## It's Time For Fun, Food And Funding For The Hospital

by KRIS BELEW

Texas Tech Journalism Student  
Now is the time to reach deep inside your hearts and pocketbooks to help support the fourteenth annual Lynn County Hospital Auxiliary's Fun and Food Festival.

This Saturday, April 30, county residents will have a chance to donate their time and money to the fund raising event, which will be held from

4:30 until 8:30 p.m. at the Lynn County show barn. All proceeds will be donated to the Hospital Auxiliary which uses the money to purchase much needed hospital and ambulance equipment — anything from heart monitors to recliners for patient rooms to birthing beds, which have all been purchased with past donations.

Cal Huffaker and Glo Hays will emcee Saturday's event. Auctioneers,

Billy Miller and Melvin Edwards will be assisted by Denny Belew, Greg Henley, Stanley Young, Math Bartley, Rex Rash and Wesley Boone. Donated items, varying in price, will be auctioned throughout the festival, and range from baked goods to hand crafted items to art from local artists. The Auxiliary is still accepting donations for the auction.

Food, prepared by various organizations and clubs, will also be available for purchase. The 4-H'ers will offer desserts and drinks, Phebe K. Warner Club will have homemade ice cream, St. Jude's Catholic Church ladies will offer nachos and fritopies, along with the Tahoka Volunteer Firemen and Lynn County Hospital Board's all-you-can-eat fish fry for only \$4. For information on booths at the festival, contact Melba Thomas at 998-4983.

For entertainment there will be a visit from the AeroCare helicopter, games for the kids, and displays of art and stories from elementary students.

Attendees can find information booths on cancer and diabetes and the United Blood Service mobile unit will be present for those willing to donate blood.

St. Mary's Hospital will offer free glucose and cholesterol screenings during the festival. Anyone who wishes to have those screenings done should not eat for eight hours prior to the screening.

Those who purchase a 50-cent admission ticket to the Fun/Food Festival will be eligible for door prizes given away during the event, and anyone who donates blood will be eligible for additional door prize drawings.

This weekend's Fun/Food Festival offers all area residents an opportunity to show support, not only to the unselfish volunteerism of the Ladies Auxiliary, but, more importantly, to the local hospital.

## Tornado Siren Test Set Friday

The city will test its tornado warning siren at noon Friday, City Manager Barry Pittman announced, so that citizens will know it is not really a tornado warning.

If the weather appears threatening, no test will be conducted, Pittman said.

The signal for a tornado in Tahoka is a continuous wailing tone. The emergency alert system on all cable TV channels also will be tested Friday.

## Equipment Weighing More Than One Ton Reported Stolen

A piece of equipment for breaking up concrete, weighing more than a ton and valued at \$17,000 was reported stolen from a location 2.5 miles south of Tahoka on April 18 or 19. A representative of Colorado Bridge Co. of Big Spring, owner of the concrete breaker, said it was taken between 6:30 p.m. April 18 and the following morning. Officers said it would take several persons to lift the steel device manually.

Several thefts and burglaries during the last couple of weeks are being investigated by Lynn County sheriff's office, including one report of cash stolen from a home in Tahoka.

Justice of the Peace H.W. Edwards told officers some money had been stolen from his home sometime in the last few months and was missed just in the last weeks.

John Paul Grisson of Rt. 1, Wilson, reported that items valued at more than \$175 had been stolen from his residence in a burglary April 4. Missing items included a director's chair, Gerber game shears and Gerber folding knife.

Five lights were reported stolen from intersections along U.S. 87 between Tahoka and O'Donnell where construction has been underway. Barricades Unlimited of Lubbock, owner of the warning lights, said they were stolen April 18 and are valued at about \$20 each.

A 31-year-old Tahoka man complained that a 74-year-old Tahoka man struck him in the mouth in a dispute over a phone bill.

A Victor cutting torch and other welding equipment were reported stolen Saturday from a farm six miles north of Wilson and owned by Harley Martin of Rt. 1, Slaton. The stolen articles were valued at \$720.

Hand wrenches and an unknown quantity of gasoline were reported

stolen April 17-18 from a farm owned by John Fields of Wilson. About 25 wrenches were listed as missing from the location on a dirt road near Wilson.

Weldon Neugebauer of Slaton reported an air compressor, Sears battery charger and a dozen containers of beer had been stolen from his farm house east of Wilson on FM 211 between April 16-18.

Four persons involved in several car thefts on April 13, when one of the cars was left in the yard of the Tahoka mayor, were indicted on three different charges as a 106th District Court grand jury met last week.

The four, all believed to be from Lubbock, and now held in Dawson County jail, are Jeremy Sanchez, Baldo Gonzales, John Anthony Flores and Veronica Montemayor, no ages or addresses listed in the indictment. The charges specified were "engaging in organized criminal activity," burglary of a motor vehicle owned by Jim Anderson, and unauthorized use of a motor vehicle, a 1983 Buick owned by Antonio Montantes.

Five other persons also were indicted by the grand jury which met April 18, including the following:

John Austin, 31, of Tahoka, misapplication of fiduciary property, specifically charges of misapplying

more than \$10,000 in the Julia Ann Austin trust "involving a substantial risk of loss to the beneficiaries of that trust."

Bobby De La Cruz, 18, of Tahoka, burglary of a beauty shop owned by Byron Norwood of Tahoka on March 12. De La Cruz pleaded guilty following the indictment and Judge George Hansard assessed 10 years deferred adjudication.

Ricky Rodriguez, 32, of Brownfield, driving while intoxicated (DWI), subsequent offense.

Simon Frank Rodriguez, 40, Tahoka, DWI subsequent offense.

Rogelio De La Cruz, 48, of Wolfforth, DWI subsequent offense.

Judge Hansard also has revoked probation of Joe Anthony Torres, 20, of O'Donnell, on charges of unauthorized use of a motor vehicle, and sentenced Torres to three years in jail.

New admissions to Lynn County jail during the week included seven more persons for theft by checks and one each on these charges: failure to provide child support, assault on a family member plus public intoxication, DWI subsequent, minor in possession of alcoholic beverages, public intoxication, DWI first offense and misapplication of fiduciary property.

BENEFIT RAISES OVER \$5,000 - Rhonda McNeely presents Barbara Cook with a check for \$5,322 to help defray hospital bills for Mrs. Cook, who is fighting cancer. The funds were raised at a co-ed volleyball tournament and silent auction held over the weekend. Mrs. Cook is Lynn County EMS Coordinator, and has served as a volunteer EMT for several years. ## O'Donnell Clinic Temporarily Closed; Hospital Breezeway To Be Enclosed

by JUANELL JONES

Due to the resignation of Family Nurse Practitioner Dixie Bruce, the O'Donnell Rural Health Clinic facilities are temporarily closed until staffing is reorganized, according to Louise Landers, Administrator for Lynn County Hospital. Hospital Board of Directors accepted Ms. Bruce's resignation at a regularly-scheduled board meeting last Thursday morning, noting that she cited "personal reasons" in making her decision.

"We are committed to keeping the O'Donnell Clinic facilities in operation, and are exploring all possible avenues to help us facilitate re-staffing," said Mrs. Landers. "It's just going to be a matter of time," she added, noting that the clinic phone is still being answered and that other staff members are still in place.

In other matters, directors heard a presentation from Ken Condray of Condray Designs, who presented drawings and information on a proposed retirement facility here. His proposal detailed a 16-unit complex under one roof which included efficiency apartments, two-bedroom two-bath, two-bedroom one-bath,

and one-bedroom one-bath apartments, as well as a central dining area and living area, with a total square footage of 19,340 sq. ft.

Directors approved of the design and invited Condray to attend a meeting of the Wes-Tex Resource Conservation and Development (RC&D) council, who had approached the hospital district directors with the retirement facility idea and offered to assist in searching for grants to fund the project.

In another project, directors voted unanimously to begin work on the hospital breezeway enclosure, accepting a bid from LDC Construction Co., Inc. of Lubbock for \$9,995 to build a double brick wall along the clinic breezeway, and a bid of \$4,315 for concrete work on the project.

The project entails enclosing the walking area from the clinic to the emergency room doors with a brick and glass wall, as well as providing a new covered parking area for the new ambulance. Funds from the Hospital Auxiliary's Fun/Food Festival are expected to defray some of the costs in this project.

"This is something the hospital has needed for a long time," said Mrs.

Landers. "Patients from the clinic needing lab work have to go outside to get there, and if the sand is blowing, or it is cold and icy, it can be treacherous," she explained.

In other action, directors approved a resolution to amend the by-laws to assign directors places and to define terms of office for directors, which gives directors three-year terms with a rotating basis of 3-2-2 (three elected one year, two elected the next year, and two elected the next year). Prior to this year, directors served two-year terms, with three elected one year and four elected the next. The board also approved a resolution to amend the by-laws to include a conflict of interest clause.

Directors reviewed three resumes for physician recruitment for the hospital, and will interview one candidate this week.

Also, directors reviewed and approved salaries for all hospital staff, including the hospital administrator.

Present at the meeting were directors Leland White, Billy Tomlinson, Harold Barrett, Norman Ledbetter, and Bettye Green, as well as Mrs. Landers.

LAWRENCE of Arabia came into the office Monday and asked to look at the world map on the wall. He explained that he was wondering how soon he could get out of here back to the Sahara, where there's not so much dirt in the air.

Actually, Monday was just one of those occasional days which some longtime residents call "Yankee Stoppers," because such choking dust storms discourage outsiders from settling in this great country and taking it over, like Cubans and Haitians in Florida and Orientals, Asians and weirdos in California.

That's not intended to mean that we don't like some Yankees, because many of them are fine, friendly people. We like the rest of them, too, but we usually like them better when they stay in Ohio or Boston, or wherever. (And yes, we do have many native citizens down here who we could do without).

Someone from the Outside World once asked me if longtime residents of this area get used to the sandstorms. "We get used to them, but we still don't enjoy them," I told him.

Anyway, days like Monday make even the most dedicated citizens think about moving someplace else. However, we who have been around here awhile know that when the dust blows for a day or two, the first day following a lousy dust storm is usually incredibly nice. Sunshine, almost no wind, and birds chirping (or maybe that's just coughing up the dirt they swallowed the day before).

This is being written on Monday, and probably by the time anyone reads this, we will have had that pretty day.

And everyone in Lynn County will have washed his or her hair Monday night.

...

I READ IN Monday's daily newspaper that gasoline prices have increased more than 1.4 cents per gallon. I didn't read far enough to see if that was in the last month, last week, or 30 minutes or what. But I do know where there's a station which is doing its best to raise the average price to all-time highs: It is just off Interstate 10 in Deming, NM.

There were four men, each with his own vehicle, tooling along that area last weekend, and all four vehicles were getting low on gas. I had the lead vehicle, so the others were counting on me to find a place soon to get gas. So I promptly exited the interstate and pulled up at what turned out to be the highest-priced gas in New Mexico—Texaco regular unleaded at \$1.49.9 per gallon.

Nobody grumbled too much, though, until we rounded the next corner after filling up and passed a station offering regular at 1.07.9. Some of the men then hinted it was time to elect a new leader, but nobody else wanted the job.

**Couple Announces Engagement**

Denny and Mary Belew of Tahoka announce the engagement of their daughter, Kristin Elizabeth, to Kelly James Munson of Hagerman, N.M. He is the son of Alton and Wanda Munson of Hagerman, N.M.

The couple plans to marry August 13 at the First Baptist Church on Broadway in Lubbock.

The bride-elect attends Texas Tech University and is employed by Creative Educational Video.

The future bridegroom has an associate degree in Animal Science from South Plains College and attends Texas Tech University. He is employed by Young and Jones farms.

Both will graduate in December 1994.

**EARNs R.N. CERTIFICATION** - Beverly Carlisle of Tahoka recently earned her Registered Nurse certification. She has been an employee of Lynn County Hospital since 1986, first as a Nurses Aide, then an LVN, and as a Charge Nurse since earning her RN status. (LCN PHOTO)

**Diligence, Hard Work Pay Off As Dream Comes True For Local Woman**

by **JUANELL JONES**

For Beverly Carlisle of Tahoka, a dream 35 years in the making has finally come true, as she has just recently earned her Registered Nurse certification. The dream began when she was a student at Tahoka High School, but was put on hold for more than three decades after she graduated in 1958.

"I've always wanted to be a nurse ... I got married right out of high school, and at that time if you wanted to study to be a nurse you had to live on campus, and that wasn't possible for me, so I've put this dream on hold for 35 years," said Ms. Carlisle.

Since then, she has raised four sons and gained two grandchildren. She lived in Missouri for 14 years where she worked for a time as a department manager at a WalMart store. She returned to Tahoka and in 1986 she laid the foundation for her dream, becoming a Nurses Aide at Lynn County Hospital.

She worked nights and went to school during the day, and earned her LVN certification in 1988. Through a home study program offered through Regents College in Albany, NY, Ms. Carlisle studied for her RN certification, and in February of this year she traveled to Austin for her state board exam.

"It was the last pencil and paper test, literally, offered on this state exam," she said with a laugh. "I was told that all testing will be computerized from now on, and although that would let participants know immediately whether or not they pass the test, I'm glad I didn't have to take it on a computer, as that would have given me one more thing to worry about." She was notified six weeks later that she had passed the test.

"Everyone here at the hospital has really helped me out," said Ms. Carlisle. "The hospital paid for me taking the test, and I am really grateful for that because it would have taken me a lot longer to finish had they not helped me and encouraged me. Everybody here has encouraged me to do this, and I finally made it. As one of my sons said, 'Imagine, a woman of my age, making a life for herself,'" she said with a grin.

Previously a medication nurse as an LVN, she has been promoted to Charge Nurse upon her certification as an RN.

As for her future plans, Ms. Carlisle says she intends to stay right here at Lynn County Hospital. "We've got a good bunch of people working here, and I love my job," she explained.

**The Healing Power Of Prayer**

Dr. Larry Dossey, former chief of staff at Medical City Dallas Hospital, cites more than 130 studies that encompass a variety of religions and different prayer styles in his new book, *Healing Words: The Power of Prayer and the Practice of Medicine*. "I have come to regard it (prayer) as one of the best-kept secrets in medical science." A growing body of research suggest prayer is an important, scientifically verifiable factor in healing. "When people enter a prayerful state of mind, good things happen to those they pray for."

**Public Notice**

On February 22, 1994, Southwestern Bell Telephone Company ("Southwestern Bell" or "Company") filed an application with the Public Utility Commission of Texas ("Commission") to restructure the Company's Local Transport and Directory Transport categories of its Switched Access Service. This matter has been assigned to Docket No. 12784. The tariff sheets in Southwestern Bell's application, if approved, will bring the Company's intrastate Access Service Tariff into structural parity with the Company's interstate Tariff No. 73 for Local Transport. Southwestern Bell's companion interstate tariff became effective on January 1, 1994.

The transport rate elements provide for the transmission facilities between the customer's premises and the end office switch(es) where the customer's traffic is switched to originate or terminate the customer's communications.

Southwestern Bell proposes to implement the revised tariffs on a revenue neutral basis. Although the proposed tariff changes will affect all customers subscribing to Switched Access Service, the Local Transport and Directory Transport categories of Southwestern Bell's Switched Access Service is primarily for interexchange carriers. If approved, this application will result in an increase in Southwestern Bell's revenues of approximately \$1682.00 during the first year. Southwestern Bell proposes that the changes be effective on December 1, 1994.

Persons who wish to intervene in or comment upon these proceedings should notify the commission as soon as possible, as an intervention deadline will be imposed. A request to intervene or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission's Public Information Office at (512) 458-0256 or (512) 458-0221 for text telephone. The deadline for intervention in the proceeding is May 6, 1994.

Burial was in Nevels Cemetery in Tahoka and was directed by White Funeral Home.

Roberts died Wednesday, April 20, 1994, in Lubbock's Methodist Hospital.

He was born on Feb. 2, 1926, in Tahoka and married Dorothy Applewhite on Sept. 1, 1948, in Tahoka. He attended Tahoka schools and was a graduate of Texas A&M University with a Bachelor of Science degree and served in the U.S. Army during World War II. He was a farmer and longtime resident of Lynn County. He served on the city council and as a school trustee. He was a member of the Masonic Lodge and of the First United Methodist Church.

He is survived by his wife; four sons, Chris of Levelland, Steve of Houston, Ladd of San Antonio and Jeff of California; a sister, Eloise Carroll of Tahoka, and four granddaughters.

Pallbearers were Ray Garcia, H.B. McCord, Arlys Askew, James Brookshire, Jeep Haney and Robert Draper.

### Cancer Society Golf Tourney This Saturday

Interested persons can still sign up for the American Cancer Society Golf Tournament to be held this Saturday at T-Bar Country Club. The one-day fund-raising event, sponsored by the Lynn County Chapter of the American Cancer Society, will begin with a 1 p.m. tee-off at the Tahoka country club and includes a Barbecue Dinner.

Cost is \$100 per four-member team (three men and one woman on a team) and includes the Barbecue dinner. Mulligans are available for \$5 (limit 2). Anyone not participating may also eat at the dinner that

evening for \$6 per plate (\$3 for children).

Anyone interested in playing can contact T-Bar Country Club at 998-5305 or call Gary McCord or Stan Gill. Cash prizes will be awarded to top players. All proceeds from the tournament go to the American Cancer Society.

### National Day Of Prayer Set For May 5

The National Day of Prayer is a day when Christians of all walks of life and denominations will get together and pray for our country and our leaders.

The event will be held in Tahoka

at the Vision Ministries "Gospel Opry" building on Thursday, May 5 from 12:10-12:50 p.m.

"This is a brief time set aside to bring us together as God sees us, as 'His children' to pray together in 'His Love' and ask Him to move in this Nation on our behalf," said John Webster, Director of Vision Ministries.

The public is invited to attend this prayer session.

**HOW TO HELP**  
Many people want to be helpful to others. But, what is the best method to provide the kind of help that is needed? Looking at Jesus will provide the answer.  
First, He served. Preaching does not produce credibility, serving does. He served all kinds of common people. There was no partiality. He cared. He cried. He gave freely of Himself.  
Then, He preached. This was His basic purpose. Healthy sinners are still lost sinners. A Christian can go to heaven hungry. To heal is a blessing -- but it is not enough. Jesus refused to feed the crowd in John 6, and the crowd left Him never to return. The kingdom of heaven is more than physical -- it is spiritual.  
Always, He prayed. This kept His priorities right. The crowd wanted a political Messiah. Jesus is their Savior. Therefore, He withdrew into a solitary place to pray. We, too, get too busy. We, too, can lose our primary purpose. We, too, need to withdraw to pray (Luke 5:16).  
We are a group of Christians seeking to be of help to others. We invite you to visit us in worship. Perhaps we will both be the better for it.

## Card of Thanks

All the family of Zora Powers wish to thank everyone for flowers, cards, prayers, and thoughts during our loss of a wonderful pioneer woman. Also, thanks to everyone who visited me and worried about me while I was in the hospital. May God bless you.

\*\*\*

I would like to thank everyone for the cards, gifts, phone calls and prayers during my stay in the hospital and since I have come home. May God bless each of you.

Shirley Jolly 17-1tp

\*\*\*

The many prayers, telephone calls, cards, flowers, visits, food, and memorials were greatly appreciated by all of us that were sent during the illness and loss of our beloved Mother and Grandmother Mildred Aldridge Ingle. A special thanks to Byron Norwood for his songs, brother Jerry Becknal and Marvin Gregory for the beautiful service they did for Mother. It is comforting to have such good friends.

Jerry and Joe Brooks, Sherri and Gary McCord and Family, Britt and Mary Brooks, Angela and David Ehlers and Family. If Mother could talk to us this is what she would say.

**To Those I Love And Those Who Love Me**

When I am gone, release me, let me go... I have so many things to see and do. You mustn't tie yourself to me with tears. Be happy that we had so many years. I gave you my love, you can only guess how much you gave to me in happiness. I thank you for the love you each have shown. But now it's time I traveled on alone. So grieve awhile for me if grieve you must. Then let your grief be comforted by trust. It's only for awhile that we must part. So keep the memories within your heart. I won't be far away, for life goes on. So, if you need me, call and I will come. Though you can't see or touch me, I'll be near... And if you listen with your heart, you'll hear All of my love around you soft and dear. And then when you must come this way alone, I'll greet you with a smile, and say, "Welcome Home."

## IN THE UNITED STATES BANKRUPTCY COURT FOR THE NORTHERN DISTRICT OF TEXAS AMARILLO DIVISION

IN RE: BILLY D. RILEY, CASE NO. 288-20554-7 d/b/a B&R OIL & GAS. Debtor.

### INVITATION FOR SEALED BIDS

Jim Clements, Trustee, pending approval of the Court and the Federal Deposit Insurance Corporation ("FDIC"), invites separate sealed bids upon the following assets to be sold free and clear of liens.

ALL THE INTEREST OF JIM CLEMENTS, AS TRUSTEE FOR BILLY RILEY, TO THE REAL PROPERTY CONSISTING OF: A tract of approximately 197.1 acres in Lynn County, Texas, the legal description of which is in Exhibit "A" attached hereto.

The property will be sold "as is." The trustee disclaims any warranty, expressed or implied. The property is leased for the current crop year and the purchaser will take the property subject to that lease. The purchaser is responsible for determining the value of the property being sold. All bids must be in writing, sealed and delivered to the trustee by U.S. mail at P.O. Box 50370, Amarillo, TX 79159.

All bids must be post marked by the 5th of May, 1994 to be valid. All bids must be returned in the enclosed self addressed envelope to be valid.

- The bid must include earnest money in the form of certified funds equal to ten percent (10%) of the bid price.
- All unsuccessful bidders will have their earnest money returned.
- The effective date of the sale will be the last day of the month in which the sale is approved by the United States Bankruptcy Court.
- The successful bidder will be notified by certified mail when the Trustee receives approval of the Court and the FDIC.
- In the same certified notice, demand for the balance of the funds will be made. Failure to pay the balance of the funds to the Trustee within ten (10) days from the date said notice is postmarked will constitute default on the part of the bidder and forfeiture of earnest money. (The funds must be in the hands of the Trustee.) The party who bids the second highest amount will then become the successful bidder.

The balance must be paid in certified funds. This process requires approval of the United States Bankruptcy Court and the FDIC. The Trustee reserves the right to extend the deadline for the bid. All bids will be opened in the office of the Trustee, Team Bank Building, Suite 904, Amarillo, Texas 79101, at 2 p.m. on May 12. Any question should be directed to the Trustee at the address below.

Jim Clements, Trustee

## The Wilson News

by Buster Abbe • 628-6368

The UIL banquet decorating committee will meet Wednesday, May 4 at 8:30 p.m. in the Wilson School Cafeteria. Everyone is asked to bring scissors, black markers, a yardstick, and glue.

The Wilson Junior Class would like to thank everyone who participated in the "Boom Box" fundraiser. "Your support is greatly appreciated," said a representative. Janet Kitten was the winner of the boom box.

Wilson ISD will celebrate Cinco de Mayo (May 5) with food and fun booth festivities beginning at 5 p.m. The main event will include a program at 7 p.m. in the gym featuring student performances and the Ballet Folklorico San Patricio. There is no admission charge to the program. Anyone wishing to have a booth should contact Bob Williams at the high school at 628-6201.

Students in elementary and high school Spanish classes will be studying some of the historical events leading to this celebrated holiday.

Parents are invited to attend their child's Spanish class on May 5, according to David Acosta, the Spanish teacher.

The Wilson Cemetery Board is collecting funds for the maintenance and improvement of the Wilson Cemetery. Funds may be given to Floyd Heck, Earl Cummings, A.J. Gickhorn, Wilbert Wuensche, or Elmer Blankenship or deposited directly to the association's bank account at the Wilson State Bank.

The City of Wilson water system will be undergoing some inspection and repair on the water tower, scheduled to take place on Wednesday, May 4, all during the day. The water tower will be out of service during this time and water customers will notice a decrease in water pressure. Residents are urged to plan their activities so that major water usage can be held to a minimum on this day. Water service itself is not expected to be interrupted.

The Catholic Youth Organization (CYO) of Wilson's Blessed Sacrament Church will be having a car wash and bake sale Saturday, May 21 from 10 a.m.-6 p.m. The event will be at the United Supermarket in Slaton, and funds raised by the group will be used to defray expenses to an area youth rally. The CYO will also have a booth at the Cinco de Mayo celebration (May 5) at the Wilson school.

The Wilson FFA Chapter will host their

annual FFA Banquet on Tuesday, May 3 at 7 p.m. in the little gym, with the meal served by the Chapter members for the Chapter and its area supporters. After the meal the chapter will recognize chapter members who have earned various FFA awards and honors and the highlight of the meeting will be the annual presentation of the honorary Chapter Farmer Award to a member of the community who has worked with and aided the chapter members during the year.

The Wilson Jr./Sr. Banquet will be Saturday, April 29, at the Depot Restaurant in Lubbock.

The Wilson Little Dribblers major tournament will be held Friday and Saturday, April 29-30. Those involved should have the schedules and locations of the gyms. The games will be played in the high school gym and all the community is invited to come out and support the Wilson teams.

The Wilson schools will NOT have a holiday on Monday, May 9. This has been changed to Friday, May 6. There will not be school May 6, but there will be regular school on May 9.

The Wilson Lions Club will not meet May 5. The Lions Club secretary will be at the Cinco de Mayo celebration and those Lions who attend should check in with the secretary and they will be given credit for attendance.

The Lions Club met last Thursday night. Jimmy Woodard, of the ASCS office, presented a program explaining some of the rule changes involved in the farm program, involving the 1994 crop year.

The next meeting will be May 19 with state representative David Counts presenting the program.

The Wilson Fire Dept. is involved in major renovations of the fire station. The back wall was remodeled, a new wall was installed, and the interior was redone. The garage and training area has been enlarged and the ceiling tile and light fixtures have been replaced.

The members have spent many hours doing this work, and they are to be congratulated on the job they have done.

Seven members of the fire department have completed a one week course in fire fighting and rescue skills taught at the Lubbock fire department training ground.

Curtis Gickhorn, Lester Gickhorn, David Bell, David Cook, Billy Bishop, Kelly Livingston, and Ed Donaho completed the course and were awarded certificates of completion. Brian Autry, Derrick Holder, and Orlando Zepeda completed a short course in firefighting skills and safety at the Regional Fire Dept. training ground in Brownfield.

Each year the Farm Bureau Insurance Company sponsors the cost of sending one county fireman to the fire school at Texas A&M. The Lynn County Farm Bureau has selected the Wilson Department to receive this training grant. Whoever of the Wilson volunteers is lucky enough to go will have a week's worth of training in firefighting

### Letter To The Editor

Last weekend a benefit volleyball tournament and Silent Auction was held for Barbara Cook. The citizens of Lynn County came through with flying colors, and opened their hearts along with pocketbooks.

It was much more than I ever expected. People from Tahoka, New Home and Wilson and surrounding communities made the auction a huge success. Businesses donated their wares, along with the community. Over 65 items were donated and sold to the highest bidder. It was fun and exciting for all. Many people helped make the weekend go so well; and I could not have done it without each and everyone of them.

Once again, the community pulled together in time of need to help someone that has helped so many others in the last 10 years. Barbara has a special place in my heart, and as I have found out, she has touched many others as well.

Thanks again for everyone that made this all possible. You are all great and may God bless each and everyone of you in his own special way.

Anyone still wishing to make a donation can bring it by or mail it to: First National Bank, Box 1030, Tahoka, Texas 79373. All donations are greatly appreciated.

Thank you,  
Rhonda McNeely

Sue Gentry, Tuesday, April 19. Former council president, Donald Klaus made the presentation. Former members of the church council and several members of the anniversary celebration committee were present for the presentation.

### A PERSISTENT FEVER CAN BE A WARNING

When a raging fever fails to cool down after 24 hours — beware. This could mean that your body may have a serious problem that it cannot handle without medical help.

If, despite your self-treatments, a continuous low grade fever persists for several days or weeks, this may be your body's warning of a chronic infection, such as rheumatic fever, mononucleosis, etc. You would be wise to let your physician find out what may be wrong.
