

## Accidents, Burglary Reported In County

Two vehicle accidents in the City of Tahoka and a burglary near New Home were among incidents investigated by law enforcement officers in the county during the last week.

Last Thursday at the intersection of S. 2nd and Ave. L, a 1988 Buick driven by Delia Marie Torres of Tahoka and a 1987 Ford Escort driven by Jerri Beth McKibben of Tahoka, were involved in a collision. There were no injuries.

On Sunday a 1975 Ford pickup driven by Johnny M. Gutierrez, 16, went out of control after turning a corner and struck a fence and storage house in the 1800-block of Ave. P. Owner of the storage house and fence, Earlon Shirley, said a lawnmower also was damaged. Total damage was estimated at more than \$300.

Richard Holder of Rt. 4, Tahoka, reported Tuesday that a garage/workshop at his residence about six miles northwest of New Home had been burglarized. A list of missing items was to be supplied to the sheriff's department by the owner.

Norma Smith, near the Lakeview Community, advised that sometime in late July, someone had shot the windshield of a tractor and caused other damage to the tractor, with damage estimated at \$293.

In jail during the week were two persons for driving while intoxicated plus no seat belt; two persons for application to revoke probation, one on a charge of unauthorized use of a motor vehicle, the other on a DWI charge; and one each on the following charges: bench warrant on possession of cocaine, DWI third of-

fense plus parole violation; DWI first, DWI first plus no drivers license, bench warrant on burglary charge, judgement and sentence on charges of DWI third offense.

## Vote On County Tax Increase Set For Friday

Lynn County commissioners will have a public hearing at 10 a.m. Friday followed by a vote on whether to increase county taxes by 5.7 cents per \$100 valuation. The county had a public hearing on the tax increase Aug. 30, and no citizens showed up.

Currently the county tax rate is 34.2 cents per \$100 valuation, and the proposed new rate is 39.9 cents. This amounts to an increase of almost 17 per cent.

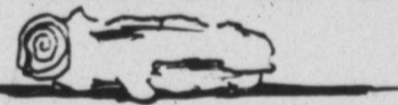

## Chamberettes To Meet

A FEW OBSERVATIONS made while driving on interstates and plain old highways over the Labor Day weekend:

- Many drivers still turn their lights on while driving in the daytime, especially on holidays, although it has been 30 years or more since I've read or heard any suggestions that holiday drivers should do that to remind other motorists to drive safely. I do recall the state highway patrol publicists suggesting that, years ago, and now I'm wondering if there are that many oldtimers around who still continue the practice, or if the DPS has suggested more recently that motorists turn on their lights, or if the lights now are supposed to mean something else (like "I've got a good set of headlights and a good battery, and I'm turning on these lights just for the heck of it").

- Of course, if the lights blink at you, there's a highway patrolman somewhere up ahead of you, and you need to cut it back to about 75 and let those college kids in their sports cars go on ahead and get the first ticket.

- No matter how fast you're going, some dummy will always pass you, so—although you really don't want to go that fast, you can't allow that—you have to speed up to show him that by golly, he can't pass you.

- On no interstate highway I've ever been on do drivers go faster than they do on I-20 around Abilene.

- Often there is a highway patrol car passing out tickets within the last mile of U.S. 84 before you reach I-20 (if you're headed southeast).

- Before all the construction started, there was no more dangerous intersection than coming off Loop 289 in Lubbock and trying to get onto U.S. 87 to go to Tahoka. Now that they have worked on it, it's still a very dangerous move. Traffic coming from the north is funnelled into traffic coming off the loop and headed south, and every time you accomplish it without getting hit is another triumph.

A DUTCH TENNIS PLAYER named Paul Haarhuis beat Boris Becker, the No. 1 seed, in the U.S. Open last week. Most tennis fans had never heard of Haarhuis. Although smaller than Becker, he played very well—the Best Little Haarhuis in Holland.

## CED Sets Tax Rate At 78.2 Cents

County Education District No. 6 adopted a 78.2-cent tax rate for fiscal 1991-92 by a 13-10 vote Tuesday night. All schools in Lynn County are included in the CED-6.

That rate is calculated to raise \$102.8 million for the new taxing entity, which will then funnel back funds to the 26 school districts in its jurisdiction.

CED taxpayers, however, will receive a tax break through homestead exemptions, which voters passed in an election last month.

Clint Gardner, a member of the Tahoka I.S.D. board of trustees who serves on the CED-6 board, said that the rate was figured on \$13,792,028,681 certified tax value in CED-6. "Figuring in early payment discounts, exemptions and a collection rate of 95.14 percent, the numbers just added up to a 78-cent tax rate," he said.

"We (the CED governing board) had a formula from the state which we had to follow. The only numbers we had to 'play with' was the collection rate, which is just an estimate anyway. Everything else was cut and dried," he said. "We had a constitutional obligation to raise \$102 million - if we had set a 72-cent tax rate then it would not have fulfilled that obligation," Gardner added.

The Tahoka school trustees are meeting this week to discuss setting a local tax rate. With the CED tax rate set at 78.2 cents, the budget which was passed recently is a deficit budget, if the total rate (both CED and local) is kept at the current 80-cents. That only leaves 2-cents for a local tax rate, which will not generate enough funds to cover the budget.

"Yes, this CED rate is going to

# New Home To Host Coyotes In Opener

New Home's Leopards will open the six-man season at home Friday night playing host to Borden County's Coyotes, a team which was in the playoffs last season, but which may not be as strong this season because of the loss of several of last year's seniors.

Coach Dickie Turner and the Leopards, on the other hand, are looking for a better season than they had last year, when injuries contributed to losses in a 1-9 season.

A couple of players who were hurt last year early in the season will be back healthier to help New Home this season. Senior Jessie Rodriguez, 160, will return at tailback, and Jeff Armes will start at quarterback Friday night.

One of the Leopards' top prospects, senior Michael Caballero, suffered a knee injury this summer, but had been given a conditional okay by a doctor to play this season, when he feels that he can. Coach Turner said Caballero may not see much action before district games. Two years ago,

Caballero was the starting quarterback.

Four starters will return on offense, including two linemen, senior Lanny Zant, 225 pounds, who played at end last season but will be switched to center; and Blaine Fillingim, 175, a junior who will play end.

Returning defensive backs Scott Holder and Troy Fillingim were starters last season.

Turner said he has several sophomores who gained experience last season playing as freshmen. The Red and Black will have four returning starters on offense and five on defense.

## Booth Spaces Still Available For Festival

by JUANELL JONES

Booth rental space is still available for the Lynn County Harvest Festival, slated Saturday, Sept. 21, according to booth chairman Nadine Dunlap. "We have several booths rented already, but there is still plenty of space for more. I encourage anyone who is considering renting a booth space to contact me as soon as possible," she said.

Booths are rented on a first-come basis, at \$15 per space. Contact Mrs. Dunlap at 998-5135, or Ann Roberts at 998-4938, for more information.

Entries are also needed for the Lynn County Fair which will be held in the former Heritage Furniture building on the square in downtown Tahoka. Charlie Tekell is chairman of this year's fair, and she may be contacted at 998-5336.

Tickets are being sold by Harvest Festival Queen and Princess contestants for a chance to win free bicycles, a Texas Tech weekend for the Tech vs. A&M game, and a trip for two to Puerto Vallarta, Mexico.

Also selling tickets is the Lynn County Pioneer Club, who is selling \$1 chances to win a quilt. All of these drawings will be held on the day of the festival.

The Lynn County Jaycees are sponsoring Cow Patty Bingo this year, with prizes of \$500 cash first place, and \$100 cash second place to be given to the designated winners.

Area merchants will soon be visited by members of the Harvest Festival Committee to gather donations for the hourly merchants drawings. "The merchants in Lynn County have always donated generously for the festival's hourly merchant drawings, and we appreciate their gener-

osity very much," said Jay Dee House, chairman of the committee.

Children's games will be offered throughout the day of the festival, with ribbons awarded to all participants. Booths will offer food, games and crafts, and the Arts and Crafts Fair will have home-crafted items and school art on display from 10 a.m. until 4 p.m.

There will be entertainment on stage throughout the day, with music provided by the Blue Denim country and western band from Crosbyton.

The day's activities will break at 5 p.m. so booths may be dismantled, and then a street dance will be held on the square from 8 p.m. until midnight. The Rotary Club's sausage booth will still be open during the street dance, as the club sponsors the dance and pays for the band.

The Queen and Princess contest will be held during the afternoon at the festival, with the winners crowned and presented a trophy and flowers. The Queen will receive a \$100 scholarship from Chamberettes when she enters the college of her choice.

## Last Chance To Buy Lynn County History Books

For several months residents of Lynn County have been busy writing their family stories and collecting family pictures. Committee members have been urging organizations, churches, communities and businesses to submit their stories and pictures. Now it is all coming together.

Decisions have been made concerning extra pages which will include a history of Lynn County, a family tree for the purchaser to complete, early day pictures and divider pages which will feature works of local artists.

The Lynn County Book will be a one-of-a-kind, a family heirloom to enjoy now and later, and one to pass from generation to generation. It will be 8 1/2 x 11 inches in size and bound with a durable hardback leatherette cover.

Only the number of books ordered and pre-paid will be printed. No extra copies will be available.

Orders must be received within the next two weeks. The cost of the book is \$49.95 plus \$3.62 tax. Anyone desiring a book mailed should submit an additional \$3.95 for postage and handling. To order the book simply complete and return the order form in this issue of the paper along with a check made payable to the Lynn County Book.

The publishing of the Lynn County History Book is a project of the Phebe K. Warner Club. Loretta Tekell serves as both President of the club and chairman of the project. The book is not a money-making project, but is a service to the county.

Time is running out! Books must be ordered and pre-paid now. Mail orders to Lynn County Book, Box 296, Tahoka, TX 79373 or personally deliver to a member of the committee.

## Cotton Belles EH Have Meeting

The Cotton Belles Extension Homemakers Club met Tuesday, Sept. 3, at First Baptist Church, Tahoka with Sheri Craig presiding. The program was "Your Trash: Your Lifestyle, Your Choice" given by Charlie Tekell.

Through this informative program, the club members were made aware of the necessity of the changes we must make in disposing of trash. This is a world-wide problem and each of us must be responsible for solving it.

Plans were made for preparations for the Harvest Festival, which will be Sept. 21. All help from club members will be needed on Sept. 14. Charlie Tekell will be in charge of entries.

Thirteen members were present, along with a special guest, Trevor Gicklhorn.

### MILK vs SOFT DRINKS

During our early years we need to absorb plentiful calcium to build strong bones and teeth, as in later years we can normally expect to lose calcium and bone strength. We all know that milk is a best source of bone-building calcium. Do we realize that carbonated beverages contain phosphoric acid, which carries away calcium from our bones into our urine? If we substitute soft drinks for milk in our children's diet, what kind of teeth and bone strength can they expect in adulthood?

**Public Notice**

On June 28, 1991, Southwestern Bell Telephone Company (Southwestern Bell) filed an application with the Public Utility Commission of Texas (Commission) to add a new optional service offering for business Private Branch Exchange (PBX) Trunk customers called Digital Loop Service. The application has been assigned Docket No. 10461.

Digital Loop Service provides digital transmission of circuit switched voice and data communications between the customer's premises and the central office. This service allows the customer to use a 1.544 Mbps facility capable of delivering up to 24 line terminations. Southwestern Bell will provide Digital Loop Service within the customer's serving central office where facilities are available.

If approved by the Commission, the rates for the Digital Loop Service facilities will be \$445 per month for each digital transmission loop arrangement which provides a capacity of up to 24 line terminations, plus \$3 per month for each line termination and \$9 per month for each channel termination. The proposed rate for the unlimited use of the central office varies from \$12.25 up to \$18.90 per month for each line termination depending on the rate group classification, determined by the customer's location. Southwestern Bell estimates revenue of \$2.1 million from this offering during the first year.

As proposed by Southwestern Bell, customers who currently receive digital loop compatibility through facilities installed under a special construction agreement will have the option to receive their current digital loop arrangements pursuant to the Digital Loop Service Tariff or continue to pay their current charges until they make a change of location or account. Any increase in the number of line terminations to a customer's current digital transmission loop arrangement will be provided pursuant to the proposed Digital Loop Service Tariff; however, the customer will continue to have the option of paying current charges for the existing digital transmission loop capacity. Southwestern Bell's proposal to "grandfather" existing digital loop facility arrangements is subject to review and approval by the Commission.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible, but not later than October 15, 1991. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Public Information Office at (512) 458-0256. ### Here's How To Win ...

**OFFICIAL RULES**

- Using a pen or pencil, place an X in the box nearest the team you pick to win the games. Then, pick an actual score for the game designated as the tie-breaker.
- Choose one sponsor's name from among the businesses listed, and write it in the designated blank. Each week, the Lynn County News will draw the name of three sponsors, any one of which, if named, will double the winner's prize money (paid by Lynn County News).
- Mail or bring your entries to The Lynn County News, at 1617 Main Street in Tahoka, or P.O. Box 1170, Tahoka, TX 79373. Mailed-in entries must be postmarked by Thursday to be eligible, and entries brought in to the News Office must be received by 4 p.m. Friday preceding the games listed on the ballot. Acceptable football contest entries are those that are actually clipped from The Lynn County News. Copies of the entry ballot will not be accepted.
- Each week's winner will be determined by the number of winning teams correctly picked. If more than one person picks the largest number of winners, the person who picks closest to the actual score on the tie-breaker will be the winner.
- The winner will receive \$5.00 from The Lynn County News. If the winner has also chosen the correct Secret Sponsor, he/she will be awarded double that amount.
- Winners will be announced through the Tahoka football full-page advertisement on this page.
- To receive your prize money, the winner should personally come by The Lynn County News.
- Employees and immediate families of The Lynn County News are not eligible to win. The News reserves the right to disqualify, for cause, any or all entries, and maintains the right to cancel the contest at any time without prior notice or announcement. Judge's decisions are final.

## Tahoka Girls Volleyball Season In Full Swing

Tahoka girls volleyball teams, both varsity and junior varsity, coached by Nancy Kirkland, have been active the last two weeks.

The varsity team will play in a dual match here on Tuesday, Sept. 10, beginning at 5 p.m. with Lubbock Dunbar and Aspermont participating.

Aug. 20 the junior varsity and varsity played at Aspermont. Coach Kirkland said, "I was pleased - we 'played' with them. Scores don't indicate what type of match it was." The junior varsity scores were 9-15; 15-6 and 7-15. Varsity scoring was 4-15 and 6-15.

On Aug. 24, the girls played at Greenwood. High point scorer for the varsity team was Kelly Wells with 19 points, Nickie Harvick scored 6. Varsity won both games, 15-6 and 15-8. Junior varsity scores were 5-15; 15-5 and 15-7. "This was a total team effort. The pieces of the puzzle (offense coverage, defense etc.) are beginning to fit together," said Coach Kirkland.

The first home game was against Midland Christian on Aug. 27. "The varsity was so excited about getting to play at home that they weren't

focused on the game and didn't play as well as we would have liked to," commented Coach Kirkland. The varsity scores were 3-15 and 4-15.

"The junior varsity did a good job of keeping their composure and won their games 15-11 and 15-12," said Coach Kirkland.

Aug. 30 the varsity girls competed in the Denver City Tournament with the following results: Kermit game, 15-11; 1-15 and 15-6. Denver City game, 3-15; 2-15 and Lubbock High 10-15 and 6-15.

"The level of volleyball played at the tournament is the level we are trying to attain. We competed with each team we played," said Coach Kirkland.

Other teams participating in the tournament were Lubbock-Dunbar, Estacado, Monterey, Levelland, Sweetwater, Fort Davis, Plains, and Andrews.

### Tahoka Athletic Booster Club News

Due to conflict with the volleyball tournament, picture afternoon was cancelled on Friday, Aug. 30. A new time has been set on Thursday, Sept. 5, at 4 p.m. on the football field. Those having pictures taken will be varsity, junior varsity, 7th and 8th grade football teams and cheerleaders. Coach Tim Smith said parents are also welcome to take pictures.

A reception honoring the coaches and their wives will be held in the high school library on Monday, Sept. 9, at 7 p.m. Refreshments will be served. Come meet our great new coaching staff!

Another reminder about this Friday's game with Spur, call if you would like to dine with the Bulldogs after the game at the Hot Iron Restaurant.

The varsity football team will be recognized at the Booster Club meeting on Sept. 16. We hope to see all the

players and their parents.

A word of thanks to Joe Bryan for once again helping to make the paw prints a success. His help is always appreciated. A big thanks also to the cheerleaders for assisting. (We won't mention anything about Christy's driving!).

### Letter To Editor

As a newcomer, going on two years, I try to be involved in my children's lives as much as possible. This helps us (child and parent) grow together in their interests. In my case, athletics is one of those interests.

The Tahoka Athletic Booster Club is designed for parents to be actively involved in their children's life. Booster Club "keeps the child in mind in the overall purpose of competition." Our children's interest in this area of their lives helps them develop: purpose, commitment, creativity, and self-esteem. (To just mention a few.) I want my child, and I know you want yours, to know we will do our part.

The Athletic Booster Club is doing its best to reach all grade levels (7th-12th grade) in every sport. Your involvement as a parent is needed. The Booster Club can only be what each of us make it to be. Parent, grandparent, friends, or concerned citizen can be a member. Let me encourage you to be an active participant. Why? Because our children are winners!

## Coca Cola Scholarships

The Coca-Cola Scholars Foundation, Inc. is beginning its fourth annual scholarship competition, the largest business supported college scholarship program in the country. Interested students should see their guidance counselors for scholarship applications and eligibility information. The postmark deadline for applications is Oct. 31, 1991.

Southwest Coca-Cola Bottling Company, Inc., the sponsoring local Coca-Cola bottler, encourages graduating seniors to apply and compete for the 150 scholarships to be awarded in the spring. Fifty National scholarships worth \$5,000 annually and 100 Regional scholarships worth \$1,000 annually are awarded, and are renewable for up to four years of undergraduate study at any accredited U.S. college and university.

**Sept. 14 — Mule Day, Muleshoe.** Named for the muleshoe brand of a famous early ranch, this little town on the western edge of the Panhandle is home of the National Mule Memorial Monument. Each year tribute is paid to this unsung beast, so important to the pioneers, with mule races, mule rodeo, parade, arts and crafts, barbecue, entertainment and a dance. Sports enthusiasts may enter the 10-K run, golf tournament or — turtle races. Contact Chamber of Commerce, Box 356, Muleshoe 79347 (806/272-4248).

**Life After Cancer**  
Most Americans surveyed by the American Cancer Society feared that if a patient survived colorectal cancer he or she would be severely handicapped and require a permanent colostomy. In reality, two out of three colorectal cancer patients can, with early detection and proper treatment, return to normal active lives, 85% of them without colostomies.

...And that's with auto liability insurance. You MUST show current proof of insurance to receive or renew a:

- Texas Driver's License
  - Texas Motor Vehicle Registration (License Plate)
  - Texas Motor Vehicle Inspection Sticker
- Mail-in renewals included.

- CULINARY:** This will include bread, cakes, decorated cakes, cookies, candies, canned fruit and vegetables, pickles, preserves, jellies. All canned products, including pickles and relishes must be exhibited in standard pint or quart glass jars. No mayonnaise or coffee jars accepted. All jars must be labeled as to contents. Rings must be left off jars and they must be sealed. These products will not be opened for judging. Paraffin will be accepted on jelly only.
- CRAFTS AND HOBBIES:** Holiday items, metal craft, woodcarving, ceramics, decoupage, dolls, macrame, leather craft, and misc.
- CHINA PAINTING:** Includes all hand painted china items.
- ART:** These items will include landscape, still life, pen and ink, tole painting and Norwegian rose making.
- ANTIQUES AND RELICS:** Cut glass, china, porcelain, ironstone, stoneware and crockery jars, depression glass, metals, jewelry, toys, and misc. items may be entered. There will be a special section for antique quilts.
- CREATIVE ART:** This will be shown by school students and will have been completed in the classroom (except Junior and Senior High students). All art entered should have a Harvest Festival or Homecoming theme.
- PRODUCE:** This includes all produce items and also tallest cotton stalk and cotton stalk with most bolls. Sunflower and grain growers are also encouraged to show samples of their crop.
- PLANTS & FLOWER ARRANGEMENTS**

- Entry items do not have to be made within the current year.
- Items can also be made by another person, but the person whose name the item is entered under has to be a resident of Lynn County.
- Items can entered no more often than three years prior to the last time it was entered into this fair.

Plan now to enter something in the County Fair. For more information, contact Charlie Tekell at 998-5336.

The Fair will be held at the former Heritage Furniture building on Ave. J (just south of Lynn County Extension Office), on west side of square in downtown Tahoka. Entries are due on Wednesday, Sept. 18, from 4 to 7 p.m. and Thursday, Sept. 19 from 9:30 a.m. to 1:30 p.m. Judging will be Thursday afternoon.

There will be a Bridal Shower for Tracy Autry, bride of Gary Autry, from 10 to 11 a.m. in the home of Joyce Kahlich. Selections are at Hometown Hardware in Tahoka or Diane's Flowers in Slaton. There will also be a money tree available.

St. John Lutheran Church has a new interim pastor. David Mumford has been the chaplain at Methodist Hospital in Lubbock for the past 15 months. He is a candidate for ordination in the ELCA. David graduated from Wartburg Seminary in Dubuque, Iowa in December 1989.

Wilson Lions Club will be conducting their annual Broom and Mop Sale Friday, Sept. 6, from 7 a.m. to 5 p.m. at the high school parking lot. Your purchase of these products made by the blind will create jobs for the blind and multi-handicapped workers in the Lighthouses for the Blind.

Lions Club will meet Thursday, Sept. 5, in the high school cafeteria. The scheduled program is a "meet the new teachers" night if everything goes as planned.

The Lions Club will, again this year, be handing out the football programs at all the home football games. This program has been an annual project for the Lions for a number of years and due to the continuing support of all the advertisers who have seen fit to support this project with their paid ads, the program will continue to be handed out without charge.

Wilson, ISD board met in a called meeting on Aug. 29, in the district board room and adopted a tentative budget for the 1991-92 school year. This budget will be finalized as soon as the County Education District sets its tax rate. As soon as the CED sets its rate the board will have most of the information that it will need to enable it to set the tax rate for the district. It is expected that the tax rate for the Wilson ISD will show a sizeable drop, but when added to the new tax charged by the County Educational District, most taxpayers in the Wilson ISD will find that their taxes will take a substantial jump.

More budget information will follow in future weeks as final figures are developed.

Interim School Superintendent, Dr. Michael Stevens gave the board a report on the search for a new superintendent. He included information about a search committee, that he recommends, as well as information on an anticipated time schedule which will enable the district to find the best possible person to fill this important position.

"Effective this year, the Wilson Booster Clubs have been combined. Instead of an athletic and band booster club, there is now The Mustang Booster Club. This was done to make it easier for parents to attend the meetings and it seemed simpler since most students are involved in both programs. The first meeting was held on Aug. 27, and officers were elected as follows:

President, Lowen Young; 1st Vice President, Lonnie Paul Donald; 2nd Vice President, Tony Villarreal; Secretary, Terry Young; Treasurer, Sharon Isham. There will be a Booster Club meeting every Tuesday night at 7:30 p.m. in the band hall during football season. Information letters are being sent home with all the students. If you did not receive one, please ask your student about it, or pick one up from one of the officers. Everyone's help is needed if this effort is to be successful. Workers will be needed for the concession stand and to work the chairs at home games. "Meet the Mustangs" will immediately follow the game against Silverton. The athlete, band members, and cheerleaders will all be introduced at this time.

Parents are asked to bring either cookies, brownies, or rice krispie bars. Please come out and support our young people. Thanks for your support, The Mustang Booster Club."

### Angela Young Awarded UIL Scholarship

Angela Young of Wilson has been awarded a one-year \$500 Texas Coca-Cola Bottlers' scholarship by the Texas Interscholastic League Foundation. This year the Texas Coca-Cola Bottlers awarded 100 grants to students who have participated in the UIL Academic State Meet Contests and who have compiled an outstanding record of academic and extracurricular achievement.

Miss Young, a graduate of Wilson High School, qualified for the 1991 UIL State Academic Meet in Spelling last spring in Austin. Miss Young was a member of the band, Future Homemakers of America; lettered in basketball, track and cross country; and was a varsity cheerleader while in high school.

Miss Young will attend Lubbock Christian University in the fall and major in Pre-Law.

### Donna Hopkins Selected Finalist For UIL Award

Donna Hopkins, formerly of Tahoka, a teacher and University Interscholastic League (UIL) sponsor in One-Act Play and Journalism at O'Donnell High School, has been selected as one of 14 finalists for the 1991 Denius-UIL Sponsor Excellence Award, UIL Director Dr. Bailey Marshall announced.

In its first year, the Denius-UIL Sponsor Excellence Award seeks to highlight the contribution of sponsors to UIL scholastic competition. The award was created to identify and recognize outstanding sponsors who assist students in developing and refining their extracurricular talents to the highest degree possible within the educational system while helping them to keep their personal worth separate from their success or failure in competition.

Hopkins has coached students in such UIL activities as typing and keyboarding, shorthand, speech, One-Act Play and Journalism for some 25 years. She has also taught four UIL Superconference workshops in Lincoln Douglas debate, judged at the UIL State Academic Meet for seven years and served on the Regional Advisory Committee for five years.

A panel of judges will select 10 winners to receive a \$1,000 check. Those ten winners will be announced in mid-September.
