## Food Stamp Theft, Wreck Investigated

Theft of food stamps, a collision in the city, and several burglaries were among incidents investigated by Tahoka Police Dept. and Lynn County Sheriff's office during the last week.

Preston Reeves of Ropesville reported burglary of a barn about 3.5 miles north of Lakeview community between Sept. 25-27, with articles totaling \$1556 in value stolen, including a Lincoln welder, an air compressor, saw and wrenches.

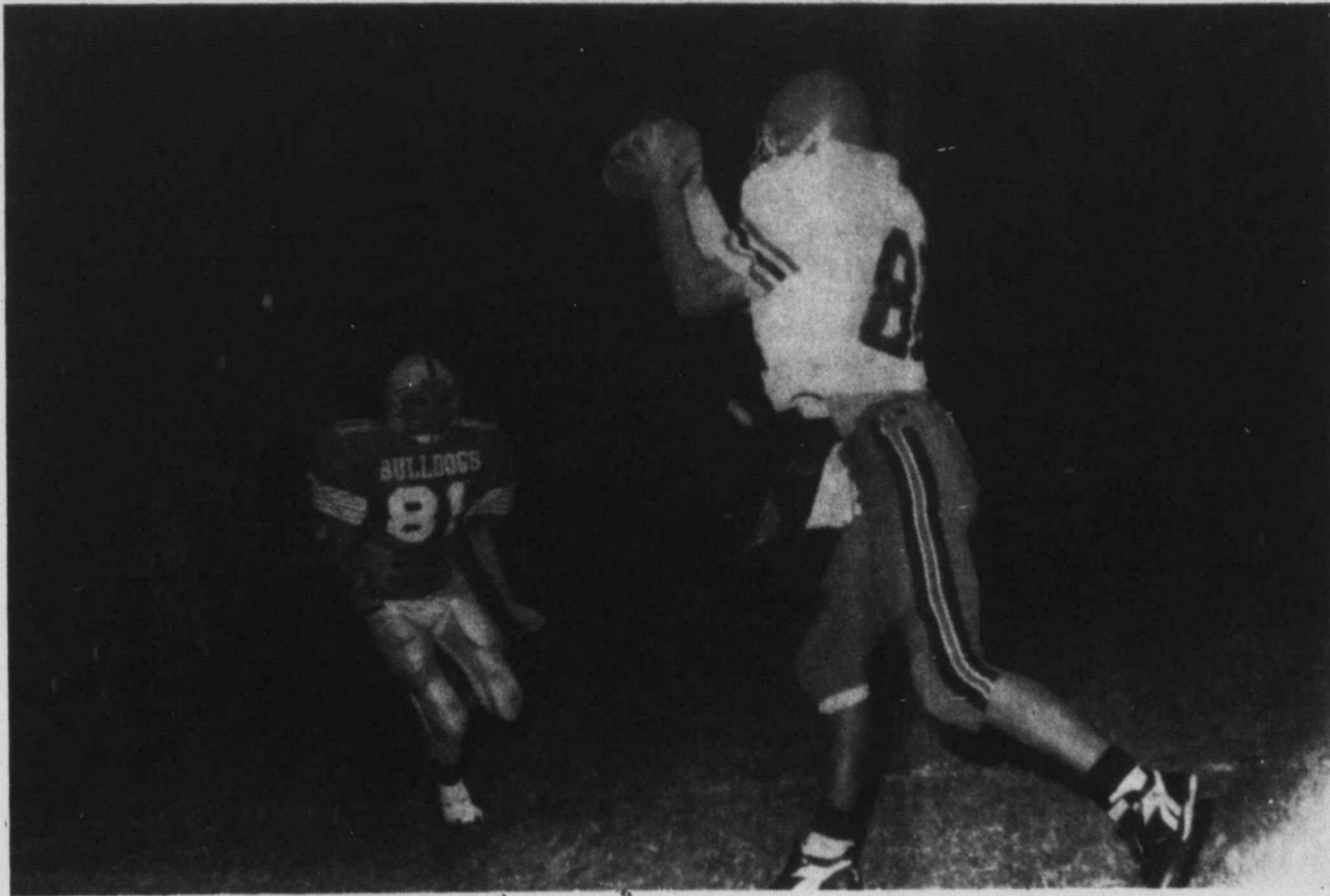

Two burglaries were reported near FM 211 about a mile east of FM 179 in late September. One was at the home of Jay Daniel Ussery, who lost about \$115 worth of clothing, and the other was a building nearby in which tools belonging to the Honey-Do Company of Lubbock had been stored while the firm was working on the Ussery house. Owner Everett McArthur said the tools included a power air nailer and other tools valued at a total of \$926.

Misdemeanor theft charges were expected to be filed Wednesday against a Tahoka woman in her late 20s, who was accused by a 30-year-old Tahoka man of getting his food stamps at the Post Office. Value of the stamps was \$111.

Property stolen on Sept. 23 and owned by a Tahoka youth was recovered from a store in Lubbock, and police planned to question a 21-year-old Lubbock man as a suspect, with charges anticipated. The Alpine stereo system valued at \$540 owned by Ty Stark was taken from a 1985 Ford Lariat.

On Oct. 3 at the intersection of U.S. 87 east access road and "cemetery overpass", two 1981 Oldsmobiles collided, causing minor damage and no injuries. A Royale driven by Dorothy Camille Quintero, 26, of Tahoka, and a Toronado driven by Consuelo Deleo Bernal, 50, of O'Donnell, were involved.

In jail during the week were two persons for driving while intoxicated, another for DWI plus possession of a controlled substance, one for public intoxication and one for DWI plus no drivers license.

## City To Push Razing Of Dilapidated Buildings

City Council members Monday night again discussed enforcement of an ordinance against dilapidated buildings in the city, and decided to go ahead and tear down one structure on N. 1st near the water tower. According to council members the owner had been advised of the need to level the building, but no action had been taken.

At least one downtown building in need of repair also was discussed by the council.

DB Information Systems was awarded a bid for a computer for the Tahoka Police Dept.

Danny Ammons of GTE was present to advise the council that a system of fiber optics for Tahoka is being installed.

Police Chief Jerry Webster reported on the month's activities of his department.

All council members and Mayor Jim Solomon and City Manager Barry Pittman were present.

## Annual Community Christmas Rehearsal To Begin Oct. 16

Rehearsals for the annual Community Christmas program will be starting on Wednesday, Oct. 16 at 8 p.m. The rehearsals will be held at First Baptist Church, Tahoka.

## Helen Payne Wins Contest

Helen Ann Payne of Tahoka missed only two games to win the Lynn County News football contest printed in last week's edition, but missed naming the secret sponsor of the week. She wins \$5 for her first place entry, naming McCord Motor Co. as the secret sponsor.

The secret sponsors for the week were Tahoka Auto Supply, Bryant Seed & Delinting, Poka-Lambro Telephone Cooperative, and Production Credit Association. Had she named one of these sponsors, she would have won \$10.

Brady Raindl, who won the contest the week before, took second place in this contest, also missing only two games. Ms. Payne, however, was closest in the tie-breaker score.

This week's contest is printed in this edition. Anyone may enter the contest by bringing their entry to the News Office by 4 p.m. Friday.

## Scrappy Dogs Point At Crosbyton Upset

**By DALTON WOOD**  
Tahoka lost its fourth game of the season to Seagraves here Friday night by 34-6, but despite the score and the fact that the Dogs are now 1-4 (0-2 in district), there were some positive things which came out of the game.

The viewpoint of most Tahoka spectators was expressed by one man in the stands after the game: "I'm proud of those youngsters. They fought all the way and never did quit."

This week the Bulldogs will go to Crosbyton, which is riding a 2-0 district winning streak and which last week beat New Deal 18-14. And although New Deal had tied Seagraves, Tahoka should have a chance against the Chieftains, especially if the Dogs can figure out a way to stop Jerome Lang, Crosbyton's big hard-running back who killed Tahoka last year with long touchdown runs, and who also did in New Deal last week.

A 37-yard pass play set up Seagraves' first score in the first period Friday, and Tony Conde started it off with an 8-yard run, after which QB Timmy Cavazos converted to make it 7-0. Just after the score by the Eagles, Tahoka had its longest gain from scrimmage of the evening, a 35-yard run by Billy Wilborn. But this Bulldog drive died on downs at the Eagle 30.

Ben Henderson scored on runs of 6 and 31 yards for Seagraves in the second quarter. After the third score, Wilborn returned the kickoff 50 yards to the Eagles 30, but this thrust also fizzled. Another Seagraves drive near

the end of the half was halted by an interception by Juan Luna of Tahoka.

Tahoka fumbled the opening kickoff of the second half and shortly thereafter Rudy Garza scored from the Tahoka 2. A kick was wide and it was 27-0 until Seagraves made its final score early in the fourth period on a 36-yard run by Kendrick Anderson, with the kick making it 34-0.

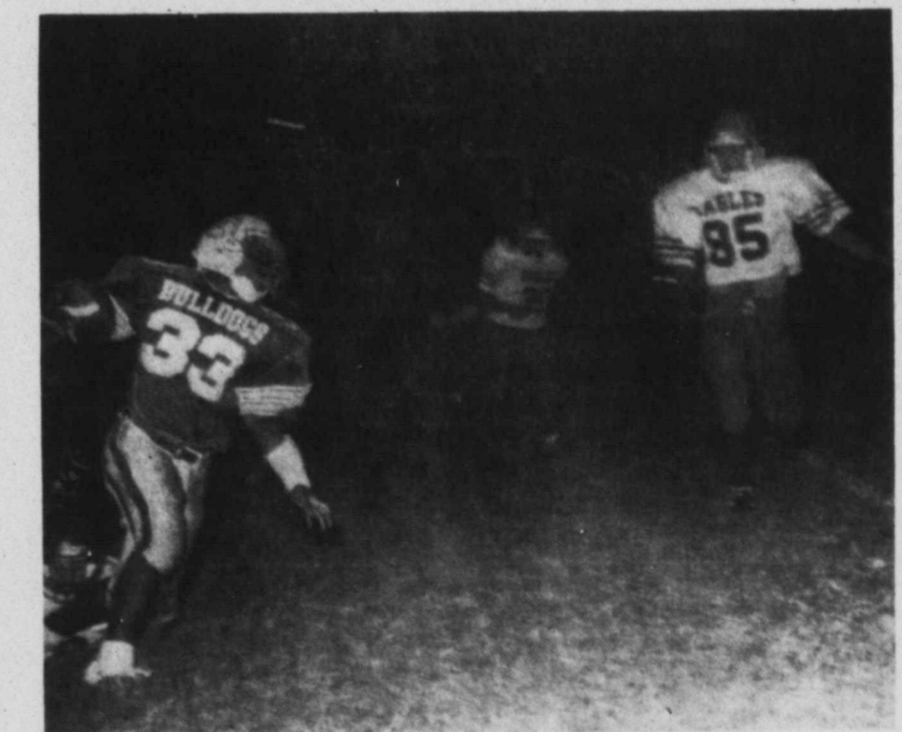

After that, Tahoka put on a good drive featuring the passing of QB Heath Brewer, but it died on downs at the Eagles 14 after Tahoka had set up a first and goal at the 9. The main play in the drive was a 32-yard pass to Mike Burleson.

After forcing a punt, Tahoka came back with another drive which wound up with Brewer hitting Daniel Garvin in the end zone from 12 yards out with just 12 seconds left. This drive featured runs of 11 and 13 yards by Brewer and a 9-yard pass to Burleson.

Wilborn led Tahoka runners with 61 yards on 7 carries; Brian Moore had 50 yards in 16 trips, and Brewer gained 27 in 4 carries.

Clayton Laws led Bulldog tacklers, with good defensive efforts also turned in by Garvin, Moore, Wilborn, Burleson and Cory Don Whitley.

## Woodwork...

by Dalton

IF YOU HAD TO BUY a new battery for your car, golf cart, lawn mower, boat or whatever in the last few weeks, you had to pay \$3 more (just \$2 if it is a 6-volt) than you should have paid, just another of the state legislature's soak-the-public deals. Another one will go into effect on Jan. 1: you'll have to pay an extra \$2 for every tire you buy.

The people who sell tires and batteries are not making any more money on these deals. The money must be used to pay somebody to recycle discarded tires and to pay somebody to recycle the lead and acid in batteries, which no longer may be buried out at the dumpground.

Under the new laws, which are to be enforced by the Texas Dept. of Health, if you want to get rid of an old battery, you have to take it to a wholesale or retail battery dealer, a secondary lead smelter or a recycling center authorized to accept it. Battery retailers and wholesalers are required by law to accept these old batteries for recycling.

No doubt there will be a lot of violations by disgruntled owners of old batteries who decide to just take the batteries out on a country road at midnight and set them down there. Or perhaps on the front lawn of their local legislator. But either of these options is illegal and could get you in trouble with the law, although none of the stories I've seen specifies the fine or jail term.

I can envision a scenario where a lot of otherwise good citizens are doing 10 to 20 years in the state pen for illegal disposal of batteries, while the dope peddlers, burglars and perverts are running around on probation, doing their thing without worrying about the law.

Fire Prevention Week is the week of Oct. 6-12, and there were several good tips pertaining to fire protection and prevention offered to readers in last week's newspaper. These tips are fine and dandy, and should be taken to heart, and possibly even to the mind where they can do some good.

There are, however, several important tips which I can see right away that were left out, and being the safety-conscious consumer expert that I am, I feel duty-bound to share the following words of wisdom.

I can proclaim myself a fire safety expert because, (a) I have never burned my house to the ground, and (b) this is my column and I pretty much write whatever I feel like writing, as long as the publisher doesn't read it before it goes into print. Sometimes even I don't read it before it goes into print ... I just type blindly for about 30 minutes and see what comes out of the computer.

Okay, so here are the fire safety tips which, according to my calculations, will prevent a fire from occurring in your home or property for about 27 minutes, or until you light a match to this newspaper column, whichever comes first.

**Fire Safety Tip Number One:** Never use matches. They can cause fire, unless you are trying to light a charcoal fire in your grill, in which case matches don't cause anything except a buildup of little sticks in the bottom of your grill. I keep getting defective matches which lay around on the charcoal and snicker gleefully at raw hamburger meat.

**Tip Number Two:** Lighter fluid is a good way to asphyxiate yourself when you use a half gallon on the charcoal, which isn't going to light anyway. Don't use it.

**Tip Number Three:** Never ever ever ever EVER dump a full box of baking soda on a grease fire in your cast iron skillet. It does put out the fire, but creates a bubbling volcanic mass of brown stuff that is really, extremely, painfully hot when it boils

over onto your bare feet. Trust me on this. A sprinkle of baking soda will do nicely, should you ever have the need to know this information. Just remember: "A sprinkle this way, will keep your feet another day."

**Tip Number Four:** Always let somebody else light the Deerborne heater the first time you need it - preferably somebody who has too much hair on his arms in the first place, because the first flicker of flame usually shoots right up the hand, crawls up the arm, singes the eyebrows, and flickers up into the hairline before you can even say, "#(\$#@)!" or "shoot fire, woman, get outta my way," which ever comes to mind first.

**Tip Number Five:** Make friends with the volunteer firemen. All of them. That way they know your address when the fire call comes in. Maybe you should even bring them brownies and cookies at their monthly meetings. It's true that the quickest way to a fireman's heart is through his stomach. Just don't make them too fat to get through the door.

**Tip Number Six:** Have your children practice fire escape routes in your home. Leave the windows open and tell them to scramble out and run to a neighbor's house and stay there for, oh, say four to six hours, until you give the all-clear signal. This will give you plenty of time to check your home for fires, take a nap, cook supper and read a book. Your neighbor will be very accommodating because, after all, it is in the interest of fire safety precautions. This is also a good way to get rid of pesky neighbors you wish you didn't have to put up with in the first place.

And finally, **Tip Number Seven:** Marry a fireman. This will solve all your fire-related problems. If you can't marry one, move next door to one. You'll know where he lives - it's the house with all the smoke detectors and the pickup truck parked out front with the big red flashing light attached to it. He's one of the good guys - be nice to him.

## Sales Tax Rebates

State Comptroller John Sharp this week sent checks totaling almost \$97 million to 1,109 Texas cities and counties that collect local sales taxes, a year-to-date increase of 11 percent over 1990's numbers.

Lynn County received a net payment this period of \$4,658.38, compared to \$3,691.74 last year, which is a 26.18 percent increase. Tahoka received \$3,866.18 this period, compared to last year's figure at this time of \$3,076.50, a 25.67 percent increase. Payments to date in 1991 amount to \$49,772.95 for Tahoka, compared to last year's figure of \$44,639.88, a 11.50 percent increase.

O'Donnell received \$792.20 net payment this period, compared to last year's \$615.24, which is a 28.76 percent increase. Payments to date this year for O'Donnell amount to \$9,612.05, compared to \$9,645.50 in 1990, which is a .35 percent decrease. There were no figures reported for Wilson's net payment this period, but their 1991 payments to date amounted to \$2,398.54, compared to 1990's amount of \$3,768.99, which is a 36.36 percent decrease.

## Go Bulldogs

**Proposition 13**

"The constitutional amendment providing for the issuance of general obligation bonds not to exceed \$300,000,000 to continue existing programs to provide educational loans to students, with repayments of student loans applied toward retirement of the bonds."  
"Enmienda constitucional que disponga la emisión de bonos con garantía del gobierno cuyo importe no exceda de \$300,000,000 (trescientos millones de dólares), a fin de continuar programas existentes que proporcionan préstamos educativos a estudiantes, aplicándose el pago de dichos préstamos estudiantiles a la amortización de los bonos."

of some of the homeless families were detailed in a story recently by Amy Kuebelbeck of *The Los Angeles Times*.

"Through the art, White seeks to illustrate that homeless people cannot be easily categorized together, and also to effect some change, first in the lives of the 10 families and then by raising money to help others. 'I am pinpointing avenues that art should be pursuing,' says White, a Texas native who has shown his work in such places as New York, Los Angeles, San Francisco, Norway and Turkey."

White, who is a graduate of Texas Tech, was reared in Tahoka, and is the son of Mrs. Billie White Everett of Tahoka.

The *Times* story said Comic Relief became involved when White mentioned his idea for the project to actress-comedienne Whoopi Goldberg, who offered to call some people at the organization.

"The collages include life-size photographs of the family members taken by Jim Cessna, torn up by White and then reconstructed to signify the shattering and mending of lives...Each family contributes an object to their portrait..." For one family, it was a spray bottle used by the husband to wash windshields while trying to raise enough money to stay out of the homeless shelters. In the painting, he is leaning over a car windshield; the actual spray bottle juts from the surface and appears to hang from a back pocket of his blue jeans, ready for the next squirt.

"It's their art, formed by their experiences," White said. The paintings are 10 feet square, about the size of a room at a homeless shelter, he said.

The project will be featured in a program scheduled for Home Box Office (HBO) soon, and already has been mentioned on Entertainment Tonight.

## Lynn County To Join "Great Fiesta Dirt Roundup"

Two legendary Texas heroes will be portrayed in Lynn County on Wednesday, Oct. 16, for "The Great Fiesta Texas Dirt Roundup," a statewide campaign to collect a shovelful of dirt from every county in Texas for use at the \$100-million Fiesta Texas

musical theme park under construction in San Antonio.

With the help of Mayor Jim Solomon, Fiesta Texas ambassadors "Davy Crockett" and "Gregorio Esparza" will collect a shovelful of dirt from the Lynn County Courthouse lawn in a special ceremony at 3:30 p.m. In case of rain, the ceremony will be held inside the courthouse.

## Booster Club Honors J.V. Football Team

The J.V. football team was honored at Monday night's booster club meeting. President Danny Jackson said attendance was good. Players, parents, and members watched the J.V. film against Seagraves.

Oct. 14 at 7 p.m., in the school cafeteria all volleyball teams will be honored. This is the first Monday night the teams have been "game free". The 7th and 8th grade football teams will be honored on the 21st.

These receptions honoring our athletes would not be possible without the parents. Many have contributed refreshments and helped clean up afterwards. The food has been wonderful and plentiful. Thanks again, parents and we hope you will become booster club members.

The decision to change the fund raising supper from football season to basketball season was also made at Monday night's meeting.

**Two Injured In Fire Accident In New Mexico**

Sam Engle, 33, of Artesia, N.M., son of Glenda Jolly Smith, formerly of Tahoka, was in critical condition Tuesday night after he suffered third-degree burns over 70 percent of his upper torso in a jeep-starting accident, authorities said.

Engle, who also has several other relatives in Tahoka, was flown by helicopter from Artesia General Hospital to University Medical Center in Lubbock for treatment.

The second victim, 28-year-old Anthony Jimenez, also of Artesia, suffered second and third-degree burns, said Artesia police officer Phillip Fry.

Jimenez was undergoing treatment Tuesday night at UMC, said hospital spokeswoman Nancy Smith.

The accident occurred at about 1 p.m. CDT at the Matador Casing Crude workshop in the Artesia Industrial Park, Fry said.

Jimenez apparently was using a cup filled with gasoline to prime the

carburetor on his jeep when the vehicle backfired. The backfire ignited the gasoline.

Jimenez whirled to the left and the gasoline from the cup struck Engle, who was standing nearby at the time. The fluid ignited and caught Engle's clothing on fire, Fry said.

### Private Applicator License Program To Be Held Oct. 11

by BRETT CYPERT, CEA-AG  
Lynn County producers will have the opportunity to complete training to meet one of the requirements for obtaining a private applicator license at a program scheduled for Friday, Oct. 11, beginning at 8 a.m. in the Community Center in O'Donnell.

To become a licensed private applicator, a producer must attend a Texas Agricultural Extension Service private applicator training program, make a passing score on a Texas Department of Agriculture private applicator examination and submit an application to TDA along with a required \$50 fee. The TDA private applicator license is valid for five years.

Texas Department of Agriculture personnel will offer testing at the same location beginning at 11 a.m. that day.

This is an excellent opportunity to receive this training and test prior to harvest. For more information call the Extension Office at (806) 998-4650.

### VFW Scholarships Available For County Students

As a branch of the National Veterans of Foreign Wars, Lynn County VFW Post 4336 in Tahoka is sponsoring the 1991-92 Scholarship Program for 10th, 11th and 12th grade students in Lynn County.

To enter scholarship competition, students need only to write and record a three- to five-minute script covering this year's topic, "Meeting America's Challenges". Recordings will be judged by impartial people who will not know name, grade or nationality of students as recordings will be judged by number. Judges are instructed to give 25% for delivery, 35% for originality and 40% for content.

The winning recorded tape from each Lynn County High School will be forwarded to State VFW Headquarters in Austin and will become eligible to compete for 14 National awards totaling about \$50,000 and with the winning scholarship being worth \$13,000.

To encourage participation and to promote patriotism in Lynn County, the local VFW Post will award \$25 to the winner of each Lynn County School that has as many as three entries. In addition, the top entry from

each of the Lynn County schools will be judged and the winner of Lynn County will be awarded \$50.

There is a professional representative in each Lynn County School with materials and information to help students interested in the VFW Scholarship Program.

Students in New Home School may contact Assistant Principal Delton Moore. In Wilson High School, students may see School Counselor, Milton Wright. Glen Hopkins, O'Donnell High School Principal, is contact person for their high school. Mrs. Sherri McCord, school counselor, is coordinating the program for Tahoka students.

Melvin Burks of Tahoka is chairman of the Scholarship Program for the Tahoka VFW and Charlie Boles is Commander of Lynn County VFW Post 4336.

BELEW RECEIVES AWARD - Jason Belew of Tahoka receives the State Fair Honor Award given by the State Fair of Texas. The award is being presented by Rodger Meier and Barney Cosner, State Fair Committee members.

### Jason Belew Serves On Texas 4-H Council

Jason Belew of Tahoka was invited to receive the prestigious State Fair Honor Award at the Texas State Fair recently.

The last weekend in September, Belew, son of Mr. and Mrs. Denny Belew of Tahoka, was recognized as one of the 304-H members across the state serving on the Texas 4-H Council. This group is comprised of two members from each of the 14 Extension districts in the state. Belew, as the first vice-president of the South Plains District 2 4-H Council, serves as a member of the state council.

After eight years in 4-H, Belew has many "claims to fame" in his 4-H story. Some of his most interesting experiences involved his participation in the veterinary science project. In this project, he learned not only to care for his swine and sheep projects, but also experimented with anthelmintics (wormers) and yeast as feed additives. He also assisted with suturing some serious animal wounds and doing repair surgeries.

The 30 Texas 4-H Council members, 10 state FFA officers, and 10 state FHA officers (one of which was Malinda Isham of Wilson) were all recipients of the State Fair Honor award. Donna M. Peters, County Extension Agent, and Brenda O'Brien, Wilson Home Economics

teacher, also attended the banquet as advisors.

This award is presented to a very select and talented group of young leaders - two of 50 were from Lynn County. Belew and Miss Isham are just two of the many outstanding youth leaders in our county in 4-H, FHA, and other youth activities.

Belew and his family attend the Church of Christ. His other activities include UIL literary events, one-act play, football, National Honor Society, and he has donated time to help such non-profit groups as the American Cancer Society, Hospital Auxiliary, American Heart Assn., and the Rotary Club.

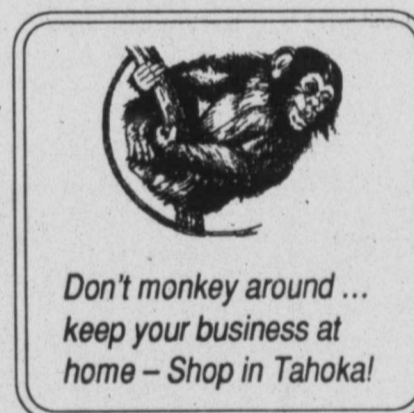

It seems appropriate to recognize Belew as a member of the Texas 4-H Council during this year's National 4-H Week. Over 700 young people in Lynn County participate in club work, project groups, or in curriculum enrichment projects.

Lynn County 4-H members, volunteers, and friends of 4-H were recognized on Wednesday, Oct. 9 at the Achievement Banquet at the Tahoka School Cafeteria. Over 140 young people in the county were recognized for their efforts. Belew was one of the 4-Her's honored for his efforts not only on the state level, but also on the local, county, and district basis.

up. There will be trick or treaters on this day.

Activities for this week are Bible stories, Gospel singing, van ride, bowling, bingo, and much more. Please look at the calendar on the wall in the middle hall. The calendar will let you know when these activities are scheduled.

Resident and employee of the month have not been chosen yet.

by ALBERT MENDOZA  
By shutting out the Seagraves Eagles, the 7th grade football team extended their record to 2-0. The Tahoka Bulldogs won last Thursday night 28-0.

"Defense was the key to the win," said Coach David Johnson. The Dogs had two defensive touchdowns, one via interception by Reggie Moore who returned the ball for 74 yards, and the other was a picked up fumble by Randy Burleson who ran 20 yards for a touchdown.

Complimented for their defense were linebackers Monty Hale, Matt Garcia, and Moore. and end R. Burleson. "Noone's running on these guys," said Coach Johnson.

The duo struck again on offense as well, with R. Burleson running for 22 yards for a TD and Moore scoring on a 35 yard run.

The Bulldogs' defense has held opponents scoreless and the team remains undefeated going into tonight's

## Junior Varsity Defeated By Seagraves

Junior Varsity Bulldogs fell to the Seagraves Eagles 16-6 last Thursday, Oct. 3.

"Lack of execution caused us not to score more," said Coach Charlie Holland. "however, the whole unit played well."

"Some people played out of position because of last minute injuries," said Coach Holland.

Coach Holland said freshman Daniel Hernandez had a good run even though he had never played football.

Wesley Solomon completed five passes for about 100 yds.

Sophomore Terry Gwin had three pass receptions.

Drew Stone and Will Hudgens caught Solomon's other two passes. Defensively, although we played well," said Coach Holland, we broke down at times.

"Seagraves' big plays hurt the team," said Coach Holland. "We held them on two goal line stands."

Holland cited Cody Hale for his work on defense. Hale blocked on extra point and recovered a fumble.

Johnny Rodriguez and Stone were also praised by Coach Holland for their game on defense.

game here against the Crosbyton Chiefs.

Eighth grade football players bowed to the Seagraves Eagles last Thursday, Oct. 3 at Seagraves, 20-0. The Bulldogs' loss dropped Tahoka to 0-1-1 for the season.

### Here's How To Win ...

#### OFFICIAL RULES

1. Using a pen or pencil, place an X in the box nearest the team you pick to win the games. Then, pick an actual score for the game designated as the tie-breaker.
2. Choose one sponsor's name from among the businesses listed, and write it in the designated blank. Each week, the Lynn County News will draw the name of three sponsors, any one of which, if named, will double the winner's prize money (paid by Lynn County News).
3. Mail or bring your entries to The Lynn County News, at 1617 Main Street in Tahoka, or P.O. Box 1170, Tahoka, TX 79373. Mailed-in entries must be postmarked by Thursday to be eligible, and entries brought in to the News Office must be received by 4 p.m. Friday preceding the games listed on the ballot. Acceptable football contest entries are those that are actually clipped from The Lynn County News. Copies of the entry ballot will not be accepted.
4. Each week's winner will be determined by the number of winning teams correctly picked. If more than one person picks the largest number of winners, the person who picks closest to the actual score on the tie-breaker will be the winner.
5. The winner will receive \$5.00 from The Lynn County News. If the winner has also chosen the correct Secret Sponsor, he/she will be awarded double that amount.
6. Winners will be announced through the Tahoka football full-page advertisement on this page.
7. To receive your prize money, the winner should personally come by The Lynn County News.
8. Employees and immediate families of The Lynn County News are not eligible to win. The News reserves the right to disqualify, for cause, any or all entries, and maintains the right to cancel the contest at any time without prior notice or announcement. Judge's decisions are final.
