Homecoming, Harvest Festival Activities Slated This Weekend

A busy weekend of football, food for prizes donated by county merand fun is slated for area residents this Friday and Saturday, with the 1992 Tahoka Homecoming activities set Friday and the 17th annual Lynn County Harvest Festival set all day Saturday.

Homecoming activities include a bonfire Thursday night, exes assembly, parade and pep rally Friday afternoon, NHS supper from 5-6:30 p.m., and pre-game activities at 7 p.m. before the 7:30 kickoff against White-

The Homecoming Queen will be crowned during halftime ceremonies, and several class reunions will be held following the game. The Catholic Youth Organization is sponsoring a dance Friday night after the game at the bingo hall.

A wide variety of entertainment is expected to lure county residents to Saturday's Harvest Festival, an event which offers games, contests, prize giveaways and other activities all day long on the Courthouse square in downtown Tahoka.

Drawings will be held on the hour

chants, and food, games and crafts booths will draw much interest.

Also, several businesses in town are offering special bargains and sidewalk sales during the weekend. See their advertisements on pages 4-7 in this edition.

Cow Patty Bingo, sponsored by the Lynn County Jaycees, will have prize giveaways of \$500 and \$100 cash for first and second place. Tickets are being sold for \$5 each, and the sponsors will draw for the numbered squares the day of the festival.

The cow will determine the winner "at its discretion" at some point during the day.

Activities will kick off at 10 a.m. Saturday with a variety of children's games on the courthouse lawn, and the Arts and Crafts Fair will have items on display in the basement of the County Courthouse. Booths will open at 10 a.m., and merchants drawings will begin at 11 a.m.

The Harvest Festival Princess Contest will be held on the stage at 1:15 p.m. There are several candidates, all Tahoka girls ranging in age from kindergarten through sixth grade, and the one who sells the most tickets will be named 1992 Princess.

The girls are selling tickets to win two bicycles and a Texas Tech weekend. The Tech weekend includes two tickets for the Tech vs. Texas game and suite accommodations for two at the Holiday Inn Civic Center in Lubbock.

The Queen Contest will be held at 2 p.m., and there are several Tahoka High School girls vying for this year's crown. They are selling \$1 tickets for a trip for two to Mexico and must sell at least 100 tickets each to qualify as finalists.

The girls are also judged on personal interviews conducted before the Harvest Festival, and on poise and presentation during the contest on stage. Judges from Robert Spence School of Modeling in Lubbock will determine the winner. Upon the Queen's graduation from high school, she will be presented at \$100 scholarship from Tahoka Chamber-

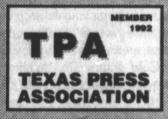

The Tahoka Chamber of Commerce will announce the 1992 Man and Woman of the Year at about 1:45 p.m., in a time slot between the Princess and Oueen contests.

There will be activities for all ages to participate in, and children will have a new scavenger hunt game to keep them busy, along with several other games scheduled throughout the morning.

Bike riders of all ages may participate in the J.J. Jackson Memorial Scholarship Bike-A-Thon from 1 until 4 p.m. The event will begin at the Memorial triangle next to the courthouse, and proceed to the school where a route will be followed.

The Silver Creek Band from Lubbock will entertain on stage during the day and for the Street Dance on the courthouse square from 8 p.m. until midnight. Tahoka Rotary Club, who sponsors the festival band each year, will sell sausage on a stick all day at the festival and during the Street Dance.

Eleven seconds. That's how close the Tahoka Bulldogs came to a big upset win over unbeaten Crosbyton in the first district contest of the year at Crosbyton Friday night, because with 11 seconds left in the game, Tahoka was leading 15-14 and had fourth down on the Bulldogs' 1-yard line. But Tahoka's punt was blocked in the end zone and Crosbyton recovered for a touchdown, winning 22-

15. It was a terrible, disappointing end to a great effort by the Bulldogs, who certainly played their best game of the year to date, leading for three quarters, falling behind in the fourth and then going ahead again on a 60yard play that was not in the playbook. The defense especially played well, bottling up the Chieftains' heralded Rudy Bustamante and holding the entire Crosbyton team to just 99 yards on the ground.

This week the Dogs will host Whiteface in a non-district game which is homecoming for the Bulldogs and THS exes. Whiteface beat Kress 34-0 in the opening game of the year, but has lost the next three, including a 17-0 loss to Farwell last

At Crosbyton, the first quarter was scoreless, but late in the period,

Tahoka's Brian Moore intercepted a Crosbyton pass to start a drive from the home team's 27. Tahoka moved to the 3 on an 11-yard run by Jace Copeland, moved into the backfield by Coach Chris Wigington last week, and on a run by Moore.

After the end of the quarter and a penalty, Moore then ran 12 yards for the game's first score, and René Luna put the Dogs up 7-0.

Crosbyton moved to the Tahoka 13 later in the second, but lost the ball on downs as defender Wes Solomon caused a pass to be incomplete. However, a Tahoka fumble gave the Chiefs the ball at the Bulldog 16, and Rudy Burt ran 1 yard to score with 55 seconds left in the quarter. Tahoka stopped the running try for points and it was 7-6 at halftime, a lead which held up through the third period.

A highlight of the third quarter was an interception by Cory Don Whitley, stopping a Crosbyton drive. In the fourth, with 7:38 left, Bustamante finally escaped on a 29yard run for a Crosbyton touchdown. A pass netted two points and the wrong team led 14-7.

The most remarkable play of the game came with 2:10 left when Tahoka fumbled, and OB Heath Brewer somehow picked it up and ran 60 yards for a Bulldog touchdown. This brought great consternation to the homecoming crowd and considerable hoarseness on the Tahoka side, especially after Brewer ran for a two-point conversion which put Tahoka ahead 15-14.

Crosbyton tried some desperation passes, and when Whitley intercepted again at the Tahoka 18 with 1:43 left. it appeared the Bulldogs had it sacked up. But a penalty and loss to the 1yard line brought the fourth down at the 1 and the punt which was blocked. With just 11 seconds left.

Some good defense was turned in by many Tahoka players, including Clayton Laws, Randy Fant, Moore, Jeff Long, Copeland, John Quintanilla, Whitley and Johnny Rodriguez.

Moore gained 65 yards on 18 carries, Brewer had 77 on 11 carries and Copeland 35 yards in 10 efforts.

Top yardage for the game went to the officials, who marched 145 yards in 17 flag flings.

OUEEN CONTESTANTS — The 1992 Tahoka High School Homecoming Queen contestants are, left to right, Crystal Barrientez, sophomore; Leah DeLeon, senior; Sara Prince, freshman; and Darla Willis, junior. The queen will be crowned during halftime at the Homecoming game against Whiteface on Friday, Oct. 2.

Joy Laws Resigns As District Clerk

Tahoka Independent School District Board of Trustees met last Thursday and voted unanimously to set the district tax rate at 11.6 cents per \$100 valuation for 1992-93. The rate is a 1.6-cent hike from the current 10cent tax rate.

The 11.6-cent figure is the highest amount the school district could raise taxes without having a public tax hearing. All board members were present at the meeting.

The new figure is low compared with the other school districts in Lynn County, who have set district tax rates at 45 cents in Wilson and O'Donnell, and at 36 cents in New

BURNED TOO SOON - This pile of ashes was all that was left of the Tahoka Homecoming bonfire Tuesd morning after someone torched the pile of used lumber and other combustible material sometime Mond night. The Tahoka Volunteer Fire Dept. battled the fire in vain, from about 1:30 until 5:00 a.m., but the bonfire pretty well burned to the ground. The Thursday night bonfire will go on as scheduled, however, as the school has been flooded with offers of help in rebuilding the homecoming bonfire.

IN RECENT YEARS there have been all kinds of humorous little lists floating around which begin with "You Know (whatever it is) If ... ". For example, You Know It's Going To Be a Bad Day If: "The horn sticks on your car while you're driving right behind a group of Hell's Angels", or "Your twin sister forgets your birthday", or "You discover a team from 60 Minutes waiting in your office."

Or You Know You Are a Senior Citizen When: "You sit down in your rocker and you can't get it going", or "All the names in your little black book start with the title of Dr.", or "Your back goes out more often than you do."

In my case, as a column writer, there must be a list of things somewhere which details the criteria for being a semi-senile columnist. One thing on the list would be "You Know Your Mind Is Gone When: "You look at your notes on possible column topics and can't remember if you already wrote about that sometime in the past. Or even last week."

Someone a few months ago gave me a list entitled "Aggie Medical Terminology". I just can't recall if I already wrote about it, or if I just considered it. One of my uncouth acquaintances said it wouldn't matter anyway. "Nobody who reads your column will remember if it repeats itself."

In that case, here are some of the definitions in the Aggie Medical Terminology, which I understand were compiled by some actual medical students, possibly at Galveston:

Artery-The study of fine paintings. Barium-What you do when CPR fails. Benign-What you are after you be eight.

Caesarean Section-A district in Rome.

Coma-A punctuation mark.

Colic-A sheep dog.

Congenital-Friendly. Dilate-To live longer.

Fester-Quicker.

Node-Was aware of.

Outpatient-A person who has fainted.

Protein-In favor of young people.

Secretion-Hiding anything.

Serology-Study of English knighthood.

Tumor-An extra pair.

New Education/Counseling Center Opens In Tahoka

By KAREN McCAIN **Texas Tech Journalism Student**

Lynn County has received a \$63,000 grant from the Texas Department of Criminal Justice to establish an education and counseling center. In addition, a portion of these funds will be used to purchase equip-

ment for the center as well as the

Lynn County probation office.

These renewable state funds have enabled the opening of an education assistance center designed to help high-risk students in completing their high school education.

The coordinator of the center and its programs is Lynn County Probation Officer Jeri Akard. Located in the former Energas building on Main Steet in Tahoka, the center currently the guidance of the TISD, have enhas five students taking classes.

Mrs. Akard approached the Lynn County Commissioners in 1991 for approval to submit the grant application to the Texas Department of Criminal Justice at Austin. The commissioners approved her request and Mrs. Akard spent the next few months readying the paperwork needed to submit the grant application.

The state approved the county's request and the alternative education center was able to open to coincide with the start of the 1992-93 Tahoka Public Schools academic year.

"We want students to have every opportunity to finish their education if, for any reason, they leave public school prior to graduation," said Mrs.

She added that a trained counselor is available at the center to assist students with social and psychological testing, educational and vo-

cational counseling, and acquiring life skills.

Even though the educational assistance program provided by the center is not accredited by the Texas Education Agency, students still can work toward their GED.

Dr. Duane Carter, Tahoka Independent School District (TISD) Superintendent, sees the need for an alternative school.

"I'd rather keep all the students here at TISD, but an alternative education program would be a way to recapture dropout or expelled students."

In order for the center to become accredited with the TEA Carter said the center will need to come under trance and exit criteria for students and have state certified teachers and curricula. Carter hopes to present a funding proposal to the school board in October to aid the center in gaining accreditation.

Even though the center's primary work will be with students, Mrs. Akard said adult county residents may also utilize its services. Programs are available to help residents with any drug addiction or alcohol dependency problem. Individuals and/or entire families are encouraged to seek help for the addiction and resulting prob-

Individuals desiring more information regarding the alternative education center and the county counseling programs can call Mrs. Akard at 998-4505.

Police Activity Mostly Routine

No major crimes or traffic accidents were investigated by law enforcement officers in the county during the last week. Tahoka Police Dept. did check on a threat, a runaway and an attempted suicide.

A Tahoka woman complained that her ex-husband, now of Lubbock, had made threats to her and her present husband.

A Tahoka man who was found on the floor at his home had his stomach pumped after it was learned he had taken a quantity of pills.

Police talked with a 15-year-old girl who said she had walked away from a drug rehabilitation center in Lubbock and was waiting in Tahoka for a bus to Midland, where she lives. The center in Lubbock was contacted, and it was decided to let her go on

In jail during the week were two persons for driving while intoxicated, first offense, and one each on charges of DWI second offense, theft by check and possession of marijuana.

the hourly merchants drawings, will be held this year, including some for children, who may register at the stage that day for these drawings.

A \$50 cash drawing will be held from those names registered from the bubblegum toss at the homecoming football game Friday night. Student Council members will toss bubblegum to the crowd in the stadium, and those who receive a wrapper with a number in it should bring that number to the stage at the Harvest Festival and register before noon Saturday. Only one number per person is allowed, and entrants must be over 18 to be eligible.

Other drawing giveaways include a quilt and 13" color television raffle sponsored by the Senior Citizens Pioneer Club, and a VCR raffle sponsored by the Lynn County Child Welfare Board. Both of these raffles have \$1 ticket chances, and drawings will be held during the afternoon.

A complete list of booths and the day's schedule is printed elsewhere in this edition.

Rash Wins Grid Contest

Two persons missed only two games in last week's football contest sponsored by various Tahoka businesses and presented each week in the Lynn County News. Lee Rash beat out Joshua Thompson, who also missed just two games, by coming closest to the tiebreaker score.

The winner did not double his money as the previous winner did last week by picking the secret sponsor. Rash guessed Thriffway, and the secret sponsors were Bartley Grain, McCord Motor Co., Walker and Solomon Agency and Randy's Car-Wash.

Seven persons missed only three games. Another contest appears in this week's newspaper.

Shayla Brandon Finishes First In Cross Country

By THS Growl Reporter Eighth grader Shayla Brandon ran over a minute faster that her previous time to finish first out of 70 girls at a Cross Country Meet held last Saturday, Sept. 26 at Seminole. She had a time of 13:55 and ran in the junior

varsity division. According to Coach Steve Qualls, Shayla took the lead and never really gave it up, except for a short time: "This week Shayla used what she learned at Plainview the previous week and ran a great race," he added.

Eighth grader Georgia Williams also ran in the JV division, finishing 38 in the field of 70 runners with a time of 17:08.

The varsity girls were led by Sophomore Stephanie Stennett who finished 30th with a time of 14:53.49. Roxanne Villaueva finished 51 with 15:30, Aimee Wilson, Jill DeLeon, and Susan Draper had times of 16:02, 17:09 and 20:50 respectively.

"The girls ran a smart race, but have to work a little harder on their endurance during the race," said Coach Qualls. "I see them put out a good effort in the last half of the race, but the first half, we spot them too much."

Their start was better at Seminole than last week at Plainview, Qualls said. However, he added that it wasn't long enough to get a good position.

The cross country team's next meet is at Floydada, Sat., Oct. 3 at 9:30 a.m.

Running for the Tahoka Junior High will be Shayla Brandon, Georgia Williams and Abby Wells.

The varsity will run at 10 a.m. with Stephanie, Aimee, Jill and Susan running for the team.

Tahoka's Kathy Davis Is Enjoying Costa Rica Through IFYE Program

Kathy Davis, daughter of Billy and Ann Davis of Tahoka, has been in Costa Rica through the International Foreign Youth Exchange (IFYE) program since June 9, 1992. A graduate of Tahoka High School, Kathy is a 21-year-old senior home economics major at Texas Tech University; on leave for the IFYE program. She will return to the USA at the end of November.

Kathy has lived with several host families in Costa Rica, and taught home economics for a week at one of their local high schools, and has also helped teach English to an adult class. The following information is taken from Kathy's newsletter which she sent to IFYE recently.

J.J. Jackson Memorial Scholarship Bike-A-Thon Route Selected

Memorial Scholarship Bike-A-Thon will be held Saturday, Oct. 3 from 1-4 p.m. Anyone may participate, but youngsters in the second grade and under must have an adult ride with

ROUTE: The bike-a-thon starts at 1 p.m. at the Memorial Triangle next to the courthouse on the square. Bikers should line up at about 12:45 p.m. on South 1st Street between the triangle and Dayton Parker Pharmacy, behind the Tahoka Fire Dept. red van, which will lead the Bike-A-Thon to the school.

Bikers will go all the way down South 1st Street for about five blocks, until the stop sign at Ave. O, then turn right on Ave. O and go all the way to the elementary school.

At this point, riders will stay in this area, making a two-block square around the elementary school and high school football field. Each time around this two-block square is almost a mile.

From the courthouse to the school and around one time is 1-1/2 miles. Each additional lap around the school is measured as follows:

- 2 Times Around School 2.3 miles 3 Times Around School – 3.1 miles 4 Times Around School – 3.9 miles
- 5 Times Around School 4.7 miles 6 Times Around School – 5.5 miles 7 Times Around School – 6.3 miles
- 8 Times Around School 7.1 miles 9 Times Around School - 7.9 miles 10 Times Around School – 8.7 miles

The first annual J.J. Jackson 11 Times Around School - 9.5 miles 12 Times Around School - 10.3 miles

Anyone who wants to ride the 10-mile limit must make 12 laps around the school area. Any child may ride just from the courthouse to the school and around one time for a distance of 1-1/2 miles. Each rider sets his own distance.

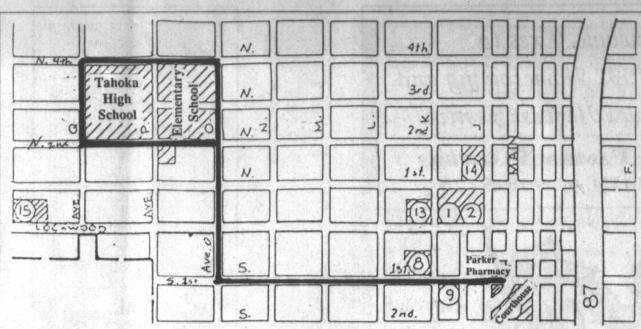

There will be water and refreshments available at a rest stop set up on the elementary campus, and rest rooms will be available in the elementary school.

The bike-a-thon closes at 4 p.m., but riders may stop at any time they wish. Once a bike rider leaves the two-block school area route, there will be no supervision by bike-a-thon

It is the responsibility of parents to get their children from the school to their homes, or back to the square, after they are finished riding in the bike-a-thon.

It is the responsibility of each bike rider to turn in their pledge sheets and money during the week following the bike-a-thon. Pledge money may be turned in at the elementary school main office, to Wanita Kelley at the First Baptist Church, to Rev. Danny Jackson at Sweet Street Baptist Church, or to The Lynn County News office.

All proceeds will go into the J.J. Jackson Memorial Scholarship fund. Donations will also be accepted in this account at the First National Bank of Tahoka.

BIKE-A-THON ROUTE - The first annual J.J. Jackson Memorial Scholarship Bike-A-Thon will be held from 1-4 p.m. Saturday. Bikers will line up at about 12:45 p.m. between the Memorial triangle and Dayton Parker Pharmacy. The Tahoka Fire Dept. red van will lead riders to the school, where bikers will make as many as 12 laps around the school complex. The bike-a-thon ends at the school, with parents responsible for picking up their children there by 4 p.m. when the bike-a-thon closes.

Baked Goods **Challenge Issued To County Cooks**

All chefs and "would-be" chef's talents and time would be appreciated at the Harvest Festival Fair. The past several years have resulted in a very low turnout in the Baked Goods division, and organizers of the fair this year, The Lynn Co. Extension Homemakers, are issuing a challenge to all cooks in the county.

Entries as individuals or as a representative from your workplace are encouraged. Let's find out who the county's best cooks are!

As always there are many categories to enter. Bring crafts, hobbies, art, antiques, produce, handwork to the basement of the courthouse between the hours of 4 p.m. and 6 p.m. Wednesday, Sept. 30 and Thursday, Oct. 1. All entries will be judged Thursday evening. Come participate and make this a successful year! The fair entries may be viewed on Saturday between 10 - 4 p.m. in the base-

the team held Crosbyton and forced a punt," said Coach Steve Qualls. "The punt went over the punter's head and the Bulldogs had the ball at the Crosbyton four yard line with under 20 minutes to play."

"We had the play called to score and just fumbled the handoff," he added. "We would have walked in had we had the ball in our hands."

"The boys played a real hard game and moved the ball well on offense," said Coach Qualls. "Lee Rash and Brent Raindl did a good job at the quarterback position."

Tahoka's junior varsity football team played the Olton Mustangs and came up short 6-20.

"Attitude is a very important key for the team," said Coach David Johnson. "If we don't have it right we will not do a very good job."

"We lost eight fumbles and had one interception," Coach Johnson reported.

Two of the JV fumbles were returned for touchdowns. Tahoka had two passes dropped that would have resulted in touchdowns. With starting quarterback Clay

BREAST FEEDING

A mother's choice to breast feed her child for 6 months or more can reduce the risk of the child developing cancer later in life, is the finding of research led by Margaret K. Davis, MD of the National Institute of Health. It may also inhibit later obesity, diabetes, and heartcirculation diseases. "If human milk increases resistance to infection in infancy," Davis states, "artificial feeding, which provides no immunological benefits, may alter the child's responses to early infection."

Public Notice

Southwestern Bell Telephone Company, in accordance with the rules of the Public Utility Commission of Texas (PUC), hereby gives notice of the Company's intent to implement a new schedule of telephone rates in Texas for optional Custom Calling Services and Touch-tone service, effective March 15, 1993, unless otherwise etermined by the PUC.

These proposed rates will not increase or decrease the Company's overall revenues; the net effect will be neutral to the Company's annual revenues.

The Company proposes to decrease the rates for Touch-tone service for residential customers from \$1.00 to 68 cents, and also to reduce the Touch-tone rates for business customers from \$1.75 to \$1.70. In addition, the Touch-tone rates for

business PBX trunks will be reduced from \$3.15 to \$2.18. This proposal to decrease the rates for Touch-tone service does not change the commitment that the Company made in the Docket No. 8585 Stipulation to reduce

the rates for Touch-tone service in 1993. The Custom Calling Services affected by the Company's application are option-telephone service arrangements that provide the following features: Call Waiting, Call Forwarding, Three Way Calling, Speed Calling-8 and Speed Calling-30. Following are the feature combinations and their current and proposed rates.

Emergency Loans Made Available To Producers In West Texas Countles

to eligible farmers and ranchers in eight West Texas counties, including Lynn County, that were declared federal disaster areas due to excessive rain, hail, wind and cold temperatures, which occurred between May 22 and July 7, Agriculture Commissioner Rick Perry said.

In making the declaration, U.S. Secretary of Agriculture Edward Madigan named Terry County a primary disaster area. In addition, Cochran, Dawson, Gaines, Hockley, Lubbock, Lynn and Yoakum counties were delcared contiguous disaster areas.

These declarations allow familysize farm operations in both the primary and contiguous areas to apply for emergency assistance from the Farmers Home Administration.

To be designated as a primary disaster area, the Farmers Home Administration determines whether a sufficient number of farmers in each county suffered losses of 30 percent or more. The counties designated as contiguous disaster areas were de-

Low interest loans are available clared as such because they were adjacent to the primary disaster area but suffered fewer losses.

Each loan application will be considered on its own merits, taking into account the extent of losses, security available, repayment ability and other requirements.

Other emergency farm loans are also available for losses caused by excessive rain and hail between May 1, 1992 through July 30, 1992.

Lynn and Garza counties are two of 24 in Texas recently named by Madigan as eligible for loans to cover part of actual production losses resulting from excessive rain and hail.

Curtis Barlow, FmHA County Supervisor, said farmers may be eligible for loans of up to 80 percent of their actual losses or the operating loan needed to continue in business or \$500,000, whichever is less. For farmers unable to obtain credit from private commercial lenders, the interest is 4.5 percent.

The FmHA office in Tahoka is open from 8 a.m. to 5 p.m. Monday through Friday.

Coach Gardner. "With a little more experience, these girls are going to be tough!" she added.

Junior Varsity Girls

"They are learning a lot about high school volleyball," said Coach Nancy Kirkland about her all-freshman JV team. "They are improving each week and beginning to really believe they can win."

That belief was reflected when they defeated Aspermont 15-7, 15-3 in their opening season game on Friday, Aug. 21.

Blanda Miller served 11 points to take high server honors in their win against Lubbock Christian Junior Varsity on Tuesday, Sept. 1. They defeated them with scores of 15-1,9-15, 15-17, taking two out of three to win the set.

The JV girls played Greenwood next, winning the first game 15-8, but losing the next two 5-15, 2-15. Shelley Tipton took high point serving honors with 10 points.

Both the 9th grade and JV teams were defeated by Plains with scores of 5-15, 7-15 and JV scores of 3-15,

Aspermont visited Tahoka Tuesday, Sept. 15 and defeated the Lady Bulldogs 8-15, 14-16.

Denver City took advantage of their size and experience and defeated the Tahoka JV 1-15, 2-15 on Tues-

day, Sept. 22. In the Brownfield Tournament held last Saturday, Sept. 26, 9th graders played Brownfield first and lost 10-15, 11-15. They faced Class 4A Snyder in matches and lost 11-15, 10-15. In the final matches of the tournament against Lubbock Christian High School the JV girls won the first game 15-11; LCHS came back in the second match to win 12-15; and the 9th grade girls were on top in the last game 15-9.

On Tuesday, Sept. 29, the JV travelled to Midland and lost 5-15, 6-15. Midland Christian defeated the varsity 6-15, 5-15.

RC&D To Seek Funding **For Projects**

The Lynn County Committee of the Wes-Tex RC&D (Resource Conservation and Development) met last Thursday, and approved of several proposals requesting grants for five projects in the county. The proposals will be sent through several channels to see what funding is available for the projects.

The projects included new communication equipment for Lynn County EMS, a new pumper fire truck for the Tahoka Fire Dept., and new fire hall and renovation of the old fire hall into a community center for Tahoka, swimming pool renovation in O'Donnell, and renovation of the community center in O'Donnell.

The first project for which the RC&D committee sought funding has been approved by the Texas Forest

Public Notice

Southwestern Bell Telephone Company has asked the Public Utility Commission of Texas (PUC) for approval to offer new optional call management services called Caller Identification Service (Caller ID) and Anonymous Call Rejection (ACR).

Caller ID is a new optional phone service which allows subscribers to see the phone number and/or name of most local calls before they answer the phone. Caller ID also allows the recording of the date, time, name and/or phone number of calls. Currently, Caller ID would work only on most local calls, not long distance calls. It would also require that a separate display unit be connected to the telephone. These units that attach to the telephone will be available from various retail vendors, including Southwestern Bell, at a cost starting

at approximately \$50. Southwestern Bell is also proposing that all customers be able to "block," or stop their name/number from being transmitted and displayed on a Caller ID device, free of charge. You would have this option of "blocking" your name/number on each call free of charge. There would be no need to subscribe to this service. All customers would have this capability when Caller ID is

introduced in their area. If you want to block your name or number, you need only press 67 on your touch-tone pad (or dial 1167 from a rotary phone) before dialing the telephone number. The person you're calling would see displayed a message such as "private" or "anonymous" on their Caller ID display unit.

Southwestern Bell also proposes that qualified domestic violence and law enforcement groups have the option of free per-line blocking, or free per-call blocking.

subscribers to automatically reject all calls that have been marked anonymous, or "blocked" by the person calling. It is not necessary to subscribe to Caller ID Name/Number to subscribe to ACR. With ACR, your telephone will not ring if the person calling you has "blocked" his/her name or number. The person calling whose identification is blocked will receive a message to hang up and call back with caller identification unblocked. Following are the proposed monthly rates for Caller ID and ACR.

Proposed Rates (monthly)

Calling Number only \$ 8.50 \$ 8.50 Calling Name only \$6.50 Calling Name & Number \$8.00 \$12.00 \$3/\$1** **Anonymous Call Rejection**

* These rates are in addition to the initial installation charges and monthly basic service rate. For residence customers, installation charges are \$2.70 per feature, with a maximum charge of \$5.40. For business customers, the charges are \$5.40 per feature, with a maximum charge of \$10.75.

* Anonymous Call Rejection is \$3 per month if purchased without Caller ID and is \$1 per month when purchased with Caller ID Name or

NOTICE OF FLUORIDE LEVEL IN WATER

The City of Wilson has been notified by the Texas Department of Heaith that the water being supplied by our system exceeds the maximum constituant level for fluoride established by the department's "Safe Drinking Water Act."

The samples of water from the Wilson system contain 4.1 milligrams of fluoride per liter, and the department requires the city to notify all customers. There is no immediate health hazard for drinking water containing fluoride at this level except that is could cause mottling (brown stain) on the teeth of children under 14 years of age.

All the dentists in this area are aware of the fluoride level.

The City will continue to search for alternate sources of supply and will investigate any available treatment techniques to lower the level of our fluoride if they are affordable at all. Bottled water is available for families with children under the age of 14 years at the City
