## Another Cotton Stripper Rams 87 Overpass

For the second time in recent weeks, a cotton stripper was too tall for the U.S. 87 overpass at U.S. 380 and the stripper was virtually demolished. Edward Jessie Valdez, 30, of Canyon was driving the John Deere 4440 tractor pulling the stripper when it smashed into the top of the overpass last Thursday, Sept. 30.

Damage to the overpass was estimated at \$200; no estimate of damage to the stripper was made, but damage to the first stripper which struck the overpass a few weeks ago was about \$15,000.

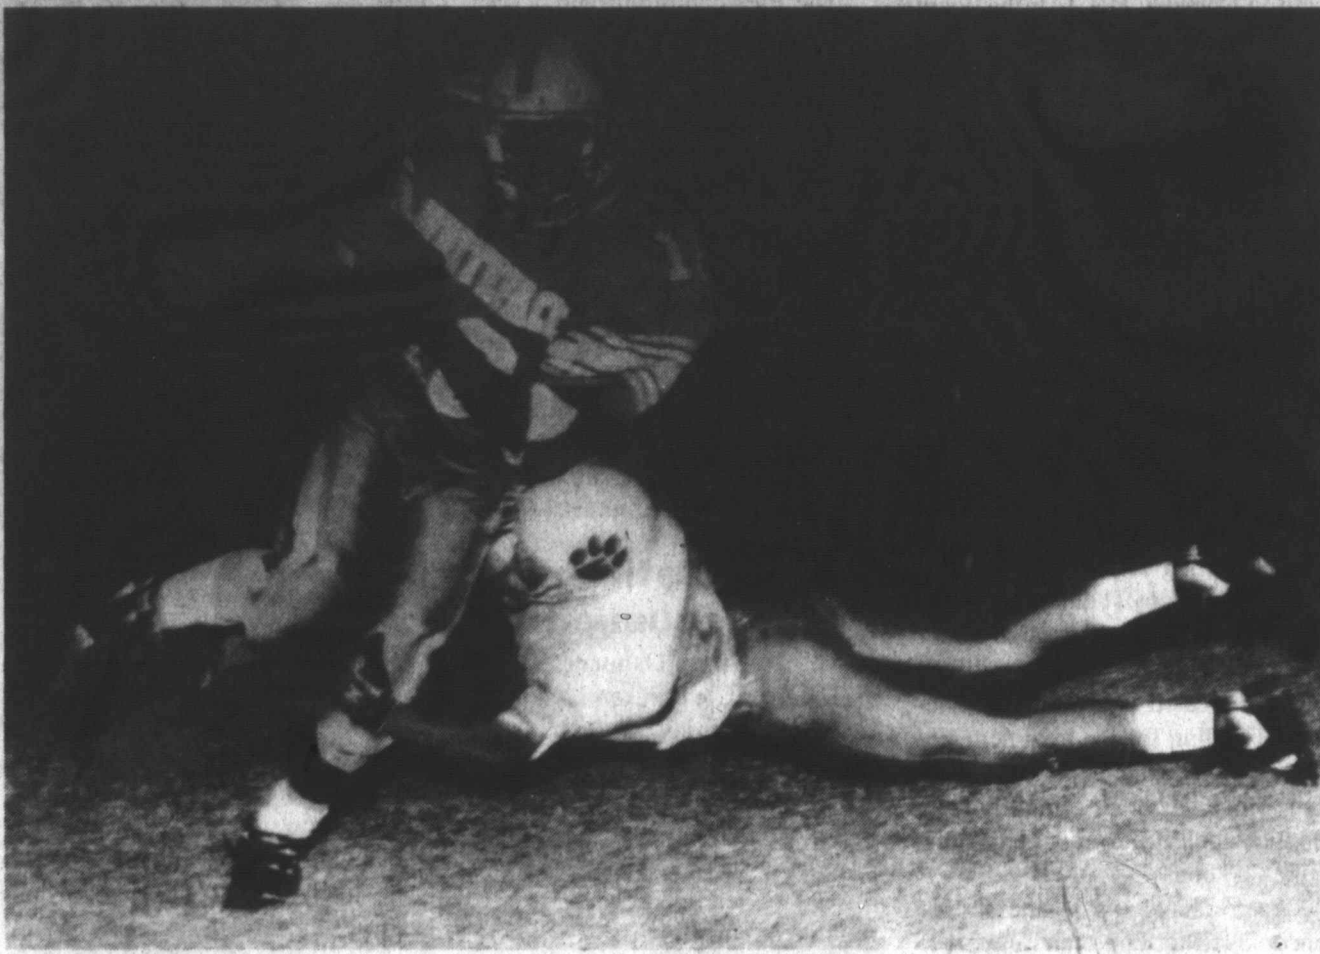

A one-vehicle accident at FM 211 and U.S. 87 sent a passenger, Jimmy Ramos, to Lynn County Hospital for treatment Monday night. The vehicle, driven by James Munoz, 20, of Colorado City, overturned into a cotton field, according to the Dept. of Public Safety officer who investigated.

In jail during the last week were seven persons, on the following charges: application to revoke probation on DWI 3rd offense charges, driving while license suspended, revocation of probation on charges of burglary of a habitation, DWI second offense plus no liability insurance, DWI plus no drivers license plus failure to report an accident, public intoxication and assault.

COTTON HARVEST UNDERWAY—Cotton gins in Lynn County are starting to process this year's crop, and local agriculture observers say early indications are that the crop will be better than average. County Agent Wade Shackelford said some cotton which appeared to have been burned up for lack of rain now seems to be doing better than anticipated. The cotton shown here is at one of Tahoka's gins. ## Tahoka Still Looking For First Real Win

By DALTON WOOD

The Tahoka Bulldogs continued to play pretty well, especially on defense, but couldn't get enough good things to happen to beat Whiteface last week, going down 20-0, thanks mainly to two long touchdown bombs by the Antelopes, who were playing before a homecoming crowd.

Tahoka did win a game last week, though, bringing their season record to 1-4, as Coahoma notified Tahoka that they had used an ineligible player against Tahoka and therefore forfeited the game, which now goes into the record book as a 1-0 victory instead of a 55-2 loss.

Whiteface scored first when QB Cedric Chambers threw a long pass to Brandon Trull for 60 yards, and Oran Peden kicked the extra point. This score at 4:46 left in the first period was one of only two passes completed by the Antelopes in the game. The second one was almost an instant replay, when Chambers hit Roger Chavez for 53 yards in the third quarter.

Tahoka threatened to score several times, and made some good defensive stands, but for the most part, the Bulldogs couldn't generate much offense, having just six first downs in the game. Twice in the game Tahoka attempted to make a first down on fourth and long, failing both times. Once was an incomplete pass on 4th and 7 at the Whiteface 42 and once a

running try gained 6, but was fourth and 12 at Tahoka's own 43 in the third quarter. Tahoka was down 13-0 at halftime and 20-0 at the end of three.

Tahoka's Jesse Perez blocked a field goal attempt, and Jason McMillan blocked a punt. In the fourth period End Martin Gill caught a 13-yard pass to the Antelopes 1, but a penalty rubbed out the play.

Tahoka running backs gained a total of 90 yards rushing, with Edward Ramirez getting 54 yards on 14 carries. But losses from sacks of the quarterback brought the net rushing yardage down to 57 for the game. QB Wes Solomon did hit on 7 of 20 passes for a total of 76 yards.

For Tahoka on defense, Cody Hale played an excellent game, getting in on at least 12 tackles. John Quintanilla, Perez and McMillan also did good work on defense, and Juan Luna intercepted two Whiteface passes. Tahoka's longest gain of the game was a 27-yard pass caught by Greg Smith after the ball was first knocked up into the air by a defender.

## SPS Electric Utility Rates To Decrease 2.9 Percent

by Susan Osborne

Doyle Webb from Southwestern Public Service Company presented a proposal Monday night to the Tahoka City Council for a 2.9% decrease in electric utilities for Tahoka and the surrounding area. The decrease, mandated by the Public Utility Commission of Texas, goes into effect Oct. 15. "Those with about a 1000 kilowatt bill will see a decrease of approximately \$1.15 per month," said Webb, who is manager of the Tahoka SPS office.

In other action Monday night, city officials discussed agenda items including a volleyball court, possible gang activity, and other city matters.

Chris Trevino represented Tahoka High School's DECA club and their proposal for a sand-pit volleyball court in Tahoka's Mini-Park. Councilman Huffaker motioned to appoint a committee to review and approve the plans. The council voted 3-1 for the construction of the court and

Mayor Jim Solomon appointed himself, Wayne Tekell, Joe Calvillo and Barry Pittman to serve as an ad-hoc committee for the construction of the court.

Vivian McAfee from the First Baptist Young Women's Association discussed possible gang activity in Tahoka and offered service on behalf of the organization to curtail any such happenings. Currently no gang-related activities have been reported.

Other agenda discussed included the pursuit of a flow chart recorder for the sewer plant, which was approved as well as the adoption of Resolution 10-93 for Tahoka, which involves the impact of federal mandates on city finances.

Police Chief Jerry Webster gave the Tahoka Police Department's list of activities for the month of September which involved 280 calls, four arrests, 23 tickets, three accidents, and three thefts, one of which was cleared.

## Woodwork...

by Dalton

A LOT HAS BEEN SAID lately about the difference in what interests children these days as compared to "the olden days", especially since there have been so many instances of children shooting children in schools, and kids carrying real knives and guns to school. Much of the trend toward violence by very young students, like age 9 through 15, has been blamed on television. And I don't doubt that TV is to blame for much of this problem.

Anyway, I was reminded of my own early years (11-15) when the boys I ran around with still played with rubber guns. We used to choose up sides and shoot each other with some pretty stout rubber missiles cut out of inner tubes and stretched out on handmade pistols and "machine guns."

The rules were pretty simple. If you got hit, you were dead, and your side just lost one of its soldiers. The pistols with their clothes pins at the handle, and the rifles with their notches and a string to release the bands in rapid-fire, were made by us. Maybe we wouldn't have thought them so great if someone else had sawed them out for us.

Anyway, a year or so ago, I thought I would do my grandchildren a big favor by making them a couple of rubber guns apiece. Then, I reasoned, they could have fun shooting at each other around corners and out of trees, and from bicycles, just like we used to do as kids. I made them, and gave them to these children, then age 7 and 10, and they weren't even interested. The older child said it hurt when he got shot with one of them. They never used the things.

Well, of course it hurt; it's supposed to hurt a little bit. Anyway, they'd rather watch TV than play like that.

At least they don't carry real guns to school.

**KNOTHOLES** in the Woodwork: A headline in the Lubbock newspaper Tuesday read "Suicide Driver Rams Israeli Bus, Injures 30." I'll bet the Palestinians recruited the driver from one of Lubbock's major streets. . . There's nothing quite as depressing as going to the post office on Monday and finding property tax notices in your box, especially with taxes higher than last year and income lower than last year. I asked our tax appraiser if she has been arrested yet for sending obscene material through the mail.

## Tahoka Bulldog Send Off To Ralls Set Friday At 4 p.m.

Please come to the street in back of the west stadium after the pep rally Friday, about 3:45 p.m. to give the Bulldogs a hearty, supportive send-off to Ralls. The team and coaches will be leaving at 4 p.m. down that street and they will drive the bus through a large victory sign. The cheerleaders and band will be there to help us cheer, so come line the street, honk your car horns, yell loudly and let the Bulldogs know we support them and love them! **Beat Ralls!**

## TISD Board Sets \$1.15 Tax Rate

A tax rate of \$1.15 per \$100 valuation was set by the Tahoka Independent School District Board of Trustees last Wednesday night, representing about a 14-cent increase from the current \$1.01.761 tax rate.

All seven trustees were present at the meeting, and the vote was unanimously in favor of the tax rate. A public hearing was held the previous week at which no citizens attended.

Trustees will meet in regular session Thursday, Oct. 14, at 7:30 p.m. in the board room.

Every year the residents have had the opportunity to attend the South Plains Fair. On Thursday, Sept. 30, those attending the fair were: Willie Benitez, Rosa Riojas, Neva Maynard, Benito Aguirre, Cecil Kieth, and Juanita Chambers. They enjoyed the entertainment and all received a ribbon, a sack lunch, and ice cream.

After the trip to the fair the residents enjoyed lunch at Bryan's. Gracie, Nancy, and Josie were the staff members who took the residents.

The residents enjoyed playing bingo Monday morning. Monday afternoon church members volunteered their time for gospel singing. Many of the residents enjoyed singing with the singers.

We are happy to report that Hattie Beard is now out of the hospital and back at the center. In the hospital at this time is Carolina Benavides. We wish her a speedy recovery.

MR AND MR. & MRS. BRIAN LINDSEY (nee Tonya Sankey) Sankey - Lindsey Vows Exchanged

Wedding vows between Tonya Sankey, daughter of Valerie and James Brewster of Las Vegas, Nevada, and Brian Lindsey, son of LaJuana Ashcraft of Tahoka and Darryl Lindsey of Lubbock were repeated on Sept. 24, 1993 in Las Vegas in a six o'clock candlelight ceremony at the Little White Chapel on Las Vegas Boulevard.

Given in marriage by her grandfather, the bride wore a formal gown of taffeta and silk illusion embellished with hand-sewn brocade and seed pearls appliqued on the bodice and sleeves. Silk illusion and seed pearl clusters of miniature roses graced the bodice's V-back design which was accented at the waist by an obi bow and completed by a chapel length train. The bride's shoulder length bouffant veil of French tulle lace was highlighted by a headpiece of miniature brocade rose buds and seed pearls. A bouquet of white rose buds and baby's breath completed the bridal

ensemble.

Maid of Honor was Leona Hughes of Las Vegas and Best Man was Scott Lindsey, brother of the groom, of Lubbock. Special guests attending were Mr. and Mrs. James Scribner, the bride's grandparents from Davenport, WA; Mrs. Vera Rimmer Horton, of Plainview, and Mrs. Virginia Lindsey Carver of Floydada, the groom's grandmothers. Bert Rimmer, uncle of the groom of Plainview, and Shawn Scribner, uncle of the bride of Yuma, Arizona, were also among the special wedding guests.

The bride is a high school graduate of Spokane, WA, and attends the University of Nevada at Las Vegas. The groom is a 1987 graduate of Monterey High School, has completed his military service in the United States Air Force, and is continuing his law enforcement career in Las Vegas, where the couple will reside.

### HOW MUCH WATER SHOULD YOU DRINK?

All living cells of the body function in a fluid environment. This fluid is steadily lost through the gastrointestinal and urinary tracts. More is lost by perspiration and through the lungs. It must be replaced because the skin cannot absorb moisture from the air no matter how humid the day.

The body usually functions best if two quarts of liquids are taken in each day. One quart is considered the minimum. So estimate how much you get each day in coffee, etc., and drink additional water to help keep you healthier.

Rebecca Lisenby and Troy Fillingim, both seniors, were crowned 1993 Homecoming Queen and King during half-time. Other candidates for Queen were

Kara Askew, Emily Armijo, and Donna Perez. Shannon Zant, Brad Bell, and Greg Armes were the other candidates for King. Helping with the ceremonies were 1992 King and Queen, Blaine Fillingim and Kaury Turner. Also assisting were Alternates Farrah Huddleston and Julio Hiracheta. The Queen candidates arrived on the field in a horse drawn white visavis owned by Mr. and Mrs. John Edwards.

The Student Council would like to thank the classes and their sponsors for participating in the Homecoming Parade. Winners of the parade are: Kindergarten, 1st place; 1st grade, 2nd place, and 4th grade, 3rd place.

## The Wilson News

by Buster Abbe • 628-6368

The Wilson PTO will be sponsoring a spaghetti supper prior to the football game against Smyer on Oct. 15. The meal will be served in the cafeteria from 5-7 p.m. This will be an all you can eat for one price with adult plates costing \$3.50 and children 12 and under plates priced at \$2. Merri Wilke is looking for volunteers to help with this supper so if you can help her, contact her at 628-6322.

The regular meeting of the PTO will be held Tuesday, Oct. 12 at 7 p.m. in the high school auditorium. The officers will be meeting in the same place for a directors meeting at 6 p.m. on the same day. Remember the prizes for the kids, and the potted plant for a teacher.

The Wilson Booster Club meets weekly, on Tuesdays in the school cafeteria at 7:30 p.m. This group, which supports all of the junior high and high school groups involved in UIL activities, has been very busy with various activities and fund raising projects. The projects

from their fundraisers go to fund the annual UIL awards banquet held in the spring of each year, and they help in other ways such as donations of funds or equipment which would be unavailable to the students otherwise.

The Booster Club still has hats, seat cushions, and subscriptions to the "Six-Man" football magazine for sale. In addition, they have begun a new fundraiser, which involves a drawing for a CD, portable AM/FM, stereo cassette recorder, otherwise known as a boombox. Tickets for the drawing can be earned by a \$2 per ticket contribution (or six tickets for \$10) to the Booster Club. The drawing will be held on Oct. 30, at the end of the Fall Festival. The unit will be on display at the Wilson State Bank until the drawing.

The 1993 Homecoming was a rousing success. The Class of 1973 was recognized on their 20th anniversary. The Homecoming King and Queen was a brother and sister act, with senior Ronnie Rios elected King and his sister, junior

Michelle Rios, elected as Homecoming Queen. Michael Shipley won the drawing for the game football, and a good time was had by all at the after-game dance held in the gym.

The second grade float, "Mustang Pound," won first place in the Wilson Homecoming Parade, followed by the third grade float in second place, "Blow the Bulldogs Away." Third place float was the Jump Rope Club. Also participating in the parade was the KLLL Boom Box van, driven by KLLL personality Shelley Evans.

Homecoming always seems to draw the best from people. There were so many volunteers helping with all areas and events. If I started to mention names, I would probably omit more that I included so a blanket "Thanks for a job well done" to those who helped with the parade and pep-rally and bonfire, and to all others who sold tickets for the game ball, prepared and served the Lions Club BBQ, handed out programs and took the money at the gate, chaperoned the dance and worked in the press box. A special thanks to the Wilson Volunteer Fire Department for being on hand for the bonfire even if everything did go off without a hitch and for staying until the fire was out early on Friday morning. The bonfire pile was built on Wednesday and guarded until fire time on Thursday so that it wouldn't "accidentally" catch on fire early. With it began the end of the first six week and tests, a lot of gathering and hauling was done by parents and other interested volunteers. It was hard work and a lot of volunteer effort went into making Homecoming a success.

On the calendar:  
Thursday, Oct. 7 (today) Lions Club in the cafeteria at 8 p.m., Jr. Hi football vs Southland at Wilson.  
Friday, Oct. 8 Varsity football vs. Southland there.  
Saturday, Oct. 9 Denver City Band Contest.  
Sunday, Oct. 10 4-H 2 p.m. in the Homemaking building.  
Monday, Oct. 11 Student holiday, staff inservice day; City Council regular meeting.  
Tuesday, Oct. 12 Band practice 6:30 p.m.-8:30 p.m.; Booster Club in cafeteria 7:30 p.m.  
Thursday, Oct. 14 Jr. High football vs. Smyer at Smyer; School Board regular meeting

Mr. Williams would like to express his appreciation and thanks to those involved with all the Homecoming activities, especially the students, teachers, and adult chaperones, who helped with the Homecoming dance. He said, "The students are to be commended for their good behavior, and due to this, requests for another dance or dances will be considered in a positive light."

tions of blood. The Wilson drives have begun to pick up some so be sure to put this on your calendar and come out and give the gift of life.

The barn dance and dinner at Luther Foerster's Barn is this Friday night, Oct. 8. The funds raised will go to benefit the Lutheran Social Service-Neighborhood House in Lubbock. You do not have to be a Lutheran to attend - the event is open to anyone who would like to attend and help this social ministry.

The Wilson Chamber of Commerce will meet Saturday, Oct. 9 at the Mercantile at 9 a.m. They will be discussing things such as the walking track, the museum restoration of the meat locker,

the welcome packets which will be distributed to Wilson newcomers, and the Fall Festival.

Plans for the Festival are well under way. It will be held Oct. 30 from 5-9 p.m. Anyone wishing to have a booth needs to contact Lynda Williams at 628-6307 or Onita Steinhauer at 628-6270. There is no cost for booth rental, however, it will be on a first come basis and there will be no duplications of booths except crafts and food booths.

## Letter To The Editor

Dear Editor,

Mr. Charles Isham's letter to the  
Lynn County News (Sept. 30, 1993)  
has the distinct aroma of a Monday  
morning quarterback.

Here we have a Lone Ranger, sans  
Tonto, riding into town 37 years later  
with the solution to everyone's prob-  
lem.

I would not be surprised if the City  
Council convened an emergency ses-  
sion to designate a 'Charles Isham  
Day' complete with parade, flags  
waving, crowds cheering with Mr.  
Isham leading on white horse and  
hat.

Somewhere in the near future I

fully expect to see in the  
headlines, 'Isham Runs For City  
Council, Vows To Clean Up Tahoka.'

That would seem only logical, as  
I remember reading somewhere that  
unless you are willing to step forth  
and assume some responsibility in  
your community then be content to  
be led by people worse than yourself.

In closing, I fully support his sug-  
gestion for a dog pound at the foot-  
ball games. But build it for one per-  
son and place it on the opposite side  
of the field away from all those who  
reside in Tahoka that, in my opinion,  
have a high regard for the city and its  
citizen and do all they can to make it  
a great place to live.

Gary W. Brazil  
Command Sergeant Major  
U.S. Army (retired)
