City Contracts With Lubbock Firm For Dumpster Collection Here

In a called meeting Tuesday night, City of Tahoka officials approved a three-year contract with Waste Management of Lubbock to collect city dumpster garbage and transport it to the Lubbock landfill. Council members also awarded a bid to Ronnie Zahn Paving company in Lubbock for a city seal coating project.

City Council members, Mayor Jim Solomon and City Manager

Barry Pittman looked at several options for the city dumpster garbage collection, before accepting a bid from Waste Management for a three-year contract.

The Lubbock firm will buy all the City of Tahoka dumpsters, garbage truck and any other equipment associated with the garbage collection, and the City will contract with the firm for a three year period. At the end of that three-year period, the City

will have the option of buying back all dumpsters at the same price at which it was sold, should the City decide to get back in the business of collecting garbage locally.

The city employee who currently operates the garbage truck will now be employed by Waste Management, and will pick up and deliver garbage to the Lubbock landfill. All equipment will be maintained by Waste Management. City dumpster collections will no longer be accepted at the Lynn County landfill.

"We're hoping to have everything ready to go with Waste Management by the first of April," says

California Or Bust! DECA Students Win State Contest; Set Sights On National Competition

Tahoka High School's DECA chapter won first place at the State Career Development Conference in the Civic Consciousness Project Chapter Written Event. DECA students Albert Mendoza, Jose Chavarria, Jose Alvarez, and advisor Glo Hays participated in this contest in Austin this weekend and are setting their sights on national competition in California. "There isn't a more exciting feeling in the world than seeing those kids up on that stage holding a trophy up in the air in front of over 2,000 people. These kids are real winners," said Mrs. Hays.

These students earned the right to compete in this contest by winning first place in district contest with their Civic Consciousness Project.

This project consisted of utilizing management principles such as planning, staffing, organizing, directing, and controlling while tearing down two dilapidated buildings in downtown Tahoka. The physical work of tearing down the buildings was readily accomplished last fall.

DECA also raised money for the Muscular Dystrophy Association by asking for pledges from Tahoka citizens who appreciated their civic efforts to make Tahoka a more beautiful and safer community in which to live.

Competition in this event included submitting a fifty page written description of the project to a panel of judges who determined the value of the content and penalized the project for grammatical errors in

the manuscript. The remainder of the competition included an oral presentation by the DECA students to a panel of two judges. "I didn't think I would be nervous at State after having competed at District; but when I began taking before those judges I realized my hands were sweaty and shaking," said Albert.

Albert, his brother, Jose, and his other brother Jose (as Mrs. Hays referred to them all weekend), along with Juan Hernandez and THS principal Charles Cate, will participate in the National Career Development Conference in Anaheim, California on April 29-May 2. The uniqueness of this civic consciousness project, along with the tremendous support DECA has received from the Tahoka community, make this project a contender at National competition.

Miller Re-Elected Sheriff; Commissioner Runoff Set

Lynn County Sheriff Jack Miller easily defeated former Sheriff Cliff Laws in the Democratic Primary race for nomination to that office, meaning that in effect, Miller has been re-elected, since he will have no Republican candidate on the ballot in November's general election.

Miller received 1299 votes in Tuesday's primary, to 634 for Laws. A total of 1993 votes was cast in the Democratic Primary, and 39 votes were cast in the Republican Primary, in which there were no local candidates. There are 3,806 registered voters in Lynn County.

Sherry Pearce won the nomination for Lynn County Tax Assessor-Collector, getting 1348 votes to 496 for candidate Deloris Short. Mrs. Pearce will take office in January, succeeding longtime officeholder George McCracken, who did not

seek re-election.

Jacky Henry won the contest for commissioner of Precinct 1, with 265 votes to defeat incumbent Gerald Gerner, with 128 votes, and Dan Curry, 60 votes.

Oscar Calzada led the ticket in the voting for commissioner of Precinct 3, but will be in a runoff election with the present commissioner, Sandra Cox, for the nomination. Calzada had 266 votes to 222 for Mrs. Cox, while the third candidate, Don Blair, received 136 votes.

enough to force a runoff election which will be on April 14.

Wayne Noland won the race for Justice of the Peace, Precinct 4, with 415 votes. Alonzo Garcia got 242 votes and Virginia Thompson had 131.

In the Presidential preference vote, Bill Clinton was a big winner in Lynn County as in the state, getting 1027 votes. Paul Tsongas was a distant second with 208 votes.

On the Republican side, President Bush got 26 of the 39 votes cast; Pat Buchanan had 13. Beau Boulter won the nomination for U.S. Representative for this district, getting 25 votes. He also won the nomination over three other candidates district-wide, and will oppose the Democratic nominee, Bill Sarpaulis, in the general election. Lynn County has been taken out of Rep. Charles Stenholm's district effective at the end of this year. Thirty-three of the GOP voters here favored limitation of terms for candidates, a referendum on the Republican ballot only.

Spring Break Set For Schools

Spring Break is scheduled next week for three of the four school districts in Lynn County. Tahoka, Wilson and O'Donnell schools will close March 16-20 for the week-long vacation for students and faculty, resuming classes on Monday, March 23.

New Home I.S.D. has scheduled April 13-17 for Spring Break.

Students Named To All District Academic Team

Lana Parker, Betsy Huffaker, Aaron McCleskey, and Brandon Cate have been named to the All District Academic Teams for district 4AA.

Students are chosen by the coaches, high school principal, and counselor.

Selections are based on grades and participation on a varsity athletic team.

Pittman. "City residents won't see any difference, either in the garbage collection or in the city garbage rates," he added, noting that the City of Tahoka will still be responsible for billing and collecting fees locally.

Commercial garbage rates may see some fluctuation, with those businesses who share dumpsters with one or more neighboring business seeing a possible rate reduction, but those with a large quantity of garbage, such as the school and grocery store, looking at a large increase in cost.

"I'm still looking at options available to those commercial businesses here with a large quantity of garbage, but basically what it boils down to is these businesses are going to have to compact their waste collections and carefully consider how to cut down on waste," said Pittman.

He said that in the contract with Waste Management, the City will make 5% on bill collections, and that financially it is a good move for the City. "We'll be out of the business of maintenance on the dumpsters and garbage truck, transportation costs and the salary of one employee," said Pittman. "Yet at the same time, if this proves to be a bad move for the City, we can still get back into the garbage collection business at the end of three years with practically no loss in funds."

Pittman said that any funds received from the Lubbock firm's purchase of the city dumpsters and garbage truck will go into a sinking fund, set aside for the express purpose of re-purchasing those same dumpsters should the need arise in three years.

In other business, City officials awarded a contract to Ronnie Zahn Paving of Lubbock for a seal coating project of city streets. Zahn's bid of \$44,068 was the lowest among the bids received on the project.

**JIM PATTERSON and TISH SHEPHERD
Couple To Wed Here Saturday**

Tish Shephard, daughter of Kent and Donna Shephard and Debbie Gschwend, all of Lubbock, and Jim Patterson, son of Joe and Marlene Patterson of Tahoka, will be united in marriage Saturday, March 14, at the First United Methodist Church of Tahoka. The ceremony will begin at 1 p.m.

Miss Shephard is a surgical technician for Dr. Barbra Way, a dermatologist in Lubbock. Patterson currently attends Texas Tech University and is employed as a security guard for Sears in Lubbock. He is pursuing a career in nursing.

The couple plans to live in Lubbock.

County Commissioners Discuss Landfill Options; Cancel Pathologist Contract

Lynn County Commissioner's Court met in regular session Monday, voting to construct a concrete ramp to facilitate the new open-top containers which will soon be placed at the county landfill site, and voted to give 60-days notice to cancel a contract with Lubbock pathologist Dr. Erdman.

Due to strict new standards, the dumpgrounds will be closed soon, and new open-top containers will be placed at that site to facilitate dumping of garbage or junk from city and county residents. City dumpster garbage collection will no longer be facilitated at the county landfill. Residents of Tahoka, New Home, O'Donnell and Wilson may still use the dumpgrounds, but may no longer empty garbage in the ground.

The county will contract with Waste Management of Lubbock for open-top containers, and strict EPA guidelines will be enforced, according to commissioners. The containers are 22' wide and 8' tall, and con-

crete ramps will be constructed to facilitate driving to the containers.

In other business, commissioners opted to enforce a 60-day notice to cancel a contract with Lubbock pathologist Dr. Erdman. Lynn County joins Dawson, Garza and Gaines counties in this contract cancellation, and will contract with another pathologist to perform autopsies for the county.

Commissioners approved bond for County Clerk Ina Robinson, and directed County Treasurer Janet Porterfield to contact the City of Tahoka to work out the terms of sharing in funding the telephone bill for the City-County Library.

County Judge J.F. Brandon reported approximately \$872,000 had been collected in taxes as of the beginning of March, at a 92 percent collection rate.

All commissioners and the County Judge were present at the meeting, which convened at 10 a.m. and adjourned at 11:15 a.m.

BPA TAKES 10TH AT STATE — Tahoka High School's Business Professionals of America Chapter 2 placed 10th in Parliamentary Procedures at the State BPA competition held in Fort Worth. The team consists of, from left, Juan Hernandez, Billy Wilborn, Myra Condarco, Cory Whitley and Michael Burleson.

THS's Business Professionals Attend State Conference

Tahoka High School's Business Professionals of America Chapter 2 competed in the State Business Professionals of America competition on March 5 through March 6, in Fort Worth and dazzled 22 other schools as they won 10th in Parliamentary Procedure. The Parliamentary Procedure team consists of Myra Condarco, president; Billy Wilborn, vice-president; Juan Hernandez, secretary; Cory Whitley, Treasurer; and Michael Burleson, Parliamentarian. Crystal Barrientez also competed in Business Math, Proofreading, and Personal Finance at the competition.

Mrs. Angela Ehlers and Mrs. Jetty Jo Paul are the sponsors for the group.

"The state competition was intense and challenging as each student strived to achieve the highest goal imaginable. It was a true feeling of pride as the Parliamentary Team placed 10th out 22 other teams at state," said Mrs. Ehlers.

"We were truly proud of the appearance, performance, and conduct of the team members," said Mrs. Paul. "The experience of state competition is unequalled."

STATE BPA COMPETITOR — Crystal Barrientez competed in the State Business Professionals of America competition recently, representing Tahoka High School.

Hunting Bows Stolen In Burglary Near Wilson

Sheriff's officers this week were investigating a report of a burglary near Wilson in which items totaling about \$1000 in value were stolen. Wes Wilke reported his home 12 miles northeast of Tahoka was burglarized between 3 p.m. and 10 p.m. Sunday. Among the missing items were two compound bows with a case, a telephone, cutting torch and two hunting knives.

City officers were given a report of a license plate stolen off a vehicle at McCord Motor Co. used car lot between March 7-9.

In jail during the week were three persons for possession of marijuana under two ounces, and one each for marijuana possession under two ounces plus possession of narcotics paraphernalia, driving while intoxicated first offense, DWI second offense, and aggravated assault on a peace officer.

Mike Burleson, Myra Williams Named All-District

Tahoka High School varsity players Mike Burleson and Myra Williams have been named to the first team in All-District Basketball, according to Coach Hulon Kirkland and Coach Steve Qualls, who head up the varsity Bulldogs boys and girls teams.

Four other varsity Bulldogs received Honorable Mention — Brandon Cate, Aaron McCleskey, Joe Clyde Hays and Bruce Burleson. For the Lady Bulldogs, Katy Huffaker and Lana Parker received Honorable Mention.

Obituaries

Ruby Patterson

Funeral services will be held Friday, March 13 at 2 p.m. for Ruby Patterson, 82, of Tahoka, at the Grassland Nazarene Church. Rev. Bob Ferguson will officiate.

Burial will be in Grassland Cemetery under the direction of White Funeral Home.

Mrs. Patterson died March 11, 1992 at 5:37 a.m. in Slaton Care Center after a lengthy illness.

She was born Dec. 30, 1909 in Whiteright, Texas. She attended Redwine school, and married James M. Patterson at Draw on Oct. 12,

1929. He died Feb. 26, 1984. The couple moved to Lynn County in 1937 from Slaton.

She was a homemaker and a member of Grassland Nazarene Church.

Survivors include three daughters, Billie Reed of Grassland, Joyce Moulder of Hereford, and Sue Melton of Ropesville; two sons, Joe Patterson of Tahoka and Bobby Patterson of New Lynn; a brother Leonard Gribble of Grassland; 16 grandchildren and 10 great-grandchildren.

Grandsons will be pallbearers.

Five THS Band Students Earn Solo & Ensemble Medals

Five Tahoka High School band students competed in the University Interscholastic League Solo and Ensemble Contest held Saturday, February 22, at Texas Tech. The five students brought seven medals home from the competition.

Freshmen James Sullivan (clarinet), Susan Draper (trumpet), and Annie Dunlap (horn) won Division I (Superior) ratings on their class II solos. Freshmen Susan Draper and Chris Rodriguez and sophomore Juan Luna won a Division I rating for their class II trumpet trio. Susan Draper also won a Division I rating on her

class I piano solo and qualified to compete in the UIL Texas State Solo and Ensemble Contest to be held in Austin this June.

"I'm very proud of all the students," said Tahoka band director Stephen Morgan. "Not many schools can say that every student that entered a contest won medals. Our band students here have worked very hard this year, and that work is paying off!"

Upcoming events for the high school band include UIL Concert and Sightreading Contest April 14, and the annual Spring Concert May 12.

Local Students Recognized For Outstanding Home Economics Skill

Tahoka High School students Stephanie Stennett, Jill Jaquess, and Lynna Rash recently participated in the Star events recognition program

at the Region I Leadership meeting of Future Homemakers of America in Amarillo on Feb. 28-29. Competitors from all over the region participated on 11 major categories: all-star chapter, all-star project, designing a business, child development, family communications, food service, illustrated talk, job interviews, parliamentary procedure, public relations and community service.

Stephanie is the daughter of Gary and Betty Stennett. Jill is the daughter of Jack and Barbara Jaquess. Lynna is the daughter of Rex and Joella Rash. As a team the girls received 3rd place. Each girl was presented a medal at a recognition session honoring all participants during the second general session of the conference.

The young ladies competed in the Little Friends Event. This event encourages members to apply their knowledge of child development in planning and carrying out a community service project related to children. These projects were evaluated by such criteria as the extent to which the project applied child development knowledge, the benefits derived by the children, and the quality and clarity of the goals and description of the project.

The STAR (Students Taking Action For Recognition) events program of Future Homemakers of America is based on the belief that all people can be winners. Competition, evaluation, and recognition all stress cooperation as the basis for success. Both youth and adults work together as managers of the events and as evaluators of the participants.

"We learned many leadership and organization skills while work-

ing on our 9-1-1 project," said Jill Jaquess. This project consisted of skits and a role play demonstrating how to use 9-1-1 properly.

"Through this project we learned how 9-1-1 came into effect and how the system works in the sheriff's office. Overall, this was a great learning experience and we had lots of fun," said Stephanie.

Donna Stone is the chapter advisor.

Future Homemakers of America is a national vocational student organization and has involved over eight million youth since its founding in 1945. It is the only in-school organization with the family as its central focus and is unique among youth organizations because its programs are planned and run by members.

Through its program, the organization helps today's young men and women prepare for multiple roles as wage earners, community leaders, and caring family members. Participation in national projects and chapter activities help members develop "skills for life"—planning, goal setting, decision making, and interpersonal communication—necessary both in the home and workplace.

Rx FIVE CLUES TO DRUG ADDICTION

Many a parent has learned to their dismay that one of their children has become a drug addict. Usually by the time this information becomes known, it is because the child is in serious trouble as both a drug user and a criminal to procure his daily supply.

Look for these symptoms: 1) A good scholar becomes erratic for no apparent reason. 2) A shy child becomes talkative. 3) A truthful child starts telling lies and plays truant. 4) A healthy child loses weight and is unable to sleep. These characteristics indicate a possible, but not positive drug addiction.

THS Coach David Johnson Has High Standards For Baseball Team

by JUANELL JONES

David Johnson is the new coach for the 1992 Tahoka High School baseball team, commuting from Lubbock every day to teach at THS, and bringing with him a long-time love affair with baseball and an enthusiastic attitude for his high school players. A native Lubbockite, Johnson says he grew up loving baseball from the moment his mother tossed him a ball in his playpen to keep him entertained.

"Baseball has always played a big part in my family," says Johnson, who has brothers and a father who helped instill in him a love for the game. The young coach lettered in high school in Lubbock, and walked on at Texas Tech to play for a year.

In his first year with the Tahoka baseball team, he says he will stress discipline, attitude and fundamentals for his inexperienced Bulldog players. "I'll be the first to tell anyone that I'm not here for a 'quick fix' for Tahoka baseball ... that's not how you build a dynasty," says Johnson.

"We're going to build from the fundamentals, and stress good sportsmanlike conduct."

He expects his players to have a good attitude about the game and with each other. "I'll have respect for them," says the coach, "and I expect them to have respect for me and for their teammates."

He reported some improvements made at the THS baseball field, with rye grass planted and a new paint job on the press box. "I'd like to see a new fence put up and add some dirt to the infield," he said. "I would also like to get the community involved out there - baseball is a fun sport, and we want everyone to come on out and watch," he added.

He plans to work with the Little League program here, and would like to conduct a baseball camp to teach the fundamentals of the game. "We get these kids started off right and learning the fundamentals of the game, then they will already be that much better by the time they get to high school," he explained.

As for his high school team, he hopes his players will build on their skills learned in drills and practice, and says that the off-season program has helped prepared his athletes for the baseball season.

There are five teams, including Tahoka, in district baseball competition this year. The THS team will open district play at Post in mid-April, and will also compete with New Deal, Ralls and Idalou for the district title.

The Bulldogs had two scrimmages before their season opener at Lubbock Christian High School this week. "At the Cooper scrimmage, we did a lot of things right, and the kids say how much working on drills had paid off," said Johnson. "We won that one 12-2 and it gave the team some confidence."

However, the LCHS team gave a hard blow to the Bulldogs, with a 23-9 victory over the visiting Tahoka team. "We stayed with them for a while, and were tied at 9-9 before the Lubbock team took over," said Johnson.

The first home game for the Bulldogs is scheduled to begin at 4:30 p.m. this Friday, March 13 with a double-header against Cooper.

There are 24 players out for varsity and jayvee, including two females who are sophomores.

THS Senior Albert Mendoza will lead the pitching efforts for the varsity Bulldogs. "Albert will see a lot of playing time as a pitcher, utility infielder and also the outfield," said the coach. "He throws the ball real well and will most likely be our ace. He also is a very good hitter, and is one of our team leaders," he added.

Adam Holland, a senior, will see a lot of time at first base as well as at the mound, and has the potential to be a strong hitter, according to the coach. "If he improves his mechanics he could turn out to be one of our starting pitchers," added Johnson.

Sophomore Chad Swinford and junior Cory Whitley also will see a lot of playing time for the varsity

GOT IT OUT YET? Plenty of Tahoka volunteer firemen responded to a fire alarm last Friday, when a bale of hay caught fire as it was pulled in a small trailer behind a pickup. There was no damage to the pickup and firemen easily doused the burning hay. The pickup pulled off the side of the road, about 2 miles north of Tahoka on Hwy. 87. It was believed the hay caught fire from a spark caused from a flat tire.

team. "Chad has great potential," said Johnson. "He is a very good athlete and will, eventually, be an outstanding player. He has an excellent swing and hits the ball hard. He will see time pitching, at short stop, third base, and in the outfield, and we plan to look at him behind the plate as a catcher," he added.

Johnson said Whitley will be the leadoff hitter and play second base. "Cory is a great competitor, and he is also very smart. He has good skills both offensively and defensively," he said. Whitley may also play any other infield position as well as pitch.

Senior Billy Wilborn has a lot of potential for the team, as well, according to the coach. "Billy will be our cleanup hitter and center fielder. We are also looking at Billy to be a catcher. He is an excellent athlete and if he keeps working hard he will be a major contributor to our team," explained Johnson.

Another player who will see a lot of playing time is senior Paul Arriaga, who will be a catcher and third baseman. "Paul is an overall good defensive player but he needs to build his throwing arm," says Johnson. "He is also a good contact hitter, and a very smart player. He will be one of the team's leaders," he added.

Other varsity players include junior Heath Brewer, who will play outfield primarily, but will also see some time at first base; senior Mike Burleson, shortstop and pitcher, and some time in the outfield; junior Seth

Prince, a baserunner, and see some time at second base and the outfield; sophomore John "Cookie" Quintanilla, who has an injured shoulder and will not be able to throw much, but will see playing time as a designated hitter and possibly catcher and outfield; senior Troy Hurley, in the outfield, and "could be a great defensive player for the team"; senior Brandon Cate, with limited time in the outfield and lots of time as a baserunner; senior Joe Clyde Hays, catcher and outfielder, "a fast learner who could turn out to be one of the leaders on this team"; and junior Jerry Tew, who will play third base and outfield for the jayvee team, but will also travel with the varsity.

On the jayvee squad, freshman Chris Rodriguez will see a lot of time as pitcher as well as outfield, and freshman Justin Whitley may see some time on the mound, and on second base. Freshman Oscar Garcia will see a lot of playing time in the infield and pitching for the JV, according to Johnson. Trint Logsdon will be an outfielder and possibly a pitcher.

Other JV players include Jill DeLeon, outfield and possibly second base; Chris Lee, catcher and outfielder; Cindy Ramirez, contact hitter, infield and outfield; Ramiro Rodriguez, outfield and "one of the fastest kids we have"; Martin Aguirre, outfielder; and Trent Scott, third base and outfield.

The high school baseball season ends about the middle of May, with the last district game scheduled at Idalou on May 15.

Disaster Deadline Is March 13

The final date to apply for Disaster Payments is Friday, March 13. "It is very important that eligible producers not miss this deadline," said Marlin Hawthorne, Chairman of the Lynn County ASCS Committee. "Even if they do not have all required documents, they need to call the ASCS office as soon as possible," he said.

Producers will have until March 27 to furnish any additional information for the disaster program. There are no allowances for late filed applications or late filed production or information reports. If these deadlines are not met, the farm is ineligible for Disaster benefits.

All disaster information from all counties in the nation will be transmitted to Kansas City. The factor to be applied will be calculated and announced April 15. Payments should be made by May 1.

Signup continues for the 1992 farm program. Producers are encouraged to call for an appointment as soon as possible. The final date to signup for 1992 is Friday, April 17. Operators will need to know about their farming operation in all counties as well as for all individuals they sign for. For additional information, call the Lynn County ASCS Office at 998-4501.

At the time of signup, the operator must know if the owners on the farm wish to request an advance payment.

LETTER TO EDITOR

Dear Editor,
Joe and I would like to address this letter to the Editor to all the people of Tahoka and Lynn County. We want all to know how very thankful we are for our county hospital, its entire staff - the business staff included - our EMS personnel, Dr. Wright and his entire staff. We all are at fault for never thanking the people until in a time of need. If it had not been for all the people listed above, Joe and I would not be thanking them together. We want everyone to know we were treated with exceptional care by all concerned. We are very proud of our medical facilities here. We hope that maybe our letter will clear up some rumors that have been going around. We also want to thank you all for your prayers and concern for us during this time.

Sincerely,
Joe and Cindy Bryan

DAYTON PARKER

STRENGTHEN IMMUNE SYSTEM
A recent study shows most elderly people often have low levels of important vitamins in their bodies, resulting in a sluggish immune system that fails to fight off infection. Many people eat well-balanced meals, yet suffer vitamin deficiencies because other medications they take often "block" the vitamins in the food from being absorbed and used in the body. Scientists suggest the elderly talk to their doctor about vitamin supplements to raise the vitamin level in the blood, thus strengthening the immune system against disease.

FFA News

The Tahoka FFA Livestock Judging team received recognition twice at the San Angelo Livestock Show judging contest last Saturday, March 7.

Third high individual over-all score was Jason Belew, who scored 478 points out of a possible 500.

Competing against over 60 4-H and FFA teams, the FFA team ranked third in sheep judging.

Other team members are Lisa Martin and Shannon Garvin.

Lynn County's 4-H Livestock judging team consists of Clay Taylor, Jason Marshall, Brandi Gickhorn and Jace Moore, who also competed in the contest.

Student Council Changes Schedule For Volleyball Tourney

Tahoka High School Student Council would like to notify everyone of a change in the scheduling of their volleyball tournaments. The Men's and Women's tournament, that was originally scheduled for March 12-14 has been cancelled due to lack of participation. However, the Co-Ed tournament, scheduled for March 26-28 is still on.

The Co-Ed tournament will be played a little differently this year. There will be two separate brackets with eight teams on each bracket playing round-robin. There will be a first and second place on each bracket.

Student Council is also having a one day Women's volleyball tournament on Saturday, April 11. This tournament will be a round-robin with first, second, and third place.

The entry fee for both tournaments will be \$50 per team. People with questions or that would like to sign up a team are asked to call Barbara Cook at 998-4752 or Paige Rivas at 998-4538.

Rotary Hears Program On THS Baseball

Tahoka High School Baseball Coach David Johnson invited members of the Tahoka Rotary Club to "come out and have some fun," and watch the Tahoka High School baseball team during the 1992 season. He presented the program at Rotary, speaking about some of the improvements he hoped to make at the baseball field, and stressing the importance of discipline, attitude and fundamentals for his team.

Tahoka Pioneer Museum News...

Museum displays will be coordinated under the supervision of Frances Wells, just as soon as the new wallpaper has been hung. A review of procedures for appointing Board members was presented and the month of

April was designated as starting time for a nominating committee to begin searching. Melvin Burks, President of the Board, requested that he not be considered for that position, due to health reasons.

The Rock Garden, project of the Tahoka Garden Club, was discussed at a recent meeting and action is due on that topic from the Projects Committee of the Garden Club in the near future.

Members present at the Tahoka Pioneer Museum Board of Directors Meeting on March 9, were Melvin Burks, Lottie Jo Walker, K.R. Durham, Madeline Hegi, Mary Louder, Weesie Carroll, Arlys Askew, Jim Solomon, Betsy Pridmore, Frances Wells and Mildred Abbe. Absent were Meldon Leslie, Bill Craig, James Roberts and Carl Reynolds.

SAMPLE CUSTOMER NOTIFICATION OF HIGH FLUORIDE GRASSLAND WATER SUPPLY CORP.

Dear Customer:
The Grassland Water Supply Corp. has been notified by the Texas Department of Health that the water being supplied by our system exceeds the maximum contaminant level for Fluoride established by the Department's Drinking Water Standards which were promulgated as required by the "Safe Drinking Water Act," Public Law 93-523 (U.S.).

The maximum contaminant level has been set at 4.0 milligrams of Fluoride per liter of water. The samples of water from our system contained 5.3 milligrams of Fluoride per liter. There is no immediate health hazard for drinking water containing Fluoride at this level.

The excessive Fluoride content of the water may cause mottling of the teeth in children under 14 years of age. Bottled water is available, at no cost, at the Business Office for children under 14.

All dentists in this area are aware of the Fluoride level.

Wilson News

by Loretta Abbe 628-6368

The Wilson Junior Class is still selling tickets to give away half of a processed hog. Each ticket is good for two chances to win. The drawing will be held Friday, March 13, at 2 p.m. at Wilson High School. To buy your tickets, contact any Junior class member or sponsor.

if you are not a registered voter and are wanting to vote, registration cards are available in the administration office of Wilson schools. You must be registered to vote in the May 2 election of school board members.

The deadline to pick up an application for a place on the ballot for the Wilson School Board is March 18. Applications can be picked up at the administration office at the school. Three places are up for re-election and only one person has applied for a place on the ballot.

Wilson High School was visited by twenty mayors from San Salvador, Monday, March 9. The men toured the school facilities and visited many of the classes. The men are here to learn more about the United States government.

Honor Roll for high school for the fourth six weeks will appear after Spring Break or in two weeks.

Wilson I.S.D. monthly board meeting is Thursday, March 12.

Next week is Spring Break for students and teachers. School will resume at regular time Monday, March 23.

The Wilson High School baseball team played their first two games Thursday and Friday of last week. The first game was against Morton. This game was originally scheduled for Tuesday,

March 3, but was re-scheduled because of the weather.

The team played their second game against Floydada and again lost by just four runs. The team played Lubbock-Cooper Tuesday, March 10, and will play Morton on Tuesday, March 24, in Wilson starting at 4 p.m.

The team is made up of seniors Ricky Brown, Joe Hernandez and Michael Villarreal; juniors Michael Buxkemper, Robert Guzman and Ramon Valdez; sophomores Oscar Guzman and Ysidro Rodriguez; and freshmen Adam Castillo, John Lehman, Jason Marshall, Salvador Mendoza, Jimmy Ramos and Adam Garza. The team is coached by Rex Bilby.

Kristi Patterson made the All-Star Basketball Team recently. She will travel to Wichita Falls in July to play in the All-Star Game to be held July 1. Kristi is a senior at Wilson High school and the daughter of Nicky and Judy Patterson.

Seven Wilson High School track members participated in the Loop Track Meet held last weekend. Ronnie Rios placed 5th in the 800-meter run, and was in the 400 meter run; Adrienne Caballero run the 1-mile and threw shot put; Ramon Valdez ran the 300 meter hurdles and the 200 meter dash; Michael Buxkemper placed 8th in the 2-mile and 9th in the 1-mile; Kim Brieger, Michelle Rios, Claudia Gonzalez, and Rachel Mendez placed 2nd in the 1600-meter relay and 4th in the 800-meter relay. Claudia Gonzalez was 1st place in the 2-mile.

There are three positions up for election on the city council. Those up for election are Mayor Jackie Bishop and councilmen Oscar Follis and David Cook. As of Monday, March 9, no one had signed up for these seats.

City of Wilson Secretary, Mrs. Naoma Moore has asked that the public be made aware of the fact that unpaid City of Wilson property taxes are now subject to late payment penalty. This penalty was

attached to tax payments made on or after February 1, 1992. This is an increasing penalty which goes up two percent each month until it reaches 15 percent. This penalty began at 7% and is now at 9% until the end of March, at which time it will rise to 11%. If taxes remain unpaid after July 1, the penalty will then draw interest.

Mrs. Moore also stated that, "In order to help people pay their taxes, the City will accept partial payments and work out payment plans with people who can show that they need this type of help. People who ask for this assistance must be able to prove that they need this help."

Don't forget to purchase your Lion's Club drawing tickets from any Lion's Club member. The prize is a 1992 S-10 Pickup and tickets are a \$1 donation. Proceeds go to benefit the Lion's Eye Bank.

NATIONAL OFFICER CANDIDATE — Tahoka High School student Carrie Taylor was chosen recently as a National Officer Candidate for FHA/HERO. She will attend the national meeting this summer in Chicago, Illinois. (LYNN COUNTY NEWS PHOTO)

Carrie Taylor Selected Region I National Officer Candidate

Carrie Taylor, Regional I Vice President of Public Relations for the Texas Association of Future Homemakers of America (FHA) recently relinquished her office at the Region I Leadership meeting in Amarillo, February 28-29.

However, Carrie's mission in FHA/HERO did not stop, and she decided to run for office again. "Since the ninth grade I have wanted to be a FHA/HERO state officer, said Carrie, who is a student at Tahoka High School.

All candidates who were seeking office were asked to give a speech for the House of Delegates session on Friday night. The 15 candidates chose were then interviewed by a

nomination-committee, who placed the candidates in the office best suited for the person. Carrie was chosen as Region I National Officer Candidate. At the state meeting in April, Carrie will again go through this process to become the State National Officer Candidate.

Carrie will attend the national meeting this summer in Chicago, Illinois representing the state of Texas.

She would like to thank her parents, Mr. and Mrs. Doug Taylor, family members, and her advisor, Patti Rambo, for supporting her through her term of office. Carrie would also like to thank the school and community for their continued support in the organization.

TRANSPLANT RECIPIENT — Janessa Lee, a 5th grader at Wilson Elementary, received a bone marrow transplant March 4 in San Antonio. Her sister, Jessica, a sophomore at Wilson High School was the donor.

Letter To Friends:

March 2

Dear Friends,
I wanted to take this opportunity to update you on Janessa's progress. Last week she received total body irradiation Monday, Wednesday, Thursday and Friday. She handled it as well as we could have expected. Saturday and Sunday she received very high dosages of a chemo drug called Cyclophosphamide or Cytosan.

These things were done to prepare her body for the bone marrow transplant. Janessa is beginning to physically weaken, but she is always smiling and her spirit is stronger than ever. Both she and Jessica have shown great courage and inner strength. The transplant will be March 3 and we are all ready for the "big" day.

I would also like to thank you all for the cards and letters you have sent to Janessa. The highlight of her day is opening her mail. We appreciate all of the financial help that you have provided for Janessa as well. Words just don't express the gratitude I feel. Please keep Janessa and our family in your prayers.

Sincerely,
Brenda Ewerz

Santa Rosa Children's Hospital
Bone Marrow Transplant Unit #1
519 W. Houston
San Antonio, TX 78207

If you would like to call Janessa or Brenda at the hospital, you may call Loretta Abbe or family members in Wilson for the phone number. This way Janessa will not be bothered when she needs her rest.

Note: Janessa Lee's bone marrow transplant took place March 4 and went well. As of press time Janessa has had no adverse reaction to the transplant and her prognosis is good. She will be in complete isolation for at least 100 days since it takes time for her immunity to build up after the transplant.

Janessa was visited by Miss Universe at the hospital two days after the transplant.

Janessa's older sister, Jessica, donated bone marrow for the transplant and is now back home and doing well. Janessa is a fifth grader and Jessica is a sophomore in Wilson schools. Parents are Brenda Ewerz of Wilson and James Lee of Loraine. Grandmother is Lorain Ahrens of Wilson and great-grandmother is Mrs. Clara Phillips of Tahoka Care Center.

Garden Club To Meet

The Tahoka Garden Club will meet at the SPS Reddy Room at 9:30 a.m. on Tuesday, March 17.

Hostesses will be Maxine Paris and Mildred Abbe. The program, "Recycling Is Here" will be presented by Virginia Hodges of Lubbock.
