## County Taxpayers Face Big Increases

By DALTON WOOD

Poor cotton crops in Lynn County in the recent times have resulted in a formula-mandated lowering of evaluations based on productivity of farms in the county, and with the total evaluations of property for the coming year in the county down \$35 million from the current year, homeowners and businesses in the county face stiff raises in taxes.

Persons living in the city limits of one of the county's four cities and/or those who operate businesses in the county will be looking at increases averaging about 25 per cent in county taxes alone.

And the County Education District which includes Lynn County and which is operated out of Lubbock for 26 area school districts, voted Tuesday to raise its tax rate by 12 cents per \$100 evaluation, while the individual school districts for New Home, Tahoka, and O'Donnell also may increase taxes. Wilson ISD local tax rate will remain at 45 cents, the same rate as last year.

The Lynn County Hospital District board Tuesday night voted to raise taxes from 21.1 to 24.6 cents per \$100 valuation, which hospital officials said would generate the same amount of revenue as last year.

Taxing entities may by law increase taxes by up to 3 per cent above current levels without holding a public hearing or being subject to rollback petitions initiated by taxpayers. So far only Lynn County has announced a public hearing on a proposed tax increase, a hearing set for 10 a.m. next Thursday, Aug. 27,

in the Lynn County courthouse.

Lynn County commissioners have voted to have the hearing on a proposal to raise taxes by almost 10 cents per \$100 valuation, from the present 39.9 cents per \$100 valuation to 49.8 cents. According to the notice of public hearing published in this issue of *The Lynn County News*, this would mean that someone owning a home in the county valued at \$23,800 (the average value of a home in the county) would pay \$119 in taxes to the county next year compared to \$95 this year.

"We lost \$35 million valuation in the county, mostly on farm land, and our budget is about the same as the current year," said County Judge J.F. Brandon Tuesday. He said the total value of all property in the county for 1992 was about \$247 million, and that the total value for 1993 is \$212 million.

Farm land is taxed only on productivity; there is no tax on the market value of the land, or on farm equipment, according to Dovie Miller, chief appraiser for the Lynn County Tax Appraisal District. Businesses, however, must pay taxes on the value of their equipment.

The county education district (CED), a new bureaucracy created by the legislature a couple of years ago, has been declared unconstitutional, but it has been ruled that the districts may collect taxes for the present anyway. On Tuesday the CED voted to raise taxes to 90.1 cents per \$100 valuation, up from last year's rate of 78.2 cents. A public hearing

## Marla Rudd Named Farm Bureau Queen

Marla Rudd of New Home was named winner over six other contestants at the Lynn-Garza Farm Bureau Queen Contest held last Friday night. Miss Rudd is the daughter of Marlow and Barbara Rudd of New Home.

Other contestants were Kara Askew of New Home, Christy Huffaker and Carrie Taylor of Tahoka, and Sonya Harp, Tamra Gerner and Lorrye Ledbetter of Post. Each contestant was judged on appearance, poise, personality and speech. The winner was introduced by H.G. Franklin, president of the Lynn-Garza County Farm Bureau.

As the 1992 Lynn-Garza County Miss Texas Farm Bureau, Miss Rudd will receive a \$200 scholarship to the college of her choice and will compete in the district contest.

District contest winner will receive a \$600 scholarship and an all-expense paid trip to the State convention in Corpus Christi with her escort. The State winner will receive a \$2000 scholarship, a \$500 wardrobe and a set of luggage.

on the CED tax increase is scheduled for 7 p.m. Tuesday, Sept. 1 at Brownfield school administrative offices.

Tahoka School Supt. Dr. Duane Carter said, "The CED lost a little over \$800 million in tax values this year, while at the same time having to collect \$13 million more than last year, thus the high tax rate."

## TISD Trustees Approve Budget, Site Based Management Plan

BY JUANELL JONES

Tahoka Independent School District Board of Trustees last week approved a budget for the 1992-93 school year at \$3,560,283, following a 7 p.m. public hearing Thursday which no visitors attended. Trustees have yet to set a local tax rate, but it appears that taxpayers may see an increase from last year's 10-cent district tax rate to 11.6 cents per \$100 valuation, or possibly up to 12 cents, which would call for a public tax hearing. Trustees expect to set the tax rate in mid-September.

This tax rate does not include the County Education District (CED) taxing entity, which is expected to jump tax rates from last year's 78.2-cent tax rate to a possible 90.1-cent rate, following state mandates of at least a 10-cent rate hike. The CED will have a public tax hearing at 7 p.m. Tuesday, Sept. 1 in the Brownfield I.S.D. administrative offices.

Although the CED has been declared unconstitutional, judicial authorities upheld the decision to continue collecting funds through the taxing entity until state legislators come up with a new financial plan for Texas schools.

During last Thursday evening's session, local trustees approved the Tahoka ISD Site Based Management Plan as presented by Superintendent Dr. Duane Carter; employed a high school special education teaching assistant; approved a substitute teacher list; approved bids for milk, bread and food supplies; adopted several district policies concerning instructional programs; and amended local policy DQB (Local) concerning the Equitable Performance Evaluation factor in career ladder eligibility.

The Site Based Management Plan is a tool for restructuring the decision making process to a broader level of input, so that the professional staff, parents, students, and other members of the community will have an opportunity for input in an effort to raise the achievement level of students in the district.

Both the Jr./Sr. High and Elementary campuses in the district will initiate councils consisting of representatives of a number of building professional personnel, parents and/or community residents and the principal.

Each Council may deal with issues concerning campus improvement goals, staffing (including input on hiring campus personnel), curriculum/programs, school climate/discipline, budget allocations, staff development, building maintenance and school/community relations.

Decisions made by each Council will provide assistance and input to district administrative staff and present trustees, who will retain final authority in the district.

In other business, trustees unani-

mously approved the employment of Gloria Moore as high school special education teaching assistant, approved a list of 19 substitute teachers for the district; and approved bids for the school cafeteria food supplies. Several district policies were adopted, and an amendment in the career ladder policy was approved by the board.

Upon the recommendation of Dr. Carter, trustees voted to delete the Equitable Performance Evaluation (EPE) factor in determining eligibility of professional staff for the Career Ladder. The superintendent informed board members that the EPE weight factor which the district has applied in the past can no longer be used according to TEA mandates.

School bookkeeper Loretta Tekell reported an account balance in all funds at \$1,166,086.11 compared to last year's balance at this time of \$1,283,931.31. The district has received 95.6 percent of current year tax levies.

Dr. Carter reported a total enrollment of 717 students in the district, as of Wednesday, Aug. 12, and expectations of 20-25 students enrolling by Labor Day. High school enrollment was listed at 298 students, with 409 students registering for elementary school.

The superintendent mentioned that the school zone traffic lights on Lockwood will begin operating the first day of school, and that motorists should be alert for children crossing the streets in that area and near the campus.

Elementary Principal Molly Helmlinger informed the board that elementary Open House would be held Aug. 27 at 7 p.m.

All trustees were present for the meeting, which adjourned at 9:30 p.m. School administrative staff present included Dr. Carter, Ms. Helmlinger, Charles Cate, Ronald Roberts and bookkeeper Mrs. Tekell.

## New Home ISD To Adopt Budget

New Home I.S.D. Board of Trustees will meet Tuesday, Aug. 25 at 8:30 a.m. for a public hearing on the 1992-93 school budget. The meeting will be held in the school board room, and trustees will adopt the budget following the public hearing.

## Players, Coaches, Fans Say It's Time For Change

By DALTON WOOD

It has been 11 years since Tahoka had a winning football season, and Bulldog fans are tired of losing. But Tahoka's new head coach Chris Wigington and his staff, the fans who have hung in there, and certainly this year's players think this may just be the group to turn THS football fortunes around.

Some outside observers in the area, however, still have to be convinced after last year's 1-9 showing by Tahoka, because they again have the Bulldogs tabbed pretty far down in the district standings, with Seagraves the favorite to win again, challenged strongly by Ralls and Post. But Coach Wigington, who is in his third season at Tahoka and his first as head coach, is optimistic that the Dogs will surprise some people. And they just might have the best record since that 8-3 team in 1981.

"We should have one of our best offensive lines in years, and these youngsters have the best attitude I've seen since I've been here," said the coach. He added that the offensive front line will average 198 pounds tackle to tackle and said all of his interior linemen have done well in strength tests. He said the 50 candidates for this year's varsity and junior varsity teams are working hard, with much less dissention and a more positive approach than teams in the past have had.

The Bulldog junior varsity will scrimmage Stanton's JV here starting at 10 a.m. Saturday. The THS varsity will scrimmage at Anton Friday at 6 p.m. and will scrimmage

against Hart in Hale Center the following Thursday (Aug. 27) at 6:30 p.m.

Wigington will handle the offense and plans to run mostly from I and Wing-T formations. The defense will be coordinated by Sam Eoff, who joins the staff after coaching at Stanton. Other coaches working with the varsity and jayvee teams will be Hulon Kirkland, David Johnson and Steve Qualls. The basic defensive alignment will be a 4-3.

There's quite a bit of experience on this year's squad, with eight seniors, 14 juniors and three sophomores all expected to play a lot, and even the juniors mostly were starters last year.

Senior Quarterback Heath Brewer broke a collarbone this summer, and has not yet been cleared for contact work. Sophomore Wesley Solomon is the likely starter at quarterback; Coach Wigington said Solomon, junior varsity QB last year, has been doing well in practice.

The coach also said he expects Tahoka will have two of the district's best backs in Tailback Brian Moore

Fullback René Luna. Both seniors have good speed, and Moore weighs 190.

Likely to be in the lineup when Tahoka opens at home against Spur Sept. 4 will be Moore, Luna, Solomon and Slotback Chris Montez behind a line including tackles Johnny Rodriguez (252-pound junior) and John Quintanilla (200-pound junior), guards Clayton Laws (190, junior) and Jace Copeland (180, senior) and split end Cory Whitley, a senior, weighing 140.

The center job is still up for grabs, with Cody Hale (170, junior), Jeff Long (160, junior) and Randy Fant (165, junior transfer from Iraan) as the top candidates.

On defense, Laws, Moore, Chad Swinford and Fant are likely starters at linebacker, Copeland and Long at defensive ends, Quintanilla, Rodriguez at tackles, Juan Luna at corner back, Whitley and René Luna at safeties. Wigington said Doug Smith, 235-pound tackle and Hale were working close to starting positions.

## Christian Music Group "Gabriel" To Give Concert Here Aug. 31

Gabriel, a Christian musical group, will be in concert on Monday, Aug. 31 at Tahoka High School Auditorium. Tahoka churches are sponsoring the event. Admission is free.

For more than 13 years, Gabriel has brought its music and message through strong, Biblically-based lyrics, and the most contemporary of sounds. Keyboards, drums and vocal harmonies are the instruments for making the music. The timeless gospel of Christ is the message.

In 1978, Jeff Walter and Robin Lyle founded the group. Robert Noland, Gabriel's drummer, has added his talent and Christian witness to the band since 1984. With concerts geared primarily to young adults and youth, Gabriel has performed more than 1700 concerts at colleges, conferences and churches in 20 states.

Urgent Records signed Gabriel to an exclusive recording contract in 1990. The new release, "Long Line of Love," is now available nationwide. The band also has several other recordings including "Praise" and "Praise II," which feature mellow, meditative songs. Gabriel concerts primarily include songs from these three projects.

Not only is Gabriel devoted to the musical presentation of the gospel, the group is also engaged in an ongoing mission in the country of Haiti. Working alongside Dr. Anthony Campolo's organization, E.A.P.E., Gabriel helps support a local Haitian pastor who oversees several Christian schools, medical clinics and churches.

A week-long trip to Haiti with American volunteers has been an annual event since 1985.

## Reception To Honor Jessie Lee Denzy

There will be a "come and go" reception in honor of Jessie Lee Denzy, retired custodian of First United Methodist Church of Tahoka, on Sunday, Aug. 23 from 2-3:30 p.m. in the church's fellowship hall.

Mrs. Denzy and her husband,

"Red", were hired as custodians for First Methodist in 1954 and have served the church faithfully through twelve pastors and two sanctuaries during 38 years.

The public is encouraged to attend.

### FREE ADMISSION

An offering will be received to support Gabriel's ministry. For over 14 years, GABRIEL has brought its music and message through the most contemporary of sounds. Keyboards and vocal harmonies are the instruments for making the music. The gospel of Jesus Christ is the message. Everyone is welcome!

**GABRIEL IN CONCERT**- Pictured, left to right, are Robert Noland, Robin Lyle and Jeff Walter, of the Christian musical group Gabriel. They will give a free concert August 31 at Tahoka High School auditorium.

## Accident, Thefts Are Reported In County

A collision of two vehicles at S. 6th and Ave. M Saturday was investigated by Tahoka Police Dept., and police and sheriff's officers investigated several other incidents during the last week.

A 1992 Toyota Tercel driven by Raymond Chapa, 45, of Rolling Meadows, Ill. and a 1978 AMC driven by Benita Rodriguez Menjares of Tahoka collided. Mrs. Menjares was kept overnight at Lynn County Hospital for observation.

Crime Line, 998-5145, is offering a \$100 reward for information clearing the theft of 120 gallons of diesel

fuel siphoned from a semi-truck Tuesday night or early Wednesday, owned by Taylor Tractor and parked at the implement company.

Police talked with two women who reportedly had a scratching and hair-pulling confrontation at a local business Sunday evening. No charges had been filed.

Sheriff's deputies also checked into two separate incidents of harassment, one involving a Wilson woman who complained of annoying calls from her ex-husband, and one in which a Wilson mother of three young girls complained that her daughters

were being subjected to abusive language and beer bottles thrown at them by several teenagers in Wilson city park.

The sheriff's office also received a complaint from Henry Morin of Tahoka that someone had forged his name and cashed his Social Security check, apparently after it was taken from the mail. A Postal Inspector was advised, and investigation is continuing.

A door to the gin office at Paymaster Gin in Draw was damaged in an apparent burglary attempt around noon Aug. 11. Entry was not accomplished.

Roby Rios, Rt. 1, O'Donnell, reported that a 19-inch Magnavox television set was stolen from his home six miles east of O'Donnell on FM 2053 on Aug. 11. The TV was valued at \$400.

In jail during the week were one person for public intoxication and one for driving while intoxicated, felony.

## Curry-Lehman To Exchange Vows

Rachel Curry and Bruce Lehman will exchange wedding vows on Saturday, Aug. 22 at 3 p.m. in St. Paul Lutheran Church, Wilson.

Parents of the couple are Zane and Danna Curry of Tahoka and Leonard and Janice Dube of Wilson.

Friends and relatives of the families are invited to attend.

## Megan Shawn Wins National Title

Megan Shawn, 9 year old daughter of Stan and Margie Shawn of Monahans, captured the title of "Miss Intermediate Majorette of America" at Notre Dame University in South Bend, Indiana recently.

Megan also won the title of "Miss Intermediate Majorette of the Southwest" in April qualifying her to represent the Southwest in the N.B.T.A.

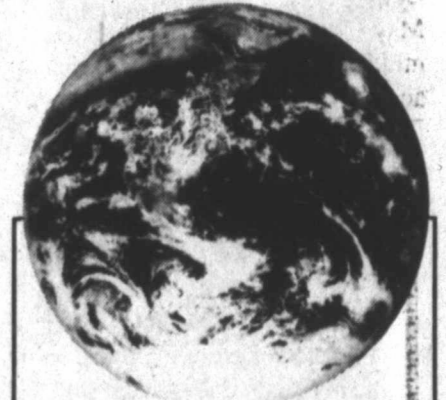

Megan is the granddaughter of Wayne and Betty Shawn, former residents of Tahoka, now of Colorado City. She is also the great-granddaughter of Lannie Shawn of Tahoka.

## Janessa Lee Comes Home

Twelve-year-old Janessa Lee of Wilson wants to let her friends know that she is at home in Wilson now after being in the hospital for quite some time.

The daughter of Mrs. Brenda Ewerz, Janessa suffers from leukemia and will go back to Lubbock's Methodist Hospital every other day for blood platelets and treatments.

She says she is feeling much better, and enjoyed her visit with Garth Brooks which was provided by the Make A Wish Foundation.

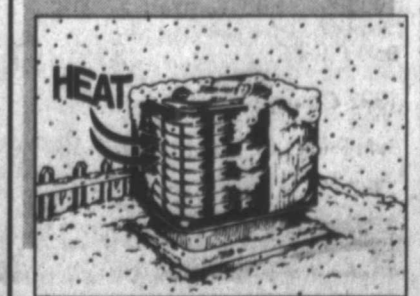

## THE WARMTH OF THE EARTH

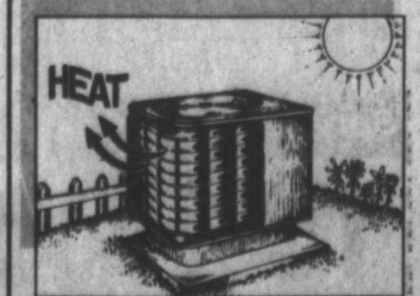

The heat pump captures it to heat and cool your home naturally.

The Dual Fuel Heat Pump uses existing heat to keep your home comfortable...naturally. Because it doesn't have to create heat, it's very efficient. For each unit of energy it uses, the Dual Fuel Heat Pump creates two or three units of heat.

Dual Fuel Heat Pump owners say it costs them less to operate than other systems. And, because it's electric, the Dual Fuel Heat Pump is cleaner.

There is heat in the air on the coldest days. The heat pump captures it to warm your home.

In summer, it becomes a high efficiency air conditioner. During hot weather, the heat pump captures the heat inside the home and takes it outside.

Contact your heat pump dealer or Southwestern Public Service Company for more information.

## Dual Fuel Heat Pump

### Farm News From Lynn County ASC

**Certification of Grain Sorghum:** Operators that failed cotton and replanted to grain sorghum or other crops that have not certified are reminded to call for an appointment to certify these acreages as soon as possible.

**Failed Acreage:** Operators must report all failed acreages before destruction or other use of the acreage planted to the failed crop. Failure to certify the crop and report the failed acreage will mean loss of history of those acreages. If you have requested measurement service and need to report failed acreage, the measurement service will be cancelled and you will be allowed to certify the farm.

**Review of ACR and CRP Needed:** Because of the rains of the last few months, many fields of ACR and CRP are in need of weed control. Now is the time to make review of each field and take the required control measures that may be needed.

Each year some producers lose program benefits because of lack of weed control.

**Slides for Measurement Service:** Producers that requested measurement service need to be aware that the slides will be taken as soon as the crops are large enough to show up on the slides. This date may be as early as the middle of August. Keep this in mind if you need to take action to help determine lines between crops to show on the slides. A few blank rows between similar crops such as sudan and milo or cotton and peas will help you receive a more accurate measurement service.

**Haying and Grazing of ACR and Paid CU:** Remember that these dates have changed for 1992 in Lynn County. The non-grazing dates are May 15 through Oct. 14. Keep this in mind as you plan the use of these acreages this fall.

**GRASS FIRE**—A large grass fire on property of Zora Powers northeast of Tahoka Sunday afternoon brought firefighters from several area towns. (LYNN COUNTY NEWS PHOTO)

### Lynn County Annexation Election Results Declared Official

At their Aug. 11 meeting, the High Plains Underground Water Conservation District No. 1 Board of Directors canvassed the Aug. 8 Lynn County annexation election and declared the results official, changing the boundaries of the Water District to include all of Lynn County. The Board instructed the staff to begin implementing District programs and activities in the newly-annexed territory as quickly as possible.

"We welcome the residents and agricultural producers of southern Lynn County, including the towns of O'Donnell and Tahoka, into the High Plains Water District," said A. Wayne Wyatt, District Manager. "We believe the programs and activities of our underground water conservation

district will be of benefit to them as they work to conserve their ground water resources."

Wyatt said a public meeting will be scheduled in Tahoka within the next few weeks so that District staff can explain the plan to implement District programs and answer any questions the public may have.

"In the meantime, residents are encouraged to call Becca Williams, Lynn County Secretary, at (806) 762-0181, regarding water well permitting or any other questions they might have regarding Water District services," said Wyatt. "All wells already in operation within the area will be grandfathered, and no permit will be required to continue their operation."

Several of the Water District's programs and activities will be implemented immediately.

Engineer Technician Glenn Blackmon will begin driving through the newly-annexed territory to inventory the existing wells so that the District can protect the well site from future wells, and to make note of any open, abandoned water wells. Water District rules and state law require that all wells be properly covered to prevent accidents and to protect ground water quality.

USDA Soil Conservation Service Soil Scientist Wilfred E. "Willie" Crenwelge will soon begin contacting Lynn County landowners for their permission to establish soil moisture monitoring sites on their land. Water District and USDA-SCS personnel conduct an annual pre-plant soil moisture survey to give area producers an idea of the amount of moisture in storage within the five-foot root zone soil profile prior to planting time. Using this information, the producer is less likely to over-irrigate or un-

der-irrigate during a pre-plant watering.

Water District Technical Division Director Don McReynolds has contacted Texas Water Development Board representatives to obtain copies of water well drillers logs, water quality analysis, and water level measurement data previously collected by state agencies for the newly-annexed territory. McReynolds will extend the Water District's water level and water quality observation well network into the new territory.

Information/Education Director Carmon McCain is available to present a 20-minute slide presentation highlighting Water District services to civic organizations.

Water District technical reports and water awareness materials are available to southern Lynn County residents by contacting the High Plains Water District office in Lubbock.

Educational comic books and other materials will be offered free to the public schools within the area for the upcoming school year.

For more information, contact the High Plains Underground Water Conservation District No. 1, 2930 Ave. Q, Lubbock, TX 79405, or call (806) 762-0181.

Area 4-H members participated in the District 2 recordbook contest. Eva Gicklhorn won District and State for her safety book. Others participating were as follows:

Senior recordbooks: Carrie Taylor, 2nd place, Leadership; Jason Marshall, 2nd place; Achievement; Lynna Rash, recognition award, Santa Fe; Jon Hogg, 2nd place, Beef; Felicia Davis, recognition award, F&N.

Junior II recordbooks: Matt Hogg, blue award; Sheep; Brandi Gicklhorn, blue award; Health; Cody Donald, blue award; Agriculture; Michelle Davis, blue award, F&N; Lee Rash, 1st place, Safety; Krystin Kellin, 1st place, Vet Science.

Junior I recordbooks: Casey Donald, blue award, agriculture; Klyssa Kellin, blue award, Vet Science; Whitney Hughes, blue award, Citizenship; Halee Hughes, blue award, Leadership.

### 4-H Horse Club Sets End Of Year Trail Ride Aug. 22

The 4-H Horse Club end of year trail ride will be held on Saturday, Aug. 22. It will be held at Tahoka Lake at 4:30 p.m.

The cost will be \$1.50 per person. Everyone attending is asked to bring their own refreshments and a dessert.

### Rotary News

Last week's Rotary program was about United Blood Services, and the speaker was Rachel Givens. Ms. Givens gave an informational talk and answered many questions from Rotarians about United Blood Services.

Phone 998-5531 • PRESCRIPTIONS • Tahoka, Tx.

**FUNGAL INFECTIONS**

Fungi thrive in warm, moist places on the body. To avoid infection, stay cool and dry. Towel thoroughly after a bath, shower, or swim. Keep your feet dry - light cotton socks absorb perspiration well - nylon traps perspiration against your feet. Wear well-ventilated footwear such as sandals or open-toed shoes. Athletic shoes of synthetic mesh and leather also breathe well. Avoid plastic shoes or canvas sneakers, which do not ventilate.

### Caution Urged During Labor Day Weekend

Labor Day is fast approaching. This seems to be the holiday that most everyone tries to enjoy before really getting back into the swing of the school year and being tied down again. Labor Day always brings heavy traffic to roadways and especially to recreation areas. Lakes seem to be one of the most popular areas during this holiday period.

Major V.J. Cawthon, Regional Commander of the Texas Department of Public Safety, Region 5, urges every motorist to be especially watchful during this time period. "We want everyone to have a good time and to enjoy the holidays, but above all we want it to be an accident free weekend," Major Cawthon stated.

Major Cawthon also stated that this being the last big weekend before school really gets into swing that a lot of people will be trying to get the so-called gusto over by indulging in alcoholic beverages. He stated, "If you drink, don't drive and if you drive, don't drink." Eighty-five percent of all Americans drink, but most of that eighty-five percent drink responsibly.

"Be one of those responsible people and plan your weekend ahead," he said. "Take that designated driver with you and don't put yourself in a position of making a decision of whether or not you must drive after you have already influenced your brain with alcohol."

# Out of the Woods

The wayward thoughts of Juanell (Wood) Jones

Upon this solemn occasion, let us all put our hands over our hearts, bow our heads, and spare a moment of silence for those who must bear the trials and tribulations of hordes of children leaving home for an annual event — the first day of school. Children ranging in ages from 5 to 18 (or even 20 in some cases), in various stages of raging hormones and exhaustive energy levels, descend upon school districts throughout the area to become well-adjusted, intelligent, educated citizens of the community.

That's what us parents expect, anyway. We've had these kids all summer, and heaven knows we don't know what to with them anymore. So it's your turn, teachers, for the next nine months, and by golly we expect miracles when we get 'em back.

I expect my children to dutifully clean their rooms, take out the garbage, wash the dishes and mow the lawn without any prodding on my part. Wouldn't that be a well-educated child? But no-o-o-o, we have to teach them stuff like history and geography, how to dissect a sentence (although as far as I know there are no job requirements listing sentence dissecting as an absolute requirement), and why beetle bugs only come out in the kitchen when company's coming, and how movie stars get to be president. That's the kind of stuff our children must learn to be well-rounded, productive citizens.

I'm sad to say (it is probably quite obvious) that I don't really recall much of my classroom studies throughout my first 12 years of schooling. I vaguely remember attending elementary school, although the thing that really stands out in my mind is that our school cafeteria in Plainview was designated a public tornado shelter because it had walls 12-inches thick, and how we used to see all our neighbors in their pajamas when we'd all

gather there in the middle of the night to weather out the many tornadoic storms that are generated in that area.

We kids had the time of our lives playing with our schoolmates, all in our pajamas, while our parents strained to hear all the portable radios brought along for the duration of the storm. It was like one big slumber party to us.

Another big educational item that comes to mind is an incident which occurred in home economics class in the seventh grade, when my sewing partner failed to pay close attention to what she was doing and whacked off part of my knuckle with her scissors. I learned a valuable lesson that day: never-ever hold up a thread and ask a 13-year-old to cut it unless you're wearing lead gloves. And you thought I didn't learn anything in school.

High school days brings to mind many juicy educational tidbits, such as the fact that a biology teacher can get the attention of a whole class in a split second by taking a dead baby pig out of a jar of formaldehyde and making it grin at the class. Cool, huh?

I also remember dissecting things such as earthworms, crayfish and assorted other members of the animal kingdom, none of which ever looked like they did in the textbook after you opened them up. The textbook illustrations showed hearts, livers, stomachs and other organs in glorious living color, when in fact what I saw when I inserted my blade was just a bunch of brown goo. It's disgusting even now to think about it.

History class was just a big blur, followed by an even blurrier memory of classes such as trigonometry, a two-day stint in a German language class after which I was encouraged to quit by my older brother who happened to be in the same class, and a civics class of which all I remember is attending a trial in Lubbock about a holdup at a convenience store.

Oh, wait! I also remember an English class during which the male student seated in front of me performed awesome feats of double-jointedness, which we all thought was wonderful entertainment but looked awfully painful. Seated in the desk in front of mine, he could put his legs up over his head and place his feet on my desk — what a guy! I wonder where he is today? Probably writing a weekly column about like this one?

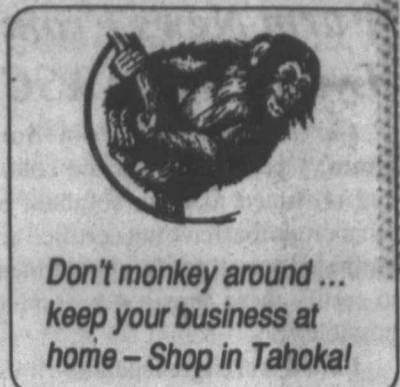

I'm sure if I really tried, I could remember some official book-educated stuff, but the gist of the matter is: school is a great place and a great time! Enjoy it while you can, students, because summer's coming around again next year, and the year after that, and so on, until eventually you run out of things to go to school for and you have to start earning a living and buying your own groceries and stuff, and you don't get any summers off.

So, go to school, learn something and have fun. Take me with you. Please.

## Home Ec Teachers Attend Conference

Patti Rambo and Donna Stone, vocational home economic teachers at Tahoka High School joined some 2800 teachers attending a professional development conference coordinated by the Home Economics Division of the Texas Education Agency, Aug. 2-6, at the Hyatt Regency Hotel, Dallas-Ft. Worth Airport Complex.

The official conference opened Monday evening with nationally known speaker, Emory Austin, offering the timely presentation "Close Encounters of the Crucial Kind" on how to build self esteem, productivity, and survival in the midst of change. On Tuesday and Wednesday, home economics educators attended workshop sessions which covered topics ranging from marketing strategies, campus-based management, strategic planning, to other home economics specialty areas.

## South Plains Craft Show To Benefit Food Bank

The third annual South Plains Arts and Crafts Festival, scheduled for Aug. 22-23 in the Lubbock Civic Center, will offer residents another way to own handmade items by helping those less fortunate. The arts and crafts show, which will be open to the public Saturday from 10 a.m. to 6 p.m. and Sunday from noon to 5 p.m.,

will feature a drawing to benefit the South Plains Food Bank.

Mel Prather, organizer of the festival, said there would be no admission charge to the South Plains Arts and Crafts Festival and that the donations to the food bank would be optional. "A number of exhibitors will be donating valuable handmade items. Persons can enter their name in the drawing for those prizes by bringing cans of food or donating cash to the food bank. Volunteers and board members of the local food bank will run the booth, which will be located at the main entrance."

The arts and crafts festival itself will feature the works of more than 200 exhibitors from throughout the Southwest. Items to be highlighted include original paintings and limited edition prints. There will also be hand-sculptured pewter, pottery, wall hangings and original rubber stamps.

## Ropes Celebration Planned Saturday

Ropesville's annual Fun, Fiesta and Craft Show will be held Saturday from 9:30 a.m. to 10 p.m. at Ropes High School, with proceeds from the event to be used to refurbish the Ropes community center as a center for youth activities, plus a library.

There will be a parade Saturday morning, contests, live music, food booths, a play at 5:30 p.m., a square dance and a street dance free of charge. Everyone is invited; craft booths close at 5 p.m.

Anyone wishing more information may call Sue Melton at (806) 562-3531.

## Emergency Energy Funds Available

The South Plains Community Action Association, Inc. wishes to announce its receipt of Enterp Oil Overcharge Funds to assist the truly needy in Lynn County. The purpose of this program is to provide assistance to eligible persons experiencing an energy-related crisis or energy-related emergency. It is not a utility assistance program.

Priority shall be given to eligible households with persons 60 years or older and/or with handicapped persons. This priority does not exclude other income eligible households.

A person must apply at: 1404 S 3rd St, during the hours of 8 a.m. and 5 p.m., and bring his utility bill, and evidence of his income for the last 30 days.

Proof of income may consist of: checks, check stubs, award letters, employer statements, or similar documents.

For additional information concerning this assistance, please, contact: Neighborhood Center Workers Berta Tyson and Janie Garza.

## Planning a Wedding?

We have a nice selection of wedding invitations and napkins to choose from. Come see the beautiful styles and colors, and a wide range of prices from which to choose. We can order any style you desire. Just give us time to send off your order and receive it in time for your very special day.

Let us help you with the details. Call or come by

## NOTICE OF PUBLIC HEARING ON TAX INCREASE

Lynn County will hold a public hearing on a proposal to increase total tax revenues from properties on the tax roll in 1991 by 6.999270% (percent). Your individual taxes may increase at a greater or lesser rate or even decrease, depending on the change in the taxable value of your property in relation to the change in taxable value of all other property.

The public hearing will be held on Aug. 27, 1992 at 10:00 AM at the Lynn County Courthouse, Tahoka, Texas.

FOR the proposal: J.F. Brandon, J.T. Miller, Sandra Cox and T.A. Stone  
AGAINST the proposal: Gerald Gerner  
PRESENT and not voting: None  
ABSENT: None

The statement above shows the percentage increase the proposed rate represents over the effective tax rate that the unit published on August 13, 1992. The following table compares taxes on an average home in this taxing unit last year to taxes proposed on the average home this year. Again, your individual taxes may be higher or lower, depending on the taxable value of your property.

	Last Year	This Year
Average home value	\$23,800.00	\$23,880.00
General exemptions available (amount available on the average home, not including senior citizen's or disabled person's exemptions)		
Average taxable value	\$23,800.00	\$23,880.00
Tax rate	.39900/\$100	.49821/\$100 (proposed)
Tax	\$94.96	\$118.97 (proposed)

Under this proposal taxes on the average home would increase by \$24.01 or 25.284375% (percent) compared with last year's taxes.

—Comparing tax rates without adjusting for changes in property value, the tax rate would increase by 0.09921 per \$100 of taxable value or 24.864662% (percent) compared to last year's tax rate. These tax rate figures are not adjusted for changes in the taxable value of property.

### Criminal Justice Mandate (for counties):

The Lynn County Auditor certifies that Lynn County has spent \$10,647.00 in the previous 12 months beginning April 1, 1991, for the maintenance and operations cost of keeping inmates sentenced to the Texas Department of Criminal Justice. The Lynn County Sheriff has provided information on these costs, minus the state revenues received for reimbursement of such costs.

**MOTIVATIONAL SPEAKER AT O'DONNELL** - Mamie McCullough, a motivational speaker from Dallas, led a one-day seminar at O'Donnell I.S.D. for staff development Monday, Aug. 17. Mrs. McCullough urged teachers and other school staff to "walk the talk" because students are watching them closely and teachers must "do what you say you are going to do." She delivered her messages with humor and encouraged the staff to "find the good in people, and then tell them about it." (LYNN COUNTY NEWS PHOTO)

## The Wilson News

by Loretta Abbe • 628-6368

Wilson ISD and several of the civic clubs in town, including the "PEOPLE" group are sponsoring a "Meet the Teachers" watermelon feast on Friday, July 21, at 7 p.m. The get-together will be at the city park.

All the Wilson teachers will be honored and all of them have been invited to attend.

Everyone in the community is invited to attend this get-together, meet, and visit, on a one to one basis, with the people who will be teaching our kids. Wilson has several new teachers this year and this would be an excellent time to get acquainted with them.

The city of Wilson water system sprung a major leak last week and due to the hard work of Roy Isham the leak was repaired and the system back on line in about six hours. The leak occurred where several of the main lines come together and this created problems which caused the entire system to have to be shut down.

Zora Powers had several surprise visitors last Sunday when members of the Tahoka Fire Department showed up for lunch but decided to put out the fire in the pasture and on the CRP land first. It seems that some trash blew out of the burning barrel, and set off the pasture grass and the wind did the rest. Luckily, the wind blew just right and no damage was done to any buildings.

Zora and her family thank the members of the Tahoka Fire Dept. and all the people who showed up to help including the Wilson Fire Dept., who showed up for dessert.

Wilson has a volunteer fire department. That's right, Wilson does have a volunteer fire department, although it seems that it got put up on the shelf and forgotten about.

The fire at Mrs. Powers last weekend

proved what many of the fire department members have been saying for some time, and that is that it is time to re-organize the department and begin to put back together what we used to have.

The Wilson Volunteer Fire Department has two good serviceable trucks and quite a bit of other equipment including rescue gear and even sets of air-pac breathing units; three of them in fact. Now all that is needed are bodies who know how to use this stuff.

It seems that the lack of concern has really come about since the city took over the financial management of the department and the attitude of "Well, the city will take care of the fire department now" began to develop.

The city has not taken over the fire department, but has agreed to manage the funds for the department and to be responsible for receiving and disbursing fire department funds. They furnish the building for the trucks and the insurance on the department, but it should be up to the members of the department to let the community know what they need and then have fund raisers to obtain the funds for various projects. After all, what is a volunteer anyway?

Remember, your community, your church, your school, your fire department is what you make it. If you have any sensible, productive ideas on how to revive our fire department contact Chief Fields and visit with him, or even volunteer to take part in the department.

School starts on Monday, Aug. 24 at 8:15 a.m. with the elementary students reporting to their classes and the jr. and high school students reporting to the high school auditorium for an assembly. High school administrators will then pass out class schedules, handbooks, and other high school stuff at this time.

Wilson ISD board of trustees met in

their regular meeting on Aug. 13, in the elementary board room. Most of the activity was routine, but they did approve the budget for the 1992-93 school year. They based the budget on a local tax rate of 45 cents (.45) per \$100.00 of appraised value. This is the same local rate as last year, however, taxpayers will be paying more since it is anticipated and mandated by state law, that the C.E.D. tax rate will increase by about ten cents. Wilson ISD has not officially set its local rate, since they must wait until the C.E.D. sets their rate, before they can set their local rate. This will be done sometime early in September and the Wilson ISD will be able to set its official rate.

The board also approved all the student handbooks and support group handbooks, which will be handed out on the first day of school. Remember, there is a page in the handbook which must be signed by the parents and then returned to the school.

Wilson Lions Club will meet Thursday night, in the park, for a family night. A meal will be provided for the Lions and their families. Lions and spouses will be charged the normal meal fee but kids of Lions will not be charged. All Lions are urged to come out for a good time of fellowship and food.

Young at Heart will meet at 1:30 p.m. on Aug. 27 at St. John Lutheran Church.

The Wilson Lions are trying to complete the sale of their ads for the annual football program. Lions are urged to complete their book and get it back to Lonnie Paul as soon as possible so it can get to the printer and be done by Sept. 4 which is the first home game.

Those of you who have not yet signed up to get your family name on the booster page in the Lions football program need to go by the Wilson Co-Op Gin or the Cotton-Boll and give your \$5 to Connie or Bertha and then put your name, as you want it printed, on their list.

**Baseball Trivia:**  
Last Week's Question & Answer: *It has happened only once that two brothers have pitched on the same team in both the American and National Leagues. Do you know them? Phil and Joe Niekro.* They pitched for the Atlanta Braves in 1973 and 1974 and for the Yankees in 1985.  
This Week's Question: *Who holds the Major League record for grand slams in a season?*

## Wilson City Taxes Set At 90 Cents

Wilson City Council set the city tax rate at \$90 (90 cents) per \$100 valuation at a recent meeting, and not at 90 cents per \$1 valuation as was mistakenly reported in last week's edition of *The News*.

The tax rate is a small increase over last year's rate of 88.5 cents per \$100 of property valuation.

## Wilson School Menu

- Aug. 24-28  
Breakfast  
Monday- Cheese on Toast, Sliced Pears, Milk.  
Tuesday- Breakfast Burrito with Ham, Fruit Cocktail, Milk.

Friday- Tacos, Salad, Pinto Beans, Pineapple Pudding w/Nuts, Milk.

## Wilson I.S.D. Free & Reduced Price Meal Eligibility Schedule

LETTER TO HOUSEHOLDS (Multi-Child Meals)  
NATIONAL SCHOOL LUNCH PROGRAM/SCHOOL BREAKFAST PROGRAM  
Parent/Guardian: Wilson  
K-3 - \$1.00  
4-12 - \$1.25  
Wilson school serves meals each school day. Children may buy lunch for \$1.00 and breakfast for 60¢. Children may also get meals free or at a reduced price.

If you now get food stamps or AFDC for your children, your children can get free meals. If your total household income is the same or less than the amounts on the Income Chart below, your children can get free meals or reduced price meals. A foster child may get free or reduced price meals regardless of your income. The reduced price is 40¢ for lunch and 30¢ for breakfast.

TO GET FREE OR REDUCED PRICE MEALS FOR YOUR CHILDREN, YOU MUST COMPLETE AN APPLICATION AND RETURN IT TO THE SCHOOL. WE CANNOT APPROVE AN APPLICATION THAT IS NOT COMPLETE.

HOW TO APPLY	INCOME CHART	
	Household Size	Annual Monthly Weekly
If you now get food stamps or AFDC for the child you are applying for, the application must have the child's name, a food stamp or AFDC case number for that child, and the signature of an adult household member.	1.....	\$2,599.....1,050.....243
If you are applying for a foster child, the application must have the child's name, the child's "personal use" income, and an adult signature.	2.....	\$7,002.....1,417.....327
If you do not list a food stamp or AFDC case number for the child you are applying for, then the application must have the child's name, the names all household members, the amount of income each person got last month and where it came from, the signature of an adult household member and that adult's social security number or the word "none" if the adult does not have a social security number.	3.....	\$11,405.....1,784.....412
	4.....	\$15,808.....2,151.....497
	5.....	\$20,211.....2,518.....581
	6.....	\$24,614.....2,885.....666
	7.....	\$29,017.....3,252.....751
	8.....	\$33,420.....3,619.....835
	For each add'l member	
	add'l member	\$4,403.....\$367.....85

**Verification:** Your eligibility may be checked at any time during the school year. School officials may ask you to send papers showing that your children should get free or reduced price meals.

**Fair Hearing:** You may talk to school officials if you do not agree with the school's decision on your application or the results of verification. You may also ask for a fair hearing. You may do this by calling or writing:

Name: Nancy Templeton Phone: 628-6271  
Address: P.O. Box 9, Wilson, TX 79381

**Reporting Changes:** If your children get free or reduced price meals because of your income, you must tell the school if your household size decreases or your income increases by more than \$50 per month or \$600 per year. If your children get meals because you get food stamps or AFDC, you must tell the school when you are not getting AFDC or food stamps for them. You may then fill out another application giving income information.

**Confidentiality:** School officials use the information on the application only to decide if your children should get free or reduced price meals.

**Reapplication:** You may apply for meals anytime during the school year. If you are not eligible now but have a change in status, like a decrease in household income, an increase in household size, become unemployed or get food stamps or AFDC for your children, you may then complete an application.

**Handicapped:** Meal substitutions at no additional cost for children who meet the definition of "handicapped" will be served, provided a physician has submitted a statement attesting to this fact and prescribing a substitute.

IN THE OPERATION OF THE CHILD FEEDING PROGRAMS, NO CHILD WILL BE DISCRIMINATED AGAINST BECAUSE OF RACE, SEX, COLOR, NATIONAL ORIGIN, AGE OR HANDICAP. IF YOU BELIEVE YOU HAVE BEEN DISCRIMINATED AGAINST, WRITE IMMEDIATELY TO THE SECRETARY OF AGRICULTURE, WASHINGTON, D.C. 20250.

We will let you know when your application is approved or denied.

Sincerely,  
Nancy Templeton, Superintendent

## APPLICATION FOR FREE AND REDUCED PRICE MEALS

To apply for free and reduced price meals, complete this application, sign your name and return the application to the school. Call the school if you need help.

- 1 Print STUDENT INFORMATION.
- 2 List the child's FOOD STAMP or AFDC case number, if any.
- 3 FOSTER CHILD: List the child's monthly personal use income. Write "0" if the child has no personal use income.
- 4 HOUSEHOLD MEMBERS AND MONTHLY INCOME: If you gave a food stamp, or AFDC case number for the child, skip to PART 5.

**SCHOOL DAYS WILL SOON BE HERE**

Mothers now are busy preparing their children for school. Many will take them to a physician for a physical check-up to make certain they have the physical vigor to fight off an invading germ or virus. Exposure to many other children increases the possibility of catching something.

The older children going off to college need help to make certain they do not suffer nutritional dangers. They are apt to eat hurried meals that do not contain sufficient amounts of the vitamins and minerals their body needs. We can help you select a good product, made by a dependable manufacturer, which will insure minimum requirements.

"A GREAT MANY PEOPLE ENTRUST US with their prescriptions, health needs and other pharmacy products. We consider this trust a privilege and a duty."  
May we be your personal family pharmacy?

### Yellow School Buses Signal Return To School

Last year in Texas, more than 27,000 school buses traveled some 1.3 million miles transporting students to and from school each day. With so many students in the state dependent on this form of transportation, school bus safety is an important issue that affects more than 1.1 million students and certainly every

BUILDING GOES DOWN—A dilapidated building on Ave. H near Lynn County jail was torn down last week.

### All Sports Reunion Set For Aug. 22

All ex-Bulldogs are invited to an All-Sports Reunion to be held August 22 at T-Bar Country Club. Those wishing to play golf will tee-off at 10 a.m.

A salad luncheon will be held at noon at Sherri McCord's home. Those attending are asked to bring a salad and something to donate for an auction, for example a hand-made craft item. There will be an auction following the luncheon.

A barbecue dinner will be at 7 p.m. at T-Bar Country Club with Big Band Era music beginning at 8:30 p.m.

Those wishing to attend need to contact Joe Brooks, 998-4152, or Jimmy Williams, 327-5264.

#### motorist.

"Although school buses are the safest form of transportation on the road, nearly 2,000 times safer than a car, it is up to everyone on the road to be aware of students during the school year," said Putman, general manager of Durham Transportation, student transportation provider for the Frnship, New Home, Ropesville and Smyer Independent School District.

Although school bus drivers are trained to be extremely cautious while on the road, and don't make a move without looking in each of the five mirrors, motorists should be just as alert when in view of a bus.

These simple steps for motorists may help save young lives.

\* Always stop when the school bus is loading or unloading passengers and wait until the students have safely crossed the street and the bus has turned off its loading lights.

\* Be alert to students walking to the bus stop in the morning or getting off the bus in the afternoon.

\* School buses make frequent stops so follow at least four seconds behind when following in a car.

"All students should learn where the bus's danger zone is located—immediately in front of the bus, and immediately behind it," Putman said. "Children should avoid this area by taking five giant steps forward as soon as they exit the bus. To cross the street, students should turn and take 10 giant steps forward before crossing. Always remember to cross in front of the bus, never behind, all the while maintaining eye contact with the driver."

#### Museum News

The Annual Meeting of the members of the Tahoka Pioneer Museum Association, held on Tuesday, Aug. 11, at 5 p.m. was short but productive. Two new members were added to the Board of Directors- Elmer Owens and Eddie Lockabey. Newly elected officers are Arlys Askew, President, and Mary Louise Louder, Secretary/Treasurer. Committee ap-

pointments will be reviewed at the September meeting of the Board of Directors.

Frances Wells reported on the success of the volunteer program that had to be instituted to keep the Museum open at specified times. The Board of Directors wishes to sincerely thank the following ladies for their faithfulness in volunteering: Grey, Grogan, Hall, Knight and Riddle. Also, to the Board members who will take the time to "show off" the Museum to guests that are unable to observe the regular hours, sincere thanks.

Acquisitions were accepted, as follows: A geode from Brazil, loaned by Watson Spears... (What is a geode? Come in and see it). A copied recipe book published by the Woman's Auxiliary of the First Baptist Church in the thirties, that was used as research material by Georgia Mac Ericson of Crosbyton, in the book about her family Aunt Hank's Rock House Kitchen.

Also, acquisitions will be sought for a display of telephone materials from the early days, such as a telephone that had to be cranked to get the operator, a small switchboard, telephone books, and other pertinent material.

Arlys Askew, President, announced that the next meeting would be the second Monday in September at noon in the Museum. Board Members present were Melvin Burks, Bill Craig, K.R. Durham, Madeline Hegi, Mary Louder, Weesie Carroll, Carl Reynolds, Arlys Askew, Frances Wells and Mildred Abbe. Absent were Lottie Jo Walker, Meldon Leslie, James Roberts, Jim Solomon, and Betsy Pridmore.

### Bulldog Booster Club Golf Tourney Held In Lubbock Aug. 15

The first annual Bulldog Booster Club Golf Tournament was held Sat. Aug. 15 at Elm Grove Golf Course in Lubbock. Thirty-three teams participated. The results of the tournament are as follows.

Bulldog flight: 1st, Wheeler; Loudermill-Ross-Trammel 55; 2nd, Kahlich-Taylor-Clary-Dardon 56; 3rd, Keith-Smith-Glover-Green 57.

Blue & White flight: 1st, Johnson-Qualls-Salisbury-Eoff 58; 2nd, Thrash-Thrash-Loveless-Bewley 59; 3rd, Lopez-McAlister-Hamond-Sterahand 60.

The success of the tournament can be attributed to the tremendous support and hard work of local and area residents. A special thanks goes to Alth Harvick, the many county golfers that entered the tournament, as well as the individuals that sponsored flags and donated door prizes. The Booster club also appreciates the help of the Varsity cheerleaders.

The Booster Club would like to invite everyone to join the organization and back the athletes.

#### NOTICE OF ESTRAY ANIMAL

The Lynn County Sheriff's Dept. has impounded a stray Hereford cow at the Alonzo Pando farm two miles north of West Point Gin and a half mile west.

The cow is a red, whiteface Hereford with horns, about 10 years old, weighing about 900 pounds, with a blotched-out brand on the left hip, an ear tag in the right ear and slant earmark on the left ear.

Anyone with information regarding ownership of this animal should contact Lynn County Sheriff's office before Aug. 28, 1992.

JACK MILLER, Sheriff, LYNN COUNTY
