Moonlight Madness Event To Feature Sales, Santa

Special bargains, free gifts, horse-drawn trolley rides, and Kris Kringle plus at least one other native of Germany will be featured in downtown Tahoka Friday evening as the city's merchants host another Moonlight Madness Sale from 5 p.m. to 8 p.m. The sale starts at 5 p.m. at the participating businesses, and most are offering turkeys or other free prizes at drawings. Those who register for the free gifts must do so during the three-hour sale and all registrants must be at least 18, with no name entered in a box at any one business more than once. No purchase is necessary to register.

Santa Claus and Mrs. Claus will arrive downtown about 6:30 p.m. and will be available somewhere near the square to talk with youngsters. If the weather is extremely cold or snowing, the North Pole couple will be located in the basement of the courthouse.

John and Mary Bess Edwards of New Home again will bring their horse-drawn trolley, offering free rides to anyone interested. Children

under 12 wanting to ride around town in the trolley must be accompanied by a parent.

Accompanying the Edwardses will be a visitor from Germany, Hilke Hartig, 19, who has been staying with the Edwards family for a couple of months. Miss Hartig is from Hanover.

Santa also will have his mailbox set up downtown to receive letters from youngsters. These letters will be published in *The Lynn County News*.

The downtown square already is lighted, with a Nativity Scene, angels

on the balconies of the courthouse, and other lighting placed by Tahoka Chamberettes, assisted by the Lynn County Sheriff's Dept. and trustees, and other volunteers.

Special bargains by participating merchants are detailed in many ads inside this edition of *The News*. Businesses taking part in this year's specials include Jennings, Sirita Kay's, Tahoka Drug, Balloons and Flowers, Dayton Parker Pharmacy, Tahoka Family Flowers, Perry's, Jolly Cafe and Sweet Shop, Hometown Hardware and The Lynn County News.

Annual Christmas Lighting Competition Entries Sought

The annual Christmas Lighting Contest in which Tahoka Garden Club judges the top entries in several categories of decorations each year in the city of Tahoka again is planned, and entries are sought in all of those categories.

Residents are urged to call in entries as soon as possible, as judging may be on Saturday evening, Dec. 19, a bit earlier this year.

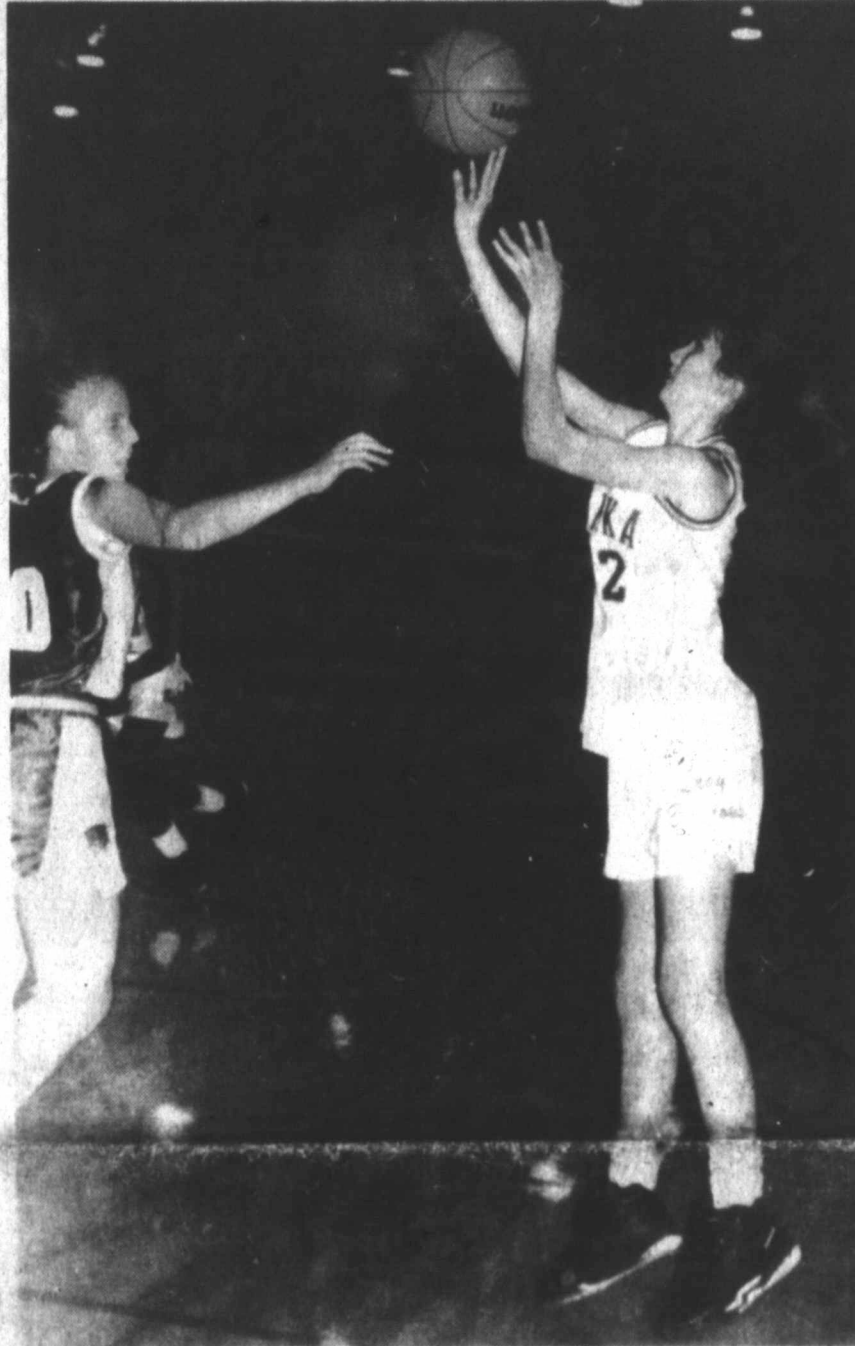

Sponsors said they especially would like more entries in the lighted door category, as this is a division which does not normally attract a lot of entries. "There are lots of decorated doors, but not many are lighted," said a Garden Club member.

Entries may be made by calling one of the following Garden Club members: Mrs. Madelyn Brown at 998-4930, Mrs. Pat Park at 998-4797, Mrs. Mildred Abbe at 998-4602 or Mrs. H.R. Tankersley at 998-4254.

There are three classifications for entries. Residential has five categories—door, window, yard, outside tree and "over-all". Merchants will have one category, display windows. Municipal displays will include city and county buildings and will be judged in one category. An entry must be lighted, and must be clearly visible from the street.

Three places will be rated in each category, and pictures of first place award winners will be presented in the Dec. 24 Christmas edition of *The Lynn County News*.

Time of judging will be announced later, and all entries must be lighted for that time.

SHOOT!—Katy Huffaker, shown here shooting against Meadow, led Tahoka Lady Bulldogs with 16 points in this game, although Meadow won 66-41. Tahoka's varsity girls also lost Tuesday night to Stanton. Meanwhile, Tahoka varsity boys beat Stanton Tuesday to extend their unbeaten record to four for the season. (LYNN COUNTY NEWS PHOTO)

Burglary Cleared; Wreck Reported

Tahoka Police Dept. investigated one traffic accident in the city during the last week, and Lynn County Sheriff's office reported an October burglary near Wilson cleared.

On Monday at S. 2nd and Ave. M a 1987 Ford pickup driven by Charlie McCoy Holland, 50, of Tahoka, and a 1990 Ford Probe driven by Nancy Ann Jolly, 26, collided. Mrs. Jolly and Carla Jolly, 8, were treated and released at Lynn County Hospital.

Two other children in the Jolly vehicle were not injured, according to the report.

A burglary at the home of Wanda Stegemoeller about six miles northeast of Wilson last September was reported cleared and charges filed against a Lubbock man now being held in jail at Lubbock on other burglary charges. The suspect, Robert Davis, 32, will be brought to Lynn County after disposition of his case in Lubbock. A color TV and a Maytag microwave were taken in the Lynn County burglary.

In jail during the week were three persons for public intoxication, one for driving while intoxicated, first offense, and one for application to revoke probation on charges of criminal mischief.

Carrie Taylor Honored At 4-H Banquet

Carrie Taylor was one of 35 area youth recognized at the South Plains 4-H banquet held recently. She was honored as Lynn County's Gold Star 4-H'er, the most prestigious award given on the county level.

Dr. Lynn Thibodeaux, assistant director for 4-H and youth (Texas Agricultural Extension Service) was the speaker. She pointed out several benefits youth receive through the 4-H program. For example, the average father in the home today interacts about seven minutes a day with his children. In carrying out a 4-H project, a youth interacts with his/her parents an average of 57 minutes a day.

GOLD STAR 4-H WINNER: Carrie Taylor was honored as Lynn County's Gold Star 4-H'er at the South Plains 4-H Banquet held recently.

Tahoka Christmas Program Due Sunday

The annual Tahoka Community Christmas musical program in which members of seven churches take part is scheduled for 7 p.m. Sunday at First United Methodist Church, directed by Bettye Green.

All participants are asked to be at the Methodist church for rehearsal at 2 p.m. Sunday, Mrs. Green said.

There will be a bell choir, community choir, special singing and instrumental numbers. A nursery will be provided.

Four Communities Plan Yule Program

An Area-wide Christmas program, "Home for Christmas," will be presented at Slide Baptist Church gymnasium at 7 p.m. Sunday, Dec. 13. There will be no admission charge and everyone is invited.

New Home, Slide, Woodrow and Wilson are the participating communities.

COUNTRY MUSIC and Mondays will kill you. That's according to stories in daily newspapers during the last couple of weeks, and, of course, newspapers never lie (much).

I am inclined to agree with both premises, although I am sure that the country music statement will irritate C&W music fans mightily. There are many people who like country music a lot. On the other hand, nobody I know likes Mondays very much.

Each of the two separate stories was based on somebody's research project. One story said, basically, that on Mondays, you are more likely to die of a heart attack or stroke. The rest of the week, if you can believe the other story, you could get so depressed by country music that you kill yourself.

The Monday story only applied to people who work regular salaried jobs, whether they are executives or just workers. The study showed that there are more heart attacks and stress-caused deaths on Monday than any other day of the week. That's the day you have a whole week ahead of you with impossible tasks and deadlines and impossible people to work with (or for). So to escape all that, you just decide to have a heart attack.

Not much controversy there, but when this doctor in Tennessee or wherever he is announced that his study shows that C-W music is bad for you, he really angered a lot of fans of folks with names like Garth Strait, Janie Fricassee and Mel Skillet. Anyway, he claimed the study showed that Nashville and some other hotbed of country music has a higher rate of suicide than other cities, because most of the country tunes have depressing themes. (The Associated Press story opened with the old joke about what do you get when you play a country song backwards?—You get your wife back, your job back and your dog back). And maybe your grammar (and don't tell me you didn't know she was gone).

I've heard some country songs bad enough to make me contemplate homicide, but never suicide. I've heard some really good ones, too, although it's not my favorite kind of music.

Don't listen to any country music on Mondays. You won't know whether to kill yourself or just die of natural causes.

KNOTHOLES: It was very windy outside (again) the other day, and after I came into the office, a co-worker said my hair was sticking straight up. "Like Skeezix?" I asked, immediately learning that she never heard of Skeezix (Gasoline Alley comic strip character, I think, who had a girl friend named Nina Clock). Coming down 87 from Lubbock recently, I passed a Yugo, driven by a grim-looking young man. You don't see many Yugos on the road any more; most quit running long ago. This particular one had a handicapped license plate. The driver looked okay, so I quickly figured out that it was the car, not the driver, that earned the designation.

Nellie Edwards celebrated her 97th birthday on Nov. 20.

Thirteen residents went out with their family for Thanksgiving.

A Christmas tree was donated by Zack Payton of Starbright Christmas trees. Juanita Chambers, Veneta Brewer, Neva Maynard and Opal Mayberry went with Gracie Ortiz to pick up the tree. Mateo Rodriguez, Teddie Kelley and Veneta Brewer helped decorate it.

Family Council met Dec. 1 at 7 p.m. The next meeting will be Jan. 5 at 7 p.m.

The resident's annual Christmas party will be Dec. 15 at 6 p.m. Everyone is invited to attend.

Resident of the month for November was Beatrice Loyd and for December was Neva Maynard. Josie Perez was the employee of the month for November and Gracie Ortiz for December.

German Girl Enjoying Visit. With New Home Friends

by KAREN MCCAIN

She dreams of learning to drive a "dually" pickup, going shopping, watching football games, and enjoying good Mexican food. While these sound like the pastimes of any typical West Texas teenager, these dreams belong to Hilke Hartig, 19, of Hanover, Germany.

Hilke has been visiting with long-time family friends John and Mary Bess Edwards of New Home since Oct. 10.

Life in West Texas has been quite different for Hilke. She arrived in New Home after working as a volunteer at Moody Gardens Hope Therapy in Galveston for nine weeks.

Hope Therapy offers programs for disabled persons. One of these programs, horse therapy or

hippotherapy, teaches disabled patients how to keep their balance and improve their coordination.

It was this program that combined Hilke's love for horses, interest in physical therapy and desire to help her fellow man into one unique experience.

She is visiting the US to gain experience before entering a physical therapy program in Germany.

"I've heard that hippotherapy originated in Germany, but I've never seen it," she said. "I want to finish my education, so I can initiate a hippotherapy program at home. We need it."

Naturally this young visitor enjoys working with horses while she is here.

Shortly after her arrival in West Texas, she joined the Texas Friend-

ship Wagon Train for a 100-mile journey to Goldthwaite, near Brownwood.

While 100 miles on horseback is more than most people can imagine, Hilke and a girlfriend once rode 450 miles through Germany on horseback.

"The wagon train was a really nice experience for me," she said.

Another experience that was not quite as pleasurable was a 46-hour bus ride to Washington D.C. to attend the Handicap Riding Association's convention. "The convention was great. I met so many people with the same interest as I."

Hilke has proven to be a good hand on the Edwards' farm. She has learned to operate a cotton module builder.

"I'm getting better, too," she said. "I try to pack the cotton tight and make the module a little taller in the middle."

One of her personal goals is to learn to drive the Edwards' big "dually" pickup.

"I'm a good driver," she said. In order to receive a drivers' license in Germany, one must go to driving school for one year and must successfully complete a probationary period after that.

Hilke remarked that there are many places in Germany without set speed limits (such as the Autobahn). In addition, vehicle safety requirements are of utmost importance. She noted that cars with cracked or broken windshields are deemed unsafe and not allowed on the highways.

While most Texans consider a pickup truck and gasoline prices around \$1.25 a gallon commonplace, Hilke had never seen a pickup prior to her visit. Gasoline prices in Germany are the equivalent of \$4.50 a gallon in the U.S., she says.

"Many people in Germany don't depend autos to get around. We either walk or ride bicycles. There are special lanes on our roads for bicycles or foot traffic," she added.

Hilke has made several observations regarding similarities and dif-

GERMAN GIRL VISITING IN AREA - Hilke Hartig, 19, of Hanover, Germany is visiting with friends John and Mary Bess Edwards of New Home since Oct. 10, and will accompany the Edwards when they bring their horse and surrey to Moonlight Madness in Tahoka tomorrow night. (LYNN COUNTY NEWS PHOTO)

ferences between German and American culture.

"Your country has a large number of businesses with drive-through windows. There are no drive-through windows in Germany," she says.

Fast food restaurants, such as McDonald's, Burger King and Pizza Hut, can be found in Germany, but Hilke doesn't frequent them very often.

"Many people think German food is just sauerkraut and schtzel. This is not true. Some items in our family's diet include fish, chesnes and home-baked dark breads," she says.

Hilke has grown very fond of Mexican food and has even sent her mother a Tex-Mex cookbook so that she can practice cooking these specialties while Hilke is away.

American schools differ from those in Germany.

"In Germany, we go to school for a total of 13 grades, plus kindergarten," Hilke said.

"In the fifth grade, it is mandatory

that students learn English, and in seventh grade, an additional language must be learned."

She added that a class trip is taken every two years. "I have been able to see most of Europe as a part of these trips."

Hilke will be returning to Germany Dec. 28, and will be taking the memories of her Texas experience with her.

Senior Citizen News

The Senior Citizens would like to thank Zack Payton of Starbright Christmas Tree Farm for the tree donated this holiday season. It adds a nice touch of holiday spirit in the center and in our hearts. We would also like to thank Sara Alvarado for picking up & delivering our tree to us.

Maria Acuna

Rosary for Maria C. Acuna, 80, of Wilson was recited at 7:30 p.m. Thursday, Nov. 26, in Blessed Sacrament Catholic Hall with the Rev. Lawrence Hemp, pastor, officiating.

Mass was celebrated at 1 p.m. Friday, Nov. 27 in the same church with the same officiant.

Burial was in Peaceful Garden Cemetery in Woodrow.

Mrs. Acuna died at 8:20 p.m. Tuesday, Nov. 24, 1992, in her home after a lengthy illness.

She was born in Yorktown and moved to Wilson in 1946. She married Erineo Acuna on Feb. 17, 1930, in Nordine. He died April 22, 1982. A daughter, Amelia Rojas, died March 2, 1991.

Survivors include two sons, Eliverio of Lubbock and Aletando of Wilson; five daughters, June Flores of Lubbock and Mary Helen Acuna, Dale Garza, Anne Morales and Peggy Sandoval, all of Wilson; 56 grandchildren; and 64 great-grandchildren.

and Don Romines of Lubbock; and six grandchildren.

The family suggests memorials to the American Cancer Society.

Romulo Trevino

Rosary for Romulo Trevino, 68, of Wilson was recited at 7 p.m. Monday, Nov. 30, in Juan Calvillo Chapel of Calvillo Funeral Home, Lubbock, with the Rev. Joe Kolodziejczk officiating.

Services were at 1 p.m. Tuesday, Dec. 1, in Blessed Sacrament Catholic Church in Wilson with the Rev. Lawrence Hemp, pastor, officiating.

The Rev. Fr. Kolodziejczk assisted and burial in Peaceful Gardens Cemetery was directed by Calvillo Funeral Home.

Trevino died Sunday, Nov. 29, 1992, at 4:15 a.m. in Lubbock's St. Mary of the Plains Hospital after a sudden illness.

He was born in Mathis, where he married Barbarita Rodriguez on Feb. 25, 1942. He operated and owned Trevino Cafe in Wilson. He lived in Wilson for 22 years after moving from Mathis. He was a Catholic.

Survivors include his wife; five sons, Joe, Guadalupe, Romulo Jr. and Lucio, all of Lubbock, and Bonifacio of Wilson; three daughters, Vicki Caballero of New Home and Sylvia Gonzales and Esmeralda Benitez, both of Lubbock; a sister, Matilde Lopez of Brownfield; 28 grandchildren; and 17 great-grandchildren.

Burial was in Hico Cemetery.

She died Nov. 25, 1992 at 9:25 p.m. in her residence.

She was born Oct. 19, 1926 in Roswell, N.M. She married Cecil L. "Sea Biscuit" Caraway on March 5, 1947 in Lovington, N.M. She was a homemaker and a member of First Baptist Church. She lived in Stephenville since 1979 after moving from Hico.

Survivors include her husband, formerly of Tahoka; two daughters, Tricia Laham of Ft. Walton Beach, FL, and Teri Weir of Stephenville; a brother, Bill Campbell of Troup; and four grandchildren.

Oscar Roman Killed In Car Wreck

A Lynn County man died from injuries suffered in a two-vehicle accident Sunday night at the intersection of Brownfield Highway and West Loop 289, according to accident investigators.

Oscar Roman, 61, of New Home was taken to University Medical Center by an emergency medical services ambulance and died in the emergency room at about 9 p.m., according to UMC house supervisor Dave Jones.

Roman was a passenger in a Ford Bronco that was involved in a collision with a Plymouth sedan driven, police said by Scott William Debruin, 21, of Lubbock. According to police the impact from the collision threw him from the vehicle, which then rolled over him.

Two other passengers in the Ford, George Roman, 24, of New Home and Juan Munoz, 22, of Wilson were taken to UMC's emergency room Sunday but were not admitted, according to a supervisor.

Angela Larmer, 21, of Hurst remained in serious condition Monday at UMC. She was being monitored in the UMC surgical intensive care unit, according to a hospital spokeswoman.

Larmer was the passenger in a Plymouth headed northeast on Brownfield Highway.

She was among seven people injured when a 1990 blue Ford Bronco II and a 1989 Plymouth Sundance collided on Brownfield Highway just inside West Loop 289 at 7:40 p.m. Sunday.

Police said the Ford, travelling southwest on the Brownfield Highway, attempted a left turn onto the loop access road and collided with the Plymouth.

The Plymouth struck the right side of the Ford, causing it to spin and land on its side.

Police Sgt. Roger Hearron said charges related to the accident were pending the outcome of a blood alcohol test.

Other persons involved in the accident - but who apparently were not injured - include the driver of the Ford, Robbie Shane Nieman, 22, of Wilson; Patricia Roman, 10, of New Home and a passenger in the Ford; and the driver of the Plymouth.

Rosary for Roman was recited at 6 p.m. Wednesday, Dec. 2 in Guajardo Funeral Chapels in Lubbock.

Mass will be celebrated at 10 a.m. today (Thursday) in Blessed Sacrament Catholic Church in Wilson with the Rev. Lawrence Hemp officiating.

Burial will be in Peaceful Gardens Cemetery in Woodrow.

Roman was born in San Juan, Comalapa, Guatemala, and moved to New Home in 1954. He worked for New Home Independent School District until retiring in January 1992, and was a member of Blessed Sacrament Catholic Church.

Survivors include his wife, Janie;

THIS CLASS MEANS BUSINESS! - Tahoka High School students of Mrs. Glo Hays' Principles of Marketing class are in business, with telephones provided by Poka-Lambro Telephone Cooperative. In a business simulation class project, each student operates his own business for one month, including conducting phone "deals" with other businesses in the class. Poka-Lambro set up the inter-office phone system, complete with one student serving as telephone operator. (LYNN COUNTY NEWS PHOTO)

New Activities Offered During Jammin' January

by JO ANN PENNINGTON

One of the new activities being offered during Jammin' January for the benefit of the students at Tahoka Junior-Senior High School is called Shadowing.

A student will be assigned to a mentor and during an entire day will literally "shadow" that person. Students will see what selected careers or days at different schools will involve.

Students will be paired with Dr. Richard Wright, Lynn County Hospital and Medical Lab personnel, Dr. Richard White, Dr. David Midkiff, personnel from Joe Hays Accounting Firm, Carlos Estrada - Hairdresser and students from Monterey and Coronado High Schools in Lubbock.

Dr. Mike Bennett, principal at

Monterey, has asked that students from Monterey High School be allowed to come to Tahoka ISD and participate in a shadowing exercise. This will take place during the week of Jan. 11, 1993.

Webelos Scout Meeting Set

Boys age 10 or 11 who are interested in joining Cub Scouts are invited to a meeting of the Webelos group at 4:30 p.m. Friday in the Tahoka Community Center.

Any youngsters needing a ride or who have any questions should call Jerry Webster at 998-4211 or 998-4032.

Letters To Santa To Be Printed

The Lynn County News will again print letters to Santa written by students through third grade in schools in the county, and also will print any letters from pre-school youngsters which are either deposited at Santa's mailbox during the Moonlight Sale Friday, or brought by the News office at any time.

Sports

Junior High travelled to Wilson on Monday, Nov. 23 and the girls came away with a 27-23 victory. "These girls continue to improve after winning only one game last year," said Coach Field. Their record is now 2-0. Cindy Valderas led all scorers with 17 points. The Jr. High boys had their first win against Wilson with a score a 25-19.

High School hosted four games on Friday, Nov. 20, against O'Donnell. The JV girls played first, followed by the JV boys who lost 31-35. The Varsity girls had a tough battle against O'Donnell with a final score of 32-57. Kary Turner had 14 points. The Varsity boys finished ahead in a close game with a final score of 82-78. Channing Crisler had 25 points, Greg Armes had 18 points and 8 assists. Blaine Fillingim and Shannon Zant each had 13 rebounds.

On Tuesday, Nov. 24, Cotton Center came to New Home and the JV boys played the first game, winning 70-35. Sabas Longoria was high point with 27 points. The Varsity girls also played well, winning 58-25. Varsity boys defeated Cotton Center 101-65. Channing Crisler was again high point with 24, Greg Armes added 21 points and 13 assists. Shannon Zant had 15 points and 15 rebounds. Jason Gandy added 10.

Campus Rock

The youth group, Campus Rock, held an appreciation luncheon for the owners of businesses in New Home on Wednesday, Nov. 25. A Thanksgiving meal of turkey and dressing, along with all the trimmings and pie were enjoyed by those attending. Thank you to the various businesses who donated food and supplies to make this dinner possible.

Student Council

The Student Council has decided once again to sponsor a food drive along with the South Plains Food Bank. The council would like each class to decorate and fill a box with canned goods. Start bringing food December 1 and it will be delivered to a collection spot in Lubbock later in December. The community is invited to participate in this school-wide holiday project. The boxes will be located in the school cafeteria.

PUBLIC NOTICE

GTE Southwest Incorporated (GTSW) and Contel of Texas Inc. (Contel) have filed an application with the Public Utility Commission of Texas to seek approval to provide two new private line services and to change rates for existing services. GTE's intraexchange DS1 Service will be offered pursuant to the rates proposed with this filing and will no longer be available through concurrence with GTE's interLATA access tariff rates which are lower. Contel's intraexchange DS1/DDS Service will be offered pursuant to the rates proposed with this filing and will no longer be available through Contel's current private line tariff rates. Existing customers with DS1/DDS Services will not be affected by these rate changes. DS1 1.544 Megabits per second (Mbps) Service and Digital Data Service (DDS) will normally be used for the transmission of data communications or large volumes of voice communications between two locations. These services are optional and will not affect the existing rates of customers who do not order these services. The estimated annual effect on GTE-SW's revenues in the first year is \$1,080,567. The estimated annual effect on Contel's revenues in the first year are \$42,383.

DS1 Service

DS1 Service is an intraLATA Private Line Service which provides a dedicated, high capacity channel which may be used for simultaneous two-way transmission of voice data or other digitally encoded customer information signals. DS1 Service provides a transmission speed of 1.544 Mbps and is designed to provide an average performance of at least 95 percent error-free seconds of transmission over a continuous 24-hour period.

DS1 Service is available in and between all exchanges of GTE-SW and Contel where digital facilities exist. DS1 Service is available on a point-to-point intraLATA basis between two Customer Designated Locations (CDL), between a Serving Wire Center (SWC) and a CDL, between a CDL and a point of connection with another service provider or between two SWCs.

IntraLATA DS1 Private Line Service is comprised of three rate elements: DS1 Local Loop, DS1 Transport and DS1 Transport Termination. Each element is described below.

DS1 Local Loop

This rate element is for the cable facilities from the CDL to the SWC. The customer has two payment options for the purchase of DS1 Local Loops. There is a month-to-month plan or term contract Optional Payment Plan (OPP).

The month-to-month payment basis allows the customer to establish and disconnect DS1 Services, without penalty, other than to meet the minimum service interval of one month's service, as needed. Under the month-to-month service, the additional DS1 Local Loop rate applies only when the additional DS1 Local Loop (s) is (are) ordered at the same time and between the same two CDLs as the first DS1 Local Loop.

The OPP plan allows the customer to select a term of service (1 YR, 3 YR and 5 YR) with lower monthly rates associated with longer term contracts. If the customer selects an OPP, additional DS1 Local Loops may be ordered and installed at the Additional DS1 Local Loop rate between any SWC and CDL covered by the OPP, at any time during the term of that OPP.

DS1 Transport

This rate element is for the mileage sensitive charges for transporting a DS1 signal between Serving Wire Centers. Transport occurs only when the two CDLs being connected are served by two different SWCs.

DS1 Transport Termination

This rate element is for the equipment to terminate DS1 Transport at the SWCs. This charge applies only when DS1 Transport is required for the service configuration of the customer. One transport termination charge applies at each end of the DS1 Transport.

Proposed Rates and Charges for DS1 Service are as follows:

| | Nonrecurring Charge | Monthly Rates |
|----------------------------------|---------------------|---------------|
| DS1 Local Loop | | |
| Month-to-Month | | |
| First System | \$ 1,000.00 | \$ 298.00 |
| 12-month term | | |
| First System | -0- | \$ 283.00 |
| 36-month term | | |
| First System | -0- | \$ 255.00 |
| 60-month term | | |
| First System | -0- | \$ 226.00 |
| Additional System | \$ 130.00 | \$ 130.00 |
| DS1 Transport | | |
| Per airline mile | -0- | \$ 16.00 |
| DS1 Transport Termination | | |
| Per Termination | -0- | \$ 40.00 |

Digital Data Service

Digital Data Service (DDS) is an intraLATA Private Line service which supports synchronous, full-duplex transmission between the CDL and the SWC or the point of connection with another telephone company at transmission speeds of 2.4, 4.8, 9.6, 19.2 and 56 kilobits per second (Kbps). DDS provides a transmission path for digital data signals within the same LATA.

DDS Service is available in and between all exchanges of GTE-SW and Contel where digital facilities exist. DDS Service is available on a point-to-point intraLATA basis between two CDLs or between a CDL and a point of connection with another service provider.

IntraLATA DDS Private Line Service is comprised of three rate elements: DDS Local Loop, DDS Transport and DDS Transport Termination. Each element is described below.

DDS Local Loop

This rate element is for the cable facilities from the CDL to the SWC. The customer may establish and disconnect DDS Local Loops without penalty other than the minimum service interval of one month's service, as his/her needs demand.

DDS Transport

This rate element is for the mileage sensitive charges for transporting a DDS signal between SWCs. Transport occurs only when the two CDLs being connected are served by two different SWCs.

DDS Transport Termination

This rate element is for the equipment to terminate DDS Transport at the SWCs. This charge applies only when DDS Transport is required for the service configuration of the customer. One transport termination charge applies at each end of the service.

Proposed rates and charges for DDS are as follows:

| | Nonrecurring Charge | Monthly Rates |
|----------------------------------|---------------------|---------------|
| DDS Local Loop | | |
| 2.4, 4.8, 9.6, & 19.2 Kbps | \$ 85.00 | \$ 85.00 |
| 56 Kbps | \$ 85.00 | \$ 95.00 |
| DDS Transport | | |
| Per airline mile | | |
| 2.4, 4.8, 9.6 & 19.2 Kbps | -0- | \$ 1.60 |
| 56 Kbps | -0- | \$ 3.20 |
| DDS Transport Termination | | |
| 2.4, 4.8, 9.6, 19.2 & 56 Kbps | -0- | \$ 20.00 |

This filing has been assigned Consolidated Docket Nos. 11408/11435. The deadline to intervene in this docket is January 1, 1993.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission. A request to intervene, participate, or for further information, should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas, 78757. Further information may also be obtained by calling the Public Information Division of the Public Utility Commission at (512) 458-0256, or (512) 458-0221 teletypewriter for the deaf.

THE TAHOKA ATHLETIC Sports SPOTLIGHT

JAYSON BOYDSTUN, a senior who plays forward for the Tahoka Varsity Bulldogs basketball team, is featured in this week's Sports Spotlight. "Jayson has been working four years in the basketball program, and is a good team player," said Coach Hulon Kirkland. "He is really starting to come around, and his shots are becoming more dependable," he added. Jayson is the son of Mr. and Mrs. Don Doydstun of Tahoka.

BLOOD PRESSURE - VITAMIN C
A "normal" blood pressure reading usually is considered 120/80. Yet researchers at the Medical College of Georgia, checking healthy men and women age 20 to 69, report those with high levels of vitamin C in the blood averaged a blood pressure reading of 104/65. Those with only 1/5 that amount (but adequate vitamin C level) had blood pressure 111/73. Doctors one day might tell people with borderline high blood pressure, "Take one vitamin C tablet each day to get your blood pressure back to normal."

Zora Powers celebrated Thanksgiving for three days this year. She had two of her grandchildren come to visit on Thanksgiving Day. Karla Roach of Slaton and Kent Powers of Lubbock spent part of the day on Thursday. Buck and Lilly Rinne of Hale Center and Lucille Clary dropped by for a visit on Saturday. On Sunday the Moore clan invaded "Hungry Hill" for an old-fashioned family Thanksgiving dinner. Gary and Debra and their two boys, Delton and Melvena and their three boys, Brad and his three children, Karla Roach, Mike Green and Shorty spent the day visiting and enjoying each other's company.

Last Saturday was tree planting day for about 12 members of the PEOPLE group. This was one of the first steps taken in the construction and landscaping of a walking track which is being built at the city park. The PEOPLE group was able to fund the purchase of the trees through a grant from the community fund of Lutheran Brotherhood Insurance Company. These 17 trees are hoped to be the start of a greater landscaping which will develop as the track approaches completion.

A special thanks to Gilbert Steinhauer who provided the tractor and post-hole digger, which made the plant-

ing easier and more fun, since some of the 12 planters had never planted trees before, and needed the learning experience.

Individuals and groups who are interested in helping with the track and landscaping can contact Carolyn Klaus at her home or Shorty Moore at the City Hall.

There will be a Fire Department meeting on Monday, Dec. 7 at 7 p.m. This meeting will be at the fire station and not at the Mercantile.

This is a very important meeting and anyone interested in the fire department is urged to attend.

Susan Wied will be hosting her annual open house on Tuesday, Dec. 12 from 3:30-9:30 p.m. Refreshments will be served. The community is invited to come by for a visit and a snack.

The Wilson 4-H club will be having their annual Christmas party on Monday, Dec. 7 at 7:30 p.m. at the Green Building (Mercantile). Everyone is asked to bring a covered dish for the meal. Drinks will be furnished. Connie Donald will be sending a not home, with the members, with more information.

The 4-H is also collecting canned goods to be donated to the food bank. Anyone who wishes to donate canned

TREE PLANTING — Members of the Wilson "People Group" participated in a tree-planting day at Wilson Park last Saturday, Nov. 28. The project, sponsored by the "People Group," is part of a plan to build a walking track around the park.

goods may bring them to the Mercantile or The Cotton Boll. They are planning to take the items to the Food Bank on Dec. 8 so try to get them in before then.

The Wilson elementary students were entertained by "The Storyteller" on Wednesday, Dec. 2. All the elementary students in PK through 6th met in the little gym for the storytelling time.

The Storyteller, a program sponsored by the Region 17 Service Center and The Chapter 2 Educational Programs, is designed to develop and increase the students interest in reading through the telling of folk stories and legends. The storyteller is a person who comes to the school from outside the community and who is well versed the art of telling folk stories and making them interesting so that, hopefully, the students will develop an

interest in the folk stories and legends and then begin to want to read more of them.

A reminder about the district Jr. High One-act play competition being hosted by Wilson ISD this Saturday, Dec. 5. Come out and see these Jr. Thespians in action and see some excellent productions.

At this time, Nancy Templeton is still looking for volunteers to help with the timekeeping of the events. If you can help, please contact her or Tami Bolyard in the elementary office.

There was a meeting of the site-based decision making committee on Wed. Dec. 2 They met in the elementary teachers lounge. This committee is made up of teachers, parents, and other community members. This meeting included an overview of the responsibilities of the committee, setting dates for future meetings, and the completion of the site-based decision making committee plans.

This committee is mandated by the State and the State Board of Education as a way to get the community involved with the decision making in the schools.

Another one of the Wilson ISD elementary teachers has been involved in making a presentation to a group of professional educators. Mrs. Nancy Koehler, Wilson's Kindergarten teacher, made her presentation at the West Texas Association of Supervisors and Curriculum directors meeting held in Lubbock on Thursday, Dec. 3. Her topic was "Children's Classics: A Good Beginning."

St. John Lutheran Church is in the final stages of repairs and remodeling to the Church's Educational Building and to the basement of the Church Building. This is being done in anticipation of the celebration of the congregations 75th Anniversary in January of 1993. The repair and remodeling committee has done an excellent job both in planning and completing the task assigned to it. Please drop by whenever you see anyone at the church and examine the work done.

Several of the churches in Wilson are involved with preparation for their annual Christmas programs. Parents are reminded to help the directors and teachers by having the children at the various

Cowboy Christmas Gala Planned By Jaycees Dec. 12

Lynn County Jaycees will sponsor their fourth annual Cowboy Christmas Gala on Saturday, Dec. 12 in the Lynn County Showbarn. The barbeque dinner and dance will be held from 6 p.m. until midnight, with proceeds to benefit the Secret Santa program. All area residents are invited to attend the charity fund-raising event.

The Lone Riders band will play for the dance. Advance tickets for the event are \$10 for adults and \$6 for children, with the cost of tickets going up if purchased at the door, at \$12 for adults and \$7 for children. Tickets are available from any member of Jaycees.

The Secret Santa project assists the elderly and the needy in the county during the Christmas season, and provided food and toys to about 65 families last year.

Community spirit and love was displayed once again this year by farmers helping harvest the crops of "one-of-their-own" who had an accident and was unable to do it for himself. Donald and Carolyn Klaus say "thank you" to all those who helped with the harvest. It made us feel good to know people care enough to take out from their own busy harvest schedule to help someone in need. There is actually no words that can convey the gratitude in our hearts for each one of you. Additional thanks go to all those who helped provide cookies for the meals and those who helped serve the meals. Donald broke his heel while doing some winterizing work at the church on Halloween and will be on crutches for three months.
