TAHOKA, LYNN COUNTY, TEXAS

THURSDAY, DECEMBER 5, 1991

10 PAGES IN ONE SECTION PLUS INSERT

NEW DECORATIONS AT COURTHOUSE - Tahoka Chamberettes put up Christmas decorations at the Lynn County Courthouse this week, including the new sleigh and reindeer wooden cutouts shown here. Lenda Wood (kneeling left) and Judy Holden (standing at far right), and her husband Lee, made the new wooden decorations. Other Chamberettes shown in this photo include Ann Roberts (standing) and Betsy Pridmore, seated in the new sleigh. (LYNN COUNTY NEWS PHOTO)

Santa And Wife To Ride Into Town During Moonlight Madness Friday

Santa and Mrs. Claus will ride into town Friday night, Dec. 6 at about 6:30 p.m. during the annual Moonlight Madness Sale, set from 5-8 p.m. The jolly man and wife will leave their reindeer at the North Pole, because John and Mary Bess Edwards of New Home have volunteered to carry the couple in their new horse-drawn trolley car around town, stopping at the south corner of Hometown Hardware to offer free rides to those interested, and a chance for area children to visit with Santa.

Participating Tahoka merchants again will offer special buys on Christmas gift items and many free things for those who sign up at most of the businesses during the Moonlight Madness three-hour period from 5 p.m. to 8 p.m.

Merchants joining the sale will

start selling their specials and signing up people for free gifts at 5 p.m. and close the sale at 8. Santa and Mrs. Claus will have to leave at 8 p.m. also, as will the Edwards couple with their horse and trolley.

Children under 12 wanting to ride in the horse-drawn trolley must be accompanied by a parent. Santa also will have his mailbox set up on the square south of the hardware store to receive letters to Santa from the kids. These letters will be published in The Lynn County News.

Businesses participating in this year's Moonlight Madness specials include the City-County Library, Jennings, Dayton Parker Pharmacy, Glenda's Sweet Shop & Cafe, Tahoka Drug, Hometown Hardware, Fina, Thriftway, Perrys, The Cake Palace, Tahoka Family Flowers, Balloons and

Flowers, and The Lynn County News.

Those businesses offering free turkeys or other gifts ask that persons who register for the free gifts must do so during the three hour sale and that all registrants be at least 18, with no name entered in a box at any one business more than once. No purchase is necessary to register.

A new sleigh with reindeer will be on display this year as an additional decoration on the courthouse square. The Christmas lights and a Nativity Scene again will be displayed on the square also, and displays of Christmas angels will be in place high on the balconies of the courthouse, on the east and west sides. Tahoka Chamberettes placed the decorations, with assistance from the Lynn County Sheriff's Dept. and trustees.

Woodwork...

by Dalton

"IT'S A WONDERFUL LIFE" is the name of the movie, probably made in the 40s, starring Jimmy Stewart and Donna Reed, and TV Guide and apparently other movie critics have rated it as one of the best of Christmas holiday movies (wunnerful, wunnerful, as Lawrence Welk would say). Last week was the first time I noticed it on TV this season, but if last year is any barometer, it will be shown eleventy-nine hundred times before Jan. 2.

Although it has been around forever, I actually watched this movie last year for the first time, one night when it was on all 33 channels at the same time. I knew it was going to come to that eventually, because there was not a night when we channel flippers could go through the available channels without catching it on at least a couple of channels.

(I am a world class remote control operator, and my wife says I drive her bananas zapping ads and changing channels so often she can't really watch anything. And she doesn't understand how I can watch two shows at once, jumping from one to the other. Still, fast as I am, I can't escape "It's a Wonderful Life" entirely during this season.)

The show gets a four-star top rating from TV Guide. I watched it last year, and it was okay, but not my idea of the very best, not even good enough that I would want to watch it again.

"White Christmas" and "Miracle On 34th Street" and the more recent "The Christmas Wife" are much better Christmas shows, and I am ready to see those again. But please spare me "It's A Wonderful Life."

I hope this doesn't offend Clarence Goodbody or whatever the angel's name is.

KNOTHOLES in the Woodwork: A blurb from a local pharmacist says that for good health you should wear the right clothing. I questioned this, and was told that this means one should wear warm clothing in cold weather, avoiding wearing shorts outside in winter. But mainly, she said, one should keep his/her head warm with fur caps or whatever to avoid catching colds in winter. Which reminds me of the old joke about why an Indian wears a feather headdress: to keep his wigwam. . . A reader, Dee Money, Val Verde County extension agent, Home Economics, sent me more information about killer bees. Among other items, the brochure she sent suggests making a "bee patrol" around your house once or twice a week if you live in killer bee country. "Listen for the sounds of bees in the air," it said. "Persistent buzzing may mean a hive or swarm is nearby." (Or you could just have an inner ear problem).

Cable TV Official Meets With Council

Robert Shock, a representative of Telemedia Cable TV which serves Tahoka, met with Tahoka City Council members Monday evening in compliance with a franchise agreement provision for cable TV officials to meet with city councils about three years before the franchise is up for renewal.

Shock was advised of comments and complaints from the public regarding the system.

In other action Monday, the council re-appointed Paul Kiser as the city's representative on the Lynn Council Appraisal District board. The council also heard the monthly report of police department activities from Police Chief Jerry Webster.

All council members except Wayne Tekell were present. Mayor Jim Solomon presided.

Tahoka Survivor Of Pearl Harbor Attack To Get Medal

M.J. (Mike) Cotter of Tahoka, who was an 18-year-old seaman on the battleship USS Maryland when it and seven other battleships were bombed in Pearl Harbor Dec. 7, 1941, will be one of the recipients of a new congressional medal for survivors of the 1941 attack by the Japanese.

Cotter and other survivors of the attack from Congressman Charles Stenholm's 17th Congressional district will be presented the medals authorized this year commemorating the 50th anniversary of the attack. Rep. Stenholm is expected to make the presentations in a ceremony Saturday, Dec. 7, at 2 p.m. at Dyess Air Force Base, Abilene.

Members of the armed services who were in Hawaii on the day of the attack and civilian employees of the War Dept. or Navy Dept. who were wounded in the attack, or survivors of those who were killed are eligible to receive the Pearl Harbor Commemorative Medal.

Cotter, whose eligibility has been confirmed, plans to attend the ceremony. He said the Maryland was docked next to Ford Island when the attack came from the east at 7:55 a.m. that day. The USS Oklahoma was just outboard from the Maryland on Battleship Row, and the Oklahoma took numerous hits from submarine torpedoes, stopping any torpedoes from striking the Maryland. The Maryland had some wounded, but

History Books Have Arrived

Lynn County Family History Books have been delivered to the sponsoring Phebe K. Warner Study Club, and those who ordered copies are requested to pick them up this Friday, Dec. 6, between 9 a.m. and 6 p.m. at the First Baptist Church old Fellowship Hall.

A representative of the club will also be at the church Saturday morning, from 9 a.m. until noon, to hand out the books.

Christmas Lighting Contest Planned

Theme for this year's annual Christmas Lighting Contest, sponsored by Tahoka Garden Club, is "The Sights and Sounds of Christmas," and residents are encouraged to call in their entries as soon as possible.

There are three classifications for entries in the Christmas lighting contest. Residential has five categories—door, window, yard, outside tree and over-all. Merchants will have one category as their display windows will be their lighting entry. Municipal displays will include city and county buildings and will be judged as one category.

Lighting is the main factor in

senting the decorated areas and will count most in the judging of each entry. An entry must be clearly visible from the street, properly lighted or spotlighted for after-dark viewing.

There will be three places rated in each category, and pictures of the best or first place awards will be published in the Christmas issue of The Lynn County News, on Dec. 19.

The time of judging will be announced later, and all entries must be lighted for that time.

To enter, call one of the following Garden Club members: Mrs. H.R. Tankersley 998-4254; Mrs. Pat Park, 998-4797; or Mrs. Mildred Abbe, 998-4602.

Ya'll Come! ... Cowboy Christmas Gala Is Saturday

The third annual "Cowboy Christmas Gala" barbecue dinner and musical celebration sponsored by Tahoka Jaycees is this Saturday, Dec. 7 at the Lynn County Show Barn, starting at 7 p.m. and continuing with a dance to 1 a.m.

A meal of barbecued brisket and trimmings will be served from 7 to 9 p.m., followed by the music (for dancing or just listening) from 9 p.m. until 1 a.m. The Branded Country band from South Plains College in Levelland will play for the evening.

Admission for the Cowboy Christmas Gala is \$12 for adults and \$6 for children 13 and under, with tickets available from any Jaycee member.

Proceeds from the event again will go to the Jaycees "Secret Santa" program, with assistance provided for the elderly and the needy, said Jaycees President Cal Huffaker.

Money raised from the Christmas Gala last year and the previous year helped to make the Secret Santa project a big success, making it possible for about 50 needy families in the county to have a better Christmas than they would have had otherwise. Food, toys for small children and clothing for the needy, including the elderly, were provided.

Jaycees will decorate the show barn in a western motif for the occasion. Huffaker said also that anyone knowing of needy families or older persons needing help should contact him or any other Jaycee as soon as possible.

Community Christmas Cantata To Be Presented Sunday Night

The annual Community Christmas Cantata will be presented this Sunday night in the sanctuary of the First Baptist Church in Tahoka. This year's musical, "Christmas Is Calling You Home" by Claire Cloninger and Mark Hayes, is directed by George Martin, Music Director of FBC.

The cantata service will begin at 6:30 p.m. and incorporates musicians and singers from throughout the community. The Joy Ringers handbell choir from First United Methodist

Church in Tahoka, directed by Bettye Green, will play several selections at the beginning of the service, and the children's choirs from First Baptist Church will also participate in the cantata.

A reception will be held in the fellowship hall following the evening of music.

Everyone in the community is invited to come and listen to the Christmas cantata and to the reception following.

Two Wrecks, Forgery Case Investigated During Week

Tahoka Police Dept. investigated one wreck during the last week, and the Dept. of Public Safety also checked out one vehicle accident on a Lynn County road.

A collision occurred last Wednesday afternoon, Nov. 27, at U.S. 87 access road and U.S. 380, in which a 1969 Buick driven by James Wesley Jolly, 84, of Tahoka and a 1990 Ford Probe driven by Holly Elizabeth Moore, 16, of Beaumont were involved. There were no injuries.

On a county dirt road in the north part of the county Sunday evening a 1981 Ford Bronco driven by Nancy Wuensche Koehler, 49, of Wilson, struck a ditch opposite an intersecting road and went into a cotton field about 7 p.m. The driver suffered facial and chest injuries and was taken

by private vehicle to St. Mary's Hospital for treatment and then released.

A case of forgery by passing a check on an O'Donnell man is being investigated by the sheriff's department, after it was reported Tuesday that three checks totaling \$350 had been passed by a woman at an O'Donnell grocery.

Ricky Barrientez of Tahoka reported that a Tandy (Radio Shack) cellular telephone valued at \$315 was missing from his vehicle after it was involved in an accident on Nov. 13.

In jail during the week was one person on charges of driving while intoxicated, and two on applications to revoke probation, one on a burglary count, and the other on a charge of terroristic threat.

HEADED FOR THE GIN?—Mike Spears, son of Mr. and Mrs. Watson Spears of Tahoka, snapped this picture of cotton gathered in sacks and then loaded on trucks in Syria last month as Spears was in that country working with an oil company. Apparently the cotton is hand-pulled and the sacks thrown on a truck, and then taken in that form to be ginned.

THS Varsity Cage Teams Still Unbeaten

Tahoka High School's varsity boys and girls basketball teams remained unbeaten this week after both teams defeated Wilson Tuesday night to go 4-0 for the season. The teams will play in a tournament at Anton this weekend, with the Lady Bulldogs of Coach Steve Qualls to face Grady in the first game.

Coach Hulon Kirkland's boys team continued to score high as they topped Wilson 82-40 with Bruce Burleson scoring 26 points and Mike Burleson and Brandon Cate scoring 16 each.

Tahoka's varsity girls downed Wilson 68-30. Myra Williams scored 18, Betsy Huffaker and Marla Hughes 10 each. Katy Huffaker scored 8, Lana Parker and Brandy Burleson 6 each and Marla Wright 4. Katy Huffaker led all rebounders with 8 and Wright had 7. Betsy Huffaker led the team in steals and blocked shots with 5.

"We had things we wanted to

work on, and the girls did a fine job," said Qualls. "We have a long way to go before we can call ourselves a good team. We have to keep playing strong defense and cut down on mistakes."

The junior varsity girls evened their record at 1-1 by beating Meadow 30-20. Miranda Martin led with 9 points, Stephanie Stennett and Jill Deleon each had 6, Jennifer Patterson had 3 and Cindy Ramirez and Donna Thomas each had 2 points.

The JV girls will be in the Cooper JV tournament this weekend, getting a Thursday bye and scheduled to play at 6:30 p.m. Friday.

LULAC Raffle Will Aid Scholarship Fund

Tickets are on sale for two smoked hams and one smoked turkey to be given away at a drawing by the Tahoka chapter of LULAC, with proceeds to be used in a scholarship fund

for worthy Tahoka seniors, according to Joe Calvillo, president of the local organization.

Tickets are a dollar each and may be purchased from any LULAC member. Winners do not have to be present at the drawing.

Wednesday: Sandwich, Soup, Fruit Salad, Cookies, Milk.

Thursday: Pork Chops, Gravy, Rice, Vegetables, Roll, Cake, Milk.

Friday: Chicken Fried Steak, Cream Gravy, Potatoes, Spinach, Roll, Peas, Milk.

Wilson Elementary Students, Staff To Use New TLC Computer System

By ROBERT ABBE Jr.

Wilson Independent school district has recently completed installation of a new computer system for the use of the faculty and students in the elementary grades. This new system is known as Teaching and Learning with Computers or TLC. The IBM co-ordinated system is designed to foster a learning center approach in which students move in small groups to complete specific tasks at various classroom locations designated as stations.

This is a concept by which the students are not removed from the classroom and put into a lab setting but one in which each student can benefit from the advantages of computer technology coupled with the teacher's leadership and classroom instruction.

This system, as designed for Wilson ISD, involves a series of three computer terminals per classroom, all networked to a central server. This server stores all the program material as well as each student's files, which the student can recall at any time, with teacher approval.

Wilson intends to use the full complement of software available, to enable the student to benefit from the entire scope of the program. This will include instruction in reading, math, spelling, writing, language arts, and a course in exploring measurement, time, and money.

TLC is designed to complement the existing textbooks, curriculum, and school reading, language arts, writing, math, and science programs. This is accomplished by using the IBM classroom LAN administrative system which is a user-friendly, menu-driven local area network. This enables teachers to assign classwork, track student progress, and broadcast

messages to students, and also enables the students to respond back to the teachers' instructions.

Even though many schools have incorporated computer learning techniques into the curriculum and teaching concepts, Wilson ISD is the first school district, in IBM's Lubbock area of service, to adopt the full and complete Teaching and Learning with Computers, or TLC, system.

All of the Wilson elementary faculty have either completed or are in the process of completing a two day training program which introduces them to the system, and then gives them guidelines for integrating the program into their lesson plans, and their daily instructional activities.

Dr. Danny Curry Resigns As Pastor Of First Baptist

Dr. Danny Curry, pastor of Tahoka First Baptist Church for the last five years, has resigned that position to accept the pastorate of South Oaks Baptist Church in Arlington.

Dr. Curry's last service here will be on Christmas Eve. The Tahoka church will begin a search for a new pastor.

Only 20 Days Until Christmas!

Eagles Lose In Region Semis At Plainview

The O'Donnell Eagles closed out a really fine football season with a 49-13 loss to Memphis in the Class A regional semifinals at Plainview last Friday night, in a game that was much closer than that going into the last 11 minutes of the contest.

Coach Odis Summers' district champions lost the first and last games of the season and wound up 10-2 for the year.

When the Eagles came up short on a fourth and one play early in the final quarter, they were trailing just 22-13, and it was after that key play that Memphis scored 27 points in the last quarter.

A 64-yard touchdown run by Renee Hernandez of O'Donnell brought the Eagles within a point at 14-13 early in the second half. The Cyclones had scored first in the first quarter, but the Eagles had tied it on a 1-yard run by Michael Rodriguez.

O'Donnell had 237 yards of offense, all rushing, and Hernandez had 154 of these yards on 24 carries.

Obituaries

Letha Cheney

Graveside services for Letha Mae Cheney, 56, of Lubbock were at 2 p.m. Tuesday, Dec. 3 in City of Lubbock Cemetery.

Mrs. Cheney died at 4:45 p.m. Thursday, Nov. 28, 1991 in St. Mary of the Plains Hospital after a lengthy illness.

She was born in Greenville and moved to Lubbock in 1982. She worked as a licensed vocational nurse in Lubbock before retiring in 1987.

She was preceded in death by a sister, Joann Dunn, and her father, Lewis Byrd.

Survivors include a son, Emmitt Cheney of Lubbock; two daughters, Luellen Roberts of Lubbock and Susan Morriss of Carlsbad, N.M.; her mother Jodie Byrd of Tahoka; three brothers, Gerald Byrd and Kim Byrd, both of Tahoka, and Billy Byrd of Louisiana; two sisters, Geneva Miller of Tahoka and Vickie Gage of Brazoria; five grandchildren; and a great-grandchild.

J.E. "Red" Brown

Services are pending for J.E. "Red" Brown, 72, of Tahoka.

Brown died Wednesday morning, Dec. 4 at 3:45 a.m. in Lubbock Methodist Hospital after a recent illness. Arrangements are being handled by White Funeral Home.

Elmore Boydston

Elmore Boydston, 86, of Long Beach, CA, died November 28, 1991. He was a barber in Tahoka from 1928-1938.

Survivors include his wife, Oleta Snyder Boydston; a daughter, Linda Sutton; a brother, Glenn Boydston, all of Long Beach, CA.

Seferino Lopez

Services for Seferino D. Lopez, 80, were at 2 p.m. on Saturday, Nov. 30 at Gethsemani Baptist Mission, with Rev. Alonzo Garcia, pastor, officiating.

Burial was in Nevels Memorial Cemetery under direction of White Funeral Home.

He died at 11:15 p.m., Thursday, Nov. 28 at St. Mary of the Plains Hospital after a lengthy illness.

He was born in Mexico. He came from Hamlin County to Lynn County in 1941. He married Manuela Arispe May 29, 1932, in Bastrop. He was a farm laborer. He was a member of Gethsemani Baptist Mission.

Survivors include his wife; four sons, Moses of Tahoka, Steve of Lubbock, David of Dallas, and Frank of Henderson, Colo.; nine daughters, Lupe Garcia of O'Donnell, Naomi Aleman of Tahoka, Christina Lester of Abilene, Elvira Ortiz of San Antonio, Manuela Nunis of New Home, Carmen Gaona of Lubbock, Ruth Bell of Seattle, Wash., and Alisa Earnest of Lubbock; two sisters, Petra Rodriguez and Juanita Rodriguez, both of Abilene; 41 grandchildren; and 33 great-grandchildren.

Pallbearers were John Torres, Lupe Aleman Jr. Paul Ramirez, Jesse Ramirez, Tony Gaona Jr. and Jaime Garcia.

Free Year-End Tax Planning Brochure Now Available

A free brochure providing consumer tax tips for year-end tax planning is now available from the Texas Society of Certified Public Accountants (TSCPA). The brochure, Smart

DECA STUDENTS AT WORK- Part of a group of Tahoka DECA students working on a downtown cleanup project include (from left) Lupe Alvarez, Mike McCullough, Jose Chavarria and Jose Alvarez.

Look What's Happening At T.H.S.

Just as employee attendance is a major problem within the workforce of American industry, student attendance has been a major problem at Tahoka High School in the past. When a student misses class, the learning potential for that classroom is diminished.

Absentee students must spend extra time getting assignments and making up missed work. Teachers must perform additional instructional and administrative tasks to assist absentee students. Administrators also perform additional administrative tasks when students are absent from school.

In addition, sometimes students also bear the brunt of a fellow student's absenteeism. Last but not least, taxpayers are disadvantaged by absenteeism; when a student misses classes, state funding for that student is withheld even though overhead expenses to educate that student continue. Therefore, everyone is affected by student absenteeism.

This year Charles Cate, Principal of T.H.S., is taking positive steps to decrease absenteeism. On the first day of school, Cate explained to the student body that students with perfect attendance during a six-week grading period would be rewarded. After the first six weeks about 100 students were rewarded with Perfect Attendance Coupons. These coupons entitled the recipient to \$1.50

worth of merchandise at any of four Tahoka businesses: Dixie Dog, Sweet Shop, Dairy Queen, or Jolly Time.

After the second six weeks about 90 students were rewarded with coupons for having maintained perfect attendance for 12 consecutive weeks (these coupons were worth \$2.50) and about 20 students were rewarded with coupons for having maintained perfect attendance for the second six weeks grading period (coupons worth \$1.50).

This reward system will continue throughout the school year. Perfect attendance for 18 consecutive weeks will be rewarded with a coupon worth \$.55. Perfect attendance for 24 consecutive weeks will be rewarded with a coupon for \$6.50, for 30 consecutive weeks with a \$7.50 coupon, and finally, for 36 consecutive weeks with a coupon worth \$10. It is possible for students with perfect attendance all year to receive coupons worth a total of \$33.

Statistics are not indicating a drastic improvement in attendance at this time. Cate said, "I think that it will take a while for this policy to improve our attendance."

Because of this policy, classrooms will become more efficient, students will be rewarded for exemplary attendance, and Tahoka businesses will benefit from increased business.

DECA Completes Civic Consciousness Project

Early this fall DECA (a Tahoka High School club comprised of Marketing Education students) decided to raise money for the Muscular Dystrophy Association by meeting a need addressed by the Tahoka City Council. This need consisted of tearing down two dilapidated buildings located in downtown Tahoka which had become unsightly and unsafe through the past several years. Upon completion of this physical project and writing up a summary of this project, DECA members knew they could submit a written chapter project at district, state, and national competitions.

effort to help make Tahoka more beautiful.

DECA sponsors expressed appreciation to businesses and individuals who helped complete the project. Curtis Ferguson at Higginbotham-Bartlett donated several tools needed. Martin Edwards, Mitch Raindl, and Jackie Jaquess were "consultants" on the project. Not enough can be said about the day Jackie Jaquess helped remove some huge overhead beams; his willingness to share time and energy made this project 100% safe. DECA also is thankful for the cooperation and help received from Barry Pittman and Tahoka City employees.

In September and October DECA worked on the formalities of this project. Permission from the owner of the building was granted. Health insurance for participation DECA members was purchased. Permission from the school administrator was granted. Support from various clubs and individuals was pledged.

DECA has requested that clubs, businesses, and individuals who appreciate the efforts of this project contribute to the Muscular Dystrophy Assn. Contributions will help continue research that is close to helping those afflicted with muscular dystrophy. Contributions will also confirm the validity of DECA's consciousness project. At this time 18 individuals have contributed or have pledged to contribute. DECA would appreciate any effort made in this endeavor.

In November DECA "hit the ground running." Twelve working days and about 150 hours later DECA students (and some wonderful helpers) removed the buildings and left in their place a vacant lot. This lot is privately owned and future plans for this lot are unknown; however, IFA students are currently drawing landscaping plans for this lot in their

Contributions should be mailed to DECA, Tahoka High School, Box 1230, Tahoka, Texas 79373 or call Glo Hays at 998-4741 to make other arrangements.

Your HEALTH TIP

ARTHRITIS - FISH OIL
Painful rheumatoid arthritis victims had less pain, fewer swollen joints, less morning stiffness, better hand strength after taking 'fish-oil' pills for nearly six months, reports Arthritis and Rheumatism. Volunteers: men weighing 180 lbs. took a daily dose of 1/4 oz. fish oil per day - women and smaller men took 1/2 that amount. Other volunteers on olive oil supplement reported no benefit. Other studies used higher doses of Omega-3 fish oils, but only with medical supervision.

Tax Moves for 1991, also contains valuable information on 1991 tax brackets and major changes in this year's tax laws.

Produced by the American Institute of Certified Public Accountants, the brochure offers recommendations to taxpayers on how to turn tax planning into a year-round process. "Utilizing effective tax planning strategies is very important throughout the year," said Robert C. Mann, CPA, president of the Texas Society of CPAs. "Many financial decisions impact the amount of tax owed."

As April 15 draws near, consumers also can find answers to their tax questions through TSCPA's live, call-in TV program, CPAs On Call. Scheduled for broadcast on Sunday, March 29, taxpayers can tune into PBS stations statewide from 3 p.m.-4:30 p.m. to receive valuable tax assistance.

To order a free brochure, one may call the Texas Society of CPAs at (214) 689-6000.

Radiators Unlimited

Radiators Unlimited located at 1317 Seagraves Road in Brownfield, phone 637-4929, can be depended on to give you first class radiator repair work. They are specialists in this line as well as heater cores, water pumps, gas tanks, and plastic tank repair. The cooling system of an automobile is a vital part in the function of the motor. The burning of the gasoline creates a terrific heat in our automobile or tractor motor. This heat must be dissipated in order that the motor can be operated efficiently. The cooling system must be kept clean if we are to expect the maximum cooling effects of the radiator. Don't be satisfied with inefficient operations of your motor because your radiator does not cool properly. Take it to "Radiators Unlimited" and have them clean and flush it properly. They are experts in repairing and recording radiators of any make and size. Radiators Unlimited wishes for all a magical holiday season.

The Hairacy

Theresa Hogg - Owner

Take your hair problems to Theresa Hogg at The Hairacy in Lamesa on the Lubbock Highway. Theresa constantly endeavors to give each customer a "quality of distinction" that may have been envied in others. Theresa studies you and creates a hair style that is flattering and that is personally yours! Ever alert to new developments she is a specialist in permanents and precision cutting. She also has a color assistant to help her with your coloring needs. This review commends Theresa for her quality of service. Theresa would like to extend her thanks and appreciation to all of those who have encouraged her through the years, and wishes you all a joyous holiday season.

Grassland Butane Company

Rural residents will be pleased to know that Grassland Butane Company is the authorized distributor of L.P. Gas in both bottled and bulk form. This friendly concern specializes in personalized service and regular deliveries to all outlying areas. You won't be without the clean warmth of gas with this reliable company on the job. Grassland Butane Company in Grassland, phone 327-5448, is one fuel company which realizes the importance of keeping the customer satisfied. Whether you're a small or large user of L.P. Gas this firm will keep you satisfied. They value their customers above all else and their record of dependability shows it. Call anytime you have a question regarding L.P. Gas in the local area. Grassland Butane and all employees wish for you a joyous holiday season and a prosperous new year.

Mesa Irrigation

Jay Coleman - Owner

Let the experts at Mesa Irrigation help you plan a modern, efficient irrigation system for your farm, ranch, or garden. Their Zimmatic Generation 2 Mobile Pivots combine technology and efficiency of a Lindsay centerpivot with the convenience of a traveler. The Zimmatic Mobile Pivot lets you spread the cost of the system over more acres, making automated irrigation more affordable than ever. G-2 Mobile Pivots can be used to irrigate fields from 10 acres to a full quarter section with the machine sizes ranging from 1-10 towers. The unit is towed from one field to another by a wheel mounted tripod pivot point. Mesa Irrigation is located on Lubbock Hwy. 87 in Lamesa, phone 872-5479. Call today for an estimate and ask for Terry Coleman or Jay Coleman. You will find experienced and qualified service men to help with your needs. Everyone there wishes you a joyous holiday season and a healthy and happy new year.

Benny White Flying Service

Benny White Flying Service, located east of Lamesa, is setting the pace for aerial spraying service in the area. Hundreds of dollars in crops are lost every year because of improper or incomplete spraying. Area farmers can be assured that Benny White Flying Service will do the job right. To phone 497-6426 is to talk to a man "IN THE KNOW". He will inform you about the right application for better crop production, the best possible time it can be done, and at a minimum of cost. Benny White Flying Service has logged many hours of flying time and flies only modern, up-to-date air craft to better serve your needs. Area farmers know their record for fair dealings and this is the reason that year after year they return. Remember, crop protection from disease and pests is one of the best methods of increasing yield. Don't delay, call today for more information. They will show you the way to more profit. They wish for all a joyous holiday and a prosperous new year.

Lamesa Cotton Oil Mill

When in need of this service, contact this reliable firm and you will be more than glad to do business with them. They are located at McCarty Road in Lamesa, phone 872-2166. Founded many years ago, this popular institution has grown with hardly a pause in its development. They handle a complete line of cotton seed feeds, such as mill, hulls and oil. That much discussed word, "service" finds true meaning in the friendly atmosphere that envelops every customer of this well-known firm. Fair and honest business methods at all times along with individual service to every patron has gained for Lamesa Cotton Oil Mill a trade that has extended throughout the surrounding territory. We take this opportunity to congratulate the management of Lamesa Cotton Oil Mill on the policy of fair dealings which was inaugurated with the opening of this firm to the public, and has never decreased or varied in any way during the time it has had business dealings with the people. We call the attention of our readers to the advantage of having a metropolitan service at their very door which has maintained excellent service to the public. Everyone at Lamesa Cotton Oil Mill wishes you a magical holiday season and a joyous new year.

United Supermarket

Your modern food store in Lamesa is United Supermarket located at 2302 Lubbock Hwy., phone 872-8838. Your grocery shopping will be a pleasure when you buy all your groceries at one place, when that place is completely stocked and modern. Don't shop all over town for "bargains". There is no need when you trade here. They carry a complete line of every type of food, and you will find the prices surprisingly low. Here you will find fresh vegetables and fruits the year around. Their stock of canned goods cannot be equaled at any other store. It is no problem to serve well-balanced meals when you have such a variety of popular brands from which to choose. Their meat case always displays meats which look appetizing and delicious. Here you can get just the kind of steak or roast you want, cut by experienced butchers. Don't fail to stop at this modern grocery store. Your family will be delighted with the meals you serve from their meats, fruits and vegetables. This review recommends you give United Supermarket a try soon. All employees wish for you and yours a wonderful holiday season.

George's Drive In

George's Drive In located at 402 S. Dallas in Lamesa, offers you fast service of delicious food including their mouth watering extra large hamburgers and cheeseburgers fixed in any combination you prefer. Nothing is cooked ahead of time to get cold or soggy at George's Drive In, so you are assured of the freshest, hottest meal in town. Be sure to order some of their world famous onion rings or french fries. For a delightful variation, try their "REX" boneless chicken. It is made of 100% chicken breast. And the freshest, most tender breast of chicken at that. Top off your meal with one of their fine dairy desserts, triple-thick shakes, sundaes, and ice cream in a cup. For even faster service, phone 872-7433. Your order will be ready when you get there. We in this review are happy to recommend George's Drive In to all our readers. Everyone at George's wishes to all the merriest of holidays and a happy new year.

Dr. R. Kevin McCarver

Dr. R. Kevin McCarver is located at 1500 N. Bryan Ave. in Lamesa, phone 872-8345 for an appointment today. To have good health, a bright smile, and stronger teeth, it is imperative that you visit your dentist regularly. With an effective program of dental care and the equipment of modern dentistry, you can enjoy a lifetime of permanent teeth. We suggest you get in touch with Dr. McCarver for an appointment. He can provide you with the very best in dentistry. He also will gladly accept dental insurance, for your convenience. You will be pleased with his courteous attention as well as his expertise and gentle manner. Every effort is extended in making you comfortable as their patient. We in this Town and Country Review are genuinely pleased to recommend Dr. McCarver to our valued readers. Dr. McCarver and his staff wish to all a wonderful holiday season and a prosperous new year.

York Welding & Lamesa Machine

"Over 15 years experience"

York Welding & Lamesa Machine features complete repair on general farm, stripper and gin equipment. They are located at 203 S. 4th in Lamesa, phone 872-3757 or at night 872-5712. Their very complete repair shop makes it possible for them to give the best in service and repair and their charges are reasonable. If you will call the expert repairmen at this shop your equipment will be placed in perfect operating condition in the least possible time at a minimum expense. We in this review compliment York Welding & Lamesa Machine for their excellent service to the people of this area. If you have a breakdown of some of your equipment and time is extremely important, this is the repair shop to depend upon to do you a prompt and efficient job. Call them for all your repair needs. Everyone there wishes you a happy holiday and prosperous new year. They also thank you for your past and present business.

C G Enterprises

Power Up Commercial Lubricants

The C G Enterprises is located at 206 N. Austin Ave. in Lamesa, phone 872-2993. They are well known among our readers as one of the leading oil companies in this vicinity and handle the very best in grease and lubricants. They maintain trucks which cover a large territory making deliveries daily. It makes no different if it is for the auto, truck or tractor, you will find that they have the best grease and lubricants to suit your needs. The management if this growing concern has always been interested in the growth and development of this district and they believe in giving the consumer a square deal in every transaction regardless of the size of the order. C G Enterprises and its employees wish for all a joyous holiday season and thank you for your past and present patronage.

Hughes Fertilizer Inc.

One of the concerns upon which the farmers of this area depend upon a great deal is Hughes Fertilizer Inc. They have been a friend and render a service of benefit to the people throughout this trading area. They are dealers in liquid and dry bulk fertilizer. They also offer soil testing, insecticides, herbicides, custom application and crop consulting. Farmers and ranchers have learned that properly fertilized soil yields better crops and more grass for the herd. For information concerning your fertilizing problem call 1-800-338-8532 or 872-8883 in Lamesa. It has been the aim of Hughes Fertilizer Inc. to offer reliable products at honest prices to maintain high quality and save money for their patrons. We in this Town and Country Review wish to recommend the Hughes Fertilizer Inc., 107 N. 22nd in Lamesa to all our readers. Everyone at Hughes wishes you a joyous holiday season and a prosperous new year.

Herb's Bar-B-Que

The seeker of good pit barbecue can be sure of finding it at Herb's Bar-B-Que in Lamesa located at 303 N. Dallas, phone 872-3715. Herb's features the finest in hot pit barbecue in their informal dining room where delicious food and friendly, efficient service makes dining out a real pleasure. If you have not tried one of their meals with all the trimmings, you have a big treat in store. Their varied menu includes real old fashioned barbecued spare ribs, beef, chicken and ham cooked everyday. For a delightful variation, try their steak fingers or chicken fried steak dinners. The management takes particular care that the food is expertly prepared in a clean and sanitary kitchen and served by a staff who care about your dining pleasure. This Town and Country Review is glad to recommend Herb's Bar-B-Que to all our readers. Herb and his staff wish you all a joyous holiday and a prosperous new year.

Vestal Meat Company

Rex and Carol Drennan - New Owners

Vestal Meat Company is located in Lamesa at 1501 N. Dallas, phone 872-3436. This is the place you can buy your meat by the quarter, half or whole and save many dollars. They cut and process all meats for home freezers or you can rent a food locker. They also do custom butchering and curing. They have the latest in modern equipment and that, along with their many years of experience enable them to give you the best possible service. They will butcher your meat so that you will get the most out of your hog, beef, veal, lamb or deer. They work on the principal that every customer must have the best and most expert service that can be given. This service is available at all seasons of the year. The owner wishes to invite our readers to stop in any time and to also express his appreciation for your past patronage and ask that they be allowed to serve you in the future. Vestal Meat Company and its employees wish you all a joyous holiday season.

New Home Co-Op Gin

Bob Ballard - Manager

Featuring the best in cotton processing and cotton ginning equipment and supplies, the New Home Co-Op Gin has two locations to better serve their many customers. Call for information at 924-7556 in New Home and 924-7202 in Lakeview. No review of this area would be complete without prominent mention of this well known co-op which adds to the progress of the community and the general welfare of our citizens. This co-op is operated by the members who use its services and its benefits are appreciated by all. It is important that we have conscientious firms like this. We compliment this excellent organization upon the way this business is operated and salute them for their progressive and public-spirited policies. New Home Co-Op Gin wishes to all a merry holiday season and prosperous new year.

MTS Module Truck Service, Inc.

Jim Westbrook - Owner

Where does the smart truck driver take his rig for service in our area? MTS Module Truck Service has been repairing and maintaining trucks for years and the men who know quality keep coming back again and again! Located at 6801 66th St. in Lubbock, phone 794-3254, this outstanding service depot caters to the needs of the professional driver with lubrication, tune-ups, alignment, trailer repair, rear ends, transmissions and most any other repair needed. They are the acknowledged experts in the field! These skilled technicians know that down time costs you money, and they make every effort to get you rolling again in a minimum of time. Whether it's Kenworth, GMC, Peterbilt, Mack, White or any other brand. Don't let just anyone service your truck... See the experts and drive away with a perfectly repaired rig! We recommend them and suggest you become a regular customer. Jim and employees wish all a joyous Christmas and happiness for the new year.

Williams & McRae

Certified Public Accountants

It's important to keep accurate records if you own a business! Especially if you want to make a profit. Make your plans for a brighter future today by contacting Williams & McRae. They can help you! Their staff of professionals have substantial experience in all forms of tax planning - individual, corporate, partnership, mergers and acquisition as well as estate planning. Located at 2514 82nd St. in Lubbock, phone 745-5982, this professional accounting firm will also take care of your accounting needs in these additional areas: Audited financial statements, budgeting and cash flow planning, compensation planning, including pension and profit sharing plan consulting. Call Williams & McRae and find out how easy it can be to get started with a good system! The writers of this review know that your business or home will run a lot smoother with this outstanding firm on the job. Williams & McRae and all their employees wish for you a joyous holiday and prosperous new year.

John H. Sparling, DDS, MSD

Dentistry "Just for Kids"

Just as your child deserves the specialized medical attention of a pediatrician, he or she deserves special dental attention as well. Dr. Sparling limits himself to the practice of pediatric dentistry and is trained to provide expert dental care to toddlers, children and adolescents. His office is located in Lubbock at 3821 22nd Place, phone 792-6353. He always explains the procedures, equipment and instruments he uses to minimize your child's anxiety. He will also inform your child on how to take proper care of his or her teeth with instructions geared to your child's understanding. Dr. Sparling provides preventive care, general dentistry and emergency treatment to children of all ages. Start your child on the road to good dental health by calling for an appointment. Dr. Sparling and his staff wish you all a wonderful holiday season and a happy new year.

Mason, Warner & Company

Today's Certified Public Accountant is more than just a tax professional. A CPA is a business advisor, keeping abreast of legislation which affects the businessman and woman, the individual, and the professional. He is an invaluable "silent" partner in helping you improve your business and financial status. Laws effecting your business can change yearly and forms required by various agencies are overwhelming to many businesses. Mason, Warner & Company is competent in matters that could be beneficial to your business. For your convenience, they have three locations to serve you - main office in Lubbock at 5202 Indiana, phone 797-3251; branch office in Post at 108 S. Ave. I, phone 495-2872, and in Snyder at 1822 26th St., phone 915-573-6911. We recommend this competent CPA firm as an experienced and professional advisor to businessmen and professionals in our area. We believe the expertise of a CPA is a necessity in today's complex economic and business environment. Everyone at Mason, Warner & Company wish to all a joyous holiday season.

Dan's Pickup Salvage & Accessories

Larry Dillon - Manager

For the best in pickup parts and accessories we suggest you trade with Dan's Pickup Salvage & Accessories, located at FM 179 and Brownfield Hwy. in Wolfthorpe, phone 866-2039. Many do not realize the value of an auto wrecking concern to the community. They will pay the highest price for your old worn out pickup or one that has been in a wreck. Let them take it to their place of business where they will start working on it. Bolts and rivets are cut, good parts such as fenders, engines in running order, etc., are segregated and the rest placed on a scrap heap to be sold for junk. Many dollars may be saved in parts if purchased at Dan's Pickup & Accessories. All their employees are familiar with pickup trucks, and are courteous and accommodating. In this review we wish to take this opportunity to recommend this firm to the people of this community. See them for parts, or whenever you want to sell a pickup that is no longer in running condition. Happy holidays and a joyous new year is wished for all from Dan's.

Friends Harvest Crop For Man With Eye Problems

Friends of James and Janet Wuensche of Wilson last Saturday swung into action with 30 cotton strippers and four module builders to harvest the cotton crop of Wuensche, who has had four major eye surgeries since Aug. 1 and is unable to work his own crop.

The cotton was gathered from five locations in the area, with the biggest concentration of strippers, 19 at one time, making short work of the crop which Wuensche planted about three miles northwest of Wilson.

Wuensche has had surgeries on his right eye for a torn retina and three subsequent detachments, and he is expected to have at least one more

surgery on the eye. However, he said this week that the reports on his eye are good.

He and his wife said Tuesday that they are overwhelmed by the actions of friends and acquaintances who volunteered their equipment and labor to harvest his crop. "These are the finest people in the world... we wish there were adequate words to express our appreciation to all of them."

I-27 at the Shallowater exit.

The training has been approved by the Texas Department of Agriculture (TDA) for five CEUs, said Dr. W. Pat Morrison entomologist with the Texas Agricultural Extension Service. Applicants are required by the TDA to receive five CEUs a year to retain certification.

Course topics will be: Toxicology of pesticide poisoning, Pesticide poisoning in the High Plains, and Pesticide laws and regulations, Relationships of soil mobility and bio-persistence of herbicides to ground water interception, Bareground management, chemophobia, Calibration for spray ground application, and Calibration for granular ground application.

JUST PART OF THE FLEET—These strippers were part of a group of 19 which were operating at one time harvesting the cotton of James Wuensche of Wilson Saturday morning. These were working about 3 miles northwest of Wilson. Cotton farmers throughout the area were busy harvesting crops this week, despite high winds early in the week.

Peters Receives State Award

Donna M. Peters, Lynn County agent with the Texas Agricultural Extension Service in Tahoka, has been recognized for outstanding service.

Miss Peters was presented the Early Career Service Award by the Texas Alpha Zeta Chapter of Epsilon Sigma Phi during the Extension Service Headquarters Faculty Conference in College Station Nov. 5. Epsilon Sigma Phi is the national honorary fraternity of Extension Service professionals. Toy Smith, Brazoria County Extension agent and president of the Alpha Zeta Chapter, made the presentation.

Miss Peters, who has been with Extension for almost three years, was cited for conducting outstanding work in the area of home economics. She was recognized specifically for her achievements in expanding adult and youth leadership that has benefited people in Lynn County.

Miss Peters, who works with young people, has led several beneficial new programs in Lynn County. The Job and Work Skills (J.A.W.S.) training program for teens ages 16-19 helps prepare youth for their first jobs. New 4-H Clubs have established to help increase minority participation. Also, Peters is currently working with "Y.E.S." - Youth Exchanging with Seniors - which establishes intergenerational relationships between youth and seniors.

Sales Tax Rebates To Cities Announced

"Local sales tax rebates to Texas cities and counties are running \$123 million of 10.6% ahead of total payments this time last year," State Comptroller John Sharp said.

"That's real money that's going into city and county treasuries for vital services to local residents," Sharp said.

This month's rebates to 1,065 Texas cities totaled \$137.2 million

for a year-to-date increase of 18% over last year's totals of \$108.9 million.

The city of O'Donnell received \$2,041.39 for this period, bringing the total for the year to \$12,268.19. Last year's payments at this time were \$11,850.32.

Tahoka received \$7,352.60 for this period. That brings the total for the year to \$62,602.58, compared to last year's amount of \$53,261.88.

Wilson did not receive any payment for this period. The total payments for the year are \$2,398.54 compared to last year's total to date of \$4,538.47.

Payments of \$16.1 million to 105 counties brought total 1991 payments to \$129 million, a year-to-date increase to 18% over last year's totals of \$108.9 million.

Of the total \$153.3 million sent to Texas cities and counties, \$125 million was sent through a direct deposit program that electronically deposits the money into local governments' bank accounts.

FmHA Considers Moving Borrowers To Other Credit

The U.S. Department of Agriculture (USDA) Farmers Home Administration (FmHA) continues to review its portfolio for possible graduation of borrowers to private credit as mandated by Congress, Neal Sox Johnson, FmHA State Director in Temple, announced.

The FmHA credit programs are administered in a manner that will assure that they do not supplant or compete with credit available to farmers, rural families and groups from other reliable credit sources. The law requires that FmHA borrowers should graduate to other credit on reasonable rates and terms when they are able to do so.

FmHA, as the lending arm of the U.S. Government, has long been a source of credit for farmers, ranchers, and rural homeowners who have been unable to obtain credit through commercial lenders such as banks, savings and loans, Production Credit Associations, and Federal Land Banks. Farmers Home Administration has attempted to aid those borrowers as a "Lender of Last Resort," Johnson said.

Nationwide, and on an annual basis, FmHA reviews its loan portfolio to determine those borrowers who have progressed to the point that they no longer need government assistance to obtain credit. This annual review is currently being conducted by local Farmers Home Administration offices. FmHA borrowers in all program areas may be contacted to furnish information on their ability to graduate from their FmHA loans to private sector lenders.

Smokers Beware

The risk of developing lung cancer is 10 times greater for smokers than for nonsmokers, says the American Cancer Society. Those who smoke two or more packs of cigarettes daily are 15 to 25 times more likely to develop lung cancer than nonsmokers.

The First National Bank of O'Donnell

Farmers and town residents throughout the trade area have learned over the years to depend on the First National Bank of O'Donnell as the strong financial right arm of the growth and development of the economy of this territory. New depositors or loan applicants can assure themselves of the soundness of the bank when they stop at the modern facilities at O'Donnell. A wide range of services is offered including safety deposit boxes, savings and checking accounts, farm, home, and livestock loans. Each account up to \$100,000 is insured by the Federal Deposit Insurance Corp. This review recommends that whatever your financial needs, consult the friendly personnel at the First National Bank of O'Donnell located at 700 9th Street in O'Donnell, phone 428-3221. They wish to all a merry holiday season and a wonderful new year.

THE TELCOT ADVANTAGE To Cotton Marketing in 1991-92

Recently, the Adjusted World Price (AWP) for cotton fell below the base loan rate, throwing a new twist in cotton marketing. As provided in the 1990 Farm Bill, this development gives cotton growers two options in marketing their loan-eligible bales.

These are:

1. Placing the cotton into the government loan and marketing the equities. Cotton can be redeemed at the lower AWP, and all storage charges are waived.

OR

2. Electing to forego the loan in exchange for a Producer Option Payment (POP), which is the difference between the base loan and the AWP.

TELCOT is the BEST WAY for growers to market their cotton this season, offering these advantages:

• SECURITY

Growers who sell equities on TELCOT know that they will not be responsible to CCC for storage and forfeiture charges if the cotton eventually forfeits to CCC.

• SPEED AND CONVENIENCE

When growers forego the loan, TELCOT can apply for the POP on their behalf such that when they sell their cotton on TELCOT they receive their lint proceeds "PLUS" the POP, normally within 24 hours.

• ACCESS

TELCOT gives growers access to more than 50 cotton buyers every day.

New Home News

by Linda Reed 924-7577

The Huddlestons celebrated Thanksgiving, Thursday in the home of Danny and Toni Huddleston. Attending were Lloyd Huddleston, Linda Reed, Todd Rhonda, Dustin, Colton, and Ashley McNeely and Danny, Toni Farrah and Lacey Huddleston, and Michelle Scroggins.

The Varsity girls played Klondike at New Home on Nov. 26 losing 32-64. Amy Williams had 15 points, and Regina Davis had 7 rebounds. Their record is 1-2. The Varsity boys won 89-61 with Blaine Fillingim high point with 23. Brad Bell added 14 points, and Jeff Armes had 14 points while being 6 for 6 from the free throw line. Shannon Zant had 12 rebounds during the game. Their record is 2-1. The Varsity teams will be in the Reese Tournament on the 5th, 6th, and 7th of December and will play Loop on the 10th.

The J.V. girls lost to Klondike by only two points, 25-27. The J.V. boys won 48-36 making their record 2-0. Brandon Nettles was high point with 15, and

Julio Hiracheta added 8.

The junior high teams got their season off to a start at Southland on Monday, the 25. The girls lost 17-28. Cindy Valderas was high point with 9. The boys came home with a win of 55-15. Greg Armes had 29 points, 13 steals, and 8 assists. They will play at Meadow on the 9th at 5 p.m.

A program that was sponsored by the school nurse, Mrs. Stabeno, was given for the Junior High and High School student body on Monday. The students were given the newest information on AIDS by Mike Springer of the Texas Department of Health.

Group pictures for the annual will be made on the 16th starting at 8:15. The groups will include: FFA, FHA, and Sports.

SIGN OF THE SEASON—Cotton gins are busy these days in Lynn County as farmers are getting their crops harvested. Above are modules ready to be processed. Farmers say this year's crop is short in quantity. (LYNN COUNTY NEWS PHOTO)

New Law Urges Patients To Know Their Rights

A new federal law which goes into effect Dec. 1 will provide every adult admitted to a hospital with information on patient treatment rights and advance directives to make their wishes known concerning the providing or withholding of medical care. Louise Landers, administrator at Lynn County Hospital, said the new law is intended to help patients understand their rights. The Texas Hospital Assn. this week released information on the new law, part of which is presented here:

Every adult now has a right to accept or refuse medical treatment, even if refusal might prolong an illness or lead to death; this right of self-determination allows a patient to make all medical decisions, whether they are simple or difficult. An advance directive may be prepared for times when a patient would not be able to communicate treatment desires. Hospitals are required to give all adult patients written information on

patient rights and hospital policy. Texas law allows a physician to refuse compliance with directives and it protects the physician from civil or criminal liability if reasonable efforts are made to transfer the patient to another physician.

A directive outlining a patient's desires on use of artificial means of support when a patient is terminally ill may be prepared at any time, but does not become operative until the patient is terminally ill.

There are specific guidelines for drafting a directive, sometimes called a "living will" under Texas law. The directive must be signed by the patient and witnessed by two persons, with restrictions placed on who may serve as witnesses.

The law also provides for a "durable power of attorney for health care" designation so that someone else can make health care decisions for a patient unable to make his/her own.

U.I.L. Legislative Council Passes New Proposals

Adding a vocabulary component to the high school spelling contest and placing an amendment on a referendum ballot to member schools that would eliminate the age rule for academic, music, and fine arts competition, highlighted the annual University Interscholastic League's Legislative Council meeting recently.

All proposals passed by the 24-member Legislative Council must have Texas State Board of Education approval before going into effect.

"The vocabulary component is designed to help students learn more about words and their correct usage, thus enriching a student's word power," said Janet Wiman, UIL academic director. "We are just adding a new dimension to the event and renaming it the Spelling and Vocabulary."

If the referendum ballot on the age rule returns to the UIL with a favorable recommendation and if approved by the State Board of Education, the amendment would no longer prohibit a 19-year old from participating in academic, music and fine arts competition in league activities.

The Texas Education Agency initially asked the UIL to study the elimination of the age rule. The UIL staff determined that the justification for keeping the age limit in athletics - safety of participants - does not apply to academic, music and fine arts competitors.

"The Legislative Council, along with the Texas Education Agency, believes that the benefits to be gained by these students from participation in UIL events outweighs the negative effects, such as displacing other students who are following a normal four year progression," said Wiman.

Other proposals passed by the Legislative Council were to:

- allow critiques for disqualified one-act play entries and remove from the contest manager the responsibility of determining the moral acceptability of a play;
- allow the same range of penalties for one-act play contest currently in force for most other UIL events, if directors solicit or accept professional aid;
- place the responsibility for interpretation of one-act play language and community standards rule in the hands of the administration of the producing school;
- eliminate the requirement to use a blind draw to determine places when unbreakable ties occur in individual speech contests in state meet finals only;
- establish a team competition for high school accounting;
- establish a team competition for

- high school literary criticism;
- allow for Sunday participation in UIL academic competition at regional and state level because of bad weather or if facilities are not operational;
- allow students on a ninth grade campus to be combined with students in grades 10-12 for UIL music competition;
- specify that a student must earn a Division I rating at a current UIL region solo and ensemble contest to be eligible for the Texas State Solo and Ensemble Contest.

Rep. Stenholm Accepting Internship Applications

Congressman Charles Stenholm has announced that college students and educators interested in serving an internship in Washington D.C. can apply now.

Four interns will be selected to work in the Congressman's office for one month intervals in June or July.

Interns will be involved in the daily operation of the Congressman's office and will help research constituent inquiries. They will also have an opportunity to attend committee meetings, floor debates and speaker's series.

College students from the 17th Congressional District or those attending college inside the district, teachers and administrators, and residents aged 19-25 who have demonstrated an interest in government, are eligible for the internship program. The interns are paid a one-month stipend to cover basic living expenses.

Intern applications are available by writing Raymond McDaniel, Jr., Chairman of the Omar Burleson Congressional Internship Selection Committee, P.O. Box 543, Abilene, Texas, 79604 or by calling Elaine Talley in the Abilene district office at (915) 673-7221.

Applications are due by January 17, 1992. They will be forwarded to a Selection Committee who will notify finalists by February 21, 1992. Finalist interviews will be held in Abilene on March 14, 1992, and selections will be made at that time.

LVNs Attend Houston Event

Seven members of Licensed Vocational Nurses Association of Tx. Lubbock Division 18 attended the 42nd annual L.V.N.A.T. Convention

in Houston Oct. 17-19. A record number of L.V.N.s and nursing students attended the convention.

Division 18 submitted a newsletter which placed 1st, a yearbook which placed 2nd, and a scrapbook which placed 3rd. Several members of Division 18 won Silver & Gold "Go-Getter" pins which are obtained when a member recruits new members.

Division 18 president, Melvena Coverdell of Slaton was elected to the State Board of Directors. She will be representing L.V.N.A.T. and Div. 18 at Board meetings. Bulah Beeler of Crosbyton is State Continuing Education recognition Program Chairman.

Division 18 meets the 2nd Monday of the month. Guest speakers talk on subject related to nursing. Continuing Education Units are earned by those attending L.V.N.s are required to have 20 continuing education units for license renewal each 2 years.

All nurses are invited to attend the next meeting on Dec. 9 from 7-9 in the O'Brian room of St. Mary's Hospital. A Christmas social and long-range planning session are planned for the meeting.

Rural Health Care Takes 'Step Forward'

Congressman Charles Stenholm said rural health care took a step forward last Tuesday when the House of Representatives approved the Health Professions Training Reauthorization.

The bill extends for three years, the authorization of health professions and nursing education programs under the Public Health Service Act. The bill authorizes \$262.6 million in 1992 for health professions and nursing education programs.

Included in the overall bill is reauthorization for the Area Health Education Centers (AHEC) program. The AHEC program, which will receive \$24 million during 1992, was developed 20 years ago as a new type of regional education and training center which links university health science centers with medically underserved communities in order to improve access to health care services. The program

Whitley Named Second All-District Football Team

Cory Don Whitley, 120-pound sophomore wide receiver for the Tahoka Bulldogs during the last season, was named to the second team offense as coaches in the district voted on all-district teams for the season just ended. Four other members of the young Bulldogs team, coached by Tim Smith, were named in honorable mention categories.

Whitley caught at least one pass in each district game, Smith said.

Named on the honorable mention list were Heath Brewer, 137-pound junior quarterback; John "Cookie" Quintanilla, 195-pound sophomore offensive tackle; Jace Copeland, 180-pound junior defensive end; sophomore linebacker Clayton Laws, 180; and 140-pound sophomore defensive back Juan Luna.

First team offensive selections included ends David Ingle of Seagraves and Toby Lynn of Idalou; wideout Jeremy Foster of Crosbyton; Tackles Jorge Rodriguez of Seagraves and Robert Areondo of Idalou; Seagraves guards Chris Allen and Eric Thomas; Post center Aaron Davis; Seagraves QB Timmy Cavazos and fullback Kendrick Anderson; running backs Tony Conde of Seagraves, Freddy Martinez of Idalou and Jerome Lang of Crosbyton; and punter Ty Harmon of Seagraves.

The 16-player first team defense also had four players each from Seagraves and New Deal. Lang of Crosbyton and Cavazos of Seagraves also made the first defensive team.

Phebe K. Warner Christmas Greeting Deadline Dec. 12

The Phebe K. Warner Club reminds area citizens that Thursday, Dec. 12 is the deadline for contributing to the annual community Christmas Greeting with the club sponsors in the Christmas edition of the Lynn County News. The annual greeting ad provides an opportunity for people in the area to greet one another at Christmas and to contribute to the Lady Dobbins Stewart and Maurice Bray Scholarship Funds. "Your contribution is a gift that endures through the students who are helped," said a club representative.

Contributions may be left with any teller at First National Bank of Tahoka, or call Bennie Carter, 998-5070 to have a contribution picked up.

**Moonlight
Madness
Friday!**

encompasses a wide range of allied health services including physical therapy, occupational therapy, and laboratory technology, plus dentistry, mental health, pharmacy, social work, and nursing.

"By getting health professionals into underserved areas, we are improving the quality of life for people in less populated areas," said Stenholm. "Every person in this country should be able to get quality health care in their home community."

NOTICE OF INTENTION TO CONDUCT WEATHER MODIFICATION OPERATIONS IN THE STATE OF TEXAS

Date of the first of three weekly publications of this Notice: 11-25-91

- Notice is hereby given that the Colorado River Municipal Water District has filed an application with the Texas Water Commission for a State permit to conduct weather modification operations to change or attempt to change the natural development of clouds for the purpose, objective, period, and by the method summarized hereinbelow.
- The Colorado River Municipal Water District has a valid Texas weather modification license. The initial license was issued on December 18, 1974, and was renewed in 1976, 1977, 1978, 1979, 1980, 1981, 1982, 1983, 1984, 1985, 1986, 1987, 1988, 1989, 1990, and 1991.
- The purpose of the weather modification operation is to increase rainfall to affect water resources. The period of the permit is March 1 through November 30 during the years 1992, 1993, 1994, and 1995.
- The proposed weather modification operation is to be conducted for and on behalf of the Colorado River Municipal Water District, P.O. Box 869, Big Spring, Texas 79721-0869.
- The proposed weather modification operation is to be carried out in both an "operational area" and a "target area" to cause the intended effects to occur only in the target area. The operational area is that area described as being the area between an outer boundary which is defined by a line that encompasses the block of counties of Lynn, Garza, Kent, Fisher, Nolan, Runnels, Coke, Sterling, Glasscock, Martin and Dawson, and an inner boundary which is that of the target area.
- The area to be affected by the proposed weather modification operation is the target area. The target area is that area described as bounded by a line beginning at a point of origin at Big Spring, Texas, and running along Highway 87 in a northwesterly direction to Lamesa; thence, north-northeast on Highway 87 to the north border of Dawson County; thence, east along the northern boundary lines of Dawson, Borden, and Scurry Counties to Highway 84; thence, southeast along Highway 84 to Roscoe, in Nolan County; thence, south-southeast to Maryneal; thence, east to the Nolan-Taylor County border; thence, south along the eastern Nolan County line to the Runnels County border; thence, east along the northern Runnels County line; thence, south along the eastern Runnels County line; thence, west along the southern Runnels County line; thence, north along the western Runnels County line to a point where the southern Coke County line meets Runnels County; thence, west along the southern Coke County line to a point 13 miles south of Robert Lee in Coke County; thence, north to Robert Lee; thence, west to Highway 87 at a point approximately 13 miles northwest of Sterling City; thence, northwesterly along Highway 87 to the point of origin at Big Spring, Texas.
- The methods and materials to be used in conducting this operation are summarized herein: A licensed meteorologist will select cumuliiform clouds for cloud-seeding using a weather radar display, standard meteorological analyses, forecast techniques, observations, and pilot reports to direct an aircraft equipped to dispense the seeding particles, silver iodide crystals, into the updraft air at cloud base.
- Persons interested in knowing more about the technical aspects of the proposed operation should contact the applicant or the Weather & Climate Section of the Commission.
- A public hearing on this application may be called by mailing a petition that requests a hearing to the Executive Director, Texas Water Commission, P.O. Box 13087, Capitol Station, Austin, Texas 78711. The petition must contain (1) the signature, full name, address, and phone number of each person requesting; (2) a statement that each person is at least 18 years of age and resides or owns property in the operational area; and, (3) a description of each person's interest and how that interest would be adversely affected. Requests for hearing must be received by the Commission within 30 days of the date of the first publication of this notice. More information on calling a hearing can be obtained through the Legal Division of the Commission.

NEW VISUAL AIDS MACHINE - Wilson Elementary P.T.O. recently purchased an "Ellison" machine for use by the elementary faculty. Elementary school secretary Tami Bolyard is shown with the machine and an example of the type of visual aids that the machine is capable of creating. The machine can create alphabetical letters, numbers and other outline type figures depending on the dies available for use. Wilson elementary teachers have noted such uses as "creating bulletin board decorations and classroom teaching aids."

Wilson News
by Loretta Abbe 628-6368

Oops! Every once-in-a-while my trunk line of communication gets twisted up and instead of informing you, I confuse you with jargon. A couple of weeks ago I ran an item about the "Elephant Machine" that the elementary P.T.O. had purchased for the elementary teachers to use. When I went to the school to see this machine in use, I half-way expected to see a pile of pachyderms plodding about. It was pointed out to me that the machine is known as an "Ellison" machine and that it is used to create stencils

and other related visual-aids. Sorry about that.

Wilson Lions Club will meet Thursday, Dec. 5 (today) for a regular meeting. After supper, the one-act play group from Wilson ISD will present the play they will take to competition this year. With a program of this nature, it will be a Lady's night, so all you Lions tell your lady that it's your night to fix supper and then come out for a meal and a play.

Don't forget to buy your tickets for the Lion's district raffle for the 1992 Chevrolet pickup. See any Lion for tickets.

The high school girls and boys bas-

ketball teams played Amherst Tuesday, Nov. 26. Both teams along with the JV, played against Tahoka on Dec. 3 at 5 p.m. in the Wilson gym. The two teams will also be competing in the Smyer tournament Thursday, Friday, and Saturday of this week.

"Young at Heart" will meet Thursday, Dec. 5 for a Christmas luncheon, at noon. Everyone is encouraged to come and bring a covered dish. Meat, bread, and drinks will be provided. An afternoon of games and fellowship is planned so invite your friends and come out and join others for an afternoon of fun. There will be no other meeting of "Young at Heart" for December but will have a regular meeting again in January.

Wilson Elementary P.T.O. is sponsoring a "Santa's Workshop" again this year. This project enables the children to purchase inexpensive gift items for their Christmas giving and gives them the ability to buy nice gift items without having to go to town to do it. They also can purchase that little special item for mom and dad and keep it a surprise. The workshop will continue through Friday Dec. 6. The P.T.O. profits from this sale will be used for the benefit of the students in the elementary building.

Once again the community came together and the result was another "warm fuzzy". Saturday morning, Nov. 30, about 45 people along with about 30 cotton strippers and about 4 module builders showed up to pull the cotton crop of Mr. and Mrs. James Wuensche. James has had eye problems which had resulted in surgery, and his doctor told him to keep out of the dust and other irritants. When the day was over, the crop was in. Another job well done.

Ronnie Nettles reports that the Wilson Coop Gin has tagged in about 6100 bales of the 1991 crop.

Wilson Elementary has begun a pro-

NEW COMPUTER AT WILSON ELEMENTARY - Ray Beebe, an IBM account systems engineer, is shown introducing several of the Wilson elementary teachers to the new computer system, recently installed in the Wilson elementary school building.

gram to honor the Student of the Six-Weeks in each class. Following are the Students of the Six-Weeks, first six-weeks.

Robbie Jan, Kindergarten; Krista Wilke, First Grade; Kaci Wied, Second Grade; Angelica Ariaz, Third Grade; Billy Cavender, Fourth Grade; Kimberly Compton, Fifth Grade; Jennifer Hernandez, Sixth Grade.

The 4-H Christmas Party and December meeting will be held Saturday, Dec. 21, at the Wilson Mercantile. All families are asked to bring a covered dish for supper. There will be a gift exchange (with a \$3 limit) between the members. Each member needs to bring a canned good, to be donated to the Food Bank. Also at this meeting, a new 4-H Princess will be elected. If you have any questions please call your club managers. Sorry for all the date changes this month, but it was unavoidable.

Dr. Greg Wied, his wife Terie and their three children of Colleyville, were back in Wilson for a Thanksgiving visit. A loud but fun meal was shared by all the Wieds and Steens.

Over the Thanksgiving holiday David and Nan Wied had houseguests David and Pam Williams, and their three children. A Thanksgiving meal was enjoyed by all at the home of Dorothy Miles, in Slaton. The rest of the weekend was spent visiting with many old friends.

On Wednesday, Dec. 11, Susan Wied will host her annual Christmas Open House. Joining her this year are Barbara Ehlers and Katie Gatzki. All the ladies of the community are invited to attend. Hours are 4 p.m. - 5 p.m. and 7:30 p.m. - 9:30 p.m. We hope to see you there.

Friday- Baked Ham, Green Beans, Sweet Potatoes, Rolls, Milk.

Little Dribblers Need Sponsors And Coaches

This year's Youth Basketball League is shaping up with grades kindergarten through 7 to participate. Signups will start next Tuesday, according to director Steve Qualls, who said a table will be set up in the lobby area of the high school gym during the Bulldogs' home game against Forsan, and signups will continue at each home game.

Special prices for entry will be given to those with a large number of youngsters participating, Qualls said. This year's league will be in three divisions: K-1st grade, 2nd-3rd, 4th-5th, 6th-7th. K-1 will have a goal height of 6-6, 2-5 at 8 feet and 6-7th at 10 feet. The ball sizes also will be different, with only the older boys and girls using standard sizes.

K-1st will be a coed league; the others will have boys and girls teams. Also, players through grade 5 will play 4 on 4; grades 6-7 will play the standard 5 on 5. Qualls added that only man-to-man defense will be allowed.

"With the goals lowered and the number of people on the floor at 4 on 4, we should open up the scoring," he said. "We want every kid to experience success."

He urged persons willing to serve as coaches or sponsors to contact him.

Wilson School Menu

- Dec. 9-13 Breakfast**

Backing The Wilson Mustangs

THE TAHOKA ATHLETIC Sports

Kelly Wells plays point for the Varsity Lady Bulldogs. She is featured for her outstanding leadership role during the Stanton game and for her "big improvement in the Meadow game," according to Coach Steve Qualls. Miss Wells, a sophomore at Tahoka High School, is the daughter of Mr. and Mrs. Jim Wells.
