JERRY LEE'S grand champion steer of the Bailey County Stock Show is pictured here with his owner. The Hereford calf was adjudged Reserve Grand Champion and he is held by his owner, Bobby Julian. In the background may be seen some of the good sized crowd that watched the judging, which began Saturday, at 5 p.m. (Journal Photo).

## Winners Listed In Stock Show

Despite the surprise snow that made muddy going about the bus barn, and created cold weather, a goodly crowd turned out to watch the judging in the annual Bailey County Stock Show here Saturday.

Seats had been provided and a show arena was erected in front of the stands adding to the comfort and convenience of the viewers. Judging began at 5 p.m. and was completed around 9:00.

The 4-H Club and FFA boys had their sheep, swine, and calves in place by Friday night. They spent most of the day preparing their entries for showing.

In the calf show, grand champion honors went to Jerry Lee with his Angus calf; Bobby Julian showed the reserve grand champion, a Hereford steer.

Joe Adams showed the grand champion barrow, a light Hampshire and Jerry Harrison's heavy Poland China barrow was the reserve grand champion.

Steve Leigon and his brother Mike, carried off top honors in the lamb show. Steve's Southdown was grand champion; Mike's lamb, also a Southdown, won reserve grand champion honors.

## AS SENATE VOTE NEARS

### Voting Methods Are Given An Airing

County Judge Glen Williams has received a copy of an opinion recently written by Attorney General Will Wilson concerning methods of marking the ballot in the special election for U. S. Senator, set for April 4.

Accompanying this article are three illustrations of the manner of marking the ballots to save the voter's time and trouble, for they indicate how the ballot may be marked to obviate the necessity of running horizontal lines through all names excepting the one for which the vote is to be cast, in this case 69 lines.

In figure No. 1 is one possible manner of marking the ballot, which was submitted by Tom Blackwell, Travis County attorney, for whom the opinion was prepared.

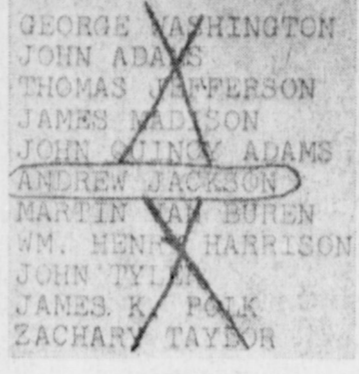

Figures No. 2 and 3 give other

variations of the method of marking which Mr. Wilson's office thought might be conjectured.

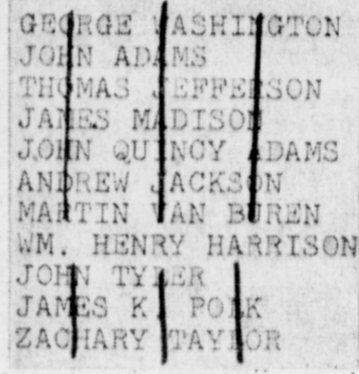

Some undoubtedly will use a system of X-ing out all names excepting the one for which they wish to vote. A caution here is needed: the top name, and the bottom name of the list to be X crossed out should have a heavy horizontal line running through them.

However, one should remember a paragraph quoted by Mr. Wilson, taken from Sec. 62, Texas Election Code:

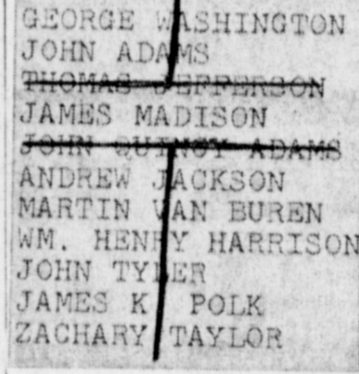

"The failure of a voter to mark his ballot in strict conformity with these directions shall not invalidate the ballot, and a ballot shall be counted in all cases in which the intention of the voter is clearly ascertainable."

## Spelling Bee Is Set Friday

Arrangements are complete for holding the annual Bailey County Spelling Bee Friday, afternoon at 2 o'clock in the Muleshoe high school auditorium.

Three spellers from Muleshoe, Bula, and Three Way grade schools will compete for the county Bee championship. The winner will go to the district Bee to be held in Lubbock, where the winner will receive many honors and prizes, including a trip with a sponsor to the National Spelling Bee in Washington, D. C., in May.

Fred Johnson again will pronounce the words. Judges this year will be the Rev. Wayne Bristow, pastor of the Longview Baptist Church; Mrs. W. B. McSpadden and Mrs. Robert Alford.

J. M. Forbes of The Journal is the sponsor. The Journal will offer county prizes of \$15 for first place, \$7.50 for second place, and \$2.50 for third place.

Blue ribbons and a ball point pen are to be presented to all nine school champions who will appear in the Bee here. Again KMUL, Muleshoe radio station, will broadcast the program. The public is invited to attend and watch the progress of the spelldown.

in Miss Vera Mostellar's room. Other pupils doing exceptionally well in the spelling contest were: Kerma Nickels, Jean Haulter, Sarah Lee, David Dillman, Danny Stancell, and Linda Lay.

Other pupils entering the contest were: Alvin Walker, Gregory Dalton, Bobby Julian, Johnny Embry, Larry Gulley, Keny Gulley, Jerry Haskins, David Byrd, Cynthia Harris, Barbara Allen, Dana Moore, Gail Locker, Glenda Calhoun, Jean Haskins, and Donna Heard.

A total of 23 pupils from Richard Hills entered the try-outs contest. The county winner will represent Bailey County in the Avancha-Journal contest.

ELAINE WYATT

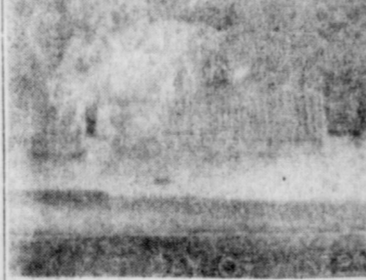

Elaine Wyatt, 6th grader from DeShazo School was declared winner in the elimination contest to represent DeShazo in the County Avancha-Journal Spelling Bee to be held in the high school auditorium Friday, Mar. 24.

Elaine is the daughter of Mr. and Mrs. Homer Wyatt, 414 West American Blvd., Muleshoe. She has attended DeShazo since entering here in the first grade.

The elimination contest boiled down to Elaine and Neil Finley. The contestants were then given opportunity to represent DeShazo by winning two out of three times. Elaine won the second time by spelling the word "brief" correctly.

**23 INCHES OF SNOW FELL HERE THIS WINTER**

Beginning in December and ending with the snow storm of the past weekend, 23 inches of snowfall have been measured in Muleshoe. R. J. Klump, weather observer here said.

LAST DAY OF WINTER looked mighty refreshing as shown by this picture taken early Sunday morning on South First. The snow was about 5 inches deep on objects which were protruding into the air. Snow on the ground melted almost as fast as it fell. Many tree branches were broken due to the weight of the wet snow.

## ALLOTMENT SEEMS DOOMED

### Local Beet Growers Will Continue Battle

When the House of Representatives in Washington voted Monday to extend the present sugar law for 21 months, it seemed the death knell for all efforts to get a sugar beet allotment set up for Texas.

Nevertheless, some here are not giving up; instead are going to work on members of the Senate, which yet has to approve the bill passed by the House.

Under a "suspension of the rules" which the House adopted no changes or amendments were possible on the extension bill. So, the law under which the whole of Texas is allowed 1106 acres allotment to sugar beets, was extended.

James Glaze and Carl Bamert of Muleshoe, officials of the local Sugar Beet Growers Ass'n, already had gone to Washington to see what, if anything, could be salvaged from the situation.

They were joined by Richard Stovall, Floyd County; H. L. Benefield, J. H. Sears and James W. Witherspoon of Hereford, and perhaps other Plainsmen.

Now local persons interested in the situation are urging that telegrams be sent to members of the State Finance Committee, to Senators Yarbrough and Blakley of Texas and to senators from surrounding states. Mr. Witherspoon suggested a telegram worded along these lines:

"Please help the beet as well as the cane new producing areas to immediately commence construction of plants capable of producing at least on million tons. The extension is unreasonable and there is no need for the House Agricultural Committee to create enmity among foreign nations. Please see to the sugar legislation immediately and in such form as Americans will be for Americans and the American farmer and not for foreign countries at the expense of the American farm and national economy."

Under the law as extended, U. S. plants refining quotas are strictly governed. Although Cuba's quota for sugar importation has been cancelled, it has been assigned to other foreign nations, who now supply 45 percent of U. S. sugar. Diplomacy and foreign relations are all mixed up in this matter.

And The Journal editor remembers that John C. White, Texas Commissioner of Agriculture once said the State Department and not the Agriculture Department is calling the shots on a lot of farm problems.

Congressman George Mahon worked valiantly to defeat the extension bill, and all during the fight he kept people of this district informed. As late as Monday, however, he wrote: "The beet sugar news from Washington is BAD."

## Mrs. Powell's Rites Saturday

Funeral services for Mrs. Owen C. Powell will be held at the First Methodist Church here at 1:00 p.m., Saturday, March 25. Rev. Horace Brooks, pastor, and Rev. Tommy Gleaton, Progress Methodist pastor will officiate.

Interment will be in Lubbock cemetery where a graveside service will be held at 4 p.m. It has been requested that no procession be formed between Muleshoe and Lubbock. Arrangements are under direction of Singleton Funeral Home.

Mrs. Powell passed away this morning at 1:00 o'clock, in Muleshoe Hospital where she had been a patient for some time. Her husband is himself a patient in the hospital, having recently suffered a heart attack. Mrs. Powell was 61.

The family has lived here for about seven years. They formerly farmed in Progress community, until moving into Muleshoe.

Mrs. Powell is survived by her husband; five children, Raymond of Dallas, Goodwin of Midland; Mrs. Helen Rome of McAllen, Bill of Tulsa, and Kenneth of Canyon. Also surviving are a sister, Mrs. R. C. Moore, Lamesa, and a brother, E. W. Ross, of San Angelo, and ten grandchildren.

## Will Wilson In Final Swing

WILL WILSON

Attorney General Will Wilson this week was making his final swing through West Texas, the Panhandle and Plains, in his campaign for the office of United States Senator from Texas.

He appeared Monday night before a panel of five South Plains newspaper men over KCBD-TV, Lubbock. J. M. Forbes, Journal publisher, was a panel member.

After the program he flew to Borger to spend the night, get up early and continued his campaigning through the Panhandle, spending Tuesday night in Amarillo. His strenuous itinerary carried him to Brownwood Wednesday night, then to San Antonio and South Texas.

The campaign ends with the election April 4. There are 70 candidates for the office.

## HE SEES 2 INCHES FOR APRIL

### Sneak Rain and Snow Spells Prove Cosmic Right, Wrong

Sneaky storms buried Muleshoe under a mantle of snow Thursday night and again Saturday night. In both cases rain changed to snow and surprised local residents (and all weathermen) with wet snow.

The moisture was the first measurable amounts for March. We picked up .38 from the Thursday night affair and an additional .70 from the Saturday-Sunday accumulation.

Normal moisture in Muleshoe for March is .56. The rain and snow of the past week vaulted us into the wetter than normal category with 1.08. This bears out Cosmic's earlier prediction for a wetter than normal March in Muleshoe. Cosmic failed to foresee the snow, but anticipated the moisture.

March moisture nearly equalled that of the previous two months (1.20). Muleshoe's 1961 total is now 2.28.

The threat of dust has been set back again. Prospects for moisture in April will continue in the moist zone. Cosmic's pre-'61 outlook called for about 2 inches of rainfall in April.

**Mrs. Dunlap Rites Tuesday**

Funeral services for Mrs. Andy C. Dunlap, 51, Progress community, were held at 2 p.m. Tuesday in the Morton First Baptist Church, with the Rev. V. N. Henderson, district superintendent of the Methodist Church, officiating.

Burial was in Bailey County Memorial Park here, under the direction of Singleton Funeral Home.

Mrs. Dunlap died at 6 p.m. Sunday in her home. She had lived in the Progress Community about six months, moving there from Weatherford. Prior to living in Weatherford about a year, Mrs. Dunlap lived in the Morton area about 10 years.

She was a member of the Methodist Church.

Survivors included the husband; a son, Ben, of the home a daughter, Mrs. E. A. Bass Jr., Muleshoe; two sisters, Mrs. Grady Hill, Sudan; and Mrs. S. G. Webster, Plainview; three brothers, John Wright, Page, Ariz.; and George and Lee Wright, both of Pampa; and three grandchildren.

## Mrs. Ivy Rites Held Tuesday

Funeral services for Mrs. R. H. Ivy, 73, a longtime resident of Muleshoe and Lazbuddie were held at 3 p.m., Tuesday, March 21, in the First Baptist church.

Officiating were the Rev. John Ferguson, pastor of the Bovina First Baptist church, and the Rev. Don Murry, pastor.

Mrs. Ivy died at 6 p.m. Sunday in Parmer County Hospital Friene.

She had been a resident of Muleshoe since 1939, moving from Lazbuddie. She was a

member of the Muleshoe First Baptist Church.

Survivors include two daughters, Mrs. G. A. Garrett, Las Cruces, N. M., and Mrs. B. H. Wagon, Muleshoe; seven sons, H. L., Olen, D. B., Leland, and Jimmy, all of Lazbuddie; R. V., Muleshoe; and Tony, Bovina; two sisters, Mrs. O. R. Mahan, McKinney, and Mrs. John Turner, Westminster; a brother, Lewis Barnett, Westminster; 24 grandchildren; and six great-grandchildren.

Burial was in Bailey County Memorial Park here, under the direction of Singleton Funeral Home.

Pallbearers were the sons of Mrs. Ivy: H. L., Olen, D. B., Leland, Jimmy, R. V., and Tony Ivy.

## B. C. Rickran of Lubbock Is Guest Speaker For Club

Members and guests of the Muleshoe Study Club heard B. C. Rickman, business manager of the Avalanche Journal of Lubbock, discuss the science of handwriting analysis March 9 in the meeting room of the First National Bank.

Mr. Rickman stated that handwriting analysis is not in the class with fortune telling but it does reveal the emotional status of a person at the time of the writing.

Handwriting specialists have found that certain characteristics of one's handwriting do not change even when disguise is attempted.

Mr. Rickman entertained the group by analyzing the handwriting of ladies from the group.

A beautiful red and white floral arrangement decorated the white table from which coffee, cookies and nuts were served.

Hostesses were Meses. Thurman White, O. N. Jennings and Carroll Pouncey.

The next meeting will be March 23 in the home of Mrs. W. T. Andrews.

## H-D Club Clatter

Have you made a mix of the Master Mix? If you have I know you have been enjoying some delicious hot cakes, waffles, biscuits, and cookies.

If you cook for a family of several members you may find that the amount of Master Mix does not last very long. Here is a recipe that will give you 29 cups of the mix.

- 5 pounds all purpose flour
- 3/4 cups double-acting baking powder
- 3 tablespoons salt
- 1 tablespoon cream of tartar
- 1/2 cup sugar
- 2 pounds or 4 cups shortening which does not require refrigeration

If you wish a mix to be used largely for cakes and cookies try the following recipe:

- 1 box cake flour (2 1/2 pounds)
- 1/4 cup double-acting baking powder
- 1 1/4 tablespoons salt
- 2 1/2 cups shortening which does not require refrigeration.
- (No cream of tartar is used in the recipe in which cake flour is used.)

Lets make a yellow cake.

- 3 cups Master Mix
- 1 1/2 cups sugar
- 1 cup milk
- 2 eggs
- 1 teaspoon vanilla

Stir sugar into mix. Combine eggs, milk and vanilla. Stir 1/4 of the liquid into the mix and beat two minutes at low speed. Add the remaining liquid and beat another two minutes.

Bake in two 8 in. layer cake pans at 375 degree about 25 minutes. For a one layer cake divide the recipe in half. This recipe is excellent for upside down cake.

**Baked Chocolate Pudding:**

- 1 cup master mix
- 1/3 cup sugar
- 4 teaspoons cocoa
- 1/2 teaspoon cinnamon
- 1 cup nuts
- 1/3 cup milk

Stir sugar, cocoa, cinnamon, nuts and milk into the mix. Beat for three minutes at low speed. Spread in pan.

Make the following topping for the pudding:

- 1/2 cup sugar
- 3 tablespoons cocoa
- 1/4 cups water
- Combine sugar and cocoa. Sprinkle over batter in the pan. Bring water to boiling point and pour over the contents of the pan. Bake in moderate oven (350 degrees) 40 to 45 minutes. Serve hot or cold with the chocolate sauce that forms beneath.

### Locker Adds Piper "Aztec"

Piper Aircraft's largest and fastest model, the Aztec, has been added to the business fleet at the Muleshoe Flying Service.

Morgan Locker, local Piper dealer, purchased the plane from the Piper Aircraft corporation at Lock Haven, Pennsylvania, and it was flown from there to Lubbock, Locker met the pilot there and flew the craft on to Muleshoe.

The Aztec is Piper's most luxurious high efficiency light twin to be introduced to business aviation.

Powered by two 250 HP Lycoming, it cruises at 20 MPH, has a cruising range of well over 100 miles and has a service ceiling above 22,000 feet. With the direct-drive Lycoming engine famed for their ruggedness and reliability, the Aztec on one engine will climb higher and fly at a higher altitude than any other airplane in its class.

The roomy interior of the five passenger cabin with carefully engineered soundproofing, is designed for both beauty and passenger comfort, having adjustable, individual seats with head rests, of red and white leather.

Red carpet covers the floor. Full-size windows provide increased visibility to all passengers.

The Aztec has a fully equipped instrument panel and is ideal for pilots training for Multi-engine ratings.

### 4-Lane Hiway Much Safer C of C Committee Finds

The fact that seven fatal accidents occurred during 1959-60 on US highways 60-84 west as compared to no traffic fatalities on US 70-84 east and north during the same period is only one more very good reason, according to the Muleshoe C of C highway committee for voting yes on the \$250,000 road bond issue April 4.

The committee based its appeal for passage of the \$250,000 issue, on information furnished by the local unit of the Department of Public Safety.

DPS records reveal the following comparison:

1959-60 4-Lane Southeast	1959-60 2-Lane Northwest
No. Acci. 8	29
Killed 0	7
Injured 2	20
Damage \$3,025.	\$21,648.

This table shows a difference in the two-lane highway northwest and the four-lane southeast of 21 accidents, 7 deaths, 20 injured and property damage of \$18,623.00.

**DORCAS CLASS MEETS**  
The Dorcas Sunday School Class of Trinity Baptist Church met March 13, in the church annex for their regular business and social. Opening prayer was led by Loyce Brewer.

Devotional was brought by Odessa Slayden from Acts 1:1-8. Odessa Slayden read a poem entitled "We All Teach Religion".

Virginia Hickman sang two songs, "Ninety and Nine" and "A Child of the King".

Dismissed by Lorene Hatch. Those present: Lorene Hatch, Loyce Brewer, Lilla Hickman, Odessa Slayden, Vivian Morris and two visitors, Virginia Hickman and Dannie Parsons.

**Bailey Dairy Industry Data Assembled Here Muy Pronto**

American Dairy Association, preparing for June Dairy Month observance, recently requested information about the dairy industry in Bailey County. The Journal queried the Chamber of Commerce, whose manager, Carroll Pouncey, looked in his files a minute and came up with these facts:

- No. of milk cows, 1308.
- No. Dairy Farms, 6.
- Whole Milk Sold, 187,964 gals.
- Cream sold, lbs. butterfat, 14,388.
- No. milk distributing plants, 1.
- Value of milk and cream sold, \$91,276. These figures are based on latest Census Bureau figures and personal surveys.

The Journal publishes this story not only for its interest to local residents but to point up a very vital service of your Chamber of Commerce, that of gathering and filing data. We question whether there is any facet of our lives here in Bailey County, business, education, religion, whatever anyone is interested in, is not catalogued and filed at the Chamber office and available in a minute to those who ask.

Here at The Journal, we have thought for many years that we

would begin to catalog facts and figures and features about our territory. It's too big a job for a hurry up newspaper office; we're glad to stand up and testify that the Chamber sees the need, is willing and able to supply this need.

**MHS ONE-ACT PLAY TO BE PRESENTED MARCH 24**

Since January 26, three Muleshoe High School students have been working diligently on their parts for the Interscholastic League one act play.

The play, "The Song of Louise In The Morning", under the direction of Speech Director, Kerry Moore, will be presented at 6:30 p.m. Friday, at the Abernathy High School auditorium.

The cast includes Jerry Don Coulter as Stanley, Nonnie Taylor as Louise, and Magann Lamb as Kate.

The public is invited and urged to come to Abernathy and back the one-act play cast.

**POLICE ACTIVITY REPORT**

Deputy Garland Freeman went to Odessa today, Wednesday, to pick up a man the Odessa officers had arrested for the Bailey County officers.

The Sheriff's officers also picked up one for being drunk, one for felony worthless check, and one for worthless check.

The city officers picked up for gambling, one for petty theft, one for drunk and one for aggravated assault.

**"Muletrain - 1960" Wins First Place**

Mrs. Horace Blackburn and last year's Muletrain staff received the first place trophy for the best "B" Class 1960 annual at the Panhandle High School Press Association's 27th yearly convention held Tuesday on the Campus of West Texas State College at Canyon, Texas. The trophy presented for outstanding achievement in the field of High School journalism was accompanied by two certificates of award.

When it was announced that the Muletrain had won the first place trophy for the second consecutive year, tears came to the eyes of Mrs. Blackburn, who has been the MHS annual sponsor for thirteen years. "Good staff, hard work, and cooperation," explains Mrs. Blackburn, is what it takes to put out a top notch annual.

Max King was the editor of

the '60 Muletrain and Sharon Evans, the co-editor. Other staff members were: James Towns, Don Etheridge, B. H. Wagon, Mary Gross, Sue Logan, Kay Wilson, Pat Barrett, Laquinn Stone, Kay Brown, Rosemary Richards, Bobby Eason, and Darrell Oliver.

Class "B" includes AA and some AAA schools. Tulia won second and Perryton won third.

Attending the meeting from Muleshoe were: Magann Lamb, 1961 Muletrain editor, Sue Phipps, Sandra Harris, Karen Jones, and Mrs. Blackburn. Pat Thomson acted as Vice-President at the PHSPA Convention.

**Gas Users Form New Ass'n.**

David Burgess of Tulia was elected president when the Plains Irrigation Gas Users Association was formed at a recent meeting. Don Anderson of Crosbyton was elected vice-president and True Rosser, Petersburg, secretary and treasurer. Some 750 farmers have become members. W. T. Millen represented Bailey County at the meeting.

Organizers said motivating factor for creating this Association was the notification recently by Pioneer Natural Gas Co. to irrigation farmers that another rate increase would be effected.

Meanwhile the Bailey County association also has been organized and its directors have approved membership fee of 32 per year per well set by the area wide association.

Mr. Millen is president, Wiley Baker secretary and treasurer, and Kenneth Hanks vice-president. The local association urges local irrigation gas users to join the association by contacting Mr. Baker and paying the dues mentioned above.

## Pleasant Valley News

Sandra Haley celebrated her fifth birthday with a party in her home Saturday afternoon, March 11. The garage was decorated with balloons and pink and white streamers for the birthday party. The children enjoyed games and playing in Sandra's play house. Refreshments of cherry birthday cake and cherry ice cream were served to Sandra Hardin, Randy Daniel, Gary and Dickie Hanks, Max and Tracy Buhman, Candy Moore, Mike Duncan, Jimmy Don and Mike Wisian, Linda and Susan Head, Terry and Trent Stewart, Sheryl and Ricky Stevens and Mickey Wells of Ft. Worth. Favors of coloring books, balloons and blowouts were given to all.

T. Haley has been here from Kingsland visiting with his son and family, the Allen Hays, this past week. He left Thursday morning to return to Kingsland.

The Pleasant Valley Home Demonstration Club met March 16, at the Community Center for a program on yard improvement. Mrs. Lady Clare Phillips opened the meeting with a demonstration on various foods from which you could get your supply of Vitamin A for each day. Mrs. Allen Haley presided over the business meeting in the absence of the president and vice-president who were not able to be present because of illness.

The club is considering having a clothing workshop again this year. All who are interested in attending are asked to contact Dolores Duncan.

The next two club meetings

## Palm Sunday, Mar. 26 Holy Week To Begin

## Today's Meditation

Read John 4:7-14  
Jesus, knowing that all things were now accomplished that the scripture might be fulfilled saith, I thirst. (John 19:28)

No physical suffering is more torturous than burning thirst. Men have been known to exchange gold gladly for a single cup of cold water. Thirst has driven men mad. Men have committed murder for a drink of water. We cannot live without it. It is the absolute essential for all living things.

Spoken from the cross, the Savior's words, "I thirst," represent the cry of universal need. He, too, experienced burning thirst. In calling for water, the Son of God identified Himself with all mankind. He knew our greatest physical need.

Above and beyond our longing for refreshing water, there is a much greater need: spiritual refreshment for dying souls. We so often live in moral and spiritual deserts. The hot, angry sun of sinful pride, selfishness, godlessness burns down upon us. Our souls are in danger of perishing. Christ Himself brings the cool soul-satisfying water which gives new life.

PRAYER: O God, our spirits are exhausted. Our souls are crying for that living water. May the eternal Christ come to us and give to us the life-restoring cup. May we receive from Him and, in the receiving, may live, in our Savior's name we ask, Amen.

## THOUGHT FOR THE DAY

Jesus Christ satisfies the thirst of my soul.

W. Thomas Smith (Georgia)

### Parmer County Farm Bureau

We hope farmers will remember the organization that opposed the field grains bill to the end. Farm Bureau is the only farm organization, and it has as members 3 out of 4 organized farmers. We don't believe it possible that American farmers will like complete government domination of their operations. Most farmers have taken pride in their personal management of their farms and are not gleefully looking forward to federal agencies further controlling their operation.

The "farmer committee" system that appears to be next in line for farmers, according to the president and Agriculture Secretary Freeman, is not better, but perhaps worse than the bill now being debated. It would leave the impression that various state committees of farmers were working to give the farmer the kind of program he desired, while the committees, hand picked by supporters of administration programs, would be actually acting as high pressure salesmen for the program.

The farmer not on the committee would have nothing whatever to do with the formulation of the program. And the party, Republican or Democratic, would make no difference in the management of the program, because the committees, county and state, would be operating the program as directed by the Secretary of Agriculture.

Quoting from Facts for You, published by Texas Farm Bureau Research and Promotion under the direction of Bill Wedemeyer along the line of the above government programs, "FOOD SUPPLY—Let us again be reminded by the communists that if we intend to have a satisfactory food supply in the future it will be absolutely necessary to avoid the mistakes which the communists themselves have made.

The mistakes they have made are that they have agreed to allow someone else to control their farms and businesses in preference to individual owner-

ship and management. Individuals usually find a way to solve problems, including weather and insects."

The state bill proposed to allow competitive rating in automobile insurance was defeated. Another, limiting the power of the insurance commission to determining penalty points to serious traffic violations, may have a chance for passage.

### MARY MARTHA CIRCLE

The Mary Martha Circle of the WSCS of the First Methodist Church met in the Youth Chapel at 2:30 PM, Tuesday, March 14. Five members were present.

Mrs. R. O. Gregory gave the devotional and Mrs. Oscar Allison led the study "Into All The World Together."

### CHRISTIAN SCIENCE SERVICE

The ever-availability of spiritual enlightenment will be emphasized at Christian Science churches Sunday.

Scriptural selections to be read in the Lesson-Sermon entitled will include this passage from Isaiah (9:2): "The people that walked in darkness have seen a great light; they that dwell in the land of the shadow of death, upon them hath the light shined."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy this correlative passage will be read (546:24-26): "The great spiritual facts of being, like rays of light, shine in the darkness, though the darkness, comprehending them not, may deny their reality."

The Golden Text is from Psalms (97:11): "Light is sown for the righteous and gladness for the upright in heart."

## Nixon's Farewell Greetings Are Nice

A farewell message from the Richard Nixons is duly acknowledged in the office of The Journal. Comes to hand a handsomely printed picture of Richard, Pat, and their two lovely daughters and Mr. Nixon has been the following message: "As we leave Washington, Pat and I want to express our appreciation for the privilege of spending fourteen memorable years in the nation's capital, for your friendship and support in the campaign of 1960. — Dick Nixon. The Journal did not support Mr. Nixon in 1960, nevertheless we think this was one of the nicest things that has happened to us. The former vice-president will join a California law firm."

## Cub Scouts Take First Train Ride

The South Plains Council, in conjunction with the Santa Fe Railroad Company will conduct a Cub Scout Railroad Trip on Saturday March 25th, according to Jimmie Lumus, Council Camping and Activities Chairman.

Mr. David Tipple, Divisional Manager for Santa Fe, is coordinating the trip, and Tipple reports that Santa Fe Company will bring in some special equipment for the boys, and adult leaders to see, and inspect during this activity.

There will be a total of some 2500 Cub Scouts and adult leaders making the trip. These boys, and leaders will come from the 20-County Area that makes up the South Plains Council. Reservations thus far on the Train include these towns: Crosbyton, Lamesa, Lorenzo, Welch, New Deal, Amherst, Olton, Littlefield, Levelland, Petersburg, Tulla, Ralls, Tahoka, Slaton, Plainview, Brownfield, Post, and Lubbock. Railroading is the National

Theme all over America, for the Cub Scouts during the month of March. This may be the very first time, for many of these boys to ride a train. The interest seems very high, and keen regards this train trip, and will provide the Cub Scouts (boys ages 8, 9 & 10 years), with a real good activity.

## 1941 Boaters Here Are Identified

Remember the boating scene we ran in the paper last week, "Boating on Lake Muleshoe"? Next day we identified the two in the picture. It was J. A. "Fibber" McGee and his son, Cecil. They were pictured beside their motor boat at a point on Highway 70, Plainview highway, east of Muleshoe, just east of where the Randy Johnson home now stands.

Mr. McGee said they had driven all over the lake that day, even drove over a fence, the water being that deep. The lake was caused by excessively heavy rainfall in the spring of 1941.

### CARD OF THANKS

We wish to extend our warmest thanks to everyone who was so kind and thoughtful during the illness and death of our baby, Richard Ogerly. We wish to especially thank the doctors and nurses at the West Plains Hospital and Clinic. We also want to thank everyone for the food, flowers, cards, and other acts of kindness.

## TV Income Tax Series Planned

Thousands of West Texas farmers will have an opportunity to learn more about preparing their farm income tax returns starting March 26. The Internal Revenue Service, with the cooperation of KERA-TV, Dallas' educational TV station, prepared a series of TV tapes to teach adult taxpayers how to prepare better income tax returns.

Senior Internal Revenue Agent Instructor J. T. Logan (Logan is noted throughout Texas for his witty speeches and tax talks) teaches adults the same course used by thousands of high school and college teachers for their students.

KDUB-TV - Lubbock, KPAR-TV - Abilene-Sweetwater, and KEDY-TV - Big Spring, have been presenting this course at 12:30 every Sunday afternoon.

On March 26 and for three Sundays Instructor Logan finishes the course by working farm problems. Student handbooks for farmers to use in following the TV Tax Course can be obtained from Jim Hodges, Post Office Box 594, Dallas, Texas.

## SANDHILLS PHILOSOPHER CORNERS

### City Man On Washington's Plan To Save Cities From Decay

Editor's Note: The Sandhills Philosopher on his Johnson grass farm asks a question this week that's hard to answer.  
 Dear Editor:  
 A friend of mine who went to grammar school with me and now lives in Amarillo came by this Johnson grass farm out here the other day and after parking his car carefully to avoid a stack of wire and posts I've been meaning to move since I left them there three or four years ago, got to kidding me about the farm situation.  
 "Well," he asked, after I'd shown him which side of the front step to step on without getting hit with the other end, "your government checks coming through on time every month? What's the support price now on Johnson grass? How much extra you getting this year to retire some more land? How you tell your retired land from your cultivated land? Just thought I'd stop by and see where you city folks tax money is going."  
 I'm not much at talking, but I had been reading a newspaper earlier in the day so I asked him:  
 "By the way, how much is Amarillo going to get out of renewal program?"  
 "How is that?" he asked.  
 "Don't you keep up with the news," I asked. "I see by the

paper today that there's a drive on to save the cities. It's a fact. We got marginal cities the same as marginal farms. Like cities have been planted too thick like same as crops. Here, read this."  
 I showed him the paper, which said President Kennedy has sent Congress a \$3,250,000 (that's three and a quarter billion) bill to "save the cities," in the form of outright grants plus loans to reinforce the big cities in their desperate struggle against blight and decay." Under the program, a city man could get a 40-year mortgage with no down payment to build a house, in order to "upgrade decaying neighborhoods."  
 "What's the matter with you city folks?" I asked. "Can't you run your towns without help from Washington?"  
 I don't think you have a true appreciation of what this particular piece of legislation is designed for," he said, or words to that effect, adding that he had to be going, it was getting late, and he sure enjoyed visiting with me.  
 I'm not saying the cities don't need this money. All I'm saying is that if I'm supposed to get a government check every month, what happened to it?  
 Yours faithfully,  
 J. A.

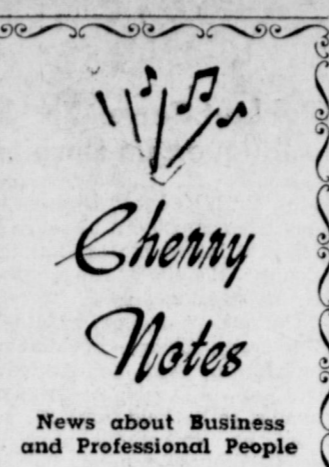

**Wagon Grocery Is Purchaser Of Prize Winning Calf**  
 W. D. Wanzor of the Muleshoe Livestock Auction, donated his services to the 4-H club boys after the show last Saturday and placed some of their prize winning animals at good prices to local buyers.  
 —1941—  
 Wagon Grocery and Market purchased one calf from Richard Dennis at \$120.37. The animal will be processed free of charge by the Muleshoe Packing Company and will be offered to the public in the form of fine steaks next Friday, Saturday and Monday.  
 —1941—  
 Seven head of prize winning hogs were bought by J. W. Gregory, J. W. McDermott and John Starkey, the price ranging from \$7.60 to \$8.30.  
 An interesting feature of the show was the presentation of a ribbon to Dick Owens of the Muleshoe Livestock auction for the most curious entry in the show. It was a two-year old heifer, 28 inches high and weighing only 210 pounds.

## Baboon Discusses COST OF LIVING

Babson Park, Mass., March 23 — From a strictly statistical point, the government's cost-of-living index today stands at 128 compared with 110 ten years ago and 60 twenty years ago. However, the great difference is due to the changes made by Washington in the things included.  
 No Water, Gas Or Electric Bills  
 When I was a boy our water came from rain on the roof which we collected in a brick cistern in the cellar of the house. Every night my father would pump this water from the cistern to a tank on the top floor of our house. This gave us running water on all floors. Our heat came from anthracite coal and my job each morning was to get up at six o'clock and build a coal fire in the kitchen stove. There were no incandescent lamps or electrical gadgets in those days. We were happy with kerosene lamps and candles. Today the water, gas, and electric bills amount to about \$20 per month for the family.  
 Monday was then wash day, and mother used her own home made soaps which she had allowed to dry in the attic. We heated the house with a coal furnace. My father put in the coal four times a day and I "shook down" the fire and took out the ashes. Moreover, these ashes were carefully sifted by me and 20% of them were used over again. There were no vacuum cleaners. My mother every Friday would sprinkle tea leaves on the carpets to "lay the dust" while sweeping the carpets with a broom. There was then only one laundry in Gloucester, a city of 15,000-20,000 people. "Dry cleaning" we never heard of! But we all were well dressed and happy. My father owned the leading "dry goods" store of the city. He personally unlocked the store door every day (except Sundays) at 7:00 a.m. and personally locked the door at 6:00 p.m.  
**Food and Clothing**  
 Then there were no super markets, but many grocery, meat, and fish stores all competing one with another. Prices of food are higher today but so many food items are frozen or precooked that it greatly simplifies housework. As a result

the housewife today has time to do outside work, from which she gets more than enough money to pay the extra food bills. My mother had a kitchen maid to whom she paid \$3.50 per week. This would cost \$30 or more per week today, but owing to the new frozen and precooked foods very few homes need any maids. Hence, although the food bills are higher, yet the saving in the homes is tremendous. My mother made my sister's clothing and my pants. These I pressed at night by carefully folding and sleeping upon them.  
 Looking back on those happy days, the only big price increase which were then only twenty-five cents. We all shave ourselves with long-blade razors. "Gillettes" were never heard of. There was no bathroom; we shaved and washed in cold water, and sometimes had to crack the ice to get the water. But we were healthy and happy. We, moreover, were taught to take good care of our clothing because it was passed down to sisters and brothers.  
**Rents and Automobiles**  
 Rents are considerably higher today than they were 20 to 40 years ago; but the tenant gets a far better place to live. Furthermore, a family can now buy a house at a low rate of interest, paying only \$500 or less down with 20 years in which to pay the mortgage. This situation did not exist 20-30 years ago. Furthermore, it is usually easy to rent a room which will bring in ten dollars per week. Renting a room was in my day impossible. Shoes cost double now; but we walk so little that they cost less per year. Almost everyone rides to school or to work, or even to play, in school-operated buses or in their own automobiles. Speaking of autos, a new Ford car 40 years ago sold for \$500, compared with over \$2000 today; but you can today buy a good second-hand Ford with a good self-starter for \$500 and it is a much better car than the new Ford of 40 years ago. Even with the increased cost of college education any worthy boy can get a scholarship, and the increased income which he now receives the first few years after graduating more than offsets the

Here are a couple of things to think about as you go about your busy life:  
**He who lives without committing any folly is not so wise as he thinks.**  
 — La Rochefoucauld  
 — CN —  
**I have learned to seek my happiness by limiting my desires, rather than in attempting to satisfy them.**  
 — John Stuart Mill  
 — CN —  
 Spring is in the air! The office has been buzzing with talk of fishing, boating, vacations, new clothes, yard work, etc., all signs of spring. The people in this office have been hunting more excuses to get outside in the warm sunshine. We wonder if other offices are doing the same.  
 — CN —  
 Muleshoe has several new citizens. The pastor of the First Baptist church and his family, Rev. Don Murray, are among this group. They are from Mead. Several of the service stations have new managers from towns other than Muleshoe. We are sure there are more we haven't heard about.  
 Linda Sanders, daughter of Mr. and Mrs. Clayton Sanders and a junior in high school, is working at the Journal after school and on Saturdays these days. She is learning the teletypewriter and is progressing rapidly.  
 Increased cost of tuition. The real reason for the present "high cost of living" comes from the money spent for recreation, travel, and other diversions. There were no radios or televisions when I was a young man and the entrance fee to movies was only a dime or 20 cents. Nor were there any country clubs or cocktail parties.

—CN—  
 Boy, this weather! You wear cottons one day and wool the next day, I'm not complaining, just talking. When Muleshoe has a pretty day, it is the nicest day in the whole United States.  
**Today's Meditation**  
 Read Luke 9:18-22  
 If any man will come after me, let him deny himself, and take up his cross daily, and follow me. Read Luke 9:23.  
 Vesper Point, a Christian Camp in Barbee, Indiana, overlooks two beautiful lakes. The seating arrangement among the green trees of the wooded ridge is one concrete block for each person.  
 The worship center is constructed of concrete blocks and a cross of rough tree limbs. It is a weather-beaten cross, a symbol of the one which Jesus, the suffering servant, was crucified.  
 Once the cross was a frame used to crucify outcasts of earth. Now it towers over the world as a symbol of Man's hope. The cross arm reaches out to all people—the crippled, the blind, the weak, the strong, the poor and the wealthy, the ignorant and the educated—to bring them to God. The cross also points upward inspiring us to come to Him.  
 By denying ourselves and faithfully bearing our cross, we show forth our love and gratitude to our Redeemer, who suffered to save us from sin.  
**PRAYER: O Lord we give Thee praise for the hope Thou hast given us through Jesus Christ. Prevent us from ignoring neglecting or becoming indifferent to the cross He would have each of us to carry. In His name. Amen.**  
**THOUGHT FOR THE DAY**  
 Self-denial and cross-bearing are required of every Christian. Thomas L. Henry (Indiana)

## Repercussions Follow City's Recent Tax Reduction

Muleshoe's recent announcement of a reduction in the city tax brought repercussions. First, a native of these parts, Paul Crume in his Big D column in The Dallas Morning News commented at length.  
 Noting which, the House of Representatives adopted a resolution on the subject, and The Journal prints both pieces here as a matter of interest.  
**H. S. R. No. 336 RESOLUTION**  
**WHEREAS**, It is significant that the town of Muleshoe is an important cog in the wheels of progress in Texas history, because one of those wheels is Jesse Osborn, our able Representative from Bailey County; and  
**WHEREAS**, Muleshoe's most dedicated citizen, Jesse Osborn, is a constant reminder that great oaks from little acorns grow; and that such a town as Muleshoe can produce magnificent statesmen as well as statements, such as appeared in The Dallas Morning News today, March 13, 1961; and  
**WHEREAS**, On the front page of The Dallas Morning News in "Big D" column by Paul Crume appeared the following words concerning the intriguing town of Muleshoe:  
 "Someone has sent up a edifying from Charley Guy's Lubbock paper, and it says that the town of Muleshoe, Texas, has just cut its tax rate by 10c right here in the middle of stable American prosperity."  
 "That is Muleshoe, Texas, all right, just as we remember it, launching out blind and head-on against the stream of history,

dog-paddling mightily and making a show of up-stream movement while the flood of spending progress sweeps it along with state governments and national governments steadily downstream to somewhere—probably into the Humboldt Sink.  
 "It is strange country up there. Income exceeds outgo. Characters pay cash for tractors and houses and bootleg whiskey, thereby imperiling the very future of banking. Some Muleshoe restaurants even prefer cash to Diner's Club cards.  
 "Some old nesters up there foresaw the drain on the American dollar years ago and tried to forestall it by jamming all the dollars down in their own pockets.  
 "We got a belly full of Muleshoe 30 or 40 years ago, though possibly not as much as it did of us. Muleshoe is the metropolis of the Bailey County Wildlife Refuge. At the time, we thought this term referred to those long, bony old boys who used to wear their sideburns with hooks at the bottom. They would tie bandannas around the bands of their Stetsons on Saturday night to hide the sweat stain, and each wore on the front of his Levi's a belt buckle so big it sagged toward his knees.  
 "We have since learned that the 'wild life' in the name refers to ducks which, by comparison, are not wild at all.  
 "Anyhow, we had many fine companions and Saturday night sparring partners among these old Bailey County boys and have always remembered them as the salt of the earth. They

Recipes for the use of Mix:

**BISCUITS**  
Family Size  
Mix, 3 cups.  
Milk, 2/3 cup.  
Yield, 18 2-inch.

**Just for Two**  
Mix, 1 cup.  
Milk, 1/3 cup.  
Yield 6 2-inch.

Add milk to the mix all at once, stirring 25 strokes. Knead strokes on lightly floured board. Roll 1/2 inch thick. Cut on baking sheet in a hot oven (450 degrees) 10 minutes. Biscuit dough can be used many ways. For variation add cheese, chopped parsley, oregano or herbs blended with top crust of a chicken or oat pie. It will serve as the dough for a meat roll - chop meat bound together with oregano and spread over the dough, then rolled as a jelly roll and cut before baking. This can be served with gravy or with a cheese sauce.

The dough can be used as a covering in baked apple dumplings or for dough for a fruit or pinwheel roll. It can be dropped on top of hot stewed fruit or berries and baked as a "cobler".

Drop biscuits can be made from this recipe by increasing the milk to 1 cup for the family size recipe or to 1/3 cup for the "Just for Two" size recipe.

**Coffee Cake**  
Family Size

Mix 2 1/2 cups  
Sugar 1/3 cup  
Milk 1/3 cup  
Egg 1

**Topping**  
Brown sugar 3 tablespoons  
Butter 1/2 teaspoon  
Cinnamon 1/2 cup  
Yield 8x8 cake

**Just for Two**  
Mix 1 cup  
Sugar 3 tablespoons  
Milk 3 tablespoons  
Egg 1/2 or 1 yolk

**Topping**  
Brown sugar 1/4 cup  
Butter 1 tablespoon  
Cinnamon 1/4 teaspoon  
Yield 4x6 cake

Stir sugar into the Mix. Combine milk and beaten egg. Stir into the Mix until well blended (about one minute). Put into shallow greased pan. Spread or dot topping over batter and bake in a hot oven (400 degrees) about 25 minutes.

The brown sugar mixture can be used as a filling instead of a topping. A date topping or filling can be used instead of the one given above. For a filling, spread about half of the batter on a pan, then a thin layer of filling and then the remaining batter. For the family size recipe, blend 1/2 cup brown sugar, 2 teaspoons cinnamon, 1/4 cup soft butter, 1/4 cup chopped nuts and 1/2 cup chopped

dates. For the smaller recipe use 1/4 cup brown sugar, 1 teaspoon cinnamon, 2 tablespoons soft butter, 2 tablespoons chopped nuts and 1/4 cup chopped dates.

**CHOCOLATE DROP COOKIES**  
Family Size

Mix, 3 cups.  
Sugar, 1 cup.  
Cocoa, 1/3 cup.  
Egg, 1.  
Milk, 1/2 cup.  
Vanilla, 1/2 teaspoon.  
Yield, 4 dozen.

**Just for Two**  
Mix, 2 cups.  
Sugar, 2/3 cup.  
Cocoa, 1/4 cup.  
Egg, 1.  
Milk, 1/3 cup.  
Vanilla, 1/4 teaspoon.  
Yield, 2 1/2 dozen.

Stir sugar and cocoa into the mix. Combine milk, beaten egg and vanilla. Stir into the Mix until well blended. Drop by teaspoon on greased baking sheet. Bake in moderate oven (350 degrees) 10 to 12 minutes.

Raisins, nuts, chopped dates or chocolate chunks can be stirred into the batter.

Brownies can be made by using 3/4 cup mix; 1 cup sugar; 2 squares melted butter; 2 eggs, and 1 cup chopped nut meats. Bake in greased 8x8 pan in moderate oven (350 degrees) about 30 minutes. Cut while warm.

John T. Crow of C & H Chevrolet Company, right, discusses the course of study in Chevrolet's School of Modern Merchandising in Detroit with Dean T. O. McLaughlin. The course emphasizes the importance of service to Chevrolet owners in the dealer's area.

Crow, admitted to the school on the basis of past accomplishments and future promise in retail car sales, was among 57 students at the current, five-week session. Top Chevrolet executives teach at the school, which has graduated 2,400 men in its 23-year history.

and everyone in 4-H is to write an appreciation letter to one of their teachers. The meeting was adjourned. There were 19 members present. Refreshments were served by Sheryl Stevens and Veta Allison. Mr. Heibig showed a film on "Rural Family Defense Against Radioactive Fallout", which was very interesting.

John W. West went to Bakersfield, Texas last Thursday on business.

Mrs. Elmo Stevens went to Littlefield Saturday morning to take Sheryl and Patsy Angeley to the Lamb County 4-H Council meeting.

Mrs. E. K. Angeley and Patsy were in Lubbock last Friday.

Martha Wuerflein came home Friday to spend the weekend with her family.

Mr. and Mrs. Oscar Allison visited with the Buddy Pool's in Amarillo last Friday.

Appreciation Day is March 9.

Doings At Muleshoe Airport  
Reported by Mrs. Noah Kinser

Three pilots of the yester-years have recently resumed flight training at the airport. They are George Tompkins, Herbert Griffiths, and Marvin Davenport.

Tompkins began training at the local airport in 1948 with Steve Hopkins as instructor and obtained his Private rating. He flew 58 missions as a gunner during the war while serving with the Air Force.

Tompkins is employed by Evans Oil Co. and enjoys flying as a hobby.

Herbert Griffiths started flying at the age of 16 with Joe Trujillo instructing, logging over 100 hours in the air as a student pilot before losing interest. Griffiths said that his flying at that time was just for sport, but now he states that he really likes flying and feels much more relaxed as pilot-in-command than ever before and that he plans to get his Private License.

Marvin Davenport, Needmore farmer, was a student pilot under Instructor Robert Biggs in 1955.

Davenport has been a Flying Service student for several weeks and is waiting for the results of his written examination for Private license recently in the Amarillo of FAA Examiner, Robert Sener.

Muleshoe Flying Service officials said that all three have proved to be very gressive students.

Dr. and Mrs. Ray Santos Morgan Locker flew to W Falls Sunday morning to get Santos' children, Lisa and who have been visiting grandparents for the past week. They were met at Kiek Airport there by the chi and Mrs. Santos' parents and Mrs. Fed Edwards Bloomburg, Texas.

Mrs. Santos said the first was her first with her husband as pilot and was Lisa and El first time to be in an airpl. She and the children enjoy the trip.

Preparations are still in press at the airport for the Diving and Ground Ju School.

Leon Smith and Howard Watson completed the building of jumping stand to be used by school in ground training and table, 4 by 42 feet, for packi parachutes. The table is large enough to allow two 'chutes to be packed at the same time.

In addition to their jumpir activities, Smith and Watsc have been taking courses i parachute packing at the South western Sky Diving Center i Alamogordo, N. M.

**Small oil man from Texas...**

Mr. Jack Thomas of Dallas, above, deals in oil . . . once every 4,000 miles! He owns a '61 Ford with new Full-Flow oil filtering that cleans all the oil so thoroughly, frequent changes are unnecessary. Deals in grease, too . . . also in a small way; Ford's new sealed-in lubrication lets him go 30,000 miles between chassis lubrications. Never deals in wax; Ford's Diamond Lustre Finish doesn't need it. Same for brake adjustments . . . Ford brakes adjust, when it's required, automatically! Saves money on mufflers, too (Ford's is double-wrapped, aluminized, to last three times longer than ordinary ones). Doesn't worry about rust and corrosion—the body is specially treated to resist this kind of damage. Happy guy, Thomas! Likes being a small oil man. So will you!

**NOTICE OF ROAD BOND ELECTION**  
**THE STATE OF TEXAS:**  
**COUNTY OF BAILEY:**  
 To The Resident Qualified Electors of Bailey County, Texas Who Own Taxable Property in Said County, and Who Have duly Rendered The Same For taxation:

TAKE NOTICE that an election will be held on the 4th day of April, 1961, in Bailey County, Texas, to determine whether or not bonds shall be issued for the purpose of the construction, maintenance, and operation of macadamized, graveled or paved roads and turnpikes, or in aid thereof, in Bailey County, Texas, said construction consisting of the widening of the rights-of-way of U. S. Highways Numbers 70 and 84, being the one and the same right-of-way, from Western City Limits of the City of Muleshoe, Bailey County, Texas, and the Northwestern extremity of American Boulevard, in the City of Muleshoe, Bailey County, Texas, to the Farmer County line; and whether or not ad valorem taxes shall be levied on all taxable property in said County, subject to taxation, for the purpose of paying the interest on said bonds and to provide a sinking fund for the redemption thereof at maturity, in obedience to an ELECTION ORDER passed by the Commissioners' Court of Bailey County, Texas, on the 2nd day of March, 1961, and which order is in words and figures as follows, to-wit:

**ORDER FOR ROAD BOND ELECTION**  
**THE STATE OF TEXAS:**  
**COUNTY OF BAILEY:**  
 ON THIS, the 2nd day of March, 1961, the Commissioners' Court of Bailey County, Texas, convened in Special Session, at the regular meeting place thereof in the Courtroom at Muleshoe, Texas, the following members of said Court, to-wit:

GLEN WILLIAMS, COUNTY JUDGE, Presiding; and I. M. STINSON, COMMISSIONER, Precinct No. 1; W. W. COUCH, COMMISSIONER, Precinct No. 2; W. H. EUBANKS, COMMISSIONER, Precinct No. 3; and R. P. McCALL, COMMISSIONER, Precinct No. 4;

being present and participating; there came on to be considered the petition of Ernest Kerr and 184 others, for an election to be held in said Bailey County, Texas, to determine whether or not bonds be issued by said Bailey County, Texas, to the amount of \$250,000.00, for the purpose of the construction, maintenance and operation of macadamized, graveled or paved roads and turnpikes, or in aid thereof, in Bailey County, Texas, said construction consisting of the widening of the rights-of-way of U. S. Highways

THIS PICTURE, submitted by a reader, shows an old time baptizing, this time with colored folks participating. The scene is the old Hart tank, just north of Muleshoe, a tank which also served as the old swimmin' hole in other days. This baptizing scene was common all over the country not so many years ago, and the picture brings back memories of the good ol' days.

Numbers 70 and 84, being the one and the same right-of-way, from Western City Limits of the City of Muleshoe, Bailey County, Texas, and the Northwestern extremity of American Boulevard, in the City of Muleshoe, Bailey County, Texas, to the Farmer County line; and whether or not ad valorem taxes shall be levied on all taxable property in said County, subject to taxation, for the purpose of paying the interest on said bonds and to provide a sinking fund for the redemption thereof at maturity;

IT APPEARING to the said Court that said petition is signed by more than Fifty (50) qualified property taxpaying voters of said Bailey County, Texas; and

IT FURTHER APPEARING that the amount of bonds to be issued will not exceed one-fourth of the assessed valuation of the real property of said Bailey County, Texas;

IT IS THEREFORE, CONSIDERED AND ORDERED by the said Court that an election be held in said County on the 4th day of April, 1961, which is not less than thirty (30) days from the date of this order, to determine whether or not the bonds of said Bailey County, Texas, shall be issued in the amount of TWO HUNDRED FIFTY THOUSAND AND NO/100 DOLLARS (\$250,000.00) in conformity with the Constitution and laws of the State of Texas, for the purpose of the construction, maintenance and operation of macadamized, graveled or paved roads and turnpikes, or in aid thereof, in Bailey County, Texas; said construction consisting of the widening of the rights-of-way of U. S. Highways Numbers 70 and 84, being the one and the same right-of-way, from Western City Limits of the City of Muleshoe, Bailey County, Texas, and the Northwestern extremity of American Boulevard, in the City of Muleshoe, Bailey County, Texas, to the Farmer County Line; said bonds to bear interest at a rate not to

exceed FOUR AND ONE-HALF PER CENTUM (4½%) per annum, and to materialize serially over a period of years not to exceed twenty (20) years from the date thereof; and whether or not ad valorem taxes shall be levied annually upon the property in said Bailey County, Texas, subject to taxation, for the purpose of paying the annual interest on said bonds and to provide a sinking fund for the redemption of said bonds at maturity.

THE SAID ELECTION shall be held under the provisions of the Acts of the Thirty-ninth Legislature, First Called Session, Chapter 16, as amended. ALL PERSONS who are legally qualified voters of said Bailey County, Texas, who are resident property taxpayers of said County and who have duly rendered their property for taxation, shall be entitled to vote at said election.

Davidson had fined two professional gamblers from Forth Worth \$3,000 each for failing to buy the \$50 wagering occupational tax stamp for three successive years while engaged in the business of accepting wagers.

All of the gamblers pleaded guilty to the charges initiated by the Internal Revenue Service.

**Football Gamblers Given Stiff Fines**

Federal Judge T. Whitfield Davidson fined six Forth Worth gamblers \$1,000 each for accepting football bets without first having registered and paid the \$50 federal wagering occupational tax. The group operated five different bars and lounges and made the mistake during the early part of November, 1960 of accepting several bets from special agents of the Internal Revenue Service.

**RAMBLER MARCH SALES AT ALL-TIME RECORD HIGH!**

Rambler News is good! March Sales are running at an all-time record rate. That's right! More people bought Ramblers in the first third of March than in any similar period in Rambler history!

**Now Is A Good Time To Buy!**

Rambler means business! Right now, Rambler dealers are out after even more sales with the kind of fair-and-square liberal deals that car buyers can't afford to pass by. Used car prices have firmed. That means your present car is worth more in trade now on a new Rambler.

**Why Is Rambler Breaking Sales Records?**

- Compact cars are capturing an ever-growing share of the new car market. Why does Rambler continue to hit new sales heights? Because Rambler is better than the big cars and best of the compacts. Here are the reasons:

## Y. L. News

by Mrs. D. C. Read

Last Monday Mrs. Bertha Daniel and Mrs. Jo Ann Head and children visited with Mrs. Melvin McCoy in Morton and had a very enjoyable visit. The McCoy's moved to Morton recently. He is the Ford dealer there. They love their new home and their new church home.

Mr. and Mrs. Billy Wayne Johnson returned Wednesday from their trip to Los Angeles, Calif. While they were there they visited an uncle of Mrs. Johnson's, F. F. Norwood. They also enjoyed several of the sights for tourists. The children enjoyed the trip through Disneyland very much. On the way back, they stopped and visited some great aunts of Mrs. Johnson's at Las Cruces, N. M., Mrs. Archer and Mrs. Barrey.

Walter Kemp has been in Truth or Consequences, N. M., for treatments for about 10 days. He returned Sunday evening. Mrs. Kemp visited her father, Mrs. Roy Hill, at Hereford over Saturday night and Sunday.

Guests in the W. T. Millen home over Sunday were Mr. and Mrs. I. E. Fish from Plainview. Mr. Fish is Mrs. Millen's uncle. Mr. and Mrs. Kenneth Powell were home from Canyon and spent part of the time at the Millens.

THE WILL TO WIN FOR TEXAS

**Elect WILL WILSON U. S. SENATOR**

Mrs. L. O. Norwood attended the funeral of her sister at Edcouch, Texas last week. Mrs. S. R. Jay had been living with her daughter in South Dakota the past few years. The daughter's name is Mrs. W. M. Blank.

Mr. and Mrs. J. E. Embry have returned from their trip to St. Joe, where they visited his sister, Miss Claudia Embry, who has been sick for a long time. While there they also visited two other brothers of Mr. Embry's. On the way back they stopped in Fredrick, Okla., to visit Mrs. Embry's sister, Mrs. Ed Kurz, and two brothers, Vester and Harvey Wright.

Mr. and Mrs. B. H. Bickel had nearly all their children home over the weekend. They were Mr. and Mrs. Jim Bickel and family from Snyder, Mr. and Mrs. Tommy Bickel and Bennie Bickel from Canyon, who are in school at WTSC. Mr. and Mrs. Peyton Dunham from Lubbock, also from Lubbock were two grandchildren, Karl and Kay Borum. These all came Friday, then Mr. and Mrs. Bill Bickel from Muleshoe, came out Sunday to spend the day also. They all attended the Sunday morning worship together.

Saturday, March 11 was Mrs. Jessie Lewis' birthday and she had an enjoyable day. The WSCS and her Sunday School class took her a pretty cake and flowers. The cake was decorated with pink and white, with pink roses and "Happy Birthday", with 73 on top. She had visitors all day Saturday and Sunday. There were 21 persons to help her eat the cake and celebrate.

The WSCS of the Y. L. Methodist Church had their regular meeting Tuesday morning. They met in the sanctuary of the church. Aunt Dot opened the meeting with prayer. Mrs. Mildred Head presided. Mrs. E. H. Buhman gave the lesson. Mrs. Art Ryan gave the lesson which was "What Is the Word". Mrs. Loyd Quesenberry gave the closing prayer. The meeting was closed with the WSCS Benediction.

There were two visitors present. The WSCS is to start their next study at the next meeting, which will be April 18. Mrs. Loyd Quesenberry will have the first session. The study is on "Basic Christian Beliefs", and they will have it in discussion sessions. We do hope that all the ladies of this community will come to hear these discussions, as they will concern all phases of life. The sessions will be open for questions and comments on this study.

#### TO HAVE EASTER EGG HUNT

The Saint Ann's Rosary-Altar Society of the Immaculate Conception Catholic Church will have an Easter Egg hunt on the church grounds this coming Palm Sunday, March 26 after the 8:30 a.m. Sunday Holy Mass. Mothers of the children, who take part in the Easter Egg hunt have been asked by the officers of the Catholic Woman's Club to please bring one dozen eggs, 1/2 dozen boiled, 1/2 dozen candy colored.

## PLEASANT VALLEY

(Left From Last Week)

The 4-H Club successfully completed the week of celebration, March 4-11, which was National 4-H Week.

The club had a very interesting display window in Cobb's Dept. Store in Muleshoe, titled "Join the 4-H Safety Roundup". 4-H Grace cards were distributed to local cafes, hospitals, and school cafeterias. Also this week was celebrated as teachers appreciation week, and 4-H members Sun., March 5, the Pleasant Valley club members attended morning services at the Y. L. Methodist Church in a group. The members were made to feel most welcome by the pastor, Rev. D. C. Read, and other Church members.

Shirley Stevens, 4-H president made a speech on what 4-H means which was very interesting. Club members attending were: James West, Veta Allison, Sheryl Stevens, James Pitts, Mack Allison, Johnny West, John Pitts, Kenny Kendrick, Ricky Stevens, and Carolyn Allison.

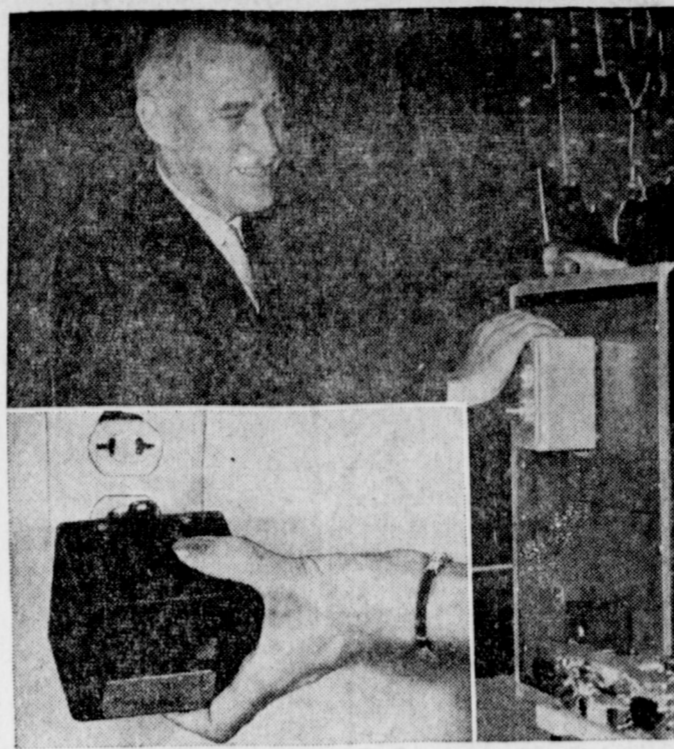

To climax National 4-H Week, the Pleasant Valley Home Demonstration Club gave the 4-H members a party, held at the community center Saturday night. Games were played, delicious refreshments were served to the members and guests. Every one had a very enjoyable time, and the 4-H members would like to say "Thank You" to the Home Demonstration Club.

Among the purposes of the National 4-H Week are these to acquaint more young people with the opportunities open to them through joining or forming 4-H Clubs. To increase understanding of 4-H aims and accomplishments, and to express appreciation to the many friends of 4-H who support the "Learn by Doing" program of character development and good citizenship.

The Pleasant Valley Club has big plans for the coming year. Along with the regular projects of live stock, gardening, cooking, sewing, and field crops, etc., they are starting several new and interesting projects. One of these is a rifle team which has been organized by some of the older boys, the leader is Roland Stephens. Eugene Buhman is going to organize a novelty band, and most of the members have signed up for this project. Mr. Buhman would like to announce the first practice for the band will be Wednesday, March 22 at 5 p.m. Come and bring any instrument you have.

Friday morning the following 4-H members met at the community center to make posters for the window display. They were: Ramona McMahan, David Crenshaw, Sheryl Stevens, Ricky Stevens, Kathryn West. When the posters were completed, Sheryl and Brenda Bills took them in and decorated the display window in Cobb's Dept. Store.

NATIONAL EMERGENCY Alarm Repeater (NEAR) receiver (inset) was demonstrated to the public and industry at Charlotte, Mich., to show how this automatic indoor warning device could alert the whole population by a special signal sent over power lines. Leo A. Hoegh, director of the Office of Civil and Defense Mobilization, pressed the button activating the warning demonstration. (OCDM Photo)

The Earth Fertilizer Co. was host at a dinner, served by the Social Club members, to the farmers of the community. Dr. Ivan Miles, agronomist with the Mathieson Chemical Co., speaker for the evening, gave a very informative as well as entertaining program.

The Social Club met Thursday night at the community center with nine members and one visitor present. Roll call was answered by giving favorite recipes.

A report was given on the dinner served by the club for the Earth Fertilizer Co., and

the club decided to buy knives for the community center kitchen with part of the profits of the dinner.

Refreshments were served by the hostess Glynnia Buhman, to members and guest, Mrs. Glendon Kenny.

Among the parents attending open house at the Muleshoe High School and Junior High School were Mr. and Mrs. Russell Bryant, Mrs. C. C. Hit, Mr. and Mrs. T. E. Bills, Mrs. Harold Allison, Mrs. John W. West, Mrs. Gerald Allison, and Mrs. Oscar Allison.

## DON'T DEplete YOUR LAND!

**INCREASE CROP YIELD  
 MAINTAIN SOIL FERTILITY  
 WITH ARMOUR FERTILIZERS**

Investment in proper fertilization pays two ways. First, good fertilization increases crop production, and can return up to \$3 for every \$1 invested. Second, it improves soil fertility, the land's most valuable asset.

Every crop harvested and removed from the land takes large quantities of the vital plant food elements necessary to grow good crops. Among these are nitrogen—which gives dark green color to plants and produces rapid growth, phosphorus—which stimulates early root formation and growth and gives plants a rapid and vigorous start—and potassium—which imparts increased vigor and disease resistance, and many valuable minor and trace elements as well. If this plant food is not replaced, soil fertility is depleted, and both yield and quality of future crops suffer.

This chart indicates generally the amount of each major element removed from the soil by a characteristic yield of a key crop:

CROP	YIELD	Pounds of Plant Food Removed*		
		NITROGEN	PHOSPHATE	POTASH
CORN (grain) (stover)	100 bushels	90	65	25
	8 tons	70	25	65
COTTON (lint and seed) (stalks, leaves, and burrs)	1500 lbs.	40	20	15
	2000 lbs.	65	10	65
WHEAT (grain) (straw)	40 bushels	50	25	15
	1.5 tons	20	5	65
MILO (grain) (stover)	60 bushels	50	25	15
	1.5 tons	65	20	65
