Junior High Teams Open Football Season With Win

Eighth grade football players opened their season with a win against the Coahoma Bulldogs 22-6. As seventh graders, this team went undefeated last season and were district champions.

"Last year two questions remained after the seventh grade football season was over," said Coach Steve Qualls. "Question number one—After having the Coahoma game rained out last year, would we still have been undefeated if we had played them? Answer: Yes!"

"The eighth grade Bulldogs picked up right where they left off last year," said Coach Qualls. Coach Qualls added that the team not only had been waiting for the Coahoma game ever since last year, but they have had over four weeks of practice this year before their trip to Coahoma.

"We almost killed each other," said Coach Qualls. "We were ready to play somebody. When Coahoma ran the opening kick back for a touchdown it was like salt in the wound."

After Coahoma's touchdown, Tahoka's offense went to work and took the lead 8-6.

Qualls said the offensive line did a good job of blocking. Reggie Moore, Monty Hale, James Montez, and Dustin Burleson had some pretty nice holes to run through, he said.

According to Qualls, the defense dominated the whole game and held Coahoma in check. Eighth grade line-

men include Matthew Garcia, Victor Herrera, Daniel Pulattie, Benito Onofre, David Ayala, Kyle Brown, Joe DeLeon, and Mark Montez.

The eighth grade football team will travel to Crosbyton to face the Chiefs tonight (Thursday). They will play following the seventh grade game, which begins at 5 p.m.

Seventh Grade Football

The seventh grade football team also won their first football game against Coahoma last Thursday night, 18-6.

"The kids did exactly what they were told and executed the offense and defense pretty well," said Coach Qualls.

Jose Luna got the season started right when quarterback Davy Stone handed him the ball. Following the blocks of Steve Wiseman, Freddie Moreno, Justin Boydston, Seth Wright, Brad Lankford, Jeremy Laws, Mathew Colon, and Adrian Graves, Luna went untouched for about forty yards for a touchdown.

Qualls said the defense did a good job of tackling until late in the fourth quarter when Coahoma scored their only touchdown.

"Davy Stone recorded a number of tackles behind the line and Chelton Wormly did an outstanding job at linebacker, Qualls added.

Dereck Hatchett recorded a number of tackles and Steve Wiseman scored the other touchdowns on some outstanding runs.

Youth Who Had Left Is Subject Of Copter Search

A 15-year-old Tahoka boy who reportedly had been in a fight and possibly had been stabbed was the subject of a search in a cornfield at S. 4th St. Sunday night, and a DPS helicopter was brought to hover over the field and provide light for officers seeking the possibly wounded youth.

Tahoka Police Dept. was advised by two other young men that their friend had been in a fight, possibly had been stabbed, and had gone into the cornfield. After officers could not locate the boy, the helicopter was summoned. While the search was underway, Lynn County Sheriff's officers advised that the missing boy had called his parents to tell them he was in O'Donnell. Police said the boy had not been stabbed, and no charges were filed.

Two Tahoka teen-age girls were involved in an incident in which one of the girls reportedly was cursed and then struck by the other. City Judge Melvin Burks heard the complaint of the girl's parents and was continuing investigation of the case.

In jail during the week were 14 new inmates. Eight of these were for judgement and sentencing on misdemeanors, including driving while intoxicated first offense, fleeing, possession of marijuana, unlawfully carrying a weapon, DWI plus driving while license suspended. Other charges for which arrests were made were application to revoke probation on DWI charge, bench warrant, public intoxication, DWI second offense, theft by check plus no seat belt and expired drivers license, theft by check plus criminal trespass and DWI bond forfeiture.

Jolly, and Stefanie Dotson.

The tickets for the Mexico trip are being sold by Queen contestants. They are: Misti Norwood, Andrea Sepeda, Marissa Martin, Blanda Miller, Marla Hughes, Monica Crystal Barricentz, Donna Thomas, Adreane Williams, Darla Willis, Katy Huffaker and Alyssa Grider.

The Lynn County Harvest Festival Princess and Queen will be crowned during afternoon ceremonies, and hourly merchants drawings will be conducted from the stage.

A street dance will begin at 8 p.m. with music provided again by the Silver Creek band, and will end at midnight. The Rotary Club will have its sausage booth open during the dance.

MOORE YARDAGE—Tahoka running back Brian Moore carries the ball here and the other No. 40, Chris Schneider of Coahoma, seeks to cut him off. Moore gained 104 yards and scored Tahoka's only touchdown as the Bulldogs lost 39-6 at Coahoma Friday. (LYNN COUNTY NEWS PHOTO by Gary Jones)

Coahoma Chews Up Dogs 39-6

Coahoma's Red Bulldogs chewed up the Tahoka Blue Bulldogs in a methodical fashion at Coahoma last Friday, as the home team rolled up 340 yards rushing to win 39-6.

The loss very early in the game of Tahoka's René Luna, who suffered an elbow injury, hurt the Bulldogs, especially in the kicking game, as Luna has done both the placekicking and punting, is a defensive leader in the secondary and also has connected on several halfback option passes. He may return this week or next as a kicker and punter, but is not expected to resume his other chores that soon.

Tahoka, 1-2 for the year, will open district play at Crosbyton Friday night, and although the Chieftains are unbeaten in three games, they may not be as good as Coahoma. Crosbyton's chief offensive threat is a 140-pound senior scatback, Rudy Bustamante, who makes lots of yards and points, especially on quick pitchout sweeps. Crosbyton last week beat Lockney 28-9.

The Bulldogs' offensive blocking was not good at Coahoma, and the defense held up most of the time, but often would break down on third down and allow Coahoma's Stephen

New or some other running back to escape for long yardage.

Tahoka fumbled the opening kickoff and after Coahoma recovered at the 25, Greg Atkinson ran 23 for a touchdown with just a minute and 2 seconds gone in the game. The extra point was no good, to leave it 6-0.

Coahoma had another drive going in the first period which was halted by an interception by Tahoka linebacker Randy Fant. But soon after that New ran 50 yards for the second Coahoma score and after a 2-point pass to Henry Delarosa, Coahoma led 14-0 at the end of the first period.

New made a 69-yard run early in the second quarter, and although he was caught by Cory Whitley at the 8, Coahoma scored a couple of plays later with Jeff Phermetton going 2 yards.

A tackle by Tahoka defensive end Jeff Long stopped a Coahoma fourth down effort at the Tahoka 40 later in the quarter, and the Bulldogs then cranked up what was to be their only scoring drive. Tailback Brian Moore ripped off a 22-yard run to the Coahoma 38, and QB Heath Brewer

followed this with a 13-yard run. Moore ran 10 more yards, and after Coahoma stiffened, Moore, on fourth and goal, ran 7 yards for a Tahoka touchdown. A run try was stopped and Tahoka trailed 20-6 with 2:53 left in the half. But Coahoma added another touchdown on a 40-yard run by Phermetton, and it was 26-6 at halftime.

Coahoma made it 32-6 with a 30-yard screen pass in the third and added another 7 points in the final period. A fumble recovery at the Bulldog 21 by Tahoka's Johnny Rodriguez stopped a Coahoma drive in the third.

Moore gained 104 yards in 20 carries. Seth Prince ran well in the first quarter, but losses later in the game cut his total yardage to 25 on 11 carries. The defense was led by the tackling of Moore, Wes Solomon, Long and Fant.

MR. and MRS. PHILIP MACK FURLLOW (nee Mary Rodgers) Rodgers-Furlow Vows Exchanged

Mary Catherine Rodgers and Philip Mack Furlow exchanged marriage vows Aug. 22 at Cathedral of Our Lady Catholic Church in Oklahoma City, Okla. The Rev. Thomas Boyer officiated the double-ring ceremony and Dr. Bervin Caswell, a retired Methodist minister and great-uncle of the groom, assisted.

The bride is the daughter of Mr. and Mrs. Gary Rodgers and granddaughter of Burley Rodgers, all of Oklahoma City. The groom is the son of Mr. and Mrs. Bobby Mack Furlow of Draw and the grandson of Mr. and Mrs. A.B. Furlow and Alma Furlow, all of Lamesa, and Mr. and Mrs. Boyd Barnes of Draw.

The Oklahoma Strings performed various classical selections. Organist and music director Oliver Douberly played the professional "Trumpet Voluntary." Brass candelabra held large white candles and marked the center aisle. Pews were marked with pearl white bows.

Escorted by her father, the bride wore a white formal gown featuring an off-the-shoulder bodice overlaid with pearls and inlaid lace designs. The sheer lace sleeves came to a point at the wrists and the chapel-length train was embellished with chantilly lace.

The bride's fingertip-length veil, which she designed and made, was created from chantilly lace and offset with rosettes. She carried a fresh flower bouquet of callallilies, white roses, and white orchids gathered with greenery and baby's breath. The bouquet was held together with a pearl white bow decorated with streamers and dangling seed pearls. The bow was designed by the groom's great-aunt, Wanda Caswell.

The bride wore a pair of diamond and pearl earrings given to her by her parents; a matching necklace, a gift from the groom, completed her ensemble.

Serving her sister as maid of honor was Dawn Rodgers of Oklahoma City. Bridesmaids were Both Krevis of Dallas and Trang Bui of Oklahoma City.

The bridal attendants wore jade, tea-length dresses of brocaded cotton and satin featuring butterfly sleeves, sweetheart necklines, and rhinestone pearl buttons. They each carried a white rose surrounded by greenery and baby's breath accented with a pearl white bow, streamers, and dangling pearls.

Aaron Furlow of Albuquerque, NM, served his brother as best man. Phil Styles of Philadelphia, PA, and Channing Hardy of Normal, IL, were groomsmen.

Joel Bendorf and Christopher Rolhand ushered guests. Cory Furlow and Kaleb Crutcher, cousins of the groom, served as candlelighter and ring bearer, respectively.

Alyssa Finlay of Iowa, cousin of the bride, assisted guests at the registry table.

A reception and luncheon buffet was held at the Heritage House in Oklahoma City. The bride's table featured a three-tiered white wedding confection decorated with pearl white roses and green leaves. A bouquet of fresh white roses topped the cake. White grape juice was served from a silver service.

Following a wedding trip to Maine, the couple will make their home in Oklahoma City where the groom attends law school and is employed by Abowitz and Welch, Attorneys at Law. The bride is employed at First City Bank of Oklahoma and plans to attend Oklahoma

City University while working toward her master's degree in finance/marketing.

BE EXTRA CAREFUL WITH EYE MEDICINES

Eye drops are easily contaminated. When using an eye dropper, try not to touch the eye when instilling eye drops. Otherwise, the dropper can pick up germs which can injure the rest of the medicine in the bottle. Always keep the container tightly closed. Store in a cool place.

If the liquid develops a precipitate, or particles of matter cloud the appearance, do not use them. The odds are the eye drops are decomposing and unfit for use.

The Wilson band will be marching in the Panhandle-South Plains Fair Parade on Saturday, Sept. 26. This is also the same day that the twirlers will be involved in a twirling contest at Coronado High School. On Monday, Sept. 28, the band will travel to Denver City to watch Denver City's band rehearse for their marching programs.

Mrs. Brenda O'Brien presented a Youth Exchange with Seniors (Y.E.S.) program to the Lions Club last Thursday. She is the homemaker teacher at Wilson High School and is involved with several of the student programs there.

The Y.E.S. program pairs students with senior citizens on a voluntary basis. Students aid the seniors with various tasks that the seniors may be unable to handle by themselves. These tasks enable the student and senior to form a one-to-one relationship, with the hope that the two generations are more able to understand one another and the problems that both generations face.

This program has not yet started but Mrs. O'Brien is seeking input from all members of the community concerning

The Tahoka High School graduating class of 1942 will hold their 50th anniversary celebration on Oct. 2. gram to center in the Mercantile and has allowed the program to put some equipment in the building to facilitate the program. The latest addition to the equipment is a new refrigerator, and the anticipated arrival of a steam table to enable the meals to be served hotter. All of this is made possible by several people who volunteer their time and use of their vehicles to serve meals and see that other are delivered quickly so that they are still hot.

Jerry Slover, of Tahoka, almost always is the one who brings the food from Tahoka. In addition to Jerry there are several Wilson people who volunteer to help. Without these volunteers there probably would not be a program of this nature available to Wilson residents.

The Hispanic Baptist Mission has reopened and is having services on a regular basis. That schedule is as follows: Sunday School 9:45 a.m.; Worship Service 11 a.m.; Sunday night 6 p.m.; and Wednesday night 7 p.m. For more information call Bro. Ruben Perez at 828-4475.

It has been quiet around school this week since the students in the 3rd and 7th grades have been involved with the Texas Assessment of Academic Skills (TAAS) test. This test is designed to tell teachers and administrators if students are mastering various academic skills and if not, which skills may need more attention in

the classroom and, more importantly, in the home.

The 11th grade students will take their TAAS test in October. This test, known as the exit-exam, must be passed before the student can graduate from a Texas High School.

After last week's snake under the hood of Shorty Moore's car, I asked the question "What next?". Well, on Monday Roy Isham found himself in a very "sticky" situation after a phone call from a concerned citizen. It seems that someone found a critter under his carport and really didn't know how to handle it. Roy loaded his cage in the pickup and drove off to see what it was and what to do about it. It was a porcupine. After several minutes of trying to avoid a pointed confrontation, the critter was caged and then trucked off to the ranch country where it was released. I'm not going to ask "What next?" this time.

Cody and Casey Donald attended the Dawson County Fair in Lamesa this past weekend. Cody exhibited two steers and received two 4th places. Casey showed two lambs and one steer. He received a 5th place on his steer and a 5th place on one of his lambs.

St. John Lutheran Church will be holding a special offering Sept. 27. This

offering will be part of a nationwide fundraising effort for the victims of Hurricane Andrew in the Florida area. The Aide Association for Lutherans has announced that it will match \$1 for \$1 all the funds raised for this project on a nationwide basis. These funds will be used to aid families of any denomination in the Florida area and may also be used to rebuild or repair churches that were affected by the storm. Anyone of any denomination may contribute to this project; your contribution would be appreciated. The churches involved in this project would like to conclude this fundraiser before Oct. 15, so that matching funds can be determined and made available to the hurricane victims as soon as possible.

For further information call St. John Lutheran Church in Wilson or contact Richard Becker in Slaton.

City of Wilson has been involved in a hot meals for seniors program for several years. This project is part of the Senior Citizens Meals program made available through the Senior Citizens Center in Tahoka.

There are a number of Wilson residents who benefit from this program several times a week. Eight to 10 people come out to eat together at the Mercantile, and about the same number carry out meals or have them delivered to their home.

SMOKERS - HEART ATTACK

In addition to the lung cancer threat, habitual smoking pre-disposes smokers to clots in artery walls that can cause heart attacks. Smoking impairs the ability of the lining of blood vessels to resist clotting. Most of the 325,000 annual deaths in the U.S. attributed to smoking are due to cardiovascular failures. Improvement in blood vessels is rapid when the smoking ceases.

Public Notice

Southwestern Bell Telephone Company, in accordance with the rules of the Public Utility Commission of Texas (PUC), hereby gives notice of the Company's intent to implement a new schedule of telephone rates in Texas for optional Custom Calling Services and Touch-tone service, effective March 15, 1993, unless otherwise determined by the PUC.

These proposed rates will not increase or decrease the Company's overall revenues; the net effect will be neutral to the Company's annual revenues.

The Company proposes to decrease the rates for Touch-tone service for residential customers from \$1.00 to 68 cents, and also to reduce the Touch-tone rates for business customers from \$1.75 to \$1.70. In addition, the Touch-tone rates for business PBX trunks will be reduced from \$3.15 to \$2.18.

This proposal to decrease the rates for Touch-tone service does not change the commitment that the Company made in the Docket No. 8585 Stipulation to reduce the rates for Touch-tone service in 1993.

The Custom Calling Services affected by the Company's application are optional telephone service arrangements that provide the following features: Call Waiting, Call Forwarding, Three Way Calling, Speed Calling-8 and Speed Calling-30. Following are the feature combinations and their current and proposed rates.

One Feature per line	Residence		Business	
	Current Rate	Proposed Rate	Current Rate	Proposed Rate
Call Waiting	\$2.10	\$2.85	\$2.65	\$3.25
Call Forwarding	2.10	2.10	2.65	3.50
3-Way Calling	2.10	2.10	2.65	2.50
Speed Call-8	2.10	2.10	2.65	2.50
Two Features per line				
Call Waiting, Call Forwarding	3.75	4.25	4.75	6.00
Call Waiting, 3-Way Calling	3.70	4.25	4.75	4.75
Call Waiting, Speed Calling-8	3.70	4.25	4.75	4.75
Call Forwarding, 3-Way Calling	3.70	3.50	4.80	5.00
Call Forwarding, Speed Calling-8	3.70	3.50	4.75	5.00
3-Way Calling, Speed Calling-8	3.70	3.50	4.75	4.00
Three Features per line				
Call Waiting, Call Forwarding and 3-Way Calling	5.30	5.65	6.90	7.50
Call Waiting, Call Forwarding and Speed Calling-8	5.30	5.65	6.90	7.50
Call Waiting, 3-Way Calling and Speed Calling-8	5.30	5.65	6.90	6.25
Call Forwarding, 3-Way Calling and Speed Calling-8	5.30	4.90	6.90	6.50
Four Features per line				
Call Waiting, Call Forwarding, 3-Way Calling, Speed Calling-8	6.90	7.05	9.00	9.00
Speed Calling - 30 code capacity	3.20	3.20	4.25	3.20

Most of the Company's residence and business customers who subscribe to Custom Calling Features and Touch-tone service will be affected by the proposed rate restructuring.

It is expected that the restructuring of Custom Calling Features will result in a rate increase for approximately 2.9 million residence customers and 280,000 business customers. The reduction in rates for certain Custom Calling Services and Touch-tone Service will affect approximately 4.3 million residence customers and 1.7 million business customers.

This rate restructuring is expected to have a "revenue-neutral" effect on the Company's annual revenues. The proposed rate restructuring of Custom Calling Services will increase the Company's annual revenues by \$19.8 million; while the reduction in Touch-tone rates will decrease the Company's annual revenues by \$19.8 million.

This proceeding has been designated Docket No. 11382. Persons who wish to intervene or otherwise participate in this proceeding should notify the PUC as soon as possible. The deadline to intervene is October 30, 1992. A request to intervene, participate or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the PUC Public Information Office at (512) 458-0256 or (512) 458-0221, teletypewriter for the deaf.

Lady Bulldog volleyball players have been in action since Aug. 21. The junior varsity girls won two games against Aspermont in their opening game, but the varsity was defeated.

The varsity team is made up of two seniors, four juniors, and five sophomores. "We are young - very young," said Coach Nancy Kirkland. "Having started a different style of offense than they have been used to, they're having to learn how it all fits together."

Greenwood varsity defeated the Tahoka varsity Aug. 25, with scores of 5-15, 7-15. In tough bouts with Lubbock Christian the girls fell 11-15, 11-15. High point server in the LCHS game was Dolores Luna with 8 points.

In action in the Denver City Tournament, Aug. 27, the girls fell to stiff competition. They faced Snyder and fell 1-15 and 4-15; Lubbock Estacado 2-15 and 4-15; and Plains 0-15 and 7-15.

Varsity came close Sept. 1 when they faced Lubbock Christian. They could not quite pull it out as they were downed 14-16 and 11-15. High point server was Jennifer Patterson with 13 serves.

The girls faced Midland Christian Sat., Sept. 5 and were defeated 6-15 and 3-15.

Varsity girls fell short to Greenwood Tuesday, Sept. 8 with scores of 6-15 and 5-15. "We need to get more consistent," Coach Kirkland said.

In a tough battle the girls pulled off a win against Plains freshman team Sept. 12. The scores were 4-15, 15-11, and 16-14.

A hometown crowd was disappointed when the varsity girls fell to Aspermont in two games on Sept. 15. The games ended 6-15 and 3-15.

In the Colorado City tournament held last weekend, the varsity girls faced Water Valley and Bronte. The girls were outclassed by Water Valley 1-15, 2-15; then fell to Bronte 6-15, 5-15.

Varsity faced Denver City last Tuesday night and Midland Christian Wednesday.

Varsity players are Dolores Luna, Kelly Wells, Jill Jaquess, Crystal Barrientez, Katy Huffaker, Leah DeLeon, Ginger Malone, Jennifer Patterson, Lynna

New Counties Approved For Disaster Assistance

Fourteen additional Texas counties, including Lynn County, have been approved for federal disaster unemployment assistance to help residents who lost their jobs when heavy rain and hail destroyed much of the area's cotton crop, U.S. Sen. Phil Gramm has announced.

Gramm said the new counties designated today are Borden, Cottle, Dawson, Dickens, Gaines, Deaf Smith, Garza, Howard, Lynn, Martin, Midland, Motley, Terry, and Yoakum. Approved for assistance earlier were Bailey, Briscoe, Castro, Cochran, Crosby, Floyd, Parmer, Hale, Hockley, Lamb, Lubbock, and Swisher counties.

"This disaster unemployment assistance provides weekly benefit payments to those out of work due to the

disaster, including self-employed persons, farm workers, farm and ranch owners and others not covered under regular employment insurance programs," Gramm said.

and flashing flooding, farmers in Crosby, Dawson, Dimmit, and Swisher Counties are eligible for the loan assistance.

The counties affected by the excessive rain, hail, wind and flash flooding are Andrews, Armstrong, Borden, Briscoe, Castro, Dickens, Floyd, Frio, Gaines, Garza, Hale, Howard, Kent, La Salle, Lubbock, Lynn, Martin, Maverick, Motley, Randall, Terry, Webb and Zavala.

For those who cannot obtain credit through normal channels, the U.S. Farmers Home Administration will make loans available at below-market interest rates to family farmers.

Gramm said farmers have eight months to apply for the loans to help cover part of their actual losses.

The FmHA, which will supervise the loan program, is charged with providing aid to the farmers and ranchers in order to assist their economic recovery from natural disasters.

FmHA Loans To Aid Farmers In Texas

U.S. Senator Phil Gramm has announced that farmers in four Texas counties are eligible to apply for low-interest emergency loans to help recover from crop losses caused by inclement weather which occurred between May 1 and June 30, 1992.

Public Notice

Southwestern Bell Telephone Company has asked the Public Utility Commission of Texas (PUC) for approval to offer new optional call management services called Caller Identification Service (Caller ID) and Anonymous Call Rejection (ACR).

Caller ID is a new optional phone service which allows subscribers to see the phone number and/or name of most local calls before they answer the phone. Caller ID also allows the recording of the date, time, name and/or phone number of calls. Currently, Caller ID would work only on most local calls, not long distance calls. It would also require that a separate display unit be connected to the telephone. These units that attach to the telephone will be available from various retail vendors, including Southwestern Bell, at a cost starting at approximately \$50.

Southwestern Bell is also proposing that all customers be able to "block," or stop their name/number from being transmitted and displayed on a Caller ID device, free of charge. You will have this option of "blocking" your name/number on each call free of charge. There would be no need to subscribe to this service. All customers would have this capability when Caller ID is introduced in their area.

If you want to block your name or number, you need only press *67 on your touch-tone pad (or dial 1167 from a rotary phone) before dialing the telephone number. The person you're calling would see displayed a message such as "private" or "anonymous" on their Caller ID display unit.

Southwestern Bell also proposes that qualified domestic violence and law enforcement groups have the option of free per-line blocking, or free per-call blocking.

Anonymous Call Rejection (ACR or "block the blocker") allows subscribers to automatically reject all calls that have been marked anonymous, or "blocked" by the person calling. It is not necessary to subscribe to Caller ID Name/Number to subscribe to ACR. With ACR, your telephone will not ring if the person calling you has "blocked" his/her name or number. The person calling whose identification is blocked will receive a message to hang up and call back with caller identification unblocked. Following are the proposed monthly rates for Caller ID and ACR.

Proposed Rates (monthly)

	Residence	Business
Calling Number only	\$6.50	\$ 8.50
Calling Name only	\$6.50	\$ 8.50
Calling Name & Number	\$8.00	\$12.00
Anonymous Call Rejection	\$3/\$1**	\$3/\$1**

* These rates are in addition to the initial installation charges and monthly basic service rate. For residence customers, installation charges are \$2.70 per feature, with a maximum charge of \$5.40. For business customers, the charges are \$5.40 per feature, with a maximum charge of \$10.75.

** Anonymous Call Rejection is \$3 per month if purchased without Caller ID and is \$1 per month when purchased with Caller ID Name or Number.

This proceeding has been designated Docket No. 11362, and a hearing on the merits has been scheduled for November 16, 1992. The PUC has jurisdiction to consider this matter pursuant to Sections 16, 18, 37 and 38 of the Public Utility Regulatory Act (PURA). This application was filed pursuant to the provisions of the PUC's Substantive Rule 23.24. Among the issues that will be addressed in this proceeding is the legality of the Caller ID device and service under Texas wiretap laws.

Persons who wish to intervene or otherwise participate in these proceedings should notify the PUC as soon as possible. The deadline to intervene is October 26, 1992. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the PUC Public Information Office at (512) 458-0256 or (512) 458-0221 teletypewriter for the deaf.

Local ASCS Staff Meets With Presidential Counsellor

Clayton Yeutter, Counsellor to the President for Domestic Policy, met recently with local employees of the Agricultural Stabilization and Conservation Service and agriculture leaders from across Texas. Yeutter coordinates all domestic policy activities for the President through the operations of a new Policy Coordinating Group (PCG). The PCG is the domestic equivalent of the National

Security Council.

Prior to coming to the PCG, Yeutter served as Secretary of Agriculture. While at Agriculture he was actively involved in farm legislation and in negotiations to open export markets for American farm products throughout the world.

Chairman Harris noted that this meeting brought together local agriculture leaders and administration policymakers for training and evaluation of the effectiveness of current programs. The conference helped find ways to improve the knowledge of ASCS employees.

PCCA Announces Record Margins

Plains Cotton Cooperative Association (PCCA) has announced total net margins of a record \$24.5 million for fiscal-year-end June 30, 1992, during the cooperative's 39th Annual Stockholders Meeting held in Lubbock recently.

"I am happy to report PCCA will be paying \$13.2 million in cash for retirement of outstanding stock and payment of cash dividends on last year's business," PCCA President Van May announced. Checks for the stock retirement were mailed earlier in September, and dividend checks should be mailed before October 1.

PCCA's denim mill margins of \$15.5 million also represented a new record. Plans to modernize the denim mill at Littlefield were unveiled during the meeting. A final decision on the project is expected in October.

PCCA Chairman Jackie Mull, a cotton producer and member of Idalou Cooperative Gin, thanked recently-retired PCCA President C.L. Boggis for his 27 years of service to PCCA.

The members of PCCA also re-elected three directors during the annual meeting. They are: Coy Grimes, Farmers Union Coop of Humphreys, District I; Riley True, United Farm Industries, District II; and L.C. Unfried, New Home Cooper Gin, District VII.

J.J. Jackson Bike-A-Thon Set

The first annual J.J. Jackson Memorial Scholarship Bike-A-Thon will be held Saturday, Oct. 3 in conjunction with the Lynn County Harvest Festival.

The bike-a-thon will be held from 1 until 4 p.m., with a route currently being planned by committee members. The route will be printed in next week's *Lynn County News*.

A booth will be set up at the Harvest Festival for bike-a-thon pledges, or for donations to the scholarship fund.

Children and adults may ride in the bike-a-thon, but children in the second grade and younger must have a parent with them.

The bike-a-thon will raise funds for the J.J. Jackson Memorial Scholarship fund which will be established for graduating Tahoka seniors this year.

Jonathan Edward (J.J.) Jackson was the nine-year-old son of Rev. and Mrs. Danny Jackson of Tahoka, who died in May of this year. Rev. Jackson is the pastor of Sweet Street Baptist Church.

Sept. 20-26 Proclaimed Farm Safety Week

Agriculture is one of the most dangerous industries in America, and each year hundreds of U.S. producers are killed or severely injured in farm-related accidents, Ag Commissioner Rick Perry said.

In an effort to increase health and safety awareness on America's farms and ranches, the week of September 20-26 has been proclaimed National Farm Safety Week. "This year's theme, 'Take Change of Your Safety and Health,' emphasizes that safety and health begin with each of us," Perry said.

To further enhance farm and ranch safety procedures, the Texas Department of Agriculture is working closely with the Agricultural Committee of the Texas Safety Association to develop a farm safety program.

More than 70 fatalities and approximately 70,000 injuries were recorded on Texas farms and ranches during 1990, the latest year for which data is available.

Tractors and farm equipment accounted for 44 percent of the fatalities and injuries. Tractors are a basic piece of equipment on most farms, and overruns claimed 15 lives during 1990. Many of these could have been prevented by using rollbars or seat belts.

Combines, cotton pickers, shredders and hay balers present additional

risks, and many injuries and fatalities involve workers becoming caught in the machinery.

"Stay clear of unguarded moving parts, and always stop machines before taking care of operating problems. This is true whether you're operating a lawnmower in the city or a shredder in the country," Perry said.

Firearms, drowning, electrical contact and animal-related incidents are other causes of farm fatalities and injuries. But there are also "hidden hazards" that many agricultural workers overlook.

Respiratory problems from inhaling dust from moldy hay, straw or grain can create an allergic reaction called Farmer's Lung. And prolonged exposure to the noise from tractors, combines or even chainsaws can cause permanent hearing loss.

In addition, ag workers should always use protective clothing and equipment when handling any chemicals. All clothing should be washed daily with soap and water, separate from other clothing.

"The health of all our agricultural workers is a vital resource to Texas. Accidents represent economic losses — not only from medical costs and damage to equipment but from the loss of valuable knowledge and skills inherent in the agricultural work force," Perry concluded.

The visiting Spur Bulldogs handed O'Donnell their third straight loss of the season last Friday, 41-6, but the Eagles hope to get back on track this week when they visit Forsan, which lost to Plains 49-6 last week.

O'Donnell's only points Friday came in the fourth period when Camron Childress scored on a 1-yard run.

Letter To The Editor

We, the near-sighted, tunnel vision Nation ...

Coming upon the Presidential election I have grown sick of politics. Everyone has their viewpoint from a different perspective. I would like to express mine.

This country needs production of products and that means jobs, jobs are labor and labor represents the mules that make this country.

Living in a farming community I have heard labor unions cursed but get your head out of the sand, bud, the mules need a fair ration of feed and a little brushing every once in a while, a cube of sugar might be nice.

Labor makes cars, tractors, fuel, houses, electricity, chemicals for weeds and pests control, equipment, nearly everything you see is done by labor. The rich man didn't do a thing. He just wanted, so he got some mules. Does he know how to do anything? Most likely not, but he knows a mule that does. Now it seems to me we all have vision problems every once in a while like the lady that could care less about the farmers because she gets all her groceries at the supermarket, or running down a race. If our parents were black, most likely we would have been also.

All of this is to bring up the subject of Mr. Bush's vision. I think he can only see the top 1 or 2% of the people but running behind in the polls he has the nerve to go down to the lot, beat on an empty feed bucket and expect the mules to come running to be worked for four more years with blinders. It is time we wise up a bit.
