Tahoka Independent School District Board of Trustees approved the 1991-92 audit report presented by Joe Hays of Love, Hays & Co. at their regular meeting held last Thursday night. Hays said the district was "doing very well, financially" as he briefed the trustees on the audit.

In a public open forum held at the beginning of the meeting, Mrs. Dora Moore addressed the board on an issue concerning her son, which trustees listened to but took no action.

In other business, bookkeeper Mrs. Loretta Tekell reported an account balance in all funds of \$1,025,855.96 as of the end of October, and trustees approved monthly bills to be paid. A textbook committee composed of district teaching staff was approved by the board.

Superintendent Dr. Duane Carter explained to trustees an alternative education program in conjunction with services offered through the Juvenile Probation Office here. Classes are currently being offered at the new Education/Counseling Center in the former Energas building to high-risk students in order to help them complete their high school education.

to begin accepting applications for a state-certified teacher to conduct classes on a part-time basis at the Education/Counseling Center, under the jurisdiction of TISD, for high risk students or to recapture dropout or expelled students. "This will give those high-risk students another opportunity, or alternative, to completing their education," said Dr. Carter. "I think it's a good plan - we need to have some-

Community Christmas Service Scheduled For December 6

The Annual Community Christmas Service will be Sunday, Dec. 6, at 7 p.m. in the sanctuary of the First United Methodist Church of Tahoka. The service will consist of scripture telling the story of the birth of Jesus and the singing of many familiar Christmas carols.

The Annual Community Christmas Service was begun in the mid-1950s and has been held every year since that time with the churches alternating as hosts. Directors have alternated also with cantatas being presented some

Choir members from the local churches and surrounding area as well as all who enjoy singing are invited to participate in the choir. Rehearsals will be held on Wednesday, Dec. 2, at 8 p.m. and Sunday, Dec. 6, at 2 p.m. in the First United Methodist Church.

Organist will be Haney Wells of First United Methodist Church and pianist will be Gilda Taylor of Sweet Street Baptist Church. Narrators will be Christy Huffaker and John Krey. The service is under direction of Bettye Green of the Methodist Church.

CROP OUTLOOK BETTER-This is a familiar scene around Lynn County as the cotton harvest gets into full swing, and farmers are making better crops than had been predicted earlier. Turnout per acre and grades at the gin are better than expected as the weather cooperated this year. Farmers in Lynn County also reportedly are doing better with the largest grain crop in the county in years. This photo was made on the Weldon Martin farm southeast of Tahoka, farmed by Bobby Martin. Bulldog Basketball Teams Win Three Over Mustangs

The Tahoka varsity and junior varsity boys basketball teams, and varsity girls team, won over the Wilson teams Tuesday night at Wilson in the opening games of the season.

Cory Whitley led the Varsity Bulldogs in scoring with 13 points in the 45-28 win over the Varsity Mustangs. "We worked real hard in this win," said Coach Hulon Kirkland

The JV Bulldogs had three players scoring in double figures as the team won handily over the Wilson JV boys, 49-14. Drew Stone and Greg Smith each scored 14 points, and Terry Gwin followed closely with 13 points for the Bulldogs.

The Varsity Lady Bulldogs also had three players scoring in double figures as they handed the Wilson varsity girls a 69-24 loss. Myra Williams led the scoring for the Tahoka team with 16 points, and Brandi Burleson and Katy Huffaker both tossed in 10 points.

The varsity girls will play in the Howard Junior College Tournament in Big Spring Nov. 19-21, and then will face Roosevelt there on Nov. 20 and Meadow here on Nov. 24. The JV girls play Roosevelt at 5 p.m. and Meadow at 4 p.m. those same days, and the varsity girls will play at 6:30 p.m.

The Varsity Bulldogs will also travel to Roosevelt Nov. 20 for an 8 o'clock game, with the JV boys scheduled to play at 5 p.m. Both teams will take on Meadow Nov. 24 on the Bulldog's home court, with JV scheduled to play at 5 p.m. and the varsity tipoff at 8 p.m.

Craft Fair To Be Held Saturday

A Christmas Craft Fair will be held from 9 a.m. to 5 p.m. in the Tahoka school cafeteria on Saturday, Nov. 21 The fair, sponsored by the Lynn County Chapter of the American Cancer Society, is an annual event and proceeds from booth rentals and the concession stand will go to the society.

Area craftsmen have rented booth space and will be offering a variety of items, including wooden crafts, jewelry, painted shirts and much more. A concession stand will sell home-baked goods. Food items include: red beans, cornbread and drink (iced tea or coffee) for \$3.50; sandwiches and drink for \$2.25; and homemade pies for \$1/slice or \$5 for a whole pie.

Anyone interested in setting up a booth should contact Tommye Nance at 998-4011. Booth space is available at a cost of \$20.

ABOUT 20 YEARS ago when I was teaching Freshman English composition at Wayland College, a student turned in a paper in which he had written, "Mother said we needed to paint are table." I remember this because it took me a while to figure out he was using the word "are" to replace the word "our". Of course, that's the way the word sounded to him (and the way he said it).

I wish I had some of those Texan lingo books that someone used to publish, with all the Texas pronunciations that mangle the language. (Somebody hep me on this; ah cain't member what they called them thangs).

Anyway, I had never before heard or seen someone use "are" for "our," until Tuesday morning's Avalanche-Journal said the following, in a story about the Houston Oilers and Sunday's injury to Warren Moon:

"It's not good for the team that we lose are star quarterback," said rookie Bucky Richardson, who will back up Carlson.

Richardson is an Aggie, and he may have said that, but he did graduate, so I doubt it.

KNOTHOLES: This Thursday (today) is National Smoke-Out Day. The plan is to try to convince smokers to quit for just a day, with the idea being that maybe they then will decide to guit for another day and then stop forever. I would urge everyone to quit smoking, but that's really easy for me to say, since I don't smoke anyway. If I say that to a smoker, he or she likely will feel about like I do when some skinny person tells me I ought to quit eating so much and lose weight. Like the smokers who deep down inside know tobacco is bad for them, I know overeating is bad for me, but the skinny person who tells me that really doesn't understand the situation. . . In Lubbock there is a drive to collect old phone books for recycling, with one sponsor claiming that 34,000 phone books can save 1,000 trees. When I was a teenager, the guys always admired the muscular men in ads who claimed they could tear a phone book in half. Of course, that wasn't such a big deal if you lived over at Bryson, where the phone book was only 8 pages.

Mrs. Patty Hamilton Wins **Teacher Conservation Award**

Mrs. Patty Hamilton, a fourth grade teacher at Wilson Elementary School, was recently named Texas Runner-Up Teacher-of-the-Year in the 1992 NADA/ICI Conservation Education Awards Program.

The award is co-sponsored by the National Association of Conservation Districts and ICI Americas Inc. Agricultural Products Division. Mrs. Hamilton, who was nominated for the award by the Lynn County Soil and Water Conservation District headquartered in Tahoka, received a special plaque and certificate for her conservation education achievements at the Annual State Meeting of Soil and Water Conservation District Directors held recently at South Padre Island.

The purpose of the award is to create an awareness and appreciation of the value of conservation education and to stimulate efforts by teachers to advance the wise use, protection, and enhancement of the nation's soil and related natural resources.

Mrs. Hamilton, who has taught in the Wilson School District for 12 years, said, "The land is something we will never have the opportunity to make more of. We can only improve what we have and learn to take care of it. For these reasons, I try to involve my students in the betterment of our natural resources.'

"The Lynn County Soil and Water Conservation District was proud to honor Patty as the Outstanding Conservation Teacher of Lynn County for 1991. We were even more proud when we learned she was named Texas Runner-up in the national awards program" said W.R. Steen, Chairman, Lynn County SWCD.

I had boarded my plane to Dallas for my summer vacation. As the plane took off, I felt something strange. It felt like the plane was going straight up. I decided it was just my sinuses bothering me again. I must have dozed off because I awoke many hours later and saw that we had not reached Dallas yet. I asked the stewardess when we would land and she replied," Just ten hours till Mercury." "Mercury,"

As I began walking I found they used camels for nearly everything. It was eight o'clock in the morning and it was already 100 degrees! It seemed as if there were swimming pools on every corner. I caught a ride on a camel taxi back to my motel. When I walked in the door I heard these announcements,"All earthlings wanting to return to Earth must board their plane in ten minutes." The monthly birthday part was held Nov. 17 at 2 p.m., given by Sweet Street Baptist Church. Villa Craig, Marie Davis and Winnie Kizzian brought refreshments.

There were 26 residents attending the party. Birthdays for the month were Rosa Riojas on the 2nd and Robert Gary on the 18th.

Gussie Williams won a sweat shirt for having the best attendance record in the walking club for October.

The residents have an attendance/ participation chart and the resident with the most stars that month wins.

High school girls started basketball season with a scrimmage against Amherst on Nov. 10. They travelled to Loop on Nov. 13 for a couple of scrimmages against Loop and Ropes.

High school boys got in some practice time with a scrimmage against Montery's JV team on the 13 in Lubbock.

Girls and boys will have a regular game at New Home against O'Donnell on Nov. 20 with JV games starting as early as 4 p.m.

The Jr. high basketball teams will play at Wilson on Nov. 23 with games starting at 5 p.m.

Annual Staff Who's Who

The Annual Staff would like to offer a sincere apology to Kauy Turner for having left her name off the Who's Who list last week, and for not having her acknowledged her at the Pep Rally along with the other selected members of Who's Who. Kauy is a senior at New Home and is a valuable asset to each program and activity that she participates in. The Annual Staff apologizes for the omission in last week's article.

Report Cards

Elementary report cards should be signed and returned no later than Nov. 20. The third six weeks got off to a good start on Monday, Nov. 16. The faculty would like to encourage the students to keep their grades up in all of their classes. This six weeks will finish up the first semester of this school year when it concludes on

Change of Focus

This year the High School students had the opportunity of taking a class at 7:30 a.m. during the "zero hour". This class is called Change of Focus and is taught by Coach Blackwell and Julie McAlister. The class has decided to publish a paper each Tuesday to help the community stay in better contact with the school. They welcome ads and coupons for a very small fee. If you are interested in having an ad published please contact one of the Change of Focus teachers at 924-7524. Be looking around the New Home businesses for the Leopard Link each Tuesday.

Campus Rock

The youth group campus rock has decided to only have one week night meeting, and maybe one weekend activity per month due to the very full schedules of the students. Dates will be set at later and the students will be notified when the plans are made.

Marla Rudd **To Compete For** Miss Texas FB

A Miss Texas Farm Bureau will be chosen along with talent find and free enterprise speech winners at the 59th annual TFB convention at Corpus Christi Nov. 29-Dec. 2. Competing in the Miss TFB State Competition from Lynn County will by Marla Rudd of New Home.

The daughter of Marlow and Barbara Rudd, Marla won the Lynn-Garza Farm Bureau contest and district Miss TFB contest to advance to state competition. She is a senior at New Home High School.

Miss TFB for 1992 will receive a \$2,000 scholarship; the runner-up receives a \$1,500 scholarship. The talent find winner receives a \$2,000 scholarship and the runner-up receives a \$1,500 scholarship.

mandated that all CRP contracts be checked each year.

At the last joint meeting of the two committees the possibility of using airplanes for this review was discussed. The airplane allows the entire CRP farm to be reviewed by both agency representatives at the same time. The standards set up by both committees can be applied and a determination of any needed weed control is made at that time. The owner of the CRP can be notified when the representative returns to the office.

Those producers that are still in the process of establishing the cover for the CRP contract will be contacted by the local SCS if action is needed. Producers that have established the grass but need maintenance are notified by the local ASCS. A return flight is made within 15 days of the notification to determine compliance of the request for weed control. Failure to take control measures to prevent weeds from blowing into neighbors fields is a violation of the CRP contract. Violations of the contract requires a penalty or cancellation of the contract.

The new method allows personnel to review complete fields as compared to viewing only the boundary by ground. The time required is reduced by a tremendous amount. Two days of flying can complete the work that would have required over two weeks of ground time with a more thorough job allowed by the airplane. Review is made on the ground

to increase the accuracy of the standards applied by ground.

"It is hoped that this new method can be improved and used in future years," states Jimmy Woodard, CED Lynn County ASCS. He also stated "Both agencies are required to work together on so many areas of the farm program that any. method that allows personnel to complete such a large job together in a couple of days is very helpful. In a small way, tax dollars are saved too."

PUBLIC NOTICE

GTE Southwest Incorporated (GTESW) and Contel of Texas Inc. (Contel) have filed an application with the Public Utility Commission of Texas to seek approval to provide two new private line services and to change rates for existing services. GTE's intraexchange DS1 Service will be offered pursuant to the rates proposed with this filing and will no longer be available through concurrence with GTE's interLATA access tariff rates which are lower. Contel's intraexchange DS1/DDS Service will be offered pursuant to the rates proposed with this filing and will no longer be available through Contel's current private line tariff rates. Existing customers with DS1/DDS Services will not be affected by these rate changes. DS1 1.544 Megabits per second (Mbps) Service and Digital Data Service (DDS) will normally be used for the transmission of data communications or large volumes of voice communications between two locations. These services are optional and will not affect the existing rates of customers who do not order these services. The estimated annual effect on GTE-SW's revenues in the first year is \$1, 080, 567. The estimated annual effect on Contel's revenues in the first year are \$42, 383.

DS1 Service

DS1 Service is an intraLATA Private Line Service which provides a dedicated, high capacity channel which may be used for simultaneous two-way transmission of voice data or other digitally encoded customer information signals. DS1 Service provides a transmission speed of 1.544 Mbps and is designed to provide an average performance of at least 95 percent error-free seconds of transmission over a continuous 24-hour period.

DS1 Service is available in and between all exchanges of GTE-SW and Contel where digital facilities exist. DS1 Service is available on a point-to-point intraLATA basis between two Customer Designated Locations (CDL), between a Serving Wire Center (SWC) and a CDL, between a CDL and a point of connection with another service provider or between two SWCs.

IntraLATA DS1 Private Line Service is comprised of three rate elements: DS1 Local Loop, DS1 Transport and DS1 Transport Termination. Each element is described below

DS1 Local Loop

This rate element is for the cable facilities from the CDL to the SWC. The customer has two payment options for the purchase of DS1 Local Loops. There is a month-to-month plan or term contract Optional Payment Plan (OPP).

The month-to-month payment basis allows the customer to establish and disconnect DS1 Services, without penalty, other than to meet the minimum service interval of one month's service, as needed. Under the month-to-month service, the additional DS1 Local Loop rate applies only when the additional DS1 Local Loop (s) is (are) ordered at the same time and between the same two CDLs as the first DS1 Local Loop.

The OPP plan allows the customer to select a term of service (1 YR, 3 YR and 5 YR) with lower monthly rates associated with longer term contracts. If the customer selects an OPP, additional DS1 Local Loops may be ordered and installed at the Additional DS1 Local Loop rate between any SWC and CDL covered by the OPP, at any time during the term of that OPP.

DS1 Transport

This rate element is for the mileage sensitive charges for transporting a DS1 signal between Serving Wire Centers. Transport occurs only when the two CDLs being connected are served by two different SWCs.

DS1 Transport Termination

This rate element is for the equipment to terminate DS1 Transport at the SWCs. This charge applies only when DS1 Transport is required for the service configuration of the customer. One transport termination charge applies at each end of the DS1 Transport.

Proposed Rates and Charges for DS1 Service are as follows:

	Nonrecurring Charge	Monthly Rates
DS1 Local Loop		in the second
Month-to-Month		Address of the second
First System	\$ 1,000.00	\$ 298.00

DS1 Transport		
Per airline mile	-0-	\$ 16.00
DS1 Transport Termination		
Per Termination	-0-	\$ 40.00

Digital Data Service

Digital Data Service (DDS) is an intraLATA Private Line service which supports synchronous, full-duplex transmission between the CDL and the SWC or the point of connection with another telephone company at transmission speeds of 2.4, 4.8, 9.6, 19.2 and 56 kilobits per second (Kbps). DDS provides a transmission path for digital data signals within the same LATA.

The PEOPLE (People Evolving Out-of People Living Enthusiastically) has been very active this year with a great deal of success. The group held a "get-acquainted" night for the teachers at school and organized the Fall Festival, which was a big success for the

The group is getting a walking track installed in the Wilson City Park. It will be a quarter mile track, paved, with beautiful landscaping to enhance the entire park. A committee from the PEOPLE group has worked diligently, efficiently, and quickly to get the ball rolling. The most recent accomplishment toward the completion of the track is the purchase of 17 trees for landscaping which have been paid for by grant money from the community fund from Lutheran Brotherhood Insurance Company.

Everyone is invited, urged and encouraged to help set the trees out on Saturday morning, Nov. 28. So, bring your shovels and a community spirit to get the ground broken for the new walking track that is being sponsored by the PEOPLE group. It doesn't matter whether you have ever attended a meeting before, if you are interested in the Wilson community to be sure to attend the ground breaking—tree planting event.

There will be a bridal shower honoring Patricia Benavidez, bride elect of Adam Perez of Post. The shower will be Saturday, Dec. 5, at 10 a.m. in the home of Jo Ann Cook, in

Selections are at Hometown Hardware in Tahoka, Pauline's Flowers in Slaton and Dillard's in Lubbock.

The Wilson PTO met last Monday at 7 p.m. in the high school auditorium. Mrs. Kohler's kindergarten class dressed up as Indians and Mrs. Porsch's first grade class dressed up as pilgrims to present a Thanksgiving pro-

gram of poetry and songs.

Plans were made for the PTO to run the concession stand for one of the home basketball games. Karen Wilke volunteered to make a schedule for the workers for this project.

Lynda Williams resigned her position as PTO fund raising chairman and Kayla Adams graciously accepted the job for the rest of the

One of the benefits of attending the meetings for the kids is the possibility of winning a \$5 prize. This meeting's winners were Shawn Bell, Dusty Follis, D'Andra Wilke, Krista Wilke, and Amber Wilke. The group also awards a potted plant to one of the teachers each meeting, and this time, Brenda Porsch was the winner. The next meeting is scheduled for Jan. 18, 1993.

"Young at Heart" will be holding its annual Christmas Luncheon on Thursday, Dec. 3 at St. John Lutheran Church in Wilson. This

will be the November/December meeting. Everyone who attends is asked to bring a small desert, salad, or vegetable dish (one item only); the meat, bread and drink will be furnished. Everyone is encouraged to bring one "white elephant" gift which will be used in a gift

Everyone is invited to come out at noon for a fun-filled afternoon with special entertainment provided. The only requirement for attendance is that you are "young at heart."

Wilson Lions Club meets Thursday night, Nov. 19, at 7 in the school cafeteria. The program will be presented by Rebecca Dimak, the new county Home Economist agent. She and her husband, Scott, come to Tahoka from Bryan where she had been assistant home economist for 2 1/2 years.

Susan Wied has opened a new business in Wilson. "Nanny's Attic" is a shop full of woodworking and homemade craft items. Susan said her hours will be from 10-5 on Tuesday, Thursday, and Friday and 10-3 on Wednesdays. She also will accept appointments during times when she is not normally open.

St. John Lutheran Church, as part of its outreach ministry, is involved in a ongoing project referred to as the "Snackmeal Sack". In this project, they assemble a ready to eat meal in a sack that requires no heating or preparation other than opening the packages. These are then delivered to the Neighborhood House in Lubbock where they are distributed to those who need a quick nourishing meal.

They delivered about 150 of these sacks this week to Lubbock. In the past, they also have placed these sacks in Tahoka with the Department of Public Safety Troopers for distribution. For further information on the program contact Joann Steinhauser.

The students of Wilson Elementary were treated to a special learning activity last Friday when several of the local farmers and animal raisers set up a "petting zoo" for the kids to attend. There were all the typical barnyard animals and even some not so usual such as homeing pigeons and a pair of ducks. A special thanks to Mrs. Clayton's 6th graders who acted as guides and who attempted to answer questions from the other elementary students. The animals were loaned by Woody Follis, Mr. Compton, Mr. Williams, and the homing pigeons by Dusty Follis.

School nurse, Sandra Stabeno reported a new program mandated by the state in regards to the immunizations required for a student who attends public school in Texas. This is new program will involve most of the students in either 5th or 6th grade. The medical community has decided that the measles shots that a child receives as an infant need to be supplemented with a booster shot before the child reaches the age of 12.

Sandra has made arrangements with the Texas Department of Health to sponsor a clinic on Friday, Nov. 20 from 1-3:30 p.m. so that any student who needs this shot may receive it. The normal charge for this shot is \$4 but there are provisions for those who are unable to pay.

Students will be or already have received letters on this clinic. For further information contact Sandra Stabeno at the elementary

School will dismiss at 3:15 on Tuesday, Nov. 24 for the Thanksgiving holidays, and will resume on Monday, Nov. 30 at the regular

The school board met last Thursday. Trustees approved the purchase of 20 additional computers for the high school building. These computers will be available for students as they are needed for school assignments and other work. The plans right now are for 15 of these machines to be in one classroom and the other five scattered throughout other classrooms. These are the first units that the school has had available for all students enabling them to work on other types of classwork such as word processing, science, and math. This system will allow students to progress at their

Wilson ISD students received their report cards for the second 6-weeks yesterday (Wednesday). Parents of elementary students are reminded to sign the cards and return them to the school by today (Thursday).

Booster Club is still meeting Tuesdays at 7 p.m. in the cafeteria. Now that football season is over, attention will be directed to basketball and the three Wilson Mustang teams. The boys will field a Varsity and a JV team and the girls will field a Varsity team. The junior high also will field a boys team. Schedules of the games are available at the school and at a couple of locations in town such as the Wilson Insurance Agency.

The Jr. high played at Meadow last Monday and all three high school teams played Tahoka here in Wilson last Tuesday. The Jr. High will play New Home on Monday, Nov. 23; the next high school game is Friday, Nov. 20 at Cotton Center when both varsity teams will play. All three high school teams will play Amherst at Wilson on Tuesday, Nov. 24. There are no more games next week due to the Thanksgiving holidays. On Monday, Nov. 30 the Jr. High will play at Union.

Several of the Wilson churches have scheduled events for the celebration of Thanksgiv-

St. Paul Lutheran Church has scheduled services for Thanksgiving Day at 10:30 a.m. They then will begin Advent services on Nov. 29. All children who will be involved in the Christmas Eve service will begin practicing their music during the Sunday School hour each week. Parts will be handed out later in the month. Sunday afternoon practice sessions will begin the last Sunday of November at 3

First Baptist Church has scheduled a Thanksgiving pot-luck meal and a praise service for Sunday, Nov. 22 at 6 p.m. The "West Texas Praise Team" from Grassland will be in attendance and will bring the program for the evening. Sunday, Nov. 29 at 6:00 will be a music night. Special music will be presented by the First Baptist talent along with congregational singing. Those of you who would like to participate in a vocal or instrumental way, contact Russ McCormick, Bro. Ira or a mem-

her of the music committee. St. John Lutheran Church has scheduled services for Thanksgiving Day at 10 a.m. Children involved in the Christmas Eve program have begun practicing their music and their parts during the Sunday School hour and there has been a schedule of other practice times posted at the Church as well as been sent home with the kids.

The City of Wilson has mailed a survey to about 220 area residents. This survey was conducted to see what the community felt in

regards to the fire department, and what should be done about it. So far, only 10 responses have been received and this lack of interest could spell the end of the fire department.

Methodist Home To Have Open House

Methodist Home Services will be hosting a Christmas Open House on Friday, Dec. 11, from 1 to 3 p.m. The public is invited to attend to learn more about the services of Methodist Home and to meet the staff at 3007 33rd St. in Lubbock. For more information, call 806/792-0099.

DIABETES MELLITUS

Almost 15 million people in the U.S. have diabetes mellitus. They are usually overweight and have insulin resistance because of obesity. Most patients can be treated without insulin, simply by losing weight. Especially in the early stages of diabetes mellitus, weight loss can restore normal blood sugars in these patients.
