set Sunday

Sunday dinner will be served at the Tahoka Senior Citizens Center Sunday, Aug. 25, from 11:30 a.m. to 1 p.m. Menu includes Barbecue

## Reception To Honor New Doctor Here

There will be a reception honoring José O. Allas, M.D., a new doctor at Lynn County Hospital Clinic, on Thursday, Aug. 22, from 10 until 11 a.m.

The reception will be held at the Meeting Room in Lynn County Hospital. Everyone in the community is invited to come meet and welcome the new doctor.

## Lions Club Broom Sale Set

The Wilson Lions Club will have their annual Broom and Mop Sale Friday, Sept. 6, from 7 a.m. to 5 p.m. at the Wilson High School parking lot. Your purchase of these quality made products will create jobs for the blind and multi-handicapped workers in the Lighthouse for the Blind. In addition, you will be supporting the Lions worthwhile community projects, while receiving a quality, useful cleaning aid.

Chicken, Potato Salad, Red Beans, Hot Biscuits, Peach Cobbler and Tea for \$4 per plate.

### New Community Involvement Program To Be Implemented At High School Here

Administrators at Tahoka High School are proposing the implementation of a new community involvement program this year, which will include volunteers assisting at the school in a variety of activities. This program will not be limited to just parents of students, but will include anyone with an interest in helping in the program, including senior citizens.

"Current research in education has identified a number of characteristics found in effective schools," said Ronald Roberts, Assistant Principal at Tahoka Junior/Senior High School. "One of those characteristics is a close working relationship between the school and the community which the school serves. The administration, teachers, and support staff of THS are always looking for ways to improve our school," he added.

The purpose of the new plan is to involve the parents and other interested parties in the school day in significant ways as volunteers, such as teacher aides, office aides, etc. "It is felt that by giving parents and members of the community an opportunity to become directly involved in the education of our students, better mutual support, more meaningful

exchange of ideas, and a significant impact on the accomplishment of the mission of the school will result," said Roberts.

Volunteers may work to assist in the teaching function of the school in several ways:

- Act as an in-class volunteer teacher's aide for any period or any part of a school day in cooperation with the classroom teachers.
- Assist the teaching staff by:
  - Marking student's daily work;
  - Distributing/collecting student papers during class;
  - Entering student grades in gradebook;
  - Copying papers for teachers;
  - Assisting in setting up and administering labs or exercises;
  - Building displays and bulletin boards;
  - Any other worthy task as identified by teachers and administrators.
- Acting as an office aide.

"This offer is not limited to just parents but includes anyone with an interest in helping our students be successful, including senior citizens," Roberts explained. "If you feel that you could contribute to the school in this important way, please call me at 998-4538 to get involved," he added.

### Area Residence Is Burglarized

James L. Smith, Rt. 4, Tahoka, who lives a mile east of Petty on FM 1317, reported his residence was burglarized Saturday between 2 p.m. and 11 p.m. A window was broken to gain entry.

The burglar apparently walked to the home, took items valued at \$1460, including a VCR, and carried them about 3/4 of a mile before being picked up by a vehicle, officers said. Among the stolen items were Gucci and Omega wristwatches, three diamond-clip tie tacks, other jewelry and a Sears electric drill.

In jail during the week were 10 persons, six of them on charges related to drinking. Charges included speeding plus failure to appear, driving while license suspended plus failure to appear plus speeding, driving while intoxicated third offense plus driving while license suspended, DWI first offense plus driving on wrong side of road, public intoxication, no drivers license, DWI plus resisting arrest, DWI second offense, judgment and sentencing on DWI second, and theft.

### Museum To Open Tuesdays-Fridays

The Lynn County Pioneer Museum will be open from 1 to 4 p.m. Tuesdays through Fridays, with new Green Thumb worker Lylia Knight working at the front desk.

Through the Green Thumb program, Mrs. Knight will work 12 hours at the museum, and nine hours at the county extension office.

Mrs. Annie Belle Stice, a Green Thumb worker who has been at the museum, is now working in that program at the City Hall.

### Mission Team Returns From Duran, Ecuador

A mission team from two Lubbock churches, Parkway Drive Baptist, and Monterey Baptist, recently returned from an 11-day crusade effort in Duran, Ecuador. The team was comprised of 72 people from the United States, including Sidney (Shorty) Fallin and his wife, Gwendolyn, of Parkway Drive and Bennie McMillan of Monterey.

The Lubbock team held Vacation Bible School in the morning, witnessed in the afternoon and Fallin preached every night.

There were 107 professions of faith made under the Lubbock team's direction.

Mrs. Fallin is a graduate of Tahoka High School.

Michael and Arnetta Jackson announce the birth of their son, Mykael Chaz Jackson. He was born Saturday morning, Aug. 17, at 5:57 in the Lynn County Hospital. He weighed 8 lbs. 9-1/2 ozs. and was 21-1/2 inches long.

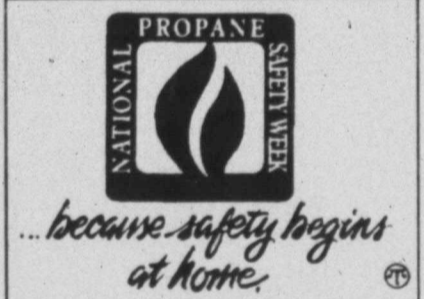

Grandparents are Gary and Lonnetta Hudgens, and Rev. Danny and Taryn Jackson, all of Tahoka.

Great-grandparents are Lonnie and Ravis Isbell of Tahoka, Floyd and Joyce Hudgens, Charles and Rita Veal all of Lubbock, and Felton and Theda Jackson of Goree.

And one special great-great Grandmother, Rosie Martin of Muleshoe.

### Propane Gas Safety Begins At Home

More than 60 million Americans depend on propane gas for everything from heating their homes and hot water to cooking their meals. As with every energy source, safety begins at home.

In its continuing effort to educate consumers and their families about this clean-burning fuel, the National Propane Gas Association (NPGA) is sponsoring the second annual NATIONAL PROPANE SAFETY WEEK, AUGUST 26-30, 1991. This industry-wide program is designed to increase awareness on propane gas and its versatile uses.

Through NPGA's 4,000 members, this week-long educational program will offer homeowners safety tips, maintenance and storage suggestions, plus facts about propane gas.

More than five years ago, NPGA created the Gas Appliance System Check or GAS Check. This on-site safety inspection of a home propane gas system is the foundation of the industry's proven safety record. Trained technicians inspect everything from the backyard tank to the appliance controls inside your home. The technician will show homeowners how to operate appliances, the location of shut-off valves and familiarize them with the odor of propane. Homeowners should schedule a GAS Check once a year and NPGA recommends purchasing propane gas from a GAS Check dealer.

Join in NATIONAL PROPANE SAFETY WEEK activities. Contact your local propane gas dealer for more information...BECAUSE SAFETY BEGINS AT HOME.

About half as much hot water is used in the average shower as in the average bath.

### Plans Underway For Tahoka's Annual Harvest Festival Sept. 21

The 16th annual Lynn County Harvest Festival, sponsored by Tahoka Chamberettes, Tahoka Chamber of Commerce, Tahoka Rotary Club and Lynn County Jaycees, has been scheduled for Saturday, Sept. 21.

The Harvest Festival Committee met last week to begin discussing plans for the festival, and several chairmen were appointed to different events.

Nadine Dunlap is booth chairman this year, and anyone interested in reserving a booth space for the all-day event should contact her at 998-5135. Mr. and Mrs. J.D. House are co-chairmen of the merchant drawings, and anyone who would like to volunteer to collect prizes from merchants is asked to contact them at 998-5150.

The annual queen and princess contests will again be sponsored by Tahoka Chamberettes, and all young ladies interested are encouraged to participate. Winners in the princess contest are determined by ticket sales, and finalists in the queen contest are determined by ticket sales plus several other factors, including poise and personality in judges' interviews.

Queen and princess contestants will soon begin selling tickets for chances to win a trip for two to Puerto Vallarta, Mexico, a Texas Tech weekend with tickets to the Tech vs. A&M game, and a bicycle drawing. All contestants will receive their tickets at the same time at a specified date, and will sell them up through

the day of the Harvest Festival.

Also selling tickets in conjunction with the Harvest Festival will be members of the Lynn County Jaycees, who are again sponsoring the Cow Patty Bingo contest.

The Harvest Festival Committee, in conjunction with the Tahoka High School Student Council, will conduct a bubblegum toss at the Homecoming football game Friday night before the festival, with a drawing to be held at the festival for those who find a number written on a slip of paper in with their bubblegum.

Also, special give-aways will be held for children under the age of five, who can register at the festival.

Most of the activities and events which have been held in recent years will be held at this year's festival, including children's games, turtle and frog races, tricycle and hot wheels races, and a new coin dig game.

The Lynn County Fair will also be held at the festival, with entries needed for all divisions, including art, quilts, handwork, canned items, fresh vegetables, etc.

"We especially need help with this year's fair," said Nadine Dunlap of the Festival Committee. "We not only need helpers to work at the fair, but we need everyone to bring their entries as well," she said.

The festival committee will have several more meetings in the upcoming weeks. Suggestions for activities are welcome, and anyone interested may join the committee and attend the meetings.

### Notice of Effective Tax Rate

#### 1991 Property Tax Rates in Lynn County Hospital District

This notice concerns 1991 property tax rates for Lynn County Hospital District. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. Compare it to the tax rate the taxing unit proposes for this year. This year's rollback tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

<b>Last year's tax rate:</b>	
Last year's operating taxes .....	\$ 510,101
+ Last year's debt taxes .....	\$ -
= Last year's total taxes .....	\$ 510,101
+ Last year's tax base .....	\$ 248,963,610
= Last year's total tax rate .....	\$ .20489 / \$100
<b>This year's effective tax rate:</b>	
Last year's adjusted taxes .....	\$ 510,101
(after subtracting value of lost property)	
+ This year's adjusted tax base .....	\$ 248,161,212
(after subtracting value of new property)	
= This year's effective tax rate .....	\$ .20555 / \$100

= Maximum rate unless unit publishes notices and holds hearings .....	\$ .21171 / \$100
<b>This year's rollback tax rate:</b>	
Last year's adjusted operating taxes .....	\$ 510,101
(after subtracting taxes on lost property)	
+ This year's adjusted tax base .....	\$ 248,161,212
= This year's effective operating rate .....	\$ .20555 / \$100
- .72 for school district (or zero) .....	\$ -
x 1.08 (or add \$.08 for schools)	
= This year's maximum operating rate .....	\$ .22199 / \$100
+ This year's debt rate .....	\$ -0 / \$100
= This year's rollback rate .....	\$ .22199 / \$100

#### SCHEDULE A: Unencumbered Fund Balances

The following balances will probably be left in the unit's property tax accounts at the end of the fiscal year. These balances are not encumbered by a corresponding debt obligation.

<b>Type of Property Tax Fund</b>	<b>Balance</b>
General Operating Fund	\$5896.00

**Wilson News**

by Loretta Abbe  
628-6368

The Wilson Lions Club will conduct their annual Broom and Mop Sale Sept. 6 from 7 a.m. to 5 p.m. at the Wilson High School parking lot.

Your purchase of these quality made by the blind products will create jobs for the blind and multi-handicapped workers in the Lighthouse for the Blind. In addition, you will be supporting the Lions worthwhile community projects, while receiving a quality, useful cleaning aid. So extend a helping hand to our Lions, so that they may in turn, extend a help-

ing had to the Blind and our community. "Thank you for your support," said Broom Sale Chairman Ray Ehlers, 628-6223.

A reminder that school starts Monday, Aug. 26, at 8 a.m. and will dismiss at 3:15 p.m. for elementary and 3:50 p.m. for grades 7-12.

"Young At Heart" will meet

Thursday, Aug. 29, at 1 p.m. at St. John Lutheran Church.

The Senior Citizens of Wilson would like to thank Carl Gryder for furnishing fresh tomatoes for their meals. He is very much appreciated.

Gary and Debra Moore, Shane and Jace returned from a weekend trip of relaxation.

Gladys Moore and Shorty Moore and many other graduates from Wilson High School attended a class reunion held at Lubbock Plaza Hotel with between 80 and 100 representing graduating classes from 1931 to 1947. There were some that traveled all the way from California and Kansas to see some old familiar faces. Each class was well represented with several members of each graduating class.

Several Wilson city officials attended a meeting in Tahoka concerning the new landfill or solid waste management situation for the area. Many questions still remain unanswered as to what will happen and how we will dispose of our solid waste.

Friday, Aug. 23, the First Baptist Church will host a back-to-school picnic for Sunday School children. Hot dogs, watermelon and more will be served. The picnic will begin at 6:30 p.m. and last until 9 p.m.

Wilson Lions Club met on Thursday, Aug. 15, in the school cafeteria with about 30 people in attendance. After eating the members hand a report on various fund-raisers going on including the annual football program and the annual Broom Sale. Also a blood drive was held on Aug. 15, and they collected 12 pints for United Blood Services. The program was a report by the Lynn-Dawson County Entomologist concerning the insect problems in this year's cotton crop. We hope most of the audience left a little less confused on the issue after having asked many questions.

St. John Lutheran Church said good-bye to Pastor Walter Kamrath and wife Jan. He has taken on the job of Chaplain at St. Mary's Hospital in Lubbock and will be moving to Lubbock as the time permits.

Wilson School Board met in a called meeting on Aug. 13 at 7 p.m. in the school board room. They discussed the proposed computer system for elementary school and decided to wait until Aug. 20, to make a final decision on purchasing this system. They also discussed the engineers report on the stadium seating and decided to get another opinion on the condition report.

The board discussed consulting with an "interim superintendent" to help the principal with school management until a replacement can be found for Supt. David E. Williams,

who has resigned to take a position elsewhere. The school board will meet on Aug. 20, at 7 p.m. in a called meeting.

Teachers are working hard to get ready for the new school year. Teacher Workday is Friday, but there are still those who have been working all summer long to be prepared for the year.

**Young At Heart To Meet Aug. 29**

St. John Lutheran Church in Wilson sponsors a get-together called "Young At Heart."

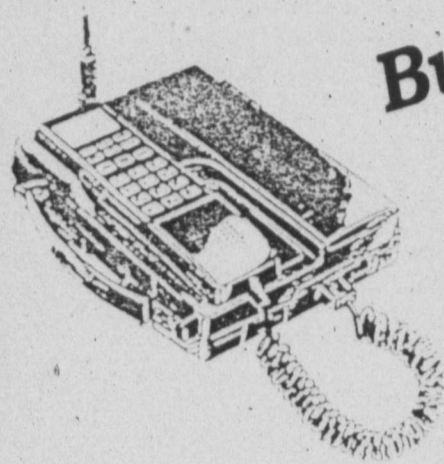

The group is for Senior Citizens of the community who want to get-together to visit, play games, sew, or whatever. The group meets every last Thursday of the month, which this month is Aug. 29. Light refreshments are served.

**VITAMIN E**

Healthy-appearing persons with balanced diets were tested for levels of body cell damage at U. of Toronto Medical School. When vitamin E was added to their diets, a significant decrease in cell damage occurred. Cell damage can lead to such diseases as cancer, heart problems, and premature aging. The tests indicate that a supplement of natural vitamin E, beyond the amount in a good balanced diet, can have beneficial effects for normal, healthy individuals.

# Out of the Woods

The wayward thoughts of Juanell (Wood) Jones

I've heard lots of mothers moaning and groaning lately about all the school supplies we've all had to dip into our purses to pay for about this time of year. I did my own share of complaining. I have to admit, mostly because that's just a standard of operation for most folks: If somebody says you have to buy it, then you gripe about it.

Then you hear all the old-timers say, "Well when I went to school, all we had to have was pencil and paper, and by golly, we couldn't hardly afford that." Ooh, that's a sad story.

I have two children in elementary school, and by the time I got through buying supplies we had two grocery sacks full of stuff. I made the mistake of taking my children with me when I did this shopping, and they added things like new backpacks and lunch boxes which they absolutely had to have.

Even at that young age, they realize that one should not commit the unpardonable *faux pas* of toting along last year's Ninja Turtle backpack or Ballerina lunch box. This year's discriminating third grade boy is sporting Wrestling paraphernalia on every item large enough to permit a sticker, and any little girl worth her stuff has got 101 Dalmations lolling around on her lunch box, backpack, shirts, bows, skirts, socks and underwear. I think my daughter has about a thousand-and-one Dalmations, at the very least.

Being the smart shopper that I am, I bought all these supplies about a month ago and have had

them stashed in a corner of the house just waiting to be put together for that all-important first day of school. For those of you who don't have any children, you may wonder, "What's left to do after you buy it, anyway?" Trust me. Purchasing the items is only the beginning.

When it comes time to get ready for school, you clear everything off your kitchen table and the surrounding floor area. Then you take your sacks and dump everything out, spreading it around so you can see what you got. At this point, your children will come galloping into the room, scattering things helter skelter, grabbing as many items as they can, and arguing about who's stuff is whose.

Then you have to find your supply list, open all the packages, and begin marking every single little item with little Johnny's name (unless, of course, you don't have a little Johnny, in which case you may want to put your own child's name on it).

A good mother will try to perform this duty when her children are off visiting relatives somewhere at least 50 miles away. A really good mother, such as myself, will tell her children to "take that stuff to Grandma's house and she'll help you mark it." I used the excuse that I had a meeting to attend the night before school started, and pleaded with my mother to let my children please come to her house and get their supplies together. Little realizing what she was letting herself in for, she gave a casual "sure." Things

have changed since I went to school, Mom.

I heard from my Dad, when he went home for lunch and found his house overrun with school supplies, some amusing little stories about what was going on. He said that our daughter, who is six, was industriously marking everything in sight with her name, including taking each individual crayola out of the box and putting her name on it. When her worldly 9-year-old brother told her she could just mark the box with her name instead of each crayola, she gave him a look (which females perfect early in life) that says "I know what I'm doing and why don't you stay out of it." What she told him was, "Uh-uh. Mom said to mark everything, and you're wrong!"

So he kept his mouth shut until they got to the kleenex boxes which they are supposed to take to school. eyed his little sister, and said, "You can just put your name on the box on these, too." My dad, who was watching all this activity from the dinner table, nearly bust a gut laughing, picturing my daughter yanking out her kleenexes one at a time to put her name on them. She took her big brother's advice this time.

After they get everything marked, then you have to figure out how to load it all in the backpack so it will fit. This may take about a dozen tries, and then it's not all going to fit anyway.

I feel sorry for teachers on the first day of school when they face 20 children all at once who demand to know where to put all their stuff.

Anyway, back to the point of this column: yes, children do have to have lots of school supplies at the beginning of school, but that's due to progress and all the different activities they perform in classes these days.

One of these days they may have to bring their own desk and chair and computer paper to class, if the state legislature doesn't keep it's unwanted nose out of our business. As a matter of fact, with this year's uproar and uncertainty over school financing, we should all be counting our blessings that the first thing on the children's school supply list wasn't a grocery sack full of money to help pay for teachers' salaries.

So there. That supply list didn't look as bad as you thought it did, did it? Count your blessings and say your prayers for next year.

## Proof Of Liability Insurance Now Required For Vehicle Registrations, Inspections, Driver's Licenses

Effective September 1, 1991, a new state law requires current proof of financial responsibility when a motor vehicle registration is renewed each year, to secure and renew driver's license, and for a vehicle inspection.

This means that when vehicle owners go to pay for their license tags each year, or to get a vehicle inspected, or to renew their driver's license, they must show proof of liability insurance, or other proof of financial responsibility. If no proof is provided, then the license tags will not be given, a vehicle can not pass inspection, and a driver's license can not be renewed.

The most common evidence of financial responsibility is a liability insurance card which is issued by the liability insurance company to the policy holder. Other types of acceptable proof of current insurance include insurance policies, self-insurance or pool coverage documents, binders, and certificates of self-insurance, bond, etc.

The original or a photocopy of the evidence of financial responsibility

satisfies the requirement of proof at the time of registration. All original documentation will be returned to the registrant.

Proof of financial responsibility is required regardless of whether registration is accomplished in person or by mail.

Texas has mandatory automobile liability insurance and has a financial responsibility law that requires a vehicle owner, when involved in an accident in which personal injury, death, or property damage of \$1,000 or more occurs, to show proof of his ability to respond to liability for damages when there is a reasonable probability of a judgment in the following amounts:

- (1) \$20,000 because of bodily injury to or death of one person in any one accident;
- (2) \$40,000 because of bodily injury to or death of two or more persons in any one accident, subject to limit of \$20,000 for one person, and;
- (3) \$15,000 because of injury to or destruction of property of others in any one accident.

## Notice of Effective Tax Rate 1991 Property Tax Rates in O'Donnell ISD

This notice concerns 1991 property tax rates for O'Donnell ISD. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. Compare it to the tax rate the taxing unit proposes for this year. This year's rollback tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

<b>Last year's tax rate:</b>

+ Rate to recoup lost revenue .....	\$ .02128 / \$100
= Adjusted rollback rate .....	\$ .27850 / \$100
= This year's rollback rate .....	\$ .27850 / \$100

### SCHEDULE A: Unencumbered Fund Balances

The following balances will probably be left in the unit's property tax accounts at the end of the fiscal year. These balances are not encumbered by a corresponding debt obligation.

<b>Type of Property Tax Fund</b>	<b>Balance</b>
General Fund	\$300,000
Debt Service	\$65,000

### SCHEDULE B: 1991 Debts Service

The unit plans to pay the following amounts for long-term debts that are secured by property taxes. These amounts will be paid from property tax revenues (or additional sales tax revenues, if applicable).

Description of Debt	Principal or Contract Payment to be Paid	Interest to be Paid	Other Amounts to be Paid	Total Payment
General Obligation	\$85,000	\$38,433		\$123,433
Total required for 1991 debt service .....			\$	123,433

## NOTICE OF PUBLIC HEARING ON TAX INCREASE

Lynn County will hold a public hearing on a proposal to increase total tax revenues from properties on the tax roll in 1990 by 16.17% (percent). Your individual taxes may increase at a greater or lesser rate or even decrease, depending on the change in the taxable value of all other property.

The public hearing will be held on Aug. 30, 1991 at the Lynn County Courthouse, Tahoka, Texas.

FOR the proposal: Gerald Gerner, Sandy Cox, J.T. Miller, T.A. Stone and J.F. Brandon.

AGAINST the proposal: None

PRESENT and not voting: None

ABSENT: None

The statement above shows the percentage increase the proposed rate represents over the effective tax rate that the unit published on July 18, 1991. The following table compares taxes on an average home in this taxing unit last year to taxes proposed on the average home this year. Again, your individual taxes may be higher or lower, depending on the taxable value of your property.

	Last Year	This Year
Average home value	\$23,330.00	\$23,700.00
General exemptions available (amount available on the average home, not including senior citizen's or disabled person's exemptions)		
Average taxable value	\$23,330.00	\$23,700.00
Tax rate	.34200	.39900 (proposed)
Tax	\$79.79	\$94.56 (proposed)

Under this proposal taxes on the average home would increase by \$14.77 or 18.51% (percent) compared with last year's taxes.

Comparing tax rates without adjusting for changes in property value, the tax rate would increase by \$0.057 cents per \$100 of taxable value or 16.66% (percent) compared to last year's tax rate. These tax rate figures are not adjusted for changes in the taxable value of property.

## Lynn County 4-H Members Earn Honors With Recordbooks.

Fourteen 4-H members throughout Lynn County recently competed successfully at the South Plains District 2 Recordbook Judging. Recordbooks include meticulous reports about size and scope, learning experiences, knowledge gained in each project in which a 4-H member participates.

Eva Gicklhorn was the sole Lynn County member whose book advanced to state record competition. She placed second at state after winning first on district level. Placing second, Eva will be the alternate in the safety division to attend National 4-H Congress in Chicago—a prestigious honor among 4-H members.

Miss Gicklhorn, a five year 4-H member, won her honor as a result of extensive training and leadership associated with the safety project. She

EVA GICKLHORN

became personally interested in the project one year near Christmas. Her father, Lester Gicklhorn, rushed into

the house that evening saying that his brother had been hurt on a cotton stripper. As Eva stated in her very own 4-H story, "This accident, along with numerous others, prompted me to become involved in the 4-H safety project."

She is also involved in many other 4-H projects. Food and nutrition, home environment, swine, clothing, recreation, and electricity are but a few of her other projects. Besides being an active 4-H member, Eva is an honor roll student at Wilson High School. She also participates in athletics, band, UIL Literary events, and attends St. Paul Lutheran and Slaton Church of Christ.

Two other senior 4-H members competed in the district contest. Jon Hogg won second place with his veterinary science recordbook. Winning second place in the fashion review division was Katy Huffaker.

Junior 4-H members also completed recordbooks. Lynn County had a clean sweep in the younger age group as all came away with blue ribbon awards. Junior winners and their recordbook categories include: Halee Hughes, Leadership; Matt Hogg, Sheep; Cody Donald, Veterinary Science; Casey Donald, Agriculture; Brandi Gicklhorn, Health; Jason Marshall, Achievement; Krystin Kellin, Veterinary Science; Felicia Davis, Food and Nutrition. Other winners were: Lee Rash, Safety; Lynna Rash, Santa Fe; and Curtis Erickson, Swine.

### Lynn County Traffic Report

Capt. L.A. Reinhart, District Supervisor of the Lubbock Highway Patrol Department comprising of 21 counties reported that in the month of July, troopers investigated five fatal accidents, 65 personal injury accidents, and 54 property damage accidents. There were five persons killed and 109 persons injured in these accidents.

Sgt. Lamar Beckworth of Brownfield said, "In Lynn county, troopers investigated no fatal accidents, one personal injury accident and five property damage accidents in the month of July."

### Dr. Says: Be Wheel Wise

Biking, boarding and blading are the "hot" activities for more and more people this year.

Whether it's a means of transportation, an opportunity to exercise or just a pastime, bicycles, skateboards and rollerblades all require proper safety gear and knowledge of safety rules.

The cost of ignoring precautions is high. Every year half a million cyclists are injured in bicycling accidents, and over 100,000 people seek emergency room treatment for skateboarding accidents. In the newest sport of the three, rollerblading, accidents have increased an estimated 10 times over last year.

"These types of sports leave us vulnerable to head injury, because we're typically traveling at higher speeds and on hard surfaces," said Dr. James Wasco, medical director of the New Medico Head Injury System. New Medico provides rehab for individuals who have brain injuries from accidents, or from other causes.

"Any time we take it upon ourselves to go faster without properly protecting ourselves, we run the risk of injury." Though most of us can bounce back from a few bumps and bruises, a blow to the

head could cause irreparable brain damage. Without wearing an approved helmet for any of these sports, your chances of serious injury increase significantly.

- Always wear a helmet when you're bicycling, skateboarding or rollerblading. Helmets are lightweight and are relatively inexpensive.
- Protect yourself by wearing the proper safety gear. Use knee and elbow pads, gloves with padded palms and wrist guards.
- Avoid poor road conditions. Rocks, bumps, or ruts in the road can cause serious accidents.
- Go at moderate speeds. The more you increase your speed, the less control you have. "An active lifestyle is important for a healthy life, but we must be careful that our activities don't cause us harm," said Wasco. For more information about brain injury and rehabilitation, contact New Medico Head Injury System at 1-800-CARE TBI, ext. 3070.

### Public Notice

On July 22, Southwestern Bell Telephone Company filed an application with the Public Utility Commission of Texas for approval of two new optional services, Exchange Connection Service and Customer Alerting Enablement. Exchange Connection Service will permit a customer of the Telephone Company to provide voice messaging service, telephone answering service, or other services to itself or to patrons of the customer. Customer Alerting Enablement will permit residence and business lines to receive an alerting tone (intermittent dial tone) transmitted by an Exchange Connection Service customer. The proposed effective date for this offering is September 23, and will be available statewide where facilities permit.

The calling party's telephone number and other originating network call information will be delivered to the Exchange Connection Service customer when the calling number and the called number are served by the same switch. Additionally, the caller's telephone number and other originating network call information may be recorded and stored by the Exchange Connection Service customer. Customers may be able to identify the caller before the call is answered. All Exchange Connection Service customers will be required to sign a non-disclosure agreement prior to being provided service. In the agreement the customer agrees not to disclose the calling party's telephone number unless the customer has written permission from the calling party.

The Telephone Company estimates these new services will increase its annual revenues during the first year by approximately \$1.2 million. Providers of voice messaging service and telephone answering services and their subscribers are the types of customers likely to be affected by approval of these services.

Exchange Connection Service is provided to customers in two parts: Local Serving Arrangement, which provides access to the exchange network; and Optional Service Features. The proposed rates, for both Exchange Connection Service and Customer Alerting Enablement, including installation charges, are as follows:

# THS Coach Nancy Kirkland Has High Hopes For Volleyball Team

by JUANELL JONES  
Tahoka High School Volleyball Coach Nancy Kirkland has great expectations for her girls' volleyball team this year after working with them in two-a-day sessions since Aug. 12. "My girls are getting more confident with the skills they are developing daily during our workouts," she says. "And I am really excited about our season. We're going to try to win and have some fun, too."

The volleyball program is in its second year at THS, this year under the tutelage of Mrs. Kirkland, who also teaches health and psychology. Girls in grades 7-12 may try out for volleyball, with the Junior High team playing Monday games, and the High School Varsity and Junior Varsity schedules set on Tuesdays and Saturdays.

with skills and conditioning and the drills they are doing, says the coach. "My girls can already tell they are stronger," she said on the Monday following the first week of workouts. "The attitude of the team has been super, showing a willingness to learn that is very refreshing," she added. The workout sessions have been similar in scheduling to that of the football workouts, with practice sessions from 8-10 in the morning, swimming from 10-10:30, a lunch break, and then practice sessions from 12:00-1:15 for the JV, and from 1:30-3:30 for the Varsity team.

The volleyball program will also help get the girls in shape to enhance the basketball program, according to Mrs. Kirkland. "When they change over to basketball in November, they will already be in good shape, as far as strength and quickness is concerned," she said.

**VOLLEYBALL WORKOUTS** - Tahoka High School Coach Nancy Kirkland had her volleyball teams practicing last week in two-a-day workouts in preparation for their season. The first home game for the high school junior varsity and varsity teams will be Tuesday, Aug. 27 against Midland Christian in the THS gym, beginning at 5 p.m.

"I'm probably going to have 11 on the varsity team," says the coach. "I have five returning lettermen, and one more senior who didn't play last year who tried out this year." The five lettermen are Betsy Huffaker, Christy Huffaker, Lana Parker, Nickie Harvick and Ginger Malone, and Tasha Lawson is a senior this year who wants to join the team.

The volleyball districting alignment is different from the alignment in the football district. Mrs. Kirkland says there are no other volleyball teams in Tahoka's district, and one win will qualify the team for a spot in the area playoffs which is held around Nov. 11 or 12, and then the regional tournament will be held the following weekend in Abilene.

"I hope when we go to Area, we can make it to the Regional tournament this year. Our schedule is a lot tougher this year than it was last year," explained Mrs. Kirkland. "We're playing teams from established programs, and we're a pretty young team. Last week during two-a-days, the girls learned a whole lot of strategy as well as skills, and they are working with weights, too."

The workouts incorporate strength

The first game of the season was played this week on Tuesday, Aug. 20 against Aspermont, and the girls will travel to Greenwood on Saturday, Aug. 24 for a 1 o'clock game. The first home game will be played

Tuesday, Aug. 27 against Midland Christian at 5 p.m. in the high school gym. The high school schedule is as follows:

## Notice of Effective Tax Rate 1991 Property Tax Rates in Tahoka ISD

This notice concerns 1991 property tax rates for Tahoka ISD. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. Compare it to the tax rate the taxing unit proposes for this year. This year's rollback tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

<b>Last year's tax rate:</b>	
Last year's operating taxes .....	\$ 700,782
+ Last year's debt taxes .....	\$ -
= Last year's total taxes .....	\$ 700,782

# DON'T CELL YOURSELF SHORT

When you're ready to go cellular, don't cell yourself short. Choose the cellular company that can provide you with the largest possible calling scope. Because if your phone can't ring, or you can't make a call, then there's really no reason to even have a cellular phone.

You see, not every cellular company can provide you with the same extended coverage that you'll get from Digital Cellular of Texas. With us, it's sort of like having a telephone with a really long cord... a cord that stretches all the way from Lubbock to Midland/Odessa. The other company's cord just doesn't reach that far, which means you'll come up short.

To find out more about the other differences that set Digital Cellular apart from the competition, call or come by your local authorized sales agent. Or call the Digital Cellular of Texas sales Hotline at 1-800-662-8805.

## Card Of Thanks

Words cannot express our appreciation and gratitude for the many acts of kindness shown to us during Kenneth's long illness and in his passing. For the love, prayers, flowers, visits, memorials, cards, and all the food prepared for us. We are truly blessed to have lived our lives in Tahoka where all the people show so much love and concern. May God bless each of you.

We would like to thank everyone for all their visits, support, cards and gifts while Bruce was in the hospital. It meant more than you will ever know. We especially would like to say a big thank you to Dr. Wright and the nursing staff at Lynn County Hospital for all the wonderful care and attention they gave Bruce while he was in the hospital, they really made a difference in his recovery.

Bruce, Dorothy  
Andrew, Jane and Brad

**SOFTBALL SHOES!** ONE PAIR of new shoes for sale. These are size 9-1/2 men's softball shoes, but could be worn for any general activity such as sandlot football or for mowing the flower bed, or whatever. I don't know why I bought them, except they were white and pretty, and they fit. Later that day, and miles down the road I found more shoes that better suited my needs, so these Brooks brand shoes have never been worn. I paid \$30.30 for them. I would sell them for the little bitty price of \$20. Dalton Wood, Lynn County News, 998-4888 or 998-5369.

## Drivers May Take Safety Course Yearly

Beginning Sept. 1, 1991 House Bill 70 allows a Texas driver to take a Texas Education Agency state certified 8-hour driving safety course every year to dismiss most moving traffic tickets.

In 1981 it became mandatory for judges to allow a ticketed driver to take a driving safety course every two years. Since then traffic deaths on Texas highways have decreased by more than 50 percent.

By allowing a ticketed driver to take the 8-hour course every year, the Texas Legislature hopes to reduce driving related deaths even further.

## Tuesday Bridge

Bridge winners in the Aug. 13 Club Championship game were: First, Auda Norman and Bitsie Wells; second, Doris Ashcraft and Carol Maule; third, Betty Taylor and James McAllister.
