FATAL ACCIDENT IN COUNTY - Dr. Ronnie Lee Jackson, 32, of Brownfield, was fatally injured Thursday afternoon in this one-car accident on FM 1317 about 12 miles west of U.S. 87. His 1990 Porsche ended upside down about 50 yards out in a plowed field next to the road, where he was pronounced dead at the scene. Lynn County EMS personnel Steve Sanders and Billy Tomlinson look on at right.

IN HIS HANDS - Tahoka's Cory Don Whitley grabbed this pass despite pressure from two Eagles close behind. The Bulldogs are 1-1 for the season, and face Coahoma in their first out-of-town game tomorrow night. (LYNN COUNTY NEWS PHOTO by Gary Jones)

Escapee Back In Jail Here After One Day

An 18-year-old Tahoka man who escaped Lynn County jail last week around noon Wednesday was back in jail by early Thursday after an aunt of the man, Joe Moya Jr., returned him to authorities.

Sheriff Jack Miller said Moya, who was awaiting transfer to the state prison at Huntsville to serve a three-month term for auto burglary, fled the jail about noon Wednesday after he had finished a meal and asked a jailer if he could step out to throw away his plate. He then fled the jail on foot. He was seen Wednesday running into a cornfield in southeast Tahoka toward his parents' home, the sheriff said.

Delbert L. Byrd Jr. reported to Lynn County Sheriff's Dept. that persons unknown had burglarized his residence located four miles north of Wilson Bank, .7 miles east, and three-quarters of a mile north on a county road, sometime Tuesday between 7 a.m. and 5 p.m. Apparently someone

broke a window and then pried open an adjacent door to gain entry into the home. Reported missing were items totaling about \$1,000, including a Sharp Microwave oven, Samsung VCR, a 13" color TV, 22 mag. Ruger pistol revolver, a Nintendo and a Nintendo Megaman game. Also reported missing from an adjacent garage was a Craftsman tiller.

Vickie Lynn Smith of New Home reported to Sheriff's officers Friday that a suspect, whom she named, borrowed her 1984 Dodge Ram pickup and then did not return it to her at the specified time, and has yet to return the vehicle to her. She also noticed the following day that several items were missing from her property, including her drivers license, Visa credit card, a checkbook from Wilson State Bank and three checks from a Merrill Lynch account. When she called to cancel her Visa credit card she was informed that \$1369 had been charged on her card after it had allegedly been

Brownfield Doctor Dies In Wreck

Dr. Ronnie Lee Jackson, 32, an obstetrician from Brownfield, was killed Thursday afternoon, Sept. 10, in a one-car rollover on FM 1317 about 12 miles west of U.S. 87.

Investigating Dept. of Public Safety officer Gilbert Arredondo said Jackson was driving his 1990 Porsche west on 1317 about a mile east of the intersection with FM 179 when the sports car ran off the road. Apparently Jackson over-corrected and the car overturned several times, ending up about 50 yards out in a plowed field next to the road. He was wearing a seat belt.

Dr. Jackson was pronounced dead at the scene by Tahoka City Judge Melvin Burks. Tahoka Volunteer Fire Dept. members used the Jaws of Life to free Dr. Jackson's body from the wreckage, assisted by Tahoka EMS ambulance personnel.

Services for Dr. Jackson were held at 2 p.m. Monday in Lubbock at Resthaven Funeral Home's chapel with Glenn Larson and Carroll Lockett officiating.

Burial was in Resthaven Memorial Park.

He was born in Sherman and moved from Lubbock to Brownfield in 1991. He married Brenda Rene Herald on July 3, 1991, in Las Vegas, Nev. He began family practice in Brownfield in August 1992 and was director of Emergency care at Brownfield Regional Medical Center.

Survivors include his wife; a daughter, Ashlee R. of Brownfield; his parents, Russell Sr. and Eula M. Jackson of Arlington; and two brothers, Russell Jr. and Randall, both of Arlington.

stolen. She also told authorities that a \$2,000 check had been forged and passed on her Wilson State Bank account on Monday, and the bank informed her that on Friday a check for \$2500 from her account was deposited in a Lubbock bank account in the suspect's name, and was allegedly forged. The suspect has not yet been picked up for questioning in the thefts and forgeries.

In jail during the week were four persons on charges of DWI first offense; DWI first offense and driving while license suspended; DWI second offense; and one charged with several offenses, including littering, no drivers license, failure to control speed, DWI (juvenile), no liability insurance, minor in possession of alcoholic beverage, and failure to leave information.

City To Add \$3 Volunteer Donation For Fire Department To Water Bill

Tahoka City Council voted Monday night to add a \$3 voluntary contribution to each month's water bill for the residents of Tahoka, in an effort to raise funds for the Tahoka Volunteer Fire Department without raising taxes. The volunteer donation will be added to all residents' water bills beginning Oct. 1, and is strictly optional. Anyone who does not want to make the donation may deduct the \$3 fee from the total bill, according to City Manager Barry Pitman.

The council discussed the voluntary contribution for fire department funding after learning that other cities were adding the fee to their water bills, and that residents of those cities were receptive to the idea. City officials were enthusiastic about the innovative way to raise funds for the fire department, and voted unanimously to approve the line addition to the monthly bills.

"We want to stress to the citizens of Tahoka that this \$3 fee added to their monthly water bills beginning in October is entirely optional, and to tell anyone who does wish to contribute that the city will allocate that \$3 to

a separate account designated strictly for fire department improvements," said Mayor Jim Solomon. "The donation is tax deductible, and at the end of the year the city will send a letter to individuals listing their contributions and stating how the funds will be used for the fire department," he added.

In a year's time, an individual resident will have donated \$36 to the Tahoka Volunteer Fire Dept. if the volunteer contribution is paid on each month's bill. "We have a really high-class volunteer fire department here," said the mayor, "and a lot of dedicated guys who respond to that fire whistle at any time, day or night. But some of the equipment is getting old, and we're getting in desperate need of a new fire truck. First and foremost, we want our firemen to be safe, and to use safe equipment. This is one way of raising money to do that, without raising taxes," he added.

In addition to seeking funds from city residents, Mayor Solomon said the City of Tahoka will be sending letters to residents in the county re-

questing voluntary contributions to the Fire Dept. fund. "We think the people in the county will be receptive to this idea, and willing to donate if they are sure the money will go for fire department improvements," said Solomon. "The majority of the fire department activity is outside of the city, and the letter will probably ask for a one-time contribution of \$36 or whatever amount someone wishes to donate," he added.

City officials agreed to designate an ad hoc committee of two representatives of the City Council, two representatives of the Tahoka Volunteer Fire Dept., the mayor, and the city manager to decide how the money raised from the volunteer contributions will be used within the fire department. This committee will be named the Fireman Finance Committee, and will coordinate with the City Council in determining how the money will be used.

In other business during the City Council meeting, officials reported that the city is seeking a \$170,750 grant from SPAG for a sewer im-

Bulldogs Fumble And Stumble

By DALTON WOOD

You can't turn the ball over to the opposing team seven times and expect to win. If the Tahoka Bulldogs didn't know that already, they found out Friday night when the visiting Roosevelt Eagles pounced on five Tahoka fumbles and grabbed two interceptions while downing the Bulldogs 25-14.

It was a disappointing loss to Bulldog backers, and Tahoka stayed in the game until about the last five minutes despite the trouble holding onto the ball. And Tahoka's defense fought hard for the entire game. And on offense, the running backs gave a super effort, getting some tough yards against a quick, gang-tackling defense.

This week the Blue Dogs will take on the Red Dogs of Coahoma in Tahoka's first game away from home this year, with kickoff set for 8 p.m. Coahoma beat Rotan 10-6 Friday after losing their first game of the season to Greenwood 26-9.

Roosevelt scored early Friday night after recovering a fumble at the Tahoka 47. A few plays later Jerry Orta ran 25 yards for a touchdown and Chris Mossman converted. Tahoka immediately cranked up a

good drive featuring runs by Cory Whitley, René Luna and Brian Moore which carried to a first and goal at the Eagle 4. But then QB Wes Solomon's pass was intercepted in the end zone to kill the chance to score.

A subsequent Roosevelt drive was halted around the Bulldog 30 when Chris Montez recovered one of the Eagles' two turnovers for the evening.

In the second, another Tahoka fumble set up Roosevelt at the Tahoka 29, and QB Johnny Zaragoza ran 7 for a TD. A kick missed and Tahoka trailed 13-0 with 7:08 left in the half.

Hard running by Moore and Luna brought Tahoka to the Eagle 2, and Moore went in from the 2 with 18 seconds left in the half. Luna kicked the point to make it 13-7 at the half.

Tahoka came back in the third close to a go-ahead score with running featuring a 15-yard rip by Seth Prince. This carried to the 4, but a penalty and short runs led to a field goal try by Luna which just barely missed from 25 yards. Roosevelt came back to score on a 5-yard touchdown pass to Mossman with 5:04 left in the third. A pass for points failed and it was 19-7. Later in the quarter two more Tahoka fumbles gave Roosevelt the ball.

Tahoka held, however, as the defense played tough, and in the fourth Prince contributed a 25-yard run, followed by runs of 15 and 6 by Luna, cleared once by a great block from Moore. Luna went 1 for the touchdown and then kicked the point to bring Tahoka within 5 points at 19-14 with 8:26 left in the game.

Orta ran 46 yards for a Roosevelt touchdown which virtually ended Tahoka's comeback hopes with 5:09 left in the game, making it 25-14. Tahoka's final possession ended with another pass being intercepted.

Luna gained 112 yards by carrying the ball 23 times, while Moore gained 77 in 21 carries. Prince had 52 yards rushing in just 5 carries.

On defense the leading tacklers were linebacker Randy Fant, tackle John Quintanilla and end Donnie Wiseman.

HARVEST FESTIVAL QUEEN CONTESTANTS - These Tahoka High School young ladies are contestants in the Lynn County Harvest Festival Queen Contest, and are selling tickets for a chance to win a trip to Mexico. The tickets are \$1 each, with ticket sales determining contest finalists. Shown standing, left to right, is Misti Norwood, Andrea Sepeda, Marissa Martin, Blanda Miller and Maria Hughes. Seated, from left, is Monica Crystal Barrientez, Donna Thomas, Adreane Williams, and Darla Willis. Not pictured is Katy Huffaker and Alyssa Grider.

HARVEST FESTIVAL PRINCESS CONTESTANTS - These Tahoka Elementary girls are Harvest Festival Princess Contestants and are selling tickets for chances to win a bicycle and a Texas Tech weekend. Standing, left to right, is Rebecca Resendez, Tasha Laws, Rosemary Saldana, Raquel Garcia and Amy Henry. Kneeling in front, from left, is Lesley Chapa, Carla Jolly and Stefanie Dotson. The tickets sell for 50-cents each, and the Tech weekend includes a suite at the Holiday Inn-Civic Center in Lubbock and two tickets to the Tech-Texas football game. The girl who sells the most tickets will be named Princess at the Festival, Oct. 3. (LYNN COUNTY NEWS PHOTO)

City To Add ...

(continued from page 1)

provement project in the southeast portion of the city, in Texas Community Development Program funds. Council members approved of the grant application, noting that in the past 10-15 years Tahoka has received approximate \$4.5 million in TCDP funds for projects such as street improvements, low income housing, and other projects concerning community development.

Cal Huffaker reported to Council members on another project to consider applying for grants through the Wes-Tex RC&D for the construction of a new fire hall, remodeling of City Hall to include a community center, and funds for a new fire truck.

Huffaker brought an application form for city officials to instigate the project, and the group will form an ad hoc committee for the project. At this point, it is not known how much grant money is available for the project, or if the city will be required to supply matching funds.

Mayor Solomon told the council that the city had received a franchise agreement from Telemedia cable company which will come due in April 1994, and said the city's lawyers will examine the franchise agreement and give an opinion to city officials. Telemedia currently has a 15-year franchise agreement to supply cable television to Tahoka, and city officials must decide by April '94 whether to renew or cancel the agreement.

County Rejects City Plea To Help Pay For Chipper

by JUANELL JONES

Tahoka City Manager Barry Pittman met with Lynn County Commissioners Monday morning to seek help in paying for a brush chipper to take care of tree limbs and shrubbery which are not accepted in city dumpsters or at the county collection station. Commissioners took no official action on the matter, but agreed by general consensus that the county would not be interested in sharing the cost of such an endeavor.

"We know that most people with brush and tree limbs to dispose of are city residents, but since city residents also pay county taxes, the City Council felt that the county might share in the cost - especially since the brush would most likely end up in bar ditches on county roads and become a county problem if nothing is done about it," explained Pittman. "Since the county collection station will not accept brush and tree limbs, we're trying to prevent this from becoming your problem," he added.

Presently, any brush or tree limbs must be disposed of at Lubbock or Brownfield landfills. The dumpster trucks do not pick up brush left in city alleys, and it is each citizen's responsibility to dispose of brush.

Pittman said the price range on a chipper would be about \$8,000 to \$18,000, depending on the size

Councilman Joe Calvillo brought to the attention of members a weed problem in vacant lots, especially in the southeast portion of town, and the Council agreed to coordinate with LULAC in determining the worst problem areas and to send letters to owners of these vacant lots informing them of the city weed ordinance. Calvillo, a member of LULAC, volunteered the organization in aiding the City in determining these locations.

Tahoka Chief of Police Jerry Webster gave a police report for the month of August, noting that the department had answered 250 calls, made six arrests, issued five tickets and 18 warning tickets, and investigated two accidents during the month. Two thefts were investigated, with one cleared.

After discussing the budget, the group adjourned at 9 p.m. All council members, city manager and mayor were present, as well as guests Cal Huffaker and Juanell Jones.

branches it would take and various other factors.

County commissioners told Pittman that since the county took over operating costs of the collection station (the former city landfill), it was costing the county approximately \$2,000 a month. "Asking us to help pay for a chipper is just putting a double burden on our shoulders," said Commissioner T.A. Stone. "Why doesn't the City just buy the chipper? Something has got to be done, though - you can't expect people to take that stuff to Brownfield," he added.

Commissioner J.T. Miller added, "Just like everybody else, our boat is already overloaded. We don't have any funds to help pay for a chipper. Most of the people who live out in the country are just going to find a place on their land to burn their brush."

Commissioner Sandy Cox also concurred with the other commissioners, saying the county just did not have the funds to consider the proposal. Commissioner Gerald Gerner was absent from the meeting.

In other business, County Treasurer Janet Porterfield asked the court to allow remaining 1992 ad valorem tax money which comes in to be placed in the general fund, instead of being divided into several funds, since some revenue which was budgeted will not be forthcoming. "Vehicle registration and federal prisoner revenue is not coming in like we budgeted," she explained. "The fund accounts which incoming tax money is normally divided into are already fully funded for the budget - we're not taking any money away from these, we're just directing all extra money to the general fund to cover the unexpected loss of revenue in that area," she added. Commissioners gave their approval for the placement of those funds into the general account.

Commissioners examined and approved county officials reports, and adjourned after only a 45-minute meeting. Commissioners Stone, Cox and Miller were present, as were Judge Brandon, Mrs. Porterfield, County Clerk Ima Robinson, and guests Pittman and Juanell Jones.

FIVE GENERATIONS-Gussie Williams (formerly of Tahoka) is shown here holding her great-great-granddaughter Lillian Kaye Wendt; standing behind them are, left to right, Marla Wendt, great granddaughter; Russ Hensley grandson; and daughter, Jo Hensley of O'Donnell.

Obituaries

Marvin Monk

Services for Marvin M. Monk, 89, of Graham were at 10 a.m. Monday, Sept. 14, in McMillan-Satterwhite Funeral Home's Chapel in Graham with the Rev. Mike Efrid, pastor of Salem-Crestview United Methodist Church of Graham, officiating. Graveside services were held later that same day in Gail Cemetery in Gail.

He died Saturday, Sept. 12, 1992 in a nursing home in Graham.

He was born in Bettie and moved to Graham in 1989. He married Mary Zella Gilliland on Jan. 23, 1932, in Plainview. He was a former utility supervisor and Borden County Justice of the Peace. He was a member of Salem-Crestview United Methodist Church.

Survivors include his wife; two sons, Larry of Tahoka and Steve of Graham; a daughter, Linda Koch of Dimmitt; six grandchildren; and six great-grandchildren.

Eva Smith

Services for Eva E. Smith, 87, of Tahoka were held at 2 p.m. Tuesday, Sept. 15 in Tahoka's First United Methodist Church with the Rev. Marvin Gregory, pastor, officiating.

Burial was in Tahoka Cemetery under direction of White Funeral Home.

Mrs. Smith died at 1:30 p.m. Sunday, Sept. 13, 1992 in Tahoka Care Center after a lengthy illness.

She was born April 2, 1905 in Oxford, Miss., and moved to Lynn County in 1938 from Shamrock. She married Guy Smith on Nov. 8, 1922, in Vernon. He died in 1968. She was a homemaker and a member of First United Methodist Church. A son, James, died in 1990.

Survivors include a son, H.E. of Lubbock; three daughters, Mrs. B.L. Hatchell of Lubbock, Mrs. Rufus Gerner of Tahoka and Mrs. Bruce Bowden of Rockwall; a sister, Mrs. Estell Smith of Hugo, Okla.; a brother, Earl Waits of Hereford; 13 grandchildren; 27 great-grandchildren; and two great-great-grandchildren.

Pallbearers were Milt Drapef, Tony Botkin, Wilton Payne, Cecil Dorman, Melvin Edwards and Kent Kahl.

Edward Martinez

Rosary for Edward R. Martinez, 73, of Tahoka were held Wednesday, Sept. 9, at St. Jude Catholic Church in Tahoka. Mass was held Thursday, Sept. 10 at the same church with the Rev. Joe Kolodziejczyk officiating. Burial was in Nevels Cemetery in Tahoka.

Martinez died at 7 a.m. Monday, Sept. 7, 1992 in Yoakum County Hospital in Denver City after a sudden illness.

He was born May 7, 1919. He married Rita Cienega. She died in 1988. He was a Catholic and a retired farmer. He had lived in Tahoka since 1973, when he moved from Bordeit County. Four sons preceded him in death, Manuel in 1982, Narciso in 1986, Edward Jr. in 1987 and Juan Cortez in 1989.

Survivors include two sons, Joe Servando Martinez of Seagraves and Mario Martinez of Wilson; four daughters, Socorro Chavarria and Martha Monsivais both of Tahoka; and Carmen Lucero and Juanita Gonzales, both of Levelland; two brothers, Bernardino Martinez and Francisco Martinez, both of Villa Acuna, Mexico; 31 grandchildren; and nine great-grandchildren.

Pallbearers were Victor Salinas, Ruben Salinas, Anselmo Monsivais, Eddie Alvarado and Mario Martinez.

Phebe K. Warner Club News

Phebe K. Warner Club met Tuesday, Sept. 8, in the home of Bettye Green. Grace Prohl and Bennie Carter helped serve 17 members, four prospective new members, and three guests.

President Grace Huffaker chose "Committing Ourselves to a Better World" as the course of study for this year.

Bettye Green presented Klyssa Kelln a certificate and plaque for her entry in GFWC Youth Writing Contest. Klyssa wrote "My Outer Space Vacation," which won first in the

State and National contests in Indianapolis.

Evelyn Greer, Caprock District President, gave a brief summary of the background and the many projects sponsored by women volunteers. She encouraged all members to attend State and District meetings and report on club programs.

Loretta Tekell gave an update on the Family History Books, of which there are nine left for sale.

Bennie Carter, Treasurer, gave the financial report, then Bettye Green introduced Jeane Pirtle, Louise Barrett, Wanda Gill, Jodi McNeil, La Rue Tippit, and Margaret Edwards as prospective members.

Loretta Tekell was thanked for her hard work on the Lynn County Family History Book.

The group voted to donate \$25 to the Tahoka High School annual.

Gerald-Dean Wood presented the 1992-93 yearbook. Bennie Carter has the covers which can be purchased for \$6.25.

Mary Belew gave a report on needs for the Protective Service of Women and Children. She asked members to bring school supplies for children to the Sept. 22 meeting.

Bike-A-Thon To Raise Funds For J.J. Jackson Memorial Scholarship

A bike-a-thon fund raiser is being planned in conjunction with the Lynn County Harvest Festival to raise money for a new scholarship fund in Tahoka, the J.J. Jackson Memorial Scholarship. Sponsored by the J.J. Jackson Memorial Scholarship Committee, the fund is being established to provide scholarships to deserving Tahoka High School graduates who will attend college, beginning this year.

Jonathan Edward (J.J.), the nine-year-old son of Rev. and Mrs. Danny Jackson of Tahoka, died in a tragic accident four months ago. His family still resides in Tahoka, including two brothers, Michael Lee and Robert Dale, and his parents, Taryn and Danny, who is the pastor of Sweet Street Baptist Church.

The First Annual J.J. Jackson Memorial Scholarship Bike-A-Thon will be held from 1 p.m. until 4 p.m. Saturday, Oct. 3, and is open to bike riders of all ages, although children in the second grade and younger must have a parent ride with them. The bike route is still in the planning stages, but it is hoped that the bike-riders may finish the bike-a-thon at the downtown square at 4 p.m.

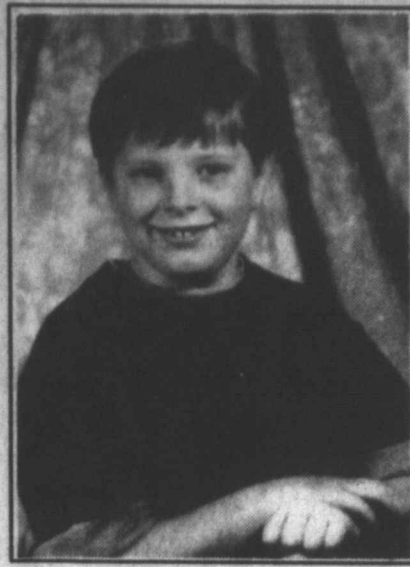

A booth will be set up at the Harvest Festival for bike-a-thon pledges, or for donations to the scholarship fund.

During the three-hour bike-a-thon, bikers may ride as long as they want, stopping for rest intervals as long as they wish (it is not a contest), but a limit of 10 miles has been set by the bike-a-thon committee.

Students in grades K-12 at Tahoka I.S.D. have been provided pledge sheets for the bike-a-thon which they may use if they decide to participate. Adults are also invited to participate in the bike-a-thon, and to make it a family-ride.

"I hope that the classmates of J.J. Jackson will want to participate in the bike-a-thon, as a memorial to their friend who they still miss," said Mrs. Juaneil Jones, a member of the Scholarship Committee whose son was a classmate of J.J.'s. "What better way for our children to honor their friend J.J., than by participating in something all little boys (and girls) love to do -- ride their bikes. We want this to be a fun event, where they can ride at their own pace and, at the same time, visit with their friends."

J.J. was a second grade student at

J.J. JACKSON

Tahoka last year, who participated in Little League Baseball and Little Dribblers, and was an Honor Roll student. He died May 4, 1992 from accidental strangulation while playing with a rope in the back yard of his home.

Rev. Jackson is co-chairman of the Scholarship Committee, along with Mrs. Jewel Parker of Tahoka. Other members of the committee are Charlie Stice, Molly Helmlinger, Clint Gardner, and Mrs. Jones.

Several other local men and women have volunteered to help plan this first annual bike-a-thon fundraiser. "This means so much to me and my family," said Rev. Jackson. "We really appreciate all the help we've been given, and setting up this memorial scholarship has been a blessing to us. It has helped us to heal," he added.

As more information on the bike-a-thon is available, it will be printed in *The Lynn County News*.

YOUR GREATEST TRIBUTE...THE ELIMINATION OF CANCER

A Memorial Gift to the American Cancer Society is a meaningful remembrance of loved ones. And it helps the Society carry on its important programs of cancer control.

For more information, contact your local American Cancer Society.

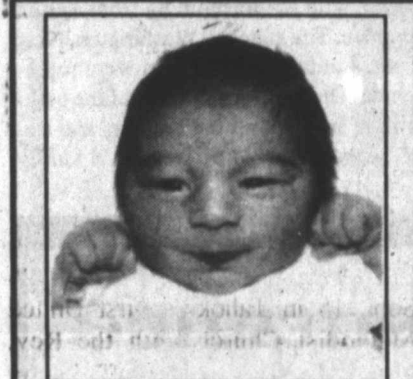

RAFFLE FOR BED ENSEMBLE - The Tahoka Garden Club is selling tickets for chances to win this king size bed ensemble, including a comforter, dust ruffle and two pillow shams in 100% cotton. Madeline Brown, a member of the club, is shown with the pastel ensemble. Tickets are \$1 each and may be purchased from any Garden Club member. The raffle will be held at the Harvest Festival on Oct. 3, and funds raised from the raffle will be used for the club's civic beautification projects.

The Wilson News
by Loretta Abbe • 628-6368

There will be a baby shower for Christi (Slone) Vinson at the home of Mary Henderson Sunday, Sept. 20, from 2 p.m.-3 p.m.

There will be a baby shower for Jana (Wuensche) Adams on Sunday, Sept. 27 in the St. John Lutheran Church, educational building, from 3 p.m.-4 p.m.

Congratulations to Malinda (Mindy) Isham, who has traded the blue and white of the Wilson High Band for the red and black of the "Goind band from Raiderland." Mindy plays the clarinet and got to march with the band for the first time last Saturday when the Raiders played the Wyoming Cowboys. Mindy had to try-out for the marching band since there were more applicants for the band than there were places for marchers.

Wilson High School held its annual Homecoming last week with the traditional activities such as the parade, the pep rally, and the bonfire. These events all took place on Wednesday since the Jr. High and JV football teams all had games scheduled for Thursday and these games were played away.

On Friday, all the Exes were welcomed with the annual Lions Club Bar-B-Que and the football game against the Witharral Panthers.

The Homecoming Queen and King were announced just before the kickoff. The Queen candidates were Jessica Creswell, Rachel Mendez, Christina Guzman, and Vivian (Hernandez) Guzman. The candidates for King were Albert Vasquez, Albert Riojas, Michael Buxkemper, and Ronnie Rios.

The winners were Vivian Guzman as Queen and Albert Riojas as King. One of the highlights of the halftime activities was the drawing for the game ball sponsored by the Mustang Booster Club. The winner for this year was Miss Janessa Lee.

The Class of 1972 was honored as the "20 year class." About half of the class was able to attend the game and be recognized. After the game many of the various classes got together for their reunions.

The Wilson Elementary PTO held its first meeting Monday night in conjunction with the all-school openhouse. Sixty-one people joined the group and paid their \$1 dues. This was an excellent sign-up but the group has a goal of 100 members for the year. If you are a parent of an elementary student you are invited to become a member. The group voted to have a spaghetti supper on Oct. 9, which will coincide with the Southland football game. All you Southlanders are invited to come eat that night and more information will be forthcoming on this event as it gets closer.

The PTO also decided to purchase a camera for the group so that they will be able to keep up with their scrapbook and the history of the group.

Vo-ag instructor, Bob Williams, then presented an informal talk about the workings and proposed benefits of Wilson ISD being chosen to work with Texas Tech as a professional development school.

Superintendent/Elementary principal Nancy Templeton then introduced the new teachers to the elementary school as well as some of the professional development people who were present.

Before the meeting adjourned for refreshments, the dates were set for the rest of the meetings for the year.

The Wilson ISD Board met last Thursday night and after a routine agenda, they voted to set the 1992-93 tax rate at 45 cents per \$100 of valuation. This is the same rate as last year, but the overall school tax will increase since the CED voted to increase their rate by 12 cents.

Wilson students in the 3rd and 5th grades will be taking the Texas Assessment of Academic Skills (TAAS) test next week. This is an annual event for these grades and the results are used to determine if the students are mastering the skills as mandated by the state. It is

WILSON HOMECOMING QUEEN CROWNED—Vivian Hernandez Guzman (third from left) was crowned Wilson Homecoming Queen at last week's Homecoming activities Friday night. Other nominees were, from left, Jessica Creswell, Christina Guzman, and at right, Rachel Mendez. Albert Riojas was named Homecoming King, and the other nominees were Albert Vasquez, Ronnie Rios and Michael Buxkemper. (LYNN COUNTY NEWS PHOTO by Robert Abbe)

advised that these students in these two grade levels be prepared for these tests by getting a good night's rest, and a good breakfast before they take these tests.

High School juniors will take their exit exam in October.

The 1992-93 seniors will be having their pictures taken on Saturday, Sept. 19. Each of the seniors should have received or will be receiving a letter concerning this. Any questions can be addressed to Mr. Wright.

It's almost fair time again and the band is making plans to march in the parade again this year. This event will be on Saturday, Sept. 26. This is also the same day that the twirlers will be involved in a contest at Coronado High School in Lubbock. All these band students and twirlers have been working hard to represent Wilson in a positive way. They deserve our support so put these dates on your calendar and go see

them perform. The High School Band will travel to Denver City on Monday, Sept. 28, to watch the Denver City band rehearse for their marching programs.

The Slaton Farmer-Merchants banquet is scheduled for Sept. 28. Those interested in attending should see Bertha Nettles at the Wilson Coop Gin for tickets.

If you would be interested in taking a tour of the denim mill at Littlefield, please contact Ronnie or Bertha Nettles at the Wilson Coop gin for further information. They are attempting to set up a tour and need input as to how many would like to go and when would be good time to go.

When is a twin not a twin? Ask Gilbert or Victor on Sept. 28.

The Wilson City Council met on Monday night to a routine agenda. They accepted the 1991 audit as presented by

the City's auditor and also voted to participate in a job-training program sponsored by Wilson ISD. This program is called M.O.C.T. or Multiple Occupational Coop Training. In this program, students are involved in school classwork for 1/2 day and then are involved in an on the job training program for 1/2 day. The city will be employing Robert Guzman as a part of this program.

Several city officials attended the annual SPAG banquet on Tuesday night in Lubbock. Wilson participates in several of the programs sponsored by SPAG and this banquet allows an interaction between officials of various governments and also allows your city officials to become aware of any new programs which might benefit the city of Wilson.

Shorty Moore is a very unusual person. If it is going to happen to someone, it will happen to her. She was on her way to work one day last week when she noticed that her car was not running just right. She parked her car in its usual spot across from the Mercantile and asked someone to check her car for her. When they opened the hood, they were greeted by a pair of eyes staring up at them. There was a large bull snake wrapped around the carburetor. Evidently the snake had crawled into the engine compartment looking for a warm spot and found one. The snake was soon removed and every-

Wilson Falls To Whitharral 42-36

Whitharral's Juan Amalia returned a kick-off 55 yards for a touchdown with 18 seconds remaining in the game, giving the Panthers a 42-36 victory against the Wilson Mustangs last Friday, Sept. 11.

Wilson got on the board first when Albert Vasquez hit Ysidro Rodriguez with a 19-yard touchdown pass. But Whitharral came back when Michael Cirilo hit Chris Driver with a 27-yard touchdown aerial. Cirilo's kick gave the Panthers a 7-6 lead.

Wilson returned the favor when Vasquez hit Robert Guzman with a 58-yard touchdown pass. But Cirilo answered by scampering free for a 35-yard touchdown run. Cirilo's kick gave Whitharral a 14-12 first quarter lead.

Wilson's Vasquez made a 6-yard pass to Albert Riojas and then again made a 35-yard pass to Guzman for two touchdowns in the second quarter, but both kicks failed. Whitharral then turned around and made two touchdowns, making the score 28-24 at the end of the first half.

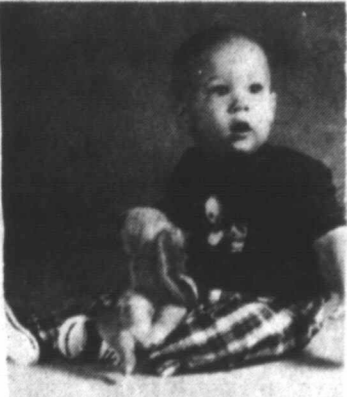

Each team made a touchdown in the third quarter and again in the fourth quarter. Wilson's Riojas grabbed a 14-yard pass from Vasquez for their third-quarter touchdown and again caught Vasquez' 9-yard pass for their fourth-quarter touchdown. Whitharral's Wade caught a 3-yard pass from Cirilo in the third quarter and Amalia had his 55-yard kick-off return at the end of the game.

Wilson will play at Cotton Center at 7:30 this Friday (Sept. 18).

one went about their business. First the bees, then the skunks, and now snakes: what's next?

Roy Isham and his family attended the 2nd annual Isham gathering in Tahoka this past week. This reunion was held at the home of Roy's father, Charlie Isham. All of the brothers and sisters were able to attend, with several coming from a good distance. The states of Washington, New York, Louisiana, and Texas were represented. One of the highlights of the gathering was when all the brothers and sisters were involved in creating a family memory book.

Happy 18th!

Love, Dad, Sara and Zip

WILSON VARSITY CHEERLEADERS—Wilson High School's 1992-93 cheerleaders are: (back row, left to right) junior Claudia Gonzales, freshman Audra Young, junior Jessica Creswell, and sophomore Michelle Rios. Front Row: sophomore Carol Frausto, sophomore Adrian Caballero and junior Rachel Mendez.

County Sales, Use Tax Analysis Shows Decrease
Lynn County collected \$2,800,610 in gross sales for the first quarter of 1992, according to the State Comptroller of Public Accounts. This amount is a 9.2% decrease compared to \$3,085,399 collected during the same period in 1991.

Foster Parent Workshop Set
Methodist Home Services will be holding a foster parent workshop on Saturday, Sept. 26 for anyone interested in learning more about private foster care. The workshop will be held from 10 a.m. to noon at 3007 33rd Street, Lubbock. Those interested can call 806/792-0099 for more information or to pre-register. Please pre-register by Sept. 23.

Tonda Freitag Speaks To Wilson 'PEOPLE' Group

Tonda Freitag, of Tahoka, spoke to the PEOPLE (Progress Evolving Out-of People Living Enthusiastically) group in Wilson on Saturday, Sept. 12. She outlined areas of concern for rural communities with some step by step solutions to increasing the self-esteem of a community.

She presented research that has shown what has been a proven help to communities in the past. Phone numbers and addresses of who to contact when you need knowledge from an expert or ideas from an already organized group, some of them being through the governor's office, were freely shared in an effort "to help anyway I can because I believe in rural America." The PEOPLE will try to entice other speakers of this caliber to bring presentations to their monthly meetings.

The PEOPLE group had its first meeting in July and has made progress in several areas. The group was organized by concerned individuals whose sole purpose is to promote the Wilson community by working together in whatever way necessary to accomplish the improvement and promotion of the community. The group meets the second Saturday morning of each month to develop ideas that support their primary goal of community promotion. This organization serves the entire community instead of being bound by the city limits.

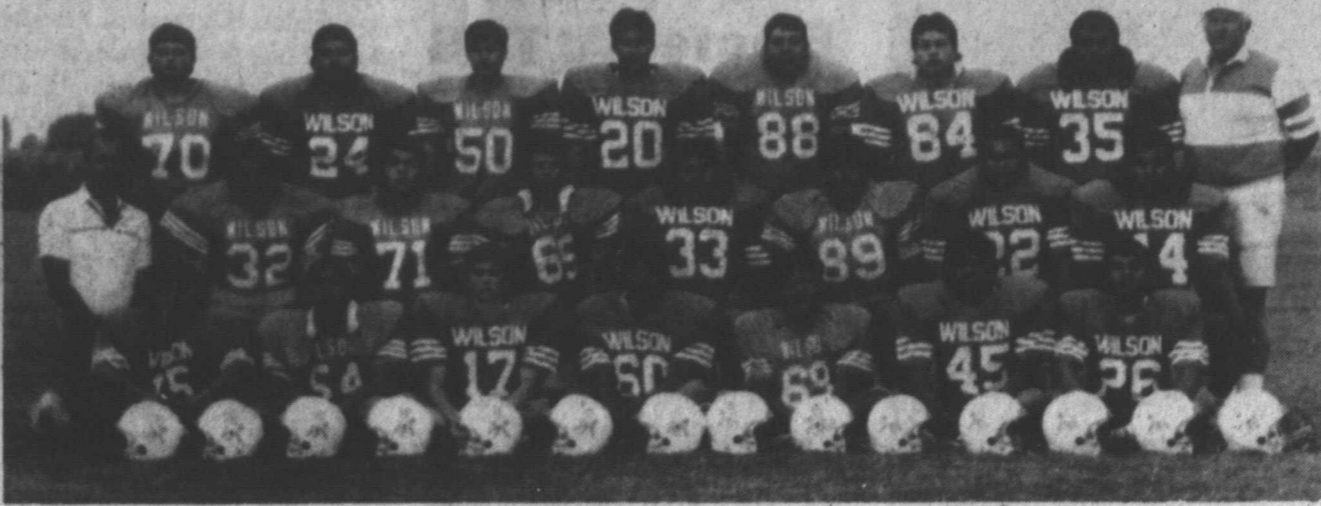

Each meeting must provide at least one positive action step toward ac-

complishing the primary goal. SO far the group has been instrumental in getting weeds removed in the downtown area, organizing and implementing a park clean-up, getting numerous yards on main street to edge lawns at the curb, sponsored, organized, and implemented a get-acquainted night for the school teachers.

The most industrious venture at this point is the Fall Festival to be held on Halloween night. In order to provide a place for people to enjoy fun on a night that has truly become spooky, the group is developing a night-out that will include food (not just snacks but a full meal), games, booths for your participation & entertainment, craft booths, musical or folk dance entertainment and a host of other activities sure to satisfy the wide variety of tastes created by numerous age differences.

The PEOPLE group is currently looking into having a city brochure printed, getting a walking track built, and encouraging a more active fire department. All these projects or goals are being accomplished by concerned people who want to see their community thrive first of all in their ability to work together. Many of the projects require individuals working together side by side and down the line there will be opportunities for interested individuals to donate funds for various activities.

If you are interested in the PEOPLE group you are encouraged

THE 1992 WILSON MUSTANG VARSITY FOOTBALL TEAM

to get involved by attending the Oct. 10 meeting at 9 a.m. in the Green Building downtown.

New Home's Fillingim Rushes 317 Yards, Assists In 38-16 Win

Troy Fillingim had a total of 317 yds. rushing, including four long touchdown runs, as the New Home Leopards defeated the Klondike Cougars, 38-16 on Friday, Sept. 11. Klondike took a first-period 8-0 lead on an 11-yard TD run by Mike Lee and the conversion kick by Mike Nichols with 6:02 left in the quarter. New Home's Brad Bell countered with a 5-yard run with 2:38 left, but the kick was wide.

New Home claimed the lead for good in the second period on a 13-yard run by Bell at the 9:51 mark. Fillingim exploded for his first touchdown on a 41-yard effort with 6:15 remaining. The minute before half-time turned frantic as Klondike scored on a 20-yard pass from Chris Riggins to Tanner Etheredge with 55 seconds left, but Fillingim tantalized the Cougars with a 65-yard scoring burst 24 seconds later.

Fillingim topped his night with 57- and 47-yard waltzes into the end zone during the third period.

New Home's first home game will be against Grady Sept. 18. Kick-off will be at 7:30.

Wolfforth To Host Harvest Festival On September 19

The second annual Wolfforth Harvest Festival under the theme of "Patriotism" will be held Saturday, Sept. 19 in downtown Wolfforth. The event is sponsored by the Wolfforth Area Chamber of Commerce and Agriculture.

All day activities begin at 9 a.m. with a parade. Harvest Festival activities will be centered at 300 Main Street in Wolfforth, near the Frenship ISD Administration office. Activities of the day will include Hot Air Balloon rides for the public, free-throw shooting contest, and a dunking booth, run by the Frenship Athletic Boosters. These events will begin immediately after the parade.

Additional events include an Arts & Crafts Show from 10 a.m. until 5 p.m., a BBQ lunch will begin at 11 a.m. and features a BBQ sandwich, trimmings, and soft drink for \$3.

From 7 p.m. to 8:30 p.m., an evening meal will be served. The festival will be concluded with a community dance, featuring the Maines Brothers Band, from 9 p.m. until midnight. This is a family activity, alcohol is prohibited, and everyone is invited to come and join the fun.

For more information, contact the Chamber office: 866-4215.

Curtis Whitley Is Winner Of Football Contest

Curtis Whitley, along with three other contest entrants, missed only three games in the Lynn County News football contest this week. Whitley, however, came closest in the tie-breaker score to win the \$10 prize.

Others missing only three games in the contest were Pearl Gonzales, Hans Mensch and Lee Rash.

Whitley named First National Bank as the secret sponsor of the week, and would have won \$20 had that name been drawn by the News staff. However, the three sponsors drawn for the week were Montgomery Seed, 1-Stop Convenience Store, and Handi Hobby.

This week's contest is printed on the back page of this issue. Anyone may enter the contest by turning in their entry to The News Office by 4 p.m. Friday. The list of sponsors from which to choose the secret sponsor is printed on the contest page.

Public Notice

Southwestern Bell Telephone Company, in accordance with the rules of the Public Utility Commission of Texas (PUC), hereby gives notice of the Company's intent to implement a new schedule of telephone rates in Texas for optional Custom Calling Services and Touch-tone service, effective March 15, 1993, unless otherwise determined by the PUC.

These proposed rates will not increase or decrease the Company's overall revenues; the net effect will be neutral to the Company's annual revenues.

The Company proposes to decrease the rates for Touch-tone service for residential customers from \$1.00 to 68 cents, and also to reduce the Touch-tone rates for business customers from \$1.75 to \$1.70. In addition, the Touch-tone rates for business PBX trunks will be reduced from \$3.15 to \$2.18.

This proposal to decrease the rates for Touch-tone service does not change the commitment that the Company made in the Docket No. 8585 Stipulation to reduce the rates for Touch-tone service in 1993.

The Custom Calling Services affected by the Company's application are optional telephone service arrangements that provide the following features: Call Waiting, Call Forwarding, Three Way Calling, Speed Calling-8 and Speed Calling-30. Following are the feature combinations and their current and proposed rates.

One Feature per line	Residence		Business	
	Current Rate	Proposed Rate	Current Rate	Proposed Rate
Call Waiting	\$2.10	\$2.85	\$2.85	\$3.25
Call Forwarding	2.10	2.10	2.85	3.50
3-Way Calling	2.10	2.10	2.85	2.50
Speed Call-8	2.10	2.10	2.85	2.50
Two Features per line				
Call Waiting, Call Forwarding	3.75	4.25	4.75	6.00
Call Waiting, 3-Way Calling	3.70	4.25	4.75	4.75
Call Waiting, Speed Calling-8	3.70	4.25	4.75	4.75
Call Forwarding, 3-Way Calling	3.70	3.50	4.80	5.00
Call Forwarding, Speed Calling-8	3.70	3.50	4.75	5.00
3-Way Calling, Speed Calling-8	3.70	3.50	4.75	4.00
Three Features per line				
Call Waiting, Call Forwarding and 3-Way Calling	5.30	5.65	6.90	7.50
Call Waiting, Call Forwarding and Speed Calling-8	5.30	5.65	6.90	7.50
Call Waiting, 3-Way Calling and Speed Calling-8	5.30	5.65	6.90	6.25
Call Forwarding, 3-Way Calling and Speed Calling-8	5.30	4.90	6.90	6.50
Four Features per line				
Call Waiting, Call Forwarding, 3-Way Calling, Speed Calling-8	6.90	7.05	9.00	9.00
Speed Calling - 30 code capacity	3.20	3.20	4.25	3.20

Most of the Company's residence and business customers who subscribe to Custom Calling Features and Touch-tone service will be affected by the proposed rate restructuring.

It is expected that the restructuring of Custom Calling Features will result in a rate increase for approximately 2.9 million residence customers and 280,000 business customers. The reduction in rates for certain Custom Calling Services and Touch-tone Service will affect approximately 4.3 million residence customers and 1.7 million business customers.

This rate restructuring is expected to have a "revenue-neutral" effect on the Company's annual revenues. The proposed rate restructuring of Custom Calling Services will increase the Company's annual revenues by \$19.8 million; while the reduction in Touch-tone rates will decrease the Company's annual revenues by \$19.8 million.

This proceeding has been designated Docket No. 11382. Persons who wish to intervene or otherwise participate in this proceeding should notify the PUC as soon as possible. The deadline to intervene is October 30, 1992. A request to intervene, participate or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the PUC Public Information Office at (512) 458-0256 or (512) 458-0221, teletypewriter for the deaf.

New Home News

By Karon Durham

The Junior Varsity topped Klondike on Sept. 10 with a win of 29-13. Coach Turner said he thought that everyone played very well.

Junior High played their first game on Sept. 10, also against Klondike. After giving a good try the Jr. High finished behind 7-16. They are playing at Grady today (Sept. 17) at 5 p.m., and the Junior Varsity game will follow.

HOMEcoming

Homecoming will be Sept. 25 against the Sands Mustangs. The annual Homecoming Parade and Pep Rally will be that afternoon.

Mums are now on sale from any of the High School cheerleaders, so place your orders with Selma, Kara, Kary, Farrah, Rebecca, Marla, or Esmeralda.

CAMPUS ROCK

Each Tuesday, Campus Rock has a meeting and different activities planned for those students in high school. Meeting plans are always posted on the bulletin board in the High School building. Sponsors of this group are Mrs. McAlister and Coach Blackwell.

School Trustees Propose 11.6 Cent Local Tax Rate

by **JUANELL JONES**

Tahoka Independent School District Board of Trustees Thursday evening unanimously approved a proposed tax rate of 11.661 cents per \$100 valuation for the local school district, setting a date of Thursday, Sept. 24 to officially vote on the proposed rate.

The proposed rate is a 1.6-cent increase over the district's current tax rate of 10 cents, and is the highest rate increase allowed without a public tax hearing.

In other business, trustees unanimously approved hiring Shannon Lawson as an elementary teaching assistant, approved a list of substitute teachers for the district, and discussed district policies concerning site-based decision making, instructional policies, admissions and attendance tuition, and the school calendar. All policies were approved by the board.

Bookkeeper Mrs. Loretta Tekell reported an account balance in all funds of \$992,057.72 and said tax collections for the 1991-92 year ended at a 96.23 percent collection

rate, compared to last year's 96.54 percent collection rate. She reported that the school cafeteria fund at the end of August showed a profit of \$4,762 for the year. "Most schools have to supplement their cafeteria funds, so we're doing very well in that respect," she said.

Superintendent Dr. Duane Carter reported that 720 students were enrolled in the district as of Sept. 11, up from the previous year's enrollment of 711. "The enrollment numbers have been steadily increasing by about 10 students each year, and in the future this may mean that the district will have to look at increasing the number of classrooms, on both the elementary and junior/senior high school campuses," he said. "Our problem is we're just about filled to capacity," he added.

The enrollment figures show 417 students in elementary, and 303 students in the junior/senior high school this year.

All trustees were present for the meeting which adjourned at 11 p.m., as well as district administrative personnel.

Class Officers Elected At THS

Officers to lead the classes at Tahoka High and Junior High School were elected recently in class meetings.

Donnie Wiseman has been elected president of the senior class by his classmates. Other senior officers include Cory Whitley, vice president; Andrea Sepeda, secretary/treasurer; Jayson Boydston, reporter; and Leah DeLeon, parliamentarian.

Faculty sponsors of the senior class are Angie Ehlers, Denny Belew, Henry Paul, Rebecca Goswick, and Leah Taylor.

John Quintanilla has been elected president of the junior class by his fellow juniors. Other junior leaders will be Jill DeLeon, vice president; Kelly Wells, secretary; and Jason McMillan, treasurer.

Faculty sponsors of the junior class are Joann Pennington, Jetty Jo Paul, Steve Qualls, Mary Lund, LaJuana Ashcraft and Chris Wigington.

Katy Huffaker will lead the sophomore class as president. Crystal Barrientez, vice president; Stephanie Stennett, secretary/treasurer; Ramiro Rodriguez, reporter; and Shannon Garvin, parliamentarian will also lead as sophomore officers.

Sophomore faculty sponsors are Barbara Jaquess, Julia Scarbrough, Robert Tidwell, Donna Stone and Betty Stennett.

Freshmen have elected Curtis Erickson to lead them as president in their first year of high school. Other officers are Stephen Rodriguez, vice president; Blanda Miller, secretary; Adrian Lopez, treasurer; Marisa Martin, reporter; and Shawn Brewer, parliamentarian.

Freshmen are sponsored by Stephen Morgan, Patti Rambo, Dana Curry, Glo Hays, Nancy Kirkland and Sam Eoff.

Eighth graders elected Reggie Moore, president; Edward Ramirez, vice president; Abby Wells, secretary/treasurer; Rebecca DeLeon, reporter; and Robin Martin, parliamentarian.

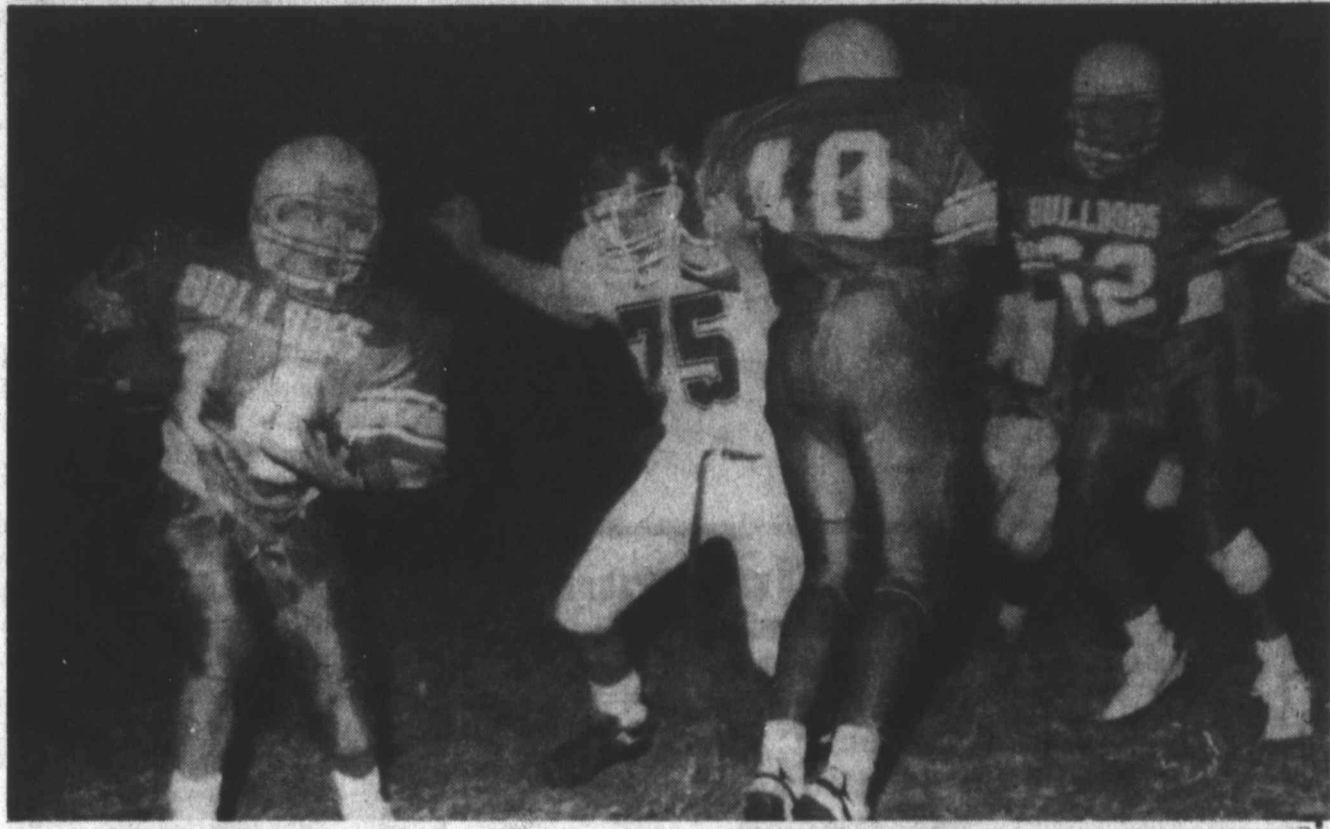

Eighth grader sponsors are Rebecca Ingle, David Johnson, Cindy Gardner, Kim Thurman and Maurine Bray.

Seventh graders elected Davy Stone, president; April Braddock, vice president; Dereck Hatchett, secretary; Jamie Luna, reporter; and Welton Wormly, parliamentarian.

Seventh grade sponsors are Dolores Webb, Nan Adams, Mary Belew, Tom Sullivan and Barbara Foster.

THS JV GIRLS VOLLEYBALL TEAM - (Standing L-R) Sonia Colon, Heather Metcalf, J'Lynn Williams, (2nd row l-r) Carmella Placencia, Eva Morin, Amy Draper, Sara Prince, Shelley Tipton, (front row l-r) Charlotte Thomas, Marissa Martin, Laura Liendo, Alyssa Gryder, and Blanda Miller. Absent was Sally Lara. (LCN PHOTO)

Lady Bulldogs Cross County Team Competes

The Tahoka Lady Bulldogs competed in their first Cross Country meet this past weekend. Plainview was the site of their first two-mile race. Competing for Tahoka in Division 1 was Shayla Brandon, who finished 26th with a time of 14:57.78. Georgia Williams finished 148th with a time of 17:06.66, competing against over 400 girls in this division.

In Division 2, Tahoka's Varsity team consisted of Stephanie Stennett, Laura Liendo, Aimee Wilson, Roxanne Villeneuve, and Susan Draper. Stephanie had a personal best time of 14:48.59 which was good enough for a 73rd place finish. Laura was second best Tahoka runner with a time of 15:24.09. Aimee's time was 15:29.18; Roxanne had a 15:29.50; and Susan had a time of 20:43.88. Over 600 girls competed in this division.

Coach Steve Qualls said, "This was our first meet of the year and we were just trying to set a target time to improve on. I had no idea that the girls would run as fast as they did in their first meet. At the halfway mark (one mile), Shayla was in 132nd and she just started passing people with a great kick at the end. Stephanie used a great start in her race to get out in front of the pack."

"The other girls will just have to learn from their mistakes," he continued. "Aimee had some trouble with all the pushing and shoving that goes on and finished back a little farther than she is capable. This was the first race for everyone except Steph and Aimee."

Team results were as follows: Canyon, first with 17 points; Nazareth second with 158 points; Sundown third with 168 points; Petersburg fourth with 168 points; Muleshoe fifth with 10 points and Floydada sixth with 213. Points are given according to places of the five runners for each team.

Go, Bulldogs and Lady Dogs

COMMODITY SCHEDULE

SEPTEMBER
Sept. 17 at O'Donnell Catholic Church — 9:30 am - 12 noon.
Sept. 18 at O'Donnell Senior Citizen — 10 am - 12 noon.

Public Notice

Southwestern Bell Telephone Company has asked the Public Utility Commission of Texas (PUC) for approval to offer new optional call management services called Caller Identification Service (Caller ID) and Anonymous Call Rejection (ACR).

Caller ID is a new optional phone service which allows subscribers to see the phone number and/or name of most local calls before they answer the phone. Caller ID also allows the recording of the date, time, name and/or phone number of calls. Currently, Caller ID would work only on most local calls, not long distance calls. It would also require that a separate display unit be connected to the telephone. These units that attach to the telephone will be available from various retail vendors, including Southwestern Bell, at a cost starting at approximately \$50.

Southwestern Bell is also proposing that all customers be able to "block," or stop their name/number from being transmitted and displayed on a Caller ID device, free of charge. You would have this option of "blocking" your name/number on each call free of charge. There would be no need to subscribe to this service. All customers would have this capability when Caller ID is introduced in their area.

If you want to block your name or number, you need only press *67 on your touch-tone pad (or dial 1167 from a rotary phone) before dialing the telephone number. The person you're calling would see displayed a message such as "private" or "anonymous" on their Caller ID display unit.

Southwestern Bell also proposes that qualified domestic violence and law enforcement groups have the option of free per-line blocking, or free per-call blocking.

Anonymous Call Rejection (ACR or "block the blocker") allows subscribers to automatically reject all calls that have been marked anonymous, or "blocked" by the person calling. It is not necessary to subscribe to Caller ID Name/Number to subscribe to ACR. With ACR, your telephone will not ring if the person calling you has "blocked" his/her name or number. The person calling whose identification is blocked will receive a message to hang up and call back with caller identification unblocked. Following are the proposed monthly rates for Caller ID and ACR.

Proposed Rates (monthly)*		
	Residence	Business
Calling Number only	\$6.50	\$ 8.50
Calling Name only	\$6.50	\$ 8.50
Calling Name & Number	\$8.00	\$12.00
Anonymous Call Rejection	\$3/\$1**	\$3/\$1**

* These rates are in addition to the initial installation charges and monthly basic service rate. For residence customers, installation charges are \$2.70 per feature, with a maximum charge of \$5.40. For business customers, the charges are \$5.40 per feature, with a maximum charge of \$10.75.

** Anonymous Call Rejection is \$3 per month if purchased without Caller ID and is \$1 per month when purchased with Caller ID Name or Number.

This proceeding has been designated Docket No. 11362, and a hearing on the merits has been scheduled for November 16, 1992. The PUC has jurisdiction to consider this matter pursuant to Sections 16, 18, 37 and 38 of the Public Utility Regulatory Act (PURA). This application was filed pursuant to the provisions of the PUC's Substantive Rule 23.24. Among the issues that will be addressed in this proceeding is the legality of the Caller ID device and service under Texas wiretap laws.

Persons who wish to intervene or otherwise participate in these proceedings should notify the PUC as soon as possible. The deadline to intervene is October 26, 1992. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the PUC Public Information Office at (512) 458-0256 or (512) 458-0221 teletypewriter for the deaf.

BURSITIS IS A BURSA INFLAMMATION

A bursa is a small sac, filled with a slippery fluid. It is located between two body parts that move upon one another. They occur in several parts of the body and serve the same purpose as a bearing. The bursa near the ligaments of the shoulder joint is a frequent pain causer.

Rest and treatment are usually required to reduce the inflammation and enable the bursa to regain its slippery quality. You can save yourself a lot of future pain by visiting your Doctor.

Variety Of Children's Games To Be Offered At Upcoming Harvest Festival

There are numerous children's activities planned for this year's 17th annual Lynn County Harvest Festival on Saturday, Oct. 3 on the downtown square in Tahoka. All children through the sixth grade are eligible to participate.

Listed below are several of activities which will be offered that day:

- **Scavenger Hunt - 11:50 a.m.-12:30 p.m.** This is a new event this year. Children may work in pairs or teams and find the items on the list. The list will be a secret until the start of the event. Each team will receive a list. Items on the list will be found within the boundaries of the court-

ter from, but it would be helpful to the judges. Children will compete by grade levels in this event. Ribbons will be given to all participants. Elementary Principal Molly Helmlinger is in charge of this contest.

- **Stuffed Animals Costume Contest - 11:20 a.m.-11:50 a.m.** A child participating in this event should bring a stuffed animal and dress it up (costume) to fit one of the following categories. Award places will be given for: Coolest, Most Dignified, Ugliest, Scariest, Cutest, Most Glamorous, Skinniest, Fattest, Smallest, Largest, Fuzziest, Most Colorful, Most Loved (Most Used or Worn), Most Realistic or Life-Like, Best Matched Pair (Child and Stuffed Animal), and any other appropriate category. Ribbons will be given to all participants. Ribbons are given out based on the categories and not according to the grade level. Elementary Principal Molly Helmlinger is in charge of this contest.

- **Live Animal Costume Contest - 10 a.m.-10:20 a.m.** This is the same as the Stuffed Animals event, but it is with live animals. Please make sure all animals are on leashes or appropriate restraints and can be managed. The categories are similar to the stuffed animals, but there will also be Most Unusual, Most Well-Behaved and Friendliest. Ribbons are given out based on the categories and not according to grade level. Elementary Principal Molly Helmlinger is in charge of this contest.

- **Frog Jumping Contest - 10:20 a.m.-11 a.m.** A child brings his frog and a frog-jumping contest is held. Ribbons are given out according to what place the frog finishes. Ribbons will be given to all participants. 4-H is in charge of this contest.

- **Turtle Race Contest - 10:20 a.m.-11 a.m.** A child brings his turtle and a turtle race is held. Ribbons are given out according to how the turtle finishes. Ribbons will be given out to all participants.

- **Artwork and Essays** — In addition to games, all the children's school artwork and essays will be displayed. Ribbons will have been awarded in the essay contest for 1st place through 6th place in each grade level. Essays were written on the topic, "What Tahoka Elementary Means To Me."

YARD OF THE MONTH — Tahoka Garden Club named this yard at 2405 N. 4th in Tahoka, the home of Mr. and Mrs. Ralph Robinson, as Yard of the Month. (LYNN COUNTY NEWS PHOTO)

Rotary News

Guest speaker at the noon Rotary Club meeting last week was Lynn County Extension Agent Wade Shackelford, who gave an update on the crop situation in Lynn County. He said that farmers last year planted about 2300 acres of grain sorghum, and that this year's estimated harvest was going to be about 68,000 acres of grain sorghum.

"We're estimating about 50 per cent of the acreage in the county is planted in grain sorghum this year," said Shackelford.

"The cotton situation in the county is anybody's guess," said the agent. "It varies throughout the county, looking good in some areas and hard to find in other areas." The weather will determine the outcome of the crop, and Shackelford said that when the nighttime temperature drops below 65 degrees that a cotton plant will not mature during that time period.

"Aphids are not the problem that they were last year in the county," he

said. "Some farmers are having an aphid problem, but nothing like what we experienced last year."

As for disaster relief aid, Shackelford said the ASCS is anticipating about 333 farms in the county to apply for federal aid.

The Rotary Sweetheart, Carrie Taylor, also spoke to the group, giving a speech which she will present in a free enterprise public speaking contest sponsored by Farm Bureau.

Tech Student Struck By Automobile

A 19-year-old Texas Tech University student remained in critical condition Wednesday after she was struck by a car Saturday night near Jones Stadium.

Kimberly Ann Thomas of Friona suffered severe injuries in the 8:30 p.m. accident in the 900 block of University Ave. She was in University Medical Center.

Kimberly is the daughter of Dennis and Linda Thomas of Friona and the granddaughter of Dan Thomas of Tahoka.

She and a friend, Jennifer M. Jeffrey, also 19, were crossing University Ave. when they were struck by a 1970 Buick Electra driven by 50-year-old Amelia Alvarado of Shallowater, according to Officer Brent Hackett. The northbound vehicle struck the young women accidentally, Hackett said. Miss Jeffrey was treated for injuries and later released from UMC. Ms. Alvarado was not injured, the accident report added.

Junior High Volleyballers Defeat Lubbock Christian

Tahoka Junior High 7th graders defeated Lubbock Christian Junior High 15-5, 15-9 and 15-5 on Monday, Sept. 14.

Lady Bulldog 8th graders won 2 out of 3 against Lubbock Christian with scores of 15-6, 8-15 and 15-10.

- Sept. 22 - 5 p.m. 9/IV Volleyball at Denver City.
- Sept. 23 - 8 p.m. - Bulldog Booster Club.

NOTICE OF COMPARABLE TAX RATES AND REVENUES

The legislature has enacted a statute on school funding to comply with a court mandate enforcing the state constitution. Under prior statutes the tax rate for last year provides \$4,521 per student in state and local revenues. Under this statute that same rate now provides \$4,769 per student in state and local revenues.

State law only requires a minimum tax rate of \$.901 for County Education Districts. State law does not require a school district to adopt additional taxes. Neither does state law require a school district to adopt a rate that maximizes the receipt of state funds.

The Board of Trustees of the Tahoka Independent School District hereby gives notice that it is considering the adoption of a tax rate of \$.11661 that will provide \$4,915.00 per student in state and local revenues.

38-11c

Researchers Find Silver Lining In Disastrous Cotton Season

Excessive rain, hail and cool weather this spring delayed planting, nurtured seedling diseases, destroyed young plants and wiped out almost two million acres of cotton on the Texas South Plains. Nevertheless, those conditions may have done growers a favor for crops of the future, scientists told more than 400 visitors to the 83rd annual field day of the Texas Agricultural Experiment Station in Lubbock, Tuesday, Sept. 8.

At one stop on the tour, Dr. John Gannaway, Experiment Station cotton breeder, pointed to a plot where 250 lines of cotton had been planted last April 15. "Seventeen of those survived and look extremely good,"

Gannaway said. "If there is a silver lining this year, that's it." The genetic qualities which caused those 17 lines to excel under the most adverse conditions of this growing season are among the things breeders are working toward, Gannaway explained. He said those lines will be planted this winter in Mexico and seed produced for planting here next spring. "We want to get those into the hands of commercial seedsmen, and the growers, as soon as possible," he said.

At other stops, visitors heard a report on the arrival in High Plains sorghum fields of the new Biotype I greenbug, learned how Experiment Station sorghum breeders are working to develop plant resistance to that pest, heard of management practices to combat the cotton aphid, saw results of longterm minimum tillage practices, and viewed a state-of-the-art building for storing and handling agricultural chemicals.

The new type of greenbug, for which most sorghum plants have no resistance, has been identified in 13 counties from Terry County to the top of the Texas Panhandle, Dr. W. Pat Morrison told tour guests.

Morrison, an entomologist with the Texas Agricultural Extension Service here, said the insects were found in a survey this summer of 60 fields in 30 counties from Gaines County northward.

Counties in which the Biotype I greenbug were found are Yoakum, Cochran, Bailey, Hale, Farmer, Castro, Swisher, Donley, Armstrong.

Hutchinson, Hartley, Hansford and Ochilree.

Dr. Gary Peterson, Experiment Station sorghum breeder, displayed sorghum plants with greenbug damage and explained work being done to develop insect resistance in the plants. He said it is a process of selecting resistant lines, identifying genotypes and incorporating desirable resistance characteristics into improved types of plant.

"We need to have not only insect resistance but an acceptable yield potential all over the state, and acceptable agronomic characteristics," he said.

The benefit of conservation tillage and such practices as crop rotation were discussed at a third stop. "The tougher the year (for growing conditions), the better the rotated crop comes through," said Dr. Wayne Keeling, Experiment Station systems agronomist who reported on seven years of studies conducted at Lubbock, Halfway and Lamesa. Keeling and Dr. Brent Bean, Extension Service agronomist and weed specialist at Amarillo, discussed chemical weed control.

At a fourth stop, Dr. Don Rummel and Dr. James Leser, entomologists with the Experiment Station and the Extension Service, reported on research projects and recommendations to improve management of the cotton aphid, a major pest last year. This year's late crop and poor stands made the aphid less of a factor, but the entomologists cautioned growers to carefully watch the remaining cotton crop. When aphid populations reach 50 per leaf, it is time to treat with an insecticide, Leser said.

Home economists with the Extension Service and Texas Tech University presented exhibits on food safety and uses of cotton. Other displays explained a new program to help producers determine irrigation demands based on potential evapotranspiration (PET), and showed the latest agricultural equipment and products.

The field day is a cooperative presentation of the Experiment Station, Extension Service, USDA-Agricultural Research Service, Texas Forest Service and Texas Tech.

O'Donnell Loses 21-19 To Grand Falls Royalty

Grand Falls Royalty overcame 12 penalties and a sputtering offense in the second half, squeaking out a 21-19 win over O'Donnell last Friday night, Sept. 11.

O'Donnell's Gonzales made two 1-yard runs, both in the second quarter, making the Eagles trailing at the half 13-14. O'Donnell's Eaker made a 56-yard pass from Cruz during the fourth quarter, but the attempted pass for the extra points failed.

Grand Falls lost 120 yards to penalties and managed only 17 yards of offense in the third and fourth quarters but still managed to come away with the victory.

O'Donnell will play Spur at home this Friday, Sept. 18, at 8:00 p.m.

THE WARMTH OF THE EARTH

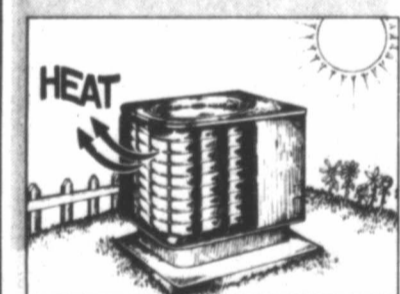

The heat pump captures it to heat and cool your home naturally.

The Dual Fuel Heat Pump uses existing heat to keep your home comfortable...naturally. Because it doesn't have to create heat, it's very efficient. For each unit of energy it uses, the Dual Fuel Heat Pump creates two or three units of heat.

Dual Fuel Heat Pump owners say it costs them less to operate than other systems. And, because it's electric, the Dual Fuel Heat Pump is cleaner.

There is heat in the air on the coldest days. The heat pump captures it to warm your home.

In summer, it becomes a high efficiency air conditioner. During hot weather, the heat pump captures the heat inside the home and takes it outside.

Contact your heat pump dealer or Southwestern Public Service Company for more information.

Dual Fuel Heat Pump

August Was Cooler, Drier Than Normal

The weather across the Texas South Plains during the month of August turned out to be cooler and drier than normal, according to the National weather service.

Temperatures averaged 3.3 degrees below normal and ranged from 1.0 degree below normal at the Muleshoe Wildlife Refuge to 5.7 degrees below normal at Matador.

Maximum temperatures averaged 4.4 degrees below normal and ranged from 1.7 degrees below normal at the Muleshoe Wildlife Refuge to 7.2 degrees below normal at Matador. The highest temperature reported during the month was 101 at Paducah on the 11th.

Minimum temperatures averaged 2.1 degrees below normal and ranged from 0.3 degree below normal at the Muleshoe Wildlife Refuge to 4.6 degrees below normal at Spur. The lowest report of the month was 47 at Friona on the 27th.

Precipitation although being frequent and sometimes heavy actually averaged 0.35 inch below normal. The range was from 1.98 inches above normal at Dimmitt to 2.22 inches below normal at Silverton.

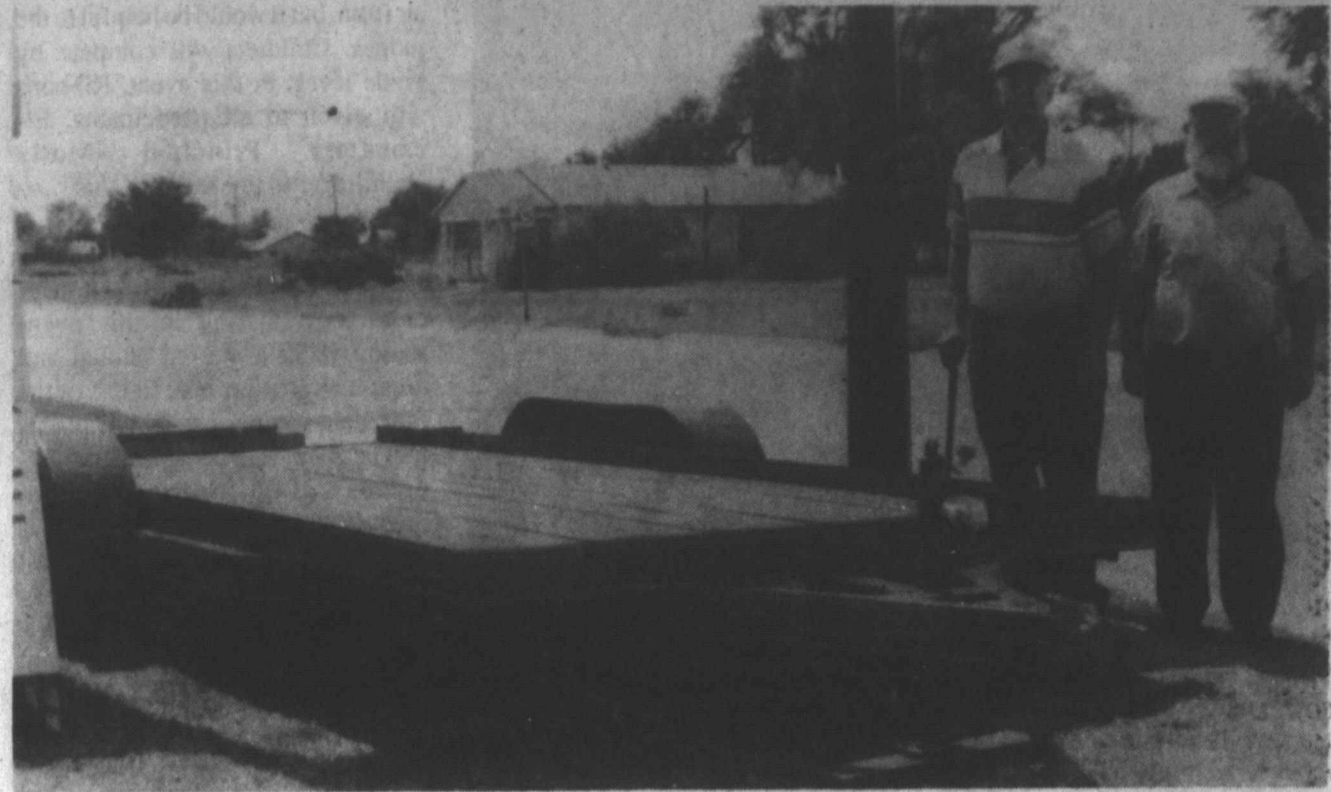

Your HEALTH TIP

GRANDMA KNEW BEST

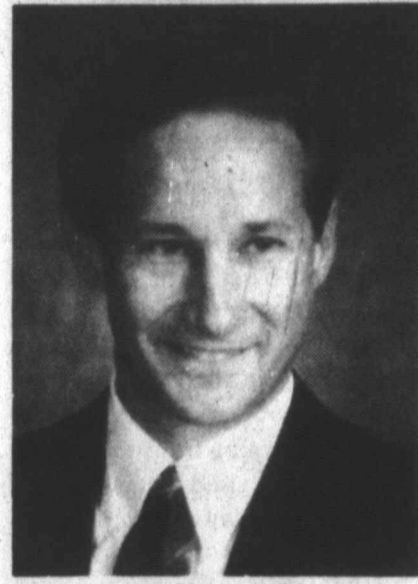

Grandma was right when she dosed you with cod liver oil, which improves the health of your arteries and reduces risk of heart attacks and strokes caused by blood clots. Recent studies also suggest fish oil (now called Omega-3 fatty acids) helps the joints, cuts down arthritis discomfort, and reduces pain or even prevents migraine headaches. Mackerel, lake trout, salmon, and tuna are rich in fish oil.

CHANCE TO WIN THIS TRAILER - Tahoka Lions Club members are selling chances to win this utility trailer, displayed at Fuzzy's Place, at \$2.00 apiece, which will also get the ticket-holder a lottery ticket. Shown with the trailer are Lions Club members Jerry Slover, left, and Bill Chancy. Tickets may be purchased from these or any other Lions Club members, who are Pat Patterson, Leighton Knox, Jaybo Chancy, Jay Druesedow and Bruce Spruiell. The funds raised from this project will go for Lions Club projects, including the crippled children's camp project and eye glasses for the needy. (LYNN COUNTY NEWS PHOTO)

Tahoka Grad Named CEO of Dunlap Company in Maine

The Dunlap Company, a Fort Worth corporation, has named Joe Hoskins as President and C.E.O. of the Porteous stores headquartered in Portland, Maine. Porteous, Mitchell and Braun is the latest acquisition of The Dunlap Company. Porteous, a retail institution in northern New England for 86 years, operated six department stores in Portland, Maine; Burlington, VT; Brunswick, ME; Auburn, ME; Newington, NH and Bangor, ME. A new store is being built in Presque Isle, ME off the Canadian border.

Hoskins, a 21 year veteran with The Dunlap Company was previously President and C.E.O. of McClurkans stores in Wichita Falls, another Dunlap Company subsidiary. He is a graduate of Tahoka High School and Texas Tech University School of Business.

Hoskins is the son of Jack and Billie Hoskins of Tahoka. He resides in Portland, Maine with his wife, Leslie and children John and Angela.

Other Lynn County natives associated with The Dunlap Company are Tom Hoskins of Fort Worth, Chuck Hoskins of Abilene, Kris Gass of Amarillo and Toby Gass of Little Rock, Ark.

O'Donnell Firemen To Be Honored

Cost is \$5 per plate. All proceeds will go for needed fire-fighting equipment.

O'Donnell Eagles: GO, FIGHT, WIN

Junior Varsity Bulldogs Now 1-1 For Season

After a season opening victory their first football game, the junior varsity Bulldogs fell last week to the Class 3AA Roosevelt Eagles, 14-22. Freshmen Gerald Cantu and Clay Taylor scored the two touchdowns.

The young football team, coached by David Johnson and Hulon Kirkland, led the game at half 14-8. At the end of the third quarter the Bulldogs were still ahead, 14-8.

"The defense got tired and we lost the game in the fourth quarter," said Coach Johnson. "If it wasn't for our defense, we would have been blown out."

"The offensive line was not very good in the first half," he continued. "They were better in the second half, but our backs could not hang on to the football," he added.

Tahoka's JV had 88 total yards on the offense against Roosevelt. They were hurt by five turnovers, four fumbles and one pass interception. In their first game against Spur, Tahoka's JV had 276 total yards, beating Spur 26-0.

"The kids came out excited and we jumped on them early," said Coach Johnson. "At half we were ahead 20-0 and didn't score again on offense."

Sophomore Ramiro Rodriguez had nine carries for 116 yards and one touchdown. Freshman Donnie Walton gained 115 yards on 15 carries and ran across for three touchdowns. Walton also turned a pass interception into a 40-yard run and a touchdown.

Freshman Gerald Cantu ran 43 yards on 10 carries and sophomore Greg Smith went 17 yards on two carries.

The Junior Varsity faces the Coahoma Bulldogs here at 6 p.m. tonight (Sept. 17).

Jason McMillan has the most experience on the team; he is a junior. Sophomore JV members are Justin Whitley, Will Hudgens, Drew Stone, Smith, R. Rodriguez, Daniel Littrell, Martin Aguirre, Chris Rodriguez, Mike Benavidez and Oscar Garcia.

Freshman members are Taylor, Walton, Chris Morin, Stephen Rodriguez, Cantu, Stephen Keene, Jeremy Brandon, Todd Webster, Micah Stone, Mike Rodriguez, Jesse Perez, Mark Fant, Mike Castillo, Bryan Fuentes, Adrian Lopez, Shawn Brewer, Fernando Benevidez and Jodie Onofre.
