## City Tax Rate Same; Fees To Go Up \$4.50 Month

The City of Tahoka adopted a budget and tax rate at a meeting Monday night, with all council members voting for a budget calling for spending about \$100,000 more than the current year, which ends Sept. 30. More than half the increase is in expenses due next year related to the Canadian River Municipal Water Assn., which has a desalination project underway and member cities must pay part of the costs. City residents will pay no more in taxes, but will face increases totaling \$4.50 a month for most residents in the form of higher minimum rates for water, sewer and sanitation collec-

tion services. Starting in October, residents will pay a minimum of \$9.75 for water, compared to the present minimum of \$8; sewer rate will go up to \$8.25 from the current \$7; sanitation collection rate will go to \$11.50 for residential, from the \$10 charged now, and commercial accounts also will be increased by \$1.50 per month. City Manager Barry Pittman said prices charged by a company hired to collect garbage will increase, as trash is hauled to Lubbock. Mayor Jim Solomon presided, and all members of the city council were present.

LEADING BULLDOG CHEERS THIS YEAR - The Tahoka High School Varsity Cheerleaders for 1993-94 are, from left, Jill DeLeon (captain), J'Lyn Williams, Kristi Chapa, Katy Huffaker, Susan Draper as the Bulldog Mascot, Lynna Rash, Abby Wells, Robin Martin, and Stephanie Stennett (co-captain).

## Tire Slashing, Vandalism Reported

Authorities from the Lynn County Sheriff's Dept. investigated reports of tire slashings and vandalism of a county road grader this week, while Tahoka Police investigated and cleared a theft of a hedge trimmer in town. No arrests or charges had been filed this week in a sexual assault case reported last week by a young woman in Tahoka, who said a man entered her home early Aug. 23 and attacked her at knifepoint. Police said a suspect has been questioned, and that further questioning of the man is scheduled. Clifford Laws of O'Donnell reported to Sheriff's deputies that tires had been slashed sometime during the night of Aug. 26 on his water trailer located east of Grassland. A few miles further east, two tires were slashed on each of two tractors owned by Ralph Dean of Post. A Caterpillar road grader, owned by Lynn County Precinct 3, was vandalized sometime last Thursday or Friday, southwest of Wells Gin on Hwy. 211. Damage to the road grader was estimated at \$483, including damage to the door lock, broken window, and ignition system damage, and the interior had been sprayed with a fire extinguisher. Sheriff's officials also reported that a Lubbock man was in custody in Lubbock County Jail on a warrant from Tahoka on charges of auto theft, in connection with a case last week of the theft of a 1981 Chevrolet Suburban owned by Geneva Miller of Tahoka. The Suburban was later recovered in Midland. Tahoka Police officers investigated a report of a Black & Decker hedge trimmer stolen from a garage at a home on North 2nd Street last Tuesday, and cleared the case three days later. A Tahoka juvenile admitted to the theft, the property was returned to the owner, and the juvenile was turned over to juvenile probation authorities. In jail during the week were nine persons; two for public intoxication, one for application to revoke probation (ARP) and DWI; four for DWI; one for DWI second offense; and one for ARP and burglary of a habitation.

## TISD Budget Approved

Following a 6 p.m. public hearing at which no citizens appeared Monday night, Tahoka Independent School District Board of Trustees approved the 1993-94 budget by a 6-0 vote. Total budget for expenditures for 1993-94 school year is \$3,963,845, of which \$3,674,107 is Maintenance and Operating funds. The M&O budget is an increase of \$83,586 from last year's budget figures, of which \$64,174 is due to payroll increases. Dr. Duane Carter, TISD Superintendent, told trustees that 71.9 percent of the budget was payroll expenditures.

In order to fund the 1993-94 budget, school trustees are discussing a tax hike of up to 13.239 cents, which would raise the tax rate from the current \$1.01.761 to \$1.15. TISD can set a tax rate of up to \$1.15.624 before a rollback election is called for. Six trustees were present at the meeting, with trustee Brad Hammonds absent due to his representing TISD at a CED meeting held in Brownfield at the same time.

## Bulldogs Go To Spur For Season Kickoff

The Tahoka Bulldogs will journey to Spur to play another kind of Bulldogs Friday, opening the 1993 season. Spur, again ranked as one of the better Class A teams in the region, no doubt will remember that last year Tahoka pulled a mild upset in beating Spur. Coach Chris Wigington's team had problems against Hart in a scrimmage last Friday, as the Longhorns scored twice. The coach has made a few changes in his original tentative

starting lineup, and will field an offensive eleven in which former Quarterback Wes Solomon has been moved to fullback, with freshman Matt Garcia to start at quarterback. The other running backs are likely to be Ramiro Rodriguez at tailback and Juan Luna at wingback. Tight end will be Martin Gill and split end is Terry Gwin. Offensive tackles are Johnny Rodriguez (255) and Oscar Garcia (200). Center is Randy Fant and guards are Cody Hale and John Quintanilla. Fant and Jesse Perez are likely starters at linebacker.

## "Peaceful Heart" To Perform At Gospel Opry

"Peaceful Heart", a contemporary Christian singing group from Plainview, are featured performers at this month's Tahoka Gospel Opry, set this Saturday, Sept. 4 at 7 p.m. at 2001 Lockwood. The Opry, housed in the former Venture Foods building, offers family entertainment with free admission and offers a concession stand which opens at 6 p.m. Other performers at the Opry include New Haven, a southern gospel group from Lamesa; Sonny Grant, who plays country "guitar pickin'" gospel from Ralls; soloist Darrell Clawson; and featured performer, Fred Goldsmith from Lubbock. Tahoka's West Texas Praise Team, who host the monthly event, will also perform during the evening. For more information about the Gospel Opry, call 998-5254.

**\$500 Reward**

Lynn County Crime Line is offering a \$500 reward for information clearing a rash of trailer burglaries during the past few months, the last of which occurred Aug. 21-23 from a location about 10 miles southwest of Tahoka. Todd Lockaby reported an 18-foot trailer and 150 bags of wheat seed stolen, valued at about \$2,300. Another trailer burglary occurred July 4, when a trailer owned by Wayland Taylor Inc. in O'Donnell was reported missing from behind the Taylor office building. The 16-ft. green utility trailer was valued at \$681. Anyone with information on these trailer thefts may call Crime Line at 998-5145. Callers will not be asked to identify themselves, and a reward of \$500 will be paid for information leading to the arrest and conviction of persons responsible for the thefts.

*Out of the Woods*

The wayward thoughts of Juanell (Wood) Jones

If you've got enough money, you can turn your house into a Smart House. According to an article in the Texas Co-op magazine, your home can be programmed to do such things as turning lights on and off, regulating changes in air/heat control, watering the lawn, and even (get this) telling you when your baby in the room down the hall is crying and needs attention. Suppose you live in a smart house, and Dad sits down in his chair to watch Monday night football. Suddenly, the television screen fades out, and a picture of little Junior in his crib in his room elsewhere in the house takes the place of the football game. Dad sits up and takes notice, and sees his little one bawling and squalling and knows that somebody (preferably somebody not watching the football game) needs to go see about him. Yep, that's a pretty smart house. I would, however, require a few modifications, expensive though they may be. For instance:

- Seat ejectors in Dad's easy chair, which would propel him with great force out of the chair when little Junior's picture comes up on the television screen;
- Smart Garbage Cans, which march to the dumpster every hour on the hour;
- Smart Laundry Baskets, which separate clothing and dump them into the washing machine and dryer at the appropriate times;
- Smart Vacuum Cleaners, Smart Kitchens, Smart Bathrooms ... well, you get the picture.

Eventually, if you had enough money, you'd have a house smart enough to operate nearly as well as those with ... a WIFE. Hey! Ladies, we are WAY too cheap. I don't know about the rest of you, but I opted out for love and a wedding ring. What a ditz!... I should have held out for at least \$10,000 or \$15,000. I know I'm worth it.

## Football Contest Begins This Week

The Lynn County News annual football contest begins this week, and can be found on page eight in this week's edition. The contest, sponsored by local merchants, offers a \$10 cash prize from The Lynn County News to first place winners each week, and a chance to double their money if the winner names the secret sponsor for the week. The contest is open to anyone old enough (and smart enough) to pick the winners of the listed football games of the week, and a tie-breaker score will be used if necessary to break a tie. Secret sponsors will be drawn by The News staff each week from the list of sponsors on the page, and any first place winner who has correctly named the secret sponsor will receive \$20 cash from The Lynn County News.

## Boosters Plan Paw Prints, Tailgate Parties

Tahoka Bulldog Booster Club met Aug. 25. Coaches were introduced and members discussed plans for the future. The Booster Club will once again paint "paw prints" around town and these may be purchased for \$5 each. The painting will be done Sept. 18 and must be ordered and paid for by this date. The Club also decided to host tailgate parties again prior to home Friday night football games. More information about them will be reported later. Membership for the Bulldog Booster Club is \$5 per family and is open to anyone. Meetings are held at 8 p.m. Wednesdays at the High School Library. The Booster Club promotes all aspects of athletics for both high school and middle school. Wesley Boone is club president and other officers include Mitch Raindl, Charolette Wiseman, and JoElla Rash. Anyone wanting the paw prints or club membership information should contact one of the people listed.

LOTS OF CLOUDS, BUT NOT MUCH RAIN - Less than half an inch of rain was officially reported in Tahoka this week, as rain clouds drizzled over the area Monday and Tuesday, although some outlying areas received more. In town, .43" of rain was reported. (LYNN COUNTY NEWS PHOTO)

Anyone wishing to substitute in all grades must attend all sessions. If you have not served as a substitute teacher (or been employed as a teacher) in the Tahoka Schools previously you must bring drivers license and social security card.

### MRS. SHAWN STOTTS (nee JANA CHERRY) Cherry-Stotts Vows Exchanged In Hereford Ceremony

Jana Cherry and Shawn Stotts, both of Amarillo, were married Saturday, Aug. 14, 1993 at 6 p.m. in Avenue Baptist Church in Hereford. Randall Stotts, brother of the groom, of First Baptist Church in Blue Springs, MO, officiated the double ring ceremony.

The bride is the daughter of Thelma Cherry and the late Herman Cherry of Hereford. Parents of the groom are Raymon and Doris Stotts of Tahoka.

Two 16 branch brass arched candelabras with two 16 branch spiral candelabras were on each side of the altar. Two large brass bucket holders filled with lemon leaf, leather leaf, tree fern and baby's breath also adorned the altar. The unity candle was placed in the center of the altar with fresh greenery and baby's breath placed on each candelabra. The pews were marked with tree fern, star gazer lilies, baby's breath and ivory bows.

The bride was escorted by her uncle, Don Cherry, of Oklahoma City, OK. She wore a designer gown of candlelight shantung silk featuring a portrait collar neckline and bishop sleeves. The bodice was encrusted with pearls and jewels and crowned with crystalized hand beaded designs. The chapel length train was accented with European lace. The bridal illusion veil with pencil edging formed a ruffled pouf at the back of a crown embellished with seed pearls and ivory satin accents. Something old was a white Bible carried with the bride's bouquet, belonging to her mother and carried on her wedding day. Something new was her dress, something borrowed was a single strand of pearls given to Debbie Tardy by her husband, Don, which she wore at her wedding, and something blue was the bride's garter.

Julie Cherry of Amarillo served her sister as maid of honor. Bridesmaids included Tiffne Taylor of Arlington, Martha Robbins of Lubbock, and D'Ann Watson of Lake Jackson. They wore two-piece teal green suits made of bengaline. They featured short sleeves and were double breasted with ivory lace collars and a peplum at the waist. The straight floor length skirts completed the ensemble.

They carried arm bouquets of star gazer lilies, tree fern and baby's breath.

Raymon Stotts, father of the groom, served as best man. Groomsman included Vince Caswell of Lake Jackson, Matt Smith of Wylie, and Don Carl Tardy, of Arlington. Groomsman also served as ushers.

The mother of the groom was escorted by the groom and the mother of the bride was escorted by Don Carl Tardy, Jr. After being escorted to the altar the mothers lit the candles on either side of the unity candle.

Gary and Julie Solomon of Canyon sang the "Lord's Prayer," "Somewhere In This World," "Wedding Song," and Jerry Cazares of Lubbock sang "Have I Told You Lately, That I Love You." Gary Solomon played piano and Cynthia Streun of Hereford played organ.

Following the ceremony a reception was held in the church. The bride's cake was a three-tiered "Lady Windmere" white cake featuring shells, scrolls, garlands with the top layer on Grecian pillows. Fresh flowers were also placed on the cake with cascading star gazer lilies. Serving at the bride's table were Rachel Valdez of San Antonio and Jana Greene of Canyon. Jamie Randall of Amarillo served punch.

The groom's cake was chocolate fudge adorned with two intertwining hearts, large chocolate and ivory roses and leaves. Ashley Stotts of Blue Springs, MO and Mandi Bentley of Amarillo served at the groom's table.

Roxanne Halenack of Galveston registered guests.

After a cruise to the Bahamas the couple will reside in Amarillo.

The groom is a graduate of Texas Tech University and is employed by Northwest Texas Healthcare Systems in Amarillo.

The bride attended West Texas State University and is a graduate of University of Texas Health Sciences Center in San Angelo. She is also employed by Northwest Texas Healthcare Systems in Amarillo.

\*\*\* A rehearsal dinner was given by the groom's parents at the Cowgirl Hall of Fame and was catered by Lois Lemons and Mary Herring.

A personal shower was given for the bride on her wedding day by Charla Edwards, Delores Webster and the bride's sister, Julie Cherry, in the home of Charla Edwards.

### Drivers Urged To Use Caution Labor Day Weekend

Labor Day Weekend is a sure sign of things to come. Among them is the fact that another summer is about over. It also represents the last three-day weekend before cooler weather sets in for many Texans, which has both local and state public safety officials concerned.

Texas drivers should do their part in making this a safe holiday by remaining alert, adjusting speed to match the existing road conditions, avoid the use of alcohol and to use a safety belt, no matter how short the trip.

### Tahoka Varsity Volleyball Teams Begin Action

by THS GROWL STAFF  
Tahoka High School Lady Bulldog volleyball teams greeted Greenwood to play matches at the freshman, junior varsity, and varsity level, Tuesday, Aug. 31.

Varsity Lady Bulldogs faced off with five different schools in action at the Denver City tournament Aug. 27-28.

Denver City defeated the Lady Bulldogs in their first match, 3-15, 2-15. In Tahoka's second match, they were defeated by tournament champions, Andrews High School, 6-15 and 0-15.

Class 4-A Levelland bested the Lady Bulldogs 9-15, 11-15 in their third match. Levelland went on to place second in the tournament.

The Bulldogs fell to Dell City in their fourth match, 3-15 and 6-15, but romped over Estacado in their final match, 15-8 and 15-7.

"The more games we played, the more we began to work together," said senior Lady Bulldog Ginger Malone.

"The Denver City tournament was certainly an experience for us," said Coach Nancy Kirkland. "We played really well at times; then at times we couldn't keep our intensity together."

The Lady Bulldog teams opened their season by travelling to Midland Christian, Tuesday, Aug. 24, losing 8-15, 9-15.

"Varsity ladies are far ahead from where we were this time last year," said Coach Kirkland.

The team is led by seniors Ginger Malone, Miranda Martin, Jennifer Patterson, Kelly Wells, and Adrian Williams.

Juniors playing on varsity are Katy Huffaker, Lynna Rash, Jill Jaquess, Dolores Luna, and Jamie Riojas.

Sophomore Kerri Bryan is the manager for both varsity and JV volleyball teams.

### JV

Twelve sophomores joined to soundly defeat the junior varsity of Midland Christian in their opening match, Aug. 24.

Tahoka JV went down 9-15 the first game but regrouped and came back to take the match in the last two games, 15-11, 15-12. Eva Morin served 15 points in the match and Carmella Placencia served 10 points.

In addition to Eva and Carmella, the JV team consists of sophomores Amy Draper, Alyssa Gryder, Sally Lara, Laura Liendo, Heather Metcalf, Blanda Miller, Charlotte Thomas, Shelley Tipton, J'Lyn Williams and Shae Wright.

### Freshmen

Freshman players who began their season Aug. 24 against Greenwood

are Kristi Chapa, Sherry Davis, Rosalinda DeLaCruz, Lisa DeLeon, Rebecca DeLeon, Stephanie Gregory, Misty Nance, Michelle Quisenberry, Kristie Riojas, Elizabeth Solorzano, Bonnie Stennett, Georgia Williams, and Dawn Quisenberry.

### Middle School

Seventh and eighth grade volleyball teams began their season with matches against Midland Christian, Mon., Aug. 23, and Lubbock Christian, Mon. Aug. 30.

Junior high volleyball teams will be practicing to face Midland Christian again Sept. 20. They will then play in the Brownfield tournament, Sept. 25.

Eighth graders lost their first match to Lubbock Christian with games of 7-15, 2-15, 11-15.

They also fell in the match to Lubbock Christian 10-15, 8-15, 9-15.

Eighth grade players are Ashley Abell, Carolina Benavidez, April Braddock, Jennifer Dotson, Betty Dunlap, Nichole Garcia, Abbie Gill, Lacey Logsdon, Shelia Martin, Brianna Rangel, Amanda Rodriguez, Amy Sanchez, Amy Stroope, Margie Valdez, Amber Wright, Krystin Kellin, and Dede Yanes.

Seventh grade Lady Bulldogs lost their first match 1-15, 6-15, 8-15 to Midland Christian Junior High School.

The youngest female Bulldogs won their first game of their second match 15-7 when they played Lubbock Christian in Tahoka. They lost 8-15, 11-15 in the other two games.

New physical education teacher, Mrs. Karen Green, is helping head volleyball coach Nancy Kirkland in coaching the junior high teams. All team members saw action on the court.

Seventh grader players are Andra Aleman, Leticia Antu, Melanie Bernal, Mandy Bertroux, Krystle Calvillo, Olivia Cantu, Rebekah Curry, Tancy DeLeon, Victoria DeLeon, Melissa Engle, Amanda Fuentes, Amy Garcia, Debbie Garcia, J. Tomoe Garcia, Natasha Garza, Amanda Griggs, Tamesha Harris, LaTara Hood, Rebecca Hudgens, Audra Kirkland, Kalie Krey, Tasha Mensch, Lindsey Miller, Martha Rosendez, Rosa Rosendez, Lori Rodriguez, Rosemary Saldana, Cynthia Solorzano, Courtney Stennett, Brooke Tekell, and Robin Wright.

**SPS Updates City Officials On Texas Rate Review; Remains Open To Settlement**

Southwestern Public Service Company said it continues visits with city officials throughout its Texas service area to update them on a rate hearing scheduled to begin Aug. 31 in Austin.

"To date we have not been able to reach an agreement relative to our future retail rates," said SPS President Coyt Webb. "But we feel there is a lot of support to get this divisive and expensive process behind us. SPS remains open to settling this case."

"Even though some parties have claimed that SPS is over-earning,"

Webb said, "SPS, just like most of the people in the area we serve, has had declining earnings. Last year our earnings were at a five-year low, and we won't do much better this year. Also, we think we have contributed to the well-being of our customers during these tough economic times by continuing to lower our rates and by actively pursuing new markets and operating efficiencies."

SPS filed additional testimony in the rate review this week and overall has prepared more than 20,000 pages of information and data. The rate

**Post Seminar To Focus On Memory Disorders**

Memory disorders in the elderly and how to deal with them will be the focal point of a three-hour community seminar in Post, Sept. 14.

Sponsored by the South Plains Association of Governments and staged by The Lubbock Alzheimer's Family Care Center, the free seminar will be from 8-11 a.m. at the Senior Citizen Center at 103 S. Ave. L in Post.

Although there is no charge for attending the seminar, organizers ask that community leaders and laypersons wishing to attend make reservations by calling 806-792-4819.

The seminar will answer a range of questions about memory disorders ranging from recognizing the disorders to finding help to deal with them, from how to help the victims improve their lives to coping with the personal, family and community stresses associated with delivering the help.

Sharon B. Cannon, Ed. D., and Jim Palan, M. Div., both members of the Board of Directors of the non-profit Lubbock Alzheimer's Family Care Center, will lead the seminar.

Cannon received her Master of Science in nursing and doctorate in education degrees from South Illinois University - Edwardsville and has taught communication and stress management to professionals and the general public in hospitals, nursing homes and schools of nursing in Kansas, Missouri, Illinois, Arkansas, West Virginia, Alabama and Texas. She is a Board Member of Garnet and Associates and has developed and initiated employee, volunteer and client programs for the Lubbock Care Center.

In addition to the seminar in Post, sessions are scheduled during September in Crosbyton, Littlefield, Plainview, Brownfield, Levelland and Lubbock.

For more information and to register to attend, call 806-792-4819.

The review was initiated by the Public Utility Commission of Texas in October 1992.

"The company has provided answers to more than 2,100 questions submitted by regulators and interveners," Webb said, "so we are not guessing at costs. SPS has examined every dollar. Based on this most recent cost-of-service study, if all of SPS's true costs to provide electric service were fully recognized, its average retail rate would increase by about 1%. But we did not initiate a filing to increase rates."

"We have acknowledged that some reduction in electric rates may result as a reflection of today's lower interest rates," Webb said. "But we disagree with the level proposed by other parties. First, the return on equity proposed is much less than what has been recommended for other utilities with much higher rates. And second, we believe it just makes good sense to reward outstanding performance, rather than impose a penalty. SPS's electric rates already are the lowest among all investor-owned utilities in the state."

In addition, the remaining amount of the recommended reduction is based on expense disallowances which SPS believes are not justified. One proposal is to disallow \$3 million of SPS's marketing program, such as the promotion of energy efficient heat pumps and presentations by home economics representatives, who demonstrate electric safety and other topics to adults and school children throughout the service area.

"Our efforts to market are directed to providing customers with energy choices and to efficiently utilize our existing generating equipment," Webb said. "These efficiencies help make our unit cost less expensive for all users."

The level of rate decreases being recommended by some participants in this case is completely unjustified, Webb said.

"Our company wants to remain active in the development and well-being of the communities we serve," he said. "But this will be very difficult to do if some are successful in driving SPS revenues down to the unreasonable levels they propose."

"Hopefully, we can sit down and develop a resolution of this case that can be acceptable to all parties, as we have for the past 15 years," Webb said. "The alternative is a fully litigated rate case lasting for months, together with all the adversity that develops from such a process."

## State Establishes Emergency Fire Fund To Aid Volunteer Fire Departments

During its recent session, the Texas Legislature enacted the Texas Fire Mobilization Act. This legislation established a statewide fire contingency account to provide funds to help volunteer fire departments meet expenses associated with cooperative wildland firefighting operations across Texas. No funds were appropriated for the account. The Act directs that funding should come from gifts and grants.

Elizabeth Chadwell, an absentee landowner living in California, accepted the challenge and has made the first donation to the fund. Her \$190 donation will hopefully encourage others to join in toward financing cooperative firefighting efforts now in progress across the Texas landscape.

Extreme fire danger exists across much of Central Texas. Hundreds of personnel, including firefighters from municipal and volunteer fire departments and state agencies, have already spent countless hours on the fire line protecting homes and other rural property. With little or no relief from drought conditions expected in the Central Texas area in the near future, extensive firefighting resources will likely remain committed to wildfire control efforts for some time.

"It is estimated that annually the volunteer firefighters of Texas contribute over \$31 million of their time - if they were just paid minimum wage," stated Bruce Miles, Texas Forest Service director. "It is incumbent upon the rest of us to support

their operating expenses, especially when they leave their communities to help others on large fires," pleaded Miles. He asked that corporations, ranchers and other individuals show their support for these volunteers and the protection of Texas' natural resources with contributions to the Texas Fire Mobilization Fund. Funds from the account may only be used for wildfire control operations.

Contributions to the firefighting contingency fund should be made payable to the Texas Fire Mobilization Fund, c/o Texas Forest Service, College Station, Texas 77843-2136.

## State Takes Drought Precautions

Good neighbors are hard to come by and the Texas Department of Transportation wants to be among the best. That's why it's taking every legal precaution to protect the roadside and adjoining property from wildfires. Area drought conditions make wildfires more likely.

"Safety has always been our number-one responsibility," said Gary Trietsch, director of Maintenance and Operations Division for the department. "If called on to help, our crews are equipped and ready to protect people and property."

TxDOT crews already are mowing in strips to reduce tall vegetation that could become fuel for wildfires.

**DECA STUDENT PROVIDES NEW SERVICE-** David Littrell, right, a Tahoka High School senior, began operating David's Car Wash and Detailing this week at D&H Tire. Todd Henry, left, owner of D&H Tire, is working with David through the DECA program at Tahoka High School.

## DECA Entrepreneurs Start Tahoka Businesses

Eight Tahoka High School DECA students are experiencing the Free Enterprise System by planning, organizing, and starting their own businesses in Tahoka. These students have been unable to find employment within the existing Tahoka businesses; therefore, they have taken the advice of several businesspersons to "make their jobs happen."

David Littrell began David's Car Wash and Detailing this week. His business will operate from D&H Tire with Todd Henry sharing his automotive expertise with David. Carl Reynolds, officer of First National Bank of Tahoka and chairman of the Free Enterprise Committee of the Tahoka Rotary Club, will serve as David's business advisor.

David will provide pickup and

delivery service and will guarantee satisfaction to his customers. David is eager to provide a valuable service to the community as well as earn money as an entrepreneur.

Other possible DECA student businesses include childcare for elementary students (from 3-6 p.m. weekdays), nightly and weekend child care, tree trimming, yard work, personalized greeting cards, window cleaning, garage cleaning, garage sales, and housecleaning. If you have input regarding this program, please call the DECA coordinator, Glo Hays, at 998-4741. Since all entrepreneurs will work closely with a Tahoka businessperson, this program offers unlimited possibilities for students, businesses, businesspersons, and Tahoka.

## LVNAT To Meet September 13

Licensed Vocational Nurses Association of Texas, Lubbock Division 18 will meet Sept. 13 from 6-9 p.m. in the Arnet Room of St. Mary of the Plains Hospital. Everyone is encouraged to pre-register or be present by 5:30 p.m. to register for this workshop.

Marsha Long, R.N. of OSHA will present a workshop on "Airborne Blood Pathogens." She has presented

a program before but this is an extended session and much more information will be presented.

Three classroom hours of Continuing Education units will be earned by those attending. A charge of \$15 will be made for non-members and a \$5 charge of members of LVNAT.

All nurses are encouraged to attend the meetings of Division 18.

## Interest Rate Falls On FLBA Loans

Federal Land Bank Associations (FLBAs) in Alabama, Louisiana, Mississippi and Texas announced their sixth interest rate reduction on variable rate loans in 18 months, this one bringing the rate to 7.5%.

FLBA's variable rate has fallen nearly 1.5% since February 1992, and is the lowest rate in nearly 15 years, according to Farm Credit Bank of Texas Chief Executive Officer Arnold R. Henson.

FLBAs are agricultural lending cooperatives, owned by their member-borrowers, which provide long-term financing for rural land, homes and improvements. Of the 42,000 members who do business with the 48 FLBAs in the four states, approximately 30,000 currently have variable rate loans and will benefit from this latest rate reduction. The new rate also applies to new loans.

"The rate reduction is possible because of further reduction in the bank's cost of funds, and the ongoing commitment of local FLBAs to use their collective financial resources for the benefit of stockholders," said Henson. "Our goal is to continue to adjust this rate in accordance with changes in the financial market and current cost of funds."

The new interest rate is effective Sept. 1.

**Your HEALTH TIP**

Vitamin Reduces Spina Bifida

A new study suggests that most over-the-counter multivitamin tablets contain enough folic acid to significantly reduce a major type of birth defect. These findings suggest that daily periconceptual (a few weeks before and after conception) intake of 4 milligrams of folic acid reduces the risk of neural tube defects by approximately 60%. If you are thinking of starting a family, check with your doctor... and take your vitamins.

# The Wilson News

by Buster Abbe • 628-6368

The Wilson Class of 1953 held their 40th reunion this past Saturday in the Wilson Mercantile. There were 47 people in attendance with 15 classmembers and spouses, and six teachers and spouses. The teachers included former Coach A.J. Sales and his wife, former homemaking teacher, June, who now reside in Hurst. Other former teachers included Jo Fuller of Lubbock, Pearl Davidson of Wilson, Ty Blankenship of Wilson and Dick Cade of the Slaton area.

After a noon luncheon the group toured the school, then attended a catered dinner at the Mercantile where Grovanda (Coleman) Tweeton, of Durango, CO, was recognized as the person coming the greatest distance. This class has met every five years since graduation and intend to meet in a few years to begin planning their 45th anniversary in 1998.

The Wilson Booster Club meets every Tuesday night in the school cafeteria at 7:30 p.m. This club supports all UIL related groups on campus including band, athletics, and UIL literary events. All interested persons may join for \$5 a member or \$10 a family per year. Club president, Sheri Gickhorn, encourages any interested person to attend a meeting and join in supporting the Wilson students.

The Booster Club is going to hold a concession stand cleanup on Sunday, Sept. 12 beginning at 2 p.m. The stand is in need of cleaning as well as minor repairs. Volunteers are also needed for home football games. Contact Charles Earwood if you would like to volunteer to help in the concession stand. Volunteers to run the chain during the home games are also needed and interested persons should contact Lowen Young.

The Wilson Mustangs scrimmaged against Loop last Friday night. Following the scrimmage the annual "Meet the Mustangs" was held. The coaches, players, and band members were introduced to those in attendance. The Mustangs will travel to Wellman Friday, Sept. 3.

The school calendar is full again and upcoming events are listed below:

- Friday - Sept. 3 Varsity football at Wellman;
- Monday - Sept. 6 Labor Day, School Holiday for all students;
- Tuesday - Sept. 7 Band practice 6:30-8:30 p.m.; Booster Club in cafeteria at 7:30 p.m.; 4-H at 7:30;
- Thursday - Sept. 9 Jr. High Football at Wilson against Whitharral 5 p.m.;
- Friday - Sept. 10 Varsity football at Whitharral.

School pictures will be taken Sept. 14 with makeups and retakes on Nov. 2. There will be a take home notice and packet before the picture day.

The city of Wilson is involved in several repair projects involving the roofs of the Fire Station and the City Hall, Mercantile. The City Council is also reviewing information on the water tower and some necessary repairs to that facility. The council will meet Sept. 13 at the Mercantile at the posted time.

The Wilson Lions Club hosted its Annual Broom Sale last Friday. Profits from this are used in various Lions Club charity projects in Wilson and in the district. The Lions would like to thank all who participated in their sale.

The PEOPLE group is still working on several projects with two, the walking track and the restoration of the packing plant, taking center stage at this time. The group has received a bid to put asphalt on the track for approximately \$3,000. The group is taking donations for this fund and anyone wishing to contribute is asked to contact Sharon Isham at the Wilson State Bank. Some funds have already been donated. The museum restoration committee is looking for any information, verbal or in picture form, that would help the group by showing the way the plant looked in the 60's. Persons with this information are asked to contact Helen Stephenson at 628-6313.

The PEOPLE group are again sponsoring the Fall Festival. People interested in having a booth need to contact Lynda or Bob Williams or Onita Steinhauser.

St. John Lutheran Church will be hosting the Women of the Evangelical Lutheran Church of America (WELCA) Panhandle Conference meeting on Saturday, Sept. 11. The Panhandle conference extends from the top of the Panhandle to just below the Wilson area and includes some 13 congregations. The women of St. John are to be congratulated on their

### New From BETTER BUSINESS BUREAU

If you are buying an advertised product that is not brand new, are you familiar enough with terms such as "used", "re-conditioned" or "As is" to know what you are getting? The BBB and its members have a long-established Code of Advertising which they believe retailers should follow to avoid misleading consumers, whether they are buying new products, a second-hand computer, irregular towels, or a rebuilt car engine. According to the Code, any product that previously was used should be clearly and conspicuously described as such, or in similar terms - for example, "secondhand", "pre-owned" or "repossessed." In addition, "rebuilt" only should be used to describe a product that has been completely disassembled, re-constructed, repaired and refinished, including the replacement of parts. All consumers are interested in getting the most value for their money, and understanding these terms may help ensure that a "great bargain" is really a good deal.

A Personal Emergency Response System (PERS) is an electronic device designed to let you summon help in an emergency. If you are a disabled or an older person living alone, you may be thinking about buying a PERS for yourself. Here are some tips to consider: check out several systems before buying; can you use the system with other response centers?; ask about the pricing, features and servicing of your system and compare costs; make sure the system is easy for you to use; test it to make sure it works from every point in and around your home; and finally, read and understand your purchase, rental or lease agreement carefully before signing. Some other things to consider are whether or not the monitoring center is available 24 hours, average response time, training of the staff, and procedures the center uses to test the system. Call our office at 763-0459 and check the companies out.

## Public Notice

Southwestern Bell Telephone Company (SWBT) is asking the Public Utility Commission of Texas (PUC) for approval to offer Caller ID service in Texas. This service includes Calling Number Delivery, Calling Name Delivery and Anonymous Call Rejection (ACR). This service will be deployed statewide on a staggered, city-by-city basis, over a period of years in Texas in association with residence, business single and multiline services, but not PBX, Centrex or Plexar services, where facilities are available. Caller ID is an optional service which allows a subscriber to see date, time, and the phone number (Calling Number Delivery) and/or name associated with the number (Calling Name Delivery) of most direct dialed local calls and some select long distance calls before the telephone is answered. Anonymous Call Rejection is a Caller ID service which permits a subscriber to automatically reject calls from callers who have blocked their number/name. Per-call and per-line blocking will be available when the service is deployed. Detailed information on Caller ID service and how to block will be sent to each customer in their telephone bill during the next few weeks.

Persons who wish to intervene or otherwise participate in this proceeding should notify the PUC before October 6, 1993. Other parties may seek to also obtain Caller ID service in association with PBX, Centrex and Plexar service. A request to intervene, participate or receive further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the PUC Public Information Office at (512) 458-0256 or (512) 458-0221, teletypewriter for the deaf. For information regarding Caller ID service, residence customers should call 1-800-464-7928, and business customers should call 1-800-499-7928.

## First Recruit School In Three Years Offered At DPS

The Texas Department of Public Safety is accepting applications through September 30, 1993 for its January 1994 recruit school - the first opportunity in three years for men and women who want a law enforcement career to join the agency.

Following 22 weeks of intensive training, successful applicants will be commissioned as state troopers for the Texas Department of Public Safety, charged with enforcing traffic laws on rural Texas highways. Troopers investigate accidents, recover stolen vehicles and other property, seize illegal drugs, apprehend wanted persons and perform a variety of other law enforcement duties.

The Department of Public Safety will consider applicants who are at least 20 years of age and have either 60 hours of college credits or prior military or law enforcement experience. U.S. Citizenship, a Texas Driver's license and a willingness to

accept assignment anywhere in the state are also required. An applicant must successfully complete a written examination, a physical exam, an agility test, oral interviews and a thorough background investigation before being accepted.

The DPS offers state benefits, and a starting salary for trooper-cadets (while in training) of \$1,720.78 per month. Following graduation, troopers will be paid \$1,982.82 per month, with a raise every six months for the first year. Commissioned officers also receive hazardous duty pay and monthly allowances for meals, uniform cleaning and footwear. Uniforms and equipment are furnished by the Department.

For details on this career opportunity, contact the nearest DPS office.
